The JCI Creed

We believe

That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the best work of life.

History of the Creed

The year was 1946; the place, Milwaukee, Wisconsin, U.S.A.; the event, the United States Junior Chamber National Convention. Visitors came from Canada, Mexico, South America, Europe and the Philippine Islands. It was here that the idea of a JCI Creed was born.

Past President of the Ohio Junior Chamber and National Vice President of the United States Junior Chamber C. William Brownfield realized at this convention that the organization did not have a Creed. He was inspired by the devotion of Junior Chamber members "to the purpose of serving mankind in a thousand different ways, right down at the grass roots where freedom lives or dies."

Brownfield saw Junior Chamber as "the potential for a new force in the world, one capable of changing the balance between victory or defeat for our chosen way of life in a time of crisis."

The actual writing of the Creed took place in July 1946 during a drive from Brownfield's hometown of Columbus, Ohio, to his coal mine in New Lexington, a journey of about 75 minutes. He started that journey with a firm conviction in his mind to work on the Creed. It was during that trip that the following words came to mind and were put on paper:

The brotherhood of man transcends the sovereignty of nations.

Economic justice can best be won by free men through free enterprise.

Government should be of laws rather than of men.

Earth's great treasure lies in human personality.

Service to humanity is the best work of life.

In 1950 the first line, "We believe that faith in God gives meaning and purpose to human life." was added.

Since it was written, Junior Chamber members all over the world recite the Creed at local, national and international meetings and functions. During that time there has been much discussion of the interpretation of the Creed. The author himself said, "Every Member is free to interpret the Creed in the light of his own conscience."

Mr. Kevin Kuo

Have a wonderful JC life! Be better!

It is a pleasure for me to greet you today in recognition of the Inauguration Ceremony of JCI Hong Kong, China and send my best wishes for this wonderful event.

As we know, Clement is an outstanding leader. I believe that Clement and his team will lead JCI Hong Kong, China wonderfully. Let us give them a big applause.

During World Congress in Seoul 2006 , President Clement and I accepted great responsibility. We have committed ourselves to growing our organization by the creation of aggressive recruitment and effective retention of members. I am very proud to be working with you towards this goal. In order to achieve this goal , we need to be present in our communities at the local, national and international level. We need to dare to create a vision to share this vision with everyone we meet and to make our vision come true. Now, I encourage each one of you this year to work together, take action to start a new chapter, focus on making the young leaders stronger. There is a Chinese proverb "Human efforts can achieve anything 事在人為". I believe you can make it.

I come from Taiwan and sincerely invite all of you to attend ASPAC in Chung-Li Taiwan 2007. Feel different culture and passion of Taiwan. Anyway, cherish time when we are together. And let's celebrate Inauguration Ceremony in this beautiful city. Finally, please let me know if there is anything I can do to assist you or your members. May all of you are Happy forever and ever!

Mr. Moses Cheng Mo Chi, GBS, OBE, JP

I would like to express my congratulations for your success this year and I wish you every continue success in all your future endeavours.

In pursuing your dreams I hope all of you will focus on the reachable rather than mere possibilities. This is because those who focus on the reachable achieve much more in life than those who focus on mere possibilities.

My wish and hope is that your life is defined by your own determination, your own sense of worth. Define yourself for yourself, not by how others are going to judge you. Find your own internal compass. I use the term compass, because when winds are howling, and the storm raging, and the sky is so cloudy and you have nothing to navigate by, a compass will guide you to your port of call. During lonely and trying times, you have to rely on that compass. Who am I? What do I believe? Do I believe I am doing the right thing for the right reason in the best way that I can? Sometimes that's all you have and always, it will be enough.

I look forward to sharing your achievements and successes in the years ahead!

Message from National President

Junior Chamber International Hong Kong

First of all, I would like to thank our Guests of Honor, The Honorable Mrs. Rita Fan Hsu Lai Tai, GBS, JP, President of the Legislative Council, Mr. Li Gang, Deputy Director, Liaison Office of the Central People's Government in the Hong Kong Special Administrative Region, and Mr. Kevin Kuo, Vice President of Junior Chamber International, and other honorable guests for your attendance and support to Junior Chamber International Hong Kong!

Junior Chamber International is a worldwide federation of 200,000 young leaders and entrepreneurs from 110 countries. Junior Chamber International Hong Kong has been established for over 56 years in Hong Kong. Today there are about 1,400 members in 18 affiliated local chapters. We cultivate young leaders through "learning by doing process" – members are actively involved in various meaningful projects to benefit the community and to gain leadership skills and project management experience as well.

2007 is a special year for all of us in Hong Kong. It marks the 10th Anniversary of the establishment of the Hong Kong S.A.R. We also celebrate and prepare for the 2008 Olympic games to be hosted in Beijing.

Our presidential theme for 2007 is "BE BETTER". We will continue to lead our member to learn, learning how to become better leaders in business and in the community. Besides our Flagship Project – Ten Outstanding Young Persons Selection, we will also organize a program named as "Entrepreneurs in Action 2007". Its aim is to provide Entrepreneurship and Leadership training for both Junior Chamber members and outsiders. Our newly formed Training Institute will seek to provide training programs to companies and the general public. We will also strengthen our relationship with the government and other well-known associations in order to build up our image. Business networking events will be organized with other business associations in Hong Kong and in mainland China.

Our board of directors, both the national and local chapters, will be sworn in and committed to grow this organization. Let's work hand in hand to make positive changes to ourselves, to our families as well as our community.

Last but not least, I wish you a wonderful evening and an exceedingly successful 2007.

Clement Woo

Message from President

Junior Chamber International

As your 2007 World President, I would like to take this opportunity to send you warm wishes as you gather on January 20, 2007 for the JCI Hong Kong Inaugural Ball. Enjoy this special occasion to celebrate your achievements.

The hard work and spirit of your 2006 officers does not go unnoticed. As you celebrate this success, remember to look towards the future. I am sure that those new officers inaugurated tonight will continue the pursuit to generate positive change and elevate the JCI name in your community. Let this occasion renew your energy for JCI and strive to Be Better in 2007!

Celebrate your new leaders, and also keep in mind the importance of the individual. I have always enjoyed meeting with and working with JCI Hong Kong members. One of my fondest memories of 2006 was having the opportunity to spend a few days in Hong Kong in July. It was great to visit so many of your chapters and see so many of your members really working hard during that time – it is clear with this effort why JCI Hong Kong is always a top NOM. You have shown what a difference you are able to make in your community and throughout the world of JCI. Each one of you contributes to the success of JCI Hong Kong.

We all must take responsibility for the organization and the role we play in JCI. I believe that our true strength depends on the assets of the local chapters and this power that lies in the individual member. Every member is a shareholder, and I encourage you to accept your personal responsibility to improve your community as you advance the mission of JCI.

I look forward to hearing of the actions you take in 2007 to Be Better!

Scott Greenlee

Junior Chamber International Hong Kong continues to be a major force in creating better leaders in local community. Message from Hon. Life President

Junior Chamber International Hong Kong

It makes the Junior Chamber Members happy with the opportunity to come together to start a new year off.

Doing so enables Members of the Junior Chamber to come together, here as done elsewhere, to map out their own future; to carry out projects for the betterment of the community, both at district level and for the territory as a whole, while learning together as ambitious young persons to advance their own careers in the process and making lasting friends everywhere.

Message from Chairman

Hong Kong Junior Chamber Foundation

"Service to Humanity is the best work of life" is one of the good tenets from the JCI Creed. It truly reflects what and why JC should contribute in this community. Incidentally we are also stepping into the 10th Anniversary of HKSAR reunification to China. As a leadership development for young man and woman, we should plan ahead to make sure we could provide our assistance to this community.

It is no doubt that the current LOM & NOM officers will become the future leaders for this community. JCIHK will provide a good platform for you to practise, to sharpen your skills and enrich your experience. Taking this important moment, the Inaugural Ceremony of LOM & NOM officers, I pledge all of you to keep your promises and work through your term of office in 2007. Being a true leader, you need to demonstrate your leadership and commitment to all members. If you are responsible to yourself, you will also excel yourself to your maximum capability without hesitation. There is no guarantee of success after your hard work, but at least you have done your best and will surely have no regret.

"Be Better" is the theme of JCIHK in 2007. Have all of you also thought of any ways to make a better future for yourself, your family, your JC Chapter and this community in Hong Kong? We should always remind ourselves of making things better and become a better person at all times.

I have witnessed many successful improvements in this organization in the past and I have full confidence that National President Clement and other JC leaders will also lead the organization to advance to another level in 2007. HKJC Foundation is closely tied with JCI Hong Kong. We will fully support all the meaningful projects and plans for the betterment of the organization and the community.

On behalf of HKJC Foundation Ltd., I sincerely congratulate all the new leaders in this organization to have another successful year in 2007. Only with your dedication and hard work, our organization will become more attractive and beneficial to the young men and women in Hong Kong.

Vote of Thanks from Inaugural Ball Chairman

The Inaugural Ball is the most solemn moment each year for members who committed themselves in serving our organization. It marks the beginning of a new era and endeavors in pursuance of the JCI Creed. It is my honor to be the Chairman of this meaningful event. I would like to extend my heartiest greetings and every good wish to all NOM and LOM officers for the success and satisfaction in their year of office.

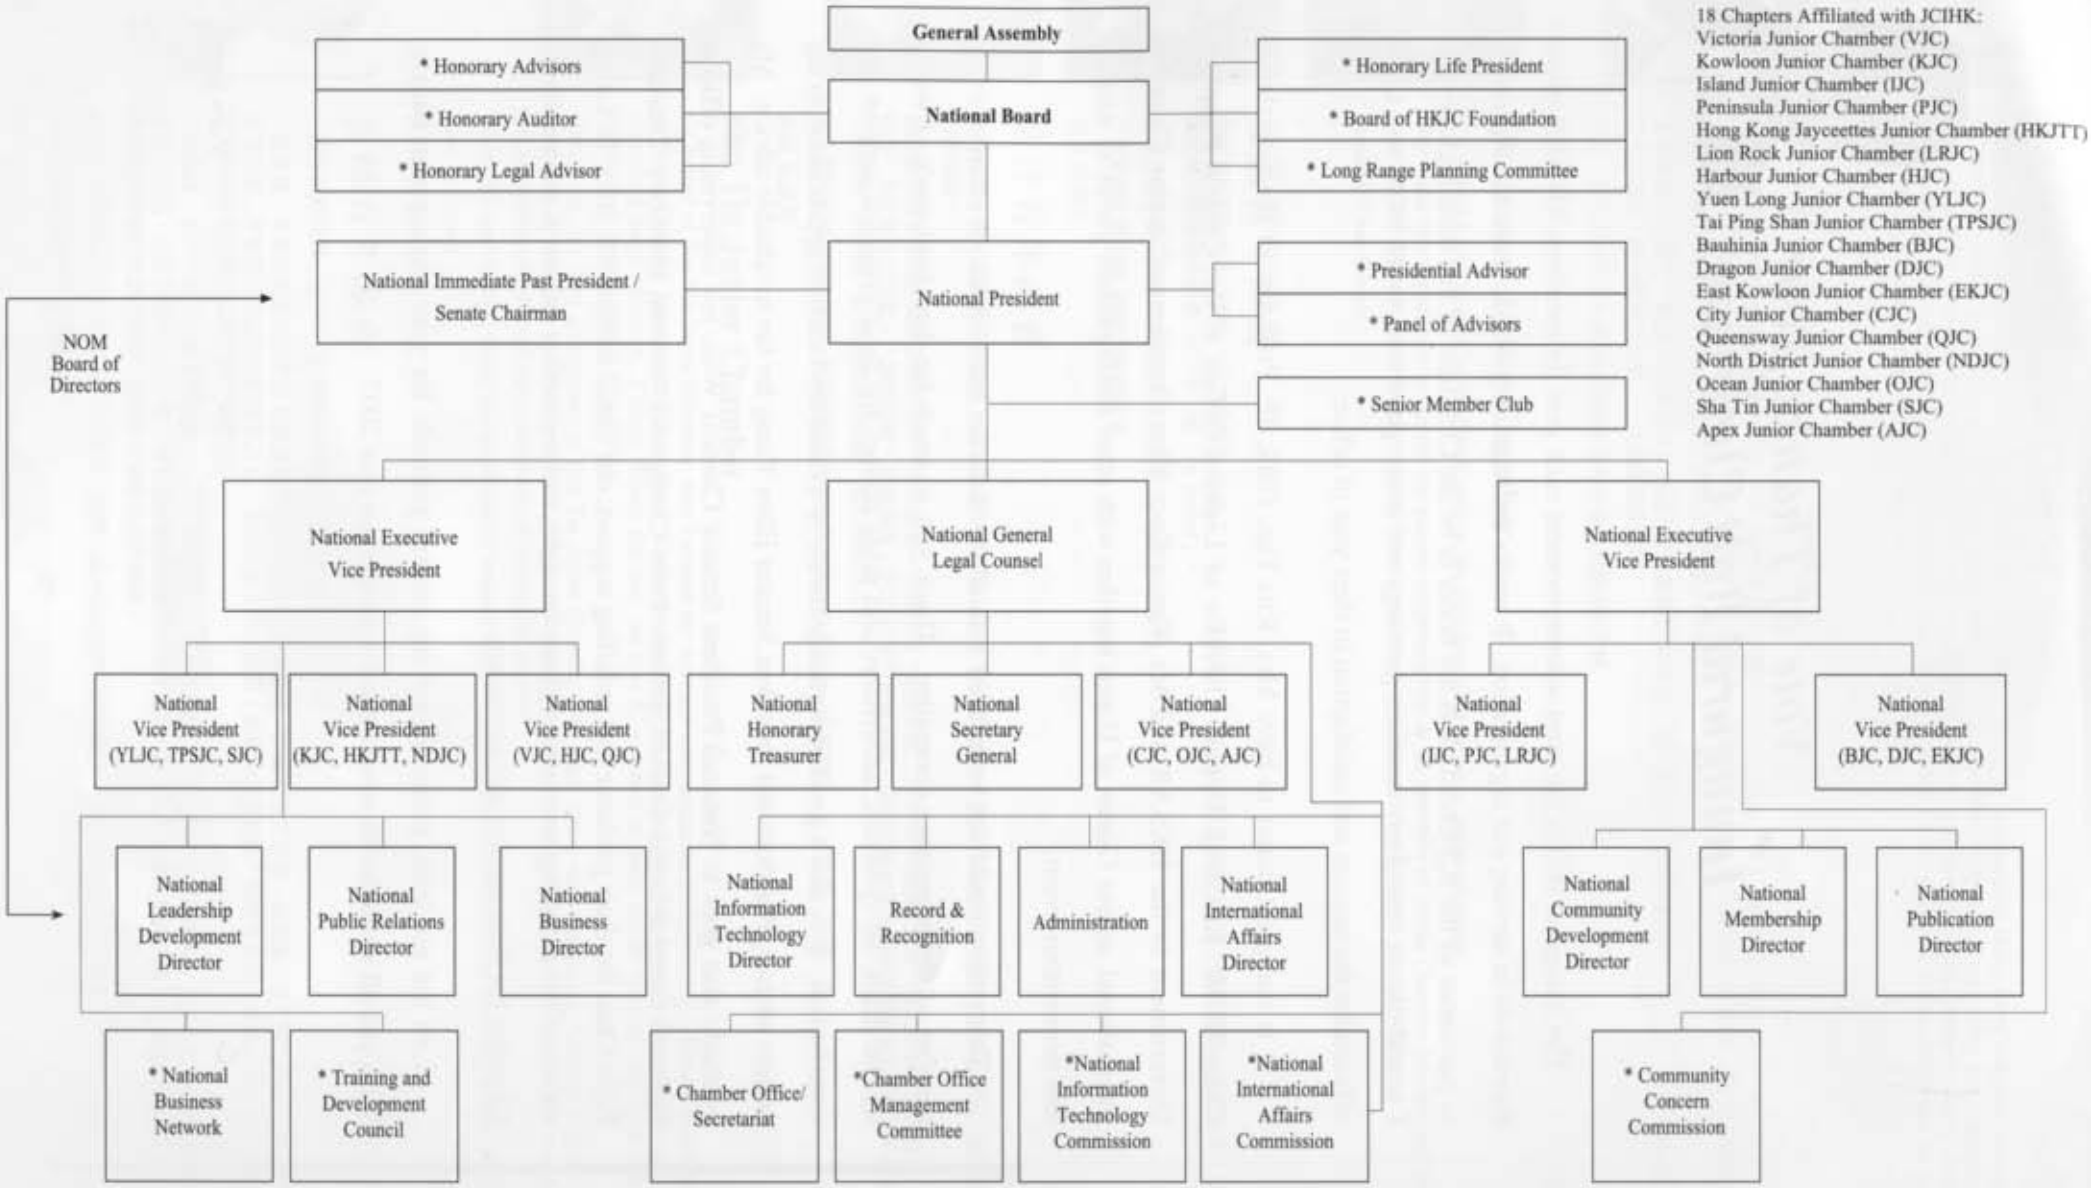

It is our great honor to have Mrs. Rita Fan, GBS, JP, President of the Legislative Council, Mr. Li Gang, Deputy Director of Liaison Office of the Central People's Government in the HKSAR and Mr. Kevin Kuo, Vice President of Junior Chamber International, as our Guests of Honor together with other distinguished guests to witness this momentous event.

This project could not be realized without the devotion and continuous effort of every member of the organizing committee. Thank you so much for their hard work. I would like to thank all sponsors, advertisers and prize donors for their generous support and contribution. It is also a good opportunity for me to extend my heartfelt appreciation to my project adviser, Past National President Senator Ellen Tsang for her invaluable advice. My gratitude also goes to National President Senator Clement Woo, my supervising officers National General Legal Council Senator Felix Cheng and National Honorary Treasurer Felix Chan for their guidance and unfailing support, our music advisor Mr. Alex To for his choice of the charming music throughout the night, and my mother chapter Kowloon Junior Chamber for their support and assistance.

Last but not least, please accept my sincere gratitude for your participation tonight. Wish you all an enjoyable evening and a prosperous year 2007.

History of Junior Chamber International Hong Kong

Flashback 1950's - Practical Idealists pioneered the Jaycee Movement in Hong Kong

In late 1940's, Hong Kong was recovering from the Second World War. There were urgent need and great opportunity for local community leaders to contribute to its social and economic development. The Jaycees thus found their role in the making of Hong Kong.

A group of dynamic young men, of various nationalities and background, were inspired by Junior Chamber International to form the Hong Kong Junior Chamber (Jaycees).

With unbounded enthusiasm and tireless efforts, those pioneer Jaycees worked hard in different community projects and training program, and participated in a series of international meetings. It opened also its first office in the then Hong Kong Bank building.

Assessing the needs of the society then, these young men put ideas into action. Projects were put in hand which aroused civic consciousness among young people here. A novel project was the timely setting up of more than 30 children's libraries, including portable and mobile van libraries. This was a most prominent achievement much appreciated by the public.

Todd Opens Library

5,000 Books Donated By HK Jaycees To New Children Library

Extracted from Standard-Sing Tao The Hon R Todd, Secretary for Chinese Affairs, opened the Children's Library together with acting Hong Kong Junior Chamber of Commerce President A de O Sales on Jun 12, 1951. Over 5,000 books were donated!

The first children's library was established in 1952 at the War Memorial Centre in Wanchai, followed by the ones in Shek Kip Mei and Yuen Long (Nixon Library). In 1955, Hong Kong Jaycees donated the first mobile Van Library to the Social Welfare Office under the Chinese Languages Department. As a result, thousands of children were given the chance to read and learn. The success of the project led to the first award for the Hong Kong Junior Chamber in the Melbourne World Congress in 1952. The children's library project was further developed into a scholarship program, helping those who wanted to learn.

Side by side with civic projects, there was keen interest in business pursuits too. The Jaycees held its first trade exhibition in Melbourne in 1952, and repeated the project elsewhere until the territory stepped up its official presence at numerous trade and industrial exhibitions in the years that followed.

In a move to broaden their vision and widen their horizon, pioneer Jaycees were also active in attending various Conferences and Congresses, not only Jaycees but other such occasions as well.

The experience gained led to the success of hosting the first and the fourth JCI Regional Conferences in Hong Kong in 1951 and 1954 which won community plaudits and put the Chamber in the forefront of Jaycees in the continent.

History of Junior Chamber International Hong Kong

A dream became a reality when President Colin J Ure signed the contract for the construction of the Jaycee Peng Chau Health Clinic in the presence of representatives of Peng Chau Rural Committee. The designer of the clinic was Mr Peter Ng (the gentleman standing in the middle), an authorized Architect. He became our President in 1962.

The participation in, and the hosting of, international conferences, added a new dimension to the members and at the same time uplifting the regional exposure for Hong Kong. Hong Kong Jaycees quickly attained high international office. From 2 Regional Presidents for Asia to JCI President in 1956 and Vice President for Commissions in 1957.

With wholehearted participation and genuine contribution by the Jaycee members, Hong Kong Jaycees earned wide international recognition in a few years. Jaycee activities were seldom out of the press and were extensively reported. And so, Hong Kong Junior Chamber had an accepted place in the community here.

At the same time, with the rapid development of Hong Kong in the 50s, it became apparent that facilities for the training of future executives were almost non-existent. Hong Kong Junior Chamber shown foresight and initiative in promoting institutional development. It particular, it took pride in its contribution to the formation of the Hong Kong Management Association.

Jaycees was therefore called 'catalysts' and 'pacesetters' locally. They were described by the then Governor Sir Alexander Grantham as 'Practical Idealists' - young men with high ideals put into practice by concrete projects for community betterment.

Undoubtedly, Jaycees in the 1950s laid down a solid foundation for the Hong Kong Junior Chamber to go forward with more growth and development while it won wide prestige in the community and high recognition in the Jaycee world.

The members still had the cherished ambition of bidding for a World Congress, a daunting task then without proper facilities and adequate funding. Plans were laid carefully soon afterwards as the new City Hall was being built. The bid won in a contest and so Jaycees had the unusual challenge of holding here the first worldwide meeting. The successful response was sound organization with total membership involvement.

Flashback 1960's - Growth and Development

In the continuation of the relay, Hong Kong Junior Chamber stepped into its further developing stage.

Applying the experiences gained and together with the endeavor of the Jaycee members, the 17th World Congress of Junior Chamber International was, for the first time, held in Hong Kong in 1962. It was a grand and memorable event, widely covered by the media. The use of the whole new City Hall became the talk of the town. The success of which not only reaffirmed the social status of Jaycees in the community, but also was a confidence booster for each Jaycee member.

Two survey teams were set up to inspect the 23 children's libraries donated by the Jaycees in the past years to various organizations and schools. Eight of them had been selected for replacing some worn books and adding to their shelves some new editions.

History of Junior Chamber International Hong Kong

The handsome surplus from the Congress also led to the formation of the Trust Fund. It gave the Chamber a sound foundation which enabled the Jaycees to carry out many projects for community development with the confidence and helped it eventually to buy an office.

With the continual injection of new blood, Hong Kong Junior Chamber was restructured into a core National Organization Member (NOM) and 2 affiliated chapters of Victoria and Kowloon Jaycees in 1965.

JCI Regional Conference was hosted in Hong Kong again in 1966.

"A Better World Tomorrow Through Jaycee Training Today" - Theme of 1966 JCI Conference in Hong Kong.

To spread the Jaycee spirit, Jaycee Week program was also launched in the 60's to promote Jaycees to the public. The first Chinese speaking chapter (Peninsula Jaycees) and the first all lady chapter (Hong Kong Jayceettes) were then formed in 1969.

The coming together of members from various backgrounds provided the impetus for a diversification of community projects.

The Annual Dragon Seed Races shared our concern for the boat people in the Kowloon typhoon shelters.

The Miss International Goodwill Contest, and the later Miss Hong Kong Contest in the 60's were first initiated by the Jaycees and became an international friendship program which promoted the international goodwill and enhanced cultural exchange of Hong Kong.

The TOYP was first introduced by Hong Kong Junior Chamber of Commerce in 1970. His Excellency The Governor was the Patron.

The addition of more members and more projects, called for better communication, co-operation and administration. The introduction of management course and projects such as Anniversary Ball played an important role in answering to the needs.

Through such projects in 1960s, Hong Kong Junior Chamber became more concerned with membership development and began to strive for more opportunities in leadership training and to step up work for betterment of the community.

Flashback 1970's - Many First and Meaningful Projects

Stepping into the decade of the 70's and after the celebration of the Silver Jubilee Anniversary, it marked the beginning of an expansion in chapters and rapid increase in international awareness of their high standard of administration activities.

History of Junior Chamber International Hong Kong

It was a memorable period which had many encouraging rewards and meaningful projects carried out. Five more chapters were formed. JCI Asia Pacific Conferences were again hosted in Hong Kong in 1972 & 1979.

In 1974, during the World Congress held in Auckland, Hong Kong Junior Chamber won the first Local Organization Member (LOM) Award and the JCI Presidential Award and the JCI Presidential Award of Excellence in NOM management.

Three years later, Hong Kong Junior Chamber was awarded the JCI Presidential Award of Excellence for Outstanding Achievement in Chapter Extension with an increase of 25%, and the JCI Presidential Award of Excellence for Outstanding Achievement in Growth with an increase of over 50% in membership in the year of 1979.

The Jaycee owned Chamber Office was opened in the year 1977 with the help of the Trust Fund, which further enhanced the sense of belonging of members in the Jaycee family.

His Excellency the Governor Sir Murray Maclehose sent his message to welcome the delegates of JCI Regional Conference.

March in of Chief Delegates at Seoul Conference, 1976.

For the first time in Hong Kong, two toys libraries for children were set up by Jaycees in Tze Wan Shan and Tuen Mun.

Many well-known projects were initiated and received wide publicity. To name a few:

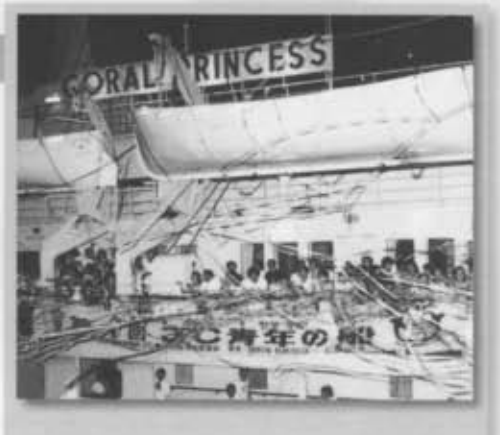

- The first 'Outstanding Young Men Award' was launched (forerunner of the 'Ten Outstanding Young Persons Selection' (TOYP) program which received increasing support and commendation from the public until now).
- The 'Exchange program' in 1971 was the first Youth Voyage which deepened the cultural exchange and understanding between Hong Kong and Japan.
- The first 'Solar Heating System' installed in Wu Kai Sha Youth Camp received the first LOM award in JCI World Congress.
- The much acclaimed 'Earth Population Awareness Program' which propagandized the slogan: 'One is cute; Two is ideal; Three is too much for the bill, Four breaks the family quilt' was adopted by The Family Planning Association as a slogan for family planning education program.
- The "Pop Folk" Concert in those days was the only outdoor concert attracted the youths in Hong Kong.
- The 'Eye Care Campaign' and 'Kidney Donation Campaign' etc. projected the importance of health.

History of Junior Chamber International Hong Kong

Flashback 1980's - Challenging Decade

The Jaycee movement in the 80's was confronted with many challenges but at the same time opened up many new and exciting opportunities.

More LOMs were added to the Jaycee family in the 80's, increasing the total membership to over 1,300 and 19 chapters, in which two chapters - Macau Jaycees and Hou Kong Jaycees in Macau - formed the Macau Jaycees and affiliated with JCI as an independent National Organization Member at the end of 1988.

The 1981 JC Youth Voyage (青年之船) arrived Hong Kong late at 1:30 a.m. due to typhoon.

With more energetic young persons joining the Jaycees, many meaningful and innovative projects were held, such as 'Young Scientists Awards', 'The International Children Drawing Competition & Exhibition', 'Chunk-Click and Go', 'Spread the Lights', 'Good Children Awards', 'Courtesy Campaign', 'N. T. Regional Outstanding Student Selection' and 'Road Safety Campaign' etc.

There were also honorable and glamorous moments for Hong Kong Junior Chamber in the 80's. Senator Jennifer Yu was elected as the first Lady World President for 1988. Four TOYP awardees of Hong Kong were separately honored as recipients of the Outstanding Young Person of the World Award during the JCI World Congresses in the years 1983, 1984, 1985 and 1988.

1983 Theme Project, "A Diversified Economy, Future Stability & Prosperity", won The Best NOM Theme Project Award during the 19th World Congress held in Taipei in Nov 1983.

To echo the 1986 theme of Hong Kong Junior Chamber of Commerce "Training the Youth, Heading for Peace", 100 pigeons were released into the sky of Statue Square in Central.

The first-ever JC delegation to visit Beijing, received by All Youth Federation.

Furthermore, three lady National Presidents were elected, and led the Hong Kong Junior Chamber of Commerce in 1983, 1987 and 1989 respectively.

Approaching the end of 1980's, Hong Kong Junior Chamber was faced with many public issues as did the community at large. Even so, the Hong Kong Junior Chamber still pressed on with the mission of community involvement and played an important role as training organization for young people.

History of Junior Chamber International Hong Kong

The Opening Ceremony of the New Chambaer Office on Sep 13, 1990.

Hong Kong Junior Chamber had the honor to be invited to participate in the first 'Youth Rally' of the 'Youth Festival' in December 1989. Relationship with outside youth organizations and Government was further strengthened and the image of Jaycees in the eyes of the public was also kept up.

The Chief Secretary Sir David Ford joined hands with the Jaycees in the grand opening of the JCI Hong Kong Congress

NP Daniel Cham joined the HK delegation to take part in the "International Model United Nation" organized by the UN and JCI. JC delegates and NGO representatives from all over the world took part in the 5-day event in the UN Headquarters.

Flashback 1990's - Scaling New Heights

Entering the nineties - a decade of change and transition - the Hong Kong Junior Chamber continued to uphold its mission of advocating social responsibility among young people. In the first-ever direct election in Hong Kong in 1991, the "One Plus One - Support Direct Election" campaign was organized by all 17 local chapters, once again marking the Jaycees' active participation in civic affairs.

In 1993, the Hong Kong Junior Chamber hosted the JCI World Congress, an event that attracted more than 6,000 delegates from over 100 countries around the world. 30 years had elapsed since the Hong Kong Jaycees last hosted the World Congress in 1962 with wide acclaim.

The decade of the nineties also witnessed a series of improvement programs within the organization. With funding support from the Hong Kong Junior Chamber Trust Fund a new office in Sheung Wan was acquired in 1990 to provide a more spacious training and meeting facility for the Junior Chamber's 1,500 strong membership. The "National Business Network" (NBN) and the "Training and Development Committee" (TDC) were subsequently established to offer a wider scope of networking and development opportunities for the members.

Since 1996, the Hong Kong Junior Chamber has been actively involved in the "Right Decisions Program". The project, originated by JCI and executed on a worldwide level, promulgates the importance of youngsters in making the right choice for their actions. The "Right Decisions Program" has been implemented in primary and secondary schools since 1998.

History of Junior Chamber International Hong Kong

Flashback 2000's - Now and the Future

While celebrating the 50th Anniversary in year 2000, we renewed our pledge of traditional commitment to work for community betterment and for the happiness and prosperity of the territory. We continue to provide high quality training programs and learning opportunities to members, and cultivate their sense of belonging to civic matters such as 'Right Decisions Program', 'Basic and Advanced Leadership Management Training', 'You and I bring Hong Kong Back', etc.

"Right Decisions Program" targets for secondary students in enhancing their judgement

Besides serious training schedule, members also had moment for rejoice in Vanguard Leaders, a prominent training originated by JCI.

Hong Kong Junior Chamber participated in "上環環給你夜市慶千禧". Professor Right Decisions was well recognized by the public.

In 2001, it was the first time in the history of Ten Outstanding Young Persons Selection that a Community Service Day was included. The purpose of this was to bring the message that the awardees of TOYP Selection will take the lead to serve the community especially the less concerned group. On October 28, the awardees of 2001 TOYP Selection together with hundreds of members of HKJC, disabled persons, students and volunteers participated in creating a giant paper flower sculpture made up by over 73,000 pieces of paper flowers. All the paper flowers were hand-made by disabled persons, students, and volunteers. Through the challenge of setting world record, public concern on the employment opportunities of disabled people in Hong Kong was aroused. Besides, fund for the first self-financed floral workshop of Hong Kong Federation of Handicapped Youth was raised through the event.

In line with the adoption of JCI Corporate Identity Program in 2003 Copenhagen World Congress, Hong Kong Junior Chamber changed its name to Junior Chamber International Hong Kong in 2004 and acquired a new office in Sheung Wan to accommodate our future expansion.

In 2005, JCIHK celebrated her 55th Anniversary and was awarded the "Most Outstanding National Organization Award" in Vienna Congress.

First time online interview with JCI President Karyn Bisdee was broadcasted to the world during her visit to Hong Kong.

Ten Outstanding Young Persons Selection 2006
十大傑出青年選舉 2006

Initiated and organized by Junior Chamber International Hong Kong (JCIHK) since 1970, Ten Outstanding Young Persons Selection has become over the years an important annual event in recognizing the outstanding young persons of Hong Kong.

The Selection this year has been made possible by the support of our Honorary Patron, the Honourable Mr. Rafael Hui, GBS, JP, Chief Secretary for Administration of Hong Kong SAR; our Sole Sponsor, Bank of Communications; our Selection Consultant, Grant Thornton and our Panel of Judges led by our Chief Judge, Dr. Alice Lam, GBS, JP, and attended by Dr. Raymond K.F. Ch'en, GBS, CBE, JP, Mr. Alfred Chan, Mr. Leo Lin-Cheng Kung, Mr. Karl C. Kwok.

The objective of the Selection is to recognize the young people who have outstanding performance in their careers and who have made significant contributions to our society.

To publicize the Selection, a large-scale and professional promotion campaign which includes newspapers, magazines, multi-media propaganda and radio interview have been conducted in 2006.

The 1st Press Conference was successfully held on June 17, 2006. The program started with the address of National President Senator James Tsui. Then, Mr. Xu Cheng Fa, Deputy General Manager of the Bank of Communications, our Sole Sponsor delivered his speech and presented a cheque to JCIHK. After that, Chairman Senator Ada Koo introduced the Selection in details. The event proceeded to a forum conducted by Chairman Ada, in which Mr. Ying Ho Kennedy Wong, Ms. Jue Yao and Ms. Wing Chee Hung had been invited to share with us their experience of having been a TOYP Awardee respectively. This was followed by the opening ceremony which was officiated by Mr. Xu Cheng Fa, Mrs. Alison Wong, Partner of Grant Thornton, TOYPA Chairman Mr. David Yeung, National President James and Chairman Ada.

Results of the TOYP Selection 2006 announced at the Press Conference on October 8, 2006 and the Awards Presentation Banquet held on November 26, 2006, with 9 outstanding young leaders received the Awards.

TOYP Community Services Day held in November and jointly organized with TeenAIDS. Through participation of TOYP Awardees on Community Service Day, we arouse the attention of teenagers and the public to the information in the medical discipline contributing to a correct understanding about HIV/AIDS and to alert them against the infection of the disease.

"Entrepreneur in Action" Program for New Era Leaders 2006
「新一代創意企業家」企業力行計劃 2006

JCIHK is the trailblazer among JCI NOMs. We are the pioneer to hold "Entrepreneur in Action" (EiA hereafter) project which showed JCIHK members' determination and courage to create and use opportunities to generate changes, to break barriers and to explore new fields.

The spirit on EiA project inspired the entrepreneurial creativity and innovation through the in-action programs were further extended to individuals of the enterprises and communities in Hong Kong.

Organizing committee had experienced the tremendous results since February. Over these 6 months, more than 1000 participants attended our series programs with great success including:

1. Kick Off Ceremony cum Creativity seminar which was almost 300 participants attended our event and they also witness our website launched at the same time. Website address is www.eia-program.hk
2. Business Talks Part I & II which had let the Youth and new Entrepreneurs get the experience from the speakers. We had put some training elements in order to let the participants have time to discuss and discover the points by themselves.
3. CEO Forum which recorded about 200 participants, this was the first time to invite 4 prominent CEOs from listing companies at the same time. We had got many media reported and the forum was highly appreciated by the public too.
4. Best Business Plan Competition invited Mr Anthony Wong J.P. the commissioner for Innovation and Technology to be the chief judge, judge committee including other NGOs representatives. This is the first time to official launched by JCIHK. We were honored to invite the distinguish judges. They made our event even more meaningful.
5. Business visit for Innovation –China and HK had provided the opportunity to let the 160 entrepreneurs experienced themselves on how to manage factory and business exchange between Hong Kong and China.
6. Creative Gala – Genius Decoder which was over 200 participants attended. It is our honor to invite Mr.Lee Lik Chee (famous director) and Mr. Alfred Tsoi (CEO of Yahoo (HK)).
7. Best Business Plan competition and "Entrepreneurial Enterprise" (Honor) Award Banquet cum Closing Ceremony was full house in Intercontinental Hotel with great enjoyment.

EIA website recorded more than 16500 visitors. It is still growing everyday.

This project has not yet finished by the time we submit this introduction. A book of EiA project to decode the precious experiences of the famous CEOs will be published in February 2007. This book will be a textbook for creativity and branding management in education institutes in Hong Kong and worldwide.

It is just the beginning. Let's be the pioneers to inspire and to shine.

Poverty Alleviation Caring Movement
扶貧關懷行動

香港正處於經濟轉型時期，產生多方面的貧窮問題，貧富懸殊尤其嚴重。因此，國際青年商會香港總會舉辦「扶貧關懷行動」，並且邀請非政府機構參與，共同舉辦扶貧工作計劃，並將目標定為從受助到自強，鼓勵自力更生及協助更多有需要幫助的人士。

於五月二十一日舉行的開幕禮，本會邀請到社區投資共享基金委員會、扶貧委員會、觀塘區議會、元朗區議會及深水埗區議會要員出席，分享扶貧工作的經驗及建議。然後，本會又邀請到本地樂壇名人關心妍成為「扶貧關懷榮譽大使」，協助推動全港各界參與扶貧工作。

『扶貧關懷行動』旗下的工作計劃包括：維多利亞青年商會的小本創富，為深水埗區有意創業的人士提出協助；元朗青年商會的自強自勉英語樂融融，透過學習英語鼓勵元朗區低收入家庭的小朋友自強自勉及東九龍青年商會的「生命教練」商界合作計劃，與商業機構合作為低學歷年青人提供實習機會及社會經驗的分享。

深水埗區是全港低收入人口比例最高的地區，人口老化促使老年貧窮人口上升；基層勞動市場需求下降，令低學歷低技術的人士更難就業。因此，維多利亞青年商會及深水埗區議會關注貧窮問題工作小組，合辦『小本創富』專題講座及「創業坊計劃」。『小本創富』專題講座目的是灌輸參加者創業知識，並爭取商界支持，以協助有需要人士創業。而「創業坊計劃」為失業人士提供專業協助及免租商舖，於深水埗區商場內創業，發揮創業及自助精神，以解決失業困難。維多利亞青年商會邀得『深之都』商場提供六個月免租商舖，並且於商場舉行宣傳活動，介紹「創業坊計劃」，多位參與計劃的深水埗區失業人士已經在『深之都』商場開始他們的創業之路。

地處偏遠的**元朗及天水圍區**家庭入息中位數偏低，領取綜緩個案比率亦偏高，區內的貧窮問題一直備受社會人士的關注，元朗區是扶貧工作的重點地區之一。此外，元朗區五至十四歲人口數量為各區之冠，而當中不少來自低入息及領取綜援的家庭，容易產生跨代貧窮的情況，因此元朗青年商會於今年暑假期間舉辦了『自強自勉英語樂融融』計劃，希望協助清貧學童從受助到自強，推動社會公益。計劃第一部份是舉辦「英語拼音班」，為區內低收入家庭之學童免費提供英語拼音班。計劃第二部份是為該批學童舉辦了「擴闊眼界一天遊」，行程包括前往香港海防博物館及金紫荊廣場及香港大學參觀，並邀得大學義工帶領學生參觀大學圖書館、教學大樓等設施，讓學童可以近距離感受大學生活，希望藉此啟發他們努力學習，以進入香港最高學府為目標。為了鼓勵學童，元朗青年商會於八月二十四日在天水圍嘉湖銀座廣場舉行了畢業禮，並邀請了元朗民政事務處及元朗區議會派出代表出席主禮。

觀塘區是全港低收入人口最多的地區，雖然區內擁有眾多大型私人屋苑及新型商業大廈，但是亦有不少獨居長者，雙親學歷低而又需要工作的家庭，或綜援家庭等等。為防止區內貧困問題延續至下一代，東九龍青年商會舉辦「生命教練」商界合作計劃，與商業機構合作為低學歷年青人提供實習機會及社會經驗的分享。第一部分職業講座已經順利舉行，當日多位青商之友及會員與區內年青人分享工作經驗及面試技巧，並啟發大家對不同行業的興趣；商會正在努力聯繫商業機構，讓年青人於假期中得到實習機會。

『Excel Net 卓越』成立於1989年,作為專業人力資源顧問公司,『Excel Net 卓越』以人為本,倡導關懷互信的勞資關係、以客為先,堅持卓越服務承諾。我們與許多跨國集團、大小企業建立良好合作伙伴關係,亦有機會為許多人找到他們事業的新起點。

『Excel Net 卓越』亦不忘肩負企業公民責任,發揮專業所長,協助殘疾人士建立自信,融入社會。除了支援「香港復康力量」各項職業及培訓計劃,無間斷支持教育工作,與傳媒緊密聯繫,提供事業資訊,協助求職人士。我們也曾資助「全港青年翻譯比賽」、「香港傑出培訓師選舉」、「義人同步展關懷」、「世界視覺日」等活動。我們亦鼓勵員工積極參與義務工作,共同推動社會公益事務,關懷弱勢社群。

『Excel Net 卓越』榮幸獲選為「商界展關懷」企業之際,藉此感謝長期支持我們的合作伙伴,期望能同心凝聚社會力量資源,攜手共建和諧共融的社會。
