Dear Members of JCI Hong Kong,

The National Convention serves the purpose of Annual General Meeting of JCI Hong Kong. It is an excellent opportunity for us to reflect and evaluate the works we have done this year. This meeting also allows us to exercise our rights to select the right leaders to continue our mission and vision of JCI Hong Kong.

JCI Hong Kong has been introduced to Hong Kong for 69 years. Our objective is to develop leaders to serve our society. This year I have witnessed members that did the best of their abilities and leap up as leaders. Many of our projects and campaigns have impacted our community.

Echoing the presidential theme "Keep Changing the World", the project "Be the Change Week" has successfully created an impact on our community, school, and commercial stakeholders. We have educated over 4,000 Hong Kong citizens about the importance of taking environmental-friendly actions in our daily live that can create sustainable help to the world.

The Active Citizen Framework has become an essential tool for every member, especially making partnership among the society. JCI Hong Kong believes that it is our mission to unite all sectors of society to create sustainable impact. Therefore, we took the lead and outreach to different partners' to join talents and resources to create everlasting peace. Providing that JCI Hong Kong has concreted existing partners relationship and building new partners along the way.

"Devote; Reform; Achieve" is the theme of this year's National Convention, and the JCI Business requires members' devotion. We need to believe the thing that we are doing, and helping the society and we are creating a better world. I am delighted and privileged to express my most sincere greetings to all JC members at the 54th National Convention.

Thanks to their excellent initiatives, the national and local organisations have realised the vision of JC, and brought encouraging changes to our society with proactive engagement of members in the community.

Highlighting a kaleidoscope of talents, the National Convention is undoubtedly the befitting platform to celebrate the core values of our Foundation, reward remarkable projects and pass on valuable heritage to the new leaders. Together we stay powerful and versatile to embrace any challenges ahead. As the Foundation Chairman, I give my all-out support to the projects implemented by the National Organisation and Local Chapters for the worthwhile and meaningful purposes. This year the Foundation has granted $930,111 for organising social welfare and youth education activities, with the expenditure amounting to over 88% of the expected return from the Foundation.

Echoing the theme of "Devote; Reform; Achieve" promoted by the National Convention and the National Theme of "Keep Changing the World" this year, we have to remain attentive and adaptive to the fast-changing environment, both home and abroad, in order to contribute timely and effectively for the benefits of our younger generation and the needy, despite all the possible difficulties and uncertainties.

On behalf of the Foundation, I would like to extend my heartfelt gratitude to our National President Zenith Lin, Chapter Presidents and team leaders for their enormous dedication and staunch support in advancing the JC movements. Finally, I wish you all a challenging yet successful year ahead.

MESSAGE FROM

SENATOR QUEENIE LO

CHAIRMAN
ALUMNI CLUB
JUNIOR CHAMBER INTERNATIONAL HONG KONG

Congratulations to JCI Hong Kong on its 54th National Convention!

When we all first joined JCI, we came into this organisation with a passionate heart and walked down the Jaycee road together hand in hand. Friendship has always been considered a long-lasting treasure collected in the JC world, whether between young and old alike. It is also why the JCI Alumni Club was established - to retain senior members and strengthen their bonding within the organisation. Since its inception in 1997, the club membership has been growing. A total number of 687 members were recorded at the end of August 2019. As this year's Alumni Club theme is「友愛 Friendship、承傳 Inheritance」, we believe that participating in the JCI National Convention will provide opportunities for senior members and current members to cultivate fellowship and exchange ideas between new leaders in all chapters. It is uplifting to witness senior members to pass on their experience and heritage, and strengthen their mother chapters.

In the past eight months, JCI Hong Kong Alumni Club has organised various activities in order to create a harmonious and convivial atmosphere for members to get together. New elements of healthy and artistic lifestyles were even added to our group activities, for instance, introduction of Pressure Puncture in first aid and Jade Appreciation. Regular events like Chinese New Year Bonanza, Senior Member Luncheon in ASPAC, and inland trip has continued. The International Affairs area will also be enriched with an upcoming 3-day visit to JCI Taiwan SMC and the annual cultural exchange between Macao and Hong Kong. Last but not least, the golf tournament and long-waited 22nd Anniversary "資深歡聚樂今宵" on 14 December will conclude our activities for the year.

With this opportunity, I would like to express my heartfelt gratitude to all local chapter senior member club chairmen and coordinators, to my mother chapter JCI Kowloon, and to the hosting chapter JCI Island and its members for organising are special programme for the alumni in this great National Convention.

MESSAGE FROM
PRESIDENT OF HOSTING CHAPTER

MR. BENJAMIN LEE
PRESIDENT
JUNIOR CHAMBER INTERNATIONAL ISLAND

Welcome to the 54th National Convention of JCI Hong Kong!

The National Convention is a great event held annually for all members in the JCI Community in Hong Kong. It is an event to update the organization's status to its members, to conduct business, to recognize members' effort for the past year, as well as to elect the organization's leaders for the coming year.

We are honoured to be the hosting chapter for the 54th National Convention of JCI Hong Kong, and it is the third time in the past 20 years that JCI Island is hosting the event. Under the leadership of the 2019 National Convention Director and JCI Island 2015 President Senator Parco Wu, combined with the hard work of the organizing committee during the past 12 months, we are passionate and ready to provide a memorable 3-day event for all members.

The theme for the 54th National Convention is, "Devote; Reform; Achieve", which defines a three-step process that we achieve success in creating positive changes to our community. It requires devotion and reformation before we may have achievements. It is a simple task, but far from an easy one. It is not just a slogan that we recite, but it is a lifestyle that we should live with, in our everyday lives.

Last but not least, thank you for attending the 54th National Convention, your support will motivate us to achieve excellence. Hope that you enjoy every part of the program that is specially prepared for you.

MESSAGE FROM

SENATOR PARCO WU
NATIONAL CONVENTION DIRECTOR

Welcome to the 54th National Convention of JCI Hong Kong!

It is my great pleasure and honour to serve as the National Convention Director this year. As we know, the National Convention is one of the highlights among our annual JC activities, we all actively take part in it because we are exercising our rights and obligations as members.

The National Convention, a 3-day event covered with insightful meetings and seminars, allows us to get together and share our joyful and successful experiences in organizing projects, chapter management, etc. Through the theme seminars, we are able to raise the awareness of our members about some prevailing community issues.

The theme of this year's National Convention is "Devote; Reform; Achieve", as we believe our members should devote ourselves to contribute to the community, and reform our ideas according to the change of the society and environment in order to achieve something with positive impact to the society.

Taking this opportunity, I would like to express my thankfulness to National President Senator Zenith Lin, National General Legal Counsel Senator Winnie Yeung and National Secretary General Senator Iris Lam for their generous support and kind guidance to me and my team.

Special thanks are extended to my project advisors Past President Senator SC Mok and Past President Senator Felix Cheng; and area advisors Past National President Senator Stanley Ng, Past President Senator Duncan Tai, Past President Senator Billy Ho and Past President Senator Michael Tang for their superb advices and encouragement throughout the year.

2019 Current Facts of JCI

ABOUT JCI
We are a membership-based nonprofit organisation of 200,000 young people aged from 18 to 40 in 5,000 communities and more than 100 countries around the world. Each JCI Member shares the belief that in order to create lasting positive changes, we must improve ourselves and the world around us. We seek targeted solutions to the unique problems in our communities to build a better world, creating global impact.

JCI CREED
We believe, "That faith in God gives meaning and purpose to human life; That the brotherhood of man transcends the sovereignty of nations; That economic justice can best be won by free men through free enterprise; That government should be of laws rather than of men; That earth's great treasure lies in human personality; And that service to humanity is the best work of life."

JCI MISSION
To provide development opportunities that empower young people to create positive change.

JCI VISION
To be the leading global network of young active citizens.

HISTORY
Our global organisation of 200,000 young active citizens grew out of the vision from one St. Louisan more than 100 years ago as a constructive approach to civic problems. Founded in 1915 in St. Louis. Missouri, USA by Henry Giessenbier, the movement has spread, and Junior Chamber International was founded with eight other countries in Mexico City on 11 December 1944.

2019 PRESIDENT
Alexander Tio from JCI Indonesia

HEADQUARTERS
The JCI Headquarters was established in 1951 and was located in Coral Gables, Florida, U.S.A. since 1969. In 2002, the JCI Headquarters was relocated to Chesterfield, St. Louis, Missouri, U.S.A., where the first local organisation was founded in 1918. Currently, 20 full-time employees provide services to JCI members. Following the resignation of Arrey Obenson on 1 September 2019, the interim JCI Secertary General is Earl Sawyer.

INTERNATIONAL EVENTS
The 73rd JCI World Congress will be held in Goa, India in November 2018. The winners of the Outstanding Young Persons of the World (TOYP) Programme are announced each year at the JCI World Congress. The programme honours up to ten young individuals who best exemplify the finest attributes of the world's young people. JCI also hosts 4 regional conferences each year to conduct its business and training as well as address items of concern and global issues. During 2019, these conferences were held in Balaclava, Mauritius (Africa & Middle East Conference in May); Lyon, Franch (European Conference in May); Mendoza, Argentina (Conference of the Americas in May); Jeju, Korea (Asia & the Pacific Conference in May).

JCI CORPORATE SLOGAN
Be Better embodies the spirit that all JCI members share and the purpose stated in our Mission: to create positive change. JCI members constantly seek ways to live this concept. They not only believe that improvement is possible, but also see it as their responsibility to initiate positive changes both in themselves and in their local community. They seek solutions to the problems they see around them to create better nations, better environments and better societies. They also know that true lasting change starts from within. They learn through their experiences, becoming better citizens and better leaders with better skills to create a better future.

JCI OPPORTUNITIES
JCI can be called an organisation of opportunities. The opportunities available within JCI are so numerous that it could take a lifetime to grasp them all. Most members select those which cater to their particular needs and make the most of them. Basically, there are four areas of opportunities within the organisation: Individual, Community, International and Business. Projects are conducted in each Area. As the members work on these projects, they encounter opportunities for total development.

INTERNATIONAL CO-OPERATION
JCI is an international Non-Governmental Organisation (NGO) with active participation in the United Nations (UN) system in the context, JCI has relations with the Office of the UN Secretary General (Secretariat) and a Consultative Status with the Economic and Social Council (ECOSCO). JCI VICTORIA

Since its establishment in 1950, JCI Victoria has been proactively creating projects and campaigns that address community needs, helping to raise awareness on important social issues, and at the same time, empowering young people to create positive change through the four areas of development, namely Individual, Business, Community and International.

Entering its 69th year in 2019, JCI Victoria focuses on the two long term established flagship projects, "Grandparents' Day" and "InnoBrand", with a total of 25 initiatives to create impact in the community.

Members from JCI Victoria also have a variety of international opportunities to meet with members from all over the world, especially through the participation in the Asia Pacific International Cities Conference and closely connecting with the five sister chapters.

"Your Journey V Create" is JCI Victoria's slogan in 2019. It is believed that JCI Victoria is a platform to provide all kinds of fruitful opportunities for all members to uphold the JCI Mission and Vision, and nurture young active citizens to become future leaders through the Jaycee movement.

JCI KOWLOON

JCI Kowloon was established in 1965 and is the second most senior chapter among the 21 chapters of JCI Hong Kong. We aim to provide development opportunities for young people to learn from the three JC paths: Project Management, Chapter Management and Training, so as to create positive changes to themselves and to the community. Through the international network of the sister chapters in Macau, Malaysia, Singapore, Taiwan, Japan, Philippines and Mongolia, members gain valuable international exposure and develop friendship.

Members in JCI Kowloon include entrepreneurs, professionals and executives. Over the years, we have organised and launched a number of impactful projects for the betterment of the community and members. These projects include "Together We Care", with an aim to arouse public awareness in different social issues in Hong Kong. In addition, we will show our care and concern about mental health for primary four to six students and their parents.

Furthermore, the "Business to the Power N" project aims to provide a platform for new entrepreneurs to strengthen their knowledge through market updates and business networking. Further to the development plan for Guangdong-Hong Kong-Macao Greater Bay Area, the "Business to the Power N" project helps to connect members with business startups in the Greater Bay Area.

JCI ISLAND

JCI Island has always been one of the active chapters of JCI Hong Kong. It has pioneered many large-scale projects towards the betterment of the Hong Kong community. JCI Island has three flagship projects, namely (1) OI Love Tour, (2) JC Sports Day and (3) Shell/Island JC Scholarship for the Disabled. The OI Love Tour is a project to express our care to the elderly through the organising of an overseas tour. It also provides opportunities for young volunteers in Hong Kong to serve the community and learn to take care of the elderly. The JC Sports Day has been organized since 2005. Not only that it brings together all members from the Hong Kong JCI community, but also demonstrates support for people to maintain an active lifestyle. The Shell/Island JC Scholarship for the Disabled is a project to recognize the outstanding performance and contributions of the disabled students and to encourage teenagers to integrate and get along with the disabled peers.

Apart from the flagship projects of the chapter, JCI Island is also hosting the National Convention in 2019, which is an annual event for all members in the JCI Community in Hong Kong. The event aims to update the organisation's status to its members, to conduct business, to recognise members' effort for the past year, as well as to elect the organisation's leaders for the coming year.
