INDEPENDENT HONORARY AUDITORS' REPORT
TO THE MEMBERS OF
HONG KONG JUNIOR CHAMBER FOUNDATION LIMITED
(Incorporated in Hong Kong with liability limited by guarantee)

Opinion

We have audited the financial statements of Hong Kong Junior Chamber Foundation Limited ("the Foundation") set out on pages 6 to 22, which comprise the statement of financial position as at 31st December, 2018 , and the statement of profit or loss and other comprehensive income, statement of changes in funds and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements give a true and fair view of the financial position of the Foundation as at 31st December, 2018, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Foundation in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report Thereon

The directors are responsible for the other information. The other information comprises the information included in the directors' report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Directors and Those Charged with Governance for the Financial Statements

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Foundation or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion solely to you, as a body, in accordance with section 405 of the Hong Kong Companies Ordinance, and for no other purpose. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

HONG KONG JUNIOR CHAMBER FOUNDATION LIMITED
(LIMITED BY GUARANTEE)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST DECEMBER, 2018
(Expressed in Hong Kong Dollars)

1. GENERAL INFORMATION

The Hong Kong Junior Chamber Trust Fund ("The Trust Fund") was an unincorporated body within the framework of the Hong Kong Junior Chamber of Commerce Limited (now known as Junior Chamber International Hong Kong Limited)("JCIHK") vested with the responsibility of managing certain funds and applying the investment proceeds in support of activities of JCIHK and its affiliated Local Organization Members ("LOMs") in Hong Kong.

An incorporated body, Hong Kong Junior Chamber Foundation Limited ("the Foundation") was incorporated as a non-profit making organization in Hong Kong on 2nd February, 2004. The Foundation was set up to assume all the assets for the time being kept by the Trust Fund and assume the same role of the Trust Fund in managing the assets. By a Three-Party Deed signed on 23rd July, 2004 between JCIHK, The Trust Fund and The Foundation, net assets of the Trust Fund were taken up by the Foundation on the cut-off date of 16th November, 2004, the date on which the Foundation was confirmed to be recognized as a charitable institution or trust of a public character and to be exempted from taxes under Section 88 of the Inland Revenue Ordinance.
The registered office of the Foundation is located at 21st Floor, Seaview Commercial Building, 21-24 Connaught Road West, Hong Kong.

The Foundation manages a portfolio of assets for investment income. Out of the annual income, the Foundation would grant subsidies to worthwhile projects or undertakings organized by JCIHK and its LOMs.

2. STATEMENT OF COMPLIANCE WITH HONG KONG FINANCIAL REPORTING STANDARDS

The Foundation's financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards ("HKFRSs"), which includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"), accounting principles generally accepted in Hong Kong, and the requirements of the Hong Kong Companies Ordinance. A summary of significant accounting policies adopted by the Foundation is set out in note 3.

In 2018, the Foundation has initially applied the new and revised HKFRSs issued by the HKICPA that are first effective for accounting periods beginning on or after 1st January, 2018. A summary of the changes in accounting policies resulting from the Foundation's application of these HKFRSs is set out in note 4.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of preparation of the financial statements

The measurement basis used in the preparing the financial statements is historical cost, except for investments in trading securities and available-for-sale financial assets, which are stated at fair value, and non-current assets and disposal groups held for sale, which are stated at the lower of carrying amount and fair value less costs to sell.

(b) Revenue and other income recognition

After the adoption of HKFRS 15, the Foundation recognises revenue from contracts with customers when (or as) the Foundation satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset. When (or as) a performance obligation is satisfied, the Foundation recognises as revenue the amount of the transaction price (which excludes estimates of variable consideration that are constrained in accordance with HKFRS 15) that is allocated to that performance obligation. Further details of the Foundation's revenue and other income recognition policies are as follows :

(i) License fee income is recognized on a time proportion basis over the period of the license agreement.

(ii) Dividend income is recognized when the shareholders' right to receive payment is established.

(iii) Interest income is recognized using the effective interest method.

(c) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any.

Depreciation is calculated to write off the cost of items of property, plant and equipment, less their estimated residual value, if any, on a straight-line basis over their estimated useful lives as follows:-

Leasehold land held under long term lease	over the unexpired lease term
Buildings	2% per annum
Leasehold improvement	20% per annum

The residual value and the useful life of an asset are reviewed at least at each financial year-end.

The Foundation assesses at the end of each reporting period whether there is any indication that any items of property, plant and equipment may be impaired and that an impairment loss recognized in prior periods for an item may have decreased. If any such indication exists, the Foundation estimates the recoverable amount of the item. An impairment loss, being the amount by which the carrying amount of an asset or a cash-generating unit exceeds its recoverable amount, or a reversal of impairment loss is recognized immediately in surplus or deficit.

Gain or loss arising from the derecognition of an item of property, plant and equipment is included in surplus or deficit when the item is derecognized and is determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item.

(d) Investments

Investments are recognised and derecognised on the trade date when the Foundation becomes party to the contractual provisions of the investments and are initially measured at fair value plus, in the case of investments other than trading securities, transaction costs. Investments are further categorised into the following classifications for the measurement after initial recognition.

(i) Investments in equity instruments – after the adoption of HKFRS 9

An investment in equity instruments is classified as fair value through profit or loss, except for those investments in equity instrument not held for trading and are designated as financial assets at fair value through other comprehensive income. The Foundation makes an irrevocable election at initial recognition for the investment in equity instruments to present subsequent changes in fair value in other comprehensive income. This election is made on an instrument-by-instrument (i.e. share-by-share) basis. Amounts presented in other comprehensive income for such investment are not be subsequently transferred to profit or loss until the investment is disposed of. At the time of disposal of an investment in equity instruments, the cumulative gain or loss of the investment is transferred from fair value reserves to retained earnings.

(ii) Investments in non-equity instruments – after the adoption of HKFRS 9

An investment in non-equity instruments is classified as at:

a) Amortised cost – if the investment is held within a business model whose objective is to hold the investment in order to collect contractual cash flows, and the contractual terms of the investment give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Fair value through other comprehensive income – if the investment is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. A gain or loss on an investment in non-equity instruments measured at fair value through other comprehensive income is recognised in other comprehensive income, except for impairment gains or losses and foreign exchange gains and losses, until the investment is derecognised. When such investment is derecognised, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from fair value reserves equity to profit or loss as a reclassification adjustment.

c) Fair value through profit or loss – if the investments are not classified as at amortised cost and at fair value through other comprehensive income.

(iii) Trading securities – before the adoption of HKFRS 9

Investments in securities held for trading are classified as trading securities included in current assets and are stated at fair value. Any attributable transaction costs and gain or loss on the fair value changes of trading securities are recognised in profit or loss.

(iv) Available-for-sale financial assets – before the adoption of HKFRS 9

Investments other than those held for trading are classified as available-for-sale financial assets and are stated at fair value. Gain or loss on the fair value changes of available-for-sale financial assets is recognised directly in equity in the fair value reserves, except for impairment losses and, in the case of monetary items such as debt securities, foreign exchange gains and losses which are recognised directly in profit or loss. At the end of each reporting period, the company assesses whether there is any objective evidence that an investment or group of investments is impaired.

When the available-for-sale financial assets are derecognised, the cumulative gain or loss previously recognised directly in equity is recognised in profit or loss. Where the available-for-sale financial assets are interest-bearing, interest calculated using the effective interest method is recognised in profit or loss.

When a decline in the fair value of an available-for-sale financial asset has been recognised directly in equity and there is objective evidence that the asset is impaired, the cumulative loss that had been recognised directly in equity is removed from equity and recognised in profit or loss even though the financial asset has not been derecognised.

The amount of the cumulative loss that is removed from equity and recognised in profit or loss is the difference between the acquisition cost (net of any principal repayment and amortisation) and current fair value, less any impairment loss on that financial asset previously recognised in profit or loss.

Impairment losses recognised in profit or loss for an investment in an equity instrument classified as available-for-sale are not reversed through profit or loss. If, in a subsequent period, the fair value of a debt instrument classified as available for sale increases and the increase can be objectively related to an event occurring after the impairment loss was recognised in profit or loss, the impairment loss is reversed, with the amount of the reversal recognised in profit or loss.

(v) Fair value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Fair value of an investment on initial recognition is normally the transaction price, unless it is estimated by using a valuation technique when part of the consideration given or received is for something other than the investments.

After initial recognition, the fair value of an investment quoted in an active market is based on the unadjusted quoted price and, for investments not quoted in an active market, the company establishes the fair value of such investment by using a valuation technique.

Valuation techniques include using recent arm's length market transactions between knowledgeable, willing parties, if available, reference to the current fair value of another instrument that is substantially the same, discounted cash flow analysis and option pricing models.

(vi) Impairment of investments and other financial assets– after the adoption of HKFRS 9

The Foundation recognises loss allowances for expected credit loss on the financial instruments that are not measured at fair value through profit or loss. The Foundation considers the probability of default upon initial recognition of financial assets and assesses whether there has been a significant increase in credit risk on an ongoing basis.

The Foundation considers the credit risk on a financial instrument is low if the financial instrument has a low risk of default, the debtor has a strong capacity to meet its contractual cash flow obligations in the near term and adverse changes in conomic and business conditions in the longer term may, but will not necessarily, reduce the ability of the debtor to fulfil its ontractual cash flow obligations.

The carrying amount of the receivables is reduced through the use of the receivable impairment charges account. Changes in the carrying amount of the receivable impairment charges account are recognised in profit or loss. The receivable is written off against the receivable impairment charges account when the Foundation has no reasonable expectations of recovering the receivable.

If, in a subsequent period, the amount of expected credit losses decreases, the reversal would be adjusted to the receivable impairment charges account at the reporting date. The amount of any reversal is recognised in profit or loss.

(e) Cash and cash equivalents

Cash comprise cash at bank and on hand and demand deposits with banks. Cash equivalents are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of statement of cash flows, bank overdrafts which are repayable on demand form an integral part of the Foundation's cash management are included as a component of cash and cash equivalents.

4. CHANGES IN ACCOUNTING POLICIES

The HKICPA has issued a number of new HKFRSs and amendments to HKFRSs that are first effective for the current accounting period of the Foundation. Of these, the following developments are relevant to the Foundation's financial statements :

(i) HKFRS 9, Financial instruments
(ii) HKFRS 15, Revenue from contracts with customers
(iii) HK(IFRIC) 22, Foreign currency transactions and advance consideration

The application of the new and revised HKFRSs has no material effects on the Foundation's financial performance and positions.

5. ACCOUNTING ESTIMATES AND JUDGEMENT

The Foundation's management makes assumptions, estimates and judgments in the process of applying the Foundation ' s accounting policies that affect the assets, liabilities, income and expenses in the financial statements prepared in accordance with HKFRSs. The assumptions, estimates and judgements are based on historical experience and other factors that are believed to be reasonable under the circumstances. While the management reviews their judgements, estimates and assumption continuously, the actual results will seldom equal to the estimates.

It is agreed that the monthly license fee be varied annually subsequent to 31st December, 2014 to reflect the current market license value of the property.

All financial instruments are carried at amounts not materially different from their fair values as at 31st December, 2017 and 2018.

17. FINANCIAL RISK MANAGEMENT

The Foundation's risk management objectives and policies mainly focus on minimizing the potential adverse effects of these risks on the Foundation by closely monitoring the individual exposure. The major risk exposure is liquidity risk and market risk.

(a) Liquidity risk

The Foundation manages its funds conservatively by maintaining a comfortable level of cash and cash equivalents in order to meet continuous operational needs.

(b) Market risk

(i) Equity price risk

The investments in equity securities classified as investment in equity instruments expose the Foundation to price risk. As the Foundation's policy is only to invest on such investments by its surplus funds, the exposure may not have significant impact on the Foundation's financial position.

Summary quantitate date:

	2018 $	2017 $
Investment in equity instruments		
- Listed equity securities, at market value	21,244,788	26,680,173

Sensitivity analysis:

A 20% decrease in stock prices at 31st December, 2018 with all other variables held constant would have decreased profit for the year by HK$4,365,370 (2017: Profit HK$5,506,856) and decreased equity by HK$4,365,370 (2017: HK$5,506,856).

The sensitivity analysis has been prepared with the assumption that the change in equity price had occurred at the end of each reporting period and had been applied to the exposure to equity price risk for the relevant financial instruments in existence at that date. The changes in equity price represent management's assessment of a reasonably possible change in equity price at that date over the period until the end of the next reporting period.

The analysis is prepared on the same basis as 2017.

18. FAIR VALUE MEASUREMENT

Financial assets and liabilities measured at fair value in the statement of financial position are categorised in its entirely into the following three levels of the fair value hierarchy based on the basis of the lowest level input that is significant to the fair value measurement in its entirety:

Level 1: fair value measured using quoted prices (unadjusted) in active markets for identical financial assets or liabilities that the entity can access at the measurement date;

Level 2: fair value measured using inputs other than quoted prices included within Level 1 that are observable for the financial asset or liability, either directly or indirectly; and

Level 3: fair value measured using significant unobservable inputs for the financial asset or liability.

Recurring fair value measurement:

	Level 1 $	Level 2 $	Level 3 $	Total $
2018				
Investment in equity instruments	21,244,788	-	-	21,244,788
2017				
Investment in equity instruments	26,680,173	-	-	26,680,173

During the year, the Foundation had no transfers between instruments in Level 1 and Level 2, nor transfers into or out of Level 3.

19. COMPARATIVE FIGURES

Certain comparative figures have been restated or re-classified as a resulf of the change in accounting policies and the details of the changes in accounting policies are st out in note 4.

20. POSSIBLE IMPACT OF AMENDMENTS, NEW STANDARDS AND INTERPRETATIONS ISSUED BUT NOT YET EFFECTIVE FOR THE YEAR

The HKICPA has issued a number of amendments and new standards which are not yet effective for the year ended 31st December, 2018 and which have not been adopted in these financial statements. These include the following HKFRSs which may be relevant to the Foundation's operations and financial statements :

	Effective for annual periods beginning on or after
HKFRS 16, Leases	1 January 2019
HK(IFRIC) 23, Uncertainty over income tax treatments	1 January 2019
Annual Improvements to HKFRSs 2015-2017 Cycle	1 January 2019
Amendments to HKAS 28, Long-term interest in associates and joint ventures	1 January 2019
Amendments to HKAS 1 and 8, Amendments to definition of material	1 January 2020

The Foundation has not early adopt these HKFRSs. Initial assessment has indicated that the adoption of these HKFRSs would not have a significant impact on the Foundation's financial statements in the year of initial application. The Foundation will be continuing with the assessment of the impact of these HKFRSs and other significant changes may be identified as a result.

In 2019, following the leadership of National President Senator Zenith Lin had been inspirational and serving JCI Hong Kong with fellow Board members had been enjoyable. I had the benefit of informative advice from 2019 National Presidential Advisor Senator Anthony Leung and 2018 National Presidential Advisor Senator Paul Wu.

I was privileged and grateful to have worked together with Members of the Senate Screening Committee, Senate Committee, TOYP Selection Steering Committee, Nomination Committee, Caucus Panel, JCIHK Alumni Club, Chamber Office Staff and the Organizing Committee of the Ten Outstanding Young Persons Selection 2019. Your dedication to strive for the very best is well appreciated.

This is my last year serving as a National Board member. I have seen years of varying degrees of collaboration with civil society, government and business sectors. Many things have changed over the years. And whether we can rightly claim that we are the leading global network of young active citizens very much depends on how hard we try to become more innovative and at the same time close to the hearts of the young people of today in this ever-changing world.

Thank you my mother Chapter, JCI Sha Tin, for giving me the opportunity to serve nationally and internationally. I will continue to share my experience and lessons learnt with all members.

Wishing every one of you achieve what you hoped for in JCI. Whenever you are disheartened, look back on your time here and review how many fellow members, Past Presidents and senior members helped you to become what you are today. Step higher to look further - if you are yet to discover your Jaycee value!

6. CONCLUSION AND ACKNOWLEDGEMENT

I truly admire NP Zenith's great contribution to the slogan this year: "**Keep Changing the World"**.

For me, keep changing is an attitude. Keep improving yourself so that you could change the world; keep changing the way you think so that you could change the world; keep updating your mind-set and skill-set so that you could fit better the world and eventually change the world.

All these start from oneself and I believe JCI provides opportunities that empower you to be the change. 2019 is definitely the challenging year forcing all young leaders in JCI Hong Kong to embrace the change and dare to change.

It's my pleasure to work with such a brilliant team led by NP Zenith. I thank him for engaging this energetic, devoted and talented team, which allows us to try something completely new. By taking this opportunity, I would like to express my sincere gratitude to all my Team K's fellow, they are NVP Claudia, NVP Kelvin, NVP Gary, NCCD Carr, NDMD Andrew, NIAD Bess and NSD Krystle. They demonstrated good leadership in leading their team to do something extraordinary. The corporate gift, those happy NOM gatherings, the NP party in Jeju, the animated video on facebook, the cross-country video conferencing, the brand new project "Be the Change Week", and etc, all those are unforgettable. Therefore, I would like to send my big thanks to all my Commissions, National Officers, and Project Chairmen. Without their dedication, things are not going to happen.

Last but not the least, I would like to thank my mother chapter JCI North District for always letting me to uplift myself by contributing to NOM.

This report concludes our achievements made but this is not an end. I hope we all could uphold this spirit, never stop caring about our beloved city, HONG KONG, and keep changing the world together!

6. CONCLUSION AND ACKNOWLEDGEMENT

I have always admired and respect all previous NSGs in taking up this role as I believe it is important to maintain best practice for the secretariat area of JCI Hong Kong to ensure our organization can run smoothly, but yet this is not an easy task. I would like to express my sincere thanks to my big brother National President Senator Zenith Lin for inviting me once again to work with him since 2015. He always gives me his fullest trust and have faith in me to complete all tasks assigned.

Admin team carries a dare to change spirit in 2019 as we hope to implement new methodology to perform administrative work in the most efficient and effective manner. Without my teammates support, we would not have been able to successfully accomplish this goal, I would like to express my sincere thanks to my lady boss NGLC Senator Winnie Yeung, my good buddy this year NHT Winita Yeung whom has offered me a helping hand whenever I need, NVP Tony Lam, NVP David Luk, NAD Mandy Cheung and NRRD Christine Lo.

My special thanks goes to my 2 gentleman assistant, Freddy Tsang from JCI Peninsula and Alex Lau from JCI Dragon. Thank you for being the IT support and acting as my backup at board meetings and all other secretariat area meetings. Secretariat area is never one of the most attractive areas to a lot of people but they are willing to take on this challenge with me.

Behind the scenes, there are also 3 ladies in the Chamber Office whom have offered me the greatest support and not being annoyed by my calls to the office almost every second day. Without their reminders and help, many tasks would have not been able to be completed so smoothly.

Lastly, I would like to thank my mother chapter JCI East Kowloon for supporting me to serve NOM and our Local Chapters for the 3rd year. To my fellow National Board buddies, thank you for supporting secretariat area and making 2019 NOM Board such a fun team to work with. For the remaining 4 months time, let's keep up with our passionate heart and Keep Changing the World!

National Secretary General

6. CONCLUSION AND ACKNOWLEDGEMENT

I would like to express my sincere gratitude to National President Senator Zenith Lin for his trust as being assigned National Honorary Treasurer. NP adopted "Keep Changing the World" as this year's theme and with his firm leadership, all the JCI Hong Kong members were able to empower positive changes to the world.

I would also like to thank National General Legal Counsel Senator Winnie Yeung for her patient guidance in the treasury area. Taking up the post was a challenge for me as I do not possess similar experience. She provided me lenient handling to allow me to implement new measures freely while supports me in remote, but offered standby guidance when in needed. In addition, my thanks goes to the supporting administration team members including National Vice President Senator David Luk, National Vice President Tony Lam, National Secretary General Senator Iris Lam, National Administration Director Mandy Cheung and National Records and Recognition Director Christine Lo. At last, I would like to thank you Eric Chiu, my Assistant to National Honorary Treasurer for all your hard work and support, derived from your busy work life and training schedule, stood out whenever I need support with haste.

I would like to show my appreciation to Chamber Executive Senator Phyllis Chan, Account Officer Michelle Mann and Administration Officer Kary Cheung, with their countless support throughout the year.

My special thanks go to my assigned chapter President, Gary Lee from JCI City. The slogan of this year is "Warm your Hearts, Shine the City 暖你心、耀全城", these "City Caring Guys 暖男" are aiming to bring "warmth" to every corner in HK, like the sunshine embracing the whole city.

These "City Caring Guys" showed their practical and mature working style through various City's projects and chapter's affairs. They spread their brotherhood in the chapter by helping each other whoever in need at all costs, and such 'brotherhood' is unique and impressive among different chapters.

Such wide spread 'brotherhood' is not only found in community or within their chapter, but they have extended such loving care to me as their NAEO. Irrespective to sex. I can see their caring, thoughtfulness and attentive in taking care of me, which makes me feel blessed, thankful and strong sense of LOVE.

I am really grateful and would like to thank my mother chapter, JCI Apex, for giving me the opportunity to serve JCI Hong Kong. This experience would be one of my remarkable memories in my life.

Last but not least, I would like to extend my warmest regards to the National Board. Together we work hard & play hard and assistant NP to strive for practicing his theme "Keep Changing the World". I believe the Power of LOVE can change the world and make it a better place and I really like to show my appreciation to all of you for making it happen, giving me unforgettable memories in 2019.

Vince NG. Thank you very much for your contribution and the efforts you have paid throughout the year. "If you want to go fast, go alone. If you want to go far, go together." (一個人走得快, 一群人走得遠.)

4. CONCLUSION AND ACKNOWLEDGEMENT

Maybe you remember my caucus speech in 2019 National Convention that I would like to let members become good coffee masters. In order to tailor-make courses for members to be good trainers and assist LOMs to motivate members to achieve their dream, these become valuable imprints for my 2019 journey.

Time flies, three quarters of 2019 have passed. Every experience is an opportunity for me to learn and grow. By taking this opportunity, I would like to extend my sincere gratitude to the National President Senator Zenith Lin for inviting me to be one of the National Board members of JCI Hong Kong in 2019. I would also like to give thanks to National Executive Vice President Senator Ben Mak for his guidance and support. Surely, I would like to thank my super hard working National Training and Development Commission Chairman Path Liu and 6 Vice Chairmen. I can closely feel these teammates passionate in training by devoting all of their time to plan and design the best program for members. I would also like to give my appreciation to National officers and all chapters for showing full support in different events.

For my beloved two humble and charming presidents, Benjamin Lee and Alex Tse, I still remember our group name "KIND", which made up from my first letter of my nickname and two chapters' names , KIND wordings are the most powerful tools to us; KIND is the right attitude for mankind.

I still remember our monthly happy gatherings which totally demonstrate our strong brotherhood since last October. Thank you so much for sharing your successful moments with me. Your members show passionate and eager to do well in every single project also deeply touched my heart. Thank you very much for bringing me uncountable memories.

Last but not least, I would like to thank my mother chapter, JCI Sha Tin, for giving me the opportunity to serve in National Board. This experience would be one of my remarkable memories in my life. Best wishes to all the incoming National Board of Directors, LOM presidents and their officers every success in 2020. - Due to the workflow design of JCI Hong Kong Email usage, the DM team investigated the backend connection of Google and existing admin right holder
- As the system already attempted for the G-Suite application by the team of the previous year, we investigated the significant difficulty from the team of last year and explored the solution.

NRRD has responded to enquiries from Chapters promptly and send key-note reminders to all Chapter Presidents & R&R representatives in every month through channels including e-mail, whatsapp group or personally, so as to support chapters on the efficiency of chapter management, and at the same time promote NOM events to chapters.

REPORT TO THE GENERAL ASSEMBLY OF THE 54TH NATIONAL CONVENTION FROM THE PRESIDENT OF JUNIOR CHAMBER INTERNATIONAL ISLAND

1. OBJECTIVE AND YEAR ACHIEVEMENT

There are many organisations around the world that focus on providing community services to the society. JCI is no exception to this. To provide development opportunities that empower young people to create positive change. Every JCI member should be familiar with this sentence. In fact, this is the mission of JCI. However, what differentiates us from the other organisations is that we also focus on leadership skills and personal development. In order to align with the mission of JCI, the objective of 2019 largely focuses on skill development. Through the organising of different workshops, we hope that it will not only provide our members with some useful skills, but also create an atmosphere within the chapter that continues to strive for betterment. We hope that the skills equipped will be useful both within JCI and in the outside world. In addition, through various networking opportunities and interaction with our sister chapters across Asia, we hope that we can continue to refresh our project ideas and to upgrade our project standard in the future. Finally, we hope to unite all members across the chapter in order to assist in hosting the 54th National Convention of JCI Hong Kong.

6. PROJECTS & ACTIVITIES

6.1 JC Sports Day 2019

Background

As someone who lives in the city. It is common that our everyday work becomes either working in the office or staying at home; and that we have very few chances to maintain an active lifestyle. Since 2005, JCI Island has organised the JC Sports Day every year. The first event was held on 24 April 2005, with subsequent events held every year afterwards. Nowadays, the event is tentatively held on 1 May every year. The event mainly includes track events from 100 m to 3000 m runs, as well as field events like high jump, long jump and shot put.

Results

The event was successfully held on 1 May 2019 at the Wan Chai Sports Ground with around 350 participants and over 400 guests. We were honoured to have Gary Chan Hak-Kan, BBS, JP, a current member of the Legislative Council of Hong Kong, to be the event Guest of Honour. As this year marks the 15th Anniversary of the event, we have invited outside organisations to participate in the 4 x 100 m invitation relay.

The organising of this year's event started in January. Although JCI Island was responsible for the overall event management, we have invited Running Man Athletic Club and South China Athletic Association as supporting organisations to aid in running the event during the event day.

Impact

The JC Sports Day not only brings together all members from the JCI chapters in Hong Kong, but also promotes cooperation between team members through competition.

6.2 O! Love Tour 2019

Background

With the advancement of health care, people live longer lives. However, this does not imply that people live healthier lives. It is not uncommon that a lot of elderly people are living alone. In light of this, JCI Island has organised the O! Love Tour since 2014. The main purpose of the programme is to express our care to the singleton elderly people through the arrangement of an overseas tour to those who have never flown on an airplane. The tour is in the form of a 3-day-2-night trip to Taipei for selected elderly people and university students. Each elderly person is paired up with a university student during the trip. The programme aims to (1) increase the awareness on the singleton elderly issues in our community; (2) to fulfil the dream of the "ever" flying experience for those singleton elderly; (3) build up the relationship with different generations in the society; (4) create sustainable care and love attitude for all participants and their family members; and (5) to promote intra-generation harmony in the community.

Results

The project co-organiser Saint James' Settlement assisted in selecting elderly people whose background and health condition are fit for the trip. On the other hand, the other co-organiser Hong Kong College of Technology helped to select tertiary students through rigorous interviews. The recruitment process started in January, and there are 20 pairs of elderly people and students selected for the trip.

Due to the differences in culture perceived in different decades, generation gap is common nowadays between the younger people with their parents and grandparents. As the selected students for the trip will spend three days and two nights with the elderly people in Taipei, it will be essential for the students to learn how to communicate wisely and maintain good relationships with the elderly people, which will in turn, align with the event objective to promote harmony between generations. Sophia Chan, an experienced social worker of Saint James' Settlement has been invited to deliver the workshop to the students. The workshop was held successfully on 25 May 2019 at Central & Western District Elderly Community Centre, Saint James' Settlement.

Before the trip, a tea gathering on 25 May 2019 has been organised for all participants. The gathering provided a good opportunity for the elderly participants to meet up and get to know their student partners before the trip. In addition, the travel agency has provided a briefing session for all the participants about the tour in Taipei.

The trip took place from 1 to 3 June 2019 in Taipei. We have visited places like National Dr. Sun Yat-Sen Memorial Hall, Chiang Kaishek Memorial Hall and Yangmingshan National Park. Apart from providing the first ever flying experience to the elderly participants, mutual understanding between the elderly and the students were promoted.

Impact

Overall, the trip provided opportunities for elderly people to fulfil the dream of the "ever" flying experience; as well as integration and understanding across different generations, while the students live with the elderly people during the 3-day-2-night trip in Taipei..

6.3 Shell/Island Scholarship for the Disabled

Background

As proclaimed by the United Nations, 1981 was named as the "International Year of Disabled Persons" (IYDP). Its theme was "full participation and equality", where its focus is on the disabilities. The "Shell/Island Scholarship for the Disabled Students" was first organised on the same year when the IYDP was proclaimed. Its main idea is based on "equality" from the IYDP. The purpose of this event is to give recognition to students with special educational needs (SEN) as they may require more effort to overcome difficulties induced by their disabilities, so that they will equally have a chance to become outstanding even with a learning barrier. Moreover, this event encourages them to realise the importance of education towards the development of their capabilities and potential in serving the local community. Furthermore, another purpose is to promote a sense of inclusion for these students in the society. Since its first organising 38 years ago, it has gained its popularity among schools, students and parents. It is currently co-organised by Shell Hong Kong Limited, the Junior Chamber International Island (Hong Kong) Limited and the Hong Kong Special Schools Council.

Results

The event is in the form of presenting awards to students with certain achievements. Each year, students are nominated by schools for the consideration of the awards. The awards are divided into different categories like good academic results and conduct, improvement in academic results, and active participation in a wide variety of activities. The deadline for the award nomination was on 10 July 2019, and the nominations have been reviewed by the Scholarship Selection Committee,

which comprises representatives from each of the organisers as mentioned above. Each award includes a scholarship amount ranges from $3000 to $5000, a certificate, a trophy and a special gift. All winners are recognised and presented with the award in a ceremony that is open to the public. The award ceremony will be held on 1 November 2019.

In addition to the award ceremony, a music workshop will be organised in early October prior to the award ceremony. The purpose of the workshop is to promote social inclusion of SEN students. The proposed workshop will be a lyrics creation session, which would be mainly for SEN students, while a few normal school students would also be invited to join the session in order to better portray an inclusive and diversified environment. In the lyrics creation session, a cheerful piece of music would be chosen and the participating students would then be guided to fill in the lyrics under the theme of diversification and inclusion. After producing the workpiece, the SEN participants from one school would then be invited to engage in further practice sessions, in the form of singing and instrument playing, for stage performance during the award ceremony on 1 November 2019. The produced lyrics would also be printed on the house programme during the award ceremony to recognise their work.

Impact

Being recognised can help to boost a person's confidence and self-esteem. Although the students in this event may have a learning disadvantage when compared to other students, it is equally important for them to be recognised and encouraged for their hard work. This can be a motivator for them to develop their potential. It all started with the word “equality”. Furthermore, this idea should not be only applied to the disabled, but also to different types of people. In fact, people around us may have different skin colours, may speak with different accents, may come from different backgrounds, and may act differently when compared to us. Notwithstanding, we should treat everyone in the world equally and with respect, and accept differences if any. May we act together and promote the idea of equality, so that the world will be in better harmony.

We are honoured to invite Perry Lam, the founder of HK Lovecraft to be the guest speaker of the event. The event was held on 27 June 2019 at Metropark Hotel MongKok.

8. OUTSTANDING PROJECTS TO BE LAUNCHED

8.1 National Convention 2019

As required by the Company Registry, an annual general meeting must be held on or before September 30 for some of the organisations in Hong Kong. JCI Hong Kong is no exception to this rule. The annual general meeting of JCI Hong Kong is called the National Convention. It is an annual event among the JCI Community in Hong Kong. There are currently 21 local chapters that are affiliated under JCI Hong Kong, and all these local chapters will also gather together during this annual event to update the organisation’s status to its members, to conduct business, to recognise members’ effort for the past year, as well as to elect the organisation’s leaders for the coming year.

It is the third time in the past 20 years that JCI Island is hosting the National Convention, with past hostings in 1999 and 2005. The event this year will be held from 20 to 22 September at the Hong Kong Disneyland Hotel, and the organising of the event has been started since the middle of 2018.

Moreover, the theme of the Convention is "Devote, Reform, Achieve", which is a three-step process to success. We believe that members should devote themselves for the community, reform their ideas to adapt to the changing world, in order to achieve something that will create impact to the society.

9. CONCLUSIONS & ACKNOWLEDGEMENT

2019 has been a fruitful year for JCI Island. It is my honour to be the President of JCI Island this year, and I am glad to see that our members have been devoted to supporting the chapter affairs from the past seven months. I believe that the skills that they acquired this year will be beneficial to themselves both within the chapter and in the outside world.

Over the past seven months, apart from our two flagship projects JC Sports Day and O! Love Tour, we have organised various smaller projects, and different workshops and gatherings for the benefit of our members, and I believe that we have successfully created an atmosphere that enhances membership engagement.

Looking forward to the second half of the year, our main project will be the hosting of the 54th National Convention. I would like to take this opportunity to thank our National Convention Director Past President Senator Parco Wu for leading his team for the organising of this project since 2018.

Special thanks must also be given to my Chapter Advisor Past President Senator Paul Yin, SBS, JP; Presidential Advisor Past President Senator Duncan Tai; and Area Advisors Past Presidents Senator Fookman Chan, Senator Deacon Wong and Sam Cheng; who have provided invaluable advice to the chapter affairs throughout the year.

Last but not least, I would like to express my deepest appreciation to all the members of JCI Island. Currently, our chapter has around 40 full members and 30 senior members. Although resources are always limited, each of us have our own strengths; each of us have our own profession; each or us have our own vision. I believe that, throughout the past seven months, we have continued to grow, we have continued to learn together, and we have continued to strive for betterment.

Hope that all of us will have a better future.

REPORT TO THE GENERAL ASSEMBLY OF THE 54TH NATIONAL CONVENTION FROM THE PRESIDENT OF JUNIOR CHAMBER INTERNATIONAL HONG KONG JAYCEETTES

1. OBJECTIVE AND YEAR ACHIEVEMENT

In 2019, we celebrate our Golden Jubilee with the slogan "The Golden Past, A Gleaming Future" and the theme "The Glittery Present". My mission for 50th anniversary is to continue nurturing caring and daring female leaders and bringing the BEST out of Jayceettes.

It's the age of female leaders and women as change makers. To foster our belief in women's equality and female empowerment, we introduced our flagship project 'Female Elites Series 2019' which focuses on women entrepreneurship. Woman in business is going to be the trend of the world. We believe "Business on Stilettos" can help women to build up their personal brand and to have a clear picture of scaling their businesses in a heavily maledominated world. We dare to care and inspire the new women for entrepreneurial success!

Riding on the success of our SDG Junior Ambassador Programme, we are delighted to continue with this initiative in advocating SDGs locally and globally in an interactive and impactful way. We strongly believe that planting seeds in our future young leaders can multiply the impact to their peers, family and friends. We can create a greener lifestyle and sustainable future together through quality education. This year, the FIRST-EVER Sustainable Development Goals related publication is introduced in the Hong Kong Book Fair 2019.

To echo with the Government's participation in the development of the Greater Bay Area, a new Mainland Affairs project "**大灣區．從心生活**" was launched and it received overwhelming positive responses from members. We are honored to have the generous support from The Liaison Office of the Central People's Government in the HKSAR in making this program a big success.

Members are our greatest assets! We proudly present 'Jayceettes Academy' in 2019 which will support both membership affairs and leadership development. Throughout the years, we initiate close engagement with new prospective female members who are interested in community-related topics and looking for self-development opportunities. We care about our members and listen to them in order to customise a development path for each of them. Casual Gatherings will be continuously held to strengthen our sisterhood and bonding, while the themes will be set according to our members' interests or echo with the celebration of different festivals!

Internationalism is one of the core values of JCI which provides a platform for us to know more JC members from all over the world who share the same. With all of our overseas chapters' gracious support in the past years, we will engage more members to attend the international events and overseas chapters' visits. 26 members attended the JCI Asia and the Pacific Conference and they enjoyed the event very much!

2. THEME

"The Golden Past, A Gleaming Future" is the core theme of JCI Hong Kong Jayceettes in 2019 and this year marks our 50th Golden Jubilee celebratory milestone. We have been dedicated to nurturing the caring and daring female leaders in the area and promoting fair and integrated communities in the past years. We will continue to lead and serve our community; to provide development opportunities for young people, and to nourish new young leaders for active citizenship movement

「環保英雄成果展示日」(6月29日)
「環保英雄海外考察團」(7月25日至7月28日)
「環保英雄分享會」(8月20日)

目標:

義不容「遲」是以培訓社會義工為宗旨，自2016年開始推出「救救地球停用抹手紙」系列，2019年將培訓義工以及環保元素合併，以Train The Trainer形式透過一系列培訓，提升學生質素，配合環保意識，推出「環保英雄培訓」系列，並給予學生創作空間，自行設計教材以環保元素推廣至社區，在一系列工作計劃中挑選出精英學生，並於七月份推出「環保精英考察團」，帶領16位環保小精英一同前往環保城市日本愛知縣，已實地考察方式參觀當地環保企業及設施，親身體驗環保是怎樣推行，並於八月份環保英雄分享會內，以學生的角度來看看環保企業。

影響:

透過一系列以不同形式的活動，成功將環保訊息帶到學校以及社區，讓學生認識到環保的重要性，令社區公眾明白「源頭減費，由我做起」的重要性，全年工作計劃訊息覆蓋18區，「環保社區體驗日」首次在同一天內於12個不同地方同時間進行，深入幼兒、婦女、學生及老人的層面，以深入淺出的手法將訊息帶給各人。我們更邀請陳倩揚作嘉賓，陳小姐親身到公眾會堂為學生們打氣，親民友善的態度，深入民心。環保局副署長更親自前來頒獎典禮嘉許得獎學生，亦有十大傑青到場分享環保訊息。

Be Buddy Not Bully

影響:
獅子山青年商會聯同香港家庭調解協會合辦《童心解欺『零』》工作計劃，成功在全港各區抽樣訪問了604名小一至小六學生，結果發現多達37.8%的受訪者在過去一年曾經遇過校園欺凌事件，4.8%的受訪者更因被欺凌而產生自殺念頭，引起超過十五間傳媒及全港市民廣泛關注。在4月至6月期間接受了電台及電視台訪問，希望將和諧校園文化宣揚開去。

我們曾於2019年6月至7月舉辦多次學校講座及社區活動，讓學生明白和諧相處的重要性及學習處理人際衝突的技巧，並向過千名小學生及家長倡議正面、關愛、和諧的校園文化。

我們將於2019年8月3日(星期六)舉行【童『衫』解欺『零』 Catwalk Show】，小朋友可發揮無窮創意，預先將舊衣改造成新的服裝，活動當日穿上服裝做小小model行catwalk宣揚和諧校園的訊息，並另設有「大雄與胖虎小劇場」、「和諧校園研討會」及攤位遊戲等精彩活動，盼望推動由小學開始做好防止欺凌的關愛教育工作，孕育香港小學生的正面價值。一個小小的舉動，一句小小的激勵，可讓我們用生命改變生命，為社會增添無限的色彩。

9. 總結及鳴謝

感謝獅子山青年商會各會員及前會長給予本人機會擔當2019年會長，由選舉直到今天，又籌備活動直到今天，本人與團隊經歷各種辛酸甘甜，一同成長，一同經歷，這經歷對本人而言是一生之難忘。在入會初期從來沒想到會有擔當會長的一日，作為四個孩子的媽媽，擔當會長的挑戰相信會比各人更大，要兼顧工作兼顧小孩成長同時，亦要兼顧會務及會員發展，丈夫及小孩子的支持給予本人無窮力量，亦希望藉此機會感謝我的家人。本年度主題「敢夢敢想敢創敢造」，就是希望團隊能夠將自己的夢想創造出來，透過籌辦活動將自覺得不可能的事實踐出來，本年度多個工作計劃都是滲入這主題籌辦出來。

感謝香港總會會長連冠豪的支持，他親力親為支持各分會活動，與各分會會長建立良好關係，他亦是各分會會長的好榜樣，經常保持笑容，給予我們很大的力量，和藹可親友善的態度，建立眾人的榜樣，是一位很好的領導者。總會董事局各成員亦是很好的團隊，無論各分會需要任何的支持，董事局成員總會親力親為出席支持，並且給予極有效率的回應，本人代表獅子山青年商會衷心感謝你們各人。感謝總會指派執行委員顏子豪的支持，被委派到獅子山青年商會，是我們的榮幸，他出席本會的活動，給予董事局成員意見及指導，將總會的訊息及時傳遞給我們董事局成員，與我們眾人建立良好的關係，深厚的情誼，本人代表董事局成員衷心感謝。

「敢夢敢想敢創敢造」期待國際青年商會能繼續發光發熱，帶領年青人走向積極正面的人生。

目標:

第一，宣揚推廣本土飲食文化和減少食物浪費，教育兒童尊重珍貴的食物和自然資源。

第二，響應聯合國可持續發展目標，目標十：減少不平等；目標十六：和平，公正，與建全制度。鼓勵兒童關注香港本土飲食文化之餘，亦都明白人人享有平等的機會，享樂尊嚴和權利。今年亦新增關愛組別，讓傷健小朋友亦可一起參與創作及比賽，得獎作品亦會被整作成為凹凸畫，讓外界明白他們畫作背後的故事和內容。

第三，遊世界，今年我們著力伸延兒繪的國際版圖，新增的參與國家遍及4大地區，分別有玻利為亞，毛利求斯，蒙古，越南，印尼，中國等共十二個國家，讓我們的活動更國際化。

第四，鞏固兒繪的核心價值，邀請藝術團體合作，共同推廣藝術教育，促進和諧親子關係。同時間，我們亦會推出兒繪的宣傳品，建立兒繪國際品牌形象。

影響:

今年四十周年，我們特別隆重其事，在宣傳方面，我們有地鐵站燈箱廣告約 80 個，巴士車身廣告，走遍香港各地食肆去貼宣傳海報，本年度亦總共有 4 次電台訪問有關兒繪的介紹及宣傳。而本年度的得獎作品巡迴展覽，更分別於國際青年商會韓國濟州亞太大會、本港多個地鐵站及商場展覽場地，展示出世界各地的得獎品。希望令到本工作計劃可深入社區，達到長遠發展的目的。

同時間，我們亦舉辦多個親子活動及與食物作題材的工件坊，讓家長及小有多相處的時間，同時鬥可灌輸給小孩有關食物的正確資訊。有不少家長及支持機構都盛讚工作坊十分有意義。

國際元素亦是今年我們努力提升的部份，今年共有多另外 7 個國家參與，令增長率達140%。期望將來有更多國家可參與，可使影響力更加深遠。

9. 總結及鳴謝

很感恩可以擔任海港青年商會 2019 年的會長，感謝大家給予的機會，很珍惜每一天可與會友們一起創造「敢夢想 • 敢成長」的一年。我們希望以會員為本，讓大家可在海港這個大家庭學習成長，真的很想做到大家在 give (付出) 的同時，能收穫 G.I.V.E.。

今年很高興兩個旗艦工作計劃：第四十屆國際兒童繪畫比賽暨公開攝影比賽 (兒繪) 和 2019 大灣區青年領袖選舉，可以再創高峰，有更進一步的成績。成熟的工作計劃往往都有它的成功之道，要再有突破並不容易，很感謝兩個團隊，敢於嘗試及創新，令今年有更多別開生面的創新元素。亦特別感謝各個參與兒繪的國家，讓我們這個長達四十年的工作計劃，可讓世界有更廣泛的影響力。

另外，我們亦有兩個貼地的工作計劃：「不離不棄」照顧者精神健康工作計劃和《青年有SAY，小店有機》推廣計劃。在上年籌備的時候，我們執行董事局著意針對社會被忽略的一群，因為其實他們亦是很需要我們的關注。很高興這兩個工作計劃的受眾 - 「照顧者」及「小店」都肯定我們的工作計劃可以幫助得到他們，同時亦都令社會留意到他們，與他們同行。

我要感謝每一位會友，感謝你們的信任，讓我可擔當今年會長，你們是我努力的動力，期待大家可繼續給予我支持，同時亦給予我更多意見，讓我可在餘下任期，協助海港及會友繼續發光發亮。

今年當中，面對不少挑戰，我一個人絕對處理不了，我十分幸運，有一群能力很高，亦很有義氣的董事局成員相助。感激你們每一位，我並不是一個很細心的領導，很多細節都靠大家的執行，去排除萬難。很多謝你們的付出。

感謝我的三位會長顧問林來儀參議員，陳思競，余修賢參議員及法制顧問黃世傑參議員無私的奉獻。每當我遇到問題，你們也會給我很多的建議協助我去解決。

很感謝上屆會長李承欣，由上年開始，每當我遇到問題時，妳都義無反顧，盡心盡力協助。

感謝每一位組別顧問，各組別能夠得到成功有賴你們在背後默默支持。

感謝各個委員會主席及成員。全賴有你們在後面如無名英雄一樣，在我們董事局成員後面全力協助我們，今年才這樣成功。

感謝所有專員的努力，在前線透過你們的經驗協助各籌委會完成一個又一個的工作計劃。

感謝我的會長助理，今年實在有太多事需要處理，有很多事情你們在背後幫忙處理，解決了我很多後顧之憂。

感謝國際青年商會香港總會會長連冠豪參議員，每日馬不停蹄支持我們各個分會的活動，亦給予我們的很多寶貴的經驗及建議，使我們做得更好。

感謝總會指派執行委員左穎彤，多謝妳非常愛惜我們，時常提醒我及常常以不同的角度提點我們。

感謝全體國際青年商會香港總會成員在 2017 年全力支持各分會。

感謝各分會會長，過去一年好高興有大家作為同學，互相扶持，每當需要你們的時候也一呼百應。

餘下日子我們全體董事局成員定必全力以赴完成我們的使命！

9. 總結及鳴謝

元朗青年商會昂然踏入第42年，地區色彩濃厚，與地區組織有緊密連繫，我們秉承前會長們建立的基礎，好好傳承下去。團結會員的力量，讓會員發揮想像,創造更多對社會有正面影響的新工作計劃.做到服務社會同時，亦可透過舉辦不同的工作計劃，讓會員得到訓練及成長,.

踏上會長路途，對我來說是人生中一個歷練,訓練自己,提昇自己,期望成為一個有感染力,有能力改變一切的領袖。當一會之首，集合千軍萬馬，團結一致處理對內對外每一件事,是一個艱辛挑戰,幸運地，董事局成員及會員們都能懷着個人的幹勁與熱誠，衷心投入會務，互相扶持，令會務得以圓滿及順利進行。

國際事務方面，今年與基隆及京都姊妹會關係特別密切，造就了更多機會，讓兩會會員互相認識及交流，也大大增加了兩會間的關係及友誼，推廣聯合國可持續發展目標15-陸地生態,提倡健康環境未來世界。

本年度各項工作計劃以及會務得以順利進行，實在有賴多位前輩們在背後默默協助。
藉此感謝會長顧問鄧裕安參議員、會長顧問黃文潔參議員、資深青商會主席陳添有,副主席梁佩芳參議員，以及上屆會長譚燕媚對本人在會務上的指導、支持與包容，也要感謝本屆董事局成員及各會員的努力，大家盡忠職守，把會務及個人才能發揮到淋漓盡致。
每一位會員，他們都無私奉獻了自己寶貴的時間及經驗，為會務的發展出一分力。同時，也要感謝總會指派執行委員謝懷希，在我身邊默默支持及在背後的提點，經常與董事局成員分享了不少人生經驗及處事技巧，更親自擔任本會四月月會暨領導才能發展《活出青商 Go Goal Growth》主講師,啟發我們的青商思維。

轉瞬間，由去年籌備選舉,籌組董事局直到現在，不經不覺已渡過十八月，這段期間，經歷過不少的挑戰，心理作戰準備,心理及情緒困擾問題或難言的困難,最終過關斬將,突破重重難關,迎來重要人生路途.
思維影響行為，行為影響結果,積極正面的態度,每每影響他人,影響自己.感激遇見並陪伴我成長路途的每一位,加入元朗青年商會，豐富了我人生經歷。

本人在此衷心感謝總會會長連冠豪參議員、總會指派執行委員謝懷希，各總會董事局成員、前會長們、資深前輩們,各分會會長,各董事局成員及青商們，感謝你們陪伴渡過這精彩豐盛的一年，很榮幸有你們相伴，一起扶持，一起踏上成長路。

相信每位香港人都經歷過迷惘的少年時期，回想當天經歷會考、高考、考大學和找工作，擔心成績不符合預期，擔心前路茫茫。一步一腳印，沒有誰能說是平淡的路，但始終 也熬過來了，成為今日的自己。再看看今日，香港現時平均每 9.3 日就有一位 24 歲以下 的青少年自殺身亡。換句話說，每十日我們就會失去一位在未來傳承著我們努力的下一 代，三十年後的今日，會沒有了 1095 名接班人生□世上。
當我們看到這個數□的可怕，誓要挽救我們的未來力量。
《後生仔傾下計.青少年前路 導航計劃》的服務對象主要是本地高中學生。
活動的主題是「前路導航」，計劃由三部分組成:(1) 透過街頭訪問了解青年人的主要壓 來源; (2)透過一系列職業規劃遊戲，讓青年人了解自己的潛在價值;(3) 邀請非主流行業的成功人士分享.

6. 工作計劃及活動

6.1 工作計劃《後生仔傾下計 · 青少年前路導航計劃 2019》

根據統計，香港現時平均每9.3日就有一位24歲以下的青少年輕生。

為改善呢個社會現況，太平山青年商會主辦《後生仔傾下計．青少年前路導航計劃》更設計左一系列活動，希望透過一系列互動遊戲引導青年人去挑戰及加深對自己嘅認識，從而探索出真正適合自己嘅前路

活動分四部分

1: 《後生仔傾下計．青少年前路導航計劃 2019》街頭訪問1: 《後生仔傾下計．青少年前路導航計劃 2019》街頭訪問

街訪結果顯示，青少年的壓力來源首位是對前途迷茫 (70人)，其次是功課壓力 (59人) 。受訪青少年當中最受歡迎減壓方法是遊戲玩樂 (42人)；休息睡覺(40人)；找人傾訴 (20人)。而學生們表示「曾經感到極大壓力」有一個明顯上升趨勢。另一個發現是，中學生隨著年紀增長，壓力指數就會越高，中六以上受訪者有83.64%曾感到壓力，中三或以下66.3%曾經感到壓力，顯示了壓力隨年齡有明顯增長。藉此可見，香港青少年的情緒壓力不容忽視，每位青年人的壓力來源不同，難以個別性從根源著手瓦解，但我們可以讓青年人了解自身價值，從而加強心靈上的抵禦力，面對逆境時能夠自強。

2:《後生仔傾下計 · 青少年前路導航計劃 2019》開幕禮 暨 青年論壇

論壇第一部分邀請兩位新生代父母，針對主題「千禧世代父母的角色轉變及如何引導青年正向發展」進行討論。蜘蛛女鄭麗莎女士分享其教育理念說：「孩子跌倒時，我會讓他自己站起來，並設定能力可及的目標，讓他進步。」她會因材施教，不會強逼孩子學習興趣。回憶起自己會考僅考獲3分，到現在的她剛剛完成演藝碩士課程，是因找到目標而再次重拾課本。因此建議年輕人要持開放思想跳出「Comfort Zone」，面對逆境。中大亞太研究所所長馮應謙教授同樣認為：「我認為孩子無需要成功，反而家長要願意給予嘗試失敗的機會，並陪同他進步，學習重新出發。失敗過，自然會知道如何調整方向。」馮教授表示自己會穿著裙子上課，以自己示範突破思維，鼓勵學生無論面對學業或職業抉擇時，都需要創意，而創意並即時性的，而是按步就班，逐步達到創意。

論壇的第二部分請來兩位90後傑出青年，他們同樣走了非主流的道路。影壇新力軍游學修

分享成長經歷說：「回想當年我經常和老師對著幹，考A level僅有 17分，差1分升大學，當年以為是『世界末日』。」他表示經歷失敗後會成長，他很慶幸自己曾經失敗過。雖然他熱愛做的事情都不獲父親同意，包括踢足球，玩戲劇咩，但正因為是自己所渴望的，所以會遊說父母允許，可能正正因為反叛推動自己做得更好，成就了今日的自己。他認為現今新生代與目標距離很遠，原因是他們找不到方向，父母可能會經常告訴他們說：『不努力，沒有前途！』但他認為現今世代，不太努力，不代表沒有出路。香港人其實很靈活變通，有小聰明，年青人有能力發掘其他路向。眼見年輕人自殺問題嚴重，他十分痛心，或許大家都太習慣香港人精神 - 『適者生存』，灌輸了年輕人必定要『贏』的觀念，這是辛苦了他們。最後，他建議年輕人欣賞自己的小進步，社會和父母更有責任協助青年人尋找自己熱愛的事物，提升他們的自我價值。另外，發呆王陳棨豪，作為末代會考生，國際放空比賽冠軍陳棨豪當初會考考獲15分，無法入讀8大院校，唯有自修DSE，最終入讀香港科技大學理學院，並於大學二年級時選讀風險管理及智能商業學系，卻選擇了踏上創業路，創立精神健康手機應用程式。他鼓勵年輕人：「讀書不好不用死！人生要活出自己生命，找到目標。」

嘉賓發送緩解壓力三大招數

1. 發掘自己熱衷投入的興趣，並加以發展
2. 父母或老師不時提供清晰個人成長指引，讓年青人了解自己
3. 年青人要懂得欣賞並鼓勵自己的小進步

亦有記者到場採訪，為社會帶來正面信息

3:《後生仔傾下計 · 青少年前路導航計劃 2019》活動日

成日聽人話，揀條啱自己嘅路就係成功嘅開始咁究竟點樣去揀先啱呢？

一眾導航員 為

二十位中三至中五嘅學生，帶來一個賦有意義的星期日。

分享嘉賓有 2018 十大傑青兼棟篤笑主持人 阿V 同大家分享佢係點樣一步一步由認識自己到行出屬於自己嘅路，原來所有困難同指責，都可以變成人生一場棟篤笑。

仲有成長思維教育協會設計左一系列活動，令參加者可以通過唔同嘅挑戰去加深對自己嘅認識，從而探索出真正適合自己嘅前路……

當然唔少得世界跳繩冠軍嘅終極挑戰……

通過這次活動，同學們都可以更認識自己，從而揀條啱自己嘅成功路。

4:《後生仔傾下計 · 青少年前路導航計劃 2019》閉幕禮 (8月24號)

2, 活動精華重溫

3, 臨床及教育心理學家講解如何開解學生壓力

9. 總結及鳴謝

「家繫太平」是本會今年的口號，實踐著「和而不同」的理念，能夠做到堅持自己的理想信念又能包容理解別人的想法，就是我們團隊今年要上的重要一課。

團結不是要求所有人思想行為一致，而是能擴大心胸，包容不同的思想、言論、風格，彼此相互尊重，發揮所長；無論任何事，要能分工合作，集多數人的智慧、力量，團結起來，才會有所成就。

「團結就是力量」，其實應該話「有力量才能團結」。
有「智慧」的力量，才懂得共融；
有「信心」的力量，才能有共識；
有「仁慈」的力量，才能夠包容。
「團結」並非一個動詞，而是一個名詞，一個代表能力的代名詞。

一個家庭，兄弟姐妹之間，應該要相親相愛；
鄰里和鄰里之間，應該要守望相助；
各宗教黨派之間，應該以團結和氣，
唯有團結，一切願望才能實現。

一家人，總有意見不同的時候，但我們所有人，只有一個目標，就是「家繫太平」。 踏入會長生涯的一大半，期待董事局成員，準備就緒，利用「智慧」「信心」及「仁慈」的力量，團結起來，成就一個出色的太平山青年商會。

感謝生命中那些溫暖的遇見，讓我們的回憶變得更珍貴……
每一份相識都是命運的饋贈，願你懂得，然後珍惜。

我深信二零一九年董事局成員所有付出、學習、嘗試已及成長，已經足以令太平山人感到自豪。在餘下的五個月裡，我會把握時間在會內建立更融洽的氣氛，務求令太平山變成一個家，與會員合力推動青商文化

本人謹此感謝各董事局成員、幹事和籌委會成員
上屆會黃銳華對本會努力付出的心血；感謝資深青商會主席、會長及會務顧問、各顧問團成員、各籌委員會主席、前會長們及總會指派執行委員謝俊熙對本人的指導與包容。我在過去的
一年接受過不少其他分會和總會前輩的分享與勉勵，萬分感激。

目的：計劃願景是讓社會大眾關注在職女性精神健康及正確認識精神健康概念，以正面的態度去處理和面對不同程度的精神健康狀況，並鼓勵大眾共同推動女性工作生活平衡理念。計劃的目標對象是職場女性，香港生活節奏急促，她們承受各方面壓力，然而她們未有注意壓力帶來的情緒健康問題對社交生活的嚴重性。

9. 總結及鳴謝
不經不覺已經參加青商五年了，沿途經歷了很多人和事，才能成就今天的我！

感激永遠名譽會長余振宇參議員及一眾前會長的信任，讓我有幸肩負城市會長重任，要領導一個接近三百人的組織不是容易的事，但感恩沿途有著一眾前輩在背後默默支持及提點，讓我能學習如何成為一個好領袖，並成就更多好人好事，與一眾城市長中青兄弟過了豐盛的一年。

感謝總會會長連冠豪參議員的領導，以及各分會會長「同學仔」的互相支持，從去年會長學堂開始，我們都共同經歷了很多很多，或許大家都是知音人吧，每次與大家一起都能分享彼此的心底話及從你們身上學習，尤其是在國情研習班與大家經歷的快樂時光，令我更期望來年的畢業之旅！

感激總會指派執行委員楊綺雯的照顧，除了陪同本人出席了接近全部的活動外，還時常在各種危機出現前已提點我，除了本人之外亦十分關心我們每一位董事局兄弟，這種像媽媽的關愛，真的暖了我們的心！

感激會長顧問曾良熹參議員及徐斌誠參議員的全力支持，過程中經常分享寶貴意見及幫助，像一碗心靈雞湯的滋潤，讓我會長之路走得更順暢。

感謝會務顧問王維旭參議員、麥智源參議員、林子勤參議員及譚偉文參議員，在會務需要支援時立即挺身而出，甚至參與會議至深夜以確保一切安好，讓本人感動不已。

感謝董事局顧問陳守真參議員、黃坤成參議員、梁葆迅參議員、莫德民參議員、葉浩然參議員、蕭錦源參議員及鍾玉麟參議員，適時給予意見，讓各執行董事局成員能於處理繁重的會務時有最強後援。

感謝審計專員及各組別顧問，讓各組別兄弟在前輩們的豐富經驗支持下穩步發展。

感謝董事局各位兄弟與及各籌委會主席的努力，全靠你們的無私付出，才能換來今天收成的美好果子，過程可能辛苦但一切都是值得的！

「暖你心　耀全城」是我們今年的主題口號，希望大家都感覺到城市家庭的這份暖，找到自己參加青商的價值，與城市長、中、青兄弟及分會好友在一個愉快的青商生活中共同成長、互相學習，繼續在青商的舞台發光發亮，成為明日的領袖！

6. PROJECTS & ACTIVITIES

6.1 Community Development: Small Change, Big Difference "Listen, Connect, Accept" 2019 Zentangle Drawing

Background: Several recent surveys and studies have shown that the problem of elderly suffering from dementia is getting serious and has sparked warn to the city with its increasing aging problems. Therefore, Queensway would like to kick start a project to arose the public awareness towards dementia as well as to promote relaxation, mindfulness and stress relief among elderly.

Result: With intensive research, it is found that art therapy can be one of the tools that help elderly to create a relaxing and mindfulness mind set, which would be also beneficial to prevent dementia. Therefore, a Zentangle workshop was organized in April to teach a group of 30 volunteers what is Zentangle and how to create Zentangle drawing. After that, 2 elderly visits were organized with the cooperation with頌恩護理院 (九龍塘&德田) to visit and serve the elderly in May.

Impact: Positive feedback was received from both volunteers and elderly centers. With the participation of 30 volunteers in the Zentangle workshop, they had a chance to learn and know more about Zentangle. To most of the volunteers, it was the first time that they get in touch with Zentangle and it was a great experience for them. They also expressed great interest in Zentangle which they did explore much more about Zentangle after the workshop.

During the 2 elderly visits, the elderly enjoyed a lot in the drawing. Indeed, it was a great opportunity for them to interact with our volunteers during the visit. Based on the feedback from the elderly centres, our volunteers not only explored the potential capability of the elderly, but we also successfully encouraged the elderly to step out of their comfort zone as some of them have never used a pen to write or draw before. Both elderly centers showed sincere gratitude to us and hope we can turn the visits into a regular activity so to further benefit the elderly.

6.2 Name of the project: 35th Anniversary Celebration
Background: JCI Queensway was established in 1984 and this year is our 35th Anniversary

Results: Our 35th Anniversary Banquet was successfully held on 1st June. There were about 200 guests attending the banquet and we were honored to have President Simon Ho from The Hang Seng University of Hong Kong to be our guest of honor. Also, there were overseas friends from our sister chapter, KL Mandarin & Okinawa together with our friendly chapter Toyonaka coming over to attend our anniversary.

Furthermore, there were a total of 22 past presidents from Queensway attending the anniversary. It was a good chance for all our members to meet our past presidents, friends from different chapters as well as overseas friends.

A series of IA reception was conducted from 30th May to 2nd June. During the period, our members showed great hospitality to welcome our overseas friends and we all enjoyed the time we spent with them.

Impact: It was a great opportunity for all our members to gather together to join the celebration. During the event, we have reviewed the past achievement of QJC which allow our members to understand QJC more. Meanwhile, as most of the members, including past presidents, senior members & full members attended the event, it allows more interactions among different members. Also, there are lots of different guests from other chapters including our sister chapters & friendly chapter which gave precious chance for our members to meet new friends!

6.3 Name of the project: JCI World Public Speaking & Debate Championship (Hong Kong Selection) co-hosted with JCI Sha Tin
Background: It is the tradition that JCIHK would host Public Speaking & Debate Championship (Hong Kong Selection) every year. JCI Queensway has been one of the hosting organizations since 2017 and this is our third time to take part in this project as the hosting chapter for JCIHK, co-host with JCI Sha Tin.

Results: This year debate was added as a new element with public speaking in order to select a team representing Hong Kong to take part in the contest during ASPAC. A workshop focusing on the skills of debate and public speaking was hosted on 27 Mar, while the preliminary contest of public speaking was held on 14 Apr and final contest for both debate & public speaking was held on 13 May. Overwhelmed results were received for both workshop and in terms of number of participants. There are more than 20 contestants in public speaking while a total of 8 team joining the debate contest.

Impact: This is the third year for QJC to take part in the public speaking project as the hosting chapter since 2017. We believe that this could further strengthen the image of QJC as an English chapter. Meanwhile, the cooperation between JCI Queensway & JCI Sha Tin allows members from both chapters to meet & work together, which could definitely extent our members' network and further enhance their project experience.

9. CONCLUSIONS & ACKNOWLEDGEMENT

It is my great honor to serve JCI Queensway as 2019 President. I would like to thank all Queensway members for giving me the opportunity to serve our beloved chapters and witness its growth. This year is the 35th anniversary of Queensway, and our slogan "The Power of We" presents the importance and power of unity. Queensway cannot be such a successful organization without the effort from every member throughout the years. While celebrating the success of the past, we also work hard to further strengthen the leadership skills of our members, who can ultimately contribute to the society.

I would like to thank Past National President Larry LAU, Presidential Advisor Senator Amy LEUNG, Chapter Affairs Advisor Senator Suki CHEUNG and all area advisors, project advisors and Past Presidents for your valuable guidance and encouragement throughout the year.

My deepest gratitude also goes to my buddies including Board of Directors, Presidential Assistants, Officers, Project Chairmen, Organizing Committee members and members for establishing a milestone in 2019 together. This is with all your support and hard work that makes our journey in 2019 a successful and fruitful one!

After all, I would also like to thank all National Board of Directors, my National Assigned Executive Officer Gary NGAN, and all LOMs' Presidents in supporting JCI Queensway and backing each other. JCIHK and JCI Queensway have provided a platform for us to build our dream and make a difference.

Let's make use of THE POWER OF WE to KEEP CHANGING THE WORLD!

6. 工作計劃及活動

6.1 第二十八屆「香港金口獎」比賽 (社會發展範疇)

香港「金口獎」比賽已籌辦第二十八屆。過去二十七年一直以比賽方式，考核參加者聽講讀寫能力，訓練小朋友「兩文三語」，提倡語文從小鍛煉，終身學習。本會深信要培育青少年健康地成長，必先由家庭教育開始，其中親子溝通至為關鍵。因此，今屆的金口獎比賽主題定為「親子方程式 ：溝通你要識」，透過主題，讓小朋友及家長攜手實踐正面溝通方法，一起面對成長及生涯規劃上的挑戰。

本年度活動分四個主要活動日，包括: 開幕禮、工作坊、比賽日及閉幕禮，比賽參加者均為小五及小六學生，本年度經評審挑選173名學生進行比賽，遍佈港九36間學校，參加者無論讀、講、聽、寫水平都十分高，經過一整日的讀、講、聽、寫比賽，挑選出冠、亞、季軍。

活動目標為提升小朋友「兩文三語」的能力，推廣「兩文三語」終身學習、終身受用的意義，推廣「兩文三語」的同時，讓小朋友面對社會問題，喚醒小朋友對於溝通表達的重要進行學習及實踐及培養小朋友建立有質量的溝通和有正面的改變。

6.2 聽說讀寫大挑戰 (領袖才能發展範疇)

讀講聽寫大挑戰為本會領袖才能發展組工作計劃，於2017年創立至今已經第三年，活動與邊界警區少年警訊合辦，活動主要對象為邊界警區少年警訊學員，主要為小學生，部份為跨境學童，投過課堂及參觀活動，為學員提供額外課餘活動及交流機會，工作坊內容為有關讀、講、聽、寫的技能，提高他們的自信心，計劃另一重點為給予本會會員提供作為主培訓師或副培訓師的機會，為不同年資的會員提供機會。

6.3 共創耆職 (商業事務範疇)

「共創耆職」是北區青年商會的商業事務範疇中的一個工作計劃，鑒於香港正面臨人口老化及勞動人口不足的問題. 「共創耆職」於2018年首次舉辦，透過講座及讓他們體驗參加攤檔，提高年青長者繼續工作的興趣及信心，亦希望年青長者能透過工作計劃，宣揚年長仍可以繼續就業，從而減低香港人口老化，勞動力不足的問題。

鑑於去年「共創耆職」反應十分熱烈，得到各方認同，為承傳活動理念及讓繼續為長者提供營商機會，本年度繼續以經營實戰作其中一個活動日，將參加者的手藝/才能變為銷售產品，是次工作計劃透過不同工作坊向參加者教育有關怎樣去營銷，如網上營銷手法，市場推廣，宣傳渠道等等，是次活動招募二十組有意把他們的手藝/才能變為銷售產品的年青長者。

本活主要讓3個類型的參加者，第一有興趣嘗試創業的年青長者，第二缺乏營運/銷售技巧的年青長者及第三有意了解自己是否適合創業的年青長者，最終目的加強年青長者的社交圈子，了解現在香港年青一輩的文化，增加自信心，保持精神健康，讓參加者及其他相信自己仍有能力繼續工作。

6. 工作計劃及活動

6.1 工作計劃名稱: 香港旅遊減塑約章 2019

內容: 活動分為五部份 :
- 1月6-13日 - 黑龍江減塑挑戰實驗之旅
- 2月24日 - 本地旅客問卷暨約章發佈會
- 7月9日 - 酒店評審面試日
- 7月15日 - 酒店評審面試日
- 8月2日 - 外地旅客問卷發佈暨頒獎禮

主旨
香港是旅遊之都，每年進出旅客多達數以千萬計，為香港帶來龐大的收益和就業機會，但同時亦難免產生大量即棄品，為環境帶來壓力，即使旅客有心支持環保，亦會因欠缺酒店環保措拖等資料，而無從入手。

有見及此，浩洋青年商會在地球之友、香港城市大學澳大利亞伍倫貢書院支持下，在年初成立了全港首個「旅遊業減塑約章」，旨在提升提升酒店、業界以至香港的國際形象。當時進行的問卷調查顯示，超過八成半港人認為酒店認負上更多環保責任，同時有六成半港人同意，如果有客觀的第三方環保認證，會增加他們入住酒店的誘因。

問卷結果證實了約章可讓旅客選擇酒店時多一個參考要素，優先選擇綠色酒店。酒店為環保出一分力之餘，亦可提升吸引力，長遠推動業界提供更多環保措施。

首年約章共有十間酒店參加，於2月24日開始報名並已在8月2日舉行頒獎禮。

目標: 鼓勵全香港酒店在減塑政策多下功夫及令旅客優先選擇這些酒店。

影響: 全香港第一個有關酒店業的減塑認證，本年度全香港共有10間酒店參與牽涉客房超過2000間，有超過20間電子傳媒、8間實體報章及獲無線電視新聞報導。成功向公眾推廣聯合國發展目標 11-可持續城市和社區、12-負責任消費和生產及14-水下生物
；及向全港酒店介紹聯合國全球契約(United Nations Global Compact)。

6.2 工作計劃名稱: <嶼。魚。說>

內容: 活動分為四部份：
- 4月7日 - Run for Wild 海洋 奔跑吧！
- 6月1-2日 - 中西區夏祭
- 7月6日 - 嶼。魚。說音樂會
- 7月21日 - 海洋英雄 (清潔海底)

目標:
1. 透過公開售票音會加強會員的工作計劃管理技巧及學習與更多的其他合作伙伴共同創造價值。
2. 在極有意義的音樂會分享、中西區夏祭的攤位中向公眾推廣海底及海洋保育。

影響: 全計劃籌備的會員人數為24人，為本會的40%。公開售票部份超過80%的入座率(約200人)、海洋英雄部份成功帶領三十多位會友及公眾人仕到海底及海灘清潔，喚起公眾廣泛關注。

6.3 工作計劃名稱: 成功的領袖是如何煉成的

內容:
- 1月20日 LEGO Serious Play Method Workshop
- 1月27日 成功的領袖是如何煉成的Part 1 & 2
- 2月25日 成功的傳媒邀請是如何煉成的
- 4月13日 四會聯辦青商訓練班：JCI Impact & JCI Achieve
- 4月27日 成功的領袖是如何煉成的 Part 1 & 2 Re-run
- 7月4日 Train The Trainer 營前準備會
- 7月13-14日 Train The Trainer
- 8月10日 Train The Trainer Arena

目標: 透過定期及不同方面的訓練計劃，向不同背景及年資的會友提供正面發展機會，增強對浩洋的歸屬感及提供不同的青商發展機會，更透過與其他地區的導師交流，擴展會員的國際視野。
影響: 一系列領導才能培訓中接近200人次得到正面改變，當中於7月13,14日的Train the Trainer 課程更邀請到馬來西亞前總會會長到香港教授培訓秘笈；數據方面，本會的導師人數倍增4倍。

6. PROJECTS & ACTIVITIES

6.1 V-support Mock Job Interview
Background of the project: Since 2011, we have been cooperating with Sha Tin District Council, local secondary schools and private companies every year to conduct this program for DSE students at Sha Tin district to equip them with necessary skills for real life job interview. Members are invited to share their job experience and industry knowledge with students to help them plan their career before graduation.

Results to achieve: This year, on top of the mock job interview, we have spread out the message of plastic bottle recycling and edible cutlery use by inviting students who joined mock job interview to sign up for JCI Sha Tin "Zero Plastic – I Can!" Pledge, with their will to help protect the environment.

Impact: Up till now, more than 1,000 students participated in the event. From the laughter and thank you notes from students, we learnt that the project is welcomed by members, co-operating organisations, teachers, social workers and students.

6.2 Men's Mental Health Day

Background of the project: According to WHO, the global Male: Female ratio of age-standardized suicide rates was 1.8 in 2016, meaning there were more males suicides than females suicides. Poor mental health affects men and boys of all ages across the community and means that they cannot live their lives to the full. Even worse, too many men try to remain strong and in control', feeling that asking for help is unmanly and weak.

Results to achieve: Through this project, we aim to raise awareness of how signs and symptoms of mental health conditions may present themselves differently in men, and to normalize conversations about mental health issues to reduce the stigma that often prevents men from seeking help.

Impact: A total of three roadshows (13 April at Causeway Bay, 11 May at Mong Kok and 1-2 Jun at Central**)** were held to collect public opinions about men's mental health. More than 400 interviewees expressed their views on mens' mental health and they were willing to learn more about the situation. Event day was held on 15 Jun at Ma On Shan Plaza. More than 2000 audience and customers of the shopping mall were reached and increased their awareness to men's mental health.

6.3 Project Insight

Background of the project: Nowadays, the job market in Hong Kong is saturated and the types of work tend to be simplistic. Young people are plagued by long working hours and low salaries. Their jobs are only for their living and they lack spiritual satisfaction. It is difficult for your and capable people to develop their strengths.

Results to achieve: Through this project, we aim to help young people learn how to use their own resources effectively and improve interpersonal skills which would help them to find their entrepreneurial partners to start a business together and sustain for more than five years.

Impact: A total of three training seminars were held. which include topics on practical resource training, sales techniques and presentation skills. Over 100 young entrepreneurs took part at the seminars and positive feedbacks were received.

7. PROJECTS INVOLVED WITH OTHER LOMS IN HONG KONG

7.1 JCI World Public Speaking & Debate Championship (Hong Kong) 2019

Co-hosted JCI World Public Speaking & Debate Championship (Hong Kong) 2019 with JCI Queensway (Training Workshop 27 March, Public Speaking Preliminary Contest 14 April, Final Contest 13 May), the final contest was successfully held on 13 May 2019 at Kwai Fong Youth College, with over 150 participants. Members are given the opportunity to cooperate with members coming from different chapters, develop their leadership skills

This year, we had a breakthrough in Leadership Development area for the local organization as it is the first time to comprise "debate" in this annual championship for JCI Hong Kong. JCI Sha Tin is proud to be the pioneer with JCI Queensway to set an example for the succeeding years. We hope all JC members would learn the sophisticated orating skills and create positive change through their speech and effective delivery.

7.2 JCI Combo Courses - JCI Admin and Project Management

Cost-hosted JCI Combo Training Courses (16 March) with JCI Island and JCI Bauhinia, it was a very fruitful event with over 50 participants. Special thanks to 2014 JCI Harbour President Senator Nathan Wong and 2013 JCI Apex President Senator Yoee Yeung for their wholehearted dedication in bringing participants a well-structured, informative and interactive training. Participants found the training very useful and the training would definitely help them in starting their JC path! Members are given the opportunity to cooperate with members coming from different chapters, develop their leadership skills.

的好處，探索小學生對校園憧景為主題，鼓勵他們創造自己心目中的夢想校園，透過自身的經歷與感受，令大眾了解學童所需，集思廣益地思考學習意義的真諦，反思現時「贏在起跑線」的風氣所帶來的影響，帶出「因才施教、快樂學習、提升學習效能」的正面信息，成功培育學生的樂觀自信、創意以及勇於冒險的精神。

第一站：快樂學習訪問 (3月10日)
活動當日有30位小朋友及家長出席，透過創作屬於自已的校園，發揮創意，讓更多人了解到快樂學習，應該是培養小朋友基本的表達能力後，接著巡著小孩的天性，讓他發展他的強項。這樣小朋友才可能在學習的過程中，找到自己的樂趣。

第站： 交流活動（5月18日）
來自不同家庭、種族的小朋友，透過利用環保物料，塑做成為心目中的校園

第二站：夢想校園創作坊 (5月26日)
透過導師指導帶領小朋友創造心目中的夢想校園，希望透過作品能夠表達小朋友對學校的感覺，表達心中所想。今次合辦的機構新家園與腦之家，都是幫助低收入家庭同小數族裔的機構。是次活動亦會邀請家長一齊參與去增加親子關係，讓父母了解小朋友的心聲。　另外，活動會加入環保原素，用環保物料製造夢想校園，教導小朋友環保知識，推廣可持續發展。

第三站：中西區區節【I Do!童夢校園】攤位 (6月2日)
活動在2019年6月2日順利舉利，當日與人民政事務處合作舉利攤位，讓小孩子及家長更了解快樂學習的好處。當日超過200位家長及小朋友透過小遊戲，了解到快樂學習的真義，是從學習的過程中找到樂趣，而非只是用快樂的過程來學習。

第四站：訪問2018年十大傑出青年得獎者、天虹小學前校長朱子穎校長 (6月4日)
朱子穎校長在2013年出任浸信會天虹小學校長，大力推廣快樂學習，教學模式深受家長歡迎。5年內將天虹小學從殺校邊緣挽救回來，由全校6班擴展至22班。2016年將下午課堂變成由學生主導的夢想實現活動，兩年間，這套創新教學概念已由天虹小學推展到全港11間學校。透過訪問朱子穎校長，了解「快樂學習」的教育理念，把訪問印刷及推廣，並擺放在合作機構予宣傳。

第五站：「樂」在起跑線 (7月12日)
當日邀請到2011年香港中文棟篤笑亞軍梁惠敏小姐Matina Leung及香港家庭遊戲學會執行總監沈麗敏博士Dr Julia Shum分享如何處理小朋友的情緒壓力問題及小朋友相處的見解，讓小朋友表達內心感受，紓解累積下來的情緒，協助家長與小孩的相處。而全港首位「棟篤笑媽媽」Matina會笑聲分享面對怪獸家長與兩個囡囡相處的血淚史。當日有超過60位家長及小朋友參與。

6.3 國際事務組別工作計劃「 讓愛全接觸2019」
晉峰青年商會繼續傳承讓愛全接觸系列，對肢體殘障人士而言，面對社會有不同難處。跟據問卷調查發現高達95%殘疾人士稱曾遇到商場設施有障礙，另有66%殘疾受訪者表示因受過歧視而不想到商場，95%表示曾在商場遇到市民的不友

善對待。為增加社區共融，我們希望不同國家的市民、都對殘疾人士的權利、需要、潛能和貢獻認識和了解，培養平等關愛的觀念，達到傷健共融。

輪椅考察體驗（7月14日）
與姊妹會日本岐阜青年会議所及台灣高雄市巨港國際青年商會一起進行輪椅考察體驗， 與社企融·聚·歷(Inclusive Impact）合作，由前輪椅運動員的帶領下，讓健全人士透過學習使用輪椅，並於香港的道路上使用，從而感受到傷殘人士的困難與增加了解，藉此希望增加不同文化的人感受及體會傷殘人士的看法、思想、心態、不便之處、障礙、能力和生活的認識，鼓勵殘障及健全人士互助互勉，以達致傷健共融。

9. 總結及鳴謝

光陰似箭，加入青商已經踏入第七年，幾年間在青商中都擔任不同職位，沿途都讓我有不少轉變，讓我眼光變得廣闊了、能力變得強了、同時也更了解到自己的不足之處。很感恩在青商中一直都有很多「天使」扶持著、帶領著我，因此我亦期望可以成為別人的「天使」給予及付出更多，透過參選2019年度會長，讓我體驗更多、學習更多、貢獻更多。

今年晉峰成立了廿五周年，每年大家都努力籌辦出色的工作計劃，每屆會友都擁有非常寶貴的經驗，而新會友亦懷著勇於創新的熱誠。在精彩的廿五周年會慶中，亦完美的呈現長、中、青會員的團結及更感受到會員之間珍貴的經驗傳承。在此，特別感謝勞苦功高的廿五周年會慶團隊及參與表演的一眾會友。

今年除了努力帶領晉峰，也非常感恩有董事局成員、顧問團、各委員會、各籌委、各會員及合作夥伴的同行，及大家的參與支持。各位執行董事局成員均努力的帶領及指導著各範疇的工作計劃，緊守年初共同訂立的目標和方向，並適時作出檢討及調整，十分感謝您們在去年底答應我一起走過難忘的 2019。

衷心感謝三位會長顧問，永遠榮譽會長雷永強參議員、前會長孫賢益參議員及前會長黎貞慧參議員的指導，在多方面提供寶貴的意見及提醒，更要感謝總會指派執行委員林偉洛參議員的照顧。最後要感謝總會會長連冠豪參議員對本會的大力支持。

1.3 善用資源，尋求更多合作機會，加大對社會的正面影響

本會於2019年繼續緊貼社會脈搏，回應社會議題，結集各方力量，透過本會的各項工作計劃，積極尋找更多合作機構及夥伴，以不同方式，如問卷調查、攤位遊戲、市集、學童教育及宣傳短片等帶動會員以行動配合社會上的不同需要。在社區層面，本會透過工作計劃 「絕膠吧」推動環保教育，讓小朋友和家長一同為環保出一分力。同時，本會透過 「全港時尚專業女性選舉」 表揚傑出女性在社會上的貢獻，亦鼓勵女性尋回自己的夢想和初心。

6. 工作計劃及活動

6.1 商務發展 - 全港時尚專業女性選舉「現代木蘭 - 多元現代女性的動人故事」

目標:
為表揚面面俱圓的時尚專業女性，以及鼓勵現今成功女性毋忘初心、重拾夢想，以自身影響力回饋社會，城市女青年商會連續第九年舉辦「全港時尚專業女性選舉」，大會今年以「現代木蘭 - 多元現代女性的動人故事」為主題，以花木蘭打破傳統框的故事，鼓勵更多香港女性毋忘初心、重拾夢想。選舉由專業評審團選出在社會中兼具時尚、專業、社會貢獻達至平衡而傑出的女性，讓她們成為新一代多元女性的代表。

內容:
選舉提名期為三月八日至六月七日，首個活動亦於五月十八日正式展開，
「Power!Up　Day　一城市女動力日」當日集合市集、心靈、健康、靈性分享等不同工作坊，希望從「身、心、靈」三大方向，讓女性了解、休整、接受、突破自己成為「現代木蘭」，為「自我」重新定義，希望連結各界的新世代女性，互相鼓勵共同「愛自己」，一同以正面、積極的心態去實現自己夢想！

而選舉頒獎典禮暨晚宴於七月二十七日晚上假尖沙嘴香港喜來登酒店隆重舉行。活動大使王君馨小姐更在現場分享身為現代女性在社會多元的角色，勉勵大家為夢想努力。 今屆「全港時尚專業女性選舉」中共八人脫穎而出，包括運基顧問有限公司，跳樂劇團創意藝術總監王啟敏女士、Media360 Asia Limited及 Cool International Ltd & Amazes Wedding董事譚麗時女士、八方集團國際有限公司董事總經理廖舒衡女士、M Patisserie Ltd創辦人，藝術蛋糕師文慧詩女士、清洪御用資深大律師事務所大律師江美儀女士、Fame Union Production Limited創辦人及marketing director阮文琪女士、合伙時代創科孵化及配對平台創辦人梁凱喬女士及Amazing Built Limited董事歐陽鳳盈女士。

影響:
新一屆得獎者將延續選舉宗旨，向大眾宣揚服務社群的意識，呼籲大家關注社會上的逼切議題，八位「全港時尚專業女性」的誕生並非完結，而是一個新階段的開始，選舉為得獎者注入新的使命，以自身影響力貢獻社會，一齊建立更多社會資本，建立更和諧的多元社會。

6.2 社會發展 - 絕膠吧 2019

目標:
本年度旗艦工作計劃「絕膠吧」構思了多個場活動讓公眾參與，希望透過小朋友和家長，灌輸「保護地球，推行減塑生活」的訊息，喚醒社會關注，通過一連串的活動，達至以下目標:
1) 增加社會對塑膠污染的關注
2) 教育大眾塑膠廢物的禍害
3) 改變市民使用塑膠的生活習慣
4) 舉辦親子絕膠活動，教育小朋友從小培養減少用膠的概念。

內容:
活動在今年先後舉辦:

6.2 Name of the project: Outstanding Family Business Selection 2019
Background of the project:
The slowdown in the global economy has touched all corners of the world and new ideas are now needed to provide alternative streams of international growth. Family businesses have an important part to play here – they can establish new business models using their long-term view, sustainable attitudes to risk and concentrated decision-making. Public companies could end up learning from and emulating these adaptable, family led enterprises.

Among the many forms of business operation in the Hong Kong commercial and industrial world, family business still maintains a significant position, especially among the small and medium companies. Invariably it is the wish of the first generation which starts the family business to see the business grow and develop with flying colours in future. In reality, some businesses fail to maintain satisfactory performance when the management role is passed to the second generation at a later stage, while some business continue to produce good results and further expand when the second generation takes over the management later.

Results to achieve:

Our Aims and Objectives

- To give recognition of outstanding achievements made by family business with management succession through generations.
- To encourage emphasizing on sustainable business planning
- To encourage the use of practical and effective planning to ensure successful succession of business by the next generation.
- The Panel of Judges for 2019 consists of:
  Chief Judge: Dr. David YK Wong, BBS, JP
- Judges (names listed in no particular order):
  Dr. Roy CP Chung, BBS, JP, Mr. Michael Ngai, Mr. Raymond Tse

Special thanks to the CLP , NP Zenith Lin, VJC P Mandy for taking the time out for the event.

6.3 Leave your Legacy

Sustainability through generation by fully delegating and letting loose any restraint to let the next generation to succeed in managing the business. Mr. Jacky Poon, CEO of Wong Chun Chun Thai Restaurant, self-proclaimed that he is a second-generation business but not a wealthy one. He shared that his parents had exclaimed that Jacky have had a proud oversea education and have completely let go on him so that Jacky will not be hindered by them on bringing the business to a new level. In his sharing he proclaimed himself as a blank piece of paper without any managing experience and no food and beverage industrial know how. He had led the business by being a kin observer and to make little changes at times while bearing the coherence with the key employees.

Jacky have one motto that have led him through all the ups and downs in his management and that is "there are always more solutions than problems". Not only he has succeeded his parents on managing the business, but in doing so he have also helped his staff to succeed the retiree in the different roles of the Wong Chun Chun business by being a candid observer and listener to understand the turnkey skills of each of his key staff.

Jacky have been valuing his staff and have kept the turnover rate of his business chain at an all-time low level. He treated his staff as though they are his family and this have paid off by returning a good favor to the business that many do work till retirement.

In response to a question from the audient that would you pick one of your children to pick up the business, Jacky have replied that passion and quest for solving problems are the bare minimum on running a business. Since all of his children are still young, he will let his children to be kids and find their own passion just as he had found his passion in the food and beverage industry.

The succeeding generational gap forum cum PMO ended with three new members joining JC Lantau. We are sure more and more new members will join our JCI family. Finally, our guest speaker, MR. Jacky Poon, joined us as a prospective

member of JCI Lantau. Let us all embrace on the JC journey together and to be enlightened on new things in life through participating the JC walk of life and keep changing the world together.

OF THE 54TH NATIONAL CONVENTION

FROM STRATEGIC PLANNING COMMITTEE CHAIRMAN

SENATOR ERIC TANG

1. OBJECTIVES

- To review the recommendations from Strategic Planning Committee (SPC) of JCI Hong Kong
- To make recommendations for the sustainable growth of JCI Hong Kong

2. ASSIGNMENT

The 2019 SPC consists of the following members:
Chairman:
- Senator Eric Tang – 2008 National President

Members:
- Senator Clement Woo: 2007 National President
- Senator Ken Wong: 2009 National President
- Senate Gene Tang: 2010 National President
- Senator Timmy Lee, MH: 2011 National President
- Senator Paul Wu: 2013 National President
- Senator Brian Kwan: 2016 National President
- Senator Ronald Kan: National Immediate Past President
- Senator Zenith Lin; National President (Ex-officio)

3. REVIEW THE PAST RECOMMENDATIONS

3.1 Corporate Identity

For appointing professional corporate communication firm to enhance our images, this opinion is still confined in project based, such as only TOYP Selection would engage a corporate communication firm to handle the public relations. Think tank and spokesmen training is yet to be formed. As mentioned in the last report a committee shall be formed in order to enhance the continuity for the media and social connection.

3.2 Membership Recruitment and Retention

Different levels of training have been launched to cater the necessity of the members' development. NOM encouraged the LOM to nominate the capable members to be senators in order to honour their contributions to JCI. This is one of the strategies to retain the capable and/or senior members which are the most important asset of the LOMs.

3.3 JCI Hong Kong Office

Renovations have been undertaken by the end of 2018 and early 2019. The removable rack has been removed and renovated as an open area for the members' meetings. Seminar 3 had been renovated and become other board meeting room for some LOMs. According to the report from NP Zenith, now JCI office can cater all requests from the LOMs' BOD meetings and allow more options for the LOMs to avoid clashing of the meeting time.

3.4 International Participation

This year, NOM encourage the LOMs to carry out the Belt and Road projects and Greater Bay Area projects. Meanwhile, for the Jeju ASPAC, JCI Hong Kong has higher participation rate. Members of JCI Hong Kong also assisted part of the operation of the ASPAC, such as newsletter, secretariat services and JCI sales. The Committee would reiterate that such international participation is a good instrument to strengthen the bonding of the members and create the sense of belonging of the members, and this allow members involved in the international exposure.

4. RECOMMENDATIONS

The committee meetings were held on 29th June and 21st August. During 1stmeeting, we have reviewed the strategies that JCI Hong Kong have been implemented to address the SPC recommendations that made in 2018. For the 2nd SPC meeting,

we would further discuss and recommend strategies that may allow the JCI Hong Kong has a sustainable development to ever-changing social needs, the committee further analyzes and make below recommendations.

4.1 Corporate Identity and LOM Management
Our corporate identity from the public is important for sustainable development of our organization. The committee would reiterate the importance of appointing professional corporate communication firm to enhance our images. We also recommended that JCI Hong Kong has to organize different workshops about corporate communication and political issues for the members to handle those communication channels to the public.

The committee also recommended that JCI Hong Kong shall provide and review the management guidelines to assist the LOM management and administration as well as a new chapter management. It is observed that some chapters could not comply with corporate governance and due care as a BOD of an NGO, so that JCI Hong Kong shall encourage LOMs to comply with the statutory requirements of NGO; and policy manuals shall be established as a management guideline other than the statutory and constitutional requirements.

The major purpose of JCI is to let members build up leadership through organizing the impact community projects by adopting active citizen framework (ACF). The committee found that some members mixed up this conceptual framework with the core values of the JCI. JCI Hong Kong shall review their training workshops about Active Citizen Framework and distinguish the ACF from the main purposes of JCI.

4.2 Constitution Review
As per information from NP Zenith, the constitutions of JCI Hong Kong cannot cater for some special occasions, i.e. relevant by-law could not be found, such as the bidding procedures and conditions as well as the contractual content between the JCI Hong Kong and the bidding party of incoming National Convention. Therefore, the constitution review is necessary to make sure that the JCI Hong Kong has basis to handle the issues with legitimacy. The committee would pass this issue to constitution review committee to handle instead of SPC.

4.3 JCI Hong Kong Office
Although, as mentioned before, the renovation of JC Office provides more spacious meeting places for the LOM's BOD meeting, the dilapidation of our JC office building should be alerted. The committee suggested that JCI Hong Kong have to form an ad hoc committee to investigate the possible JC Office sites for future development.

4.4 International Participation
JCI Hong Kong shall encourage LOMs to organize "Greater Bay Area" projects, that introduced the possible business development opportunity for the members. International collaboration with sister chapters about this kind of projects may make an impact to the individuals members to deepen the understanding of the business operation and opportunity that possessed in the Mainland China and this may be one of the solutions for the youth to develop their brighter future.

4.5 Youth Forum
Recently, Hong Kong suffered the political disputes; violence and riots were occasionally happened in these 2 months. The committee would recommend more youth forum and projects in order to let the young people to voice out their thoughts and find their way out, it is a critical time for JCI Hong Kong to assist the recovery from the irrational and hostile atmosphere. I would put this topic to be discussed in Development Forum in National Convention.

5. CONCLUSION AND ACKNOWLEDGEMENT

This is my last year to serve as a SPC chairman. During this period of office, I am delighted to have my committee members, they have vision over the development of our organization. In this juncture, I would like to express my sincerest thanks to all SPC Members PNP Senator Clement Woo, PNP Senator Ken Wong, PNP Gene Tang, PNP Senator Timmy Lee MH, PNP Senator Paul Wu, PNP Senator Brian Kwan and Senate Chairman Senator Ronald Kan and of course our National President Senator Zenith Lin for their valuable time and efforts.

I am confident that our organization is the most important youth organization to allow the young members to discuss, to persuade, to convince, to analyze, to experience, to explore, to communicate for the betterment of the society. To echo the president theme of JCI, JCI and JCI Hong Kong would be a tremendous organization to cultivate the future leaders of our community.

Independent auditors' report
To the members of Junior Chamber International Hong Kong Limited
(Incorporated in Hong Kong and limited by guarantee)

Opinion

We have audited the financial statements of Junior Chamber International Hong Kong Limited set out on pages 6 to 19, which comprise the statement of financial position as at December 31, 2018, the income and expenditure account, the statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies.

In our opinion, the financial statement give a true and fair view of the financial position of the Chamber's affairs as at December 31, 2018 and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

Basis for opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial statements and auditors' report thereon

The directors are responsible for the other information. The other information comprises the information included in the directors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors and those charged with governance for the financial statements

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine are necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the director is responsible for assessing the Chamber's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the director either intend to liquidate the Company or to cease operations or have no realistic alternative but to do so.

Auditors' responsibility for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Our report is made solely to you, as a body, in accordance with section 405 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

(a) Income

Income is recognised when it is probable that the economic benefits will flow to the company and when the income can be measured reliably, on the following bases:

(e) Cash and cash equivalents

For the purpose of the statement of cash flows, cash and cash equivalents comprise cash on hand and demand deposits, and short-term highly liquid investments that are readily convertible into known amounts of cash, are subject to an insignificant risk of changes in value, and have a short maturity of generally within three months when acquired, less bank overdrafts which are repayable on demand and form an integral part of the Company's cash management.

For the purpose of the statement of financial position, cash and bank balances comprise cash on hand and at banks, including term deposits, which are not restricted as to use.

(f) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and any impairment losses. The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after items of plant and equipment have been put into operation, such as repairs and maintenance, is normally charged to the income and expenditure account in the year in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of an item of property, plant and equipment, and where the cost of the item can be measured reliably, the expenditure is capitalised as an additional cost of that asset or as a replacement.

Depreciation is calculated on the straight-line basis to write off the cost of each item of property, plant and equipment to its residual value over its estimated useful life. The principal annual rates used for this purpose are as follows:

Land	over the lease term
Building	2%
Furniture, fixtures, equipment & leasehold improvements	refer to note 6 (a)

Where parts of an item of property, plant and equipment have different useful lives, the cost of that item is allocated on a reasonable basis among the parts and each part is depreciated separately.

Residual values, useful lives and the depreciation method are reviewed, and adjusted if appropriate, at each reporting date.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on disposal or retirement recognised in the income and expenditure account in the year the asset is derecognised is the difference between the net sales proceeds and the carrying amount of the relevant asset.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(g) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If such indication exists, the Company makes an estimate of the asset's recoverable amount.

The recoverable amount of an asset is the higher of its fair value less costs to sell and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the assets. Where an asset does not generate cash inflows largely independent of those from other assets, the recoverable amount is determined for the smallest Company of assets that generates cash inflows independently (i.e., a cash-generating unit).

An impairment loss is recognised in the income and expenditure account whenever the carrying amount of an asset, or the cash-generating unit to which it belongs, exceeds its recoverable amount. The impairment loss is reversed if there has been a favourable change in the estimates used to determine the recoverable amount. A reversal of the impairment loss is limited to the asset's carrying amount that would have been determined had no impairment loss been recognised in prior years. The reversal of the impairment loss is credited to the income and expenditure account in the year in which it arises.

(h) Accounts payables

Account payables are initially measured at fair value and, after initial recognition, at amortised cost, except for short-term payables with no stated interest rate and the effect of discounting being immaterial, that are measured at their original invoice amount.

(i) Employee benefits (Pension scheme)

The Company operates a defined contribution Mandatory Provident Fund retirement benefits scheme (the "MPF Scheme") under the Mandatory Provident Fund Schemes Ordinance, for those employees who are eligible to participate in the MPF Scheme. Contributions are made based on a percentage of the employees' basic salaries and are charged to the income and expenditure account as they become payable in accordance with the rules of the MPF Scheme. The assets of the MPF Scheme are held separately from those of the Company in an independently administered fund. The Company's employer contributions vest fully with the employees when contributed into the MPF Scheme, except for the Company's employer voluntary contributions, which are refunded to the Company when the employee leaves employment prior to the contributions vesting fully in accordance with the rules of the MPF Scheme.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(j) Operating lease

The determination of whether an arrangement is, or contains a lease is based on the substance of the arrangement and requires an assessment of whether the fulfilment of the arrangement is dependent on the use of a specific asset and whether the arrangement conveys a right to use the asset.

Operating lease payments, net of any incentives received from the lessor, are recognised as an expense in the income and expenditure account on a straight-line basis over the lease terms.
