JCI-ICC
WORLD BUSINESS TOGETHER

Junior Chamber International (JCI) now offers members a **new Area of Opportunity: Business**. In 1984 Junior Chamber International and the International Chamber of Commerce (ICC), the largest world business organization, signed a mutual working agreement based on common views about free trade and free enterprise.

Therefore, **JCI can directly provide you with information** available from the ICC. This includes all you need to know about international business, such as taxation, competition, arbitration, environmental issues, prevention of commercial crime, banking technique and practice, etc.

Moreover, the **ICC Business Award** will be presented at the JCI World Congress to the best Junior Chamber project promoting free enterprise. The prize is an ICC Medallion and a check for 10,000 French Francs.
