Report from the National President to the General Assembly of the 28th National Convention

As the National President of the Hong Kong Junior Chamber of Commerce, I have pleasure to submit my report as follows:

(I) MISSION for 1993

The mission of the Hong Kong Junior Chamber of Commerce for the year 1993 is to:

(a) maintain a high profile in local community service so as to boost the status of our organization; and

(b) arouse public concern about the Hong Kong community so as to develop the social responsibility of our young people with the aim to create positive changes.

(II) NOM's STRUCTURE

To accomplish the mission set for the year, minor changes have been introduced to NOM's organizational structure, namely the appointment of two National Directors to look after Chamber Office administration and theme projects organized at NOM and LOM levels respectively.

(A) Organization chart

The Executive Committee of NOM, comprising 13 officers with the National President in the chair, formulate the overall policy governing NOM and LOM development and they are accountable to the general assembly made up of 17 LOMs. The Executive Committee also oversees the implementation of National projects under respective areas.

The Executive Committee in collaboration with the 12 National Directors form the National Board of Directors to administer policies and handle day-to-day operation matters. From time to time, the Executive Committee also resort to the advice given by the Panel of Advisors, Past National Presidents, members of the Hong Kong JC Trust Fund and Long Range Planning Committees, and other senior Jaycees. LOM Presidents are consulted as well when circumstances warrant.

All members of the Executive Committee except the Immediate Past President, General Legal Counsel, Hon. Treasurer and Secretary General, are elected officers. The Directors are appointed officers with voting rights, whereas their junior officers are by consititution not entitled to vote on NOM businesses.

(III) NOM ADMINISTRATION

(A) Year Plan

Given that the 1993 JCI World Congress will be held in Hong Kong in November, NOM anticipates increased activities in the International Area and hence cut back on the number of functions to be organized at the National level. Nevertheless, we strengthen NOM's training programme in a bid to groom the PMs and meet the needs of active members. The training programmes are divided into two categories, each catering for different groups of members and they are held at regular intervals throughout the year.

Another training package i.e. Leadership Dynamic Porgramme is specially tailored to suit NOM and LOM officers.

As of today, all NOM projects are implemented on schedule as listed below. Members participation in them are extremely encouraging and NOM is particularly pleased to note that prospective members have shown great interest and support in these activities.

(B) Operation

To achieve cost-effectiveness in running the NOM, administrative procedures are streamlined under the scrutiny of a newly created officer's post i.e. the Administration Director. The computer system in the Chamber Office is upgraded to facilitate instant updating and retrieval of membership records, to monitor LOM's Efficiency Index and to improve the mailing service. The Office also undergoes major renovation to provide more and better facilities for use by members.

As a result of the improvement made on the administrative procedures, NOM's Policy Manual and Directory are issued by the deadline and updated promptly.

An Ad Hoc Committee on Award Judging is also set up to review NOM's award judging system and bidding criteria which are basically modelled against JCI's package. The purpose is to uphold the spirit of the bidding system and to ensure fairness in the award scheme. Subsequent to deliberations, the Award Manual is revised and a number of new awards are included based on the Committee's recommendations.

(IV) **FINANCE**

Membership dues, receipt from the Inaugural Ball, and donations from sponsors constitute NOM's major source of income. I am very grateful to all parties conerned for rendering financial support to the National Organization throughout the year, particularly the corporate sponsors including Jardine Life Assurance Ltd., S & S Contracting Co., Kin Hip Metal & Plastic Fty. Ltd., Trans China Travel Ltd., Corporate Press (HK) Ltd., and Maxken Development Ltd.

The HKJC Board of Trustees have also rendered generous financial support to NOM and LOM this year. At present, the Trustees manage two Trust Funds in the name of Hong Kong Jaycees. Investments under the Trust Funds and allocation of the income are as follows:

(a) All investments under the two Trust Funds are in shares of Hong Kong Bank. Every year, 90% of the investment income, i.e. share dividends, are available as subsidy to NOM and LOM projects and activities on a deficit subsidy basis. Up to 31 July 1993, the following projects have been approved for subsidy:

NOM	Hong Kong Night 93 Taipei Conference	HK$ 20,000.00
HK Jayceettes	Environmental Protection Young Ambassadors Exchange Programme	HK$ 10,000.00

In addition, myself and NIPP Eddy were given a subsidy of HK$ 3,800.00 each, being 50% of airfare in attending the 92 Miami World Congress.

(b) The Trustees are presently holding in Trust Fund No. 1, 32,054 shares of Hong Kong Bank at a value of HK$ 2,371,996.00 and in Trust Fund No. 2, 9,409 shares valued at HK$ 696,266.00 as at 31 July 1993. In addition, the Trustees also own half of the Chamber Office, i.e. 59% of HK$ 3.375 million (purchase value). Consequent upon the 50% ownership, the Trustees charge the NOM a rental of HK$ 3,000.00 per month for the use of the Chamber Office in 1993.

As a result of the generosity of the Trustees and all sponsors, NOM's operation runs smoothly devoid of any financial difficulties during the year.

Apart from relying on contribution from parties within the organization, NOM has stepped up effort this year to solicit corporate sponsors to cover part of the operating expenses. The response has been encouraging and taking this opportunity, I would like to specially thank Past National President Junia Ho for her assistance in securing the sponsor for this year's TOYP Selection.

While NOM strives hard to obtain sponsorship, we have at the same time monitored our budget closely to avoid lavish spending and unnecessary delay in collecting money over due. NHT is the responsible officer to balance the books, prepare monthly summary reports updating NOM's financial position and to explore ways and means to generate more income.

In order to cope with the financial commitment of hosting the World Congress, NOM has arranged to increase the borrowing power of HKJCC from HK$ 20,000 to HK$ 1.3M. Such arrangement is endorsed subsequent to a special resolution passed to amend Clause 29 of the Memorandum and Articles of Association at the Extraordinary General Meetings held in April and July.

(V) NOM ACTIVITIES & PROJECTS

(A) Communication

Internal

It is NOM's aim to promote effective exchange of information within the organization by means of meetings and publications in 1993. To this end, the following activities have been implemented since January:

(a) 'Harbour Light', the official publication of Hong Kong Junior Chamber of Commerce is published on a monthly basis and distributed to JCI Secretariat, government offices and other local organizations promptly;

(b) Joint Directors meetings cum JC family gatherings are held for NOM and LOM officers. These activities serve two purposes, one being to enhance communication among the officers and the other to involve families of active Jaycees in our in-house functions;

(c) Informal meetings between NOM and LOM officers are held on a regular basis so that information regarding NOM and LOM affairs can

be exchanged promptly; and

(d) the National President attends as many LOM functions and Board meetings as possible to explain NOM's policy and encourage suggestions to improve NOM/LOM relationship.

Subsequent to the implementation of these measures, NOM and LOMs achieve a better understanding of each other's needs and expectations.

External

While maintaining effective communication within the organization, NOM has at the same time increased its external PR activities to renew old ties and make new acquaintances by:

(a) stepping up liaison with government offices, community leaders and representatives of various organizations including the TOYPA in a bid to promote NOM's activities and to secure financial sponsorship;

(b) maximizing exposure in the press by publishing feature articles and press supplements in major local newspapers from time to time;

(c) visiting local and overseas Jaycees to promote the Hong Kong Congress; and

(d) actively participating in activities organized by other organizations in Hong Kong especially those relating to our MET.

Given our limited experience and resources in coping with these external activities, NOM resorts to a veteran Public Relations Consultant Mr. Vincent Wong for expert advice. Mr. Wong is later asked to be the Hon. PR Consultant of NOM with effect from mid 1993.

(B) **Membership Growth & Development**

NOM sets a membership target of 1350 by November this year. Hence, orientations, a special training seminar tied in with the JC Week and several Prospective Members Training programmes are launched with an aim to recruit 600 PMs during the year. Promotional pamphlets and exhibits displaying facts about the organization are distributed and erected at public places to attract potential members. All these projects and

programmes attracted a capacity crowd on every occasion and we are therefore confident that the target membership could be achieved by the coming Congress.

An independent body, the Training and Development Committee (TDC) is entrusted with the responsibility of devising training packages for general members and updating HKJC's Trainers' profiles so that local members can enjoy their service and share their expertise. All training programmes co-ordinated by the TDC have proved to be very popular among active and prospective members. Chairman Bassanio and members of the TDC are to be commended for the good result and for compiling the Trainers' Profile promptly.

Apart from offering training programmes to suit local needs, NOM also takes the opportunity to nominate members to attend JCI training courses like JCI International Academy, PRIME and EXCEL course for the purpose of sustaining members' particularly senior members' interest in the JC movement and to improve NOM's training resources.

While training programmes devised during the year are found to be adequate to meet the needs of PMs and junior members, NOM recognizes that there is a need to develop specific programmes or activities to sustain the interest of those members whose seniority, working experience or social status are above the norm. Hence, NOM decides to boost the activities of the Business Network Club (BNC) which was first formed in 1992 with a membership of 150. Its membership is growing in 1993 resulting from the hardwork of the Chairman Davis Kwong and his Executive Committee members. Exchange of experience among members and with other successful business executives or professionals have helped sustain members' interest in the organization and develop new business prospects for them.

In anticipation of the large number of PMs to be recruited during the year, NOM has also set up a Membership Development Ad Hoc Committee to attend to the needs of the PMs, the development of LOMs and ensure proper training and opportunities are provided for members as they develop their JC career. The Committee is chaired by Senator Ronald Ho.

(C) **Marketing**

In view of increased competitiveness among organizations bearing similar objectives like ours in Hong Kong, NOM deceides to mount a marketing campaign promoting our corporate image as well as to educate members on the purposes of the organization and the JC Creed we subscribe. Chaired by NIPP Eddy, a Marketing Strategy Ad Hoc Committee undertakes the task to devise strategies to reinforce the corporate image of HKJCC and promote our purposes. On the recommendations made by this Committee, NOM has implemented the following:

(a) a theme song for HKJCC will be composed by a famous local song composer Mr. Anthony Lun Wing Leung;

(b) all LOMs are asked to identify themselves as affiliates of NOM, a "Worldwide leadership development organization" and to promote the letter and spirit of the JC Creed on all occasions;

(c) all members are required to wear proper name tags, pins and JC uniform on all occasions to project a good JC image and to uphold team morale; and

(d) the manner in which we deal with the media and other publicity matters are reviewed to ensure uniformity in all materials promoting the organization and closer media relationship;

Apart from implementing the above recommendations, NOM is also reviewing other options of marketing HKJCC including the possibility of using a standardized JC logo and tag line in all NOM and LOM stationeries and other printed matters. Hopefully, all action recommended by the Ad Hoc Committee can be materialized by the close of the year.

The "Bring Family to Jaycee" campaign represents another attempt to market the organization by reaching out to the families of active JC members. The campaign is introduced at the beginning of the year and result shows that families attending the JC functions enjoy the friendship fostered among JC members, realize the impact of all projects launched by us and above all, appreciate the value of the JC movement. This campaign has so far proved to be successful and it is to be continued

till the end of the year.

NOM has also made use of the official publicatio "Harbour Light" to educate members on J formalities, membership disciplines, organizatio objectives and other relevant matters whic constitute the ingredients of upholding ou corporate image and morale. These messages ar conveyed in the special column of Nationa President, in his speeches delivered on variou occasions, in press supplements and throug informal communication with NOM and LOM officers.

In addition, artilces and special press supplement are inserted in major local newspapers to publiciz the purposes and activities of HKJCC on a regula basis. Increased exposure in the press ha resulted in the receipt of large number o membership applications, thus boosting our tota membership strength.

Meetings with government officials and the Chie Executive Officers of commercial and voluntar institutions have been arranged since the beginnin of the year, namely the Chairman of the Urba Council, Chairman of the Commission of Youth representatives of the Health and Welfare Branch the New China News Agency, Rotary Clubs, UNICE office in HK, AIESEC and etc. etc. At these meetings, we are able to explain the nature of ou organization and activities to all partie concerned. Many of them have shown great interes in joint ventures with HKJCC or sponsoring NO projects, and some such as the Urban Council rende support to us especially in the preparation for th coming World Congress.

(D) <u>Internationalism</u>

1993 is expected to be a busy year in so far as th International area is concerned. Hence, NO reserves additional resources to cope with the tas as well as to ensure satisfactory participation i Conference and Congress.

For the Taipei Conference, we have a total of 11 delegates attending and everyone have activel participated in all Conference programmes includin the Hong Kong Night where the coming Hong Kon Congress was promtoted. At the Taipei Conference Hong Kong Junior Chamber of Commerce has set record in winning a total of 14 awards under

different categories. This is a record in our history and we are indeed overwhelmed for having achieved this encouraging result. I would like to congratulate all members who have been involved in the award bidding exercises and to express my gratitude to those who have assisted in preparing the bid books including my colleagues. A list of the winning entries is as follows:

The thrill of breaking records is a lasting experience. I hope that Hong Kong Junior Chamber of Commerce and its member LOMs will strive even harder to set another new record in the coming Hong Kong Congress not only in terms of the number of awards we are after, but also the total number of delegates attending the event.

So far, over 270 local members have registered for the Hong Kong Congress. As we anticipate 100% participation from members of the Hong Kong Junior Chamber of Commerce, I urge everyone not to let go of this once-in-a-life-time opportunity and register now if you have not done so yet. TEAMPOWER is what we need to prove our competency in hosting an important JCI project of this scale.

(b) To ensure effective co-ordination of the theme projects organized by NOM and LOMs, the post of Theme Director is created for the purpose. Under her supervision, LOMs Theme officers meet on regular basis to discuss project proposals and exchange information regarding community issues. The Theme Director is also responsible for organizing a NOM Theme programme during the year.

(c) Set up in early 1992, the Community Concern Group (CCG) carries on with its mission to arouse members' concern on community issues and give views on them. These views will then be forwarded to the respective government departments for consideration. This year, membership to the CCG is opened to all general members rather than restricting to one member from one LOM taking into account everyone's commitment to service the community. Visits to social instituitions or government offices, forums on current affairs and articles covering major social issues and the activities of the CCG are published in the in-house magazines regularly.

(d) For the first time in our history, NOM introduces a scheme to provide financial subsidies to local youth organizations in a bid to encourage them to organize community projects along the MET, "Care for Youth, Concern for Global Unity". Generous sponsorship has been obtained from Hopa Holdings for this purpose and NOM is indeed grateful for their support.

The TOYP Selection, a major community project organized at the NOM level, continued this year. With the assistance of Past National President Senator Junia Ho, we succeed in securing a cash sponsorship of HK$ 400,000.00 from Emperor International Exchange Co. Ltd. for the project. While a new batch of awardees are yet to be selected, NOM has nominated some past awardees to compete in the Outstanding Young Persons of the World Award and the result will be known during the coming Congress.

tides and survive the difficult times with the full support of my Board of Directors and the Chapter Presidents. TEAMPOWER prevails during my administration and I am indeed grateful to my colleagues for holding hands in fighting the odds. The presidency has also brought new insights to my JC career and gives me strength to pursue higher goals. I hope everyone else who have been actively involved in the JC movement this year will feel the same.

I wish to take this opportunity to express my sincere gratitude to my Presidential Advisor Senator Daniel Cham, all Panel of Advisors, Committee Chairmen and members of the Dragon Jaycees for standing by me throughout these months. Of course, my appreciation also goes to the Congress Director Past National President Senator Ng Leung Yau and members of the Peninsula Jaycees for undertaking the enormous task of hosting the JCI World Congress in Hong Kong.

Last but not the least, I would like to specially thank my wife Maggie and my children for bearing with my frequent absence from home. Their understanding and support are the driving forces to help me through my presidency. I love them as much as I love this organization.

(VI) **CONCLUSION**

The year turns out to be eventful. Once the curtain is unveiled, the spotlights are lit and follow everyone everywhere when major events are staged. We have so far accomplished a large part of our missions for 1993 and the remaining parts are to be materialized before the year closes. I am satisfied with what we have achieved so far and these accomplishments would not be possible devoid of support from members, Senators, and many others. Winning the right to host the Hong Kong Congress is the biggest achievement attained by Hong Kong Junior Chamber of Commerce in our history. We are grateful for the support rendered by our counterparts around the world and we look forward to greeting everyone in November.

While we grow on our own strength, we also rely on the advice of the World President Robby Dawkins, JCI EVP Betty Baker, JCI VP Marco Martelli Calvelli and Past National Presidents to help us push beyond limits and reach the epitome of success. We are indeed thankful to them. I hope that they and other friends around the world will stand by us forever to witness the advent of global harmony among all mankind when the curtain of the Hong Kong Congress rises in November.

My presidency over the year brings great excitement to me. The complexities involved in dealing with people at all levels and matters of different nature are the most exciting part of my job. On some occasions, things have gone beyond my expectation and a few hiccups surprise me amidst the implementation of projects. Nevertheless, I am able to cut through the

Assigned Areas

(I) Major Emphasis Theme (MET)

This year, the MET for HKJCC is "Care for Youth; Concern for Global Unity" - "關心青一代；放眼世界大同". 17 LOMs have been encouraged to organize projects along this theme and we have a good mix of meaningful and high impact projects launched at LOM level.

At the NOM level, there are two projects set. The one "關心青一代；放眼世界大同主題活動資助計劃" is in good progress. Response for subsidies is encouraging and a few outstanding project proposals have been selected by a panel of judges comprising NP Senator George Lung, NTD Jinia Chan, Senator Justein Wong and Project Chairman Felix Tam. Intensive follow-up actions are underway and our aim is to pass on and promote our Jaycee experience and organization expertise to outside organizations.

The World Congress is a golden occasion which provides a universal sample for survey. the NOM will grasp the opportunity to conduct a survey along our MET during the Congress period and release the results to the community. Organizational work will start very soon.

A report on MET which covers projects launched at NOM and LOM levels will be published at the end of the year to consolidate HKJCC's contribution and achievements on the MET. The report will be sent out to government officials and outside organizations.

(II) Publication

'Harbour Lights', the official publication of HKJCC, has taken on a new look in 1993. the cover is

now 4-coloured. Contents have been enriched. Layout has been improved. Most of all, to strengthen NOM's communication with the general members, it has been made a monthly publication. Normal issue is of 8 pages. A bumper issue of 16 pages was prepared in May for the ASPAC Conference. Another bumper issue will be released in November for the World Congress.

Each issue of the Harbour Lights is sent to government officials, outside organizations, JCI and overseas NOMs. Distribution amounts to over 400.

The high quality of the Harbour Lights is confirmed during this year's Taipei conference by being awarded the 'Most Outstanding NOM Publication'. My sincere thanks to NPD Lawrence Leung, Chief Editor Mok Siu-cheung and all the NOM Board members who have worked through many nights and days in preparing the bid-book.

(III) Public Relations

The Public Relations Commission has tried our utmost to strengthen the corporate image of HKJCC. Below are some of the concrete work we have done so far:

REPORT FROM NATIONAL VICE PRESIDENT JENNIFER CHENG

Foreward

As the National Vice President of the 1993 NOM board, my assigned duties were to communicate and work with the assigned LOMs with the objective of promoting the purpose of Jaycees, to guide and assist LOM officers in chapter development, and to ensure effective communication between assigned LOMs and NOM.

I was also put in charge as co-ordinator of Congress Organizing Committee with the duty of keeping the NOM Ex-com update of progress of Congress, as well as promoting 1993 Congress among the 17 LOMs in collaboration with C.O.C.

1. Assigned LOMs

I was assigned as National Assigned Executive Officer to Peninsula Jaycees, Harbour Jaycees, and Shatin Jaycees. Since June 1993, I was assigned also to take up Island Jaycees due to the personal leave of NVP Juliet Lam.

While I maintained a close contact with the chapter Presidents, I also made use of informal gathering and board meetings/monthly meetings to remind LOM Board members the role of LOM officers, emphasis/focus in the discharge of their projects and members' training, and the policies/strategies of National Board. All assigned LOMs are encouraged to conduct mid-year evaluation and guidelines were also provided.

Peninsula Jaycees

President John Ma and his Board of Directors have extra workload this year of not only to execute their year plan, but also to render full support to the World Congress Organizing Committee. Many Board members therefore took positions both at the LOM Board as well as C.O.C. Despite this, there is strong unity among Board members. A balanced program was planned for the year in the area of leadership training, community development, youth affairs and economic affairs. Projects like "Develop environmental concern and make it a business opportunity" echoes with the two sub-themes of JCI, Economic Development and Environment, "Know Your Drugs, Know Your Right" was a good CD project in continuation of last year's "New Era for Medical Care".

This year, Peninsula Jaycees decided to position their membership that reflected a balanced mix of professions. The senior members from Long Range Planning Committee contributed to setting the direction of the chapter's development; and efforts were made to update the chapter's constitution. At the board level, the goal of ensuring the quality of members were maintained with a thorough screening system and participation level to ensure prospective members' good understanding of the chapter before becoming an ordinary member. The high standards imposed and the systemization of this enrolment process is worth commending to other local chapters.

Many senior members and past Presidents of Peninsula Jaycees have contributed their advise, expertise and support throughout the year. This fine tradition and high standard as set by Board members will continue to be a strong motivator for all the members.

Harbour Jaycees

Under the strong leadership of President Spencer, Harbour Jaycees has had a fruitful year. The board members have set their goal of achieving a no less than 10% net growth and by Angust, this is alreeady being achieved. Parallel to the goal in attaining more membership, training for members were also emphasised and that is the reason of the birth of 3 training projects including "Vanguard Leaders" and "Professional Selling Skills course".

In conjunction with the NOM's theme of "Care for Youth, Concern for Global Unity", the annual "International Children's Painting Competition" and an intensive International Affairs programme were being launched successfully. Friendly exchange was also inaugurated this year with Liaonin Youth Federation. This all contributed to maintaining good external relationship and media contact; as well as furthering Jaycees's international opportunity.

With the encouragement and guidence from the senior members I am positive that Harbour Jaycees would continue to prosper.

Shatin Jaycees

Shatin Jaycees have achieved a stronger image in the localized region of Shatin with active participation in local activities like "Recyling Design Booth Competition", "Dragon Boat Race", and the recent C.D. project of enhancing communication of Youth.

This year, President Herman take the lead of promoting their extension of international friendship through courtesy visit to Jiangzhu Youth Federation. Members' training were also emphasised through the institution of various Jaycee knowledge or training at monthly fellowship. The strong participation from past presidents and also their senior members have enhanced good morale and atmosphere among the chapter.

With the continuing active support from Shatin's Board members and President Herman's leadership, I am confident that Shatin Jaycees will have a fruitful year.

Island Jaycees

With the short involvement with Island Jaycees in the last two months, I wish to acknowledge the fine work made by President Albert in motivating his Board members to involve in both NOM and LOM programmes.

Most of the planned programmes took place as scheduled or slightly delayed. When writing this report in August, I understand the Board members will endeavour to maintain the full planned activities.

I would like to send my best wishes to President Albert and his Board members to continue their commitment and make 1993 a memorable experience for the chapter.

2. Congress Organizing Committee (C.O.C.)

As the co-ordinator for NOM Board, I tried to attend every meeting whenever possible. However, the role of NAEO and National Excom members have resulted in conflicted meeting schedules.

Local Charpters Promotion

- A promotion team was formed with the support of NOM Board members and in collaboration with Deputy Congress Director Diana Fung and Area Advisor for Promotion Senator Stephen Chan, and their sub-committee members. Visits were made to 13 local chapters' monthly gatherings with the exception of 4 where there have been conflicting schedules and limitation imposed by outdoor/out-town events.

- Progress of congress were made through articles contributed to Harbour Light and the issue of "Congress in Action".

- Registration Incentive Awards sehemes were recommended to NOM Board for adoption.

- Personal follow up with LOM Presidents were made at various stages to promote registration.

- All NOM Board members were urged and committed to personally motivate members to register for World Congress before September 5.

- The minimum target of 500 was set. As of August, over 300 have paid registration fees. Here, I would like to express my special thanks to all the 17 LOM Presidents for their support.

3. Other Involvement or Assignment

3.1 Reception Team

I was assigned with the duty of receiving 6 delegates from Japan Junior Chamber JCI Affairs Commission on March 21 with the help of Senator Wallace Yuen.

Also, I took up arranging the reception dinner for the Young Entreprener Association on March 29 with an attendance of over 60. I would like to extend gratitude to the full support of NOM Board PR Director Alex Tang.

3.2 NOM Bid Book for 1993 ASPAC

I have involved in the compilation of NOM's Bidding for "APDC Training Award" at 1993 ASPAC. I treasured the experience and the learning shared by the experienced and senior Jaycees.

3.3 Contributed Articles to NOM publication/Press

- Articles on 1993 World Congress were placed at Harbour Light and "Congress in Action".
- Article on T.O.Y.P. was contributed to the designated column at Sing Tao.
- Highlights on World Congress were made on Ming Pao through a snapshot column in August.
- An advertisement on 1993 T.O.Y.P. was prepared in July.
- A press release on visit to Shantung and a press invitation on "The visit of Hong Kong Junior Chamber of Commerce Delegation to Shantung and Beijing" was prepared.

3.4 The Visit of HKJCC Delegation to Shantung and Beijing

- Acted as co-ordinator of "Exchange of Leadership Training in Jaycees" with the Political Academy in PRC.

3.5 Role of Trainer

- Acted as speaker on "Orientation" for Shatin Jaycees on April 25.
- Acted as speaker on "Orientation" for Bauhinia Jaycees on August 19.

4. Acknowledgement

Taking this opportunity, I wish to extend my heartiest gratitude to National President Senator George Lung in inviting me to be one of his cabinet members for 1993. I would also like to acknowledge the generous support from the NOM Board members; chapter Presidents in particular, President John Ma, President Spencer Suen, President Herman Lee, and President Albert Ng for their full support throughout the year.

Lastly, I would like to thank the Bauhinia Jaycees for their unfailiing support, and all the Jaycees who have given me the opportunity to serve in the 1993 National Board.

Report from National Vice President, **Reed HUI**

This year, as a National Vice President, I have three main tasks: (I) As a National Assigned Executive Officer of Yuen Long JC and Bauhinia JC. (II) The Ex-official Member of Training and Development Committee. (III) Chairman of NOM Project. In addition to that, I am the Immediate Past President of North District JC as well.

Here, I have great pleasure to submit my NVP's report as follows:

(I) NATIONAL ASSIGNED EXECUTIVE OFFICER

Bauhinia JC

When all local chapters are fully engaged in their projects, Bauhinia JC was the only chapter committed to host such a grand scale project, the 28th National Convention in 1993. How proud it is to be one of her members!

Knowing that they need a lot of well trained members for that project, Bauhinia puts a great effort on training.

First of all, they hosted two NOM training projects. One was Prospective Members Training in Febuary and the other was Members Training - Project Management in March. Besides, in June, they jointed with the British Army and successfully held a Wild Training Program. After the National Convention, they are going to hold an "Excom Officers Training School" as well as a Training Camp for the incoming Directors.

As the National Convention preparation work has already got everyone involved, that they can hardly spare more manpower to host other big scale project. And because they have invested many many man-hours into training projects, thus, I feel confident to wish them a more successful 1994.

Yuen Long JC

Two Legislative Councilors has been her Past Presidents and with most of their Past Presidents are being the members of Yuen Long District Board that Yuen Long JC has become a very influential chapter in Hong Kong.

Her connection with the community is so cohesive that she is able to hold certain grand scale projects such as "Outstanding Student Contest in New Territories" and "Yuen Long JC Week", etc. The former had been successfully held that the outstanding students had got the opportunity to visit both of Guangzhou as well as Taiwan.

Up to mid of August, the "Yuen Long JC Week" was still in progress. It is expected to serve a lot of people by means of a series of programs holding in Yuen Long and nearby districts.

Foreseeing the allocation of members would be very tight, therefore, in June, they launched a series of promotion through the mass media. It was responded with extensive press coverage which led to a very encouraging response from the public. They recruited around ten PMs. Thus, training will become more and more important hoping that they will be well equiped with project management skills.

(II) MEMBER OF TRAINING & DEVELOPMENT COMMITTEE

Being the ex-official member, I attended most of its meetings. All the members of the committee are so senior, productive and initiative that it is a big pleasure to work with them. What I have to do is mainly to communicate between the NOM and the Committee.

This year they focus on the **STANDARDIZATION**, in both of the syllabus and the trainers' requirement. To the last, it will help every member of HKJCC. By the end of this year, quite a number of training syllabus are expected to be standardized. More than that, a trainers' profile and trainer manual will be published too.

(III) CHAIRMAN OF LEADERSHIP DYNAMIC PROGRAM III

The training program was held in 8- August with around 170 concurrent and potential officers attended . They come from both of the NOM and 17 local chapters as well.

It consisted of two parts. Part one was seminar with two topics. They were LOM Management and Parliamentary Procedure respectively. Part two was held in afternoon . All participants were divided into eleven areas. Each area was led by a National Officer. The group discussion provided them with the opportunity of training and sharing in each area.

CONCLUSION

Being a NAEO, I am always feeling proud to work with Yuen Long JC and Bauhinia JC. It is so rewarding and interesting that I treasure 1993 very much. It will surely be a very critical year for me.

Taking this opportunity, I would like to extend my heartiest thanks to the followings:-

NP, Senator George and NOM Board of Director for their kind co-operation and encouragement.

Members of NDJC, without their support and understanding, I cannot have done by NVP's job under certain situation of roles conflict.

And finally, my wife Amy. Her consideration and great support are always with me throughout the year.

REPORT FROM NATIONAL VICE PRESIDENT - SUNWAY IP

As a National Vice President, I have much pleasure t submit my report as follows :-

LOM Supervision

a) NORTH DISTRICT JAYCEES

They are very successful in membership growth thi year. Total membership increased for more than 50 from 33 members at beginning of the year to 55 by mi August. The wonderful result is probably because o their setting up a caretaker group to follow up th P.M.s on each of every LOM and NOM functions.

Communitywise, they have established good relationshi with various organizations in North District. The continued to hold "NT Region Children Silver Tongue Competition" which is sponsored by the District Offic of North District, with great success.

Their Monthly Fellowship Gathering is held in a variet of styles, such as sports day, picnic, dinner part etc., with low charges to attract members t participate.

President William Pang is a skilful leader i motivating the members to build up a strong Chapter b acting and training them how to take up their roles i Jaycees life.

I do sincerely and truthfully believe that Nort District Jaycees will become one of the best Chapter in Hong Kong before end of the year.

b) DRAGON JAYCEES

The award of Outstanding Chapter in Asian-Pacific Conference 1993 to Dragon Jaycees remarked their phenomenon work in the past twelve months. Their following experience is perhaps good examples for others to share.

1. They fully support the National with always a lot of members to participate in National Board, Business Network Club and other committees.

2. They design and launch meaningful projects such as "Total Quantity Management ISO9000" and "Leadership Training Camp" to provide chances both to train their members and also to make advantage of promoting Jaycees image to outsiders.

3. Their senior members are always available to render assistance and give consultation.

4. Under the capable leadership of President Barry and his hard-working Board of Directors, all members are well motivated and obtained the necessary training to achieve their goals. The Dragon Jaycees has, as expected, emerged again as a Chapter with outstanding performance.

I hope Dragon Jaycees will, if they care to bid, be award the Outstanding Chapter at the 1993 JCI Hong Kong Congress.

Assign Duty - Coordination of Business Network Club

c) BUSINESS NETWORK CLUB

BNC was formed two years ago. It provides opportunities to Jaycee members to get business through a well designed network. It set up a strong business team all over the world through the "International Business Network".

Senator Davis Kwong is the chairman. His well known experience to co-ordinate together with four vice-chairmen arranged a lot of dinners, invite distinct guest speakers to share their successful experience with the members, open their mind how to be a successful person in the society.

BNC also arranged trade trips to foreign countries including China and Vietnam. Recently at end of August this year, about 15 BNC members joined National visit to China Youth Enterpreneurs in Beijing. It provided the chance to meeting high hierachy persons in business trade level to know more about their business development in China in the forthcoming years.

Conclusion

As all my assigned Chapters have their own culture, tradition and different administrative style, I found my duty as their NAEO a very rewarding, challenging and interesting one. I have a very fruitful year and I really treasure the knowledge and experience gained from the position of National Vice President.

Taking this opportunity, I would like to extend my heartiest thanks to all the Chapter Presidents who have given me warmest reception and cooperation throughout the year. My sincere thanks go to National President Senator George and all National Officers who made my job of the National Vice President a most pleasant.

REPORT OF NATIONAL VICE PRESIDENT JULIET LAM

In the capacity of National Vice President, I am pleased to report to the General Assembly as follows:-

1. Assigned LOMs

1.1 Island Jaycees (IJC)

The Islanders have continued to work hard this year in carrying out the projects set in their year plan and in membership extension and retention.

Under the leadership of President Albert, the spirit of the members remains high and two large projects " " and " " have been successfully launched during the year.

However, further efforts have to be put in membership extension in the coming year.

1.2 Ocean Jaycees (OJC)

The emphasis of OJC this year is membership training and bring family to Jaycees, which have been carried out through their various projects and activities.

Under the leadership of President Thomas, the chapter maintains its steady progress this year. Although the Board members are generally young and inexperienced, they are enthusiastic, energetic and supportive to the chapter's growth and activities.

Their fund raising project "Fun Fund" was again a breakthrough from the traditional way of raising fund.

2. Other Assignment

2.1 "Bring Family to Jaycees" Campaign

"Bring Family to Jaycees" Campaign aims to provide more opportunities for family members to get involved in Jaycee functions and activities. However, as it was not intended to be an additional NOM project, manpower involvement is kept to the minimum. In order to promote this campaign to Jaycee members, a column is included in every issue of Harbour Lights which is publicized

each month. Family programs would be added in NOM projects whenever possible like the magic show for children during the Inaugural Ball; and Hilltop Coun Club was especially chosen for the Leadership Dynami Program in May so that family members could enjoy th facilities there and join in the barbeque with the Jaycee members that evening. All LOMs are also encouraged to carry out this campaign in their chapter and hopefully this spirit would continue to be promoted and maintained in all chapters in future.

3. Conclusion

Taking this opportunity, I would like to thank NP George for inviting me to be one of the Excom members this year it is definitely a fruitful and happy experience for me. Special appreciation have to be given to NEVP Rosa, NVP Jennifer and NSG T H Yeung for their assistance during m absence from Hong Kong. Finally, I would like to thank of you for your support and I encourage all Jaycee membe to get hold of your opportunities to serve the National Board when you are invited.

3.4 Paper Clipping

Paper Clipping is an all year round job. Articles - on th areas constitutions and administration, economy, youth related matters, elderly related matters, housing an transport, environmental protection, health and others - take from magazines and newpapers are kept in Chamber Office fo members' perusal. Two issues were compiled so far with th assistance of National Administration Director Tony Chan.

3.5 Opinion Papers

Two articles entitled "Industrial Work Safety" and "Jaycee Support to the Charter for Youth" were sent in the form o press release to the local press and were publicized.

3.6 Seminar on Political Parties

The seminar entitled "The Development of Political Parties i Hong Kong" was scheduled on 5 September with the objectiv of arousing members' awareness on the importance of such development. Three prominent speakers, namely the Honourable Andrew Wong, O.B.E., J.P., Dr. Joseph Cheng and Mr. Chan Kin Cheung, would enlighten us on this topic. National Theme Director Jinia Chan was the Project Chairman.

3.7 Way Forward to 1994

Though the activities held so far had brought encouragin results, members' participation is not satisfactory. Member are welcome to raise their concern and suggestions on CCG.

Since social awareness/conciousness of a person could not be enhanced in a short period of time, the merits of the CCG activities could only be conceived after successive operation over years. I, therefore, would like to suggest to th incoming Board that the concept of CCG be continued in 1994. As for the structure of CCG, I thought it would be better t be in the form an official committee with a chairman and committee members overseeing its activities under th supervision of a National officer.

4. Other Involvements or Assignments

4.1 Reception Team

Being the leader of one of the six reception teams, I wa responsible for receiving the delegation of five members fro Japan Junior Chamber during 15-17 January. Their purposes o visiting Hong Kong were to attend our Inaugural Ball and t visit the various sites for Hong Kong Congress.

4.2 Leadership Dynamic Program II (LDP II)

I would like to thank the NOM Board for appointing me as the chairman of LDP II that was held on 2 May. Past National President Senator Junia Ho was invited to enlighten us on "Sponsorship Seeking". There was a total of one hundred and sixty-nine participants.

4.3 Bid Book Compilation

Being involved in the compilation of the three bid books that brought awards to our organization in the Taipei Conference, I strongly felt that it was the success and beauty of collective responsibilities. Besides, they were awards that really belonged to all Hong Kong Jaycee members. It was because the training programs launched and the Harbour Lights published in 1992/93 would not be that 'satisfactory' if we lacked members' participation, encouragement and comment.

4.4 Conference Secretary

It was my honour to be appointed as one of the Conference Secretaries of the Taipei Conference. I was responsible for the minutes of the NOM Presidents' Meeting, Meet the World President Forum and the Mind Mapping Training Session. Though I had missed some of the events of the Conference, I found this involvement very challenging and rewarding. Thanks to Senator Connia Chu Lo for the guidance during the Taipei Conference.

4.5 Training and Development Committee (TDC)

Upon the leave of the current TDC Chairman Jaycee Bassanio So, I was appointed to be the TDC Chairman for the period September-December 1993 to oversee the functions of TDC. I look forward to having the full support from members in my new assignment.

4.6 Contribution to Harbour Lights

I contributed the following articles to the "Community Concern Group" column in our official publication Harbour Lights during January-May.

January	"1992 in Review and What in 1993"
February	"Hong Kong Population and Related Issues"
March	"Hong Kong Population and Related Issues (Cont'd)
April	"Report on CCG Activities"
May	"Hong Kong in Figures"

4.7 Involvement in Training

I acted or would act as speaker or coach in the following programs:

a) "Vanguard Leaders" for Scouts Association of Hong Kong and Hong Kong Junior Chamber of Commerce on 9-10 January;
b) "The Press in Hong Kong" for the first CCG gathering held on 22 February;
c) "The Hong Kong Economy" for the second CCG gathering held on 15 March;
d) "Conflict Management" for Peninsula Jaycees on 8-9 May;
e) "Vanguard Leaders" for NOM on 15-16 May;
f) "Time Management" for NOM Prospective Member Training on 1 August;
g) "The Roles of Officers" for City Jaycees on 20 August;
h) "Vanguard Leaders" for a private firm on 4 September; and
i) "About our NOM" for Shatin Jaycees on 11 September.

5. Acknowledgement

I wish to thank all Hong Kong Jaycee members for giving me the opportunity to serve as a National Vice President. 1993 is again a busy but rewarding year for me. My views on management (both NOM and LOM levels), the community concern movement, training and other areas have been broadened. I treasure very much both the challenge that I have taken up and the training opportunity that I have been given.

Taking this opportunity, I would like to express my appreciations to all the LOM Presidents, especially President David of Victoria, President Kenneth of City and President Amy of Queensway, who have given me warmest reception and cooperation throughout the year. My heartfelt thanks should go to National President Senator George, National Executive Vice President Senator Rosa and all other National Officers for their advice, encouragement and assistance.

Lastly, my best wishes to the incoming National Board for a successful 1994.

Report to the General Assembly of the 28th National Convention From National Vice President - Senator Henry U

---

1. Forward

It is my honour to be elected as one of the National Vice President of Hong Kong Junior Chamber of Commerce in 1993. According to the Policy Manual, my major duties are to act as a National Assigned Executive Officer to assist and co-ordinate the activities between NOM and LOM. Regular visits have been made to the three LOMs, assigned under my supervision, which are Hong Kong Jayceettes, Tai Ping Shan Jaycees and East Kowloon Jaycees, to relay the latest information of JCI, NOM and other LOMs.

I have great pleasure to submit my report to the General Assembly of the 28th National Convention as below:

2. Assigned LOMs

A. Hong Kong Jayceettes

She is one of the few LOMs which has a combination of quantity and quality in its pursuits of great achievements during the past years. With a big team of wealthy resources and experience members, they have successfully achieved their ambitious year plan.

Their prospective members are fully guided by their seniors working together under a harmonious relationship towards one common goal, their theme - JOY IN SPIRIT, YOUTH IN MIND.

While President Winnie was enjoying her Presidency, she was lucky to have her predcessor and officers supporting her in the past few months. She has invested a lot of effort in order to ensure a great achievement for her beloved chapter. I am pleased to see her receiving award on stage at the Taipei ASPAC Conference and have no doubt it will happen the same at this convention.

President Winnie deserves credits for her outstanding performance especially during her pregnancy. I truly believe her Board of directors will keep up with their hardwork and support to NOM all the time.

B. Tai Ping Shan Jaycees

In this year, TPSJC has been working very successfully on the membership extension, almost 20% increase was achieved in the past few months. Because of the uplift team spirit of the Board members, there was a significant growth within the Chapter.

Their large scale community projects which are
(1) 中國內地證券投資研討會
and Leadership project (2) 形象創造明天
were completed with tremendous success and had re-activated their senior members so as to enchance the public image of the Chapter to the community.

It is encouraging to witness a steady improvement on their administration side as the less experienced but devoted officers going at a good pace.

Much credit should be given to President Chi Yuen and his Board members for their outstanding performance and support to the National in the past few months.

C. East Kowloon Jaycees

President Burton had put a lot of effort in motivating and the recruitment of new members. He and his Board of directors joined together had turned the Chapter to become more lively and organise the projects with outstanding quality. Their membership has been growing remarkably and they will certainly meet their targetted growth by the end of this year.

Their outstanding projects included -
(1) 驚天24小時
(2) Outstanding Manager towards 2000
(3) Investment Game
were sucessfully launched, which also received very good response from the public.

Meanwhile, all their members possess themself of high calibre and capability. Most of their seniors members are always available to render assistance and provide consultation

Under the capable leadership of President Burton and his full-drive Board of Directors, they will no doubt make their theme - 創意一飯東九龍，美我社群是青商.
a reality.

D. Conclusion

1993 turns a new page in my JC path, it was really a very good chance to be exposed and work together with the LOMs. No doubt, it really took time to build up trust and close relationship, but I found it very beneficial to each other to share our different culture, tradition and administrative style.

3. International Affairs Department

A. Introduction

I A Dept has been working for three years and it is still in its blooming stage. In 1993, the objective of I A Dept. is to arouse the interest of Hong Kong Jaycee members in international area. Their activities/jobs conducted/done for the past few months are the issued of I A handbook, co-ordination of JCI/VIP visit, assist in the visit to All China Youth Federation.

B. I A Handbook

At the begining of the year, an I A Handwork was issued to all LOM Presidents which compiled all the necessary information and current facts of JCI and overseas sisterhood pact for our members.

C. Co-ordination for reception

In this year, numerous overseas guests have been visited to Hong Kong. The I A Dept is always standby to assist the 6 reception teams lead by all NVP to show our warmest welcome to the overseas guests in order to promote the HKJC image.

D. All China Youth Federation

This annual event was held between August 25 - Septemeber 1 this year, a delegation of 31 members had participated! The I A Dept assisted them for the travel arrangement.

4. Acknowledgement

I have to take this opportunity to thank all the HK Jaycees for giving me the chance to serve as a NVP this year. No doubt that it is really demanding in some aspects, but I treat this a valuable experience to me!

Meanwhile, I would like to express my heartfelt thanks to all LOM Presidents, especially President Winnie Yeh Kung, President Chi Yuen and President Burton who have been working with me and given me warmest receptions throughout the year.

Furthermore, my sincere appreciation also go to National President Senator George and National Executive Vice President Raymond Yu and all National Officers who have assisted my duty of NVP with their valuable advices and assistance.

Report from National Administration Director - Tony Chan

Being appointed as the National Administration Director for the year 1993, I am responsible for the management of the Chamber Office Secretariat and am directly supervising the paid staff in the Chamber Office.

For the 28th National Convention, I have great pleasure to present herewith my report.

(A) NOM Administration

1. Chamber Office
The Chamber Office was renovated early this year to improve the overall *environment* and to provide more meeting area for members.

1.1 Paid Staff
The current structure of the Chamber Office has remained unchange and consists of :
a) a Chamber Office Secretary (COS)
b) an Assistant Chamber Office Secretary
c) a Part-time mailing assistant
d) a Part-time Amah

COS Fanny Lai resigned at the end of August to further her studies in the United Kingdom. New replacement will be recruited through an employment agency.

1.2 Reception Area
A new reception counter was set up and restricted to the Chamber Office Staff and NOM Officers. More than 20 document trays were placed inside the reception area for all NOM Officers and Department Chairmen, to improve the storage of incoming materials for office bearers.

1.3 National President Office & Library
The previous National President Office was relocated to the library and vice versa. The new library (also named as meeting room C) together with the existing meeting rooms are being fully utilized by NOM & LOMs.

In conjunction with National General Legal Counsel Senator Ivy Tam and Records & Recognition Director Wu Siu Wing, the new library was redesigned in February. Many memorable publications and useful training materials were re-organized. Members can use the library at any time during office hours (Monday - Friday). We are considering to extend the opening time to one evening per week. However, the main obstacle lies with the limited manpower to take care of the library.

1.4 Storage
After several "clean-up" exercises, all rooms were set up with more systemized storage and filing area to ensure maximum tidiness.

1.5 Telephone System
Two more telephones at Seminar Rooms and National President Office, together with hunting lines were installed, while the existing telephone number remains unchange.

2. JC Supplies
Jaycees ties, position pins, T - shirts, watches, badges, bid book covers, paper name stands, name card holders and new key-holders are sold during office hours. More variety of supplies as well as mail-orders are now being considered.

2.1 Name Cards
Coloured name cards for NOM Officers were printed by the official printer of this year at a reasonable price of @ 80 cents.

2.2 Membership Cards
New Membership Cards were issued during April & August. Members are encouraged to wear it during Jaycee functions to create the sense of belongings and unity.

A manegtic strip at the back of the membership card enable members to open the main door of Kam Kok Mansion replacing the keys, because a card reader for the electronic lock has also been installed.

To ensure maximum security, it was agreed that only NOM Officers, LOM Presidents and LOM Ex-Com. Members could enter the Chamber Office by using their Membership Cards and input their password. Application for replacement should be made via LOM Presidents and the replacement fee of $100 will be charged to individual members.

3. Mailing Service
During 1993, the official mailing day falls on each Thursday as usual. Any LOM requiring mailing service must send in their request form & items by mail and should reach the Chamber Office by 6.00 pm on Monday of the same week with acknowledgement from Chamber Office Secretary. Late arrivals of mailing materials or request form will be charged on extra $200.

4. LOM Efficiency Index
To encourage the LOMs' co-operation, LOM Efficiency Index has been set up since last year. The 1993 judging criterias was established and was

adopted during February NOM Board Meeting. Updated summary will be mailed to all LOM Presidents monthly.

5. Membership Directory

Together with LOM Membership Monthly Report Form and PM Record Form, Membership Directory will be mailed to all LOM Presidents on or before 5th of each month, and all the updated said documents are requested to return on or before 20th of each month to the Chamber Office.

For those listed in the Membership Directory who have their address missing or even have been immigrated, but have not been deleted by their respective LOMs, will be counted as ordinary members and their LOMs should bear the annual charge at $400 .

Due to the computer system failure, all LOM's June & July Membership Directory update are being suspended. After the computer system was functioning normally during July, the Membership Directory was mailed to all LOMs again on July 21.

(B) Assigned Project

Membership Survey 1993

The objective of the survey is to have a further understanding of each member and to collect their opinion. All these information is useful for future promotions and projects.

Jaycee Peony Li of Peninsula Jaycees was appointed as the Project Chairman. The survey was conducted during July & August. Besides mailing the questionaires to all members via our ordinary mailing service, the organizing committee members also bought the questionaires to all LOMs' Monthly Fellowship Gathering for implementing this survey.

At the end of August, a total of 358 copies of completed questionaires were received.

The statistics is now being worked on. Result and analysis of the survey will be published in the October issue of "Harbour Light".

(C) Conclusion

During the past months, I very much enjoyed the good working relations with NOM & LOM Officers and individual members. I will definitely treasure the experience and training I attained while carrying out my duties.

I would like to take this opportunity to express my gratitude to all those who have given me their guidance, assistance and support during my term of office, and in particular, National President Senator George Lung and National General Legal Counsel Senator Ivy Tam, who always offer me their advice from time to time.

IN RETROSPECT AND RECOMMENDATION

Review

33. Until the time of writing this report, we have finished two-third of our training programmes. A series of standard training programmes for different level of members were delivered through NOM and hosting LOMs. We have established the long term and short term objectives of HKJCC. We are also constructed our blue print for the foundation of training mission and strategies of HKJCC. Being appointed as a NOM Board Member, we have the responsibility to become a bridge between the NOM and LOMs and to support the other areas to perform as a whole team. LOMs cooperation and support are our major encouragement.

34. Under the requisition of hosting LOMs and the fully support of NOM activities, I have attended over 200 functions and meetings in the past months. It was a great pressure for me to fulfil this obligation but feeling satisfy in my heart. During the attending of different project meetings, it was not difficult to observe that the lacking of project experience among OC members is a common problem. Thus, we can understand that why TDC designed a series of standard basic training programmes for different level of members to equip themselves.

35. Within different functions and project meetings, a lot of views and suggestions from NOM and LOM officers were collected to become our valuable basis for the future improvements of our works.

Recommendation

36. On the NLDD area, it is suggested that NLDD needs to attend the TDC meeting in order to have a more effective coordination in the implementation of training works. Since the PMOs and PMTs are under the supervision of NMD, it is also suggested that NMD needs to attend the TDC meeting. For an effective communication between NOM and LOMs, it is suggested that the LOM Presidents and LOM VPs & Directors in Training Area have to be invited to attend the TDC Meeting.

37. Since the NVP is an Ex-official member of TDC, it is suggested that NVP can concentrate on the

liaison with outside organisations for experience exchange meetings with HKJCC trainers and promote and market the training and development image of HKJCC for the outsiders. Moreover, the liaison with overseas countries on training area is a new step in the future for example in China and Macau Jaycees.

38. According to the requisition of LOM officers during the Joint Directors' Meetings, it is suggested that the topics of standard training programmes have to be diversify to cover the other topics. English presentation programme is needed to be considered in the future in order to suit the foreign members.

39. "Jaycee Week" is mainly a marketing purpose programme. It is better to organised by the Public Relayion or Membership area such that the coordination work can be arranged in a proper way.

40. It is rather effective that the budget for TDC and NLDD are combined together because the surplus from launching of training programmes can be used to develop the quality of training materials and trainers.

41. The HKJCC training handbook is one of our high quality reference manual for our members. We got a lot of feedback and enquiry for buying this handbook. It is suggested that the handbook is worth to be updated and printed for our members.

42. In order to spread out the concept of coaching techniques in HKJCC, it is recommended to organised a local PRIME course for our members. If the graduates are interested to be a coaches, they will become our trainers in future. Moreover, it is recommended that the applicants for the PRIME course should be nominated by LOM Presidents or National President and interviewed by a panel of judges through TDC. The suggestion and priority of the result is then submitted for discussion and adoption through NOM Board.

43. In the project management, it is suggested that NOM have to design a standard guideline for the project chairman to follow the Jaycee way of organising a project especially for the chairman who is a NOM officer. Leadership Dynamic Programme is mainly for officers training. It is suggested that the standard topic have to be remain for next year but new attractive topics need to be added in the future. Training for green NOM Board members is a major topic for us to consider in the coming years.

44. The merits of the strategies and objectives for the Development of Training in HKJCC could only be conceived after successive implementation of our long term year plan. I would therefore suggest to the incoming Board that the objectives and programmes be continued in 1994. I strongly believe that our member quality and organisation image could be enhanced with such continuous effort.

ACKNOWLEDGEMENT

45. In 1993, it is a busy, heavy and fruitful year for me. My views on training and other area have been broadened through the works with TDC, NOM Board and LOMs. I treasure very much the training opportunities that have been given to me. The implementation of the NOM training programmes could not run so smoothly without the assistance of the members of TDC. I would like to express my appreciation to these group of people.

46. Taking this opportunity, I would like to express my heartfelt thanks to the following:

(i) the honourable coaches, the dedicated project chairpersons and their hard-working organizing committee members for their well done job;

(ii) the LOM Presidents, Training/LD Directors and the respective vice presidents for their tremendous support and cooperation throughout the years;

(iii) the Training and Development Committee and NOM Board Members for their useful ideas and suggestion;

(iv) my supervising officer NEVP Raymond Yu for his valuable advice, motivation and readily available support;

(v) our NVP Justin Lui, NGLC Ivy Tam for their useful suggestions and valuable advice; and

(vi) our NP Senator George Lung for his guidance and encouragement.

47. Lastly, my best wishes to the incoming National Board for a successful 1994. I believe that under the consistent of implementation of our training strategies, we could really laying the foundation for positive change in the nineties in HKJCC.

CONCLUSIONS

Being the BNC Chairman for the last two years has been a honour and great challenge for me. Though the objectives of the club are clear, it is rather difficult to design programmes which can satisfy each member's needs and expectation. In general, members' participations can be viewed as more than satisfactory.

This year BNC members had the good opportunity to join with the National Board for a visit in China. It was a prime occasion for our members to establish their new business contacts through various trade meetings. The All China Youth Federations 全国青年联合会 , The All China Youth Entrepreneurs Association 全国青年企业家协会and all participated Jaycee members have come to a conclusion that we shall continue to build up the good relationship with each other and plan to have more activities together in the future. Something for the next administration to work on.

Hong Kong Jaycees, being the host of the soon coming JCI World Congress has been all geared up for this event. There is no doubt that the BNC members will have another golden opportunity to meet with many overseas Jaycees and to establish business networking. It is my recommendation that all BNC members should also consider register for membership as International Business Network (IBN) members. You would then be able to enjoy the international networking benefits in this great Jaycee family.

I would like to take this opportunity to thank the BNC executive committee and project chairmen for their dedication and hard work rendered throughout this year. Special thanks goes to the National Board of Directors and LOM Presidents for their supports and in particular, National President George and Supervising Officers for their guidiance.

Business Network Club Chairman

REPORT FROM CHAIRMAN TRAINING AND DEVELOPMENT COMMITTEE

It is great pleasure for me to submit this report to the General Assembly at the 28th National Convention of the Hong Kong Junior Chamber of Commerce. I would like to thank the present Chairman, Jaycee Justin Lui for presenting this report on my behalf.

THE TRAINING AND DEVELOPMENT COMMITTEE

2. The Committee comprises the following members -

JC Bassanio So	Chairman (until 31 August 1993)
JC Justin Lui	Chairman (from 1 September 1993)
Sen. Caroline Keung	Trainers' Circle Activities Sub-committee
Sen. Paul Chan	Standardisation Sub-committee
JC David Li	Certification Sub-committee
JC Reed Hui	Ex-officio
JC Mazhar Sultana	Hon. Secretary/Treasurer

3. During the year, the Committee met once a month. Such frequent meetings were required to enable the Committee to efficiently and effectively discharge its pressing duties for the year, mainly in design and standardisation of training programmes for the Hong Kong Junior Chamber of Commerce.

MISSION, STRATEGIES AND OBJECTIVES

4. At the Joint Board of Directors' Meeting in December 1992, the Committee submitted for members' consideration a paper, "Laying the Foundation for Positive Change," which outlined its proposal on the mission, strategies and objectives of the Hong Kong Junior Chamber of Commerce in providing training and development. The proposal was adopted at the meeting and thereafter became the blue print of the work of the Committee.

Mission

5. The training mission of the Hong Kong Junior Chamber of Commerce is -

> "To provide systematic, experiential and as far as possible contemporary training activities to all members in order to develop and prepare them to undertake responsibilities within their community according to the JCI principles of leadership development to create positive change."

Training Strategies

Standardisation

6. In order to provide systematic training to members, training courses should be standardized to provide guidelines for both trainers and participants. A standard syllabus for each topic should be devised. Syllabuses of standardized training courses should be published in the form of a trainer's manual.

Grading of Training Programmes

7. To assist members in choosing the right course to attend and to achieve optimal results in training, training courses should be graded according to the Jaycee experience of members. It is proposed that the courses should be graded in the following categories -

(i) prospective members;

(ii) members;

(iii) officers; and

(iv) presidents.

Certification

8. NOM should implement in due course a certification scheme to recognize the training courses organised by LOMs in accordance with standardized syllabuses. This will enable NOM -

(i) to upgrade the standard of training activities organised by LOMs;

(ii) to confer recognition on competent LOMs;

(iii) to ease NOM's burden to provide adequate quality training for members, especially when implementing a mandatory training requirement scheme for NOM officers and members (to be discussed below).

Mandatory Training Requirements

9. In order to encourage members to participate in HKJCC's training activities and to maintain high member quality, mandatory training requirements for NOM officers and members should be prescribed. Prospective members should be required to attend certain PM training courses before they can be inducted. In future, members seeking election as NOM officers should satisfy certain training requirements to be eligible.

Development and Recognition of Trainers

10. Hong Kong Junior Chamber of Commerce should actively encourage members to attend PRIME, EXCEL, and OMNI courses. In order to achieve faster results, the organisation should consider holding a local PRIME and if appropriate EXCEL courses for its members.

11. To give recognition to trainers, a Trainers' Profile should be published. This should be sent out to all NOM officers and LOM presidents, as well as other outside organisations.

Training Objectives

3-year objectives

12. The 3-year long-term objective for HKJCC should be -

(i) to standardize all its regular training courses;

(ii) to implement graded training system for members in accordance with their Jaycee needs;

(iii) to implement a certification scheme for LOM training activities;

(iv) to implement a mandatory training requirements scheme for NOM officers and members;

(v) to hold two local PRIME courses;

(vi) to hold one local EXCEL course;

(vii) to implement a HKJCC Trainers Recognition Scheme.

1-year objectives

13. The 1-year plan for HKJCC should be -

(i) to standardize the NOM/LOM Officers Training School courses;

(ii) to standardize 6 training programmes for members;

(iii) to standardize the training courses for prospective members;

(iv) to devise and implement the certification scheme;

(v) to devise and implement a Trainers Recognition Scheme;

(vi) to organise one local PRIME course; and

(vii) to create and maintain the training database.

TDC's ACTIVITIES IN 1993

Standardisation of Training Programmes

14. In 1993, the work of the Committee centred around the standardisation of training programmes for the Hong Kong Junior Chamber of Commerce. Indeed, this became the major work project of the Committee. To assist the Standardisation Sub-committee Chairman Senator Paul Chan in this year, members of the Committee were assigned coordinator roles in respect of different programmes. They were -

JC Mazhar Sultana	PM orientation and training programmes
Sen. Caroline Keung	4 members training programmes
JC David Li	4 members training programmes

Joe Tam
Internationl Affairs Department
Hong Kong Junior Chamber Of Commerce

On behalf of the 1993-95 Long Range Planning Committee, I would like to present the following report to the General Assembly of the 28th National Convention of the Hong Kong Junior Chamber of Commerce.

The 1993-95 Long Range Planning Committee, as appointed by the 1993 National President George Lung, consists of:-

Chairman	:	*Senator Junia Ho*	*1989 National President*
Members	:	*Senator Albert Li*	*1973 National President*
		Senator Paul Yin	*1976 National President*
		Senator Paul Cheung	*1985 National President*
		Senator Larry Lau	*1990 National President*
		Senator Daniel Cham	*1991 National President*
Ex-Officio	:	*Senator George Lung*	*1993 National President*

So far, two meetings were held by the Long Range Planning Committee. However, one more meeting would be held in early December so as to make some recommendations to the next NOM administration for short-term planning.

The Long Range Planning Committee has reviewed the major recommendations made by past two terms of Long Range Planning Committee Vs the accomplishment of the NOM in the past years.

In the first meeting, it was agreed that Long Range Planning Committee should not only confine itself in commenting on the work of the NOM and recommending changes, but should adopt a strategic planning approach towards the future improvement and upgrading the organization, especially after a large scale international event - the 48th JCI World Congress held in Hong Kong.

Some major items were discussed and extracted from the last two meetings.

1. NOM Administrative Structure

There were different opinions on the current structure which had been adopted 3 years ago, because the Committee found that there were insufficient experience and quality members to fill in all the posts in the present structure. The Long Range Planning Committee agreed that the structure and its operations would be reviewed regularly in the future and would make recommendations to NOM for short-term and long-term planning.

2. Jaycee Long Term Image

Two recommendations were made:-

2.1 Jaycee Annual Report

It was recommended that a report on 'Overview of Jaycee' should be produced, including the NOM and LOMs' major activities together with some photos on projects, and to be sent to government officials, sponsors, libraries and other institutions/organizations, for the promotion of the Jaycee image to the public. It should be published annually and it could also be used for impressing the potential sponsors on the job done by all Jaycee Chapters in a year.

2.2 Relationship with District Offices

It was recommended that LOMs should develop relationship with at least one district office/board in order to provide more channels for the members to serve the Community, i.e. joint project with the district office; or to be invited to join some special area committees.

3. Jaycee Trainers' Development

It was commented that the Training Department should not ignore that there were a lot of senior members who were good trainers and could be invited to give talks on specific topics while the potential trainers should be given some more trainings in order to qualify them locally.

4. Special Assistance to Weak LOM

It was recommended that NOM should form an Ad-hoc Committee to specially evaluate and identify means and assistance to the Weak LOMs. The Ad-hoc Committee is also expected to help in liaising and motivating the past presidents of LOMs to give attention and assistance to their respective Chapters.

5. *Junior Jaycees*

The Committee opined that NOM should pay more attention on consolidation of members and new members, and give more assistance to weak LOMs at this stage, since developing Junior Jaycees would divert the attention and resources of the NOM and increase of work load. So it is not encouraged at the moment.

To conclude my report, I wish to thank all committee members for contributing their precious time and ideas in the discussions. I look forward to their continued support in the coming two years.

With all my best wishes to the 1993 National Board and the 17 Chapters.

Junia Ho
Chairman, 1993-95

The 1993 AGM is planned to be held on October 30, 1993.

IV. FINANCE

The overall financial situation of the LOM remains sound and healthy. Although the project proposal of fund raising project is cancelled due to insufficient manpower, most projects are self-financed and all commissions are able to control their expenditure according to the budget allocated.

V. Projects and Activities

1. Individual Opportunity

1.1 The 2nd National Member Training Program "Effective Communication" hosted by Island Jaycees was held in JC Office on April 20, 1993. Two qualified speakers are invited by NOM to give speeches on this topic. Aimed to introduce the technic on communication both internally and externally to individual JC members. The seminar received good response from the members and outsiders.

1.2 The Cycling Tour was held continuously in May 15 - 16 this year. This project becomes a famous project of Island Jaycees as it not only provides a chance to individual member to communicate with each other but a chance to have physical training.

1.3 1994 LOM Officers Training School will be held in mid October, 1993 to provide training for 1994 Board members.

1.4 Besides, members are encouraged to attend training seminars and training schools organized by National or other LOMs in order to gain more JC knowledge.

2. Community Opportunity and Youth Activities

2.1 To provide an excellent opportunity to understand the influence to the future community of Hong Kong, a whole day site visit to Guang Dong Nuclear Power Station which located at "Da Ya Bay" is arranged on July 10, 1993. Through this visit, the participants were given a more informative picture on the construction, management and operation of the nuclear plant. In view of attraction of the project, we have received over 60 applications from our chapter and outsider. However, due to limited offer by the nuclear plant, we regret that only 40 participants are able to attend this function. We are planning to have one more visit in order to satisfy more applicants.

2.2 The YA project "Visit to the Hong Kong Society of Children" is scheduled to be held on early October 1993. It is hoped that through this project will aroused public interest as well as the members awareness to our next generation.

2.3 Following last year, the LOM will continuously organized the 12th "Shell/Island Jaycees Scholarship for the Disabled" in this year. The screening committee was formed in July to select 10 outstanding disabled students recommended by school principals. The award presentation ceremony is scheduled in November 1993.

3. International Opportunity

3.1 During the bicycle tour to Zhong Shan on May 15-16, we have visited the Youth Federation of Zhongshan. The meeting provides an opportunity for both organizations to exchange project ideas as well as a chance to recognize each other. It is believed that after this meeting, the relationship between these two organizations will be more closed and more co-operation in future.

3.2 The relationship with sister chapters were well maintained in this year. We have visited Taipei Jaycees from March 30 to April 2, 1993. Past President of Straits Jaycees Singapore, Benedict Ng and his wife visited us in May. A joint sister meeting with Seoul Jaycees was held during the JCI ASPAC Conference in Taipei. For Makati Jaycees, Manilena Jaycees and Bukit Mertajam Jaycees, we kept regular contact by exchange correspondences and greeting to enhance friendship.

3.3 This year, total seven Islanders had attended the JCI-ASPAC Conference held in Taipei from May 26 to May 30, 1993. During the Conference, we had participated in the ILSO Meetings. It provides a good opportunity for us to meet and further strengthen the relationship with other overseas chapters.

3.4 The 1993 JCI Hong Kong Congress is scheduled to be held in Hong Kong in November. It is believed that this would be another good chance to promote our chapter's image to international Jaycees. Up to now, 14 Islanders have enrolled for Hong Kong Congress. It is expected that more Islanders will be registered later on.

4. Management Opportunity

4.1 The membership as at the end of August, 1993 is 57. When compared to the membership of 62 at the beginning of this year, the membership growth is negative. This is mainly due to age limited of some senior members and deletion of some unpaid members. Meanwhile, the number of prospective member is 14.

4.2 In view of the PMOs which held by NOM were so successful this year, we are pleasure to have 11 prospective members assigned from NOM up to the end of July. Although one of them is resigned and one of them is transferred to another LOM, the rest are already participated in our various coming projects. Meantime, members are encouraged to recruit more new blood and follow up them to become full members.

4.3 As for membership retention, the Board maintains good relationship with the senior members. Past Presidents were invited as Presidential Advisors. Experienced members were also invited to be Board Assistants and Projects Advisors in order to maintain their interests in LOM's activities. A Past Presidents' gathering was held in July and received their support to our involvement in 1993 JCI Hong Kong Congress.

VIII. ACKNOWLEDGEMENT

This year, emphasis was put to develop the membership growth and membership retention. Although we are not able to achieve the target membership growth, we still maintain good relationship among old and new members. I understand that to lead this dynamic chapter, Island Jaycees is an extremely challenging job. However, it proves to me that through hard-working and devotion, difficulty will never exist. Of course, the success of a chapter not only relies on the leadership style of the President but also the effort of all members.

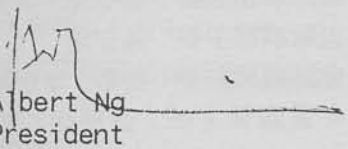

Taking this opportunity, I would like to extend my sincere appreciation to all Board members for their dedication and support in completing all projects throughout the year. Special thanks should be given to my Presidential Advisors and senior members for their full support and guidence.

I would also like to express my sincere thanks to IPP Raymond Fung for his timely encouragement and comments.

On behalf of the Board of Directors, I would also like to thank National President Senator George Lung and NAEO Juliet Lam for their guidance and assistance. Of course, not forgetting NAEO Jennifer Cheng for her valuable advice during the absence of NAEO Juliet Lam.

Also, I would like to extend our gratitude to our sponsors for their generosity towards the chapter.

Last but not the least, my heartfelt thanks to those members who had trusted me and casted me their vote for approval. May I appeal for your continue support and participation to our beloved Chapter in many years to come.

(十四)結語

本人自就職典禮接任會長一職，出任本會第廿四屆會長，秉承競選時訂定的目標「全情投入，半島齊步展明天，同心協力，青商攜手創佳績」。年初亦聯同董事局成員訂定全年工作活動，至今成績亦算令人鼓舞。會員擴展組，主力於招募及照顧準會友，而其中為總會主辦的知識講座，更破記錄出席達三百多人。會內行政事宜由行政事務組統籌。會內的聯誼活動，由聯誼事務組負責月會及茶聚統籌，而舉辦的「新春行大運」及「深圳之旅」亦成功地為會友帶來愉快的聯誼項目，為進一步照顧新舊會員。今年特設會員關係組，先後舉辦「初級氣功班」及「初級網球訓練班」亦吸引不同會齡的會友參加，實為娛樂與學習並重的好活動。公共關係組於年初「新春團拜」，會友落力精彩表演，出席者鼎力支持此項活動及拍賣，為本會籌得共十六萬元。「龍舟邀請賽」亦有賴各健兒的努力及參與，發揮團隊精神。經濟事務組的「綠色創業機會」將環保及創業融合，提供有志人事參考。社會發展組的「識醫藥享權益」關注市民對醫藥的認識及權益，並進行一連串活動以引起市民的關注。將會內活動化為圖文的是默默耕耘的出版事務組，今年響箭主題為探討香港未來十年的轉變與趨勢。領袖才能組舉辦「群力展才」及為總會主辦的「青商禮儀」對會員培訓亦有所裨益。紀錄及獎勵組主要負責紀錄及有關獎勵及競投冊事宜。值得一提是五月之台北亞洲

大會中，半島榮獲五項獎項，在此多謝去年及今年負責有關工作計劃或組別之董事局成員及會友，各人更日以繼夜協助製作競投冊，功不可沒。國際事務組曾先後籌辦本會「赴亞洲大會」及「亞細亞旅遊振興觀光會議」事宜，前赴新加坡及澳門探訪姊妹分會，十一月的青商國際盛事，香港世界大會期間，想必有一番景象，進一步達國際交流的機會。

本人在此要特別多謝會長顧問胡鏸明參議員及會務顧問吳良友參議員給予本人的提點及指導。而各組別顧問對提攜後進不遺餘力，對各組別訂定目標及確立方針，提供不少寶貴意見，組別顧問包括前會長雷少紅參議員，前會長陳海雲參議員，前會長袁滿忠參議員，前會長周家廣，前會長陳少賢，前會長莫羨儀參議員。另前任會長馮郁秀亦給予本人寶貴意見及無限支持。兩位執行副會長歐陽嘉雲參議員及俞美華更是我在會務上的好伙伴，她倆克盡已職，協助推動會務，分擔本人不少工作。各執行董事局成員對會務運作，發揮不少作用。會長助理郭琬珊、朱永強負責安排董事局內活動及聯絡工作，給我許多幫助。多年青商生涯中，內子一直對我支持及鼓勵，尤其今年出任會長忙於會務，她背後的支持，功勞實屬不少。

最後，容許本人再次多謝各位董事局成員、前會長、組別顧問、組別主委、小組主席及委員，資深會友及各會友，會務的推動及活動成績令人滿意實有賴你們全力支持及參與。本會會友參與香港世界大會各工作崗位的人數眾多，在此未能一一盡錄，謹請半島各會友把握機會，親身參與及体驗此青商盛事，容我向你們的支持致高度敬意。半島往後的日子，更有賴你們繼續參與及全力支持，為半島建設更美好、更進步的將來！

Two meetings were held on October 19, & December 5, 1992, to discuss, propose and adopt the 1993 plan of action.

One more meeting will be held before end of the year.

2.4 Monthly Fellowship Gathering (MFG)

MFGs are held at various venues with topic of the month. In order to fully utilize the manpower and to minimize members' expenditure, some of the MFGs are jointly held with other areas to maximize the resources of both areas. During every MFG, apart from the verbal reports delivered by the President to brief the members of the activities

already launched, a list of upcoming events was distributed for members' information. Number of attendance at each MFG are between 60-90 members.

2.5 Award Judging Committee Meeting
This meeting was held on January 11, 1993, to adopt internal awards for 1993. Another meeting will be held in late October to screen the entries for these internal awards. This year, additional incentive recognitions have been adopted.

2.6 Senators Screening ad hoc Committee
Upon discussion among Excom members of the eligible Jayceettes to be nominated for Senatorship, this ad hoc committee was appointed by President to review and adopt the nominated applications for NOM's and JCI's approval.

2.7 1993 Annual General Meeting
This has been scheduled to be held on September 18, 1993, at the Hong Kong Convention & Exhibition Centre to receive and adopt the reports submitted by 1993 Board of Directors and to elect the 1994 Executive Committee members.

2.8 Communication with Board of Directors
Apart from formal meetings held amongst Board of Directors, I have occasionally corresponded with my Board members through memos keeping them abreast of the latest from JCI, NOM and overseas LOMs and at times shared with them some of the valuable experience from speakers upon attendance of seminars.

2.9 MID YEAR EVALUATION
A mid year evaluation was conducted in early July by the Board of Directors to evaluate their area activities, progress and make comments and/or suggestions for 1994 Administration.

3. FINANCE

3.1 Patrons
With much effort solicited since October 1992, three patrons had given consent to support the 1993 activities and administrative funds of Hong Kong Jayceettes with a total sponsorship of HK$60,000. They are, Aerodyne International Pte Ltd, Mr Ian Tsang Siu-Chun (1992 Chairman of Po Leung Kuk) and Zenrit Corporations Ltd.

3.2 Hon. Patron
For the second year, Mr K.K. Lau had agreed to be the 1993 Hon. Patron.

3.3 Fund Raising
The Fund Raising Project for 1993 consisted of two parts, one being the "Sally Yeh Live, Fun! Fun! Fund!" Concert held on July 28, with Raffle Tickets sale launching from early July until August 10. The fund we had raised this year, amounted to HK$100,000 which exceeded 30% of our target amount of HK$75,000 and had also broken the record of our past fund raising projects. My effort in assisting to raise one-third of the target amount paid off.

3.4 Donations from Past Presidents and members
With the support from most of our dedicated past presidents (including those reside overseas) and devoted members, we have collected an amount of over HK$35,000 for our 1993 administrative fund.

3.5 Project Sponsorship
All projects were self-financed and received very generous support and contributions from either Trust Fund Committees (HKJC & HKJTT), outside organisations, individuals or dedicated members. Total sponsorship received as of August, 1993, amounted to approx. HK$150,000.

3.6 Membership due
Although NOM had imposed an increase of HK$60 per member per annum (HK$400 per annum) for 1993, it was decided by the 1993 Excom Board that the membership due for 1993 be remained at HK$600.

3.7 Overall Financial situation
With the effort of all concerned, our financial situation remains sound and healthy. All areas are able to control their expenditure within the allocated budget. A time deposit has been maintained to earn extra interest.

4. PROJECTS AND ACTIVITIES

Over 80 projects and activities are scheduled and planned for various areas. Up till August, 69 of them have been

carried out or attended.

4.1 Administration

4.1.a Function

Interest groups of "Badminton Elementary Training Course" in Jan & Feb, "Jazz Dance" in April & May, and "Drama Course" in July & August, were organised. These courses were well attended by interested members and received very positive feedback afterwards. An outing has been tentatively scheduled in October after a two days' indoor training.

4.1.b Membership Involvement

1. This year, many of our senior members have been invited to take up positions in projects, activities, functions, and even take role at the 1993 World Congress Organising Committee. So far, our membership involvement in NOM/LOM board position and other areas as of August is over 70%.

2. To cultivate the image of our chapter, members were invited to participate in activities organised by outside voluntary organisations, such as World Vision of Hong Kong, The Central & Western District Board, etc. This had indeed enhanced and boosted the morale amongst our members.

3. Birthday cards and coupons have been sent to all birthday girls and to invite them to the respective MFG for celebration. Birthday Congratulations are done on every issue of the Snapshots.

4.1.c Records and Recognition

1. A total of 17 incentive awards and recognitions including two new incentive recognitions were passed at the March Board Meeting.

2. The Senatorship Screening ad hoc Committee held a meeting on August 12, to endorse the senatorship applications for NOM's and JCI's approval.

3. The "Bidbook Seminar" was held on April 21, to all Jaycees members aiming to share experience on the compilation technique of bidbooks.

4. We had successfully hosted the 1st "NOM Bidbook Showcase" on June 30, during which 18 bidbooks submitted by various LOMs at the Taipei ASPAC were exhibited. The three award judges of 1993 Conference and 1992 Congress were invited to share their judging experience and point of views with over 60 Jaycees members.

5. The recognition system of presenting labels and souvenirs at MFGs has been pursued to recognise the attendance of members at functions and activities.

4.2 *COMMUNICATIONS AREA*

4.2.a International Affairs

1. Conference & Congress: A delegation of 17 Jayceettes (largest amongst the 17 LOMs of H.K.) attended the Taipei ASPAC Conference. During which time, Jayceettes had fully demonstrated their team spirit and was well appraised by others. It was also an honour for the Jayceettes as Senator Connia was again invited to head up the JCI Conference Secretaries at the Taipei ASPAC. With the 1993 World Congress being held in Hong Kong, we would expect a much larger number of registrations.

2. Asia Pacific Lady LOM Council (APLLC): As the permanent secretariat of APLLC, we had constantly liaised with and assisted the Chairman, Taipei Jayceettes, and the Newsletter Editor Sampaguita Jaycees in preparing for the meeting which was successfully held on May 28 with an attendance of over 100 Jaycees members. Except for Sampaguita Jaycees, 8 Council members attended the meeting and four LOMs all from Taiwan were adopted as new Council members, namely, Hsin Chu Ladies Junior Chamber (新竹女青商), Nan Tao Jayceettes (南投女青商), Tai Ping Jayceettes (太平女青商) & Tszkan Jayceettes (赤崁女青商).

3. Sister Chapters: We had fostered and enhanced our friendly relationship with the four sister LOMs by paying visits to their anniversaries (Dhonburi in February, Kaohsiung in July), by exchanging experience during the Conference and Congress (Manila) and by organised joint project with them (Yokohama). During all these encounters, we were able to express ideas, to share our JC experience and to exchange official publications amongst us. A "Sister Chapters Reunion" has been scheduled during the forthcoming Congress to welcome their presence.

REPORT FROM HONG KONG JAYCEETTES

4. Overseas LOMs

1. On March 6, Toyota Jaycees of Japan sent two representatives to obtain ideas on how to compile the bidbook of "The Best LOM Publication".

2. Pearl Jaycees of Malaysia has indicated interest in establishing friendship with Hong Kong Jayceettes. Upon obtained consent among Board Members, both of the LOMs met briefly during and after the Taipei ASPAC Conference to share and exchange our JC experience. Both LOMs have agreed to continue this friendly encounters and keep each other abreast in the future.

4.2.b. Publications

The official publications plays an important role in promoting the image of our chapter. They do not only serve the informative function, but also a convenient and effective tool to publicize the merits of our organisation. To impress our readers, both local and overseas, all publications were under close supervision to ensure its layout and content were professional enough and that these are quality publications produced by quality organisation.

1. Snapshots: This official publication had again brought us honour and encouragement by having won "The Best LOM Publication Award" at the Taipei ASPAC Conference. The August Bumper issue was printed with "Environmental Protection" as its theme to echo with our International Affairs project "Environmental Protection Young Ambassadors Exchange Program" launched between January-August, 1993.

2. Project Souvenir Program: Five souvenir programs had been or would be published to commemorate the launching of different projects such as the 1993 Fund Raising Project "Sally Yeh Live, Fun! Fun! Fund!" Concert; the 24th Anniversary "Rainbow Fantasy"; the Public Relations Project "Hong Kong Youth Speaking Putonghua Competition"; the Youth Activities Project "Correct Posture for Children", and the 1993 Annual Report.

4.2.c. Public Relations

The consensus of enhancing the image of Hong Kong Jayceettes had been our priority when the 1993 Excom was elected. Thus, the implementation of the P.R. programme was carried out in stages including a series of courtesy calls to local or overseas institutions or companies by myself, the Board of Directors, Past Presidents, senior members and even prospective members.

Efforts in expanding our communication network had drawn a number of invitations from various parties for joint ventures with them. These included World Vision of Hong Kong, Central and Western District Board, Hong Kong Chiropractors Association, Environmental Protection Department of Hong Kong Government, etc.

With media relations, we had carefully chosen the themes of our projects to create an impact worth of news value. We were also able to seek professional advice from Public Relation experts and strengthen our ties with them through interviews. A press supplement would be published in October 1993 to commemorate our 24th Anniversary.

To support the Government's proposal of encouraging more schools to teach children the dialect of "Putonghua" and to echo with our theme, the Speaking Putonghua Competition project has been therefore aimed for the teenage group instead. Hong Kong Jayceettes has again been the pioneer in organising such kind of project to arouse public's interest in taking up this beautiful language.

Obviously, it takes time to develop a long lasting relationship with the media and foster our image amongst the public, yet, we are working towards this goal.

4.3 COMMUNITY AREA

The 1993 slogan "Joy In Spirit, Youth In Mind" coincidentally echoed with NOM's Major Emphasis Theme "Care for Youth, Concern for Global Unity". As such, consideration had been put into when the skeleton of our project ideas were being drawn up.

4.3.a Community Development

1. C.D. project: The implementation of the Phase I & II of "Concern for Aids, Retain Excellent health (C.A.R.E.)" project had achieved our goal in arousing the public's concern of the various diseases neglected by the young executives nowadays. Through this project, Hong Kong Jayceettes was able to foster and enhance our image to the society at large.

2. Ambassadors Courtesy Visits: The visits to various underprivileged organisations such as the Cheshire

Home, Kowloon Home for the Aged Blind, brought much love and care not just to those we visited but also aroused concern amongst our members to pay attention to these group of unfortunates.

4.3.b. Economic Affairs

The project "金錢觀 Uncommon Cents" aimed to arouse the interest of young executives on how to expand their wealth with limited capital had received very positive response from the 120 audience present on February 27.

4.3.c Youth Activities

The adverse condition of overweight school bags carried by children had been brought up frequently by parents and the government over the past few months. Therefore, when we were approached by the Hong Kong Chiropractors Association to launch a project on "The Correct Posture of Children" in the hope to impose right concept on the physical growth of young kids, the Board deemed it meaningful to participate. With the assistance rendered from the Chiropractors Association, this project will be launched on November 13-14.

4.4 MEMBERSHIP DEVELOPMENT AREA

4.4.a Leadership Development

1. A LOM officers Training School had been held on December 12, 1992, for the 1993 Board of Directors providing them with more knowledge on their respective roles.

2. We successfully hosted a large scale NOM Prospective Members Orientation at the Hong Kong Convention & Exhibition Centre with over 220 participants from all walks of life on March 6, 1993.

3. On March 27, the well-known project "Effective Lady Manager" seminar had been successfully held with an attendance of over 140 participants from various organisations and needless to say, it attracted numerous response in membership drive.

4. In October, we will host a Prospective Members Training Seminar for NOM by experienced JCI trainers.

4.4.b Membership Extension

Members are the blood artery of our organization, therefore recruitment of new members has been an all-year drive campaign. We have successfully inducted 35 members this year and as of August 11, 1993, our total membership is 178.

Up to August, eight Prospective Members (PM) projects have been organised. More PM projects will be planned to steer our new blood along the JC path before end of the year.

Retention of members has been done by inviting those senior or dormant members to head up projects, activities or seminars or by acting as speakers at functions.

To foster the relationship with our Past Presidents, a Past Presidents' Gathering had been held on April 1, to share their experience and to introduce the existing Board members to them.

4.4.c Membership Training

Providing different levels of training to members have always been one of the tasks of this area.

1. To the existing members, Jayceettes have been very enthusiastic in attending NOM's training programs such as the Leadership Dynamic Program (LDP) specially designed for LOM officers, the Membership Training Seminars tailored made by NOM Training & Development Committee to equip members with proper JC knowledge, protocol, etc. Members are also invited to act as speakers or assistant coaches by LOMs, NOM or JCI in seminars or activities such as the Community Concern Group (CCG), Membership Training Seminars, Orientations; as representative panellist at ASPAC Conference Environmental Protection Open Forum, as coach of JCI Chinese Prime Course, etc.

2. To the new blood, we have organised three Orientations and Pre-Induction seminars and hosted one NOM orientation for our PMs apart from attending orientations organised by NOM. More will be organized to provide basic JC training to our new blood.

3. To the newly inducted members, they have been invited to join large scale projects as sub-committee members led by experienced Chairmen so that an in-depth know-how on organisation of projects could

be obtained.

CONCLUSION AND ACKNOWLEDGEMENT

1993 has definitely been a year of Joy and Commitment to me under our slogan "Joy In Spirit, Youth In Mind". With the effort of the Executive Committee Members and Board of Directors, our plan of action set has been carried out according to schedule with very satisfactory achievement and result. We have been able to provide a well-balanced programs in all four areas for our members and thus achieving the objectives of providing opportunity for young people to create positive change.

Jayceettes have always demonstrated our team spirit harmoniously at every function/activity. Being your President, I feel so proud of and am flattered when the Jayceettes are the envy of our counterparts on some occasions. Despite my unexpected pregnancy at the start of my term, I myself have surely enjoyed this presidency ever since I was elected on each and every day with such a fantastic team of Board of Directors.

I must admit that my concern and hesitation in taking up my presidency were all over-worries. And that the belief as inspired by 1992 JCI President Albert Hirabarrondo "Taking one year away from sixty years of your life to serve in this unique organization is worthwhile" proves to be absolutely true and correct.

With this strive, I pursue myself with every effort and work even harder to fulfil my once-in-a-life-time term of office. Obviously, I have to send in my heartfelt appreciation to my predecessors who have unfailingly extended their assistance to this chapter and worked silently behind the scene.

To my Presidential Advisor PP Valerie Cheung, I appreciate highly of her advice and guidance.

To our Hon. Life President Senator Jennifer Yu and all Panel of Advisors, I thank them for their continuous encouragement and assistance and appraise their dedication to this chapter. My heartfelt appreciation goes to Senators Nora Cheng, Maureen C. Lo, Connia C. Lo and Caroline Keung for their contribution, enthusiasm and active involvement in NOM/LOM activities, functions and meetings.

To all Past Presidents, I am indebted to their generous contribution and unfailing support.

To IPP Shelina Chung, it's fortunate for me to be her successor and be able to share her JC experience and expertise from time to time.

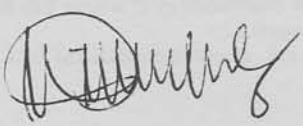

To National President Senator George Lung and NAEO Senator Henry U, my utmost appreciation for their support. Their commitment and involvement in this organisation have definitely set excellent examples to all of us.

My gratitude to all the patrons, sponsors, Hon. Patron for their generosity in supporting the movement of this chapter.

All in all, I must express my deepest appreciation to all counterparts especially the Executive Committee Board Members for their consideration, understanding, persistency, patience and diligent attitude in accompanying me to stroll along my Jaycee career path with my better-half, Peter Kung, in order to carry out this most challenging task.

Taking this opportunity and on behalf of the 1993 Board, may we wish the incoming President and her Board of Directors a successful 25th year in 1994!

Winnie Yeh Kung
1993 President

三) 財政

(1) 籌款活動

本會於年初一月三十一日舉行「昂首邁步上獅山」為本會籌得八千多元款項。

(2) 贊助

本年度社會發展工作計劃「生命重燃」獲得萬國寶通銀行獨家贊助七萬元，令此工作計劃能順利推行。

而在國際事務董事呂星文之努力下，獲得一印刷商之贊助，免費編印本會信封及信紙。本會會與此等商業機構保持聯繫，有助會務之推廣。

(3) 綜合財政情況

本年度大部份工作計劃均能自負盈虧，除了將於十一月舉行的二十二週年慶典之支出未可預知外，本人估計將有部份盈餘傳予下屆董事局。

四) 會員擴展

(1) 截至九月七日止本會共有八位新會員宣誓入會，正式會員人數達至三十一人，準會員人數為三十一人。

(2) 本會亦十分支持總會舉辦之「青商知識講座」每次均倍同準會員出席。

(3) 除總會分派及會友個別介紹外，本會亦將入會申請表及本會簡介分發各外間服務機構，希望吸引更多外間人仕加入本會成為準會員。

(4) 透過工作計劃，推行會員擴展工作。例如，於九月四日及五日之「生命重燃」「器官捐贈證」簽署運動之同時，本會亦派發招收準會員之單張。

五) 各項工作計劃

(2) 社會發展

「生命重燃」一「器官捐贈證」簽署運動及展覽

主席：陳偉業

這個有意義的運動分為兩部份，首部份為標語創作比賽，而第二部份為「器官捐贈證」簽署運動及展覽暨標語創作頒獎禮。

此工作計劃獲得萬國寶通銀行獨家贊助七萬元。

而籌委小組起初預計有一萬人參觀展覽及大約一千人簽署「器官捐贈證」，而九月四日之開幕典禮亦得到各方

人仕出席支持，包括總會職員，分會會長，本會前會長，衛生署及醫管局邀請之嘉賓，場面熱鬧，整個運動亦得到傳播媒介廣泛報導。展覽結束當日經統計大約有九百人簽署「器官捐贈證」，與起初目標相距不遠。

(3) 會員擴展

「新舊獅友齊共聚，鯉躍龍門顯繽紛」(夏日歡樂營)於五月八日及九日舉行。

主席：張一心

一個新舊會友共聚的好時刻，並為本會帶來二千多元盈餘。

(4) 國際事務

五月底本會共四位會員出席於台北舉行之亞太大會，並於大會期間有機會與台北三重市姊妹會會友相聚，互相交流會務意見，促進彼此間之聯繫。於八月間本會亦有代表出席泰國帕加農姊妹會之會慶，期間並獲他們熱盛招待。

國際事務董事現正與各姊妹會聯繫，邀請其出席本會於十一月二十六日晚舉行之二十二週年慶典，並商討是否於當晚舉行續盟儀式。

(5) 出版事務

由於人手關係，本會會訊「獅號」至今只出了一期，希望在年內可完成第二期「獅號」。

(6) 公共關係

(a) 於六月二十五日與北區青年商會合辦六月份聯合月會亦相當成功，參加者眾，場面熱鬧。

(b) 今年為本會創立第二十二週年，將於十一月二十六日假新世界酒店舉行週年慶典。

(7) 聯誼活動

為增進會友間之溝通及認識，本會亦鼓勵會友於參予工作計劃之餘亦多參加聯誼活動，如二月份之「新春團拜」，五月份之「夏日歡樂營」及卡拉OK晚會，「勁飲勁食瘋狂遊戲」之夜，還有茶聚，燒烤及船河等活動，令會友能於輕鬆的環境下加強彼此間認識。

六）參予總會職位及籌委小組：

年內本會會員參予下列總會職位及籌委小組：

本人於年內亦盡量出席其他分會活動，除增強彼此間之聯繫外，亦希望將其他分會之優點帶回本會，同時亦鼓勵各會員多出席及支持其他分會活動。

八）結語

今年內的會務至今能順利進行，實有賴各董事局成員，各會員及準會員，及其他分會會友之支持。

另外，在最近完成之「生命重燃」工作計劃當中，本人有很深感受。除了為整個工作計劃有滿意的成果而感到高興外，最重要是在展覽當日看到一群獅子山會友特別是準會員，個個都十分投入，不計較辛勞，熱盛地工作。獅子山擁有這樣好潛質的會員，會務定能蒸蒸日上。

在此，本人特別感謝總會會長龍子明參議員年內對本會及本人所作的鼓勵。總會指派執行委員李兆安及個別總會職員年內之指導及積極支持，本人亦深表謝意。本人藉此多謝會長顧問譚忠明，顧問團成員：前會長何錦華，前會長馬永新及前會長郭永輝；義務法律顧問前會長區玉麟及義務核數師黃漢森給予本人支持及鼓勵。本人在此致以衷心謝意。

義務秘書葉玉卿

及選舉事宜。並負責處理六期會刊，六期會員通訊及印製第一本專為本會成員而

本年度由一月～七月份未經核數表，於週年大會供查閱，更設計出用電腦程式運
計賬項，董事局為長遠計故撥款購置電腦，以後太平山一切賬目收支均會每月列
支平衡表，清楚而一目了然，而經費籌募部門是由司庫處直接管轄，今年以7月

工作主要協助會長處理會中事務，上傳下達之重要橋樑，推行董事局議決任務及
轄下董事，在「部門制」下副會長已是一個有實權而百份百之管理者，當會長

（3）會員訓練　　潘鑑泉董事

今年本會特別着重會員個人訓練和對青年商會之認識，除總會不斷提供青商知識講座，準會員以及會員訓練外，更由會員訓練部門安排了以下活動：—

14-1-93 在總會舉行本會職員訓練講座，由前會長袁栢年主講，介紹各董事局成員工作及責任，為其一年之工作作好準備。

8-4-93 再次邀請總會法制顧問譚淑儀參議員及前會長王錫年，分別講解青商禮儀和會議程序，當日出席人數極之踴躍，參議員演譯傳神，成績十分理想。

太平山董事局職員亦積極參與總會主辦之訓練課程，在8-8-93，即使已近年尾，仍
心一致，LDP幾全體出席，制服劃一，並取得最高出席率獎項。

（4）紀錄及獎勵　　梁潤初董事

為了表揚和獎勵各熱心會務的成員，設計了以下八個獎項

(a) 最佳出席獎（半年一次）
(b) 最佳會員擴展獎
(c) 優秀籌委成員獎
(d) 最傑出會員獎（半年一次）
(e) 最傑出籌委主席獎
(f) 最傑出董事局成員獎
(g) 最佳經費籌募獎
(h) 最傑出工作計劃獎

（5）公共關係　　關麗華董事

公共關係部門涉及各種對外宣傳和聯系工作極多，全年表現理想，除與其他分會
合作外，並協助或主辦各項活動。

14-2-93在中大舉行「春日浪漫情迷攝影比賽」，得到婚紗公司及攝影雜誌贊助
名攝影會協辦，參加人數極之踴躍。大會分「活力時裝組」及「婚紗組」，報名之
特兒比預期多出一倍，位位儀態萬千，俏麗可人。當日成績美滿，盡興而回，此
會力求創新而成功之工作計劃，各優勝者照片更被攝影畫報刊載成為特輯。

4-7-93太平山與海港，東九龍三個分會合辦工作計劃，名為「西貢唱泳消遙遊」
船前往糧船灣，沿途天公造美，籌委安排出色，泊岸登山溜覽，午膳豐富海鮮，
海面有鯊魚出沒，但仍不礙眾人慶致，三會合作，此乃青商精神。

22-11-93太平山為了設計一個工作計劃，先由本會，繼而全港青商，再演成國際
青商參與，「亞太區歌唱大賽」從而誕生，由太平山JC主辦，台灣新竹國際青
會，日本富山會議所，馬來西亞Bayan Junior Chamber，中國佛山青年聯合會等
參與，將來有機會更由今次參加的五會再邀其姊妹或友好會加入，薪火相傳，連
絕。『人類親愛的精神沒有疆域的限制』這是我們的理想。

（6）經濟事務　　魏明德董事

1946年7月，當布朗菲爾德撰寫青商信條時，已十分清楚說明「經濟上的公平應
由的人通過自由企業的途經獲得之。」在宣揚愛，法治，人格和服務中；經濟公
企業是極之重要的一環，太平山青年商會正朝着這正確而崇高的步伐前進，鼓勵
行業及從商者參加，而本會兩次舉辦之金融地產投資講座，籌辦專業，主講預
強，獨到精僻，令外界及後來者相繼仿效舉辦同類講座。

中國房地產股票投資研討會

20-3-93在會展402～403室，再度舉行，針對當時方興未艾的中國房地產以及停留在四千幾點之港股而作本年度走勢預測，由高穩國際有限公司，星島日、晚報、東周刊贊助，南華証卷羅祥國博士，新華社經濟部張松濤處長，怡達房地產總經理余錦雄，以及東驥投資董事總經理龐寶林為主講嘉賓，深入剖析各項投資形勢，92年講者預測滙豐股價由30多元升至60，而香港物業由$2500一呎升至$5,000，結果全部對兑。今年講者預計港股會由4千多點攀升至8000點，而20-8-93已達7615.06水平，不中亦不遠矣。參與研討會者實獲益良多，太平山更透過這個掌握着着先機之財經講座，在「訓練自己，服務社會」之餘，更奠下濃厚的「商會」形象。

(7)出版事務　　麥永昌董事

會員間之聯系，必需透過多個途徑，會刊便扮演十分重要的橋樑角色。今年本會特別加撥資源，增加會刊之印製，使太平山各項的活動和近況，能帶給本會會員及其他分會分享。而擔任記者，印刷監工的責任，以及其他文件信紙等訂製，便交由麥董事處理了。

另外一本包括太平山歷史，青商知識，會務簡介，憲章，會議程序以及今年度會員資訊的手冊快將出版，使各會員更清楚了解太平山及自己應有權利和義務，參考價值極高。

(8)國際事務　　高碧蓮董事

秉承過往傳統，國際事務負責一切外交接待，除3月19日招待日本富山青商外，更協助策劃下列工作：—

亞太大會

5月26日至31日參與台灣青商在北市舉行之亞太大會，約有七千多位各地青商參與，期間並舉辦一系列課程和講座以及不同的外國之夜。

太平山新竹締盟十五週年紀念

5月29日太平山在台北出席新竹姊妹會於環亞大飯店舉行的締盟紀念儀式，與會者除主辦友會新竹國際青年商會，更有其姊妹會日本Kawasaki JC，韓國安養JC，日本五所川原JC以及太平山姊妹會日本富山青年會議所，此行真是一難得的國際交流活動。

國際友誼

92年亞太大會在日本北九州舉辦期間，與馬來西亞檳城之Bayan JC相處愉快，稍後其現任會長到港作私人探訪，表達欲與太平山加深往來，本會自1978年首次和台灣新竹國際青年商會結盟，1980年與日本富山締約至今仍未有第三個姊妹會，今年在台灣之亞太大會再遇Bayan JC，友誼盟約再次重提，經回港後多番研究討論，於8月份董事局通過接納Bayan JC建議簽約結盟。Bayan JC原由馬來西亞總會資深會員指派而成立，現今會員人數四十多人，大部份成員能操流利英語，廣東話，潮州，福建語，現任會長韋家祥醫生，候選會長Mr. Rodney Fong，今後在世界青商裡太平山又多了一位好朋友。

順德及佛山市經貿交流團
為了提供多一個向外商務機會，國際事務與經濟事務一起携手設計了這個拜訪行程
月12～13日，本會一行16人前往順德市探訪順德市青年聯合會，主席陳家添設宴
待，翌日前往佛山得到當地市青聯，外經貿，歸國僑聯，政協及眾書記熱烈招待
此拜會為太平山與當地青年及商務團體發展奠下基礎。

台灣中部區大會
由新竹JC主辦之區大會在7月11日於新竹舉行。為了支持友會，在7月10～12日
台灣，隨行更有創會會長蕭樹聲參議員及會長顧問袁栢年。新竹青商接待二千多
三十二個分會參加，由於台灣青商人數太多，故其週年大會等均分地區舉行，期
竹青商由創會會長以至新準會員均齊齊參與，團結一致，節目緊湊而精彩，在此
不少經驗，獲益良多。

馬來西亞檳城之旅
1978及1980年，陳熹參議員為代表簽訂台灣、日本姊妹盟約。十三年後之1993，
代表太平山拜訪Bayan JC，作友誼交流性質。並欲多些了解其會務運作，發展情
及商討「亞太區歌唱比賽」最後細則及締盟事宜。

第四屆國際兒童聖誕及賀咭設計比賽頒獎典禮
為了全力支持今年由富山青商主辦的設計比賽以及順道拜訪，國際事務部正安排
有關行程，由27～10出發前往東京，逗留兩天轉飛富山，11月1日回港，詳細情
後公布。

世界大會
數十年難得之機會，1993世界大會在香港舉行，每位會員即使在自己母會內如何
參與，亦只是處於一偶，而亞太大會及世界大會，才能令各人眼界擴展，增廣見
為了與來自世界各地越萬青商出席這個極具規範的國際會議，太平山將會全力支
而期間來自日本，台灣，中國及馬來西亞約140人的友會會員，我們亦已設計行
作安排招待，請各會友踴躍參加，共享國際友誼。

（10）經費籌募　石宏彬董事

由於去年經核數後，除不可動用之十多萬基金外，呈現負額，故今年全力整頓經濟，經眾成員通力合作及石董事努力下，終於轉虧為盈，財政充裕，更可撥款支持香港青年商會在世界大會的宣傳經費，以及購置電腦來實行記錄及會計程序電腦化。

四月份月會之麻雀大賽

4月24日，太平山假座中環浦東酒樓舉行是次籌款活動。下午三時已高朋滿座，戰線連綿，食糊上牌之聲不絕於耳，想不到各個分會會友平日忙於工作，但在雀林之上盡皆高手。總會會長，各職員及多位分會會長蒞臨參加，在晚宴時更加插卡拉OK表演，總會會長一曲「一起走過的日子」為太平山籌得二千多元。而全日共籌得一萬五千元，達至預期目標。

聖誕籌款餐舞會

石董事現與幹事陳志遠悉心策劃今年度最 後一個精彩節目，與眾同歡之聖誕餐舞會，是次活動是感謝多年以來一直支持我們的好友，在萬眾歡騰的日子共聚一個愉快難忘的晚上，籌委會設計節目精采絕倫，請大家拭目以待，必有意外警喜。

（11）會員擴展　　石燕筠董事

1993年執行董事局成員經由競逐而誕生出來，故今年我們均以保留現有人才與資源，積極培訓會員及招募新血為目標。至八月廿日止。本會只流失普通會員一人，而正式宣誓為十二位，收到九十五份入會申請，而今被接納為準會員者共三十三名，普遍新會友學歷為專上或大學，博士學位一名，多從事行政管理及商務，而職業方面力求平均分配，如同一行業過多者則儘量避免。

5月29日公開會員招募計劃在中環天星碼頭舉行，現場設計介紹會務壁板，重新印製入會表格，各籌委成員均積極向途人及有興趣者介紹青年商會，是次的公開招募活動，再為太平山增加多名熱心而盡責的新會員。

（四）基金管理

（1）老人基金

現存HK$78,165.41為老人基金，雖然四月有「耆英顯關懷」活動，惟獲經費贊助，故今年並無動用分毫。現94年度正設計有關照顧老人家的工作計劃，作支援社區服務，善用合適資源。

（2）慈善救援基金

現存HK$50,936.09作為一些具慈善作救援社會或國內災貧之用。

（3）台灣之旅基金

現存HK$10,787.00作為將來接待台灣姊妹會來訪開支費用。今年11月世界大會把此基金用罄之後，會重新聚集用作將來接待所有姊妹會經費之備。

(庚)總結

本會今年可算是突破的一年 —— 三月份決定競投第二十八屆週年大會而最後獲得主辦權。雖然會內曾因主辦今屆的週年大會而發生爭議，但最終亦為大局着想，亦希望藉此達到訓練每一位會員為目的，四月份便開始積極籌備。

年初訂定的一些工作計劃雖然因主辦第二十八屆週年大會而決定擱置，但有不少工作計劃亦隨會內發展的需要而相繼推行。更重要的是從各工作計劃中，各董事局成員與會員之間的關係更加密切，亦能發揮羣體合作的精神，令會務得以順利推行，各董事局成員及各會友所付出的心血和努力是不容忽視的。本人在此感謝各位的協助及參與，亦代表紫荊青年商會向本會義務法律顧問林漢武律師及義務核數師黎銑熒會計師致衷心謝意。

最後，本人謹藉此衷心多謝總會會長龍子明參議員，總會前會長及本會創會會長何淑賢參議員，總會指派執行委員許炳才，本人之顧問前會長溫凱珊及會友錢李寶珠，各前會長及前任會長何惠霞，在這段期間給予本人的意見及鼓勵，實在難能可貴。

1.1 INVESTMENT GAME 93 -- WALL STREET 120 MINUTES (華爾街 120分鐘)

The success of "Investment Game 1992" inspired most of the participants as well as our members. In view of this, the 1993 Board of Directors decided to launch this innovative project again. The O.C. members demonstrated very high team spirit and made tremendous effort to meet two major challenges.

First, to be innovative both in program content and in format.

Second, to be fully automatic (tailor-made software programming) in establishing a dynamic market simulation where the participants could experience a real investment environment.

The Project was successfully held on August 21, 1993 in the Hong Kong Convention & Exhibition Centre. It attracted nearly a hundred game-players. Two prominent figures in investment field, Mr. Mak Nak Keung and Mr. Paul Pong was once again invited to be our Hon. Advisors. VII. CONCLUSION & ACKNOWLEDGEMENT

Time has fled so quickly. Like most of the past presidents of East Kowloon Jaycees, I had passed through a long journey of failures and successes.

In 1993 it might be a tough year for the Chapter simply because there were only 11 Board Members -- a number that was far below than what we expected. On the other hand, it would be also a successful year if we examined our excellent performance particularly in delivering a message of innovation towards Jayceeism; and providing a new dimension where members could channel their creativity and develop themselves.

Dynamic PMs Orientation Camp
Journey to 24 Hours Plus

Performing Arts Carnival
Outstanding Manager Towards 2000
Investment Game 93 -- Wall Street 120 Minutes
Horse-Riding Day

These successful projects provided our members and all participants a memorable experience in their Jaycees Life.

1993 was also a remarkable year regarding our membership extension. It was a record-breaking number of inducted members. More important, most of them were impressed by the wonderful Jaycees experience and by the high team spirit of our members.

Taking a positive perspective, we all a step further advanced to our goal.

Finally, I must thank all our devoted members who has supported me throughout my presidency. Special thanks will go to my Presidential Advisor Senator C K Tang, Past Presidents Adrain Hung, Senator Petrus Yung, Senator Paul Chan, Maisy Chan, Connie Yuen, IPP Dave Ho, and Senator Raymond Lam, Jaycees Eli Chan who had rendered me valuable support. Heartfelt thanks go to our Board Members who had made tremendous effort to serve our Chapter.

On behalf of East Kowloon Jaycees, I would like to extend my gratitude to our Hon. Legal Advisor Duffy Wong and our Hon. Auditor Byrne & Co. for their continuous support to us. I would also like to extend my heartfelt thanks to the National President Senator George Lung, National Assigned Executive Officer Senator Henry U and all the fellow LOMs for their generous support to East Kowloon Jaycees throughout the year.

12. Conclusion

1993 is a year of consolidation of Queensway Jaycees. In view of the incomplete board as well as inactive of senior members, we have a difficult time at the beginning of the year. Therefore, we are not eager to have an aggressive plan. Much effort was spent on fixing a solid foundation, recruit members and train up new members. Through the dedicated effort of all board members, we worked out our plan accordingly. On the other hand, we organized series of activities to motivate senior members. To enable their experience pass on, senior members were invited to be project advisor. Half year have passed, there are 6 PMs inducted as full member and we still have 20 new PMs within our family to add strength and energy to us.

My mission at the beginning of the year is "Full Board For 1994". I feel the pain and I know the reason why, I do not want the 1994 president taste the bitter. Now I have confidence that President Candidate Iris will have a supportive team. By 1994 onward, I do hope that Queensway can strive for both quality and quantity in membership and projects.

Making use of this report, I would like to thank my devoted board members who always volunteer to take up jobs out of their area of responsibility. Gratitude also goes to my Presidential Advisor Senator Helen Yu who gives me so much valuable advice especially when problems arise from the 1992 accounts. One very important person standing by my side is my NAEO NVP Justin Lui. Justine is so supportive, responsive and his advice is always appropriate and timely especially during the very difficult and pointless period, which is really difficult to express in words. In fact the support from all NOM officers and LOM Presidents give me much strength. One man that I must not omit but he always miss me is my husband. His tolerance in missing me in many of the dinner time and leaving my baby girl on many Sundays in fact is the very strong silent support to me.

Looking forward, I can see many energetic faces working hand in hand for a brilliant Queensway and I trust they can develop and enjoy themselves in Jaycees.

（九）總結語

「七載耕耘創佳績，成功邁向八週年」是今屆執行董事局的競選口號。

在過去九個多月來，深深驗到當會長的職責及義務，可真不容易，但回來卻獲得多方面的訓練。青年商會為一義務及非牟利訓練團體，要使會員能行使權利及義務，過中包括人際關係，鼓勵激發及會務推廣等等，從會長的角色扮演可深發思考來獲致訓練。

年初定訂之各項會務及大型活動，經過九個月來的推行，已略見成績。會員擴展的成功邁進，已得近50%的增長，實為可喜可賀的成果。今年增設「準會員咭」及「北區會員手冊」，更添會員訓練及維繫；以上均感謝副會長李冰聯的功勞。公共關係組主要作二方面的發展，一為對會與會之間的聯繫，與其他分會合辦活動，把各分會的關係拉近，對外為宣傳本會及聯絡外間團體，提升北區青商地位，成績美好，多謝朱革寧理事。國際事務與台灣姊妹會聯繫緊密，兩會互相書信及拜訪，更鼓勵會友參加世界大會，報名人數節節上升，使各會員更了解世界青商組織，表現難得，有勞伍國駒副會長。領袖才能組聯絡安排會友參予青商訓練班，每每出席人數為前踴躍，多謝梁理事的推動力。社會發展組籌辦大型活動不遺餘力，使本會在地方上的認同及地位提升，各政府及工商界均樂意支持，會員能籌辦大型活動從中吸取經驗，實為青商訓練的推動者，新籌辦的"公民大使"，獲各界及公民教育委員會一致好評，感激潘海天理事的「公民心」。出版事務創意地出版新「北極光」，成績獲多方面的讚賞，實為北區青商步向成功路其中的一個主流，深要德仁，多謝張海燕幹事及出版事務組各成員。眼見會務推行順利，世界大會、亞太大會及週年大會的會員參予人數，給予本人很大的鼓舞；再見社會及地方政府的認同及支持，深信將來北區將是各會友的訓練及發展依歸地。

最後，本人希望能藉此機會多謝總會會長龍子明參議員，指派執行委員業成偉副會長，及多位總會前會長及各董事局成員給予本人的意見。本人會長顧問劉錦明參議員、上屆會長許炳才給予的意見及啟發，經驗分享，使本人能有信心地推行會務。更要多謝各執行董事局成員及理事的支持及各會員參予，使各項會務能踏向成功路，在此，本人致以衷心謝意。

（十一） 總結

本年度的會務發展尚算順利，各工作計劃在理事會成員及籌委會成員努力下大致上都能根據年初時所制定之工作計劃表順利完成，並得到多方面的讚揚。最可喜是新會友及準會友對工作計劃籌委工作都非常投入，而多位資深會友及創會會友亦加入籌委工作，分享他們的經驗與新會友，使新舊會友打成一片。各工作計劃能得以順利完成，全賴各會友的齊心合力。會友間能有這強大團結性及凝聚力實在多謝各理事會成員和資深會友的關心和努力。有所遺憾的是年初時有多位會友退會，令到不少工作計劃都面對人手短缺問題，幸好會員擴展組及各會友努力，加上總會方面的支持，招收了多位準會員，解決了這個人手不足的問題。雖然有多位資深會友參加籌委工作，但亦有不少資深會友及創會會友整年都沒有參與任何籌備工作及極少出席本會活動，希望來年可以改善。

本人謹此衷心感謝總會會長龍子明參議員，總會指派執行委員林吳宛姿及楊德興對本會的關心及對本人及各會友的鼓勵，亦對會長顧問創會會長黃漢清參議員及歐致遠前會長，上屆會長謝少祥，各理事會成員和會友致萬二分謝意。因你們的指導，熱心參與和工作，才使今年會務得以順利推行。最後謹代表浩洋青年商會向本會義務核數師廖榮定會計師及義務法律顧問鍾懿芳律師致衷心謝意。

浩洋青年商會會長

1990-1992 LRPC FINAL REPORT TO THE 27TH (1992) NATIONAL CONVENTION

This is the third and final time that the 1990-92 Long Range Planning Committee reports to the General Assembly of the National Convention. As we have covered issues of the time in each of the last two reports, this year's report will cover mainly issues still outstanding and new issues arising during the year.

The LRPC comprises the following persons:-

Senator	Y K Chan	(1977 NP)	Chairman
"	Paul Cheung	(1985 NP)	Member
"	Ng Leung Yau	(1986 NP)	Member
"	Nora Cheng	(1987 NP)	Member
"	Junia Ho	(1989 NP)	Member
"	Daniel Cham	*(1991 NP)	Member
"	Eddy Wong	(National President)	Ex-officio

* Newly appointed in 1992

Three meetings were held during the year.

Issues discussed and conclusions made are as follows:-

1. TRAINING DEPARTMENT

The LRPC was asked to comment on the report presented by the Ad Hoc Committee on Training Department. In general the LRPC agreed that the Junior Chamber should have a permanent commitment towards leadership training and offering concrete quality training programmes on an on-going basis. However, Junior Chamber must be careful in its marketing strategy that it will not be deemed as nothing more than a training institute for young people.

The LRPC recommended that the Training Department be operated along the lines of the IA Department, with office bearers on a year to year appointment, subject to the NP's jurisdiction.

.../2

2. IA DEPARTMENT

To achieve greater co-ordination of the IA Department with the NOM administration, the LRPC recommended that the elected Chairman of the IA Department should preferrably be a current Jaycee and be appointed the NOM IA Director.

3. BUSINESS NETWORK CLUB

The LRPC endorsed the function of the Business Network Club, and considered it very useful in representing the business side of the Junior Chamber's activities. Same as in the IA Department and the Training Department, its peculiar role in blending old or even past members with new members could be exploited for the benefits of the organisation and members alike.

4. SENIOR MEMBERS' CLUB AND SENATE BOARD

The LRPC has been skeptical about the support past members and senators would give to these two "new items" respectively. It appears that our suspicion has proven to be right.

5. NOM STRUCTURE

The current NOM structure of EVP's for areas and projects and VP's for chapter supervision has been tried for two years. Feed-back was obtained that the EVP's and their Directors were fully occupied, while the VP's were not. There was also the sense of non-fulfillment on the part of some VP's.

.../3

The LRPC considered that the effect and benefit of a NVP assigned to a LOM was a culture that needed to be nurtured over time. While the NP could dispatch more officers including NVP's to projects and areas and less to chapter supervision, if deemed appropriate, the LRPC viewed that the supervision of chapters must be a stand-alone and sole duties of certain NVP's. The LRPC believed assigning mixed duties, i.e. projects and areas in addition to chapter supervision, to NVP's would be prescription for the wrong diagnosis. Help should be obtained from experienced and successful past officers, locally or even internationally, to build chapter supervision skill.

6. RELATIONSHIP WITH CHINA ORGANISATIONS

The LRPC opined that the Junior Chamber should continue to maintain good relationships with the All China Youth Federation and various other parties in China, but maintained that we were neither a political party nor a business organisation. On exchanges between LOM's and provincial organisation of the All China Youth Federation, the LRPC believed they would be beneficial if the LOM's did not under-estimate their requisite commitments. NOM should offer guidance and co-ordination.

7. CIVIC INVOLVEMENT

NOM and LOM's were encouraged to response to civic activities, particularly those initiated by the Hong Kong Government. It was also recommended that the Junior Chamber could help to promote understanding of the Basic Law during the transitional period.

...../4

8. JCI MISSION STATEMENT, JUNIOR CHAMBER IMAGE

The LRPC recommended that while the Junior Chamber, as required by JCI, should not emphasise solely on the leadership development role it should not also hold itself out just as another voluntary service organisation. It should with its deeds and its exemplary members create a leadership profile and achieve greater influence in the society as well as show concern in the betterment of the community in general. A search for the proper expression of its corporate identify locally and widespread promulgation should help sharpen its image.

9. MEMORANDUM AND ARTICLES OF ASSOCIATION, TRUSTEES, PAID NSG

The LRPC was pleased to see some concrete work in progress to solve the aged problem of our NOM M & A. Particular it was noted with pleasure that opportunity would be taken to regularise the trustees' position, which was now governed only by some loose agreements. The LRPC also welcome the proposal that the trustees would be invited to manage the surpluses expected to be generated from the 1993 JCI World Congress in Hong Kong. It appears most likely now that the Junior Chamber will finally start to have a paid NSG as from 1994.

10. NEXT LRPC

To achieve continuity, last year we suggested to increase the number of LRPC members to six with the intention of rotating three of them after one term. The six of us are now concluding our term of office. Three of us, namely, Senator Paul Cheung, Senator Junia Ho, and Senator Daniel Cham have agreed to offer their services for another term if the 1993 NP would appoint them, and we so recommend.

A. Training Area

1. This year's practice of basic programs being coordinated by NOM and hosted by LOMs was recommended to continue.
   - It was moved by Peninsula and seconded by East Kowloon JC, the recommendation was adopted.

2. Contents of programs should be standardized (i.e. we should have a standard syllabus for a topic). And also, they should be graded into different levels (such as Project Management I,II,III) for the need of different categories of members.
   - Moved by Dragon and seconded by Kowloon JC and, the recommendation was adopted.

3. In the long run, we should impose attendance of certain programs as membership qualification and LOM officers qualification. Meanwhile, a guideline to LOMs was recommended.

D. Records & Recognition

1. The current bid-book hard cover was considered too heavy and not convenient to carry. It was recommended to replace with a more light and handy plastic cover.
   - NPA Larry advised that since the recommendation was not specific enough to follow, he suggested to leave out plastic and allow further discussion before any decision made. The amended motion was moved by Kowloon and seconded by Peninsula.

   - There was NO mover for this recommendation.

Regarding to the above recommendations, there were some opinions as below :

- NPA Senator Larry said that it was very important in the Closing General Assembly to decide the policy & strategy of future development of the organization. He believed only major policies & strategy be discussed and passed during the Assembly. Those recommendations were not specific enough for the next year adminstration to follow or carry out.
- Ocean/ Kowloon : It would be in-appropriated and insincere to ask for the adoption of the recommendations by the Chief Delegates in short time before they have a clear understanding of those policy.

Senator Ronald reiterated that the recommendations are being discussed secondly amongst all representatives of LOMs but that all chief delegates were to have their discussion in adoption or receiving those recommendations.

- Senator Wallace Yuen said on behalf of Peninsula that it unwise to adopt the recommendations without carefully consideration and it would be unfair to the next year adminstration as they have to carry out those recommendations. He suggested that the Chief Delegates to adopt only the report in the Closing General Assembly while the recommendations to be discussed and adopted in future meeting.

DJC Bassano So advised that any recommendations adopted at meeting were not necessarily to be carried out or followed by the Board but only for consideration.

II. External

- The report was presented by NEVP Ronald Ho as follows :

- The following recommendations have been drawn and would like to put forward for discussion in the Closing General Assembly.

A. For the community area, it was recommended that NOM should include "Social Leadership" in its training programs, apart from normal training topics. Also, it was suggested that the Community Concern Group could discuss and make suggestions on future Major Emphasis Theme in the early part of the year.

- Ocean JC enquired Chairman Ronald that why there were no PR area involved in the 2 Business Sessions.

- NEVP Ronald explained that the Business External Session concentrated on the two of the four major areas of opportunities of JC, they are not going into such detail as dividing up into particular like PR, CD, YA, EA etc. Actually one of the discussion leaders is PR Director Anita, who had also incorporated the Public Relation part in the discussion of the community concern.

- Dragon JC asked Chairman Ronald for the elaboration of "Social Leadership".

- NEVP Ronald explained that Junior Chamber has provided a lot of training to members on various areas like public speaking, time management but there was no special program in training members to carry out community projects to arouse their community concerned. Therefore recommendation was made to provide some training on this particular area to members.

- It was moved by Victoria and seconded by Queensway, the recommendation was adopted.

B. For the International area, the meeting recommended that NOM should consider and make proper allocation of funds to IA activities to encourage member participation. MOTION CARRIED

3. To adopt the By-Laws of Hong Kong Junior Chamber

Chairman NIPP Senator Eddy tabled a copy of the final draft of the

By-Laws of Hong Kong Junior Chamber.

NGLC Senator Ivy mentioned that NOM Officers and LOM Presidents did not receive this draft well before this meeting because of the internal strike of the post office.

NPA Senator Daniel highlighted the following major items of the final draft of the By-Laws: items 3-8, 5-1, 6-4, 8-3-1 and 8-4.

In response to the request of Kowloon on seeking more background on the amendments of the By-Laws, NPA Senator Daniel gave the following details. The By-Laws should be updated accordingly after the amendment of the Memorandum & Articles (which was adopted in the last EGM). If adopted, this By-Laws, together with the adopted M&A and the 1990-1992 Audited Accounts, would be submitted to the Company Registry to facilitate the formation of the new company (Hong Kong Junior Chamber).

In response to Victoria's concern on the background and the procedure of revoking senatorship (as entailed in item 8-4), NPA Senator Daniel mentioned that a JCI senatorship may be revoked when this Senator has not conducted himself in a manner worthy of a JCI Senator. An analogy would be the termination of membership of an individual member of a LOM. Procedurewise, the special committee consisting of National President, the President of the LOM of concern and the five members of the Senate Screening Committee would make the decision. Victoria opined that this clause should be made known to members.

Ocean wondered if there was any duplication of contents in the Memorandum & Articles and the By-Laws. NPA Senator Daniel replied that there was no major duplication of information in the two documents except for the information on membership. In fact, the Memorandum & Articles was written in a flexible manner while the By-Laws supplemented it with greater details.

North District would like to know how LOMs should follow in the name change after the adoption of the By-Laws. NPA Senator Daniel answered that LOMs should change their names accordingly using Junior Chamber rather than Jaycees for the sake of corporate identity. NGLC Senator Ivy supplemented that the earliest date for the incorporation of the new company (Hong Kong Junior Chamber) would be mid-1994, and adivsed LOM Presidents to inform the incoming Boards of Directors of the incorporation of Hong Kong Junior Chamber and the necessary actions they should follow.

Regarding the possibility of the change of the Chinese name of our organization as raised by Peninsula, NPA Senator Daniel mentioned that we did not think of a good substitute so far and invited LOMs to give suggestions.

Another roll call was conducted to re-confirm the voting strength. The total voting strength was 16, simple majority was 9 and 2/3 majority was 11.

The By-Laws of Hong Kong Junior Chamber was moved for adoption by North District and seconded by Queensway. The motion was put to vote with the following results.

For:	15

Abstention:	1
