II. Major Emphasis Theme

"Care For Youth, Develop Our Future Leaders" was adopted in the second consecutive years as our Major Emphasis Theme in echo to our commitment to the spirit of Youth Charter and also JCI's subtheme "Future of Children".

So far, more than 10 LOMs projects were launched under this MET umbrella with very encouraging results and positive impact for the community. It was recommended that same theme should be continued for a period of time so as to sustain a stronger impact and create a long term values for the community.

III. Administration, Finance and Communication

i. Administration

With the increase of experience and skills of Chamber Office staff, NOM administration has run very smoothly and received favorable comment from all the members. New membership database and facsimile machines were installed to enhance efficiency of administration. Office guidelines and procedures were also clearly stated and observed by all members. Besides, membership cards from JCI were also despatched to all members

ii. Finance

As of August, all the income and expenditure were within the budget control. It was expected that the financial year will end up with a balance statement of income and expense. Though external corporate sponsorship was beyond target, it was compensated by the very good result of fund raising inaugural ball.

iii. Communication

Four Joint Board Meetings and three Joint Directors Meetings in EDP were scheduled to enhance formal internal communication. Weekly mailing services were also provided by Chamber Office for all the chapters to despatch their information. So far, four issues of NOM publication "Harbour Lights" were published. NAEO continued to be a key communication bridge between NOM and local chapters. It was suggested more informal gathering would further enhance the communications.

IV. Growth and Development

In this year, the membership target was set at 1,300 by 1995 Glasgow World Congress. However, though external effort were made to recruit new members through newspaper column and JC week, the year to date membership was still beyond the target by 5%. All the LOMs needed to work harder to induct more members in the rest of the years. A close relationship was kept with AIESEC through NIPP to offer assistance of its development.

Regarding to the new fifth area of opportunity, business, an Ad Hoc Committee headed by NVP Senator Mary Auyeung has compiled a report of recommendation to LRPC for consideration. We would work out a balance of five areas of opportunity for all the members.

V. Marketing

Government officials were invited to be our Guest of Honour in NOM key activities including Inaugural Ball, National Convention and TOYP Award Presentation. A close relationship was also maintained with Xin Hua News Agency. Besides, we also promoted to the LOMs to echo to some of the activities initiated by the government.

We have secured regular press medium to report the JC activities. In April, we have organized JC week to celebrate 45th Anniversary and promote our organization to the public.

Change of name for our organization was still under progress and PR handbook would be issued before end of this year. The PR handbook would serve a proper guideline for all our members and LOMs to follow.

VI. Leadership Development

In this year, we continued to promote "Leadership Development Through Involvement" to all our members. Thus, member training, executive development programs and President Academy were provided for all the members with different levels of experience. Trainer circle gathering were organized to train up our trainers. Besides, we rely on TDC to market our trainings to external organizations and international level.

VII. Internationalism

There were totally more than 138 delegates attending Cheji ASPAC Conference which broke the records of delegates in attending overseas Conference/Congress. During ASPAC Conference, we have won five NOM and four LOM awards.

JCI VP Theresa Alberto visited Hong Kong in February 95 while JCI WP David Oji also played a visit to us in August 1995.

National also had a delegation to visit All China Youth Federation at Beijing and Hangzhou in August 1995.

In this year, 1993 National President Senator George Lung served as JCI EVP and Senator Henry U also served as Executive Assistant to JCI EVP. In ASPAC Conference, I was elected as APDC Councillor in 1996 and JC Anita Kwan was elected as Director of JCI APSAC Senate Board.

VIII. Commissions and Others

In this year, we also promoted "Bring Family to Jaycees" program to encourage more JC's family members to attend our functions.

PR Commission was also set up to take care the PR matter and issue PR handbook as our corporate image guidelines.

NOM was also being coordinated on the review of Charter for Youth for all the chapters.

With regards to all the work of commissions and committees, we continued to emphasis on having those groups to play a strategic roles in our organization.

IX. Conclusion

In these eight months of time, National Board has been making continuous efforts in ensuring the achievement of targets as stated in the plan of actions. Though there are areas which can further do better, most of our activities and work were executed with satisfactory results. The essential elements of success was a high level of teamwork demonstrated by all the board members. With their dedication and commitment, we have a very smooth administration of the year.

In the rest of the year, we need to pay more attention in the MET project which has been delayed for a while. Also follow up work on the change of name of our organization needs to be speed up. In the financial area, with a tighter control of budget, we can meet our financial goal of the year.

For the long term development of our organization, it is suggested that membership growth and development should continue to be our future emphasis. On the other hand, we need to define clearly the roles and expectation of different offices in both NOM and LOMs. It is more important that both NOM and LOMs should spare more resources in building up external relationship with external organization and government. By having a strong image and sustaining our values for the community, we can continue to grow our organization and deliver our mission.

Lastly, I would like to thank all my National team and NPA Junia Ho for their support and hard work in this year. Also, I need to extend my appreciation for the advice provided by my panel of advisors and past National Presidents. Besides, I must also emphasis that all our achievement totally rely on the participation and involvement of all the LOM presidents and members in the 1995. Thank you very much for their support throughout the year.

1995

30th National Convention
Oct 6-8, 1995

Report from Senator Ronald Ho
National Immediate Past President

1. FOREWORD

As the National Immediate Past President (NIPP), I must say that I have enjoyed it just as much as lasty year. I did not realize it is still so busy, so active and so interesting.

On the organization level, I find the issue of 'Mobility' or 'Turnover Rate' is affecting the Jaycee (JC) movement more and more. This is something we must admit and pay more attention to.

Also we have to put our ideas into actions such that JC functions/projects, especially those organized or led by the National Organization (NOM), should aim at QUALITY and LONG-TERM IMPACT.

2. Ten Outstanding Young Persons Selection (TOYP)

Since last year, the NIPP has become the Supervising Officer of our most renowned project. I can see and believe that this is indeed an appropriate arrangement to maintain/improve quality.

In 1995, we continue to have Manulife Financial to be our sole sponsor and they increased the amount of sponsorship to HK$350,000 from the HK$300,000 last year, reflecting their confidence and appreciation of the project's value.

Also we are pleased that the Chief Secretary, The Hon Mrs Anson Chan and Sir Roger Lobo, The Hon Miss Rosanna Wong, as well as The Hon Mr. Nicholas Ng continue to be our Patron and form our panel of judges respectively. We have invited Professor C.K. Poon and Dr. Ronald Leung to join the panel too while Arthur Andersen & Co is kind enough to again serve as Selection Consultant.

This year promotion of TOYP is extremely extensive and consists of the followings:

- Leaflet and nomination form designed by the famous 1979 TOYP awardee designer Mr. Kan Tai-Keung.
- Weekly press supplement in Sing Tao Daily's 'Lan Kwai Fong'. column (Jun to Aug 1995).
- Weekly radio program in Radio Hong Kong's '晨光第一线' (Jul to Sep 1995).
- 2 press conferences (June 11 and Oct 22)
- tram parade (Aug 6).

- posters displayed at Home Affairs office outlets, MTRC stations and KCRC stations.
- presentations at various organizations like the Rotary Clubs, Life Underwriters Association and so on (when such arrangements can be made).
- issuance of commemorative phone cards.
- the grand final Award Presentation will be held at the H.K. Cultural Centre on Nov 26.

From the initial response, we do expect very good results and I would like to thank project chairman JC Angela Ying, 3 Deputy Chairmen Senator Cariann Yu, Senator Anita Kwan and JC Lawrence Lam and all the other Committee members (Over 30). I am grateful for the input by advisors Past National President (PNP) Senator Daniel Cham and Mr. Patrick Lau, Vice Chairman of The Outstanding Young Persons' Association.

3. SENATE

Under our Constitution, the NIPP also takes up the chairmanship of the Senate Group (unless he is not yet a senator). I am fortunate to be able to seek assistance from many senators to fulfil my responsibilities in this respect.

For the Senator Screening Committee, I welcome the followings as members :

1986 PNP Senator NG Leung Yau
1993 PNP and 1995 JCI EVP Senator George LUNG
1993 GLC Senator Ivy TAM
1989 NSG Senator Paul CHAN

The first meeting of the committee was held on July 4 and the relative nominations will be sent to Junior Chamber International (JCI) for approval. It is expected some new senatorship will be presented during this Convention. Two more meetings will be held on Sep 8 and late November.

Regarding the Senators' gatherings, two meetings have been held. The first gathering was held on April 25 as part of the programs in the 45th Anniversary Celebration of Hong Kong Junior of Commerce (HKJCC). Over 70 persons attended, including more than ten PNPs, NOM/IOM Officers, senators and other JC members. We are honoured by the presence of three very senior senators. They are Hon. Life President PNP A.de O Sales, PNP J.S. Lee and PNP Mohan Gidumal and they presented respectively a historic photo, the first memorandum and articles association of HKJCC (1952) as well as the first issue of Harbour Lihgts (1967) to NOM.

The second Gathering was held in the Royal Hong Kong Golf Club in Deep water Bay in a very relaxed and casual manner, which aimed at providing a good occasion for a family event and a change from the usual dinner talk format. It was attended by about 30 persons including 1988 Past World President Senator

Jennifer Yu and six PNPs.

The third and fourth Senators' gatherings are scheduled to be held during this Convention and in early December.

I would like to take this opportunity to thank all the members of the Senator Screening Committee, senator K.M. Lau, senator Carrie Shiu Ting, Senator Peggy Yen and senator John Ma for their help.

4. AIESEC

They are an international student association comprising mainly of students from the schools of Economics but it is now spreading to other faculties as well.

Since 1992, we have kept in close contact with the AIESEC in Hong Kong. NIPP is responsible for acting as their advisor and two meetings have been held in Jan and July this year. We offer assistance in providing training to their members, assistance in forming their version of " Trainers' Circle " and sharing management experience.

5. Nomination Chairman for 1996 NOM Executive Election

NP Senator Raymond appointed me as the Nomination Chairman and the followings as members:

1981 PNP Sen. Edmond Pang
1987 PNP Sen. Nora Cheng
1991 PNP Sen. Daniel Cham
1992 PNP Sen. Eddy Wong

The candidate training school will be held on Sep 10, 1995 at the Eaton Hotel while the Caucus/Interview Session and the Election will take place respectively on Oct 7 and Oct 8 during the Convention.

Taking this opportunity, I want to thank all the Nomination Committee members for their contribution.

6. Others

6.1 Commission on Youth

Two years after the launch, in 1995 the Commission on Youth will commence a review on the progress of the Youth Charter.

I co-ordinated our participation in initial review meetings where representatives from NOM, Peninsula JC and City JC were present. The meetings agreed on the structure of the central review committee, the guideline on the report format and the open forum that will follow. NVP Kenneth Ho was kind enough to attend the follow-up meetings and co-ordinate the

participation of all JC Chapters.

6.2 Panel Speaker at the H.K. Council of Social Service

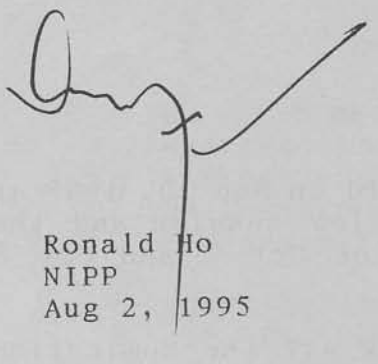

I was honoured to represent HKJCC and accepted their invitation to attend their AGM as a panel speaker. I was invited to talk about "the changing Economy and its relationship with Youth Development". The seminar was well-attended and response was good.

7. Conclusion

1995 has been another fruitful year for me. However, I observe the difficulties of NOM organizing large scale projects like the MET project. I believe that we should consider adopting a more long-term Major Emphasis Theme, say for three to five years.

To create greater and greater impact in the society, it takes time for us to build up the reputation and improve ourselves by continuous endeavour.

Last but not the least, I would like to thank all the JC members and senators who have extended their helping hands to me in order that I can fulfill my responsibilities as the NIPP.

2. Secretariat

The Secretariat is under the supervision of NSG Senator Amy Leung, with the support from the two Chamber Office staff. Regular meetings were held according to the Plan of Actions. As of August 31, two EGMs have been called this year to finalise the audited account of 1993 and the consensus in change of name of the organization. The National Convention was hosted by the Harbour Jaycees this year and the supervision of NSG. For details of secretariat, please refer to NSG Senator Amy Leung's report.

3. Finance Management

The Chamber Office runs a yearly expenditure of approximately HK$1.4 million in 1995. This expenditure is offset mainly the membership fee, proceed from the 1995 Inaugural Ball and Fund Raising Drive, membership supplies, advertisements; as well as the sound financial management of National projects and commissions.

The fund raised at the 1995 Inaugural Ball was at record breaking this year at HK$230,000.00, representing more than 50% over our target of HK$150,000.00. I must acknowledge with special thanks to the dedication from project chairman S C Mok who is also our incumbent National Administration Director, our supervisor National Hon Treasurer Jaycee Thomas Ho, and majorly, the support from all the LOMs.

A corporate sponsorship has been obtained from KODAK through the liaison work from National President Senator Raymond Yu.

Proceeds from the 1993 Hong Kong World Congress has been transferred to the Hong Kong Junior Chamber of Commerce per bought up shares. The proceeds have been used to repay the outstanding mortgage loan and interests incurred in buying the Chamber Office in 1990, and arrangements are being made in setting up No. 3 Trust Fund in due course.

With the dedicated efforts from NHT Thomas Ho, a fund of close to HK$120,000.00 have been raised to the Kobe Junior Chamber in support of the casualties and damages resulted from the earthquake at Kobe.

The 1993 audited account being adopted at April Joint Board Meeting on April 9, 95.

The 1995 Administration expect to be able to achieve balance between current year's income and expenditure.

4. Administration

Rules and Regulations of Chamber Office was published and monitored by NAD S C Mok. Focus attention and action have been made throughout the year in upgrading the service of Chamber Office under the leadership of NAD S C Mok. The highlights being:

- More efficient and timely mailing service
- Additional furniture for both Chamber Staff and LOMs' stationery
- Continuous updating of NOM Directory contents and contacts
- Updated list of circulation of NOM's Newsletters to Government Secretaries/Department Heads,
- Membership data monthly update
- Submission of National Publication, Membership Dues, and information as required as JCI 100% Efficiency Program
- Improvement of current filing system
- Standardisation of Invitation Stationary
- Communication of JCI News to LOMs regularly, and postings at Chamber Office Bulletin Boards.

JCI 100% Efficiency Program

As of August 31, Hong Kong Junior Chamber of Commerce maintain maximum score at the JCI 100% Efficiency Program and a subsidy of US$631.00 has been received.

Filing of change of directorship and audited account at Company Registry

Chamber Secretary Ms Glory Chan has assisted the filing of incomplete directorship and audited accounts dated back to the year 1985 until current at the Company Registry.

With special assistance and acknowledgement to Jaycee Arthur Lui from Dragon Jaycees, solictor by profession, a memo on "Advice in relation to the filing of annual return, preparation of the annual accounts and the filing of the notice of change of directors and secretary by a company not having a share capital" have been circulated to all LOM Presidents for reference.

Change of Name to Hong Kong Junior Chamber

Per Hon Legal Advisor David Choy's advice, we are in process of finalizing 1994 audited account before a change of name of assets can be conducted. The National Organizatin will strive to complete the process within 1995.

Maintenance and change to the Memorandum & Articles of Assocation will be carried out at the same time to adopt the objects of "Business Opportunity" as initiated and adopted at JCI level.

5. Records and Recognition

The local 100% Efficiency Index has been revised and adopted at 1995 January Joint Board Meeting.

This year, the Local Awards Manual have been revised to be more in line with the marking system of World Congress while consideration to local award circumstances have also been maintained. The Local Award Manual was drafted by NRRD Anne Lo, reviewed and adopted at May Excom meeting.

Hong Kong Junior Chamber of Commerce has won 5 National Level awards and 4 LOM awards at the 1995 Cheju ASPAC Conference. The National Awards would never have been won without the full support of the members from local chapters and we showed great appreciation. The attempt at National Level to bid different awards have proven promising and worth considering in upcoming conferences or congresses.

The pending job for the year is to document and update contents at the Chamber Library. This job is expected to complete before end of the year with circulation to LOMs for reference.

6. Other Assignment/Involvement

a) I was assigned to consign some children books collected for Mongolian Junior Chamber. Local sponsorhsip of the shipping fund being obtained already and the job will be completed by early October.

b) I have been invited as speakers this year at the following occasions:

- Shatin Jaycees Training School on "Project Management"
- National Bid Book Seminar
- City Jaycees Bid Book Seminar

c) I am currently assisting in co-ordinating a TVB program on "97透視 " with a view in looking at the impact of Hong Kong Junior Chamber of Commerce to the young people in Hong Kong from different angles.

d) Attended ASPAC Conference at Cheju in May and the annual official visit to The All China Youth Federation Beijing-Hangzhou in August.

Conclusion

As the General Legal Counsel this year, I was very fortunate to have a team of dedicated and competent team members and I must send my special appreciation acknowledgement to National Secretary General Senator Amy, National Hon Treasure Thomas, National Administration Director S C Mok, and Records and Recognition Director Anne. My appreciation also goes to our National President Senator Raymond Yu, who has been very supportive to my role; and to National Presidential Advisor Senator Junia Ho, who always willingly share her opinion and advises.

In reviewing the work of Junior Chamber this year, my recommendation is that we should expend more energy in creating a stronger network within Jaycees and the available resources; as well as more emphasis in building up the association with Governments and other similar organizations at the National level. It is no doubt that a lot of challenges is lying ahead of us and that is why we are here. I send my best wishes to the incoming Board of Directors.

Report from National Executive Vice President Justin Lui

1. Foreword

It is my honour to serve Hong Kong Junior Chamber of Commerce as a National Executive Vice President (NEVP) in 1995. As entailed in the Policy Manual, I am responsible for overseeing three areas - Leadership Development (LD), Publication and Theme, and three commissions - Business Network Club (BNC), Community Concern Group (CCG) and Training & Development Committee (TDC). I have great pleasure to report to the General Assembly of the 30th National Convention.

2. Team Members

LD area	- National Leadership Development Director (NLDD) Louise Chan
Publication area	- National Publication Director (NPD) Cindy Kwan
Theme area	- National Theme Director (NTD) Winnie Ho (Jan. - Aug.)
BNC	- National Vice President (NVP) Mary Au Yeung
	- BNC Chairman Alex Ku
CCG	- NVP Kenneth Ho
	- CCG Chairman Regina Ng
TDC	- NVP Iris Chan
	- TDC Chairman S.K. Lai

3. Report on Areas and Commissions

3.1 Theme Area and CCG

With the efforts of NTD Winnie, we have united local chapters to conduct over fifteen community projects under the 1995 Major Emphasis Theme (MET) "Care for Youth, Develop our Future Leaders". As for NOM, the MET Project aims at motivating local young people to beware the developments of China and Hong Kong and to get well prepared for the future. With NTD Winnie's resignation in August, I attach in the Appendix a report on the Theme area.

Alongside, the CCG aims at arousing our social awareness, to develop our sensitivity to problems of the society and to express our opinions on social issues. Our ultimate goal is to develop leaders who do not only excel in their professions but also have strong community sense. CCG Chairman Regina has reported in detail on the CCG activities.

3.2 LD Area and TDC

We seek to enhance member quality through the joint efforts of the LD area and TDC. NLDD Louise has organized eight training programs for members and three for NOM/LOM officers in a bid to equip them for future challenges. Meanwhile, TDC continues to improve our programs. It also arranges activities to enhance the skills and knowledge of our coaches. With improved coaching quality, improved programs and our unique learning-by-doing training provided to members, we remain to be a proclaimed leadership development organization. Please refer to the reports of NLDD Louise and TDC Chairman S.K. for the efforts of the LD area and TDC.

3.3 Publication Area

We set to publish six bimonthly issues of Harbour Lights and a year-end summary this year. With the hard work of NPD Cindy and the Editorial Board led by Chief Editor Linda Wong, we continue to improve Harbour Lights to make it a more efficient channel for internal communications and a more effective tool for promoting Jaycee image. Please see NPD Cindy's report for details.

3.4 BNC

Under the leadership of Chairman Alex, BNC continues to be a vital media of business networking among local members and local business bodies, that with the Chinese business entities and that with the counterparts of other NOMs and JCI. Please refer to the report from BNC Chairman Alex for the output of BNC.

4. Report on Other Assignments

4.1 LD Seminar during JC Week

We launched the LD seminar "Success in Your Hands" on 29 April for the purposes of external marketing and internal training. Mr Emerson Lai and JCI EVP George Lung spoke on "Beyond Positive Mental Attitudes" and "Principle Centered Leadership" respectively. There was an attendance of 220. Thanks to Chairman Eric Ng and his organizing committee for the excellent work.

4.2 Ad-hoc Committee on Business Opportunity

NVP Mary convened the "Business Opportunity" ad-hoc committee earlier this year to study the scope of service provided to members under the newly adopted "Business Opportunity" and the implementation of it. I participated as an ex-officio. The recommendations submitted by the committee are now under review.

5. Acknowledgement

I wish to thank all Hong Kong JC members for giving me the opportunity to serve as an NEVP. 1995 is again a rewarding year. I treasure very much both the challenges that I have taken up and the training opportunity that I have been given.

Taking this opportunity, I would like to thank my mother chapter Apex JC for their understanding and support rendered during the year. My heartfelt thanks should go to my team members - Mary, Iris, Kenneth, Louise, Winnie, Cindy, Alex, S.K., Regina, area officers and project organizing committees for their dedication. My appreciation also goes to National President Raymond, Publication Advisor Connie and other National Officers for their advice, encouragement and assistance.

Justin Lui
National Executive Vice President

Appendix : Report on Theme Area

1. Introduction

This year's MET is same as that for 1994 "Care for Youth, Develop Our Future Leaders". The theme does not only echo the JCI sub-theme "The Future of Children", but also reinforces our commitment to the spirit of "Charter for Youth" in providing balance program for youth.

Caring for youth, the future leaders of our community, is consistent with one of our objectives of community development. Developing our future leaders is also in line with our expertise and the objective to position the organization as a leadership development organization. These are both opportunities and challenges for our members.

This year the NTD is responsible for co-ordinating two streams of activities, entitled the "MET Project" and "Activities under the MET Umbrella".

2. NOM's MET Project

Being the first project of its nature in the local Jaycee circle, the NOM MET Project aims at motivating local young people to beware the development of China and Hong Kong and to get well prepared for the future. It consists of surveys that reveal the following aspects of youth aged between 18 to 35: (1) their views towards the future of Hong Kong; (2) their awareness of possible changes Hong Kong will experience by 2000; (3) their adaptability to possible changes; (4) their views on the influx of workers or professionals from China; and (5) their understanding on China.

We commissioned a research team of the Hong Kong University to conduct the first survey in May. Preliminary results indicated that local young people are worried about the political future of Hong Kong. They are against the scheme of the importation of labour and professionals because of the potential threat to their employment.

We are now in the planning stage of the second survey targeted at university students. We plan to complete this survey in September with the assistance of AIESEC(HK) members. It would provide insight on how local university students view themselves, how they view their Chinese counterparts and how they conceive the challenges and opportunities lying ahead of them.

The project will conclude with a result announcement session and an open forum to be held in late October or early November.

We have been facing serious manpower problems. In the first place, we did not have enough organizing committee members to work on the project. Even worse, our Project Chairman Edward Tse resigned in August due to his heavy job and family commitments. We are now looking for another chairman. Meanwhile, we have formed a five-member team comprising NVP Rosalinda, NVP Kenneth, NTO Rebecca, Senator Connie and myself to work on the second survey.

3. Activities under the MET Umbrella

The following table summarizes the LOM projects that echo the MET.

Launching Date	Activity	Hosting LOM
April	International Children Drawing Contest	Harbour
	Environmental Seminar and Site Visit	Queensway
May	Re-use of Waste Contest	Apex
June	Youth Public Speaking Contest (China-HK)	Ocean
July	Against Pornography Day	City
	NT Region Outstanding Student Selection	Yuen Long
	Healthy Diet for Your Family	Peninsula
	Student Exchange Program with Japan	Shatin
	Seminar & Exhibition on Eye Care	North District
August	Exhibition on Children Drawing Entries	Harbour
	Innovative Entrepreneur Award of the Year	City
	Children Public Speaking Competition	North District
	Environmental Creativity Parade	City
	Civic Education Program	Bauhinia
	Inter-Chapter Civic Knowledge Contest	Apex/Bauhinia
October	NT Region Junior Music Talent Contest	Yuen Long
November	Sexual Harassment of Children Seminar	Ocean
December	Influence of Mass Media (Debate/Drama)	Queensway

Notes: LOMs provided information in May.
Most of the project names were translations from originals in Chinese.

The idea is to have collective impact with the following wordings appeared on banners and promotional materials:

"Care For Youth, Develop Our Future Leaders" '95 Theme Project Series

< Project Name >

< Date >
xx Junior Chamber

However, participating LOMs failed to follow the above suggestions due to various reasons. I would suggest this arrangement be adopted in 1996 with the requirement conveyed to LOMs early enough, say in late 1995.

4. Other Activities Co-ordinated by Theme Area

There are two other activities under the co-ordination of Theme area. They are JCI's "The Future of Children Photo Contest" and Home Affairs Department's referred program "International Day for Disabled People". There were enquiries from LOMs. However, we have not yet seen commitment from LOMs on either program.

5. Closing Remarks

For the convenience of LOMs in planning future community development projects and the sake of creating impact with program continuity, I would suggest this year's MET "Care for youth, Develop our Future Leaders" be continued in 1996.

Lastly, many thanks to NPA Junia for her invaluable advice on the NOM MET Project.

Being a NAEO of City JC, I am feeling very interesting and challenging to attend their functions. City JC puts a great effort on public image and get a great success. REPORT FROM NATIONAL VICE PRESIDENT
SENATOR MARY AU YEUNG

1. FOREWORD

1.1 To serve the organization as National Vice President this year is the greatest satisfaction I gained so far in my jaycee career. The roles as National Assigned Executive Officer (NAEO) to three assigned LOMs and co-ordinator of the Business Network Club (BNC) have given me valuable experience which I believe will strengthen my personal development in the years to come. I was also appointed as convenor of an ad hoc committee to study the fifth area of opportunity - "Business Opportunity" - a report of the Committee was submitted to the Opening General Assembly under agenda no. 8.

1.2 It is my honour and pleasure to present to the Generaly Assembly my report summarizing the activities I have carried out in 1995 and general observations of my assigned LOMs and BNC.

2. ASSIGNED LOMS

2.1 INTRODUCTION

I was assigned as National Executive Officer to East Kowloon Jaycees, Queensway Jaycess and Ocean Jaycees. I attended board meetings, fellowship gatherings and selected functions of these chapters with a veiw to familiarise myself with the development of my assigned chapters and at the same time acquainted with their members. I acted as the communication channel between NOM and LOMs; conveying the latest information regarding JCI and NOM to the LOMs and relaying feedbacks and suggestions to the NOM Board. Close contacts were maintained with the chapter Presidents during this period. All assigned LOMs were encouraged to conduct mid-year evaluation and guidelines were provided.

2.2 EAST KOWLOON

2.2.1 1995 is certainly a very challenging year for President Anthony Cheng and his board of directors. They started off without a full board and some board members then have to share extra responsibilities in addition to their normal duties. Most of the board members were green and inexperienced in chapter administration.

2.2.2 Initially these had created problems for the smooth operation of chapter affairs. However, with the dedicated and enthusiastic efforts of President Anthony and his board, they joined hands to overcome these problems. They adopted the correct approach to strengthen its membership base by cutting off inactive prospective members and putting emphasis to develop and train newly-join prospective members. Care was also taken to ensure greater participation on the part of senior members as East Kwoloon Jaycees are celebrating their 15th anniversary this year with a series of activities under the project "Fabulous Fifteen".

2.2.3 Turning to the second half of the year, the capable leadership of President Anthony began to show effects as the board has become a more matured and united team. They are efficient and effective in serving both the organization and members. Members are now more active in participation. I therefore have confidence that the East Kowloon Jaycees will continue to grow in both quality and quantity.

2.3 QUEENSWAY

2.3.1 The slogan for Queensway this year is "Queensway is fun". A balanced year plan was devised at the beginning of the year. Projects have been carried out as scheduled, although there were delays in some cases due to bad weather and other unforeseen circumstances.

2.3.2 President Jeff is a true jaycee who leads by example in sacrifying his time and efforts for the improvement and development of his chapter. He motivated his board of directors and inactive members to get involved in chapter affairs. Although the board encountered communication problem amongst itself and with general members, this was overcome by introducing a network system within the chapter.

2.3.3 As a normal practice of the Queensway Jaycees, quality training and community projects were organized during the past months from which not only Queensway members but members of other LOMs and the community as a whole were benefited. Creative ideas in fund-raising were executed in projects like "U can Fly", "Phantom of the Opera" and "11th Anniversary Pyjamas Party".

2.4 OCEAN

2.4.1 This year the chapter was served by a group of young, enthusiastic and energetic board members. Up to now, much of year plan was

executed according to schedule; including the 8th anniversary fund-raising ball, the signing of a permanent friendship with Zhongshan Youth Federation and a speaking competition between children of Hong Kong and China.

2.4.2 To prepare the Chapter for the bidding and hosting of the 1996 National Convention, emphasis was put on membership recruitment and retention. A screening procedure for prospective members was introduced this year to give them an overview of the Chapter before they were put to work on projects. Internal PR activities were organized to maintain the close links of senior and new members. Organizing joint projects with other LOMs definitely enhanced inter-LOM relationships and mutual understanding and placed OJC in good stead to prepare for the tough work of organizing the 1996 National Convention.

2.4.3 Under the strong leadership of President Joseph, the Board of Directors were motivated not only to undertake their planned projects. Ocean Jaycees gave strong support to National in hosting a few National projects. The senior members and past Presidents of the chapter contributed their advice, expertise and support throughout the year to the board ensuring smooth operation and maintaining the culture and well-established traditions of the chapter.

3. BUSINESS NETWORK CLUB (BNC)

3.1 BNC, chaired by Jaycee Alex Ku for the second year, continued to provide members the opportunity to maintain business contacts within the jaycee circle. Members' gatherings were organized regularly (almost monthly) and prominent guest speakers were invited to enlighten members on the newest business trends and to share their valuable experience on business successes.

3.2 Besides internal fellowship, links were also made both locally and overseas. Locally, joint gatherings were organized, courteous visits were paid to and contact were made with relevant bodies to enhance BNC's relationship with them and project a positive image of the Club. Internationally, a business tour was made to Guangdong, in which participants met officials of the Guangdong Province and visits were made to factories in the vicinity. International networking linkage was also made possible through the JCI Internal Business Network (IBN) and the Classified Industrial Group of Japan Junior Chamber.

4. OTHER ASSIGNMENTS

4.1 IBN DIRECTOR

4.1.1 I was appointed by the National President as the National IBN Director for Hong Kong Junior Chamber of Commerce (HKJCC). The main responsibilities of this post is to promote IBN to local LOMs and assist the IBN Council to recruit IBN associates.

4.1.2 At the Cheju ASPAC held in June, I attended the Area B IBN Council meeting and reported on the future development of business network of HKJCC.

4.2 AD HOC COMMITTEE ON "BUSINESS OPPORTUNITY

4.2.1 With the adoption of the 5th area of apportunity - 'Business Opportunity' (''BO") - at the Kobe Congress last year, HKJCC responded instantly and an ad hoc committee was set up to study the impact of "BO" on the development of NOM and LOMs. I was appointed as convenor to this ad hoc committee.

4.2.2 A detailed report with recommendations of the "Business Opportunity" ad hoc committee was submitted to the Opening General Assembly of this Convention under agenda item no. 8.

4.3 MACAU JUNIOR CHAMBER OFFICIAL VISIT

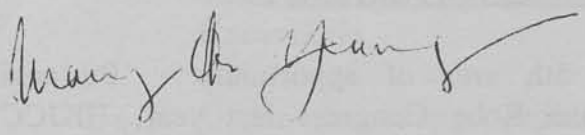

4.3.1 A total of 11 NOM and LOM officers from Macau Junior Chamber paid a visit to HKJCC on 10 June 1995. I acted as co-ordinator for this official visit. Fruitful exchanges were made on NOM and LOM operations of the two places at the dinner reception.

5. CONCLUSION

To conclude, to serve the organization as NVP this year has certainly broaden my breath of outlook and perspectives. I treasured the opportunity of working together with my colleagues at the National Board, from whom I learned a great deal. As NAEO, I had the chance of observing the management of three chapters with different cultures and gained the trust and co-operation of the Chapter Presidents and their Boards of Directors.

6. ACKNOWLEDGEMENTS

To serve as NVP this year has certainly extended my horizon and breath of outlook. Taking this opportunity, I would like to thank NP Senator Raymond and NEVP Senator Justin for giving me the chance to serve the organization at the NOM level and their valuable advice all through this time and BNC Chairman Alex and his committee members for their co-operation. It was also a rewarding experience to have been working with a group of senior members on the ad hoc committee to study on the "Business Opportunity". Finally, I would like to express my sincere appreciation to three outstanding leaders, EKJC President Anthony, QJC President Jeff and OJC President Joseph, for their respect, understanding, co-operation and unfailing support.

Kenneth Ho
National Vice President

Report from National Vice President Rosalinda Hong

It gives me great pleasure to submit my report to the General Assembly in my capacity as National Vice President.

My involvement this year has been in the following:

- LOM development as National Assigned Executive Officer
- Public Relations Commission as Supervising Officer

A. Assigned Chapters

1. Peninsula Jaycees

This year, Peninsula Jaycees continues to uphold its strengths and tradition as an active chapter. Externally, impressive achievements were made in areas such as youth affairs and community development, which managed to capture extensive press coverage through the two projects - "To Know the Simplifed Characters" (唔怕繁，要識簡)and "Healthy Diet in the Family"(健康飲食樂融融). The emphasis on promotion and publicity has been effective in generating public awareness on the Chapter and its work.

Internally, emphasis was placed on increasing the level of participation and commitment from its members through various interest groups and activities. Although the degree of success of these efforts varied from function to function, the Board is, in my opinion, headed towards the right direction by taking care of its members and their needs. In addition, there were conscious efforts made in areas such as membership extension, leadership development and internal public relations, all reflecting the Chapter's keen attitude towards constant improvement in strengthening its membership base while providing better quality services to its members.

Given its long-standing experience and strengths, there is no doubt in my mind that Peninsula Jaycees has all the resources it requires to ascend to greater heights in its future development. I strongly encourage the incoming Board to plan ahead in mapping out a coordinated, developement strategy focusing on both internal and external development, building on the operational and functional strengths which already exist in the Chapter.

2. Dragon Jaycees

With a history of 15 years, Dragon Jaycees continues to demonstrate its strengths in areas such as leadership development and economic affairs. During 1995, the Chapter once again organized the popular "Operation Dragon" military leadership training camp, which attracted a large following from both Jaycee and non-Jaycee sources. The economic affairs project on the "Mandatory Provident Fund Scheme" was timely and insightful, and attracted strong public participation as well as financial support from major corporates.

Internally, much efforts were devoted towards the 15th Anniversary Celebration held earlier in the year, which was widely supported by the members. Another important undertaking is the introduction of the "Commission System" within the Chapter. Although the system is still in the embryonic stage of development, the general response from the members has been enthuasiastic. The experience of Dragon Jaycees in implementing the commision system will possibly serve as a blueprint for other chapters in the near future.

In my opinion, Dragon Jaycees is blessed with a pool of highly-talented and innovative members, who are successful in their careers and will have a lot of experience and expertise to contribute to the development of the Chapter. The key issue is on retaining their interest and commitment. It is my sincere wish that the commission system will prove to be an effective means of drawing the members closer to the Chapter.

3. North District Jaycees

North District Jaycees has achieved a year of remarkable and well-balanced development in 1995. Externally, the Chapter organized two community development activities - "The Children's Silver Tongue Competition" (兒童金口獎比賽)and "Healthy Eyesight for All" (一線之光). In conformity with its geographic characteristics, these activities were held in the North District/New Territories area, which helped to promote the image of the Jaycees in those regions to a great extent. In addition, the Chapter also made significant efforts in strengthening its international relations. Numerous exchanges were made with the Zhuhai All-Youth Federation as well as with its sister chapters in Japan and Taiwan.

Internally, the spirit and level of participation by its members were strong and active, as exhibited by the Chapter's achievements in the LOM Efficiency Index.There were conscious efforts made in areas such as

membership extension, publications and internal administration, the results of which have been very encouraging.

In my opinion, North District Jaycees' strengths lie in its devoted membership as well as an internal administration system which is very well-executed. I sincerely hope that in the coming year, North District Jaycees will continue to focus its community development effort in the North District area and attempt to introduce more elements of innovation into its activities. Given that the incoming Board members are relatively new, more training opportunities should be provided to enhance their leadership skills.

B. Public Relations Commission

Under the chairmanship of JC Wendy Pang, the Public Relations Commision was established in 1995. During the year, the Commission has focused its efforts on the following:

- 1995 Jaycee Week and 45th Anniversary Celebration
- Public Relations Handbook

1. 1995 Jaycee Week and 45th Anniversary Celebration

Held from April 22-29, the 1995 Jaycee Week was staged to achieve multiple objectives including membership extension, external promotion, and the celebration of the 45th anniversary of the Hong Kong Jaycees. There was active support from the 18 chapters which organized numerous activities within the five areas of opportunities during the week.

2. Public Relations Handbook

The Public Relations Handbook is intended to be a reference source for Jaycee members on matters relating to corporate image and external communications. Much efforts have been devoted towards the research and editing of the materials. The P.R. Handbook is expected to be due for completion in the third quarter of 1995.

Acknowledgement

I am very grateful indeed to have had the opportunity to be National Vice President this year. I wish to take this opportunity to thank members of my assigned chapters for their friendship and warm reception throughout the year. I also thank P.R. Commision Chairman Wendy Pang for her efforts and contributions, and members of the National Board for their support and encouragement.

Report From National Vice President --Spencer Suen

1, Forward

I have the pleasure to submit my report to the General Assembly of the 30th National Convention of Hong Kong Junior Chamber of Commerce. As the National Vice President in HKJCC, I have gained a lot of valuable experience, and this experience will benefit my career or my own business in the future.

2, Assigned LOM

This year I was assigned to look after three LOMs, which is Victoria Junior Chamber, Hong Kong Jayceettes, Bauhinia JC. Being the National Assigned Executive Officer of these three Chapters, my duties are to coordinate and assist their development. I also play the roles of an ambassador and counsellor.

2.1 Victoria

As the most senior chapter in Hong Kong Junior Chamber of Commerce, Victoria is the first LOM that changes their corporate name in 1995. Same as HKJCC, they celebrated their 45th anniversary this year. The Board of Directors are working very hard to organize their large scale project "Grand Parents' Day," They also conducted a survey & seminars for the Grand parents name "Urinary Symptom Surveillance Program." It can enrich the content of this CD project, and made this project to generate strong impact to the society. Since there is a quiet significant number of members who are going to be over-age. More emphasis should be put on the recruitment & retention of member so that quality project can be implemented in the later part of this year.

2.2 HK Jayceettes

I realized that she was one of the large outstanding LOM in the family of HKJCC during the past few years, before I took up the position as their NAEO. With the supporting by the experience members & their plentiful resources, they have successfully achieved their ambitious year plan in the past eight months. Some projects, like "Hong Kong / China Youth Life Experiences Camp," and "Environmental Friendly Product Competition," also gained a lot of publicity in the media.

2.3 Bauhinia

The Bauhinia has a group of devoted & aggressive board members. They lead their LOM to have a significant growth of membership. Although they faced the problem of shortage manpower in organizing their projects in the first half of the year, President Wendy mobilize the board of director to implement their projects. She also made a lot of efforts to strengthen their foundation for the future development & direction of the Chapter.

3. Assigned Area

The objective of I A Commission is to arouse the interest of HKJCC member in the area of international affairs. The Commission Chairman is JC Nelson Fung, and two vices Chairman is JC Albert Lui, JC Patrick Yip. Their activities in the past eight months are including I A Handbook compilation, assistant for JCI VP & WP reception, coordination for Beijing ACFY visit.

4. Conclusion

First of all, I would like to thank all Chapter Presidents in 1994. They granted me a full vote to serve as National Vice President this year. Without their support, I do not have a chance to take up this post & treasure this valuable JC experience. As the NAEO of my assigned LOMs, I found that it is rewarding, challenging and interesting one. This will certainly leave behind many memories for years to come.

Taking this opportunity, I would also like to acknowledge the generous support from NP Raymond & NEVP William for their encouragement, guidance & support. My heartfelt gratitude is also extend to I A Commission Chairman, my assigned LOM, especially President Spencer, President Caroline, & President Wendy.

Finally, my best wishes to the incoming National Board for a successful 1994.

Spencer Suen
National Vice President
30 August 95.

REPORT FROM NATIONAL VICE PRESIDENT IRIS CHAN

1. Foreword

It is my honour to serve the Hong Kong Junior Chamber of Commerce as National Vice President for 1995. My major roles are to act as a National Assigned Executive Officer and also as Ex-Officio to the Training & Development Committee. I would like to report to the 30th National Convention as follows:

2. Assigned LOMs

2.1 Kowloon Jaycees

With a relatively small team of Board members, President Queenie has made effective use of available resources by means of concentrating in the development of a few designated areas, namely, membership extension, community development, individual development, while supplemented by informal fellowship gatherings.

This tactic has proven to be useful for in the ME area, as a result of careful nurture and grooming undertaken, many high calibre members were inducted and some of whom are already actively involved in the chapter's activities. My recommendation is to encourage new members to attend more trainings in especially project management, and protocol and parliamentary procedures exercises

In community and individual developments, the Chapter endeavoured to establish the health project and "Happy Manager" project series as landmark activities. I believe the Kowloon members are adopting a correct direction and my recommendation is to implement comprehensive and long term plannings to ensure more effective achievement.

With firm foundations laid area by area, I am sure more talents of the Kowloon Jaycees shall be tapped ensuring the Chapter to grow from strength to strength.

2.2 Sha Tin Jaycees

Under the leadership of President Victor, the Chapter has made good endeavours to raise the Chapter's profile in various respects:

Activities in the areas of opportunity were tackled (with the exception of Community Development which was due to the emmigration of the VP in charge), and their strategy was to continue with popular and meaningful projects whilst novel and interesting projects were implemented. The chemistry generated was positive and encouraging in the establishment of the Chapter's traditions and of contribution of fresh ideas.

In enhancing the Chapter's image and in echo to recommendation by the LRPC, Sha Tin has succeeded in further strengthening ties with the Sha Tin District Board. In addition, issues of quality newsletter were delivered while participation in NOM, LOM and JCI activities were stable.

I believe that Sha Tin has taken many steps to benefit from the respective opportunities and is ready to advance further. To prepare for such I would take the liberty to recommend that more efforts be made to (1) encourage new members to attend basic JC trainings (2) induce tailor make and frequent officers training and (3) attempt more plannings for the Chapter in the long run.

2.3 Apex Junior Chamber

Capitalizing on the momentum set off since the inception of the Chapter last year, President Tony and his team of officers have been working diligently to further strengthen the basis as were laid down and to fine tune the management of the new Chapter.

During the year, the Chapter has made special achievements in the following areas: (1) Close attention was paid to members' needs with timely response undertaken. One of the fine examples was that upon opinions raised by members, a series of training sessions were delivered efficiently catering for needs as identified and was welcomed by members in general. (2) Progressive steps were taken in the international area whereby through communications and organizing a mutual project with the Gifu Junior Chamber, the Chapter has entered into its first sisterhood pact with the same. And through the mutual project, the Chapter succeeded in promoting JCI's "Mottainai" movement to the local community and attention was indeed aroused. (3) Plans to encourage adopting Putonghua as the Chapter's language were proactively implemented. Apart from organizing training courses, the Chapter has launched the first "Inter-chapter Putonghua Competition" and also officers are experiment to report with Putonghua during Board meetings and MFGs. The atmosphere to using Putonghua is building up steadily.

Maturing gradually in the local JC circle, I would recommend for Apex's consideration to (1) establish community connection by means of identifying and establishing ties with a local district board (2) induce more tailor make and frequent officers trainings and (3) attempt to commence plannings for the Chapter in the long term.

3. Training & Development Committee

Coming close to the end of its first 3-year plan, the Committee has solidly established its role as an advisory and long term strategy making body for the HKJCC.

Through careful consideration and execution of the Committee's year plan, Chairman SK and his committee members have excelled in (1) delivering its due services to the NOM, LOMs and the local coaches circle (2) promoting and reinforcing consistently HKJCC's image of training organization to the external and (3) stepping up with concrete plans in program standardization and the certification scheme.

The second 3-year plan for the Committee is under finalization, and with the strong foundations laid, I have every confidence that the plannings and standards of local training activities shall progress significantly and thereby ensuring benefits to the growth of our members, LOMs and ultimately the HKJCC.

4. Other Involvements

4.1 I was appointed Co-ordinator for World President Oji's visit during the period Aug 15-18, with a formal reception dinner held on Aug 16.

4.2 I have assisted in the compilation of the bidbook for the 1994 NOM leadership development programme and the bidbook was submitted for the 1995 Cheju ASPAC.

4.3 I have presented sessions in PMO for Kowloon Jaycees and PMT for Apex Junior Chamber respectively.

5. Conclusion

In closing, I would like to thank the Hong Kong Jaycee members for giving me the opportunity to serve the organization, and that through the process, invaluable experience, exposure and fellowship were gained.

I wish to extend my heartfelt appreciation to the assigned LOM Presidents Queenie, Victor and Tony for their receptivenss and unqualified support rendered, and also my heartfelt appreciation to National President Senator Raymond, National Executive Vice President Senator Justin and all fellow National Officers for their encouragement and support throughout.

The main objective of Lion Rock Jaycees this year is to build up a strong relationship among members and to provide more training to members for the development of the chapter in the following years. Therefore great efforts were put to organize monthly fellowship gatherings, leadership training camps and public relations activities.

In order to attract more members to participate in the monthly fellowship gatherings, President Linda has reduced the reporting time and included a seminar on a special topic covering leadership, community, medical, laws, parliamentary procedures etc. in each monthly fellowship gathering. The success of the monthly fellowship gatherings was reflected by the high members' participation in each gathering. Furthermore, public relations activities such as badminton day, launch party, cycling, outing and monthly tea gathering were organized to strengthen the members' relationship. A video tape introducing Lion Rock Jaycees was also produced for PM Orientations. A leadership training camp has been organized in May with good response and another leadership training camp will be organized in October. Lion Rock Jaycees also hosted the National project "The Hong Kong Selection for the 7th Asian-Pacific Children's Convention in Fukuoka" which was widely reported by the mass media.

Under the leadership of President Linda and the dedicated commitment of the board members, the team spirit is obviously increased and I have confidence that the efforts spent in training and building up team spirit by the Board this year will enable Lion Rock Jaycees to have a fruitful and prosperous year in 1996.

Without their support, it would not be so easy for me to supervise the above mentioned twelve training projects.

Once again, I would like to express my *heartfelt thanks* to :

All the dynamic coaches, dedicated project chairmen and their efficient organising committees &
All LOM Presidents, respective Vice Presidents and LD Directors from LOMs for their cooperation and support throughout the year &

HONG KONG JUNIOR CHAMBER OF COMMERCE

30th National Convention
6-8 October 1995

Report to the General Assembly of the 30th National Convention from National Records and Recognition Director Anne Lo

It is indeed my greatest honour that I am appointed 1995 National Records and Recognitions Director to serve my beloved organisation in the year 1995. I am pleased to submit my report to the General Assembly as follows :

(1) Awards Manuals

1995 HKJCC Awards Manual had been revised in the beginning of the year and distributed to all Chapter Presidents and National Officers in early May. The Award Categories were revised so that a new award was introduced this year : "The Best Environmental Improvement Award". In fact this is one of the Award Categories in the JCI World Congress Awards Manual. The National Board is in the opinion that environmental improvement projects should be encouraged so as to ensure a better living environment both for ourselves and for our children. Other changes are also made to the Judging Criteria for individual award category in order to make them more comparable to those as required in the JCI World Congress Awards Manual. This will bring our award standard comparable to international level while on the other hand this will facilitate the preparation of Bid Books for JCI World Congress Awards.

1995 JCI Area B Awards Manual and JCI World Congress Awards Manual were distributed to all Chapter Presidents and National Officers before the end of March.

(2) Joint R & R Directors' Meetings

Two meetings were held during the two EDPs in January and May respectively. During each meeting, an experience sharing session was arranged to help the LOM R & R directors to discharge of their job responsibilities more effectively. However, the attendance from LOMs was very discouraging and at each of these meetings, the attendance rate was less than 25%. This reflected the general trend that LOMs are not putting a very high priority on R & R commission during their process of resources allocation.

The third Joint R & R Directors' Meeting will be held during the EDP (3) in December.

(3) 1995 JCI Area B Awards

Three members were appointed Awards Judges during the JCI Cheju ASPAC Conference 1995. They were : Amy Chan (KJC);

Senator Lau Kam Ming (NDJC); and Thomas Ho (OJC). Thei valuable experience gained during this internationa function will sure help HKJCC at future awards biddin during ASPAC Conference and World Congress.

At the JCI Cheju ASPAC Conference, a total of 9 Awards wer awarded to NOM and LOMs.

a. Biddings by LOMs

4 Group III awards were awarded to 4 LOMs as follows :

PJC	Outstanding LOM of the Asia Pacific Area
JTT	Best Fund Raising Project
HJC	Best Public Health Project
AJC	Outstanding New LOM of the Asia Pacific Area

b. Biddings by NOM

NOM submitted a total of 5 bid books and made a 100 hit rate for all the bid books submitted to win awards as follows :

Best Individual Development Program
Best Youth Affairs Project
Best NOM Publication
Best Public Relations Program
Best APDC Training Project

(4) 1995 JCI World Congress Awards

Pre-entry for 1995 JCI World Congress Awards is not require in the Awards Manual. Invitation for nomination of Award Judges has been received and nominations will be arranged b NGLC.

(5) Bid Book Seminars

Two Bid Book Seminars were organised by NOM. The first on was hosted by Bauhinia Jaycees and was held in March. second one was held in September and was jointly hosted b Ocean Jaycees and Apex Junior Chamber. Both seminars wer attended by more than 50 participants and all of them showe enthusiastic initiative during the discussion session. Al the participants were definitely enlightened by the speaker who were well experienced Bid Book winners.

(6) 1995 HKJCC Awards Judging

Nominations of a total of 40 Awards Judges from LOMs wer received. They will be responsible for the judging of al bid book entries for Group B Awards (for LOMs). The Award Judging Seminar was held on 11th September and all Judge were briefed on the detail judging procedure as well as th spirit of the JCI Awards Program in order to ensure a fai judging process.

Submission of Bid Books for 1995 HKJCC Awards will be closed at 6:00 pm on 18th September.

The Awards Judging Session will be held on 24th September and the Awards Ceremony will be held on 8th October during the 30th National Convention.

(7) LOM Efficiency Index Program

The LOM Efficiency Index Program is implemented with the objective of motivation of LOMs in the participation of NOM projects and functions. The scores criteria was finalised after consultation with all Chapter Presidents and was approved at the Joint Board Meeting in January. The cumulative performance of all LOMs is circulated to all Chapter Presidents and all National Officers at the end of each month in order to allow time for LOMs to improve their scores during the remaining part of the year. So far LOMs are very supportive to this program and achieved very encouraging results under this program. The Awards will be presented during Joint Board Meeting to be held in December.

As at this date, the progress report as at 31st August had been circulated.

(8) Acknowledgement

This is my first year working as a member of the National Board of Directors. Although I have tried my best, it is inevitable that I might have made inadvertent mistakes which caused inconvenience to other fellow NOM Officers and LOM Presidents. However, I am fortunate enough to have a team of very supportive NOM Directors who always lend me a hand just when I needed them most. To all those who had taken the trouble to render me help, I hereby express my most sincere appreciation for their kind heartedness.

In particular, I wish to express my heartiest thanks to NP Senator Raymond, and my supervisor NGLC Senator Jennifer for their patience and guidance in leading me through the entire process as I learned my way to function as a National Director.

Last but not the least, I wish to thank all my fellow Bauhinia Jaycees for their unfailing support during the past months in my dual capacity a NRRD and LOM IPP.

Report from National Administration Director - S.C. Mok

I am honoured to have the opportunity to take charge of the Chamber office this year.

It is my pleasure to submit my report as below :

1) Chamber office maintenance

• The benches in seminar and meeting rooms were repaired early in January. Shelves was installed in the seminar room for more tidy placement of mailing material.

• Due to big and frequent typhoons in July and August, the air-conditioning system broke down. Because it has been in service for 5 years, repairing will be expensive and normal operation won't last long after repair. We have to plan for renewing the system as soon as possible.

• With active followup by chamber staff Glory and Jessica and cooperation from LOMs, the chamber office is cleaner and more tidy than before. Supplies left over from previous NOM projects such as TOYP envelops were put to good use and the spaces so occupies were freed up for more useful purposes.

2) Equipment

• A high performance photocopying machine was purchased from Hong Kong Congress Organising Committee and is now used in Chamber Office to replaced the old one which broke down last year.

• A fax machine has been installed in the chamber office for general use by Jaycees. The financing is from HK$100 contribution by LOM Ps. and NOM directors.

• A timer was installed in the Chamber Office to shutdown air-conditioners after 11:30pm to avoid wastage and control the amount of electricity bill.

3) JC Supplies

• This year, some slow moving and high volume JC supplies has been cleared. Through a promotional initiative, Kodak films received last year in kind has been sold out at HK$15 during April to June. Other items such as memo pads were also sold at reasonable price. JC supplies were also promoted in the 4th issue of Harbour Lights.

4) Mailing Service

• This year, mailing service is kept very timely. All mailing received before 12:00 noon of each Monday (except 2 holidays) were sent out by Wednesday. Members typically receive it within the same week.

• The pricing is set to cover cost while not substantially higher than last year. Because of this limitation, the service is actually run at slight deficit. Due to increase of stamp cost and courier service cost in June, deficit after that increases to about HK$5,000 per month.

4) Membership Directory

• Membership Directory were sent to all LOM Presidents on or before 5th of each month together with LOM Membership Monthly Report Form and PM Record Form, and all the updated said documents are requested to return on or before 20th of each month to the Chamber Office for update.

• In March, the membership database in the current system has been extracted so that it can be used for other purposes. For example, it was used to generate membership list to JCI for printing of JCI issued JC membership cards.

Conclusion

1995 is a fruitful year in my Jaycee life and to experience it in the NOM level. The opportunities available is also invaluable.

I would like to extend my gratitude to National President Senator Raymond Yu and National General Legal Counsel Senator Jennifer Cheng for their guidance.

Special thanks goes to Chamber Office Secretary Glory and Chamber Staff Jessica. Their enthusiasm and patient followup makes my work much easier with good results.

Lastly, my best wishes to the incoming National Board for another successful year.

MEETINGS

Executive Committee Meeting

Three meetings have been held, in January, April and August respectively to discuss year plan, review progress, revise budget and also make recommendation for improvement in relevant areas. The final meeting was scheduled for November 19.

First Directors' Meeting

A meeting was held in December 1994 to propose the year plan and invite suggestions for the forthcoming activities in 1995.

Board of Directors' Meeting

Monthly meeting was held on the second Wednesday of each month for update on area and project progress, to decide on various proposals, as well as to solicit ideas and recommendations for the benefit of the Chapter.

Monthly Fellowship Gathering

Different venues and varied topics were chosen for the interest of our members. Joint gatherings were also arranged so as to provide opportunities for members to understand the culture and operation of other organizations.

To further enhance understanding between Board members and the general members, apart from the report from the President, Board members and also senior members were invited to introduce themselves during the Gathering, thereby enhancing communication and fellowship. Up until August, we were pleased to see four Fellowship Gatherings achieving around 100 persons in attendance.

Award Judging Committee Meeting

A meeting was held in January to adopt the Award Judging System and Criteria for 1995. To encourage participation of new members, it was decided to change the "Most Promising New Jayceette Award" to half-yearly and the Awardee for the first half of 1995 was selected in an Award Judging Meeting in May andpresented during the Fellowship Gathering in June.

1995 Annual General Meeting

It was scheduled to receive and adopt the reports from the 1995 Board of Directors and to elect the 1996 Executive Committee members on September 23 at Miramar Hotel in Tsimshatsui.

1995 Extraordinary General Meeting

Due to the requirement for the change of name, we plan to organize an Extraordinary General Meeting towards the end of 1995, once National has adopted the change of name.

Senator Screening Committee Meeting

Past Presidents Senators Nora Cheng, Maureen C. Lo, Margaret Wu, Caroline Keung and Shelina Chung were invited as members of this committee to review eligible Jayceettes nominated by the Executive Committee for Senatorship application for NOM's and JCI's approval.

Mid Year Evaluation

During the Executive Committee Meeting in August, it was agreed to conduct a mid year evaluation for suggestions and ideas for 1996 Adminstration.

FINANCE

Fund Raising

Our Fund Raising Walkathon in April successfully raised HK$55,890.50 and we target to raise an additional HK$20,000.00 through our 26th Anniversary dinner in October.

As a continuation of the Discount Network which started last year, EVP-Internal was assigned to coordinate development of this system, in order to provide benefits to the members as well as the Chapter. By August, there were 9 discount sources which brought in HK$3,075.35 in rebate for the Chapter.

Donation from Past Presidents and Members

We were pleased to receive continuous financial support from our Past Presidents and general members. Up until the end of July, we have received HK$68,000.00 contribution through this means.

Project Sponsorship

Apart from receiving contribution from external organizations, we also received generous support from the Trust Fund Committee of the Hong Kong Junior Chamber of Commerce and also Hong Kong Jayceettes, for which we are truly grateful. We have received over HK$150,000 in cash donation and also sponsorship in kind, including stationeries for the Youth Activities Project and free advertisement in different newspapers, including Sing Tao Daily and Hong Kong Commercial Daily.

Membership Dues

a) Although National has imposed HK$60.00 increment in membership fee for 1995, after detailed discussion by the Board of Directors, we have decided not to apply the increase to our members and the membership dues for 1995 remained at HK$720.00.

b) In order to minimise financial burden to the Chapter caused by the increase in NOM's membership dues, the Prospective Member Fee was revised from HK$300.00 to HK$350.00

Overall Financial Situation

At the beginning of the year, the Executive Committee agreed to maintain minimum expenditure in all areas and avoid wastage and overspending as much as possible. In mid year , the Executive Committee revised the budget and further trimmed down unnecessary expenses. With all these efforts, our financial situation remains sound and healthy.

PROJECTS AND ACTIVITIES

ADMINISTRATION AREA

The content of the Adminstration Handbook was updated and the format revised to A5 size and the booklet was despatched to all members by April 1995.

Function

A trip to the Organic Farm was organized jointly with the CD area at the beginning of the year. A Modern Flower Arrangement Course was also held at minimal charge, thanks to our member Carol Yin, who consented to be the instructor. For the last quarter of this year, a Bowling Course and an Outing will be arranged.

Membership Involvement

a) From the response of the survey conducted at the beginning of the year, fellowship gatherings were organized, in different venus, with different topics and two of which were also jointly arranged with external organizations. As a result, four out of eight events held to date attracted around 100 persons in participation, which is extremely encouraging for the MI Team.

b) To enhance communication between members and Board of Directors, the "Get to Know Your Directors" session was introduced whereby different directors and sometime senior members, were invited to say a few words of introduction to the audience during each Gathering.

Records and Recognition

a) A total of 10 awards and 7 incentive recognitions were adopted in February's Board Meeting.

b) "The More, The Better" and the "Jayceettes Next Door" incentive programmes continued to be held to stimulate attendance and participation of the members.

c) "Silver Fantasia Gala" won the Best LOM Fund Raising Award in the 1995 Cheju ASPAC Conference.

d) Three members were awarded JCI Senatorship, namely IPP Anita Kwan and Ida Chow.

e) Bid books were prepared for ASPAC and will be compiled for the National Convention and World Congress.

COMMUNICATIONS AREA

International Affairs

a) Coordination for attendance were actively arranged for the ASPAC Conference, Fourth World Conference on Women and later for the World Congress. We are happy to report 15 Jayceettes participated in the ASPAC Conference in June, 6 delegates joined the Hong Kong's Non-Government Organization Delegation for the Fourth World Conference on Women in Beijing at the end of August. As for World Congress scheduled for November, VP Rebecca To has been appointed the Chairman for the On-to-Glasglow Organizing Committee.

b) As the permanent secretariat of the Asia Pacific Lady LOMs Council (APLLC), we assisted Tainan Ladies Junior Chamber to chair the meeting in June. 7 out of 13 member chapters attended. During the meeting it was agreed that Bauhinia Jaycees from Hong Kong will be the Chairman for the meeting and Hong Kong Jayceettes will act as the Editor for the Newsletter in 1996. In view of rising costs, it was also voted to increase the membership dues from US$50.00 to US$70.00 for next year.

c) During the Cheju Area Conference, our delegation managed to meet up with representatives from our sister chapters - Manila Jaycees, Kaohsiung Junior Chamber and Yokohama Junior Chamber for information exchange and cultivation of friendship between our members.

d) Together with PA Sen. Margaret, IPP Sen. Anita and Sen. Elaine, I attended the 38th Anniversary Celebration of Kaohsiung Junior Chamber at the end of July.

e) To maintain communication and enhance relationship, we continued periodic despatch of

correspondences and newsletters to our sister chapters throughout the year.

f) We referred two enquiries from overseas LOMs, namely Vizag Junior Chamber from India and Kagoshima Junior Chamber in Japan, to National for followup. Together with NOM officials, two members and myself also attended the meeting and dinner gathering with representatives from Kagoshima Junior Chamber in July.

Public Relations

a) Informal gatherings were organized with diversed themes, including a hi-tea gathering and a pajamas party. Two more programs have been planned for the last quarter of this year, at least one of which would be a joint event with another organization.

b) An Inter-Chapter Bowling Competition will be jointly organized with the Function Team, subsequent to the Course scheduled under their area.

c) PR has also assisted in the compilation of the Chapter's Promotional Advertisement, the first of which was included in the supplement for the Community Development Project "Environmental Friendly Product Competition" in September. Another supplement would be prepared prior to the 26th Anniversary Celebration of Hong Kong Jayceettes.

d) The PR Team remained to be the main coordinator for attendance in other LOMs activities, including the Anniversary Ball, Fund Raising Programme and Inter-Chapter Activities.

Publications

a) Our official publication "Snapshots" was issued monthly and despatched to all members within the same month.

b) A 24-page bumper issue entitled "Woman" was published in July and focused on topics such as equal opportunities and the life of the modern working women.

c) The Publications Team had the ingenious idea of detaching the 4-page "normal" publication from the bumper issue thereby saving costs and also facilitated independent filing of the two sections.

d) With the aim to promote our Chapter to outsiders, "Snapshots" were despatched to various external organizations, including the Hong Kong Association of Secretaries, Bookstores, our Sister Chapters and distributed during our external functions, eg. project press conferences or public seminars.

COMMUNITY AREA

Community Development

a) In response to Junior Chamber International's Major Emphasis Sub-Theme "The Environment", the key project organized under this area was the "Environmental Friendly Product Competition" which was targeted towards the industrial sector and received a range of entries which included industrial and consumer products. A press conference was scheduled with the awards presentation ceremony. We were honoured to have the consent of The Honorable Mrs. Peggy Lam to be the Guest of Honour for the event. Subsequent to the Awards Presentation, an Exhibition was organized.

b) To compliment our focus on the Environment, the CD Area arranged a joint project with Function Area for a visit to an Organic Farm at the beginning of the year.

c) Two courtesy visits were planned for the year, one of which was held as a series of 4 visits to the Ma Tau Wei Girl's Home, during which our members shared conversations and games with the youngsters who are aged between 12 and 16. The other visit has been scheduled for the last quarter of the year.

Economic Affairs

a) In view of Hong Kong Government's plan to adopt the Mandatory Provident Fund in the local business community, the EA Area held a seminar entitled "Mandatory Provident Fund Scheme and its Economic Impact on the Future of Hong Kong" at the beginning of the year and invited speakers from the Government as well as investment sector to speak on the subject. The scheme will be fully implemented by October 1995.

b) As the world's economy declines, Hong Kong is beginning to feel the impact as the unemployment figure rises. A seminar entitled "Eye on Unemployment" will therefore be held at the end of September to cover various aspects of this problem which is of growing concern to the local community.

Youth Activities

a) To tie in with Junior Chamber International's Major Emphasis Sub-Theme "The Future of Children" as well as National's Major Emphasis Theme of "Care for Youth, Develop our Future Leaders", we launched the "Hong Kong/China Youth Life Experience Camp" at the end of July, to promote understanding between the kids of the two places and to bring out the awareness of local youngsters to appreciate true values in life. Thirty youths aged between 10 and 12 from Hong Kong and Conghua and Guangzhou in China participated in the 4-day 3-night programme, which received extensive assistance from a number of organizations in China.

b) A press conference and experience sharing session was arranged upon the return from the Camp and the event was well-covered in the media. We were honoured to have the Director of Education, The Hon. W.K. Lam as the Guest of Honour for the event.

MEMBERSHIP DEVELOPMENT AREA

Leadership Development

a) To prepare the Board of Directors for the challenges ahead of them, the 1995 LOM Officers' Training School (LOTS) was held in December 1994 and subsequently a Review Session was organized in February for comments and update.

b) In March our Chapter hosted the National Members' Training Programme, with topics on Project Management and Social Skills. The seminar attracted 85 participants.

c) With our past successes in the Effective Lady Seminar, the Organizing Committee decided to expand the scope this year to cover "neutral" topics and to extent the project to two sessions. Two speakers were each invited to share their insights in the Saturday afternoon on June 24 and July 1.

d) A joint camp is in process with Dragon Jaycees and will take place over the weekend of October 14 and 15.

e) To conclude the year, the 1996 LOM Officers' Training School will be held in December of this year.

Membership Extension

a) Even though this area has worked extremely hard in expanding the network of fact sheet placement at appropriate venues and also maintained regular contact with the Prospective Members to commence projects, the Team has been experiencing a lot of problems in securing new recruits for the organization. The core of the problem seem to lie in time limitation for a lot of people and also the current economic climate. Nonetheless, the Membership Extension Team will continue their efforts in this area.

b) Up until August, eight prospective members have been inducted, with 15 candidates

currently involved in various projects, most of which will be completed within the few months.

c) To date, eight Prospective Member Projects have been initiated.

d) The "Member-Hunt-Member Programme" continued to be implemented. In order to encourage participation, a gift will be presented to the member whose friend submits an application form during the Fellowship Gathering.

e) The "Big Sister Scheme" was introduced by the Membership Extension Area to encourage involvement of senior members as well as provide the chance for prospective members to gather experience from these members.

Membership Training

a) One orientation has been held in June, with two more planned for September and October respectively. To enhance involvement of Board Members as well as to relax the atmosphere of the Orientation, Executive Committee Members were invited to participate in the experience sharing session.

b) Jayceettes continued to support National's functions and have attended all of the four National Prospective Members Orientation Programmes held to date.

c) The Membership Training Area has also coordinated attendance of Board Officers in the Executive Development Program organized by NOM.

CONCLUSION AND ACKNOWLEDGEMENT

To tie in with our slogan of this year "Empower the Team, Re-engineer for Advancement", the Executive Committee continuously encouraged independent thinking from their team members, furthermore, various activities were arranged as joint events, eg. Organic Farming Visit between Function and Community Development Areas, and programs have also been trimmed down in certain areas, eg. 4 gatherings instead of 12 functions were organized under the Public Relations Area. With the aim of consolidation of resources in mind, the Board of Directors worked closely together and executed all the projects in the year plan.

All these projects and achievements would not have been possible if I did not have the unfailing support of a number of people, namely the Executive Committee and Board of Directors; all the Past Presidents and our Panel of Advisors, in particular my Presidential Advisor Senator Margaret Wu who have contributed more than her fair share in encouragement and advice for the benefit of our Chapter. My sincere appreciation is also extended to NAEO Senator Spencer Suen and also National President Senator Raymond Yu for their continuous guidance and involvement in our Chapter's activites. Lastly, I would also like to send a note of thanks to my mother, Cecilia J. Au Yang, who has been extremely patient and understanding over the past months.

In closing, on behalf of Hong Kong Jayceettes, I would like to wish the incoming National President and his Board of Directors many successes in the year of 1996.

七. 與分會聯誼

六月份先後與北區青年商會及經緯青年商會合辦活動，其間使兩會能在籌備工作計劃上互相觀摩，而兩會會友之友誼亦因而躍進一步。除此之外，本會與其他各分會都能保持緊密聯絡及良好關係，本人與理事局成員及會友們都經常出席其他分會舉辦的活動及週年餐舞會等，其中多個分會舉辦的青商比賽均有派隊參加。

4．於太平山青年商會之青商捐血日獲得「牙較戰」獎。

九．結語

自接任會長以來，一直與理事局成員攜手緊密合作，同心協力推動會務，朝著「服務社會、訓練自己」的青商精神，互勵互勉，各組別的工作計劃相繼推出，圓滿成績正是各會友努力成果，當中不乏全情投入的理事局成員。

本年度在人力資源上存在一定的壓力，除應付會務上的安排外，籌辦總會週年大會成了下半年的焦點，幸而本年度會員擴展方面亦算理想，從年初至今已有超過五十位新朋友加入本會，而爲了主辦總會週年大會，部份舊會友及不大活躍的會友亦傾巢而出，共同參與，各會友對本會的支持及鼓勵，期望及欣賞，更激發了我們更加盡力履行義務及責任，對於部份會友身兼數職，全力以赴的精神，本人謹致萬二分的謝意。

在社會發展工作計劃上，本年度突破地用最短的時間與播道醫院共同籌辦一個長達十六個星期六的大型工作計劃「珍惜視力、愼防青光」，以關懷長者及提供免費驗眼，教育市民對青光眼的認識及普查數據爲目的。

籍此本人要再次多謝三位副會長的有效領導及策劃、義務秘書及司庫的默默耕耘，使會務順利運作，各理事局成員積極努力，緊守崗位，共同推動各項活動，監事們對會務提出的建議，會長顧問及法制顧問的關懷及鼓勵，並不時提出寶貴意見，本人深深感動，並銘感於心。

一年中所學習得到的寶貴經驗，實在獲益良多，亦深深體會齊心事成的道理，謹此向各會友、各友會及各界人仕致謝。

(四) 工作計劃

i) 社會發展：

"1995第八屆新界區傑出學生選舉"已於七月十六日完滿舉行，被甄選出之首六名優秀傑出學生已於8月4日-8月8日訪台作交流。今年被提名報名參加之學生達155名，比去年增加40% 之多，更邀請到演藝界紅星譚詠麟於開幕典禮及頒獎典禮中任大會嘉賓，是為該活動之新嘗試。

vi) 經濟事務

（１２）總結

自當選本會第十六屆會長以來與董事局成員衷誠合作承年初競選口號〔同心協力,竭盡所能,再接再勵,共創佳績〕今年的成績大家都有目共睹.這有賴各會友的努力與投入,才能使各項工作計劃皆以高質素推出,實在難得.

尤以今年本會的重點工作計劃95'公民教育齊參與整個的工作計劃,因要大量各參與的會員的通力合作,在其間我們遇到不少的困難.但也能上下一心將計劃做好實屬難能可貴唯一遺憾是本年度的籌款活動,活力動感跑跳踫因二度天雨關係,在無可奈可內取消這屬實非常可惜,因籌要成員爲了整個籌款活動做了不少工夫,不知多個晚上在做準備工夫,因此在這裏我衷心的多謝她們,希望這個精彩的籌款節目能在日後推出.

本年度本會會務得以順利推行,全賴各董事局成員及各會友的通力合作和努力,對此本人謹致以衷心謝意.另外本人亦向本會創會會長何淑賢參議員,本人之顧問前會長何惠霞致謝,感謝她們給予本人的指導及鼓勵.

本人衷心感謝總會會長余之星參議員及總會指派執行委員孫玉桐副會長,給予本人之寶貴意見及支持.本人亦代表紫荆青年會商會向本會義務法律顧問林漢武律師及義務核數師黎銑熙會計師致衷心謝意.

最後,本人再次多謝本會各位董事局成員,前會長,資深會友及各會友於年內對本人的支持與鼓勵,使本人得以順利履行會長職務.亦因爲得到各位的支持與參與,使本年度會務發展令人滿意,希望各位能夠在未來的日子繼續參與及支持,共同爲紫荆創造更驕人的成就.

九) 總結

八月，香港每年這個炎夏，紅日高掛，天氣炎熱，每年如是，但我的八年青商生涯卻出現前所未有的白熱化的時代，自去年九月當選會長之後，工作計劃一浪接一浪，從沒間斷，計劃各自精彩，我們年初訂的大會方針，邁步向前，信念堅定。
好像我們所訂下的其中兩大目標，其中會員擴展，自九五年開始平均招收會員十五人，另準會員達二十人，出席會員就職典禮達到十多人，全年會員人數增幅25%，出席總會95年週年大會已報名人數達三十四人。

另外，我們的另一大目標一一和各社區、政府部門、商業團體作緊密合作，和提高知名度。今年，論合作單位，我們有電影首影禮的寰亞電影公司和三菱菲林；甲蟲車籌款有福士車會、運輸署、Reebok、玩具反斗城、無比石油及各大小贊助公司達三十間。另環保創意展繽紛更得到環保處大力支持吉祥物設計比賽，香港電訊及五間主贊助商，另邀得林貝聿嘉太平紳士作主禮嘉賓。反色情日更邀得兩位立法局議

員及市政局支持。五個不同社團參與，包括婦女會、漫畫界、區議會、教育署及電影界作公開論壇，更邀得城市大學及理工大學作專題辯論。

鷹星創意大獎則有立法局議員陳坤耀作主禮嘉賓，青年企業家李兆峰作主講嘉賓，五位重份量級的評判爲四十多位參加者作嚴格的評審。

論知名度，城市本年度的曝光率可以用水銀瀉地來形容亦不爲過。首先，論報張及雜誌，我們先後出現於蘋果、南華、東方、新報、大公報、文匯報、經濟、東週、壹週刊及清新週刊等。電子傳媒包括衛視、華視、亞視及有線電視，電台則有RTHK及港台2台，其他傳媒包括全港便利店、環保署、城市大學及理工大學、還有吉之島。

能夠有以上的成績，背後的一群功臣，功不可抹，當中包括亦師亦友的會長顧問陳守眞參議員，他的鼓勵和支持，有如長江流水，滔滔不絕，沒多餘假動作的實力派總會指派委員歐志遠的勉勵和協助。各顧問對本理事局的支持更是無言感激，其中尤以統領我們南征北伐的國際顧問關海澄。前會長們的關懷，當中表表者則有李國明前會長，他走馬上任，以極短的時間爲基金籌備委員會帶來三萬元進帳，潛力不容置疑。至於分會會長方面，當中支持和鼓勵我們都不少，尤其我認爲最傑出的浩洋會長何紹忠，最佳足球拍檔經緯會長Jaffe及騰龍會長甘榮基，皆令我獲益良多，在此再三致謝。

此外，當然有我認爲全世界最強的青商夢幻組合一九九五年城市內閣。本年度我們合作無間，無分彼此，葉成偉的堅毅，程容輝的投入，曾良森的熱誠，麥國良的豁達，徐小龍的決心，黃明偕的冷靜，皆大大影響了我個人的修爲和更大大增加了我個人的實力，助我勇闖征途，無懼風雨。

還有與我並肩作戰多月的一班理事，幹事。城市本年度的工作計劃，已經印證了他們的實力和努力，從他們眼中的戰意，使我相信，城市將會在三年或更短的時間，重回昔日的光輝歲月，重拾失去的一切，再次擠身世界最傑出分會行列。

最後，本人謹祝城市鴻圖大展，會務興隆；願各會友再闖高峰，友誼長存，天祐城市！

九、總結

〝光陰似箭〞這句古語在上任以後的體會尤其深刻，經過八個月時間的會長生涯，感覺非常充實，每一天都有新的任務和新的挑戰。雖然本人工作忙碌以致在時間分配上感到吃力，但本人卻享受着這做會長的過程，它令我學會到寶貴的經驗，嘗盡甜酸苦辣的滋味，過中得着要做過會長的人才能知道。

本年度之會務發展算是十分順利，在年初定下之各項工作計劃，亦大部份完成，在餘下來的四個月，我們必須繼續堅守崗位，共同努力推動會務前進。

本人在此衷心感謝會長顧問劉錦明參議員、許炳才前會長及上屆會長伍國駒所給與的寶貴意見和提點，使我更有信心面對一切的困難和挑戰。再者，感謝總會會長余文星參議員，總會指派執行委員洪湘苓副會長及各前會長對本會的指導，使會務得以穩步向前。此外，更多謝全體理事局成員的傾力協助和會友們的熱心參與，對大家所作出的每一份力致以萬二分的謝意及謝謝大家對本人的支時，鼓勵和寵愛，及過去給予本人的訓練機會。

最後，謹代表北區青年商會向本會義務核數師吳梓堅律會計師及義務法律顧問潘展超律師為本會提供專業服務致以衷心感謝。

1995 Report from Chairman of Business Network Club

1. General

The year of 1995 has been a spectacular one with regard to development of the role and functions of the BNC within the Jaycee structure. In my second year's chairmanship of the Club, I was indeed excited to see the official enactment of the "5th opportunity" i.e. Business Opportunity during the JCI's World Congress at year end of 94. With this setting and the underlying changes that followed, BNC is positioned to play an important role and to make positive contributions to the overall development of the Jaycee Movement. As far as "Business Opportunity" itself is concerned, an ad hoc committee had been set up by the National Board to study the issue and to make recommendation for changes.

2. The Executive Committee

Davis Kwong, Ex-Chairman (Chairman 92-93)

1995 Directors / Officers :

Henry Wong, Vice Chairman (Local Business)
Edward Tse, Vice Chairman (Internal Communications)

Alex So, Hon Treasurer
Fanny Kong, Membership Director
Michael Kwong, Publications Director
Michelle Wong, Programme Director
David Koo, International Business Director
Tim Sun, China Liaison Officer
Alex Yuen, Programme Officer
Benjamin Mo, Membership Officer

Advisor
Y. K. Chan (1977 National President, HKJCC)

There has been an expansion in the organization of the Executive Committee compared to that in previous years - 4 Vice Chairmen have been appointed to supervise 4 areas of responsibilities. The purpose is to plan and implement our business networking activities strategically at four different levels : internally within HKJCC, and externally at 3 fronts - locally, regionally (China) and internationally. So far, this structure has proved to be effective for the purpose of communications and execution of duties by the 4 Vice Chairman.

Business Network (JBN, KBN) - 2 Asian strong economies. These external connections mean extensive business opportunities for our members to explore.

Before long, I shall step down the Chairman's seat, and I must say I enjoyed very very much the job over the last 2 years. I think my executive team also share my feeling of "job satisfaction" - creating business opportunities, cultivating relationships, making business alliances, gaining business intelligence, and many more.

Now, time comes for me to close this report, with a list of thank-you & compliments. Many thanks to the BNC executive team for the wonderful work and resourcefulness. My special appreciation to Alex Ng, Kap Ning & Henry, for they did a great job in making business events happen. And thank you, NP Raymond, NVP Justin, NVP Mary, Advisor Y.K., for your backing and keeping us on track. Finally, thanks to all those fellow members or friends who have given us support & blessings of any kind.

With the momentum that we have built up, I am very positive that if we keep up with our hard work, the club will be growing from strength to strength in the years to come.

4. During the year, the Committee met once a month. Such frequent meetings were required to enable the Committee to efficiently and effectively discharge its pressing duties for the year

CONTINUOUS STEPS ON LAYING THE FOUNDATION FOR THE DEVELOPMENT OF TRAINING

5. At the Joint Board of Directors' Meeting in December 1992, the Committee submitted for members' consideration a paper, "Laying the Foundation for Positive Change," which outlined its proposal on the mission, strategies and objectives of the Hong Kong Junior Chamber of Commerce in providing training and development. The proposal was adopted at the meeting and thereafter became the blue print of the work of the Committee. The following is a review on the blue print for reference.

Mission

6. The training mission of the Hong Kong Junior Chamber of Commerce is :

> "To provide systematic, experiential and as far as possible contemporary training activities to all members in order to develop and prepare them to undertake responsibilities within their community according to the JCI principles of leadership development to create positive change."

Training Strategies

Standardisation

7. In order to provide systematic training to members, training courses should be standardized to provide guidelines for both trainers and participants. A standard syllabus for each topic should be devised. Syllabuses of standardized training courses should be published in the form of a trainer's manual.

Grading of Training Programmes

8. To assist members in choosing the right course to attend and to achieve optimal results in training, training courses should be graded according to the Jaycee experience of members. It is proposed that the courses should be graded in the following categories :

(i) prospective members;

(ii) members;

(iii) officer; and

(iv) presidents.

Certification

9. NOM should implement in due course a certification scheme to recognize the training courses organised by LOMs in accordance with standardized syllabuses. This will enable NOM:

(i) to upgrade the standard of training activities organized by LOMs;

(ii) to confer recognition on competent LOMs;

(iii) to ease NOM's burden to provide adequate quality training for members, especially when implementing a mandatory training requirement scheme for NOM officers and members.

Mandatory Training Requirements

10. In order to encourage members to participate in HKJCC's training activities and to maintain high member quality, mandatory training requirements for NOM officers and members should be prescribed. Prospective members should be required to attend certain PM training courses before they can be inducted. In future, members seeking election as NOM officers should satisfy certain training requirements to be eligible.

Development and Recognition of Trainers

11. HKJCC should actively encourage members to attend PRIME, EXCEL, and OMNI courses. In order to achieve faster results, the organisation should consider holding a local PRIME and if appropriate EXCEL courses for its members.

12. To give recognition to trainers, a Trainers' Profile should be published. This should be sent out to all NOM officers and LOM presidents, as well as other outside organisations.

3-year objectives (1993 - 1995)

13. The 3-year long term objective for HKJCC should be:

(i) to standardize all its regular training courses;

(ii) to implement graded training system for members in accordance with their Jaycee needs;

(iii) to implement a certification scheme for LOM training activities;

(iv) to implement a mandatory training requirements scheme for NOM officers and members;

(v) to hold two local PRIME courses;

(vi) to hold one local EXCEL courses;

(vii) to implement a HKJCC Trainers Recognition Scheme.

1-year objectives in 1995

14. The 1-year plan for HKJCC should be:

(i) to standardize regular courses in 1994 and new programmes in 1995;

(ii) to promote and update the standard training manuals;

(iii) to devise and implement the certification scheme;

(iv) to provide more training to trainers;

(v) to maintain and update the training database;

(vi) to strengthen relationship with JCI and outside training organizations;

(vii) to market JC training programmes and JC trainers to JCI and outside organizations.

Programming (NLP)". On May 18, the second gathering attracted over 20 participants. Mr. Adonis Cheung of Quali-Focus Limited was invited to speak on "Quality management - a training perspective". The third gathering was held on July 31. At the gathering, the Committee was very pleased to have invited renounced trainer Mr. SUNG Li Young, Derek to deliver a talk on "Speak Public? Speak Public!!".

23. While the Fourth Trainers' Circle Gathering was scheduled to be held during the 30th National Convention, the fifth one is planned in December.

Trainers' Workshop

24. On May 6 - 7, a Trainers' Workshop Camp was held in Silvermine Beach Hotel. New coaches could improve their coaching quality of both content and skills with the assistance of video shot and comments collected during the workshop. There are a total of 20 participants involved.

Trainers' Survey, Statistics and Profile

25. After the first update on the coaches' profile last year, we conducted another survey this year in order to obtain updated information in the coaches' profile and the coaching interest of HKJCC coaches. Information collected will also be input to the trainers' database that facilitates the Committee to update the Trainers' Profile and compile coaching statistics which, in turn, enable HKJCC to optimize the utilization of the coaching resources.

External Marketing Activities

26. It is the plan of the Committee to market training course to the outside world. Not only will this enhance the image of the HKJCC in the area of leadership development, such activities will also provide ample opportunities for our trainers to practice what they have learnt and therefore enable them to further their training skills and experience.

27. Moreover, a Newsletter will be issued for introducing the training objectives and activities of HKJCC, some useful training issues from different bodies and the future development on training, which can improve the communication between NOM and LOMs and promote the image for outsiders on training area of HKJCC.

Coaching Opportunities in Conference & Congress

28. In 1995, HKJCC kept on hosting the Coaching Quartet, an experience sharing session, during the Cheju ASPAC Conference. The five coaches Senator Paul Chan, Senator Bassanio So, Senator Petrus Yung, Senator Shelina Chung and Jaycee Rebecca To took part in respective topics of "Square Wheels Leadership", "Imaginising Teamwork", "Human Fax Machine", "Constructive Thinking" and "One Minute Sharing". Total 70 participants and over 80% overseas delegates participated in the programme. The feedback from the participants through questionnaire was very positive and encouraging. In the coming Glasgow Congress, HKJCC will continue to organise similar programme.

Training for Outside Organisations

29. At the time of writing this report, the Committee has organised four training programmes for outside organisations.

30. Jaycee Tony Chan and Jaycee S. K. Lai shared on "Situational Leadership" during ManuLife's Quality Manager Programme held on February 24 at Shenzhen.

31. NEVP Senator Justin Lui, JCI EVP Senator George Lung and NIPP Senator Ronald Ho shared with AIESEC(HK) on "Effective Meeting", "Leadership Skills" and "Negotiation Skills" on the 3rd, 10th and 11th of August.

32. As for the remaining months of 1995, the Committee will organise training programmes for YWCA, Hong Kong Institute of Marketing and AIESEC(HK). Liaison with other commercial organisations on organising training programmes for them is underway.

Building Linkage with Outside Training Organisations

33. In order to exploring suitable outside training organisations for HKJCC to build up relationship with them and enable our coaches to further their training skills and experience, the Committee had contacted three training organisations including Brain Tracy programme from David Cheung, Emerson & Associates form Emerson Lai and See You at the Top programme from Zig Ziglar.

34. A Training Conference and a seminar on "Life Positioning" were introduced to coaches and members to attend which organised by Brian Tracy Programme and Emerson & Associates respectively on March 23 - 24 and July 28.

REPORT FROM JC NELSON FUNG, CHAIRMAN OF NATIONAL INTERNATIONAL AFFAIRS COMMISSION TO THE HKJCC 1995 ANNUAL GENERAL MEETING

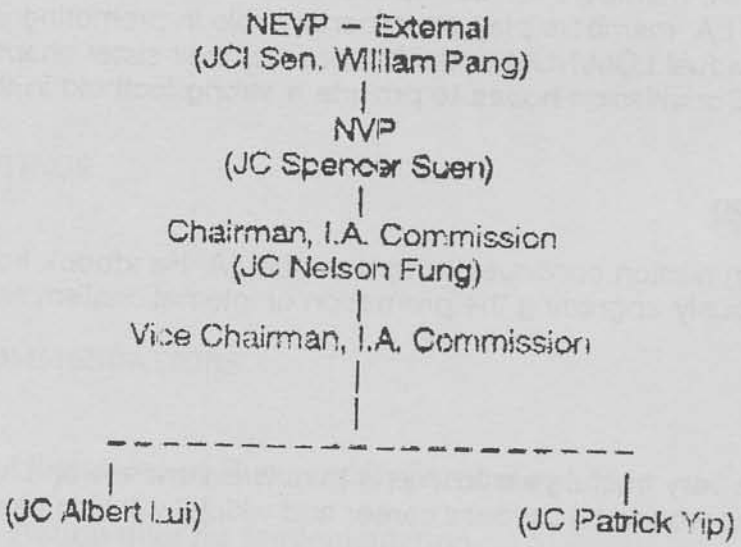

I have pleasure in submitting the annual report for 1995 as the Chairman of the International Affairs Commission.

The year has been a successful one for the I.A. Commission. Many activities were carried out under this portfolio and most significantly, we saw the latest publication of the I.A. Handbook.

Introduction

The International Affairs Commission was established since 1991 and the Founder Chairman was JCI Sen. Peter Lo. The main purpose of this Commission is to plan and organise warm receptions to visiting JCI officers and the China Federation of Youth Association official visits to Hong Kong. This Commission also assists the National Board members and LOM Presidents in their annual visit to China. Various aspects of promoting internationalism among members in the form of twinning, joint projects and mutual co-operation were looked into by the Commission for the benefits of all members and the NOM in general.

Organization and Committee Members

Past Activities

15 January 1995	–	Visit by Kanazawa Jaycees, Japan to promote 1996 ASPAC Conference.
19 January 1995	–	Visit by Youth Federation of Canton. Reception was held at City Garden Hotel, North Point and was attended by NOM Officers and LOM Presidents.
17 – 21 February 1995	–	Visit by JCI VP JCI Sen. Teresa M Alberto. NOM NVP Jc Simon Au was the reception team leader.

15– 18 August 1995	–	Visit by JCI World President JCI Sen. David Oji. Welcoming lunch/dinner, press conference and visitations to government officials and Xin Hua New Agency were also arranged. NVP JC Iris Chan was the reception team leader.

I.A. Handbook

This year saw the successful latest publication of the 1995 I.A. Handbook through the hardwork and strong effort from the committee members. The 75 –page Handbook was updated that contained the internationalism aspect of the Jaycees movement, twinning procedures and also include the contact address/numbers of JCI Area B EVP and VP. All NOM and LOMs have contributed much to the success of this Handbook. This Handbook also incorporated the names and addresses of LOMs sister chapters and the years of their twinning and more on the relationship between China Youth Federation with NOM and LOMs. These Handbooks were delivered to all NOM officers and LOM Presidents on 1 August 1995.

International Affair Networking

This Commission has planned to establish a close relationships with members of Area B by way of physical linking of all I.A. members in Area B. The purpose is to recruit all these I.A. members for co–operation and to create a sense of Jaycees brotherhood. All I.A. members play an important role in promoting internationalism among their individual LOM/NOM and with those of their sister chapters. With this networking, this Commission hopes to provide a strong foothold in the International scene.

Recommendation

That the I.A. Commission continues to update the I.A. Handbook from time to time so as to continuously upgrading the promotion of internationalism among members of HKJCC.

Conclusion

1995 has been a very fruitful year for me with new experience and knowledge that I have added to my wonderful Jaycees career and which I will also treasure well.

My sincere thanks to NEVP JCI Sen. William Pang, NVP JC Spencer Suen, NIAD JC Dennis Mak, JC Albert Lui and JC Patrick Yip for rendering their guidance and advice to me as the Chairman of I.A. Commission. Without your understanding and encouragement, this task of mine would not be successfully carried out.

My gratitude also goes to my Island Jaycees LOM President, Jc Kendy Yau, Board members, Past Presidents and all members for their constant support.

Thank you.

REPORT OF THE AD HOC COMMITTEE ON "BUSINESS OPPORTUNITY"

3.	MEETINGS	3
4.	RECOMMENDATIONS	3 - 5
4.1	Objectives of Business Opportunities	
4.2	Action plan for implementation	
4.3	Structural change to NOM & LOMs	

1. BACKGROUND

1.1 In the Kobe Congress held in November 1994, a proposal was put forward in recognition of the increasing activities and strong interest of members in the area of economic and business development. This proposal and the relevant recommendation were formally adopted at the general assembly that in order to facilitate the achievement of the purposes of Junior Chamber, the program activities of the organization shall apply with an additional area of opportunity, namely "Business Opportunities". The terms of reference of this area of opportunity shall be as follows :

> To provide the opportunity for the Individual Member to contribute to the development and enhancement of the economic infrastructure, prosperity and well being in all nations.

1.2 To echo with this development of JCI, Hong Kong Junior Chamber (HKJC) recognised the need for a thorough study in this area in order to provide directions for the healthy growth and development of "Business Opportunities" ("BO"). It was decided that an ad hoc committee should be established to examine the issue in depth. The committee should be expected to submit a report to the National Board after the study.

2. COMPOSITION OF COMMITTEE

2.1 To decide on the composition of this ad hoc committee, it was considered that a small group of not more than six members should be formed. Members should be senior jaycees who have considerable jaycee and sufficient business experience to provide views and suggestions on a broad perspective.

2.2 Invitations were then extended to one past national president, two senior jaycees and two Business Network Club (BNC) members who have experience with the BNC and in the business arena. The Chairman of BNC was also appointed as ex-officio member. The NEVP and NVP who are in charge to supervise the BNC this year will serve as ex-officio member and convenor of the ad hoc committee respectively.

2.3 The Committee was formally established at the end of February 1995 and its composition is as follows :

Convenor :	Senator Mary Au Yeung	National Vice President
Members :	Senator Major Tang	Past National President
	Senator K M Ip	Past President, Dragon Jaycees
	Senator Connia Chu Lo	Past President, Hong Kong Jayceettes
	Jaycee Alex Ng	Excom Member, Business Network Club
	Jaycee Edward Tse	Excom Member, Business Network Club
Ex-officio Members :	Senator Justin Lui	National Executive Vice President
	Jaycee Alex Ku	Chairman, Business Network Club

2.4 The terms of reference of this ad hoc committee was originally drawn up, as follows :

- to examine what role the Business Network Club (BNC) will take to assist the development of the business opportunity
- to explore how the business opportunity can be promulgated under the current organization structure of NOM and LOMs.
- to define the status and position of BNC in future; after the formal establishment of the business opportunity
- to study the feasibility of the co-existence of BNC and the potential "Business & Economic Development" commission
- to submit a report with recommendations to NOM how Hong Kong Junior Chamber can implement the "Business Opportunity" at both NOM and LOM levels

3. *MEETINGS*

3.1 Three meetings of the Committee were convened; as follows :

Date	Venue
10 March 1995	14/F Chariot Club, Manning House, Central
25 March 1995	Rm 1202, Wealth Commercial Centre, Mongkok
6 May 1995	Coffee Shop, Stanford Hotel, Mongkok

3.2 PNP Senator Major Tang was unable to attend all these meetings due to business travels and four members attended all meetings.

3.3 Correspondences and notes of the committee meetings were attached to this report for reference (Appendix A & B).

4. *RECOMMENDATIONS*

The Committee would like to put forward their consensus views of this study which are categorised and summarised in the following four sub-headings.

4.1 Objectives / strategies of "Business Opportunities"

The Committee recommended that the direction of "BO" should focus in the following with a view to furthering the overall objective of this area of opportunity :

4.1.1 "BO" should enable individual members to have training on business management and business know-how to develop their business sense.

4.1.2 "BO" should provide business networking for individual members to assist them in their private business development.

4.1.3 "BO" would reflect views and offer suggestions to government policies on economic and business affairs to enhance the improvement of the local business / economic environment in the long run.

4.1.4 "BO" would provide service to individual members in the areas of providing business information / economic data.

4.2 Action plan

4.2.1 To fulfill the objectives / strategies of "BO" described in paragraph 4.1, it is suggested by the Committee that activities could be organized as follows:

a) Guest speakers or experienced businessmen are invited to share experience.
b) Linking up with local business institutions by either exchange meetings or organizing joint projects.
c) Solicit and consolidate overseas / local business profiles from other NOMs to form a database for members' reference.
d) Networking with local and China business institutions and similar bodies of other NOMs.
e) To conduct activities to improve local business / economic environment.
f) To reflect views of the HKJC on economic issues and recommend to Government on appropriate changes to existing government policies.
g) Research, analyse and compile relevant economic information with the assistance of existing external resources.
h) Gather relevant business information from other NOMs in respect of their economic data.

4.3 Structural change to NOM & LOMs

4.3.1 A "National Business Director' (NBD) to be appointed, ideally in the second half of this year. The main duties of the Director in the first and second year will be :

a) to promote "BO" to LOMs in board meetings and MFGs and through LOM and NOM publications;
b) to organize open forums to give more orientation to members;
c) to assist LOMs to establish a business commission;
d) to initiate and prepare members' business profile; and
e) to co-ordinate with BNC on business affairs.

4.3.2 It was the view of the Committee that even with the appointment of the NBD, the need of BNC still exists. It is, however, recommended that it be renamed "Business Network Council" to keep in line with the JCI.'s practice in naming similar bodies.

4.3.3 In the long term, the NBD and BNC will share between themselves in carrying out activities which aim to fulfill the objectives of "BO" as outlined in paragraph 4.1 above. It is, therefore, recommended that while paragraphs 4.1.1 and 4.1.4 will be carried out by NBD, BNC will handle paragraph 4.1.2. Paragraph 4.1.3 requires the coordinated efforts of both NBD and BNC.

4.3.4 At the LOM level, at least one director should be appointed to formulate activities in respect of "BO". However, such appointments would only be made soonest in 1996 or later.

Hong Kong Junior Chamber of Commerce

1993-1995 LRPC Interim Report to the 29th National Convention

On behalf of the 1993-95 Long Range Planning Committee, it is my pleasure to present my 2nd report to the General Assembly of the 29th National Convention of the Hong Kong Junior Chamber of Commerce.

The 1993-95 Long Range Planning Committee is in its 2nd year of work and members consist of:-

Chairman	:	Senator Junia Ho	1989 National President
Members	:	Senator Albert Li	1973 National President
		Senator Paul Yin	1976 National President
		Senator Paul Cheung	1985 National President
		Senator Larry Lau	1990 National President
		Senator Daniel Cham	1991 National President
Ex-Officio:		Senator Ronald Ho	1994 National President

This year, two meetings were held to review the progress of the NOM and to discuss further on the areas of improvement, in which part of the recommendations have been sent for NOM's reference in late May.

Following are the major recommendations which extracted from the last two meetings put forward for adoption:-

1. Review on NOM's Progress in Carrying out LRPC's Recommendations

   The LRPC reckoned that the recommendations made last year had not been positively carried out by NOM, except the production of a report on NOM and LOM's year-round projects/activities for information of members and the public.

   It was therefore suggested that NOM should put more effort in carrying out the recommendations as suggested last year.

2. New Language to be Used

   LRPC felt that any LOM wanted to use language other than English or Cantonese as an official spoken language, it should be first approved by the National Board and subsequently adopted by the General Assembly. LRPC would not discourage LOMs to use Putonghua as an official spoken language, until the time that this language was commonly accepted by other LOMs.

However, it was recommended that NOM should promote the Putoughua to all members, so as to encourage members to well equip themselves for better communication with the Chinese citizens and officials.

3. Surplus from 1993 JCI HK Congress

i) LRPC would recommend to the NOM that the surplus from the 1993 JCI HK Congress should be used for setting up a separate Trust Fund and managed by the current Board of Trustee.

ii) Paid National Secretary General

The surplus fund from the 1993 JCI HK Congress was not much as expected and recommendation made by the previous term of LRPC on setting up a Trust Fund and by using the dividends to subsidize the hiring of a paid NSG seemed to be not practical at this stage. However, if No. 3 A/C is to be set up, then possible subsidies on part of the salary could be considered.

iii) In view of the book-keeping work in NOM was not that efficient in these years, it was recommended that the dividends would also be used to subsidize the employment of a part-time bookkeeper for the NOM, so as to ensure every year's account statement could be clear and ready for audit at an earlier time. (i.e. by the end of March of the following year).

iv) As $100,000 of the said surplus had been used by the NOM to pay the office equipment which was transferred from the COC; HK$160,000 had been used to repay the loan extended by the COC to the NOM (to repay the Chamber Office Mortgage), and that HK$170,000 would be repaid to the Trustee for the loan extended in 1991 (when liquidation of B.C.C. taking place, NOM needed cash for Congress bidding as the shareholders' fund had been frozen), the cash that would be transferred to a new Trust Fund would be substantially less than the surplus of HK$650,000 as announced. It was recommended that NOM had to discuss with the Board of Trustee whether the money used by NOM should be repaid within a period of time or regarded as donation to NOM by the Trustee for clearance of the liability.

4. Standardization of Corp. Image

It was recommended that NOM and all LOMs had to change the name to Junior Chamber, and using the JCI logo (according to the JCI's recommendation adopted by the General Assembly of the 47th World Congress) before the end of 1995, so as to standardize the Jaycee's image in the eyes of the public.

5. Review on NOM's Major Activities

The Committee would recommend NOM to set up an AD Hoc Committee to study the future trend of the NOM's major activities/committees, in order to further enhance the image and efficiency of the NOM.

The Committee would also recommend NOM to consider the long-term sponsorship for certain specific NOM projects.

6. Promotion of ~~Basis~~ Basic Laws to Members

As the Basic Laws would be the constitution of H.K. after June 1997, it was recommended that more activities such as seminar/presentation and etc. should be organised to promote Basic Laws to the members.

7. Membership Dues

In view of increasing administration cost every year, it was agreed that the NOM should have a balance budget each year and in order to reach this target, the membership due should be increased. It was recommended that the following increase could be considered:-

In 1995 - increase to $500
In 1996 - increase to $600

8. Relationship with HK Government; Xinhua News Agency and All China Youth Federation

It was recommended that the NOM should have a closer relationship with the HK Government, while LOMs were encouraged to create better association and relationship with different districts. Regarding the relationship with Xin-Hua news Agency and all China Youth Federation, the existing profile should be kept.

Nevertheless, LOMs were also encouraged to establish contacts with the Youth Federation in different provinces, in order to further promote Jaycee's work experience to and communicate more with the young people in mainland China.

In concluding my report, I would like to express my sincere gratitude to all committee members for contributing their time and ideas in the discussions and to look forward to their continued contributions in the next year.
