GUEST OF HONOUR

MR. A. de. O. SALES C.B.E., J.P.

HONORARY LIFE PRESIDENT
HONG KONG JUNIOR CHAMBER

MESSAGE FROM THE GUEST OF HONOUR

MESSAGE

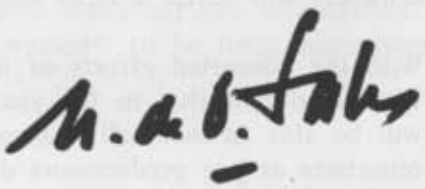

There is a change of leadership everywhere in the Jaycee world when a new year starts. This is good practice. A new group takes over. They put in turn their time and thought, energy and dedication to good purpose in the service of their community just as others had done before them. Just as surely, too, they develop their own ability and personality and they make friends as well.

All credit is due to the outgoing President and his administration for their significant achievements. Hong Kong can be proud of what they did at the national and local levels in 1981.

But, something new and more may be expected each year. This is as it should be. It happens worldwide. For, the new President and his members are committed to do their best, come what may.

They will make their mark also. Hong Kong will be all the better for the community work which a thousand young persons pledge to do.

May the Hong Kong Junior Chamber fare well in 1982.

A. de O. Sales
Hon. Life President
Hong Kong Jaycees.

MESSAGE FROM NATIONAL PRESIDENT

MESSAGE

The Jaycee ideal is founded on the firm belief in global brotherhood, individual development, economic justice and service to humanity – principles that are well embodied in our Creed. We translate our belief in projects and programs that fit the needs of our community, thus enabling us to stand out as an unique organisation for the young people of the world.

Over the past years, the Hong Kong Junior Chamber of Commerce has achieved a very impressive record of performance which helped mould a Hong Kong Jaycee image in civic-mindedness, propensity for leadership training and selflessness in fellowship. We owe this to the capable leadership and continued efforts of our predecessors.

With such solid foundation laid for us, we shall keep up the good spirit and search for new challenges. 1982 is not and cannot be just another Jaycee year. It is a year that offers more challenges to Jaycees in the field of community service and leadership training. It is a year in which we are to uphold the Jaycee ideal and uplift the Jaycee image. To achieve all these, we shall strive for membership growth, ensure that the public identifies the Jaycees with the principles of the organisation, provide effective and adequate training for officers and members, implement broad-based incentive scheme to recognise achievers and foster a close and harmonious relationship among chapters and members.

With the concerted efforts of the National Board and the co-operation of all the chapters, I am confident that in the year ahead, the Hong Kong Junior Chamber of Commerce will be able to meet all challenges, make achievements at higher levels and fulfill our objectives as our predecessors did in past years.

Jaycees and Jayceettes, let's join hands and work together towards the ideals of Jayceeism, and make our involvement in 1982 a memorable part of life of which we shall be proud of.

Andrew Wong
National President 1982

MESSAGE FROM NATIONAL IPP AND SENATE CHAIRMAN

MESSAGE

It gives me great pleasure to write this message of greetings on the occasion of the 1982 Inauguration of the Hong Kong Junior Chamber of Commerce and its thirteen Chapters.

When the members of the National and Chapter Boards take oath to their respective offices, they are taking upon them a trust with the beneficiaries in all the thousand individual members of Hong Kong Jaycees. Though unwritten, the trust states that these officers will faithfully uphold the ideals of the Jaycee Creed for the well being of our members and in keeping up our common desire to serve the community we live in and the global mankind at large.

A new Jaycee administration always inspires new hopes and challenges. The hopes that you, the officers, with the support of your members, will achieve a lot more than your predecessors. The challenges that you conquer the problems that are constantly growing in a progressing community.

The Hong Kong Jaycee Senate wishes also to renew our ever ready support and advices in order that the 1982 administration makes glorious achievements to be long remembered in our organisation.

Edmond Pang
National Immediate Past President
& Senate Chairman

MESSAGE FROM TRUSTEE CHAIRMAN

MESSAGE

As we witness yet another dignified swearing-in ceremony of the 1982 National and Local Officers of the Hong Kong Junior Chamber of Commerce, we cannot help but be awed by the greatness, gratified by the success and humbled by the ideals of our beloved Organization.

Your achievements last year were outstanding and the Board of Trustees will continue to lend its support to your continuing efforts in serving the community as well as breeding leaders of tomorrow.

On behalf of the elected members of the Trust Board, Senator Y.K. Chan, Senator Benjamin Wong and Senator T.H. Barma, I wish the Hong Kong Jaycees another banner year under the capable leadership of President Andrew Wong and his energetic Board of Directors.

Peter C. Tsang
February, 1982.

MESSAGE FROM JCI PRESIDENT

MESSAGE OF GREETING

I am pleased to have the opportunity of sending my best wishes to the Hong Kong Jaycees.

The celebration of an Inaugural Ball provides the opportunity to reflect on past acheivements, to renew old friendships, and to remind members and the community of the continuing value of our organization. In addition, it is an occasion for looking forward and resolving to take on new challenges.

As you gather together, I ask you to concentrate on the challenges that face the Jaycee movement in the rapidly changing world of today.

While you have achieved a great deal, you will realize that there is still a great deal to be done. There are still many young people in the community who are not enjoying the opportunities and benefits of Jaycee membership. Instill in them the spirit of economic justice, of service to the community, and of the brotherhood of man – principles that are so well embodied in our Creed.

I would also challenge you to become more aware of the pressing issues of the world today. I firmly believe that as a JCI member you have already taken a positive step toward providing leadership in your respective community, country, or perhaps the entire world. As a world-wide leadership development organization of young people, it is imperative that we constantly strive to better understand the wide range of complex issues facing our entire world community. World peace and understanding through cooperation of the North and South is paramount amongst those issues. Education and training will help us better understand the issues. Our involvement in JCI will better prepare us to accept the responsibility of leadership. Each of you can play a role by involvement and sharing your ideas with others.

As JCI President, I congratulate you on your past successes, hope that your current activities will be enjoyable, and wish you all the very best for the future.

Barry L. Kennedy

It is indeed a pleasure sending this message of greeting on the occasion of your inauguration ceremony.

You are now facing a year of opportunities for you as individuals and officers but also for your fellow Jaycees and citizens of your community.
It is a big responsibility to further develop your community, the Jaycees and yourself. However, with your dedication and positive attitude to create a better organisation and world through individual development I am convinced that 1982 will be an outstanding year in the history of Hong Kong Junior Chamber.

I really look forward to work with you during 1982 and wish you all good luck and a succesful 1982.

MESSAGE FROM JCI VICE PRESIDENT

MESSAGE

It is with sincere pleasure that I greet and congratulate the newly elected officers of the Hong Kong Junior Chamber of Commerce and the Local Chapters on this memorable occasion of their assumption of office. I am very happy to be assigned to your NOM, so that we can work together this year.

The year just passed was a successful one for your organization. Undoubtedly, it reached new highlights in its achievements, both for the organization and the community it is sworn to serve. The winning of JCI awards was a high honor for your members and your successful effort has been recognized by Jaycees all over the world. This year is another challenging year for the Hong Kong Junior Chamber of Commerce. It will see us aspiring to become more deeply involved in the affairs of the community and the people. It is important to cooperate with each other in order to be a solid organization and to fully support the new Board led by President, Andrew Wong, who is an excellent leader. I am confident that, as in the past, the Hong Kong Junior Chamber of Commerce, with its new set of officers, will continue to live up to the expectations of the community.

It would be a distinct privilege on my part to be of service to all chapters in Hong Kong. I therefore look forward to working with you on any and all aspects that would contribute to the future development of the organization and the community we are all committed to serve.

Again, my sincere congratulations,

Masar Kao,

HONG KONG JAYCEES HISTORY

The Jaycee Movement reached Hong Kong in 1949, when a Philippine Jaycee John Ng who was the Special Liasion Officer of the JCI 5th Congress and was charged with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young business-men. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of the Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as convenor of the organizing committee. Mr. Austin Coates from Hong Kong Government, then an Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

The tempo of laying the foundation of the Chamber was further stepped up when in Ramon V. Del Rosario, the JCI Vice-President for Asia, offered to recommend prompt recognition of the Hong Kong's Jaycee membership status. He also invited the Organizing Committee to send observers to Manila to attend the JCI 5th Congress. On 21st March, 1950, a sponsors' meeting was called to receive the report of the return observers from Manila. The account of their vivid experience gave Hong Kong a deeper insight into Jaycee movement. A week later, the Provisional Constitution which had been in the making during the previous three months was adopted. Finally, on 6th April, 1950, the Inaugural General Meeting of the Hong Kong Junior Chamber of Commerce was held and the first Board of Directors was elected. One month thence, on 6th May, 1950, The Chamber was inaugurated by Mr. Roberto Vilanueva, the JCI Vice-President for Asia. Thus, The Hong Kong Junior Chamber of Commerce was born.

1965 - The Kowloon Junior Chamber was formed and the then existing members of Hong Kong Junior Chamber of Commerce later called themselves Victoria Junior Chamber. Hong Kong Junior Chamber of Commerce then became the National Organization consisting of two LOMs as mentioned above.

Jaycees International/JCI

"A worldwide leadership development organization"

CURRENT FACTS

NAME: Jaycees International (JCI) is a worldwide association of young people between the ages of 18 and 40, which welcomes all nationalities, races and religions.

MEMBERSHIP: Close to 500,000 in nearly 13,000 communities throughout 75 member nations.

PURPOSES: The purposes of the Jaycees, as outlined in the JCI Constitution, are to "contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility and fellowship necessary to create positive change."

HISTORY: The organization was founded in St. Louis, Missouri, U.S.A. by Henry Giessenbier on October 13, 1915. His idea spread and on December 11, 1944, representatives from eight nations met in Mexico City and the world organization - Jaycees International (JCI) was founded.

1982 PRESIDENT: Barry L. Kennedy, of Pawnee City, Nebraska, U.S.A.

THEME: Each Year, Jaycees International adopts a major emphasis theme program which is implemented on a worldwide basis. The theme that is selected relates to a major problem or problems with universal significance. In this theme program members can select from a number of specific projects that are most relevant to the needs of their respective communities.

The theme program adopted for 1982 is NORTH-SOUTH COOPERATION. It is somewhat unique for an organization like Jaycees International to become so involved in such an enormous issue, but, as a leadership training organization, it has the responsibility of directing this leadership and community initiative into a program that is based on the search for a better world balance and ultimately world peace.

AREAS OF OPPORTUNITY: This concept promotes the adoption, by national and local organizations, of a balanced program of activities which will offer the membership: individual, management, community and international opportunities.

RIGHTS OF THE CHILD: JCI recognizes and supports the United Nations Declaration of the Rights of the Child. In 1979, Jaycees throughout the world conducted programs which directly affected the lives of more than eleven million children. In 1982 and subsequent years, national and local Jaycee organizations will conduct permanent and continuing programs to assist with providing for the basic needs for children as set out in the Declaration.

OFFICIAL PUBLICATION: JCI WORLD, printed quarterly in English, French, Japanese, Spanish, Chinese and Korean, with a worldwide circulation of nearly 500,000.

ANNUAL MEETING: The XXXVII JCI World Congress will be held in Seoul, Korea, from November 7-13, 1982.

MESSAGE FROM VICTORIA JAYCEES PRESIDENT

MESSAGE

Like every year, the Inaugural Ball marks the official beginning of yet another new Management of both the National Board and the LOMs. It also means a new page of ever exciting challenges and greater responsibilities.

We Victoria Jaycees extend our sincerest welcome to such an opportunity to be able to work hand in hand with the National Board and all other brother and sister Chapters, through which to help fulfilling the achievement for Hong Kong as a successful NOM in 1982, and at the same time, to provide our members with an invaluable experience – an opportunity to learn, to be trained, and to be successful. More importantly, to achieve these successes through working harmoniously with other Jaycees.

May we wish, and invite your support, to endeavour to make such a wish a reality.

MESSAGE FROM ISLAND JAYCEES PRESIDENT

MESSAGE

Jaycees is an organization which young people voluntarily join to realize their best selves through carrying out projects for the betterment of their Society.

Therefore while Jaycees do not gain any monetary benefits from the Movement, there are non-monetary treasures which they can; and do, explore.

It is disheartening to see some Jaycees taking up posts without doing the best they can in fulfilling the requirements of the jobs by using the common excuse that "after all, Jaycees is a voluntary organization". In this way, I believe, they are not giving the Organization a fair deal.

It is my hope that all members of the 1982 NOM and LOM Boards of Management will devote as much to the Organization as they do to their bread earning jobs.

MESSAGE FROM HONG KONG JAYCEETTES PRESIDENT

MESSAGE

In every annual inauguration of the Hong Kong Junior Chamber of Commerce, office bearers of the National and Local Chapters would gather together to swear in, making an oath to serve the Junior Chamber as a whole. Without exception, the officers of the Hong Kong Jayceettes, bearing in mind our motto of the year 1982 – Activation, Innovation and Dedication – would make a vow to up keep the name of the Hong Kong Junior Chamber of Commerce, to project the good image of the Hong Kong Jayceettes, and to serve the community at large.

On behalf of this year Board of Directors of the Hong Kong Jayceettes, I wish all NOM & LOM Officers a challenging and sucessful year in 1982.

MESSAGE FROM LION ROCK JAYCEES PRESIDENT

MESSAGE

The installation of new officers has become an inseverable part of the Inauguarable Ball of the Hong Kong Junior Chamber of Commerce. While it is so easy during the ceremony to pledge that we believe in every word of the Jaycee Creed, yet it is not at all easy to put it into practice. While sending my warmest congratulation to all the office bearers on behalf of all the members of the Lion Rock Jaycees, I also wish to take this opportunity to wish them the best of luck throughout the whole year.

May God bless you !

MESSAGE FROM
TAI PING SHAN JAYCEES PRESIDENT

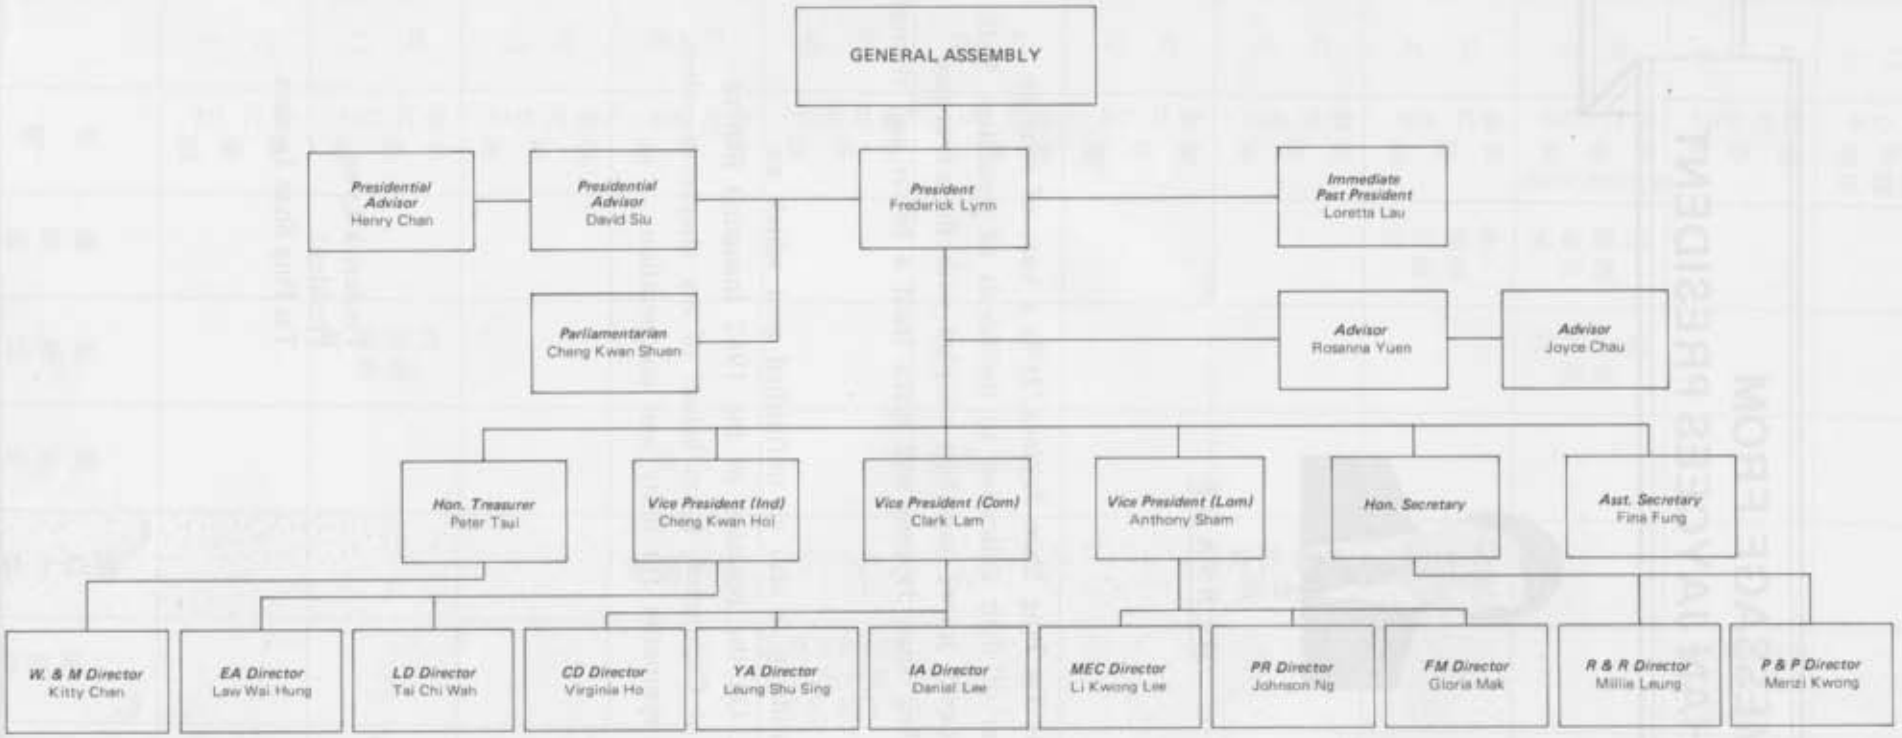

MESSAGE

1982 bears special significance for Tai Ping Shan Jaycees. It is a year of reunion of our senior members and a year of their delication to the ideals of jayceeism. With the enthusiasm of many of our newly joined members coupled with the expertised knowledge of their seniors, Tai Ping Shan Jaycees will make itself a better and stronger chapter in 1982.

Strengthening of inter-chapter friendship is also an unfinished goal which we anticipate to accomplish in 1982. On the occasion of the 1982 Inaugural Ball of the Hong Kong Junior Chamber of Commerce; I, on behalf of my chapter members, extend to all of you our sincere sympathy for unity and co-operation.

MESSAGE FROM BAUHINIA JAYCEES PRESIDENT

MESSAGE

Every year, the Inaugural Ball marks the beginning of office of a new Jaycee administration. This year, the Inauguration will undoubtedly be a most memorable one as it is the year in which as many as thirteen LOMs exist in sharing the same ideas of Jayceeism.

On behalf of the Bauhinia Jaycees, I pledge our whole-hearted support and co-operation to the newly elected National Board, and every officer of each chapter, for all their efforts to achieve a noteable contribution to the progress and development of our community.

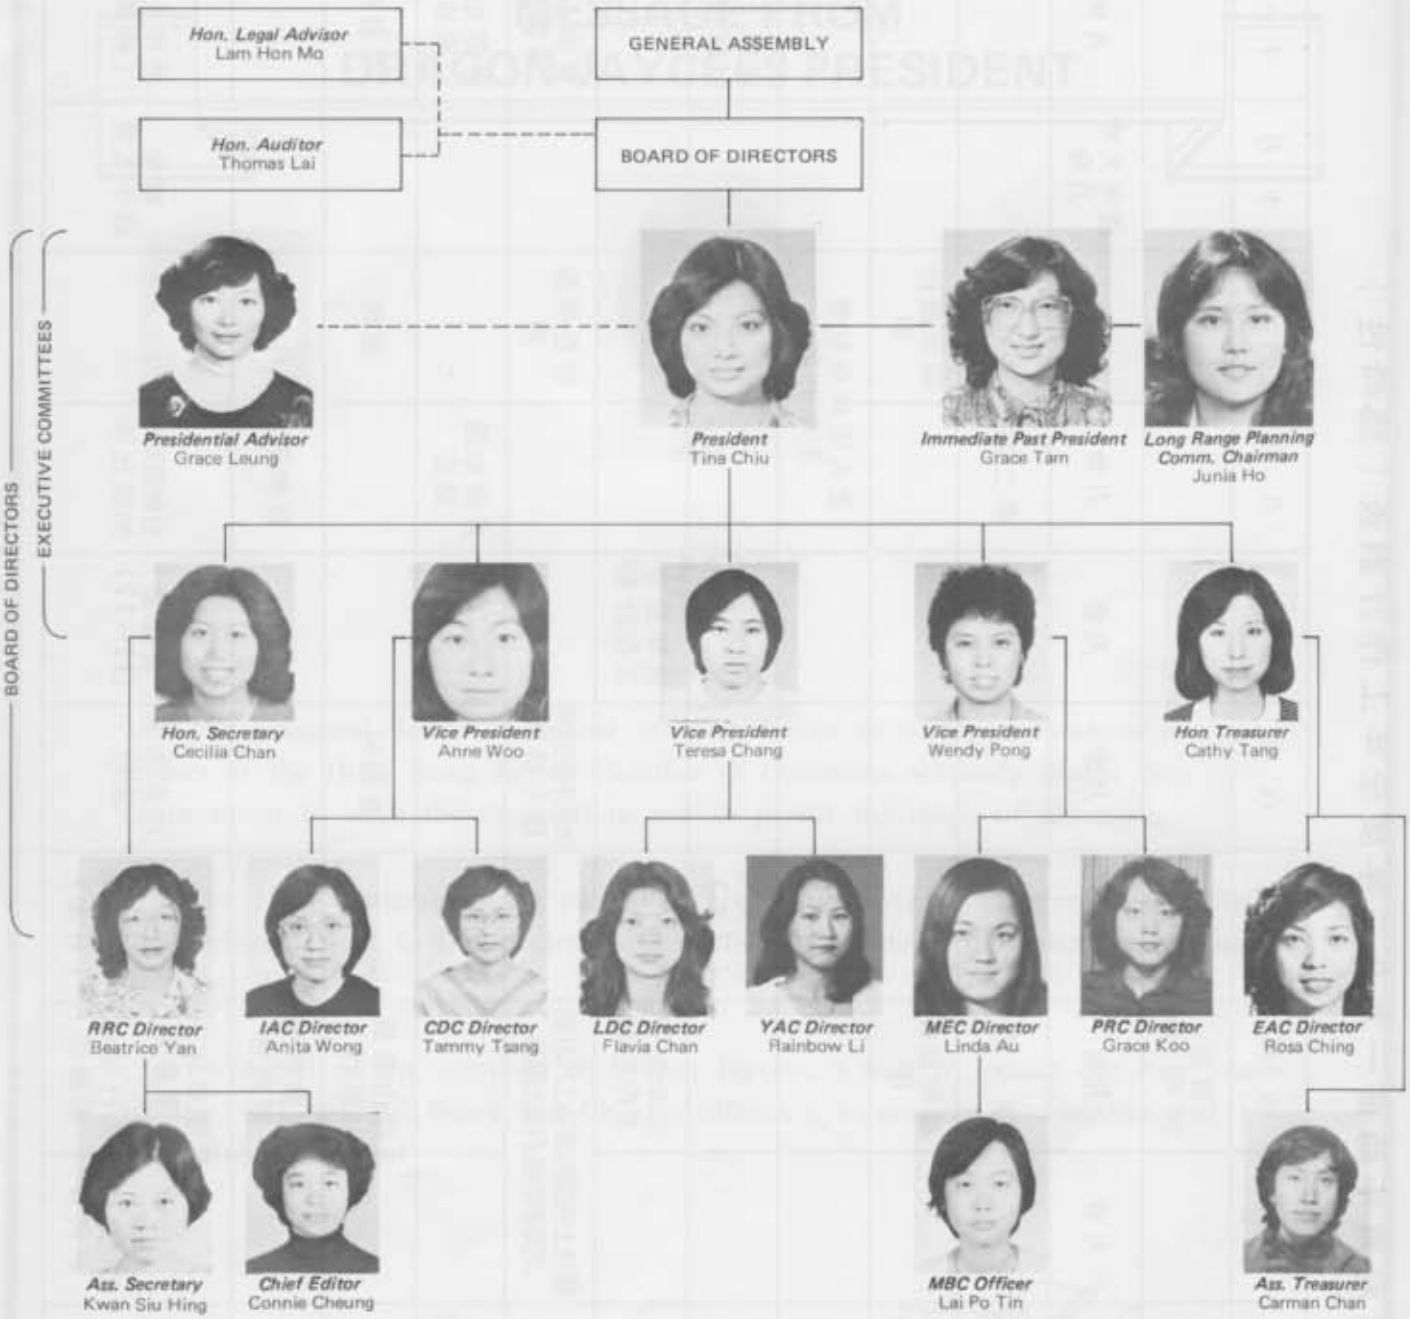

With sincere enthusiasm of all Jaycees, we are sure that throughout this year, peace and harmony between NOMs and LOMs can be maintained and achieved.

Finally, may I wish all of you good health, happiness and prosperity in the days to come.

轟動醫學界美容界最先進的儀器

DR. P. ALLEGRE在法國聖路易醫院皮膚專科治療部門專心研究有關治療暗瘡，面疹，膿泡，酒米，粉刺及問題皮膚等問題，終於發現凡有問題的皮膚都不能用含有酒精，硫磺及酸性的液體去治療皮膚，用後將會帶來很多問題，它能使皮膚更加敏感，乾固，脫皮，同時形成皮膚增厚及紅色的瘀塊於面上。

經過一班皮膚專家細心研究之下，利用最先進的儀器配合 DR. RENE' GUINOT 所發明的高級美容醫藥護膚品，所有護膚品均不油膩的此項特別的治療稱爲含水氫氧治療法及芬芳療法兩種，此項治療曾轟動國際美容界，醫學界及荷里活等，已於一九八一年七月在港面世，爲各界人仕服務。
