The Jaycee Creed

We believe:
That faith in God gives meaning
and purpose to human life;
That the brotherhood of man
transcends the sovereignty of nations;
That economic justice can best be won by
free man through free enterprise;
That government should be of laws
rather than of men;
That earth's great treasure
lies in human personality;
And that service to humanity
is the best work of life.

Message from Guest of Honour

For the past 44 years, the Hong Kong Junior Chamber of Commerce played an important role in promoting the well-being of young people in Hong Kong. Its impressive leadership training programmes, outstanding community service projects and extensive international youth exchange programmes helped in preparing our young people to meet the challenges ahead. I am sure that all these will continue to be provided in the best tradition of the Chamber.

On the occasion of the Hong Kong Junior Chamber of Commerce's 1995 Inaugural Ball, I extend my warm congratulations to the more than 200 prominent young people who take offices in the National Boards and Local Chapters this year. I look forward to another year of excellent work from all of you.

Michael Suen, CBE, JP,
Secretary for Home Affairs

Message from President Junior Chamber International

As the 50th President of Junior Chamber International, an ever-growing organization, it is my great pleasure and honour to extend my warmest message of greetings to President Raymond Yu and the members of the Hong Kong Junior Chamber of Commerce on the occasion of their 1995 Inaugural Ball.

We have just celebrated 50 years of service to our local communities and to people world-wide. What wonderful changes we have seen in our world in the past few years - welcoming new countries from Eastern Europe into our beloved organization, while witnessing a wall that once divided a nation come down. May we continue to grow in our kindness and charity to other countries and see true harmony everywhere. There are still so many horizons to be explored.

As we embark on our next 50 years, my presidential emphasis is to stay ***One Step Ahead*** in all our endeavours. It is important that we remain ***One Step Ahead*** in service to our communities, training, planning, communications, marketing, growth and development, and community projects. We must anticipate needs, seek solutions, and endeavour to excel in all our projects.

It is essential that we remain ***One Step Ahead*** in 1995, working together to remind the world of the importance of maintaining a healthy environment, restoring economic development, and ensuring the future of children.

Best wishes for a most successful Inaugural Ball!

One Step Ahead in 1995!

David Hide Oji
JCI President 1995

Message from Executive Vice-President Junior Chamber International

There is no difficulties to find the 3D in Hong Kong Junior Chamber of Commerce. Hong Kong Jaycees are so Dynamic, Diligent, and Distinguished. I am always proud of being one of them.

With the support of the Hong Kong Junior Chamber of Commerce, particularly 1994 National Board of Directors; members of Dragon Jaycees and my Campaign Manager, Winnie Kung, I was elected Executive Vice President of Junior Chamber International at Kobe World Congress and was assigned to Asia Pacific Area. Thanks to their support !

Facing the challenge in 1995, we shall be ready ourselves to make a big step forward for our organization - Junior Chamber International.

In the 1995 Glasgow World Congress, JCI shall adopt the report of the Strategic Planning Committee which concern JCI Five-Year Plan that will cover our organizations strategies from 1996-2000. This will definitely have a tremendous impact to the future of our organization.

It is really my great pleasure to witness this important 1995 Inaugural Ball Ceremony and I would also like to congratulate all of the National Officers and Local Chapters' Officers. Thank you for taking up the responsibilities and all your sincerity is highly appreciated.

Hong Kong is such an international city and has been facing great changes and it is indeed my hope that all of you are ready to equip yourselves well to meet the various challenges ahead and further serve our beloved organization. Finally, may I wish you all the best in your JC career !

George Lung
JCI Executive Vice President 1995

Message from Vice-President Junior Chamber International

Warm and Happy Greetings for a Bright and Hopeful New Year.

It is my pleasure to impart a few words at your auspicious occasion. I am proud to be part of you in 1995, and I take this opportunity to thank you for your trust and confidence in me.

Hong Kong Junior Chamber of Commerce has certainly marked a new milestone this year, with the numerous achievements led by your 1994 President Ronald Ho. I am proud to note that your NOM has taken the challenges positively by being actively participating in many awards, speech contest, PRIME, EXCEL, Business network, and many other programs. Your members are always in the lead or seen participating in any events. This is healthy and this is what we want in Junior Chamber. Our Organisation is full of opportunities - opportunities which can only materialise and come to life, if we, the members, take it in our hands and make use of it to the advantages of growth, development of an individual and community as a whole. We, the members, make it happen. We, the members, certainly do play an important role, and do make the difference. Only by participating and getting involved in the activities and programs, will we be able to try out our skills, learn through trials and errors, and work as a team to produce not only good work but beneficial to our society.

The JCI Creed plays a very important role in my life. I have practised it and hold it dear to my heart for a long, long time. Eventually it has become a habit of life for me. I hope that you will find the same feeling as I have in the Creed. By understanding and believing the Creed, you will be able to visualise what our Founder Henry Giessenbierr has tried to focus.

My congratulations to Ronald Ho and his team for being such a dynamic group. Do not stop now, as an NIPP, you do play another important role and I wish you all the best.

Raymond Yu and his 1995 Board of Directors a year of many successes with the golden opportunities to recap even excellent performances and of course, a step ahead in all that you do.

Happy New Year!

Teresa M Alberto
JCI Vice President 1995

Message from National President Hong Kong Junior Chamber of Commerce

"Deliver the Values, Make a Difference" is the election slogan of our 1995 Executive Committee. After the election, we have been working closely together to set the goals of 1995. It is important that we should continue to sustain those values which we have contributed to the community since our establishment. However, for an organization with a history of 45 years, we need to invigorate positive changes in ensuring the success of our mission. Those changes do not just fall on the re-engineering processes of our organization, but also challenge all the members to define their expectation and commitment as a Jaycee.

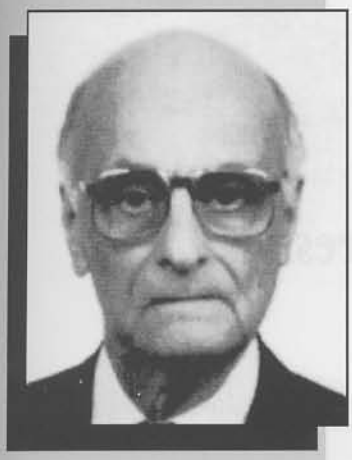

Our organization aims at providing opportunities for the young individuals to develop their leadership skills through training and participation in projects. It is absolutely important that, in 1994, we continue to grow our membership and provide high quality training programs. Our mission is not only to develop leaders for our organization, but more importantly, to groom community leaders for Hong Kong.

In 1995, we continue to use "Care for Youth, Develop our Future Leaders" as our Major Emphasis Theme. As one of those organizations supporting the Charter for Youth, I pledge the support from you, leaders and officers of the 18 Local Chapters, to focus on our young generation through implementing youth community projects. It is no doubt that we should take the leading role in increasing the public awareness on caring for youth.

I look forward to 1995 as a year of achievements, a year that you make history happen. First and foremost, we must create the strong teamwork and commitment from our members. Therefore, I am here to appeal to all of you, officers and members alike, to devote yourself to the spirit behind the Jaycee creed; and to strive for excellence in making 1995 a year of rewarding experiences.

Lastly, taking this opportunity, I would like to thank the hardwork and dedication of the Organizing Committee, the Ball Chairman S C Mok, supervisors Thomas and Jennifer; and Project Advisor Senator Eddy Wong, for making possible a very successful Inaugural Ball for all of us.

Raymond Yu
National President

Message from Hon. Life President Hong Kong Junior Chamber of Commerce

Forty-Five Years On

It is gratifying to be able to look back on forty-five years of service to the community and in the preparation of members to play their part in making Hong Kong such a successful and dynamic society.

The Hong Kong Junior Chamber of Commerce has a consistent record of civic activities over the years through a diversity of projects to improve the living conditions of the people here. The scope of these activities is most impressive and the impact on Hong Kong since the earliest days has served to encourage successive generations of members to do even more.

Jaycees started working in civic affairs soon after Hong Kong emerged from the last war. It was not the common practice then for young people to be involved in public life. But, they proved to be practical idealists. And, they set about to do their bit for common humanity here. The increasing commitment to community, betterment of Jaycees from a growing number of local chapters as the years went by, has served Hong Kong well.

In the challenging years immediately ahead and beyond this century, there will be many more opportunities for young people to work for community advancement. They must redouble their effort to attract more members and to give them leadership development opportunities for the progress of Hong Kong and the well-being of the people here.

Congratulations to all members of the Hong Kong Junior Chamber of Commerce over the many years and good wishes to the organization for the years to come.

A de O. Sales
Hon. Life President

Message from Senate Chairman National Immediate Past President

1995 marks the 45th Anniversary of the Hong Kong Junior Chamber of Commerce.

As the Senate Chairman, I will ensure that there are opportunities for our Senators, a group of respected senior members, to continue their contributions towards the Jaycee movement.

As the National Immediate Past President, I am an integral part of the 1995 National Board with particular responsibility for the Ten Outstanding Young Persons Selection and external liaison including AIESEC.

I have already seen the 1995 NOM and LOM officers working very hard bringing out their best. I observe that Hong Kong Junior Chamber of Commerce is moving quickly in the right direction and I am confident that, under President Raymond, 1995 will be another big step forward.

Best wishes for the New Year.

Ronald Ho
National Immediate Past President

Message from Trustee Chairman Hong Kong Junior Chamber of Commerce

It is always an encouraging event to witness the inauguration of a new group of leaders in the Hong Kong Junior Chamber of Commerce. They pledge to strive for better achievements in pursuance of the Jaycee Creed as they take their oath of office.

There is nothing automatic about outstanding performance in the Jaycees. It comes only when we have the right leaders, the right policies and the right programmes for the organisation to flourish. And I am confident that under the leadership of National President Raymond in 1995, our organisation should have little difficulty in meeting those criteria.

On behalf of the Board of Trustees, I send my best wishes to the Hong Kong Junior Chamber of Commerce for yet another successful year in 1995 and congratulate the outgoing administration for all the accomplishments they have made in 1994.

Andrew Wong
Chairman, Board of Trustees

Message from Long Range Planning Committee Chairman Hong Kong Junior Chamber of Commerce

Hong Kong Junior Chamber of Commerce and its member chapters are in their happy moment of swearing in their new leaders and witnessing the graduation of the last term of officers. People change, the spirit of service and leadership development does not.

This important occasion also marks a new beginning of each of the members. Through your commitment, your involvement and your action, success is certainly achieved.

May I take this opportunity to wish you all have a fruitful year in 1995.

Junia Ho
Chairman, Long Range
Planning Committee, 1993-1995

Message from Supervising Officer Hong Kong Junior Chamber of Commerce

The Hong Kong Junior Chamber of Commerce has always been one of the leading organizations in serving the community and development of leaders in Hong Kong.

In the past forty four years, our organization has organized thousands of large-scale community projects and has trained numerous prominent leaders who have taken on important leading roles in our community.

The inauguration of a new group of young leaders means that we have stepped into its forty fifth year of service and symbolizes the continuation of the missions and efforts of our predecessors and the positive development of Jaycees movements.

I would like to extend my sincere appreciation to the Organizing Committee Chairman S.C. Mok and his dedicated team members for the success of this Inaugural Ball. I would also like to extend my heartfelt thanks to National President Senator Raymond Yu, Past National President Senator Eddy Wong, and National General Legal Counsel Senator Jennifer Cheng for their valuable advice and guidance.

Last but not the least, I would like to thank you all for attending this Inaugural Ball and wishing you all have a fruitful and prosperous 1995.

Queensway Jaycees

It is my great pleasure to be with you tonight.

Jaycees is opportunities, challenges and discoveries.

5 years ago when I joined my Chapter "QJC", I could not imagine that one day I would serve the Chapter as the President of which this opportunity was kindly offered by my dear members.

I have always regarded that the most important asset in my Jaycees life is the members. They are the body, energy and strength of the Chapter which will contribute to the success of my Presidency.

Again, I would like to give my many thanks to all members for all their support and trust in me and I would like to tell them that "I do appreciate their beliefs, their confidence and the team spirit among them in the Chapter."

1995 should be a "Year Full of Fun" for QJC because:

- QJC is Action.
- Action is Involvement.
- Involvement is Fun.

Our main priorities in QJC for next year will be aimed:

1. To establish a good atmosphere and good communications among all members.
2. To develop training activities.
3. To develop community projects.

Finally I wish to again speak out my heartfelt feeling to all Hong Kong Jaycees:

My Heart is QJC.
My Pride is Hong Kong Jaycees.

History of
The Hong Kong Junior Chamber of Commerce

The Jaycees Movement reached Hong Kong in 1949, when a Philippine Jaycee John Ng who was the Special Liaison Officer of the JCI 5th Congress and was charge with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former Director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as convener of the Organising Committee, Mr. Austin Coates from Hong Kong Government, then as Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

The tempo of laying the foundation of the Chamber was further stepped up when Mr. Ramon V. Del Rosario, the JCI VicePresident for Asia, offered to recommend prompt recognition of the Hong Kong's Jaycee membership status. He also invited the Organizing Committee to send observers to Manila to attend the JCI 5th Congress. On March 21, 1950, a sponsor meeting was called to receive the report of the return observers from Manila. The account of their vivid experience gave Hong Kong a deeper insight into Jaycee movement. A week later the Provisional Constitution which had been in the making during the previous three months was adopted. Finally, on April 6, 1950, the Inaugural General Meeting of the Hong Kong Junior Chamber of Commerce was held and the first Board of Directors was elected. Junior Chamber International

CURRENT FACTS

NAME: Junior Chamber International (JCI)the name was changed from the previous Jaycees International to the above name in the Sydney Congress in 1988 is a worldwide association of young people between the ages of 21 and 40, which welcome all nationalities, races and religions.

MEMBERSHIP: Over 400,000 in nearly 13,000 communities throughout more than 80 member nations.

PURPOSES: The purposes of the Jaycees,as outlined in the JCI Constitution, are "to contribute to the advancement of the glocal community by providing the opportunity for young people to develop the leadership skills,social responsibility and fellowship necessary to create positive change".

HISTORY: The organization founded in St.Louis,Missouri,U.S.A.by Henry Giessenbier on October 13,1915.His idea spread and on December 11,1944 representatives from eight nations met in Mexico City and world organization Jaycees International (JCI) was founded.

HEADQUARTER: The Junior Chamber International (JCI)Secretariat is located in Coral Gables,Florida,U.S.A. Staff of 35 provides bilingual membership and development services to its Local and National Organization Members. Its chief administrative officer is the Secretary General Benny Ellerbe.

THEME: Each year,Junior Chamber International adopts a major emphasis theme program which is implemented on a worldwide basis.The theme that is selected relates to a major problem or problems with universal significance.In this theme program,members can select from a mumber of specific projects that are most relevant to the needs of their respective communities.

The theme adopted for 1992-1996 is"The Age of Global Citizenship" with the subthemes of Economic Development,the Future of Children, and the Environment.Without a favourable economic environment, individuals,companies and governments cannot guarantee education and health for our children. With economic growth means more pollution,the very future of our children becomes bleak.Children are both the reason for,and the key to,the protection of earth's environments.A new,better world depends on global thinking today, action throughout all levels of society today. We are to secure the fate of our environment.

AREA OF OPPORTUNITY: This concept promotes the adoption, by national and local organizations, of a balanced program of activities which will offer the membership individual, management, community and international opportunities. In 1994 at the JCI Kobe World Congress, the fifth opportunity, Business, was being adopted.

RIGHTS OF THE CHILD: JCI recognizes and supports the United Nation Declaration of"the Rights of the Child."In 1979,Jaycees throughout the world conducted programs which directly affected the lives of more than eleven million children.In 1982 and subsequent years,national and local organizations have and will conduct permanent and continuing programs to assist with providing for the basic needs for children as set out in the Declaration.

ANNUAL MEETING: The 50th World Congress will be held in Glasgow, United Kingdom.

Your Images Can Perform Like Never Before With The KODAK Pro Photo CD System

Photo CD technology from Kodak is nothing less than this century's greatest innovation in photography. Already, it's bringing sweeping change and progress to a multitude of industries and professions.

The reason is simple. Traditional silver halide film is the optimal medium for *capturing* an image...but as long as the image *remains* on film, the applications are limited. However, once that image is digitized using the KODAK Pro Photo CD System, and stored as a "digital negative" on a KODAK Photo CD disc, a myriad of new applications unfold.

Professional photographers can output unlimited hard copy prints or transparencies at a quality level identical to that of the original scan. They can also create on-disc portfolios of their work.

High-end and desktop publishers of photographic images can use ultra-high-resolution KODAK Photo CD scans as an economical alternative to drum scans.

News publications and press agencies can transmit digitized images around the world via telecommunications systems—making them available for publication almost instantly!

Schools and universities can create educational multimedia presentations on disc, to provide students with fully interactive, self-paced learning experiences.

Museums can rely on KODAK Photo CD for high-volume archiving of photo records of their holdings. KODAK Photo CD kiosks can let patrons view works not currently displayed, plus, museums can share their collections with each other on KODAK Photo CD.

Business and industry can use KODAK Photo CD for on-disc sales presentations, trade show displays, training, and many other applications.

Advertising agencies can use photo CD technology to incorporate images directly into page layouts. Images can also be manipulated and enhanced in-house, then provided on disc as direct input to prepress.

These are just a few examples of how photo CD technology from Kodak is driving the digital revolution. Put it to work for you...and watch your images come to life in exciting new ways!
