II) OBJECTIVES

1. GOALS

1.1 Major Objectives

1.1.1 To further strengthen HKJCC social status through organizing large-scale community development projects and closer liaison with government departments.

1.1.2 To cultivate stronger sense of belongings among members through "I am a Jaycee Campaign".

1.1.3 To facilitate LOM development by assigning dedicated National Assigned Executive Officer to provide more assistance and advice.

1.1.4 To organize projects with wider exposure in order to uphold the image of HKJCC and also to strengthen the relationship with mass media in order to gain more coverage.

1.1.5 Aim to create UNITY among LOMs and among members through large-scale national projects which require total commitment and cooperation by LOMs.

1.2 Major Emphasis Theme

The JCI Major Emphasis Theme for 1992 - 96 is "**The Age of Global Citizenship**" (天涯無遠近
世界大同心) with the following three sub-themes:

1. Environment
2. Future of Children
3. Economic Development

In addition, the HKJCC Major Emphasis Theme for 1992 is **"VISION FOR HONG KONG"** (洗手前瞻 齊創明天) with the following two sub-themes:

1. Civic Involvement
2. Economic Development

1.3 Membership

Quality and quantity of members had been a dilemma for a long time in Jaycee. We aim to achieve a certain percentage of growth but cannot neglect the quality of our members. Since there are certainly some dropouts every year due to age and shifting interests, we need to change the blood in order to keep our membership active. The aim of membership extension and training is very crucial to a chapter and to the NOM.

In 1992, the NOM strives to achieve a membership of 1,250 members by Miami World Congress and 1,300 by the end of 1992. I believe this target will be easily achieved by all the LOMs in Hong Kong.

2. DEVELOPMENT OF AND ASSISTANCE TO EXISTING LOMS

2.1 Principle

It is our aim to offer sufficient, quality support and resources to existing LOMs so as to help them build up the morale of the chapter and to avoid unnecessary mistakes made in front of the public. Priority will be given to those less experienced ones. Special attention and resource allocation will be given to the relatively weak LOMs.

For this reason, Senator Ada Po was assigned to be the Strategic Development Officer to follow up and make close supervision with Lion Rock Jaycees.

2.2 Methods

2.2.1 To upgrade the Chamber Office service to all LOMs.

2.2.2 To provide guidance and advice through NAEOs.

2.2.3 To organize training courses and seminars for LOM officers.

2.2.4 To coordinate joint projects among LOMs with the assistance of NOM officers.

Projects and activities are planned to achieve the above objectives throughout the year. I am pleased to say that most of the objectives are satisfactorily achieved.

III) ADMINISTRATION

1) Meetings

The NOM conducts Executive Committee Meetings and Board Meetings monthly. To facilitate better communication with LOMs, all LOM Presidents were invited to attend the meeting quarterly and to present their reports and chapter activities.

One Extraordinary General Meeting was convened in 1992:

Date	Business Discussed
January 18, 1992	To adopt Chinese version of 1992 MET and to adopt the 1992 Policy Manual.

In order to evaluate the progress of 1992 NOM administration, a Mid-Year Evaluation Meeting was also held at the beginning of July and constructive feedbacks were received by LOMs and areas for improvement were also spotted out during the meeting.

2) Policy Manual

The 1992 Policy Manual was rewritten to reflect the recent changes in the NOM administration and policies. It was adopted in the Jan EGM and circulated within a short time to all NOM Board Members and LOM Presidents as guidelines for the administration.

3) Plan of Action

The 1992 Plan of Action was adopted at the beginning of the year. There were missions and objectives with targeted time and budget for each area. All NOM officers are required to follow the plan of action and to achieve the objectives within the targeted time and budget. I am glad to inform the General Assembly that with the dedication and efforts of the officers, most of the objectives were achieved satisfactorily.

4) NOM Directory

The NOM Directory was updated and distributed to all NOM Board Members as well as LOM Presidents to facilitate efficient communication and enhance better administration.

5) The Chamber Office Secretariat

Although the chamber office is bigger than the old one, the occupancy rate is very high and it is fully utilized by both NOM and LOM functions and meetings. The management of the Chamber Office is supervised by GLC and NSG with the assistance of National R & R Director in arranging the library. It is managed by the Chamber Office Secretary who is assisted by one clerk and some part-time workers. Facing the heavy workload, limited human resource, and staff turnover, the Secretariat was still managed to maintain a satisfactory level of service to all LOMs in the past eight months.

6) Joint Directors' Meetings

In order to facilitate better understanding and to share experience in respective areas, Joint Directors' Meetings were convened by the National Directors for at least twice a year in respective area.

7) NOM Programs and Activities

The 1992 NOM programs and activities were adopted at the beginning of the year. Modification or addition of projects were made during the year according to the needs. The 1992 NOM programs and activities is attached at Appendix I.

IV) NOM FINANCE

1) Budgets for the administration and project funds were prepared and approved at the beginning of the year, and regular reviews were made during the year to ensure that expenditures on projects and activities are closely monitored. National Hon. Treasurer and National Finance Director played a very important role on this issue.

2) In order to keep a balanced budget, we have used various means to solicit financial supports and secure more funds, such as advertisements in the "Harbour Light", "Mobil Card" program etc. These fund raising programs are still in progress. We are confident that there will be a balanced cash in and out flow at the end of the year.

3) Membership dues are the major income source for the NOM. They are collected quarterly from LOMs, based on the membership declared during the Joint Board Meetings.

4) To facilitate a better cash-flow control, the NOM has implemented a penalty system for all late payments due 45 days after the invoice issued. Penalty will be charged and service to members will be temporarily suspended until the settlement of all late payments.

5) The Inaugural Ball had generated a record-breaking surplus of about HK$143,000 which will be used to finance some NOM projects and activities throughout the years.

6) The NOM also solicited more than HK$420,000 sponsorship to cover the expenses of "1992 TOYP Selection", "Go for Your Best, Head for Success" Training Seminar and the incoming National Theme Project etc. Most of the other NOM projects are self-financed and were carried out well within the budget.

7) Dues received from prospective members are being kept in a separate account for repair, maintenance and purchase of equipment. In order to comply with the Fire Prevention Ordinance, the NOM has installed a new Chamber Office door in August.

8) The income from Senatorship application are kept in a separate account for use in senator related activities and functions.

9) In order to minimize the interest expenses, the NOM has applied a loan of HK$160,000 from the 1993 World Congress Organizing Committee to settle the outstanding mortgage loan for Chamber Office to Kincheng Bank.

10) With a lot of follow-up efforts, the 1988 NOM Accounts had finalized and audited by our Hon. Auditor. It will be received and adopted during the General Assembly. The 1989, 1990 and 1991 NOM Accounts finalization are all in good progress and hopefully to be passed at the beginning of 1993.

V) INDEPENDENT DEPARTMENTS AND COMMITTEE

With the rapid progress of membership demands, different departments and committee are set up to fill the needs of members, LOMs and NOM. They will fulfill different functions in the LOM and NOM level.

1) International Affairs Department

It is set up with an aim to provide more opportunities for our members to understand IA matters in-depth and to give guidelines to LOMs when they have difficulties in IA matters. It is chaired by Senator Peter Lo and supervised by NEVP Ronald Ho.

2) Business Network Club

The Club was officially formed in December, 1991. It is mainly to promote business opportunities among members and to communicate with other business organizations for the benefit of our members. It is chaired by Jaycee Davis Kwong and supervised by NEVP Ivy Tam.

3) Training & Development Committee

The committee is set up after the adoption of the recommendation of the Ad hoc Committee on Training in 1991. The committee is to provide advice for future training direction of HKJCC and to assist the development of JC trainers in Hong Kong. It is chaired by Jaycee Bassanio So and supervised by NEVP Ivy Tam.

Detailed progress of the above departments and committee will be covered in respective officers' reports.

VI) PROJECTS AND ACTIVITIES

A number of projects were implemented according to the year plan set up at the beginning of 1992. Four areas of opportunities are well covered. Since respective officers will report the projects and activities in details in their reports, I would like to share some highlights with you.

A) Training

Membership development is very essential in cultivating successors in this organization. Thus, we put training of members a very high priority in 1992. With the coordination of NTD Justin, a series of 15 National Training Workshops is organized through LOMs so as to provide a systematic training program for our members.

In addition, we also launched a very large scale training seminar "Go for your Best, Head for Success" for members and public. It attracted more than 600 participants and was well received by the participants.

Apart from the usual LOM Officers Training School, we also organized special training for NOM officer - "In Search of Excellence" and for potential LOM

leaders - "Gearing Up, Reaching Top" and special training for members - "Leadership and World Peace" etc.

In 1992, the training program is very comprehensive to meet needs of different types of members.

Other press supplements on leading Chinese and English newspaper were placed regularly for the TOYP Selection.

We also successful liaised with Ming Pao to interview some prominent Jaycee members and report in their "Rose Garden" column. Up to now, more than 15 members were interviewed and reported. From time to time, the photos of NOM and LOM projects were also included in Ming Pao's " 玫瑰園 "

v) The Jaycee Fortnight held between 25/7 and 9/8 was a tremendous success with a lot of enquiries for joining Jaycees.

vi) I was invited to attend various functions by government officials, other social organizations and Xin Hua News Agency etc. As the National President, I was interviewed by some local newspapers from time to time.

2) Internal

ii) Regular issues of "Harbour Light" and information leaflets on NOM projects had kept the members informed on the NOM activities and progress.

iii) Quarterly Joint Board Meetings and informal meetings were held with LOM Presidents in the year.

C) Membership

1. Regular orientations were organized for PMs throughout the year. So far 3 National Orientations were organized and hosted by LOMs. Prospective members received were distributed evenly to all LOMs.

2. NOM had made use of every opportunity to attract new friends to join this organization. At present, we have processed more than 200 applications from the public.

D) Community Development

A Community Concern Group (CCG) was set up at the beginning of this year with at least one member from each LOM. Its role is to discuss current social issues in Hong Kong with an attempt to conclude comments and to reflect our opinions on hot social issues. 5 meetings are scheduled to be held to investigate matters throughout the year.

The opinion gathered in the CCG will be screened by the Advisory Committee on Current Affairs. Upon the recommendation by Advisory committee and approval of the National Board, the recommendation will be sent out to Government if necessary. So far, we have submitted our comments on "Draft on Youth Charter" to the Commission on Youth. The members of Advisory Committee on Current Affairs in 1992 comprised of PNP Senator Peter P K Ng, PNP Senator Junia Ho, Senator Justein Wong and Mr Chan Yin-lun.

As a continuity of the "One Plus One, Support Election '91", this year the National Theme Project is " Direct Election - Speak Up" in the form of survey to collect social opinion on the Direct Election in Hong Kong. It will also incorporate the "Youth in Action" concept in the project. The whole project will be run from October to December 1992.

E) Records & Recognition

1) The existing award program is used for bidding awards for chapters and individuals.

2) "LOM Efficiency Index" is launched to reflect the cooperation of LOMs in meeting deadlines, attending Joint Directors' Meeting and to respond to NOM's requests. Theoretically, all LOMs should get the same marks if all LOMs can efficiently handle all matters. LOM with the highest and lowest marks in this index will be granted a souvenir by me to encourage their persistency and to remind the least efficient chapter to improve in LOM management.

3) JC library has been tidied up and open for members to borrow books during office hours.

4) A photo board was periodically updated for members to share joy and glory of many Jaycee activities.

5) Bid book seminars and Award Judging Seminar were organized to share experience with new members and to equip better knowledge on award judging.

6) During the Award Ceremony at Kita-Kyushu Conference, Hong Kong Jaycees had won 4 NOM awards, and LOMs and individual had won 4 awards and 2 Certificates of Merit.

F) TOYP Selection

This prestigious project has stepped in its 20th year of selection this year. Therefore, we also organized a commemoration cocktails to celebrate it on 30th July. Past awardees, past judges, sponsors, and chairmen as well as government officials and press were invited to attend. It was well attended and with large publicity.

A record of HK$380,000 sponsorship has been obtained from Pacific Link again. The promotion work of this project was done throughout the year and a lot of coverage on TV, radio and newspapers. The number of applications received this year is also very encouraging.

G) International Affairs

1) A delegation of around 150 Hong Kong Jaycees attended the 1992 Kita-Kyushu ASPAC Conference in Japan. The promotion of 1993 World Congress was very successful and the HK Nite was held and well attended by over 2,000 overseas delegates. 10 HKJCC members were invited to serve as recording secretaries for different meetings in the Conference.

2) LOMs were encouraged to establish sisterhood and/or friendship pacts with other countries. I was invited to witness several sisterhood and friendship pact signing ceremonies.

3) Close relationship has been maintained with other NOMs, especially in Area B, by means of exchange correspondence, visits and newsletters. In 1992, 93 World Congress Director Senator Ng Leung Yau had attended all Area conferences and many National Conventions in other countries together with many NOM representatives.

4) 3 PNPs had visited Japan Jaycees in January for attending their Kyoto General Assembly in January. NVP George represented HKJC to attend the 40th Anniversary Celebration of Korea Junior Chamber in March together with 3 other Peninsula Jaycees representatives. PNP Sonny and I will attend the National Convention of ROC Junior Chamber by the end of September.

5) We were invited by Fukuoka Jaycees in Japan to select 10 children and 2 chaperons to attend the 4th Asian Pacific Children Convention. It was a very successful project and received a lot of publicity in the mass media. This project is hosted by City Jaycees.

6) I also represented HKJCC to be the delegate of the JCI Global Citizens' Conference for UNCED. It was held between 1st and 6th June, 1992 in Rio de Janeiro of Brazil. Over 60 countries had taken part in this conference and shared views on environmental protection and economic development for the earth.

7) In 1992, we have received many different youth federations and youth entrepreneur association of various provinces and cities in China through the arrangement by IA Department, Business Network Club and LOMs. Relationship with youth in China has been improved and close liaison with them has been established.

8) On April 25, 1992, I was invited to attend a Televideo Conference in Hong Kong together with 93 Congress Director Ng Leung Yau and Peninsula Jaycees President Diana Fung to introduce Hong Kong and 93 JCI World Congress progress to Junior Chamber Sweden.

H) Publication

The official publication of HKJCC "Harbour Light" is scheduled to have 6 issues in 1992 with 2 bumper issues for conference and congress. We have kept the good design of last year and welcomed comments from members. Contribution of articles from LOMs are also encouraged. Since the cost of

printing is increasing significantly, we also require the active solicitation of advertisement to cover the expenses.

I) I am a Jaycee Campaign

This project is to arouse members' awareness of the basic quality of a Jaycee member. It is also with the aim to create stronger sense of belongings among members to this organization. Eventually we hope everybody will be proud of being a Jaycee member.

A steering committee was set up to coordinate the work progress of this campaign. All the NVPs are the members of this committee and with Alison Lam being the Chief Coordinator.

So far, a membership card was issued to every paid up member through LOMs. "I am a JC" stickers and handbooks were also circulated to LOMs. At the end of the year, we'll have a "Jaycee of the Year" Selection to recognize some outstanding members.

VII) JUNIOR CHAMBER INTERNATIONAL

1) JCI World President's Visit

We have the honor to have JCI World President Albert Hiribarrondo visited Hong Kong Jaycees between March 22-25, 1992. He has shared his valuable experience and provided constructive feedback to our plan of action and year plan.

4) 1993 World Congress Hosting NOM

As the hosting NOM of 1993 World Congress, the Congress Organizing Committee has started their work from last December. At present, they have prepared a lot for the promotion of 1993 World Congress and a lot of preparation work and pre-arrangement has been done. We can anticipate a well organized World Congress in Hong Kong in 1993. However, it is very important that all the members of HKJCC also showed our support and participated in the organizing work in one way or the other.

5) Senator Connia Chu Lo was elected as Vice President for the Asian Pacific Senate for the year 1992/1993 in Kita Kyushu Conference.

This committee shall be responsible for the screening of candidates for the 1993 national Executive Offices and present report to the General Assembly.

4) Constitutional Affairs Ad Hoc Committee

Since the current M&A of HKJCC was not approved by the Company Registry last year, we have discussed with our Hon. Legal Advisor and agreed to form a new "Hong Kong Junior Chamber" company to take over the existing "Hong Kong Junior Chamber of Commerce" company. This will incur some changes on the constitutions of our organization and will take time to form new company as well as to merge the two companies together. Thus an ad hoc committee was formed with NIPP as the Chairman to follow up this important matter for our organization. The following committee members were also appointed by the National President:

X) OTHERS

1) The Outstanding Young Persons Association

As the National President, I was invited by the TOYPA to sit in their Executive Committee as an ex-officio member.

I have attended most of their Executive Committee meetings. and the relationship between HKJCC and TOYPA is good. This year, the TOYP also gave assistance to the TOYP selection.

2) Visit to Beijing & Shanghai

This is the 5th consecutive year that we were invited by the All China Youth Federation to visit Beijing during the period of August 25 - 31, 1992. Exchange meetings and discussions were made with the youths from ACYF, Beijing Youth Federation, Youth Entrepreneur Association.

We were also arranged to meet some Economic related associations and organizations in both Beijing and Shanghai. We found that the direction of open economic development was well defined by the top leaders and the potential of doing business with Mainland China was substantial and enormous. For Jaycees and senators who would like to expand their business connection or create joint business venture opportunities, the ACYF can be a very reliable source or partner.

We have also visited Mr Chen Chi-ying, Deputy Director of the Office of Hong Kong & Macau Affairs and Co- ordination Department.

The delegation consisted of 23 delegates and all of us found that the trip was very meaningful for us to understand more about the economic development direction of China and to create an even better relationship with ACYF.

3) Mini Olympic

In commemoration of the recent success of the Olympic gold medalists from Mainland China, ten youth organizations will jointly organize a celebration event during the gold medalists' visit in Hong Kong in early October. It will be in a form of mini Olympic for the youth to play games with the gold medalists and a seminar to share their experience with the youth in Hong Kong. The event will be held on 4th October, 1992 at the In Door Game Center of Kowloon Park.

The HKJCC is responsible to help the public relations area of this event.

4) AIESEC

We have initiated several discussions with the executive committee members of AIESEC in Hong Kong. Introduction of Jaycees was made to some AIESEC members. Several NOM officers also attended their Annual General Meeting in June. In the coming months, we will arrange an Orientation for AIESEC so as to let more AIESEC members understand what Jaycee is.

We were also invited by AIESEC to send representatives to introduce insurance and banking field in their Business Open Day in November, 1992.

Relationship between AIESEC and Jaycees is expected to be closer and closer in the near future.

XI) CONCLUSION

1992 is a very fruitful year for the Hong Kong Jaycees. We have witnessed the active participation of members in both international and local activities. They have enthusiastically sought for personal improvement and wholeheartedly contribute their efforts to the related projects and chapter affairs. In the public relations area, the exposures of our projects and names had undoubtedly increased to a great extent and in turn the exposure of Hong Kong Jaycees has widely extended to the public. This can certainly meet the objectives of 1992 NOM administration.

As the top leader of this organization, I am prepared to scarify my personal time to contribute to the organization, all chapters and individual members. Everyday I struggle my time to make a well balance between Jaycee and my career. However, I enjoyed every moment of all Jaycee activities, no matter it is meeting or project event or fellowship gathering. The challenge to me is an unforgettable experience and I'll treasure it for a life time.

To all members, I hope you will also enjoy and treasure the time you invested in Jaycee in 1992. Have a self evaluation and examine your strength and weakness. We should have some vision and work hard to strive for a better self and a stronger organization.

I would like to express my sincere gratitude to all my Board members who have assisted and supported me throughout the year to achieve our goals and target. My special thanks should also go to all LOM presidents and members for their continuous support and participation in the past months. I will not forget to thank the full support from my mother chapter, Peninsula Jaycees, in 1992. Without them, my term of office would not be so easy.

I would also like to extend my sincere appreciation to Hon. Life President Senator A. de O Sales, and Past National President Sir Roger Lobo for their constant guidance and advice. To my presidential advisor Senator Larry and my panel of advisors, I must send my heartfelt thanks for their advice and assistance.

Although 1992 has passed for 10 months, we still have responsibilities to fulfill our obligation for the rest of the year. I sincerely remind all NOM and LOM officers to realize your commitment to Jaycees. "Success is a journey, not a destination." We always need to look ahead and work better than the past.

I am always prepared to share with all of you and to accept your constructive opinions so as to make Jaycee and myself a better one.

Last but not the least, thank you very much for your support and all the best to you!

EDDY WONG

As the NIPP, I sit in the current Board to act as an advisor and to ensure the continuity of the administration and policy made it last year.

1. Nomination Committee

According to the by-laws of Hong Kong Junior Chamber of Commerce, I am the Chairman of the Nomination Committee. Past National Presidents Senator Andrew Wong, Senator Nora Cheng, Senator Junia Ho and Senator Larry Lau are appointed by National President to sit in this committee at the National Convention.

The Committee is responsible to screen the nominations of the 1993 elective officers, to interview the candidates, to conduct the Caucus Session and to present recommendations to the General Assembly.

2. Candidate Training School

The Candidate Training School will be held on Sept 27, 1992 at Hilltop Country Club. Past National Presidents Senator John Chan, Senator Ng Leung Yau, Senator Junia Ho and Past World President Senator Jennifer Yu have been invited as speakers.

3. 1991 Account

The final draft of the 1991 account had been ready for adoption in the General Assembly.

(B) The Role of Senate Chairman

Under the Constitution of the Hong Kong Junior Chamber of Commerce, I am the Chairman of the Senate Group in Hong Kong. Senate Chairman is responsible for organising fellowship and activities for the senators and to chair the Senatorship Screening Committee.

1. **Sentorship Screening Committee**

Four Senators have been appointed as the Committee members. They are Senator Andrew Wong, Senator John Chan, Senator Chow Kee Wing and Senator Connia Chu Lo.

In the past 10 months, one meeting was held and 6 applications have been screened with 4 approved.

2. **Senators' Gathering**

The first Senators' Gathering was held on April 23, 1992 at World Trade Centre Club. JCI World President Albert Hiribarrondo was the guest of honour. 35 Senators had attended this function. The 2nd Senators' Gathering was held on July 28, 1992 at the Hong Kong Hotel. The Hon. Rita Fan, C.B.E., J.P., and Mr. Allen Ho were the guest speakers at this function. It was the first Joint Gathering of the Senate with the Business Network Club. 50 Senators and Business Network Club members had attended this function. The 3rd Senators' Gathering will be held on Oct 17, 1992 at the National Convention.

3. **Publication of "Senators' Who's Who in Hong Kong."**

The "Senators' Who's Who in Hong Kong" had been published and sent to all Senators, organisations and government departments in Hong Kong.

4. **Publication of Senate Newsletter**

The 1st issue of Senate Newsletter was published in April, another issue will be printed in December.

5. **Asia Pacific Senate Conference**

The ASPAC Senate Conference was held in May in Kitakyushu. 13 Senators had registered for this Conference. Senator Connia Chu Lo was elected as Vice President of the ASPAC Senate Board for 1992/93. She was awarded the "Most Outstanding Senator" in the Award Ceremony in the Kitakyushu ASPAC Conference.

6. **Proposal of New Structure of HKJCC Senate**

A proposal on a new structure of the HKJCC Seante had been sent to all Senators for comments early this year. It was proposed that Senate President and Vice Presidents be elected every year and there would be a small Senate Conference during the

National Convention. However, since the comments received were not so favourable, the proposal has been shelved.

(C) Other Involvement

1. Long Range Planning Committee

I was appointed as a member of the Long Range Planning Committee.

2. Junior Chamber International

I was elected the Chairman of JCI Asian Pacific Development Council for 1992. I have appointed Jaycee Wilfred Li and Helen Yu as the APDC Officer from Hong Kong. During the year, three meetings had been held : one in March in Hong Kong with 14 Councillors and Officers attended while another two were held during the Kitakyushu ASPAC Conference. Another one will be held at the Miami World Congress. APDC is responsible for the development and tarining for the NOMs in Asian Pacific Region. It is also reponsible for developing new NOMs in the Region.

3. Constitutional Affairs Ad-hoc Committee of HKJCC

I have been appointed to chair the captioned committee. Members include NP Eddy, GLC Rosa, EVP Ronald and Ivy, NVP George and two other members who are professional accountant and lawyer respectively.

It was found in 1991 that the Memorandum and Articles of HKJCC filed in the Company Registry was only the 1952 version. That means in the past 40 years, despite there were a lot of amendments, no proper filing had been made. In December 1991, the Company Registry had rejected our application for amendment of the M & A. After lengthy negotiation and discussion, it was found that the only solution to make the structure and authority of our organisation legalized is to incorporate a new company by using the current M & A (Using the Name "H.K. Junior Chamber") and then the new company will take over the assets and liabilities of the old one (which was based on the 1952 M & A).

It is expected one or two years are needed to finish this task.

4. **Hong Kong Government**

As an appointed District Board member, I have made use of all opportunities that I have during the year to promote Jaycee to various government departments and organisations. Besides as a District Board member, I was also appointed by the Governor as a member for the Board of Review (Film Censorship) and an adjudicator of Obsence ARticles Tribunal.

(D) **Conclusion**

I would like to take this opportunity to thank all the Board members, LOM Presidents and many Past National Presidents for their support during the year. I believe that with the effort and dedication of all Jaycee members, the 1993 World Congress will be a very successful one.

27th National Convention
16-18 October 1992

Report to the General Assembly of the 27th National Convention From National General Legal Counsel - JC Rosa CHAN

A. *FOREWARD*

1992 proves to be a very memorable and fruitful year in my Jaycee life. I have been able to work with many dedicated and outstanding Jaycees in serving the organization in many different aspects. I have the pleasure and honour to submit my report to the General Assembly in the capacity of National General Legal Counsel.

B. *ASSIGNED AREAS*

As National General Legal Counsel, I was assigned to supervise the following officers and areas:-

(a) National Secretary General
(b) National Hon. Treasurer
(c) 1992 Policy Manual
(d) HKJCC Constitution and By-Laws
(e) NOM's Liaison with the Government
(f) TOYP Selection 1992

(a) HKJCC Secretariat

The Jaycee administration and office have been running very smoothly in 1992 under the management of National Secretary General Jayceette Winnie Yeh Kung. Winnie is a capable and conscientious officer who has strong organizational power and good management abilities. We would discuss and work together towards complicated administrative matters. For the normal running of the JC Secretariat, Winnie is able to discharge her duties independently. For details of the work done with regard to JC administration, please refer to NSG Winnie's report.

Records & Recognition Area

NSG Winnie is the supervisor of the R&R area. This year, apart from preparing the awards manual and arranging for awards judging, the R&R Director Monita Wong has devoted a lot of her time and efforts in improving the past records of Jaycees and enriching the collections of the Jaycee Library. Besides, she has organized a bid-book seminar to enable fellow Jaycees to have better ideas on and acquire the strategy in compilation of bid books. For details of the work done in the R&R area, please refer to NR&RD Monita's report.

(b) Financial Management

This year, under the effective financial management of NHT Senator Henry U and NFD Ben Li, the NOM has been enjoying a sound financial position. Budgets for the administration and project funds were prepared and approved at the beginning of the year and monthly reviews have been made during the year. The Inauguaral Ball held on 25 January had raised HK$140,000 which has been the major source of funds for NOM projects and activities. The leadership of the Project Chairman Senator Frances Poon and the hardwork of the Organizing Committee were surely the essence of success. The NOM is currently organizing a fund-raising programme - the Mobil Card with a view to solicit more funds to further strengthen the financial situation of NOM. For details of the work done regarding to finance, please refer to NHT Senator Henry and NFD Ben's reports.

(c) Policy Manual

The 1992 Policy Manual was compiled and adopted during the First Joint Directors' Meeting. The Manual was incorporated into the 1992 NOM Directory which was sent to all NOM officers, National Presidential Advisor, National Panel of Advisors and all LOM Presidents for reference.

(d) HKJCC Constitution and By-Laws

The HKJCC Constitution and By-Laws were updated at the beginning of the year with an aim to adopt the amendments in an EGM and after which formally file the amended versions with the Registrar General.

However, the Registrar General advised that the HKJCC have not filed in the amendments to the Constitution and By-Laws ever since the one formally filed in 1952. As our current Constitution and By-Laws seem completely different documents in appearnce and content from those in 1952, the Registrar General refused to accept our filing.

A formal organization needs to have properly registered records with the Registrar General. There are therefore high importance in tackling this affair urgently.

According to our Hon. Legal Advisor, Mr Lam Hon-mo, there are at least two alternatives in dealing with this. The first is to file in our amendments made throughout the past 40 years in small batches but obviously it will take ages to complete the whole process and is thus low in feasibility as it would mean that there are still many years our organization would be running without a properly filed Constitution and By-Laws.

The second alternative is to form a new limited company with the most updated Constitution and By-Laws of HKJCC to take over the assets and liabilities of the Hong Kong Junior Chamber of Commerce. The whole process may take 2 years. This seems a more feasible and less time-consuming solution to the problem.

The two alternatives have been discussed thoroughly by the National Executive Committee and the ExCom endorsed the second alternative. The matter was thus put to discussion at the July Joint Board Meeting where the LOM Presidents have given consent to set up a Constitution Affairs Ad Hoc Committee to further consider the second alternative.

The Constitution Affairs Ad Hoc Committee has been formally set up in August with membership as follows:-

Chairman	:	Senator Daniel Cham, NIPP
Members	:	Senator Eddy Wong, NP
		JC Rosa Chan, NGLC
		JC Ronald Ho, NEVP
		JC Ivy Tam, NEVP
		JC George Lung, NVP
		JC Raymond Tse, VJC Member
		JC Kelton Wong, DJC PP

A memo was sent to NPA Senator Larry Lau and the National Panel of Advisors in late August to solicit their comments and suggested amendments to the current Consititution and By-Laws.

The first meeting of the Constitution Affairs Ad Hoc Committee was held on 7 September to consider all suggested amendments. After the meeting, the Constitution and By-Laws were immediately updated and a copy was sent to our Hon. Legal Advisor for consideration. It is the Committee's target to formally adopt the updated Constitution and By-Laws during the National Convention to facilitate the necessary work in connection with the second alternative mentioned above.

JC ROSA CHAN

NATIONAL GENERAL LEGAL COUNSEL

REPORT FROM NATIONAL EXECUTIVE VICE PRESIDENT - RONALD HO

In 1992, I was assigned to look after three areas namely Publications, Community (including Community Concern Group) and International (including International Affairs Department). I was pleased to make the following report on these areas.

(1) Publications

We planned, in the beginning of the year, to publish six issues of our official publication "Harbour Lights" and while maintaining the basic layout, colour as well as design created in 1991, it was our desire to bring in some new elements.

We actively encouraged " Contributions from Chapters and individual members " and we also accepted articles in Chinese. Since there were so many good things to report, we produced an ASPAC Special in June such that, at the time of writing this report, we had already published five issues including one bumper. It would not be surprising if the total number of issues would ultimately exceed seven.

Our efforts were confirmed when "Harbour Lights" won the most outstanding NOM Publication Award in the 1992 Kita-kyushu ASPAC Conference. Well-done --- all the Hong Kong JC members who have contributed to this achievement !

I would like to take this opportunity to thank Publications Director Yu Ching Hoi, JC Carol Liu, JC Karen Tam, our designer/printer Synergie Communications, all the advertisers and all those who have referred these ads and, last but not the least, JC Kendy Yau who have compiled the award-winning bid book.

(2) Community

With our Major Emphasise Theme " VISION FOR HONG KONG " (港夢前瞻，齊創明天) as well as two Sub-themes " Economic Development " and " Civic Involvement ", the Community Area started off in a very ambitious manner. We tried to produce a new project " World Trade Game " and also revived an old but memorable project " Young Leaders' Voyage ". With the experience gained from previous years, we also tried to expand the idea of the " Advisory Committee on Current Affairs " (ACCA).

Unfortunately these brilliant ideas met obstacles of different kinds. The " World Trade Game " was very popular in Europe but by the time we found out that it was a manual (not computer) game and required a very experienced instructor, it was already too late to learn the tricks in time for presentation in 1992. There was, on the other hand, simply very lukeworm response regarding sponsorship (budget over HK$ 800,000) towards the " Young Leaders' Voyage ". Without the money, how far could we go ?

Realizing the heavy workload of the previous ACCA, this year we have re-structured the mechanism to create a new " Community Concern Group (CCG) ", with the members coming mainly from the LOM Community VPs and Directors. The CCG studied/discussed current community issues and, if required, submitted comments or recommendations for the ACCA to re-consider. The ACCA would in turn summarise the findings/recommendations and produce a short paper to the NOM Board for adoption and release to the public, if applicable. Progress of the CCG and the ACCA had been gradual and only two topics were covered ---" Youth Charter " and " Crime ". Having said that, the discussion on " Youth Charter " was in JC context very thorough and the HKJCC opinions were submitted to the Commission for Youth for their consideration.

Finally we determined to carry out a Theme project on civic involvement, which was a survey on the effects of direct election. Details of this project would be covered in Community Director's report. Also we did embark on two new ventures ---- the Hugh O'Brian Youth Foundation (HOBY) program and the project HOPE (希望工程).

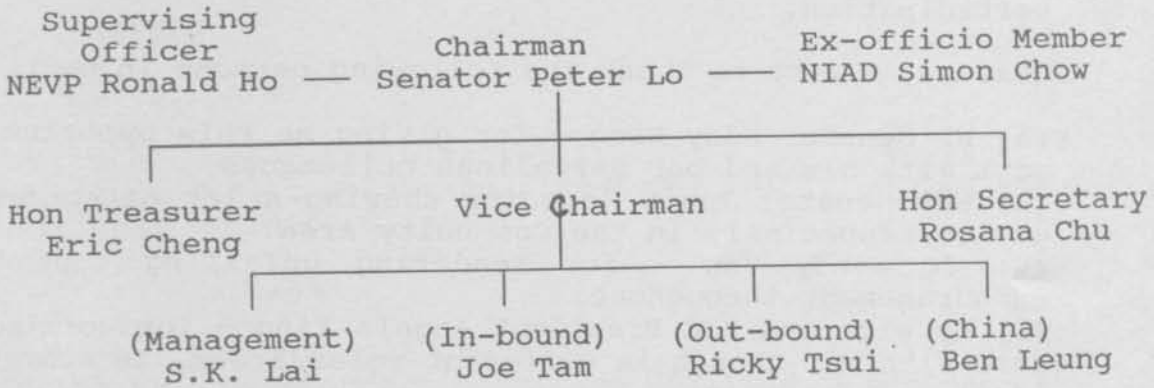

It was obviously not necessary to explain what project HOPE was. However, we would like to specify the area/district our donations would end up in and we planned to visit these areas in China to actually look at the progress. HOBY was a youth exchange program originated from the USA. Training seminars were arranged and then two Form 4 students from each country/area would be selected to attend a " World Congress " where they would meet students from all over the world as well as seeing prominent personalities like Congressmen, Senators, Presidents and astronauts. This new endeavour would actually cross over from 1992 to the summer holidays in 1993.

I would also like to take this opportunity to thank Community Director Juliet Lam, Community Officer Petrula Wong, JC Daisy Lui and her committee on the Theme project, all LOM CD/YA/EA Directors and VPs, as well as the members of the ACCA----- PNP Senator Junia Ho, Senator Justein Wong, Mr Chan Ying Lun and PNP Senator P K Ng.

(3) International

In 1992, the work in the International Area was divided up by our International Affairs (IA) Director and IA Department although it seemed that this division of labour was not clear to the Chapters.

The IA Department was responsible for the reception of all JCI VIPs, the visit to All-China Youth Federation and all IA trainings. IA Director concentrated his attention in the annual ASPAC Conference and World Congress as well as all other miscellaneous receptions/IA artivities. IA Driector also served as ex-offico member in the IA Department. The organization chart of the IA Department Management Committee was as follows:

The projects/activities undertaken by the IA Department so far included receptions for JCI World President, EVP, Vp, Beijing Youth federation, Shanghai Youth Federation, 青年企业家协会 and IA Opportunities Seminar, Japan Youth Voyage as well as our visit to All-China Youth Federation. Forthcoming functions would be the publishing of IA Handbook and 全青联 网站

the ASPAC Conference report would be covered in details by IA Director but I would like to highlight that the Kitakyushu delegation of 150 Hong Kong Jaycees was a historical figure and biggest-ever team. We also had a wonderful Hong Kong Nite as well as capturing ten awards/merits.

IA is a facinating but difficult area. Thus, I would like to thank all Kitakyushu O.C. members especially Chairman Allen Au and Hong Kong Nite Chairman Elinor Chiu. My heartfelt thanks also went to IA Department members especially Chairman Senator Peter Lo, Joe Tam, S.K. Lai andThomas Li. My gratitude also to PNP Senator Sonny Yu and PNP Senator Ng Leung Yau for their advice and assistance. The Miami Congress O.C. led by Chairman Senator Stephen Chan. Obviously I would not miss out our IA Director Simon Chow who was wounded and bed-ridden because of his total JC involvement. Thank you very much.

(4) Special Acknowledgement

I am indebted to all National Officers, Chapter Presidents and JC members for your continuous support, encouragement and participation.

Besides, I want to thank the following persons in particular:

(A) NP Senator Eddy Wong - for giving me this opportunity to work with him and our marvellous colleagues.
(B) PNP Senator Junia Ho - for showing a lot of concern and advice, especially in the Community Area.
(C) JC Kendy Yau - for rendering unfailing support and encouragement throughout.
(D) My wife and VJC President Angela Ying - for working very hard with me, though in different roles/areas, to achieve the ideals of Jayceeism.

REPORT FROM NATIONAL EXECUTIVE VICE PRESIDENT IVY TAM

FOREWORD

It is indeed my great honour to be elected as the National Executive Vice President this year. Being the NEVP, I was assigned to supervise three areas, namely Membership, Public Relations and Training; and two committees, i.e. Business Network Club and Training & Development Committee.

In the capacity of National Executive Vice President, I am pleased to report to the General Assembly on my assigned areas and duties.

APPOINTMENTS

National Directors

National Membership Director	Peggy Lee
National Public Relations Director	Anita Kwan
National Training Director	Justin Lui

Committee Chairmen

Business Network Club Chairman	Davis Kwong
Training & Development Committee Chairman	Bassanio So

MEMBERSHIP AREA

(1) National Orientations

(2) Joint Membership Directors' Meetings

(3) Jaycee Fortnight

(4) Allocation of PMs

(1) to (4) please refer to National Membership Director Peggy Lee's Report.

Membership recruitment and retention are still the most challenging task to our organization. In order to achieve our target and solve the problems of lackage of man power, NOM and LOMs should always work closely together to enforce the membership recruitment scheme as well as the membership retention scheme. Further, LOMs should take the initiative to solicit different ways and means to recruit new members and also, to enhance a better "Care Our PMs Scheme".

PUBLIC RELATIONS AREA

(1) New Year Sign-In at Governor House and Government Secretariat.

(2) Inaugural Ball Press Conference

(3) New Year Bonanza

(4) 4th Asian-Pacific Children's Convention in Fukuoka

(5) Jaycee Fortnight

(6) JC Olympics

(7) Joint PR Director's Meeting

(8) PR Gatherings

(9) Ming Pao "Rose Garden" Interview

(1) to (9) please refer to National Public Relations Director Anita Kwan's Report.

During the year, the relationship between Hong Kong Junior Chamber of Commerce and the mass media are very good. Most of our Projects (both NOM and LOMs Projects) and JC members were appeared or interviewed by the media, especially the newspapers. Further, the NOM has pioneered the use of feather articles "Rose Garden" in Ming Pao to promote and enhance the Jaycee Image. With this image, the public would recognize us as an organisation with a group of professional young men and women with dedication and ideals. As a result, we could then extend and offer the opportunities to other eligible young men and women to join our organization.

TRAINING AREA

(1) LOM Officers' Training School

(2) In Search of Excellence

(3) Go for your Best, Head for Success

(4) Vanguard Leaders Program

(5) Gearing Up, Reaching Top

(6) Training Seminars

(7) Joint Training Director's Meetings

(1) to (7) please refer to National Training Director Justin Lui's report.

As a worldwide leadership development organization, training and development should be the top priority for our members. Junior Chamber International has already adopted a mission statement for the future development of training:

"To develop individual members and prepare them to undertake social reponsibilities within their community according to the JCI principles of leadership development to create positive change."

Base on this belief, we have achieved some of the targets within this year.

* Providing a series of special design of training packages for different levels of members;

* Standardizing clear objectives and directions to all LOMs to follow;

* Setting up of Training & Development Committee for long term planning; and

* Offering numerous coaching opportunities to the members of Trainers' Circle.

TRAINING AND DEVELOPMENT COMMITTEE

With the recommendation by the Ad Hoc Committee on training and development of HKJCC last year that an independent committee namely "Training and Development Committee" was established under NOM's administration to look after future development of HKJCC's training policies.

The guiding principles of TDC's future training enterprises should expand upon the mission of JCI, focusing on the actual creation of individual opportunities for positive change through substantive, desirable and effective training programme.

BUSINESS NETWORK CLUB

The International Business Network (IBN) is a new service of Junior Chamber International that will give current and former members the opportunity to pursue personal business interests through worldwide Junior Chamber networking activities. In order to support this concept and idea, the Business Network Club was established in December, 1991 with the objective to provide economic and business opportunities for members based on their business interests and activities.

For future development, the Business Network Club should provide a network for exchange of information not only in terms of business, but also in terms of professional and economic development.

CONCLUSION

Taking this opportunity, I would like to extend my heartfelt gratitude to my dedicated and cooperative Directors Peggy, Anita and Justin, and also BNC Chairman Davis and TDC Chairman Bassanio, for their hardwork and unfailing support demonstrated all through the year. Special thanks to all LOM Presidents for their continuous support and encouragements. Last but not the least, I would like to express my deepest appreciation to National President Senator Eddy for his advices and guidances throughout the year.

National Executive Vice President

HONG KONG JUNIOR CHAMBER OF COMMERCE

27th National Convention
16-18 October 1992

Report to the General Assembly of the 27th National Convention

From National Vice President - Connie Chiu

In the capacity of National Vice President, I have great pleasure to present my report as follows : -

FOREWORD

As the National Vice President assigned to Harbour Jaycees, Dragon Jaycees and Shatin Jaycees, my duty is to liaise and assist with their LOM management. In order to have better understanding of my assigned LOMs, I attended most of their Board Meetings, Monthly Fellowship Gatherings and various functions, offering my assistance whenever it is necessary. Regular calls were made and memos were sent to the three LOM Presidents to relay to them the latest information of JCI, NOM and other LOMs.

ASSIGNED LOMS

A. HARBOUR JAYCEES

President Mazhar has done a great job of providing a lot of leadership training opportunities to her members by organizing a number of meaningful projects and encouraging her members to attend the NOM's training seminars/workshops. During her maternity leave, their Immediate Past President/NVP Raymond was appointed as Acting President and the Chapter's activities were not at all affected. Their projects were launched satisfactorily and credit should be given to all the board members and the organizing committees.

The "92 International Children Drawing Contest" had once again received extensive press coverage and favourable response from public. Besides that, a new project named "Children Cultural Exchange Project" was co-organized with their sister Chapter, the Kanazawa Jaycees. These 2 projects were completed with tremendous success and had re-activated their old members and enhanced the image of the Harbour Jaycees.

In the latter half of the year, their ME Director has been trying very hard to recruit more young men and women to join the family and I am sure that the Chapter will continue to grow steadily.

B. DRAGON JAYCEES

The activities of the Dragon Jaycees for this year are well balanced in all areas of opportunity. They have launched a large scale CD project named "The Elderly - They Still Care", a successful leadership training camp - "Operation Dragon", and an unprecedented innovative fund-raising project - "Enter the B.Boss with the Dragons". They have maintained stronger ties with their overseas counterparts this year and their support to the NOM is noteworthy.

The Dragons have demonstrated their traditional spirit of unity and morale which is cultivated through a strong sense of commitment and fellowship. They are on the average of high calibre and capability. Moreover, senior members of the Chapter are always available to render assistance and give consultation. These advantages available to the Dragon Jaycees have been fully utilized in bringing the Chapter another successful year.

Under the capable leadership of President Frankie, and his hard-working Board of Directors, all members have been well motivated to achieve their goals, and obtained the necessary training. The Dragon Jaycees has, as expected, emerged again as a Chapter with outstanding performance.

C. SHATIN JAYCEES

Still relatively a young Chapter, the Shatin Jaycees does not have the long accumulated experience and knowledge which are available to those well established Chapters. However, such handicap did not pose any discouragement to their board members.

This year, they have signed the sisterhood pact with Wakayama Jaycees during the Kitakyushu ASPAC Conference. By issuing their first official publication - "River Light", and celebrating their 5th Anniversary this year, Shatin Jaycees is heading for continuous prosperity, while memories of its glorious past are recalled.

Though the number of membership has dropped, the Chapter is now finding way by implementing the "One Plus One" project to recruit more members. I believe that the size of their Chapter can be expanded towards the end of the year.

It is encouraging to witness a gradual improvement on their administration as the less experienced but yet devoted officers picked up their pace. Much credit is owed to President Anne and her board, as well as guidance from their Past President Senator Peter Lo.

I am happy to report that despite of the fact that the three LOMs have their internal problems in one way or another during the year, all three LOMs were able to make achievements in different aspects. They have been progressing satisfactorily according to their plans of actions, targets and time schedule. They were also complimented for supporting NOM by participating and attending various NOM projects and activities throughout the past months.

OTHER INVOLVEMENTS

- one of the area consultants to the NOM project "Go for Your Best, Head for Success"

- acted as facilitator to Peninsula Jaycees's training workshop, "Stress Management"

- will act as speaker to "Briefing Session for Award Judges" organized by NOM

- one of the steering committee members of the "I AM a Jaycee" Campaign

I am responsible in producing the membership cards for all members. They were ready in May and despatched to members in June. Members are encouraged to put on their membership cards during all Jaycee functions for identification. It is NOM's desire that every member is proud of being a Jaycee.

CONCLUSION

As all my assigned Chapters have their own culture, tradition and different administrative style, I found my duty as their NAEO a very rewarding, challenging and interesting one. I have a very fruitful year and I really treasure the knowledge and experience gained from the position of National Vice President.

Taking this opportunity, I would like to extend my heartiest thanks to all the Chapter Presidents who have given me warmest reception and cooperation throughout the year. My sincere thanks go to National President Senator Eddy and all National Officers who made my job of the National Vice President a most pleasant one through their advice and assistance.

A big "thank you" to you all!

Connie Chiu

National Vice President

Sept. 1, 1992.

HONG KONG JUNIOR CHAMBER OF COMMERCE

27th National Convention,
16-18 October 1992

REPORT BY NATIONAL VICE PRESIDENT ALISON LAM

In the capacity of National Vice President, I am pleased to report to the General Assembly as follows :-

1. Assigned LOMs

1.1 Island Jaycees (IJC)

Stepping into its 26th year, the IJC have successfully launched two large projects "ISO 9000" & "Islandfest".

The financial situation of the chapter is sound. The team spirit of Islanders is overwhelming.

Unfortunately they are facing the problem of losing members due to various reasons, and more efforts should be emphasised on Membership Extension and Retention.

1.2 Peninsula Jaycees (PJC)

With its young, energetic and aggressive board of directors, PJC is again heading for another very successful year.

The membership has grown very steady and fast this year that they will certainly meet their target growth of 180 by the end of this year. The financial positon of the chapter is strong.

Two new large projects, viz. Outstanding Young Entrepreneur Selection and Healther for All by 2000 were successfully launched in August & September. Both projects received good response from within and outside Jaycees, and attracted a lot of publicity.

Due to the large number of projects held, including hosting of the National Convention this year, PJC's allocation of manpower is tight.

1.3 Lion Rock Jaycees (LRJC)

A large C.D. project "Life & Death" Seminar was held successfully in the first half of the year.

The financial situation of the chapter is satisfactory. LRJC also faces the problem of decreased membership. Great efforts should be stressed on Membership Extention and Retention.

Generally the members, though young and with inadequate training, are supportive and enthusiastic. More efforts should be put in cultivating successors.

As the hosting chapter of Jaycee Olympics this year, it is hoped that the members will be trained up and more members will be recruited in due course.

NP Eddy and the NOM Board of Directors for their unfailing support, guidance and co-operation throughout the year.

NPA Larry Lau and PNP Senator Junia Ho for their valuable advices.

IJC President Raymond Fung, PJC President Diana Fung and LRJC President Hily Tang for their cooperation and support.

HONG KONG JUNIOR CHAMBER OF COMMERCE

27th National Convention
16-18 October 1992

REPORT FROM NATIONAL VICE PRESIDENT - GEORGE LUNG

It is laid down in the Policy Manual of the Hong Kong Junior Chamber of Commerce that the primary duty of a National Vice President is to communicate with his assigned LOMs overseeing their development, and to promote NOM and JCI activities. At this Convention, I am happy to report that the duty is properly discharged in my term of office together with my other assignments and the details are set out in the following paragraphs :

LOM supervision

I am responsible for supervising the Kowloon Jaycees, Hong Kong Jayceettes and East Kowloon Jaycees. It is my pleasure to have the opportunity to father these LOMs, each of which is so unique in its own rights. The experience is interesting as I witness these LOMs grow from strength to strength and survive adversities.

a) Kowloon Jaycees

The LOM made history when its first female President assumed office late last year. President Natasha encounters great challenge in fulfilling her duties and living up to everyone's expectation. She proves herself a dedicated lady to make things happening working closely with her team of officers, most of whom are greenhorns, Lack of experience has hampered their progress in the early months, but they soon pick up the pace and move on smoothly. I wish to congratulate President Natasha for putting up her heart and soul to uphold the good deeds of the Kowloon Jaycees and try not to let anyone down. I am sure 1992 will end with a happy note for her and all members of the LOM. Taking this opportunity, I would like to thank President Natasha and her Board of Directors for their support during my term of office.

b) Hong Kong Jayceettes

This is one of the few LOMs which succeeds in striking a balance between quantity in its pursuit of excellence during the year. Hong Kong Jayceettes is a big team with wealth of resources to cope with its ambitious year plan. The juniors are fully supported by the seniors who remain very active notwithstanding their status, knowledge and backgrounds. They enjoy a harmonious relationship working together towards one common goal, i.e. to build on the strength of the LOM and groom

better leaders to service the community. While President Shelina is lucky to have her predecessors and officers backing her up throughout the year, she has invested a great deal of her own effort in ensuring a steady growth for the chapter. I shared her thrill of receiving awards on stage at the Kitakyushu Conference and there is no doubt that many more are to come at this Convention. I truly believe that President Shelina and her Board of Directors deserve credits for their hardwork.

c) East Kowloon Jaycees

President Dave advocates for creating new opportunities for members of the East Kowloon Jaycees to develop their leadership qualities to expand the international affairs development and to become more concern about community issues. He turns such dreams into reality by carefully drawing up a plan of action for the chapter. He also makes room for contingencies to make sure the plans are within control. His team of officers is equally diligent and wise as he is, and together they make a dynamic team. I can foretell a promising future for this group of young leaders who have not only managed to abide with traditions, but also succeed in developing new ideas to improve on LOM's management and membership development. It is my pleasure to have associated with President Dave and his partners and to receive their support during the year.

Other assignments

Developing a distinctive corporate image for the Hong Kong Junior Chamber of Commerce and providing opportunities for young people to develop leadership skills constitute parts of NOM's overall objective for 1992. To achieve these goals, I have put forward a proposal to the National President earlier this year to organize a training seminar along the theme "Go for Your Best, Head for Success". I strongly believe that a seminar of this size and nature best spells out the objectives of our organization and what we have and is capable of achieving. It is also the best vehicle to impress young people that Hong Kong Jaycees is the leader in community services blessed with a pool of outstanding leaders whom they can look upon as examples in pursuing success. With the support of the National Board of

Directors, Past National Presidents Senator Alex Tzang and Senator Junia Ho, JCI trainer Senator Peter Sim, and many senior Jaycees; and the concerted effort of the Organizing Committee, the seminar turned out to be NOM's blockbuster for the year as it was packed with over 600 participants on 25 July and generated a handsome surplus for NOM. Response from the participants is very encouraging and many have shown interest to become one of us. Chairing this seminar demands extra work from me, but the reward far exceeds the effort.

In May, I attended the "5th JCI International Academy Programme" in Kobe, Japan representing Hong Kong Junior Chamber of Commerce. The programme was hosted by Japan Junior Chamber aiming at providing an opportunity for young leaders from different nations to exchange ideas on how to create a "New Order" for the world along the spirit of global citizenship. The 9-day programme was packed with seminars and social activities through which the participants created their visions for tomorrow. TEAMPOWER prevailed throughout the period as it was seen to be a means to turn visions into real missions. I am most grateful to the National President for sending me to this Academy and I shall not hesitate to share the experience with my peers if opportunity arises.

During the year, I have also attended the 40th Anniversary Ball of the Korea Jaycees with Congress Director Senator Ng Leung Yau in a bid to promote the 1993 Congress.

Conclusion

1992 truns a new page in my JC career. The task of a National Vice President is not as demanding as expected. However, my other assignments at NOM's level fill in the gaps in my diary. I have always enjoyed making full use of my resources to get the best out of myself and at the same time getting what is best for our beloved organization. Hence, extra work only adds to my pleasure for being a National Officer. Of course, the pleasure will not be mine lacking support from my teammates at the National level, from the Presidents of those LOMs which I am assigned to, from my 'buddies' from the Dragon Jaycees and above all, from my wife Maggie, daughter Winvy and baby boy Wilson. These people have given me the strength and courage to pursue my JC career and I owe them my sincerest gratitude.

George Lung
National Vice President

HONG KONG JUNIOR CHAMBER OF COMMERCE

27th National Convention
16-18 October 1992

Report from National Vice President - England Yau

As a National Vice President, I had much pleasure to submit my report as follows :

Assigned LOMs

Yuen Long Jaycees

Yuen Long is very committed to the community services. There are many members from the Legislative Council, Regional Council and District Board. President Dickson Kung is a very sincere and devoted person which helped to set a very good example to the members. In many functions held by NOM & LOM, we found that participation from the Yuen Long members reflected this highly devoted spirit.

With the participation of their Past Presidents the chapter's business is progressing on smoonthly and satisfactorily. Though most of the members have their own business, this does not affect their attendance. They attended the board meetings and monthly meetings regularly. In finance side, Yuen Long also gave up the traditional ball and chose to raise their fund by organizing a "Poon Choi" (盆菜) and have gained a very significant result.

This year, the annual function "New Territories Outstanding Student Election" was also successfully held. With a good international relationship, they sent the awardee to Japan for exchange in culture. This meaningful

project, not only trained up members in the chapter, but also improved Jaycees public image in the New Territories. I wish they can keep on with their work, and continue the good contribution.

Bauhinia Jaycees

Bauhinia is one of two female Jaycees chapter in Hong Kong, the total number of member is 41. This year they have put forward successfully a number of big scale and meaningful projects such as Conflict Management Course, Property Investment in Mainland China Seminar. Hong Kong Inter - School Quiz in Civic Education Competition, etc which they have received extremely good conments from the public.

Their financial situation is healthy. Every single event have been studied and planned carefully before its implementation. The continuous implemention of projects has helped the members to gain sound knowledge in various skill and without any hesitation, one can see that they are improving as far as standard of work is concerned.

Most of the board members from Bauhinia are students in evening institution. However, they are very good in time management. The attendance record within

Bauhinia is very good. Besides, members also participated actively in various functions organized by NOM. At the same time, the board meetings and monthly meetings were held on time everymonth. Bauhinia has a high standard in enrollment qualification, this is the reason why their number of members are not too many. The Past Presidents and experienced members played a very active part in the chapter affairs. This helped to make the chapter more stable. Perhaps, I would describe Bauhinia as a practical yet efficient chapter.

Ocean Jaycees

This chapter & its members are both young in the age. However, under the leadership of President Edward Tse, Ocean has successfully put forward a big step. The membership has now increased 20%, making a total of 77 members, I believe that until end of the year, it may come to further increase of 30%.

In early June, Ocean has successfully signed a Friendships Exchange Program Agreement with The Youth Federation of Zhong Shan. Later, in August, they held together with Japan Zuite Jaycees, a function named, "I Care For You - Hong Kong Japan Children Exchange." This helped to bring along more public concern and cares to the children from problem families. These activities has

reflected Ocean Jaycees's marvelous work in international affairs.

While in fund raising, Ocean Jaycees had given up the traditional way to raise fund from holding a ball in hotel. They completed it by walkathon and have successfully raised over HK$60,000.00. During the whole year, we noted that there were tremendous participation from experienced members which helped to bring the image of the chapter to a smoother and better level. Moreover, the Jaycees protocol of the members are very good, very often they reflected their opinion and ideas to the NOM, we believe it helps to make understanding and communication easier, and benefits promotion of Jaycees's affairs better.

Through the board members promotion and tremendous hardwork, we have noticed active members exceeds 70% of total membership. My complements to the Ocean members - Pleased keep on with your hardwork.

Other Assignments

i) As Area Consultant of NOM Training Seminar "Go For The Best, Head For Success."

ii) As steering committe of NOM project "I am a Jaycee Campaign."

Conclusion

I would like to take this opportunity to thank all

of you for giving me a chance to be a National Vice President this year. This helped me in learning various knowledge within the Jaycees, and it allowed me to serve with what ever I learnt over these years. During the year, I had been assigned to service in three chapters. To improve communication with the chapters easier, I attended their function regularly and very often, I had meetings with the President. As a matter of fact the frequent communications has indeed helped a lot. Finally I would like to thank all your support and encouragement and I wish I would have more another opportunity to participate in my belove society and to serve all of you again.

HONG KONG JUNIOR CHAMBER OF COMMERCE

27th National Convention
16-18 October 1992

Report from National Vice President - K.H. Yu

As one of the National Vice Presidents of the Hong Kong Junior Chamber of Commerce for the year 1992, I have much pleasure in submitting my annual report to the General Assembly as follows :

1. Assigned LOMs' Affairs

Victoria Jaycees :

This is the most senior chapter with about 110 members. Comparatively, the devotion or degree of participation in chapter's activities of the more experienced and senior members is not so good as that of the younger members.

Its board of directors is formed by a team of young and inexperienced members. Yet, they are energetic with initiative to learn.

Led by President Angela Ying, they succeeded to organise a series of high quality seminars to train up their members. Gradually, they were confident of their potentials and became more and more devoted to their assignments.

Large scale projects such as Grand Parents' Day, Hong Kong Economic Megatrend Survey and Young and Old Fun Day were nicely arranged. Notable columns concerning Victoria Jaycees appeared in the press which helped to publicize its image and its membership extension area enjoyed fruitful result.

Being well brought up by finely arranged orientations and leadership training programmes, these "new blood" would definitely be valuable asset to this LOM. However, those senior members should be more enthusiastic to the function of their mother chapter.

North District Jaycees

Owing to various reasons, mainly due to emigration problem, the membership of North District Jaycees dropped to 33 by mid 1992. Membership recruitment exercises have been taken to replenish the loss, but the effect remains to be seen.

Most of its members are quite young in Jaycee life. Yet, they are enthusiastic both in LOM and NOM functions. Apart from LOM projects, many of its members are keen organisers in NOM activities.

Informative seminars were arranged in their Monthly Fellowship Gathering. Prominent figures such as the two Legislative Councillors from the North District were invited to be guest speakers.

A large scale regional project, the first NT Region Children Silver Tongue Competition, was held successfully. Although the result was just satisfactory, the North District Jaycees had extended good relationship with various organizations of the North District. Sponsored by the District Office of North District, they held a carnival at North District Town Hall to promote civic eduction to the public.

Geographically, the North District offers nice resources and opportunities to the growth of this LOM within this area. So, a seminar named "Regionalization of a LOM" was held in August with me as guest speaker encouraging their members to take positive actions in this target. It is quite confident that the North District Jaycees will be one of the prominent organizations in the North District if they follow this trend.

2. Special Assignment

i) As Guest Speaker for NOM Bid Book Seminar

ii) As Guest Speaker for NDJC August MFG for the topic "Regionalization of a LOM"

iii) As Committee Member for Steering Committee of NOM Project " I am a Jaycee Campaign "

iv) As Area Consultant for NOM Training Seminar "Go For The Best, Head For Success"

v) As Representative for HKJCC to Promote 1993 World Congress at JCI Area C Conference in Dominician Republic

3. Acknowledgement

This year is the busiest time during my jaycee life. Apart from being the National Vice President and Immediate Past President of the Yuen Long Jaycees, I am also committee members of several public and community service organizations. Very often, I have to travel to and from Hong Kong to Yuen Long twice a day in order to attend different meetings. Anyhow, I have tried my best to suit all the needs.

Taking this opportunity, I wish to express my heartfelt gratitude to NP Eddy, the NOM executive committee as well as the board of directors for their kind co-operation and assistance all the year round.

HONG KONG JUNIOR CHAMBER OF COMMERCE

27th National Convention
16-18 October 1992

Report from National Vice President

Raymond Yu

In this year, the major responsibility of a NVP was to be assigned to LOMs so as to improve the communication between the NOM and LOMs. It was evident that those objectives were achieved not just on the communication area but also on the assistance of development of LOMs through the resources support from the NOM. In addition to the role as a NAEO, I was also invited to be an area consultant on the logistics and venue in the large scale training seminar "Go for the best, head for success". In the involvement of "I am a JC" Campaign, the work of membership benefits was being proceeded progressively. With regard to the promotion of early registration of 1993 World Congress, the deadline of early registration was set on October 31, 1992.

Assigned LOMs

Tai Ping Shan Jaycees (TPSJC)

In this year, TPSJC worked very aggressively on the membership extension and it was expected that there would be significant membership growth. The team spirit of the board members was very good which benefited to the growth of the Chapter. In the financial area, the successful fund raising on its 15th Anniversary and soliciting sponsors in this year provided a sound financial resources for TPSJC to carry out all projects and activities.

City Jaycees (CJC)

Most of the activities planned in this year were carried out successfully and were recognized by the public. Besides, CJC also hosted the National project "4th Children Convention" which earned the awareness and great support from the community. In this year, CJC recruited a lot of young and energetic members which would become valuable assets for the growth of the chapter in near future. In the financial area, the cashflow would further be improved upon the refund of BCC.

Queensway Jaycees (QJC)

QJC consists of young and high calibre members with great enthusiasm in developing themselves and serving the community. In the training area, members showed their eagerness for receiving training and participated actively. It received a certificate of merit from Civic Education Committee on its CD project organised in last year. The major CD project in this year would be launched in September. The financial situation of this chapter was sound.

Conclusion:

As a NAEO, it was a very good experience to be exposed in the work of different LOMs which definitely could enrich my JC knowledge. However, in order to achieve the objectives on communication and assistance on LOM development, it took time to build up trust and relationship with the LOMs. And I would like to take this opportunity to thank the Presidents and members of all my assigned LOMs for their cooperation and support to my work and NOM activities. In serving as a national executive committee, it gave me an opportunity to involve in the JC affairs from a different perspective which I found to be very beneficial. Lastly, I would like to thank President Eddy and all the National Board for the teamwork and support which made my work easier and successful.

HONG KONG JUNIOR CHAMBER OF COMMERCE

27th National Convention
16-18 October 1992

REPORT TO THE GENERAL ASSEMBLY OF
THE 27th NATIONAL CONVENTION
FROM NATIONAL SECRETARY GENERAL - WINNIE YEH KUNG

1992 has been a memorable year in the path of my Jaycee career. In the capacity of National Secretary General, I have the honour and pleasure to submit my report to the General Assembly as follows:

Assignment

As stipulated in the 1992 Policy Manual, the following areas of responsibility have been assigned under my supervision:

A. NOM Administration
B. Records & Recognition
C. 1992 National Convention

A. NOM Administration

1. Chamber Office
The sound ground work established by my predecessors has eased, to a great extent, the overall administration work of the Chamber Office at the time of handing over. Although there are times when ad hoc jobs or requests required immediate attention or action, all these were handled with no delay by the Board/Chamber Office.

1.1 Staff: The structure of the Chamber Office consists of:
a. Chamber Office Secretary
b. Assistant Chamber Office Secretary
c. Part Time Mailing Assistant
d. Part Time Amah.
They are responsible for the day-to-day management of the Chamber Office while assisting the National President and National Secretary General on general administrative matters. More often, they are requested to provide clerical support to some NOM officers. Due to nature of the job itself and the high demand from the market, retention of either paid or part time staff has always been a difficult task for the administrator.

Nevertheless, we have managed to recruit a competent candidate in early February to fill the post of Chamber Office Secretary. Whereas at the time of writing, we are seeking for a replacement of the Assistant Chamber Office Secretary who has resigned in early September. Certainly, a well-equipped and automated office together with more comeptent full time staff will definitely ease the constraint and impose an impression of a professional office.

1.2. Main Exit Door: In July, we were requested by the Fire Service Department to either re-instate the glass door or to install a normal fire resistance door as entrance to the Chamber office. Upon approval of the Board and consultation with the Fire Service Department, the existing entrance door was installed with support from Senator Peter Lo, 1992 Chairman of I.A. Dept.

1.3. Equipment: Appeals of sponsorship for office equipment have been made during various Board Meetings. Donation of a video recorder in June by K.M.Ip, Past President of Dragon Jaycees, maximises the utilization of the TV set (donated by Queensway Jaycees in 1991) since its installation in January. 1992 Board Members also took the initiative by making a cash contribution to the Chamber Office for the purchase of office appliances. Nonetheless, more contribution is needed, whether in kind or in cash, to equip for an automated office.

1.4. JC Library: With much effort put in by Records & Recognition Director, this library equipped with useful JC materials is now open to all members during office hours.

1.5. Photo Display Board: Although small in size, the pictures submitted by NOM or LOM officers relay the joy and enthusiasm of members in their participation of NOM or LOM activities.

1.6. Stationery, JC Supplies & Name Card:

a. Stationery: Stationery has been updated and sufficient amount has been printed for 1992 NOM officers' use with size of the computer envelope modified.

b. JC Supplies: The existing stock of supplies is enriched with a new order of men and ladies' watches. Moreover, new sets of Thank You Card has been printed.

c. Name Card: Format and layout of all NOM officers' name cards were printed with photos and replenished upon requests.

1.7. LOM Efficiency Index: As suggested by NP Senator Eddy and inspired by JCI's 100% Efficiency Index, a special software has been written to record the degree of cooperation and rate of participation of all LOMs as well as NOM officers in response to NOM's functions, requests & activities.

1.8. Computer: The capacity of the existing AST computer has been doubled. New software for membership data can, thus, be re-written to accommodate more information of individual members in which the updating process is simplified.

1.9. Form X and Memorandum & Articles of Assoication:
a. Form X: This has been filed with the Company Registry.
b. Memorandum & Articles of Association: An ad hoc committee has been set up with NIPP Senator Daniel Cham as Chairman to handle the amendments of the existing M&AA for the adoption by the General Assembly.

1.10. Mailing charge: Basically the charges are the same as 1991 with slight modification. What's more is, upon adoption at the June Board Meeting, the mailing of promotional circulars other than NOM/LOMs project activities from outside entities upon screening by NSG and/or ExCom/Board is permitted with a charge of HK$3,000 per one A4 size. This serves as a means of raising fund for the NOM's administration in the long run.

1.11 Electricity Timer: To be cost effective, an automatic timer control switch has been installed to avoid over-consumption of electricity after 11:00pm

1.12. Meeting Rooms: The three meeting rooms have been fully utilized by LOMs with a pre-set roster and reservation procedure set up early this year.

1.13. Correspondence: Apart from assisting the National President on some of his outgoing correspondences, I also liaised with JCI Officers on other administrative matters and upon requests of JCI messages by LOMs.

2. Meetings

2.1. NOM Executive Committee Meeting: This is held on the first Monday of each calendar month unless otherwise stated and attended by all members of the Executive Committee.

2.2. NOM Board of Directors Meeting: This is held on the third Monday of each calendar month and attended by all Board members with the exception of January, April, July, September and December in which all LOM Presidents are invited to these Joint Board of Directors Meetings to report progress of their LOMs.

2.3. Extraordinary General Meeting: One meeting was held in January 18 to adopt the:
a. Chinese version of 1992 Major Emphasis Theme,
b. 1992 Policy Manual.

2.4. Joint Secretaries' Meeting:

a. January 19, 1992: It was held to promote coordination amongst LOMs/NOM administration. Information of NOM Directory and LOMs planned activities were exchanged. JC Helen Yu was invited as speaker to brief on the role and responsibility of a secretary in a voluntary organisation.

b. June 8, 1992: Senator Paul Chan was invited as speaker of this meeting with the objective of assisting LOMs to prepare for a well-organised Annual General Meeting.

c. November 30, 1992: This 3rd Joint Secretaries' meeting is scheduled to be held with an objective of sharing experience and expertise with the in-coming LOM secretaries in their LOMs' administrative work.

3. Agenda & Minutes

3.1. Agenda: Format of the agenda was slightly altered since May with discussion items being dealt with prior to the Directors' reports so as to avoid lengthy reporting time.

3.2. Minutes: Minutes of the ExCom and Board Meetings were prepared and despatched to parties concerned well in advance of the next meeting.

4. Policy Manual, NOM Directory and LOM Membership List

4.1. Policy Manual: This had been updated, adopted and inserted in the NOM directory and distributed to all concerned in January.

4.2. NOM Directory: This had been distributed to all concerned on January 18, 1992 with occasional update of correspondence contact information of NOM officers and LOM Presidents sent separately.

4.3. LOM Membership List: This list is sent and collected quarterly for the purpose of updated information of LOMs' individual members and the calculation of membership dues.

B. Records & Recognition

1. Appointment: JC Monita Wong of Ocean Jaycees has been appointed as Director with JCs Queenie Chan and Tenny Yeung, both from Ocean Jaycees, as officers. Under R&R Director Monita's close supervision, the officers have performed their duties efficiently and satisfactorily.

2. Award Manual: The Award Manual of HKJC had been updated and adopted during February Board Meeting which had been despatched accordingly. The Award Manuals of JCI Area B Conference and JCI World Congress had been distributed to all NOM officers and LOM Presidents upon receipt.

3. Joint Directors' Meeting: Three meetings had been held on January 19, February 22 and June 26 respectively.

4. Seminar: Two bid-book seminars had been held on April 9 and August 1, respectively. The Award Judging Seminar will be held on September 28.

5. Award Judges/Session: With the continuous follow-up work of R&R Director, we have selected 17 JC members, one from each LOM, to sit in the Award Judging Panel for the 27th National Convention. They are also requested to attend the Award Juding Seminar to be eligible as one of the Award Judges in order to perform their duties better.

C. 1992 National Convention

1. Hosting Chapter: Peninsula Jaycees was granted the hosting right of the 27th National Convention which will be held from October 16 to 18, 1992, at the Hong Kong Convention & Exhibition Centre and Island Shangrila Hotel.

2. Theme: "Media - Towards a New Era" has been adopted.

3. Guest of Honour: Mr Brian T.H. Chau, Secretary for Trade and Industry, has been invited as Guest of Honour of the Opening Ceremony.

I am confident that under the capable leadership of Convention Director Senator Wallace Yuen with his team of well-experienced and competent organising committee members, all participants will benefit and enjoy this 27th National Convention.

D. Special Assignments & Others

1. Speaker: I was invited to speak on the "Rules & Regulation" in the preparation of bid book at the NOM Bid-Book Seminar held on April 9, 1992.

2. JCI Training Institute PRIME Course: I was nominated as one of the candidates from HKJC to attend the Kitakyushu PRIME Course held during the Area B Conference on May 21-22, and was successfully graduated as one of the JCI Certified Trainers.

3. Award Judge: I have been nominated to be one of the Award Judges at the 1992 Miami World Congress.

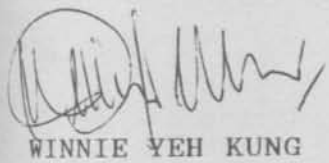

E. Conclusion

Being the National Secretary General this year has certainly strengthened my JC experience from a higher perspective. My involvement with this organisation has always provided me with opportunities to broaden my view and improve myself through various encounters.

Taking this opportunity, I would like to extend my heartfelt gratitude to National President Senator Eddy Wong for inviting me as member of his cabinet. It is with his faith and support that I have continuously strived myself onwards through numerous sleepless nights. I must also admit that I am fortunate enough to have a responsible and highly competent Director, JC Monita Wong working with me. With her dedication, she and her officers Tenny Yeung and Queenie Chan have certainly performed their duties excellently and achieved the objectives with flying colours.

To all NOM officers; LOM Presidents and members in particular, my mother chapter, Hong Kong Jayceettes; and aboveall, my supervisor National General Legal Counsel, Rosa, my sincere thanks for their support and cooperative response to NOM's administrative requests which in turn has eased my task. Obviously, the hard working attitude of Chamber Office Secretary, Fanny Lai, contributes greatly to the smooth running of the daily administration. I realize that there is still room for improvement and I am willing to accept ideas and constructive opinions to make the rest of my term of office more fruitful and meaningful.

Lastly, I would like to extend my best regards to the incoming National Board and the 1993 Hong Kong World Congress Organising Committee for a successful year of achievements to the history of Hong Kong Junior Chamber of Commerce.

HONG KONG JUNIOR CHAMBER OF COMMERCE

27th National Convention
16-18 October 1992

Report from National Training Director Justin Lui

1. Foreword

It is my great honour to be appointed as the National Training Director for 1992. My responsibilities are to implement all projects and related matters under the supervision of NEVP Ivy so as to ensure that the objectives regarding training and development as stipulated in the 1992 Plan of Action be accomplished.

I am pleased to report to the General Assembly the work accomplished by the Training commission so far and that to be done in the remaining months of the year as follows.

2. LOM Officers' Training School

Being designed for all the 1992 NOM and LOM officers to receive training and briefing on LOM Management and Leadership Development, the LOM Officers' Training School was held on January 19, 1992 with an attendance of 198. Mr. Tam Wing Kun, District Governor 1990-91 of Lions Clubs International District 303 H.K. & Macau, and Past National President Senator Junia Ho were invited to speak on the topics "Roles of officers in a voluntary organization" and "Obligations & opportunities of an officer in Jaycees" respectively. The project chairman was Jaycee Carol Liu.

3. In Search of Excellence

In order to provide training of advanced level to NOM officers and LOM presidents, the "In Search of Excellence" program was launched.

Part I of the program was held on May 2 with Past National President Senator Junia Ho speaking on the two topics "Role of an officer: Be mentally prepared and ready to physically practise" and "Time management and conflict management". There was a total of 24 attendees.

Part II was scheduled on November 28-29 pending further arrangements.

4. Training sessions conducted by JCI VP Senator Crispin Dy

Two training sessions with NOM/LOM visioning and strategic planning as themes were conducted on May 10 by JCI VP Senator Crispin Dy during his official visit to Hong Kong in May.

The morning session was for NOM board members with 10 officers attending whereas the afternoon session was for both NOM and LOM board members with an attendance of 33.

5. Go for your best, Head for success

I was involved in organizing the training seminar "Go for your best, Head for success" that was launched (on July 25) for membership extension, public relations and training purposes. Being the Training Manual Consultant, I gave advices and support to the organizing committee member who was responsible for the compilation of the training manual. The project chairman was NVP George Lung.

6. Vanguard Leaders Program

It was the first time Vanguard Leaders Program was ever conducted in Hong Kong. The program provided participants with valuable information that would assist them in adopting the behaviour of successful leaders. Senator Peter Sim, Fellow of JCI Training Institute, conducted the two sessions of the program on July 25-26. Invitation of attendance was extended to Macau Jayceees and the Social Work Group of Caritas, Hong Kong.

Session One (held on July 25) was mainly for local trainers, whereas Session two (held on the following day) was for general members. Both sessions were well attended with 17 attendees for Sesssion One and 36 for Session Two. The project chairman was Jaycee Heidi Tam.

7. Gearing up, Reaching Top!

The 2 day - 1 night training workshop "Gearing up, Reaching Top!" was organized on August 8-9 with an aim to provide high quality training to potential leaders who will serve our organization in the future. The program was designed in accordance with our four basic areas of opportunities. The selected topics and speakers were summarized below.

	Coach		Topic
a)	NEVP Senator Ronald Ho	-	Self planning and goal setting
b)	Mr. Ronnie Ng	-	Leading and motivating
c)	TDC Chairman Jaycee Bassanio So	-	Strategic planning and visioning for local Jaycees
d)	NP Senator Eddy Wong	-	Identification of problems of local Jaycees and search of solutions
e)	Mr. Frederick Lai	-	Social concern/awareness and search of community services project ideas
f)	GLC Jaycee Rosa Chan	-	Jaycee and government/media relationship
g)	BNC Chairman Jaycee Davis Kwong	-	Connection and co-operation with Jaycees of other countries and other organizations

A total of 64 members attended the workshop. The project chairman was Jaycee S.K. Lai.

8. "Leadership and World Peace" Training Seminar

This training seminar was scheduled on September 10 for general members with Mr. Michael Furst talking on the emergence of a global community, global problems and global solutions and the leadership qualities for a global community.

9. National Training Seminars hosted by LOMs

As an on-going effort to ensure that essential and basic training be available to prospective members and members, thirteen National Training Seminars as detailed in Table 1 were scheduled in 1992. Nine of them were completed so far. The advantages of so doing could be summarized as follows.

a) Same basic trainings could be provided to members;
b) Essential courses that are commonly neglected by some LOMs are offered; and
c) Resources (namely time, money, manpower and trainers) could be economically and fully utilized.

These seminars are of two levels - elementary and intermediate. The former level targets at prospective members and junior members whereas the latter targets at members. Topics selected range from those of specific Jaycee knowledge basically required by all members to those of management and leadership techniques and of personal growth which are not only applicable to Jaycees but also to the members' personal and professional endeavours.

A total of twelve chapters are involved in (co-)hosting these thirteen seminars. This reflects the general support from LOMs on the idea of having NOM training projects to be hosted by LOMs. The nine seminars completed so far were all well attended with an average attendance of 48 per event.

Besides, these seminars provided extra coaching practices to local trainers (namely the JCI Certified Member Trainers and JCI Associate Member Trainers). When these trainers become more experienced, they form a strong team of trainers that could serve our organization and the community better.

10. Joint Training/Leadership Development Directors' Meetings

In order to co-ordinate LOM training activities, assist LOM leadership development directors to carry out their duties and to facilitate the exchange of information, experience and views among NOM and LOMs, four Joint Directors' Meetings were scheduled for the year of 1992.

The first two meetings were held on January 19 and March 30 respectively. The first meeting was mainly for information exchange with the National Training Director and LOM directors reported on their year plans and the corresponding objectives. Besides information exchange, the establishment of Training and Development Committee, the necessity and the means of identification of training needs for LOMs, the use of the best project formats and evaluation on the first four National Training Seminars were covered in the second meeting.

The third and the fourth meeting will be held on September 21 and November 9 respectively. Senior Jaycee members would be invited to speak on training related subjects and further feedback on this year's NOM training projects would be collected for the use of the Training and Development Committee for evaluation purposes.

11. Training and Development Committee

The Training and Development Committee (TDC) was established in April 1992. The 1992 TDC contains the following members.

Jaycee Bassanio So	-	Chairman
Senator Caroline Keung	)	
Senator Paul Chan	)-	Members
Jaycee David Li	)	
Jaycee Justin Lui	-	Ex-officio
Senator Elaine Cheung	-	Secretary

As the ex-officio of the TDC, I am responsible for the liaison between TDC and NOM Board and for the implementation of the decision of the TDC. The TDC met four times so far this year.

A full report on the objectives of TDC, its structure, its activities in 1992, its suggestion on the training mission of Hong Kong Junior Chamber of Commerce and the recommendations on the training strategies have been submitted by the TDC Chairman Jaycee Bassanio So to the General Assembly.

12. Others

a) I acted as a facilitator of the 4th National Training Seminar "Motivation and delegation" on March 26.
b) I talked on "Chairmanship" on April 23 during a LD/ME gathering of Harbour Jaycees.
c) I talked on "Plan a bid-book as you plan a project" on June 20 during the second Joint R&R Directors' Meeting.
d) I will talk on "Time management" for Peninsula Jaycees in the coming November.

13. Review and Recommendation

Closely following the 1992 Plan of Action, the Training commission have accomplished the following tasks:

a) we have organized a series of training projects that cover useful topics for our members;
b) we have been stressing on the importance of providing basic training to our members; and
c) we have established the Training and Development Committee that would establish the long and short term goals of HKJCC's training and development.

With regards item a), we must admit that we could improve on the project qualities. The TDC would objectively evaluate this year's training program and subsequently give its views and suggestions to us for future improvement.

The merits of the "National Training Seminars" could only be conceived after successive implementation over years. I would therefore suggest to the incoming Board that programs of similar nature be continued in 1993. I strongly believe that our member quality could be enhanced with such continuous effort.

14. Acknowledgement

1992 is a busy and fruitful year for me. My views on training and other areas have been broadened. I treasure very much the training opportunities that have been given to me. Taking this opportunity, I would like to express my appreciation to the followings:

a) the LOM presidents, LD directors and the respective vice presidents for their tremendous support and co-operation throughout the year;
b) the dedicated project chairpersons and their hardworking organizing committee members for their well done jobs;
c) the Training and Development Committee and NOM Board members for their useful ideas and suggestions;
d) my supervising officer NEVP Ivy for her valuable advice, motivation and readily available support; and
e) our NP Senator Eddy for his guidance and encouragement.

Lastly, my best wishes to the incoming National Board for a successful 1993.

2.2 A courtesy visit was paid to Mr Michael Sze Cho-cheung, Secretary for Constitutional Affairs on Jan 16 to enquire about the scheduled activities of the Government in respect of the area "Civic Involvement". The meeting was attended by NP, NIPP, Area Advisor Senator Junia Ho, NEVP Ronald Ho, NEVP Ivy Tam and myself.

2.3 Another courtesy visit was arranged with Mrs Anson Chan, Secretary for Economic Services on Mar 31 to hear about the Government views on "Economic Development". However, due to other urgent commitment, she had sent Mr Tang Kwong-yiu, Government Economist as her representative to the meeting which was attended by NEVP Ronald Ho, NPD Yu Ching-hoi and myself.

2.4 To echo with this year's MET, NOM had originally planned to organise the "World Trade Game" as this year's theme project which is a prestigious game used to be played at World Congresses. However, after getting sufficient informations regarding this game, it was decided to postpone this project till 1993 after more expertise could be gained during

this year's World Congress.

2.5 Accordingly, it was decided at the 3rd Joint Directors meeting that NOM would organise a Community Project with the participation of the 17 LOMs. This project, "Direct Election - Speak up" would match the Sub-theme "Civic Involvement" and would take the form of a seminar and a survey which would be launched from October to December. 4. COMMUNITY CONCERN GROUP & ADVISORY COMMITTEE ON CURRENT AFFAIRS

4.1 It was decided at the beginning of the year to set up a Community Concern Group comprised of at least one member from each of the 17 LOMs. The group's role was to discuss current social issues in Hong Kong, with an attempt to conclude joint findings, with the aim to highlight the issues to members and to encourage concern for the society. Action would be taken by the Community Concern Group in the form of discussions, interviews, open forum etc. Once findings are compiled, they would be forwarded to the Advisory Committee on Current Affairs, revised and submitted to the HKJCC's Board of Directors for consideration to broadcast or recommend to the Government if necessary.

4.2 The members of Advisory Committee on Current Affairs in 1992 comprised of PNP Senator Peter P K Ng, PNP Senator Junia Ho, Senator Justein Wong and Mr Chan Ying-lun.

4.3 The 1st and 2nd Community Concern Group meetings were held on Mar 3 and Mar 17 respectively to consider and give comments on the Consultative Document on the Draft Charter for Youth. Comments gathered were summarized and recommendations were drawn up which were then presented to the LOM Presidents and members of Advisory Committee on Current Affairs for consideration and comment. After adoption by NOM Board and LOM Presidents, the finalized recommendations were sent to the Commission on Youth at the end of April.

4.4 The 3rd Community Concern Group meeting was held on July 11. A talk on "Crime in Hong Kong" was given by Senator Justein Wong who also led members in the open forum followed.

4.5 The 4th Community Concern Group meeting would be held on Sep 29 to consider the long term development of the group after this year's experience. A guest speaker would probably be invited.

4.6 The 5th Community Concern Group meeting was planned to be held at year end.

5. OTHER ASSIGNMENTS

5.1 HKJCC received an invitation from Oxfam to participate in the Carnival of Working Partners Campaign which was held on Mar 1. The participation was in the form of designing and manning a game booth on the event day. This project was subsequently organised by Ocean Jaycees on behalf of HKJCC.

5.2 At the request of Japan Junior Chamber, action plans on JCI Sub-themes : economic development, the environment and the future of children were drawn up and sent to Japan for the "Age of Global Citizenship" submit and workshop which was held during the ASPAC Conference.

5.3 With the assistance of NCO Petrula Wong, year plans and contact lists of the community area of the 17 LOMs were drawn up and distributed to members concerned at the beginning of the year. The revised year plans were again sent to the LOM Presidents at end-August.

5.4 HKJCC received an invitation from Hong Kong HOBY (Hugh O'Brian Youth Foundation) Alumni to co-organise a project with them. The aim of the project was to select two F. 4 students to represent Hong Kong for attending the annual training seminar in USA in July 1993 and the project would take the form of a training camp to be organised during the Easter holidays in 1993. NOM had decided that this project would be hosted by a LOM through a bidding

process.

6. CONCLUSION

I would like to express my sincere thanks to National President Senator Eddy and NEVP Ronald for giving me the opportunity to serve the National Board this year as the Community Director and for their guidance throughout the year. My heartfelt gratitude must go to my area advisor PNP Senator Junia Ho for her valuable advices, my officer Petrula Wong for her ongoing assistance, to theme project chairman Daisy Lui for her hardwork and to my mother chapter, Hong Kong Jayceettes for her continuous support. Throughout the past 2 years, in my personal opinion, there could have been improvements in many aspects especially in membership growth and the changing role played by the Dept. Financially, National should reserve some budget for the development of the Dept. and trainings should be provided to Dept members.

In conclusion, I must thank NEVP Ronald for his guidance and advice. Many thanks to my most dedicated and enthusiastic I.A. Management Committee & all IA Members. For without their effort and dedication, our targets could not easily be met. I would also like to express my gratitude to the energetic and dedicated Project Chairman Rosana Chu, Ceclia Aw, Valentina Wong, Carol Yin and Thomas Li.

HONG KONG JUNIOR CHAMBER OF COMMERCE

27th National Convention
16-18 October 1992

REPORT FROM CHAIRMAN, TRAINING AND DEVELOPMENT COMMITTEE

INTRODUCTION

Training is an integral part of the Junior Chamber development process. It is a powerful tool for HKJCC and its 17 LOMs to attract, develop and retain members, and should be utilized to capacity at every opportunity.

2. For many years, HKJCC has been grappling with a number of training issues. what are the training needs of members, and how should these needs be satisfied? What kind of resources do HKJCC and LOMs need, and how do we develop those resources? What is the best way to activate member trainers? How are accomplishments in training and development recognized? In summary, there seems to be a lack of clear direction for training and development of HKJCC members. This is reflected in both NOM's and LOMs' levels.

3. In April 1991, the then National President appointed an Ad Hoc Committee to examine issues relating to HKJCC's training programmes with a view to setting up a permanent Training Department at NOM's level. The Ad Hoc Committee presented its repot to the National Assembly at the 26th National Convention held in October 1991. It proposed, inter alia, that an independent committee, the HKJCC Training and Development Committee (TDC), be established under NOM's administration to look after future development of HKJCC's training policies. The report was adopted (with amendments to the term of office of TDC members) at the December Joint Board Meeting of the HKJCC.

THE TRAINING AND DEVELOPMENT COMMITTEE

4. On April 1992, the HKJCC EXCOM adopted the proposals made by Jaycee Bassanio So on the establishment of the TDC in 1992. The following persons was subsequently appointed as members of the TDC in the year 1992 -

Bassanio So	-	Chairman
Senator Caroline Keung)		
Senator Paul Chan)	-	Members
David Li)		
Justin Lui	-	Ex-officio
Senator Elaine Cheung	-	Secretary

The organisation and division of work of the members are set out at Annex.

5. The following persons were also appointed as sub-committee members -

Maisy Chan	-	Trainers' Circle
Peggy Yen	-	Trainers' Circle
Lai Sin Kung	-	Secretariat

6. The objectives of the TDC are -

(a) to establish the long-term (3-year) training objectives of the HKJCC;

(b) to establish short-term (1-year) plans to achieve the long term goals; and

(c) to implement the 1st year plan, which includes -

(i) establishing the Trainers' Circle and promoting the trainers to all LOMs;

(ii) monitoring and co-ordinating the coaching work of the trainers, and training the trainers;

(iii) reviewing NOM's training programmes and making recommendations on improvements;

(iv) devising a guideline on training requirements of NOM officers, LOM officers and members;

(v) developing new training programmes; and

(vi) developing a data bank storing information on training matters.

TDC'S ACTIVITIES IN 1992

Committee Meetings

7. The Committee met on 24 April, 11 June, 3 July, 7 August, and 18 September 1992. The following issues were discussed -

(a) HKJCC's training mission, strategies and plans;

(b) trainers' circle;

(c) recognition of trainers;

(d) monitoring system on trainers;

(e) development of quality programs in HKJCC, in particular the Vanguard Leaders Course;

(f) qualification requirements for officer posts and eligibility for PRIME, EXCEL, and OMNI; and

(g) grading of HKJCC's training programmes and the feasibility of a member training and development log book.

Trainers' Circle

8. The Trainers' Circle was set up in May. Jaycees who had attended any JCI or local training for trainers courses, e.g. JCI TROT, HKJCC TROT, APDC Advanced TROT, PRIME, or EXCEL were invited to participate. The Trainers' Circle list now contains 40 trainers.

9. The 1st Trainers' Circle Gathering (TCG) was held on 30 June at Whole World Restaurant. At total of 27 trainers and presidents participated. They were briefed on the formation of the TDC and the Trainers' Circle. This was followed by group discussion on training and development in the HKJCC.

10. The 2nd TCG was conducted on 25 July at YMCA in the form of a training for trainers session regarding the JCI Programme "Vanguard Leaders". Senator Peter Sim, Fellow of JCI Training Institute, was invited as coach. A total of 17 members learnt the techniques to present this unique programme.

11. The 3rd TCG will be a "Trainers' Circle Programme" to be held during the National Convention on 17 October. The theme of the Programme will be "Training Presentation in a Lively Way".

Programme Review

12. The TDC reviewed all the NOM's training programmes in 1992. The following conclusions were drawn -

(a) members are willing to pay a higher price for training provided that the quality of the programme is good;

(b) participants benefits more from training programmes that include games and other activities;

(c) inhouse speakers are no less competent than outside speakers. In some Jaycee specific topics, outside speakers often fail to deliver relevant information.

13. The TDC also discussed the performance of the NOM's training programme "Go for your best, head for success". The TDC considered that this programme has been very successful in enhancing HKJCC's image as a leadership development organisation. Similar programmes should be arranged annually, probably in association with the Jaycee Week.

Programme Development

14. In association with the NOM, the TDC pilot-launched the JCI Programme "Vanguard Leaders" on 26 July 1992. 36 Jaycees participated in the course. Initial feedback from the participants showed that the Programme was an excellent training programme and should be repeated to allow more Jaycee members to benefit from it.

Training Information Data Bank

15. The TDC has recommended a budget of $25,000 for the purchase of a computer system, which include a 386 PC and a laser-jet printer. The system will be used to store information pertaining to trainers and training materials. The TDC is now developing the data bank, with the assistance of a part-time programmer.

RECOMMENDATIONS

HKJCC's Training and Development Strategies

The Training Mission

16. The Training Mission of the HKJCC should be -

> "To provide systematic, experiential and as far as possible contemporary training activities to all members in order to develop and prepare them to undertake responsibilities within their community according to the JCI principles of leadership development to create positive change."

Training Strategies

Training Programmes

17. Training programmes should be standardized and graded to provide guidelines for both trainers and participants. It is recommended that a Standardization Sub-Committee be set up under the TDC to undertake the task of standardization. Syllabus of standardized programmes will be published in the form of a booklet to assist trainers to prepare for the training courses.

18. Existing programmes should be re-packaged, where necessary, to make it more appealing and interesting to the participants. This will not only ensure a higher attendance rate, but also increase the image of the HKJCC as its programmes become more attractive.

19. The NOM should implement in due course a certification scheme to recognise the training programmes organised by LOMs in accordance with the standardized programme syllabus. This should be done in conjunction with a member's training log-book and a mandatory training requirements for NOM and, if possible, LOM officers.

Trainers

20. Trainers should be given more recognition. The TDC has recommended that qualified trainers of the Trainers' Circle can wear a specially designed trainer's overcoat to identify their status. It is also recommended that the term "Qualified Trainer" can be placed in the namecard of qualified trainers. Moreover, a Trainers' Circle Programme should be organised in national conventions each year, the costs of venue and logistics should be borne by the organising chapter. Trainers who have subscribed to the convention need not pay to participate in the event.

21. A detailed trainers' monitoring system and recognition scheme should be devised to motivate and assess the performance of trainers.

Improving HKJCC's Image in Leadership Development

22. Quality training programmes should be organised for the public in order to enhance HKJCC's image in leadership development. The TDC recommends that the JCI programme "Vanguard Leaders" should be organised for other voluntary organisations, e.g. the Scouts. In addition to image promotion, this will also provide ample training opportunities for trainers.

23. Programmes similar to "Go for your best, head for success" should be organised annually in conjunction with the Jaycee Week.

WAY FORWARD

24. The TDC will continue its work and will present to the Joint Board Meeting in December a detailed year plan for 1993-5.

ACKNOWLEDGMENT

25. I like to thank the members of the TDC for their efforts during the past few months. I also wish to extend my warmest gratitude to NEVP Ivy for her support to the Committee.

Report From President of Kowloon Jaycees

I) Forward

1992 is another fruitful year and rewarding year for Kowloon Jaycees. At the beginning of the year, we have decided to put Membership Extension as the major emphasis this year. Throughout the year, new comers and prospective members are encouraged to participate in our functions, or to be more active, become an organising committee member for these functions. Meanwhile, we have several outgoing projects in this year. Besides, we have carried out a fund raising project.
Conclusively speaking, we hope to see there will be a substantial strengthening in the membership at the end of this year while a healthy financial status has already been ensured. By next year, we have confidence that Kowloon Jaycees will be well equipped for World Congress 1993.

8/ ACKNOWLEDGEMENT

To lead a Chapter is not an easy task because I ought to communicate, to co-ordinate and to interact with all members especially my board members. However, it can provide with me more chances to know each member's personality, strengths and weaknesses as to set strategies to motivate them and contribute towards the Chapter. Notwithstanding, the success of a chapter relies not only on the leadership style of the President, but also the hard-working and devoted members' efforts.

Taking this opportunity, I would like to send my sincere thanks to the dedicated Board of Directors, the Project Chairmen, the Organizing Committee Members and all active Islanders for their support and contribution throughout the year.

Further, I ought to send my appreciation to my Immediate Past President Kamson Lam for his enduring support, guidance and valuable advice.

十二) 結語：

「凝聚群力，奮發半島精神；跨越國界，推展青商領域」，爲半島本年度之目標和口號。年初亦從中訂定重點組別，各項大型工作計劃及全年各組目標，經過八個月來的推行，亦略見成果。爲迎接九三香港世界大會的來臨，半島集中在招攬人手，鞏固關係及培養人才的事工上。在會員擴展方面，我們現正朝著180會員的目標邁進。公共關係組的辛勤，大家從工作計劃的增加，亦有目共睹，今年除能在會內及分會間維繫良好關係外，對外的公關工作亦逐步展開。而海外姊妹會間的頻密聯絡及會友對國際事務活動的高度參予更是難得。對訓練會員及保持會員間的溝通工作上，領袖才能組更率先編印「領導傳眞」使會友能定期收到珍貴的參考資料。聯誼事務組亦不甘後人，定期籌辦活動來增進情誼，提高凝聚力，亦使會友在繁忙的工作外，有輕鬆和減壓的機會。大型工作計劃方面，有籌備已久的「醫療新紀元」，預料將牽起香港市民對醫療服務的關注的熱潮。「傑出青年創業家選舉」亦成功地選出香港年青一代的創業家，同時亦能披露他們的艱辛創業經歷，以供有志之士參考及鼓勵。會中活動資料傳眞等工作，就由默默耕耘的出版事務組辛勤地爲我們首次編印六期的「快箭」。而在五月份舉行之北九州亞洲大會中爲半島奪得「亞太區最傑出分會優異獎」的，便是日以繼夜廢寢忘餐地製作競投冊的紀錄及獎勵組。

在管理上，盡量增加透明度和加强檢討工作，所以在董事局中設立季度性的檢討，進行有系統的傳達渠道，以推行會務，而在七月所舉行的特別會員大會中所增設的執行副會長職位，亦是由不斷的檢討中所獲取的成果。致於董事局成員的訓練亦需要重視，尤在年初當各人對默契上的培養和會務的掌握仍未成熟時，此等訓練及聚會便特別加强。此外，容許本人在此向多位前會長及資深會友們致謝，他們在各項工作計劃中，均擔當了重要的角色，將他們寶貴的經驗，貢獻給會方，這些都值得我們加以表揚的。

最後，本人希望藉此多謝總會會長黃志榮參議員，及總會指派執行委員林筠婷參議員，以及多位總會前會長及各董事局成員，在渡過了的日子中，所給予的意見，所分享的經驗，和你們的指導，使本人在推行會務上得到支持和啓示，在此，本人致以衷心謝意。

4.4 Overall Financial Situation – Most projects are self-financed. All areas are able to control their expenditure well within the allocated area budget. A time deposit is maintained to earn accumulated interest for the chapter. The overall financial situation is sound and healthy.

5. PROJECTS AND ACTIVITIES

75 projects and activities are planned in various areas. Up till end of August, 55 of them have been successfully carried out. It indicates excellent progress towards our year plan.

5.1 Administrative Area

5.1.1 Function

Interest groups "Ribbon Flower Making Course" in January, the "Elementary Japanese Course" in March, the "Karaoke Singing Course" from April to May and the "Tennis Course" and "Karaoke Gathering" in August, were held to develop various interests of members. Two more functions are planned till end of the year.

5.1.2 Membership Involvement

A survey of members' need was compiled by end of 1991 with 51% response rate. Detailed survey results are kept by respective areas for strategy and project planning.

Special efforts are put to invite the busy members to get involved in projects and we succeed in having an average of 70% of members involvement in board position and/or projects committee.

Coupons for MFG are sent to birthday girls to promote the attendance of MFG as well as instilling a sense of belonging among members.

5.1.3 Records and Recognition

Nine internal and five incentive awards were adopted at February's board meetings.

A Senatorship Screening was held in April and two nominations were recommended.

"Bidbook Seminar" and "Bidbook Showcase" were organized in April and in June respectively. These seminars were opened to all Jaycees members aiming to maintain the good standard of compiling bidbooks.

5.2 Communications Area

5.2.1 International Affairs

This year, we put much emphasis on Internationalism. A big delegation of fifteen Jayceettes attended the JCI ASPAC Conference held in Kitakyushu, Japan in May 1992. It was expected ten Jayceettes will attend the Miami World Congress. It will be the largest no. for our chapter's participation in Conference & Congress.

As the Permanent Secretariat of Asia Pacific Lady LOM Council (APLLC), we had successfully assisted the Orchid Jaycees of Singapore to chair the APLLC meeting. All the 8 council members attended and we adopted to accept the Tainan Ladies Junior Chamber from R.O.C. as new Council member.

Relationship with sister chapters were well maintained, too. President David Oji, and members of Yokohama Junior Chamber visited us in March. IA project "Young Jaycees Ambassador Exchange Program" was a joint project with Kaohsiung Jaycees and it is also the joint project with sister chapter since 1981. Not only the Young Jaycee Ambassadors have an opportunity for cultural exchange, we,sister chapters,are able to foster friendship and exchange Jaycees experience. For Manila Jaycees & Dhonburi Jaycees, we exchange publication and greeting regularly to enhance friendship.

Anniversary under the theme of "Internationalism" was planned to launch in October. Delegates from sister chapters would be invited to come.

5.2.2 Publications

This year, our official publication remains to be issued on a monthly basis. April Bumper Issue with the theme "Internationalism" was printed and widely distributed during ASPAC Conference. September Bumper Issue is planned. Most encouraging of all, our "Snapshots" has won the "Best LOM Publication Award" at the Kitakyushu Conference.

5.2.3 Public Relations

The prominent PR project "Foreigners Speaking Putonghua Competition" would be held for the fourth consecutive year. This year, we obtain the generous sponsorship from Star TV and was able to extend the scope of prelimary rounds outside Hong Kong. It is certain that we will get excellent publicity for our chapter through this project locally and internationally.

A press supplement is planned to be published in October 1992 to commemorate our 23rd Anniversary.

5.3 Community Area

5.3.1 Community Development

The "Jayceettes Ambassador Courtesy Visits" bring love and care to the under-privileged. This year, we have visited Cheshine Home and Kowloon Home for the Aged Blind. One more visit is planned.

The CD seminar "Step into the Bright Future" has brought the public's attention to the youth suicide problem. Prominent speakers were invited to share their viewpoints. Recommendations to this issue would be documented and circulated the schools and youth centres.This seminar, using the same Chinese name of (明天由我創) is launched to echo with the Y.A. project "News Scrapbook Compilation Contest".

5.3.2 Economic Affairs

In response to NOM's Major Emphasis Theme, "Vision for Hong Kong". We have launched the EA seminar, "Hong Kong Development – Vision or Speculation towards the Property Market" on April 11 with a good record of 200 participants.

Another EA seminar on "Women starting up Business" seminar is planned to launch in Nov.

5.3.3 Youth Activities

This is the third year, we launched the "Read More, Care More" News Scrapbook Compilation Contest. A special gimmick "making the biggest newspaper of Hong Kong" was featured at the award presentation ceremony. It added the publicity of the project and aroused public interest in reading newspaper and concern for our community.

5.4 Membership Development Area

5.4.1 Leadership Development

1992 LOM Officers Training School was held in December 1991 at Chamber Office to provide training for 1992 Board members.

Prominent project "Effective Lady Manager" seminar was successfully held on July 4 with 'full house' participation. Again, it attracted excellent response for membership drive.

An elementary National Training Seminar will be hosted by Hong Kong Jayceetes by end of September, and an intermediate National Training Seminar was held in March.

A joint LD camp will be held in November with Dragon Jaycees and Shatin Jaycees.

5.4.2 Membership Extension

We have successfully inducted 23 members this year, the membership as at August 31, 1992 is 143. As 6 members have to be deleted due to age limit, we are not able to achieve the target membership growth. Up to now, Eight Prospective Members (PM) projects have been organized. Total 10 PM projects were planned this year which would break the historical record.

5.4.3 Membership Training

Five Orientation and Pre-induction Seminars were launched in January, April, June, July, August. Two more will be organized later this year to provide basic JC training to the prospective members.

11. CONCLUSION AND ACKNOWLEDGEMENT

This year, emphasis was put to develop the international opportunity. The direction is clear and the result is encouraging.While we achieve good results in the area of internationalism, we are also able to maintain a well-balanced program in other three areas.

At the Kitakyushu Conference, I was so excited to receive the award "Most Outstanding LOM of the Asia Pacific" for our chapter. It is indeed one of the highest honour and I would like to share this glory with all my dedicated board of directors, hardworking project chairladies and all devoted Jayceettes.

My heartfelt gratitude goes to my Presidential Advisor Senator Caroline for her encouragement and unfailing support. I would like to thank Hon. Life President Senator Jennifer Yu, all the Past Presidents and Panel of Advisors for their advice and support. Special thanks go to Past President Valerie and Senator Connia for their assistance all along the year.

I would also like to express my sincere thanks to IPP Juliet for inviting me to be her successor, and of course, not forgetting National President Senator Eddy and NAEO George for their assistance and guidance.

On behalf of Hong Kong Jayceettes, I would like to extend our gratitude to our sponsors, especially Mr. T.K. Chu, our Patron and Mr. K.K. Lau, our Hon. Patron for their generousity.

1992 is a earmark of my Jaycee career,

I'm busy but I find it meaningful,
I experience pressure, but I gained unlimited explosure,
I make sacrifices, but I'm satisfied.

In closing, I must thank my working partners, i.e. all the Ex-com members for their understanding and deligent work. Last but not the least, may we wish the incoming President and her Board of Directors a very successful 1993!

在社會發展及青年事務董事的努力下，獲得外間機構之贊助，並為本會帶來八千元之經費。本會亦獲另一商業機構贊助產品義賣，亦為本會帶來逾千元之收益。最重要一點，此等商業贊助有助本會日後加強與外間商業機之聯繫及推廣與提高本會之形象。

三. 三 會員捐助

年內本會獲得多位會員捐助本會會報「獅號」之部份出版經費。

三. 四 綜合財政情況

本年度之大部份工作計劃均能自負盈虧，董事局對各項開支為加以收緊並努力改善財政情況。如無未可預知之支出，本人估計將有部份盈餘傳予下屆董事局。

四. 會員擴展

四. 二 於五月九日主辦總會「第二次青商知識講座」。

四. 三 重新編印會員手冊、本會簡介及入會申請資料

五. 各項工作計劃

五. 一 年內本會曾舉辦多項有關領導才能方面之訓練用以培訓本會各成員。此等包括於一月由本會前任會長余程海先生主講之「工作計劃管理」講座。五月由梁愛梅小姐及張衍初參議員主講「溝通技巧及財政管理」之訓練講座。九月領袖才能訓練營中之訓練講座由梁耀榮先生及陳蓮珠小姐主講。除理論的講座外，董事局均安排會員及準會員參予各項工作以實踐所學，此外，董事局亦派發領導才能及青商方面之撮要，以供各會員參考。

五. 二 社會發展及青年事務

本會年內舉辦一名為「生死抉擇」研討會工作計劃。此工作計劃的目的是有鑑於年來發生多宗自殺個案，並有日漸增加的趨勢，遂舉辦探討自殺各項問題之研討會。由臨床心理學家梁淑賢小姐及撒瑪利亞防止自殺會副主席周婉芬小姐主講。此工作計劃並得到各大傳播媒介採訪及報導。

在年底亦計劃作一些探訪活動如安老院、兒童院、孤兒院及傷殘人士之機構。藉此透過這極具意義的暖流行動給予一點溫情及關懷在社會的一角落。更令會員從而理解社會問題之需要。

五．三　經濟事務

年內本會舉辦一「金融、地產投資講座」之有關經濟方面講座。一位作多方面投資研究及甚具心得之人仕應邀是次講座之講者。

五．四　國際事務

五月間本會七位會員出席於日本北九洲舉行之亞太大會，並於大會期間與台灣三重市及泰國帕加農姊妹會會友相聚。並互相交流會務，從而促進姊妹會間之聯繫。

十一月間於美國邁亞美舉行之世界大會，本會不斷鼓趨會員多加參與。除此之外本會於年內亦多次寄往函件及會內刊物予各姊妹會作為溝通橋樑增強友誼的方法。在亞太大會期間，本會亦與多個日本地區分會取得聯絡，並審視會否發展成為姊妹會的可能。

五．五　出版事務

本年本會出版會報「獅號」，年內將出版二至三期，內容分別介紹會內活動及會員心聲與感受。會報除寄予全港青商外亦寄發予有關之贊助商及本會有聯繫之人仕及機構。另一出版刊物「號外」，「號外」為一期會內刊物於下半年才開始活動，內容是分別訪問多個會員於會務發展上之意見。編印將快完成，於稍後面世。

3. 於十二月主辦青商奧林匹克運動會。
4. 今年為本會創立第二十一週年。本會於十二月份舉辦週年聚餐。

聯合活動的好處不但加強分會之間的聯繫，在工作進行時亦可提供會員之訓練，如溝通的技巧，經驗的交流，合作的精神，友誼的珍貴，最重要的是個人的一點收益。

藉著奧林匹克運動會工作計劃，除可提供會員訓練機會外，更可提高全港青商的參予性，節目的安排除青商會員外，本會亦設計一些特別項目給青商家庭成員及朋友參加，並邀請外間團體作遊戲嘉賓，從而推廣青商之形象及加強外界對青商之認識。

在前文中已述及本年度本會已獲得兩商業機構的贊助。此舉將有助日後推廣本會與外間商業機構聯繫及推廣本會的一個好開始。

十、結語

今年會務及個人發展方面，雖然年中有個別理事辭職，但得其他理事局成員及會員同心協力，繼續完成年初所訂立之工作計劃，成績尚算理想。今年會員流失頗多；招募會員有燃眉之急，只可提供較多工作計劃培訓新進會友，更盡力挽留舊有會員。

最後本人藉此機會感謝各會友及準會友對本人及會方的鼎力支持，以及對會務之熱誠及投入，使本年度所訂立之工作計劃能貫徹實行，達到所訂立之目標。

2. International

The International Commission had attained remarkable achievements this year.

2.1 A welcoming reception dinner had been organised for the 7 delegates including the President and Directors of Hakodate Jaycees from Japan on 13rd April 1992. This was the first time we established relationship with the Japanese Jaycees. The reception dinner attracted more than 30 members to join. Wonderful programmes were organised in that evening and members from both Hakodate Jaycees and East Kowloon Jaycees were very happy to share with each other the Jaycees movement in Japan and Hong Kong.

Both Chapters had shown the intention to further enhance their mutual relationship in the future.

2.2 We had achieved a record-breaking number of delegates to the ASPAC Conference held in Kitakyushu. 13 EKJC members including myself and 2 observers were motivated to join the Conference.

Our delegates had attended the Opening Ceremony, various meetings, seminars, optional tours, Japan Night, International Nights, etc., in the Conference. Besides, we had also met with President and delegates of both Mandarin Jaycees, our Sister Chapter and Hakodate Jaycees during the Conference period. This greatly broadened our members' scope in internationalism.

除了上述各項職位之外，本會亦積極參與總會各項工作計劃，使本會會員獲得更多訓練之機會。

（乙）分會方面：

本會與各分會關係頗融洽，弍月份與女青商、半島青商合辦之"翩翩起舞齊齊學"工作計劃完滿結束。同時本會將與紫荊青商在十月份合辦一工作計劃，形式尚商討中。

本會會友亦透過參與分會舉辦之各類工作計劃，與各分會會友進一步認識，增進彼此間友誼。

（五）會務概況：

自接任會長一職後，首要工作是籌募經費，以便應付各工作計劃之推行。首先，得到鄺安利會友答允出任「徐小鳳演唱會—籌款晚會」」主席，於七月十八日完滿結束，為本會籌募得大約二萬元。另得到會務顧問葉鎮鑫參議員穿針引綫下，得到「民信集團有限公司」贊助港幣叁萬捌仟元正用以贊助社會發展組工作計劃「應付罪案齊齊學」之經費。

青年事務組之「中、港、台三地青年文化活動之徵文比賽」亦得到施美德電腦顧問有限公司贊助港幣弍萬元正。

第四屆亞太區兒童大會工作計劃亦同樣得到施美德電腦有限公司獨家贊助港幣叁萬元正。

以上兩項工作計劃得以順利進行，全賴本會會友梁萬倫君之鼎力支持（梁萬倫君為施美德電腦顧問有限公司之董事經理）

本會　在8月25日—28日到上海探訪上海市青年聯合會。

會員擴展方面：由於有十四位會友未履行會員義務繳交本年度會費，被終止其會藉，現會員人數為八十九人，準會員九十人。相信在會員擴展組之努力下，本年度會員人數在年底將可達至壹百人。

領導才能組及經濟事務組：由邱志沖小組主席精心策劃下，「領導才能及經濟事務研討營」在7月4—5日在大潭童軍營舉行，參加人數超過35人，期間，得到東九龍青商前會長陳錫華參議員答允主講"如何成為一個出色領導人才"，及本會前副會長黃茂盛主講"負利率下的一線生機"講座。公共關係組：本組別除了舉辦有關活動外，並在6月28日舉行全港青商卡拉OK比賽，參加者打破以往紀錄，報名者超過壹佰多人。此工作計劃得以成功及順利推行，全賴有一班幹勁冲天的工作小組成員及贊助商嘉誠電業之鼎力支持。

（六）總結

今年由於得到二位青商經驗豐富，事事關心的會務顧問葉鎮鑫參議員及會長顧問易慶初前會長悉心對本人的指導，加上各副會長、秘書長、財務長及各理事協助處理會務，使會務得以順利進行，而各理事及會友熱心及盡責承担各項工作使命，使今年會務有美好、豐收的一年。本人謹此衷心向各會友致謝。同時本人在任期間得到總會委派執行委員長余文星副會長，本會各前會長，創會會長張國斌參議員，永遠名譽會長余振宇參議員在會務及行政上給本人的指導及鼓勵，藉此謹向各位致以萬二分謝意。

另本人謹代表92年理事局全人深感多謝本會各前會長對本年度捐獻各叁仟元，另創會會長張國斌參議員及永遠名譽會長捐獻伍仟元。

(甲)成立「北區義工隊」之探討——為協助本會開拓更多會員，本會正就此事展開研究工作，此項研究計劃已初步獲得「北區中學校長會主席」潘萱蔚議員，及「區域市政局議員」張權 MBE 答允協助，上述義工隊之年齡約為十七至廿一歲。

(乙)概論——承接上屆會長張家康先生之路向，本會今年繼續加強與地區上的聯繫和服務。

聯繫方面，本會除主動拜訪「北區政務處」、北區多位民選議員外，亦不時主動接觸區內各社團首長及各熱心人士，譬如說，本會計劃在年底組團，前往新界禁區，拜訪「沙頭角鄉事委員會」，和「打鼓嶺鄉事委員會」，認期做到相互認識和意見交流，為未來的合作而預作準備。

服務方面，本會今年除在區內先後舉辦過兩個較具規模的工作計劃外，亦決定年尾在「北區公民日」活動中，協辦遊戲攤位，認期加強社區上的服務。

(七)總結

在劉錦明會長顧問的提點下，亦在全體理事局成員和會員的勤奮參與下，今年會務，可用「幹勁衝天」四個字予以形容，而工作計劃的規模和數量，平均較前為大為多。在此，本人謹對每位熱心成員致認最崇高的敬意。

再者，要感謝「總會委派執行委員」庾國慶副會長的積極參與和指導，使會務的推行更見順利，與總會的溝通亦更為有效。

最後，本人謹代表敝會向「北區政務處」、北區多位民選議員、各公司、社團負責人及成員，和各位熱心人士致意，感激他們對本會不斷的關懷和支持，使今年會務，得以順利推動，多謝大家！

『浩氣洋溢結伴行』籌款活動小組主席 ： 何國鈞

5. 本會舉辦週末午間茶聚，藉此使各會員能夠增加溝通機會，分享青商苦與樂和交流日常工作與生活情況。
6. 每月出版浩洋速遞通知各會友香港青年商會及各分會之 工作計劃時間表。 以使各會友能夠出席本會及其他分會之各項節目，增廣見聞。

7. 並經常組織戶外活動， 例如為會友組織參觀香港藝術節節目， 舉辦遊船河活動，唱歌跳舞等等，使本會會友有多元化發展。

D. 會員擴展組 ：

1. 本會本年續會之會友共五十八人，退會會員七人， 退會率為百分之十， 而所有舊會員在九二年度上半年間已經全部繳交會費。 而直至九月份本會今年度一共有十七位新會員入會，另有兩位舊會員重新入會。現本會會員人數為七十七人，準會員人數為二十人，以六十五名會員人數計算， 會員增長率為百分之十八點五， 年初預算年底會員人數可達至八十五人左右。務求會員增長率可達百分之三十。

2. 本年度本會一共主辦了三個青商知識講座， 使每位準會友對青商及本會有一個深入之理解。
   第一次講座主講嘉賓 ： 姜趙玉蓮參議員
   第二次講座主講嘉賓 ： 黃瓊芳總會紀錄及獎勵董事
   第三次講座主講嘉賓 ： 總會議務法際顧問陳慧賢
3. 聯同秘書處合辦月會， 以使準會友有更多機會接觸及認識本會行政架構及籌委程序。

5. 會員擴展組負責聯絡及組織準會友參加總會舉辦之 青商知識講座。
6. 負責統籌各會友及準會友之參加工作籌委分配，避免有會友工作過量及使各會友有機會在各不同工作小組中吸取經驗。
7. 並經常更進會員通訊資料， 以使會友間通訊及聯絡更有效率。

E. 社會發展 / 青年事務組

本年度本會為使社會發展及青年事務上工作計劃籌備得更完善，而深感兩個組別之工作計劃有難分界限，因此本年度這兩個組別經常一起工作，取長補短。

1. 『樂施會遮打道攤位遊戲』 是本會代表香港青年商會以環保形象組織攤位遊戲。
   小組主席 ： 陳錦添
2. 『乘風傲遊』在五月三十日舉行。 是由香港傷殘青年協會主辦，浩洋青年商會協辦之水上活動， 十多位浩洋會友當日在乘風號帆船上協助一群傷殘青年体會揚帆之樂趣 。為了令會友更能体會傷殘人仕問題， 一個有關如何照顧傷殘人仕之講座在出發前一星期舉辦。
3. 『全港環境教育設計比賽』 是一項未有完成之工作計劃。本會在較早前已獲得一地產公司贊功五萬元進行社會工 作計劃。 並邀得香港遊樂場協會合辦這大型活動。 但經過幾次工作小組會議後， 發覺香港教育司署突然宣報組織同類更大型計劃，而計劃之內容又有大約百分之八十相同， 在衡量輕重之下， 毅然決定發棄舉辦這工作計劃。
4. 籌委小組並沒有氣綏，由本會主辦之『人權話我知』 關注市民及青商會友對人權認識之工作計劃立刻展開， 有幸五萬元贊助可以轉用在此 工作計劃之中，這工作計劃在八月開始， 一共分三個大項目， 包括一係列有關人權之講座，一項專注青商會友有關青商知識之調查，及最後將會在十一月以一個人權研討會作總結。
   小組主席 ： 蔡錦發

F. 出版事務組 :

本年度本會刊物作出重大改革。 會刊名字改為 『浩洋文訊』 以表示會刊並不只是會員通訊性質的報章，而是一份包括新聞、專欄、文學、資料提供、團体介紹、抒發感情等等包羅萬有，適合任多名全港青商會友閱讀之文章。 雖然刊物由四頁紙增至十二頁紙，而又更改為雙月刊，但因為得到印刷商的支持及每期主編的努力，經費本會只需要如以往年分配四仟元一樣。而編委方面更改為主編制，由資深會友分擔每期的主編工作，一來可以減少出版事務理事沉悶的出版工作，更可令一些工作忙碌的資深會友利用空餘時間貢獻本會，及帶領準會友作出版事務，給每一個人作出發揮機會。

第一期 : 『浩洋文訊』 主編 : 古文耀
第二期 : 『浩洋文訊』 主編 : 林慧敏
第三期 : 『浩洋文訊』 主編 : 林永生
第四期 : 『浩洋文訊』 主編 : 陳寶瑩
第五期 : 『浩洋文訊』 主編 : 周卓研

除以上題過跟維多利亞青年商會合辦之青商領導才能講座外，更與經緯 青年商會合辦九二年度七月份月會， 及扶助元朗青年商之龍舟隊在端 午節屯門區龍舟競賽中出賽。
而能夠在接連地在元郎青年商會四月份之『盆菜』籌款活動及經緯青年 商會九月五日之晚會裡爭得到兩次最佳出席獎，實在是本會之光榮。
會員擴展理事負責安排會員出席由其他分會主辦之青商知識講座。 本人更盡量抽空出席每月舉辦之『分會會長聚會』，以聯各分會及交流意見。

J. 雜項

1. 成立長遠發展委員會，為本會的未來路向作出意見，及對本會的工作發展及會務作出定時之建議及表揚。
委員會主席 ： 古文耀

總結

本會今年可算是豐收的一年，常務理事局競選時之政綱都可以在各常務理事努力下完成，新會友對工作計劃籌委工作非常投入，而最可喜的是今年多個工作計劃的小組成員中能有多位資深創會會友擔當，分享他們經驗，更可以令新舊會友打成一片。會友的強大團結性及凝聚力實在多謝各理事局成員的關心和努力。有顧及會員擴展跟公共關係兩小組的工作是息息相關及相扶相承，今年將　兩組別同歸一個副會長管理，實是一個明智的決策。

各互相認識關心之會友然後再被派至各其他小組參與工作計劃，吸收經驗。而本會又給會友極大的自由度，接受各類有建設性之新建議，更要求各會友不論老少新舊同樣一起落力。而各資深會友及顧問只是提供資料及意見，並不會強求任何會員跟從以往已認同之模式，有些時候路可能走遠了，但卻使本會的工作計劃及活動能夠創新，更加擴闊視野，延續地開拓及發掘會友的潛力。

世界會長親臨本會參加晚宴實是本年本會高潮之一，本會港日兒童交流計劃，在香港公園戶外舉行記者招待會，在日本大阪各成員更能以代表香港性質拿著香港旗幟參加節目巡遊。年初之步行籌款，清純樸素之伍週年紀念實在是難得之經驗及成就。

在此本人謹致謝總會指派執行委員邱志堅對本會的關心及對本　人沿途之鼓勵，亦對會長顧問李兆安，　各理事局成員跟會員致以萬二分謝意，因你們的認同，熱心參與和工作，　才使今年會務得以順利進行。　亦代表浩洋青年商會向本會義務法律顧問鍾懿芳律師及義務核數師廖榮定會計師致衷心謝意。

最後向各分會會長致意，每一次分會會長聚會裡本人都獲得啟示。大家互勵互勉，不分彼我，無分大少，　這一種精神實在是令人敬佩。

浩洋青年商會會長

b. Questioning Period -
A number of questions were raised during this period.

They are as follows:

1) Island President Kamson Lam asked if there would be any discount for bulk purchase of registration tickets. In reply, Convention Director Designate Wallace opined that given the estimated cost of more that HK$1,000 per head, the tentative registration fee of HK$550 was in itself a big discount.

2) NEVP Eddy Wong wondered if there would be any deadline for early registration. Senator Wallace answered that they had not fixed the deadline for early registration yet. Anyhow, the period for early registration would probably last for 1-1/2 month.

3) HK Jayceettes PP Valerie Cheung queried whether Peninsula would drastically expand its membership, currently 137, in the year ahead so as to meet the project manpower requirement as high as 100 members. The Convention Director Designate assured the Assembly that no manpower shortage would be perceived given the existing reserve of some 50-60 prospective members.

4) As there was no cocktail reception before the Opening Ceremony this year, Victoria IPP Anita To asked if this trend would continue next year. Senator Wallace replied that it would be probable for them to arrange a Welcome reception in the upcoming National Convention.

5) Harbour PP Timothy Ip asked about the target number of participant in the 27th National Convention. Senator Wallace and his organizing committee would expect 400 participants next year with ten per cent above/below this target as leeway.

10. Announcement of Convention Director

The following announcements were made by Convention Director George:

1) Convention Director reminded all the participants that the venue for the events of the following day would be relocated to Convention and Exhibition Centre.

11. Other Business

1) As proposed by NEVP Eddy Wong, certificates were presented to those graduates who had completed the PRIME Course held by local LOM in 1991.

2) With regard to the Major Emphasis Theme for 1992, NVP Ronald informed that it was the consensus of the ExCom of the National Board to use the future of Hong Kong as the core of the theme in 1992. NVP Ronald proposed to use 'JC Vision for Hong Kong" as the major emphasis theme for 1992. On top of the main theme, there would be three sub-themes as well. They included "economic development", "civic education" and "environmental protection". NVP Ronald suggested all the Chief Delegates to discuss this proposed theme so that the theme could be decided and finalized in the Closing General Assembly two days later.

3) Queensway President Susanna Au, on behalf of Queensway JC, donated a 29-inch multi-system TV set to HKJC for training purpose. NP Daniel, on behalf of the National Board, thanked for Queensway's contribution.

After discussion, the following suggestions are put forward to the Closing General Assembly for further discussion and adoption if appropriate.

a) International Affair

- Business Network Club was suggested to be separated from the I.A. area but should maintain close co-ordination with each other.

- Objective of the Business Network Club should be made clear to all members.

- NOM should provide JCI and other NOMs information to general members.

- Owing to the various degree of I.A. experience in the 17 Chapters, the session concluded that some experienced Jaycees should be identified as I.A. advisors providing advices to the LOMs in the I.A. area.

- National should prepare an I.A. Manual for reference by LOMs.

- LOMs should take more initiative in exchanging ideas with ALL CHINA YOUTH FEDERATION at provincial level.

- I.A. Department should in the long run give guidance to LOMs on I.A. area such as defining objective of Internationalism.

b) Community Development

1. NOM to place a more active role in assisting LOMs in strengthening the Community Development Commission by way of setting up a 'CD Information Bank' which should contain a list of potential sponsors, a list of all schools in H.K., a press list, a full list of high ranking Government Officials and a JC project file library.

2. In order to make greater impact on each year's Major Emphasis Theme, NOM should give suggestion and guidance to LOMs regarding the project areas that would best fit the theme.

3. To facilitate a better co-ordination and full utilization of resources amongst the LOMs, NOM should initate presidential gatherings and organize joint directors meetings as early as possible and preferably before their term of office.

4. Joint projects amongst chapters and with outside organizations are encouraged as that would strengthen the dynamics and image of Jaycees.

5. In planning and formulating CD projects, LOMs are advised to involve as many members as possible as that is a good motivating force and good training opportunity for members.

ii. Internal Area

The report was presented by Donald with some amendments made by NVP Ivy.
It was moved by Island and seconded by Bauhinia, the report was adopted as follows :

Date	:	26th October 1991 (Saturday)
Time	:	4:50 p.m. - 6:40 p.m.

Chief Discussion Leader	:	Senator Eddy Wong

There were totally 58 participants from various LOM attended the Session.

The following recommendations have been drawn and would like to put forward for discussion in the Closing General Assembly.

Individual Opportunity

1. National should organise a systematic training profile for JC members.
2. Incorporate the concept of "Training & Development" into the individual area. The LD area is not only to organize training courses, but also to coordinate the development of members' potential in the years to come.

Management Opportunity

1. A detail and well organized promotion program is suggested to be launched in order to stimulate the JC public image.
2. Suggest NOM to buy more office equipment. (e.g. office automatic typewriter).

14. To Receive and Adopt Accounts for the year 1988. PNP Gary was absent at the Assembly to report on the accounts for the year 1988. NP Daniel reported that due to fact that PNP Gary failed to respond to National Board's demand for the finalization of the accounts for the year 1988, it was decided in the ExCom Meeting of September 1991 to file a writ to PNP Gary to demand him to rturn all the accounting documents to NOM. The NOM then would appoint an accountant to complete the work.

However, an informal discussion was held with the past NPs, Honourable Life President A de O'Sale. It was of his opinion that it was an internal matter of HKJCC and it might be deterimental to HKJCC reputation if law suit was filled. Instead, Honorable Life President suggested to ask some past NP's to try to give some personal assistance or pressure so as to settle the issue before taking any legal proceedings. PNP Sunny Yu subsequently agreed to offer his personal assistance
to PNP Gary Lee who promised to bring all the documents to Sunny Yu's office at 6pm the following Monday in a bid to sort out the matters.

Anyway, NP Daniel pledged that he would either get all documents back or take legal proceedings before the end of his term of office.

15. To Receive and Adopt the Audited Account for the year 1989.

NHT Vincent reported that the 1989 account could not be audited until the finalization of the 1988 account which had yet to be audited.
