Dear National President Winnie Yeung, the 2021 Board of Directors and members of JCI Hong Kong,

Thank you for your kind invitation to your Inaugural Ceremony. Unfortunately, the travel restrictions are not yet lifted and it is a shame I cannot be here in person, but congratulations to the newly elected team of 2021!

2020 was a pivotal moment for JCI and 2021 will be equally important. We must continue to take definitive steps to transform and stay relevant in a changing world. With the slogan "Empowered Leaders, Empower Leaders", I am certain JCI Hong Kong will continue to take to nurture young and talented global leaders to create positive change.

We are still in the midst of a global pandemic, and there is still work to be done by JCI members to turn challenges into opportunities. A hundred thousand small actions can provide many positive improvements to economies, people, businesses and societies at large.

The slogan of this year is ***ONE FUTURE***.

This comprises of two very important, and truly powerful principles, both of which are taken from the Japanese language. It is when these two principles are valued truly from the heart and acted upon which brings them to life. These two principles, if lived by and "done" rather than simply "said", can truly help us realize the goal of ONE FUTURE.

The first principle is OKAGESAMA and it is a word used in Japanese to express humility and gratitude towards the people or things we depend upon or receive help from.

The second principle is OYAKUME and it refers to our role in the society - whether it be as a father, a mother, a friend, a boss or simply as an inhabitant on the earth that we call home.

It is our duty to recognize and fulfill each of our roles in the society and do so from the heart. It is in this way, the principles of OKAGESAMA and OYAKUME are interdependent, and equally essential if we are to make real progress towards building ONE FUTURE.

2021 will be as challenging as the year that preceded and it will be up to us to turn this challenge into an opportunity. As the 2021 President, I would like to work with Executive Vice President Teresa Poon and make closer ties with National President Winnie Yeung and the members of JCI Hong Kong, and work hand in hand towards a better world.

I look forward to an amazing 2021.

Senator Winnie YEUNG
National President
Junior Chamber International Hong Kong

The time has chosen us.

We, members of JCI Hong Kong, together with our partners and friends, are passing through a period of challenging test due to the pandemic since last year. It is a test of our determination—of our courage—of our wisdom—of our perseverance.

The pandemic has shaken the nature of our life to its core. While many people in Hong Kong are anxiously awaiting a return to normal, I am deeply touched by the adaptiveness of my fellow members and that they have been doing everything they can to make things happen in the "new normal". And yet, uncertainty might stay with us for many more months and all of us have to face the challenge of guiding our members through uncertainty.

Since I was a kid, I learnt that things in life would not always run smoothly. Very often we would be rising towards the heights—then all would seem to reverse itself and start downward. The great fact to remember is that the trend of mankind development itself is forever upward; that a line drawn through the middle of the peaks and the valleys across the years always has an upward trend. All we need is faith, to believe that we can overcome and everything will be alright.

"Empowered Leaders, Empower Leaders" is the theme of JCI Hong Kong this year. Not only do we have to believe that we can do it, it is equally important to help people around us to believe that they can do it. This is what empowerment is all about—believing in others more than they believe in themselves.

As JCI members, we are globally minded young people with rights, responsibilities and shared goals. We find targeted solutions to local issues benefiting our communities, our world and our future. By embracing new ideas, collaboration and diversity, we are empowered to address the most critical challenges of our time with passion and courage.

In 2021, let us be empowered leaders to empower leaders and together, we would create great moments from hard times.

Unfortunately, this year, I am unable to participate and congratulate you in person, but I would like to join you in spirit in celebrating this auspicious ceremony and I wish to take this opportunity to thank for your close friendship and strong support for JCI Japan over many years.

The world has been changing significantly, and the values of the society have also been changing at a rapid pace as embodied by the phrase the "New Normal."

The Asia Pacific region has also been slowly but steadily developing into the economic and political center of gravity of the world, and the direction our region will take is a topic of great interest to people around the globe. Moreover, our region will continue to expand its impact on our changing world, and it is our responsibility to ensure this impact is positive. I believe the most effective way to do so is by establishing strong global partnerships and I especially believe that JCI Hong Kong and JCI Japan should develop close relations with one another, based on our shared goal of global peace and our strong determination to positively transform the world.

Message from JCI VICTORIA PRESIDENT

President
Alan LAM

On behalf of Junior Chamber International Victoria, I would like to take this opportunity to extend my felicitations to National President Senator Winnie Yeung, the National Board of Directors and all local chapters of JCI Hong Kong on this special occasion.

This year, the theme of JCI Hong Kong is "Empowered Leaders, Empower Leaders". Through encouraging more young people to participate in the Jaycee Movement, enforcing the JCI mission and JCI Vision is vital. In 2021, the slogan of JCI Victoria is "V Sustain • In Action". Sustain gives a sense of inheriting from the previous success, being long term development. We hope to maintain good progress and good quality in all Victoria's activities in order to SUSTAIN well for members and people around the world.

Since its establishment in 1950, JCI Victoria has been proactively creating projects and campaigns that address community needs, helping to raise awareness in important social issues. At the same time, we empower young people to create positive change through the four areas of development, namely Individual, Business, Community and International. Entering the 71th year in 2021, JCI Victoria focuses on the 3 established flagship projects, "Grandparents' Day", "innoBrand" & "SDG Enterprises Award" with full initiatives to create a large impact in the community. Members from JCI Victoria also have a variety of international opportunities to meet with members from all over the world, in particular through participating in the Asia Pacific International Cities Conference and closely connecting with the 5 sister chapters.

"V Sustain . In Action" is JCI Victoria's slogan in 2021. It is believed that JCI Victoria are fully linked with SDGs, promoting sustainability in action for all our members to uphold the JCI Mission and Vision and nurture young active citizens to become future leaders through the Jaycee movement, which aligns with the theme of JCI Hong Kong "Empowered Leaders , Empower Leaders".

Message from JCI ISLAND PRESIDENT

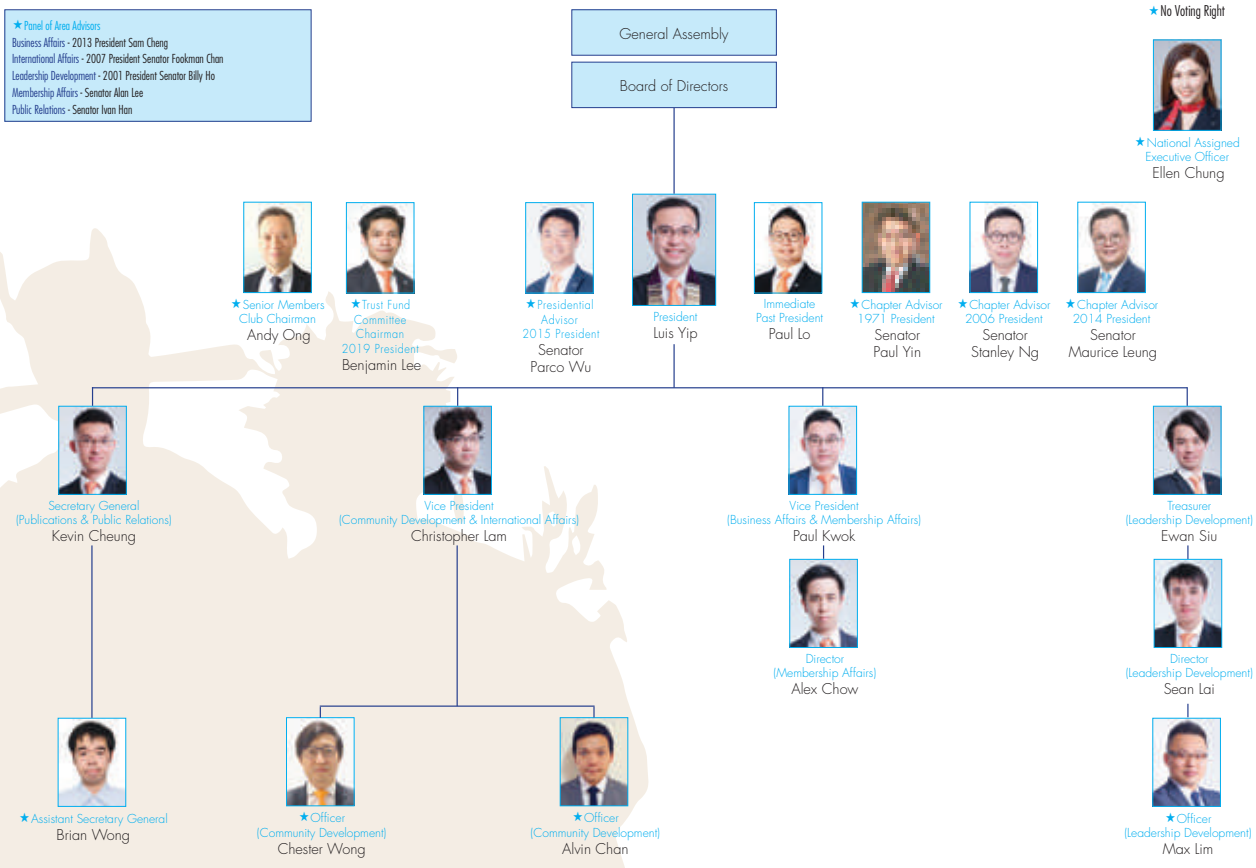

President
Luis YIP

Being the third oldest local chapter in Hong Kong, JCI Island will have her 55th Anniversary milestone in 2021. We have already continued devoting our energy and efforts to construct a harmonious and cohesive chapter environment to attract, unite, connect and to empower our members.

"UNITED to GROW" is the slogan of JCI Island in 2021. We are facing challenges locally and globally in our economy, society and politics. The COVID-19 pandemic has deepened the problems. As Sunshine let us grow; challenges are opportunities for us to rise. If we are UNITED with the same goal, we can tackle problems and create positive change by empowering our members. Let us be UNITED and GROW as leaders. Just like a bottle of fine wine, we GROW better with years.

With JCI Hong Kong's theme "Empowered Leaders, Empower Leaders" in 2021, we, JCI Island, will collaborate closely with JCI Hong Kong to empower more leaders, to create positive change in the changing world. I truly believe that under the leadership of National President Senator Winnie Yeung, more and more young leaders will be empowered, it will be a new fruitful and gratifying year across the JCI Community in Hong Kong.

President
Calvin CHAN

It is my greatest pleasure to write on behalf of JCI Tsuen Wan. I would like to express my heartiest congratulations to National President Senator Winnie Yeung, the National Board of Directors and all local chapters on this special occasion of the JCI Hong Kong Inauguration Ceremony.

"**Care for Ambition**" is the theme of JCI Tsuen Wan this year. We care by lifting members to achieve ambitious goals. CARE is also a word that is combined with 4 letters.

Community and Communication
Ambitious
Relationship
Empowerment

Community is a platform that provides us with countless opportunities. Communication is the essential tool to connect members to our community and expand their horizons. Ambitious goals give members passion to go beyond to achieve higher. Relationship unites members for better bounding and to overcome challenges together. Empowerment gives members opportunities to practice leadership in order to grit for great.

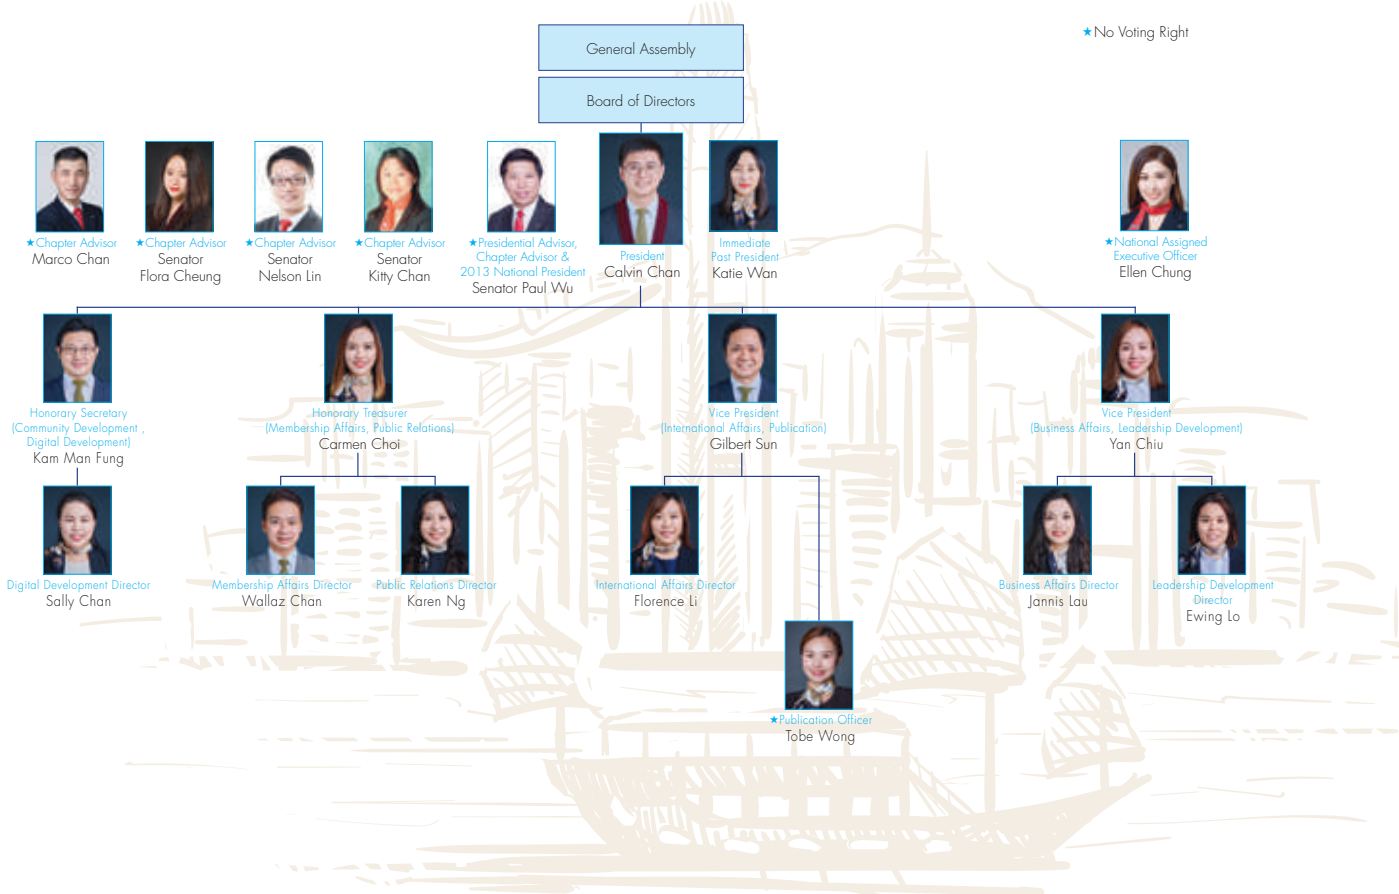

To echo with the National Board's theme of "Empowered Leaders, Empower Leader", JCI Tsuen Wan will fully support and collaborate closely with the National Board to continue to publish more empowered leaders to empower leaders.

Taking this opportunity, i hereby sincerely wish the National Board and all local chapters successful in leading our organization into its next phase and a fruitful year ahead.

Junior Chamber International
CURRENT FACTS

ABOUT JCI
We are a membership-based international youth leadership organization of 200,000 young people aged 18 to 40 in 5,000 communities and more than 100 countries around the world. Each JCI Member shares the belief that in order to create lasting positive changes, we must improve ourselves and the world around us. We seek targeted solutions to the unique problems in our communities to build a better world, creating global impact.

CREED
We believe that "faith in God gives meaning and purpose to human life; that the brotherhood of man transcends the sovereignty of nations; that economic justice can best be won by free men through free enterprise; that government should be of laws rather than of men, that earth's great treasure lies in human personality; and that service to humanity is the best work of Life".

MISSION
To provide development opportunities that empower young people to create positive change.

VISION
To be the leading global network of young active citizens.

HISTORY
Our global organization of 200,000 young active citizens grew out of the vision of one St. Louisan more than 100 years ago from a constructive approach to civic problems. Founded in 1915 in St. Louis., Missouri, USA by Henry Giessenbier Jr. , the movement was spread out, and Junior Chamber International was founded with eight other countries in Mexico City on December 11, 1944.

2021 PRESIDENT
Ryubun Kojima from JCI Japan

HEADQUARTERS
The JCI Headquarters was established in 1951 and was located in Coral Gables, Florida, U.S.A. since 1969. In 2002, the JCI Headquarters was relocated to Chesterfield, St. Louis, Missouri, U.S.A., where the first local organization was founded in 1918. A professional staff of 20 full-time employees currently provide services to JCI members. The Secretary General is Kevin Hin.

INTERNATIONAL EVENTS
The 2021 JCI World Congress will be held in Johannesburg, South Africa from 16th-20th November 2021. The winners of the Ten Outstanding Young Persons of the World (TOYP) Program are announced each year at the JCI World Congress. The program honors up to ten young individuals who best exemplify the finest attributes of the world's young people. JCI also hosts 4 regional conferences each year to conduct its business and trainings as well as address items of concern and global issues. This year, these conferences will be held in Arraijan, Panama (Conference of the Americas); Rostock, Germany (European Conference); Taichung, Taiwan (Asia & the Pacific Conference); and Amman, Jordan (Africa & Middle East Conference).

JCI CORPORATE SLOGAN
2020 was a challenging year for everyone, but JCI is using this opportunity to rethink the way to connect with its members, partners and the world.

JCI had its first fully online Area Conference and the first hybrid World Congress. Also, the JCI Rise initiative was launched to sustain and rebuild economies, empower the workforce and preserve mental health in the wake of the COVID-19 global pandemic.

The slogan for 2021 is "One Future", meaning that if we all learn from our experience in 2020, it is that we are all having similar direction, and we all have the power to shape our future for the better.

JCI OPPORTUNITIES
JCI can be called an organization of opportunities. The opportunities available within JCI are so numerous that it could take a lifetime to grasp them all. Most members select those which cater to their particular needs and make the most of them. Basically, there are four opportunities within the organization: Individual, Community, International and Business. Projects are conducted in each area. As the members work on these projects, they encounter opportunities for total development.

INTERNATIONAL CO-OPERATION
JCI is a Non-Governmental Organization (NGO) with active participation in the United Nations (UN) system in the context, JCI has relations with the Office of the UN Secretary General (Secretariat) and a Consultative Status with the Economic and Social Council (ECOSCO). Message from

Senator Claudia Chor

Inaugural Ceremony Chairman
Junior Chamber International Hong Kong

It is my great honor and pleasure to be appointed as the Chairman of the 2021 Inaugural Ceremony, the kick-start event of JCI Hong Kong.

Without any doubt, 2020 was a special year for all of us. Stepping into 2021, due to the pandemic, we are still facing different challenges, yet as the Young Active Citizens and Empowered Leaders, we never give up and are able to overcome all the difficulties. From planning to do a physical ceremony in a grand theatre originally, to change it to an online, virtual program within short period of time is not an easy task. We experienced re-doing the entire program, working out contingency plans, thinking out of the box, making key decisions and changing our plans constantly in the past few months. This truly demonstrates the theme and slogan of JCI Hong Kong this year: 'Empowered Leaders, Empower Leaders' - we can all be empowered leaders to empower the great people around us to work towards common goals.

Taking this opportunity, I would like to express my heartfelt gratitude and appreciation to my most amazing Organizing Committee, including the 6 outstanding Deputy Chairmen and the 16 brilliant Organizing Committee Members for your tremendous effort and dedication throughout. Without you all, this kick-off event of JCI Hong Kong would not be a successful one. My sincere gratitude also extends to the 3 important people behind the scene- Project Advisor Past National President Senator Nora Cheng, Supervising Officers National General Legal Counsel Senator Ben Mak and National Honorary Treasurer Benjamin Lee. Thank you for your great support over this challenging period, it is truly my pleasure to work with you all.

Thank you National President Senator Winnie Yeung for your invitation and trust on me to take up this important role. My appreciation also goes to all Local Chapters. Thank you for nominating your outstanding members to our Organizing Committee and your support on this significant event.

Although we cannot meet to celebrate the installation of our 2021 Leaders physically this year, I sincerely wish you all enjoy this first ever online Inaugural Ceremony to celebrate this important milestone with us!

Last but not the least, I would like to extend my sincere congratulations to National President Senator Winnie Yeung, the National Board of Directors and the affiliated Local Chapters on this special occasion of JCI Hong Kong 2021 Inauguration Ceremony.

Let's make ourselves the Empowered Leaders to Empower Leaders!
