MESSAGE
The Guest-Of-Honour

Mr Chan Soo Sen

I congratulate the Junior Chamber of Singapore on your 30th National Convention. The theme for your Convention "Entrepreneurs In Action", is both inspiring and relevant.

Singapore is remaking itself to face the new world. The government is remaking our business environment to encourage more entrepreneurship. Only when we are prepared to venture into unfamiliar territories ahead of our competitors could we be the first to benefit from new opportunities.

Entrepreneurship is not only about new ideas and innovations. It is also about convincing others, including venture capitalists and customers, to believe in your ideas and innovations. It is also about pioneering new ways to succeed in the new environment. It certainly is about perseverance and learning from mistakes.

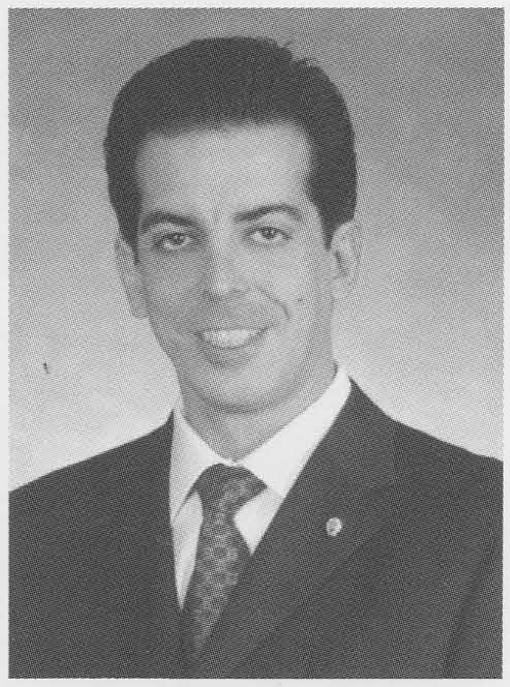

Members of Junior Chamber of Singapore are young, aged between 21 and 40. I hope some of you will take up the challenge, make a wish, and strive for it. Tomorrow belongs to you. We look forward to you and your enterprises putting Singapore in the international map of excellence.

I wish you success in your 30th National Convention.

Yours Sincerely

Chan Soo Sen
Minister of State,
Prime Minister's Office &
Ministry of Community
Development and Sports.

I would also like to remind each and every one attending, to seize the opportunities offered by this upcoming National Convention, to learn and share your experiences, build new friendships and consolidate old ones, so as become and remain real "Entrepreneurs in Action".

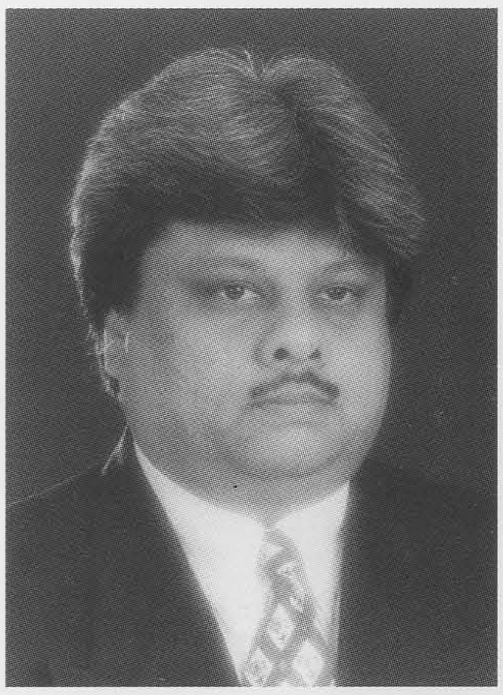

As we strive to lay solid foundations for tomorrow's young people, remember that you can count on my full collaboration and that of the 2002 JCI team members.

MESSAGE

JCI-Executive Vice President

JCI Sen. Marcelo N. Fernan Jr.

I am happy to extend my sincerest and warmest greetings to the officers and members of Junior Chamber Singapore on the occasion of your 30th National Convention.

Through the years your NOM has developed members who have excelled in their different fields of endeavor, may it be in government or the private sector. A clear sign that they have been good Jaycees, living up to the ideals of the Jaycee Creed. Thus contributing to the advancement of the community.

Our challenges today are a lot different from challenges when you started your Jaycee movement in your country. But with the continued growth of your organization, you will give opportunities to young men and women in taking advantage of what they will learn from the Jaycees. Sustaining the growth and development of your organization and community – A true essence of "Entrepreneurs in Action".

As you mark a milestone in the history of your NOM, let us extend our gratitude to those who have dedicated their time effort in moulding the organization to where it is now. May you continue to inspire new and young members to strive harder for the organization.

I congratulate the present national board headed by National President Gina Lim and I wish all the best to your successors.

More power to Junior Chamber Singapore!

Theme : Entrepreneurs In Action

Greetings to the local and foreign delegates attending the 30th National Convention of JCS.

There have been much news lately featuring many young entrepreneurs and potential entrepreneurs in multiple fields of endeavor, tapping into markets with the funding and spending capacity never before seen in past generations.

It is certainly one of the biggest advantages for our young in this era – have the capacity to dream and the opportunity to go beyond the boundaries to which preceding generations were shackled with. In this respect, I would like to call upon all of our young members to take advantage of what the JCI Movement can provide:

- A developmental resource, rich in experience and diversity
- Experienced Consultants and advisors that are dedicated to helping you succeed
- Opportunities to network with captains of Industries from a myriad of countries
- Training in necessary Management and Business development skills and
- A resource for your developments through the Movements established - Peer Support system

Through all that we, the Jaycee's can do for you, the final decision, really, rests on your shoulders!

The future entrepreneurs like yourself, have to look first discover your strengths and weaknesses and what truly interests you. Decide then, and move with the utmost conviction that you are going to make that difference for yourself and the society that we all, eventually serve. The road in which you travel, may have to be constructed over time while you traverse it, but take heed, once completed…….. the traffic; Your traffic!! ……will flow.

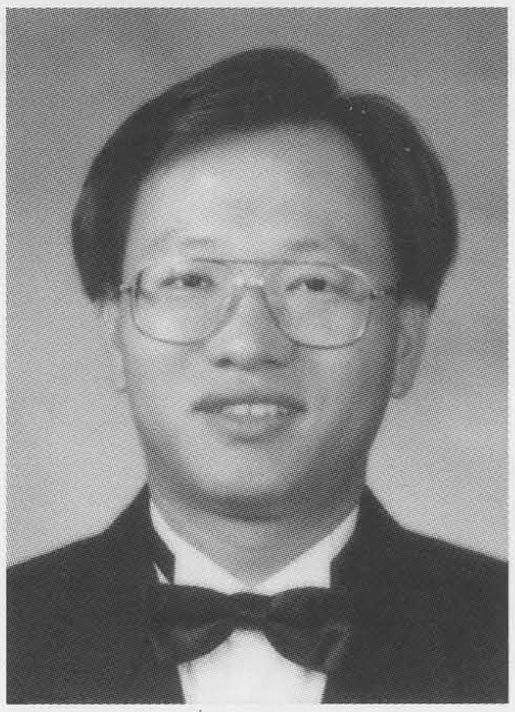

I congratulate all delegates for daring to dream and for taking up the responsibilities to serve our community via your various programmes and initiatives. I hope that one day, you too, will be featured largely, as an inspiring Entrepreneur " or community leaders.

Patron, Junior Chamber of Singapore

JCI Senator
(Dr) Derek Goh

I am honoured to be invited by the Mandarin Junior Chamber to contribute a brief message in the convention magazine and participate in the Entrepreneurs-In-Action Seminar in conjunction with the 30th National Convention of the Junior Chamber of Singapore (JCS).

I wish to congratulate JC Jimmy Koh, President of Mandarin Junior Chamber and JC Hew Kok Keong, National Convention Director for taking up the challenge to organise the 30th National Convention with the official theme, "Entrepreneurs-In-Action" on 5th and 6th October 2002 at the Amara Hotel.

The theme is both timely and as it is in line with the Entrepreneurship and Internationalization Sub Committee's (EISC) recommendations and the Junior Chamber International's (JCI) theme for year 2002.

May I urge all Singapore Jaycees and the Natcon delegates to actively participate in the proceedings of the National Convention, especially the Theme Day Seminar and Forum.

Junior Chamber of Singapore is affiliated to the National Youth Council (NYC) and National Council for Social Service (NCSS), as well as the Junior Chamber International, a worldwide Youth Leadership Development Organization with 400,000 members between ages 21 to 40.

It is opportune for the National Board (NOM) of the Junior Chamber of Singapore to reactivate the Jaycees Business Network (JBN), which was launched in 1997, to promote Entrepreneurship and Entrepreneur Development Programmes in partnership with government agencies, professional institutions, business bodies and Youth Organizations.

Let me take this opportunity to congratulate JCI Senator Gina Lim, National President of Junior Chamber of Singapore 2002, and her National Board for a successful Jaycees Year in 2002.

Yours in Jayceeism,

JCI Senator (Dr) Derek Goh

The Formation and Development of Junior Chamber of Singapore

THE BEGINNING

Singapore first heard of the Junior Chamber movement at a Rotary Luncheon at Adelphi Hotel in October 1949. The then JCI Vice-President for Asia, Gregorio M. Feliciano, was describing in moving terms a civic organisation which was capturing the minds and hearts of young men around the world. The meeting heard that the Junior Chamber had been established in Manila. Philippines on December 20, 1947 with an initial membership of 18 members. On September 3, 1949, a Second Asian Chapter was established this time in Japan.

Covering the luncheon was a reporter from "Malaya Tribune", Ted Goh Tuck Chiang, who with other non-Rotarians further queried Feliciano on the aims and objectives of Junior Chamber. Feliciano told them that the Junior Chamber could inculcate civic consciousness among its members through active participation in constructive projects designed to improve the community. the notion and the world. Ted and the others were so inspired by Feliciano that they held a discussion on their own at Washington Café, Bras Basah Junction of North Bridge Road. These inspired young men then went round, recruiting like-minded people. They went more for executives (managing directors etc.) rather than "junior" executives because they needed not only organisational ability but also members who could subsidise the projects that they would be implementing. Their hard work culminated in the formation of the Singapore Junior Chamber of Commerce on December 8, 1949. The 30 or so young men gathered together to elect Ted Goh as the first President of the Singapore Junior Chamber of Commerce.

To learn more about the Jaycee movement, the Chamber sent representatives to the Regional Conference of Asian Jaycees in Hong Kong in 1951.

Ted Goh's initial efforts at getting the Chamber going came to a standstill with his departure to the States for further studies in late 1951. Founder members who faced personal difficulties stopped coming to the Chamber. Only one sole delegate attended the VI World Congress in Montreal.

FORMAL AFFILIATION

In August 1952, with the return of J.S.Lee from the VII World Congress, the Chamber comprising 8 members, revived its activities. The President then was Frank Wakerman who was also President in 1953 when three members attended the 3rd Asian Regional Conference in Manila. Later in the same year a sole representative attended the VIII World Congress at San Francisco. This Congress is significant at the formal affiliation of Singapore Junior Chamber of Commerce into Jaycees International (JCI).

The organisation later changed its name to Junior Chamber of Singapore and in 1975 it became known as Singapore Jaycees.

EXTENSION PROGRAMMES

Membership and extension programmes were aggressively introduced in the 1970's, thus moving slowly towards a multi-lom organisation. The Singapore Jayceettes (ladies chapter) founded in 1971 was affiliated to the Junior Chamber of Singapore in1972.

In 1973 on the advice of Mr. Royce Pepin, the JCI World President during his visit to Singapore, the name "Singapore Jayceettes" was changed to "Orchid Jaycees" pending the approval of the Registrar of Societies. The change in name was to avoid confusion as the word 'Jayceettes' refers to wives of Jaycees. The Singapore Jayceettes was an independent organisation insofar as the Constitution & Bye-laws are concerned. This gave rise to problems of presentation to JCI. The solution was then for the representatives of the Junior Chamber and Orchid to draw up the National (NOM) Constitution.

A pro-tem NOM committee was formed in 1973 which also recommended the creation of two new chapters (LOMs)-Serangoon and Jurong. With the formation of these two new LOMs, a fresh submission of the constitution of the four LOMs were made to the Registrar for approval in late 1973.

On 2 April 1975, the Registrar of Societies formally gave us a reply which included also a guideline on the desired constitutional structure. Jurong and Serangoon merged to become a new chapter - Merlion Chapter, Singapore Jayceettes was officially dissolved becoming the Orchid Chapter. The founding chapter became known as City Chapter.

NOTE : Singapore Jaycees has been a NOM-LOM since 1949.

文华是在1984年最后一次负起筹办长年大会的任务。

相隔 18 年，文华全体会员都为这次能重新挑起这项任务而感到高兴与骄傲！

文华一定会不负重望，成功的把整个大会于不同的型式与姿态展现出来，让所有青商会友对这次大会有耳目一新的感觉。

今年文华最大的目标是要：(一)积极增加会员、(二)加强会员之间的凝聚力、(三)提高会员对文华的信心与归属感、(四)巩固文华的架构使她不断的成长、(五)把文华融入总会这个大家庭里，拉近与其他分会的距离，与她们并驾齐驱，为整个青商与社会作出贡献。皆于此目标，文华今年为总会筹办了两项大型活动，年初的交接典礼与这次的长年大会。这是个很好的尝试，也是我们为争取筹办2007年亚太大会的一个好的开始。

我谨代表文华感谢总会给我们这个机会。我也非常感谢邱国强会友与他的工委会的所有成员的献身精神。我要特别感谢所有支持这项活动的所有青商会友及嘉宾，谢谢！

RAINBOW LINES

Within us all lies a dream,
look it in the eye
Don't deride your place on earth,
make your peace with love
Within us all lies a dream, do you dare deny
Hold it, mould it, find strength to grow it,
then share it dreams multiply

This road through life I stride,
I don't feel alone
Uncertainties I don't hide,
destiny I'll create my own!

Earth has changing season colours,
life too has its ups and downs
Failure's success appetizer, how can I just give up now?
The line separating dreams and life, is my very own divide
Do dreams exist in the sky? Draw connecting rainbow lines
Rainbow lines.

Lyric by Karen Leong

dedicated to all Junior Chamber members.....
in their pursuit of their dreams.

一道道彩虹

我们有一个梦 要与你去追崇，
让世界结满爱的果，开满和平的花朵。
我们有这个梦要与你来感动，
每个人都自己有收获，
再把幸福种子散播。

走在这条路，不会再孤独，
没有顾忌，创造出新天地。

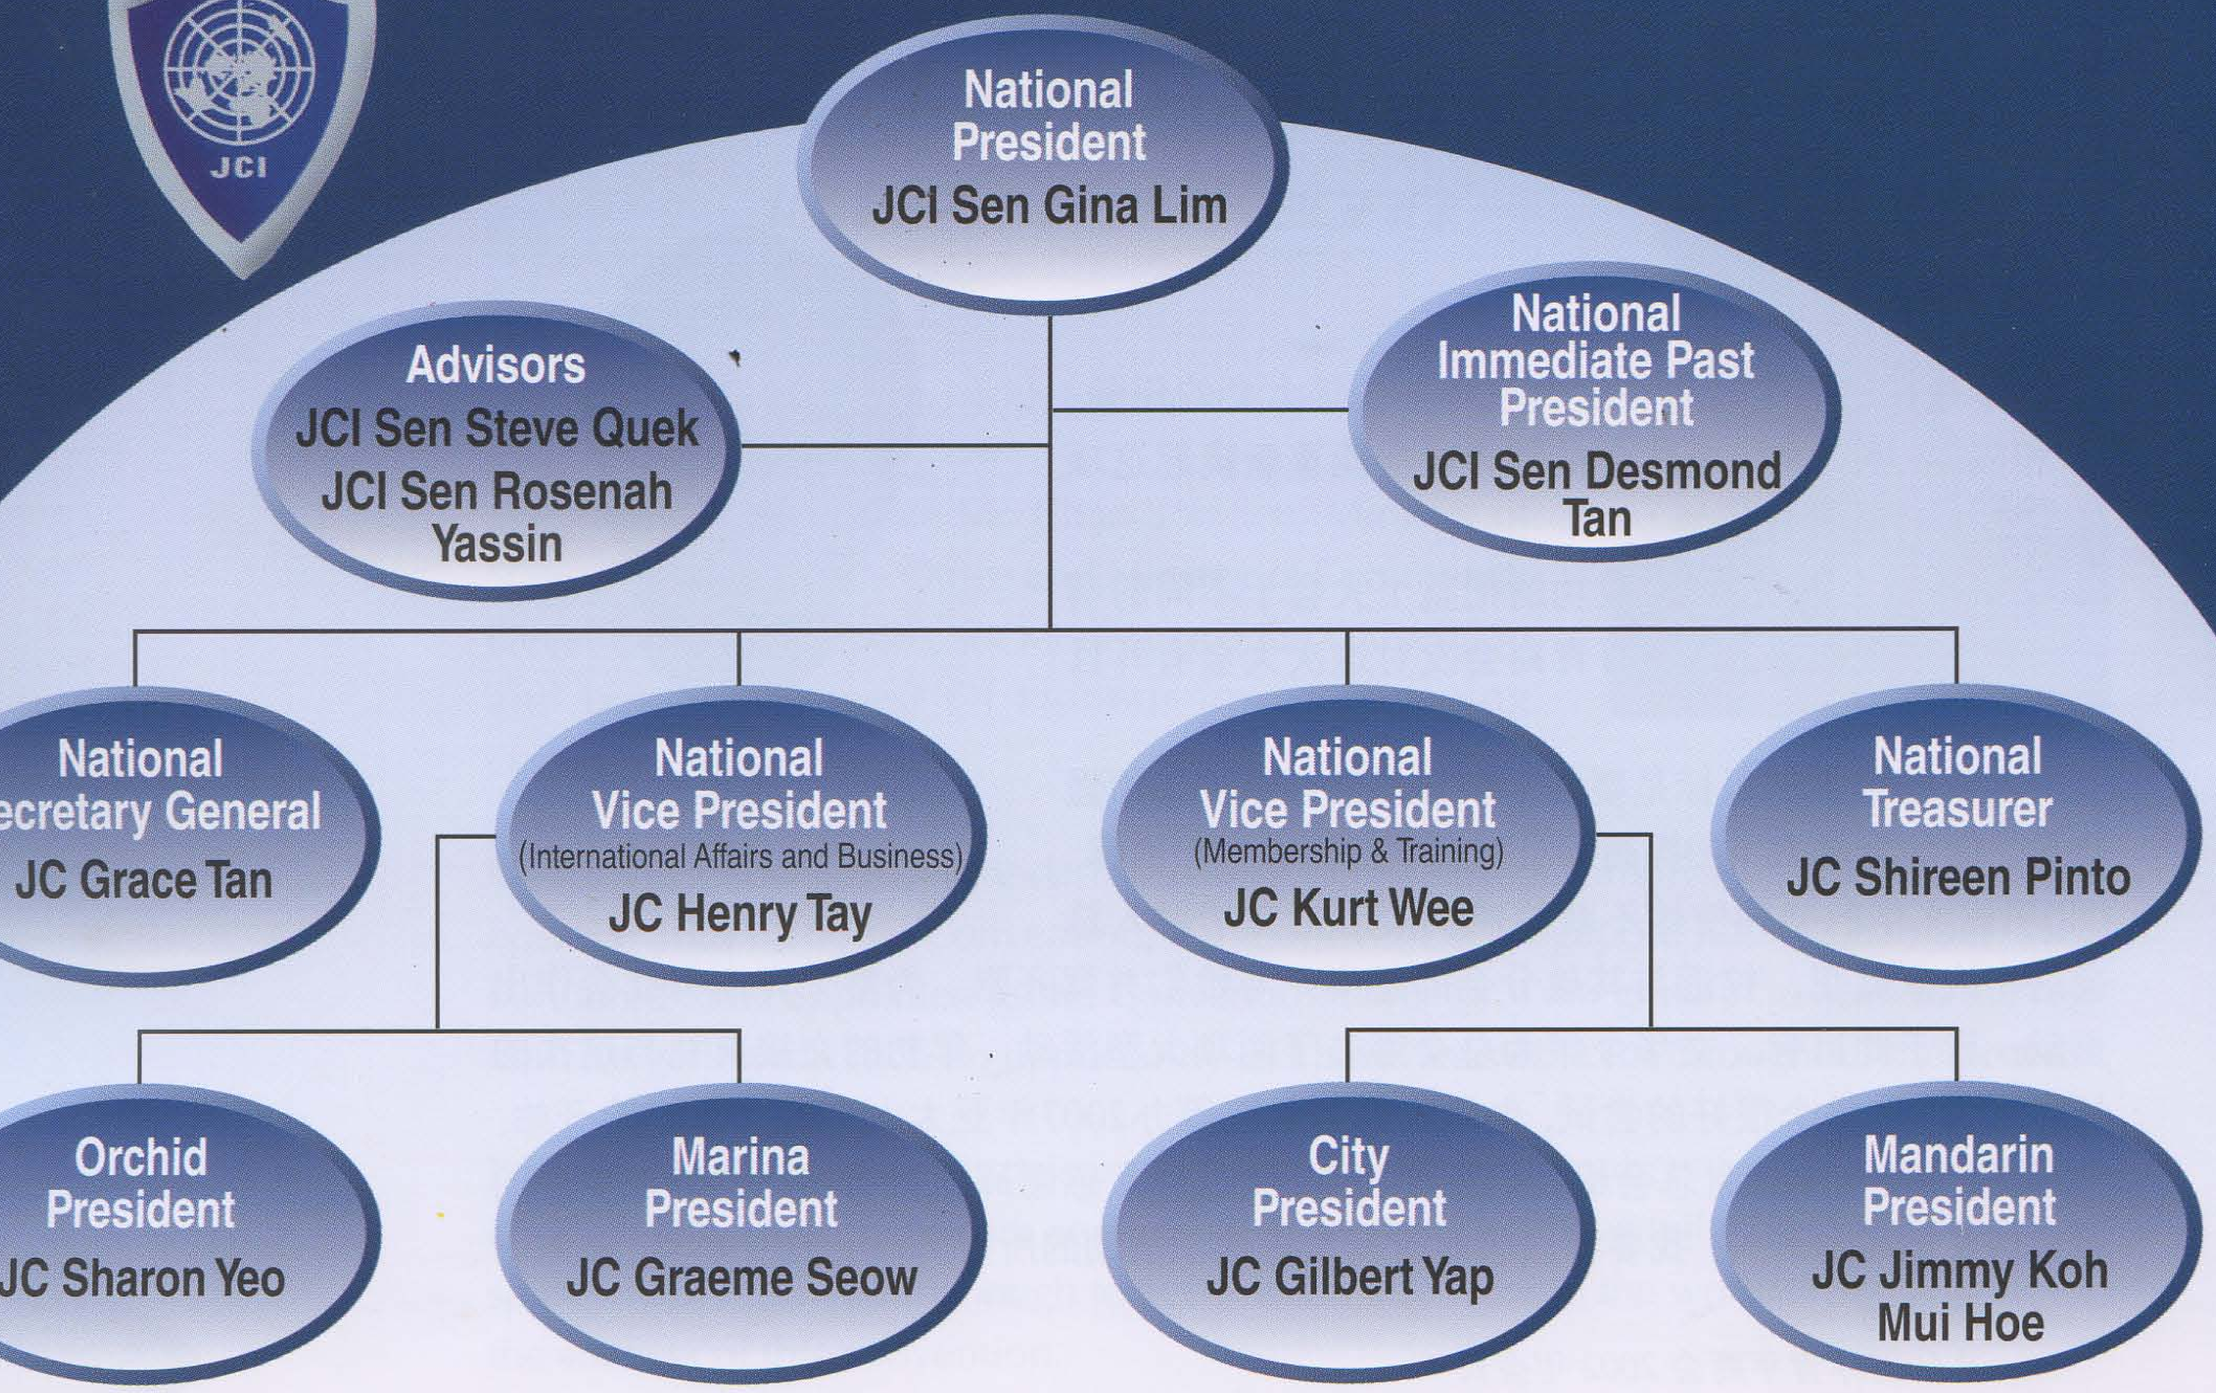

世界时刻在改变，
人生起落总难免，
没有失败哪有成功，
再多努力不放松。

世间没有大不同，
人生一样是一场梦，
梦里寻找一片天空，
画出一道道彩虹，
一道道彩虹。

- T3 Magazine

Terapin CD Video Recorder

Memories are meant to last forever, not to turn moldy after a few years.

The Terapin CD Video Recorder is as easy to use as a VCR. All you need to do is to put in a blank CDR or CDRW and you can record straight from your camcorder or transfer old recordings from video tapes to Video CD. You can even convert your old audio tapes to audio CDs! Play the Video CD on all multimedia computers, CDR/CDRW-compatible VCD and DVD players, and of course, the Terapin CD Video Recorder.

Unlike tapes, CDs don't jam and require minimal maintenance. Your memories on CD can be played again and again without the risk of deteriorating. Don't wait until your tapes turn moldy. Now you have a way to make your memories last forever.
