Message from

Guest of Honour

To witness the inauguration of a group of young leaders of Hong Kong Junior Chamber of Commerce is an encouraging event. I have pleasure to send my best wishes to all members of the Hong Kong Jaycees.

Your commitment in 1986 in the leadership development and community involvement has always been my personal admiration in your responding to the pledge of Jaycees International "That Service to Humanity Is The Best Work Of Life."

It is, of course, encouraging to see that you have taken up the challenge and responsibility to serve your organisation and at the same time, to create positive change to our Society for the betterment of this Society.

May I wish you all a very rewarding and fruitful term of office this year!

CHEUNG Yan-Lung

Message from

President
Jaycees International

1986 marks a new era in the history of Jaycees International. We celebrate 41 years of existence and achievement. Through the years, our organization has produced many leaders and made an impact in thousands of communities. Over one million young persons have shared the Jaycee belief and philosophy.

Let 1986 be a year of tremendous growth and development. Let us reap the fruits of the labor of those who served before us. We must not allow their work go to waste. I believe that the time is right for this organization to reap a bountiful harvest.

The business of the organization is individual development and the raw material is people. Without people our business will go bankrupt. We have survived the past 40 years. This must be an indication to us that Jaycees are needed in the world today.

I urge every member to make a contribution towards the growth and development of this worthy organization. Invite someone to join with us, in our strife for a more developed and peaceful world. It has been said in the past that: "Every new Jaycee inducted takes us one step closer to World Peace."

Let us make many steps in 1986. Let 1986 be a year when the rest of the world will feel the presence of this dynamic young people's organization.

Best wishes to the Hong Kong Junior Chamber of Commerce on the occasion of your Inaugural Ball. May this special occasion that you now celebrate be blessed with success and may your activities be a shining example to the other young people in your community, which would motivate them to join our ranks.

Moncef Barouni

Message from

Hon. Life President
Hong Kong Jaycees

Jaycees the world over renew the strength of the Movement each year by electing new leaders to guide their national and local organizations. Each administration does so in its own way while building on the achievements of the past in each place.

Such has been the case in Hong Kong. Young people have worked hard and effectively each year to prove themselves worthy of the confidence of the membership as a whole. This will be so in 1986 too.

My congratulations go to the outgoing administration on their work at every level and my best wishes to the new President, Officers and Members of the Hong Kong Junior Chamber of Commerce for success and satisfaction in all they do in their turn.

A. de O. Sales
Hon. Life President

Message from

National President
Hong Kong Jaycees

The Hong Kong Junior Chamber of Commerce has come a long way to where we are today. It is appropriate that we acknowledge our indebtedness and gratitude to our predecessors, who have brought Hong Kong Jaycees to its present stage of development.

The great responsibility of carrying the organization forward has now been entrusted to us. We readily accept this responsibility with pleasure and would contribute to the further advancement of its ideas and principles in the future.

Hong Kong is now entering a new era after the signing of Sino-British Accord and the full implementation of representative government. One may ask, what is the role of Hong Kong Jaycees in our community now? It is essential that collective efforts be exerted by all the people in Hong Kong to uphold the stability and prosperity of the society. Jaycees, as a catalytic force for community development, should bear the responsibility in answering community needs.

This Year, we would place much emphasis on membership growth. It will mean that we can do more ambitious projects, spread our ambit of influence wider, help more people and upgrade the quality of our work with fresh ideas and new challenges.

1986 is designated as the International Year of Peace, Hong Kong Jaycees will be helping to lead advocacy for peace through our Major Emphasis Theme, TRAINING FOR YOUTH, HEADING FOR PEACE.

With the dedication and real commitment of the National Board and the co-operation of all local chapters, I am confident that the Hong Kong Junior Chamber of Commerce will not only attain our target set for 1986 but also make marked achievements at higher level.

Ng Leung Yau
National President

As your Senate Chairman, I am honoured to be able to have the opportunity to work hand in hand with you in the year 1986.

As Jaycees, we are rested with the responsibility in communal development and at the same time, acquiring leadership skill in order that each of us will progress with our Organisation and our Community.

Hong Kong is under a process of changes and youth is a dynamic resource and vehicle for gradual and positive change to meet the challenge of this changing world.

Best wishes for a prosperous 1986!

Once again the Hong Kong Junior Chamber of Commerce and its member chapters are in their happy moment of swearing in their new leaders and witnessing the graduation of the old. People change; the spirit of service and leadership development does not.

May I take this opportunity to wish National President Ng Leung Yau and his team a great success in 1986. I can also assure him that the hands of all generations of members are joined in endeavouring in our modest Jaycee ways to make Hong Kong a better community for all to live in.

Hong Kong Jaycees History

The Jaycee Movement reached Hong Kong in 1949, when a Philippine Jaycee John Ng who was the Special Liasion Officer of the JCI 5th Congress and was charged with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of the Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as Convenor of the organizing committee Mr. Austin Coates from Hong Kong Government, then as Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

The tempo of laying the foundation of the Chamber was further stepped up when Mr. Ramon V. Del Rosario, the JCI Vice-President for Asia, offered to recommended prompt recognition of the Hong Kong's Jaycee membership status. He also invited the Organizing Committee to send observers to Manila to attend the JCI 5th Congress. On 21st March, 1950, a sponsors meeting was called to receive the report of the return observers from Manila. The account of their vivid experience gave Hong Kong a deeper insight into Jaycee movement. A week later, the Provisional Constitution which had been in the making during the previous three months was adopted. Finally, on 6th April, 1950, the Inaugural General Meeting of the Hong Kong Junior Chamber of Commerce was held and the first Board of Directors was elected. You'll find the secret of successful trading with China where you'd least expect to.

It may come as something of a surprise to discover that probably the world's best equipped China traders facility is at the Regal Meridien Airport Hotel, just a 3 minute air-conditioned walk from Hong Kong's Kai Tak airport.

The China Traders Centre offers private offices with comprehensive secretarial and multi-lingual translation services together with conference or exhibition rooms.

There's also a China reference library as well as a wide range of specialist consulting services.

Even after you're left for China, the China Traders Centre will take messages, forward telexes and much more.

We can even provide you with a secretary or translator to accompany you to China.

And on top of this, you'll find all the facilities you've come to expect from a first class international hotel.

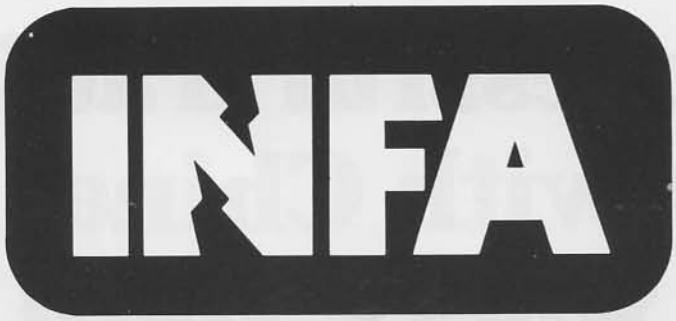

Start your business with China where you'd least expect to.

Jaycees International

Current Facts

NAME:	Jaycees International (JCI) is a worldwide association of young people between the ages of 18 and 40, which welcomes all nationalities, races and religions.
MEMBERSHIP:	Close to 500,000 in nearly 13,000 communities throughout 73 member nations.
PURPOSES:	The purposes of the Jaycees, as outlined in the JCI Constitution, are to "contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility and fellowship necessary to create positive change."
HISTORY:	The organization was founded in St. Louis, Missouri, U.S.A., by Henry Giessenbier on October 13, 1915. His idea spread and on December 11, 1944, representatives from eight nations met in Mexico City and the world organization — Jaycees International (JCI) — was founded.
1986 PRESIDENT:	Moncef Barouni of Tunisia.
HEADQUARTERS:	The Jaycees International (JCI) Secretariat is located in Coral Gables, Florida, U.S.A. A staff of 33 provides trilingual membership and development services to its Local and National Organization Members. Its chief administrative officer is the Secretary General, Sam Willits.
THEME:	Each year, Jaycees International adopts a major emphasis theme program which is implemented on a worldwide basis. The theme that is selected relates to a major problem or problems with universal significance. In this theme program members can select from a number of specific projects that are most relevant to the needs of their respective communities. The theme program adopted for 1986 is JAYCEES . . . . . YOUNG PEOPLE FOR WORLD PEACE . It is somewhat unique for an organization like Jaycees International to become so involved in such an enormous issue, but, as a leadership training organization, it has the responsibility of directing this leadership and community initiative into a program that is based on the search for a better world balance and, ultimately, world peace.
AREAS OF OPPORTUNITY:	This concept promotes the adoption, by national and local organizations, of a balanced program of activities which will offer the membership: individual, management, community and international opportunities.
RIGHTS OF THE CHILD:	JCI recognizes and supports the United Nations Declaration of the Rights of the Child. In 1979, Jaycees throughout the world conducted programs which directly affected the lives of more than eleven million children. Since then, national and local Jaycee organizations conduct permanent and continuing programs to assist with providing for the basic needs of children as set out in the Declaration.
OFFICIAL PUBLICATION:	LEADER, printed in English, French, Japanese, Spanish, Chinese and Korean, with a worldwide circulation of nearly 500,00.
ANNUAL MEETING	The 41st JCI World Congress will be held in Nagoya, Japan, from November 9 — 15, 1986.

"A worldwide leadership development organization."
