THE JAYCEE CREED

We believe:

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That government should be of laws rather than of men;

That earth's great treasure lies in human personality;

And that service to humanity is the best work of life.

MESSAGE FROM GUEST OF HONOUR

Aloha and greetings to the Hong Kong Jayceettes on the occasion of your Fund Raising Ball.

The Jayceettes' outstanding record in community service is well known. Their projects serve to better social and economic conditions in Hong Kong. I sincerely hope that the Jayceettes will continue to show their enthusiasm in contributing to the prosperity and stability of Hong Kong.

I offer my best wishes to the Jayceettes in this and future projects.

Dr. the Hon. Richard S. L. Lai
Unofficial Member of Legislative Council

MESSAGE FROM PRESIDENT OF H K JAYCEETTES

Donation is enjoined as a duty by the great religion, all of which exalt charity as one of the chief virtues. And, apart from the idea of religious duty, all kind hearted people find their joy in contribute since they learn the truth of the saying "IT IS MORE BLESSED TO GIVE THAN TO RECEIVE".

We, Jayceettes, being an non-profit making organisation, Fund Raising plays a very important role in order to secure sufficient funds to serve the local community. We have well planned ahead several meaningful projects this year, namely, "Youth – Heralds for Peace", "P.E.A.C.E. Campaign" and "The impact of the Hotel Projects in the PRC in the economy of Hong Kong". All these projects will be carried out respectively during this year, however, we do hope to RECEIVE your support and contributions to materialize them all.

Taking this opportunity, I would like to welcome you all to "ALOHA '86" and I sincerely hope that you will enjoy the specially designed programs arranged for you this evening.

Jennifer Chow
President

MESSAGE FROM PRESIDENT JAYCEE INTERNATIONAL

Greetings to the Jaycees and guests on the occasion of "Aloha '86." Congratulations to the Hong Kong Jayceettes on the successful planning and implementation of this project. I hope that you will reap the success your efforts deserve.

As you sit and enjoy a sumptuous dinner, think about the millions of people starving in other parts of the world and count your blessings. I hope that you will make a contribution to the poor and needy. Two people can share the food for one, but if one has nothing, it cannot be shared.

Best wishes to all.

Moncef Barouni
President
Jaycees International

VOTE OF THANKS FROM PROJECT CHAIRMAN

On behalf of the Hong Kong Jayceettes I send my heartiest welcome to all our guests attending "Aloha '86" this evening.

To be the Chairman of this evening is, of course, no easy task and a tremendous challenge. I risked it when asked because I was so impressed by the work done by the Jayceettes in last year's Community Development project: "Portrait of Today's Woman" when I was only a prospective member, and I have wanted to do my share ever since.

The fund raised will be devoted to more community projects to be implemented such as "Youth – Heralds for Peace", "P.E.A.C.E. Campaign" and "The Impact of the Hotel Projects in the PRC in the Economy of Hong Kong".

On this occasion, I would like to express my heartfelt thanks to our sponsors and advertisers for their support and generosity, to my supervisor Blanche Tsang, my advisor Senator Florence Wong, President Jennifer Chow and our Immediate Past President Valerie Cheung for their constant advice; as well as to the Organizing Committee for their team effort in making this evening possible.

I hope all our guests enjoy themselves tonight immensely and make this occasion a complete success.

Thank you.

HONG KONG JAYCEETTES HISTORY

Hong Kong Jayceettes is one of the 16 local chapters of the Hong Kong Junior Chamber of Commerce which is affiliated to our parent organization, Jaycees International Inc. (JCI). Our aims are to contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility and fellowship necessary to create positive changes.

1967 marked...
.. the inception of the Hong Kong Jayceettes which comprised a group of Jaycees' wives and girl friends who rendered assistance to the men in their projects.

1968 brought...
... the ladies one step further to become an auxilliary group affiliated to the National body of the Hong Kong Junior Chamber of Commerce; and to perform all the 'behind the scene' routines for their brother chapters.

1969 was...
... the year when we pleaded for independence to be officially accepted as the only Lady Chapter of the Hong Kong Junior Chamber of Commerce, the first Lady Chapter in Asia and the second in the world.

1977 turned...
... out to be an eventful year as the Hong Kong Jayceettes organized a great number of projects, particularly the establishment of the 1st Toy Library in Hong Kong at the Tszwanshan Estates.

1979 carried...
... a special meaning for all members of the Hong Kong Jayceettes as we had successfully hosted the '1979 JCI Hong Kong Conference"

1981 ends...
... with great honour and prestige for us when we won the "MOST OUTSTANDING LOM of the WORLD" Award at the Berlin World Congress.

1983 represented...
... another record year in the history of the Hong Kong Jaycees as one of our past president Senator Kitty Leung was elected as the first lady National President of the Hong Kong Junior Chamber of Commerce in 34 years.

1984 saw...
... greater involvement of the Jayceettes in the International scene subsequent to the election of another of our past president Senator Jennifer Yu as the JCI Vice President.

1985 brought...
... to the Hong Kong Jayceettes further recognition on both the National and International levels. Our Past President Senator Nora Cheng acted as NOM Development Officer to supervise the birth of a new LOM, the North District Jaycees; we emerged as the only LOM among all local chapters to win a Certificate of Merit for our Civic Involvement/Theme Programme, 'Participation, Youth in Action' at the Cartagena World Congress; and above all, our Past President Senator Jennifer Yu was successfully elected as JCI Vice President for the year.

HONG KONG JAYCEES HISTORY

The Jaycee Movement reached Hong Kong in 1949, when a Philippine Jaycee John Ng who was the Special Liasion Officer of the JCI 5th Congress and was charged with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of the Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as Convenor of the organizing committee. Mr. Austin Coates from Hong Kong Government, then an Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

The tempo of laying the foundation of the Chamber was further stepped up when in Ramon V. Del Rosario, the JCI Vice-President for Asia, offered to recommend prompt recognition of the Hong Kong's Jaycee membership status. He also invited the Organizing Committee to send observers to Manila to attend the JCI 5th Congress. On 21st March, 1950, a sponsors meeting was called to receive the report of the return observers from Manila. The account of their vivid experience gave Hong Kong a deeper insight into Jaycee movement. A week later, the Provisional Constitution which had been in the making during the previous three months was adopted. Finally, on 6th April, 1950, the Inaugural General Meeting of the Hong Kong Junior Chamber of Commerce was held and the first Board of Directors was elected.
