THE JAYCEE CREED

We believe:

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That government should be of laws rather than of men;

That earth's great treasure lies in human personality;

And that service to humanity is the best work of life.

Foreword

Like the creation of earth's first woman, Jayceettes was, in the beginning, an "Adam's rib", she evolved from a group of Jaycee wives and girlfriends to an affiliated group to the Victoria Jaycees. After becoming auxilliary to the National body, her raison d'etre was even more apparent, as it was described " the spirit of liberation and the desire to do their own projects were strong and culminated in the determination to form a lady chapter of its own, with equal standing like their brother chapter."

On October 19, 1969, HONG KONG JAYCEETTES signed her Charter and became the FIRST lady chapter in Hong Kong, as well as in Asia.

Similar to a seedling planted in fertile soil, Jayceettes' foliage quickly multiplied as her stem grew taller and stronger in 15 years' time, absorbing the rain and shine that came naturally with each day. As the Chapter prospered and there were more hands to lend, projects planned gradually covered all areas and were organized in much larger scale.

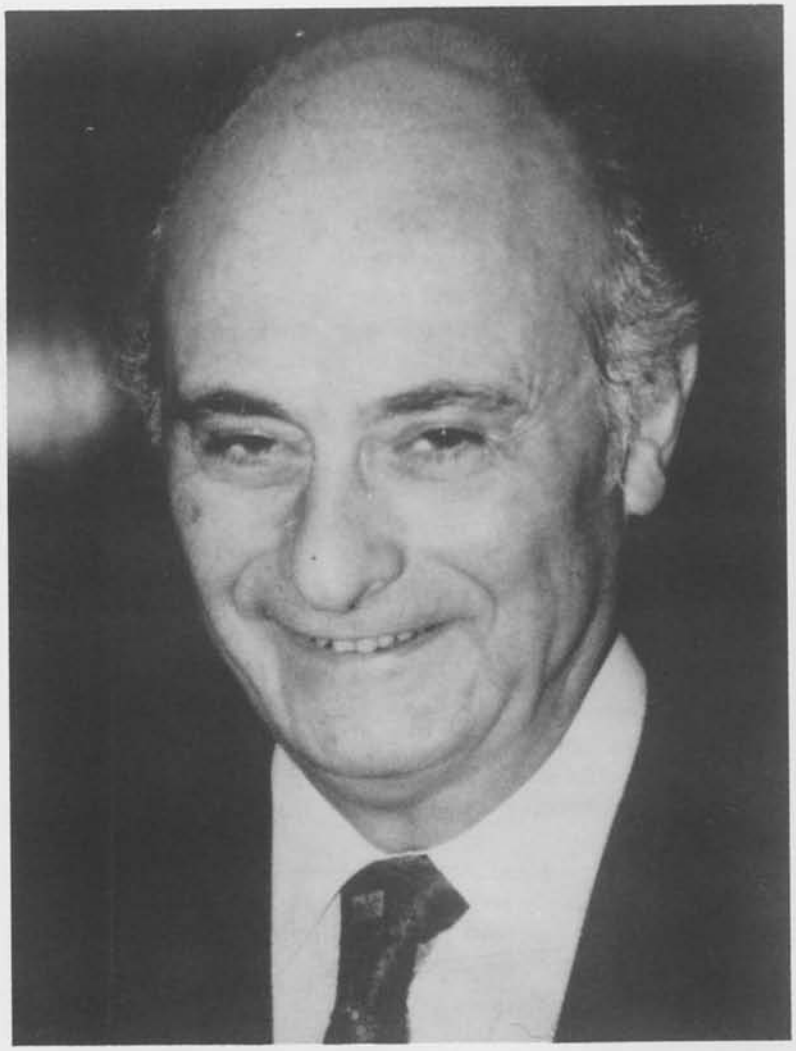

We Jayceettes have met many challenges with the same spirit and determination and have left behind footsteps that are unique in Hong Kong Jaycee history — the hosting of Jaycee International Conference in 1979, the "Most Outstanding Chapter of the World" Award in 1981, the home of the first lady National President in 1983 .. ".

1984 earmarks the 15th Anniversary of the Hong Kong Jayceettes. This souvenir album will recapture the outstanding achievements and activities of the Chapter which have become fond memories shared by all members.

It can be ascertained that the Jayceettes will continue to develop according to the spirit and determination inherited from the predecessors. But most important of all, the Jayceettes will endeavour to practise the essence of the Jaycee Creed — that service to humanity is the best work of life.

GUEST OF HONOUR

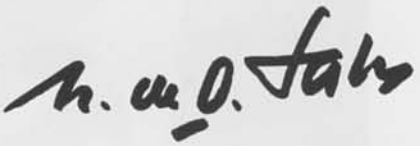

Mr. A. de O. Sales, C.B.E., J.P.
Hon. Life President,
Hong Kong Junior Chamber of Commerce

Message from GUEST OF HONOUR

It seems hardly fifteen years since the Hong Kong Jayceettes came into existence as the Lady Chapter of the Hong Kong Junior Chamber of Commerce.

They made their mark here at once and soon enough throughout the Jaycee world too. Their projects have won local and international recognition and their organizational ability is their hallmark. It may well be said that their hard work makes all these achievements possible but it is also true to say that they draw inspiration from the Jaycee Creed.

I congratulate all Jayceettes, past and present. May success attend all they do now and in the future for community betterment and personal development.

It gives me great pleasure to extend my warmest wishes to the Hong Kong Jayceettes on the occasion of their 15th Anniversary.

In the past 15 years, the Hong Kong Jayceettes have offered a wide range of meaningful activities for the betterment of the community. Through these activities, enthusiastic young individuals have been given opportunities to further develop their abilities in leadership, to realize their potential and to cultivate a sense of community consciousness and responsibility.

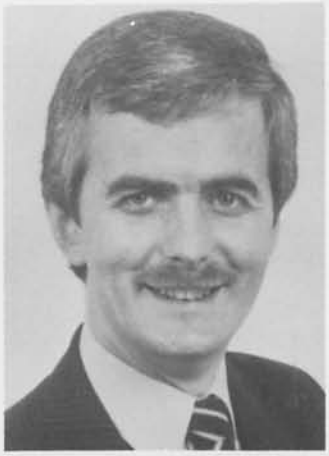

The impressive performance of the Jayceettes have long been recognized by members of the public, and I would like to pay personal tribute to the Jayceettes in appreciation of their dedicated service to the community.

Message from PRESIDENT JAYCEES INTERNATIONAL

It gives me great pleasure to greet the Hong Kong Jayceettes on its 15th Anniversary.

When you gather together to celebrate this occasion it is naturally to reflect your achievements in the past. However, I would challenge you to look ahead and set new goals for yourself, your LOM and your community.

Let us accept the many difficult and existing challenges offered by today's society, let us strive to provide solutions to those challenges, let us demonstrate to our communities that we are a leadership development organization, and let us exist in cooperation and consultation with our fellow Jaycees around the world, and thus highlight the benefits of international brotherhood.

I wish to extend to all the members of Hong Kong Jayceettes my best wishes for a successful and fulfilling 1984.

Message from EXECUTIVE VICE PRESIDENT JAYCEES INTERNATIONAL

"Be the Very Best"

For and in behalf of the Jaycees of the Asia-Pacific Region, please accept our best wishes on your 15th Anniversary.

During these times of uncertain political events and world economic difficulties it is comforting to know that young women are dutifully organized, have had past successes in personal, community, and international involvement, and have taken this important occasion to reaffirm their commitment to support the Jaycee movement.

In hosting two national conventions and the 1979 Asia-Pacific Conference you have proven an outstanding performance and enhanced the prestige of the Jaycees of Hongkong. But a time like this calls for an opportunity to study other areas of endeavor where the experience, talent, and dedication of your individual members can be put to greatest use.

I trust that you will have a fruitful year of service to our fellowmen.

Victor J. "Chichos" Luciano
JCI Executive Vice President

Message from VICE PRESIDENT JAYCEES INTERNATIONAL

To all Jaycees members of Hong Kong Jayceettes, both incumbent members and forerunners, I would like to express my hearty congratulations on the 15th Anniversary of the Hong Kong Jayceettes.

I understand that in the very energetic Hong Kong Junior Chamber of Commerce, your LOM is one of the most active and making a lot of progress. Succeeding from last year, "North South Co-operation" has been selected as the Major Emphasis Theme of JCI. In order to carry out such a theme on a global basis, we must ask a Chapter like yours to take an initative. I look forward to observing the products of your continued energetic activities, which are truly dedicated to your community.

Through the collective efforts and activities of the Hong Kong Jayceettes, I trust that your LOM will continue to fulfill our expectations for a continuing success.

With best regards.

My heart leaps with joy at this moment when I pen this congratulatory note as I have personally witnessed a new-born growing into a fair fifteen-year-old, the HONG KONG JAYCEETTES.

Whilst rejoicing on your achievements, I would like to urge all Jayceettes to continue the good work and the harmonious atmosphere within your Chapter in order to providing a worthy training ground for members to become the lady pillars of our society.

"Jaycees - A Leadership Development Organization"

Message from PRESIDENT HONG KONG JAYCEETTES

Being the 15th President of the Hong Kong Jayceettes means to me both great honour and a big challenge. On the one hand I feel very grateful that I am given the chance to serve such a renowned and established organisation. On the other hand, having 15 years of glorious achievements behind me, I feel the heavy responsibility to continue and expand such achievements.

The major task of 1984 is to consolidate and to celebrate all our past deeds and glories which have made our chapter such a distinguished organisation. From such solid foundation we draw the valuable support and resources which will propel us towards further growth.

After 15 years of hard work, we have a lot of good traditions and built-in facilities in Hong Kong Jayceettes which will guarantee for our continual progress and success. One of these good traditions that I treasure most, and very often rely on, is the high spirit of sisterhood among members. From my joining Jayceettes as prospective member until now, in every step of my work, I myself have received tremendous help from various members, especially those elder, experienced members such as past officers and presidents. I trust all other Jayceettes share with me the same feeling of friendship and comfort in the Jayceettes' family and I opine the preservation of our Jayceette sisterhood is the essential element to our future success.

I would like to say how grateful I am to the past Jayceette members for formulating such good foundations for our future development, and I would like to convey my highest respect to my precedent Jayceette presidents, whose generosity in helping us has very much stimulated my conviction and faith in Hong Kong Jayceettes.

Jaycees International

CURRENT FACTS

NAME: Jaycees International (JCI) is a worldwide association of young people between the ages of 18 and 40, which welcomes all nationalities, races and religions.

MEMBERSHIP: Close to 500,000 in nearly 13,000 communities throughout 73 member nations.

PURPOSES: The purposes of the Jaycees, as outlined in the JCI Constitution, are to "contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility and fellowship necessary to create positive change."

HISTORY: The organization was founded in St. Louis, Missouri, U.S.A., by Henry Giessenbier on October 13, 1915. His idea spread and on December 11, 1944, representatives from eight nations met in Mexico City and the world organization — Jaycees International (JCI) — was founded.

1984 PRESIDENT: Joe Murphy, of Ballina, Ireland.

HEADQUARTERS: The Jaycees International (JCI) Secretariat is located in Coral Gables, Florida, U.S.A. A staff of 33 provides trilingual membership and development services to its Local and National Organization Members. Its chief administrative officer is the Secretary General, Richard Heywood.

THEME: Each year, Jaycees International adopts a major emphasis theme program which is implemented on a worldwide basis. The theme that is selected relates to a major problem or problems with universal significance. In this theme program members can select from a number of specific projects that are most relevant to the needs of their respective communities.

The theme program adopted again for 1984 is NORTH-SOUTH COOPERATION. It is somewhat unique for an organization like Jaycees International to become so involved in such an enormous issue, but, as a leadership training organization, it has the responsibility of directing this leadership and community initiative into a program that is based on the search for a better world balance and, ultimately, world peace.

AREAS OF OPPORTUNITY: This concept promotes the adoption, by national and local organizations, of a balanced program of activities which will offer the membership: individual, management, community and international opportunities.

RIGHTS OF THE CHILD: JCI recognizes and supports the United Nations Declaration of the Rights of the Child. In 1979, Jaycees throughout the world conducted programs which directly affected the lives of more than eleven million children. In 1984 and subsequent years, national and local Jaycee organizations will conduct permanent and continuing programs to assist with providing for the basic needs of children as set out in the Declaration.

OFFICIAL PUBLICATION: LEADER, printed quarterly in English, French, Japanese, Spanish, Chinese and Korean, with a worldwide circulation of nearly 500,000.

ANNUAL MEETING: The XXXIX JCI World Congress will be held in Montreal, Canada, from November 11-17, 1984.

Hong Kong Jaycees History

The Jaycee Movement reached Hong Kong in 1949, when a Philippine Jaycee John Ng who was the Special Liasion Officer of the JCI 5th Congress and was charged with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of the HongKong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as Convenor of the organizing committee. Mr. Austin Coates from Hong Kong Government, then an Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

The tempo of laying the foundation of the Chamber was further stepped up when in Ramon V. Del Rosario, the JCI Vice-President for Asia, offered to recommend prompt recognition of the Hong Kong's Jaycee membership status. He also invited the Organizing Committee to send observers to Manila to attend the JCI 5th Congress. On 21st March, 1950, a sponsors meeting was called to receive the report of the return observers from Manila. The account of their vivid experience gave Hong Kong a deeper insight into Jaycee movement. A week later, the Provisional Constitution which had been in the making during the previous three months was adopted. Finally, on 6th April, 1950, the Inaugural General Meeting of the Hong Kong Junior Chamber of Commerce was held and the first Board of Directors was elected. One month thence, on 6th May, 1950, The Chamber was inaugurated by Mr. Roberto Vilanueva, the JCI Vice-President for Asia. Thus, The Hong Kong Junior Chamber of Commerce was born.

1950 – 1st JCI Regional Conference for Asia was held in Hong Kong. The Governor of Hong Kong officiated the Opening Ceremony.

1951 – The organization was formally incorporated under the name of Hong Kong Junior Chamber of Commerce. It is a company limited by guarantee and because of the nature of this organization, the Registrar General has given licence that the word "Limited" be dispensed with.

1952 – Mr. J.S. Lee was elected as Vice-President of Junior Chamber International for Asia.

1954 – 4th JCI Regional Conference for Asia was held in Hong Kong.

1956 – Mr. A. de O. Sales was elected as JCI World President, a great honour indeed to the Hong Kong Jaycees.

1957 – Mr. Francis J. Chan was elected as JCI Vice-President for Commissions.

1962 – The 17th World Congress of Junior Chamber International was hosted by Hong Kong Jaycees. (The surplus of the Congress was put into investment under the management of the Board of Trustees which should consist of the current President and four other persons drawn from and elected by members of the 17th World Congress Organizing Committee and the past President of the Hong Kong Junior Chamber of Commerce.)

1965 – The Kowloon Junior Chamber was formed and the then existing members of Hong Kong Junior Chamber of Commerce later called themselves Victoria Junior Chamber. Hong Kong Junior Chamber of Commerce then became the National Organization consisting of two LOMs as mentioned above.

1966 – JCI Regional Conference was again held in Hong Kong.

HONG KONG JAYCEETTES

HISTORY

Hong Kong Jayceettes is one of the fifteen local chapters of Hong Kong Junior Chamber of Commerce, which is in turn affiliated to our parent organization Jaycees International Inc., (JCI), U.S.A. Our aims are to contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility and fellowship necessary to create positive changes.

Hong Kong Jayceettes officially became a fully pledged chapter on 19th October 1969 during the Hong Kong Junior Chamber National Convention, but its history or inception dates back to 1967 when the Jaycees started to request their wives and girl friends to form an auxillary group to assist them in their projects. This group was then affiliated to the Victoria Jaycees, one of the local chapters of the Hong Kong Junior Chamber of Commerce. In 1968, the Hong Kong Jayceettes went one step further and became an auxillary group affiliated to the National body of the Hong Kong Junior Chamber of Commerce. They did all the 'behind the curtain' work for their brother chapters. However, the spirit of liberation and the desire to do their own projects were strong and culminated in the determination to form a lady chapter of its own, with equal standing like their brother chapters. In October 1969, the Hong Kong Jayceettes pleaded for independence and through thicks and thins, the only Lady Chapter of Hong Kong Junior Chamber of Commerce was officially accepted and it was the first Lady Chapter in Asia and the second in the world.

The Hong Kong Jayceettes members are all young ladies of today — highly intelligent, hard-working and charming women who are dedicated to share the responsibility of giving the world a better tomorrow. Besides winning many outstanding international and local awards, the Jayceettes can proudly claim to be the pioneer and initiator of many community projects such as the "Voice of the Unvoiced", "Earth Population Awareness Program", "Toy Libraries", "Better Opportunities for the Mentally Handicapped", "Entertainment & Economy Exhibition", "The Young & The Restless", "Against Child Abuse Campaign", "Promotion of Hong Kong Products", "Better Yourself, Better Your World", "Waste Recycling", and especially in hosting the "1979 JCI Hong Kong Conference". In 1981, the Hong Kong Jayceettes are proud to have won the "Most Outstanding LOM of the World Award" at the Berlin World Congress. In addition, one of our past presidents, Senator Kitty Leung, was elected as National President in 1983 which marked the Hong Kong Jaycee history as the first lady president in 34 years.

4 AREAS OF OPPORTUNITIES

To facilitate the achievement of the purposes of the Jaycees, the program activities of the Hong Kong Jayceettes relate to four areas of opportunities:

INDIVIDUAL

Each individual member may become the future leader of the community. To prepare for this, there are ample opportunities in the Hong Kong Jayceettes for self-advancement and to make the members realize their potential through various types of training programmes. These include public speaking courses, seminars on international protocol, talks on current social and economic issues, effective communication workshops and establishment of numerous interest groups. It is hoped that through these activities, the Jayceettes are able to better understand themselves, to build up a sense of responsibility, to gain experience in the decision making process and to be aware of critical societal problems.

MANAGEMENT

Managerial skills are essential in leadership training. The Jayceettes help develop these skills for the individual member by offering them opportunities to take up different executive posts at various levels of the organization. Such executive role is similar to that of a director running a small business firm. In addition, the members can gain actual managerial experience by participating in project organization. For example, involvement in fund raising activities can develop members' skills in financial management. Since 1969 to present, the Jayceettes have developed from two to over twenty directors while the chapter's membership has grown from less than twenty to over one hundred and forty. These are attributed to the effective managerial skills of the Jayceettes' Board of Directors.

COMMUNITY

The Jaycee Creed advocates that "Service to humanity is the best work of life". In order to practise this believe, the Jayceettes have to develop their sensitivity to societal problems and community needs, and then plan and execute constructive projects in response to these issues. It also provides the members opportunities to voice their opinions on community affairs and thus can better equip them as future leaders of the society. The Jayceettes have, in the past, launched numerous community projects with the aim to arouse public awareness on critical problems, such as energy and population crisis in the late 70's, and to provide direct assistance to various deprived social groups, such as the handicapped and the elderlies. We believe that to participate in launching of community projects can strengthen the members' ability to cope with managerial and decision-making problems.

In recognition of this responsibility, the Jayceettes have four Jaycee sister chapters in the Asian-Pacific region. There are opportunities for the Jayceettes to exchange knowledge and experience with Jaycees of other nationalities during confereneces and congresses which are held annually in different nations. While attending these international events, Jayceettes can improve their knowledge on international affairs and thus can have a broader outlook on life.

“舒服能，免脫隱形眼鏡，日夜配戴都唔駛除”

全球最薄軟性隱形眼鏡

美國博士倫公司
革命性隱形眼鏡

一般隱形眼鏡祇適宜連續配戴八至十小時，若超時配戴，眼睛會因缺少氧份而感到疲倦。因此爲了要使眼球得到充足氧份，配戴者必須於臨睡前將隱形眼鏡脫下，至翌晨再度戴上，繁複程序每日如是。美國隱形眼鏡權威「博士倫」公司有見及此，特別按照人體眼球結構，創製了一副超薄透氧之免脫軟性隱形眼鏡。

圖示氧氣透過「舒服能」免脫隱形眼鏡到達眼球情形。

「舒服能」免脫隱形眼鏡乃醫學界偉大發明，特別採用HEMA製成，鏡心厚度祇有0.035毫米，爲全世界最薄之隱形眼鏡；能夠容許氧氣進出自如，令眼部呼吸正常，適合二十四小時全日配戴，安全舒適，爲你免除睡前脫下的煩惱。

以下是「舒服能」免脫隱形眼鏡爲你提供的三大優點：

安全 根據美國醫學界一項爲期十八個月的臨床實驗調查顯示，「舒服能」免脫隱形眼鏡配合眼球結構，對眼睛絕無不良影響。報告指出，在接近一千名試驗者中，「舒服能」免脫隱形眼鏡的成功率高達百分之九十，證明安全可靠。

方便 「舒服能」免脫隱形眼鏡毋需經常脫下，適宜長期配戴。經美國食品藥物管理局(FOOD AND DRUG ADMINISTRATION U.S.A.)批准及調查所得，「舒服能」免脫隱形眼鏡平均能夠連續戴上三十天亦毋需脫下。配戴者只需依照配驗師指示之戴用時間，定期將眼鏡脫下清洗，省時省力。

經濟 配戴「舒服能」免脫隱形眼鏡可獲得四個月之免費保用；同時，配戴者亦毋需經常清洗鏡片，節省藥水費用，合乎經濟原則。

介紹期內，凡惠顧「舒服能」免脫隱形眼鏡一副，均獲贈套裝藥水一份，一舉兩得。
