The JCI Creed

We believe

That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the best work of life.

History of the Creed

The year was 1946; the place, Milwaukee, Wisconsin, U.S.A.; the event, the United States Junior Chamber National Convention. Visitors came from Canada, Mexico, South America, Europe and the Philippine Islands. It was here that the idea of a JCI Creed was born.

Past President of the Ohio Junior Chamber and National Vice President of the United States Junior Chamber C. William Brownfield realized at this convention that the organization did not have a Creed. He was inspired by the devotion of Junior Chamber members "to the purpose of serving mankind in a thousand different ways, right down at the grass roots where freedom lives or dies."

Brownfield saw Junior Chamber as "the potential for a new force in the world, one capable of changing the balance between victory or defeat for our chosen way of life in a time of crisis."

The actual writing of the Creed took place in July 1946 during a drive from Brownfield's hometown of Columbus, Ohio, to his coal mine in New Lexington, a journey of about 75 minutes. He started that journey with a firm conviction in his mind to work on the Creed. It was during that trip that the following words came to mind and were put on paper:

The brotherhood of man transcends the sovereignty of nations.

Economic justice can best be won by free men through free enterprise.

Government should be of laws rather than of men.

Earth's great treasure lies in human personality.

Service to humanity is the best work of life.

In 1950 the first line, "We believe that faith in God gives meaning and purpose to human life." was added.

Since it was written, Junior Chamber members all over the world recite the Creed at local, national and international meetings and functions. During that time there has been much discussion of the interpretation of the Creed. The author himself said, "Every Member is free to interpret the Creed in the light of his own conscience."

Message from Honorary Advisor

Mr. Daniel Heung Cheuk-kei, JP

Congratulations to the President and Members of the National Board of Directors for being elected to serve JCIHK in 2005.

The common mission of your members -- over 1,200 highly-motivated and forward-looking young people from all walks of life in Hong Kong, is: "to contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility, entrepreneurship and fellowship necessary to create positive change". This mission and one of our main themes of civic education share the same concept -- Social Responsibility. It is this underlying concept that contributes to the worldwide concerted humanitarian efforts to aid the tsunami devastated regions -- the positive side of the recent catastrophe in South Asia.

I believe that JCIHK would continue to respond proactively to challenges in the community, carrying out fully its objectives through providing members with training opportunities, individual opportunities, social services opportunities and business networking. With a similar vision, the Committee on the Promotion of Civic Education (CPCE) would organize focused programmes to promote civic awareness and responsibility amongst the general public in the year. I hope that CPCE and JCIHK could work in partnership to enhance the effectiveness of our promotional efforts in the coming future.

Let us collaborate to facilitate opportunities for our young people to improve themselves into an all-round person to cope with increasingly demanding situations, to assume civic responsibilities and to foster good citizenship.

Heung Cheuk-kei, Daniel

Message from National President

Junior Chamber International Hong Kong

Thank you for joining me to take part in this Inaugural Ceremony in a very special year - 55th Anniversary is one thing that makes it special, our recent experience of a mega incident in Asia is another.

We have had a lot of hard feelings about the catastrophic disaster in Asia lately, today let us see the positive side – we have worldwide concerted humanitarian effort to aid the affected countries, we see fighting nations sitting down together to discuss about saving lives, opposing parties putting aside their political differences, families staying closer, and people showing more love and care to surroundings. It is a pity that for many people, it took so many lives to touch their heart. For us, members of Junior Chamber International, who have vowed to live by the Creed - that the brotherhood of men transcends the sovereignty of nations; that earth's great treasure lies in human personality; and that service to humanity is the best work of life – living such life is deep in our skin. This is something we should be proud of, something that makes Junior Chamber such a great organization, and something so valuable that we must maintain and uphold. In this 55th year of Junior Chamber International Hong Kong, I request your pledge to keep loving and caring, and passing on the value of the Creed to people around you.

To echo Junior Chamber International's theme, "Entrepreneurs in Action" will be my presidential theme this year, and will have our focus on Membership, Marketing, Media and Management. JCI Hong Kong's future position in our community will be built upon the entrepreneurial spirit of our members, effectively using the media to promote the excellent value and meaningful projects organized for the community under efficient and effective management. Also, we would like to promote the UN Millennium Development Goal of eradicating extreme poverty and hunger. It is no coincidence that the HKSAR Chief Executive Mr. Tung Chee Hwa said in his latest policy address that he would increase the government's effort on fighting poverty, as the community is facing increasing pressure from the needs of the less privileged. We, in Junior Chamber, should also be addressing to these issues through our projects, having in mind that while we are serving we are also improving our own self. Try to make this special year even more special for you and people around us. Let us see more Entrepreneurs in Action.

This evening, about 200 members will pledge to their offices to serve this organization and its members. To make it a memorable year for you, our Inaugural Ball organizing committee led by JC Felix Cheng have worked very hard to stage a smooth and magnificent Inauguration Ceremony and the banquet. While we enjoy this special night, let me express my appreciation to the Guests of Honors, sponsors, guests, advisors and members of the organizing committee, for their support and contribution to Junior Chamber International Hong Kong.

Wish you all a fruitful and meaningful 2005, with heart and harmony.

Ellen Tsang

Message from President

Junior Chamber International

It's a great pleasure and an honor for me to wish you a successful Inaugural Ball on January 23, 2005. This is an important occasion for you as it marks the beginning of a new year that I expect will be challenging, but extremely fruitful and enjoyable for you.

The world is very different now than when Raul Garcia Vidal was first elected JCI President in 1944. Yet, the same revolutionary beliefs upon which our forebears established this organization are still at issue around the globe today.

I encourage you to remember that we are the heirs of that first revolution and to continue working tirelessly to assure the success of our fundamental principles and the foundation on which our organization was born.

In 2005, while fostering our fundamental principles and taking advantage of your strengths and competencies - your vision, leadership, achievements, decision making, analysis, and culture building - please focus on Membership, Marketing and Media.

Please keep in mind that the excellent value and quality of your products and services as well as the empathy of your relationships will drive Membership loyalty in the long term. Endeavor to better understand the needs of your Members to drive continuous innovation. Work with a passion for action and quality.

Bring enjoyment to life, while showing respect to individuals, society and the environment. Strive to be the best you can be. Lead by example and challenge and support the professional growth of your Members. You will thus ensure the success of JCI Hong Kong and contribute to JCI's success worldwide in 2005.

Kevin Cullinane

Message from Executive Vice President

Junior Chamber International

As 2005 JCI Executive Vice President I am very much pleased and honored to work with each one of you. Area B which I am assigned to is the biggest, the most interesting, and the most powerful in four areas of JCI. I am sure this area and all NOMs in this area have a great potential, and the year 2005 will be very fruitful.

JCI Business Plan 2005 by the World President Kevin Cullinane showed 3Ms as our strategic directions of 2005 JCI: Membership, Marketing, and Media. Especially, our first priority is the membership growth, which means that members will be the focus of everything we do, and local chapters and local presidents will be center of JCI. I would like to lead Area B this year based on member-first way.

At the end of the year 2004 the disaster of earthquake and tsunami damaged several countries in South Asia. I would like to send the expression of my deep sympathy to the victims. I would also like to discuss with you what we JCI can do for such a tragedy. The network of JCI can do something for them.

Finally, I congratulate your NOM on the great start of the year 2005, and wish each one of you will have a wonderful and meaningful experience in this year.

Koichi Washizawa

Taking this opportunity, I would like to thanks for all sponsors and advertisers for your generous donations and contribution to the success of the event, as well as provide sufficient funding for the operation of the Chamber.

I must send my heartfelt thanks to every Organizing Committee members for their great effort in making the event memorable and smooth, and every helpers for your involvement and participation in every details.

My sincere gratitude also goes to my Project Advisor Senator Duncan Tai, PA and Lighting Advisor Alex To for sharing of their wonderful experience that making the project a great success; National President Senator Ellen Tsang, National General Legal Counsel Senator James Tsui and National Honorary Treasurer Sali Choi for their guidance and encouragement during the preparation period; as well as National Executive Vice President Senator Shirley Lai, National Secretary General Cindy Lui and my mother chapter, Island Junior Chamber, for their support and assistance.

JCI OPPORTUNITIES

Junior Chamber can be called an organization of opportunities. The opportunities available within Junior Chamber are so numerous it could take a lifetime to grasp them all. Most members select those which cater to their particular needs and make the most of them. Basically, there are four Areas of Opportunities within the organization: Individual, Community, Internationalism and Business. Projects are conducted in each Area. As the members work on these projects, they encounter opportunities for total development.

JCI CORPORATE SLOGAN: ENTREPRENEURS IN ACTION

The word "Entrepreneur" has a vast range of positive meanings. Primarily denoting "a person who organizes a business undertaking," it can also describe someone who takes bold actions for the community--a social entrepreneur. Innovative, cutting edge, creative, and energetic, an entrepreneur has fresh, original ideas and is ready to risk implementing them. The words "In Action" were selected to indicate that our members are active and proactive, always working toward change. Regardless of the area of enterprise development, training, environment, children, peace, internationalism, our members help improve their communities, their countries and their world.

The slogan "Entrepreneurs in Action" depicts our members' determination and courage to create and use opportunities to generate change, to break barriers and to explore new fields. Pioneers in business and in life, they are trailblazers; they radically redefine limits, and how they can be reached and surpassed. Junior Chamber's ranks include leaders who are investors, venture capitalists, entrepreneurs, and professionals in diverse fields. Their entrepreneurial action empowers them to forge change to make the world a better place. They are visionaries, risk-takers and mavericks; they transform great dreams into reality. With strength and determination, they are reaching new limits, continually striving to do more and be more in their businesses, their communities, and in the lives they help change.

History of Junior Chamber International Hong Kong

Flashback 1950's - Practical Idealists pioneered the Jaycee Movement in Hong Kong

In late 1940's, Hong Kong was recovering from the Second World War. There were urgent need and great opportunity for local community leaders to contribute to its social and economic development. The Jaycees thus found their role in the making of Hong Kong.

A group of dynamic young men, of various nationalities and background, were inspired by Junior Chamber International to form the Hong Kong Junior Chamber (Jaycees).

With unbounded enthusiasm and tireless efforts, those pioneer Jaycees worked hard in different community projects and training program, and participated in a series of international meetings. It opened also its first office in the then Hong Kong Bank building.

Assessing the needs of the society then, these young men put ideas into action. Projects were put in hand which aroused civic consciousness among young people here. A novel project was the timely setting up of more than 30 children's libraries, including portable and mobile van libraries. This was a most prominent achievement much appreciated by the public.

Todd Opens Library

5,000 Books Donated By HK Jaycees To New Children Library

Extracted from Standard-Sing Tao The Hon R Todd, Secretary for Chinese Affairs, opened the Children's Library together with acting Hong Kong Junior Chamber of Commerce President A de O Sales on Jun 12, 1951. Over 5,000 books were donated!

The first children's library was established in 1952 at the War Memorial Centre in Wanchai, followed by the ones in Shek Kip Mei and Yuen Long (Nixon Library). In 1955, Hong Kong Jaycees donated the first mobile Van Library to the Social Welfare Office under the Chinese Languages Department. As a result, thousands of children were given the chance to read and learn. The success of the project led to the first award for the Hong Kong Junior Chamber in the Melbourne World Congress in 1952. The children's library project was further developed into a scholarship program, helping those who wanted to learn.

Side by side with civic projects, there was keen interest in business pursuits too. The Jaycees held its first trade exhibition in Melbourne in 1952, and repeated the project elsewhere until the territory stepped up its official presence at numerous trade and industrial exhibitions in the years that followed.

In a move to broaden their vision and widen their horizon, pioneer Jaycees were also active in attending various Conferences and Congresses, not only Jaycees but other such occasions as well.

The experience gained led to the success of hosting the first and the fourth JCI Regional Conferences in Hong Kong in 1951 and 1954 which won community plaudits and put the Chamber in the forefront of Jaycees in the continent.

History of Junior Chamber International Hong Kong

A dream became a reality when President Colin J Ure signed the contract for the construction of the Jaycee Peng Chau Health Clinic in the presence of representatives of Peng Chau Rural Committee. The designer of the clinic was Mr Peter Ng (the gentleman standing in the middle), an authorized Architect. He became our President in 1962.

The participation in, and the hosting of, international conferences, added a new dimension to the members and at the same time uplifting the regional exposure for Hong Kong. Hong Kong Jaycees quickly attained high international office. From 2 Regional Presidents for Asia to JCI President in 1956 and Vice President for Commissions in 1957.

With wholehearted participation and genuine contribution by the Jaycee members, Hong Kong Jaycees earned wide international recognition in a few years. Jaycee activities were seldom out of the press and were extensively reported. And so, Hong Kong Junior Chamber had an accepted place in the community here.

At the same time, with the rapid development of Hong Kong in the 50s, it became apparent that facilities for the training of future executives were almost non-existent. Hong Kong Junior Chamber shown foresight and initiative in promoting institutional development. It particular, it took pride in its contribution to the formation of the Hong Kong Management Association.

Jaycees was therefore called 'catalysts' and 'pacesetters' locally. They were described by the then Governor Sir Alexander Grantham as 'Practical Idealists' - young men with high ideals put into practice by concrete projects for community betterment.

Undoubtedly, Jaycees in the 1950s laid down a solid foundation for the Hong Kong Junior Chamber to go forward with more growth and development while it won wide prestige in the community and high recognition in the Jaycee world.

The members still had the cherished ambition of bidding for a World Congress, a daunting task then without proper facilities and adequate funding. Plans were laid carefully soon afterwards as the new City Hall was being built. The bid won in a contest and so Jaycees had the unusual challenge of holding here the first worldwide meeting. The successful response was sound organization with total membership involvement.

Flashback 1960's - Growth and Development

In the continuation of the relay, Hong Kong Junior Chamber stepped into its further developing stage.

Applying the experiences gained and together with the endeavor of the Jaycee members, the 17th World Congress of Junior Chamber International was, for the first time, held in Hong Kong in 1962. It was a grand and memorable event, widely covered by the media. The use of the whole new City Hall became the talk of the town. The success of which not only reaffirmed the social status of Jaycees in the community, but also was a confidence booster for each Jaycee member.

Two survey teams were set up to inspect the 23 children's libraries donated by the Jaycees in the past years to various organizations and schools. Eight of them had been selected for replacing some worn books and adding to their shelves some new editions.

History of Junior Chamber International Hong Kong

The handsome surplus from the Congress also led to the formation of the Trust Fund. It gave the Chamber a sound foundation which enabled the Jaycees to carry out many projects for community development with the confidence and helped it eventually to buy an office.

With the continual injection of new blood, Hong Kong Junior Chamber was restructured into a core National Organization Member (NOM) and 2 affiliated chapters of Victoria and Kowloon Jaycees in 1965.

"A Better World Tomorrow Through Jaycee Training Today"-Theme of 1966 JCI Conference in Hong Kong.

JCI Regional Conference was hosted in Hong Kong again in 1966.

To spread the Jaycee spirit, Jaycee Week program was also launched in the 60's to promote Jaycees to the public. The first Chinese speaking chapter (Peninsula Jaycees) and the first all lady chapter (Hong Kong Jayceettes) were then formed in 1969.

The coming together of members from various backgrounds provided the impetus for a diversification of community projects.

The Annual Dragon Seed Races shared our concern for the boat people in the Kowloon typhoon shelters.

The Miss International Goodwill Contest, and the later Miss Hong Kong Contest in the 60's were first initiated by the Jaycees and became an international friendship program which promoted the international goodwill and enhanced cultural exchange of Hong Kong.

The TOYP was first introduced by Hong Kong Junior Chamber of Commerce in 1970. His Excellency The Governor was the Patron.

The addition of more members and more projects, called for better communication, co-operation and administration. The introduction of management course and projects such as Anniversary Ball played an important role in answering to the needs.

Through such projects in 1960s, Hong Kong Junior Chamber became more concerned with membership development and began to strive for more opportunities in leadership training and to step up work for betterment of the community.

Flashback 1970's - Many First and Meaningful Projects

Stepping into the decade of the 70's and after the celebration of the Silver Jubilee Anniversary, it marked the beginning of an expansion in chapters and rapid increase in international awareness of their high standard of administration activities.

History of Junior Chamber International Hong Kong

It was a memorable period which had many encouraging rewards and meaningful projects carried out. Five more chapters were formed. JCI Asia Pacific Conferences were again hosted in Hong Kong in 1972 & 1979.

In 1974, during the World Congress held in Auckland, Hong Kong Junior Chamber won the first Local Organization Member (LOM) Award and the JCI Presidential Award and the JCI Presidential Award of Excellence in NOM management.

Three years later, Hong Kong Junior Chamber was awarded the JCI Presidential Award of Excellence for Outstanding Achievement in Chapter Extension with an increase of 25%, and the JCI Presidential Award of Excellence for Outstanding Achievement in Growth with an increase of over 50% in membership in the year of 1979.

His Excellency the Governor Sir Murray Maclehose sent his message to welcome the delegates of JCI Regional Conference.

For the first time in Hong Kong, two toys libraries for children were set up by Jaycees in Tze Wan Shan and Tuen Mun.

March in of Chief Delegates at Seoul Conference, 1976.

The Jaycee owned Chamber Office was opened in the year 1977 with the help of the Trust Fund, which further enhanced the sense of belonging of members in the Jaycee family.

Many well-known projects were initiated and received wide publicity. To name a few:

- The first 'Outstanding Young Men Award' was launched (forerunner of the 'Ten Outstanding Young Persons Selection' (TOYP) program which received increasing support and commendation from the public until now).
- The 'Exchange program' in 1971 was the first Youth Voyage which deepened the cultural exchange and understanding between Hong Kong and Japan.
- The first 'Solar Heating System' installed in Wu Kai Sha Youth Camp received the first LOM award in JCI World Congress.
- The much acclaimed 'Earth Population Awareness Program' which propagandized the slogan: 'One is cute; Two is ideal; Three is too much for the bill, Four breaks the family quilt' was adopted by The Family Planning Association as a slogan for family planning education program.
- The "Pop Folk" Concert in those days was the only outdoor concert attracted the youths in Hong Kong.
- The 'Eye Care Campaign' and 'Kidney Donation Campaign' etc. projected the importance of health.

History of
Junior Chamber International Hong Kong

The 1981 JC Youth Voyage (青年之船) arrived Hong Kong late at 1:30 a.m. due to typhoon.

1983 Theme Project, "A Diversified Economy, Future Stability & Prosperity", won The Best NOM Theme Project Award during the 19th World Congress held in Taipei in Nov 1983.

To echo the 1986 theme of Hong Kong Junior Chamber of Commerce "Training the Youth, Heading for Peace", 100 pigeons were released into the sky of Statue Square in Central.

Flashback 1980's - Challenging Decade

The Jaycee movement in the 80's was confronted with many challenges but at the same time opened up many new and exciting opportunities.

More LOMs were added to the Jaycee family in the 80's, increasing the total membership to over 1,300 and 19 chapters, in which two chapters - Macau Jaycees and Hou Kong Jaycees in Macau - formed the Macau Jaycees and affiliated with JCI as an independent National Organization Member at the end of 1988.

With more energetic young persons joining the Jaycees, many meaningful and innovative projects were held, such as 'Young Scientists Awards', 'The International Children Drawing Competition & Exhibition', 'Chunk-Click and Go', 'Spread the Lights', 'Good Children Awards', 'Courtesy Campaign', 'N. T. Regional Outstanding Student Selection' and 'Road Safety Campaign' etc.

There were also honorable and glamorous moments for Hong Kong Junior Chamber in the 80's. Senator Jennifer Yu was elected as the first Lady World President for 1988. Four TOYP awardees of Hong Kong were separately honored as recipients of the Outstanding Young Person of the World Award during the JCI World Congresses in the years 1983, 1984, 1985 and 1988. Furthermore, three lady National Presidents were elected, and led the Hong Kong Junior Chamber of Commerce in 1983, 1987 and 1989 respectively.

The first-ever JC delegation to visit Beijing, received by All Youth Federation.

Approaching the end of 1980's, Hong Kong Junior Chamber was faced with many public issues as did the community at large. Even so, the Hong Kong Junior Chamber still pressed on with the mission of community involvement and played an important role as training organization for young people.

The Opening Ceremony of the New Chambaer Office on Sep 13, 1990.

Hong Kong Junior Chamber had the honor to be invited to participate in the first 'Youth Rally' of the 'Youth Festival' in December 1989. Relationship with outside youth organizations and Government was further strengthened and the image of Jaycees in the eyes of the public was also kept up.

The Chief Secretary Sir David Ford joined hands with the Jaycees in the grand opening of the JCI Hong Kong Congress

Flashback 1990's - Scaling New Heights

Entering the nineties - a decade of change and transition - the Hong Kong Junior Chamber continued to uphold its mission of advocating social responsibility among young people. In the first-ever direct election in Hong Kong in 1991, the "One Plus One - Support Direct Election" campaign was organized by all 17 local chapters, once again marking the Jaycees' active participation in civic affairs.

In 1993, the Hong Kong Junior Chamber hosted the JCI World Congress, an event that attracted more than 6,000 delegates from over 100 countries around the world. 30 years had elapsed since the Hong Kong Jaycees last hosted the World Congress in 1962 with wide acclaim.

The decade of the nineties also witnessed a series of improvement programs within the organization. With funding support from the Hong Kong Junior Chamber Trust Fund a new office in Sheung Wan was acquired in 1990 to provide a more spacious training and meeting facility for the Junior Chamber's 1,500 strong membership. The "National Business Network" (NBN) and the "Training and Development Committee" (TDC) were subsequently established to offer a wider scope of networking and development opportunities for the members.

Since 1996, the Hong Kong Junior Chamber has been actively involved in the "Right Decisions Program". The project, originated by JCI and executed on a worldwide level, promulgates the importance of youngsters in making the right choice for their actions. The "Right Decisions Program" has been implemented in primary and secondary schools since 1998.

NP Daniel Cham joined the HK delegation to take part in the "International Model United Nation" organized by the UN and JCI. JC delegates and NGO representatives from all over the world took part in the 5-day event in the UN Headquarters.

Besides serious training schedule, members also had moment for rejoice in Vanguard Leaders, a prominent training originated by JCI.

Flashback 2000's - Now and the Future

While celebrating the 50th Anniversary in year 2000, we renewed our pledge of traditional commitment to work for community betterment and for the happiness and prosperity of the territory. We continue to provide high quality training programs and learning opportunities to members, and cultivate their sense of belonging to civic matters such as 'Right Decisions Program', 'Basic and Advanced Leadership Management Training', 'You and I bring Hong Kong Back', etc.

Hong Kong Junior Chamber participated in "上環續紛夜市慶千禧". Professor Right Decisions was well recognized by the public.

In 2001, it was the first time in the history of Ten Outstanding Young Persons Selection that a Community Service Day was included. The purpose of this was to bring the message that the awardees of TOYP Selection will take the lead to serve the community especially the less concerned group. On October 28, the awardees of 2001 TOYP Selection together with hundreds of members of HKJC, disabled persons, students and volunteers participated in creating a giant paper flower sculpture made up by over 73,000 pieces of paper flowers. All the paper flowers were hand-made by disabled persons, students, and volunteers. Through the challenge of setting world record, public concern on the employment opportunities of disabled people in Hong Kong was aroused. Besides, fund for the first self-financed floral workshop of Hong Kong Federation of Handicapped Youth was raised through the event.

In line with the adoption of JCI Corporate Identity Program in 2003 Copenhagen World Congress, Hong Kong Junior Chamber changed its name to Junior Chamber International Hong Kong in 2004 and acquired a new office in Sheung Wan to accommodate our future expansion.

First time online interview with JCI President Karyn Bisdee was broadcasted to the world during her visit to Hong Kong.

Ten Outstanding Young Persons Selection 2004

Initiated and organized by Junior Chamber International Hong Kong (JCIHK) since 1970, Ten Outstanding Young Persons Selection has become over the years an important annual event in recognizing the outstanding young persons of Hong Kong.

The nine 2004 TOYP awardees were Dr. Eugene Chan, Ms. Chan Tan Lui, Dr. Emily Chan, Professor Dorothy Fan, Ms. Hsin Hsiao Ling, Mr. Albert Wong, Professor Yang Dan, Ms. Yao Jue and Mr. Alan Yip respectively.

The Selection this year was made possible by the support of our Honorary Patron, The Honourable Mr. Donald Tsang, GBM., JP, Chief Secretary for Administration of Hong Kong SAR; our Sole Sponsor, Bank of Communications; our Selection Consultant, Grant Thornton; and our Panel of Judges led by our Chief Judge, Professor Arthur K C Li, GBS., JP, with Dr. Alice Lam, GBS., JP, Dr. Lo Ka Shui, GBS., JP, Mr. Rafael S Y Hui, GBS., JP, and Dr. Raymond KF Ch'ien, GBS., JP.

The slogan of TOYP Selection 2004 was "傑出青年由我創 青年領袖此中尋". The objective of the Selection is to recognize young people who have outstanding performance in their career and who have made significant contribution to our society. The nine awardees this year are model to other young people in Hong Kong.

A new breakthrough have been achieved in 2004, a large scale and professionally promotion campaign, a creative Press Conference with past awardees performance and TOYP Community Services Day "TOYP Save the World with You". In addition, special TV program produced by Television Broadcasts Limited was broadcasted in October and November 2004 respectively about the process of this year's Selection.

This special program TOYP Community Services Day "TOYP Save the World with You" was co-organized by Green Student Council. The activities include sending Bookmarks with environmental protection campaign and action items to students among several primary and secondary schools to let them understand the problems of balance of nature and pollution and give positive reply.

On November 4, over 500 students together with 2004 TOYP Awardees and JC members had participated in building a large puzzle by umbrellas in the park which carry a message of care for the environment and sustainable development. A sharing by 2004 TOYP Awardees on environmental protection and community service was conducted on that day.

We strongly believe that all the TOYP awardees will continue to create positive changes for much better world tomorrow.
