MESSAGE FROM HONORARY ADVISORS OF JCI HONG KONG

DEPUTY MANAGING DIRECTOR, JARDINE MATHESON LIMITED

Dr. Y.K. PANG, GBS, JP

I am very pleased to offer my warmest congratulations to JCI Hong Kong and all of its constituent chapters and members on the occasion of our 57th National Convention.

The theme of this year's National Convention is "Bridge to the Change" and this is a particularly relevant topic as we face a period of significant and sometimes turbulent changes in the world we live in.

Although we are beginning to emerge from the difficulties we faced during the Covid pandemic, we now find ourselves facing a period of increasing inflation, potential energy shortages, geopolitical friction, a changed labour and work landscape as well as the need to redefine Hong Kong's role in the Greater Bay Area and in our nation.

But the flipside of difficulties and challenges is opportunity, and the leadership development opportunities offered by JCI and involvement in the focus areas of Individual, Community, International and Business will help prepare JCI Hong Kong members to weather the storms ahead and actively contribute to our community in Hong Kong emerging stronger and better into a brighter future.

I wish JCI Hong Kong and all members a very successful National Convention 2022 and 2 very intense and intellectually stimulating days of discussions, presentations and collaboration.

MESSAGE FROM

JCI HONG KONG NATIONAL PRESIDENT

Senator Karen YEUNG

My fellow members of JCI Hong Kong,

Welcome you to join the most important event of each year, the 57th National Convention! This is the second year that JCI Hong Kong taking the lead to organize the National Convention, and I am so glad to see the dynamic team of COC, led by NCD Debbie, giving the best out of themselves to deliver the National Convention regardless of challenges.

This year is not easy, but we made it!

Since the COVID-19 spread over the city 3 years ago, we had different lessons to learn in each year. The first year was a lesson of transformation, followed by a lesson of courage in 2021, and this year is a lesson of resilience.

It is more than an honor to be the National President, I am so proud to see both the National Officers, together with all Local Chapter Presidents, striving their best to fight against the fluctuating pandemic situation. The first ever TEDx Talks organized by a group of JCI Hong Kong members, the overwhelming media exposure of NOM and LOM projects, the active participation in headquarters' programs, and the awards and recognitions that we received, all present our persistence in upholding the JC Value.

In this era of change, we are not able to see the future.

"The best way to predict your future is to create it" - Abraham Lincoln

My presidential theme "be the Change" is a blessing to our members that they can take the lead and create some changes, and this is my belief of living with changes.

Rome wasn't built in one day, by one person. The Past National Presidents and Alumni played an important role in coaching the current NOM and LOM Board. They guided us by wisdom and taught us by experience. Thank you all Past National Presidents and Alumni for your selfless contributions to JCI Hong Kong.

Each challenge is an opportunity, I am so glad to have a very talented group of people serving waling alongside with me. Thank you so much for believing in me and lead the organization differently.

It's not the end yet. The National Convention is just an important milestone to review what we've achieved so far, and I can't wait for the true victory celebration after the JCI World Congress, which will be taken place in Hong Kong in November this year.

My fellow members, in the rest of the year, please join me to be the change and lead to impact.

Karen Yeung
National President
JCI Hong Kong

MESSAGE FROM

JCI PRESIDENT

Senator Argenis Angulo

Dear JCI Hong Kong Members,
Dear JCI Hong Kong National President Karen YEUNG,

I am thrilled to wish you a prosperous and eventful 57th National Convention!

These past years have been difficult, and yet this brave organization has stood the test of time. Many difficult decisions had to be made, including transforming many international events into virtual experiences for the safety of our members. But we did it not only from a deep sense of duty to JCI, but with a desire to never accept defeat and to constantly innovate.

The Convention theme this year is "Bridge to the Change." This thoughtful theme reminds us how JCI projects and activities empower change within ourselves and the world. This Convention is even held as a hybrid event, enabling members to join us despite the pandemic and locations. I commend you on this innovative decision towards a safer and more inclusive world.

As you know, the theme I chose this year is "Leading is our Duty" – and I believe that JCI Hong Kong has embodied what this phrase means to me. You have taken advantage of every opportunity to grow and add value to your members and society at large. Already 2022 has proven to be a successful year thanks to the dedication and support of National President Karen Yeung, Vice President Zolbadral Batmunkh and Executive Vice President Pheng Kouch. Along with the capable leaders within your organization, we have accomplished more than we could have imagined would be possible during these times. It is through this mentality that our global organization shall impart its values and knowledge to our members and the entire world, establishing a new Universal Declaration of Human Duties of Leaders that will usher in a new era in the history of humankind.

With all my support, I extend my best wishes and gratitude to all of JCI Hong Kong at the National Convention this week! May this event become another memorable step towards a brighter future. I look forward to sharing our experience together later this year at the 2022 JCI World Congress. Until then, continue to grow, learn and connect with each other all the while remembering deep within your hearts that "Leading is our Duty."

With my warmest regards,

Argenis Angulo
JCI President

SENATE CHAIRMAN OF JCI HONG KONG

Senator Winnie YEUNG

More than 50 years ago, the JCI Senate was established to recognize the outstanding achievements and service of JCI members worldwide. JCI Senators display determination and leadership and are encouraged to stay connected and provide support throughout the entirety of their lives.

The pandemic has shaken the nature of our life to its core. JC members have been staying positive and quickly adapted to the "new normal". It truly demonstrates the value of JCI in which young people are empowered to create positive change. And it has become more important than ever before to believe that we are all in this together and that we support each other.

I am very thankful to the members of the Senate Screening Committee and Senate Committee who have enabled us to recognize more Senators and stay connected with each other through Senate Events.

As Senate Chairman, I would like to extend my heartfelt gratitude to National President Senator Karen Yeung, National Board of Directors, Chapter Presidents, and members who have contributed to JCI Hong Kong. Your hard work has empowered us to "Be the Change" this year.

We rise by lifting others. Congratulations to all our baby Senators to be recognized during the 57th National Convention and I believe that our Senators would continue to inspire and empower more young people to make our world a better place!

MESSAGE FROM

CHAIRMAN OF JCI HONG KONG ALUMNI CLUB

Senator Daisy LUI

Congratulations to JCI Hong Kong on its 57th National Convention!

I believe all JCs have confronted with quite a number of dilemma this year due to the outburst of coronavirus wave 5 but it will not impact to our Jaycee spirit, National Convention Director Senator Debbie Chan and her COC indeed organized a successful and brilliant National Convention.

Friendship has always been considered a long-lasting treasure collected in the JC environment between young and senior folks. It is also why the JCI Hong Kong Alumni Club was established – to retain senior members in JC and strengthen their bonding. As Alumni Club enters the 25th this year inadvertently; a series of activities to celebrate the "Silver Jubilee"「緣是友情續 ❤ Fun 享樂廿五載」so as to sustain the mission of Alumni Club – Enjoy our JC Senior Members' Life「吃、喝、玩、樂」.

Although we have confronted with quite a number of dilemma this year due to coronavirus as well, it will not impact to our passion to organize various activities to our senior members. In the past eight to nine months, we have organized various activities in order to create a harmonious and convivial atmosphere for members to mingle together. We introduced newly sport, floor curling to our members, but also share classical literature「孫子兵法」in SMCC gathering. Last but not least, the longing 25th Anniversary Celebration「資深銀禧 光影25 躍動傳承」on December 10 will conclude our activities for this year.

From National Senior Member Club incepted in 1997 to Alumni Club in 2022, the club membership has been growing gradually to a total number of 775 members were recorded at the end of July 2022. We believe that participating in the National Convention will definite provide opportunities for senior members and current members to cultivate fellowship and exchange ideas among new leaders in all chapters.

My deep appreciation goes to my mother Chapter HK Jayceettes and express my heartfelt gratitude to all LOM Senior Member Club Chairmen/Coordinators, also all fellow members' support.

MESSAGE FROM

NATIONAL CONVENTION DIRECTOR

Senator Debbie CHAN

Welcome to the 57th National Convention of JCI Hong Kong!

Many people might wonder why you are still so passionate and addicted to JCI after joining for 15 years? I could not answer consciously until I met our young JC members. I felt ignited when I shared my learnings with my mentors and advisors. I felt love and care in times when I had almost given up. JC members are optimistic, supportive and inspire others to grow. This unique culture can be hardly found in any other youth organization and it is also why I stayed for so long.

Thank you for the invitation and trust from National President Senator Karen Yeung, National General Legal Counsel Senator Kenneth Yu, and National Secretary General Susan Lai. They supported and encouraged me to jump out of my comfort zone again and "be the Change" as the National Convention Director.

I am always thankful to be given many chances in different JC roles. As a NOM project Chairlady this year is a challenging role to me too. Although it is a turbulent year because of COVID-19, we can recruit a group of over 40 passionate and capable leaders to join our NC team. With all their dedication to the National Convention, it encourages me to lead the team and go further. I believe that I have acted as a bridge of a few JC decades, connecting all the heritage and people together to "BRIDGE to the CHANGE". Besides, we have created something new with limited resources, such as cooperating with external companies which echoes JCI RISE. Our side programs are also related to Global SDG goals. We digitized our communication by online tools and platforms, a Team Formation Workshop was also held with the element of LEGO serious play and Design Thinking, aiming to create POSITIVE CHANGES to the society and young leaders.

Taking this opportunity, I would like to express my deepest gratitude to our Honorable Guest, Keynote Speaker, all our sponsors and delegates for your participation and generous support. My wholehearted thanks to the NOM Officers, LOM Presidents, NC Ambassadors for your full advocacy.

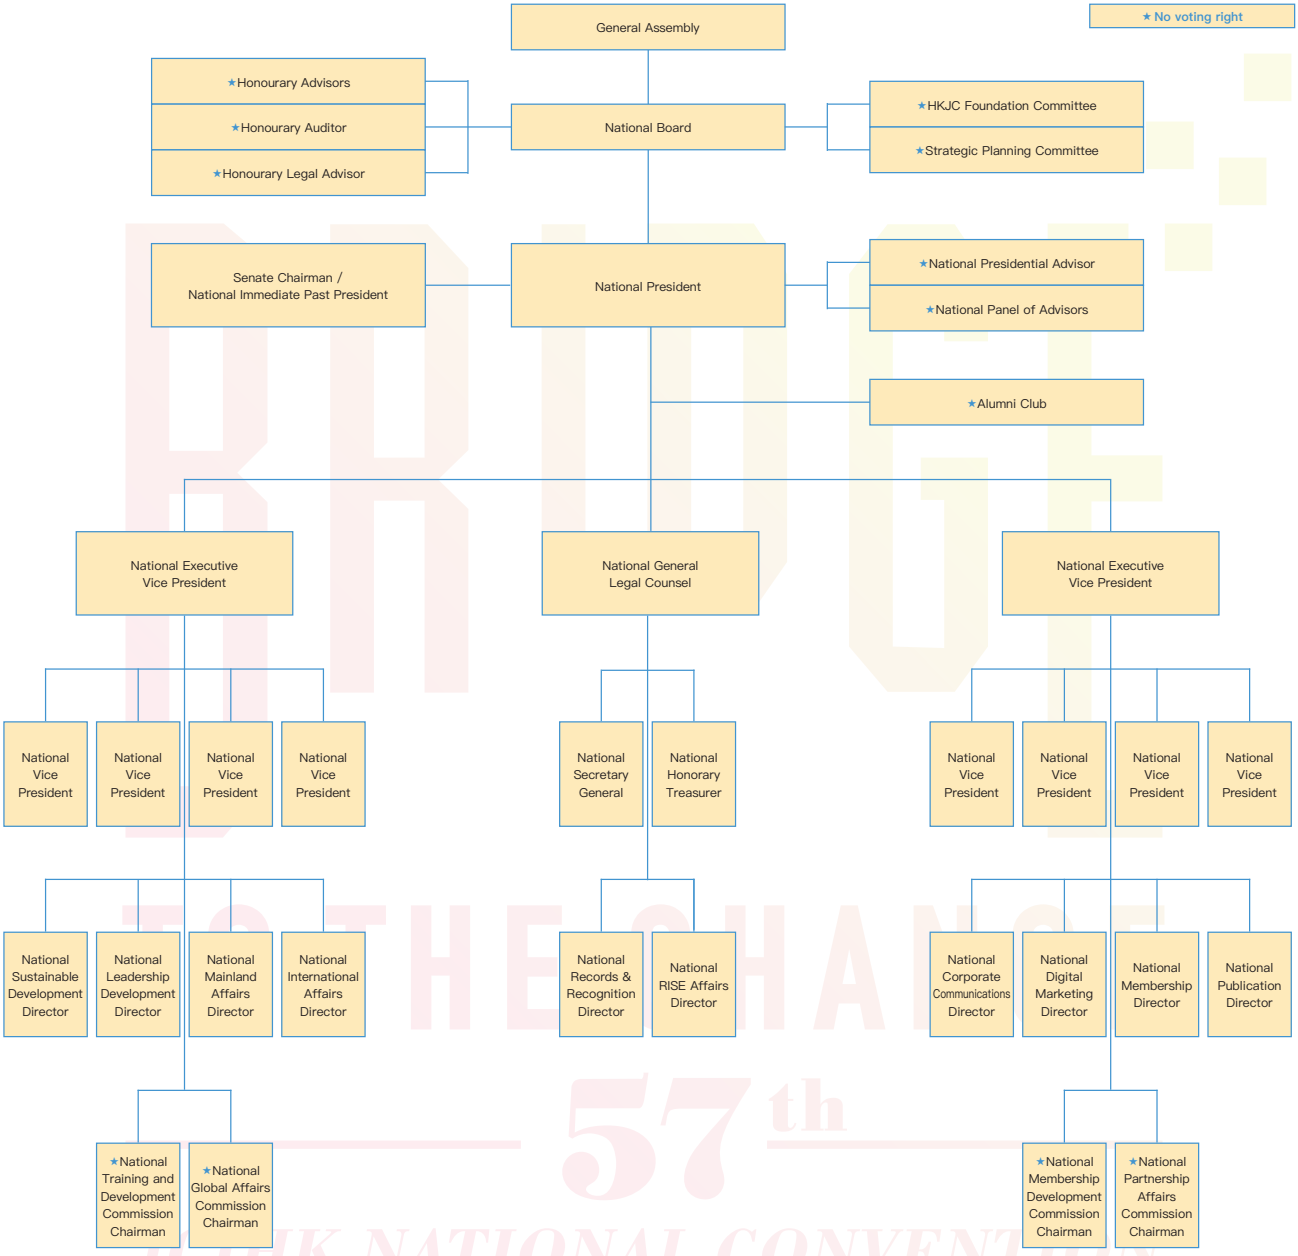

In addition, I would like to give my salute to my beloved mother chapter JCI Lion Rock President Lawrence Mang and all LionRockers for your trust as always. Big applause and thank you our Convention Advisor 2013 National President Senator Paul Wu, my dedicated Deputy Chairmen and all teams for accompanying me through all the ups and downs.

Last but not least, I would like to thank my beloved family for their unconditional love and allowing me to do what I love.

On behalf of the Organizing Committee, I hope you all enjoy every moment of the National Convention and wish you all a glorious year in 2022. Let's cope with the new norm and be the one to "Bridge to the Change".

2022 CURRENT FACTS OF JCI

ABOUT JCI

We are a membership-based international youth leadership organization of 200,000 young people aged 18 to 40 in 5,000 communities and more than 100 countries around the world. Each JCI Member shares the belief that in order to create lasting positive changes, we must improve ourselves and the world around us. We seek targeted solutions to the unique problems in our communities to build a better world, creating global impact.

2022 PRESIDENT
Argenis Angulo

HISTORY

Our global organization of 200,000 young active citizens grew out of the vision of one St. Louisan more than 100 years ago from a constructive approach to civic problems. Founded in 1915 in St. Louis., Missouri, USA by Henry Giessenbier Jr. , the movement was spread out, and Junior Chamber International was founded with eight other countries in Mexico City on December 11, 1944.

JCI CORPORATE SLOGAN

The slogan for 2022 is "Leading is Our Duty," meaning JCI members are asked to take ownership of their responsibilities and recognize the ways that they must improve themselves, their local and national JCI organizations and society at large.

Our primary goals are to create valuable events and other actions that will raise JCI's brand awareness; to boost membership growth and retention; and to launch and improve on new JCI products that will enhance the member experience and drive new revenue streams via four key initiatives: RISE, Global Leadership Masterclass, JCI CYE, and JCI TOYP. A new platform, JCI Virtual Community (JVC), has been launched to build an ecosystem for past, present, and future members to globally connect, learn and grow.

HEADQUARTERS

The JCI Headquarters was established in 1951 and was located in Coral Gables, Florida, U.S.A. since 1969. In 2002, the JCI Headquarters was relocated to Chesterfield, St. Louis, Missouri, U.S.A., where the first local organization was founded in 1918. A professional staff of 20 full-time employees currently provide services to JCI members. The Secretary General is Kevin Hin.

JCI OPPORTUNITIES

JCI can be called an organization of opportunities. The opportunities available within JCI are so numerous that it could take a lifetime to grasp them all. Most members select those which cater to their particular needs and make the most of them. Basically, there are four opportunities within the organization: Individual, Community, International and Business. Projects are conducted in each area. As the members work on these projects, they encounter opportunities for total development.

INTERNATIONAL CO-OPERATION

JCI is a Non-Governmental Organization (NGO) with active participation in the United Nations (UN) system in the context, JCI has relations with the Office of the UN Secretary General (Secretariat) and a Consultative Status with the Economic and Social Council (ECOSCO). Furthermore, JCI has cooperation agreements with the UN Global Compact; the United Nations Educational, Scientific and Cultural Organization (UNESCO); the United Nations Conference on Trade and Development (UNCTAD); the Pan American Health Organization; the Conference of Non-Governmental Organizations (CONGO); the NGO Committee on UNICEF; the International Chamber of Commerce (ICC); World Chambers Federation; the Council of Europe; AIESEC International; and Goal4Africa.

2022 LOCAL CHAPTERS OF JCI HONG KONG

JCI VICTORIA

Since its establishment in 1950, Junior Chamber International Victoria has proactively responded to challenges in the community, helping to generate awareness on important social and economic issues which impact our daily lives. The organization's objectives are carried out through four areas of opportunities, individual; community; international and business affairs. We now have a membership of about 100 male and female entrepreneurs and leaders in Hong Kong.

Through various community development programs, members identify social needs and issues, and develop projects to improve the well-being of the community. Awareness and sensitivity on community problems are thus enhanced. Grandparents' Day is one of the flagship projects of JCI Victoria, which advocates the second Sunday of October as a day for our Grandparents and to promote the importance of fostering bonding across 3 generations via different channels.

Members can pursue personal business interests through the National Business Network as well as worldwide international networking activities. In JCI Victoria, we've first launched "innoBrand" in 2006 as a project to promote economic well-being and focus on innovation and branding especially for SMEs and this has been the key business project of JCI Victoria.

JCI Victoria will be hosting the 'SDG Enterprise Awards 2022' to continue promoting the knowledge and awareness of Sustainable Development Goals to all enterprises of any type or size . We encourage them to participate in the SDG Enterprise Awards and show us the SDG elements they applied in their business. The aim of this award is to show to the public successful examples of companies and businesses which match the vision of this award .

JCI KOWLOON

JCI Kowloon is a second chapter in JCI Hong Kong since 1965, the year of 57 , it is not just a number. It is historical and an inheritance. JCI Kowloon was the second senior chapter among the JCI Hong Kong.

The theme of our chapter is in this year "Keep in Faith". We have put efforts in leadership training, community programs, business and international with our project " Leaders of Leaders ","Together We Care", "Business To The Power N" to cooperate with our sister chapter JCI Pan Mac,to provide internal training to our members, to build up our members abilities on each different stage for their careers. To engage our members to be a leader and create positive change in society. To explore more business opportunities out of Hong Kong , worldwide .

Under the leadership of National President Senator Karen Yeung and her National Board of Directors, JCI Hong Kong achieved significant accomplishments in 2022. I would like to express my gratitude for their tremendous support to our chapter. The slogan of this year's convention is "Bridge to the change", which reflects that JCI provides a solid ground for members to enrich their knowledge and broaden their horizon. The convention serves as an excellent opportunity to review this year's achievements and elect new leaders for the coming year.

JCI ISLAND

JCI Island was established in 1966. It is the 3rd local chapter of JCIHK. It is dedicated to provide young active citizens with opportunities to empower themselves to polish their leadership skills. This can expand their connections both locally and internationally, build up social responsibility, and motivate entrepreneurship and encourage fellowship.

"Make a Motion" is the slogan of JCI Island in 2022. MOtivation, Members Opportunities and Island MOment are the three MOtions we aimed to achieve in 2022.

MOtivation - we encourage our members to take on different organising committee positions and provide a series of training to empower them to be a leader.

Members Opportunities - our members can improve their leadership skills and explore a new partnership through this new flagship project, leading to the future.

Island MOment - which has organised a casual membership gathering in July and a SMCC gathering in August.

In 1999, we received the Award of Outstanding Local Organization Member of the World. This year, JCI Bauhinia has committed to cultivate more young leaders and launched different projects for the community to provide opportunities for members to unleash their potential in fulfilling the JCI mission. Under the sisterhood of JCI Bauhinia, our members strive to grow and achieve a better version of themselves; to glow brighter and illuminate others to create more positive changes to the society.

In the business affairs area, our project, "2022 Outstanding Female Entrepreneurs Series," invites outstanding female entrepreneurs from different industries to share their entrepreneurial experiences, hard and soft skills through a series of workshops, providing relevant information to assist and honour women who go for their dreams. At the same time, with attractive activities and meaningful sharings by excellent and well-known guests, we are able to extend members' networks in such matters, thus strengthening the area and JCI Bauhinia as a whole.

In the social development category, "Listen the Voice of the World" is the theme in social development category that promotes disability inclusion of people with hearing-impaired. Throughout our project, promote the importance of equality, respect and acceptance in social integration.

JCI DRAGON

Since 1980, JCI Dragon has been empowering young leaders to serve Hong Kong.

It is the 11th local chapter of JCIHK, a male English speaking chapter which consists of over 100 members, including ordinary and senior members. The majority of our members are entrepreneurs, professionals, company executives, and financiers.

In 2022, our theme is "Lead to Win". We believe we can nourish a good attitude by conducting meaningful projects. Finally, we could achieve our life goals with these attitudes in the end.

We have TWO flagship projects, which are "Dragon Apprentice 2022- Torch of Hope" and "The Best Employer and Employee Award 2022" this year.

For "Dragon Apprentice 2022- Torch of Hope", we have invited 18 elites from different industries to provide mentorship programs to secondary students. Thus, the students could experience real workplace circumstances and its requirements.

We have also prepared a variety of training for the students, such as CV writing class, elevator pitching skill, clothing etiquette lesson etc. The students will be equipped for the most suitable career planning with those hard and soft skills after the project.

"The Best Employer and Employee Award 2022" have been held since 2015. We aim at honoring the employer/employee who puts effort on maintaining a good relationship to achieve a win-win situation .

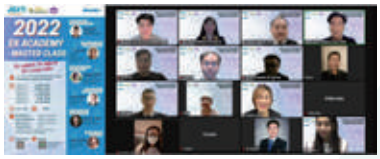

In this year, we have also enhanced the ESG element, because ESG is very important no matter in marketing and maintaining substitutable development. If SMEs have to take this approach of social responsibility, it would further build a great benefit to all business sectors. (e.g. Business Growth, Employee benefit, environmental protection).

"Lead to Win" is a slogan with a great attitude and it comes with great projects from JCI Dragon members.

This year is the 42nd year of JCI East Kowloon and the Slogan this year is "Endless Possibilities . Begin with You". We are just like planting a seed and nurturing it into an enormous plant. We can find endless opportunities to grow and it all begins with exploring and knowing ourselves.

This year we hosted with BNI Infinity and Rotary – Club of Peninsula East to discuss the topic of Business Networking under the new environment with the new generation to identify the impacts on serving our community. It was a good chance to provide members to connect with other parties in order to enhance our public relationship with different community associations .

We also launched an United Nations Affairs new Flagship Project "Mountaineering Safety - 全民關注 登山安全". Outdoor activities have become very common in recent years, especially during the COVID-19 under social distancing and travel restrictions. The purpose of this project is to raise awareness and enhance safety to our community by providing the public with knowledge and survival skills in case of emergency situations to reduce accidents and death occurrences in hiking.

JCI OCEAN

浩洋青年商會，屬國際青年商會香港總會成員 之第十六個分會，以中文為法定語文的男女混合分會。本會的成立是源於一九八六年四月，百多位來自不同階層的年青人帶著和平友愛的訊息，參加了香港青年商會 舉辦的「青年領袖之旅」，遠赴日本作親善訪問及生活體驗，返港後於同年九月創會。因我們的契合既是來自 — 海洋，故以 『浩洋』 為名，成立了「浩洋青年商會」，成為國際青年商會香港總會下之第十六個分會，希望藉此發揮年青人的潛能，透過參與策劃各項活動，吸取經驗，充實自我，使培養成為 「今日青商，明日領袖」。

2022年浩洋青年商會踏入第三十五周年，承接2021年「扎根浩洋，實踐您想」，匯集您想，實踐理想。在2022年，將匯聚大家的點滴及力量，凝聚三十五載，與並肩者一同開創未來，帶同大家的理想向明日啟航。

今年以「點滴成浩洋，齊心夢啟航」為主題口號，希望能夠集合浩洋人的點滴，將「浩洋」變得和諧凝聚，為會友提供一個可以開開心心地為夢想奮鬥的地方，亦為大家提供一個平台，讓大家帶著夢想向明日啟航。

近年來，全球的氣候環境改變，各國亦紛紛提出各自的碳峰值及碳中和時間表。環境議題再次引起了社會大眾的廣泛關注及回響，並開始對低碳生活提出了更加實質的改變。本會深信環保意識需要培養，有見及此，希望今年工作計劃能夠增加社會大眾對環保意識，並培育下一代珍惜環境的習慣。

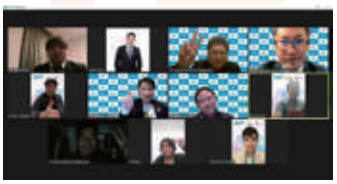

JCI SHA TIN

Junior Chamber International Sha Tin (沙田青年商會) was established in 1987 as the 17th Local Organization Member (LOM) affiliated to the Junior Chamber International Hong Kong (JCIHK) in Junior Chamber International (JCI). JCI is a leadership training organization for young people between the ages of 18 and 40. The objective of JCI Sha Tin that aligns with JCI is to contribute to the advancement of the global community by providing the opportunity for young people to develop leadership skills, social responsibility, fellowship and entrepreneurship where positive change can be created. This year, we called ourselves "United We Stand", meaning we gather to lead to success.

Due to the pandemics, we all need to share ideas and best practices in order to sustain and rebuild economies around the world under a new initiative "JCI RISE (Rebuild, Invest, Sustain, Evolve)". Hence, we echo this great initiative by investing manpower and resources to achieve some of the Sustainable Development Goals (SDGs). In our Community Development Flagship Project named "Come Shine Not Shy", we organized a SDGs Program for the students to understand the importance and the new trend of application of SDGs in the workplace. We expected to nurture and empower our new generation for decent work and economic growth (SDG 8). In our Business Affairs Flagship Project named "Go Green, Grow Economy", we realized that more food waste and disposable plastic takeaway items were created in Hong Kong in recent years, and hence, launched this brand new Flagship Project to tackle the problems at Food and Beverages Industry (F&B). We believe that the collaboration with Corporates, Society and NGOs can generate more Green Initiatives for a stronger Green Economy Community. Therefore, we are going to engage different parties (SDG 17) for the partnership in order to sustain and rebuild local economies.

JCI APEX

晉峰青年商會成立於1994年，是一個非牟利青年組織，隸屬於國際青年商會香港總會。晉峰創會之時，正正是香港即將到 "97 回歸祖國" 的重要時刻，本會預見到往後普通話在香港之重要性，故此採用普通話為法定官方語言。本會秉承國際青年商會的宗旨，一直致力服務政、商、民及社會各界，並為青年提供實踐平台，藉著籌組工作計劃發展四大範疇 ： 個人發展、社會發展、國際事務及商業事務，積極提攜青年成為社會領袖及作出積極正面的改變。

二零二二年，我們以「盡展潛能 成袖夢想」為主題：

「盡展潛能」- 我們深信每個人身上都蘊含無限的潛能，等待機會讓他們發揮所長，透過小改變獲得大成長。我們將一起激發大家的潛能，共同以行動去感染身邊每一個人為社會服務，以生命影響生命。

「成袖夢想」- 我們將透過晉峰青年商會平台結集一群關心社會需要、無分彼此為社會服務的青年，為大家創造機會，助他們青出於藍，成為獨當一面的青年領袖，實現心中的夢想。

我們將繼續透過【晉峰學院】找來重量級嘉賓提供公開演說訓練，及舉辦各種實用知識的線上線下工作坊，助大家開發潛能，突破自己。在社會發展方面，我們將舉辦【點亮•多元】工作計劃，透過了解多元種族的交流活動，提升社會對多元種族人士的關注及協助他們融入社會。國際事務方面，【讓愛全接觸 - 與您同行】已推出精神健康問卷調查，並與台灣、馬來西亞、及日本的JCI分會合作，收集各地數據，了解不同國家的精神健康狀況，鼓勵大眾關注情緒病問題。我們亦會延續商業事務的旗艦工作計劃【企業杏林】，舉辦一連串工作坊及研討會等，為中小企業提供有效資源。

JCI CITY LADY

JCI City Lady was established in 2007 and it is the 19th local chapter in Hong Kong. Our official language is Chinese with members of all females aged 18 to 40. We have been inspiring young ladies to recognize their social responsibility to create a better world and empower them to drive positive change through our impactful and innovative projects.

By hosting the "Hong Kong Professional and Elite Ladies Selection". We recognize local active young ladies who have well established achievements in the community and are role models in their professions. Moreover, the project "Drawing a Wonderful World" aims to improve children's mental health and establish better parental relationships in the meantime.

"Hong Kong Yummy Travel" is a new flagship project of City Lady. The project aims to promote Hong Kong's authentic food culture and discover the beauty of Hong Kong, coinciding with the World Congress held in Hong Kong this year.

2022 is the 15th anniversary of JCI City Lady, a celebratory milestone to get together with old and new friends. "綻放青春 璀璨十五" is our core theme and aspiration this year. We would like to encourage young ladies to seize the opportunity, life bloom like the sunflower. We are proud of our inheritance, and let's "Be the Change, Be a better me".

JCI TSUEN WAN

JCI Tsuen Wan is the 20th affiliated chapter of JCI Hong Kong. Established in 2013 by a number of Past Presidents from our sponsored chapter JCI Kowloon led by 1982 National President Senator Andrew Wong and 2013 National President Senator Paul Wu. Being a JCI Chapter in Tsuen Wan, we will focus more on projects of different nature for the benefit of Tsuen Wan District.

Apart from Tsuen Wan, we also value international relations, JCI Tsuen Wan signed a sister pact with JCI Jayakarta, Indonesia, and a friendship pact with JCI Malacca City Entrepreneurs, Malaysia on our 5th Anniversary in 2018. We also signed a 3 alliance agreement with both JCI Jayakarta and JCI MCE in 2019 to leverage our connection, provide training, and co-host projects to benefit each other's countries.

Since 2013, we have been engaged in a flagship project on Outstanding Family Business Selection. The project praises family businesses that did outstanding planning and innovation for their long term business development. This encourages people to take action for the long-term development of their family business.

In addition, we have been engaged in another flagship project on Children's Play Rights. Racing Article 31 of Convention on the Rights of the Child (CRC) - "The right of the child to rest and leisure, to engage in play and recreational activities appropriate to the age of the child and to participate freely in cultural life and the arts.". We hope to deliver a message that every child has the right to enjoy playtime to play freely, for at least one hour every day and that includes outdoor activities.

Members in JCI Tsuen Wan include students, entrepreneurs, professionals and executives. Over the years, we have organized and launched a number of impactful projects including but not limited to Children's Play rights, Outstanding Family Business Selection, Nothing but Coffee etc. Through the unique platform of "learning by doing" offered by Junior Chamber International, our members not only grow but also expand their network either Business or personally.

JCI Lantau
Do Well Do Good

JCI LANTAU

JCI Lantau is an affiliated Local Organization Member ("LOM") of JCIHK. JCIHK and the local chapters are all non-profit organizations. The members are between the ages of 18-40, who will fully use their leisure hours to work for the betterment of the community and themselves. "Do Well. Do Good" is the theme of 2022. For each of us, "Do Well" means enriching personal quality and skillset. For JCI Lantau as a whole, "Do Well" further means having continuous membership growth, strong bonding among members, as well as enhanced branding and reputation. "Do Good" is to improve society through different projects. It is also consistent with JCI Mission: "To provide development opportunities that empower young people to create positive change." We want to create more opportunities and possibilities for the chapter.

This year, we have launched a flagship project - "Sustainable Lantau" Photo Exhibition. Lantau Island, the largest outlying Island in Hong Kong, is endowed with a wide variety of distinct characteristics with conservation value. We believe all these unique nature and culture shall never be forgotten. Accordingly, JCI Lantau has organized its 2022 flagship project, "Sustainable Lantau Photo Exhibition". It aims to raise the public awareness on the sustainability of Lantau Island, and the balance among economic development, environmental protection and cultural preservation. The project lasts for 5 months from May to September 2022, including a variety of activities based on this theme for the public.

The project is not only about community development but is also about leadership development. By implementing a series of events like field trips, workshops and exhibitions, we hope that we will bring more young talents to join our chapter, and provide more opportunities to inspire their personal growth.

We hope to bring the beauty of Lantau Island to everyone. We would like to invite you to be part of the sustainable journey of Lantau Island.
