CONVENTION LOGO

THEME: Aged we care, Treasure we share

The above logo symbolizes an old person with a walking stick or simply sitting on a wheelchair. The wrinkles on the head are lines of seniority and rich experiences of the elderly. The design of the logo is such that one can visualize the alphabet 'J' and 'C', which represents the 'Jaycees'.

The 13 lines on the 'C' are the 13 local chapters which constitutes the Jaycees family in Hong Kong who are looking after the treasure we possess.

THE JAYCEE CREED

We believe:
That faith in God gives meaning
and purpose to human life;
That the brotherhood of man
transcends the sovereignty of nations;
That economic justice can best be won
by free man through free enterprise;
That government should be of laws
rather than of men;
That earth's great treasure
lies in human personality;
And that service to humanity
is the best work of life.

FOREWORD

The Major Emphasis Theme for the Hong Kong Junior Chamber of Commerce this year is "Aged Our Concern". In response to this theme most of our chapters have launched meaningful community projects to arouse the awareness of the need to care for the elderly people.

We have chosen the Convention Theme "AGED WE CARE, TREASURE WE SHARE", which is in line with the theme of the Hong Kong Junior Chamber of Commerce this year, so that we can re-enforce the Jaycees concern for the Aged.

We would like to thank Mr. I.F.C. Macpherson, Secretary for City & NT Administration to be our Guest of Honour at the Opening Ceremony; our Patron, Madam Leung Sing Tak, JP; distinguished guest speakers at our Seminars; generous sponsors; and advertisers who have helped to make this convention possible.

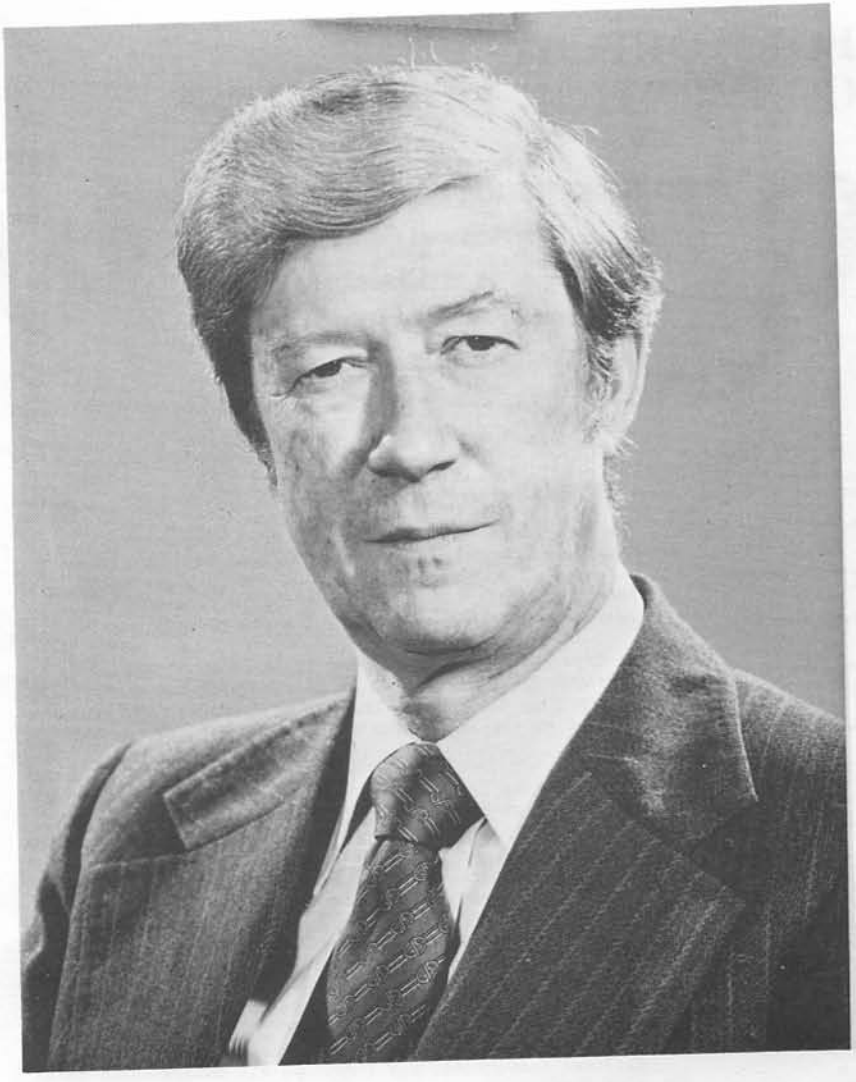

The preparation of this convention started in August, and I would like to express my sincere appreciation to all members of the Hong Kong Jayceettes for devoting their time and effort to make this convention a reality.

On behalf of the organizing committee of the 17th National Convention, may I welcome all delegates to this 17th National Convention, and we are confident that this will be an enjoyable and memorable convention hosted by the Hong Kong Jayceettes.

Nora Cheng
Convention Directress
17th National Convention

GUEST OF HONOUR

THE HON I.F.C. MACPHERSON

SECRETARY FOR CITY & NT ADMINISTRATION

MESSAGE FROM GUEST OF HONOUR

5th August, 1982

I admire your Chamber for its fine tradition of serving the community and offering an excellent opportunity for young executives to develop their individual ability and leadership potentials.

I also give my full support to the theme "Aged - We Care, Treasure - We Share" for the 17th National Convention. We need to care about and respect the aged who have contributed so much to the prosperity of our community; and we need to drive home to younger people such a message.

I wish the coming Convention every success.

(I. F. C. Macpherson)
Secretary for City & NT Administration

MESSAGE OF GREETING

It is with great pleasure I am sending this Message of Greeting to all the delegates on the occasion of your National Convention.

A National Convention is of big importance. Your attendance and participation provide the opportunity to review past achievements, to evaluate performance, to renew old friendship and to remind members of the continuing value of our organization.

This will then build the platform to plan the year ahead, to set up new goals, striving for a more dynamic and stronger Jaycee organization and also for a better society to live in.

In closing my special thanks goes to President Andrew Wong and his Board of Directors for an outstanding work resulting in an improved and strengthened Jaycee organization.

MESSAGE FROM HON. LIFE PRESIDENT HONG KONG JAYCEES

Message

There is perhaps no more significant occasion in the year than the National Convention of the Junior Chamber. It has many sides to the good that it does. Members come together to review the collective achievements and to examine also the failures if any. They exchange experiences in the process and then together they chart a new course for the ensuing year. They elect their leaders to take them to new heights of success.

The Junior Chamber has done much for the community consistently over the years. Yet, the young men and women who make up its membership set new standards each year. They build on what has gone on before by their work and dedication, their vision and commitment, their local contacts and international connections.

Congratulations are due to the President and the Board of Directors and to all the many officers, directors and members of the chapters whose tremendous activities together make the Junior Chamber the powerful force for community betterment here.

MESSAGE

A National Convention is there for many purposes. Deliberations, evaluations, recognitions, elections and fellowship. But most important of all, it provides an opportunity for all members of the Hong Kong Junior Chamber of Commerce to express our views and exchange ideas in the interest of a better organisation. To a large extent, the continuing development of our organisation and the upkeeping of our consistent impact on the community depend very much on the unique style, dedication and involvement we demonstrate in the National Convention.

Every delegate must therefore be prepared to participate actively in the entire Convention program and make a positive contribution in the course of reviewing past performances and formulating future objectives. By so doing, our organisation can be assured of greater achievements in the year to come.

"Aged We Care, Treasure We Share" has been well chosen as the theme of this Convention, thus corresponding with the major field of community work the Hong Kong Jaycees emphasize this year.

I wish all delegates of the 17th National Convention a fruitful and memorable participation. To the hosting chapter, the Jayceettes, I send you my special thanks for taking up the task of organising one of the most successful Conventions everheld.

Message

Once again, it is time for all members of Hong Kong Jaycees to meet in National Convention.

This invaluable occasion should be taken as one for the exchange of frank and friendly opinion on what we have achieved or failed to achieve during the last 10 months. It is also the avenue in which we elect officers and help them set the most appropriate course for our organization for the ensuing year.

I wish every delegate a most enjoyable Convention and congratulate the Hong Kong Jayceettes and Convention Director , Senator Nora, for organising this Convention which promises well for a successful one.

I also send my forward congratulations to our leaders for next year who will be elected during the Closing General Assembly.

REPORT TO THE GENERAL ASSEMBLY OF 17TH NATIONAL CONVENTION FROM NATIONAL PRESIDENT - ANDREW WONG

As National President of Hong Kong Junior Chamber of Commerce for the year 1982, I would like to present my report as follows:-

I. MAJOR OBJECTIVES FOR THE YEAR

1. GROWTH IN MEMBERSHIP - To strive for membership growth of 15%.

   Actions Taken

   a. LOMs were encouraged to commit themselves to achieving the minimum membership target set by themselves.

   b. A Special Growth Seminar was held promoting growth and retention techniques to all LOMs.

   c. Incentives for growth and retention have been established and incorporated in the Presidential Incentive Program to stimualte and recognise achievements in those areas.

   d. Various opportunities for recruitment have been fully ultilized. e.g. Press Supplement of Jaycee week, press conferences, Youth Voyage written test.

   e. A Membership Growth Committee headed by ME Director has been monitoring the growth and development of organisation, with particular emphasis on recruiting new members.

   f. Orientations in large companies and organisations are being arranged.

2. IMAGE IN COMMUNITY - To ensure that the public identifies the Jaycees with the ideals and principles of the organisation.

   Actions Taken

   a. Large-scaled Public Relation and Community projects such as the Jaycee Week and TOYP Selection through which the image of Jaycee could be projected in the public were again launched.

b. LOMs were encouraged to organise joint projects with Government and other organisations.

c. LOMs were encouraged to have their projects and activities substantially publicised through mass media.

d. The ideals and work of Jaycees were promoted every time when we had the opportunity to do so. e.g. during my interview with two periodicals.

e. A total of eight Jaycee members, past and present, came out as candidates in the Urban Area District Board Election in September. That indeed was a good move demonstrating Jaycees' dedication to serve the community, and the National Board had passed a resolution at the August Board Meeting to give support to those candidates.

3. TRAINING - To provide effective and adequate training for NOM and LOM officers and members.

Actions Taken

a. Three members, namely, Emily Auw, C.K. Tang and Joseph Pang were sent to the JCI Training For Trainers Course held prior to the Miyazaki Conference.

b. The JC Quiz which aimed at developing interest of general members in basic knowledge of the organisation was launched.

d. A cassette tape presenting the parliamentary procedures through a play is being developed.

c. Professionals outside Jaycee circle were invited to present topics in leadership, public relations etc.

e. The NOM Training For Trainers Course has been scheduled to take place in November, exhibiting a variety of training techniques.

f. More adequate training will be provided to candidates at the NOM officers Training School.

4. RECOGNITION OF ACHIEVERS - To implement broad-based incentive scheme to recognise achievers in different aspects of activities.

Actions Taken

a. More awards have been created in the Awards Program.

b. The Presidential Incentive Program which was supportive of the Awards Program was implemented to recognise achievements in the areas of growth and retention, image in community, internationsli and harmony.

c. Articles introducing projects or members recognised have been arranged in Harbour Lights.

d. 'Who's Who in Hong Kong Jaycees' is being published to introduce to the public our distinguished members.

5. HARMONY IN THE ORGANISATION - To bring together all LOMs and members to enable them to co-operate with each other in the spirit of understanding, friendship and mutual respect.

Actions Taken

a. LOMs were encouraged to organise more joint projects with other LOMs.

b. Fellowship and sport activities were co-ordinated among LOMs.

c. Members from different LOMs were recruited in the organising committees of NOM projects.

d. The NOM adopted a fair and unbiased attitude in handling matters in which interests of different LOMs conflict, as it should always do.

Management	- Emily Auw (PR & ME)
Community	- C. K. Tang (CD, EA, YA & Theme)

The 3 National Vice Presidents directly supervised their National Directors who in turn co-ordinated with LOM Directors responsible for the respective area of work.

Apart from being in charge of the area of opportunities assigned to them, the 3 National Vice Presidents were also assigned to look after the development of 4/5 LOMs as follows:

C. K. Tang - Victoria/Jayceettes/Lion Rock/Harbour/City
Junia Ho - Island/Peninsula/Tai Ping Shan/Dragon
Emily Auw - Kowloon/Yuen Long/Bauhinia/East Kowloon

The National Secretary General supervised the Chamber Office Manager, Harbour Lights Editor, Administrative Officer, and was in charge of the management and paid staff of the Chamber Office.

The Hon. Treasurer has been responsible for the NOM financial matters and also supervised the Inaugural Ball which served also as a NOM Activities Fund raising project.

C. Administration

1. Having been successful for the last two years in the changed administration measures, the following continued to be adopted:-

   - The National Board of Directors composed only of the National Executive Committee plus the National Directors.

   - National Board of Directors met monthly.

   - LOM Presidents were invited to attend quarterly National Board Meetings and present reports of their LOM activities.

2. The 1982 Policy Manual was adopted at an EGM at the beginning of the year. Additions and variations to constitutional requirements were made in this manual so that the maximum efficiency of NOM administration can be achieved.

3. A close communication between NOM officers and LOM Presidents has always been maintained to ensure proper and speedy channelling of information to persons concerned.

4. LOM Secretaries Meeting and LOM Directors Meeting were convened quarterly with NOM Officers presiding in order to better co-ordinate the efforts of different levels.

D. Meetings

1. NOM Executive Committee Meetings were held to discuss matters within the scope, responsibility and authority of the Executive Committee of the NOM on every third Monday of the month.

2. NOM Board Meetings were held to discuss the administration activities and progress of the Hong Kong Junior Chamber of Commerce on every first Monday of the month. LOM Presidents were welcomed to attend.

3. At the Quarterly NOM Board Meetings, all LOM Presidents were invited to attend. It was during these quarterly meetings that reports were received from all LOM Presidents on their chapter activities for the quarter, so that information could be exchanged and co-ordination ensured.

4. So far, 4 EGMs were convened for the following purposes:

   a. Jan. 18 - to waive constitutional requirements in respect of caucus session, candidates training school and nomination deadline in the election of National Officers for positions vacant at that time.

   b. Feb. 6 - to elect National Officers for positions vacant.

   c. Mar.15 - to adopt the 1982 Policy Manual and the Major Emphasis Theme.

   d. Aug. 9 - to waive constitutional requirement in respect of candidates training school so that more adequate training could be provided for candidates running for 1983 NOM positions.

E. Normalization fo Corporate Matters

With last year's adoption of the long outstanding accounts of 1978 and 1979, our compliance with statutory requirements, as far as accounts were concerned, has been brought to the right track. It followed that we should have our Memorandum and Articles of Association and By-laws, as amended since 1974, properly registere with the Companies Registry. In this connection, NIPP Edmond has been appointed by the National Board to handle the matter. Some progress has since been made.

III. FINANCE

1. Budgets for the Administration and Project Funds were prepared and approved at the beginning of the year and regular reviews were made during the year.

2. National dues were collected quarterly from LOMs on the basis of membership declarations made at the Quarterly Board Meetings.

3. The Inaugural Ball was held on Feb. 21 and yeilded some $40,000 surplus which was an excellent income to the NOM and formed the major source of fund for NOM projects and activities.

4. The NOM has also been able to solicit sponsorship and donation in the region of $90,000 for our projects and activities.

5. Overall, the NOM has been enjoying a very sound financial position and I expect that there will be surplus to be carried forward to next year.

IV. FOUR AREAS OF OPPORTUNITIES

A. INDIVIDUAL AREA

1. NOM projects organised in this area were the LOM officers Training School and the Inter-chapter Jaycee Quiz (hosted by Bauhinia Jaycees). Under planning are the Parliamentary Procedures in a Lively Way, Leadership Camp and Training For Trainers.

2. For the second year, the NOM sent 3 Jaycees, viz. Emily Auw, C. K. Tang and Joseph Pang to the JCI Train The Trainers Course which was held in Japan prior to the JCI 1982 Miyazaki Conference.

3. More adequate training will be provided to candidates for 1983 NOM positions prior to the National Convention.

4. Sharing the emphasis of the NOM on training for members and officers, all LOMs conducted various training programs with speakers from experienced Jaycees and NOM officers.

B. INTERNATIONAL AREA

1. An International Affairs Seminar was held on Apr. 30 covering topics such as sisterhood pact, APDC, ALLC, ILSO, Conference and Congress.

2. A delegation of 50 Hong Kong Jaycees attended the 1982 Miyazaki Conference.

3. For the 12th year, Hong Kong Jaycees organised the Port-of-call activities of Japan JC Youth Voyage in Hong Kong. Meanwhile, 8 Hong Kong youths were selected to represent Hong Kong in the voyoage as international delegates.

4. With a view to furthering the objectives of Jaycee Youth Voyage, the NOM has initiated the formation of an Alumni of international delegates from Hong Kong. The first preparatory meeting of this body will be held on Oct. 10.

5. The 1982 JCI World Congress will be held in Seoul, Korea between Nov. 7 and 13. It is expected that 60 Hong Kong Jaycees will attend this event.

6. A close relationship has been maintained with other NOMs, especially those in Asia, by means of exchange of correspondence, meetings and the NOM being represented in major functions of neighbouring NOMs.

C. MANAGEMENT AREA

1. MEMBERSHIP EXTENSION

a. At the beginning of the year, the NOM has set a membership target of 1,062 by the Seoul Congress, which represents a 15% growth.

b. Membership recruitment materials including pamphlets, manuals and slides have been updated and revised for use by the NOM and LOMs.

c. Through the Jaycee Week Press Supplements on South China Morning Post and Wah Kiu Yat Po on July 10, over 200 applications and enquiries for membership were received.

d. NOM orientations were regularly held to introduce our organisation to prospective members. After the orientation prospective members would be allocated to LOMs for follow-u and training before induction.

e. Up to the beginning of September, a total of 181 prospectiv members has been allocated to our 13 LOMs. Despite this, our membership growth so far is not that impressive, and th could be attributed to our problems in retention and the passive attitude adopted by some LOMs in inducting new memb I therefore do not think that we can achieve our membership target this year.

f. On the LOM extension side, there has been indication that a new LOM could be formed in Tsuen Wan towards the end of thi year or early next year. Presidential Advisor Sonny and NV Junia are now doing the follow-up.

2. PUBLIC RELATIONS

a. External

i. As a gesture of goodwill, a courtesy visit was made by all National officers and LOM Presidents at the Governm Secretariat and Governor's House on the New Year day.

ii. Through projects jointly organised by LOMs with Governm Department and other organisations, the purposes and wo of the Jaycees have gained more recognitions by the community.

iii. Senior Government officials and prominent community leaders were always invited to NOM and LOM projects and functions. This helped uplift the image of Jaycees in community.

iv. NOM and LOM projects and Jaycee personalities have received unprecedented publicity this year through the mass media which included press coverage, press conferences and interviews on TV, radio and periodicals.

v. The Jaycee Week held between July 10th and 18th was a tremendous success. Strengthened by a press conference, TV interview, press supplements on two leading newspapers and Jaycee activities exhibitions at MTR Central Station and Ocean Terminal, the Jaycee Week featured some 20 NOM and LOM projects and activities of different natures. Judging from the publicity, the response and enquiries received, the Jaycee Week has certainly achieved its objectives of enabling the public to identify the Jaycees with the ideals and principles of the organisation.

Chairman of the Jaycee Week 82, Jaycee Duffy Wong and his committee members should be commended for doing a wonderful job.

vi. A publication entitled "Who's Who is in Hong Kong Jaycees" introducing to the public our distinguished members, past and present, is being processed and will be completed in two months' time.

b. Internal

1. Offering members and their families lots of fun as well as the opportunity to enhance fellowship, a New Year Bonanza co-ordinated by the NOM and participated by the LOMs was held in January.

ii. Sports activities including track and field events, bowling and swimming were originally scheduled to take place from May to September with a view to boosting up spirits of members and improving inter-chapter relations. Unfortunately, because of repeatedly bad weathers, the track and field events had to be cancelled while the bowling competition and swimming gala were held as scheduled.

iii. Many joint projects have been organised by two or more LOMs together e.g. joint monthly meeting, joint fellowship activity, joint seminar etc. It has certainly enabled LOMs and their members to co-operate with each other in the spirit of understanding and friendship.

3. RECORDS AND RECOGNITION

a. Awards Program

i. Two NOM Awards, viz. Best LOM Fund Raising Project Awar and Best NOM Project Award have been added to the exist program.

ii. The 'NOM Officer Award' in the Presidential Awards of Excellence has been replaced by two other awards, the 'NOM Ex-Com Member Award' and the 'NOM Director/Officer Award'.

iii. A seminar on Bid Book Compilation was held by the NOM in June. The purpose was to orientate members on how to prepare a presentable, informative but concise bid book for international and local award bidding.

b. Presidential Incentive Program

i. This Program, being supportive of the Awards Program, has been implemented to recognise achievers in the areas of growth and retention, image in community, internationalism and harmony.

c. Senatorship

i. A Senatorship Screening Committee, headed by Senate Chairman Edmond, was formed to screen applications for senatorship and make recommendation to me. Two applications have been approved so far this year.

D. COMMUNITY AREA

1. Community Development/Youth Activities/Economic Affairs

a. Although our Major Emphasis Theme - "Aged - Treasure of Our Community" also fell into this category, most of the LOMs organised different community projects in addition to theme projects.

b. It has been observed that as in past years, LOMs have made greater achievements in CD and YA projects, in the se of scale, originality and impact on community.

c. Ten Outstanding Young Persons Selection, the National community development project that gets widely known in Hong Kong, is being launched for the 10th year.

2. Major Emphasis Theme - "Aged-Treasure of Our Community"

a. In response to the appeal of the United Nations on the concern for the aged, and considering that the issue was of much relevance to thelocal community, the NOM adopted its Major Emphasis Theme for 1982 in "Aged - Treasure of Our Community".

b. Up to this moment, nearly all the LOMs have carried out one project on the MET. Many of them were indeed very meaningful projects that produced great impacts on the community, e.g. 'Medical Care for The Age' of the East Kowloon Jaycees and '推廣老人自助工場' of the City Jaycees.

c. A Theme Seminar was organised by the NOM in July with speakers invited from the Government and voluntary agencies.

d. The theme of 17th National Convention has also been decided as "Aged We Care, Treasure We Share". That would provide us with opportunity to make further efforts on the issue.

V. JAYCEES INTERNATIONAL, INC.

1. JCI SECRETARIAT - A close contact with JCI Secretariat has been maintained through mails, telexes and cables. JCI Secretary General Don Rankow and other staff should be congratulated for providing a consistent, timely and useful service to Hong Kong Jaycees and other NOMs.

2. JCI OFFICERS ASSIGNED TO HONG KONG - JCI Executive Vice President assigned to Hong Kong Jaycees this year is Kjell Peterson of Sweden and Vice President, Masar Kao of ROC. VP Masar made an official visit to Hong Kong between February 20th and 26th. He witnessed our Inauguration Ceremony and attended a reception hosted by the NOM and LOMs in his honour. During his stay here, VP Masar gave us a lot of valuable advices and shared with us his experiences in the Jaycee movement.

3. AREA DIRECTOR'S VISIT - JCI Area Director for Area B, Vernon Matthysen, paid a familarisation visit to Hong Kong between August 16th and 19th. He met NOM and LOM officers and members at various occasions, and discussed with us on the many aspects of our organisation. Definitely, we have benefitted much from his visit.

4. JCI MIDYEAR EXECUTIVE COMMITTEE - Certain important decisions and recommendations have been passed at the Midyear Ex-Com Meeting held between June 21st and 25th at Coral Gables. Some of the recommendations, if passed at the General Assembly at Seoul Congress, will lead to sweeping changes to the JCI Constitution.

5. JCI WORLD PRESIDENT'S VISIT - World President Barry Kennedy has planned to make an official visit to Hong Kong at the time of our National Convention in October. It will be indeed a great honour for all members of the Hong Kong Jaycees.

VI. HONG KONG JUNIOR CHAMBER OF COMMERCE TRUST FUNDS

1. BOARD OF TRUSTEES - The current Board of Trustees is composed of Past NP Peter Tsang (Chairman), Past NP Y.K.Chan (Secretary), Past NP Benjamin Wong (Treasurer), Past NP T.H. Barma and myself (ex-officio member). Apart from the current National President, the other 4 members hold office for 3 years commencing from 1981. This Board of Trustee managed both Trust Funds.

2. NO. 1 TRUST FUND - All investments under this trust are in shares of Hong Kong and Shanghai Banking Corporation. Each year, 90% of the investment income, i.e. share dividends, are available for NOM and LOMs to apply for subsidies towards their projects on a reimbursement basis. The fund available this year is $43,000 and so far subsidies have been approved for the following projects:

Being a 50% owner of the Chamber Office premises, the Trust Fund, through the Board of Trustee, has waived for the third year the payment of $700 monthly rental by the NOM as required under the terms of the Trust Deed.

Apart from keeping a small amount of cash, the No. 1 Trust Fund holds at present 96,921 shares in Hong Kong and Shanghai Banking Corporation.

3. NO. 2 TRUST FOUND - A maximum of 90% of investment income from this Trust Fund could be used to subsidise mainly NOM projects and activities that promote or enhance the image, goodwill or prestige of the NOM locally or internationally. During my absence from Hong Kong for the 1982 JCI Miyazaki Conference, National Vice President Junia Ho was appointed Acting National President. To her, I extend my appreciation for carrying out the job efficiently.

VIII. HONG KONG SENATE GROUP

NIPP Senator Edmond is by constitution the Chairman of Hong Kong Senate this year. Activities of the Senate Group shall be included in his report.

IX. CONCLUSION

Despite the fact that the Hong Kong Junior Chamber of Commerce has experienced some difficulties at the beginning of the year, I am glad to see that with the concerted efforts of those members and officers who have been able to adopt a positive and constructive attitude in the situation, problems have been solved and the organisation, both at NOM and LOM levels, has been progressing well for the benefit of our members and our community.

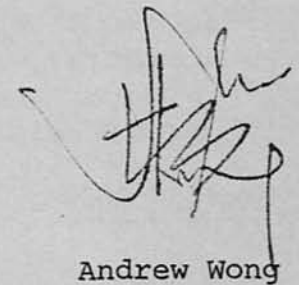

As we endeavour to accomplish our objectives, there are strengths and weaknesses in our performance. Yet the most important thing is that we realise the situation. By building on our strengths and striving to overcome our weaknesses, we can build an even stronger organisation.

For all the achievements that have been made in 1982, I am indebted to my team of devoted and hard-working National officers. I should also thank the LOM Presidents and members who have given me their support and co-operation, and in particular, President Joseph Chu of my mother chapter, the Kowloon Jaycees, and my brother Jaycees therein.

To Hon. Life President, Mr. A. de O. Sales, Past National President and my advisor Sonny Yu, Past National President and also my advisor Y. K. Chan, Past National President Major Tang and NIPP Edmond Pang, I wish to extend to them my most sincere gratitude. Their encouragement, advices and guidance given to me throughout the year have vitually helped me become a better National President than I could have been.

For me and the Hong Kong Jaycees, 1982 is certainly a year of many challenges but I should be proud to point out that we have demonstrated our ability in meeting all those challenges, in the way a leadership organisation like the Jaycees should have done.

My best regards to you all.

REPORT FROM NATIONAL IMMEDIATE PAST PRESIDENT - SENATOR EDMOND PANG

As National Immediate Past President of the Hong Kong Jaycees, I have the pleasure to present my report to General Assembly of the 17th National Convention as follows:-

I. THE ROLE OF NIPP

The role of the NIPP is basically that of advisory to the National Board to ensure that continuity of the NOM on policy matters are maintained. In this respect I have attended most of the NOM Meetings during which on-the-spot advices are given or assistance provided to the NOM Board Members.

Other than the above, I have been actively involved in giving trainings to NOM and LOM Officers and members as well as giving advices and assistance to LOMs for the launching of their projects.

II. CONSTITUTIONAL ASSIGNMENTS

Apart from the above, I have also been given other assignments under the Constitution of the Hong Kong Jaycees:-

(A) Nomination Committee Chairman

This year, two Nomination Committees have been formed with the approval of the National President.

(i) The first one was formed to screen candidates for the various NOM Executive Committee offices left not elected during the 16th National Convention. The Committee Members were:-

Senator Edmond Pang	NIPP (Chairman)
Senator Albert Li	1973 National President
Senator Peter Tsang	1975 National President
Senator Sonny Yu	1979 National President
Senator Major Tang	1980 National President
Senator Nora Cheng	1980 National VP

As the result of an EGM held on 6th Feb., 1982 Jayceettee Emily Auw, JC Alfred Tso and JC Joseph Pang were elected NVP, NSG and NHT, respectively, for 1982.

II. CONSTITUTIONAL ASSIGNMENTS

(A) Nominational Committee Chairman (Cont'd)

(ii) The second one has been form to screen candidates for the various NOM offices for the year 1983. The report of this Committee will be submitted to General Assembly of this 17th National Convention. The Committee Members are:-

Senator John Chan	1982,73 National VP
Senator Junia Ho	NVP, 1981 NSG
Senator Dr. Tang Siu Tong	Charter President, YLJC

So far this year, the Committee had received the following applications from the various Chapters:-

Andrew Wong	Kowloon Jaycees
Lucas Tse	City Jaycees
Joseph Pang	Peninsula Jaycees
John Wong	Peninsula Jaycees

The Committee recommended two of the applications which were subsequently approved by National President Andrew, while opinion reserved for the remaining two.

It is envisaged that at lease one more meetings of the Committee will be held before the end of this year.

(C) Senate Chairman

(i) The rank of a JCI Senator is one of the highest prestige in the Jaycees. However, being perhaps one of the most junior Senators in Hong Kong and occupying the position as Chairman to this senior group of Senators is quite a challenge.

II. CONSTITUTIONAL ASSIGNMENTS

(C) Senate Chairman (Cont'd)

Being an unofficial body without a formal structure, as stipulated in the JCI Constitution, the rules of the Hong Kong Jaycees Senate are:-

- Always for the fellowship of JCI Senators in Hong Kong.
- Offer help to the Hong Kong Jaycees whenever needed.
- Under no circumstances to interfere with the administration of the Hong Kong Jaycees.
- Always enjoy the individual status of a JCI Senator in relation with JCI Senators elsewhere.

These rules, though unexpressed, have been practised for many years and also maintained in 1982.

(ii) So far this year only one Senators' gathering was held on 17th June and it was dedicated in honour of Senator John Pain in commemoration of his being decorated an OBE late last year.

The next one will be held during the 17th National Convention.

(iii) This year we also see Senator Roger Lobo, Past National President, being conferred an Honorary Doctors Degree in Laws by the University of Hong Kong.

III. CONCLUSION

I has been my great pleasure working with the current NOM Board Members and personally see the many achievement made under the proven leadership of National President Andrew - my warmest congratulations.

Although I shall not any more hold an official position in the 1983 administration, my heart will forever stay with the Hong Kong Jaycees and shall be pleased to offer my services whenever needed.

REPORT FROM THE NATIONAL VICE PRESIDENT (COMMUNITY) - C. K. TANG

To serve in the National Board is always a chance for any Jaycee member who wish to broaden their leadership technique, their own ability as well as their practical management skill.

In the capacity of National vice President for Community, I hereby present my report at this 17th National Convention hosted by The Hong Kong Jayceettes as follows :-

ASSIGNED LOM

1. VICTORIA

President Mark cheng has proved for this remarkable leadership in view of the excellent internal and external projects, large scale projects such as Home Security Seminar/Exhibition and good chapter administration which results to sound finance condition to the chapter. Membership had been improved very much from 58 at the begining of the year to 70 as at August.

On June 13, 1982 Victoria Jaycees has celebrated their 32rd Anniversary at Holiday Inn Hotel.

Other than the monthly board meetings held regularly at Cosmo Club, monthly fellowship meetings were regularly held at Furama Hotel, except for one fellowship meeting which was held at Hyatt Hotel jointly organised with East Kowloon Jaycees with about 70 members and guests participated.

Victoria Jaycees is one the chapters support most of the National functions, like their past president Senator John Chan is appointed as the Chairman of TOYP, delegations to Miyazaki Asia Pacific Conference.

2. JAYCEETTES

Under the capable leadership of President Emily Ma and with her hard working 1982 Board of Directors, Jayceettes has planned quite a number of large scale projects like Retirement Portfolio Exhibitionand Seminar under CD/Theme area, Better Yourself Better Your World under YA area, Waste Recycling Seminar under EA area, various internal PR projects and Fund Raising project which resulting a sound financial standing to the chapter. Regular Monthly Fellowship Gathering and Board Meeting were held with good attendants.

Projects through out the year proved that Jayceettes is growing repeatly under their good chapter management system and it provides a lot of project management skill to their members.

The community and some government departments were very much impressed and up rise the Jaycee image in Hong Kong as a result of the project achievement of their chapter.

On the international side, the Jayceettes sent a large delegation to the Miyazaki Asia Pacific Conference and they also assign members to participate the Japan Youth Voyage.

Their IPP, Emily Auw, were successfully passed the Train The Trainers Course organised by JCI before the Asia Pacific Conference.

Finally, thanks must also be given to the Jayceettes for their great effort in organising the 17th National Convention which I trust will be one of the most successful conventions ever held.

3. LION ROCK

This year, President Alexander Yip and his board of directors are working very hard for training their members. They have emphasised on internal PR projects like organising regular monthly meetings at Hotel Plaza and to send members to take part in the Dragon Boat Racing.

With the assistant of their senior members, this chapter has organised a new LD project, Personal Growth Dynamic Workshop, which was sponsored by the U.S. Jaycees and The Hang Seng Bank Ltd. of Hong Kong.

In order to support the National Major Emphasis Theme, Aged-Treasure Of Our Community, and the Jaycee Week, President Alexandar and his member has organised a visit to the Sha Tin Lik Yuen Aged Home on July 17, 1982. After the visit, they have presented some souvenir to the Aged Home.

Early this year, a fund raising project was launched by means of a Chanese Drama which make this chapter to a sound financial standing.

4. HARBOUR

Harbour Jaycees has changed the membership nature from male chapter to a mixed chapter in early of this year. This change will enable more female to joint our Jaycee movement in Hong Kong which in term will benefit their membership extention.

President K. L. Tsui has done a great job to providing a lot of leadership training to his members by organising a number of meaningful projects. The projects are including Quality Control Circle Course, International Children Drawing Contest, Labour Law Course etc. Monthly Board Meeting and Fellowship Meetings were regulary held.

President K. L. is under going to plan a project to support the JCI Theme - North South Understanding, his members are working very hard for the information research and sponsorship for this project.

5. CITY

City is the youngest chapter affiliated to the Hong Kong Junior Chamber of Commerce. Ever since this chapter chartered in 1981, President Paul Cheung with his two years presidentcy experience, his hard working board members and over one hundred members, they have built up their excellent chapter management and also planned a lot of meaningful projects. Like this year, the "Home Safety Exhibition" and the "老人自助工場" are having a very good comments from the public. They have also received sponsorship from the Board of Trustees of HK$6,000.00 for the "Home Safety Exhibition" which is a CD project for this year.

Credit also be given to President Paul for the efforts in improving inter-chapter relationship by organising joint projects with other chapters, such as a PR project with Bauhinia Jaycees to organise a launch picnic on July 25, 1982.

This chapter has proved as one of the LOM to support National function, like sending delegation to Miyazaki Asia Pacific Conference, organised "Motivation Seminar" in Jaycee Week, TOYP, LOM Officer Training School etc.

Regular Monthly Meetings and Board Meeting were held in every month with good attendents.

Finally, I am with pleasure to teport that the finance of this youngest chapter is in sound condition.

HONG KONG JUNIOR CHAMBER OF COMMERCE

17TH NATIONAL CONVENTION

REPORT FROM THE NATIONAL SECRETARY GENERAL

I have great pleasure in submitting my report for the period since my election on 6th February to the Members of the General Assembly as follows:

I. ASSIGNMENT

In the planning meeting held on 7th Feb., 1982 my duties as the National Secretary General were identified as follows:

1) To supervise the work of Chamber Office Manager Paul Pang, Harbour Lights Editor Sheila Lam, Administrative Officer Connie Yau and the paid staff.

2) To achieve a smooth operation of the National Secretariat.

3) To assist the National President on administrative and documentary work.

4) To complete the jobs assigned to me from time to time by the National President as well as the National Board.

II. MEETINGS

1) Eight monthly NOM Executive Committee Meetings plus four Special Meetings were held of which the first two meetings were before I took up my office on 6th Feb., 1982. Matters discussed in these meetings generally concerned about the policies, authority and responsibilities in the Organization.

2) Up to now, eight monthly National Board Meetings were held and LOM Presidents were invited to attend three of the Board Meetings (in February, April and July) and present reports on progress of the LOMs. Matters discussed of these Board Meeting generally concerned about the administration and progress of projects of the Organization.

3) Four NOM Extraordinary General Meetings were held for the following purposes:

   a) 18th January Meeting for waiving the requirements in respect of the caucus session Candidates' Training School as well as the 45-day nomination period for the election of the vacant 1982 elective NOM offices to be held on 6th Feb., 1982.

   b) 6th February Meeting for electing the Officers to fill the vacant 1982 elective NOM offices.

   c) 8th March Meeting for adopting the 1982 Major Emphasis Theme and Policy Manual.

   d) 9th August Meeting for waiving the respective By-Law to enable the hosting chapter Hong Kong Jayceettes to host the Candidates' Training School at a date fixed by the NOM Executive Committee other than a time during the National Convention in order to provide a more thorough training school to the candidates for the 1983 elective National offices.

III. ADMINISTRATION UNDER MY SUPERVISION

1) Secretariat

- Administrative Officer Connie Yau helps in special administrative assignments while the paid staff help in the general secretariat work.
- Full-time paid staff for the Chamber Office comprise Assistant NSG Peony Kwok and Office Assistant Peggy Kwan (Eva Chau resigned on 7th September, 1982 and by then Peggy Kwan joined our office).
- Starting 3rd August a part-time Office Assistant Wong Siu Fong was employed to help the Assistant NSG with her heavy work load.
- A used frankling machine was donated by NVP C. K. Tang.
- Daily secretariat work were under control and most of the Jaycee members found our service satisfactory although we are always confronted by the strain of having limited manpower and accommodation to meet the seemingly unlimited demand of the NOM Officers and LOM members.

2) Office Maintenance

Chamber Office Manager Paul Pang undertook the following minor maintenance work:

- Replacing with 6 conference tables and 5 chairs for the head table.
- Installing spot-light at door-front and blind at the NP Room.
- Putting up Notice Board and Donation List Board.

3) Harbour Lights Publication

We faced difficulty in recruiting the Harbour Lights Editor until April when Sheila Lam of Bauhinia Jaycees agreed to take up the assignment. Because of the situation we were only able to release 2 issues of the bi-monthly National News and the 3rd issue is expected to come out in November.

The first Harbour Lights publication was included in the Miyazaki Conference commemorative issue published in May and the second issue would be published at end of October.

IV. NOM PROJECTS UNDER MY SUPERVISION

1) JCI VP Visit

A series of reception programs including a big welcoming dinner party held on 22nd Feb. were arranged for JCI VP Mr. Masar Kao for his official visit to Hong Kong during 20th Feb. to 23rd Feb. Special thanks to John Bacon-shone of Victoria Jaycees, the Chairman of the Reception Organizing Committee, and the hard-working O/C members.

2) 17th National Convention

The 17th National Convention would be hosted by the Hong Kong Jayceettes on 15th - 17th October, 1982. Organizing work have long been started by a team of experienced and energetic Jayceettes. Under the capable leadership of Convention Directress Nora Cheng and with the highly appraised efficiency and innovativeness of the Jayceettes, I am confident that the 1982 National Convention would be a remarkable one.

V. REMARKS

I would like to take this rare opportunity to extend my sincere thanks to all the helpful NOM Board Members for their support and the colleagues for their hard-work with whom I work to complete my duties. Furthermore, I owe special thanks to NP Andrew, NIPP Edmond and Presidential Advisor Sonny for their valuable advice as well as to Irene Tse of Peninsula Jaycees for her kind assistance.

The Organization has given me unique chances for my personal growth and I truely hope that the Jaycee movement would grow to benefit more young men and women in the years to come.

17TH NATIONAL CONVENTION

Report from CD/Theme Director - Victor Wong

In the capacity of National Community Development & Theme Director for the year 1982, I would like to submit my report to the 1982 National Convention of the Hong Kong Junior Chamber of Commerce.

Joint Director's Meeting

LOM CD Directors & their supervising VPS are invited to attend the meeting and discuss projects and ideas. Up to the present, two meetings have been held. Besides providing an opportunity to exchange opinions, the meetings help the LOM officers to understand what the other chapters are doing in the area of Community & Theme.

Major Emphasis Theme

At the beginning of the year, the theme "Aged - Treasure of Our Community" was adopted as this year's Major Emphasis Theme. This coincides with United Nations World Assembly on Ageing. Chapters were encouraged to organize projects along the theme. Up to end of August, about ten projects have been carried out.

Theme Seminar

The Seminar was held on 31 July 1982 with representative from Social Welfare Department, Hong Kong Polytechnic, St. James Settlement and Caritas spoken on different subjects concerning the elderly people of Hong Kong. The seminar was organized with an aim to provide members concerned with a deeper understanding on the subjects. As it turned out, the seminar was able to attract a good number of press attendance and coverage, thus, it was also a projection to the public of our concern on community issue.

North/South Cooperation

This JCI Theme was adopted as the Presidential Emphasis Theme this year. Since most of the chapters' efforts have been put on the Major Emphasis Theme and other community projects, very little has been done on this Theme. However, through JCI publications and visits of JCI personnel, chapters now have a better understanding of this Theme. While North/South Cooperation incorporates of many areas, some of the projects organized by the LOMS in relating to education, culture and trade can be interpreted as our attempt to involve in this emorous global issue.

REPORT FROM PR DIRECTOR - William S. Yang

In 1982, HKJC PR committee has initiated something that should be done much earlier. That is a history book of HK Jaycees. We compiled the "Who's Who in Hong Kong Jaycees". This book consists of all major HKJC personalities in the past, their personal particulars, their professions and most of all, their contributions to the community and Jaycees. The response is very encouraging. Hope the future management could continue to update this booklet.

Besides the above project, we also carried out the traditional project; such as the PR Seminar, JC Week, JC Olympic etc. This year, due to the weather problem, our Track & Field event was postponed towards the end of the year in conjunction with the closing ceremony of the JC Olympic.

It is recommended to the future management to consider to have an honorary position to invite a PR agency to help/advise how JC can better the present image. With our amateurish experience and constant changes in management, it will only confuse the outside parties.

Lastly, I have to thank all the project chairmans for the support, PR Officer Cynthia Wong for her contribution, NVP Emily Au and NP Andrew Wong for their guidance.

ii/ Finance

The financial situation of the Chapter was steady and sound. Most of projects organized were self-financing or sponsored.

2. LOM Areas

The two commissions under the LOM areas are Public Relations and International Affairs.

i/ Public Relations

The Kowloon Jaycees aimed to establish closer and more intimate relationship with other LOMS. It was with such emphasis that we organised several joint functions with other LOMS. Such functions included the joint fellowship dinners and meetings with the Victoria Jaycees in February at the Hong Kong Hotel, with the Tai Ping Shan Jaycees in May at the New World Hotel, and with the Yuen Long Jaycees in August at the Hang Lok Restaurant.

In addition, the Kowloon Jaycees were actively participated in the various activities hosted by other Chapters.

To strengthen internal harmony and relationship, several special programmes were organized for the members to meet at leisure and with fun. These included the Ladies Night in March at the Excelsior Hotel, and the Launch Picnic in August around the Sai Kung Waters.

Other than those mentioned, there have been a number of informal gatherings and home parties, when fellowship was extended even further to members' families.

ii/ International Affairs

The Kowloon Jaycees have established four overseas sisterhood Chapters in the past. As usual, we held close communications with each other this year.

In January, we held our reception for a delegation of Cebu Jaycees from the Philippines, A group of Kuala Lumpoa Jaycees visited us in April. In May, a delegation from the Orchid Jaycees of Singapore visited the Kowloon Jaycees. In June, a special delegation from the Taipei Jayceettes has come to exchange the mutual goodwills between the Kowloon Jaycees and the Taipei Jayceettes. A special dinner meeting was held at the New World Hotel.

In return, the Kowloon Jaycees has paid an official visit in the Taipei Jayceettes in July. It is anticipated that after the World Congress in Korea this year, the Kowloon Jaycees will send his delegation to visit our sisterhood Chapters in turn

Besides, the Miyasaki Conference was another opportunity for the Kowloon Jaycees to extend his international relationship.

3. Individual Areas

The two commissions under the Individual Areas are Membership Extension and Leadership Development.

i/ Membership Extension

By the date of this report, the Kowloon Jaycees has held three membership orientations, respectively in March, May and July.

We have established a tighter recruitment standard, and inducted so far twelve new members of high calibre and potential. Our success in membership extension in quantity was fair, but in quality was substantial.

Two more orientations were planned in the coming months, and we expected to be able to recruit about ten more new members.

The general performances of our new recruits were more than satisfactory. They all actively involved in various activities, and showed very high potential for further development in the Jaycees.

ii/ Leadership Development

In June, the Kowloon Jaycees joined with the Victoria Jaycees to organise a seminar on Parlimentary Procedures at the Wing On Centre. The attendance was good, and the project itself very successful.

4. Community Areas

There are three commissions under the Community Areas, namely Community Development, Economic Affairs and Youth Activities.

i/ It project organized in March, which has attracted public attention and enjoyed very good publicity was the siminar on "Supporting Parents - A Legal or Moral Duty". It was held at the New World Hotel.

Another seminar that study and discuss in depth a very urgent social problem was the seminar on "Limiting Vehicle Growth - A Realistic Solution" held in July at New World Hotel. It has attracted also very much public attention.

ii/ Economic Affairs

The Kowloon Jaycees tried a new approach to organise an economic affairs seminar, which was hosting the seminar in the form of a luncheon meeting. The attempt was proved to be very successful. That highly publicised seminar was the siminar on "Short to medium term Investment Opportunity in the Hong Kong Stock Market" held at New World Hotel in Late August.

iii/ Youth Activities

Early this year, we planned an expansion programme to develop the Kowloon Jaycees Playground in the Tsing Yi Island. In addition, a children carnival day was planned. However, due to the government policy in land, the expansion programme was suspended.

A Christmas Party is planned to be organized for a charity institution for children during the Christmas Holiday.

5. Involvements with the NOM

The Kowloon Jaycees are honoured to have JC Andrew Wong serving in the National Board as National President, and JC Edmond Pang serving as Immediate Past President.

Early this year, the Kowloon Jaycees has organized for the NOM a New Year Bonaza at the Oceania Restaruant during the Chinese New Year, which was a very well-participated and successful national project.

It was rather unfortunate, however, for both the Dragon Jaycees and the Kowloon Jaycees to cancel their joint project, the Track & Field for the JC Olympics this year. The project was striked twice by bad weather, and subsequently made it impractical to be organized in the later part of the year.

In addition to the above mentioned, national projects, the Kowloon Jaycees have also nominated several members to serve in other projects such as the Youth Voyage and On-To-Miyasaki Conference.

6. Conclusion

The Kowloon Jaycees has growed for another year, again steadily and successfully, We attempted for quite a lot at the beginning of the year, and were able to actualise a majority of our ideals. I would like to extend on behalf of the Kowloon Jaycees, our sincere appreciation and hearafter gratitude to the many fellow Jaycees and friends who contributed their advice, guidance, support and assistance that brought the Kowloon Jaycees many steps of advances in their history.

Officer (appointed)	:	David Mo	(Chief Editor)
Current Membership	:	Member - 30	
		Propective Member - 12	

SECRETARIAT

Board of Directors meetings were held on the 2nd Tuesday of each month.

General membership meetings were held on the 3rd Tuesday of each month.

One issue of newsletter has been issued. The second issue is ready for printing and delivery.

FINANCE

Membership subscription is still the major source of administration fund for the Chapter. Throughout the year, projects were completed with a tight budget and limited sponsorships. Nevertheless, the present financial situation is still sound.

A fund raising project in the form of raffle ticket sales has been organised for late October.

PROJECTS AND ACTIVITIES

Community Development

A project named THE CHARITY SPORTS DAY has been organised to take place on 20th & 21st November at the Jubilee Sports Centre in Shatin. It is a two days sports function that will include 5-a side football matches, fun games, swimming competition and track+field events to raise funds for the Community Chest. About 20 reputable firms in Hong Kong will be invited to participate. We anticipate a sum of one hundred thousand dollars can be raised for donation.

Youth Activities

There has been no specific effort to put on this commission this year. Although we had originally planned to have a career exhibition project, only when we had done the preliminary survey, we realised that we were lack of available manpower and had to drop the project.

Economic Affairs

A visit to the shipyards in Canton was organised in August to study the Chinese shipbuilding industry, and its possible influence to the Hong Kong economy. The project was well organised but had to be called off at the last moment due to a revised security measure was implemented at the shipyards that has prohibited our visits.

Leadership Development

A "Effective Project Organising Technique" Seminar was held on the 27th March at the Windsor Social Service Building. The attendance was very good.

"Interchapter Management Game 1982" was held on the 29th May. This is the second consecutive year we organised this valuable computerised skill training project. We have introduced a floating grand award for the winning team. The winner of this year was the City Jaycees. They were invited forepresent the HKJC to compete at the Hong Kong Management Game open tournament.

The "Leadership in Action at Sea" project that was to be held on 17th & 18th July had been cancelled due to tropical storm. We hope this project which provides skill and character development with sea adventures could be carried out in the coming year.

Membership Extension

A 30% membership growth target was set at the beginning of the year. Unfortunately, the target has not been achieved. The number of new members recruited could just fill up the number of dropouts. The total number of full members remains at 30, and prospective members is 12. Two orientations have been held. A third orientation would be held before the end of the year.

Public Relations

During the year, several informal gatherings at various members' resident have been organised. In addition to the internal/external liasion and usual promotion functions, the commission members also assist in organising Board and General membership meetings.

International Affair

Johannesburg JCs in South Africa has shown their interest to do joint projects with us. A preliminary contact has been made. So far, no effort has been made in signing up foreign friendship or sisterhood pacts.

Record & Recognitions

An orderly record of the chapter's project activities has been kept.

Three awards would be given out at the AGM.

The awards are to commend the most outstanding board member, the most outstanding member and the chairman of the most outstanding project of the year.

Compilation of award bid book is also undertaking by this commission.

National Projects

A member from our chapter had chaired a National PR seminar.

The JC Olympic - Track and Field event has jointly organised by us with the Kowloon JC. The project was twice disrupted by bad weather and eventually had to be abandoned in view of no further suitable venue was available to our convenience.

CONCLUSION

1982 is not a successful year for Dragon Jaycees though the Chapter has been able to string some of our members' hopes and turn them into reality. Our effort to increase the number of members was not successful. However, the core members have been able to pave a firmer foundation for the Chapter to grow in the future.

To conclude my report, I would like to extend my sincere thanks to the National Officers and Presidents of other Chapters who had render generous support and guidance to us. To the Dragon members, I wish to thank you all for your company and contributions that made the year unforgetable for each one of us.

2. Board meeting held every month.

C. Finance

Finance situation of our chapter is good, we can expect surplus at the end of the year.

D. Communications

Chapter's publication, 'Channel', published regularly since second half of the year.

2. Projects and activities

A. Community

"Medical Care for the Aged", this community project as well as our Theme Project, involved more than half of our membership and some outside helpers. Generous finance and manpower supports solicited from The Round Table No. 9.

The main activities of this project were :-

1. Press conference held in the Hotel Regency.

5. One exhibition at MTR Station.
6. Numerous Researches.

This project provided a lot of training opportunites and challenges to our members. Although this project took about 5 months, apart from those hard times, we do believe that we have aroused quite a public attention to the Medical Problems of the Aged by means of its programmed activities and its intensive press coverage throughout the whole project.

We have inducted 11 members, we can expect our membership to grow to 60 end of the year.

This Seminar was again proved to be a success from the report published by our joint organiser, the AIESEC LC-HKU.

   Without the unfailing supports from the prominent Jaycees, Mr.Alex Tzang, Mr. John Lo and Mr. K.S.Yeung as speakers, this seminar would have never been so successful.

2. "Parlimentary Procedures presented in a lively way" was presented by NIPP, Senator Edmund Pang on 18th July, This contributions towards the Jaycee week.

F. Public Relation

I would say, it is quite an active P.R. year of EKJ, with the full support of our P.R. team,we have been organizing numerous delegations in participating other chapters' functions and events.

Our Mid-Year Disco Night was a full house and we could expect same in our Christmas Dance on Christmas Eve at Golden Mile Holiday Inn Hotel

G. International Affairs

We have 3 members (Including Mr. C. K. Tang) attended the Asian Pacific Conference held in Miyasaki.

3. Involvement with other LOMS

joint monthly meeting with Victoria Jaycees in August.

4. Involvement with NOM

1. Our Chatered President, Mr. C. K. Tang serves National Board as NVP
2. Mr. Duffy Wong acted as Project Chairman of the Jaycee week.

In addition, our members have actively participated in National functions.

5. Conclusion

Without full support from those senior members, it has been quite a hard year for those active East Kowloon members, with their team work spirit and enthusiasm, we are growing properly almost in every area.

HONG KONG JAYCEES HISTORY

The Jaycee Movement reached Hong Kong in 1949, when a Philippine Jaycee John Ng who was the Special Liasion Officer of the JCI 5th Congress and was charged with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young business-men. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of the Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as convenor of the organizing committee. Mr. Austin Coates from Hong Kong Government, then an Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

Vogue d'or - only gold has that gleam!

Every Vogue d'or frame has a rich, even coating of the finest rolled gold indivisibly welded via a nickel layer to its base material. Unbroken gold covers every external surface, completely free of pores and therefore much longer lasting than mere gold electroplate.

Vogue d'or frames are difficult to make, that's why they cost a little more. But then, quality is always something you have to pay for . . .
