It is universally accepted in Junior Chamber International that special meritorious service deserves recognition – be it in the form of a humble scroll of paper or a glamorous trophy. Whatever form it takes, it serves the same purpose among Junior Chamber, that is –

"To recognize and honor outstanding achievement in the fulfillment of the purposes of JCI by National Organizations, Local Organizations or Individual Members"

2. Awards to be presented

Each year Junior Chamber International Hong Kong, China ("JCIHK") presents two different types of awards.

(a) The NOM Awards, being presented by Past National Presidents and/or NOM, aim at encouraging local organization members and/or individuals to further certain programs which are considered more important to the development of the Junior Chamber.

(b) The Presidential Awards of Excellence, being presented by the current National President, focus on the performance of individual members and LOMs during the year.

3. Eligibility

3.5 A LOM should only submit one entry for each award.

3.6 The same project, regardless of its division of phases, cannot be submitted for more than one award.

to be convened on 26 August 2026 (Wednesday). Judges failing to attend such briefing shall be disqualified with penalty to LOM's entries.

3.9 All nominees for judges shall be approved no later than 13 August 2026 (Thursday) or such dates as determined by the National Board of Directors. greatest likelihood of getting the highest score.
