Message from National President

It is my great pleasure to extend to you my warmest welcome to the 31st National Convention of the Hong Kong Junior Chamber of Commerce. We are gathered here to review the progress that we have made so far this year and to plan ahead for further growth and development.

"Focused Resources for Focused Impacts" has been the guiding principle of the 1996 administration. As we embarked an era when the work demand is ever increasing, this principle proves to be most timely and appropriate. Along this principle, we emphasize on co-operations and quality. We also introduce changes that make us more effective and efficient. I am delighted to say that we have managed to make progress in various areas. For instance, we have thirty quality projects under the umbrella of our Major Emphasis Theme "Care for youth, Develop our future leaders". We continue to equip ourselves through the process of learning by doing while we create positive changes to the community.

For this Convention, "Entrepreneurship : Challenges and Advancement" is the theme. In the past decade the Hong Kong economy has been undergoing rapid industrial restructuring and we are faced with both challenges and opportunities. What about the years ahead? I am sure the theme seminar will provide us with an insight into the future development that may affect the local entrepreneurs. And with this insight, we can draw a map that will guide us to continuous prosperity.

This Convention will offer you an entertaining Opening Ceremony, the quality Theme and Training seminars with eminent speakers, the important General Assemblies, the forward looking Business Sessions, the meaningful Open Forum, the necessary Caucus and Election Sessions and the rejoicing Convention Ball. One important highlight of the Ball is the inclusion of the Graduation Ceremony, which is the first one in the history of the organization. It allows us to pay tribute to recent graduates for their contributions to the Junior Chamber movement in Hong Kong.

To this end, I must thank our Guest of Honour, the Secretary of Transport, Mr Gordon Siu, JP, and our distinguished speakers for their support to the organization. I also thank the Convention Director Thomas Ho and members of the hosting Chapter Ocean Jaycees for bringing us together.

Together let us celebrate this incomparable National Convention experience. Let this remarkable weekend be a continuing inspiration for each of us to create positive changes.

Justin Lui
National President

Message from JCI Executive Vice President

Dear Hong Kong Jaycees !

First, I would like to congratulate your 1996 National Convention of Hong Kong Junior Chamber of Commerce.

Since we have started the year of 1996 under the slogan, "Build the Rainbow Bridges Together", all of us have worked very hard to make our LOM's and NOM's be stronger. Currently Asian-Pacific region countries, categorized as Area B is the strongest group among the four areas within JCI. We have clearly demonstrated our strength by the number of attendance to '96 Kanazawa ASPAC in May. A total of 15,278 jaycees registered, which is far more than any other Area Conferences. More importantly by registering 2,815 from overseas, we have accomplished the goal that we have set during '95 Glasgow Congress, "to have the biggest number of foreign delegates among the ASPAC held in Japan." During the Conference, all the JCI officials agreed that 1996 Area B Conference was the most successful ASPAC ever.

Inside Area B , there has been much progress with regard to NOM development. Vanuatu has been acknowledged as a new NOM in early 1996. In addition, APDC has extended their mission to Vietnam for two more years. There are many opportunities that our Area can further develop so that we can continuously to be the number one area within JCI.

This year is very special to jaycees in Area B because the World Congress will be held in Korea. Particularly the World President put many emphasis to local chapters and its presidents. It shows how much JCI rely on local chapters as the basic strength and the back bone of JCI. I am looking forward to meeting many fellow jaycees from local chapters during '96 World Congress.

During the Opening Ceremony of the 51st World Congress, all the delegates, including JCI executives will be wearing the traditional costumes from each countries. I hope to see many jaycees from HKJCC wearing the beautiful traditional costumes of Hong Kong in November.

Again, I would like to congratulate the 1996 National Convention of HKJCC and hope the continuous growth of HKJCC.

Thank you.

Yong Suk Choi
JCI Executive Vice President

National Convention serves a good opportunity for all the members to review and plan forward for the growth of our organization. Under the strong leadership of National President Justin, NOM has demonstrated a real focus of work which align all the 18 LOMs together to make things happen.

It is no doubt that we will continue to face numerous challenges under the rapid political and social changes of Hong Kong. However, with a clear direction to achieve the mission of our organization, I am sure that the newly elected NOM EXCOM in this Convention will continue to lead our organization to further success.

Taking this opportunity, I would like to appeal to all our Senators and senior members to make continuous contribution to our beloved organization. Your resourceful support and participation are always great encouragement to the members.

Message from Chairman, Long Range Planning Committee

Time has come for the consolidation of one year's hard work. I can see that all the LOM and NOM officers have tried their very best to achieve the targets that they have set at the beginning of the year. No matter how much they can achieve, the valuable experience and everlasting friendship should be treasured.

Next year will be an important year to all the people in Hong Kong as we all have to face the changing of sovereignty. It is not only a time to consolidate, but also important time to plan ahead. I do hope that all the current and incoming officers will keep playing active roles in serving the community and our beloved organization in the coming year. Message from Convention Director

It is a great honour and pleasure for us to host the 31st National Convention which is the first time and a breakthrough in the history of Ocean Jaycees since its formation in 1987.

Throughout the past twelve months, we tried our best to make this annual event a memorable one to all delegates. To make a difference, the Opening Ceremony with entertaining programme is held in the concert hall of Hong Kong Cultural Centre and which is the first time we have this programme opened to public. It is also the first time we have a Graduation Ceremony included in the Convention for our salutes to the graduates for their contributions to the Jaycees.

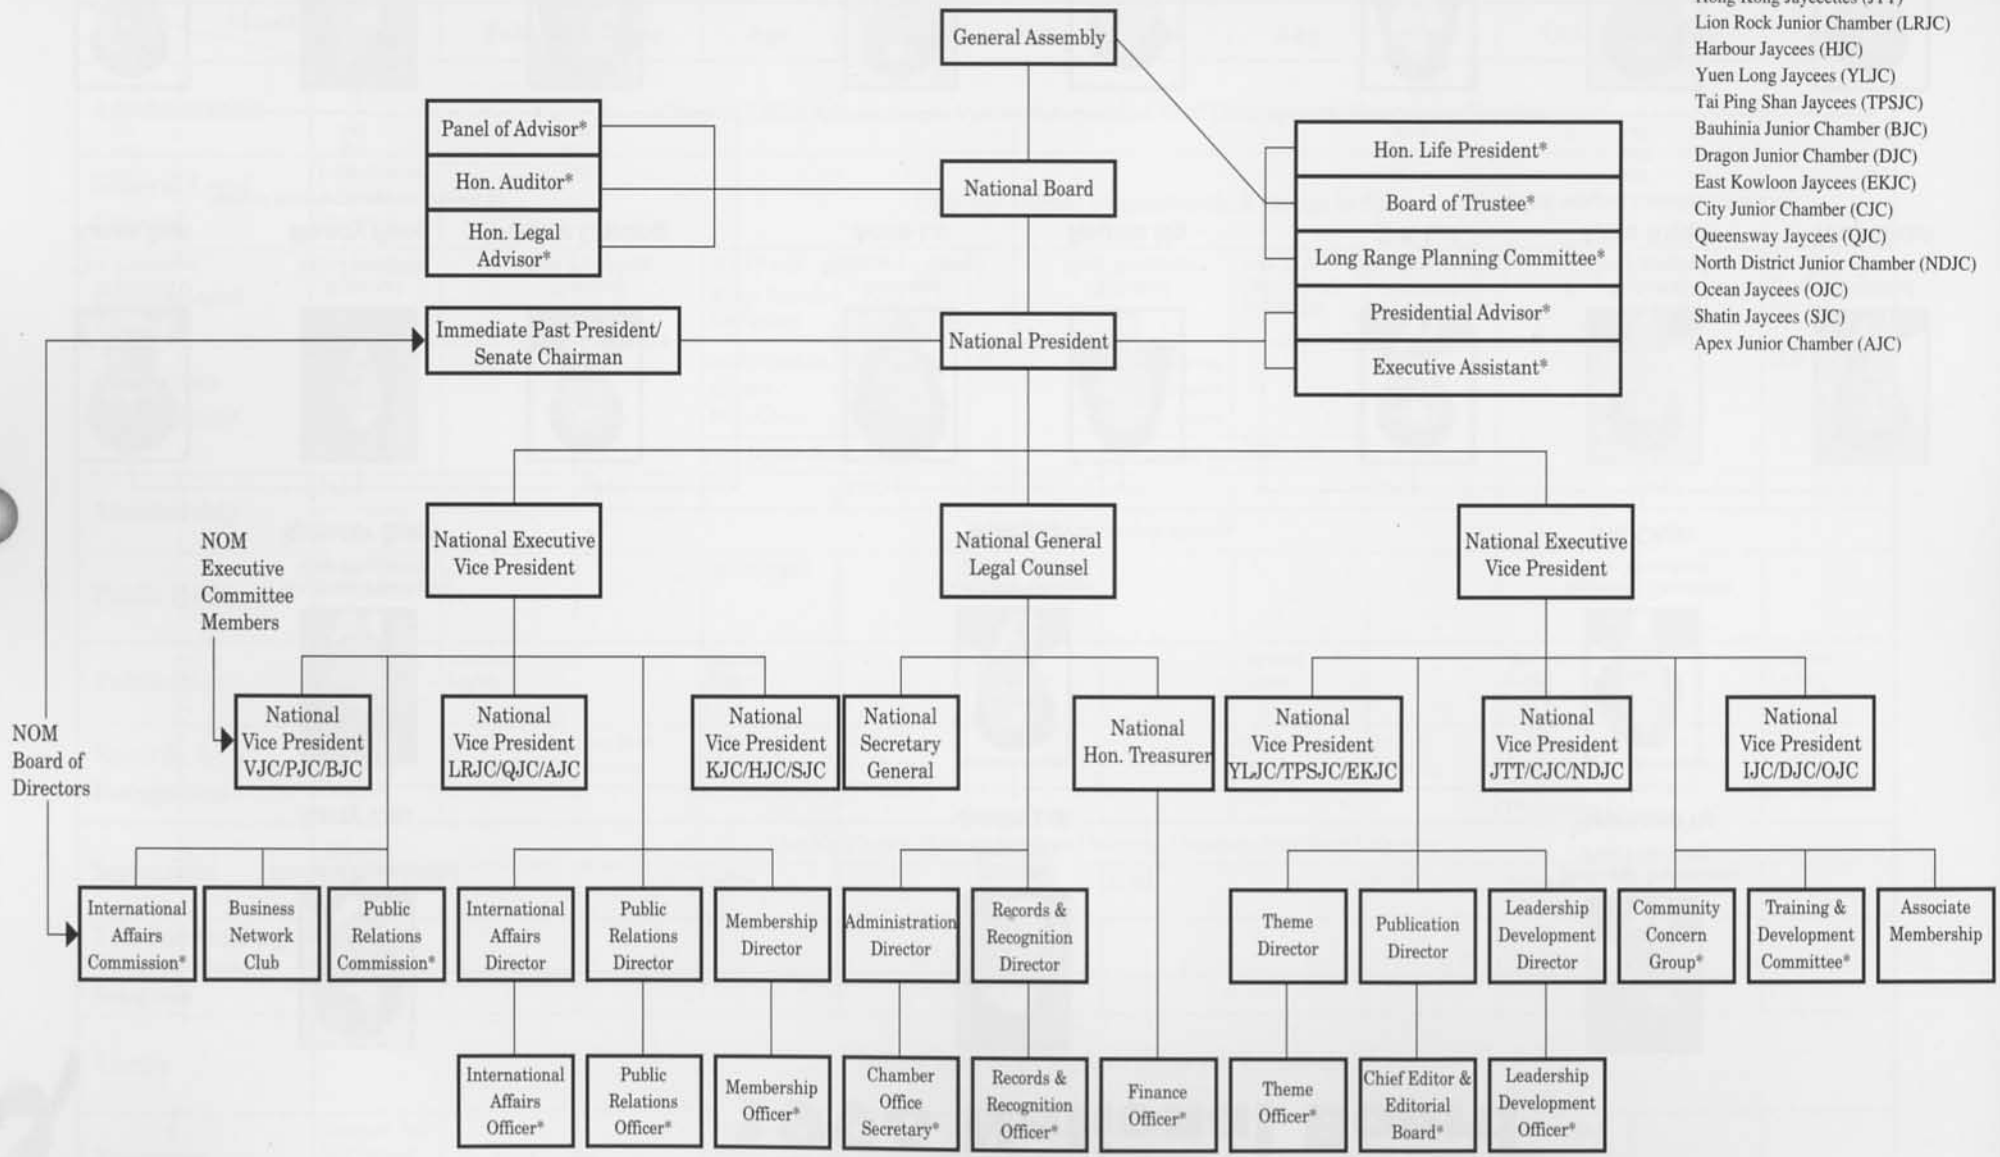

Being a major business hub in the Asia-Pacific region, what changes to the Hong Kong Enterprise when Hong Kong becomes a Special Administrative Region of China next year. To explore this, the theme "Entrepreneurship : Challenges and Advancement" was chosen for this Convention.

For such a large-scale project, it would not have been possible without the support from the various parties.Taking this opportunity, I would like to express my heartfelt appreciation to our Guest of Honour, Secretary for Transport, Mr. Gordon Siu, JP, and our distinguished speakers for their support to this Convention. I would also like to extend my sincere gratitude to Top One (Group) Karaoke Box Ltd. and Tuborg Beer for their generous sponsorship for this project.
