It is widely recognized that the Jaycee movement has for many years provided opportunity for young people throughout the world to develop leadership skill, social responsibility and fellowship necessary to create positive change to the community. We in Hong Kong have benefitted greatly from the numerous projects and activities undertaken by the Hong Kong Jaycees.

The Hong Kong Junior Chamber, one of the more than 70 national organizations affiliated with Jaycees International, has come a long way since its inauguration in 1950. With a modest membership of 100 at its inception, the Chamber has expanded ten-fold with 1,100 young men and women in its 15 chapters in Hong Kong and Macau.

With the signing of the Sino-British Joint Declaration last December, Hong Kong people can now look forward with optimism to a brighter future. I believe that the Hong Kong Jaycees – representing the present and potential leaders of our community – will continue to shoulder their responsibility in forging a brighter and better tomorrow in accordance with the Jaycee Creed, "That service to humanity is the best work of life".

President
Jaycees International

The 1985 Jaycees International theme "Training Young People for World Peace" is both significant and timely. The world has reached such a stage of turmoil and deprivation that the quest for world peace seems elusive and destined to failure. Man, by reason of his frailties and inability to perceive this true self-interest, has himself become the obstacle to world peace. But all is not lost.

The path to world peace is still real and traversable. As one Oriental sage has aptly summarized: "If there is righteousness in the heart, there will be beauty in the character. If there be beauty in the character, there will be harmony in the home. If there is harmony in the home, there will be order in the nation. When there is order in the nation, there will be peace in the world."

This is the path we have to take. This is the contract with life we must make.

The Jaycees is an excellent forum for young people to pursue this goal. Our commitment to leadership training, fortified by our firm adherence to the tenets of our Creed, is an unshakable testimonial to our capability to travel this road.

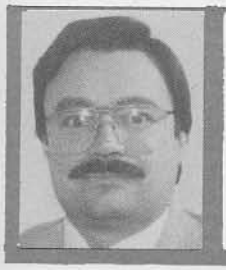

We can be a positive force towards the search for world peace. We can contribute tranquility in this sea of enmity and discontent. Because we shall approach these goals with our youthful zeal and creative vigor, with mutual respect and understanding, nobility of purpose and clarity of mind, success is certainly achievable.

If we shall orient and realign our programs towards these ends, the rewards will be immeasurable and the satisfaction bountiful.

May this important event of the Hong Kong Junior Chamber of Commerce, mark a new beginning for each of your members. Through your commitment, your involvement and your action, may the Hong Kong Junior Chamber of Commerce, joined by all the members of your area, and the efforts of our nearly half-a-million members in over 100 countries of the free world, make a significant difference by "Training Young People for World Peace."

Hon. Life President
Hong Kong Jaycees

Each year there is a change of leadership everywhere in the Jaycee world.

This gives the chance to a new group of young men and women at every level of the organization. Their enthusiasm, ability and personality continue to give it a new thrust forward. It is also in keeping with the Jaycee tradition that ever greater numbers should have the necessary leadership training and experience so that they might do more and better for their community in time to come in whatever direction they might choose. This is so in Hong Kong too.

Congratulations are offered to the new administration. They will live up to the confidence the membership has in them just as the outgoing administration did with distinction in their time.

Greetings and good wishes to all.

National President
Hong Kong Jaycees

An Inauguration is not just a ceremony when all the officers take the Oath of office. It is the time, or rather the beginning of a new administration.

We come here to once again confirm our desire to serve our organisation for one year. We also come here to show our supports to the group of energetic, capable leaders who will lead our chapters to a new level of accomplishment.

1985 is a very special year, the settlement of the issue of 1997 has proven that if we really try, we will succeed. We have only started a very preliminary beginning, it is now up to us to strive for the betterment of our community.

This also applies to our Jaycee movement, our predecessor, who, after all the hard works, has set a very good foundation for us to develop and grow. This has made our work so much easier. Is this all? No, it is just a growing process. We must remember that our organisation needs injection of new blood, to add new stamina to make our organisation strong and prosper.

Let us work hand in hand, with no reservation and to the utmost of our abilities and to build a better community for all of us.

Inauguration is the time when all the office bearers take the oath to their respective offices and to pledge their commitment to serve the organization. The 1985 Inaugural Ceremony of the Hong Kong Jaycees is of no exception. When the members of the Board of Directors of the Hong Kong Junior Chamber of Commerce and its fifteen Local Chapters swear in, they are taking upon them a trust with the beneficiaries in all the one thousand odd individual members of the Hong Kong Jaycees. This trust states that these officers will faithfully uphold the ideals of the Jaycee Creed and keep up our common desire to serve the community in which we are living in.

On behalf of the Hong Kong Jaycees Senate, I wish National President Paul and his team a great success in 1985.

Once again the Hong Kong Junior Chamber of Commerce and its member chapters are in their happy moment of swearing in their new leaders and witnessing the graduation of the old. People change; the spirit of service and leadership development does not.

May I take this opportunity to wish National President Paul Cheung and his team a great success in 1985. I can also assure him that the hands of all generations of members are joined in endeavouring in our modest Jaycee ways to make Hong Kong a better community for all to live in.

The Inaugural Ball is an annual event of the Hong Kong Junior Chamber of Commerce. Each year intelligent men and women from all walks of life are inaugurated in this memorable ceremony, among them many are tomorrow's leaders, and I am more than glad to be the chairlady of this ball.

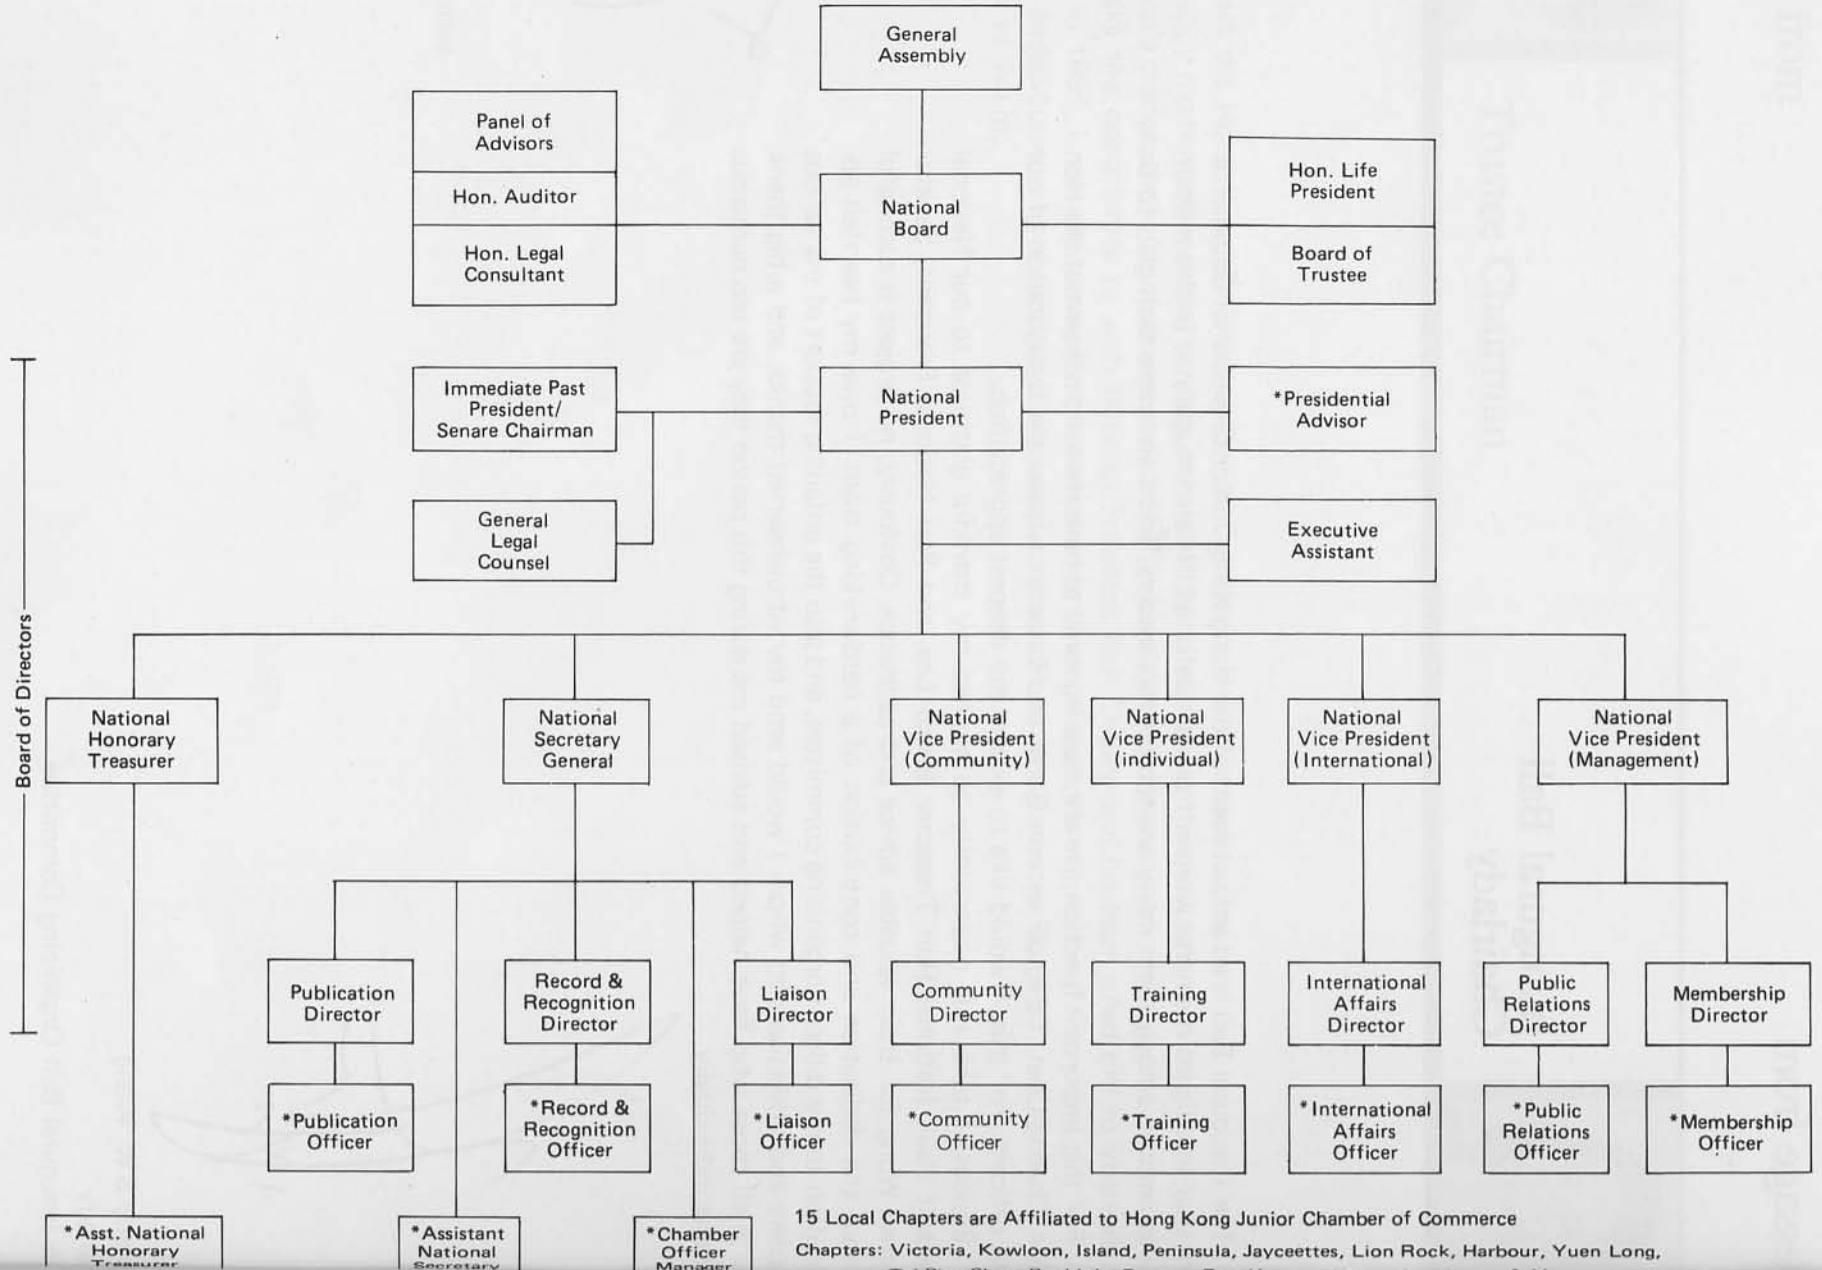

For this important function, we are most honored to have the kind consent of the Hon Hilton Cheong-Leen, CBE, JP as our Guest of Honor to witness the inauguration of our 1985 officers. For this, I would like to extend my deepest appreciation.

Besides, I take this opportunity to express my thankful gratitude to our National President Paul, National Hon Treasurer Bosco Lee, and Past National President, Senator Andrew Wong for their valuable advice and assistance. Obviously, no project is successful without the dedication and contribution of a hardworking team. Hong Kong Jaycees History

The Jaycee Movement reached Hong Kong in 1949, when a Philippine Jaycee John Ng who was the Special Liaison Officer of the JCI 5th Congress and was charged with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of the Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as Convenor of the organizing committee. Mr. Austin Coates from Hong Kong Government, then an Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

The tempo of laying the foundation of the Chamber was further stepped up when in Ramon V. Del Rosario, the JCI Vice-President for Asia, offered to recommend prompt recognition of the Hong Kong's Jaycee membership status. He also invited the Organizing Committee to send observers to Manila to attend the JCI 5th Congress. On 21st March, 1950, a sponsors meeting was called to receive the report of the return observers from Manila. The account of their vivid experience gave Hong Kong a deeper insight into Jaycee movement. A week later, the Provisional Constitution which had been in the making during the previous three months was adopted. Finally, on 6th April, 1950, the Inaugural General Meeting of the Hong Kong Junior Chamber of Commerce was held and the first Board of Directors was elected. One month thence, on 6th May, 1950, The Chamber was inaugurated by Mr. Roberto Vilanueva, the JCI Vice-President for Asia. Thus, The Hong Kong Junior Chamber of Commerce was born.

1950 — 1st JCI Regional Conference for Asia was held in Hong Kong. The Governor of Hong Kong officiated the Opening Ceremony.

1951 — The organization was formally incorporated under the name of Hong Kong Junior Chamber of Commerce. It is a company limited by guarantee and because of the nature of this organization, the Registrar General has given licence that the word "Limited" be dispensed with.

1952 — Mr. J.S. Lee was elected as Vice-President of Junior Chamber International for Asia.

1954 — 4th JCI Regional Conference for Asia was held in Hong Kong.

1965 — The Kowloon Junior Chamber was formed and the then existing members of Hong Kong Junior Chamber of Commerce later called themselves Victoria Junior Chamber. Hong Kong Junior Chamber of Commerce then became the National Organization consisting of two LOMs as mentioned above.

SRH MEDIA INDEX 1984

ADVANCE RESULTS

The General Report will be available end October. The attached are some of the main findings of the 1984 Media Index, based on a representative sample of 6,180 individuals aged 9 or above, conducted between end December 1983 and 12th August 1984.

The following are some highlights of the findings :

1. 67% of all aged 9+ read a newspaper in 1984, which indicates a slight drop over the year.
2. Most major newspapers show marginal decline and readership of evening papers continues to be stagnant.
3. July/August however was higher readership level of newspapers with the regular increase to be expected.
4. Readership of magazines has also dropped by 3 to 4 percentage points in the last year. A relatively new arrival, Metropolitan Weekly, is certainly an indent to the market by usurping Affair's position to take second place to Mingpao Weekly.
5. TV audience remains the same as last year. TVB is more popular, HTV, ...

天天日報願與讀者一齊進步!
