THE JAYCEE CREED

We believe:
That faith in God gives meaning
and purpose to human life,
That the brotherhood of man
transcends the sovereignty of nation;
That economic justice can best be won
by free man through free enterprise;
That government should be of laws
rather than of men;
That earth's great treasure
lies in human personality;
And that service to humanity
is the best work of life.

Foreword by National Convention Director

FOR members of the Organizing Committee of this National Convention, the task is enormous and laborious. However, we take great pride in being part of it.

WORDS cannot possibly describe our experience for having to survive frustrations and surprises that surfaced from time to time in the previous months. Nevertheless, we treasure the experience. We are particularly gratifying to learn that we are not alone in the course of implementing our plans.

While a **FOREWORD** makes room for recounting events, conveying gratitude etc., greetings and reports that follow constitute the bulk of the content of this Manual. The writers have all given serious thought to their articles. Likewise, readers are expected to read these words of wisdom with care and sincerity. By the end of the day, perhaps, we could come to a better understanding of our commitment to this organization and to build a better Hong Kong.

In closing, I would like to take the opportunity to express my sincere appreciation to The Hon. Allen Lee Peng-fei, CBE, JP, Senior Member of the Legislative Council, Amway (HK) Limited, Cerebos Pacific Ltd. and all patrons of this National Convention for their support and participation.

Valerie Cheung
Convention Director

GUEST OF HONOUR

Senior Member, Legistive Council

Message from
Guest of Honour
The Hon. Allen Lee Peng-fei, CBE, JP
Senior Member, Legistive Council

Hong Kong has tide over a difficult period in the past year, and once again proved that it is a pragmatic and forward-looking community. In the face of the unrest in the Middle East which has great impact on world economy, Hong Kong's resilience is again put to test. As economy has always been the mainstay of our success, I believe young people like Jaycees would be most willing to commit themselves in maintaining a stable economy for the territory.

The theme of your Convention "A Growing Economy, A Better Hong Kong" clearly underlined your determination to strengthen the territory's economy.

The key to our rapid economic growth has always been making sure that we think ahead and be ready to meet challenges. I hope all of you will continue to devote your efforts in making a better Hong Kong and wish you every success in your 25th National Convention.

Message from Sponsor
Amway (HK) Ltd.

Leadership building is a shared responsibility. Just as the Hong Kong Junior Chamber of Commerce is dedicated to grooming future leaders, we at Amway are also committed to providing a business opportunity to those who are enterprising in spirit.

The many years of diligence and determination on the part of the Jaycee to involve young business leaders in public affairs and community projects have positively contributed to the well-being of Hong Kong. As we look ahead, there is no doubt that the Jaycee will play an increasingly important role in the shaping up of Hong Kong in both the pre- and post- 1997 era.

We believe in leadership building, in free flow of knowledge and experience. The 25th National Convention of the Hong Kong Junior Chamber of Commerce is an occasion for both. I would like to extend my sincere congratulations to the occasion and wish it every success.

Eva Cheng
Managing Director
Amway (HK) Ltd.

Message from JCI World President

It is my great pleasure to greet all the members of the Hong Kong Junior Chamber of Commerce on the occasion of your 25th National Convention. I would also like to extend my congratulations to the Hong Kong Jayceettes for hosting this memorable event.

The achievement of holding a 25th National Convention is a significant milestone in the life of any Junior Chamber. It reflects on the commitment that was made by hundreds of individuals in the past, and by the current members, towards the fulfillment of the dream of Jaycee founder Henry Giessenbier, that people, working together, can develop their leadership abilities and serve the needs of their communities.

I would like to take this opportunity to encourage each of you to strive for a greater organization. Your chapter is proof that the Junior Chamber organization is a positive force among people with ambition and a will for personal improvement.

I send all the members of the Hong Kong Junior Chamber of Commerce my best wishes and warmest regards.

E. Jorge Suncar M.
President
Junior Chamber International

Message from JCI Past President

The unceasing evolution of Hong Kong Junior Chamber of Commerce and its members in tune with changing times is the constant objective of this dynamic organization.

The National Convention can best serve its purpose if you will take advantage of this event to fully reflect on the purpose of Jaycees, and its application for you, as leaders of tomorrow's Hong Kong, along your theme "A Growing Economy, A Better Hong Kong".

I also congratulate the Hong Kong Jayceettes for their dedicated efforts in hosting this 1990 National Convention, and I wish you success in all your deliberations and endeavours as positive young people.

Jennifer Yu
Past President
Junior Chamber International

Message from JCI Executive Vice President

Congratulations to the 1990 Team headed by Pres. Larry Lau on the occasion of its 25th National Convention. This convention highlights the accomplishment you've achieved so far and will continue to perform up to end of the year. This event will also see the election of the 1991 set of officers who will lead this organization next year.

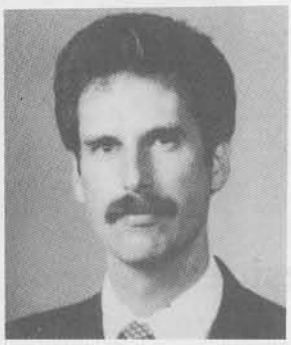

Our founding fathers have envisioned a world of peace only possible through the brotherhood and fulfillment of men. This dream as yet remains a dream. But each time we look at individual member we see hope of achieving this dream. The world is changing: crisis of survival, conflict of interest and greediness of mankind. However, there are no hopeless situations, there are only men who has grown hopeless about this.

The future of the world lies in the visions and dreams of today's young leaders. Jaycees is composed of young leaders. We carry that responsibility. We are committed. We shall lead.

To the Hong Kong Jayceettes who have laboured untold hours of sacrifices and dedication to ensure a successful convention, my congratulations.

To all Hong Kong Jaycees, good luck and all the best!

Executive Vice President

Message from JCI Vice President

It is a pleasure to send greetings to you on this happy occasion, the National Convention completing twenty-five years of Service to Humanity in JAYCEES. In this quarter century many changes have taken place across the world. Your organization has trained members to meet those challenges and strive to improve the world in whatever ways possible through its community actions.

I shall recall with great pleasure my visit to Hong Kong and meeting many members. My very best wishes for continued success and sincere thanks for a job well done by President Larry Lau and all the national and local officers. Congratulations upon the first twenty-five years and best wishes to all members current, past and future for continued success!

Vice President
Junior Chamber International

Message from Hon. Life President

The Convention each year is the right time for the delegates to deliberate on the achievements of the Chamber and to project their expectations for the ensuing year.

The theme for the 1990 Convention: "A Growing Economy, A Better Hong Kong", is indeed most topical at this point in Hong Kong's history when the community is preparing for the future beyond the current transition period.

I send my greetings to the delegates and hope that they will all renew their pledge to the Jaycee Creed at the same time as they devote themselves to community betterment here.

A. de O. Sales
Hon. Life President

Message from National President

The National Convention is the one occasion in the year when all who subscribe to the objects of Jaycees come together to review progress and to deliberate on future policy while electing new leaders.

It is also the time when the pledge to the Jaycee creed is renewed with determination and that its application will be pursued.

The objects of the Hong Kong Junior Chamber of Commerce is "to develop the individual abilities and stimulate joint efforts of individuals for the purpose of improving the economic, social and spiritual well being of people in Hong Kong". The Major Emphasis Theme for 1990 " Jaycees: Work for A Better Hong Kong" and the theme for the 25th National Convention "A Growing Economy, A Better Hong Kong" are chosen to reiterate our determination to achieve the objects of our organization.

It is pleasing to see that the 17 local chapters are responding well to these themes and have organized numerous projects along these ideas. It is particular encouraging to see that more emphasis is placed by Jaycees on social responsibility and economic issues; at a time when these elements are essential for the stability and prosperity of Hong Kong. We are moving in the right direction.

I like to take this opportunity to congratulate individuals and chapters who have contributed one way or the other to the progress of our organization and/or to their contribution to our society.

To the hosting chapter of this convention, the Hong Kong Jayceettes, I give them my big salute. They have indeed organized a most colorful and wonderful convention.

Finally, I wish all the participants in this Convention a most pleasant and fruitful experience.

Larry Lau
National President

Message from Senate Chairman & National Immediate Past President

Every year, the National Convention is an important occasion for all members to express their opinions and share their ideas with fellow Jaycees from other chapters. It is also important for us to recognise the outstanding achievements of the individual and excellent projects organized during the year.

I would like to urge our members to fully participate in the programs that the Organizing Committee has specially planned for you.

I truly believe that the challenge for tomorrow's leaders is their commitment to action today. So let us all to become true leaders in the forefront with our various endeavours.

On behalf of the JCI Senators in Hong Kong, I wish the hosting chapter - the Hong Kong Jayceettes and its hard-working Organizing Committee - for a successful Convention.

Junia Ho
National Immediate Past President

On behalf of the Long Range Planning Committee, may I wish President Larry Lau, Convention Directress Valerie Cheung and all the delegates a successful 25th National Convention.

Message from President of Hosting Chapter

It is my greatest pleasure and honour to deliver my welcoming message in the capacity of the Hosting Chapter President for the 25th National Convention.

Hong Kong Jayceettes hosted the 17th National Convention in 1982. Eight years later, today we are very delighted to host the Silver Jubilee National Convention especially in this memorable year of the 40th Anniversary of Hong Kong Jaycees.

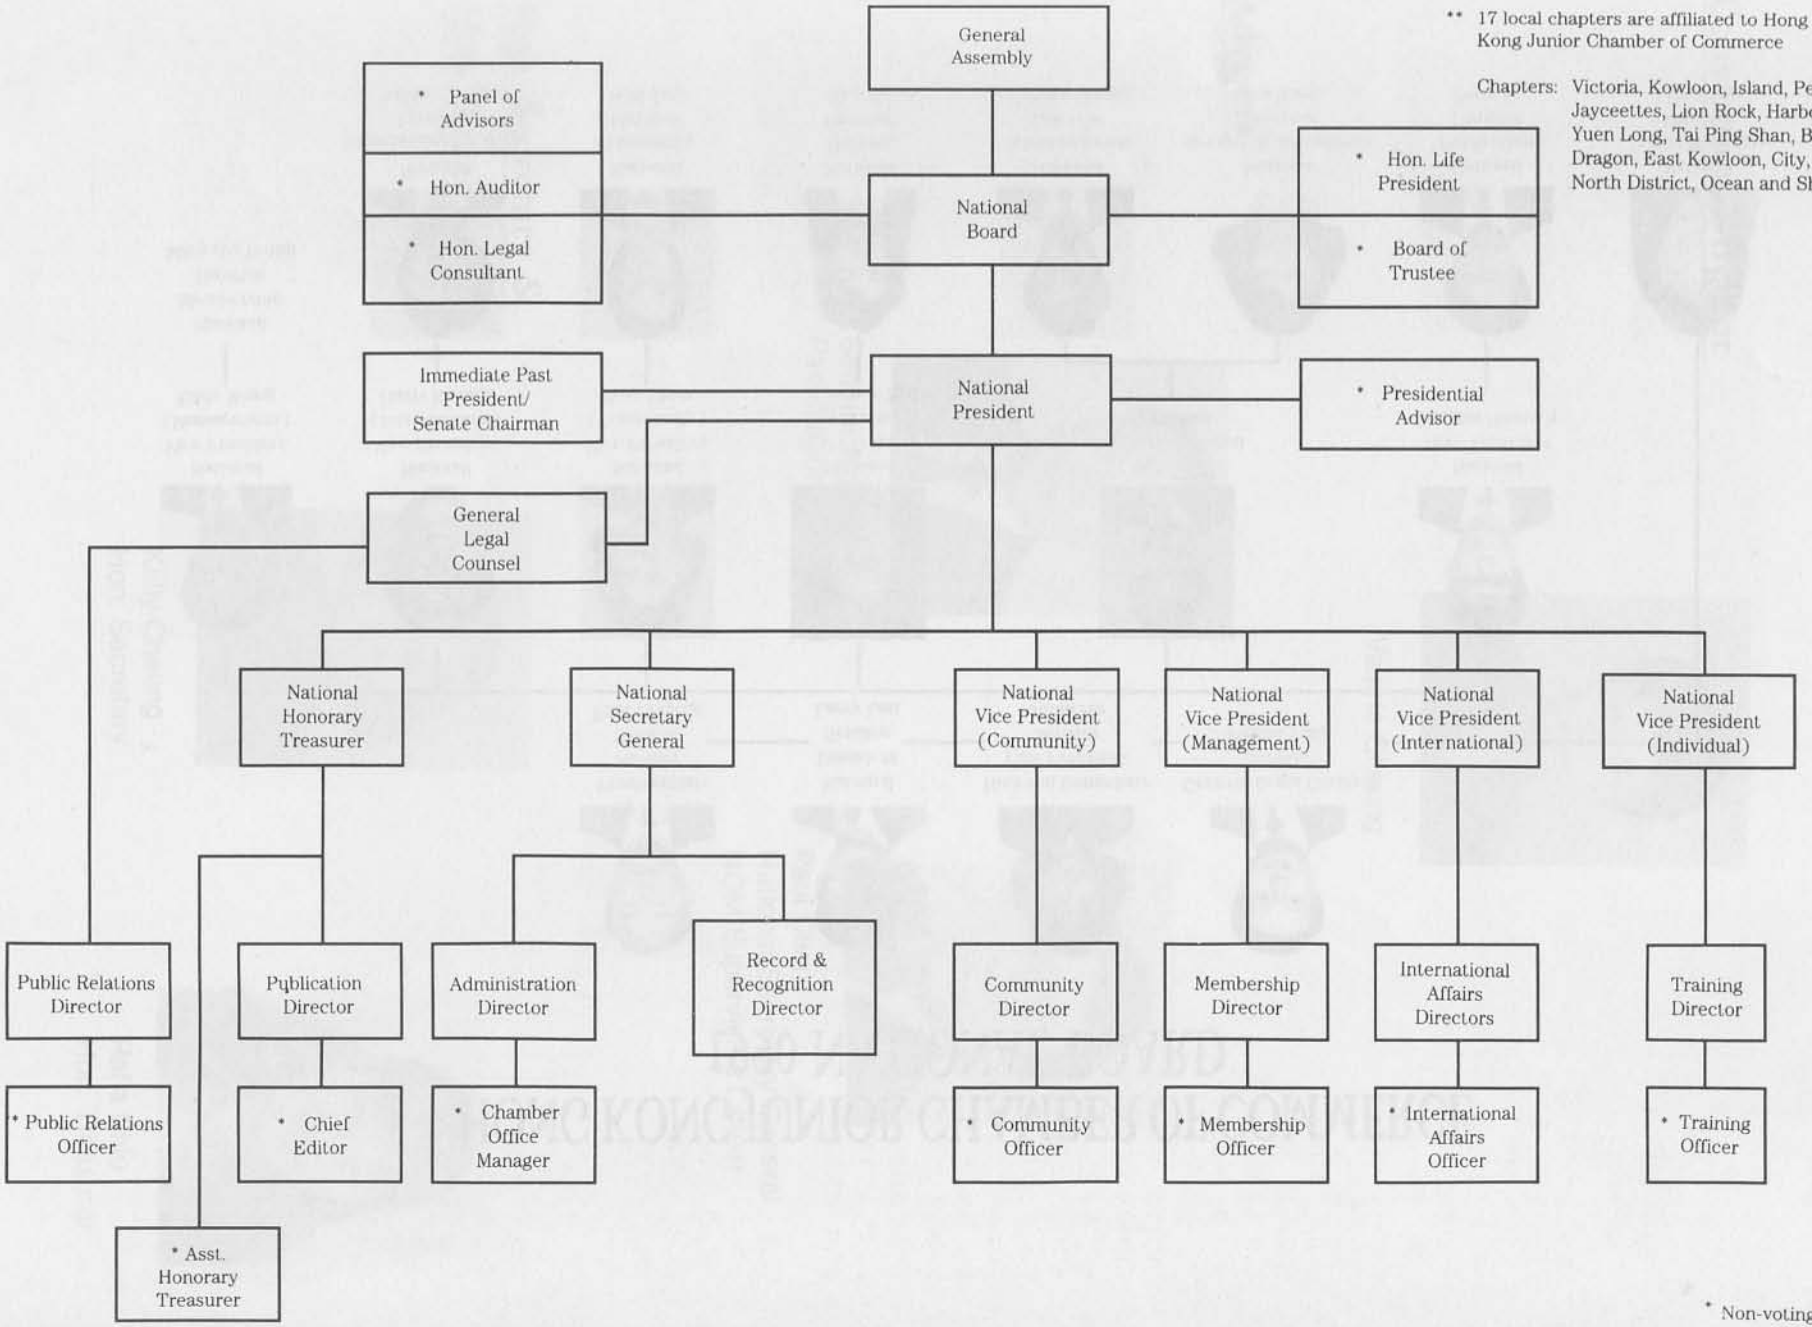

Under the outstanding leadership of Convention Director Valerie Cheung, the dedicated Convention Organizing Committee have been working hard for more than one year for this great event with "Hong Kong Jayceettes Promise You A Colourful Convention" as our slogan. We promoted the Convention in a lively way, not only through incentive program and impressive colourful pamphlets, but also through launching gatherings in the form of forum and role plays, namely "Forum on 25th National Convention" in April, and "National Convention In Miniature" in June. We provided training to the participants on JC knowledge with National Convention as the focus and shared with them experience of senior JC members.

The Organizing Committee brought creative ideas and took the challenge to make this Convention an unusual one. Please join me to send our heartiest appreciation to the devoted Organizing Committee whose hardwork made the Colourful Convention a reality and a great success.

Dear fellow Jaycees and Jayceettes, on behalf of Hong Kong Jayceettes and the Convention Organizing Committee, I send you our gratitude for your support and warmest welcome for your participation. We wish you a very fruitful and enjoyable Convention experience with cordial regards from Hong Kong Jayceettes.

Projects and activities of the NOM and LOMs are planned to achieve these objectives throughout the year. "Jaycees: work for a better Hong Kong" has been adopted as the Major Emphasis Theme for 1990. This Theme is promoted internally and externally with emphasis placed on CD, YA and economic projects.

(III) ADMINISTRATION

(A) Meetings

COPYING BY COURTESY OF RANK XEROX

The NOM held Executive Committee Meetings and Board Meetings monthly. They were all well attended and discussions were active and constructive. To facilitate better communications with LOMs, all LOM Presidents were invited to attend Board Meetings quarterly; chapter development and activities were discussed. Two informal meetings with Excom members and LOM Presidents were also held.

Three Extraordinary General Meetings were convened as follows:

Date	Business Discussed
15 January 1990	To adopt MET. To adopt raising PM fee To adopt raising senatorship fee To adopt Policy Manual
19 March 1990	To adopt suspension of para 16 of M & A of HKJCC To adopt financial contribution by LOMs.
23 April 1990	To confirm purchase of New Chamber Office To adopt selling price of Old Chamber Office To adopt amendment of article 16 of M & A of HKJCC

(B) Policy Manual

The 1990 Policy Manual has been rewritten with emphasis placed on the policy aspect. The Manual was distributed to all NOM Board members and LOM P residents at the beginning of the year.

(C) NOM Directory

The NOM Directory was updated and distributed to all NOM Board members as well as LOM Presidents to facilitate communication and enhance administration.

COPYING BY COURTESY OF **RANK XEROX**

(D) The Chamber Office Secretariat

The Secretariat is under the supervision of the Secretary General through the Administration Director.It is managed by the Chamber Office Manager assisted by one clerk and one part time staff. Since July the part time staff was replaced by a full time junior clerk. The Chamber Office serves as a convenient meeting venue for members and provides mailing, enquiry and others services to the NOM and LOMs.

(E) Joint Directors Meetings

In order to coordinate LOM activities, assist LOM Directors to carry out their job and to enhance better understanding between the NOM and LOM directors, Joint Directors Meetings are held at least twice in the year. LOM Directors find it useful to include talks by senior members or outsiders during these meetings.

(F) NOM Programs and Activities

1990 NOM Programs and activities were adopted at the beginning of the year. Additional projects/activities are added to meet changing circumstances.

1990 NOM Programs and activities is attached at Appendix I

(G) NOM Finance

1. Budgets for the administration and projects funds were prepared and approved at the beginning of the year; and regular reviews were held throughout the year to ensure expenditures on projects and other activities were closely monitored.

2. Membership dues were collected quarterly from LOMs, based on the membership declared at the quarterly Joint Board Meetings.

3. The Inaugural Ball was held on 6 January 1990 with a record surplus of $92,100. This surplus forms the major source of funds for NOM projects and activities throughout the year.

COPYING BY COURTESY OF RANK XEROX

4. The 40th Anniversary Ball brings some $50,000 income to the NOM. This is to subsidise the increase administrative costs.

5. Dues received from prospective members are being kept in a separate account for repair, maintenance and purchase of equipment.

6. The income from Senatorship applications are kept in a separate account for use in senator related activities and functions.

7. The NOM has also obtained sponsorship for its projects this year, either individually or on a package deal. These amount to some $320,000. This is the biggest amount we have solicited in the local Jaycee history.

   So far, the NOM has managed to balance the book but a small deficit may be expected by the end of the year.

(IV) Projects and Activities

Different projects and activities are organized under the different areas. Details will be covered by respective NOM Officers' reports with highlights listed belows:

(A) Individual

In order to promote Jaycees as a leadership development organization and to create a "big bang" effect, a "Training Gala" consisting of a series of quality training projects are organized over a period of two months. Emphasis is also placed to provide more trainings to NOM and LOM officers to facilitate and equip them to perform their duties and responsibilities.

A new concept of "Topic of the Month" is introduced this year to help members acquire a better understanding of Jayceeism and become a better leader.

(B) Management

The NOM has in consultation with LOMs set an ambitious target of 18% membership growth at the beginning of the year. This is now considered over aggressive despite

COPYING BY COURTESY OF **RANK XEROX**

the outstanding achievement in membership recruitment. It is expected that by the end of this year 500 PMs would have been recruited by NOM and LOMs. Membership growth fails because of difficulties in retention and the huge turnover rate. The year end membership is now revised to 1,250.

Membership loss through emigration does not deviate significantly from the trend over the past few years.

To allow the NOM to concentrate its efforts on policy and planning matters, trials are made for LOMs to host orientation on behalf of the NOM. This proves very successful.

(C) Community

To show our concern for our community and to enhance our image an "Advisory Group on Public Affairs" was formed to study major issues affecting the livelihood of our citizens and to make recommendations to the Govenment. The Group has met twice with recommendations submitted to relevant departments.

A voter registration campaign and a blood donation drive are being organized to show our support to our society.

TOYP Selection, a community project, is placed under the supervision of the community area this year. A record sponsorship of $280,000 has been obtained from the Citibank. The fact that this prestigious project is organized by the Hong Kong Junior Chamber of Commerce is emphasized throughout promotion period. It is encouraging to see ATV, HK Standard and SCMP help promote this project.

Close liaison with Committee on the Promotion of Civic Education is achieved through NIPP Senator Junia . Three Chapters are given sponsorship by the Committee for organizing projects to promote civic education.

Most Chapters have organized projects along the MET "Jaycees: Work for a Better Hong Kong". The impact is encouraging.

(D) International

A delegation of 102 Hong Kong Jaycees attended the 1990 JCI Chiangmai Conference in Thailand. Hong Kong Night was held and attended by over 1,500 overseas delegates.

Once again Hong Kong Junior Chamber of Commerce assisted Fukuoka Jaycees of Japan to select 8 children and 2 Chaperones to attend the 2nd Asian Pacific Children Convention. The project was a great success, well appreciated by the participants' parents and received a lot of publicity in the mass media.

To help promote trade and business in Hong Kong and to enhance our international image a pioneer project named "Trade Mission" is organized. 60 overseas Jaycees from Japan, Korea, Taiwan, Singapore and Thailand will join some 40 Hong Kong delegates for the 5 days project.

Close relationship has been maintenced with other NOMs, especially in Area B,by means of exchange correspondence, visits and newsletters. NPs from British Junior Chamber, Republic of China Jaycees, Singapore Jaycees and Thailand Jaycees attended our 40th Anniversary Ball.

LOMs are encouraged to establish sisterhood and/or friendship pacts with other LOMs. It is pleasing to see a number of sisterhood and friendship pacts have been signed or re-established this year.

Visit to the All China Youth Federation have been held for the third consecutive year. This year we had a record delegation of 29 members participating in the Visit. Through Hong Kong Junior Chamber of Commerce and the assistance of NCNA ,the first youth organization from Taiwan, the ROC Jaycees, paid a visit to Mainland China and had meetings with the All China Youth Federation and senior Government Officials.

(V) Conclusion

1990 has been a most challenging year for Hong Kong Jaycees.

Despite the uncertainties and brain drain problem in Hong Kong, the Hong Kong Junior Chamber of Commerce continues to progress well in 1990. Most of the objectives set at the beginning of the year are accomplished; some of them with excellent results. It is pleasing to see our image and status have been enhanced. It is most encouraging that we have more involvement in the aspect of social responsibility and economic issues, in addition to our well established leadership development. This is the result of concerned efforts by all Jaycee members, be they senior or junior.

The road to achieve our noble objective of creating positive changes to our society is still long and difficult. We must continue to strive together to move closer to this objective.

Taking this opportunity I would like to extend my heartfelt thanks to my most hardworking Board of Directors , Officers and project chairmen. To the LOMs in particular my mother chapter, the Queensway Jaycees, my sincere appreciation to their support and cooperation throughout the year.

I would also like to extend my sincere thanks to Hon. Life President Senator A.de O. Sales and Past National President Sir Roger Lobo for their constant guidance and advice. To my

COPYING BY COURTESY OF **RANK XEROX**

advisor PNP Senator Paul Cheung, my Panel of Advisors, PNP Senators Major Tang, Andrew Wong, John Chan and Ng Leung Yau, I wish to send them my deepest appreciation for their advice and assistance. Of course, the full support of the HKJCC Board of Trustee, in particular Chairman PNP Senator Paul Yin must also be mentioned. The work of the Long Range Planning Committee headed by PNP Senator Y.K. Chan is also much appreciated. Last but not the least, I would like to send my sincere thanks to all the people who have contributed to the New Chamber Office Fund.

1990 is the most challenging and memorable year in my life. In executing my duties as the National President I have experienced many ups and downs. All these experience, I must admit, have helped me live a fuller life and become a better person.

To conclude, I look forward to the continuing support of all Jaycees for the rest of the year. I wish you all the very best in the years to come.

Thank you once again.

Larry Lau
National President

REPORT TO THE GENERAL ASSEMBLY OF THE 25TH NATIONAL CONVENTION OF THE HONG KONG JUNIOR CHAMBER OF COMMERCE FROM NATIONAL IMMEDIATE PAST PRESIDENT - JUNIA HO

As the National Immediate Past President and also Senate Chairman of the Hong Kong Junior Chamber of Commerce for the year 1990, I have the pleasure in presenting my report as follows:-

A) The Role of NIPP

1. My role as NIPP is to give advice to the current board and to offer my assistance whenever needed, in order to ensure the continuity of the NOM administration.

2. Nomination Committee

In accordance with the By-Laws of the Hong Kong Junior Chamber of Commerce, the NIPP also acts as Chairman of the Nomination Committee; and committee members would be appointed by the National President to sit in the Nomination Committee at the National Convention.

Duties of the Committee are to interview candidates for the 1991 National Elective Offices and to present recommendations to the General Assembly.

3. Candidates Training School

It was held on October 7 at the Conrad Hotel, with the assistance of the Convention Organizing Committee.

4. Some of the administrative matters in 1989, such as the financial account and uncleared matters have to be followed-up.

i) 1989 NOM Account

The 1989 NOM Account has been finalized. However, it is pending for auditing since we hardly receive the 1988 audited account or unaudited balance from the 1988 National President for making the 1989 Balance Sheet.

I regret to report that the 1989 NOM Account cannot be ready for the approval of the General Assembly. However, I would like to present the 1989 draft on Profit and Loss Account for reference of the Chief Delegates.

ii) 1989 Year Book

The idea of publishing a Year Book were a) to capture all the achievements of both NOM and all LOMs in the year of 1989 so that Jaycee members and outsiders can know more about the work being done by Jaycee members in a year; b) to use as a reference or

COPYING BY COURTESY OF RANK XEROX

promotional material for seeking potential sponsorship in future.

It was decided to print the 1989 Year Book without the audited account, since it has been caused some delay, and expected it to be ready in October.

I would like to make a special note here to thank those who have supported to the publication of the 1989 Year Book and made orders last year. In particular, Margaret Tang is the one who has contributed the most, and financially, Messrs. K.F. Tang & Associates has confirmed to sponsor the printing cost.

B) The Role of Senate Chairman

Under the constitution of the Hong Kong Junior Chamber of Commerce, I am also the Chairman of the senate group in Hong Kong. The role of the Senate Chairman is to organize fellowship activities for the JCI senators in Hong Kong and to chair the Senatorship Screening Committee.

Furthermore, in order to activate the senate group members, additional activities have also been planned for the year.

1. Senatorship Screening Committee

Four Senators have been appointed to be the committee members by the National President early this year. They are Senator John Chan, Senator Gary Lee, Senator C.Y. Hui and Senator King Wong.

So far, a total of 16 applications have been received. We have recommended 6 applications for the approval of the National President and also forwarded to JCI for final approval.

It was the opinion of the Screening Committee that the 10 failed nominees would be deserved to become senators, if they could contribute a little bit more not only to his/her own LOM, but to National or JCI level.

2. Senators' Gathering

i) So far two Senator' Dinners were held on 28/3/90 and 23/8/90 with Senator Gregory Fong and Senator Flavia Lam as co-ordinators respectively.

The 1st one was well attended by over 50 Senators and few Non-Senators. 10 Senators were invited to share their old day experiences with others presented at that evening. The 2nd one was attended by 32 Senators and few Ex-Com members and LOM presidents. Senators T.H. Barma, Director of Industry Department, was invited as the speaker.

ii) On May 6, it was the 40th Anniversary of the Hong Kong Junior Chamber

of Commerce, some 40 Senators, included past National President, were co-ordinated for attending the Cocktail and Banquet Ball. It was treated as one of the gatherings for Senators.

iii) The 3rd Senators' Gathering was held on 13/10/90 in a form of luncheon. Mr. David Lan, Director of CNTA, HK & Kln, has been invited to be the speaker.

iv) If time allows, I would organize one more gathering for Senators in November or early December.

3. Senate Secretariat

The purpose of forming this Secretariat were a) to get some Senators involved to the Organization of senate group activities planned for the year; b) to provide necessary service and information to all Senators.

Members of the Senate Secretariat consists of:

Senator Ada Po	Senator Gregory Fong
Senator Connia C. Lo	Senator K.M. Ip

Duties for members of the Senate Secretariat are as follows:

i) Co-ordination of Senators in Hong Kong.

ii) Publication of Senate Newsletter

So far, two issues of Senate Newsletter, including other countries' senate news, have been released to all Senators and LOMs with the assistance of Senator Connia C. Lo.

iii) Publication of 'JCI Senators' Who's Who in Hong Kong'

One of my goals this year is to publish an updated 'JCI Senators' Who's Who in Hong Kong', in order to let more Jaycee members, senators, as well as outsiders know more about the members of the Hong Kong Jaycee Senate.

With the assistance of the members of the Senate Secretariat, we have received good responses from Senators. We are in the process of consolidating the information and hope it will be sent out by the end of October.

iv) Flixibility Study in Forming a Trade Commission

The idea was initiated and Senator Mark Cheng was invited to head the investigating team. So far, only one meeting was held. Findings would be released in next Senate News.

E) Other Involvements

1. Junior Chamber International

Early this year, I was appointed by JCI President Jorge Suncar to become one of the Special Assistants to the WP for sponsorship. My role is to help JCI to promote the corporate program sponsorship, as well as JCI Foundation.

With the support of some Senators and Jaycee members, so far, I have solicited 7 Phil Pugsley Patrons at US$1,000 level and 4 JCI Foundation Donors at US$100 for JCI. I hope I would achieve even more by the end of this year.

2. Asia Pacific Area

i) My term of office as Director of the Asia Pacific Senate Board was ended at the closing of the Senate Conference held in Chiangmai on May 18, 1990.

COPYING BY COURTESY OF RANK XEROX

ii) I was also appointed by JCI EVP Harry Angping, Chairman of Chiangmai Conference, to act as the Awards Chairman. Duties included chairing the Awards Judging Sessions and mastering the Awards Presentation Ceremony. It was a great experience for me.

3. Hong Kong Government

i) My term of office as member of the 'Committee on Promotion of Civic Education' was ended on 31/3/1990. I was re-appointed by the Hong Kong Government to serve the Committee for another two-year term until 31/3/1992.

ii) I was also appointed by the Hong Kong Government to be the co-opted member of the 'Children & Youth Sub-Committee of the Working Party on Social Welfare Policies and Services'.

By working in these two committees, the relationship with Hong Kong Government and the Jaycee's image have been further enhanced.

F) Conclusion

1990 has also been a most challenging and rewarding year for me. It does not only keep me busy but gives me the opportunity to exercise my knowledge to the fullest extent.

During the past 9 months, I have had the opportunities to work with different group of Senators and Jaycee members, as well as to share the experiences with them.

My involvment in Jaycees and community has, indeed, provided me a lot of chances to improve myself and to learn from others.

I would like to take this opportunity to thank most sincerely to those who have given me the continued support during the past months.

My best wishes to you all!

VII. ASSIGNED LOMS

I was assigned to oversee the development of the Tai Ping Shan Jaycees and the Bauhinia Jaycees.

A. TAI PING SHAN

Through the involvement with the Chapter's functions and meetings and the discussions with her President, I gained an understanding of the members of the Chapter. The Tai Ping Shan Jaycees has a group of dedicated and enthusiastic young members. Though not very experienced, they are always willing to serve and devote themselves to their projects and activities. Their involvement in the International area has always been good. Visits between her Sister Chapters were organized each year.

Without doubt that the Chapter, despite the relative small membership size, has launched a number of projects this year. Some of them were even launched within a very short period of time.

May I take this opportunity to urge the Tai Ping Shan Jaycees to continue. Try your endeavour to strive for a better tomorrow of your own LOM.

B. BAUHINIA

The Bauhinia has a group of devoted Board Members. They have faced the problem of shortage of manpower in organizing their projects at the first half of the year. However, with the endeavour and special attention of her Board Members on the recruitment and retention exercise, a number of quality members were recited.

COPYING BY COURTESY OF RANK XEROX

President Jennifer has also put a lot of efforts in steering up the Long Range Planning Committee for the future development and direction of the Chapter.

I would like to send my best wishes to the Bauhinia for a better tomorrow.

VIII. CONCLUSION

In conclusion, 1990 has given me more chance to see, to learn and to serve to and from the organization. Through the many helps from different people, the works under my area have been launched one by one.
Taking this opportunity, I would like to thank NIPP Senator Junia Ho for her supports and guidance and act as the advisor of the PR Commission. I would also like to thank Jaycee Lilian Sun (and her mother Chapter, the Hong Kong Jayceettes) to serve the National as the National Public Relations Director. Furthermore, I would like to thank Jaycee Anita Ng from the Peninsula Jaycees, Jaycee Emily Ko from the Victoria Jaycees and Jaycee Philco Wong from the Dragon Jaycees for serving the National as PR Officers.

In order to extend the Chamber relationship with other distinguished training or management development organizations in Hong Kong, the Commission organized a visit to the Management Development Centre of the Vocational Training Council. The visit was held on February 16, 1990 and was attended by 25 LD officers and members. The attendants were granted by the Director of the Centre Mr. Michael Cumbers and were briefed by Mr. Alfred Ho of the Centre's aims and facilities.

Since the visit, the Chamber and its 17 LOMs have established a very good relationship with the Centre, which proves to be very helpful in assisting the LOMs in the organization of their training activities.

4. Personal Motivation Program

The Commission liaised with Leadership Dynamics, a training organization, to organize a seminar on "Personal Motivation Program" on July 7, 1990. The purpose of the Seminar was to enhance the attendants' self awareness of personal goals and to introduce them a program that could help them in their own personal development. The Seminar was attended by 16 NOM officers, LOM presidents and members.

5. Training Gala

The purposes of the Training Gala were threefold:-

i. To enhance the public image of the Hong Kong Junior Chamber of Commerce as a leadership development organization;

ii. To enhance the LOMs' expertise and skills in the organization of training activities; and

iii. To attract quality members to the Organization.

REPORT TO GENERAL ASSEMBLY OF THE 25TH NATIONAL CONVENTION
FROM NATIONAL VICE PRESIDENT (MANAGEMENT) - EDDY WONG

As National Vice President (Management), I have pleasure to submit my report as follows:

I. Assigned Area - Membership Extension

1.1 Appointments

Mary Au Yeung of Peninsula Jaycees was appointed as National Membership Director. To assist her duties, the NOM also appointed Ronald Lee of Ocean Jaycees, Emily Lau of Peninsula Jaycees, and Tony Tang of City Jaycees to be the National Membership Officers.

1.2 Membership Promotion

a. Mass Transit Railway

In 1990, we have once again gained the support from Pearl & Dean Advertising Company to offer free advertising space to display the newly designed Membership Promotion tubecards in the MTRC cabins in May and June. This has been proved to be very effective since it attracted many enquiries from the public.

b. Booklets & Leaflets

Besides the update and reprint of the HKJC Introductory Booklets, we also designed a new handy HKJC Information Leaflet to distribute to any interested parties at lower cost. Special thanks should go to NMO Emily for her planning of this leaflet and our sponsor, Jademan (Holdings) Co Ltd for their generous support to print 30,000 copies for HKJC free of charge.

c. Exhibition

To attract more prospective members, an Exhibition was set up at China Hong Kong City in July. We will continuously look for feasibility of any other free exhibition venues for membership promotion purpose in late 1990.

COPYING BY COURTESY OF RANK XEROX

d. Liaison with Other Organizations

Through various contexts, we will carry on liaising with any interested parties which are eagar to know more about Jaycees and conduct in-house Jaycee Orientation to them if necessary.

e. One Plus One Membership Drive Campaign

To respond to the Topic of September, we issued invitation letters to all members and prospective members to ask for their assistance to introduce any quality individuals to join our organization. An JC Information Leaflet was also enclosed for their ease to introduce Jaycees.

1.3 Projects and Meetings

28/12/89	1st Joint LOM ME Directors Meeting, with special discussion on Membership Retention.
14/1	LOM Officer Training School, LOM ME Directors' Meeting to discuss the role of LOM ME Director.
12/3	1st NOM Orientation hosted by Peninsula Jaycees
24/3	LOM Membership Director Training Workshop to provide necessary training and techniques to LOM Membership Directors
6/5 - 13/5	Jaycee Week 1990 which took place at City Plaza and Harbour City for exhibition
20/6	2nd Joint LOM ME Director Meeting with special discussion on membership target in 1990
9/7 & 21/7	2nd NOM Orientation with two sessions hosted by Ocean Jaycees

COPYING BY COURTESY OF RANK XEROX

4 - 10/7	JC Information Exhibition at China Hong Kong City
10/9 & 24/9	3rd NOM Orientation with two sessions hosted by Hong Kong Jayceettes

1.4 Membership Target

At present, the NOM has successfully recruited more than 400 newcomers as prospective members. The result is very encouraging. However, we still could not reach our membership target to be 1,300 members by this National Convention because the retention of members by LOMs were not satisfactory so far. For details, please refer to report of National Membership Director.

II. Assigned LOMs

I was assigned to supervise Victoria Jaycees, Harbour Jaycees and Lion Rock Jaycees. My duties are to coordinate and assist the development of these LOMs. Through attending their board meetings, monthly meetings and projects, I have tried my best to offer advice and assistance to these LOMs.

1. Victoria Jaycees

This most senior chapter will celebrate their 40th Anniversary in 1990. The board of directors has tried their best to organize quality projects during this year. However, due to experience and short of active members, results of several projects may not be so satisfactory that can generate strong impact to the society. More emphasis should be put on the motivation and retention of experienced members and training of new members so that quality projects can be carried out. I hope the preparation for the celebration of their 40th Anniversary will once again boost the morale of all members and create a strong sense of belongings among members.

COPYING BY COURTESY OF RANK XEROX

2. Harbour Jaycees

This year Harbour Jaycees was also working very hard in their Youth Activities , Leadership Development and International Affairs projects. Most of the board members and senior members did participate extensively in the projects planning, organizing and implementation. It is observed that the new members are not so involved in project implementation. More efforts should be put in cultivating successors of the LOM so that the new members can take up important posts of the chapters confidently in the coming years.

3. Lion Rock Jaycees

Due to the small number of members, it is quite difficult for the chapter to organize large-scale projects. In addition, since some board members cannot duly perform their duties, this further increases the workload of the President and other active board members. It is the chapter's mission to train up more new members and build up their enthusiasm to participate in Jaycee projects so that the chapter can be strengthened in the coming year. Special attention should be put in membership extension and training areas.

In general, I think the membership participation in NOM activities from these three chapters can be improved so that mutual understanding between NOM and LOM can be achieved significantly.

Although these chapters experienced hard time in the early 1990, under the capable leadership of President Anita, Timothy and Joe, all chapters has steady progress and consistent performance on their projects in the past 8 months. However, in my opinion, all these chapters should put more efforts on developing and retaining their members so as to keep this valuable assets of chapter enthusiastic and maintainining Jaycee spirits to the chapters.

III. Others

3.1 Training

I had been invited as speakers for the following seminars/workshops:-

3. "JC Member's Rights & Obligations", Open Forum for July Topic of the Month
4. "My Devoted Jaycee Career", Peninsula Jaycees August Monthly Meeting
5. Bid Book Seminar, organized by Peninsula Jaycees

3.2 The 3rd JCI International Academy

It is indeed my honour to be selected as the delegate from Hong Kong to attend the 3rd JCI International Academy which was held in Miyazaki and Hiroshima of Japan from 18 to 24 April, 1990.

Through participating in the seminars with more than 80 international and Japanese delegates, all participants were broadened their horizon and built up their dedication to Jaycees. It is the mission for all the Academy graduates to contribute themselves as much as possible to their own communities, their NOMs and LOMs and their own career. Through these "Global Networkers", we hope world peace can be extensively promoted to every corner of the world.

I should take this opportunity to thank you the NOM for giving me the chance to personally experience this high-level training program organized by JCI.

COPYING BY COURTESY OF RANK XEROX

IV. Conclusion

1990 is my first year participating in the NOM management. I treasured a lot from the opportunities to work with members in other chapters and the outside organizations. Though I have to spend enormous free time to fulfill my duties, I found it worthwhile to keep track of the steady progress made in my assigned LOMs and membership area.

Taking this opportunity, I would like to extend my special thanks to NP Larry for his trust and guidance rendered to me in the past eight months. The achievement of the membership extension area in 1990 is no doubt the result of the efforts made by NMD Mary Au Yeung. My heartiest appreciation must go to Mary and her diligent NMOs Ronald, Emily and Tony for their hardwork and dedication. On the other hand, I should also thank JC Week Chairman Alex Wan and all the NOM Orientation Chairmen for their hardwork. Throughout my term of office, I was also grateful to the cooperation and support from President Anita To of Victoria Jaycees, President Timothy Ip of Harbour Jaycees and President Joe Tam of Lion Rock Jaycees.

The elections in 1991 are considered a significant landmark in the future development of representative government in Hong Kong. Being Jaycees, leaders of tomorrow, it is important that we fulfil our basic civic obligation to register as voter and participate in the election next year. Because of that, the NOM Community Area has assisted the Government in launching a drive within Jaycees.

Report from National Secretary General to the General Assembly of the 25th National Convention

1990 is a rewarding year in my Jaycee career. In the capacity of the National Secretary General, I have the pleasure to report to the General Assembly of the Convention as follow :

Assignment

According to the 1990 Policy Manual, I am assigned to supervise the following areas of duties :

a.) Administration Director
b.) Records and Recognition Director
c.) The Chbmer Office and its paid staff
d.) LOM Supervision - City Jaycees
e.) The National Convention

Areas of Duties

I. Administration

It was our objective to strengthen our administration of our organisation by creating the post of Administration Director. For this , Jaycee Carvics Cheng from the H arbour Jaycees was appointed. Owing to his business commitment that he has to travel often, he could only avail himself when he is in the Colony. However, Jaycee Carvics was very supportive in launching the pioneering "Love JC Office Campaign" and has assisted a lot when we moved our Chamber Office in May.

Three Joint Secretaries Meeting were held :

i.) March 12, 90 - It was held to promote coordination among LOMs/NOM matters. Usual practices were briefed and planned activities were reported.

ii) June 11 , 90 - It was organised to assist LOMs to up-date their M & A and promoting the publishing of members/board members handbooks. I wish to place a note of thanks to Jaycee Duffy Wong from EKJC for speaking at the meeting.

iii) Aug 13,. 90 - It was held with an objective of assisting all LOM Secretaries to prepare for a well-organised AGM for their Chapter.

The 4th Joint Secretaries was scheduled on Nov. 26, 90 where in-coming LOM Secretaries would be introduced by the outgoings, and be prepared for next years adminstrative practices.

Policy Manual and NOM Directory were distributed to LOM Presidents and NOM Officers in January and April respectively.

II Records and Recognition

Jaycee Ivy Tam from Queensway Jaycees and JC Patrick Ng from Island JC were appointed Records and Recognition Director and Officer for 1990 respectively.

A joint R & R Directors meeting was held in February. Awards Manual of H.K. Jaycees, the JCI Area B Conference Awards Manual and World Congress Awards Manual were distributed to all LOM Presidents and NOM Officers in April.

III Chamber Office

1. New Chamber office

Subsequent to the purchase of a new club house, the Secretariat was moved to the new offrice on 26th May, 1990, after a simple altaring ceremony.

2. Staffing

At the beginning of the year, the Chamber Office was staffed by an office Manager,a clerk and a part-time junior clerk. This situation was strengthen to 3 full-time paid staff in the new chamber office starting from June 1, 1990

3. Secretarial Service

Daily secretarial work was fairly satisfactory, although we were always confronted by the strain of having limited resources with unlimited assisgnments. The inexperience of the staff also constituted some incompetency in managing an efficient secretariat.

IV.LOM Supervision- City Jaycees

As one of an Ex-com members, I was most excited to have the opportunity to be assigned to work with a LOM with enthusiasm for achievements. I witnessed the great success of City Jaycees in the year and I congratulate President Wilfred and his board for a rewarding year.

V. National Convention

Hong Kong Jayceettes is the hosting chapter for this Convention. The theme is " A growing economy, A better H.K." They started the orgainising work very early. I am confident that under the capable leadership of Convention Director Valerie Cheung, this 25th National Convention would be a memorable one.

Past President Junia for their understanding and support given to me. REPORT FROM NATIONAL HON. TREASURER

1. FINANCIAL POLICY

The financial policy remains the same as in 1989.

2. INCOME AND EXPENDITURE ACCOUNT

An unaudited income and expenditure account for the period from January 1, 1990 to July 31, 1990 is annexed hereto.

As the 1988 final accounts are not yet ready, certain items cannot be worked out for the time being.

3. BALANCE SHEET

For the reason that the 1988 final accounts are not yet ready, no balance sheet can be prepared for the time being.

4. NEW CHAMBER OFFICE FUND

A new Chamber Office fund account is annexed hereto. It is hoped that the bank mortgage loan can be fully repaid by the end of this year.

5. ASSIGNED LOMS

5.1 ***Dragon Jaycees***

Constant contacts had been made with Dragon Jaycees. Under the very capable leadership of their President, Dragon prospers and no doubt they will have a very bright future.

5.2 ***North District Jaycees***

Despite the various constraints faced by them, they managed to complete several good projects this year. With the injection of new members and the upkeep of harmonious atmosphere, North District Jaycees is bound to be a formidable force in the near future.

COPYING BY COURTESY OF RANK XEROX

6. SUPERVISING AREA

I am assigned to supervise the publication commission. Publication Director, Jaycee Peter Li, is an experienced and efficient director. His team managed to run out four issues so far and the quality is no doubt good. Of course, there can always be room for improvement and I must send my full respect to NPD Peter and Chief Editor, Jaycee Rosalinda Hon.

7. SUPERVISING PROJECTS

7.1 ***Inaugural ball***

Under the top-class leadership of Jaycee Mazar Sultana, the inaugural ball was successfully completed. I must admit the amount of surplus money we raised is somewhat below the target we set, but the very dedicated hard work and enthusiasm of all the organising committee members is, in my view, no doubt very good substitute.

7.2 ***New Chamber Office fund raising campaign***

Again, I am very fortunate to have the 1989 NVP, Jaycee Andy Yuen, to be the Chairman. His fluent and silky leadership impresses me very much. The organising committee members are also very hardworking and I just hope all of us can lend our full support to Jaycee Andy to buy as much tickets as possible.

8. CONCLUSION

To be an ex-com member of this big organisation is really a valuable experience for me. The very limited accounting knowledge I got from my study of accountancy course 16 years ago surely cannot let me carry out all my duties satisfactorily. I must take this opportunity to send my gratitude to my most treasured Jaycee members and friends who helped me throughout the year (may be next year as well):

Jaycee Richard Kwan,
Jaycee Antonio Yeung, and
Miss Lilian Leung.

As sponsorship is becoming difficult to get, I strongly believe we must strive to earn as much money as possible in the near future so that we can contribute more to the society.

Report from National Training Director

The training programs of this year are as fertile as it can be. Such as the Training Gala, which gathers 9 LOMs' effort to make it rich. National Board members act as co-ordinators in training aspects this year. It is a laissez-faire type of leadership.

From the very beginning, a NOM & LOM Officers' Training School has been organised. Around 120 participants from different chapters found that it was very useful. In February this year, a "LOM Presidents' Forum" was conducted and two professionals were invited to present talks on leadership and negotiation technique.

In the middle of this year, National Board nominated a few TROT candidates to participate the TROT course Level 1 in Asia Pacific Conference.

In the later part of this year, a large scale training program "Training Gala" was presented. This Training Gala is the result of a fleet of projects. NOM plays the role of co-ordinator in the program. The projects include:

Project name	Date	Hosted by
Crisis Management	Sept 1 to 2, 1990	Kowloon JC, Hong Kong Jayceettes, Shatin JC

REPORT FROM NATIONAL MEMBERSHIP DIRECTOR

To the Membership Commission of HKJCC, the past eight months were filled with challenges, excitment and achievements. At the beginning of the year, there was a tendency of drastic drop in membership due to the problem of emigration coupled with the 1997 problem which all in turn had adverse effects on membership retention and recruitment.

Despite the prevailing unfavourable situation, ambitious membership recruitment and growth targets were set at the start of the year. The number of full members was 1187 as at 1/1/90 and it is expected to bring the number to 1300 at the time of National Convention and 1400 at year end, which represents a 18% growth. To meet the growth rate set and at the same time to compensate for the anticipated membership loss, it was estimated that 400 prospective members (PMs) had to be recruited for the year. Hence, active recruitment plans were drawn up and follow up development programmes were planned well in advance.

I am pleased now to report, as follows, on how these plans were implemented and the targets were achieved.

1. HKJCC Full Membership

As at 17/9/90, HKJCC has a total of 1135 full members. This represents a decrease of 4% when compared with the figure of 1187 carried forward from 1989. The decrease occurred mainly due to heavy loss of membership experienced at the first two quarters of the year despite the fact that a total of 140 members were inducted. However, I am optimistic that the membership figure will hit 1250 by the end of the year taking into account the large number of prospective members recruited so far this year.

2. Prospective Membership

Up to 15/9/90, the total number of prospective members recruited by NOM & LOMs were 340 and 110 respectively. In other words, the target of recruiting 400 PMs for the year was met. It is estimated that the number recruited will exceed 500 at year end.

3. National Orientations

Prospective members were assigned to LOMs before they were invited to attend Orientations so that they could participate in Jaycee activities at the earliest possible time. Because of tight budget, LOMs were invited to bid for the hosting rights of National Orientations, the cost being absorbed by hosting LOMs. For the first time, new friends were invited through direct mailing, press release and notice at exhibition to join the Orientation before they become PMs of HKJCC.

Initially, 4 National Orientations were planned for the year and three had been held. Due to the very large number of PMs recruited and the fact that only a few LOMs organized their own Orientations, the 2nd and 3rd National Orientation had to be split in two sessions to entertain the strong demand. Response to all the three Orientations held was overwhelming and over 300 PMs had attended. Details of the Orientations launched are set out below :

Date	Venue	Speakers	Project Chairman	No. of Attendees
12 Mar	Boys' & Girls' Club Association of Hong Kong	Senator Gary Lee Senator Connie Chiu	John Ma (PJC)	90
9 Jul	Chamber Office	Senator Gregory Fong NVP Bassanio So	Edward Tang (OJC)	48
21 Jul	" "	NVP Davis Kwong Senator San Stephen Wong	" " "	61
10 Sep	" "	GLC Petrus Yung Convention Director Valerie Cheung	Ada Lo (JTT)	45
24 Sep	" "	Senator Ada Po NSG Paul Chan	" " "	

4. Joint Membership Extension Directors Meeting

3 ME Directors' meetings were planned to be convened during the year for exchanging ideas and sharing experience among the LOMs and between LOMs and NOM. 2 meetings had already been held in December 1989 and June 1990 respectively.

COPYING BY COURTESY OF **RANK XEROX**

5. ME Directors Training Worksnop

A training workshop titled "How to do an Excellent Job in the Membership Area" was organized on 24th March 1990 at the YMCA Hong Kong Centre. Following an informative talk presented by President Caroline Keung of Hong Kong Jayceettes, the participants were divided into groups to discuss and share their experience in handling the pre-designed case studies.

6. HKJCC Introductory Booklets

The contents of the booklet was reviewed and duly revised to reflect the current facts of JCI and HKJCC. 2,000 copies were printed to replenish the stocks and were distributed to potential PMs upon request. Supply of the booklet was, however, exhausted in mid August because of the good response generated by the recruitment campaigns.

7. Handy Recruitment Pamphlet

Sponsorship was solicited from Jademan (Holdings) Ltd. for the production of a handy recruitment pamphlet outlining a brief introduction of HKJCC. 30,000 copies were printed and distributed as and when the opportunity arose, such as the Jaycee Week and exhibitions, etc. After the supply of HKJCC Introductory Booklet was exhausted, these pamphlets were used as substitute for the rest of the year.

8. MTR Promotion

Following the kind consent of Pearl & Dean Advertising Company to provide free space to display our promotion cards in MTR trains, the tube cards was redesigned. The new design was revoluntionary and colourful with the main theme focusing on "joining JC being a challenge to young men and women of different professions to develop their leadership skills and potentials". The tube cards were first launched in late May and were put on display as and when space available during the year.

9. Jaycee Week

Jaycee Week was planned to be launched at the first half of the year with a view to attract and process those PM applications drawn at an early date. Promotion of the Jaycee Week project include press release, press supplement in South China Morning Post and Wah Kiu Yat Pao. A TV interview in ATV's morning

COPYING BY COURTESY OF RANK XEROX

programme was also arranged on 5th May. NP Larry Lau and O/C Chairman Alex Wan appeared on screen to promote the project.

The Opening Ceremony was held at West Bridge of City Plaza, Tai Koo Shing on 6th May 1990 and the Hon. Mrs. Rosanna Tam was the Guest of Honour to officiate the Ceremony. The Jaycee Week lasted from 6th - 13th May 1990 with exhibitions being held from 6th - 8th May at City Plaza and 9th - 13th at Harbour City. Handy recuritment pamphlets were distributed during the exhibition period and about 100 applications were received thereafter.

10. Recruitment Campaigns

The satisfactory recruitment result was achieved through the various active recruitment campaigns carried out during the course of the year. They included:

Campaign	Time	Venue
Jaycee Week cum exhibition	early May	Taikoo Shing Plaza Harbour City
Tube cards display	May - Dec	MTR trains
Exhibition	July	China-Hong Kong City
Direct Mailing	July	
Distribute Recruitment Pamphlets		various
"1+1" Programme*	Sept	through JC internal circular

* The result of this programme is not yet realized but it would hopefully recruit a significant number of PMs which would pave the way of a substantial membership growth in 1991.

1990 is a rewarding year for me in my Jaycee life because I was honoured to serve and contribute to the organization as a National Director. In discharging my duty, I was given the opportunity to develop my human relations skills and look at things at a different perspective. My duty could not be fulfilled in such a smooth and satisfactory manner without the full support and invaluable assistance rendered by many fellow Jaycees and financial support from the sponsors, namely Jademan (Holdings) Ltd. and Pearl and Dean Advertising Company. I would like now to send my deepest gratitude and appreciation to each one of them.

COPYING BY COURTESY OF RANK XEROX

First on the list are my three hard-working and co-operative officers, Emily Lau, Ronald Lee and Tony Tang who have helped in the overall administration of PMs and recruitment campaigns. The assistance of the speakers, hosting LOMs, Project Chairmen and O/C members is indispensable for the launching of three very successful National Orientations. My special thanks also go to President Caroline Keung for being the guest speaker at the Training Workshop for membership officers. Of course, credit should be given to Chairman Alex and O/C members of Jaycee Week who had completed a very successful project in enhancing the image of HKJCC and PM recruitment. Certainly, I should not miss the consistent support received from members of my mother LOM, the Peninsula Jaycees. Lastly, my sincere thanks to NVP Eddy Wong whose advice and support are always readily available to guide me to pursue for excellence.

Finally, I would like to express how I treasure the opportunity of working with NP Larry, the National Board and LOM membership officers and wish the incoming National Board every success in 1991.

REPORT TO THE GENERAL ASSEMBLY OF THE 25TH NATIONAL CONVENTION FROM NATIONAL ADMINISTRATION DIRECTOR - CARVICS CHENG

As the Administration Director of the Hong Kong Junior Chamber of Commerce for the year of 1990, I have much pleasure to present my report as follows :-

1. **DUTY**
   The main objective of this position is to ensure a smooth running of the Chamber Office and to assist the National Secretary General in the field of administration. No special project assignment are designated.

2. **ASSIGNED AREA**
   a. Chamber Office administration
      During the year, 3 paid staff are employed to perform the routine operations of the Chamber Office. Meetings between NSG, COM and the undersigned are held periodically. As the salary package we offered is a bit not competitive with the commercial sector, we are facing a problem of high staff turnover rate, particularly for the junior position, the COM had try her best to recruit new staff force for replacement and so far the result is of good progress.

   b. Joint Secretary Meetings
      With the supervision of NSG Paul, several joint Secretary Meeting are held during the year to brief LOM secretaries on services provided by NOM; communication between NOM and LOM; duties and responsibilities of a LOM Secretary. Speakers are invited to give lecture on specific topics.

   c. Renovation of JC Office
      Due to the wears and tears of previous JC Office, a decision to renovate the OLD JC Office was put through the Board Meetings. Being the Chairman of this mission, assistance from NSG Paul Chan, Jaycees members Joseph Chan and Lo Wai Kwong made this mission completed. Many thanks to these members for their effort shown and the total cost incurred is just around HK$1,300.00. Subsequently, the Old JC Office are sold for financial consideration to acquire the New Chamber Office in the middle of the year.

d. LOVE JC Office Campaign
At the beginning of the year, this campaign was lodged to arouse members' attention to maintain the Old JC Office in good condition, after the renovation of the Old JC Office. This campaign receive good comments and will be considered to lodged again after the Grand Opening of the New Chamber Office.

e. Grand opening of New Chamber Office
The remarkable opening of the New Chamber Office are held on September 13, 1990. For the New Chamber Office, not only the facilities are improved, all users and staffs are now enjoying an ideal Clubhouse.

f. Computer operation
As time goes by, the existing computer system installed is outdated and cannot be upgraded at reasonable cost. Due to financial constrain of the National this year, the recommendation to equip a new set of personal computer is rejected. In this regard, NSG and the undersigned have tried all means to rectify the annoying situation. In the meantime, the programmer who designed the software for the Chamber Office system named Nelson, are invited to improve the system and resolve the problems at very low cost. We hope that this matter can be finalised in the coming months.

3. **CONCLUSION**

In conclusion, I must express my heartfelt gratitude to my supervising officer, NSG Paul Chan, for his patience and advice. Many thanks to all other Board Members for their assistance rendered. Last, but not the least, my special thanks to my mother chapter, Harbour Jaycees in the continuous support.

ii) Public Relations

In 1989, to mark the 20th Anniversary of our Chapter, a press supplement was published in Ming Pao Daily News on 30th September 1989. In view of the excellent response from the public which learnt about our Chapter through this media and showed interest to join us, we planned to publish another press supplement in October 1990.

The P.R. Project, the 2nd "Foreigners Speaking Putonghua Competition" was successfully completed on 8th September 1990 at the Palm Court, Cityplaza 1, Taikoo Shing. Dr. The Hon. iii) Publications

Our official publication "Snapshots" has been issued monthly in 1990. It is believed to be the most efficient LOM publication in Hong Kong, with wide coverage on JCI, NOM and LOM news. It was awarded "The Best LOM Publication Award – Certificate of Merit" during the JCI ASPAC Chiang Mai Conference.

C. Community Area

i) Community Development/Youth Activities

A joint project namely "I Read, You Read, Let's Do It" News Scrapbook Compilation Contest was organized to arouse the public concern on civic education and to motivate the children to read newspapers and concern the community from their early age. It was successfully launched with the Judging Day on 4th August at JC Office, Award Presentation and Exhibition Opening Ceremony on 19th August at Sheung Wan Civic Centre with The Hon. D. Membership Development Area

i) Leadership Development

"1990 LOM Officers Training School" was held in December 1989 at Wesley Hostel to provide training to 1990 officers through seminar, workshop and team-building exercises.

A Leadership Training Seminar namely "One Minute Management" was held on 8th July 1990 at Grand Plaza Hotel. Almost 100 participants enjoyed a fruitful Sunday through the excellent presentation of the prominent guest speakers Miss Lorraine Kwan and Mr. Raymond Tsang, and also the workshop leader Mr. Dennis Chow.

Another project on the topic of "Effective Lady Manager" was scheduled to be held in November 1990.

ii) Membership Extension and Training

By the time of the Annual General Meeting on 29th September 1990, we had successfully inducted 21 new members in this year. Due to the resignation of which migration was the main reason, and deletion of unpaid members or members who reached the maturity of age limit, the membership now stands at 134 . To compare with the membership strength 129 at the beginning of the year,we are unable to achieve the 10% growth target. However, we believe that "Quality rather than Quantity" policy will form a stronger team.

The Membership Extension and Training areas have been working very hard to train up our new bloods. So far, three Orientation and Pre-Induction Seminars and six Prospective Members (PM) Projects have been launched. Two more Orientation and Pre-Induction Seminars plus two more PM Projects will be organized later in the year.

In September, Hong Kong Jayceettes hosted the 3rd National Orientation on 10th and 24th September 1990 at JC Office.

"Senior Members' Night" was held as a highlight of January MFG and "New Members' Cafe" was held to motivate members to bring new friends to the July MFG. Besides, hosting the 1990 National Covention also provided opportunities for senior members to become active and members of all levels to work together. These all contributed to the membership retension and extension.

1990 is no doubt a memorable year for Hong Kong Jayceettes. Being the Hosting Chapter of the 25th National Convention, we are in high team spirit and have been facing great challenges. I would like to send my deepest gratitude to Convention Director Past President

COPYING BY COURTESY OF RANK XEROX

Valerie Cheung for her outstanding leadership to head the capable Convention Organizing Committee. This gigantic project has been taking more than one year since we started to prepare the Convention bidding in August 1989. My tribute also goes to all the dedicated Convention OC Members.

Though Hong Kong Jayceettes are putting our efforts to organize the colourful Convention, many teams under different areas are busy and active as usual to conduct projects. We provide well-balanced programs and keep ourselves outstanding. By the end of the year, totally 57 projects and activities would be completed. I must thank the devoted Board of Directors, Project Chairmen, Organizing Committee Members and all active Jayceettes for the contribution and support.

My special acknowledgement goes to my Presidential Advisor Senator Jennifer Chow who always grants me her helping hands and guidance despite her busy schedules. Appreciation also goes to Hon. Life President Senator Jennifer Yu for her constant support and advice. Merits should go to all Past Presidents and Area Advisors for their great support.

Looking back to my JC career from the start, I would like to send my heartfelt gratitudes to Senator Emily Auw who offered me the first JC assignment as an Orientation Chairman in 1981, followed by the appointment of LOM Orientation Co-ordinator for the year and then the National Officer in 1982. Thanks to Past President Connie Pun who invited me to be a LOM Director in 1987 which was an unforgetable year for myself. Special appreciation goes to Senator Margaret Tang who granted me tremendous support which made my personal publication "I Love JC" a reality. The most of all, my sincerest thanks go to IPP Senator Connia, for her kind invitation for me as the Presidential Candidate and the unfailing support throughout my term of office. Without them, I could never become a President of Hong Kong Jayceettes.

Finally, on behalf of Hong Kong Jayceettes, I would like to thank with great appreciation to our sponsors, especially to Patron Mr. K. K. Lau who gave us continuous support. I would also like to thank National President Senator Larry Lau, Supervising National Vice President Davis Kwong, National Secretary General Paul Chan and all National Officers for the support throughout.

To conclude, 1990 is a busy but rewarding year for me. I found that the President of Hong Kong Jayceettes is more than a full-time job if I aimed to make everything perfect. Yet, taking up this demanding task is surely one of my best decisions in my life and I will never regret.

Dear Fellow Jayceettes, once again, thank you to you all. Please join me to sincerely wish the incoming President and her Board of Directors for another year of success in 1991!!

(六)雜項——(1)本人感到極之痛心是年中前會長劉德佳先生的去世，劉前會長爲人隨和，做事緊愼和細心，爲浩洋和社區服務曾作出很大的貢獻，深受本會會員和各界人仕所稱頌，他的去世實浩洋之一大損失和打擊，惟盼浩洋會友以劉前會長爲典範，熱心會務，爲浩洋的前途努力奮鬥。

(2)上屆會長蘇震宇先生今年已年屆四十之年，根據會章規定，蘇會長須退會轉爲元老會員。

(七)總結——本年度的會務發展雖未有任何突破性的表現，但總算在平穩中渡過，各理事局成員大部份都能各司其職，表現可人。最可喜的是今年多個工作計劃的小組成員中一些隱沒了很久的資深會友所擔當，而今年實施的理事局接見準會員計劃亦稍見成效，達成年初我們既定的目標，本人少許感覺遺憾的是本會會員和其他分會之聯繫及領導才能學習意識仍低，冀望來年能加以改善。

在此本人謹向總會委派監督副會長陳慧賢，會長顧問黃漢清參議員，上屆會長蘇震宇已故前會長劉德佳，各理事局成員和會員致以萬二分謝意，因你們的指導，熱心參與和工作，才使今年會務得以順利推行。最後謹代表浩洋青年商會向本會義務法律顧問陳韻雲律師及義務核數師廖榮定會計師致衷心謝意。

ii. During the past nine months, the committee members had met on a number of occassions. Ideas and suggestions were exchanged on the various proposed venues and the type of new club house which Hong Kong Jaycees were looking for.

iii. Based on the requirement of a 2,000 sq. ft. premises and the range of locations which the estimated total cost was approx. HK$3,000,000.00. At the present moment, the possible usage fund available was only HK$2,000,000.00 (based on the current cost of HK$1,200,000.00 for our existing club house plus the HK$400,000.00 contribution from the 1988 JCI Macau Conference and another HK$400,000.00 investment from the Hong Kong Jaycees Trust Fund), we were still short of HK$1,000,000.00 and had to raise at least 50% of this money through the efforts of each individual member (if Hong Kong Jaycees Trust Fund would agree to contribution a dollar-to-dollar investment).

iv. In view of the current situation, the committee suggested that various fund raising activities/projects should be implemented first and once sufficient money was secured then the NOM could go ahead to buy the appropriate premises and firm it up immediately.

v. It was also the feeling of the committee that this committee should merge with the New Club House Fund Raising Committee which was currently chaired by NIPP Senator Gary Lee next year so that there is a better cooperation of work.

The New Club House Ad Hoc Committee Chairman thanked his fellow members for their work and contribution.

A motion to receive the report by Ad hoc Clubhouse Committee was proposed by Peninsula and seconded by Island. Motion carried.

Ocean Jaycees
"Noise Pollution Exhibition" in 1987, "Toy Safety Exhibition" in 1988, "Good Children Award" in 1989.... and a number of others. Yet, you won't be surprised if you know the gang is formed by a group of young men and women who are enthusiastic, energetic and interesting in character, mostly being the outstanding participants of the "Young Leaders Voyage 1986" organized by Hong Kong Junior Chamber of Commerce. Even though the members are coming from different sectors of the community, they have two things in common. Plus, they believe in international harmony via establishing sisterhood pact with Japan Suita Jaycees.

Shatin Jaycees

Luggage Stores Are Now Serving Oysters.

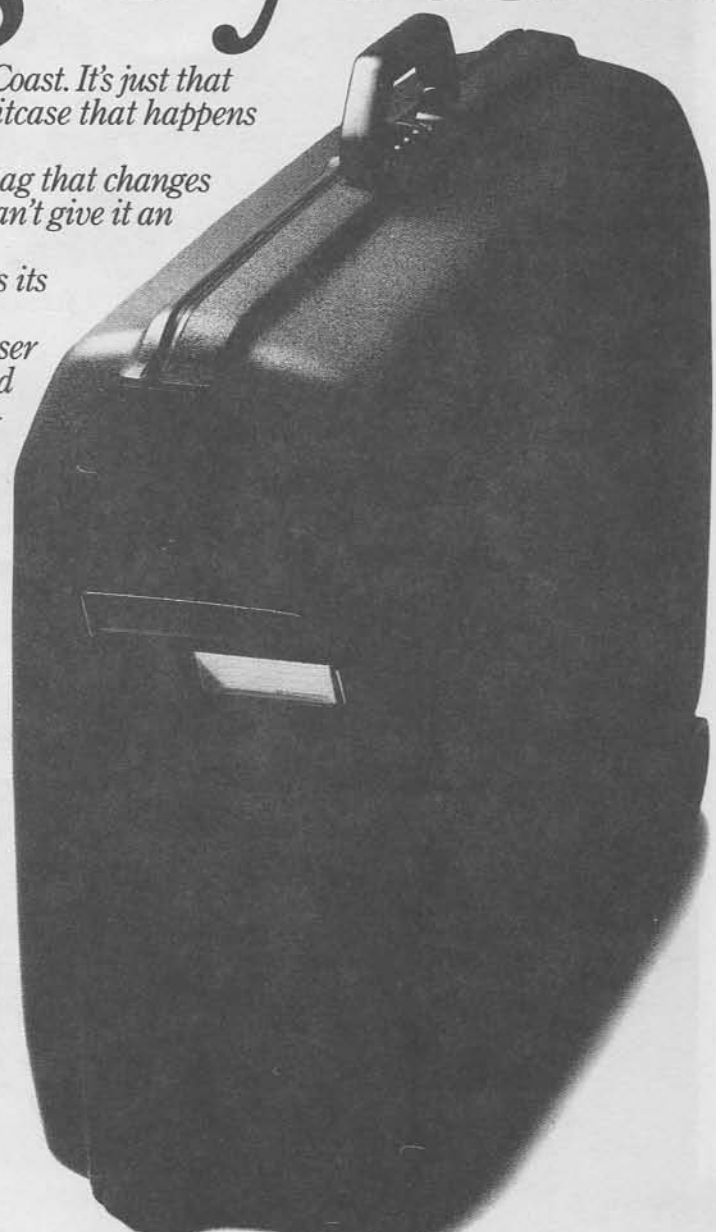

No, it's not some new fad from the West Coast. It's just that Samsonite® now has a revolutionary suitcase that happens to share its name with a seafood.

Why, you ask? Well, when you create a bag that changes the whole idea of what a suitcase should be, you can't give it an ordinary name.

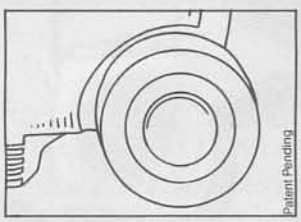

Our case is tough and durable. It protects its contents incredibly well and it doesn't cost a lot.

So we thought about it. And we took a closer look at our bag's virtually indestructible shell and numerous features that work to protect what's inside and Oyster™ was a natural.

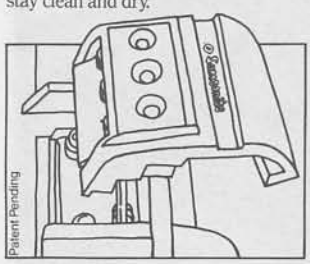

Our incredible shell. Jump on it. Kick it. Or give it the ultimate test. Check it through baggage. Because the Oyster shell is molded out of a tough material that's really amazing. And it really protects your belongings.

Plus, Oyster has a Santoprene® seal that runs all the way around the suitcase. Which means if your luggage is left out on a baggage cart in most types of weather, your clothes inside stay clean and dry.

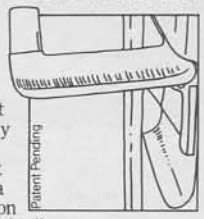

Our wheels and handle. A bag that's packed with features doesn't do you much good if you can't move it once it's packed. So Oyster has wide shock absorbing wheels that provide great stability through an airport or parking lot. And our recessed easy-grip handle gives you great maneuverability.

Our locks. We have specially constructed locks, like the kind on ski boots, built into the sides of the case. This way, it's practically impossible for them to break or be knocked off. Odds are you won't see an Oyster popping open on a luggage conveyor belt.

Check out our suitcase that's both affordable and practical at your nearest luggage store. And you'll find that nearly the only thing *this* Oyster doesn't come with is a wedge of lemon and a jar of cocktail sauce.

自從增添了一部
「雅潔」座枱式冷熱飲水機.....

AQUA-DRI 雅潔 USA

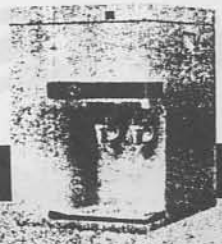

以前只有一部飲水機，置於遠遠的地方，需要喝水便要離開手上工作；遇上趕工，更覺長途跋涉。若在會議進行中要加添熱茶，討論也被迫暫時中斷，費時又失事。無奈只有四周放置飲水機，既不雅觀，又不合衛生。不過自從增添了一部「雅潔」座枱式冷熱飲水機；所有不便之處均一掃而空，再也不需要飲水機！

「雅潔」座枱式飲水機不單機身輕巧，美觀大方及可置於在辦公室任何地方，更具備獨有外置式發熱雄熱水箱和首創「隔癌通」保潔系統，保證蒸餾水不受污染，防蟲防癌，確保衛生。

「雅潔」飲水機全港銷量第一，由「高寶德」辦公室飲品供應專家獨家代理，以優質保證，提供一年免費保養及五年壓縮器保用服務，並電腦化處理訂購事項，服務快捷妥當。
