4. AREA REPORTS

The major activities of areas are highlighted below. Details are reported by respective officers-in- charge.

4.1 Administration and Secretariat

The facilities at Chamber Office have been quite fully utilized by members. The chamber office staff turnover rate has been fairly high in 2007. Starting from July 1, 2007, AIESEC Hong Kong has rented the weekday daytime use of the Peninsula Room for 12 months, strengthening the close relationship between the two organisations and providing a source of income to the Chamber without significant impact on our service to members.

4.2 Constitution

An Extraordinary General Meeting has been held on September 1, 2007 clarifying the voting procedures for national appointed officers. It had been adopted that chapter votes would be suffice for such appointment. Other minor amendments had been made including the senior membership due to be paid quarterly and some typo mistakes.

4.3 Finance

With the support from members and a number of generous Platinum, Gold, Silver and Bronze Sponsors, we had raised over HK$350,000 in the beginning of the year, providing great support to the administration of the Chamber. I would like to thank for the support from LOMs and the hardworking organizing committee headed by Chairman Yury Lam.

4.4 International Affairs

JCI President Scott Greenlee had visited JCI Hong Kong from July 15 –19, when many visits to government and local leaders and talks with members had been arranged.

JCI Vice President Kevin Kuo had attended the Inauguration of our officers in January, and had joined our visit to All China Youth Federation and our chartered train trip 十載風雲家國情、中華青年專列行 in Beijing in April and July respectively.

Over 150 delegates from JCI Hong Kong enjoyed the JCI Asia Pacific Conference in Chung-li, Taiwan. Heartfelt thanks go to the On-to-Chung-li ASPAC Chair Winnie Chan, her committed organizing committee members and the national International Affairs team.

JCI World Congress will be held in Antalya, Turkey in November 5-10. So far there are more than 30 registration. On-to-Antalya Congress Chair is Kathy Woo.

4.5 Records and Recognition

LOM efficiency index had been revised to motivate members' participation in major activities and to maintain good standard in LOMs' administration.
At Chung-li ASPAC, NOM had won three awards and LOMs had won 5 awards.

4.6 Public Relations

Apart from PR skills training and gathering, joint functions had been held with outsider organizations like Lions Club International District 303 (Hong Kong & Macau) and Rotary Club International District 3450 (Hong Kong, Macau and Mongolia).

In order to strengthen members' sense of belonging and fellowship, the Champion of the Champions Programme continued to be held with great feedback from members.

4.7 Publication

Apart from issuing Harbour Lights 4 times this year, the Chinese version of our newsletter 青商 had been published for the first time aiming at drawing Chinese readers' attention to the Chamber and our activities.

4.8 Membership

The overall membership had been increased from 1379 in January 2007 to 1523 in September 2007, a 10.4% increase so far. It had exceeded our target (10% net growth) already but we expect the trend to continue towards the end of the year.

I am pleased to report that NOM had received an application for affiliation from City Lady Junior Chamber in March. NOM had adopted their application to be provisional LOM and

had recommended to the General Assembly for formal affiliation in the 42nd National Convention.

4.9 Community Development

To celebrate the 10th Anniversary of the establishment of Hong Kong Special Administrative Region of the People's Republic of China, NOM had organized a chartered train trip 十載風雲家國情、中華青年專列行to Beijing from July 16 - 24 with some partner organizations. Over 900 participants, mainly youth, attended the event with great response.

During the year, NOM had also co-organised a number of projects with government bodies and other NGOs like Caritas 學業逆境自強, and 香港青少年慶祝回歸十周年大巡遊.

4.10 Business and Mainland Affairs

Visit to All China Youth Federation had been held in April 4 - 7 with good attendance. ACYF's return visit to NOM had been held on May 4.

Best Business Plan Award, CEO Forum and Business visit to Nanhai, Jiangmen had been organized with good feedback. One applicant from Hong Kong for JCI Creative Young Entrepreneurs Award had reached the final three stage and was invited by JCI to Antalya World Congress to perform the presentation.

4.11 Leadership Development

Various LD workshops had been held for members to learn different management and personal skills. JCI Signature programmes would be held from September 13 – 16.

JCIHK Training Institute grows satisfactorily this year and will continue to provide training opportunities for our coaches as well as marketing opportunities of our Chamber.

5. REPORT ON OTHER NOM AFFAIRS

5.1 Hong Kong Junior Chamber Foundation

Subsidies to NOM and LOM activities had been helpful. It had agreed that HK$11,000 per month was to be paid by NOM as rental charges for the chamber office for the year of 2007. 5.5 Involvement in Junior Chamber International

5.6 Other Involvement

I was invited to be judges for a number of awards and nomination campaigns including the annual SCMP/DHL Hong Kong Business Awards, Samsung Beijing 2008 Olympic Torch Bearer Nomination and Capital Magazines' The Best China Corporate Award.

I am also serving as ex-officio to the executive committee of The Outstanding Young Persons Association.

6. CONCLUSION AND ACKNOWLEDGEMENT

I am honoured to be the National President of Junior Chamber International Hong Kong in 2007. I really treasure the opportunities that JC offer to her members and I cannot agree more of the mission and purpose of JC. I had learnt a great deal this year. Most of our plan had been accomplished and we hope we have brought positive impact to our beloved organization and to Hong Kong.

There are so many people, JC members and outsiders, I would like to thank for their unfailing support, advice, assistance and tolerance. Without them, we could not have achieved what we have performed.

I would like to thank my closest partners in action, all NOM Officers and LOM Presidents. In fact, this year's success was made possible only by these leaders, their members with their good hearts. My NOM teammates' acceptance of running the chamber together with me this year will be treasured and well remembered for the rest of my life.

Presidential Advisor PNP Senator Frank Pak, NOM advisors PNP Senator Paul Yin, PNP Senator Andrew Wong, PNP Senator Daniel Cham, PNP Senator George Lung and PNP Senator Louise Chan are always around giving me invaluable advice.

JCI Foundation Chairman PNP Senator Sonny Yu is always supportive to us. NIPP Senator James Tsui always reminded me the easy to miss but important issues. Thanks for your support throughout the year.

I was privileged to be the representative for this great organization with 57 years in Hong Kong. Thanks for the great foundation laid down by all of the Past National Presidents, our senior members, and members.

I would also like to extend my gratitude to Senator Frederick Lam and Senator David Tsoi for their kind contribution as Honorary Legal Advisor and Honorary Auditor respectively.

My appreciation goes to my mother chapter Ocean Junior Chamber for their unfailing support. I am blessed with my life long friends and coaches that nurtured me at Ocean since I joined JC in 1993.

Last but not the least, I would like to thank my dearest wife Christina, my sons Adrian and Alexander. Without their support and understanding, I could not possibly perform my duties at all in 2007.

Dear members, do take every chance to learn to become better leaders. Opportunity does not knock most of the time. You need to grab it. You can be sure that I will continue to serve JC and the community, as JC has taught me what the best work of life is…

INDEPENDENT HONORARY AUDITORS' REPORT
TO THE MEMBERS OF
HONG KONG JUNIOR CHAMBER FOUNDATION LIMITED
(Incorporated in Hong Kong with liability limited by guarantee)

We have audited the financial statements of Hong Kong Junior Chamber Foundation Limited set out on pages 5 to 16, which comprise the balance sheet as at 31st December, 2006, and the income and expenditure account, statement of changes in funds and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Directors' responsibility for the financial statements

The directors are responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit and to report our opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of qualified opinion

Included in the carrying value of the leasehold land and building, the cost of the leasehold land is accounted for as half of the total cost of the leasehold land and buildings held by the Foundation. This accounting treatment is not in compliance with Hong Kong Accounting Standard 17 'Leases' which requires the amount to be allocated between the land and the building elements in proportion to the relative fair values of the leasehold interests in the land element and buildings element of the lease at the inception of the lease.

Qualified opinion arising from disagreement about accounting treatment

Except for the departure of the accounting standard as mentioned above, in our opinion the financial statements give a true and fair view of the state of the Foundation's affairs as at 31st December, 2006 and of its surplus and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

HONG KONG JUNIOR CHAMBER FOUNDATION LIMITED
(LIMITED BY GUARANTEE)

NOTES TO THE FINANCIAL STATEMENTS
(Expressed in Hong Kong Dollars)

1. GENERAL

The Hong Kong Junior Chamber Trust Fund ("The Trust Fund") was an unincorporated body within the framework of the Hong Kong Junior Chamber of Commerce Limited (now known as Junior Chamber International Hong Kong Limited)("JCIHK") vested with the responsibility of managing certain funds and applying the investment proceeds in support of activities of JCIHK and its affiliated Local Organization Members ("LOMs") in Hong Kong.

An incorporated body, Hong Kong Junior Chamber Foundation Limited ("The Foundation") was incorporated as a non-profit making organization in Hong Kong on 2nd February, 2004. The Foundation was set up to assume all the assets for the time being kept by the Trust Fund and assume the same role of the Trust Fund in managing the assets. By a Three-Party Deed signed on 23rd July, 2004 between JCIHK, The Trust Fund and The Foundation, net assets of the Trust Fund were taken up by the Foundation on the cut-off date of 16th November, 2004, the date on which the Foundation was confirmed to be recognized as a charitable institution or trust of a public character and to be exempt from taxes under Section 88 of the Inland Revenue Ordinance.

The registered office of the Foundation is located at 21st Floor, Seaview Commercial Building, 21-24 Connaught Road West, Hong Kong.

The Foundation manages a portfolio of assets for investment income. Out of the annual income, the Foundation would grant subsidies to worthwhile projects or undertakings organized by JCIHK and its LOMs.

2. PRINCIPAL ACCOUNTING POLICIES

(a) Statement of compliance

These financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards ("HKFRSs") which includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations issued by the Hong Kong Institute of Certified Public Accountants, accounting principles generally accepted in Hong Kong and the requirements of the Hong Kong Companies Ordinance with the exception for the accounting policy for leasehold land and building.

DRAFT

Included in the carrying value of the leasehold land and building, the cost of the leasehold land is accounted for as half of the total cost of the leasehold land and buildings held by the Foundation. This accounting treatment is not in compliance with Hong Kong Accounting Standard 17 'Leases' which requires the amount to be allocated between the land and the building elements in proportion to the relative fair values of the leasehold interests in the land element and buildings element of the lease at the inception of the lease.

(b) Basis of preparation of the financial statements

The measurement basis used in the preparation of the financial statements is historical cost, except for investments in available-for-sale securities, which are stated at fair value. The accounting policy on investments is summarized in note 2(e).

(c) Revenue recognition

Licence fee income is recognized on a time proportion basis over the period of the licence agreement.

Dividend on investments is recognized when the shareholders' right to receive payment has been established and dividend is received.

(d) Depreciation

Depreciation is calculated to write off the cost of property, plant and equipment over their anticipated useful lives on a straight line basis as follows:-

Leasehold land held under long term lease	over the unexpired lease term
Buildings	2% per annum
Leasehold improvement	20% per annum

The residual value and the useful life of an asset are reviewed at least at each financial year-end. The Foundation assesses at each reporting date whether there is any indication that any items of property, plant and equipment may be impaired and that an impairment loss recognized in prior periods for an item may have decreased. If any such indication exists, the company estimates the recoverable amount of the item. An impairment loss, being the amount by which the carrying amount of an asset or a cash-generating unit exceeds its recoverable amount, or a reversal of impairment loss is recognized immediately in profit or loss.

Gain or loss arising from the derecognition of an item of property, plant and equipment is included in profit or loss when the item is derecognized and is determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item.

(e) Available-for-sale securities

Investments in securities are classified as available-for-sale financial assets and are stated in the balance sheet at fair value. Gain or loss on the fair value changes of available-for-sale financial assets is recognized directly in equity in the fair value reserves, except for impairment losses.

When the available-for-sale financial assets are derecognized, the cumulative gain or loss previously recognized directly in equity is recognized in profit or loss.

4. AREA PROGRESS AND ACHIEVEMENT

4.1 Administration

It is not an easy job in 2007 as the team has no National Administration Director. As such, we on one hand aiming at bring about continuous improvement to the chamber and to provide better service to our members, and on the other hand ensure our service is not affected with a high than normal turnover rate of our chamber staff, not to mention those staff administration duties which share with National Secretary General.

4.1.1 Chamber Office Maintenance

A slightly improvement on the storage problem in Chamber Office this year, with the solid groundwork that has been done in last year, we maintain all rooms decent and functionable. To ensure this, we have introduced Chamber Office Cleaning Day on every 27th of the month, starting from June 2007. All those materials misplaced will be identified and handled with clearance notice given to Chapter's representative. Thanks for the help of NHT and NITD as Cleaning Ambassador sometimes. Coming up we will clean NP room and Board room, and to clear space in Seminar Room 1 Cabinet for LOm to temporary place project material on request.

Beside of general administration, maintenance work also carried out after the building improvement work done at the beginning of the year. Our nameplate at the entrance and G/F lift lobby has been repaired. Folding partition will also be repaired after the peak season in order to keep disturbance to minimal. Matters in relation to Building Authority notice has been cleared and we have nominated representative in the Building Management Committee.

Two NOM Administration Meetings were held to bridging up effective communication between Chamber Staff and whole administration team.

4.1.2 Change of Chamber Office Staff

During the year our staff turnover rate is high. While try to maintain those important service uninterrupted, we have to reallocate some duties between staff to ensure smooth handover. Service hours ha generally no change and management on the right track. For recruitment we have placed advertisement in JobsDB.com for all three posts. As we have no Administration Director, all those personnel matters including salaries

payment, MPF and insurance coverage, report to Inland Revenue etc. has to be done with support from National Secretary General and National Honorary Treasurer.

4.1.3 2007 NOM Directory, Recognition List and Policy Manual

The 2007 NOM Directory, Recognition List and Policy Manual had been completed and uploaded to the website in the beginning of the year. Recognition List update throughout the year.

4.1.4 Chamber Office Rental

AIESEC 07/08 Members Committee approached us on the renting of Peninsula Room for one year starting from 1.7.2007. Upon the approval from the BOD we have signed a tenancy agreement with AIESEC and they are occupying Peninsula Room in normal office hours from Monday to Saturday as their operation office.

4.1.5 Review of Constitution

The M&AA and bylaws of the Chamber have been reviewed by the Constitution Review ad hoc Committee Chairman Senator Arthur Lui and Past National President Senator Andrew Wong for improvement and clearance on those ambiguities. An EGM was held on 1 September for the adoption of the revised M&AA and bylaws.

4.2 Finance

2007 is also a challenging year in the finance area, as we have to complete the 2006 account using MYOB without the help from part time account staff, while facing handover problem imposed from change of account officers twice.

4.2.1 Inaugural Ball and Fundraising

With the great effort made by the organizing committee chaired by Senator Yury Lam, 2007 Inaugural ball was great and raise over $350,000. Same as last year, the income on raffle sales was shared with Chapters.

4.2.2 Review of Finance Management

There are a number of reviews for the betterment of our management in finance. Further to the guidelines provided by ex-National Honorary Treasurer, we shall supplement additional recommendation in due course. NHT will focus on closing all account bye end of December in order to complete the accounting without much inference to 2008 officers.

With the help on establishing merchant account for 18 Chapters, the

complication in JCIHK Visa transaction and rebate is simplified.

4.3 Records and Recognition

2007 is a year when JC members around the world familiar to e-submission of bidbooks for all JCI awards and National awards. Same as last year but a little difference, we adopted to use the JCI e-awards system for ALL National awards entry and judging. At the beginning, we were hoping to be able to use JCI's e-submission system for all our local awards as in the past experience the JCI award system is more stable without local managing issue. But due to the limitation of creating award as per JCI request, three of our National Awards will need to be submitted using other e-bidbook category. We shall still review the e-submission system provided by JCI for NOM awards and will make recommendations to JCI for our usage in 2008.

There had been 2 bidbook workshops held this year so far, one for bidding JCI ASPAC awards and the other one for bidding National Convention awards. We will not hold another workshop for bidding JCI World Congress awards in the last quarter of the year but we may consider a sharing session if required.

On local LOM Efficiency Program, the guidelines and rule are revised to reduce the burden of LOM in too much emphasis on attendance. The guidelines has been adopted on January, posted on the website and mailed to Chapter Presidents. Response so far is good. For JCI 100% Efficiency, we achieved 117% out of 150% as at 1.8.2007, as such we have already fulfilled the 100% Efficiency requirement. We targeted by the end of the program we will get 137%.

This year JCI 100% Efficiency Program launched a LOM award and we have registered for entry. Good Luck to LOM.

4.4 International Affairs

4.4.3 Reception of JCI Vice President Kevin Kuo in January

JCI Vice President Kuo has visited Hong Kong during the Inaugural Ball on January 19-21, 2007. We have two-day reception program on visiting

4.5 Information Technology

We change a lot this year aiming at provide an effective platform on communication and promoting JCI Hong Kong through the website, also to reduce the improper usage of email and control the spam mail. As we have no National Information Technology Commission to deal with server and program maintenance, NITD was also take charge in addition to her normal duties to provide advice to NOM and LOM on IT issue.

4.5.1 Creation of Email Alias

As in previous years, we created various area email alias for effective communication. However, as the email promotion on JC activities became so popular this year, members forward their promotion to all alias and this cause nuisance to those officer which include in more than one alias group, as such we created promotion alias included all NOM and LOM officers and encourage members to use this instead of those area alias. IT team also create alias group for NBN members and SMC members.

After changing of server, those alias become mailing list, which expect to have more protection to members on unauthorized email to the mailing list subscribers and better management, etc. For the coming months we will consider to set up modulator to strengthen the control on incoming email.

4.5.2 Server Hosting Arrangement

We change form server collocation services with our owned servers to renting a server with server administration tools. The change enable us to have a user-friendly interface on server administration and various software to control over the server and website. Firewall also subscribed to reduce the spam and junk mail. For the coming months we will consider the procurement of signature for mailing list and other enhancement on server administration.

Server administration tool training was conducted by vendor in August. 2008 officers and chamber staffs were invited to attend.

4.5.3 Change of Internet Service Provider

We changed the Chamber Office Internet Service Provider from Pacific Supernet to Netvigator Broadband which provided a more stable and fast network login and connection service to member.

National Board has approved a design and commissioning of a new e-booking system to replace the existing malfunction system annexed to website. The new system enables on-line confirmation of room and equipment booking and allow for expansion in future. It is expected the system will complete its design in September and test run before launch.

Being the 1st LOM which was awarded as "Caring Organization" in 2006, DJC successfully extended this recognition this year on their contribution to the community. Furthermore, DJC has been outstanding in maintaining good relationship with other local and China organizations such as jointly hosted brainstorming section with Youth Business Hong Kong and organized business trip with Qingyuan and Nanhai Youth Federation.

Other than external network, DJC also showed its support to NOM and other chapters by hosting several joint projects such as "Geared Action 2007" in March (IJC, YLJC, DJC, EKJC and QJC), "NOM Recruitment Seminar 1" in March (DJC & AJC), "JCI Better Enterprise - Mainland Business Visit" in June (DJC & SJC). All the projects are outstanding and completed in great success.

Besides the good job done in public relations, DJC showed remarkable improvement on their internal management: significant membership growth of 30% is one of DJC's major achievements, revamped web site, and the new issue of "DRACO" in attractive design. All the improvements proved that the whole BOD is dedicated to develop DJC to "Be Better" organization.

Last but not least, on behalf of JCIHK, I would express my gratitude to DJC's support by nominating IPP Benjamin Lee as the Chief Representative of NOM in the project「十載風雲家國情，中華青年專列行」, and Zenith as TOYP organizing

committee.

Being the NAEO of DJC, I am so glad to see President Benjamin's outstanding management skill and the well-balanced development of the chapter. Their strong brotherhood and cheerful atmosphere makes all participants of their activities feel enjoyable. I trust that all the Dragons will continue their good work and the chapter will become more outstanding in the future.

2.2 Bauhinia Junior Chamber

It was delightful to note BJC's significant improvement on chapter management and membership growth. Leading by President Kitty and the outstanding teamwork of the BOD, BJC was doing well to achieve their year plan.

The theme of this year is "Harmony community among nations 社會和諧, 民族共融". BJC carried out a series of projects which focused on this direction. Their CD project「健康建和諧」series completed in great success. This project successfully raised their participants' value on "harmony and health". Furthermore, during the execution, BJC lined up with several external organizations to co-organize the project. In this way, BJC could focus on the core planning and coordination work, and so the chapter could smartly allocate their resources on other areas.

"Reading Club" is a long lasting and well-known series of projects of BJC. Together with the "Poster design and Photoshop Workshop" and MFG's, these projects were effective tool for recruiting and retaining members. The innovative and interesting fund raising project『第三屆城市定向比賽之各國美食大狙擊 2007』was another famous project, which raised sufficient fund by providing donators an enjoyable game.

Steady membership growth in both Full Members and Prospective Members was encouraging. After a good start at the beginning of this year, the ME team was still working hard and planed for another proactive recruitment program in next few months.

Being the NAEO of BJC, I am so happy to see the encouraging results and the harmony atmosphere of the chapter. President Kitty tried her best and put enormous effort to contribute to the BJC, meanwhile the BOD showed their wholehearted support to the President even though most of them were very busy in their career. I wish BJC can carry on this momentum and continue to success in the future.

2.3 East Kowloon Junior Chamber

Under the leadership of President Perlman, the whole BOD showed their dedication to bring EKJC to another horizon. Their enthusiastic, energetic, and

dynamic atmosphere deeply impressed me.

As a renowned "Training Chapter", EKJC's flagship project "Success Dynamic" continued to success in this year. Besides the flagship training, EKJC launched out other training programs such as "Success Training". Other than training up new leaders, these training programs were effective tool to recruit new members. In this way, EKJC members grow significantly.

The focus of EKJC in 2007 must be organizing the 42nd National Convention. Despite a young National Convention Director Fanny Chan and OC team, their devoted attitude leads the project in a satisfactory progress. Furthermore, innovative ideas such as "Success Dynamic – Convention Version" and "Work-Life Balance Seminar" are new elements which attracting all JC's.

Being the NAEO of EKJC, I was always full of energy when participating in their activities. Their morale and cohesiveness made all members devoted to contribute to the chapter. With the solid foundation built in this year, I am confident that EKJC will continue to develop to another horizon in the coming years.

3. OTHER ASSIGNMENT

Apart from my role as an NAEO, it is my pleasure to be part of the NOM Membership Team and work together with NEVP Kitty Chan and NMD Doris Wong. My major task is to supervise Recruitment Seminar 1 and 2:
Recruitment Seminar 1 "發揮領袖魅力，成就管治之路" – jointly hosted by DJC and AJC on March 30
Recruitment Seminar 2 "溝通技巧與藝術" – hosted by CJC on July 18

4. CONCLUSION AND ACKNOWLEDGEMENT

Being a National Vice President is a breakthrough of my JC career, because this is my first time to take up a post in the National Board. It gives me lots of exposure and learning opportunities. The unique experience, memorable moments and wonderful friendship enriches my life, and I believe I can "Be Better" leader after this wonderful year of 2007.

1. FORWARD

It is my great honor to serve the Junior Chamber International Hong Kong as a National Vice President this year. Apart from the duties as National Assigned Executive Officer for Island Junior Chamber, Peninsula Junior Chamber and Lion Rock Junior Chamber, I am also responsible for Community Development area. This is another enjoyable year to me as it gave me different chances to meet and communicate with JC members from different chapters. I gained invaluable experience by serving the community as National Board.

I am pleased to present my report to the General Assembly of the 42nd National Convention as followings:

2. ASSIGNED LOMS

2.1 Island Junior Chamber

Island Junior Chamber is well-known for his cohesive brotherhood among members, which built a harmonious and warm atmosphere. Series of promotion material and products were launched with aims to promote chapter image, such as T-shirt, Mug, Tie, Stationeries, Calendar as well as professional publication, etc. Remarkable progress in membership and administration was achieved in year 2007.

It has been much appreciated that Island Junior Chamber put much effort on Community Development. Project of "Sharing with other" on project learning has offered an opportunity to the pupils with aged 6 to 12 to develop their creativity. The Flagship program – "Shell/Island Jaycees Scholarship for the Disabled" was continuously co-organized with Shell, which aims to reward those disable students with outstanding academic achievement. Scholarship will be presented in October. The new project "Junior Health Ambassador" was co-organized with Hunghom Society for Community Organization. The objective of this project is to deliver the knowledge of the usage of Chinese Herbs in our daily food. Eleven pupils were trained as ambassadors to promote this concept by starting from their family as well as friends. It received a very positive feedback from the society and made arouse to the public.

With strong commitment of President Fookman Chan, Island Junior Chamber played six sister chapter visits this year to enhance the sisterhood between chapters.

Apart from Sister Chapter's visits, IJC also organized projects on Leadership Development as well as Business affairs such as "Gear in Action" and "Change is inevitable! Change is constant" respectively.

Island Junior Chamber has also shown his continuing support to NOM by manpower nomination such as nominating PNP Senator Paul Yin as Panel of Advisor, PP Senator Felix Cheng as National General Legal Counsel, PP Senator Billy Ho as National Vice President, IPP Stanley Ng as National International Affair Commission Chairman, PP Senator S.C Mok as Hon. Secretary of National Senior Member Club, by hosting projects such as "PMO I", JC Sports Day", "Best Enterprise, Best Business Plan", "LD 2 & 3", "President Academy" as well as donation and participation in NOM activities.

With history of 41 years, Island Junior Chamber has built a stable foundation of Chapter Management by unfailing supports from Past Presidents, Senior Members and Members. I believe that with the continuous contribution of the high caliber incoming board members, Island Junior Chamber will step into new milestone.

2.2 Peninsular Junior Chamber

Peninsular Junior Chamber is one of the most outstanding chapters in Hong Kong. Due to mainly natural graduation and high drop out rate this year, membership has firstly dropped below 75 in the first quarter. However, with outstanding leadership of President Micky Tong and dedicated work of board members, the membership now goes up to 75. Moreover, the membership of Senior Member Club is also increased with huge numbers with outstanding influencing power of Chairman Senator Connie. Therefore, the warm and harmonious atmosphere is created within chapter.

In the past eight months, the year plan has been generally executed in timely manner and everything is going very smooth. The energetic team of board members has continued to uphold its strength and tradition to organize high quality projects in different aspects, especially in community development. All the outstanding achievement could not be happened without the enthusiasm of board members, advice and guidance from Past presidents, especially Senator Eddy Wong and Senator Carrian Yu. The unfailing support from members and senior members are the other key elements to drive the success. The involvement of every member is the valuable asset for JC movement in success.

The flagship program "Hong Kong Youth Translation Competition" was successfully held in April. In order to arouse the interest of student in "Translation and Language" and encourage more students to participate in this meaningful event, the organizing committee decided to increase class of "Junior Secondary School" student. It is delightful to receive a lot of positive feedback from the public. As a result, the no. of contestants has been increased. An artist "Chan Chai Ping" was invited as ambassador of this project for better promotion.

"We loving schooling" has been organizing for nine years. With aims at supporting the children who live in grinding poverty to have a chance for schooling, two more schools at Guizhou of Mainland were set up. A huge number of students received scholarship as well as sponsorship from this project. This year, with supporting network of outside organization and tremendous effort of Organizing Committee, funding with over $420,000 was raised for this project. A series of activities includes fund raising campaign by selling red packets and hospital, seminar with Topic "Life 闊希望", etc was successfully held.

Apart from Community Development, new projects for different nature were also carried out this year such as "Learn to be a outstanding chairman with 180 minutes", "Business, Innovation, New Business", Champion of the Champion – Badminton Competition, LD 4 & 5, CEO Forum.

It was much appreciated for the contribution from PJC in term of organizing project and manpower support. It includes PNP Eddy Wong acting as HKJC Foundation Chairman, IPP Gene Tang as NVP and many members act as Officers as well Organizing Committee members for NOM projects.

As the NAEO, I did share the joyfulness with Peninsular Junior Chamber in winning prestigious award of "Best UN MDG" during ASPAC in Taipei this year. The award has proven the continued success of the talented members and recognized the project achievement. In conclusion, I am really delighted to see the further advancement of Peninsular Junior Chamber in all directions of JC path in the years to come.

2.3 Lion Rock Junior Chamber

Lion Rock Junior Chamber impressed me as a young and energetic chapter. Many of Board members are young talents, whose proactive attitude in dealing with every issue of chapter management have been notably inspiring. With the democratic leadership of President Ken, high team spirit was built up amongst chapter. Members are highly motivated to get involve in different aspect. The full support from members, senior members as well as past presidents drove the chapter in success. This is proved by high score of LOM Efficiency Index and good result of chapter management.

In order to recruit and maintain members, a membership system namely "BEE" standing for "Bridge, Efficiency and Experience" is continuously launched with different team names. An award system is also newly applied to recognize those members who actively participate in project execution as well as activities. As a result, members enjoy the JC life.

This year, Lion Rock JC put much effort on flagship program "Get in Gear – Volunteer". With continuous support with Tung Wah Group, a series of activities has been held including training camp provides opportunity to the youth volunteer to polish their interpersonal skill as well as leadership, visits to the elderly home, etc, where, received a lot of appreciation from the public.

Apart from the outstanding project execution, Lion Rockers had also excellent performance in NOM Champion of Champion (COC) Programs. With active participation of members in different events of COC, Lion Rock JC is the most energetic chapter with highest score among 19 chapters so far. It truly proves Lion Rockers are all rounder.

Meanwhile, I would like to express my sincere thanks to the support to NOM from Lion Rock Junior Chamber by manpower support as well as project hosting. It includes PP Leo Leung as NVP, members acting as officers for different department of NOM such as SMC and TDC and OCs of projects as well. In conclusion, Lion Rock Junior Chamber has done a good work on

JC movement this year. I am sure it will have a tremendous success by means of the involvement, participation and contribution from members.

REPORT TO THE GENERAL ASSEMBLY OF THE 42nd NATIONAL CONVENTION FROM NATIONAL VICE PRESIDENT GENE TANG

1. FOREWORD

It is my great honour to be elected as the National Vice President for the year 2007. My major responsibility is to act as the National Assigned Executive Officer for Victoria Junior Chamber, Harbour Junior Chamber and Queensway Junior Chamber. On the business area, I am also assigned to supervise the National Business Network.

2. ASSIGNED LOMS

2.1 Victoria Junior Chamber ("VJC")

JCI is a place for everyone of us to learn, to build and excel our potential. JCI is also a place full of dreams. To realize our dreams, we put that in action. President Florence has a high and noble vision and with the strong support of the board of directors, that the annual targets of VJC are not just reached but outshone!

As of August, membership has been increased 20% from last year with 62 full members and 20 prospective members queuing up to join! It is all due to the hard work of the team of Membership Affairs and the whole board of directors. I can see the initiative of "We Care, We Share and We Enjoy" among the board members towards all the Victorians. In addition, the Senior Members Club was established in February to retain the senior members and also bringing more opportunities to share their experience with the members.

Having 5 individual sessions of <"Pro" Training Series> not just building the team spirit of the Victorians but also letting them realized the core value of JCI as well as enriching their life. It also built a solid foundation for next year board of directors and preserve the continuity of success!

This year, I have a brand new perception of "Grandparents Day". It provides a COMPLETE care to the elderly. From hair cut service to warm greetings during Chinese New Year; from the variety performance show to the rice dumpling making & giveaway during June; from exhibition display at 'Senior Asia Lifestyle Exhibition' to complimentary chinese medical consultation in August, the joyful faces and laughs of the elderly prove it all!

With a total of 43 supporting organizations and a series of high-grade events, "Innobrand 2007" received a lot of positive feedbacks not just within JCIHK but also the general public. The objective of bringing awareness of brand establishment has been attained through tremendous media coverage.

Furthermore, VJC showed their full support to NOM with President Florence being the Assistant Trainer for JCI Designer in ASPAC in Chunli and World Congress in Antalya. PNP Senator Frank Pak as National Presidential Advisor, PNP Senator Ronald Ho as the Honorary Treasurer of HKJC Foundation, PNP Senator Spencer Li as the Senate Screening Committee, PP Enda Chan as the National International Affairs Director, Cris Tang as the National Community Development Director, IPP Patrick Ko as the National Business Network Chairman. VJC also hosted the NOM LD1, NOM PMO2 and NOM CEO Forum.

Great ability develops and reveals itself increasingly with every new assignment, success is having a better self today than yesterday. I can see the positive change of all the Victorians and let us work hand in hand for a better tomorrow.

2.2 Harbour Junior Chamber ("HJC")

Young leaders have courage to take up challenges, bear responsibility and build leaders around them. In Harbour Junior Chamber, I see a group of impeccably committed, enthusiastic and never exhausting members striving for the best they can perform!

President Junnie has been wholeheartedly dedicated to develop a balance growth in the four areas of opportunities as well as the personal growth of her members. A total of 14 events are arranged in the "Young Leader Series" and outstanding achievement has been accomplished.

Over 7500 children joined the "The 28th International Children Drawing Contest" and over 30000 people attended the function. Apart from the contest and the award ceremony, new elements were included which made the project more meaningful. The winners had the chance to go to Quizhou and share the cultural difference with each other. Moreover, with the children in Shenzhen, the contestants drew two pictures which will be display in Beijing for 2008 Olympic.

Echoing JCI's theme of "Be Better", HJC developed a new project – "The 1st Young Leaders Selection" to encourage young leader to provide suggestion on Politics, Community, Economics and Culture for the betterment of Hong Kong. This project creates the platform for young leaders to establish the positive thinking and the motive to contribute to the community.

Endeavoring for excellence, HJC had organized another new project – "2007 Creative Image Design Competition" to inspire the young people's interest in the image design industry through a series of training, workshop, practice and competition.

Harbour Junior Chamber has shown her continual support to NOM by nominating PNP Senator Michelle Tang as the Secretary General of JCI Asia Pacific Senate Board, PNP Senator Spencer Suen as the Long Range Planning Committee Chairman, PP Senator Cindy Yeung as the National Executive Vice President, IPP

Karen Fong as the National Vice President, Doris Wong as the National Membership Director and Ingrid Fu as the National Records and Recognition Director. HJC also support NOM in hosting LD2 and LD3.

HJC also put a lot of effort in public relationship and membership extension this year. Having the effective marketing strategy, more than 30 occasions reported in all kinds of media including TVB, ATV, Cable TV, TV Channel in China and various newspapers. With the persistent in arranging 7 PMO in eight months, more than 300 PPM are attracted and more than 40 PM are recruited. With all the solid foundation built by President Junnie and the board members, I believe Harbour Junior Chamber is able to reach another horizon in the coming years.

2.3 Queensway Junior Chamber ("QJC")

Diamond cannot be polished without friction. Gold cannot be purified without fire. Good people go through trials, but don't suffer. With that experience their life becomes better, not bitter. Under the leadership of President Connie, all the members of Queensway Junior Chamber have demonstrated their theme "Synergy without boundaries" and proven that one plus one is greater than TWO!

Right after the election, the board of directors had set the missions – membership recruitment, retention and training. By sharing the resources and experience, QJC has organized more than 7 joint projects with other chapters but they insisted in running the Inauguration Ceremony, LOM PMO, Fund Raising, CD and NOM PMO3 by themselves.

The Past Presidents, Senators and Senior members are all very supportive financially and guidance. The board of directors has built an enthusiastic atmosphere within QJC and led the members to won various awards in JCIHK.

Elderly Home visit was the main project of Community Development commission and this was completed in July. Packed with a series of amusing programs and games for the elder people and I could see and hear the joyful smile and laugh during the whole afternoon.

Lots of targets are jovially achieved in the last eight months including a membership growth to 30 members, completion of the previous year financial reports and Inauguration Ceremony. Taking this opportunity, I would like to thank you QJC for hosting the NOM PMO3 and NOM Best Business Plan. Special thanks to the Lion Rock Junior Chamber PP Senator Lydia Chiu for her unfailing support and guidance to Queensway, your noble spirit is really *the best work of life*!

3. OTHER ASSIGNMENT

3.1 National Business Network ("NBN")

"Seize the Opportunity; Breakthrough the Boundary" is the main theme for NBN this year. With all the hard of the committee members, we have achieved several breakthroughs especially in building linkage with other local associations. On top of maintaining the traditional culture of visiting All China Youth Federation in Beijing, but we also widen our relationships with other local business associations in building up our business network with external parties. Furthermore, we have created a business matching networking event called SPEED BIZ series where members can introduce their businesses and meeting new friends in a different social networking model. Moreover, we have updated our NBN membership database under JCIHK website and to explore the membership benefits program on e-platform. We have a total membership of 409 members which has increased by 10%.

Serving in the JCIHK since 1997, it is my pleasure to serve my assigned LOMs. Indeed, the horizon of my JC life is broadened through the increased interaction with many eminent JC members.

It is my great honor to participate this project as it is a long and lasting project even the awards presentation has already held in APM shopping mall on 7 AUG. We are happy to see that many pairs of mentors (JCI members) and mentees could keep in touch by MSN, by SMS, and etc.

To sum up, it is ensured that our JCI mentors could get great satisfaction in sharing their life with students; on the other hand, students could also get help to settle their nervous or release their happiness no mater their HKCEE result.

ii. Chartered Train for the 10th Anniversary of HKSAR "十載風雲家國情 中華青年專列行"

To celebrate the 10th Anniversary of the establishment of HKSAR,十載風雲家國情、中華青年專列行 had been successfully held from 16 – 24 July by 粵港青年交流促進會. Being one of the co-organization, JCI Hong Kong with 40 representatives and other co-organization, i.e. nearly 1000 delegates, had visited Hunan, Beijing and Shanghai by the charter train. During 9 days journey, the tour was reported by many media like daily news in Metro Broadcasting (新城電台), Cable TV, and different Chinese TV channels.

On behalf of NOM, I would like to express my heartiest thank to Project chairman Benjamin Lee (DJC), the OC teams including Crystal Chau (KJC), Johnny So (KJC), Zenith Lin (DJC)

REPORT TO THE GENERAL ASSEMBLY OF THE 42nd NATIONAL CONVENTION FROM NATIONAL INFORMATION TECHNOLOGY DIRECTOR IDA HUI

1. FOREWORD

The infrastructure of the information system of JCIHK has been continuously improved throughout the years on hardware, software and support service. Certainly, as the technology changes every day and there is no perfect solution in the world, there is always room for improvement. The only goal we have this year is to upgrade the IT services to enhance the efficiency and effectiveness. This is my great honor to serve as National Information Technology Director in 2007 under the supervision of NGLC Felix Cheng and contribute to the improvement of the related work.

Serving in the 2007 NOM board, the IT team has paid attention to the hardware and network stability, system performance, support by the service provider, proper usage of the IT services and assistant to the usage of the current systems. I am pleased to submit my report to the General Assembly as follows:

2. APPOINTMENTS AND AREA REPORT

Report on JCIHK servers

- Due to the instability of the servers and the long response time, we decided to move the JCIHK servers (both email and web) to another hosting company. The transition process was carried out on the last week of June to 2 July.
- The email server move to a new one (from alias to mailing list) and much of the spam emails have been filtered out. Moreover, a size limitation of 1 Mb has been set so as to ensure the server is in proper loading. We noted some of the improper usage of the mailing list (1 broadcast email to ~1000 email addresses), many of the email service providers consider our email as spam email. However, the situation improved as members contacted their own ISP to remove the name from the spam list. We intend to add electronic signature to our server to signify our status to overcome the situation.
- The old server will be re-used in JC office for public and for backup purpose.
- We have also purchase a user-friendly interface for server control and monitoring so that the coming IT team can also control the system easily, while maintenance service will provide by server vendor.

Report on internet access in Chamber Office

- Due to the instability of the internet access in chamber office and promotional price offered by Netvigator, we changed the service provider in May.
- Since one of the routers in the chamber office retired, we replace it in order to ensure the stability of the wireless network access. Donation of new components (both hubs and routers) are welcome so as to provide access to whole office with strong signal

Report on the JCIHK website

- JCIHK website is a global promotional platform. Many potential members choose their preference chapter according to the introduction mentioned on the website. Therefore, we released 3 friendly reminders to each of the Chapter Presidents for the updating of the Chapter's information (3 pages in total) on the JCIHK website.
- Event calendar provides an overview to the members about the events on every single day. Since most of the events are promoted through emails only, we put the event details for the chapters so as to fully utilize the usage of the calendar and release the information to the public.
- The old room booking system was malfunctioned in February but the developer reject for the repair of the system due to the current version too old and not compatible with the current server. Therefore, we looked for a better system developer and developed a better facility booking system for us. All the bookings (both rooms and equipments) are carried out through internet now. Phone/fax booking is now only available for non-JC event.
- The photo album is a location to collect event/action photos from different members. Usage guidelines have been prepared so as to let everyone to familiar with the usage. Due to the constraint on harddisk space, the photo should be compressed to 1Mb or below.
- Our team assists different areas to update their information on the website. Useful materials, including application forms, powerpoints, referencial documents and promotional video, can be obtained from the website.
- Community concern is considered in the website design. We promoted the WebCare Award (organized by iProA) to all Chapters and will apply for it again this year. This can enhance the public image of JCIHK. We will send out more information whenever we have from the organizer.

Other duties

- Help NRRD in searching venue for Convention Award judging
- As a speaker in e-Bidbook Seminar 1 on electronic entry submission

I realize that I could not successfully complete all the above assignments above without the support from a lot of friends beside me. I would like to take this opportunity to extend my heartfelt appreciation to my supervisor, NEVP Senator Cindy Yeung. She has always given me support and guidance throughout the year. Heartfelt gratitude should also go to my friend and "bother" NVP Senator Billy Ho who always renders unfailing support to me. Last but not the least, I would like to thank TDC Chairman Peter Lau, my dear officers, NLDO Peggy Ting as well as those participated in the LD projects this year. Without members' participation, my work is nothing.

REPORT TO THE GENERAL ASSEMBLY OF THE 42nd NATIONAL CONVENTION FROM NATIONAL RECORDS AND RECOGNITION DIRECTOR INGRID FU

1. FOREWORD

The objectives for the area of Records and Recognition this year are to manage the LOM Efficiency Program and facilitate award bidding by LOMs at the 42nd National Convention, Chung Li ASPAC and Antalya World Congress.

2. APPOINTMENTS AND AREA REPORT

LOM Efficiency Program

The JCIHK LOM Efficiency Program is designed to motivate local chapters to uphold efficiency and effectiveness in chapter management and development, as well as to assist in achieving the objectives of JCIHK. This year, the LOM Efficiency Index has been updated to reduce the burden of LOM in too much emphasis on attendance. Up till August 07, 7 monthly reports were issued to LOM Presidents and R&R Area Officers (January to July). The LOM Efficiency Program will continue until the end of 2007.

E Bid-book Seminars

Two E Bid-book Seminars have been held on 20 March 07 and 7 August 07 respectively, to assist members in preparation for the bidding of awards during the Chung Li ASPAC, the 42nd National Convention. The first seminar was hosted by Lion Rock Junior Chamber and the second seminar was co hosted by 3 LOM namely Bauhinia Junior Chamber, Dragon Junior Chamber and Apex Junior Chamber. Both seminars with overwhelming participation from LOM members and were supported by experienced JCIHK members who shared their experience in award bidding and eBid-book submission. Presentation material was uploaded to the JCIHK website after the seminars for reference by members.

International Awards

Bid-books were submitted to the Chung Li ASPAC on April, with reviewed by NOM official and endorsement by NP. Eventually, JCIHK won 8 awards.

In addition, three award judges were nominated by JCIHK to serve at the Chung Li ASPAC.

Preparation will be under way for the submission of eBid-books and nomination of award judges to the Antalya World Congress.

National Convention Award Program 07

This year we have the honour to have PNP Senator Ellen Tsang to be our Award Judging Chairman for the 42nd National Convention Award Program. Representatives from each LOMs will be nominated as Award Judge. They will attend the Award Judge Briefing held on 31 August 07 and the Award Judging Day on 2 September 07.

To prepare for the submission of eBid-books, the JCIHK 2007 Award Manual has been updated and uploaded on the JCIHK website. In addition, due to the limitation of creating award as per JCI request, three National Awards will have to submit through other e-bidbook category.

3. CONCLUSION AND ACKNOWLEDGEMENT

I would like to extend my heartfelt thanks to the following persons:

3.1 NGLC Felix Cheng for giving me an opportunity to support National Board and advise me in R&R area activities.

3.2 LRJC, BJC, AJC and DJC and the respective OC chairlady and members for the two eBid-book seminars for their effort in making the two seminars successful.

Last but not least, I would like to thank NP Clement Woo for his continued support in turning this year assignment to a great learning and memorable experience that I cherished most in my JC career.

I would also like to send my deepest appreciations to my energetic and dedicated Board of Directors and organizing committee members of various projects. They really did a good job and deserved my utmost respect.

7. CONCLUSION AND ACKNOWLEDGEMENT

Since joining IJC in 2002, this is the best year of my Jaycee career. Not only reaching the position of President, I have also learnt a great deal, and challenge myself to the fullness. My objective is to bring the chapter into new height while at the same time, bring enjoyment and satisfaction to fellow members. Island JC is a small chapter with only 39 full members. There were many projects in the first-half of this year completed smoothly with flying colors and were on schedule. The strength and Brotherhood love took us through obstacles and conquered new ground.

Taking this opportunity, I would like to express my heartiest thanks to all Islanders and Past Presidents for their contribution, full support and valuable advices in managing various chapters' affairs during my presidential year. Definitely, without the constant efforts from my dedicated Board Members, superb President Advisor PP Senator Duncan Tai, PP Brian Cheung, Senator Clarence Cheung, also SMC Chairman PP Senator S C Mok, I am sure I would not have made it.

Besides, I would also like to extend my deepest thanks to sponsors, sponsoring corporations, advertisers and co-organizations that those many projects would not have come to light without the support and cooperation of them. My special thanks to IJC Honorary Auditor, FOK CHAN LEUNG WAN CPA LTD and Honorary Legal

Advisor, (IJC PP Senator) Mr Simon Ip Shing-Hing, JP.

Please accept my greatest gratitude to National President Senator Clement Woo and his National Board of Directors, gorgeous National Assigned Executive Officer/NVP Karen Fong, local chapter Presidents, Past Presidents, Senators and every Jaycees who offered me encouragements and guidance throughout the past years in the warm and cosy JC family.

I heartily wish the tremendous incoming President and his Board of Directors have great success in year 2008.

With my best wishes,

7. CONCLUSION AND ACKNOWLEDGEMENT

2007 is a year full of challenges and excitement for the Board of Directors of Hong Kong Jayceettes Junior Chamber. With our slogan "Joyfulness, Thoughtfulness, Togetherness", we endeavor to create opportunities and organize activities for members to meet, to learn and to grow in our organization. With the concerted effort of the Board of Directors, we have launched different programs and activities over the past nine months and achieved remarkable results. The membership of the chapter is in a healthy condition with a steady growth of new blood.

It was a great learning process for me and I had gained much experience. There are many memorable moments that I shall treasure as they built up a colorful page in my life.

On behalf of Hong Kong Jayceettes Junior Chamber, I would like to thank National President Senator Clement Woo, National Assigned Executive Officer Ken Wong and all National officers for their support and guidance throughout the year. Gratitude also goes to all other Chapter Presidents, officers and members for their kind support.

I would like to express my appreciation to Hon Patron Mrs Rita Fan, GBM, GBS, JP for her continuous support to our chapter. My special thanks to our Chapter Patron Mrs Betty da Silva, all sponsors and donors who have rendered financial support towards the smooth running of the chapter and activities. Without their tremendous support, many of our projects would not be carried out as smoothly and successfully.

My heartfelt thanks must be extended to my Presidential Advisor, Past President Senator Margaret Wu, the panel of advisors and my partner for their continuous guidance and support. My utmost thanks also goes to my dedicated board of directors, officers, all project chairmen, organizing committee members, Past Presidents, senators and fellow members for rendering unfailing support and kind understanding during my term of office.

Last but not least, I wish the incoming President and her Board of Directors a fruitful and successful year in 2008.

15. 總結及鳴謝

承蒙各獅子山青年商會董事局及各會友的支持，本人榮幸接任爲 2007 年度會長。本年度以「凝聚理想與動力，同創獅山新領域」爲口號，繼續發揚青商崇高精神。至今，會務發展蓬勃，各範疇進展順利。

本年度本會將會員事務部分拆爲會員事務部及會員擴展部兩部門，令職能清晰的劃分。招募會員工作將會繼續進行，目標年底正式會員人數衝破 75 人。

將會刊、網頁及電郵簡訊管理等職能合併爲傳訊事務後，網頁及會訊的版面及內容更富趣味性，更有競爭力，廣告收益理想。

每月舉行一次的會員月會重視應有的形式及傳統，亦同時重視氣氛及對會員的吸引力。附帶的「卓越領袖系列」主題講座成功吸引會員及外界人士出席，擴闊會員眼界。

領袖才能發展部與會員擴展部合辦"成功在望訓練營"於6月順利舉行，成功樹立獅子山青年商會作爲青年培訓組織的形象，更創造本會吸引新會員的途徑。

國際事務方面，本年度與姊妹會及友好會交流頻繁，雙方會員都能藉此機會充分了解對方及掌握國際發展機會。

義不容『遲』2007活動得到東華三院、香港西區婦女福利會及多間中學及社會各界支持響應。其中百多名精英學生更接受義工訓練，並學以致用，作社區探訪，以達放下自我，獻上關懷之目標。各項活動正順利推行中，閉幕典禮將於將在十月於大型商場舉行，時間地點待定。

藉此機會，衷心感謝各位前會長、董事局成員、會長行政助理、資深會員、會員及準會員之鼎力支持及無私奉獻，還有會務顧問陳大澤參議員、會長顧問曾鳳珠參議員、執行顧問陳焯基參議員、執行顧問及參議員委員會主席陳潔萍參議員、長遠發展委員會主席黎小玲、資深青商會主席呂星文對本人的支持及指導。

特別鳴謝本會各贊助者，使會務順利推行及各會員能透過各工作計劃回饋社會同時訓練自已。期望即將成立的獅子山青年商會基金令本會財政更見健康。

在此，本人謹代表獅子山青年商會董事局成員及會員向總會會長胡健文參議員、各總會董事局成員、分會會長及青商好友對本會的支持致萬二分之謝意。總會指派執行委員方晴給予本會莫大的鼓勵及參與，不勝感激。最後，本人亦要在此多謝義務核數師鄒景福會計師事務所的專業服務及義務法律顧問陳國雄律師的專業意見。

本會獲得多項殊榮，實在可喜可賀。作爲獅子山下的一份子實在不敢怠慢，必須繼續努力，攜手同創新領域！

我們運用嶄新的意念，定立「青年領袖」爲主題，並構思「青年領袖系列」，設計了十四個不同的項目，花了 3 億誠意，制作了「青年領袖系列」宣傳短片，致力推廣「青年領袖系列」。

由就職典禮暨青年領袖系列啓動儀式開始，每一個活動，大家都花盡心思，務求盡善盡美。每一個籌委會，都能夠發揮團隊精神，確保所有的工作計劃，順利完成。

今年工作計劃，形式和內容都比較過往豐富，充份可以反映活動意義的深度，和服務社會的闊度。此外，加強了市場推廣策略，廣泛聯絡傳媒，努力邀請記者出席採訪，大量發放新聞稿，結果成功刊出約 30 份報導和新聞稿，於 TVB、ATV、Cable TV 及國內電視台均有本會活動的報導和採訪。

由於配合會務的發展和需求，突破性舉行了 7 次青商知識講座，參與人次高達 300 人，成功招募了 40 多位準會員。準會員亦表現積極和主動，不但能夠融入海港大家庭，更爲會務提供創新意念，達至理想的協同效應。

會長的路，充滿挑戰實在不容易面對，今年能夠順利完成海港青年商會會長的職務，實在要感謝身邊很多的良師益友。首先是 3 位會長顧問，分別是鄧慧思參議員、吳繁成參議員和曹杏英參議員，3 位明燈爲我的會長路照耀，令我不會迷途。其次是前任會長方晴，她的指引，令我能夠找尋恰當的路線，節省完成的時間。還有我的前會長導師，包括前會長張慧芳參議員和楊婉儀參議員，間中的補習，令我獲益　少。幸福的我，更有總會指派執行委員鄧長政，充當我的守護天使，從旁的照顧和協助，令會長的路顯得溫暖。

今年更加榮幸，能夠以會長身份，參加「十載風雲家國情，中華青年專列行」，與總會會長胡健民參議員、總會董事局成員、分會會長及青商會友，到天安門廣場參與「相聚國旗下」活動，千多位來自香港　同的青年團隊，於清晨 4 時開始，集隊等待觀看「升國旗」儀式，場面壯觀令人難忘。其後與各人走上萬里長城，再去王府井又到上海大街小巷，大家興奮跳躍的樣子，叫人看得感動，我們更一起在列車上生活。一切一切的景像和回憶，充實了我的會長路，令我更愛青商生活。感謝總會會長胡健民參議員的安排，能夠在香港回歸十周年紀念的年份，當上會長，其意義性令我畢生難忘。

今年我已外出了 6 次青商活動，除了「十載風雲家國情，中華青年專列行」外，令我感受深刻是與 10 兒繪小朋友，前往貴州作 6 天藝術交流，他們只有 10-13 歲，我要擔起保母角色，照顧起居飲食，由於路途非常崎嶇，大家只能携帶背包，重重的背着走入簡樸的農村，享受大自然洗手間、挑戰 60 小時　洗澡的日子、清洗小朋友在車上的嘔吐物等等。歡欣地聽見山區兒童的笑聲、感動地看到山區兒童的圖畫。感謝協辦單位和籌委會的安排，在山區令我上了生命中寶貴的一課。

此外，我要多謝本會的董事局成員，他們堅守崗位，努力不懈地完成所有會務。擔任本會董事局成員，真是不簡單，少一點幹勁也不成。還有感謝所有籌委會主席的付出，本會工作計劃大都是大型，甚至全港性，他們的承擔力令我非常欣賞。

最後感到最驚喜的事情，就是在會長的路上，我能夠遇上新的家庭成員，他們燃點了我的生命！

多謝大家給予我的鼓勵、支持、指導和包容！

海港青年商會
會長戴麗紅

第四十二屆總會周年大會
元朗青年商會
會長黃麗嫦報告

1 引言

身爲青年，最快樂的事莫過於將自身的活力和青春好好地運用發揮以貢獻社會，同時又能夠連結其他不同背景、不同地域的青年人一起，建立更美好的社區及享受更和諧的生活。今天的我不但可加入青商，一展抱負，更有幸獲選任爲 2007 年元朗青年商會的會長，與會內一群有活力、有承擔及有熱情的青商一起服務社會、訓練自己，當中的喜悅及感覺實非筆墨所能形容。

光陰似箭，眨眼間，本人與本屆董事局已上任超過九個月，在這段日子以來，本會會務及各項工作計劃的推行，在各位前會長的指導、董事局成員的協助下，加上各會員的合作與支持，大致順利完成，其中「第三十屆董事局就職典禮」、「元朗豪遊及金盆御膳元朗夜」及十周年回歸之「衣、食、住、行十年回顧與展望」展覽等工作計劃，大都已完滿結束。而本會每年一度的旗艦工作計劃 --「第 20 屆香港特別行政區傑出學生選舉 (2007)」包括本屆傑生得獎者之山西交流團，亦已順利舉行。

此外，由於今年適逢本會創會三十周年，意義非凡，故本屆董事局在餘下的任期內，將會主力及全力籌備三十周年會慶，以期達到「勵志向前迎三十，奮發自強展新裳」。

同時，在參與總會活動方面，本會除了派出會員參與總會工作計劃(PMO I、LD I)籌組之外，各會友更積極參與或出席支持總會活動，包括總會 LD2、LD3 、LD 4 及 LD 5，皇者之皇麻雀皇大賽、總會公開演講比賽、總會青商運動會、Best Business Plan 講座、JCI LEAD 課程、十大傑出青年選舉記者招待會、E-Bid Book Seminar 及 Judging 等等。

另外，基於今年是創會三十周年誌慶，本會於本年度亦更加積極地與各社會團體合作及出席地方活動，希望藉此進一步拉近青商與社會各界的友好關係，繼而更加提昇本會的知名度與認受性。本年度的合作團體眾多，其中包括社會福利署、元朗民政事務處、元朗大會堂、觀塘扶輪社、廣州市青年聯合會及山西省青年聯合會等等。

8. 社會發展

8.1 本會旗艦活動第二十屆香港特別行政區傑出學生選舉(2007)已接近尾聲，今年我們得到 AEON 信貸財務(亞洲)有限公司的主力贊助，同時分別邀請到世界十大傑青及藝能界名人陳慧琳小姐擔任選舉大使及由吳日言小姐擔任交流大使，並且取得九廣鐵路支持，免費提供廣告位置，於各車站月台展示選舉海報。 在媒體方面，太陽報擔任選舉媒體贊助，在選舉各階段都詳細跟進和報導，讓大眾進一步了解傑生選舉活動。此外今次選舉活動亦引用街頭 Wall TV 於不同階段播放傑生選舉及交流團最新消息。而爲了使選舉更具代表性，是屆評判團計有教統局代表、大学教授、社福界及環保團体代表等。而於 7 月 22 日在奧海城舉行的頒獎典禮，我們邀請了立法會主席范徐麗泰 GBM 太平紳士及中聯辦青年工作部副處長曾衛東先生爲主禮嘉賓。典禮後，我們更安排得獎的傑出學生於 25/7-29/7 遠赴山西省交流，而整個交流團的高潮所在，就是環境高峰會，參與的學生就各自居住地的環保政策進行了討論，稍後準備將綜合報告送交各自的政府。在此多謝交流團主委蘇俊業的悉心籌備及付出，同時亦多謝同行的關永雄副會長、劉慶盛副會長、尹小明資深會員及鄧蔓怡會友等的協助及支持，令整個交流團得以完滿成功，各參加的學生皆有一個盡興及充實的旅程。當然，更重要的是，在此特別多謝指導副會長潘志永、籌委主席張錦燕、副籌委主席黃海慈及一眾籌委成員、董事局上下同仁及其他會友的努力及付出，令到整個選舉活動及交流團能夠順利完成及完滿。

8.2 1 月 28 日本會協辦了由社會福利署在屯門舉辦的「樂在香港社區共融計劃嘉年華」，並負責其中一個遊戲攤位，當天副會長關永雄、會友鄧蔓怡及劉偉倫青商在現場介紹不少來自不同行業及教育界的新朋友認識青年商會的組織，希望將本會活動及招募範圍擴展至屯門區。

8.3 另外，本會尚有一個「環保論壇」工作計劃正籌備中，屆時預期分別於元朗商會中學及元朗商會小學舉行共兩次論壇。

9. 公共關係

9.1 本會除了積極鼓勵會友參與總會公共關係活動外，亦舉辦一連串公共關係活動，首推便是以加強各會友的身體健康意識和促進彼此情誼的羽毛球練習活動，以及於今年 4 月 22 日舉行的「元朗豪遊及金盆御膳元朗籌款夜」，此活動一方面是爲本會籌募經費，另一方面亦旨在聯誼本會及總會資深青商會友，以期達到加強與資深會友的聯繫和情誼。當晚出席的嘉賓眾多，計有本會創會會長鄧兆棠 SBS 太平紳士伉儷、油尖旺區議會主席陳文佑區議員、大棠荔枝園莊主梁福元先生、總會會長胡健民參議員、總會資深青商會主席龔志忠前會長、元朗大會堂主席兼總會資深青商會副主席王廣漢資深會友、各分會會長及其他嘉賓，共約 80 多人出席。在此感謝公共關係副會長關永雄及董事沈豪傑之熱忱幫助。

城市青年商會
會長王維旭報告

1 引言

〔薈聚城市全動力，和諧共創新領域〕是今年的口號
城市青年商會今年希望做到有承擔、有誠意、有心及有創意!
今年我們抱着開放的態度，希望集合各位的力量，加強各成員的溝通，和諧共處，強化及加固各工作計劃，並希望各成員能各有所學，另外更首次引入互相協作方法，每一個範籌除原本的指導外，更有多最少一名執行董事局成員參與，希望提高協助整個範籌的管理及起加強溝通的作用。也希望各小隊有機會去學習其他範籌工作，做到真正的指導。

今年我們的重點項目有：
商務發展：本會除有《創意創業大賞 2007》外，更有新成立的《創意創業會》,《創意創業學堂》 及《向創意創業出發》商務交流團的系列活動加入. 希望做到盡取先機，成爲全球商業體系中的策略先鋒 Strategic Pioneer.
個人發展：「城市精英訓練」 之 創意創業學堂將會透過一系列課程，爲中小企的顧主及職工提供有系統之領袖才能。另外更有一系列會員訓練：通識學堂、演講學堂、工作計劃學堂、主席學堂、董事局學堂、伯樂良駒師友計劃等。
青年事務：《兒童飛龍大使選舉》，本屆當選的香港兒童大使更會將獲頒發香港品牌「飛龍」標誌作推廣大使，出席日本福岡交流大會；另外，更有全新工作計劃《港日同心展新猷》，旨在十五名 10 至 15 歲日本兒童大使在訪港一週，使其認識及體驗中國及香港的文化。
社會發展：《以家爲心・以國爲傲》公民教育系列 2007，透過認受性的民調機制，爲香港市民對國情的了解及國民身份的認同進行數據分析及發佈。從而設計出以家庭和諧及認識國情爲主題的一系列活動。

城市青年商會已踏進 26 周年的新紀元：除原有各大小工作計劃外，另外城市女青商之籌備工作更於今年開始，我們希望可以將成功的模式複製，成立一個女性分會，以推動青商運動，發揚青商精神；希望給更多人青年商會。

10. CONCLUSION AND ACKNOWLEDGEMENT

Upon my installation as the 23th President of Queensway Junior Chamber, I realized that it was definitely not an easy job to maintain the continuation and strive for break through in the organization especially a chapter like Queensway, with 23 years long history glory. However, I was willing to take challenge not just because I was chosen to be, but I chose to be.

I had great pleasure to work with the outstanding members of the 2007 Board of Directors and other members Queensway Junior Chamber throughout the year and share our passion in the organization. Following the theme of the year, each and every member of Queensway was striving with their possible efforts to strive for positive changes in Queensway, our society and humanity. Even though we found that there were still rooms for further improvement in our work this year, I would conclude the year 2007 as a successful and fruitful one. The year would certainly remain as one of most valuable experience and memory in my JC life.

With clear aims and objectives, everything run smooth. This year, we concentrated our effort in membership growth. We encouraged our members to participate the business project and NOM training programs so as to give them an extensive exposure of JC life and fellowship.

Taking this opportunity, I would like to extend the gratitude from the bottom of my heart to my teammates in our QJC family. Special thanks to my Presidential Advisors: JC Senator Amy Leung and Adam Siu, and the Board of Directors: VP Ruby Cheung, VP Parlett Chang, HT John Ng. Our smart Officers: PR Officer Kenneth Ng, R&R Officer Belinda Fong, IA Officer Amy Tin, MT Officer Raymond Cheung and ME Officer Stella Lam.

I would like to express my deepest appreciation to National President Senator Clement Woo and his NOM officers for their understanding, patience and support. The PASSION of NP Clement really acted as a catalyst for us to ignite Queensway.

I wished to express my gratitude to National Assigned Executive Officer, the National Vice President Gene Tang for sharing his chapter management experience and innovative idea with us. Your patronage and advice really did make a positive change

to me.

My grateful thank to my Presidential Assistant Amy Tin and Daphne Kung for their assistance, participation and support.

On Behalf of Queensway Junior Chamber, I would like to express my sincere appreciation to National Board of Directors for your continuing and valuable support.

I was grateful to Honorary Legal Advisor Jerry SZETO and Honorary Auditor WONG, CHAN, LAU CPA Company Ltd. for their support over the year.

Last but not least, I wished our coming Board of Directors every success in the year of 2008.

7. 總結及鳴謝

曾經有人說過人生就好像一本畫冊，出世時是空白一片，甚麼都沒有。隨著人的成長和閱歷，畫冊就會越來越豐富，色彩也越來越增多。有人將生命畫冊譜出動人的故事；有人給她譜出精彩豐富的內容；各色其色，目的都是希望在回首的一刻能有美麗的回憶，不枉此生。在這年的會長生涯中，充份讓我感受到「浩洋精神，無所不能」。在我的生命畫冊中實在添了很多很豐富的色彩與片段。

藉此，本人要向各董事局成員、會長顧問、會務顧問、顧問團成員、眾前會長和創會會長黃漢清參議員多年來對本會的支持、致萬二分敬意。

最後，本人衷心感謝總會會長胡健民參議員及總會指派執行委員梁鈞達，在這年裡對本會的支持。此外，亦多謝一班共同努力的分會會長，祝願我們能繼續互勵互勉，友誼永固。

本人會長任期即將屆滿，來年擔任上屆會長一職仍有很多學習的機會，展望與來屆董事局成員繼續團結參與，爲浩洋更放異彩，祝願浩洋會務昌隆。

It is suggested that NOM should design a job specification for the proposed position of Paid SG, and undertake a review of our Memorandum and Articles of Association for the purposes of making the necessary amendments as a result of the addition of a Paid SG in the management structure.

2. JCIHK Training Institute
   In view of the continuous increase in demand for the programs organized by JCIHK Training Institute, LRPC recommends the set up of a separate entity to take up the operation and activities of the JCIHK Training Institute. This will enhance the further development of the Training Institute and avoid JCIHK being involved in profit making activities. It is suggested that the Board of Directors of the new entity shall include two members from NOM board, two members from JCIHK Foundation and one member from TDC.

3. Members' involvement in district affairs
   LRPC recommends NOM should take a proactive lead to encourage members' participation in the district affairs. NOM should nominate more members to service in various government advisory bodies through our relationship network. It is suggested NOM should also encourage more members to participate in the district councilors elections.

4. Mentorship
   LRPC recommends NOM should gather successful cases from different LOMs and conduct experience sharing sessions with all LOMs. NOM should also consider setting up standard mentorship guidelines for LOMs to follow. It is suggested that NOM PM assignment to LOMs shall be by reference to LOM's performance under Mentorship Program.

3. CONCLUSION AND ACKNOWLEDGEMENT

Taking this opportunity, I would like to express my sincere thanks to all LRPC members for their valuable time and efforts in the past three years. The above recommendations are catered towards the long term interest of our organization. We look forward to the early implementation of these recommendations which we hope will benefit our members and our organization in the long run.
