MESSAGE FROM GUEST OF HONOUR

For almost forty years, the Jaycees have rendered valuable contribution to the community through, among other things, providing our young people with an opportunity to develop their leadership skills and a strong sense of social responsibility.

It gives me great pleasure to send my best wishes to the Hong Kong Junior Chamber of Commerce on the occasion of its Inauguration Ceremony for the 1989 office-bearers. Also, I would like to take this opportunity to congratulate the outgoing committee for their numerous achievements in 1988.

MESSAGE FROM PATRON

My warmest congratulations to the Hong Kong Junior Chamber of Commerce on the occasion of your 1989 Inaugural Ceremony!

Your movement benefited the world by way of your community service programmes, the development of young people as well as your concern and efforts towards the well-being of mankind as a whole.

I have personally witnessed the growth of your organization over the years. The hardwork of your officers and members in upholding the Jaycee Ideals impress me very much. All these deserve praise, admiration and support from the community of Hong Kong.

Progressive young people form the backbone to the future well-being of this territory, especially at this time of uncertainties. I am sure you will achieve a lot under your Major Emphasis Theme on 'Children' this year.

I wish the Hong Kong Jaycees National President Junia and your Chapter Presidents a most successful Year of the Snake.

Mdm. YEUNG KAM CHUN

MESSAGE FROM PRESIDENT JUNIOR CHAMBER INTERNATIONAL

It is my great pleasure to greet all the members of the Hong Kong Junior Chamber of Commerce on the occasion of your Inaugural Ball.

I would like to thank all the Jaycees who have served our Organization in the past, because without their dedication and assistance we would not be celebrating our success achieved to date, in particular, that of your 1988 President and Board of Directors.

On behalf of the Board of Directors of Junior Chamber International, I send a special greeting to 1989 President Junia Ho and her Board of Directors and wish them much success in the upcoming year. I am sure that they will work with the conviction that their year will build upon the achievements of the past.

Although I am far away, my heart will be with you and I would like to take this opportunity to assure you of my full support and warmest regards.

We are, "Jaycees . . . Making It Happen".

ISFAHANI SAMEEN

MESSAGE FROM SENATE CHAIRMAN JUNIOR CHAMBER INTERNATIONAL

I am pleased to send this Message of Greetings on the occasion of the Inauguration Ceremony of the NOM and LOM officers of the Hong Kong Junior Chamber of Commerce.

At this symbolic moment when the 1989 Jaycee leadership of Hong Kong will solemnly take their Oath of Office, we shall witness a renewed commitment from young people towards self-improvement through the leadership development opportunities of Jaycees – a continuous global contribution of Junior Chamber International towards the greatest treasure of our Earth – HUMAN QUALITY.

With warm wishes for a wonderful year in 1989!

JENNIFER YU

MESSAGE FROM EXECUTIVE VICE PRESIDENT JUNIOR CHAMBER INTERNATIONAL

On this first day of the New Year, I would like to express to you the personal satisfaction that I feel as I look back on the 1988 year, and the anticipation, excitement and resolve that I feel as we approach 1989. Last year was a very special year for the Hong Kong Junior Chamber of Commerce as Jennifer Yu, a local member of the Hong Kong Junior Chamber and a product of your leadership development system, came to be elected as the President of Jaycees International. She served our world with dedication and vision. Her tenure as President placed Hong Kong Junior Chamber in a very special light. Interest in your NOM by other national organizations around the world was intensified, and Jaycees around the world began to look to Hong Kong Junior Chamber as a role model of what a national organization with quality programming and motivated leadership could accomplish. You have fulfilled that role very ably and you represented a world president and Jaycees International with distinction.

It has always been my belief that it is important not to only support our leaders during their election, but during their term of office. I am certain that President Junia Ho can continue to rely on your cooperation and dedication as you work together to make the Jaycee experience significant to the individual members and to serve your local community and continue to develop leaders that can meet the challenges of our times.

One of the continuing mysteries of the dynamics of a Jaycee chapter is the principle that I call synergism. It is the principle of the whole being greater than the sum of its parts. Synergism is the miracle of teamwork. I am sure that it will characterize your accomplishment during the coming year.

I encourage you to do your best, enjoy yourselves, and nurture your friendships.

Yours sincerely,

Stephen Yacobi

STEPHEN A. YACOBI

MESSAGE FROM VICE PRESIDENT JUNIOR CHAMBER INTERNATIONAL

The 1989 Inauguration Ceremony of the Hong Kong Junior Chamber of Commerce provides us with the opportunity to review the accomplishments of a great NOM. The same occasion shall likewise provide the challenge for the present administration under the leadership of President Junia S.Y. Ho to plan and implement projects which shall bring this NOM to greater recognition in the Jaycee movement.

It is a great honor for me to congratulate the 1989 Officers and Directors of the Hong Kong Junior Chamber of Commerce.

The strength of a NOM has always centered on the quality of training and development that it can provide to the membership and I enjoy the 1989 set of officers to emphasize strongly on the Basics of Jayceeism. A good orientation and training program is required and needed in order to maintain the status and image of the Hong Kong Jaycees.

Congratulations and more Power to All of You!!!

SERGIO O. VALENCIA

MESSAGE FROM HON. LIFE PRESIDENT HONG KONG JUNIOR CHAMBER

In every Junior Chamber the world over there is a change of responsibility each year. This gives an opportunity to more young people to further their own training at the helm and it also enables a new group of leaders to put their goodwill and convictions into practice.

The Hong Kong Junior Chamber moves forward each year with greater strength as it should do. It builds with confidence on past achievements and sets new goals under progressive leadership.

Congratulations are due to the new President, Officers and Directors on their election. They have already an impressive record and are now resolved to do even more for the community in their year of challenge.

A. DE O. SALES

MESSAGE FROM NATIONAL PRESIDENT HONG KONG JUNIOR CHAMBER

1989 will be a significant year for all of us in the Hong Kong Junior Chamber of Commerce as it brings our organization another step forward to meeting more challenges the new year offer. It challenges the National Board members to take our achievement to greater heights. The challenge also goes to the local chapters to provide more personal development opportunities for their members. It also challenges the Jaycee members to serve our community better but most significant of all, it challenges the Hong Kong Jaycees as a whole to act in response to the changing need of our community in the era.

To succeed in our mission, we need more trained Jaycees. We need to grow in membership, and more importantly to become effective. We need to involve more members of the community in our belief in individual development, economic justice, service to the community; principles that are well embodied in our creed. It is also our objective this year, to consolidate our organisation and develop more members of high calibre. We can achieve this by providing innovative training for different levels of members. We have also adopted "CHILDREN'S RIGHTS FOR A BETTER TOMORROW" as our Major Emphasis Theme. To increase public awareness of our activities, all the 17 local chapters are encouraging to plan their projects along this theme.

The year 1989 is also one of the opportunities to develop ourselves and our organization and build a better community to live in. But it all depends on you individual member, because the success of the Jaycees depends on our individual and collective efforts, we can build a stronger, more vibrant and more viable organisation.

Let us together make 1989 a year of great success, personal development and harmony among all our members. We must be united if we are to achieve our ambitious objectives. We must have faith in ourselves and we must realise our beliefs and our ideals with concrete action. Let us strive ahead in concreted efforts to make this year one of the memories and extraordinary achievements which we can recount with pride and self-satisfaction.

May I wish you all a happy and prosperous year!

JUNIA HO

MESSAGE FROM SENATE CHAIRMAN HONG KONG JUNIOR CHAMBER

Every year, the Inauguration Ceremony marks the beginning of a new page of the Jaycee administration, when incoming officers take the oath to reconfirm their belief in Jayceeism and pledge to serve the organisation and the community. In addition, it provides the opportunity to remind members and the community of the continuing value of our organisation.

The future prosperity and stability of Hong Kong lie immensely on the shoulders of our young generation. Jaycees, being a worldwide leadership development organisation of young people, we must translate our leadership skills and knowledge into activities that lead to betterment of our community. I am confident that our new leaders of the organisation will do their best to meet the challange, thus reflecting the relevance of Jaycees today.

On behalf of the Hong Kong Junior Chamber Senate, I wish National President Junia and her team another year of success and achievements.

Gary Lee.

MESSAGE FROM CHAPTER PRESIDENTS

VICTORIA JAYCEES

The solemn Inauguration Ceremony sets off another prosperous and eventful year for the Hong Kong Jaycees. The oath we swear affirms our determination to cultivate our future leaders and to strive for a better community.

On behalf of the Victoria Jaycees, I would like to extend our deep appreciation to all the incoming NOM and LOM officers for their dedication and commitment in the Jaycee movement. Victoria will continue to render our full support to the National Board as well as our fellow chapters.

ROSA CHAN

KOWLOON JAYCEES

Whether Hong Kong can continuously be prosperous and stable in the coming years on decades are mainly reliable upon the outcome of compromises and tolerances among leaders of today. Hong Kong Jaycees, who are considered as leaders of tomorrow, must keep abreast of change and ourselves well equipped in order to bear the role as leaders in the future.

On behalf of the Kowloon Jaycees, I sincerely wish that the National Board 1989 will lead us to have a year of success in the forthcoming year.

VINCENT MAK

ISLAND JAYCEES

Each year we face the questions of how to attract more prospective members and to make them develop our "Jaycees Fever". Can we provide useful trainings to develop our members into better individuals? Do we provide good community projects for them to participate so that they can be proud of being Jaycees?

Without saying, National President and her Board of Directors announced that Action Plans offer solutions. While wholeheartedly support them, the Island Jaycees also have our plans of action of similiar natures.

Apart from sharing happy moments in fellowship meetings with other chapters, we wish that our Jaycees brothers and sisters can teach and share with us their knowledge and experiences. In 1989 Island Jaycees are busy with the consolidation activities and community projects, but that does not deter us from continuing good friendship with other chapters.

We do hope that the 1989 Inaugural Ball signifies a new page of the Hong Kong Jaycees activities towards which we all work together.

HISTORY OF HONG KONG JUNIOR CHAMBER OF COMMERCE

The Jaycee Movement reached Hong Kong in 1949,when a Philippine Jaycee John Ng who was the Special Liasion Officer of the JCI 5th Congress and was charged with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of the Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as Convenor of the organizing committee. Mr. Austin Coates from Hong Kong Government, then as Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

The tempo of laying the foundation of the Chamber was further stepped up when Mr. Ramon V. Del Rosario, the JCI Vice-President for Asia, offered to recommend prompt recognition of the Hong Kong's Jaycee membership status. He also invited the Organizing Committee to send observers to Manila to attend the JCI 5th Congress. On 21st March, 1950, a sponsors meeting was called to receive the report of the return observers from Manila. The account of their vivid experience gave Hong Kong a deeper insight into Jaycee movement. A week later, the Provisional Constitution which had been in the making during the previous three months was adopted. Finally, on 6th April, 1950, the Inaugural General Meeting of the Hong Kong Junior Chamber of Commerce was held and the first Board of Directors was elected. 4 Areas of Opportunities

JUNIOR CHAMBER INTERNATIONAL

CURRENT FACTS

NAME:	Junior Chamber International (JCI) is a worldwide association of young people between the age of 18-40, which welcome all nationalities, races and religions.
MEMBERSHIP:	Over 400,000 in nearly 12,000 communities throughout over 90 member nations.
PURPOSES:	The purposes of the Jaycees, as outlined in the JCI Constitution, are to "contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility and fellowship necessary to create positive change."
HISTORY:	The organization was founded in St. Louis, Missouri, U.S.A., by Henry Giessenbier on October 13, 1915. His idea spread and on December 11, 1944, representatives from eight nations met in Mexico City and the world organization – Jaycees International (JCI) – was founded.
1989 PRESIDENT:	M. Isfahami Sameen of Sri Lanka Jaycees.
HEADQUARTERS:	The Jaycees International (JCI) Secretariat is located in Coral Gables, Florida, U.S.A. A staff of 33 provides trilingual membership and development services to its Local and National Organization Members. Its chief administrative officer is the Secretary General, Dan Lamey.
THEME:	Each year, Jaycees International adopts a major emphasis theme program which is implemented on a worldwide basis. The theme that is selected relates to a major problem or problems with universal significance. In this theme program members can select from a number of specific projects that are most relevant to the needs of their respective communities. The theme program adopted for 1989 is JAYCEES . . . . . YOUNG PEOPLE FOR WORLD PEACE. The sub-theme adopted for 1989 is "CHIDREN RIGHTS FOR A BETTER TOMORROW". It is somewhat unique for an organization like Jaycees International to become so involved in such an enormous issue, but, as a leadership training organization, it has the responsibility of directing this leadership and community initiative into a program that is based on the search for a better world balance and, ultimately, world peace.
AREAS OF OPPORTUNITY:	This concept promotes the adoption, by national and local organizations, of a balanced program of activities which will offer the membership: individual, management, community and international opportunities.
RIGHTS OF THE CHILD:	JCI recognizes and supports the United Nations Declaration of the Rights of the Child. In 1979, Jaycees throughout the world conducted programs which directly affected the lives of more than eleven million children. Since then, national and local Jaycee organizations conduct permanent and continuing programs to assist with providing for the basic needs of children as set out in the Declaration.
ANNUAL MEETING	The 44th JCI World Congress will be held in Birmingham, England, from 5-11 November 1989.

"A worldwide leadership development organization."

COMMUNITY AREA

Hong Kong Jaycees builds its strength on the belief that service to community is the best work of life. Members are always encouraged to co-ordinate/initiate meaningful projects to improve on the well being of Hong Kong. In years. projects catering for the needs of various target groups and of different nature has been launched. These projects, on one hand, provide perfect training grounds on leadership development; and on the other, open up avenues through which members could discharge their social obligations as reputed citizens of Hong Kong.

ACTIVITIES

Ten Outstanding Person Selection
– the project with great publicity

MANAGEMENT AREA

Jaycees is a PEOPLE organization. When individuals from all walks of life come together under one roof, they make a dynamic force driving towards greater achievements on their personal commitments as well as services to humanity. The greater the size of our membership, the stronger our organization could be. Thus, orientations and other public relations projects/activities constitute indispensable itinerary in our calendar for improving our manpower resources. Members of the Hong Kong Jaycees learn from both mistakes and victory, yet they could not have done so devoid of the support of an efficiently run Headquarters Office.

Officers' Training School

Chapter Presidents discussing their plan for 1989

ACTIVITIES

Eloquent Speaker Seminar

Leadership In Action Camp – jointly organized by Island Jaycees & Bauhinia Jaycees

INDIVIDUAL AREA

Of all the Four areas of Opportunities that we offer, Hong Kong Jaycees profess for the importance of individual training not only for the reason of polishing the leadership skills of our members, but also for the sake of preparing them for assuming the role of leaders on both local and international levels. For years, we have developed unique packages of training programmes covering varied topics on leadership. We have also established our very own resource library in accommodating a vast volume of training materials collected from all sources including Junior Chamber International and neighbouring NOMs/LOMs.

Individual Training Program

Seminar on effective speaking technique

ACTIVITIES

JCI Asia Pacific Conference held in Macau

Hong Kong Jaycees delegation meeting Chinese leaders in Beijing

INTERNATIONAL AREA

Our affiliation to the Junior Chamber International substantiates our status as a worldwide leadership organization comprising young men and women of all nationalities, races as well as religions. There are many occasions such as area conferences and world congresses when we could gather together for exchange of views on cultural, social or economical issues. Courtesy visits between the National Organization Members further substantiate the spirit of such internationalism to the extent that world peace could be guaranteed when the brotherhood of man transcends the soverignty of nations.
