The JCI Creed

We believe

That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the best work of life.

History of the Creed

The year was 1946; the place, Milwaukee, Wisconsin, U.S.A.; the event, the United States Junior Chamber National Convention. Visitors came from Canada, Mexico, South America, Europe and the Philippine Islands. It was here that the idea of a JCI Creed was born.

Past President of the Ohio Junior Chamber and National Vice President of the United States Junior Chamber C. William Brownfield realized at this convention that the organization did not have a Creed. He was inspired by the devotion of Junior Chamber members "to the purpose of serving mankind in a thousand different ways, right down at the grass roots where freedom lives or dies."

Brownfield saw Junior Chamber as "the potential for a new force in the world, one capable of changing the balance between victory or defeat for our chosen way of life in a time of crisis."

The actual writing of the Creed took place in July 1946 during a drive from Brownfield's hometown of Columbus, Ohio, to his coal mine in New Lexington, a journey of about 75 minutes. He started that journey with a firm conviction in his mind to work on the Creed. It was during that trip that the following words came to mind and were put on paper:

The brotherhood of man transcends the sovereignty of nations.
Economic justice can best be won by free men through free enterprise.
Government should be of laws rather than of men.
Earth's great treasure lies in human personality.
Service to humanity is the best work of life.

In 1950 the first line, "We believe that faith in God gives meaning and purpose to human life." was added.

Since it was written, Junior Chamber members all over the world recite the Creed at local, national and international meetings and functions. During that time there has been much discussion of the interpretation of the Creed. The author himself said, "Every Member is free to interpret the Creed in the light of his own conscience."

Message from **National President**

Junior Chamber International Hong Kong

I am proud and honoured to have been elected to the presidency of this organization. I realize the weight of responsibility for the organization's well being that now devolves on me and I pledge that I will do my utmost to fulfill it. I am profoundly conscious of how well my friend and predecessor, Senator Timmy LEE, bores his responsibility; and on taking up this office. I would like to pay tribute to the determination with which he and all 61 Past National Presidents upheld the interests of the organization.

Now JCI Hong Kong has taken its place as one of the best youth organizations in Hong Kong that are pioneer in addressing social concerns. Projects launched in past years addressed the social issues in birth control, child education, disabled equality, elderly care, diversify sectoral economic growth, green economy, refugee issue, CSR education, constitution development, sustainable development, youth development, cultural development and all what the society needs. JCI Hong Kong has also earned admiration for the continuous success in developing outstanding young leaders with best international exposure who face and overcome challenges with courage and ingenuities.

JC movement never stops. Hong Kong's economy and youth employment is weakened by global downturn and local narrowed industry sector development. Entrepreneurship and opportunities are limited by the high property price. Health of citizens is in threat by long working hours. Confidence on education policy is fragile. Safety and security is alarmed by the accidents in urban decay areas. Sustainable development is in primary educational stage. New immigrants, ethnic minority and the disabled are in high demand of social care. Social capital network is still under initial development.

Today, not only myself, but all 261 board members of National and 19 Local Chapters are installed, committed and empowered to lead members and young active citizens in Hong Kong to create impacts to our community and region through hundreds of initiatives in the coming 12 months.

Every year, members of JCI Hong Kong organize more than 300 projects. In addition to the flagship Ten Outstanding Young Persons Selection, JCI Hong Kong continues to take the lead in building a better Hong Kong and a better world by organizing "Better World Projects", which echo the United Nations Millennium Development Goals. Members will have stronger bond with mainland through series of exchange programs especially 2012 is the 15th anniversary of handover. Moreover, we will introduce United Nations Global Compact to Hong Kong for our continuous expansion of "Better World Company" and "Better World Schools" to create united force for our community.

WE DECIDE OUR FUTURE

2012 is an international year of JCI Hong Kong. With the trust from all the nations in Asia-Pacific, JCI Hong Kong is honoured to host the JCI Asia-Pacific Conference to strengthen the strong JCI global network in the region. Hong Kong young people, as well as all the young active citizens in the Asia-Pacific will be united in town to exchange ideas, gain a global perspective and bring what they learned back to their home organizations while seeing the world in the process. All Hong Kong Jaycees, let us be the best host!

The only real training for leadership is leadership. We will continue our full trust and confidence to our young people by providing best development opportunities and empowering them to address social issues. I am confident that JC movement in Hong Kong will continue to flourish and grow in this new climate, to find new solutions.

"We Decide Our Future", our decisions and action today decide the future that we and our next generation face. I hope we can proudly present the efforts that we place today will create betterment for the future of the city when we look back after 5, 10 or 30 years.

As National President, it will fall to me, with your support and guidance, to lead the many-sided efforts of your JCI Hong Kong. I pledge again that I will do all I can to contribute to their success, to provide the best development opportunities to members, and to make the future of JCI Hong Kong and this city a bright one.

It will be my purpose not only to maintain our present level of development but also to unite HKSAR Government, Central People's Government, private entities, NGO partners, young people and the community to further progress so that our next generation of Hong Kong will find Hong Kong an even better city to live in.

This, ladies and gentlemen, will be my object in the year ahead.

Last but not the least, I would like to extend my sincere gratitude to our Guests of Honor, Mr. Steven Lam Sui-lung, GBS, JP, Chief Secretary for Administration of the Hong Kong SAR, Mr. Wong Zhi Min, Deputy Director of Liaison Office of the Central People's Government in the Hong Kong SAR, and Senator Bertolt Daems, JCI President to officiate the Inaugural Ceremony for JCI Hong Kong.

Junior Chamber International

Dear members of JCI Hong Kong :

I have no doubt that we have a great and successful year ahead of us with new board members of JCI Hong Kong in 2012.

I first would like to congratulate President Timmy Lee and his entire Board of Directors and Officers for an amazing 2011. The leadership and compassion for the JCI Movement you have shown will surely extend beyond the borders of the National Organization.

To President Stanley Ng and the incoming Board, the year 2012 will be another year of remarkable success. JCI Hong Kong is one of the stronger, dependable and more dynamic NOMs of our area, and in the world. Much is indeed expected for the year 2012.

It will be an exciting year for all members of JCI Hong Kong, as members throughout Asia-Pacific look forward to attending an excellent ASPAC conference this June in Hong Kong. I personally very much look forward to attending this ASPAC conference.

As a 2012 JCI Vice President assigned to your national organization, I would like to appeal all members of JCI Hong Kong to working hard to implement 2012 JCI Plan of Action and participating JCI events more active and effective. The challenges that we face today are more serious than ever. The world's climate is changing, its economy is in turmoil, there is civil unrest in other countries, and many other unfamiliar problems going on. This is the time when JCI is needed more than ever. We need to be Active Citizens, and do our part in creating positive change.

Now is the time for each and every one of us to take responsibility for the organization and the role we play in JCI. As we continue to grow the JCI organization, we must look towards the future as young leaders and imagine how strong our organization could be if we work together in every action.

Truthfully yours with JC Spirit,

Being a JCI Vice President originated from JCI Hong Kong, it is my greatest honor to deliver my sincere congratulatory message to all the members of JCI Hong Kong for your successful inauguration of the 2012 officers.

"Be Better, Engage more Young Active Citizens, Create Positive Change, Develop leadership and democratic values, Be Adventurous and Creative, Build Open and Honest relationships with Chapters and Community, Be passionate and determinate, Pursue Growth and Learning Opportunities, Deliver Happiness and Be Humble" are the 10 core values to be shared by the National Board of Directors and members of JCIHK in 2012. I strongly believe that these are the concrete foundations and important elements for JCI Hong Kong to be recognized as one of the best National Organization in the JCI family!

The JCI Asia Pacific Conference will take place in Hong Kong in June 2012 and it will certainly mark an important milestone of JCI Hong Kong. More than 4,000 young citizens of JCI from the Asia Pacific region will gather here to enjoy the exchange of cultures, businesses, technologies and to experience the brotherhood of man that transcends the sovereignty of nations. I am very confident that JCI Hong Kong will host another remarkable Asia Pacific Conference for JCI in 2012!

Dear Honored Guests and JCI Members,

I would like to extend my most sincere congratulations to JCI Hong Kong for 62 years of empowering young people and creating positive change. JCI uses the UN MDGs as a framework for creating positive change in the community. Many of these goals seem distant to us. However, we must always remember that the journey of a thousand mile begins with a single step. Remember that you, and you alone must decide to act. When you "Seize the Moment" and make the decision to act, you gain the power to create positive change in your life and in the world. I know that the 2012 committee will be able to build upon the success of previous years and bring JCI Hong Kong to even greater heights. I look forward to your amazing achievements in 2012!

Message from **Senate Chairman**

Junior Chamber International Hong Kong

As the 2012 Senate Chairman of JCI Hong Kong, it is my sincere honor to address you today.

Being a JCI Senator is a life honor given to members who have provided exemplary service to communities around the world. We are all proud of the contribution and devotion that our Senators have made to our beloved organization. Moreover, as Senators, we can do a lot for our organization by rendering our support, sharing valuable experiences, and mentoring our members to make positive changes.

This year, JCI Hong Kong will host the Asia Pacific Area Conference. I am sure that, under the leadership of National President Senator Stanley Ng, the national board and the team spirit of the 19 local chapters of JCI, will ensure that JCI Hong Kong will have another progressive and memorable year.

I look forward to continuing my service to the JCI Hong Kong in 2012.

Timmy Lee

Message from **Chairman**

Hong Kong Junior Chamber Foundation

I have great pleasure in congratulating the JCI Hong Kong on its Inauguration Ceremony.

The Ceremony marks the official assumption of responsibilities of the new leadership teams at the National and the Local Chapter levels. I believe our leaders are fully committed to act along the oath taken, practicing leadership to advance the purposes of the JC organization in making positive changes to the Hong Kong community whilst promoting individual development.

It is also an occasion for engaging with stakeholders who have been rendering their unfailing support to the development of Jayceeism in Hong Kong. We are grateful to them for their valuable advice, close collaboration or generous sponsorship over the years.

The Hong Kong Junior Chamber Foundation takes cares of the pool of funds originated from the surpluses of JCI's international conferences held in Hong Kong. We manage and grow the assets prudently, and subsidise meaningful projects of the National and Local Chapter levels with our incomes. In particular, we have rendered support to the 2012 JCI Asia Pacific Hong Kong Conference scheduled for early June this year, firmly believing that this conference will bring significant benefits to our members in terms of opportunities in practicing leadership and project skills in the course of delivering a quality conference for thousands of delegates from the Asia Pacific region.

On behalf of HKJC Foundation, I wish you an enjoyable evening. I look forward to having another fruitful year for the JC organization in 2012.

Justin Lui

Message from **Senior Member Club Chairman**

Junior Chamber International Hong Kong

First of all, I would like to give my heartiest congratulations to all members who have taken the opportunity to hold office at various levels of our beloved JCIHK in 2012. It is such an exciting year for all of us that comes only once in decades, and a special year for Hong Kong SAR, JCIHK and Senior Member Club, as we will be celebrating our 15th year of Hong Kong's returning of sovereignty to China, our hosting of this year's ASPAC, and 15th anniversary of Senior Member Club.

For many senior members such as myself, we are experienced enough to be called seniors and attended various international events and gatherings, yet not long enough to experience the excitement of hosting an international meeting of the magnitude of an ASPAC. For some others who for various reasons could not participate in this wonderful international affairs opportunity that junior chamber provides, this year is especially precious for them to enjoy the dynamic atmosphere of international conferences, and welcoming guests from the Asia Pacific area and show them the hospitality that people from Hong Kong can provide. I believe it is an opportunity that all senior members should not miss, and a year that we can enjoy the four JC opportunities in full.

2012 is a special year, all board members of NOM and LOMs will have special experiences under the smart leadership of National President Senator Stanley Ng. May I wish you will all enjoy a fruitful year, and have a wonderful evening at the Inauguration Ceremony of our Junior Chamber International Hong Kong.

北區青年商會

會長
楊甘琳

一年伊始，大家在忙於計劃新一年度的大計之餘，也應該反思一下，自己為什麼會加入青年商會？這個組織能為我們創造怎樣的正面改變？

國際青年商會香港總會2012年的口號"We Decide Our Future"，正好提示了，我們的未來，香港的未來，就決定在自己手中。本人深信，在總會會長伍進超參議員的帶領之下，香港的青商會友不但能渡過精彩、光輝的2012年，也同時為我們的未來，奠下穩固的基石。

「敢想．敢動．北區齊起動」是北區青年商會的年度口號，意味著北區會友將會以創意躍動的思維，去開拓屬於我們的未來。

本人僅代表北區青年商會，祝賀國際青年商會香港總會的就職禮圓滿成功，並祝願香港能成功舉辦精彩非凡的亞太大會。

浩洋青年商會

會長
趙曉彤

浩洋青年商會2012年的口號為「我繫浩洋 Connect Every Ocean」，意思是希望藉著本會25周年會慶，青年社企創業者大賞2012，中港日台聯合工作計劃，與台灣姊妹會結盟與亞太大會的機遇，以日益強大的商界和社區網絡，聯繫每一位浩洋會友，藉著我們的創意、活力、團結，為自己和浩洋達到制高點，再創造新的價值和體驗。

要達到成為C.E.O(Creativity, Energy, Ocean)這個願景，擁有成功的會員基礎是最重要一環．所以本會希望加強會員間的聯繫外，更會以會員個人的發展為首要目標，全面強化新舊會員溝通機制，包括浩洋脈搏，網站與會員通訊等，另外加強和總會，亞太大會與其他團體的聯繫，擴闊會員的個人網絡，號召所有會友積極投入締結新的姊妹會與吹田姊妹會和中山友好會的聯合工作計劃等，使會員得以再擴闊其國際視野。

本會期望會員擴展在2012年底會達到75人的目標。而董事局將與會友一同努力去實現這個願景。

晉峰青年商會

會長
黎貞慧

本人在晉峰青年商會轉眼間已經踏入第七年，今年很榮幸可以擔任晉峰青年商會會長一職，個人來說團結及氣氛是最重要，現今社會上分化的情緒不斷高漲，好像忘記了求同存異的精神，希望可以由我們做起，培育一班充滿正能量的領袖，繼而引發社會一起找回同理心。

晉峰今年主題是“凝聚力量 培育領袖”， 藉著“烽火長傳”結合會內不同力量與大家分享成功之道和凝聚氣氛，並繼續舉辦旗艦工作計劃“第八屆中華兒女活動系列”和“第九屆尋找企業家的故事”，關心和回饋社會。

加上今年正值香港總會舉辦亞太大會，千載難逢的機會可以在香港與亞太區幾千位青商會員交流，作為香港總會的附屬分會，我們亦十分期待及支持，同時可與姊妹會”日本岐埠青年會議所”作每年交訪。

在此可以預見國際青年商會香港總會在二零一二中將會是一個充滿機遇及挑戰的一年， 亦將會是收獲豐盛的一年。

城市女青年商會

會長
周清心

「We decide our future」我們熱愛青商的工作、分享共同的理念，為未來訂立清晰的藍圖，今天我們在此許下承諾，共同努力實踐目標，為香港社會略盡棉力的同時，培訓更多青年領袖。城市女青年商會董事局定當全力支持總會會長伍進超參議員，並且協助總會推廣青商運動，鼓勵全體會員積極參與「香港亞太大會」，親身感受國際青年領袖組織的魅力。

「牽手．承傳」城市姊妹同步邁向五周年。憑著各位前會長的帶領及會友的齊心努力，我們的工作在香港以至國際青商都得到認同與讚賞。今年將延續「小手愛地球」、「全港時尚專業女性選舉」兩個旗艦工作計劃，關愛兒童、關注環保、讚揚女性的社會貢獻，是我們的工作目標，亦令社會人士認識城市女青年商會這個充滿愛心同活力的組織。

We seek targeted solutions to the unique problems in our communities to build a better world, creating global impact.

VALUE

We believe that "faith in God gives meaning and purpose to human life; the brotherhood of man transcends the sovereignty of nations; economic justice can best be won by free men through free enterprise; Government should be of laws rather than of men; earth's great treasure lies in human personality; and service to humanity is the best work of life"

VISION

To be the leading global network of young active citizens.

MISSION

To provide development opportunities that empower young people to create positive change.

HISTORY

Our global organization of 200,000 young active citizens grew out of the vision of one St. Louisan more than 90 years ago as a constructive approach to civic problems. Founded in 1915 in St. Louis, Missouri, USA by Henry Giessenbier, the movement spread, and Junior Chamber International was founded with eight other countries in Mexico City on December 11, 1944.

2012 PRESIDENT

JCI CORPORATE SLOGAN

Be Better embodies the spirit that all JCI members share and the purpose stated in our Mission: to create positive change. JCI members constantly seek ways to live this concept. They not only believe that improvement is possible, they see it as their responsibility to initiate positive change both in themselves and in their local community. They seek solutions to the problems they see around them to create better nations, better environments and better societies. They also know that true lasting change starts from within. They learn through their experiences, becoming better citizens and better leaders with better skills to create a better future.

JCI OPPORTUNITIES

JCI can be called an organization of opportunities. The opportunities available within JCI are so numerous that it could take a lifetime to grasp them all. Most members select those which cater to their particular needs and make the most of them. Basically, there are four Areas of Opportunities within the organization: Individual, Community, International and Business. Projects are conducted in each Area. As the members work on these projects, they encounter opportunities for total development.

INTERNATIONAL CO-OPERATION

JCI is an international Non-Governmental Organization (NGO) with active participation in the United Nations (UN) system. History of Junior Chamber International Hong Kong

Flashback 1950's - Practical Idealists pioneered the Jaycee Movement in Hong Kong

In late 1940's, Hong Kong was recovering from the Second World War. There were urgent needs and great opportunity for local community leaders to contribute to its social and economic development. The Jaycees thus found their role in the making of Hong Kong.

A group of dynamic young men of various nationalities and backgrounds, were inspired by Junior Chamber International to form the Hong Kong Junior Chamber (Jaycees).

With unbounded enthusiasm and tireless efforts, those pioneer Jaycees worked hard in different community projects and training program, and participated in a series of international meetings. It also opened its first office in the then Hong Kong Bank building.

Assessing the needs of the society then, these young men put ideas into action. Projects were put in hand which aroused civic consciousness among young people here. A novel project was the timely setting up of more than 30 children's libraries, including portable and mobile van libraries. This was one of the most prominent achievement much appreciated by the public.

Todd Opens Library

5,000 Books Donated By HK Jaycees To New Children Library

The Hon. R. R. Todd, Secretary for Chinese Affairs, opening the Children's Library at the War Memorial Welfare Centre yesterday, condemned the presence in Hongkong of dangerous literature intended "to arouse class hatred [illegible] instil the Communist ideology in the minds of e[illegible] of tender years."

5

Extracted from Standard-Sing Tao The Hon R Todd, Secretary for Chinese Affairs, opened the Children's Library together with acting Hong Kong Junior Chamber of Commerce President A de O Sales on Jun 12, 1951. Over 5,000 books were donated!

The first children's library was established in 1952 at the War Memorial Centre in Wanchai, followed by the ones in Shek Kip Mei and Yuen Long (Nixon Library). In 1955, Hong Kong Jaycees donated the first mobile Van Library to the Social Welfare Office under the Chinese Languages Department. As a result, thousands of children were given the chance to read and learn. The success of the project led to the first award for the Hong Kong Junior Chamber in the Melbourne World Congress in 1952. The children's library project was further developed into a scholarship program, helping those who wanted to learn.

Side by side with civic projects, there was keen interest in business pursuits too. The Jaycees held its first trade exhibition in Melbourne in 1952, and repeated the project elsewhere until the territory stepped up its official presence at numerous trade and industrial exhibitions in the years that followed.

In a move to broaden their vision and widen their horizon, pioneer Jaycees were also active in attending various Conferences and Congresses, not only Jaycees but other such occasions as well.

The experience gained led to the success of hosting the first and the fourth JCI Regional Conferences in Hong Kong in 1951 and 1954 which won community plaudits and put the Chamber in the forefront of Jaycees in the continent.

History of Junior Chamber International Hong Kong

A dream became a reality when President Colin J Ure signed the contract for the construction of the Jaycee Peng Chau Health Clinic in the presence of representatives of Peng Chau Rural committee. The designer of the clinic was Mr Peter Ng (the gentleman standing in the middle), an authorized Architect. He became our President in 1962.

The participation in, and the hosting of, international conferences, added a new dimension to the members and at the same time uplifting the regional exposure for Hong Kong. Hong Kong Jaycees quickly attained high international office from 2 Regional Presidents for Asia to JCI President in 1956 and Vice President for Commissions in 1957.

With wholehearted participation and genuine contribution by the Jaycee members, Hong Kong Jaycees earned wide international recognition in a few years. Jaycee activities were seldom out of the press and were extensively reported. Hong Kong Junior Chamber had a reputation in the community here.

At the same time, with the rapid development of Hong Kong in the 50s, it became apparent that facilities for the training of future executives were almost non-existent. Hong Kong Junior Chamber shown foresight and initiative in promoting institutional development. In particular, it took pride in its contribution to the formation of the Hong Kong Management Association.

Jaycees was therefore called 'catalysts' and 'pacesetters' locally. They were described by the then Governor Sir Alexander Grantham as 'Practical Idealists' - young men with high ideals put into practice by concrete projects for community betterment.

Undoubtedly, Jaycees in the 1950s laid down a solid foundation for the Hong Kong Junior Chamber to go forward with more growth and development while it won wide prestige in the community and high recognition in the Jaycee world.

The members still had the cherished ambition of bidding for a World Congress, a daunting task then without proper facilities and adequate funding. Plans were laid carefully soon afterwards as the new City Hall was being built. The bid won in a contest and so Jaycees had the unusual challenge of holding here the first worldwide meeting. The successful response was a sound organization with total membership involvement.

Flashback 1960's - Growth and Development

In the continuation of the relay, Hong Kong Junior Chamber stepped into its further developing stage.

Applying the experiences gained and together with the endeavor of the Jaycee members, the 17th World Congress of Junior Chamber International was, for the first time, held in Hong Kong in 1962. It was a grand and memorable event, widely covered by the media. The use of the whole new City Hall became the talk of the town. The success of which not only reaffirmed the social status of Jaycees in the community, but also was a confidence booster for each Jaycee member.

Two survey teams were set up to inspect the 23 children's libraries donated by the Jaycees in the past years to various organizations and schools. Eight of them had been selected for replacing some worn books and adding to their shelves some new editions.

History of Junior Chamber International Hong Kong

The handsome surplus from the Congress also led to the formation of the Trust Fund. It gave the Chamber a sound foundation which enabled the Jaycees to carry out many projects for community development with the confidence and helped it eventually to buy an office.

With the continual injection of new blood, Hong Kong Junior Chamber was restructured into a core National Organization Member (NOM) and 2 affiliated chapters of Victoria and Kowloon Jaycees in 1965.

JCI Regional Conference was hosted in Hong Kong again in 1966.

"A Better World Tomorrow Through Jaycee Training Today"- Theme of 1966 JCI Conference in Hong Kong.

To spread the Jaycee spirit, Jaycee Week program was also launched in the 60's to promote Jaycees to the public. The first Chinese speaking chapter (Peninsula Jaycees) and the first all lady chapter (Hong Kong Jayceettes) were then formed in 1969.

The coming together of members from various backgrounds provided the impetus for a diversification of community projects.

The Annual Dragon Seed Races shared our concern for the boat people in the Kowloon typhoon shelters.

The Miss International Goodwill Contest, and the later Miss Hong Kong Contest in the 60's were first initiated by the Jaycees and became an international friendship program which promoted the international goodwill and enhanced cultural exchange of Hong Kong.

The addition of more members and more projects, called for better communication, co-operation and administration. The introduction of management course and projects such as Anniversary Ball played an important role in answering to the needs.

The TOYP was first introduced by Hong Kong Junior Chamber of Commerce in 1970. His Excellency The Governor was the Patron.

Through such projects in 1960s, Hong Kong Junior Chamber became more concerned with membership development and began to strive for more opportunities in leadership training and to step up work for betterment of the community.

Flashback 1970's - Many First and Meaningful Projects

Stepping into the decade of the 70's and after the celebration of the Silver Jubilee Anniversary, it marked the beginning of an expansion in chapters and rapid increase in international awareness of their high standard of administration activities.

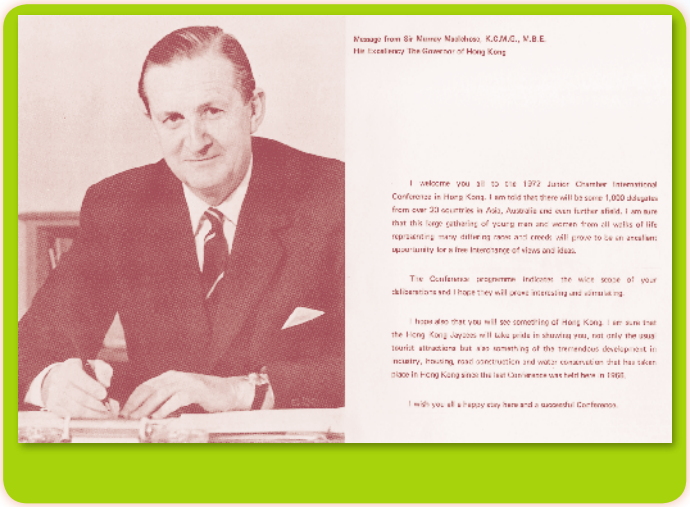

History of Junior Chamber International Hong Kong

It was a memorable period which had many encouraging rewards and meaningful projects carried out. Five more chapters were formed. JCI Asia Pacific Conferences were again hosted in Hong Kong in 1972 & 1979.

In 1974, during the World Congress held in Auckland, Hong Kong Junior Chamber won the first Local Organization Member (LOM) Award and the JCI Presidential Award and the JCI Presidential Award of Excellence in NOM management.

Three years later, Hong Kong Junior Chamber was awarded the JCI Presidential Award of Excellence for Outstanding Achievement in Chapter Extension with an increase of 25%, and the JCI Presidential Award of Excellence for Outstanding Achievement in Growth with an increase of over 50% in membership in the year of 1979.

The Jaycee owned Chamber Office was opened in the year 1977 with the help of the Trust Fund, which further enhanced the sense of belonging of members in the Jaycee family.

Message from Sir Murray MacLehose, K.C.M.G., M.B.E.
His Excellency The Governor of Hong Kong

I welcome you all to the 1972 Junior Chamber International Conference in Hong Kong. I am told that there will be some 1,000 delegates from over 20 countries in Asia, Australia and even further afield. I am sure that this large gathering of young men and women from all walks of life representing many differing views and creeds will prove to be an excellent opportunity for a free interchange of views and ideas.

The Conference programme indicates the wide scope of your deliberations and I hope they will prove interesting and stimulating.

I hope also that you will see something of Hong Kong. I am sure that the Hong Kong Jaycees will take pride in showing you, not only the usual tourist attractions but also something of the tremendous development in industry, housing, road construction and water conservation that has taken place in Hong Kong since the last Conference was held here in 1968.

I wish you all a happy stay here and a successful Conference.

His Excellency the Governor Sir Murray Maclehose sent his message to welcome the delegates of JCI Regional Conference.

March in of Chief Delegates at Seoul Conference, 1976.

For the first time in Hong Kong, two toys libraries for children were set up by Jaycees in Tze Wan Shan and Tuen Mun.

Many well-known projects were initiated and received wide publicity. To name a few:

- The first 'Outstanding Young Men Award' was launched (forerunner of the 'Ten Outstanding Young Persons Selection' (TOYP) program which received increasing support and commendation from the public until now).
- The 'Exchange program' in 1971 was the first Youth Voyage which deepened the cultural exchange and understanding between Hong Kong and Japan.
- The first 'Solar Heating System' installed in Wu Kai Sha Youth Camp received the first LOM award in JCI World Congress.
- The much acclaimed 'Earth Population Awareness Program' which propagandized the slogan: 'One is cute; Two is ideal; Three is too much for the bill, Four breaks the family quilt' was adopted by The Family Planning Association as a slogan for family planning education program.
- The "Pop Folk" Concert in those days was the only outdoor concert which attracted the youths in Hong Kong.
- The 'Eye Care Campaign' and 'Kidney Donation Campaign' etc. promoted the importance of health.

History of Junior Chamber International Hong Kong

Flashback 1980's - Challenging Decade

The Jaycee movement in the 80's was confronted with many challenges but at the same time opened up many new and exciting opportunities.

More LOMs were added to the Jaycee family in the 80's, increasing the total membership to over 1,300 and 19 chapters, in which two chapters - Macau Jaycees and Hou Kong Jaycees in Macau - formed the Macau Jaycees and affiliated with JCI as an independent National Organization Member at the end of 1988.

The 1981 JC Youth Voyage (青年之船) arrived Hong Kong late at 1:30 a.m. due to typhoon.

With more energetic young persons joining the Jaycees, many meaningful and innovative projects were held, such as 'Young Scientists Awards', 'The International Children Drawing Competition & Exhibition', 'Chunk-Click and Go', 'Spread the Lights', 'Good Children Awards', 'Courtesy Campaign', 'N. T. Regional Outstanding Student Selection' and 'Road Safety Campaign' etc.

There were also honourable and glamourous moments for Hong Kong Junior Chamber in the 80's. Senator Jennifer Yu was elected as the first Lady World President for 1988. Four TOYP awardees of Hong Kong were separately honored as recipients of the Outstanding Young Person of the World Award during the JCI World Congresses in the years of 1983, 1984, 1985 and 1988. Furthermore, three lady National Presidents were elected, and led the Hong Kong Junior Chamber of Commerce in 1983, 1987 and 1989 respectively.

1983 Theme Project, "A Diversified Economy, Future Stability & Prosperity", won The Best NOM Theme Project Award during the 19th World Congress held in Taipei in Nov 1983.

To echo the 1986 theme of Hong Kong Junior Chamber of Commerce "Training the Youth, Heading for Peace", 100 pigeons were released into the sky of Statue Square in Central.

The first-ever JC delegation to visit Beijing, received by All Youth Federation.

Approaching the end of 1980's, Hong Kong Junior Chamber encountered many public issues as did the community at large. Even so, Hong Kong Junior Chamber still pressed on with the mission of community involvement and played an important role as training organization for young people.

Hong Kong Junior Chamber had the honor to be invited to participate in the first 'Youth Rally' of the 'Youth Festival' in December 1989. Relationship with outside youth organizations and the Government was further strengthened and the image of Jaycees in the eyes of the public was also kept up.

The Chief Secretary Sir David Ford joined hands with the Jaycees in the grand opening of the JCI Hong Kong Congress

Flashback 1990's - Scaling New Heights

Entering the 90's - a decade of change and transition - Hong Kong Junior Chamber continued to uphold its mission of advocating social responsibility among young people. In the first-ever direct election in Hong Kong in 1991, the "One Plus One - Support Direct Election" campaign was organized by all 17 local chapters, once again marking the Jaycees' active participation in civic affairs.

In 1993, Hong Kong Junior Chamber hosted the JCI World Congress, an event that attracted more than 6,000 delegates from over 100 countries around the world. 30 years had elapsed since the Hong Kong Jaycees last hosted the World Congress in 1962 with wide acclaim.

NP Daniel Cham joined the HK delegation to take part in the "International Model United Nation" organized by the UN and JCI. JC delegates and NGO representatives from all over the world took part in the 5-day event in the UN Headquarters.

The decade of the 90's also witnessed a series of improvement programs within the organization. With funding support from the Hong Kong Junior Chamber Trust Fund, a new office in Sheung Wan was acquired in 1990 to provide more spacious training and meeting facilities for the Junior Chamber's 1,500 strong membership. The "National Business Network" (NBN) and the "Training and Development Committee" (TDC) were subsequently established to offer a wider scope of networking and development opportunities for the members.

Since 1996, Hong Kong Junior Chamber has been actively involved in the "Right Decisions Program". The project, originated by JCI and executed on a worldwide level, promulgates the importance of youngsters in making the right choice for their actions. The "Right Decisions Program" has been implemented in primary and secondary schools since 1998.

History of Junior Chamber International Hong Kong

Flashback 2000's - Now and the Future

"Right Decisions Program" targets for secondary students in enhancing their judgment

While celebrating the 50th Anniversary in year 2000, we renewed our pledge of traditional commitment to work for community betterment and for the happiness and prosperity of the territory. We continue to provide high quality training programs and learning opportunities to members, and cultivate their sense of belonging to civic matters such as 'Right Decisions Program', 'Basic and Advanced Leadership Management Training', 'You and I bring Hong Kong Back', etc.

Hong Kong Junior Chamber participated in "上環繽紛夜市慶千禧". Professor Right Decisions was well recognized by the public.

In 2001, it was the first time in the history of Ten Outstanding Young Persons Selection that a Community Service Day was included. The purpose of this was to bring the message that the awardees of TOYP Selection will take the lead to serve the community especially the less concerned group. On October 28, the awardees of 2001 TOYP Selection together with hundreds of members of HKJC, disabled persons, students and volunteers participated in creating a giant paper flower sculpture made up by over 73,000 pieces of paper flowers. All the paper flowers were hand-made by disabled persons, students, and volunteers. Through the challenge of setting world record, public concern on the employment opportunities of disabled people in Hong Kong was aroused. Besides, fund for the first self-financed floral workshop of Hong Kong Federation of Handicapped Youth was raised through the event.

In line with the adoption of JCI Corporate Identity Program in 2003 Copenhagen World Congress, Hong Kong Junior Chamber changed its name to Junior Chamber International Hong Kong in 2004 and acquired a new office in Sheung Wan to accommodate our future expansion.

In 2005, JCIHK celebrated her 55th Anniversary and was awarded as "The Most Outstanding National Organization". In 2007, JCIHK was also awarded as the President's Award of Excellence to National Organization in Turkey Congress and the third all-lady chapter-City Lady Junior Chamber was affiliated.

In 2008, JCI Hong Kong was to strengthen the understanding of the Mainland Affair, a fund raising campaign was organized to aid the Sichuan Earthquake victims, and an appeal was made to JCI Headquarter to set up the "JCI Operation Hope - China Earthquake Relief Funds" through which some JCI National Organizations expressed their care and sympathy to the victims.

To Strengthen the bonding between members, JC Choir had been established in 2008. It provides a high standard of entertainment to the members of JCI Hong Kong. JCIHK recieved the Best Individual Development Program Award in Busan Conference.

First time online interview with JCI President Karyn Bisdee was broadcasted to the world during her visit to Hong Kong.

History of Junior Chamber International Hong Kong

Besides serious training schedule, members also had moment for rejoice in Vanguard Leaders, a prominent training originated by JCI.

In 2009, JCIHK launched the Millennium Dream Project to promote the United Nations Millennium Development Goals (UNMDG) to the public in Hong Kong . To celebrate the 60th anniversary of the founding of the People's Republic of China, JCIHK organized a series of culture exchange and civic education programs and won the Best Public Relations Program in Hammamet Congress. Senator James Tsui from City Junior Chamber also received the award of the Most Outstanding Vice President (Asia Pacific).

Celebrating our 60th anniversary in 2010, JCIHK had significant membership growth and extended our commitment to the United Nations Millennium Development Goals through the joint efforts of the 19 affiliated chapters on "We Unite for a Better World" Project.

With the biggest delegation of 233 JCIHK members attending the Singapore ASPAC, we had successfully bid the hosting right of 2012 JCI Asia Pacific Conference in Hong Kong.

In 2011, JCI Hong Kong continued its purpose of contributing to the advancement of the global community by providing young people with the opportunity to develop the leadership skill, social responsibility, entrepreneurship, and fellowship, necessary to create positive changes. In the past year, JCI Hong Kong has broadened its horizons further in the community by involving itself in two mega projects; firstly, it is partnering Tung Wah College in supporting graduates of the Bachelor Degree of Business Administration program, and, secondly, participating in the "2011 Give A Day, Get A Disneyland Day" program organized by The Agency for Volunteer Service, in order to obtain Disneyland admission tickets for donation to the Evangel Children's Home children.

Under the President's theme "LEAD THE NEXT", a total of more than 400 projects of different scale was carried out by local chapters and the national organization. At the end of the year, JCI had achieved a 13% increase in membership, and now has over 1,700 members in Hong Kong.

Ten Outstanding Young Persons Selection
十 大 傑 出 青 年 選 舉

Ten Outstanding Young Persons Selection 2011 solely sponsored by ABC International (農銀國際) was officially kicked off at the Nomination Press Conference on May 22, 2011. A special forum moderated by Shiu Ka-chun was held in conjunction with the press conference focusing on the potential to become TOYP.

TOYP 2011 was widely promoted in various channels like Light Box at MTR Stations and Bus Stops, Yahoo Banner and newspaper advertisements and roadside banners etc.

The selection was done in August and September with the hard work of Deloitte Touche Tohmatsu (the Selection Consultant) and the Panel of Judges with Prof. Frederick Ma Si-hang, GBS, JP as the Chief Judge.

9 Outstanding Young Persons were announced at the Results Announcement Press Conference on Oct 2, 2011. The event was extensively reported by AM730, Apple Daily, HK Commercial Daily, HK Daily News, HK Economic Times, Metro Daily, Ming Pao, Oriental Daily, Sing Tao Daily, Sun Daily, Takungpao, Wen Wei Po, ATV, bbTV, NOW TV and RTHK etc.

The Outstanding Young Persons are young elites who commit to serve the community. Echoing Goal 7 "Ensure Environmental Sustainability" of the UN Millennium Development Goal, the newly selected 9 Awardees went to Chan's Creative School to promote "Eco Friendly, Use Hanky" on Nov 13, 2011. A survey has been conducted about the consumption of tissue papers and the use of handkerchief of people in Hong Kong. It is astounded to discover that an average of 5 tissue papers are consumed per day per person. That is 35 million tissue papers, which are sufficient to cover up 215 football courts, are consumed per day. The Awardees together with almost 60 students declared that they would use handkerchief more frequently and would use less tissue papers in future.

Ten Outstanding Young Persons Selection 2011 was concluded at the Awards Presentation Banquet held on Dec 4, 2011 at the Hong Kong Convention and Exhibition Center.

United Nations Millennium Development Goals

聯 合 國 千 禧 發 展 目 標

In 2000, 189 nations made a promise to free people from extreme poverty and multiple deprivations. This pledge became the eight United Nations Millennium Development Goals (MDGs) to be achieved by 2015. In September 2010, the world recommitted itself to accelerate progress towards these goals which are vital to the well-being of all of us. They represent human needs and basic rights that every individual around the world should be able to enjoy. "WE UNITE for a BETTER WORLD" 2011 organized by JCI Hong Kong aims to accelerate the process in all sectors in Hong Kong to every corner of the globe.

The entire campaign consisted of a series of activities. Firstly, projects related to UNMDGs organized by local 19 chapters were exhibited at Jordan MTR station from 26 - 27 / Mar 2011, to let more Hong Kong people getting know more about UNMDG.

Secondly, Better World logos were introduced to private companies, NGOs and schools to apply for. Companies and NGOS which could contribute towards one or more of the goals and involve in promoting the MDGs in their daily operations on voluntary basis could also apply for our Best UNMDG Partner Award, which was one of the highest recognitions to the achievements to UNMDGs.

In 2011, seven awardees were recognized, including:

半島青年商會致意

成立於1969年，半島青年商會為一個致力培育青年領袖的非牟利國際組織，透過策劃多元化的工作計劃及訓練課程，提供自我改善、管理及領導技巧的學習機會，從而培育會員成為明日領袖，並肩負公民責任關懷社會，秉承著「服務社會、訓練自己」的宗旨。本會乃國際青年商會香港總會的成員之一，在香港的總會周年大會、亞太大會及世界大會屢獲獎項，並在1986、1991及2002年獲「世界傑出分會」。

旗艦工作計劃

「新春利是封義賣」
祖國事務組「新春利是封義賣」為貴州省印江縣，經本會援建8間小學3間中學的山區學童籌款，為他們提供助學金、書簿費及尖子金等。今年其中一款利是封設計，更採用了當地小朋友的畫作，令整個活動更有意義。於2012年底舉行「愛心傳承貴州行」，將善款親手交到學會手上。

「全港青年翻譯比賽」
「全港青年翻譯比賽」由半島青年商會及全港青年學藝比賽大會主辦、香港翻譯學會協辦，已踏入第三十七年。比賽目的是鼓勵青年提高融匯中英雙語的技巧，並加深社會人士對翻譯工作的瞭解。

國際事務
半島青年商會將全力支持「2012香港亞太大會」。今年亦是與澳門濠江青年商會結盟20周年，與台灣台中國際青年商會及日本其面青年商會結盟40周年紀念，國際事務組屆時將與姊妹分會舉行慶祝活動。

「香港環保工業高峰會」
商業及經濟事務組將繼續籌辦「香港環保工業高峰會」，今年將加入青年人元素，為18至40歲青年舉辦工作坊及講座。活動目的是提高社會的環保意識之餘，亦為業界提供交流技術的平台，共商可持續發展的可行方案。
