CONVENTION LOGO

DEVELOP OUR YOUTH
CARE FOR OUR COMMUNITY

The young leaves of the seedling in our logo symbolize our youth, who need plenty of nourishment and attention from us.

The circle stands for our world, and life goes round like one: we reap what we sow; we profit, or suffer loss depending on how sound and how much our present investment is.

The lines project where we now stand and what our future can be ——— a better and brighter tomorrow. We have to develop our young men and women into loving individuals and progress makers who will care for our community not only by preserving it, but also by improving it and serving it in every possible way.

Forward By Convention Director

It gives me great honour and pleasure to have the opportunity to organize the 23rd National Convention.

Throughout the planning and execution of the Convention, there is a few invaluable experience worth mentioning and sharing with fellow Jaycees.

One of the most important doctrines I have adopted in making the Convention possible is - 'There must be a way'. Believe it or not, 'there must be a way'. At times when troubles and setbacks flood in, be it personnel turnover, operational dilemma or personal frustrations, the silver lining behind the darkest cloud is thought of which gives me new inspirations and confidence in having the problems straightened out - there must be a way.

To be or not to be, a successful leader is both a lonely and social person. At the initial planning stage, he has to be left alone working out a rough schedule for the project, and during execution time, he has to avail himself of every opportunity to be in the group, for the group and with the group.

Finally, with my utmost sincerity, thanks to my supervisor NSG Peony Kwok and her advisor Senator Paul Cheung for their guidance; the panel of advisors from my chapter Senator CK Tang, President Paul and IPP Petrus for their unfailing support and assistance. Last of all, thanks to the souls of the Convention - my organizing committee members. Their dedication and hard work gives me great satisfaction as we learn from each other and develop each other through making the project.

Message From
World President - Guest of Honour

It is a great privilege to greet all members of the Hong Kong Junior Chamber of Commerce on the occasion of their 23rd National Convention. I am very excited to be attending this National Convention where I will be able to share firsthand all the interesting and inspiring events that will take place.

It is not surprising that such an exceptional organization as yourselves, continually mark the paths in leadership. Choosing "Develop Our Youth, Care Our Community", as an emphasized theme for your convention, testifies that true dedication, diligence and a burning desire to better the leaders of tomorrow, our youth, ultimately creates a sense of genuine love for mankind and the surroundings he lives in. And by concentrating on those areas, our ultimate goal, "world peace", becomes a step closer.

1988 is fast becoming a year of significance for Jaycees International at a time when the very nature of leadership will be challenged in the face of political, economic, and social shifts. Hence, I have adopted "Action in Motion" as the Presidential Theme this year. I have opted for these two words, action and motion, to stress the need for each of us to move positively and to act decisively.

In 1988, Jaycees are doing more, working harder, stretching further, and reaching higher to be true leaders and true givers; to generate an ambiance for others to also be true leaders and true givers-and I know Hong Kong Junior Chamber, the national organization I am proud to belong to, will once again take up this challenge.

Let's have a constructive, successful and memorable convention. Best regards for the future!

Jennifer Yu
President

Message From Guest of Honour

The Jaycees have been contributing to our society in a unique way.

In the coming years, I believe that young people like Jaycees members should play an increasingly important role in Hong Kong's transition to 1997. In particular, our future leaders need to have the training ground and the opportunity to develop the leadership skills and social responsibility necessary for maintaining Hong Kong's prosperity and stability, which is the key to the successful implementation of One Country Two Systems.

Your theme programme for 1988 - 'Develop our Youth, Care our Community' - can't be a more fitting starting point to meet the above challenge.

I wish you every success in your 23rd National Convention.

Message From Sponsor
China Light & Power

A great deal of Hong Kong's success can be attributed to the enthusiasm of young entrepreneurs and businessmen. Over the years, the Hong Kong Junior Chamber of Commerce has provided the initial grounding for many of them. It enables young men and women to develop early their leadership skills, and to enrich their experiences as they embark together on meaningful projects of benefit to the society. The Jaycees have certainly left their mark in the local communities.

As Hong Kong is undergoing rapid social, economic and political changes, and as every walk of life is either shaping, or in turn, adapting to these changes, the activities of the Jaycees could take on a significance far beyond the confines of their particular themes and scopes.

The 23rd National Convention is therefore of particular significance to the Jaycees as it provides the platform for outlining policies and programmes for the coming year, as well as providing junior executives with the opportunity to communicate with all fellow members. I wish the Convention every success.

Message From JCI EVP

First of all I would like to express my deepest gratitude for your kind invitation to attend your 23th National Convention. Unfortunately I will not be able to be present at this important event, but my mind will be with the many friends I have in your NOM. Indeed important, because the National Convention is the ideal platform for exchange of ideas, public relations towards your community, evaluation of the passed year and to set up goals for the next future towards a better Jaycee movement in your country.

I also would like to thank your National President, Gary Lee, and the Hong Kong Jaycees for

- the support given to me during this year.
- your active involvement in the Macau Conference and its success.
- your important input to help Macau Jaycees to become an independent National Organization.
- and last but not least to have provided an outstanding individual to JCI in the person of our beloved World President Jennifer Yu.

Hong Kong Jaycees, good luck and have a very pleasant National Convention.

Message From JCI Vice President

Dear President Lee and the Hong Kong Junior Chamber of Commerce,

I send you my warmest greetings to your National Convention at the Shangri-La Hotel in Kowloon. On this occasion of your 23rd National Convention you have many victories to celebrate. Under the great leadership of President Gary Lee, you have had an exciting year. Having a world President, Jennifer Yu, has also made the year special. Her theme, "Action in Motion in 88" has described the Hong Kong Junior Chamber of Commerce this year.

The Theme for this convention, "Develop Our Youth, Care for our Community", has a special meaning. Caring for your community today is a noble cause. By developing the youth you also care for your community, for that is where the future of the community lies.

It has been a great pleasure and honor for me to serve as your JCI Vice President this year. I congratulate you all for the many accomplishments you have made this year, and encourage you to keep planning bigger and better things for the future.

Sincerely,

David L. Hicks

Message From
Hon. Life President

Each year, as members of the Hong Kong Junior Chamber of Commerce assemble for the National Convention, there is a timely theme to deliberate. In 1988 it is "Develop Our Youth, Care For Our Community".

This opens the way for the delegates to discuss their experience of their own projects in the service of youth and the community. It enables them to agree on a concerted effort in the coming year to prepare our youth to shoulder their citizenship responsibilities and for all to renew also their commitment to community betterment in a practical manner.

Let Jaycees here face up squarely to their role in Hong Kong in the years ahead.

Message From National President

I am honoured to have this opportunity to offer my sincere wishes for a successful convention to all participants for this 23rd National Convention of Hong Kong Junior Chamber of Commerce.

Each National Convention provides opportunities to evaluate past performances, exchange frank and constructive ideas, renew old friendship and to upkeep the image of a healthy Jaycee organization. With the genuine participation and unfailing dedication from all delegates, it is hopeful that much more ambitious goals and higher targets will be attained in the next twelve months.

"Develop Our Youth, Care for Our Community" is the theme of this convention. Young people play an extremely important role in the development process of our society today, and it is necessary for young people themselves to be aware of their expanding role in civic responsibilities. As a forward-looking youth organization, it is our obligation to take the opportunity to make our youth contribution of ideas and commitment of how to make our youth responsive and resolved to build a bright future of our society.

I am confident that our gathering should enable us to make practical use of our experience and skills Jaycee life has afforded us to in ensuring that we are psychologically, mentally, and emotionally prepare to face the future with fortitude.

I wish to congratulate all those who will be recognized for their achievements in this convention. Let these achievements be a reminder of the hard work done and a motivation to do even more.

May I take this opportunity to extend my heartfelt appreciation to the hosting chapter, the East Kowloon Jaycees, for their hard work in making this 23rd National Convention a successful, enjoyable and rewarding one.

I wish you all have a very pleasant time during this convention.

Message From

National Immediate Past President

National Convention is the most important annual event for members of the Hong Kong Junior Chamber as it is the time for us to review past performance and to formulate new plans for the future year.

This year's Convention is particularly meaningful, as it is hosted by a relatively young chapter - the East Kowloon Jaycees, and it is their first attempt in such a large project. However, under the capable leadership of the Convention Director Maisie and her hardworking organising committee, I'm sure all members will find this a fruitful and enjoyable Convention.

My best wishes for a successful Convention.

President of Hosting Chapter

It is indeed an honour for me to deliver this welcoming message.

It is the first time that East Kowloon Jaycees hosts a National Convention. The organizing of this Convention not only sets the common goal for all our members this year, but also arouses the high spirit of the whole Chapter. This challenge offers numerous opportunities to members, from organizing seminars to grand ceremonies. In the heat of organizing this Convention, there are lots of joys and happiness within the Chapter. With strong support from senior members and enthusiasm of prospective members, the Chapter experiences the sweet and bitter at the cornerstone of our history. It is a memorable year for East Kowloon Jaycees.

I appreciate very much the diligence of the Organizing Committee under the capable leadership of Convention Director Maisy. I am confident that you would have a new experience in this Convention.

On behalf of the hosting Chapter, may I once again extend our warmest welcome to you all.

Message From Nepal Jaycees

GREETINGS FROM NEPAL !!!

Though not physically, we are very much with you emotionally on this happy occasion of the 23rd National Convention of your NOM. I wish to convey our gratitude for your kind invitation to attend it which I regret very much, due to commitments at home, I have not been able to do.

Complexity of the world problem is increasing alarmingly but in the same proportion, Jaycees world over, are strengthening their determination to tackle it. I am sure we will win - we will win because our concern is genuine and our efforts are sincere and we will set an example for others to emulate. I am also sure the participating delegates will rise above the mean and narrow boundary of individualism now pervading and mauling the world and march towards the dawn of universal brotherhood so necessary for the good of this planet - the mother earth, congruous to the theme for this Convention ' **Develop Our Youth, Care Our Community** '. I wish you all the best in your deliberations.

Thanks and congratulations to all the participants for making your National Convention a grand success and with affirmation that Nepal stands for all that you do to make this world better.

Thank you,

(KISHORE KUMAR PRADHAN)

Message From Singapore Jaycees

Singapore Jaycees
新加坡國際青年商會

It is with great pleasure that I extend on behalf of Singapore Jaycees warm greetings to all delegates participating in the National Convention.

After spending most part of the year executing the planned programmes, the convention is a time to gather and review the progress made within the NOM and to carry forward improvements to the future.

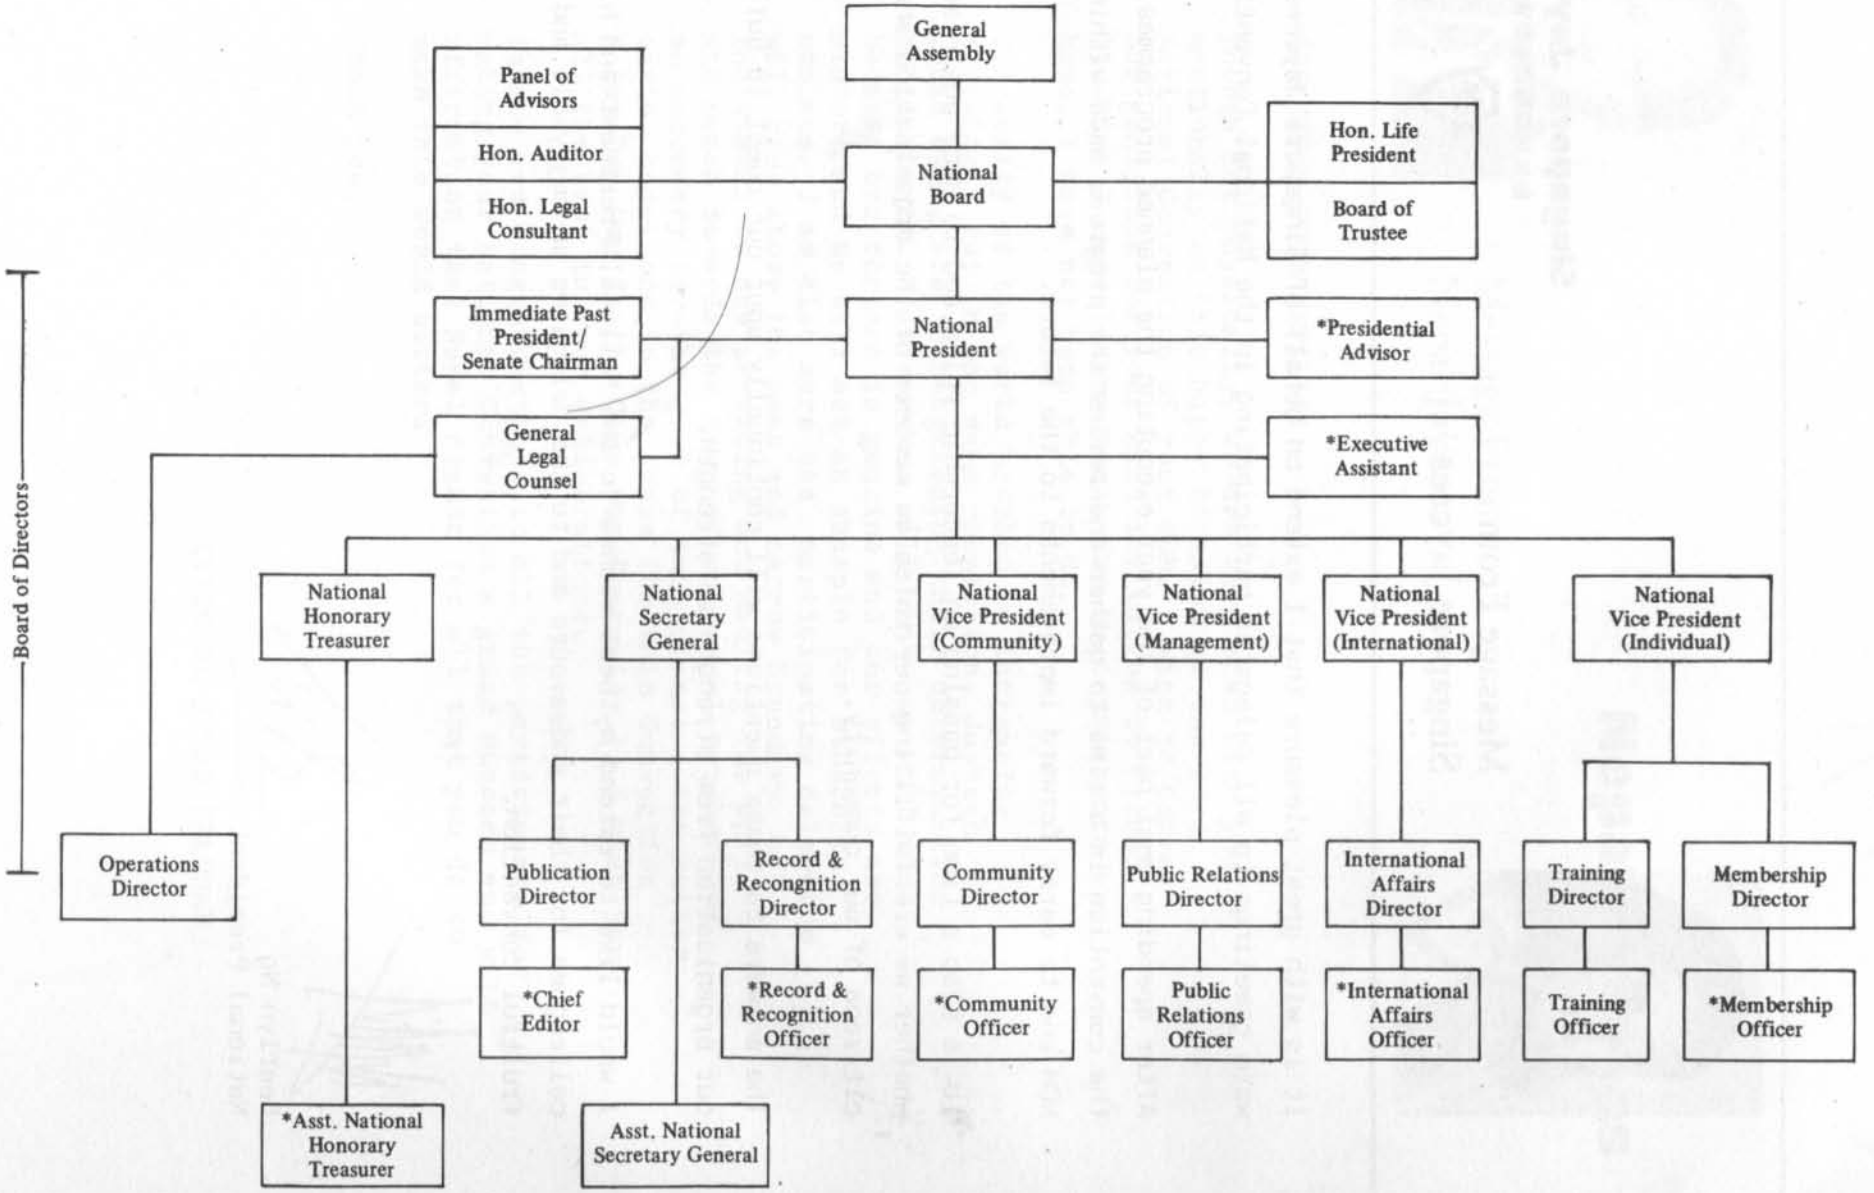

It is also a time for passing on leadership roles and to once again ask whether we are fulfilling our roles as members of the organisation and as citizens of our community.

The answers to these questions will continually spur our quest to build our organisation from strength to strength.

I would like to extend my best wishes to the National President and his colleagues for their endeavours and to the delegates an enjoyable and fruitful convention.

X. CONCULSION

1988 has been so far a year of steady progress. Like anything else, we have encountered obstacles. However, with dedication, whole hearted initiative and understanding from members at all levels, these obstacles were ultimately surmounted. Our members have inherited the many fine qualities and achievement from our predecessors and are able to adopt a positive and constructive attitude to solve problems of the organisation, consequently, making it a stronger one for the benefit of our members as well as to our community.

Efforts have been made to achieve the many targets set at the beginning of the year. It is indeed a joy to see them accomplished. With attempts made to complete these objectives, there would certainly be strenths and weaknesses in the endeavours. It is only through unity of strength and perseverance in overcoming weaknesses that we could have a strong organization.

"Develop Our Youth, Care for Our community" is the Major Emphasis Theme of this year. Local chapters has responded actively by implementing numerous projects along this line. This has definitely uphold our Jaycee spirt both to the public and to our Jaycee circle.

Whereas to the accomplishment in 1988, a big credit should go to my fellow National Officers and O/C Chairmen who have offered tremendous constructiveness in this respect. My thanks should also go to various local chapter Presidents for their whole-hearted support and co-operation. My heartfelt thanks should be extended to a number of senior Jaycees such as our Hon. Life President, Mr. A. de O. Sales, Past National Presidents and my advisor, Senator Sonny Yu, Senator Andrew Wong, Senator Paul Cheung, Senator Ng Leung Yau and Senator Tonny sun for their unfailing support and geninue assistance.

During my term of office, I have worked harmoniously with my fellow Jaycee members. All these pleasant experiences have helded me lived a fuller life. Enrich personal culture has made me become a better Jaycees and a better being.

Thank you for your support and understanding.

- to upgrade the training standard of the HKJCC.
- to provide training materials to be published in Harbour Night.

Basically, the skeleton of the training programmes was set by the NOM. Under the supervision of the NOM Training Mission, the LOM was given freedom to modify details of the programme within the given framework.

12. The Trainers Programme

Initial contacts were made with the Chairman of the Hong Kong Society for Training and Development for co-organizing trainers programme. Target audience would be potential trainers of LOMs who would be required to contribute in the area of training in his mother Chapter.

13. Coordination with JCI

Communication was made with the JCI concerning training materials and training opportunities offered by JCI. Letters were sent to the Asian Pacific Area Training Coordinator and JCI Director of Training for exchange of training information and ideas.

During the Asian Pacific Conference held in Macau, report on the training area in Hong Kong was submitted to the Trainer's Circle Meeting.

In the Conference, I was given the opportunity to attend the JCI "TROT" and "MIND MAPPING" programmes. These were all very useful programme and were recommended to be organized in Hong Kong.

14. Coordination with Outside Training Organizations

As one of the goals in the training area this year was to improve connections between HKJCC and outside training organizations, experience sharing were made with other professional training organizations such as the Hong Kong Society for Training and Development, the Hong Kong Management Centre and other training bodies. It was recommended that such kind of contacts be continued as it would not only enable us to identify professional speakers for our training programmes, but also promote the image of our organization as a Leadership Development body.

15. Training Materials

Survey was conducted to find out the utilization of the training materials in the Jaycee Library. It was discovered that not too many members utilize the training materials filed in the Library. As such, a list of training materials in the Jaycee Library was

COPIES BY COURTESY OF RANK XEROX

published in the Harbour Light at the beginning of the year.

Research was carried out to find suitable reference materials on the training area. Reference books and magazines were purchased to enrich the Jaycee Library.

In addition, articles on training were supplied to Harbour Light.

16. Conclusion and Recommendations

The Training Mission this year has strived hard to overview the training needs of the whole Jaycee organization and organized training programmes for LOMs on some basic and important topics which at the same time would project the image of the HKJCC as a Leadership Development Organization. It is very encouraging to see that training programmes are welcome by our members. This can be seen from the great many number of turn-ups in the NOM and LOM training programmes.

National Training programmes to be hosted by individual Chapters has proved to be very successful as they were all very well received.

Many members enjoy participating in specially designed training programmes. They like to receive knowledge on practical subjects to explore their potential and polish their individual skills. It was recommended from many LOMs that charges for training programmes would preferably be lowered in order to attract more participation. It was recommended that lively presentation/format would be more attractive and physical/team work programme would be preferred than formal lecturing.

It is important that training personnel of NOM and LOMs should step into the shoes of their members to think about their needs and chapter's needs and think it in a long term and practical way. There is also a need for individual LOM to develop the their members to be speakers/trainers as many LOM found difficulty in finding speakers for their programmes. Among our members there must be potential trainers and it is our responsibility to provide opportunity for them to develop their individual skills.

In the Second Joint Directors Meeting, it was suggested that individual LOM should consider developing a team of members who were interested in the area of training. This group can serve the individual LOM on the long term development of the training. Some of the LOMs have started the development of their own training team.

COPIES BY COURTESY OF RANK XEROX

In view of the needs to facilitate LOM Officers to plan their works more effectively, it was suggested in the Joint Directors Meeting that the LOM Offciers Training School might better be organized at the end of the year before each LOM started their year planning.

Taking this opportunity, I would like to express my heartfelt gratitude to the Island Jaycees, the Peninsula Jaycees and the Tai Ping Shan Jaycees for hosting the National Training Programmes. Special thanks are also to the Chairmen Jaycees C. T. Lam, Susan Shek, Kendy Yau, S. W. Lau and Celina Chan.

My very special thanks goes to Jayceette Heidi Law and her mother LOM, the Hong Kong Jayceettes, for her hard work and enthusiasm in the training area. Finally, my thanks go to NP Gary and NVP Larry for their supports and advice.

Through the optimal utilisation of the media, the response was significantly better than previous years.

2. An Essay Competition (a first for Kowloon Jaycees) for the disabled and disadvantaged was held between June and September. Its purpose was to gather courageous real life occurrences from these circumstantial social outcasts so that the general public might not only be aware of their silent sufferings, but also encourage and convince those feeble minded and distressed on the value of life. This project received overwhelming response from the community of the disabled due to the exceptional promotional efforts of the organising committee.

3. A seminar on financial issues faced by small to medium size businesses in Hong Kong during the current economic climate will be held in October. Its aim is to promote the benefit of setting up an organisation for small to medium size businesses which may better utilize and share information and resources available. A database of all such firms in Hong Kong is being compiled for promotional purposes in addition to promoting the event to the public through a suppliment of the Hong Kong Economic Times.

III. INDIVIDUAL DEVELOPMENT

1. Leadership Development
The theme topic for this year was communications. Two seminars, one on parliamentary procedures, and another on interpersonal communication, were held. In addition, a Leadership in Action camp will be held in September in Cheung Chau when three speakers will delve on the techniques of persuasion, making presentation, and penetration of thoughts.

2. Membership Extension
There were 15 new PMs. Eight PMs would have been inducted by September. Two Orientations have been held and a third is due in November. As part of our membership extension efforts, letters were sent to selected organisations to promote our cause. On another front, a

database of companies is being set up for solicitation of sponsors (so far with good responses) and membership extension efforts.

IV. EXTERNAL AND INTERNAL RELATIONSHIPS

1. Public Relations

In addition to the monthly gatherings, other activities such as regular saturday yum-cha sessions, Chinese New Year Gathering, Sea Launch, and a Bicycle Orienteering Competition (jointly organised with Victoria Jaycees and open to all chapters' members) were held. The February and March Monthly Meetings were jointly organised with Dragon and Queensway Jaycees.

A duty roster and subsidy scheme were again set up to allow board members equal opportunities in attending other chapters' functions.

2. International Affairs

Contacts were made with the Houston Jaycees regarding the twinning programme initiated by JCI.

During the 1988 JCI Macau Conferernce, a banquet was held to welcome members from our sister chapters attending the event.

A Sisterhood Pact reaffirmation ceremony was held to celebrate the 10th anniversary of our signing with the Taipei Jayceettes.

A photo exhibition on LOM activities was organised jointly with the Nagoya Jaycees during the conference. Another one on places of worship will be held in Sydney. We will also be assisting the Nagoya Jaycees on tile painting for the celebration of the formation of the city of Nagoya.

Eddie Lam was appointed as the ILSO Councillor for a term of two years. The theme project for ILSO this year is to set up an international network of pen pals for the disabled.

V. THEME PROJECT

In order to support NOM's theme for this year, a project was launched in August to select gifted teenagers 11-15 years old for enhancement training of their potentials. Two of the ten awarded superkids will have a chance to travel to Australia for further training. This project is the first of its kind in Hong Kong; and we envisage holding it as an annual event. Code named Project Triple A, it is sponsored by and coorganised with the Rotary Club, Shatin.

IX. Conclusion

In conclusion, I treasured a lot and gained a lot of invaluable experience by being the President of Peninsula Jaycees. Through the active involvement in the management of the Chapter, I was touched by the efforts made by those project committee chairpersons and members, grateful to the senior members and past presidents for their unfailing supports and also surprised by the conflicts happened between different members due to uncoincided opinions or ways of doing things. In addition, I was also very impressed by the rapid personal development of many new members whom we hope to train to be the leaders of the Chapter in the coming days. Throughout my terms of office, the success of many projects and the cooperation between members in the Chapter can definitely compensate the amount of time and efforts I invested in the Chapter. Last but not least, I whole-heartedly thank all my hardworking board members and all the members and prospective members who have contributed their time and efforts to make the Chapter another successful year in 1988. The glory of the Chapter comes all from you, my fellow Peninsula Jaycees members.

IX. ACKNOWLEDGEMENT

Another academic year has almost come to its finale. The experience of being the President of one of the finest Jaycee chapters is precious and great. To lead such a big organization needs infinite helping, cooperation and dedication from all walks of members. I would like to express deepest gratitude to my versatile 1988 Board of Directors for helping me fulfilling the objectives laid down for this challenging year. My sincere appreciation goes to Presidential Adviser Senator Maureen Chu Lo whose guidance and advice throughout were invaluable. I am also indebted to the Panel of Advisers for their constant advice; all senior Jaycees and Jayceettes for the assistance rendered; all sponsors and supporters for the material and spiritual contribution; and all fellow Jayceettes who had helped in one way or another. Moreover, credit should also go to National President Gary Lee and Supervising National Vice President Larry Lau for the advice given to the Hong Kong Jayceettes.

A most fruitful year to the Hong Kong Jayceettes in the year that is to come. I shall forever cherish the memorable experience. Though I have been confronted with heaps of difficulties and setbacks, I never considered my responsibility an ordeal. Please accept my humble apology for not having achieved more, but I take pride in assuring all Jayceettes that I have toiled to my utmost.

My sincere wish to the incoming Board for a very successful and enchanting 20th Anniversary in 1989. Best of luck !

三 、 會議

(2) 月會於每月之第二個星期四召開。
(3) 於一九八七年十二月廿一日舉行特別執行董事局會議，並委任各組別董事。
(4) 於一九八八年一月廿八日舉行八八年度第一次董事局會議，建議有關八八年度各組別工作計劃。
(5) 各工作計劃之小組會議均按其需要而召開，以配合推行各種活動。

四 、 財政

在義務司庫及各董事局成員努力下，今年在籌款上得到頗可觀的數字，而在其他工作計劃上，有些在支出之餘，亦有若干盈餘，實難能可貴，當然本會永遠名譽會長謝瑞麟先生的大力幫助亦記一功。並希望在年底時，能有更大結餘，作為以後的榜樣。（本年籌款工作計劃：熱辣辣之勁舞819白金巨星演唱會）。

五 、 工作計劃及活動

(1) 領袖才能組：

「青商基本法」於三月廿七日在青商總會會址舉行，內容為：如何推行工作計劃，青商禮儀及會議程序。主持人為江維治。講者為張寶玉小姐及沈田參議員。「青商知識講座」於五月廿二日在總會會址舉行，今次主要為新會員介紹青商歷史及會議程序，主席為江維治。講者為鄭璧年參議員及王錫年會長。「Run to 9.3D」為本會主持之總會工作計劃第三部份，於九月四日，十日及十一日三天，地點於香港海員俱樂部及大嶼山衛理園。內容非常豐富，關於人際關係，領袖才能知識，對社會之參與及個人潛能發揮等等，另外並加插遊戲及外展活動。主席為陳世玲會友。

(2) 會員擴展組：

「太平山青商88寫真」於五月六、七、八日三天在尖沙咀新港中心舉行。設計特別，對於宣傳本會及招收會員有理想的成績，主席為勞遠光會友。另外亦於六月廿五日假新城市廣場作一天的太平山青商資料介紹。新舊交替，難免有些會員會流失，本會今年會員有40人，見習會員17人，在招攬舊會員方面，亦作很大努力，尚幸有幾位會員重新加入，展望以後尚可向這方面發展。並希望於年底可使會員人數增至50人。

(3) 會刊編印組

「太平山青年商會季刊」首期內容訪問世界會長余葉展華參議員，在三月份出版，內容精采，並賀本會名譽顧問張有興立法局議員新婚之喜。第二期訪問立法局議員陳英麟，講述青商未來發展，其他文章則得到很多會友投稿。而第三期將於九月份出版。

COPIES BY COURTESY OF RANK XEROX

(4) 經濟事務

「個人投資管理」邀請到曹信先生演講，在七月份月會舉行，同時並連同浩洋及沙田分會聯合舉辦，出席人數眾多，主席為廖恩照會友。

(5) 公共關係組

雖然沒有推行工作計劃，但在參與及聯絡其他分會方面，亦異常落力，尤其是參加「青商奧運會」、「青商籃球比賽」及龍舟競賽等等，在出席其他總會或分會活動亦有理想成績。

(6) 活動策劃組：

在年頭一月份"米埔觀鳥"攪得有聲有色，另外二月份聯絡參加總會之新春團拜，出席人數打破本會記錄，而在安排月會及聯絡活動方面亦盡本份，使到會員在推行工作計劃之餘，亦得到適當之健康活動。

(7) 社會發展組：

「如何推行公民教育達至九一直選成功」公開論壇於六月廿五日在沙田新城市廣場舉行，主講嘉賓有楊森、李永達、程介南及鄧龍威，更邀請到嘉賓主持，立法局議員黃宏發作主持人，透過此論壇，希望呼籲香港人多留意公民教育並能使九一直選時，得到更好的賢能獲選。

(8) 國際事務組：

今年之亞洲大會於五月份在澳門舉行，所以姊妹分會亦紛紛來港。會長亦出外訪問，增加兩地之交流。首先會長於農曆年間往台灣新竹青商訪問，在亞洲大會期間，日本富山青商姊妹會亦到訪，我們亦安排招待，接著韓國世宗青商亦作友好訪問，而在八月廿七日，會長再次訪問台灣新竹青年商會，增加兩地交誼。

另外與廣州社情民意研究中心舉辦"穗港海陸交通運輸交流研討會"定於九月三日在廣州花園酒店舉行，報名人數異常踴躍，第一天已有八十多人報名參加。這工作計劃希望能使社會人仕留意越來越繁忙的穗港運輸，並能提供更有效的解決方法。主席為陳有成。

六、參予總會活動

本年度有兩位會員出任總會職位。

七、結語

回顧過去八個多月，所學及所得到的有形無形收穫，數之不盡，在會務推行方面，各位會友的大力支持及鼓勵，使我更要小心翼翼去處理，尚幸在各組別皆能推行其工作計劃，並順利進行，而其間各會員亦能從工作中學習到領袖才能技巧及知識。可惜會員人數未能有較佳增長，希望在這方面繼續努力。最後，我在此衷心感謝各位曾經盡心盡力過的董事局成員，及曾經支持過本會的所有人仕。

volunteers. Working through the charity sale of toys, many volunteer got to know our theme "DEVELOP OUR YOUTH, CARE FOR OUR COMMUNITY" and expressed their intention to join Jaycees. The toys for the sale were donated by various local manufacturers and sale counters were erected at Ocean Terminal, MTR stations, Star Ferry, etc. The project started immediately after the Press Conference on 16/7/88 and lasted luntil 18/9/88. It was expected that we could raise more than $40,000 for the ACA.

5. International Area

The past I.A.Director resigned owing to her migration to Canada. New I.A. Director started to arrange the sisterhood Pact with the Mandarin Jaycees of Singapore immediately after her appointment. The Signing Ceremony was held during the 1988 ASPAC Macau Conference. When delegates of sister chapter stopped over H.K, tour and welcoming dinner were organised. As it was our very first sisterhood, we had started our internationalism. We were planning to organise joint projects by two Chapters.

VIII Acknowledgement

1988 is no doubt a challenging year for East Kowloon Jaycees. Apart from improving our financial positions, training up a number of potential members ready for further JC career and in promoting public image of Jaycees by launching several quality service projects. In October 1987, East Kowloon Jaycees formed the Board of Directors of 1988 with a group of young and dynamic persons who committed themselves to persuit for excellence and they were aggressive to improve themselves. The good attitude of my Board members had been leading the Chapter into a high-spirited, very cohesive harmony that facilitated the smooth running of the Chapter's administration. The good fellowship among members formed a supportive element when projects were being organised. I appreciate very much the efforts and hardwork of all the Board members, especially to JC Maisy who, apart from being a Vice-president, also took up the position of Convention Director and led the organising committee all the way to a memorable occasion.

My special thanks also go to my Presidential Advisor Senator C.K.Tang, PP Allan Leung, David Lee and other Past Presidents. Of course, without the good foundation laid by my predecessor IPP Petrus, it wouldn't be an easy way. I also wish to thank our Hon. Legal Advisor, Duffy Wong who are also my Chairman in the LRPC giving me support on long term matters.

Last but not the least, without the support and dedication of all my seniors, the project chairmen and participating members, I am sure East Kowloon would not have achieved anything as we did.

(6)會務概況：

自接任會長後，在理事局同人齊心協力下，於年初訂下配合總會之「培育青年、關心社會」主題工作計劃，與中九龍廉政公署合辦「摒除工商貪污、邁向卓越管理」研討營已展開，另青年事務組別之「聖誕咭設計比賽」亦在進行中，使到新會友及準會友有機會參予工作，對維繫會員方面極大幫助，因而年中已有16位準會員入會，須於六月底刪除了部份未繳交會費會友之會籍，但展望下半年，仍有很多合乎入會資格之準會友，所以今年會員之增長率可達到預期之數字。鑒於本會財政上之困難，故此各理事會成員均了解，在各工作計劃中均做到開源節流，更尋求外界商業機構之贊助，而無須會方較大的支助，這實在令人鼓舞之成績。在會員訓練方面，除舉辦基本訓練課程外，領導才能組更不斷鼓勵各會員參與總會及分會舉辦之課程，因此，會員接受訓練的機會亦顯著增加。

國際事務方面，除與菲律賓馬拿邦姊妹會之聯繫不大理想外，與日本福岡、台灣風城、韓國濟物甫之間聯繫達到高點。

而籌款工作計劃、年初信封籌款，除得過往會友支持外，今年更有三位新加入使到成績理想。而「競技籌款FUN紛分」於三月廿六日順利完成，爲會方籌得36,000元，使本年度財政得以穩健。

由於各會員的齊心，使本會在全港青商籃球大賽奪得冠軍。

(7)總結：

今年由一位充滿青商經驗、事事關心的會長顧問沈田參議員，對本人不斷的提點，加上三位盡責的副會長、秘書長及財務長協助處理會務，因此在各理事、幹事及各位會友熱誠盡職、分擔各項工作，使到今年會務順利推行，得到如期之效果，本人謹此衷心向各位會員致謝。

同時更對總會委派副會長劉敬賢、創會會長張國斌參議員、永遠名譽會長余振宇參議員在會務上、行政上給予本人的指導及鼓勵，致以萬二分謝意。

VII. CONCLUSION

This year has been a special year for me. I treasure the opportunity to serve Queensway Jaycees as the President and I must say I have fully enjoyed the wonderful experiences during the past 9 months.

Queensway has long been looked at as a 'Baby Chapter'. Eversince we successfully hosted the National Convention in 1987, the chapter has picked up much momentum and has started to grow in different dimensions. The team spirit has always been there. The various projec organized within this year in fact were basically results of the concerto efforts of all the Queensway members. I hope through these exercises we are able to obtain various trinings and at the same time serve the community.

這工作計劃目的在表揚熱心服務社會的青年，以吸引更多青年服務大眾，同時喚起各界關注青年德、智、體、群的發展，提高青年對社會責任感。大會選出十位青年大使免費前往尼泊爾作十天親善遊。他們肩負親善大使的責任。回港後於七月卅日及卅一日假座沙田新城市廣場舉辦展覽會介紹當地情況，與公眾分享此行成果。
主席陳翠儀及其他籌委會成員在這工作計劃裏得到很多寶貴經驗。

4. 出版事務組
會員通訊「北極光」以每兩月出版一次報導會內及會外情況。透過這份刊物，會友可以交流意見及青商知識，投稿相當踴躍。今年得到贊助機構刊登廣告，「北極光」可以供給全港青商會員閱覽。

六．總結

1. 回顧過去八個多月，本人在任內所獲得之知識及訓練機會，實屬珍貴及難忘。

2. 雖然本會創辦已三載，但大部份創會會員已相繼離去，新會員未能適應。一般會員對會務的關注及參與未見積極，或因個人事務太忙或因其作為本會一份子的義務及權行不太了解，做起事來只集中在少部份會員方面。

3. 今年之會務能得以推行，實全賴各理事會成員；本會會員及其他分會會友的參予及指導，本人在此對他們致萬二分謝意。同時更多謝總會委派副會長吳梓堅給予本會之鼓勵及支持。

7. To Consider and Approve New LOM Affiliation

NSG confirmed that one application from the Ocean Jaycees had been received thirty days before the opening of National Convention. They had fulfilled all the requirements and qualifications in 3.2 and 3.3 of the By-Law.

The Executive Committee had found Ocean Jaycees qualified to be accepted as a full member of Hong Kong Junior Chamber of Commerce, the Committee recommended the application to the General Assembly.

President of Ocean Jaycees, San Stephen Wong was invited to make a presentation of the Chapter to the General Assembly.

The Organizing Committee of Ocean Jaycees was formed in July 1986. The 1st General Meeting was held on 21st September, 1986 with an initial membership of 40. The Charter Night was held on 21st March 1987 with a current membership of 53. Different projects under the four areas of opportunity had been organized, and a lot of plans for the forthcoming year. San Stephen Wong pledged for support for the LOMs in their affiliation.

COPIES BY COURTESY OF RANK XEROX

(4) Further training to new members after NOM orientation should be provided on areas such as parliamentary procedures, project management and etc.

(5) Increase of membership dues in respect of individual members in 1988 and imposing charges on using Chamber Office facilities should be considered.

A motion to receive the report by LRPC Chairman was proposed by Victoria, seconded by Dragon. There being no objection, motion carried.

9. To Receive and Adopt Ad Hoc Clubhouse Committee Report

Ad Hoc Clubhouse Committee Chairman, Senator John Chan reported that the present clubhouse had been unable to meet our demands.

To have a new clubhouse was proposed. The ideal location of this proposed new clubhouse should be easily accessed. Floor area should be about 2,000 square feet gross or 1,600 square feet net. The proposed facilities should include four meeting rooms with seating capacity of twenty persons which could be converted into two medium size conference rooms.

Purchase of the new clubhouse would require an estimated budget of HK$1,400,000. The Committee proposed to sell the existing clubhouse at estimated market price of HK$700,000. The revenue would be used to finance the new clubhouse. The balance of HK$700,000 would be shared equally by the NOM and the Hong Kong Jaycees Trustee. Ultimately, the Trustee and NOM would remain their 50% ownership of the new clubhouse.

It was proposed that the Trustee make a temporary interest bearing loan of HK$350,000 to the NOM and to be paid back on or before September 1988.

Source of income of the NOM would be from the proceeds of 1988 JCI Macau Conference. A sum of HK$400,000 from the surplus was expected to be brought to the NOM

COPIES BY COURTESY OF RANK XEROX

Each member, NOM or the local chapters to be responsible for the legal fees and renovation charges which would cost approximately HK$61,000 and HK$300,000 respectively.

Macau Jaycees advised LRPC Chairman Senator John Chan that only verbally agreement had been made for the contribution of HK$400,000. They had no confidence in promising such an amount from the proceeds of JCI Macau Conference. Senator John Chan confirmed that no formal written agreement from Macau Jaycees was received. However they had a copy of written proposed agreement of Macau Jaycees which had been approved by the National Board of Directors. The Committee also believed that Macau would be able to achieve what they had proposed.

North District asked Senator John Chan to elaborate "the other expenses" mentioned in Item No. 5 of the Committee's Report. Senator John Chan explained that those would be legal fees incurred from the sale of existing clubhouse and purchase of new clubhouse as well as renovation charges and fittings for the new premises. North District then asked how the Committee would react to the task of obtaining the fund. Senator John Chan answered that they would organize fund-raising projects and appeal to senior members or local chapters for donation.

Senator William Wu queried about the price of the new clubhouse stated in the Committee's Report. Senator John Chan stated that the estimation of HK$700 per square feet was based on information collected in July 1987 when the report was made.

Chairman of Hong Kong Jaycees Trustee, Senator Sonny Yu confirmed that they had made no commitment and approval to contribute HK$350,000 to acquire the new clubhouse yet. However, if such a proposal was put forth to the Trustee, he promised that it would be considered and the result might be positive.

A motion to receive the report by Ad Hoc Clubhouse Committee was proposed by Jayceettes and seconded by East Kowloon. Motion Carried.

Hong Kong Jaycees History

The Jaycee Movement reached Hong Kong in 1949, when a Philippine Jaycee John Ng who was the Special Liasion Officer of the JCI 5th Congress and was charged with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of the Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as Convenor of the organizing committee Mr. Austin Coates from Hong Kong Government, then as Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

We've been listening to your needs for a long time. And doing something about them.

Since the first plain paper copy back in 1938, we've been making life in the office better by constantly improving the products you've come to rely on. **Xerox products.**

The results of all our efforts have been substantial.

We've continued to set the standards for the industry with more innovations than any other company. Like high speed copying. Sorting. Zoom reduction and enlargement. Automatic two-sided copying. High speed printing. Even full colour copying.

And we've been responsible for some other innovations you might not expect from a copier company. Like laser printing, the 'Daisy' printwheel, the modern computer 'mouse', and the most innovative network system, ETHERNET.

But then, we're not just a copier company. Not anymore.

Years of research and development at **Xerox** facilities in JAPAN, EUROPE, and the UNITED STATES have produced an entire range of the most technologically advanced office equipment on the market.

What does that mean to you? It means no matter how large or small your company, you can rely on the same **Xerox** quality and dependability for all your office needs.

And as your needs change, you can be sure that we'll be there with you. Leading the way. In touch with your needs. Just as we have from the beginning.

And that's a commitment only one company can give you.
