THE JAYCEE CREED

We believe:

That faith in God gives meaning
and purpose to human life;

That the Brotherhood of man
transcends the sovereignty of nations;

That economic justice can best be won
by free men through free enterprise;

That government should be
of laws rather than of men;

That earth's greatest treasure
lies in human personality;

And that service to humanity
is best work of life.

MESSAGES

Mr. Petri Niskanen
1998 JCI President

The Manila World Congress was undoubtably the highlight of my year as President of Junior Chamber International, and for this, I would like to express my sincerest thanks to the members of the Manila Congress Organizing Committee, The Manila Jaycees, and the Junior Chamber of the Philippines, all of whom who worked so hard to make the Congress such a success. My thanks as well to all the partners and sponsors who cooperated in this ventures.

In particular, I would like to praise the outstanding efforts of the Manila Congress Organizing Committee, led by Congress Director Alexander Lichaytoo. This wonderful team of enthusiastic and hard-working members put on a week-long program of fantastic events, while catering to the delegates with their inimitable Filipino hospitality.

Thanks also goes to all the NOM Chief Delegates to Manila, as well as to all the Jaycees and their spouses who attended the Congress - you also contributed to making the week unforgettable.

I must also add my sincerest appreciation to the JCI Board of Directors, all JCI officers, and the JCI Headquarters for their wonderful cooperation, commitment, and outstanding performance.

Thank you all for *Bringing Worlds Together in Manila!*

Mr. Benny Ellerbe
Secretary General

Dear Friends,

The Manila Congress team was truly the most outstanding group of young people that I have had the privilege to work with during my tenure as Secretary General. I still vividly remember as the entire Congress team was introduced and brought on stage in Manila at the Presidential Gala - the excitement of that moment was unforgettable, and I was glad to be able to share it with you.

With all my hearts, I give my highest respect and appreciation to the Manila Jaycees and to the Organizing Committee that made such a wonderful and truly outstanding Congress. Manila will long be remembered as a congress that provide the highest quality events, entertainment, meals, and program.

To Congress Director Alex Lichaytoo, Ben Yam, Cecilio Pedro, and the entire congress team, my thanks for your leadership and efforts, but more importantly - for your friendship.

Manila was truly the best!

MS. Carolina Au-Yeung
JCI Vice President 1998

The 1998 World Congress held in Manila was particularly memorable to me in the fact that I had the good fortune to be assigned to this NOM for the year. Seeing friendly faces and joyous spirit of the members was a delight and fond memories of the occasion will definitely remain with me for a long time.

Many sincere congratulations to Congress Director Alex and his outstanding Organizing Committee for putting together such a rich and solid week of meaningful programs. Thank you to all members of Junior Chambers of the Philippines for your warm and wonderful hospitality. You have contributed to an event that will be talked about throughout the Jaycee family around the world for years to come.

The World Congress Manila 1998 was truly a project Papa Dave would have been very proud of.

Mr. Joseph Victor C. Ejercito
National President 1998

My dreams for Jayceeism and my goals as National President of the organization have been achieved in my year of leadership, Our NOM theme "*Golden Opportunities in Leadership Development*", better known as the *'JC GOLD'* has well guided us in our objectives and projects and has borne us fruit of achievements and excellence.

The 1998 Manila World Congress is one outstanding example of our *JC GOLD*. The exemplary performance, boundless energy, commitment and sincere dedication given by each and everyone in hosting the highest level of conference in the Jaycee movement are superbly commendable. The Manila Congress would probably be one of the best, if not the best World Congress JCI has ever experienced.

I take this opportunity to extend to all those concerned - from the working committees, the coordinating non-government organizations, the Philippine national government, delegates from across the globe... And to every single Jaycee member who took part in the event - my heartfelt and sincerest gratitude for the endless support and immense participation.

Toast and cheers to all of us! I thank you all, once again.

Mr. Alexander Lichaytoo
Congress Director

Mabuhay! From all the Jaycees of the Manila JCI World Congress. Before the Congress even began we were all working hard trying to create a most memorable event for all Jaycees by "Bringing Worlds Together in Manila". I think we got a lot more than we bargained for. All those late nights and sacrificed weekends just came together with the invaluable support of the entire JCI Community. For this, we at the C.O.C. and the Excom of the Organizing Committee would like to thank everyone that participated and supported us all the way.

It was our intention to spare no efforts and expense from the start in order to create an "Unforgettable Experience" Even we the organizer were stunned at the success of a fun-filled first night. The opening ceremony set the tone with a fantastic show of Filipino talent and pageantry and attended by no less than his Excellency Joseph Estrada, President of the Republic of the Philippines. Soon after, a Grand Philippine Fiesta started with Philippine Night with food and drinks that flowed endlessly, truly Filipino Hospitality at its best. And to cap off the night, a concert of our greatest bands and talents, a party to end all parties. Definitely a night to remember.

Valuable support was given by various NOM's and LOM's making every night a party night and filling up seminar venues daily. Each one sharing experiences and doing their part in enriching the World Congress experience. Our trade fair was also well attended with 82 booths occupied. Every single day of the week was well cherished by the 250 Jaycee volunteers that worked and likewise enjoyed this major challenge. Special mention must be made also of the great government support received by JCI since directives were actually given by the Office of the President of the Republic, The Department of Tourism and the City Mayor of Manila.

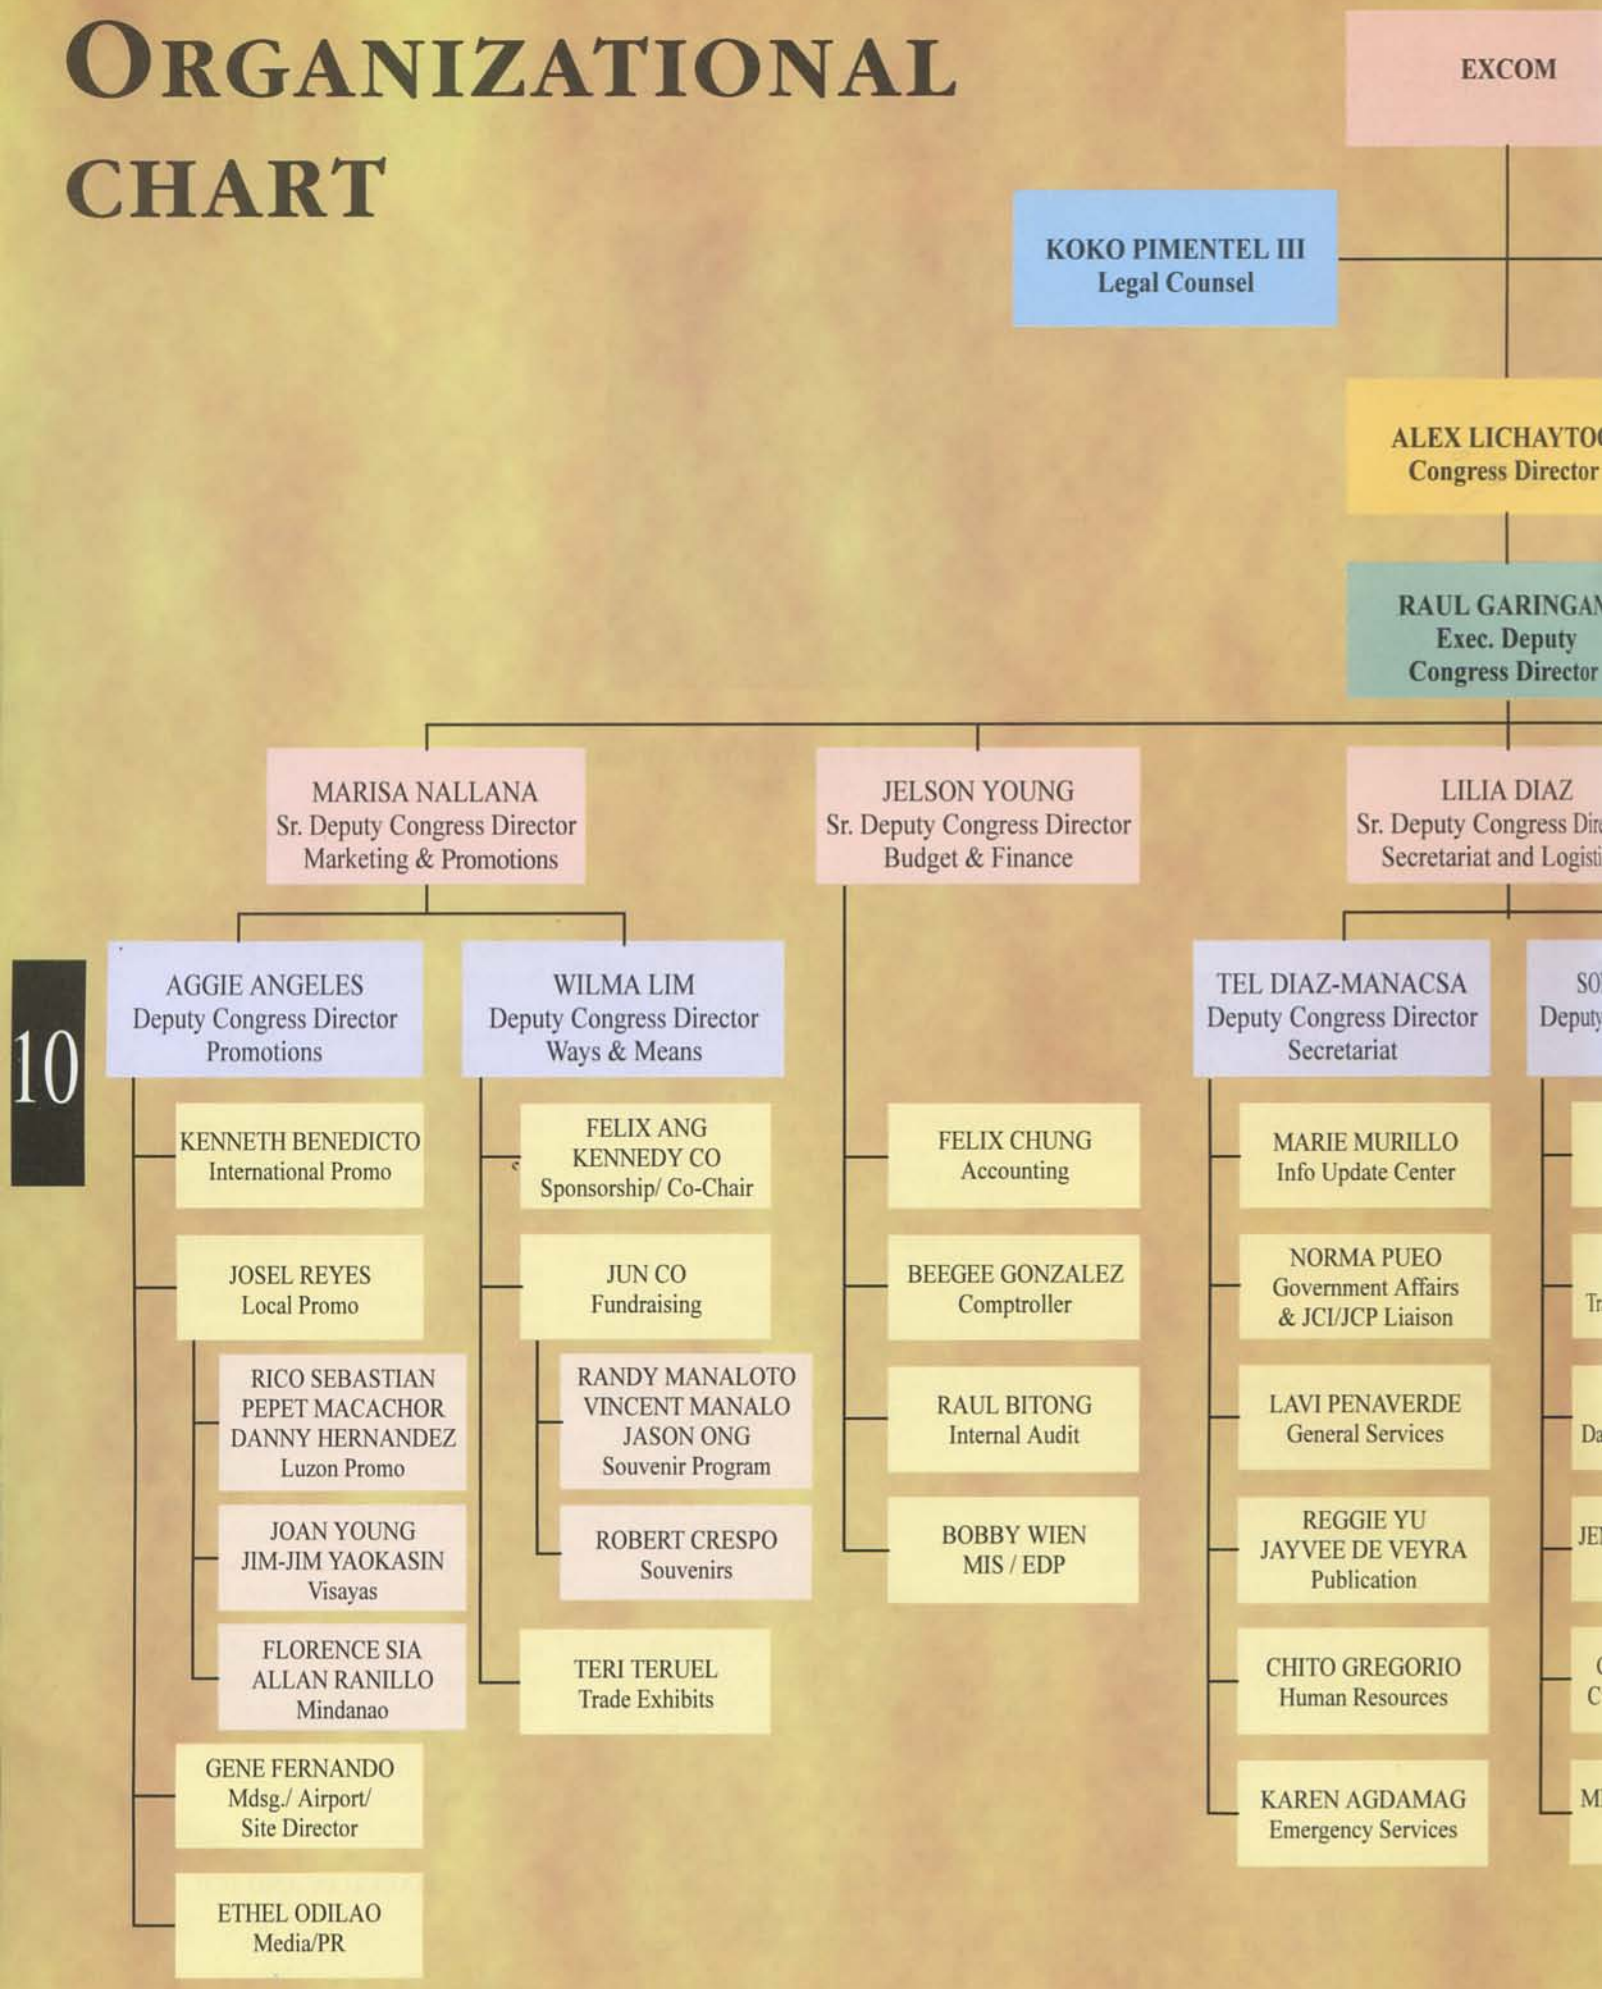

Other memorable moments included a TOYP ceremony so unique that its success may perhaps inspire future awardees to achieve more good with their good work. They were acknowledged in very specials ways. And of course not to forget the Closing Ceremonies and Presidential Gala. For the first time, there was a turnover ceremony to Cannes, site of the next World Congress. With the acknowledgment of both our incoming and outgoing World Presidents, a night of close camaraderie was achieved in bringing everyone closer together and bonding friendship to last. We just did not want it to end.

We can never say thank you enough to everyone for having given us this opportunity to participate and host this great event. We would like to specially thank JCI Sen. Dave Chuaunsu, who passed away a month after the Congress. His devotion to the Organization and as our Honorary Chairman motivated us to do no less than our best. He will always be in our Hearts.

In summary, this Congress has proven to be the greatest learning experience most of us will ever have. There were tough moments, inspiring moments and great friendships were formed. I was lucky enough to have been given this privilege as Congress Director, and with a great team to work with nothing was impossible. The JCI Staff were very professional and each division head of the C.O.C. stood his ground and performed beyond everyone's expectations. We were like wise fortunate that other local chapters also gave us all the assistance possible. My personal motivation and objective ? I simply wanted to prove to the world that the Filipino people are very special indeed. And that we can participate in any world class undertaking. I have always believed in that whatever we do "quality of work" must always comes first and if successful will pave the way for setting a higher standard. When all the dust has settled...what we are left with are but memories...but memories to last us the rest of our lives. Thank you once again and as we say in Manila...

MABUHAY ANG JCI!

MARKETING & PROMOTIONS

by JC Marisa D. Nallana

Marketing and promoting the 53rd JCI World Congress in Manila was not an easy task. Aside from the logistical problems we had to encounter, there was a looming Asian financial crisis which threatened to significantly diminish support from those MON chapters who have traditionally contributed to the success of past JCI World Congresses. Fortunately, the World Congress was able to gain the participation of leading companies to provide support where it was most needed: media coverage, telephone lines, computer equipment and banking services, to name a few. It not only earned the support of private companies, but was provided assistance by concerned government agencies. The success behind this undertaking would not have been possible without such partnerships.

PROMOTION

We have divided the Promotions Group into Local and International Promotions. Under Local Promotions, we have utilized the vast network of the Philippine Jaycees to market the World Congress nationwide. To create further awareness of the Congress, delegates from the Organizing Committee were sent to the different Local Area Conferences in 1998: Dagupan, Pangasinan (Area 1), Marikina (Area 2), Naga (Area 3), Baybay, Leyte (Area 4), and Butuan (Area 5). Throughout these five Area Conferences, flyers, stickers, posters and circular were distributed and parlor games relating to the World Congress were also conducted to arouse interest. On the international front, the Organizing Committee attended various Area Conferences and conducted special meetings to promote the JCI World Congress. For 1998, we hosted the Philippine Night for Area delegates in the following places: Pattaya (Thailand), Hawaii (USA), Macau, Bolivia, Cote D' Ivoire, Monte Carlo (Monaco), Cannes (France), and Miami Florida (USA). In all those Conference and Meetings, we made sure to distribute promotional materials remember our Congress. Simultaneous with these, the Philippine Jaycees issued circulars inviting all LOM's, the Philippine Government, through the Philippine Convention and Visitors Corporation (PCVC), provided postcards which we used as part of the giveaway to the different LOM's, together with the Congress stickers. The Publicity Committee was also able to arrange live broadcasts for the opening and closing of the Congress, as well as television guestings for the Executive Committee and JCI dignitaries. Several Radio stations were tapped to air spiels.

WAYS AND MEANS

There were ten (10) major sponsors and ten (10) minor sponsors who either contributed cash, provided logistical support, or arranged ex-deals in advertising. The trade fair was also a significant source of income where sixteen (16) NOM's from all over the world and thirty-two (32) local exhibitors, making it a successful event and one of the biggest trade fairs in many years of JCI World Congresses.

◀ AIRPORT RECEPTION AND CIQ LIASON

From the time the Jaycee delegates set foot in the Ninoy Aquino International Airport, the Airport Reception Staff welcomes them and coordinates with Immigration and Customs & Quarantine officials to facilitate a smooth and hassle-free entry to manila.

TRANSPORTATION ▶

The delegates are immediately escorted to their respective hotels for convenient accommodation with full security. Air-conditioned buses and local transportation Jeepneys regularly ply around short routes from the convention site to their hotels for ease of transportation. VIP cars were also available.

◀ MEDIA AND INFORMATION

The Media Affairs Division ensured the full coverage and documentation of all events for tri-media coverage and press conference

GOVERNMENT AFFAIRS ▶

The full support of all Government agencies was made possible by proper coordination with the Agency and Department Heads.

GENERAL SERVICES

Welcome, Streamers, Backdrops, Signages, Business Center, Physical Layout, VIP Lounge, Tours and shopping were efficiently provided.

NATIONAL PARTIES

▲ East meets West, the JCI way.

▲ Japanese delegates entertain guests with their cultural heritage. The venue was packed with Japan LOMs showcasing different activities and games.

Part of *Bringing the World Together in Manila* was the showcasing of their rich texture and pageantry of the delegate countries, and there is no better way to express this than in the form of national parties. Each night, a different country or region entertained a guests with a display of their cultural heritage and national dress. No doubt one of the highlights of the congress, the parties built bridges of understanding and friendship between nations at the same time as having a whole heap of fun!
