TEN OUTSTANDING YOUNG PERSONS

MESSAGE FROM PROJECT CHAIRMAN HONG KONG JUNIOR CHAMBER OF COMMERCE

Miss Amy Leung
Project Chairman

I am delighted to be appointed as Project Chairman of this prestigious Selection.

This years, we are honoured to have the Chief Secretary, The Hon. Mrs. Anson Chan, CBE, JP continue to be our Patron and also Mr. Stephen S. K. Ip, JP, Secretary for Economic Services to be our Guest of Honour in this Awards Presentation Banquet. Support from the senior government officials definitely shades light to this Selection.

With the dedication of my organizing committee members, we managed to solicit sponsorship from Manulife to make this Selection a smooth one from the very beginning. Many organizations from both the public and private sectors granted their great support during our promotion time, which resulted in tremendous number of nominations. Arthur Andersen & Co. kindly consented to be our Selection Consultant to help us in the first screening which was, with no doubt, a hard task in view of the quantity and quality of all nominations. The Panel of Judges led by the Chief Judge Sir Roger Lobo with members : The Hon. Ms. Rosanna Y. M. Wong, CBE, JP, Mr. Andrew K. W. So, OBE, JP, Professor Arthur K. C. Li and Mr. Roger K. H. Luk, spared their precious time in interviewing the finalists thus gave birth to the 6 awardees this year.

My hard working committee members demonstrated our Jayceeism to make many events happen in the past 8 months. Since February, we had made over 40 promotion visits, over 50 contacts on posting of promotion materials, 2 radio interviews, 1 TV interview, 1 press supplement on nomination promotion, 2 press conferences, numerous media contacts, 8 press columns on past awardees / sponsor / selection consultants, 1 day selection interview, 12 formal organizing committee meetings and many many other tiny but valuable activities. As the project chairman, nothing more I can say but only "thank you".

The organizing committee is fortunate to have the full support from the National President Justin, the Past National Presidents Eddy and Raymond. Their valuable advice were always timely and yet leaving a lot of freedom and thinking space to the committee.

I myself as the chief coordinator of the project, in fact, learn a lot through bonding all the resources together to make this Selection a success. I did share the enthusiasm of all the awardees which indeed reconfirm my belief that "service to humanity is the best work of life". Besides, the piece I treasure so much is the friendship evoluted throughout the project.

Taking this opportunity, I like to thank specially Ms. Belinda Luk and Bassie Tsang of Manulife who contributed more than a sponsor should do by working hand in hand with me in the process of this project. My gratitude also go to Mr. Kennedy Liu and Ms. Cecilia Fung of Arthur Andersen & Co. who granted theirs, as well as their team's valuable time in the first screening.

I sincerely send my congratulations to the 6 awardees. I strongly believe that they, together with all youngsters who have or have not taken part in this Selection, will continue to create positive changes for a much much better tomorrow of the world.

Mr. Sy is no doubt a successful world-class entrepreneur. He has been creating a "business miracle" in which a local small trading company (founded by Mr. Sy in 1978) with a start-up capital of only HK$30,000 has been turned to a conglomerate with a current average annual turnover of around HK$1 billion and with an international business portfolio. Apart from his great achievement in business, Mr. Sy is also greatly devoted to serve the local, China and the international community. One most remarkable example is that with his vision on the importance of education for the youths in the Mainland, Mr. Sy was the Founding Chairman of the "Fujian Project Hope Charitable Educational Fund". Through this organization, "Project Hope" schools have been being built in numerous provinces and so far over five thousands of deprived Mainland children are benefited. Mr. Sy's success sets an excellent and encouraging example for hundreds and thousands of us who are like him to follow.

施先生的成功，主要歸功於其優秀的才華、卓越的遠見、過人的冒險精神及驚人的魄力和毅力。這些都可以見證在施先生的公司業務及社會服務上。在一九七八年，施先生以其辛苦儲來的三萬港元作資金開始他的貿易生意，至今他的公司每年營業額已達十億港元。雖然施先生已成為成功的青年企業家，工作非當繁重，但其仍不忘「取之社會、用諸社會」，積極、熱心的為香港及中國大陸貢獻自己的力量。別具遠見及創見的施先生尤其著重中國大陸教育方面的發展，並參與成立「香港福建希望工程基金會」，為中國大陸不同地區，包括福建、西藏等地的窮苦兒童提供學習機會，令超過五千名學童得以在「希望小學」受教育。

JUNIOR CHAMBER INTERNATIONAL INTRODUCTION

Name :
Junior Chamber International (JCI), the name was changed from the previous Jaycees International to the above name at the Sydney Congress in 1988, is a world wide association of young people between the ages of 21 and 40, which welcomes all nationalities, races and religions.

Membership Purposes :
Over 400,000 in nearly 13,000 communities throughout more that 80 member nations. The purposes of the Jaycees, as outlined in the JCI Constitution, is to "Contribute to the advancement of the Global Community by providing the opportunity for young people to develop the leadership skills, social responsibility, fellowship and entrepreneurship necessary to create positive change."

History :
The organization was founded in St. Louis, Missouri, U.S.A. by Henry Ciessenbier on October 13, 1915. His idea spread and on December 11, 1944 representatives from eight nations met in Mexico City and the world organization Jaycees International (JCI) was founded.

1996 President :
Thomas J Clear, III

Headquarters :
The Junior Chamber International (JCI) Secretariat is located in Coral Gabies, Florida, U.S.A. Staff of 35 provides bilingual membership and development services to its Local and National Organization Members, Its chief administrative officer is the Secretary General Benny Ellebre.

Theme :
Each year, Junior Chamber International adopts a major emphasis theme program which is implemented on a worldwide basis. The theme that is selected relates to a major problem with universal significance. In the theme program, members can select from a number of specific projects that are most relevant to the needs of their respective communities. The theme recommended for 1996 is "The Age of Global Citizenship". It is somewhat unique for an organization like JCI to become so involved in such an enormous issue, but as a leadership training organization, it has the responsibility of directing this leadership and community initiative into a program that is based on the search for a better world balance and ultimately world peace.

Areas of Opportunity :
This concept promotes the adoption, by national and local organizations, of a balanced program of activities which will offer the membership : individual, management, community, international and business opportunities.

Rights of the Child :
JCI recognizes and supports the United Nation Declaration of the Rights of the Child. In 1979, Jaycees throughout the world conducted programs which directly affected the lives of more than eleven million children. THE OUTSTANDING YOUNG PERSONS' ASSOCIATION INTRODUCTION

The Outstanding Young Persons' Association, TOYPA in short, was formed in 1977. The Association is made up of awardees of the Ten Outstanding Young Persons Selection. Membership of TOYPA exceeds one hundred and eighty persons.

The Ten Outstanding Young Persons Selection, introduced to Hong Kong in 1970, is an annual major project of the Hong Kong Junior Chamber of Commerce. Each year the award is open to nominations by the public. After the process of carefully vetting candidates data by an appointed auditor firm, the candidates are presented to a Judging Panel consisting of recognized leaders in government, business, industries, various professions and education. Merits are given to the candidates achievements in their respective fields as well as their contributions of personal time and efforts in service for the community.

The Outstanding Young Persons' Award not only gives proper recognition to the achievements of the recipients, but also carries with it certain responsibilities. All of those selected as Outstanding Young Persons are expected to make further contributions to the community of Hong Kong and to serve as inspirational examples to other young people. It was with this spirit that recipients of the Award work as a united group to serve the community. The aims of TOYPA are:-

1. To sponsor and organize projects for the well-being of people in Hong Kong
2. To submit recommendations / proposals to the Government or relevant authorities on matters pertaining to the welfare of Hong Kong
3. To assist in the annual selection of the Ten Outstanding Young Persons

TOYPA membership covers diverse industries and professions and includes a number of members serving on the Executive Council, Legislative Council, Urban Council, Regional Council, District Boards, Drafting Committee for Law of Hong Kong SAR, Preparatory Committee, and National People's Congress of the PRC.

Since inception, TOYPA has organized and sponsored numerous projects for community service, spending over $1 million. All financial resources for service projects were originated from funds raised. TOYPA's principle in service projects is the involvement of members' participation. In all projects organized, co-organized or sponsored by TOYPA, members took an active role in the organizing work.
