Dear Fellow Jaycees,

My most sincere congratulations on yet another successful year for the Hong Kong Junior Chamber of Commerce. During 1991 your achievements were unmatched. Your incoming officers have the opportunity to build on these and other past accomplishments to make 1992 the best year ever for Hong Kong. I wish them all the best and pledge to them my help as your assigned EVP. I know that the commitment to Junior Chamber is felt by all of you.

MESSAGE FROM VICE PRESIDENT JUNIOR CHAMBER INTERNATIONAL

Greetings from Junior Chamber International!

On behalf of the World Organization, it is my pleasure to congratulate the National Organization and all the LOMs during this Induction Ceremony of the new sets of officers for 1992.

This "changing-of-guards" occasion is very significant not only because it is heralding the start of the new sets of officers but also because 1992 will definitely be an exciting year for the Hong Kong Junior Chamber of Commerce. This year, the NOM will be vigorous in its initial preparations for the 1993 World Congress hosting and I am sure a lot of activities, including seemingly unrelated projects, will be contributory towards this very challenging goal. I know that under the able leadership of President Eddy Wong, this will not be an ordinary year for the NOM. While we start our year, let me take advantage of this occasion to remind you of our international theme, "The Age of Global Citizenship" and our World President's Thrust of "New Dimensions" so that these inputs may be included in your plans for the year.

I would like to take this occasion to also congratulate my friend, outgoing National President Daniel Cham, for a very successful and fantastic year. And I look forward to working with you all closer in 1992.

More power!

CRISPIN C. DY, JR.
Vice-President

MESSAGE FROM HON. LIFE PRESIDENT HONG KONG JUNIOR CHAMBER OF COMMERCE

Best wishes are offered therefore to the new President and all his executives for a year of good progress in the attainment of the objects of the Junior Chamber. Their is the opportunity to serve the community in a critical period, while gaining experience and making friends.

There should be due recognition of the good work and devotion to duty of the outgoing President and all his administration. They played their part too in the continuing success and progress of the Junior Chamber in Hong Kong.

Greetings to all members.

A. de O. Sales
Hon. Life President

MESSAGE FROM NATIONAL PRESIDENT HONG KONG JUNIOR CHAMBER OF COMMERCE

At the beginning of every year, most of us will set up our objective and work towards it. In 1992, the Hong Kong Junior Chamber has set up our objectives to strengthen our unity within and to carry on promoting Jaycees to the public at large. With these objectives in mind, we have planned a series of activities to train up our members, to remind our members why we should be proud of ourselves and how we can excel in order to serve the community we live.

Since the future of Hong Kong is curcial to our daily life, our family, and our career, the care and concern that we give to the community development is of great importance. If economic growth can be achieved as expected, we can have a wealthier living environment. In addition, a smooth transition of the Administration will also be in the interest of Hong Kong. The success of all these changes does rely on our attitudes and care towards the society. If all of us work positively for Hong Kong prosperity, our success is guaranteed. Thus, we should have good visions for our future, in which we will have a fortunate living and that is why "VISION FOR HONG KONG" is chosen as the Major Emphasis Theme of 1992. All of us will commit to create a better vision for Hong Kong, working closely for it and for the betterment of this place. Local chapters will join hand in hand to carry out projects expounding the theme to build up stronger impact. We hope that Hong Kong citizens will look up to the Hong Kong future.

No matter what kind of vision we have in mind, we need our members to "MAKE IT HAPPEN". I myself have selected a presidential slogan, "LET'S MAKE IT HAPPEN" to remind us of the importance of action taking to dream realization. Only through actions and concerted efforts can the objectives be achieved. When everybody takes the initiative to make things happen, we have almost attained half of the success.

Tonight, during this solemn ceremony, we take our oath to be officers of NOM or LOMs. I hope all of us will truly understand our commitment, our dreams and our objectives. We should fully utilize 1992 and get hold of every opportunity to train ourselves and serve the community. Let us strive for excellence and make things happen.

May I wish you all a meaningful and successful 1992!

EDDY C. W. WONG

MESSAGE FROM JCI ASIA PACIFIC DEVELOPMENT COUNCIL CHAIRMAN NATIONAL IMMEDIATE PAST PRESIDENT SENATE CHAIRMAN

It is my great pleasure to send this congratulation message to all the officers who will take the oath this evening to commit themselves to serve our beloved organisation and the community. I salute to all of them as they have the great determination, confidence and courage to accept the challenge and to take up the responsibility. We definitely need leaders like them to run and manage this organisation and to make it a better and stronger one.

Last November, we have won the bid to host the 1993 Junior Chamber International World Congress. That means another two years' hard work and commitment by our members. It will be a very valuable opportunity for the senators, past and current members to work together and make it one of the best World Congresses of Junior Chamber International. This Congress provides a lot of training opportunities to our members and no doubt, their leadership skill will be further polished through the active participation.

Lastly, I would like to extend my warmest congratulations to National President Eddy, his board members; all the chapter presidents and their board members. Under their capable leadership, it will be another successful and fruitful year of H.K. Junior Chamber of Commerce.

DANIEL CHAM

JUNIOR CHAMBER INTERNATIONAL

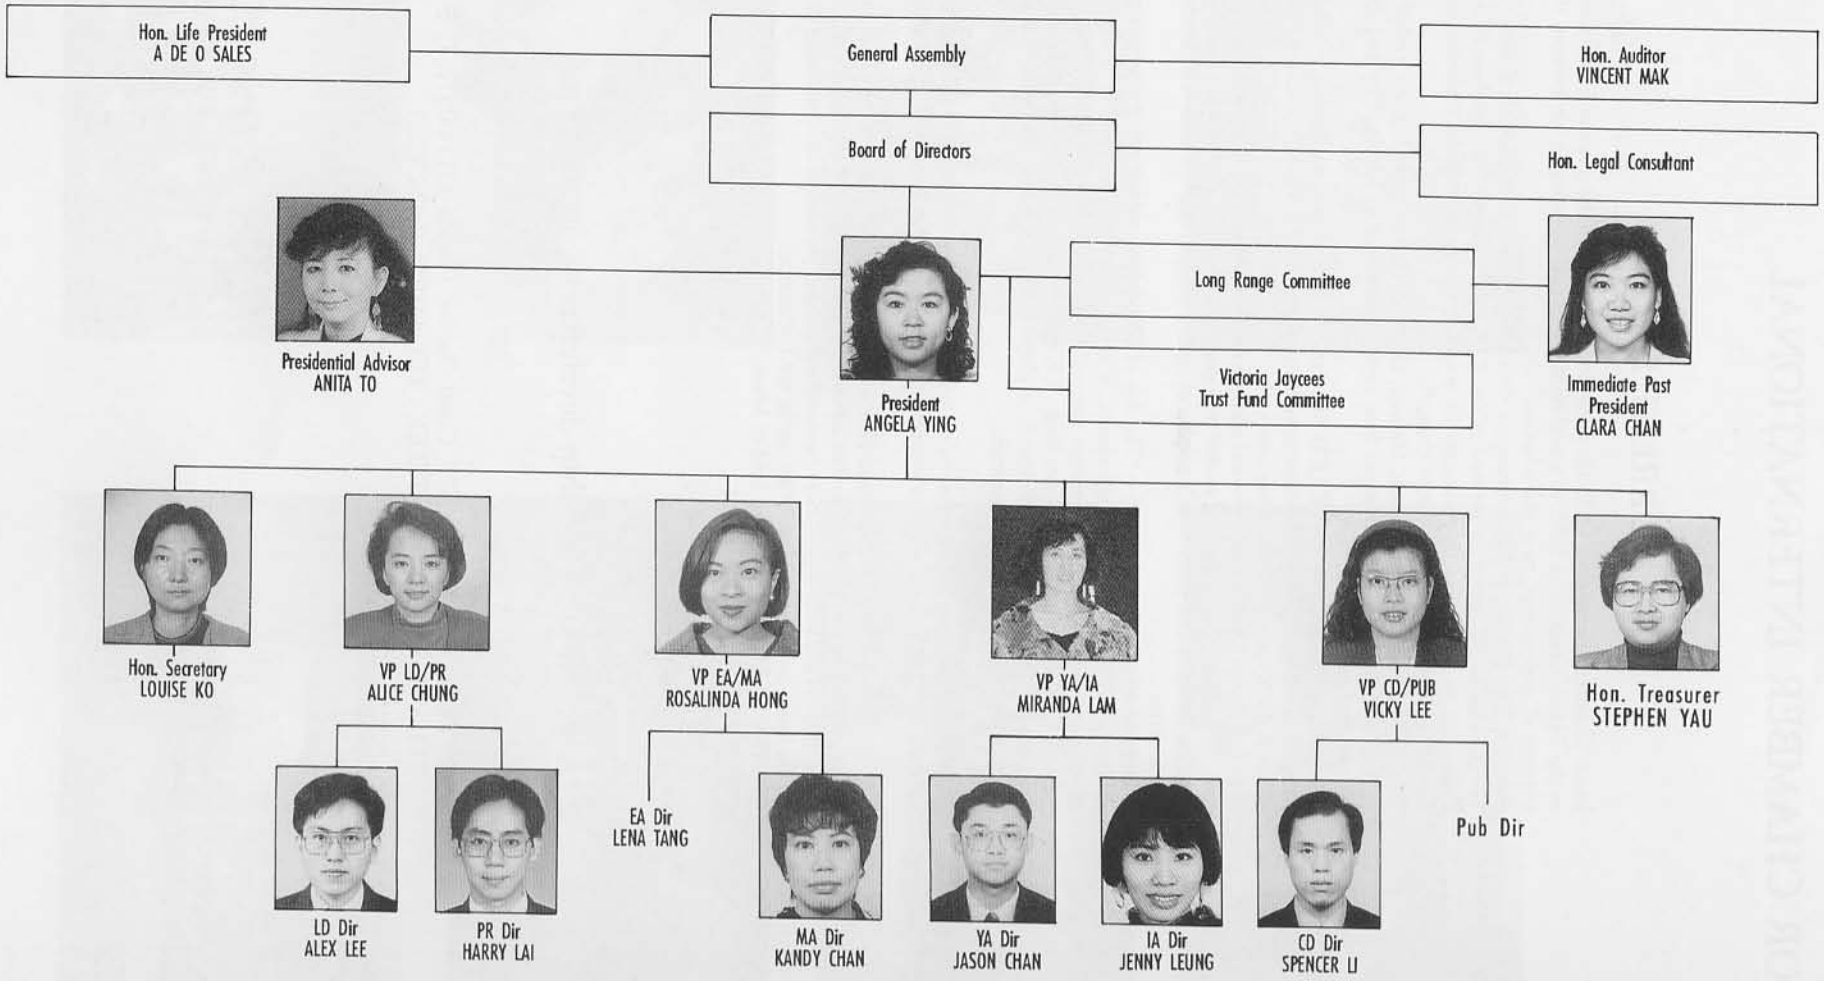

CURRENT FACTS

NAME:	Junior Chamber International (JCI), the name was changed from the previous Jaycees International to the above name in the Sydney Congress in 1988, is a worldwide association of young people between the ages of 21 and 40, which welcome all nationalities, races and religions.
MEMBERSHIP:	Over 400,000 in nearly 13,000 communities throughout more than 80 member nations.
PURPOSES:	The purposes of the Jaycees, as outlined in the JCI Constitution, are "to contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility and fellowship necessary to create positive change".
HISTORY:	The organization founded in St. Louis, Missouri, U.S.A. by Henry Giessenbier on October 13, 1915. His idea spread and on December 11, 1944 representatives from eight nations met in Mexico City and the world organization Jaycees International (JCI) was founded.
HEADQUARTERS:	The Junior Chamber International (JCI) Secretariat is located in Coral Gables, Florida, U.S.A. Staff of 35 provides bilingual membership and development services to its Local and National Organization Members. Its chief administrative officer is the Secretary General Dam Lamey.
THEME:	Each year, Junior Chamber International adopts a major emphasis theme program which is implemented on a worldwide basis. The theme that is selected relates to a major problem or problems with universal significance. In this theme program, members can select from a number of specific projects that are most relevant to the needs of their respective communities. The theme adopted for 1992-1996 is "The Age of Global Citizenship" with the subthemes of Economic Development, the Future of Children, and the Environment. Without a favourable economic environment, individuals, companies and governments cannot guarantee education and health for our children. When economic growth means more pollution, the very future of our children becomes bleak. Children are both the reason for, and the key to, the protection of earth's environment. A new, better world depends on global thinking today, action throughout all levels of society today, if we are to secure the fate of our environment.
AREA OF OPPORTUNITY:	This concept promotes the adoption, by national and local organizations, of a balanced program of activities which will offer the membership: individual, management, community and international opportunities.
RIGHTS OF THE CHILD:	JCI recognizes and supports the United Nation Declaration of the, Rights of the Child. In 1979, Jaycees throughout the world conducted programs which directly affected the lives of more than eleven million children. In 1982 and subsequent years, national and local organizations have and will conduct permanent and continuing programs to assist with providing for the basic needs for children as set out in the Declaration.
ANNUAL MEETING:	The 47th World Congress will be held in Miami, U.S.A.

超時代健康飲品

命之泉 口服液

「命之泉」口服液是新一代的嶄新保健飲品，是由純天然生物精華配合五葉蔘(絞股藍)提煉而成；有藥效而無藥性，它不是藥，但對廣泛的各種身體機能失調均有明顯療效。性味平和，不凉不躁，無副作用，而且男女老少皆宜。

「命之泉」是一種經多年研究而配製成的神奇飲料，中山醫科大學藥理教研組，中山醫科大學附屬第一醫院，廣州海軍醫院和東方益壽保健技術研究所均曾對「命之泉」做了大量的藥理，藥效和臨床研究，結論均對「命之泉」的功效作出了肯定的証實。

爲了進一步強化「命之泉」對各種身體機能失調症狀的療效，食療藥理學家將「命之泉」所含的微量元素以不同的份量及比例組合分別配製成「命之泉」二型、三型、四型及五型。

用量和用法：每日二次，每次一瓶。連續服用24天爲一個療程，體弱多病的人可服用3—4個療程，長期服用更可以鞏固體質，防衰老，恢復身體對疾病的抵抗能力。

包裝規格：6瓶裝，每瓶40克。

命之泉（2型）口服液——功效：預防飲食失調性貧血，提高人體紅血球和血紅蛋白的數量，調節中樞神經系統，改善失眠，神經衰弱，神經性頭痛，增強消化系統功能，促進人體新陳代謝，增強細胞功能恢復體力。

命之泉（3型）口服液——功效：預防腎上腺，胸腺萎縮；降血脂，增強肝臟健康，減少受疾病感染，利肝臟新陳代謝，改善肝臟功能及護肝作用。

命之泉（4型）口服液——功效：使尿液含糖份轉陰並降低過高的血糖，消除疲乏和暈眩，令飲多食多和尿多的失常現象轉輕，補充失去養份，使體力回復。

命之泉（5型）口服液——功效：使體內各種機能平衡運作，促進體內紅細胞數和血紅蛋白的含量增加，提高人體的免疫功能，增強體質，預防疾病和因免疫系統失調而引致的各種併發症。

"HEARTSIZE"
JCI-ASPAC '92
KITAKYUSHU

We sincerely hope to welcome you all to Kitakyushu in 1992.

I am extremely happy to extend a cordial invitation from the 300 Kitakyushu Jaycee members to you to come to our beautiful city.
Kitakyushu is located in south-west Japan, open to the Asia-Pacific Region, and always has many foreign visitors for tours and business. We have abundant facilities for conventions, exhibitions and trade fairs. Along with our mild climate and splendid scenic beauty, you can also enjoy a variety of fresh sea foods, a wide range of modern shopping centers and first class hotel services.
You can be assured that you will feel entirely at home during your stay because of the warm hospitality of our citizens as well as the members of the Kitakyushu Jaycees.
We are very happy and proud to live in the Asia-Pacific region, and the time has now arrived for us to take leadership and responsibility in the rest of the world and greatly increase our contribution to our invaluable global society.
The JCI-ASPAC Conference presents a fascinating opportunity to meet new friends and to get to know each other, our countries and our cultures. Let's get together, shake hands and discuss our promising global future.
The Kitakyushu Junior Chamber takes great pleasure in making serious efforts to provide this opportunity for you.
