Dear Members of JCI Hong Kong,

On behalf of JCI Hong Kong, I welcome you to join the 55th National Convention hosted by JCI Peninsula.

This year, it is a challenging year for all of us in the world with the COVID-19 pandemic. We are facing enormous challenges ahead, yet our members all are resilient and innovative, and show our communities what we, JCI, as an active citizen, can do for them. I have witnessed members that did the best of their abilities and leap up as leaders. Many of our projects and campaigns have impacted our community.

It is my firm belief that the key to our success lies with the harmony amongst our members and parties involved, especially during this challenging time. Working in harmony and supporting to each other within JCI Hong Kong and JCI would enable us to sail through difficulties and hard time easier thereby heightening the spirit, efficiency and effectiveness in delivering our services. We have lined up our JC projects as "Be Better Hong Kong" project and "Win-Win Jetso" to join hands together to promote our JCI Hong Kong branding and the services/products of our members, and support the community with positive energy.

JCI Hong Kong has been introduced to Hong Kong for 70 years. Our objective is to develop leaders to serve our society. The National Convention serves the purpose of Annual General Meeting of JCI Hong Kong.

Echoing the presidential theme "LEAD, CONNECT, ACHIEVE", the project "SDG Pioneers" has successfully received full support and engagement from 13 National Organizations in participating this impactful scheme. It aims not only to nurture leaders but also to encourage close connection between members locally and internationally for sharing and supporting mutual growth in order to achieve sustainable results. We have also created different new online training, such as "JCI Next", "Hello JC" and "Chairmanship" , etc. to gear up our leadership skills.

It's time to rise to our full potential as leaders. Time to rise to meet challenges with innovation. Time to lift each other up so we can rise above this crisis together. Time for JCI to rise again as the foremost global network of enterprising young leaders, especially during and after the COVID-19 pandemic.

The theme for the National Convention this year is: "We Commit! We Advance!". I want to give my heartfelt thanks to JCI Peninsula, and the members who have devoted themselves to prepare this special National Convention. Your resilience, innovation, commitment, and passion inspired us. My deep appreciation to National Convention Director Senator Kelvin Lam, who is the most committed person in this National Convention.

Let's join hands together to build a better future together.

Dear JCI Hong Kong Members,

It is my greatest honor to welcome you to this year's JCI Hongkong National Convention. Sadly, we cannot be together in person, but I have no doubt that the convention program will be excellent.

While this past year may not have been what we planned to experience, I am continually astounded by the dedication and innovation shown by JCI members. Many of you have seen the challenges in your community, both new ones that have risen in the past few months, and existing ones that have been exacerbated by the current climate. And instead of turning a blind eye, you have risen to the task and found innovative solutions. Your commitment to being leaders and changemakers has helped in the efforts to transform the world, one community at a time.

JCI Hong Kong has had a strong history of developing young adults into strong leaders, and all the members are recognized for their excellent work. JCI Hong Kong members' collaboration and strong leadership is required now, more than ever before, to rebuild our communities and economies for a better future, after the challenges we have all experienced. I trust and hope, that during this National Convention, you will take the time to reimagine the future, and come up with enterprising solutions that bridge the gap between the challenges of today and a sustainable and prosperous tomorrow.

Once more, I welcome you to the 2020 JCI Hong Kong National Convention. Take this time to reconnect with your fellow members, learn from each other, and reenergize your JCI spirit. Then, let's get back to rising up for our communities.

Best Regards,

Itai Manyere

Dear members of JCI Hong Kong,

It is my great pleasure to congratulate the success of the National Convention of JCI Hong Kong under the leadership of National President Maric Cheng in the year of 2020. This is not an easy year as the outbreak of the COVID-19 did affect the JCI activities. However, as a competent JCI member, we always possess a positive mind to turn the adversity to an opportunity.

National Convention is an event for an organization to review and formulate the future development. I would thank JCI Hong Kong nominated the capable person to serve the JCI and JCI ASPAC Senate and APDC; of course, the unfailing support to JCI events and initiatives, such as webinar of SDGs, and the development of JCI marketplace. Meanwhile, JCI Hong Kong always encourages members to contribute to JCI Foundation and put a corner stone to membership growth and development worldwide.

What kind of services and strategies of JCI have been transforming to meet the needs of the individual members? How to empower our young people to be future leaders and lead our community? Transformation is one of the key elements for the sustainability of our organization. Let us discuss in NC and formulate the future development of our organization.

Taking this opportunity, I wish all of you a fruitful National Convention and finally, I wish all candidates a successful election and lead our organization to a new height in the year of 2021!

Yours sincerely,

Eric Tang

Dear JCI Hong Kong National President Maric Cheng and the members of JCI Hong Kong,

First and foremost, I would like to pay my respects to all of those who have lost their lives to the COVID-19 and express my condolences to their families and loved ones. Beginning this month, I understand that applicants will be able to get free virus tests and I wish this leads to a peace of mind for the residents of Hong Kong.

Now, even during the midst of this difficult time, I am very pleased to be able to congratulate JCI Hong Kong for hosting the 55th National Convention.

By doing what we can, especially under the special condition we are in, we are given opportunities to connect deeply with the individuals, the society and the world. With the pandemic causing widespread fears, we must continue to envision a bright future and support those who chose to act. I would like all members of JCI Hong Kong to fulfill their roles, where in my country we call "Oyakume", and make the commitment to show the significance of the continuous activities of young people through this convention.

As the Executive Vice President in charge of the Asia Pacific, I would like to make close ties with JCI Hong Kong, along with other members of the area, and work hand in hand towards a better world.

I hope you will realize new development opportunities in this National Convention which will further empower you to create positive change.

Dear JCI Hong Kong,

Warmest congratulations to JCI Hong Kong for the 2020 National Convention. I'm inspired by the growth of your NOM through this hard but yet full of surprises pandemic year and it gives me great pleasure to pen this message on behalf of JCI Indonesia.

We are honored and privileged to be part of the "SDG Pioneers" program initiated by JCI Hong Kong under the leadership of my good friend President Maric Cheng, as my members reported their activities participating in the program, I'm glad that the 2020 JCI Indonesia's theme which is "Create and Connect Leaders" is coincidently aligned to JCI Hong Kong's theme. Through this extraordinary collaboration, I hope that we could LEAD, CONNECT, and ACHIEVE more positive impacts together and build a stronger relationship in the future between two NOMs.

Even though some could not go according to our plan, our spirit of collaboration will never cease to amaze me. As we know, at this time we do not have any distance to connect and communicate throughout the world through various channels and technologies. Thank you for the dedication and hard work of JCI Hong Kong to continue the SDG Pioneers Program by adjusting the methods that can be done to the current situation.

I hope that this is just the beginning of the next collaborations of our National Organization. We are looking forward to deepening our collaboration to make a greater impact in our society.

Last but not least, I would like to express my appreciation and gratitude to all the JCI Hong Kong fellow members for all the goodness, love, joy, and laughter shared with us. Good luck with your next journey, keep up with all the great work! Cheers,

Greetings from JCI Malaysia!

First and foremost, it is my honour to pen a few words in conjunction with the 55th National Convention of JCI Hong Kong hosted by JCI Peninsula.

The year 2020 has been a great and challenging year for all Organizations including JCI. Successful results often come with a price. Everything we are involved in requires time and effort if we wish to see success. It's the same in relationship, business and work, thus definitely the same for progress in JCI.

Commitment is the willingness to accept the price, and the first step to take towards success. Indeed if we commit, we might not definitely see results, but we will definitely not see results if we don't commit.

On behalf of JCI Singapore, we would like to wish JCI Hong Kong a successful and fruitful 55th National Convention and may your theme of "We Commit, We Advance", together with wonderful programs lined up, continue to inspire and impact all JCI Hong Kong members and the society.

In the last few months, many people around us have been affected by geopolitical, environmental and even pandemic situations, many of which are out of our control. However in good times and in bad, we shall all be there for each other. To JCI members and everyone around us, stay safe and stay positive, as tough times do not last but tough people do. May all of us continue to stay strong together in our always positive and vibrant family. Together, we can definitely achieve more as "We Commit, We Advance".

## Senator Zenith Lin

It is my honor to serve as Senate Chairman this year. Senators are members who committed themselves to the JC movement, giving exceptional contributions to our organization and help create a sustainable future for society. I found that senators are willing to share their valuable experience, networks, and insight to the JCI and help JCI's development; they are like a cornerstone to JCI.

This year our world is suffering from the pandemic. Most of the senator events have to delay or even cancel. Although we have fewer exchanging-idea occasions, it did not harm our unity. At the time of the JCI Hong Kong 70th Anniversary, we will celebrate our work "Serving humanity for 70 years" together.

Every year in the National Convention, we witness a new tier of baby senators and celebrate with joy. Echoing to 55th National Convention theme "We commit, We advance", I hope that the new senators can make their commitment to JCI, advancing JCI and bring new height to this beloving organization.

On behalf of the JCIHK Senate Committee, I would like to extend my heartfelt gratitude to National President Maric Cheng, National Board of Directors, Chapter Presidents, and leaders who contributed to this organization. Your dedication advanced the JC movement. Finally, I wish everyone an enjoyable experience at the National Convention.

## Senator James Tsui

I am pleased to send my warmest congratulations to all the Junior Chamber International Hong Kong members on this occasion of the 55th National Convention. I would like to take this opportunity to extend my best wishes to 2020 National Board of Directors and our Chapter Presidents.

We are very fortunate to participate in this year's National Convention since this is very important and meaningful to our JCI Hong Kong. We continue to improve and innovate, just like our theme of the 55th National Convention, "We Commit, We Advance". We hope that through all talented young people in our chapter members, we will use actions to promote the progress of our society. HKJC foundation will also provide help and work with our chapter to achieve the goals.

As the global COVID-19 pandemic continues to add pressure on our societies, I want to take this moment to appreciate and thank our National President Maric Cheng and Chapter Presidents for their efforts in the past months. Even if those activities are affected by the virus, they can all adapt to changing circumstances as demonstrated by their leadership. And also the JCI members are coordinating with team leaders and facing the challenge together so that the activities could be held successfully in different ways. This is something I appreciate very much. We have truly achieved this year's theme, "We Commit, We Advance".

On behalf of the HKJC Foundation, I wish all the JCI members a remarkable year in 2020.

Congratulations to JCI Hong Kong on its 55th National Convention!

I hope this message finds you and your loved ones safe and well. During 2020, we have been confronted with unexpected challenges due to the continuous evolvement of COVID-19, but our Jaycee spirit and friendship have brought Alumni Club stimulation when we faced ambiguities over unpredictability.

The JCI Hong Kong Alumni Club Executive Committee has been working hard to organize activities persistently, with the hope that the events can be launched. It was fortunate that the Luncheon hosted by Honorary Patron Past JCI President Senator Jennifer Yu and JCI Honorary Advisor Senator Sonny Yu for 2020 Executive Committee, Past Alumni Club Chairmen, Senior Member Club Chairmen and Coordinators was successfully held on January 11. Unfortunately, the Chinese New Year Bonanza was first to be cancelled, and followed by other events during the first half of the year. The cancellations unaffected the strong will of Executive Committee Members, they moved positively onward to organize other functions, wishing that Hong Kong will be back to its normal routine shortly. Two upcoming activities are in full swing — the Cultural Exchange with JCI Macao Senior Member Association will be held on October 18, and the 23rd Anniversary Dinner" 資深夢 • 樂園 "will be held on December 5.

The JCI Hong Kong Alumni Club has a total of 721 members by the end of July 2020. We believe that by participating in JCIHK National Convention will provide opportunities for senior members and current members to cultivate fellowship, and new leaders from all Chapters to exchange ideas. Furthermore, it is inspiring to witness the graduation ceremony of senior members at the Awards Ceremony of the National Convention.

My heartfelt gratitude to my mother Chapter and National Convention Hosting Chapter --- JCIHK Peninsula, and thanks to National Convention Director Senator Kelvin Lam and his COC for their dedicated organizing work and I wish National Convention all the success!

## National Convention Director

## Senator Kelvin Lam

Welcome to the 55th National Convention of JCI Hong Kong!

It is my greatest pleasure and honor to represent JCI Peninsula to serve as the Convention Director for the 2020 JCI Hong Kong National Convention. JCI Peninsula hosted the last Convention in 2003, we are extremely excited to be the hosting chapter 17 years later. With over one year of preparation, this project has given our members fantastic learning opportunities. In return, my team and I are committed to running an unique and memorable Convention for every delegate, and I hope you can feel the passion coming from all members of my team.

National Convention is one of the most important annual events of JCI Hong Kong. This year, we have organized a 2-day event covered with insightful meetings and seminars, allowing us to get together and share our joyful and successful experiences in organizing projects, chapter management, etc. Also, at the General Assembly of the National Convention, we will elect the national officers of JCI Hong Kong who will lead our organization the year after.

**"We Commit, We Advance"** is the theme of National Convention this year. We truly believe that when we commit more and more in JC platform, we will improve and advance in personal skills, social networking, etc. Over the past 365 days, our team has been operating under the mentality of "Hope for the best and prepare for the worst" and we have prepared many contingency plans and different arrangements to cope with the global pandemic of COVID-19.

I would like to take this opportunity to thank our Guest of Honor The Hon Caspar TSUI Ying-wai, JP, all sponsors and delegates for their support to the 55th National Convention. I would also like to extend my wholehearted thanks to National President Senator Maric Cheng, National General Legal Counsel Senator Jessica Lee and National Secretary General Mandy Lam for their invaluable support and advice. My sincerest gratitude goes to all NOM Officers and LOM Presidents for their full support.

Furthermore, I would like to express my heartiest gratitude to my mother chapter, JCI Peninsula and President Jonathan Chan for their encouragement and motivation. Last but not least, I must send my deepest appreciation to all members of my mother chapter, and especially to the core NC Team and Advisors, who made huge efforts in preparing the programs and logistics. Running a project spanning over 12 months is not an easy task. Every single one of you contributes to the success of the convention! A Big salute to my team – YOU are the best!

On behalf of the Organizing Committee, I hope you all enjoy every moment of the National Convention and wish you all a glorious year in 2020 and year ahead. Let's keep learning and "Lead Connect Achieve"

Each JCI Member shares the belief that in order to create lasting positive changes, we must improve ourselves and the world around us. We seek targeted solutions to the unique problems in our communities to build a better world, creating global impact.

## CREED

We believe that "faith in God gives meaning and purpose to human life; that the brotherhood of man transcends the sovereignty of nations; that economic justice can best be won by free men through free enterprise; that government should be of laws rather than of men, that earth's great treasure lies in human personality; and that service to humanity is the best work of Life"

## MISSION

To provide development opportunities that empower young people to create positive change.

## VISION

To be the leading global network of young active citizens.

## HISTORY

Our global organization of 200,000 young active citizens grew out of the vision of one St. Louisan more than 100 years ago as a constructive approach to civic problems. Founded in 1915 in St. Louis. Missouri, USA by Henry Giessenbier Jr., the movement spread, and Junior Chamber International was founded with eight other countries in Mexico City on December 11, 1944. 2020 PRESIDENT Itai Manyere is from JCI Zimbabwe.

## HEADQUARTERS

The JCI Headquarters was established in 1951 and was located in Coral Gables, Florida, U.S.A., since 1969. In 2002, the JCI Headquarters was relocated to Chesterfield St. Louis, Missouri, U.S.A., where the first local organization was founded in 1918. A professional staff of 20 full-time employees provide services to JCI members. Its chief executive officer is Secretary General Kevin Hin.

## INTERNATIONAL EVENTS

The 75th JCI World Congress will be held in Yokohama, Japan from 3rd-7th November 2020. The winners of the Ten Outstanding Young Persons of the World (TOYP) Program are announced each year at the JCI World Congress. The program honours up to ten young individuals who best exemplify the finest attributes of the world's young people. JCI also hosts 4 regional conferences each year to conduct its business and trainings as well as address items of concern and global issues.

## JCI CORPORATE SLOGAN

Be Better embodies the spirit that all JCI members share and the purpose stated in our Mission: to create positive change. JCI members constantly seek ways to live this concept. They not only believe that improvement is possible, they but also see it as their responsibility to initiate positive change both in themselves and in their local community. They seek solutions to the problems they see around them to create better nations, better environments and better societies. They also know that true lasting change starts from within. They learn through their experiences, becoming better citizens and better leaders with better skills to create a better future.

## JCI OPPORTUNITIES

JCI can be called an organization of opportunities. The opportunities available within JCI are so numerous that it could take a lifetime to grasp them all. Most members select those which cater to their particular needs and make the most of them. Basically, there are four of the opportunities within the organization: Individual, Community, International and Business. Projects are conducted in each Area. As the members work on these projects, they encounter opportunities for total development.

# LOCAL CHAPTERS OF JCI HONG KONG

## JCI Victoria

JCI Victoria has been serving as a leadership-training platform to encourage young people to be active citizens and create positive change in areas like individual, international, community and business for the past 69 years.

Over the years, JCI Victoria has been organizing impactful projects for the betterment of the community and our members (Victorians). Through various avenues, different opportunities are provided to Victorians to polish their leadership skills, foster social responsibility, motivate entrepreneurship, and encourage fellowships amongst Victorians.

In 2020, marking the 70th anniversary of JCI Victoria, we will continue to serve the society through our projects, including the flagship projects, the 31st"Grandparents' Day", the 14th "innoBrand", and our new project "SDG Share Love•Love Sharing - SDG Enterprise Awards". Apart from "Serving the Society, Training Ourselves", Victorians will also able to participate in various international conferences to meet with JCI members in other counties, and take part in a series of leadership development workshops to enhance their personal growth.

"V Bond with the Next" is our slogan in 2020. We believe that through our unity and strong bonding, we can preserve and pass on our heritage to the new generation in the next decade. In 2020, we will continue to motivate our members to uphold the JCI Mission & Vision, and nurture young active citizens to become future leaders through Jaycee movements, which aligns with the 2020 theme of JCI Hong Kong, "Lead, Connect, Achieve".

## JCI Kowloon

Established in 1965, JCI Kowloon was the second most senior chapter among the 21 chapters of Junior Chamber International Hong Kong. JCI Kowloon has seven Sister Chapters. With our international network, it's a great way to meet new friends overseas and gain international exposure.

Year 2020 marks the 55th anniversary milestone of JCI Kowloon. Over the years, JCI Kowloon has launched a number of impactful projects for the betterment of the communities and members development. Our members share a passion to challenge and develop themselves. Through the unique platform of learning by doing, we are not only enhancing personal enrichment but also advancing professional careers.

Our flagship projects continuously drive for creating long-lasting positive impact in the community. "Together We Care" aims to raise awareness of children's mental health. The key objectives of the project are to educate parents and children the proper solutions to handle emotional stress; and to encourage in-depth and quality communication between parent and children. We have introduced a series of seminars on this topic. Moreover, we have developed an educational board game addressing empowering family communication. "Leaders of Leaders" is a newly launched leadership development training program in 2020. Education plays an essential role in the competitive world. ## JCI North District

JCI North District was established in 1985 due to the initiative by the North District Government Office of introducing the spirit of JCI into the North District of Hong Kong. This year, JCI North District will celebrate our 35th anniversary on 22nd November.

Through engaging young people into the management of different projects and activities, we aim to empower them to have self-improvement while serving the society. In 1988 and 1998, we expanded our international network with the sister chapters from Taipei and Naha, Japan. We three chapters collaborate closely and take turns to hold the International Children's Cultural Exchange Camp every year. Besides, JCI North District has a strong connection with Zhuhai Youth Federation since 1995.

Our flagship projects include Hong Kong Silver Tongue, Game or Gambling, Green Office Award Labelling Scheme and Lamplight of Peace etc. Hong Kong Silver Tongue celebrated its 29th anniversary this year and it's a competition for the primary students to practise their listening, speaking, reading and writing skills of bi-literacy and tri-lingualism (English-Chinese and English-madarin-cantonese). Noticing and worrying about young people's addiction to online games, Game or Gambling aims to arouse public's attention to the addiction and will propose methods for parents and teenagers to treat it properly.

Besides the flagship projects, JCI North District also holds temporary projects when there is emergent need. In January of this year, we have initiated a project for mask donation for the elderly people under the tension of COVID-19. When it ended mid-March, the project successfully raised more than 14,400 masks and they were given out for free to the elderly in North District.

# SEEN CERE 善視

近視、遠視、散光、老花等都是都市人常見的眼睛視力問題，定期找視光師驗眼，選配一副合適的眼鏡，幾乎是你我日常生活中的「指定動作」。然而，對於行動不便的社群，到眼鏡店配眼鏡並非容易的事情。

## 愛護眼睛。善待視力

社會一直存在着無障礙驗眼服務的需要，「善視眼鏡店」的視光師，希望透過這間小店，爲行動不便或輪椅人士，提供全面的視力、眼睛健康檢查，店內特別增設無障礙驗眼設備，如手提式電腦驗眼、流動驗眼圖等，實現無障礙視光檢查和驗配眼鏡。
