This manual provides more information on how to participate in this international award program as well as information about the specific rules, guidelines and award categories.

Rules and Guidelines for the JCI International Awards Program

All JCI National and Local Organizations may submit entries for JCI Awards subject to the following rules and guidelines:

Guidelines for Award Entries:

- An entry may be submitted in only ONE category. Entries submitted into more than one category will not be considered eligible for awards.
- Entries that win Best of the Best Categories at JCI Area Conferences will automatically be eligible for the JCI World Congress Award Program. These awards will need to be re-submitted for consideration.

Types of Award Submissions:

- There are two types of award submissions:
  Multi-entry awards: National Organizations may submit more than one award entry per category, with a maximum of 10 entries per category.
  Best of the Best Awards: National Organizations may submit only one award entry during the JCI Area Conference Award Program. The four (4) Area Conference Award Winners will be the only eligible entries for the World Congress Award Program.

Language Policy:

- Eligible award entries MUST be submitted in English, Spanish or French for all Area Conferences.
- World Congress Award entries MUST be submitted in English. If an Area Conference winning award was submitted in Spanish or French, it must be translated prior to the award submission deadline to be eligible for the World Congress Awards Program.
