THE JAYCEE CREED

We believe:
That faith in God gives meaning
and purpose to human life,
That the brotherhood of man
transcends the sovereignty of nation;
That economic justice can best be won
by free man through free enterprise;
That government should be of laws
rather than of men;
That earth's great treasure
lies in human personality;
And that service to humanity
is the best work of life.

MESSAGE FROM PATRON

Hong Kong Junior Chamber of Commerce is a reputable leadership training organization in Hong Kong. Leaders are important to our society and in particular in the last decade of the twentieth century. The Basic Law is going to be promulgated soon and no doubt good leaders will be indispensable. I am glad to be invited as the patron of Inaugural Ball this year and I just hope my support will open the floodgate of patronage for this reputable organization.

NORMAN TSUI

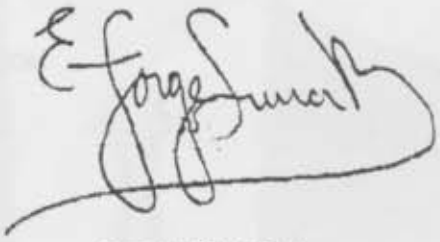

MESSAGE FROM PRESIDENT JUNIOR CHAMBER INTERNATIONAL

It is my privilege to address all my fellow Jaycees of the Hong Kong Junior Chamber of Commerce on the ocassion of your Inaugural Ball.

I would like to congratulate each and every one of you for your continuous outstanding work. Growth and development is the result of the dedication and hard work of Jaycees such as you. I am sure that you are all benefitting from the wonderful opportunities and experience our Organization has to offer, which enable us to improve our performance in our chapters and communities.

I would like to take this opportunity to encourage each of you to strive for a greater organization and stronger individuals. You are proof that the Jaycee organization is a positive force among people with ambition and a will for personal improvement.

I send all of you my warmest best wishes and I would like to take this opportunity to assure you of my full support and warmest regards.

JORGE SUNCAL

MESSAGE FROM EXECUTIVE VICE PRESIDENT JUNIOR CHAMBER INTERNATIONAL

Congratulations to the Hong Kong Junior Chamber of Commerce on the occasion of the induction of new officers and anniversary ball.

The year 1990 is a pivotal period that will see the Junior Chamber International pursuing new directions, fulfilling the rising expectations of members and meeting the new challenges of the decade of the 90's.

Dynamism is characterized by change. It is essentially the ability to cope with change, and in the face of great upheavals affecting entire social systems and institutions, an organization like ours can suddenly become displaced should we fail to respond effectively and immediately to the fast winds of change.

The Jaycees have proven themselves more than capable of meeting the most difficult task, and with our continuing commitment to the cause of Jayceeism, I trust that we shall be able to succeed in all our endeavors for 1990.

To President Larry and his new set of officers and all Hong Kong Jaycees, I wish to extend my sincere felicitations. May you have all the success in every undertakings in the year ahead.

HARRY C. ANGPING

MESSAGE FROM VICE PRESIDENT JUNIOR CHAMBER INTERNATIONAL

It is a great pleasure to send greetings to you and the members of the Hong Kong Junior Chamber of Commerce as we enter the last decade of the 20th Century together as Jaycees. From the time that our parent organization was founded by 32 young men in St. Louis Missouri we have shown that people working together can accomplish great tasks, benefitting their community and themselves.

This year your theme, "JAYCEES work for a better Hong Kong" is especially appropriate as the founders of the Junior Chamber movement truly believed that the best members were those who were willing to extend themselves to improve the place where they lived and worked.

There are never enough hands to help in the various projects you as JAYCEES will create to improve the human condition. Please make sure you invite others to share in this worthwhile endeavor.

I look forward to serving with you President Lau and your Board of Directors this year.

Wishing you good things always.

MESSAGE FROM HON. LIFE PRESIDENT HONG KONG JUNIOR CHAMBER

An anniversary is an occasion to rejoice. It is also the time when a serious review should be made of the achievements so far and the plans for even greater progress in the future.

Therefore, while congratulating the Junior Chamber of Commerce and all its members on the 40th Anniversary, good wishes are extended also to the new National Officers and Board of Directors and all LOM Officers and Directors as well.

Hong Kong is entering a new decade with all the changes now in the making. It is essential that all good citizens play a part in shaping the significant transition to the new century, sure to bring with it new living conditions for all. Jaycees are a power for good in any community if they work together and put into practice the ideals of the Jaycee Creed.

Best wishes to all.

A. DE O. SALES

MESSAGE FROM NATIONAL PRESIDENT HONG KONG JUNIOR CHAMBER

1990 starts a decade of great importance in the recent history of Hong Kong. In less than eight years Hong Kong will become a Special Administration Region (SAR) of the Peoples Republic of China.

During this transition period our society is facing with a number of uncertainties and problems. Confidence in our future remains low and a solution to the brain drain issue is still lacking. Vietnamese boat people continue to pose a big burden to our community. Our people become more short-sighted and are less willing to commit to long term investment, in particular people investment. Industrial actions and potential industrial actions are more evident and the possibility of a social unrest cannot be ruled out.

The problems and challenges are with us and must be faced with courage, resolution and patience. We have had difficult times in the past and we overcome them one by one with greater success each time. With the concerted efforts of all people in Hong Kong we should have a smooth transition period.

Jaycees have an important role to play during this difficult time. In a period that leadership means more than any other time, the Jaycee, a leadership development organization, must be prepared to take up this social responsibility. We must double our efforts to work towards our ultimate goal of creating positive changes to our society and make it a better place to live in. The past forty years of Jaycee movement in Hong Kong have laid a firm foundation for us to take up this challenge.

This year we have chosen "Jaycees : Work For a Better Hong Kong" as our Major Emphasis Theme and all 17 local chapters are committed to work towards this goal.

As the beginning of the year when we swear in to take our office we must understand our commitment, clarify our goals and determine to work well, even under the most difficult situation. I count on the support of all members of the Hong Kong Junior Chamber of Commerce and I believe with determination we will succeed.

Finally may I wish you all a happy and prosperous 1990.

LARRY K.Y. LAU

MESSAGE FROM NATIONAL IMMEDIATE PAST PRESIDENT/SENATE CHAIRLADY HONG KONG JUNIOR CHAMBER

Every year we hold an inauguration ceremony to install new officer bearers for the year. Only the officer bearers change, the major objectives of Jaycees remain the same.

When the new officers take the oath of their respective offices, they should think of their commitments. They should commit to uphold the Jaycee ideals in which they all believe, to achieve their goals and bring their objectives to fruition.

Jaycees being a worldwide leadership development organization of young people, it is imperative that, the new officer bearers should aim much higher, and constantly strive better understand the wide range of complex issues facing our entire community. This needs our deeper commitment and we should join together to overcome the difficulties facing us.

With the beginning of the decade of 90s, we must continue our efforts towards the objectives of Jaycees in the 4 areas of opportunities, the management opportunities, individual development, internationalism and community opportunities, for developing ourselves through community involvement. We also need to share the Jaycees concept with more young people. It is the best we can do for building a better Hong Kong.

In conclusion, I would like to take this opportunity to wish all NOM officers, and all members, an outstanding and fruitful year ahead.

JUNIA HO

MESSAGE FROM TRUSTEE CHAIRMAN HONG KONG JUNIOR CHAMBER

The Trustee serves its purpose in encouraging and supporting all prominent projects and activities organized by The Jaycees througout the past, the present and the future.

In the event of its 40th anniversary, The Hong Kong Junior Chamber of Commerce deserves applause for its outstanding achievements and I believe continuous progress and development will be for the years to come.

PAUL T.S. YIN

MESSAGE FROM CHAPTER PRESIDENTS

VICTORIA JAYCEES

Taking the opportunity of this great day of our inauguration, I would like to wish all 1990 NOM & LOM Presidents and Colleagues a harmonious and fruitful year ahead.

In the coming 1990's, the Victorians will strive to contribute to work for the betterman of Hong Kong, to increase the fellowship among members, as well as to enhance our image to the public so as to let more young people be aware of the meaningful training opportunities offered by this organisation.

In given time, our fellow Jaycees will be leaders, leaders of our organisation, leaders of our industries, leaders of our community. All our 17 Chapters provide such rich opportunities for our young men and women to prove their ability. I believe that with both LOM & NOM colleagues all joining hands, we will overcome impediments and continue to make our HKJC a place where our young leaders' dreams will come true.

KOWLOON JAYCEES

The Inaugural Ball of the Hong Kong Junior Chamber of Commerce marks the beginning of another year of the Jaycee movement. It also symbolizes the passion and enthusiasm of a young group of people who aim at something very important in their lifes – contributing themselves to serve the community and getting precious chances of self-training.

On behalf of the Kowloon Jaycees, especially at the golden time of 25th Anniversary, I like to give full support to NOM and LOM officers and wish them all a fruitful and prosperous year in 1990.

On behalf of the Island Jaycees, I would like to extend our appreciation to all Jaycees and Jayceettes for their involvement and commitment in the Jaycee movement in the year to come.

HISTORY OF HONG KONG JUNIOR CHAMBER OF COMMERCE

The Jaycee movement reached Hong Kong in 1949, when a Philippine Jaycee John Ng who was the Special Liasion Officer of the JCI 5th Congress and was charged with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement successed in firing the imagination of his audience. Eight days later, sponsor group of the Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as Convenor of the organizing committee. Mr. Austin Coates from Hong Kong Government, then as Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

The tempo of laying the foundation of the Chamber was further stepped up when Mr. Ramon V. Del Rosario, the JCI Vice-President for Asia, offered to recommend prompt recognition of the Hong Kong's Jaycee membership status. He also invited the Organizing Committee to send observers to Manila to attend the JCI 5th Congress. On 21st March, 1950 a sponsors meeting was called to receive the report of the return observers from Manila. The account of their vivid experience gave Hong Kong a deeper insight into Jaycee movement. JUNIOR CHAMBER INTERNATIONAL

CURRENT FACTS

NAME:	Junior Chamber International (JCI) is a worldwide association of young people between the age of 18-40, which welcome all nationalities, races and religions.
MEMBERSHIP:	Over 430,000 in nearly 12,000 communities throughout over 90 member nations.
PURPOSES:	The purposes of the Jaycees, as outlined in the JCI Constitution, are to "contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility and fellowship necessary to create positive change."
HISTORY:	The organization was founded in St. Louis, Missouri, U.S.A., by Henry Giessenbier on October 13, 1915. His idea spread and on December 11, 1944, representatives from eight nations met in Mexico City and the world organization – Jaycees International (JCI) – was founded.
1989 PRESIDENT:	E. Jorge Suncar Association Jaycees Dominicana.
HEADQUARTERS:	The Jaycees International (JCI) Secretariat is located in Coral Gables, Florida, U.S.A. A staff of 33 provides trilingual membership and development services to its Local and National Organization Members. Its chief administrative officer is the Secretary General, Dan Lamey.
THEME:	Each year, Jaycees International adopts a major emphasis theme program which is implemented on a worldwide basis. The theme that is selected relates to a major problem or problems with universal significance. In this theme program members can select from a number of specific projects that are most relevant to the needs of their respective communities. The Major Emphasis Theme adopted for 1990 is JAYCEES YOUNG PEOPLE FOR WORLD PEACE. The sub-theme adopted for 1990 is "ECONOMIC INTERDEPENDENCE". It is somewhat unique for an organization like Jaycees International to become so involved in such an enormous issue, but, as a leadership training organization, it has the responsibility of directing this leadership and community initiative into a program that is based on the search for a better world and, ultimately, world peace.
AREAS OF OPPORTUNITY:	This concept promotes the adoption, by national and local organizations, of a balanced program of activities which offers individual, management, community and international opportunities.
RIGHTS OF THE CHILD:	JCI recognizes and supports the United Nations Declaration of the Rights of the Child. In 1979, Jaycees throughout the world conducted programs which directly affected the lives of more than eleven million children. Since then, national and local Jaycees organizations conduct permanent and continuing programs to assist with providing for the basic needs of children as set out in the Declaration.
ANNUAL MEETING	The 45th JCI World Congress will be held in Puerto Rico from 10-17 November 1990.

"A worldwide leadership development organization."
