The JCI Creed

We believe:

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That Government should be of laws rather than of men;

That earth's great treasure lies in human personality; and

That service to humanity is the best work of life.

History of the Creed

The year was 1946; the place, Milwaukee, Wisconsin, U.S.A.; the event, the United States Junior Chamber National Convention, Visitors came from Canada, Mexico, South America, Europe and the Philippine Islands. It was here that the idea of a JCI Creed was born.

Past President of the Ohio Junior Chamber and National Vice President of the United States Junior Chamber C. William Brownfield realized at this convention that the organization did not have a Creed. He was inspired by the devotion of Junior Chamber members "to the purpose of serving mankind in a thousand different ways, right down at the grass roots where freedom lives or dies."

Brownfield saw Junior Chamber as "the potential for a new force in the world, one capable of changing the balance between victory or defeat for our chosen way of life in a time of crisis."

The actual writing of the Creed took place in July 1946 during a drive from Brownfield's hometown of Columbus, Ohio, to his coal mine in New Lexington, a journey of about 75 minutes. He started that journey with a firm conviction in his mind to work on the Creed. It was during that trip that the following words came to mind and were put on paper:

The brotherhood of man transcends the sovereignty of nations.

Economic justice can best be won by free men through free enterprise.

Government should be of laws rather than of men.

Earth's great treasure lies in human personality.

Service to humanity is the best work of life.

In 1950 the first line, "We believe that faith in God gives meaning and purpose to human life." was added.

Since it was written, Junior Chamber members all over the world recite the Creed at local, national and international meetings and functions. During that time there has been much discussion of the interpretation of the Creed. The author himself said, "Every Member is free to interpret the Creed in the light of his own conscience."

Message from National President

First of all, I wish you, your family and your friends health and success for the year 2002.

So many incidents took place last year. Shocking, tragic, some were and the shock waves simply shook the world instantaneously. Changes brought about as an aftermath were beyond measure, and while stepping into the new year, we are quite sure these changes are as yet to be over.

As a leadership training organization established for over 50 years, our members were well exposed to change management through their taking up of different roles and duties each year. The 4 Cs: Capability, Creativity, Capital and Competitiveness, which are essential survival elements, can be seen amongst our members, present or past.

As the current President, our team has worked out the blue print for 2002 and here are some highlights:

- Our Presidential theme will remain as "Entrepreneurship for Positive Change". Vision, commitment and open-mindedness of an entrepreneur are also strengths to empower our organization. And through such we would pursue positive change to make ourselves better persons.

- The challenge of membership retention and growth has been an old friend. Through Recruitment Seminars we would fuel in more energy to arouse the public awareness and understanding on the purpose and achievements of our organization. Whilst we do not expect membership to soar, we expect to attract quality members with aspirations that coincide with our own.

- A flagship program to be launched in collaboration with the Hong Kong Polytechnic University (HKPU). This would be a certificate program on Entrepreneurship. The purpose is to enhance competencies in management skills and to stimulate thoughts on managing change. The program would consist of lectures, experience sharing sessions and a forum session, and target participants would include members and the public.

The above are the focus of the NOM team and would also become a common basis upon which our chapters would endeavour. By joint efforts we would draw more public attention, to know more about our activities and thereby our goals and visions to be made better known.

A yearful of challenges are waiting ahead of us. For all of us prepared to be sworn in our offices tonight, let us give ourselves a big round of applause and get ready to dive in!

Tony Chan
National President

Message from President of Junior Chamber International

To start, allow me to express my pleasure and appreciation for the unanimous confidence of our organization's General Assembly, which allows me to direct JCI's destiny during 2002.

But I hope to express greater pleasure and appreciation at the end of my term as JCI President, since that would mean that the activities carried out by all our members would have been successful. To this end, we must carry out our activities based on three fundamental premises:

First: We are an organization of movers and shakers who obtain satisfaction from our actions-from the moment we initiate, design and execute our projects until we reach our final objective.

Second: Our organization's increased value resides not only in the activities we undertake, but also in the quality of our efforts. The value of our projects varies depending on the way we execute them. The quality of our approach ensures the success of our projects. This quality is fundamental for our training and it defines the style of our programs.

Third: We must build a solid edifice for tomorrow's young people. We are all involved in building this edifice. I hope you will all be the foundation on which the JCI edifice will be constructed. The participation of every one of you will ensure our goals and aspirations are higher and more significant.

I have no doubt that we will all contribute with our deepest commitment and our best efforts to achieve a successful performance. For this purpose, you can count on my full collaboration and that of all the 2002 JCI team members, including JCI Vice Presidents, Board of Directors, officers, and assistants.

Hoping to be able to personally meet you, I send you a warm *abrazo* in advance.

Salvador Batlle i Domenech

Junior Chamber International

Message From
Executive Vice President - Area B

I wish to greet all the members of the Hong Kong Junior Chamber on the occasion of your 2002 Inauguration Ceremony.

The change in the mantle of leadership is a sign of stability in an organization.
Having been assigned as your Junior Chamber International Vice President in 1998, I have seen the dedication your members have given. A few years after I see your NOM and LOMs grow and develop members into better citizens. Living up to the ideals of JCI.

The year 2002 will set a different challenge in your community. But the training that we get from JCI will prepare us meet these challenges. "Entrepreneurs in Action" will be a key. We should likewise continue in linking with other organizations and government institutions to provide a positive change in our community. It is only in working as a one big community that we will be able to establish peace, justice and prosperity to all.

Marcelo Nolasco Fernan Jr.
Executive Vice President - Area B

Message From Chairman of Senate Board

It gives me great pleasure and honor to send my warmest greetings to the National Officers and members of Hong Kong Junior Chamber on the occasion of the Inaugural Ball.

Inaugural Ball is the most solemn events each year to all Jaycees. We are proud to witness the determination of a group of young leaders pledging their commitment to serve our organization for the betterment of HK throughout the year.

A Senatorship confers "Life Membership" in Junior Chamber International, which is the highest and prestige honor that can be bestowed on current or past member of our organization. It is an account of a program, which has in a significant manner enhanced the prestige of Junior Chamber International by retaining the interest and support of many outstanding people throughout the world.

The main task of the Hong Kong Junior Chamber Senate is to link up fellow senators for the furtherance of our contribution to the development of our organization. In 2002, the Senate group will continue to cultivate a stronger fellowship amongst senators so as to motivate theme to actively participate in the NOM and LOM affairs. I trusted that during the process the experience sharing, we shall be able to maintain continuity of our tradition and to gather momentum for new breakthroughs.

To all National Officers, Chapter Presidents and all members, I wish you all a very rewarding and memorable year. In 2002, under the leadership of National President Senator Tony Chan, Hong Kong Junior Chamber will set to achieve another successful year.

Michelle Tang
Chairman
Senate Board

Message from Chairman of Board of Trustees

On behalf of the Board of Trustees, I write to congratulate the inauguration of a new year in the history of our organisation.

Some 200 young men and women will swear into their respective offices tonight. They will pledge their dedication to lead and to take this leadership development organisation for the young people onto further heights.

The seed money of the Trust Funds came from our successful hosting of the World Congresses and Conferences in Hong Kong in the past. These have now become substantial amounts of money that the Trustees invest to generate income to support Jaycees pursuits.

We encourage Chapters and the National Board bearing the entrepreneurial spirit to run innovative projects of both scale and quality. It is only with such projects that we can attract and retain quality members. It is only with such projects that our members can experience and be proud of and be recognised in the community. It is only with such projects that we can contribute substantially to our society.

To National President Tony and his Board, to the Chapter Presidents and their respective Board, we wish you all the successes for the year!!

To Inaugural Ball Chairman Vincent Chung, we thank you and your committee for organising this event for us all, and wish everybody a most enjoyable evening.

Edmond Pang

Message from Chairman of Long Range Planning Committee

Change is a hot topic nowadays. Companies regardless of their sizes are implementing or considering change programs that bring forth improvement in efficiency and ultimately increase in shareholder values through enhancement of current systems, policies, structure, work practices and processes. How about non-profit making organizations like Junior Chamber? The answer is yes.

In Junior Chamber, we envision the establishment of a permanent and everlasting world peace. Our mission is to contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility, entrepreneurship and fellowship necessary to create positive change.

The leadership of this organization needs to maximize achievements that lead to the realization of our mission while maximizing stakeholder values. To do this, we must live by the JCI Creed, have sustainable development, have strategies to make our visions a reality, and have the determination to change and realize our visions.

Taking this opportunity, I would like to send my heartiest congratulations to the 2002 board of directors of the Hong Kong Junior Chamber and the eighteen Chapters for their commitment to serve the organization. Your enthusiasm, hard effort and leadership will pay off with positive changes created not only to yourselves, but also to the organization and to the Hong Kong community.

Justin Lui
Chairman
Long Range Planning Committee

Message From Chairman of Senior Members Club

First of all, I take the chance to send my heartfelt congratulations to National President Tony Chan, the National officers, all Chapters' Presidents and all the officers and members of Hong Kong Junior Chamber on this Inauguration Ceremony for the year 2002. As the tradition of Junior Chamber, the offices and senior roles are re-elected every year. This is the occasion for the new leading circle to come on stage.

"New" does not mean thorough changes from the existing foundation or the well-built past. Instead, it means creation, continuation and intensification. That is creation of new values, continuation of goal pursuit and intensification of existing strengths. Amid the current global social, economic and political turbulences, members and officers of Hong Kong Junior Chamber are facing challenges from different aspects and directions. Especially in respect of the inevitable economic transformation of the local economy structure, we owe the duty to ourselves for leading such transformation and creating new values for the local economy which is now in a deadlock. Hence, being the young and energetic leaders, members of Hong Kong Junior Chamber are committing to our social responsibility by imposing positive changes to the community through various ways with creation, continuation and intensification.

As the 2002 Chairman of Senior Members Club, I am very pleased to participate myself and to motivate my fellow members to input efforts in all functions, activities and actions to fulfill our commitment to the society as stated above.

Last but not least, I wish all the NOM and LOM officers a fruitful and successful year.

Johnson Chan
Chairman
Senior Members Club

Message from Local Chapters

Victoria Junior Chamber

Being the most senior chapter among the 18 LOMs affiliated to Hong Kong Junior Chamber, Victoria Junior Chamber grows in the same pace as NOM. It is my honor and privilege to serve as President of VJC in year 2002 to lead this growth.

In year 2002, we will continue the pursuit of our mission, that is to nurture balanced developments of members through providing four areas of opportunities, namely individual, community, international and business.

I can foresee that there will be a lot of challenges lying on the road to success. Concerted efforts by our fellow members and our commitment to achieve goals are tools to combat these obstacles.

Let's join hands to show our willingness and commitment to live by the JCI Creed in order to promote JC movement.

MISSION:	To contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility, entrepreneurship and fellowship necessary to create positive change".
HISTORY:	The organization was founded in St. Louis, Missouri, U.S.A. by Henry Giessenbier on October 13, 1915. His idea spread and on December 11, 1944 representatives from eight nations met in Mexico City and Jaycees International (JCI) was founded.

CORPORATE SLOGAN:	"Entrepreneurs in Action" This dynamic slogan embraces Junior Chamber's global membership of over half-a-million members, Senior Members and JCI Senators in more than 100 countries and territories. "Entrepreneur" has many positive meanings. Primarily denoting "a person who organizes a business undertaking," it can also be someone who takes bold actions for the community's social entrepreneur. Innovative, cutting edge, creative, and youthful, an entrepreneur has fresh, original ideas and is ready to risk implementing them. "In Action" reflects Junior Chamber's proactive attitude of always working toward change. Regardless of the area of enterprise development, training, environment, children, peace, internationalism. Junior Chamber members improve their communities, their countries and their world. Junior Chamber creates opportunities. "Entrepreneurs in Action" depicts Junior Chamber members' determination and courage to use those opportunities to break barriers and explore new fields. Pioneers in business and in life, they radically redefine what is doable and how it can be done. Junior Chamber's ranks include leaders who are investors, venture capitalists, entrepreneurs, and professionals in diverse fields. Their entrepreneurial action empowers them to forge change to make the world a better place. They are visionaries and mavericks that transform dreams into reality. With strength and determination, they continually strive to do more and be more in their businesses, their communities, and in the lives they help change. These cutting-edge young business people bring passion and creativity to problem solving and to the art of work. Their boldness, imagination, and readiness to break barriers when needed give them the ultimate edge over competition.

Hong Kong Junior Chamber History

The Jaycee movement reached Hong Kong in November 1949 with the arrival of a Philippines Jaycee John Ng who was the Special Liaison Officer of the Junior Chamber International 5th Congress charged with the mission of converting Hong Kong to Jayceeism. Through the introduction of his cousin, Senator Alex Ng, John Ng was presented to Rev.E. Bourke, former Director of Wah Yan Collage, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, a sponsor group of Hong Kong Junior Chamber of Commerce was formed and Paul Lim was elected as Convener of the Organizing Committee. Mr. Austin Coates from Hong Kong Government, the Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor of the Organizing Committee.

The tempo of laying the foundation of the Chamber was further accelerated when Mr. Ramon V. Del Rosario, the JCI Vice President for Asia, offered to recommend prompt recognition for the Hong Kong's Jaycee membership status. He also invited the Organizing Committee to send observers to Manila. The account of their vivid experience gave Hong Kong observers a deeper insight into Jaycee movement. A week later, the Provisional Constitution which had been making during the previous three months was adopted. On April 6, 1950, the Inaugural General Meeting of the Hong Kong Junior Chamber of Commerce was held and the first Board of Directors was elected. On May 6, 1950, the Hong Kong Junior Chamber of Commerce was inaugurated by Mr. Roberto Vilanueva, the Vice President for Asia.

1956 - Senator A. de O. Sales was elected as JCI World President.

- There were two Junior Chamber of Commerce (Chapters) in Hong Kong.
- Hong Kong Junior Chamber of Commerce organized the "Miss Hong Kong-1965" contest, as a major effort to raise fund for the year's projects. Miss Joy Drake was selected.

1966 - JCI Regional Conference was again held in Hong Kong.
- An EGM of the Hong Kong Junior Chamber of Commerce was held to change their name to Victoria Junior Chamber of Commerce. A national organization using the original name of Hong Kong Junior Chamber of Commerce was formed. Senator Jim Silva (KJC) was elected the first National President under the name of HKJCC.
- The 3rd chapter, Island Junior Chamber of Commerce was established and affiliated with HKJCC.
- Senator Bahar Ramchandani was elected JCI Vice President for Operations.

Hong Kong Junior Chamber Activities

Ten Outstanding Young Persons Selection 2001

The TOYP Selection is the one of the most prestigious among the many meaningful projects and activities launched by the Hong Kong Junior Chamber. Organized since 1970, it has grown with prominence and recognition by the general public.

The five 2001 TOYP awardees selected were Dr. Cheung Wai Leung, Ms. Fok Ka Mun, Ms. Lee Lai Fan, Mr. Poon Kin Lui and Ms. Elizabeth Quat.

It was the first time in the history of TOYP selection that a Community Service Day was included. The event named "Hand in hand for Tomorrow" was organized. The organizing committee wants to bring the message that the awardees of TOYP Selection will take the lead to serve the community especially the less concerned group.

On October 28, 2001 TOYP awardees together with HKJC members, disabled persons, students and volunteers had participated in creating a paper flower sculpture made up by over 73,000 pieces of paper flowers. Through the challenge of the new Guinness World Records, we have generated positive and encouraging feedbacks within the community on the Hong Kong disabled people and their employment opportunities. Over HK$190,000.00 fundraised for the first self-financed floral workshop of the Hong Kong Federation of Handicapped Youth.

We strongly believe that all the TOYP awardees, together with youngsters who have or have not taken part in this Selection, will continue to create positive changes for a much better world tomorrow.
