Foreward by Convention Director

I believe it is true to say that to host the National Convention of the Hong Kong Junior Chamber of Commerce is one of the most prestigious and indeed challenging project undertaken by a local chapter.

Although eleven years from the time of establishment, Dragon Jaycees has in the past remained hesitant about bidding for the hosting right because of the amount of resources required. But the thought of 'giving it a try' has always been on our mind.

In April this year when it became apparent that an opportunity has arisen for Dragon to be the host of National Convention 1991, I must confess the entire Executive Committee of Dragon greeted the news with many sleepless nights; on the one hand excited by the fact that the dream could eventually come true and on the other pondered over issues such as manpower and financial capabilities.

Eventually, with the traditional Dragon Spirit of Unity we decided to embark upon the task knowing full well that our path would not be smooth but that the spirit of the group would sustain us.

For reasons out of our control we started the preparation work almost six months later than normal practice and that meant the whole organising committee was constantly bombarded with meeting tight schedules. To their dedication and stamina I would unreservedly give the highest degree of approval.

Also, I wish to thank the National Board. Their most valuable support and guidance have rendered us with direct and effective ways of making various arrangements.

Of course, most importantly I wish to express my sincere gratitude to Mr. Michael C.C. Sze ISO, J.P., The Secretary of Constitutional Affairs Designate as our guest of honour and also to our sole sponsor Hong Kong Telecom whose generous sponsorship has enable us to put ideas into reality.

Message from Guest of Honour Mr. Michael C.C. Sze, ISO, JP Secretary for Constitutional Affairs Designate

I am indeed privileged to be the guest of honour for the 26th National Convention of the Hong Kong Junior Chamber of Commerce.

Your history in the past forty odd years has consistently been one of involvement in the affairs of the community and an eagerness to contribute to its development. It is most important for the continuing success of Hong Kong especially during this crucial period of transition to have its young men and women involved in its affairs and to work for its betterment. In this I take comfort in the JAYCEE Creed and your motto :

"OUR HONG KONG, OUR CONCERN"

I take this opportunity to wish your Convention "Telecommunication - Enhancing Global Understanding" every success.

Message from Sponsor- Hong Kong Telecom

Hong Kong Telecom is proud to sponsor the 26th Hong Kong Junior Chamber of Commerce National Convention. Congratulations to the Dragon Jaycees, who earned the right to host the National Convention, for creating an outstanding programme.

This year's theme, "Telecommunications — Enhancing Global Understanding" not only demonstrates the sophistication and awareness of Hong Kong's young entrepreneurs but also recognises the key role that telecommunications play in promoting understanding on a global basis. The next century has already been named the "Information Era" by some, acknowledging that access to timely information is critical for commercial success. Instantaneous communications are essential if this objective is to be met.

At Hong Kong Telecom, our planning for the Information Era is an ongoing process. We have to plan to provide Hong Kong with sufficient capacity on our domestic and international telecommunications networks to serve not only today's needs but also those of tomorrow and the years to come.

Our substantial investment in international submarine fibre optic cables and new earth stations, in digital local exchanges and flexible, software-driven telecommunication services demonstrate our dedication to provide world-class telecommunications facilities to the community and our commitment to maintain Hong Kong's position as the telecommunications hub of Asia.

Information technology is opening new business opportunities for underdeveloped and highly industralised nations around the earth and Hong Kong can be in touch with them all.

The Hong Kong Junior Chamber of Commerce, through its energetic and talented membership, is helping to develop tomorrow's leaders upon whom Hong Kong's future prosperity and stability depend. Hong Kong Telecom stands behind you, not only by sponsoring this HKJCC National Convention, but also by providing reliable, sophisiticated telecommunications networks and access to crucial information. We are proud of our role in helping everyone harness it and enjoy the benefits of global understanding.

Mesage from JCI World President

It is a privilege and honor for me to address President Daniel Cham, officers and members of Hong Kong Junior Chamber of Commerce on the occasion of your National Convention.

As the 46th President, I would like to congratulate Hong Kong Junior Chamber of Commerce on its outstanding leadership and support of our beloved organization. It is such devotion and dedication that make us all proud to be a part of this wonderful organization.

Message from JCI Vice President

It is my great honor to extend my heartfelt greetings to all the members of the Hong Kong Junior Chamber of Commerce on the occasion of your 26th National Convention.

The theme of your Convention "Telecommunication Enhancing Global Understanding" is a timely topic since there is no time in history like today where technology in telecommunications has made the world borderless. Without such technology, democratization in East Europe, ending of the Gulf War, victory over the coup attempt in the Soviet Union, etc. would have been a much slower process.

Telecommunication has certainly enhanced global understanding and global peace.

May this National Convention bring you fun, fellowship, motivation, and awarness to become Global Citizens.

Best regards,

David H. Oji
Vice President

Message from Hon. Life President

The annual change of leaders enables more young people to come forward to take positions of responsibility. They get useful experience working together on practical projects of benefit to the community, while training themselves at the same time.

I congratulate the outgoing administration on a successful year of office. I wish the incoming officers a full measure of success and personal satisfaction in all that they will do to promote the objects of the Jaycee Movement in Hong Kong.

Message from National President

May I take this opportunity to extend my warmest welcome to all of you at the 26th National Conention of Hong Kong Junior Chamber of Commerce. I would also like to congratulate the Hosting Chapter - The Dragon Jaycees and the Convention Director George Lung for a successful Convention.

The National Convention is the most important and solemn event of us. It is an occasion to understand the work done in the past 10 months, to evaluate the performance, to consolidate the result, and to plan for the future. It also provides you an opportunity to understand your leaders in 1992 by asking them questions and to cast your vote for them through your Chapter. I am sure that you will treasure every second you have in this 3-day event to know more, learn more and understand more. Please do not miss any chance to re-union with your old friends and know new acquaintance. You will enjoy the fellowship and the opportunities that Jaycee provides you.

Lastly, I would like to congratulate the leaders for the 1992 administration which will be elected in the Closing General Assembly and to all those who will be honoured by the awards in the Awards Banquet. After all, Jaycee needs new leaders and incentive move on.

Message from National Immediate Past President and Senate Chairman

National Convention is the most important annual event of the Hong Kong Junior Chamber of Commerce. During the Convention period we conclude our performance in the past year, elect our leaders for the coming year, deliberate and formulate policies and strategies for our future. national Convention to Jaycees is as important as the annual general meeting of political to a country.

1991 is the election year for Hong Kong. This year we witness a significant step forward in the development of democracy here. It is encouraging to see a large number of Hong Kong citizens exercising their right and duty in selecting their representative to the Legislative Council. We have had a good lesson in the practising of democracy.

Jaycees is also a good venue to realise and practise democracy. All members are encouraged to exercise their right to supervise the operation and management of our organization, contribute their ideas and expertise in policy and strategy formulation. It is through active participation that we have a better understanding of democracy and :government of laws rather than of men".

Every opportunity should be grasped to participate in the training seminars. No chance should be lost to make new friends and reunite old ones. Go to the convention with an open mind and a light heart. Enjoy every moment of it!

Taking this opportunity, I would like to congratulate NP Daniel and his hardworking Board of Director for a very successful year in the Jaycee history. The hosting chapter, Dragon Jaycees is also to be saluted for organising this very meaningful function. To all the participants, I wish you all a most enjoyable and fruitful convention.

Best of luck to all of you and Hong Kong!

Message from President of Hosting Chapter

It is is my greatest pleasure in sharing the honour of being the hosting Chapter of the 26th National Convention with my fellow Dragon Jaycees. The dream of hosting this important event has been in the mine of our senior members for years and I am gratified to see it materialized during my term of Presidency.

1991 will surely be a memorable year for Dragon Jaycees. The organizing of this convention not only sets the common goal for all our members this year, but also offers numerous opportunities for members and arouses high sprit of the whole chapter.

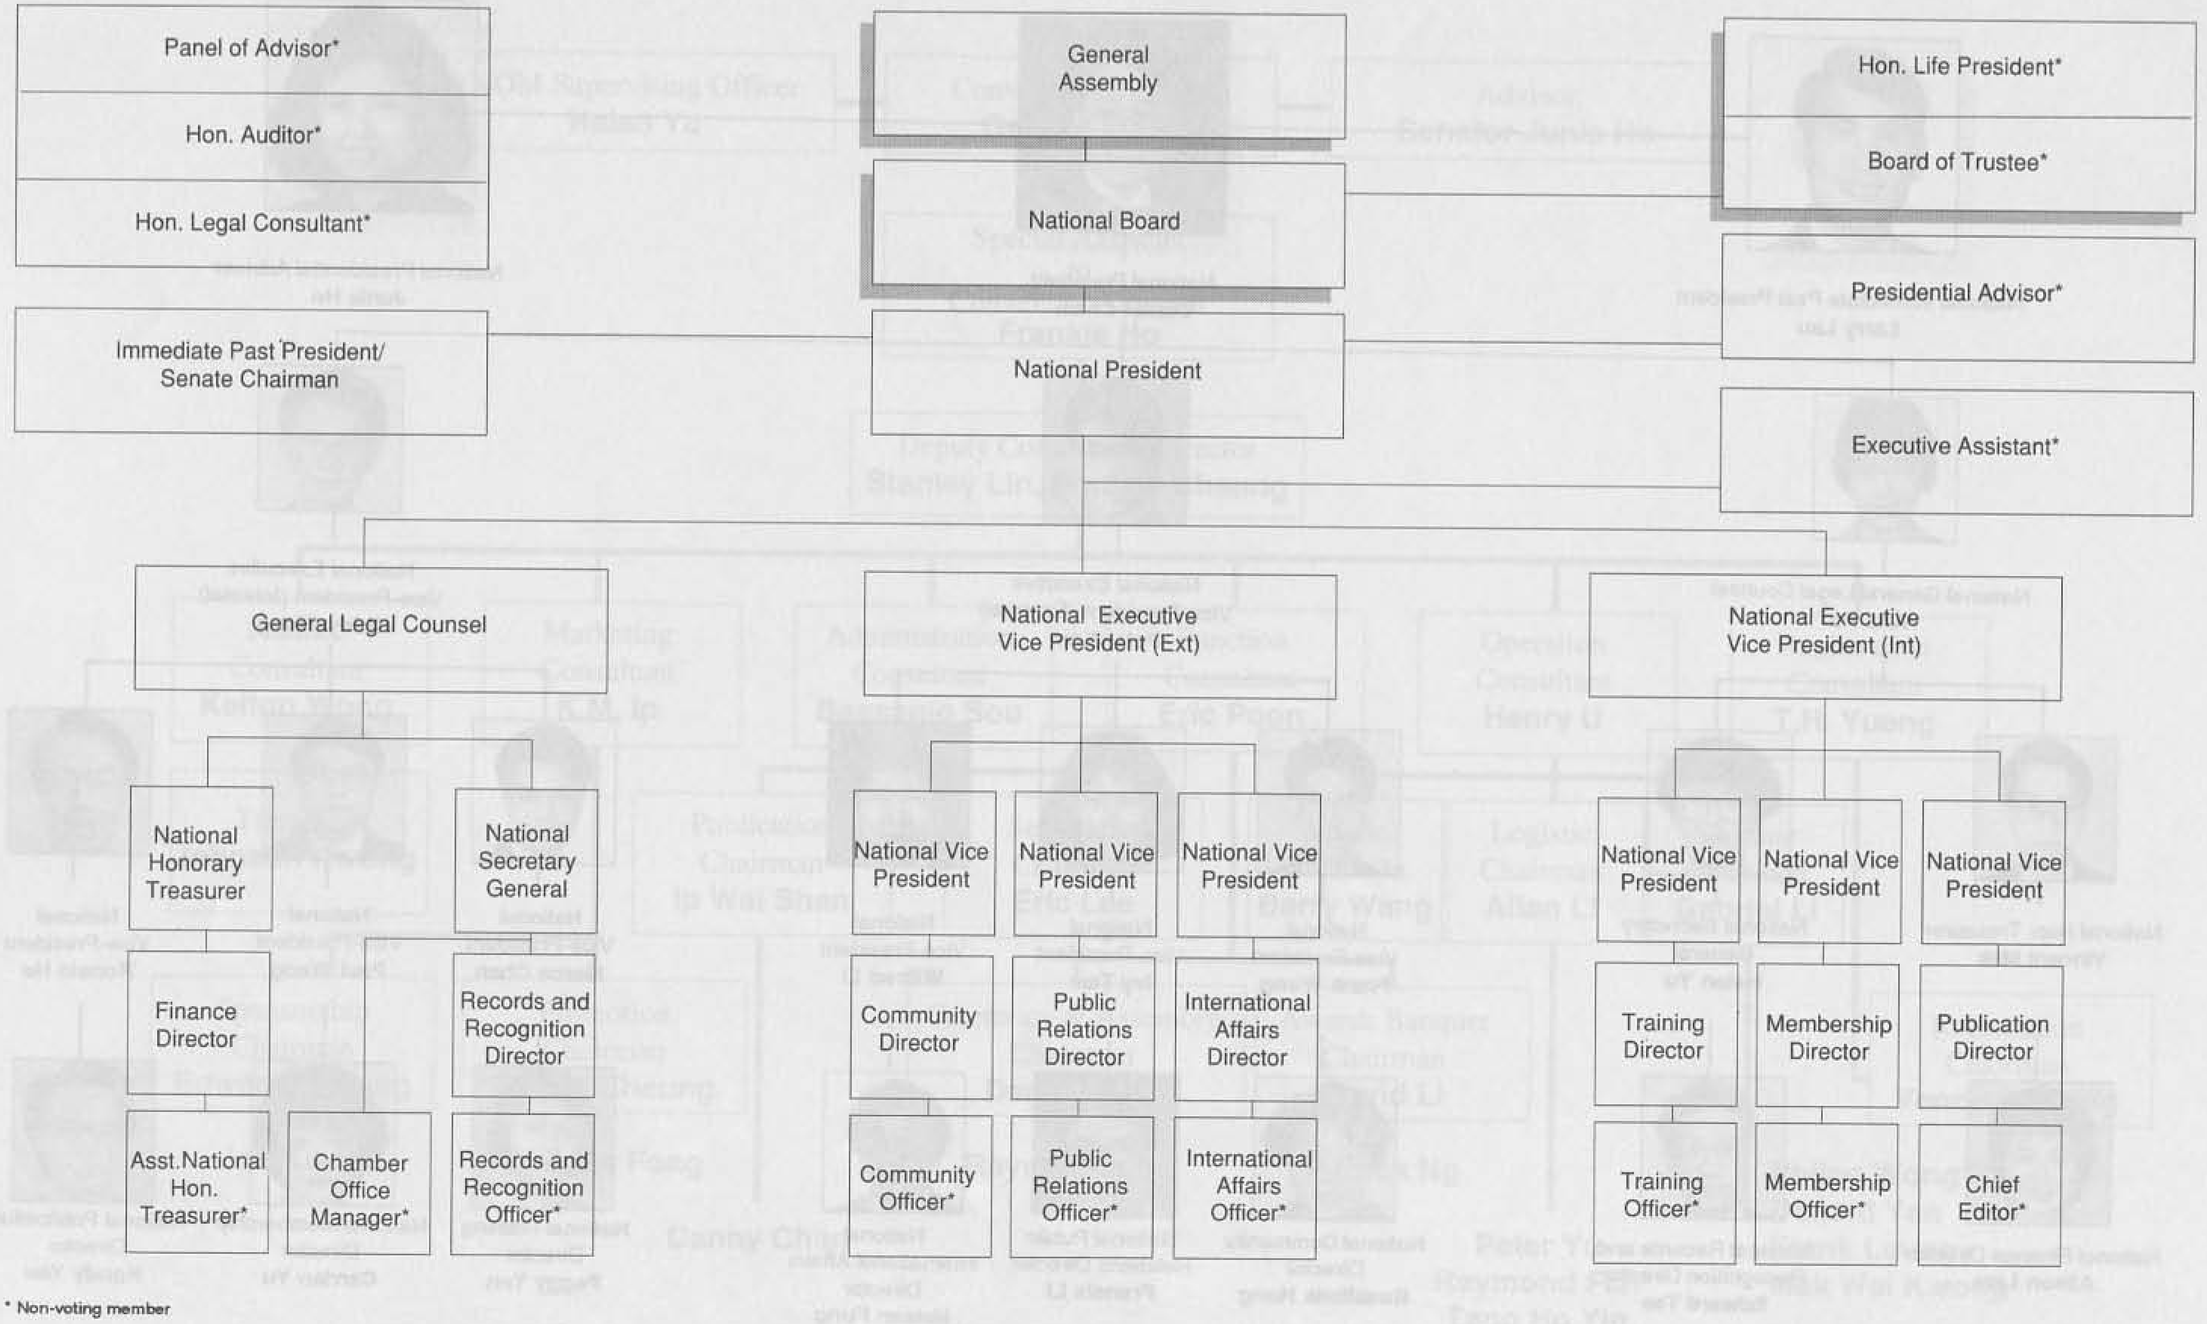

The success of this event should be attributed to the dedication of our Convention Director George Lung who took up the challenge to lead the convention committee to complete the project within the minimum possible time span. Nevertheless the hard working of committee members and enthusiastic support of our senior members should not be forgotten.

Fellow Jaycees and friends, may I on behalf of Dragon Jaycees and the Organizing Committee, warmly welcome all of you to this annual event and extend our gratitude for your participation and contributions.

II) OBJECTIVES

The objective of 1991 Administration are as follows : -

1.1 Major Goals

1.1.1 To upgrade understanding of the purposes and through discussions with JCI officers, senior members, **NOM** and **LOM** officers.

1.1.2 To further enhance the identity of **HKJCC** and **JCI** as a leadership, character and citizenship development organization.

1.1.3 To upgrade social status of **HKJCC** and promote our roles in the community through active participation in community affairs, quality projects, more press supplements and releases, better liaison with community and commercial leaders, government officials, government departments, training organizations and voluntary agencies.

1.1.4 To contribute our efforts to maintain stability and prosperity of Hong Kong.

1.1.5 To develop existing members to take up management positions in **NOM** and **LOMs** and to recruit sufficient members of balanced composition to carry out our commitments and to further develop **HKJCC** as a whole.

1.2 Major Emphasis Theme

The JCI Major Emphasis Theme for 1991 is ''Jaycees: Young People for World Peace''. JCI Sub-Theme for 1991 if is ''Economic Interdependence''.

Our Hong Kong

Our Concern

HKJCC Major Emphasis Theme for 1991 is
"OUR HONG KONG, OUR CONCERN" (香港是我的，關懷情至深).

1.3 Membership

Quality of members should be given more emphasis. Quality does not imply social or financial status only but also refer to potential, desire to improve and willingness to serve the community. Balanced composition of membership within a chapter is also emphasized.

The **NOM** strives to achieve a membership of 1,200 by the Helsinki World Congress and 1,300 by the end of 1991.

2 DEVELOPMENT OF EXISTING LOMS

2.1 Principle

The **NOM** will provide such assistance necessary to expand and develop existing **LOM.** Priority will be given to **LOMs** with less experience and resources. According to the recommendations of the Long Range Planning Committee adopted in 1990 National

Convention, special assistance such as allocation of Prospective Members, appropriations from Trust Fund and assignment of strategic planning officer will be offered to the relatively weak **LOMs.**
According to this recommendation, Presidential Advisor Junia was assigned as Strategic Development Officer to Lions Rock Jaycees and good result was received.

2.2 Methods

2.2.1 To upgrade Chamber Office service to **LOMs.**

2.2.2 To provide guidance and advice through the assigned National Officer.

Global
Understanding

2.2.3 To organize training courses and seminars for LOM officers.

2.2.4 To coordinate joint projects among LOMs with the assistance of NOM Officers.

Projects and activities as well as special assignments of the NOM and LOMs are planned to achieve these objectives throughout the year. I am pleased to say that these objectives are satisfactorily achieved.

III) ADMINISTRATION

A) Meetings

The NOM organised Executive Committee Meetings and Board Meetings monthly. Besides these meetings, the administration, external and internal teams have held meetings regularly. They were all well attended and discussion were active and constructive. To facilitate better communications with LOMs, all LOM presidents were invited to attend joint Board Meeting quarterly; chapter development, policies, NOM and LOMs activities were discussed. All assigned executive officers had arranged at least two informal meetings with the assigned chapter presidents in the year.

Two Extraordinary General Meetings were convened and one written resolution was adopted by circulation : -

Date	Business Discussed
January 21, 1991	To consider and adopt the policy manual for 1991.
April 20, 1991	To adopt the amended memorandum and Articles of the Association.
July 1, 1991	A written resolution was circulated and adopted to temporarily waive the Clause 25 of the constitutions (i.e. the Annual General Meeting should be held during the first 21 days of October each year).

Our Concern

B) POLICY MANUAL

The 1991 Policy Manual has been rewritten with emphasis placed on the policy aspect. The Manual was distributed to all NOM Board Members and LOM Presidents at the beginning of the year.

C) PLAN OF ACTION

The 1991 plan of Action was adopted at the beginning of the year. There were missions and objectives with targetted time and budget for each area. All NOM officers are required to follow the plan of action and to achieve the objectives within the targetted time and budget. I am glad to inform the General Assembly that with the dedications & effort of the officers, most of the objectives were achieved satisfactorily.

D) NOM DIRECTORY

The NOM Directory was updated and distributed to all NOM Board members as well as LOM Presidents to facilitate communication and enhance administration.

E) THE CHAMBER OFFICE SECRETARIAT

The new Chamber Office provides more space for meetings and functions. The secretariat is supervised by the General Legal Counsel and Secretary General with the assistance of the Record & Recognition Director in record, filing and library arrangements. It is managed by the Chamber Office Manager who is assisted by one clerk and some part time staff. Although there were changes in staff in the last nine months, the Secretariat was managed to maintain an efficient and effective service.

F) DIRECTOR'S MEETINGS

In order to co-ordinate LOM activities and to assist LOM Directors to perform their duty effectively as well as to enhance better understanding between NOM and LOM directors,

Telecommunication

Understanding

joint directors' meetings in each area were held at least twice in the year. Guest speakers were invited to give talks on various topics during these meetings.

G) NOM PROGRAMMES AND ACTIVITIES

The 1990 NOM programme and activities were adopted at the beginning of the year. Modification or additional projects were added according to the needs.

The 1991 NOM programme and activities is attached at appendix 1.

H) NOM FINANCE

1. It was the first time that HKJCC created the post of finance directors. The annual budget was approved at the beginning of the year, it serves as the guideline for finance control and periodical reviews were made during the year. Expeditures on projects and overheads were closely monitored. However, due to the additional overheads in the new Chamber Office like repair and maintenance, a deficit of about $50,000 was shown on the first budget.

2. In order to keep a balance budget we have used different means to secure additional funds, like advertising in the ''Harbour Light'', ''New World Pagers'' Fund Raising projects etc. These fund raising programme are still in progress, but we are confi dent that the fund raised will be sufficient to cover the deficit.

3. Membership dues are the major income of the NOM and were collected on quarterly basis from LOMs. It is based on the membership declared at the quarterly Joint Board Meetings.

4. The Inaugural Ball had generated a surplus of about $60,000. For most projects like the ''One plus One, Support Election 91' and TOYP etc., we were able to secure a record of over $420,000 sponsorship to cover the expenses of these projects. We expect that most of the projects are self-financed and some projects which did not have any income were carried out well within our budget.

Our Hong Kong . Our Concern

5. Dues received from prospective members are being kept in a separate account for repair, maintenance and purchase of equipment. A new computer and binding machine were purchased this year. Additional shelves were installed in the library for storage.

6. The income from Senatorship application are kept in, a separate account for use in senator related activities and functions.

7. Under the supervision of NHT Vincent, the accounting system of the NOM is being computerized. It is expected that by the end of this year, the Chamber office staff can use the computer to do the book- keeping and accounting work of the NOM.

8. Jaycee members and LOMs have donated $50,000 to China for helping the flood crisis. We have organised a fund raising film premiere on November 22, 1991. The name of the film is called " The Banquet". About HK$300,000 would be raised and it will be donated to China to help the victims of China flooding.

9. Our banker, Bank of Credit & Commerce, with closed down by the government and $263,982.01 (about $220,000 was Congress share subscription) was frozen. Later, a quarter of it was given back to the NOM.

III) PROJECTS AND ACTIVITIES

During the year 1991, a number of projects were organised according to the year planner adopted at the beginning of the year. Details are covered by respective NOM officers' reports.

Some highlights are listed below :

A) Training

Besides the regular LOM & NOM officers' training school, a series of training on

different topics was organised in the first quarter of the year. An intensive two-day Training workshop called ''Another milestone, Another breakthrough'' was organised in August aiming at providing training for future LOM & NOM leaders.

It was also the first time that HKJCC organised the JCI Training Institute programme - ''PRIME'' in September. 14 attendees attended the 3-days Training sessions conducted by past JCI VP Senator Peter Sim and all of them were qualified as JCI certified trainers.

The training manual was re-edited, updated and printed for our members. A Training Ad-hoc committee, headed by Senator Valerie Cheung was formed to evaluate the needs of members in training to give recommendations on future JC training programmes.

B) <u>Membership</u>

1. Regular orientations were organised for P.Ms throughout the year and were all organised by LOMs.

2. A members' opinion survey was done and about 170 questionaires had seen collected. Data would be evaluated for reference in future planning.

C) <u>Community Development</u>

The Advisory Group on Community Affairs was formed again this year. The members include NIPP Larry, Senator Jennifer Chow, Chan Yin Lun, Senator Paul Cheung, Alex Chang, NVP Frank, NCD Rosalinda & EVP Peter. Two consultation paper on the ''Primary Health Care'' and ''Proposed Bill on Amendment of Multi-storey and Buildings Ordinance'' were studied and recommendations had been passed to the government.

A large scale theme project called ''One plus One, Support election 91'' was organised from February to September. The highlight was on September's Legco Election day on which over 300 Jaycee members had taken part. They had appealed to the general public on the street to cast their vote on that day. Mr. Michael Suen, the Secretary for Constitutional Affairs and Miss Hong Kong had officiated at the ceremony. It was well covered by the mass-media and this project has enhanced the image and status of Jaycees.

Our Hong Kong

Our Concern

HKJCC is one of the ten organisations to organise the ''Youth in Action Campaign'' which lasted from June to December. It was proved to be a very successful campaign. HKJCC had sent letter to U.S. President George Bush to appeal for extension of Most Favour Nation Status to China. An appeal letter had been sent to the Committee on British Nationality Scheme. Later they had accepted HKJCC is a service / voluntary organisation.

D) <u>TOYP Selection</u>

A record of $320,000 sponsorship has been obtained from Pacific Link. This prestigious project was well promoted throughout the year. There was a lot of coverage on TV, newspaper and radio. The number of applications received this year was also a record.

E) <u>International Affairs</u>

In January, National President and other 3 delegates attended the Japan Junior Chamber Kyoto General Assembly. A delegation of 20 had visited Panyu, China and in Feburary and meetings had been arranged with lcoal leaders and the Local Federation of Youth.

The JCI ASPAC Conference in Cebu was attended by over 4,000 delegates. There were 86 HK Jaycees attended the event. The promotion on the bidding of 1993 JCI World Congress was very successful and the HK Nite was attended by the Mayor of Cebu, World President , other JCI Officers, NOM Presidents and over 2,000 delegates. In the Conference, HK Jaycees has won 7 awards and one ''Most Efficient & Best Communication NOM Award for ASPAC Conference.''

This year, HKJCC has selected ten children and two chapersons to attend the 3rd Asian Pacific Children Convention in Fukuoka. It was a very successful project and received a lot of publicity in the mass media.

LOM are encouraged to establish sisterhood and/or friendship pacts with overseas other LOMs. I am pleased to witness a number of sisterhood and friendship pacts signed or re-established this year.

The National President had represented H.K. in the U.K. delegation to attend the International Model United Nation organised by JCI and United Nations from July 28 to August 2 in New York. Over 90 countries had taken part and over 40 resolutions on Children Future, Economic Development and Environmental Protection were adopted. The resolutions had passed to United Nation and relevant agencies for reference and consideration.

In late August, a delegation of 19 had visited Beijing and Xinjiang. The delegation had visited the HK and Macau Affairs Office, the All China Youth Federation and the Xinjiang Uygun Autonomous Region Meetings with the ACYF and Chinese Young Entrepreneurs Association were held. The ACYF has agreed with our new policy that the local Chapters of HKJCC establish relationship with local youth Federations while the NOM will maintain a close relationship with ACYF. It was also agreed that the Business Network Club of HKJCC would closely liaise with the Chinese Young Entrepreneuns Associations in the future.

The I.A. Department, headed by Chairman Peter Lo, was formed to assist the NOM in International Affairs. This department is found very useful in the development of I.A. of the NOM. I recommend that it shall be kept as part of the NOM Administration in the future years.

F) <u>Public Relations</u>

i) The PR team has introduced two new JC supplies to our members - tie and leather name card holders.

ii) As a gesture of goodwill, courtesy visits were paid by National Officers and LOM Presidents to the Governor House and Government Secretariat on the New Year Day. The Governor had invited the National President, NIPP, last year's TOYP Chairman and the TOYP Awardees of 1990 for lunch in July.

Our Hong Kong - Our Concern

The National Presidents had also arranged lunch meetings with senior government officials, community leaders and representatives of the Xin Hua News Agency from time to time.

iii) Senior Government Officials and community leaders were invited to NOM projects and functions :

Regular issues of ''Harbour Light'' and information leaflets on NOM projects had kept the members in formed on the NOM activities and progress. Quarterly Joint Board Meetings and informal meetings were held with LOM Presidents in the year.

x) The photos of most of the Past National Presidents have been collected and would be displayed at Jaycee Office.

G)RECORD AND RECOGNITION

The library of JC was established in 1983, from then a lot of materials and books were kept in it. After moving in the new Chamber Office last year, it was found that the library needed to be tidy up. R&R Director and the Administration team had used more than 6 months to tidy up the library, sort out and re-arranged all the records and books. Some valuable documents were found in the library.

I) Publication

The official publication of HKJCC ''Harbour Light'' was published 6 times a year with 2 jumbo issues. A new design was used and good comments were received. We were able to secure a number of advertisements to cover part of the expenses of this publication.

3) **Bidding for the 1993 JCI World Congress**

HKJCC has decided to bid the hosting right of the 1993 JCI World Congress in Helsinki in November this year. To promote the bidding and prepare for the Congress in the next 3 years, we need about 3 million dollars as cash flow. A new limited comapany would be formed to manage the Congress and we had successfully raised $2.2 million by share subscription. The share holders are chapters, members, senators and past National Presidents. The value of each share is $5,000. HKJCC would re-mortage the Club House to subscribe for 260 share (about $1.3 million) if the bidding is successful.

The bidding was well supported by all members, the community and the government and we are confident that we would win the bid in Helsinki in November.

My sincere gratitude must be given to all my Board members who have assisted and supported me throughout the year to achieve the goals and targets. I am glad that we work closely as a team and all the team-mates are good and capable leaders. I owe my Presidnetial Advisor Junia a lot of thanks as she had given me a lot of valuable advice, assistance and support. Credits must be given to my panel of advisors especially Senator Chow Kee Wing for their unfailing support and advice. I must thank past World President A de O Sales, Past World President Jennifer Yu, Senator Sonny Yu, Senator Y.K. Chan and Senator Paul Yin for their support throughout the year.

I would not achieve my goals if there had not been support from all the Chapters especially my mother Chapter - Yuen Long Jaycees. My sincere thanks to President Yu, all the past presidents and all the members of Yuen Long Jaycee for without their support, a lot of my goal would not be accompanished.

I am glad to inform the general members that the image and status of Jaycees has been strongly enhanced in the past months. Jaycees has shown to the general public that we are a group of dynamic leaders with dedication to the development our community.

Lastly, let me conclude my report by saying thank you to all of you.

HONG KONG JUNIOR CHAMBER OF COMMERCE

Report to the General Assembly of the 26th National Convention
of the Hong Kong Junior Chamber of Commerce
from National Immediate Past President - Larry Lau

I take great pleasure to present my report in the capacity of the National Immediate Past President and Senate Chairman of the Hong Kong Junior Chamber of Commerce for the year 1991.

As the NIPP in the National Board I serve in an advisory role on National policies and administrative matters and act as a link man between the last administration and the current one. I am also there to offer my advice and assistance whenever and wherever needed.

In accordance with the Constitutions and Bylaws and the Policy Manual of the Hong Kong Junior Chamber of Commerce, I have been given the following assignment :-

1. Senate Chairman

In the capacity of the Senate Chairman responsible for over 150 senators in Hong Kong I find it difficult to co-ordinate and serve them efficiently in the absence of a proper Senate Group structure. The informal Senate Secretariat can only carry out secretarial duties and has *no authority to speak and act on behalf of the local* senators. Senate functions such as senator gatherings, issuing senate news are done on an Ad Hoc basis at the discretion of the Senate Chairman who is basically on his own. This is, I consider, manifestly unsound and unhealthy.

Our Hong Kong

Our Concern

In the absence of a proper Senate Group and facing with increased demand of services the funding of such services is becoming a problem.

It is in my opinion, which is confirmed by verbal and a preliminary survey, that a proper Senate Group must be organised in Hong Kong. Work is being done to this end and it is hoped a Senate Group Formation Committee will be organised in October 1991.

(a) Senator Gatherings

Two traditional senator gatherings have so far been organised. The first one was organised on April 30 when former Urban Council Chairman Mr. H.M.G. Forsgate, CBE, JP was invited to speak on "The Roles of the Urban Council and Its Future". The second gathering was in the form of a poolside BBQ. Both functions were satisfactorily attended by senators and NOM and LOM officers. Two more senator gatherings will be organised, one during the National Convention and one in Christmas time.

This year, emphasis is being given to enhance the relationship and communication of our fellow senators. To this end, small scale informal senators gathering have and will be organised. A golf tournament is in the pipeline and some others will follow.

(b) Senator Newsletter

Three issues are planned but due to lack of fund and manpower two will now be issued. The first one was released in April and the next one will be in November.

(c) Senate Secretariat

Members of the Senate Secretariat are :-

Senator Connia Chu Lo
Senator Patrus Yung
Senator Paul Chan

Their roles are to co-ordinate senators in Hong Kong and help run the Senate Group's administration and operation.

Senator Screening Committee Chairman

Our Hong Kong

Our Concern

The Senator Screening Committee comprises of the following senators :-

Larry Lau	Chairman
Paul Cheung	Member
Junia Ho	Member
Justein Wong	Member
Patrick Chu	Member

As at report writing a total of 12 nominations have been received and screened this year. Seven nominations were endorsed by the Committee and National President. So far three senatorship have been approved and the other four are still under processing.

The Senator Screening Committee is of the opinion that senatorship should only be awarded to members and past members who have significant contributions to Hong Kong Junior Chamber of Commerce and that they will stand as good examples for others to follow.

Senator Larry Lau	Chairman
Senator Y.K. Chan	Past National President
Senator Andrew Wong	Past National President
Senator Paul Cheung	Past National President
Senator Nora Cheng	Past National President
Senator Junia Ho	Past National President

The Committee will interview candidates for the 1992 National Elective Offices and will present a report in the Closing General Assembly.

As at report writing a total of five nominations have been received. Nomination for Executive Vice President and Vice Presidents are still open.

Candidates Training School

Candidates Training School for all eligible candidates is scheduled to be held on 13 October 1991 in Victoria Hotel.

Miscellaneous Items of Interest

Our Hong Kong

Our Concern

(a) 1990 NOM Account

The 1990 NOM account has been finalised pending auditing. A draft Income and Expenditure account is presented for reference of all Chief Delegates.

(b) New Chamber Office Donation

A separate Income and Expenditure account for the New Chamber Office is also presented.

(c) Hong Kong Senate Who's Who

The "Hong Kong Senate Who's who" is being printed and should be ready for distribution before the National Convention.

(d) Asia Pacific Senate Board

My term of office as a director in the Asia Pacific Senate Board expired during the Senate Conference in May in Cebu. Senator Connia Chu Lo was elected as a director in the same organization for the year 1991-1992.

Conclusion

The role of the NIPP/Senate Chairman, though not as tough as the National President, does provide learning opportunities from a different angle. I treasure the opportunity and enjoy working and the gatherings with fellow senators and the NOM Board of Directors.

I take this opportunity to thank NP Daniel and the NOM and LOM officers for their co-operation and assistance over the past nine months. I send my special thanks to the Senate Secretariat members Connia, Patrus and Paul and the senator gathering co-ordinators Senator Paul Chan and Senator William Leung.

Finally, I wish continuing prosperity of the Hong Kong Junior Chamber of Commerce and the Senate Group.

My best wishes to China, Hong Kong and all of you!

REPORT FROM NATIONAL EXECUTIVE VICE PRESIDENT (EXTERNAL)

Foreward

It is my great honour to be elected as the National Executive Vice President for 1991. This has proved a good opportunity for the widening of my Jaycee exposure and the experience gained is very fruitful and valuable for my personal development.

This year, I am supervising three areas, namely community development, public relations and international affairs. I am fortunate to work with a team of devoted and competent Jaycees. With our concerted efforts, we have been able to further the work of Jaycees in the external stream. These dedicated Jaycees are:

National Vice Presidents:

Community Development	:	Frank Wong
Public Relations	:	Ivy Tam
International Affairs	:	Wilfred Li

National Directors:

Community Development	:	Rosalinda Hong
Public Relations	:	Francis Li
International Affairs	:	Nelson Fung

Our Hong Kong

Our Concern

2. I am pleased to report to the General Assembly the work accomplished by the external team so far:-

Community Development

a. Major Emphasis Theme

3. Hong Kong is now in a transitional period. The pace of change is fast and the strength required to consolidate the territory is great. In view of this and the mission of Jaycees to train future leaders, the Hong Kong Jaycees has adopted "Our Hong Kong, Our concern" (香港是吾根、關懷情至深) as the major emphasis theme for 1991 . With the support and cooperation of LOM Presidents, a good number of LOMs have organized projects along this theme.

b. Joint CD, YA & EA Directors' Meeting

4. Two Joint Directors' meetings have been held so far, one on 10 February and the other on 13 April.

Global
Understanding

5. The February meeting was rich and substantial in content. Apart from a short briefing given by the Vision 2047, we had Mr Li Yim-cheong from the Hong Kong Federation of Youth Groups talked about the essentials in preparing project proposals and soliciting sponsorships; Dr. Lo Chi-kin, a political commentator talked about the legitimacy of the Hong Kong Government from now to 1997 and Presidential Adviser Senator Junia Ho talked about "civic education and Jaycees".

6. In the April meeting, Chapter Presidents and LOM board members responsible for the community commission discussed in depth the problems they anticipated in launching community projects and possible solutions were suggested.

(c) <u>One-Plus-One Support Elections' Campaign</u>

7. 1991 is a particularly significant year for Hong Kong because the three-tier elections took place within the year and it was the first time that we could elect our Legislative Councillors through direct election. As Jaycees should be civic-minded citizens, the NOM has launched a One-Plus-One Support Elections Campaign to encourage our members to vote in the three elections and at the same time motivate at least one of our friends, relatives or colleagues to do the same. The highlights were with the LegCo election where a series of programme were organized on 15 September.

Our Hong Kong

Our Concern

(d) <u>Youth In Action</u>

8. Hong Kong Jaycees joined hands with a number of organizations to organize the project "Youth In Action" to encourage our youth to adopt a positive attitude in life. The kick-off ceremony took place on 7 July with a good number of Jaycees participated.

9. Apart from this, the Hong Kong Jaycees is planning to organize another project under the umbrella of the "Youth In Action" along the theme 'Youth and the World'. Several formats have been proposed and a detailed plan will soon be finalized.

(e) HKJCC Advisory Committee on Current Affairs

10. "Our Hong Kong, Our Concern". Jaycees should show a positive concern and support to the Hong Kong community. One good way is to express our views and make suggestions to the Government on issues of general concern. In view of this, the NOM has adopted last year's good concept of forming a HKJCC Advisory Committee on Current Affairs. The committee is composed of NP Senator Daniel Cham, NIPP Senator Larry Lau, PNP Senator Paul Cheung, NVP Frank Wong, NCD Rosalinda Hong, Chan Ying-lun, Jennifer Chow, Alexander Chang with myself as the convenor. Two submissions have been made to the Government so far; one on the consultation paper "Health for All, the Way Ahead" and the other on the "Multi-storey Buildings (Owners Incorporation) (Amendment) Bill 1991".

Public Relations

11. The Public Relations Commission serves to strengthen the sense of belonging of fellow Jaycees and to consolidate and extend the social netwok of HKJCC.

(a) Joint PR Directors' Meeting

Our Hong Kong

Our Concern

12. A Joint PR Director's Meeting was held on 11 February. Presidential Adviser Senator Junia Ho enlightened the meeting by sharing her expertise in public relations and image building with the participants. NOM and LOM officers had some useful exchanges regarding the PR area.

(b) The 3rd Asian-Pacific Children's Convention in Fukuoka

13. This is the third year which the HKJCC have been invited by the Fukuoka Jaycees in Japan to select children delegates to participate in this cultural exchange projects. Eligible children for this year's convention must be borne between 1.8.1979 and 31.7.1980, ie. 11 years old. Ten children delegates were selected by a panel of adjudicators comprising NP Senator Daniel Cham, NPA Senator Junia Ho, Mr Wong Sek-wah, Assistant Director of Education and Mrs Priscilla Lui, Director of Against Child Abuse.

14. They were escorted by two chaperons: Miss Ann Kwok of Queensway Jaycees and Miss Jinia Chan of Peninsula Jaycees to go to Fukuoka during 31.7.1991 to 6.8.1991 to meet with the other 350 delegates from countries of the Asian Pacific region. To enable the children delegates to learn the most from this exchange programme, a series of training course were organized. Besides, a well-planned high impact publicity campaign was launched.

15. My sincere thanks to the hard work of Miss Anne Kwok, Chairman of this project and her organizing committee and supervising officer NPRD Francis Li and the Adviser of this project, GLC Senator Ada Po.

(c) Liaison Project with Other Organizations

16. To strengthen the social network of Hong Kong Jaycees, a liaison project with Lions Club, Round Tables and Wisemen's Club was held on 3 May at the Ocean City Restaurant. The works and achievements of each organization were introduced during that evening.

International Affairs

(a) Reception of Overseas Guests to Inaugural Ball

Our Hong Kong

Our Concern

17. This year's Inaugural Ball was well attended by a substantial number of overseas Jaycees. The whole external team joined hands in showing our warmest welcome to our guests which included receiving and bidding farewell at the airport, arranging dinner receptions and warm hospitality during the ball.

(b) Joint Directors' Meeting

18. A Joint IA Directors' Meeting was held on 9 February. Two speakers were invited to enrich directors' knowledge on international affairs. Mr Tam Siu-cheung, a China expert, talked about the recent developments in China and what Jaycees could do to ensure a smooth transition to 1997. PNP Senator Sunny Yu explained to the chapters the benefits of bidding for the hosting right of the World Congress in 1993. Participation from chapters was satisfactory and NOM and LOMs had exchanged some useful ideas on the development of the international area of opportunity.

(a) To provide opportunities to realize friendship and brotherhood of nations and to enhance understanding of culture of different nations through participation.

(b) To provide opportunities to strengthen and ties with other countrymen in socio and economic aspects.

(c) To promote the image of Hong Kong.

21. JC Peter Lo has been appointed Chairman of the Department with JC Thomas Kwong, JC Ricky Tsui, JC Addy Cheong and JC Jennifer Cheng as Vice-Chairmen. The Department has been handling all receptions of overseas Jaycees as well as the All China Youth Federation since then. Besides, it has organized a seminar on the purpose and procedures in the signing of sisterhood pact.

(e) Business Network Club

22. To enhance and strengthen the business opportunities of our Jaycees members, a Business Network Club has been set up under direct supervision of NVP Wilfred. JC Davis Kwong has been appointed Chairman and JC Andy Yuen Vice-Chairman. For details, please refer to NVP Wilfred's report.

(f) Visit to Punyu (番禺)

REPORT FROM NATIONAL EXECUTIVE VICE PRESIDENT (INTERNAL) - EDDY WONG

1. FOREWORD

It gives me great pleasure to report to the General Assembly as the capacity of National Executive Vice President. The post of a NEVP is new to this organization. To me, it is also a new kind of challenge. In 1991, my major responsibilities are to supervise the assigned area activities and to provide assistance to National President when required. The workload of this post is relatively heavy since it involves many of the down to earth work.

2. ASSIGNED AREAS

2.1 Appointments

Vice Presidents: JC Ronald Ho
JC Paul Wong
JC Marco Chan

Directors: JC Kendy Yau (Publication)
JC Carisma Yu (Membership)
JC Peggy Yen (Training)

Our Hong Kong

The assigned Vice Presidents are responsible for assisting the assigned LOM development and also provide assistance to National Directors in respective areas.

Our Concern

The National Directors are responsible to implement all the projects and related matters in their respective areas.

2.2 Training

National Training Director Peggy Yen is very independent who can manage most of the area work and from time to time NVP Marco Chan also provides his assistance to her in order to make all the work and projects run smoothly throughout the year.

In addition to the usual LOM Officers Training School and mid-year National Training Workshop, we also initiated the NOM Officers Training School, "Leaders among Leaders" Seminar series for LOM Board Members, and a revised Training Handbook to be sold to all JC members.

Telecommunication
Enhancing
Global
Understanding

Copying by Courtesy of Rank Xerox

Through the coordination with all LOMs, we found that the LOMs do not have a clear direction in organizing training projects for their members. Thus, the NOM also set up an Ad hoc Committee on Training to investigate the past performance of Training Area in HKJCC and to recommend long-term training strategies for HKJCC to follow in the coming years. Upon the adoption of the recommendations from this committee, a "Training Department" may be established for the long term development of training for this organization. With the capable leadership of Chairman Valerie Cheung, the preparation work were running smoothly and effectively during the past few months.

It is also very encouraging that the response of the first local JCI endorsed Training Course - PRIME was very satisfactory and reflected that the Jaycee members are willing to share their experience with other inexperienced members and to serve the organization in the future.

2.3 Membership

Our Hong Kong

Our Concern

National Membership Director Cariann Yu is very enthusiastic and hardworking so she manages all the new members affairs very efficiently. The tedious record-keeping and frequent follow up work with LOM Membership Directors had been taken up much of her valuable time this year. NVP Paul Wong is also actively involved in this area to keep the work progressing in accordance with our schedule. In 1991, we can still maintain the same membership level as compared with last year due to the significant drop out of members in some chapters.

Membership work is a long-term and continuous challenge to this organization. Even though if we successful promote this organization to the public and attract many new blood to join, we still need to create opportunities for them to participate and to involve them in LOM activities. Otherwise, it is hard to retain them as members. If we compare the number of Prospective Members and the actual number of inducted new members during the past two years, it easily reflects that the problem of retention of PMs in most LOMs is very serious. To keep up and improve this situation, it really requires the cooperation between NOM and LOMs to enforce a better PM taking care scheme. Otherwise, we are creating successor problem to ourselves.

Global
Understanding

2.4 Publication

National Publication Director Kendy Yau is very diligent and hardworking and NVP Ronald Ho is a very good team member who provides a lot of assistance to produce the National Newsletter for us on time.

In 1991, we have modified the layout of "Harbour Light" and tried to incorporate our major emphasis theme "Our Hong Kong, Our Concern" in it by exploring some critical issues of Hong Kong in six issues of "Harbour Light" this year.

Throughout the year, we have found that it is generally very difficult to recruit members to participate in the editorial committee in both NOM and LOM level. If this situation persists, the standard of the newsletter in Jaycee circle cannot be kept up eventually. I hope all Jaycee members will treasure the opportunity of publishing a good newsletter and participate more in this kind of committee.

3. SPECIAL ASSIGNMENTS

Our Hong Kong · Our Concern

3.1 Membership Survey

I accepted this assignment since March, 91. Starting from that time, I have tried my best to structure the content of the questionnaire and sought for advice from senior members. The questionnaire was distributed to all Jaycee members in May. After one month time, we have totally collected around 150 copies from all members. This survey can help the NOM understand more about the members' opinion on Issues in Hong Kong and Jaycees. The result will be announced in the last issue of "Harbour Light" for members' reference.

To make this survey assignment complete, I have to express my thanks for PNP Junia Ho's advice and the clerical and data processing assistance from JC Mariana Tse and JC Anthony Au Yeung.

Understanding

3.2 One-Plus-One Support Election '91 Campaign

This assignment was allocated to me since June this year. The success of this project depended very much on the cooperation of all the NOM board members and all LOMs since there was not a special committee to take care of it. During the four months preparation, most of the NOM board members had shown their commitment to Jaycees and fulfilled their duties as assigned so as to make this project a success.

This project is part of the "Youth in Action" Campaign and is to respond to the first ever direct election of the Legislative Councillors in Hong Kong. By organizing this project, the Hong Kong Jaycees not only show our commitment and concern to the community. but also encourage the Hong Kong citizen to exercise their right to vote for the right candidates. Generally speaking, the project achieved its objectives and enhanced the image of Hong Kong Jaycees to a great extent.

As the coordinator of this project, I was very proud that we can mobilize about 300 JC members to participate in this meaningful event on 15th September, 1991. I hope the spirits can further extend to other areas in the coming future.

4. OTHERS

I had been invited as speakers for the following seminars/workshops:-

1. Officer Training School, organized by Peninsula Jaycees;

5. CONCLUSION

Being a NEVP this year is another good experience to me because I can explore more areas of opportunity to exercise my leadership and management skills and at the same time serve the organization as a senior officer. I treasured very much the time I spent with all the hardworking and smart Jaycee members and appreciated very much all those who have rendered their utmost support to make all projects a success during 1991.

Taking this opportunity, I would like to thank our National President Daniel who gave a lot of opportunity and freedom for me to perform my duties. And I would also like to send my sincere appreciation to all the Project Chairmen, National Directors, and National Vice Presidents whom I worked very closely this year. Without their support and dedication, my job of NEVP would not be as easy as this.

NATIONAL CONVENTION
REPORT FROM NVP MARCO CHAN

A. JOB DUTY

As a NVP under the new structure of the NOM Executive Board, m
major duties are of three folds:

1 To work with the Executive Board to formulate policies of the H.K.J.C , taking into consideration the believes of J.C., the policies of JCI, the recommendations of the Long Range Planning Committee of HKJC, the needs of local chapters, the relationship with the Government and other organizations, and other internal and external factors.

2 To act as a bridge for effective communication between NOM and three chapters, Harbour, Bauhinia and North District Jaycees Through participating in their meetings and activities, I tried to understand their strengths and weaknesses, and where appropriate, give friendly advice on LOM management.

3 To assist NEVP (Internal) to supervise NOM Training Commission and NOM training projects.

B. NOM POLICIES MAKING

Our Hong Kong

Our Concern

Through formal meeting and informal discussion, I participated in the policy making of HKJC in the year 1991. Major issues included deciding the year plan and budget, deciding major theme for the year, appointing NOM directors and officers, deciding major NOM projects, bidding for 1993 World Congress, deciding communication channels with LOMs, relationship with JCI, overseas NOMs, Government, other local and international youth organisations, introducing commercial items to members (at bargain), JC office administration, etc.

C. AS ASSIGNED NATIONAL OFFICER TO CHAPTERS

I was assigned to liaise with Harbour, Bauhinia and North District Jaycees. During the term of office, I tried my best to attend their Board Meeting, monthly meeting and other large scale activities, and tried to bring them up-to-date information from NOM However, due to the busy engagment of my business, I managed to attend only a limited number of such activities. I had to be very selective, concentrating my time to the chapter who needed my assistance most. I appologize for being unable to be present physically always.

Semi-annual reviews were done with the three Chapter Presidents to share LOM management experience Actual effort was put, although not great, to help some chapters, especially in guiding Ex-com members and training new members.

Enhancing
Global
Understanding

As far as the three Chapters are concerned, I have the following overall comments:

1 Chapter Presidents

The Chapter Presidents are all devoted and enthusiastic. They put most of their leisure time in J.C. However, they would have performed their role more effectively if they they had received more training on Chapter management. This include strategic planning, human relationship, motivational skills, public speaking and creativity.

2. Ex-com. Members

Generally, they lack sufficient experience and vision to act as top management of a chapter The most common problem generated from the fact that they came from projects: they were successful project chairmen or directors whose major duty is to supervise projects. When they rise to the top management level, they tend to concentrate on project details where they were most familiar with. By doing so, their work overlaps with the Directors' In fact, they should be trained to adjust their mind to a higher level. They should delegate the project management task and take up the more challenging job as general managers. They are now strategy makers of the chapters They are PR men They are personnel managers of the Board of Directors. They are trainers as well as motivators, and they are creators of the Chapter.

Our Hong Kong.

Membership Extension

Our Concern

This is a general problem for the Chapters. Major reason is lack of effort and skills. Obviously most Chapters know of this problem, but resources (e.g. Board's time, financial resources and manpower) are seldom allocated to solve it. There is insufficient training on selling skills for the relevant officers. Poor prospecting method, fact finding and presentation skills undoubtedly spoiled abundant potential members. Improper selection process, on the other hand, brings in 'wrong' members who leaves very soon

4 Membership Retention

Little attention, if any, is given to this important aspect. There is always a Membership Extention Director, but seldom a Membership RETENTION Director. Most top management of the Chapters concentrate too much on task: projects, projects and projects, and ignore the human aspect Even membership retention projects are often held for the sake of projects: because they appear in the year plan! Strange enough, these kind of projects are often called "PR Projects"!

Telecommunication
Enhancing
Global
Understanding

Copying by Courtesy of Rank Xerox

All in all, should the Presidents be better trained, should th Executive Board members step out of their comfort zones and play the "top" roles they should play, should the top management rationalize bravely the number and size of projects should the Chapters refocus on selling the Chapter to high quality young people and taking care of the needs and feeling of their members, and above all, should the assigned NVP (i.e. me) have sufficient time and experience to share all this with the Chapters, they would certainly be much more successful thar what they are now.

D PARTICIPATION IN NOM TRAINING COMMISSION

The NOM Training Commission formulated its direction as follows:

1. Organize high quality training for existing and potential NOM & LOM officers only.

2. Co-ordinate training projects of the seventeen Chapters so as to avoid overlapping or missing of necessary topics

3 To study the long-term direction of training of HKJC as a whole, including setting up of a Training Department.

For details of (1) & (2), please refer to National Training Director Peggy Yen's report. For (3), please refer to Training Department Ad Hoc Committee Chairlady Senator Valerie Cheung's report.

Our Hong Kong

. E. VOTE OF THANKS

Our Concern

In concluding my report, I have to thank all HKJC members for giving me such a valuable opportunity to act as one of the NVPs. This year's experience broadens my vision a lot and gives me much satisfaction Secondly, I have to thank NP Senator Daniel Chau and my superior NEVP Eddy Wong for their guidance and tolerance. The Presidents of the three assigned Chapters, Paul Cheung, Winnice Ng and Raymond Yu are given special honour for their commitment and performance during their presidency. Executive Board members and Board members of the three Chapters should also receive high credits for their leadership. Last but not the least, my heart-felt appreciation goes to my colleagues in the NOM Board and NOM Training Commission for their kind support.

F. LOOKING AHEAD

The unselfish support of my beloved wife, Esther, my best friends, my manager, Past NP Senator Y.K. Chan, my colleagues are always my source of energy to serve Jaycees. In the coming year, while I shall spent more of my time at home (my wife and me are expecting our first child early next year) and in my career (we are going to build the most successful team in my

REPORT FROM NATIONAL VICE PRESIDENT - RONALD HO

This year I was assigned to look after the Publication Area and three chapters, namely Hong Kong Jayceettes, Queensway and Shatin. I also took up special assignments like the NOM Officers Training School and the Membership Privileges Schemes.

1. ASSIGNED CHAPTERS

1.1. Hong Kong Jayceettes (JTT)

JTT has had a smooth and successful year. Many of their projects received very good response from within and outside the JC circle. Some projects, like the 'Foreigners Speaking Putonhua Competition' and the 'Newspaper Cutting Competition for Youth' also drew a lot of publicity in the media.

Through these interesting programs, JTT has been able to recruit many new bloods of high calibre. The financial condition of the chapter is strong.

The chapter and their members won three awards in the May ASPAC Conference including the Most Outstanding LOM Award.

1.2. Queensway Jaycees (QJC)

QJC is a group of young and energetic members. That is why they continue to produce projects of good standard and varied nature.

Our Hong Kong

They were awarded in July a Certificate of Merit by the Civic Education Committee for their 1990 project 'Civic Education - Drama Competition'. QJC also won two awards in the ASPAC Conference by the same 'Q-Mark' training project.

Our Concern

The financial situation of the chapter is sound. As many large scale projects of QJC will be launched between September and December, more efforts are still required.

1.3. Shatin Jaycees (SJC)

SJC faced the problems of losing a number of experienced members in the beginning of the year. Fortunately membership picked up satisfactorily in the following eight months.

A co-ordinated effort was made to strengthen SJC's presence and community involvement in the Shatin area such that a joint project will be held by SJC and the Shatin 'Clean Hong Kong' Committee.

The financial situation of the chapter is satisfactory but the cashflow is tight at times. Similar to QJC, a number of big projects will still be launched towards the last quarter of the year.

2. ASSIGNED AREA - PUBLICATION

The 'Harbour Light' was published in February, April, May (a bumper issue) and July. Two more issues will be distributed in September and November (another bumper issue).

Special editorial teams are formed only when the bumper issues are being prepared. The relative National Officers are responsible for all the other issues. The 'Harbour Light' takes a bright new look this

year and a 'Feature Article' column containing interview reports on current affairs appears in every issue.

'Harbour Light' is given the additional responsibility of raising funds for NOM through the placement of advertisements.

3. SPECIAL ASSIGNMENTS

3.1. NOM Officers Training School
This is the first time that a specific orientation and training program was arranged for elected/appointed National Officers. Both JC knowledge and general sales/management techniques were covered in this one-day event (Jan 6).

3.2. Membership Privileges
New World Paging offered all JC members a 50% discount in the price of the pager and concession in the service fee.

Another special offer from a computer firm is being worked out and members will be notified through forthcoming circulars.

4. ACKNOWLEDGMENT

Taking this opportunity, I would like to thank the followings:

NOM Officers Training School - PA Senator Junia Ho, NIPP Senator Larry Lau, Mr. Ronald Fung

NOM Publication - JC Cynthia Soong, JC Vivian Chan, JC Ezekiela Poon, JC Joanne Tsui, JC Derek Kwan and JC Carol Liu

Goals

This year, Besides Normal International Affair of Hong Kong Junior Chamber of Commerce, I was assigned to set up the Business Network Club and the International Affair Dept. During the JCI World Congress at Puerto Ricco in 1990. The idea of forming a Junior Chamber International Business Network was adopted. In response to this issue, and in view of the better business image created for the Hong Kong Jaycee, the Hong Kong Junior Chamber of Commerce is forming a "Business Network Club"

Due to the enormous oversea visitors from aboard and China. And also to prepare the bidding for the 1993 Hong Kong World Congress.We need to train up a group of JC who are willing & interested to participate in International Affairs. Therefore, we set up the International Affair Dept.

NOM Projects & Activities

Many international projects and activities have been and will be carried out this year in order to meet the above mantioned goals. I list them out for your reference.

- International Affair Seminar
- JCI President and VP reception.
- Cebu Asian Pacific Conference
- joint Directors Meeting
- Helsinki World Congress
- Business Network Club's formation & set up.
- regular meetings with International Affair Dept.

LOM International Activities

I am pleased to see that many LOMS have organized various international activities this year. There were sisterhood pact and friendship pact establishments, oversea visitations and receptions. Cultural & business exchange programmes.

3]Assigned LOMS

I was assigned to supervise Lion Rock Jaycees and Peninsula Jaycees. My duties are to coordinate and assist the development of these LOMS. Through attending their board Meetings, monthly meetings & projects,I have fried my best to offer advice and assistance to the LOMS.

Our Hong Kong

Our Concern

a. Lion Rock Jaycees

This year, under a very agressive board of directors & president, Lion Rock Jaycees progress a lot, especially in membership growth. However due to shortage of finance and sponsorship. A planned large - scale project cannot be carried out smoothly. Advice has been given for the coming board to get more fund. On the whole more training should be given to the board Members & more efforts should be put in cultivating successors of the LOM.

b. Peninsula Jaycee

Under the capable leadership of President Cindy & the aggressiveness of the board members.A lot of meaningful & large scale projects were finished & they received good comment from Jaycees as well as the public such as ("同根同心建香江,傳媒衛擊男與女") Peninsula Jaycees also got no difficulties in soliciting sponsor due to strong suport from LOM members & past President.

Membership growth was average on the whole . It is another succesful fruitful year for Peninsula Jaycees.

4]Conclusion

It has been a valuable experience in serving the Hong Kong Junior Chamber of Commerence in NOM Int'l Area. I treasured the opportunities working with the members in LOM & NOM. In this year, I am glad that International Affair Dept and Business Network Club can be formed, although there are diffculties during the course.

Taking this opportunities, I would like to thank NP Daniel for his support & guidance & act as the advisor of the International Affair Commission.

2.2 Projects and activities

"Youth in Action" Campaign

Nine Hong Kong Organisations, all composed of or concerned with young people, are convinced that there is an urgent need for our younger generation to make a greater contribution to the life of Hong Kong, to take a more positive part in the community's affairs today and be centrally involved in setting our society on the right path for the future. With this objective, a "Youth in Action" Campaign are launched which we hope will give impetus to an important step forward for the young people of the territory.

The other organisations include the Outstanding Young Persons Association, Lions Clubs International District 303, the Hong Kong Federation of Youth Groups, District 3450 Rotary International, Caritas - Hong Kong, the Boys' and Girls Clubs Association, Hong Kong Christian Services and Community Youth Clubs.

We also took part in the opening ceremony of this campaign which was in the form of a concert held in Hong Kong Stadium on 7th July, 1991. This concert attracted over 20,000 youngsters to join. Over 300 Jaycees were involved in this project as well.

15th September, 1991 is the first ever direct election in the Legislative Council level. Hong Kong Junior Chamber of Commerce fully supports the movement of democracy in Hong Kong and we believe vote is power.

Over 200 Jaycees were mobilized in this project. Over 200 Jaycees each wearing a unified T-shirt bearing the slogan "Support Direct Election 91" gathered together at the Piazza of Cultural Centre in the morning of 15th September. A solemn opening ceremony was officiated by National President Daniel, Constituency Secretary Michael Suen, Winners of the 1991 Miss Hong Kong Pageants, and other celebrities of Hong Kong.

The 17 local chapters were then went to their selected election districts to promote the campaign. Stickers and press marks were distributed to pedestrians to remind and to encourage them to vote not only themselves but to accompany at least one of their friends to vote.

We do not represent any political party. We just asked them to exercise their right & power to vote.

A moving billboard was also arranged to route around throughout the territory from September 11-15.

This project was well recognised and applaused by the Government. Hope that the social status of Hong Kong Junior Chamber of Commerce can be enhanced.

HONG KONG JUNIOR CHAMBER OF COMMERCE

REPORT FROM NATIONAL VICE PRESIDENT - PAUL WONG

Time flies. The cool autumn comes closer and closer. With the falling leaves in front of me, I try to recall things that belong to yesterday. The weather turns cooler but I have no fear. I try to keep myself warmer. Then bravely, once again I'm on my --- way.

The progress of the Membership Extension Area this year is satisfactory. Apart from the 5 scheduled NOM Orientations, a survey in the form of questionaires was also carried out, hoping to find out causes of membership drain and at the same time seeking solutions for it. These orientations were organised by Tai Ping Shan, City, North District, Queensway and Jayceettes respectively. Members of these LOM took the advantage of working together to strengthen their tie and provide more training opportunities for New Prospective Members.

Major topics of the orientations were mainly focused on the history of JC, training opportunities for Jaycee members, relationship with society both locally and internationally, human relationship, etc. They were really precious opportunities for Jaycee training as all prospective members could learn and practise at the same time. I would like, therfore, to show my gratitude to the above LOM for organising these orientations and the guest speakers for their participation.

Our Hong Kong . Our Concern

Information collected from the survey brought forth the "Care Our PM Scheme". We hope that all the 17 LOMS will make use of this new scheme to show their concern for the prospective members. As a matter of fact, most of the LOM did adopt the new scheme during the past few months and achievements were obtained, which is really worthy of congratulations. We truly hope that the 17 LOMS will carry out this scheme earnestly at the Board meeting, and that it could be incorporated as a general regulation for the prospective members in the Board.

This year, the NOM has had in mind that membership would reach 1,200 at the Helsinki World Congress. There are 1,127 members at present. A slight increase in the number is anticipated during this year. Coupled with the Jaycee Week to be held later and the completion of the Legislative Council Direct Election, we believe that there will be even more new prospective members.

Telecommunication

Understanding

Our Hong Kong

Our Concern

There have been a serious membership drain presently, one of the reasons being the discontinuance of membership of those members reaching the age of 40. Therefore, forming the "Senior Members Club" should really be under serious consideration. SMC provides the chance for members above 40 to continue their membership. They can also help in the training of other members by teaching them what they have learned from the Jaycee through the years. In this way, experienced members can be kept with us. In a society of utilitarianism such as Hong Kong, keeping an experienced person really means increasing capability. Opening up new areas no doubt is time-consuming. It may be necessary to remove certain obstacles. In fact steps were taken to form SMC previously, and some of the members above 40 were involved in them. Club regulations, membership requirement, membership fee, objectives of the club, etc were preliminarily drafted.However, due to insufficient effort to promote the scheme and the fact that it is almost year end now. I hope that the NOM will seriously this aspect in the coming year.

I have been designated to assist the City and Ocean Jaycees in their general affairs this year, which in a sense increase the contact between NOM and LOM. I sincerely thank these 2 LOM for their cooperation. Members of these 2 LOM are devoted and enthusiastic, but lack sufficient Jaycee training. I hope that they will be able to undergo such training as leadership, Jaycee Protocol, meeting procedures, human relationship, management technique, etc. At the same time, I hope that before joining Jaycee, members could ascertain the areas that they are interested in and want to learn, and then major in the aspect that they are particularly good at amongst all the training. With this in mind, you can surely get what you want.

Finally, I have to thank this year's Membership Extension Director Carrian Yu and NEVP Eddy WONG for their kind assistance during these few months so as to enable me to deal with the Association's general affairs smoothly. I would like also to thank the following guest speakers for their participation in seminars organised by Jaycee this year-NP Senator Daniel CHAM, Senator Justin WONG, NIPP Senator Larry LAU, Senator Caroline KEUNG, Senator SAN Steven WONG, Senator SHUM Tin, Past President Davis KWONG, Senator Maureen Chu Lo, etc. - and all those members who have assisted me this year.

All the best.

As a National Officer this year, I have got the chance to understand the scope of the Jaycees Organisation to a further extent of which the ordinary member may not be able to enjoy this privilege. I have a very enjoyable year and I do treasure the knowledge and experience gaining from the position of National Secretary General.

I would like to thank my Supervising Officer NGLC Ada for helping me in training up the Chamber Office staff; my director, JC Edward, who has spent many many of his precious leisure time in putting the Library into shape; all the Chamber Office staff for their dedicative work; and NP Daniel's advice and support throughout the year. Last but not the least, I would like to thank for all the NOM Officers and LOM Presidents for their co-operation.

REPORT FROM NATIONAL TRAINING DIRECTOR

It is an objective of the 1991 NOM to direct and co-ordinate training at NOM level such that efficient and effective training can be given to members as a whole, and it is happy to see that the year ends satisfactorily.

(1) LOM Officers' Training School

This annual training program was divided into two parts :

a. LOM Presidents' Forum was held on December 9, 1990. There was a total of 15 LOMs Presidents, 8 NOM Officers as well as 5 chapters' officers attended this section.

b. LOM Officers' Training School was held on January 13, 1991. This section was well-attended by 171 participants. Various topics in JC management were covered in this one-day program.

Also, a NOM Officers' Training School was designed and organized for the 1991 NOM officers on January 6, 1991. Past National Presidents Senator Junia Ho, Senator Larry Lau as well a very experienced speaker, Mr. Ronald Fung were invited as speakers.

(2) The Great Trainers' Program

Our Hong Kong

Our Concern

In order to assist all LOMs in planning their training programs in the most effective way, the 1991 Commission has compiled a listing of experienced trainers and speakers both inside and outside the JC organization. Copies were sent to LOM Presidents for reference.

(3) Leader Among Leaders' Seminars

In view of the fact that many LOMs' board members were relative green and inexperienced in LOM management and other related skills, NOM has initiated a comprehensive training package in March and April this year, which contained seminars catered towards the diverse needs of members at various stages of their JC career. Topics included were Mind Mapping, Goal Setting, Project Management and Chairmanship, JC Protocol and Parliamentary Procedures. These topics range from those of specific JC knowledge basically required by all members to those of management and leadership techniques and of personal growth which are not only applicable to JC but also to the members' personal and professional endeavours.

(4) Ad Hoc Committee - Training Department

With an objective to investigate the possibilities in setting up a permanent Training Department in NOM level. An Ad Hoc Committee, which was appointed by NOM in April this year, consisting of very experienced and resourceful JC members. Under the chairmanship of JC Valerie Cheung, other members included were Senator Connie Chiu, Senator Petrus Yung, Senator Paul Chan, Senator Eric Yung, NVP Marco Chan and JC Bassanio So.

This Committee takes front-line responsibility in collecting feedbacks from members of 17 chapters on the training needs which constitute to the direction of development of the department. This is a concept that will provide the organization with an administrative as well as a motivational and creative impetus for training and development activity. Sets of recommendations prepared by the Ad Hoc Committee will be presented to the General Assembly at 26th National Convention.

(5) Another Milestone Another Breakthough

A two-day training programme was organised on August 17 and 18 with the aim to provide an intensive training programme to those Jaycees who were keen on contributing towards the promotion of JC movement in coming years. Topics included were Self-Awareness, Leadership, LOM Management and Project Management, Team Synergy, Challenging the changes. By involving the participants in group discussion, case study, games, and simulation exercises, most of them were motivated with high team spirit throughout the program. A total of 56 participants attended this workshop.

(6) Training Manual

A new edition of "Training Handbook" is published in October. It is intended to be a practical, quick-reading "how to" manual for members. While this book is addressed to the new JCs, the more experienced JCs will also find its contents useful as a review and refresher.

(7) PRIME - The JCI Instructors Course

In 1990 JCI's leadership created the flagship of the organization's training committment - the JCI Training Institute. This new approach is the evolution of the Training for Trainers course (TROT). With the approval of JCI, NOM organized a three-day pilot Prime course in HK from September 21 to 23, which was designed to members who have little or no experience in training but interested to develop themselves into qualified trainers. It was our honour to have invited JCI certified trainer, Senator Peter Sim, to whom we have to express our special thanks, acted as Instructor. Also with the assistance of the co-trainers, Senator Paul Chan and JC Caroline Keung, the course was successfully held. A total of 14 Jaycees, who were nominated by LOM Presidents, attended this course. This course was smoothly executed subsequent to the efforts of the Ad-Hoc Committee members.

(8) Joint Directors' Meeting

Two Joint Directors' Meetings were held in January and April respectively. Senior JC members were invited as speakers to share their experience in training area. The last Joint Directors' Meeting of this year will be held on October 29, 1991.

Our Hong Kong

Besides, a summary of all the training projects organized and to be organized by NOM/LOMs were sent to LD Directors and LOM Presidents on a monthly basis.

Special gratitute is extended to project chairmen, Anita Kwan & Jennifer Cheng and Ad Hoc Committee Chairman Valerie for their enthusiasm and perseverance which enabled them to achieve the major goals of the projects. Of course, other members of the committee had also contributed remarkably towards the success of the projects. HONG KONG JUNIOR CHAMBER OF COMMERCE

REPORT FROM NATIONAL COMMUNITY DIRECTOR

1991 saw the Hong Kong Junior Chamber of Commerce stepping out to the frontline of community development in Hong Kong. In the spirit of our major emphasis theme this year; "Our Hong Kong, Our Concern", the Junior Chamber took a proactive role in two very important community projects, namely "One Plus One - Support Elections 91" and the "Youth In Action" campaign. The initiatives that the Junior Chamber exhibited in these activities reinforced the fundamentals of community development — integrating collective Jaycees efforts to achieve social impact.

This report summarizes the key activities in the area of community development undertaken by NOM in 1991.

Theme Project - "One Plus One - Support Election 91"

To advocate voters' support for the first-ever LEGCO direct election in Hong Kong, a major campaign known as "One Plus One - Support Election 91" was launched in August and September this year. As part of the overall project, a general publicity program comprising a "One Plus One" newsletter and other promotional materials were sent to major community organizations and private corporations in Hong Kong. To widen the exposure of the campaign to the public, the Junior Chamber also promoted the project through a moving billboard which routed throughout the territory from September 10-15. The campaign culminated in a territory-wide promotion on election day, September 15, which was participated by 300 LOM members and NOM officers. Secretary of Constitutional Affairs Michael Suen officiated at the opening ceremony.

"Youth In Action" Campaign

Organized jointly with 10 other community organizations in Hong Kong, the "Youth In Action" campaign draws upon the youthful resources of the community to reinforce the message of positive value in the minds of today's young people. Fully supported by RTHK, TVB and Commercial Radio, the campaign kicked off on July 7 with the "Youth in Action Air-Land-Sea Relay" featuring celebrities Alan Tam and Jacky Chan followed by a concert which attracted some 30,000 people at the Hong Kong Stadium. The campaign, which will last until December 1991, also comprises a series of individual activities held by each organizer under the theme. The projects undertaken by the Junior Chamber are "One Plus One - Support Election 91" (August and September) and "Youth and the World Forum" (December). Presidential Advisor Junior Ho is a member of the Steering Committee of the Campaign.

Our Hong Kong

Our Concern

Directors Meetings

To promote the exchange of ideas regarding community development between NOM and LOMs, two directors meetings were held in February and May respectively. Apart from sharing information and experiences internally, experts were invited from outside to speak on various topics on the social and economic fronts.

REPORT TO THE GENERAL ASSEMBLY OF THE 26TH NATIONAL CONVENTION FROM NATIONAL RECORDS & RECOGNITION DIRECTOR EDWARD TSE

1991 is a rewarding year in my Jaycee career. As the Records and Recognition Director of the Hong Kong Junior Chamber of Commerce for the year 1991, I have much pleasure to present my report to the General Assembly as follows: -

1. Award Manuals

1.1 Award Manual for 1991 National Convention

The Award Manual for 1991 National Convention had been revised, updated and distributed to NOM officers and LOM Presidents in February. All the information of this Manual were stored into computer for easy reference and presentation in the future. Apart from the general updating of information, some major amendments were suggested and were adopted by the National Board.

i) Group A awards A3/A4, Presidential Award of Excellence to NOM Excom member and Director or officer were to be nominated by the National President omitting the necessity of bidbook submission.

ii) Group C special Awards (For LOMs) are to be selected by NOM Excom members instead of by Judges nominated by LOMs.

iii) Pre-entry information requirement is deleted.

Our Hong Kong

Our Concern

1.2 Award Manuals for JCI ASPAC Conference 1991 and JCI World Congress 1991

The Award Manuals for 1991 ASPAC Conference and JCI World Congress were distributed to LOM's Presidents and NOM officers upon receipt from JCI. All the important items and amendments were highlighted by the National Records and Recognition Director in separate letters to arouse the readers' awareness.

2. Library

The moving of The HKJCC Chamber office to the current premise had created and provided a chance to re-organise the collections of the JC library. This new scope of work of the Records and Recognition Director is certainly one of the most tedious assignment of his life, to go through all the documents, old files and to ensure that the book shelves are not to be over-crowded with out-of-date materials and data. As advised by National President, project files and information, if after detailed and thorough scrutiny, are found to be out-dated or duplicated should be disposed. Regrettably, the documentation work cannot be carried out continuously in the past eight months due to other assignments, either in the original scope of work in the Records and Recognition Commission or to the helping out in other area of the National Board. Library is expected to be open for members use by the end of 1991.

3. Joint Records and Recognition Directors Meeting

A joint Secretary and Records and Recognition Director Meeting were held in March 1991. The LOM Directors were briefed on the content of the 1991 Award Manual and opinion were exchanged. Senator Connie Chiu was invited to speak on 'Bidbook Compilation' during the meeting.

5. **JCI World Congress 1991**

6 **Seminars**

6.1 NOM's Seminar

The "Award Judging Seminar", to be attended by all the Award Judges for 1991 National Convention, will be held on 2nd October. National Presidential Adviser, Senator Junia Ho has kindly accepted the invitation to be the guest speaker sharing her valuable experience in Award Judging.

I) A "Bid Book Seminar" was hosted by the HK Jayceettes on 6th April to enrich JC members' knowledge on how to prepare a bidbook. Senator Connia C Lo were invited as the guest speaker.

ii) Further to the success of HKJCC in Cebu Conference in which we won a total of 7 awards, The HK Jayceettes organised a seminar known as the "Bidbook Showcase" on 22nd June. Bidbook submissions to Cebu were presented during the function to exchange opinions on bidbook preparation. The three Award Judges representating HKJCC in the Cebu Conference were invited to speak on their judging experience.

iii) A third seminar on bidbook preparation was organised by the Peninsula JC on 17th August. Senator Wallace Yuen and Senator Connie Chiu were both guest speakers on the topic.

7 NOM Officers attendance list

An attendance list registering the attendance of all NOM officers to all NOM functions were tabled at all NOM Board Meetings by the Records and Recognition Director for record and evaluation purposes.

8 Other Assignment

8.1 'One-Plus-One support Election 91'

Our Hong Kong

Our Concern

The "One-Plus-One, Support Election 91" Campaign, being one of the biggest event in the NOM 1991 calender, encourage every NOM officer to participate. The National Records and Recognition Director was assigned to prepare an information kit containing information and activities of our "One-Plus-One" Campaign. The kits were being mailed to about 300 big business organisations, professional societies and Government bodies. The purpose is to persuade these organisations to encourage their members and staff to take part in our activities and to arouse their interest in the election.

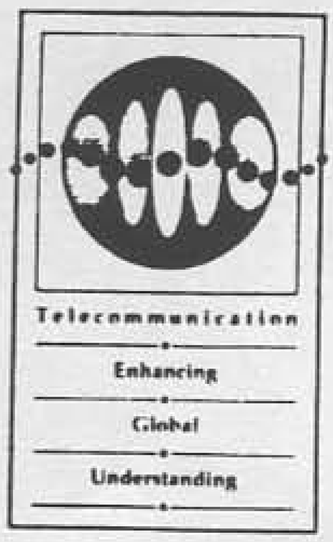

The National Records and Recognition Director was also responsible for the arrangement with Commerical Radio to promote our Campaign. As a result, our message was being broadcasted on the radio and National President Daniel interviewed live on air.

8.2 NOM Press Conference

The Records and Recognition Director was one of the committee member of the 'NOM Press Conference' organising committee responsible for all logistic matter.

8.3 On-to-Fukuoka Children Convention

Apart from looking after the local transportation of the children selected to attend the Fukuoka Children Convention, the Records and Recognition Director was responsible for directing all the seminars and activities in the 'Preparation Camp' in Wu Kai Sha.

8.4 Presidential Assistant to National President in the Cebu Conference

Apart from being one of the Award Judges in the Cebu Conference, I was appointed as one of the Presidential Assistant to National President Daniel in Cebu and was the coordinator for NP Daniel in the NOM Presidents Forum and the Opening General Assembly.

I was also the Master of Ceremony in the very successful Hong Kong Nite.

Conclusion

This year has been a very special year for me, working alongside some of the most devoted JC members in the National Board. I treasure very much the training opportunities that have given me but will also remember the amount of effort and time that I have dedicated.

Taking this opportunity, I would like to extend my deepest gratitude and appreciation to my supervising NSG Helen Yu and GLC Ada Po, for all their patience and guidance. My sincere thanks also go to NP Daniel and all the rest of the National Board, for all their encouragement and advice, and finally, my mother chapter, Ocean Jaycees, in their continuous support and evaluation.

IV FINANCE

Our Hong Kong

Our Concern

The LOM's financial position continued to improve in 1991. Fund Raising project "Film Show Gala" raised some HK$42,000.00 for the Chapter. The Silver Jubill Ball made a surplus of about some HK$50,000.00 again. Moreover, most of our projects are self-financing and adhered to the budgetary control policies. The Chapter's financial situation is considered sound and healthy. An Ad.Hoc Committee was formed with Presidential Advisors to study the possibility of setting up a Trust Fund for the Chapter.

V PROJECT AND ACTIVITIES

1. Community Opportunity and Youth Activities

1.1 To arouse public awareness of the genuine contribution towards the community from our senior citizens, the LOM held a very successful project "Meaningful and Fruitful Life" by which five outstanding senior citizens were selected to be "Ambassador". They visited Taipei to compare its the Social Welfare System with that of Hong Kong.

1.2 "Visit to Zhujiang Delta Economic Zone" was another successful project jointly organized with our Sister Chapter, Taipei Jounior Chamber. Total participants including Taipei Jaycees were well over 60. Through this visit, we were given a more informative picture on Mainland's Economic Zone. It rebuilt the understandings and confidence among people in Taiwan, Hong Kong and P.R.C.

1.3 "Shell/Island Jaycees Scholarship for the Disabled" project has been carried out consecutively for years. This year will be its 10th Anniversary. Island and the other five co-organizers will continue to form a screening committee to select 10 outstanding disabled students recommended by school principals. Awardees will then each receive HK$1,000 cash, trophy, certificate of merit and souvenirs. Award presentation ceremony is scheduled in November, 1991.

2. Individual Opportunity

2.1 "Good in Communication, Better in Business, Best in Life" are the aims of the project "Interpersonal Communication Seminar". We have pleasure to invite two well-qualified guest speakers to give speeches on the topic about "How to build up one's business with good communication skill". Case study was also arranged for attendees. The project was so successful with a full house of some 120 participants, including members and outsiders.

2.2 Parliamentary Procedure Workshop
An orientation with major emphasis on parliamentary procedure was held on September 14, 1991. It attracted both members and prospective members having a valuable training opportunity for their further services in Island. The guidance from senior and experienced Islanders are so helpful that attendees could learn the effectiveness of meeting and chairmanship.

Our Hong Kong · Our Concern

2.3 Following last year, the LOM is going to repeat the project. "Cycling Tour to Zhong Shan", a round-trip cycling tour, HK-Zhong Shan-HK. It will commence on 19-20 October 1991. It gives us a very good Physical Training Opportunity.

3 International Opportunity

3.1 The "Meaningful and Fruitful Life" project is another good example that "dedication is rewarding" The project, jointly organized with Taipei Junior Chamber, was successfully held and had won the Most Outstanding International Affairs Award at ASPAC 91.

3.2 Island Jaycees, had achieved the largest delegation, in terms of numbers and percentage, at J.C.I. ASPAC Conference this year. This showed Islanders' enthusiasm and team spirit.

3.3 On May 18, 1991, we signed up a Sisterhood Pact with Straits Jaycees, Singapore at ASPAC Cebu Conference. Most HKJCC delegates together with other Asia Pacific Jaycees attended this event. HKJCC NP, Singapore Jaycees Past NP and JCI World President acted as our witnesses. The Signing Ceremony was so solemn that all of us were impressed.

3.4 A 3-day visit to Zhujiang Delta Economic Zone with Co-organizer, Taipei Jounior Chamber, was successfully held in July this year. This project attracted 36 Taipei Jaycees and 26 Islanders to join this economic study tour. All participants gained an invaluable experience in meeting, the high ranking officials of the Guangdong Province Foreign Trade Department of China.

3.5 The success of the Silver Jubilee Ball gave our members a good chance to meet our oversea visitors. We entertained two overseas NOMs, R.O.C. Jaycees and Macau Jaycees; all six Sister Chapters, Taipei Junior Chamber, Souel Junior Chamber, Straits Jaycees, Makati Jaycees, Bukit Mertajam Jaycees and Manilena Jaycees; one overseas LOM, the Pan-Mac Jaycees. We also met two very senior officials from government of mainland China. Total overseas delegates were about 100.This is the largest overseas delegates visiting Island so far.

4. Management Opportunity

4.1 As at end of August, 1991, the LOM membership had a total number of 61 members. the number of prospective members stood at 15. Much efforts were put to encourage members to recruit more new blood for the LOM.

4.2 Two Orientations were organized in March and September respectively. Each had attracted over 20 participants including young members and prospective members. Some new prospective members were recruited thereof.

Our Hong Kong

Our Concern

4.3 Apart from NOM's assigned new PMS, the LOM launched a competition campaign to encourage existing members to introduce new PMS and to follow up the new blood to become full members before the last board meeting. It is expected that the LOM would have achieved a membership growth of over 25% by end of 1991.

4.4 As for membership retention, Past Presidents and senior members were invited as Presidential Advisors. Experienced members were also invited to be Board Assistants and Projects Advisors to maintain their interests in LOM's activities. A Past Presidents' gathering was held in August.

4.5 The Ways and Means Project "Film Show Gala" had given a surplus of about HK$42,000 for the Chapter. It greatly improved the finance position of the LOM. For the 25th Anniversary Ball, a surplus of about HK$50,000 was also made, thus further strengthened the financial health of the Chapter.

A Sister Chapter Launch was held to entertain our Sister Chapter members. Internally, we have many informal fellowship gatherings among members. On the Other Sand, we joined together and had our every non-holiday Saturday luncheons regularly.

I would attribute the success to the dedication and diligence of my Board of Directors, the creative and hard-working project chairmen, organizing committee members and the endless supports from members. Special thanks should also be given to my Presidential Advisors and senior members for their kind assistance and guidance.

On behalf of Island Jaycees, I would like to express our gratitudes to our sponsors and patrons for their generosity toward the Chapter. Very important, deep thanks to my beloved half, Alison, who is so understanding and patient during my Presidency with Island.

Brotherhood builds bridge. Although so much had been sacrifice, I definitely gained invaluable benefits and experience from the LOM during my term of office. My relationship with the Chapter and its members will firmly be strengthened. It's a "honey-moon" experience. I can promise you that I would give my full support to my mother chapter in the coming years.

Report From President of Hong Kong Jayceettes

1. FOREWORD

To be the head of a dynamic organisation, one that is comprised of members coming from different backgrounds and occupations is no doubt not an easy task. It is especially challenging as there are many capable and outstanding predecessors in front of me, all of them have contributed significantly to the development of the members, to the prestige of the chapter and to the betterment of the society. Accordingly, I am very honoured and proud to be the President of Hong Kong Jayceettes and to put into action our slogan this year 'Community we care, experience we share'. Presented below is my report which I have great pleasure in submitting.

2.2 Hong Kong Jayceettes Trust Fund Committee

The 1990-1992 Trust Fund Committee was appointed only in Jan 1991 due to some unforseenable reason. We are grateful that Senator Maureen Chu Lo has consented to be the Chairman. Other committee members appointed are : Senator Elaine Cheung (Investment Manger), Senator Connia C Lo (Hon Secretary) and Senior member Winnie Yeh (Hon Treasurer). Senator Kitty Leung is the immediate Past Chairman.

Since the Board of Directors has adopted at the August Board Meeting that the accounting year of Hong Kong Jayceettes should end at 31st December instead of 31st July as in practice now, the Hong Kong Jayceettes Trust Fund Committee has been requested to consider changing their accounting year end to 31st December too. The Committee consented to such an arrangement. Accordingly, in such case, the term of office of the current Trust Fund Committee members would be extended to Dec 1992, to match with the change of the accounting year.

2.3 Long Range Planning Committee

Chaired by IPP Caroline Keung, the Committee is comprising of Hon Life President Senator Jennifer Yu,

3. MEETINGS

3.1 Executive Committee Meetings - Three meetings were held in Oct 1990, Dec 1990, Jun 1991 to plan for and to review the progress in LOM's activities, to evaluate the performance and to suggest for improvements. Two more meetings will be held before end of the year.

3.2 Directors' Meeting - One meeting was held in Dec 1990 to discuss and adopt the proposed plans of action in 1991.

3.3 Board of Directors' Meetings - They are held monthly at the Jaycee Office on every second Wednesday.

3.4 Monthly Fellowship Gatherings - They are held at various venues with prominent speakers and interesting topics. Besides the verbal reports from the President, a list of 'Up-coming Events' is distributed to members. Photos which show the recent activities and projects are exhibited. All these aim to share the LOM's news with the general members and to improve communications and relationship.

Our Hong Kong

Our Concern

3.5 Award Judging Committee Meetings - Meeting on the Award Judging System was held in January to adopt internal awards for 1991. Another meeting is scheduled in October to screen the entries for LOM's internal awards.

3.6 1991 Annual General Meeting - It was scheduled to be held on 28th September at the Excelsior Hotel to receive and adopt the reports from the 1991 Board of Directors and to elect the 1992 Executive Committee members.

3.7 Extraordinary General Meetings - Three meetings were held this year on 18th January, 6th February and 10 July respectively to consider and pass the special resolutions regarding the increase of membership dues and prospective members' initiation fee, the incorporation of the Chinese title 香港女青年商會有限公司 to the Memorandum and Articles of Association (M&AA) of the Hong Kong Jayceettes Ltd, and the amendments of the M&AA of Hong Kong Jayceettes Ltd. after consultation with Hon Legal Consultant, Ms Elsie Leung.

4. FINANCE

4.1 Patron - We were very grateful to have the continuous support from Mr K K Lau, District Manager of Success K K District, AIA Co (Bermuda) Ltd to be our Patron in 1991. Mr Lau donated HK$40,000 to support Hong Kong Jayceettes' 1991 activities and administration funds. Further, to honour Mr Lau's continuous support to our chapter for the past three consecutive years, it was agreed unanimously at the Joint Board Meeting in Dec 1990 that Mr Lau will be invited to be the Honorary Patron of Hong Kong Jayceettes from 1992 onwards subject to his consent at the beginning of each year.

4.2 Fund Raising - The Fund Raising Project "Glitter and Glamour Fashion Spectacular" was held on 31st August 1991. An estimate of HK$80,000 would be raised.

4.3 Overall Financial Situation - Most projects were self-financed. All areas are able to control their expenditure well within the allocated area budget. A time deposit was maintained to earn accumulated interest for the chapter. The overall financial situation is sound and healthy.

5. PROJECTS AND ACTIVITIES

Our Concern

5.1 Administrative Area

5.1.1 Function

The "Gift Wrapping Course" and "Bowling Course" in January, the "Easy Cooking Course" in March, the "Beauty Care" in April, and the "Swimming Course" from May to June provided relaxing time of various nature to suit members' interest. Three more functions were planned, namely `Flower Arrangement' in September, `Paper Clay Making' in November and `an outing' in December.

5.1.2 Membership Involvement

Newly designed birthday cards are sent to members and Snapshots are sent to the Honorary Members. Also, monthly fellowship gatherings are organised with good attendance.

5.1.3 Records and Recognition

Nine internal awards and five incentive recognitions were adopted at the February Board Meeting.

A Senatorship Screening was held in January and two nominations were recommended.

At our July Board Meeting, it was adopted to invite senior member Angela Ching to be the Honorary Member of Hong Kong Jayceettes in 1991 in view of her great contribution to our chapter.

A project called "Bid Book Seminar" was held on 6th April 1991 to familiarize members regarding the compilation of a good bid book. To echo with this event, a "Bid Book Showcase" was held on 22nd June 1991 which received strong support from other LOMs. Bidbooks from Dragon, Island, Queensway, Peninsula and Harbour were displayed and participants benefited a lot from the speeches of experienced award judges.

5.2 Communications Area

5.2.1 International Affairs

Our Hong Kong

Relationship with Sister Chapters were well maintained by regular exchanging of publications and greetings. Ten Jayceettes attended the JCI ASPAC Conference held in Cebu, Philippines in May 1991.

Our Concern

As the Permanent Secretariat of Asia-Pacific Lady LOM Council (APLLC), we had successfully assisted the Sampaguita Jaycees of Philippines to chair the APLLC meeting. It was attended by 6 APLLC Council Members out of 8, and with the kind presence of JCI President Senator Reginald C.J. Schaumans, 1988 JCI President Senator Jennifer Yu and the ASPAC Senate Chairman Senator Anamaria G. De Guzman.

The delegates also took the opportunity to visit Manila Jaycees after the Cebu Conference and we exchanged bidbook compilation experience.

Besides, Hong Kong Jayceettes formed a delegation to greet the Kaohsiung Jaycees on their 34th Anniversary in July. And Past President Senator Jennifer Chow also represented our chapter at the 24th Anniversary of Dhonburi Jaycees in May.

Good relationship is maintained with Sister Chapters and overseas JC.

5.2.2 Public Relations

The prominent PR project "Foreigners Speaking Putonghua Competition" was held successfully for the third consecutive year in Taikooshing on 13th July 1991. Dr The Hon Daniel C W Tse was invited as the Guest of Honour and the project was widely publicized by the mass media.

A press supplement was planned to be published in October 1991 to commemorate our 22nd Anniversary.

5.2.3 Publications

Our official publication is issued on a monthly basis to bring updated news to the general members both locally and at the overseas. It was awarded "The Best LOM Publication Award" at the Cebu Conference.

5.3 Community Area

5.3.1 Community Development

Our Hong Kong

Our Concern

The "Jayceettes Ambassador Courtesy Visits" has taken on a new name this year called "Ambassador Express". Besides sharing our love and care to the under-privileged in Hong Kong, we also want to promote and spread the spirit of this project to more far away places. Accordingly, the third visit was to visit a group of mentally retarded youngsters in Guangzhou. Other places we had visited this year include Cheshire Home, David Trench Home for the Aged and Kowloon Home for the Aged Blind.

5.3.2 Economic Affairs

A seminar namely "Fortune - Personal Investment Strategy" was held on 20th April which was well attended by 200 participants. Prominent speakers were invited to share their views on the following topics : "Global Economy - Analysis & Investment Recommendation"; "Prospect of Asian Stock Market"; and "1991 Investment Strategy on Hong Kong Property Market".

5.3.3 Youth Activities

The project, "I Read, You Read, Let's Do It" News Scrapbook Compilation Contest organised last year had received encouraging responses

Telecommunication
Enhancing
Global
Understanding

from both the parents and the general public. Therefore, it was considered worthwhile to organise the project again, but on a larger scale. Accordingly, we had the "Read More, Care More" News Scrapbook Compilation Contest this year. It was successfully launched with the Judging Day on 10th August at JC office, Award Presentation and Exhibition Opening Ceremony on 8th September at Shun Tak Centre with Mr Y T Li, CBE, JP, Director of Education as the Guest of Honour and also various exhibition dates in Hong Kong, Kowloon and the New Territories.

5.4 Membership Development Area

5.4.1 Leadership Development

1991 LOM Officers Training School was held in Dec 1990 at Caritas Centre to provide training to 1991 officers.
"Effective Lady Manager" Seminar was held again this year with three different speakers. This again attracted excellent responses, not only for the seminar but for membership drive too.

A two-day camp was planned to be organised jointly with Dragon Jaycees in November to balance our program via physical engagement.

Our Hong Kong

5.4.2 Membership Extension and Membership Training

Our Concern

Although we had successfully inducted 26 members this year, the membership as at 28th September 1991 is only 139. When compared to the membership strength of 136 at the beginning of the year, we are unable to achieve the 10% growth. This is due to resignation of members and deletion of unpaid members or members who reached the maturity of age limit.

So far, five Prospective Members (PM) Projects and three Orientation and Pre-Induction Seminars had been organised. Two more PM Projects and one more Orientation and Pre-Induction Seminar were planned to be organised later in the year. The Membership Extension and Training areas have been working hand in hand to train up new members.

In order to let our Prospective Members understand the training we provide better, it was decided that project management would be taught by supervisors during the first informal meeting of the Organising Committee for the PM Project. This method of training is proved to

Global
Understanding

be effective and appreciated by the PMs
Finally, the 5th National Orientation would be hosted by the Hong Kong Jayceettes in November 1991 at JC Office.

7.2 Besides, officers and members are encouraged to support the National events by frequent attendance.

8. INVOLVEMENT WITH OTHER LOMS

8.1 Joint Projects

Joint projects were held to enhance inter-LOM relationship and to provide opportunities for members to exchange experience. Accordingly, a joint MFG called "I.J. New Members' Carnival" was organised with Island Jaycees in May. And a joint Leadership Development Camp will be organised with Dragon Jaycees in November.

8.2. Attendance

On behalf of Hong Kong Jayceettes, I have been attending other LOMs' functions frequently to establish and promote good inter-LOM relations. Further, Jayceettes members are always encouraged to attend and support other LOMs' activities.

9. CONCLUSION AND ACKNOWLEDGEMENT

As I have already stated in my foreword, to be the President of Hong Kong Jayceettes is not an easy task. Therefore, I am very happy that we were honoured with the "Most Outstanding LOM of the Asia Pacific" award at the Cebu Conference this year. However, the success of an organisation relies not only on the hardwork and leadership of the President, but also the capable and devoted members working with her. Accordingly, I would like to send my sincere thanks to the dedicated Board of Directors, the project chairladies, the Organising Committee members, and all active Jayceettes for your support, enthusiasm and contribution.

My appreciation also goes to my Presidential Advisor Valerie Cheung who is always ready to give me advice and guidance and who has helped me in handling various assignments. I would like to say thank you to Hon. Life President Senator Jennifer Yu for her constant support; to the Area Advisors for granting their assistance and advice to the respective areas; and to all Past Presidents for their continuous support.

Further, I ought to send my heartfelt gratitude to my Immediate Past President Caroline Keung for her invitation to me to be the Presidential Candidate in July 1990 and to her unfailing support and assistance since then. I am extremely grateful to her for taking up my post while I was away this year. She truly deserves the award "Most Outstanding LOM President of Asia Pacific Area".

Our Hong Kong

Our Concern

On behalf of Hong Kong Jayceettes, I would like to thank all our sponsors this year, especially our Patron Mr K K Lau who continued to give us his support.

Finally, before I put a full stop to my report, I would like to give my concluding remarks as follows :

> To close an interesting book after finished reading is often a sad and unwilling gesture. Yet it does give stimulation to start reading another interesting one.

To my team members, thank you once again and best wishes to you all! May we all join hands in wishing the incoming President and her Board of Directors for a successful 1992.

十、結語

在今年之會務發展方面　各理事局成員均能同心協心，排除障礙，完成年初之既定目標。雖然有部份工作計劃在執行上遇到人力及資源困難，成績有欠理想，然而大家卻能檢討得失，累積經驗，為未來工作計劃作出更大貢獻。今年會員流失較多，故此在工作計劃目標上需要必須加強招募會友，提供較多訓練之機會，且要促進會友間之聯繫，實能使本會更加壯大。而各有關理事在今年之工作上均能表現對會務之熱誠及投入，互相支持　本人謹此表示衷心謝意。若其間偶有發生的爭議及稍有未如意處，希望各位能體恤及見諒，並能抱著「青商訓練自己」的目標，貫徹始終，完成既定之工作目標。最後本人藉此多謝本會全體會友及準會友對會方及本人之支持，而兩位監事　會長顧問及多位前會長對會務所提供之寶貴意見及支持，更是貫徹本會優良傳統所不可缺少。

VIII. ACKNOWLEDGMENT

1991 is no doubt another milestone for Dragon Jaycees. It is first time in the history of Dragon Jaycees to host the National Convention. My deepest grati tude shall go to the Convention Director IPP George Lung for heading the Convention Organizing Committee. Under his capable leadership, everything is in good progress and completed in the shortest possible time. Nevertheless, I must attribute the success to the dedication and diligence of the organizing committee, Board of Directors of 1991, and the zealous support of members.

Special thanks must also be given to my team of Presidential Advisors, who gave me much valuable advice and support through the year.

I would also like to take this opportunity to express my sincere thanks to National Vice President Ivy Tam for her assistance and encouragement in the past nine months and Past NP Junia Ho for her advice and guidance in the National Convention project.

With the dedicated involvement of our members, the incoming 1992 Board of Directors, and of course the everlasting support from our senior members, I am looking forward to another better jump in the history of Dragon Jaycees in the year to come.

(三) 會務方面:

自常選後便與各常務理事候選人商討未來一年的工作大綱。今年的方針主要為會員擴展,建立本會更佳的形象和加強國際關係的發展,分別由三位副會長去推行:在會員擴展方面,由鄧志輝副會長執行,我們先後替本會和總會主辦青商知識講座,由於希望更有系統去處理會員擴展事宜,今年更將城市的會員和準會員在總會的資料重新整理一次,好使各會員能準時收到各方面的訊息;另一方面我們藉著新春期間,拜訪了永遠名譽會長余振宇參議員,創會會長張國斌參議員和前會長龐繼民先生,使新舊會員能有更多相處機會,從而維繫彼此的感情。在過去的8個月內,已有多位準會友經理事局通過而加入本會。

(6) 郁子良被委任為(兒童大會宿營節目主委)

本會今年替總會籌得7500元作為華東賑災之用。

年度另一目標是建立本會負責。首形象，由陳遵熾副會長負責合辦先對外方面，我們訂立各分會和統其他機構的活動由一位代表出席，常然比辦理事召集，這樣接觸，所以有機會很多較廣闊很多。所以能出席，亦使我們不同新舊會友能在任何分會和其他城市青年商會都有會參與年外與島、便會辦，方機了解本會之外，我們與盈月本公服除此工作抬舊例動會在推的個克兒遺餘力。

國際事務由於本會向本務會後青日執行，國際後，日辦海、影視上遠求與合上"攝比賽。本會亦與日本事尋成一日"攝影比賽。本會亦與日本福岡姊妹會在6月份續姊妹盟，並於明年合辦第一個工作計劃。

五月份本會一行8人參加菲律賓宿霧的亞太區會議，會議期間我們亦與多個菲律賓分會有所接觸，其後他們亦有派會員探訪我們。這兩年，我們除了和世界各地的青商有所聯繫外，及有一項新的突破，便是與中國全青聯發展全面性的關係，透過青年一日攝影比賽，我們已互相派會員探訪。本人希望這個發展能維持下去：另外10月份我們將探訪韓國姊妹會。11月份的世界大會亦已有會員報名參加。由於本會已有相當的國際事務基礎，相信在未來的日子裡，應有一番更大的成就。

(五) 總結

今年很高興能夠擔當會長一職，更高興是雖然已到週年大會，但各位常務理事仍士氣如虹，並沒有因為任期屆滿而有所鬆懈，實是值得可喜可賀。回顧過去的大半年，本人除得到本人的顧問沈田參議員，會務顧問關偉文先生的幫助外，更得到每一位的前會長支持，本人在此再次向他們致萬二分謝意。

今年的工作計劃不算多，[redacted]。但在理事局成員的努力下，本會為在配合未來的各方面的需要下，已打好更佳的基礎。例如公共關係方面，今年我們差不多每一個分會的活動都有派會員出席，使我們對外的關係得以更佳的發展。國際事務方面，除了原有的工作外，我們亦與多年沒有合作的日本福岡姊妹會重新修訂以後合作的路向，亦會每年互派會員探訪。本會亦突破了政治界限，與中國和台灣首次合辦了青年一日攝影比賽。這些都証明城市青年商會在國際事務努力的成果。會員擴展方面，人數增長須未見突出，但在去蕪存菁的制度下。本人相信在未來的數年，本會人數定會穩步上揚。

此外，本人亦在此多謝每一位曾經出過力的會友。他們除給我莫大的鼓勵外，亦給予本人很多實質的支持，希望在往後的日子裡，能有機會一起合作再為大家服務，創出更燦爛的明天。

行政組織

會員大會是會務決策的最高權力。在每年一次的週年會員大會中，執行理事將透過選舉產生。執行理事局再加上由其委任的小組理事，組成理事局。在會員大會休會期間，執行理事局及理事局全權負責處理本會一般行政事務。若有緊急事項須會員大會處理，便須召開特別會員大會。

一九九一年度理事局成員如下：

會議

一. 週年會員大會

本年度的週年會員大會在九月廿八日於青商總會舉行。在大會期間，將選出九二年度執行理事局成員。

二. 特別會員大會

如在週年會員大會休會間，有些特發的事務（如修改會章、增選執行理事局成員）須要會員大會處理，便須召開特別會員大會。本會於二月廿三日舉行了一次特別會員大會，在會中通過了修改會章，增加會費。普通會員會費由每年四佰二十元增加至伍佰八十元，準會員會費由一佰伍十元增加至三佰元。

三. 執行理事局會議

每兩月舉行一次。主要討論關於委任、發展方向、理事表現等事務。

四. 理事局會議

每月舉行一次。主要是報告及討論各小組工作進度。

五. 會員月會

Our Hong Kong · Our Concern

每月舉行一次，主要目的是增加理事局和會員的溝通，讓會員知道會務發展情況。亦藉此促進會友間的友誼。今年的月會由各小組理事輪流負責。今年各理事都嘗試以不同形式月會來吸引會員出席，包括戶外旅行，卡拉OK，團体遊戲，懷舊舞會。場地方面，亦盡量利用總會會所，以減低收費，吸引會友參加。回顧過往八個月會，會員出席令人滿意。

財政

本會的行政經費主要來自三方面：會費，捐款和籌款工作計劃。今年的會費因為會員人數增加而增加，但亦僅足以支付基本支出（如秘書事務等）。幸好獲幾位熱心會員大力捐助，捐款總數接近一萬元，以致有盈餘可贊助一些社區工作計劃。至於籌款工作計劃方面，將會在十月份舉行。總括來說，預期今年財政將有數仟元盈餘。經過多方努力，本會八七年的賬項終於完成核算，義務核數師的報告亦將於第七屆週年大會中派發。希望以後幾年的賬項亦可盡快完成。

各小組工作計劃

一. 會員擴展組

普通會員增長：今年藉著推出多個小型工作計劃而成功地提高準會員成為普通會員的人數，成績令人滿意。

Telecommunication
Enhancing
Global
Understanding

準會員增長：　準會員的來源有三方面，分別為：總會、會友介紹及透過工作計劃。截止八月底，總會共轉介了八位準會員，而透過會友介紹入會的共有六人。為了招攬會員的朋友加入本會，會員擴展組和領導才能發展組合辦『迎新訓練營』，成功地招攬了幾位朋友成為準會員。本會在九月一日於上水火車站舉辦了『會員招募日』公開招募會員，希望可增加準會員人數。

挽留舊會員：　流失部份舊會員仍然無可避免，但情況不算嚴重。不過舊會員的出席率卻不大理想。在十月份將舉行新舊會員聯歡活動，希望藉此可減低以後舊會員流失。

另外本會在七月份為總會籌辦了『第三次青商知識講座』，有接近五十人出席，席中主講嘉賓前總會會長劉敬賢參議員及女青商前會長姜趙玉蓮發表精彩演詞，出席者反應熱烈。整個籌備過程及結果都獲一致好評。會員人數方面，普通會員由去年十月的廿四人增至三十六人(截至八月份理事會)，而準會員則為十五人。預計今年內普通會員人數將突破四十大關。總括來說，會員擴展組的成績十分特出。

二．公共關係組

公共關係組負責籌辦好幾個精彩會員月會，其中包括『送馬迎羊團年夜』、『夏日逍遙遊』，會員出席率相當不俗。各會友在輕鬆氣氛下，增進不少友誼。對外方面亦在五月與九龍分會及騰龍分會合辦『上海舊日情懷』月會，增加三個分會溝通。在九月廿二日舉行的『青商奧林匹克』，該組亦將負責組隊參加。

三．領導才能發展組

領導才能發展組於四月與會員擴展組合辦『迎新.訓練營』，共有四十多人出席。當中內容包括人際溝通技巧講座和青商知識講座。該組曾嘗試與香港管理專業協會合辦遙距課程，但因該會最後改變合作條件而遭擱置。為了提供訓練給新會友，本會特別邀請總會副會長陳少賢在九月四日舉辦『新會員訓練研討會』。十一月份，該小組將負責籌備九二年職員訓練工作計劃。

四．國際事務組

五月份是國際事務組最繁忙的一個月，因有兩個國際活動：分別是菲律賓宿霧亞太區大會及探訪台北四海姊妹會。本會共有三位會友出席亞太區大會，並在六月份月會中與會友分享了寶貴經驗，提高了會友參加以後的亞太區大會的興趣。至於探訪四海姊妹會，則有十位會友及朋友參加。會友除了出席四海青商的十週年晚會外，並出席四國高峰會議，出席的分會除了本會和台北四海外，還有四海的其他兩姊妹會：日本琉球那霸分會和韓國影都斧山分會，討論四會交流計劃。部份會友在探訪

Our Hong Kong · Our Concern

完四海分會後再南下探訪了岡出青商和台南女青商，亦獲對方熱情招待。八月份，本人和國際事務組尤旭青理事一同探訪新加坡青商總會，並和新加坡青商總會秘書長Clara Chan參議員交流兩地青商運動的情況。

五．社區發展組

原來負責社區發展組的陳佩明副會長因事務繁忙，未能兼顧會務，而該組的活動便由其他兩位副會長分擔。直至八月份委任新社區發展理事，才由他專注負責該組的工作計劃。雖然如此，這組仍有相當成績。為了瞭解社區的需要及發展況，分別在二月份探訪粉嶺祥華青少年中心及[illegible]月份探訪北區政務專員。八月份的『歡樂匯聚樂善堂』工作計劃共有十九位會友參與服務六十多位老人家，當日除了派發禮物外，還有古箏表演、粵曲表演、有獎問答遊戲及抽獎。本會會友並募捐了四仟九佰元作為該老人之家作購買大型熱水器用途。九月一日，本會在上水北區社區會堂舉行『兒童心理知多少』工作計劃，由香港心理學學會臨床心理組協辦，內容包括講座、展覽及攤位遊戲。當日有超過四百位家長及小朋友參加，反應熱烈。九月十五日本會將參予由總會策劃的『一加一』支持立法局直選活動，在北區邀請選民去投票。十二月份將有另一工作計劃推行，現正在籌劃中。

六．記錄及獎勵組

Our
Hong Kong
·
Our
Concern

這小組工作可分記錄和獎勵兩方面。記錄方面是準確記錄會員出席及參予工作計劃的情況，並保存工作計劃檔案冊及其他會務記錄等。該組已點算好本會在總會辦公室的檔案冊，並列出清單，可供會友及工作小組參考。獎勵方面，一月份已訂定好各獎項，以鼓勵會友積極參予會務及獎勵表現特出的會友和小組。十月份將由評分小組選出各獎項得主，並於十二月月會中頒發。該組亦將負責競投總會中之獎項。

七．出版事務組·

這小組主要責任是出版本會會刊『北極光』，每季一期，全年共四期。至今已分別於三月及六月出版了兩期，另外兩期將於九月及十二月出版。回顧過去兩期，都能趕及在預算日期前出版，無以往經常延遲出版的情況出現，可謂一大進步。但版面設計及內容，質素仍有待改善。為支付出版費用，出版小組除積極找尋廣告之外並於一月月會中向會員籌款，亦成功籌得二仟二佰九十元，大大減輕小組赤字情況。

總會工作之參予

一．七月份本會為總會主辦『第三次青商知識講座』，共五十多人出席，成績美滿。

二．尤旭青理事被委任為總會『On-To-Cebu-Conference』工作計劃

之宣傳主委。本會共有三人出席亞太區大會。

三．劉玉蓮理事出任總會『Ad Hoc Training Committee』委員。

四．陳明秀會友參加為總會『國際事務部』成員。

總結

今年年初因會員人數有限、會友欠溝通及理事局未成熟的關係，會務的發展未算十分理想。隨後透過各理事的不斷努力：招攬了一批熱心準會員，推行多個聯誼活動，開始漸見成績。而各理事亦累積了經驗，推行會務比之前順利。更多會友投入會務，會員的出席率和參加工作計劃人數逐漸增加，會員人數亦穩步增長，相信將會達到年初所訂定的會員人數目標。隨著準會員及新會員人數增加，未來的三個月將著重會員的訓練及理事局成員的培訓工作。

由一月至今，會務的發展雖未可說異常特出，但從會友的出席及參予情況、會員人數的增長和工作計劃的質素來看，成績亦算不俗。這些成就都有賴各理事的辛勤工作，一班資深會友及前會長從旁指導。在此謹向他們致萬二分的謝意。本人身為會中的一份子，對於本會能獲此成績，感到十分興奮。而作為會長，本人能獲此服務本會及學習管理的機會，實在感到榮幸。最後，但願各會友繼續努力，為自己、為本會、為社會創造更好明天。

7.2 Two meetings were held by the Long Range Planning Committee to discuss matters relating to Membership (Quantity vs Quality), Image and Marketing of Hong Kong Junior Chamber of Commerce, review on the proposed new structure of NOM, future relationship with political interest groups and the Chinese Government, and finance of the NOM. Senator Nora gaved a brief account of the recommendations put forward by the LRPC in these aspect. She also extended on behalf of Senator Y.K. his sicnere appreciation to all LRPC members for their contributions.

7.3 In response to questions raised by VJC President regarding the employment of a paid NSG, Senator Nora explained that the idea of hiring a full time paid NSG was borrowed form the JCI. It was considered that the employment of a qualified person cuurently earning not less than HK$130,000.00 p.a. to handle all administrative work at NOM's level on a permanent basis would enhance better co-ordination and more effective management.

7.4 As regards the question raised by BJC President on whether the suggestion for doubling the membership dues within the next 3 years would cover the cost likely to be incurred from the empolyment of. a full time paid NSG. Senator Nora explained that it was.at NOM's discretion to consider whether the salary of the paid NSG could be abosrbed through increase in membership dues.

7.5 BJC President referred to the recommendation that LOM should not tolerate any long-standing PMs and asked if LRPC suggested LOMs to adopt a standardized procedure in co-ordinating the PMs. Senator Nora responded that standardization could be a possible solution as long as NOM & LOMs could agree on a standardized procedure.

MOTION DIED

The report should be adopted at the JCI Congress instead. The Chairman responded that as he needed endorsement from the General Assembly to give him the authority to vote on behalf of NOM, he had taken this opportunity to seek LOM's support to lend him the authority to cast the vote at the Assembly at the World Congress. (a) Firstly, the Chinese translation on the draft accounts were not official. Thus there might be some discrepancies with the official translation later.

(b) Secondly, in the draft Income and Expenditure Account for the period 1.1.90 and 1.7.90, there was a column showing the draft figures for 1989 which were taken out from the Convention Manual of last year, therefore it might not be fair to compare the two set of figures.

President Gene of Kowloon JCs expressed that since the figures for 1989 were not for comparison, there seemed no need to include them in NHT's report. Kowloon JC IPP Vincent Mak reiterated that the figures should not be included in NHT's report if they were not to be considered.

Part II - Mrs. Betty Young, Amway (HK) Ltd.

Chairman Juliet Ng Lam reported as follows :-

There were totally 37 participants from various LOMs attended the Session. Below were the respective area recommendations put forward to the General Assembly for consideration :-

12.1.1 Individual Opportunity

(a) Jaycees should provide two types of training :- Management training and Leadership training.

Our Hong Kong

Our Concern

(b) Jaycees had already possessed a systematic training mechanism, especially within the chapter level. Nevertheless, inter-chapter communications should be improved through National coordination. It was suggested that the policy manual should include a task for the National Training Director to coordinate chapters' training programs and to set up a library of chapter's training materials and report chapters' training on a regular basis.

(c) NOM should also give more support to weaker chapters in their training programs.

(d) Jaycees should continue to extend its relationship with other training institutions.

(e) NOM should liaise earlier and communicate effectively with chapters in the division of work. Moreover, NOM should provide better quality training programs in order to lead the chapters by example.

NP Larry expressed that the recommendations brought forth were reinforcement and reiteration of existing practices, and be taken as suggestions to National for consideration by the next administration.

12.1.2 Management Opportunity :-

(a) Members of the Session opined that Hong Kong Jaycees should continue to put our emphasis on leadership development and community services.

(b) Although we aimed for quality members, we should not refuse potential members simply based on their educational background and working experience.

(c) For membership extension, JC should extend the membership recruitment exercise to universities, colleges and technical institutions.

(d) To further build up the image of JC and create a greater impact to the society, we should allocate part of our resources to organize large scale economic affairs projects.

Once again, NP Larry stated that these were broad recommendations currently in practice.

However, NP Larry thanked Chairman Juliet for her effort in hosting the meeting and proposed a round of applause from the General Assembly.

Date : October 14, 1990 (Sunday)
Time : 0915 - 1100 hours
Venue : Regent III & IV
Speakers : Part I - NVP Rosa Chan (Individual)

Part II - Mr. Albert Chan, Vice Chairman, Regional Council

Chairman Shirley Wong reported as follows :-

There were totally 38 participants from various LOMs attended the Session. Below were the respective area recommendations put forward to the General Assembly for consideration :-

12.2.1 Community Opportunity :-

(a) National to initiate long term development plans on community area.

Telecommunication
Enhancing
Global
Understanding

(b) National to set up a research team to identify the long term needs and interests of the community. On basis of these findings, the National Board should formulate a series of community project ideas, which were to be finalized in consultation with LOMs. These projects would then be hosted by local chapters. It was hoped that with this system, community projects would have more far reaching effects.

(c) LOMs to organize joint CD projects which would better utilize human and other resources and achieve wider social impact.

(d) Promotion of CD projects could be coordinated at the National level, so as to project a better social image of Hong Kong Jaycees.

(e) The HKJCC Advisory Group on current affairs should be continued. So far as possible, members should be consulted before making recommendations to the Government. A working party might be set up under the Advisory Group to gather opinions from members.

NP Larry stated that these recommendations were general and have been practised under the existing policies.

12.2.2 International Opportunity :-

Our Hong Kong

Our Concern

(a) We need to continue the good relationship with youth organizations in China through more exchange programmes, visits and joint projects.

(b) We need to get prepared and look for opportunities to introduce Jayceeism into Mainland China.

(c) In view of the importance of International Affairs and future development, it was recommended to set up an IA Commission, consisting of a group of interested members to carry out different operations. The existing system relied too much on a few National Officers, and the terms of office for the commission should not be less than 2 years for better continuation.

NP Larry, once again, expressed that these recommendations were general and reiterating the existing practices. He suggested that they were to be taken for consideration by the next administration.

Telecommunication

Global
Understanding

Island JCs sought comments on the general attitude of Youth Organizations in Mainland China towards the JC Creed. In response, NP Larry informed the Assembly that JCI, Japan JC and APDC had been exploring chances of extending Jayceeism into China. Pending outcome, HKJCC would not make any move. NP also enlightened the General Assembly that Youth Organizations in China respected all principles of the JC Creed. In fact, according to the Constitutions of PRC, they contained similar rights for the people. There was apparently no conflict between the Creed and China's policy. In personal discussions with the Youth Organizations in China, they expressed admiration of what HKJCC were doing and were interested in further communications with Youth Organizations to exchange idea and experience. They had recently invited ROC JCs to visit various provinces in China. They were not against JC and they would like to have more contacts with JCs.

They also mentioned that they respected the one country two system, i.e. Hong Kong will be an SAR Government retaining its own laws and traditions.

NP Larry thanked Chairman Shirley for her effort in chairing the meeting and proposed a round of applause from the General Assembly.

12.3 Theme Seminar

Date	:	October 14, 1990 (Sunday)
Time	:	1100 - 1300 hours
Venue	:	Regent Ballroom
Topic	:	"A Growing Economy, A Better Hong Kong"
Speakers	:	Dr. C.K. Law, Director Regional Economic Research, Bankers Trust Securities (Pacific) Ltd. Dr. Richard Y.K. Ho Head of the Department of Economic and Finance, The City Polytechnic of Hong Kong.

Our Hong Kong

Our Concern

Senator Patrick Chu, Chairman of the Theme Seminar reported that the Seminar was conducted in Cantonese and a total of 130 participants from various LOMs and 9 journalists from various press and TV media attended the session.

The following conclusions were drawn :-

In the short to medium term, Hong Kong would be facing severe challenge from brain drain and possibly substantial capital drain. However, there was a distinct possibility that the economy would remain rather strong in the 1990s, probably with a minimum average annual growth of 5% in real term given the favorable external environment and the inherent strength of the Hong Kong economy.

.In the long term, an open Chinese economy would prove to be the best blessing for Hong Kong and Asia Pacific region. Though direct manufacturing activities would decline, Hong Kong would flourish as the most important financial/service centre in this part of the world.

There were no recommendation put forward to the General Assembly.

NP Larry proposed a round of applause from the General Assembly in recognition of Senator Patrick's effort.

13. To Receive and Adopt 1988 Audited Account

NHT Simon regretted to inform the General Assembly that the 1988 Audited Account was not yet completed despite the efforts spent by the 1988 Ex. Comm. Members. The Auditor confirmed that from their experience, there should have no fraud in these set of accounts. , It was just because there were some non-systematic entries at the beginning, it was hoped the account would be ready later the year.

Our Hong Kong

14. To Receive and Adopt 1989 Audited Account

Our Concern

NHT Simon pointed out that since 1988 Accounts had not yet audited, the 1989 Accounts could not be audited as well. The draft 1989 Income & Expenditures Account Statement was circulated for reference by the General Assembly.

Understanding

19.3.3 Candidate Peter Kam for the position of NEVP - Eligible and qualified. But it was the opinion of the Committee that he should brush up his knowledge on Parliamentary Procedures.

19.3.4 Candidate Wilfred Li for the position of NVP - Basically qualified but not eligible for failing to meet the requirement under By-Laws 11-12-2(C), i.e. had not been a National Officer. It was the opinion of the Committee that this candidate should study more on constitution and By-Laws, and also needed to improve his knowledge on Parliamentary Procedures.

19.3.5 Candidate Ronald Ho for the position of NVP - Qualified but not eligible for failing to meet the requirement under By-Laws 11-12-2(C). The Committee was of the opinion that he should improve his knowledge on Parliamentary Procedures.

19.3.6 Candidate Frank Wong for the position of NVP - Qualified but not eligible for failing to meet the requirement under By-Laws 11-12-2(C). The Committee recommended him to study further on Constitution and By-Laws.

19.3.7 Candidate Ivy Tam for the position of NVP - Eligible and qualified. However, it was the opinion of the Committee that she needed to improve her knowledge on Parliamentary Procedures.

Our Hong Kong

Our Concern

19.3.8 Candidate Marco Chan for the position of NVP - Basically qualified but not eligible for failing to meet the requirement under By-Laws 11-12-2(C). The Committee opined that he should study the Constitution and By-Laws and to improve his knowledge on Parliamentary Procedures.

19.3.9 Candidate Paul Wong for the position of NVP - Not eligible for failing to meet the requirement under By-Laws 11-12-2(C). It was the opinion of the Committee that he was not qualified due to overall knowledge about Jaycees, Parliamentary Procedures, Constitution & By-Laws were weak. He should also need to improve his English speaking technique as a National Officer.

19.4 In accordance with By-Laws 11-6-3, nomination for Executive Offices should be automatically closed 45 days prior to the commencement of the National Convention unless no nomination was submitted for a specific office, in such case nomination should remain open until it was closed by the General Assembly.

Telecommunication

Global
Understanding

Nomination closed per By Laws 11-6-3 might be reopened by a 2/3 vote cast at the General Assembly.

However, nomination for the National President was automatically closed 45 days prior to the opening of the Convention, while nominations for EVP and VP posts were still opened since we had received insufficient nominations before the closing deadline.

Also, since there was no nomination for National Directors, nomination for these offices will remain open until it was closed by the General Assembly.

19.5 General Comments on Candidates

The Nomination Committee felt strongly that :-

19.5.1 Questions asked by the Committee were very basic and which a NOM officer should know.

19.5.2 Constitution & By-Laws required detail study by all candidates.

19.5.3 General knowledge on NOM & JCI, as well as Protocol were necessary for a National Executive Officer.

19.5.4 A NOM Officers Training School specially designed for National Board Members, should be organized to provide for these specific areas.

Our Hong Kong , Our Concern

19.6 However, it was the opinion of the Nomination Committee that those candidates who failed to meet the specific and general qualifications should be given the opportunity to stand for election in consideration of their enthusiasm and desire to serve our organization.

Therefore, it was recommended that a waiver be sought to temporary waive By-Laws 11-12-2(C) of which five NVP candidates failed to meet and another waiver for candidate Paul Wong on his disqualification so that he could stand for election.

The report was moved by Yuen Long and seconded by Bauhinia, the Nomination Committee report was received and adopted. MOTION CARRIED

(4) To adopt the amended Hong Kong Junior Chamber of Commerce Memorandum and Articles & By-Laws of the Association

NSG Helen briefed the General Assembly that after a company search in February, it was found that the Memorandum and Articles & By-Laws of the Association had not been filed with the Registrar General since 1952. Under the Companies Ordinance, it was an authoritative order for every company operating in Hong Kong to properly file their M&A with the Registrar General.

Since there had been changes made in the past General Assemblies, it was therefore required to have one general meeting to adopt the past amendments in one whole lot and that the amended versions of the M&A could be filed with the Registrar General with a supportive board resolution. Furthermore, the Executive Committee had a review in the April Executive Committee Meeting on the M&A and By-laws and recommended the following amendments for the General Assembly's consideration:

(A) <u>Memorandum & Articles</u>

The NOM has granted the hosting right of the 26th National Convention to Dragon Jaycees Limited during the May Board Meeting. Moreover, in June Executive Committee meeting, the NOM has further endorsed Dragon Jaycees to hold the 1991 National Convention on Friday, 25th October 1991 to Sunday, 28th October 1991 due to the difficulties in soliciting suitable convention venue.

FACTS ON THE HONG KONG JUNIOR CHAMBER OF COMMERCE

1. HISTORY

The Jaycees Movement reached Hong Kong in 1949, when a Philippine Jaycee John Ng who was the Special Liaison Officer of the JCI 5th Congress and was charged with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr Alex Ng, a Jaycee Senator still, Mr John Ng was presented to Rev. E. Bourke, former Director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of Hong Kong Junior Chamber of Commerce was formed and Mr Paul Lim was elected as convener of the Organising Committee, Mr Austin Coates from Hong Kong Government; then as Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

The tempo of laying the foundation of the Chamber was further stepped up when Mr Ramon V. Del Rosario, the JCI Vice-President for Asia, offered to recommend prompt recognition of the Hong Kong's Jaycee membership status. He also invited the Organizing Committee to send observers to Manila to attend the JCI 5th Congress. On March 21, 1950, a sponsor meeting was called to receive the report of the return observers from Manila. The account of their vivid experience gave Hong Kong a deeper insight into Jaycee movement. A week later the Provisional Constitution which had been in the making during the previous three months was adopted. Finally, on April 6, 1950, the Inaugural General Meeting of the Hong Kong Junior Chamber of Commerce was held and the first Board of Directors was elected. One month thence, on May 6, 1950, the Chamber was inaugurated by Mr Roberto Vilanueva, the JCI Vice-President for Asia. Thus, the Hong Kong Junior Chamber of Commerce was born.

Our Hong Kong

Our Concern

"Noise Pollution Exhibition" in 1987, "Toy Safety Exhibition" in 1988, "Good Children Award" in 1989 .... and a number of others. You may be surprised by the fact that these large scale, socially applauded community projects, were planned, organised and executed by a baby Chapter : the three years old OCEAN JAYCEES, a Chinese Speaking Chapter chartered in 1987. Yet, you won't be surprised if you know the gang is formed by a group of young men and women who are enthusiastic, energetic and interesting in character, mostly being the outstanding participants of the "Young Leaders Voyage 1986" organised by Hong Kong Junior Chamber of Commerce. Even though the members are coming from different sectors of the community, they have two things in common. They place great emphasis on leadership training and self actualization through organising community dedicated projects as mentioned above. Plus, they believe in international harmony via establishing sisterhood pact with Japan Suita Jaycees.

Sha Tin Jaycees

The 17th Chapter affiliated to Hong Kong Junior Chamber of Commerce, which has been chartered in 1987, a male and female English Speaking Chapter. In the past year, they have demonstrated their enthusiasm and capabilities in Jaycee activities. Also they have received the recognition and support from District Office and community. Projects hosted according to Jaycees four opportunitieis - in community "Children Cartoon Contest", in leadership - a joint training camp with Victoria and East Kowloon "Leaders in Style" and international affair "Japanese Language Training Course for on-to-Yokohama Conference"
