Message from Guest of Honour

Since its inception in 1945, the Hong Kong Junior Chamber of Commerce has made invaluable contributions to our younger generation.

The efforts made and success in cultivating and training leaders of tomorrow are shining examples of the motto 'Care For Youth, Develop Our Future Leaders'.

On the occasion of the 1997 Inaugural Ball, I congratulate the outgoing executive committee on their dedication and zealous efforts in the past twelve months and wish the in-coming committee every success in its future endeavors.

Mrs. Shelley LAU, O.B.E., J.P.
Director of Home Affairs

Message from National President Hong Kong Junior Chamber of Commerce

Alas, the long anticipated 1997 has come upon, and the people of Hong Kong have witnessed the successful election of our very first Chief Executive.

To prepare for the arrival of the new era, the 1997 National team has been making planning since our formation. While meetings were held and consultations were made with past national presidents and advisors, we have indeed not forgotten that chapter presidents are our essential working partners. To this end, much communication has been exchanged during forums, meetings and many other informal gatherings. The highlights of our year plan would include projects which are first in the history of the HKJCC.

First of all, by stretching our strengths in internationalism and to celebrate the return of sovereignty, we shall be hosting the first International Business Summit on behalf of the Junior Chamber International. Planning is underway to invite National Presidents worldwide to visit Hong Kong and China in early September. The objectives will be two fold: to witness the operation of the two systems in one country and to feel the "Power of Free Enterprise" in the nation.

Secondly, we would be forming the first Associate Members Club. The purpose would be to seek for resources from members who have already reached the age of 40 (or so called "the graduated members"). The Club will be the platform whereby old friends shall meet and new members could get to know their predecessors. By such we hope to stimulate better atmoshphere and naturally, members will gain more access to seek various support from the experienced.

Thirdly, the issue of name change from the present Hong Kong Junior Chamber of Commerce to Hong Kong Junior Chamber will be finalized. Administratives and legalities is being sorted out, and with the change of name, we would indeed make use of the occassion to create publicity for HKJCC.

Right now, we can actually feel the pulse beating and everyone's not only set to go but the ball has already started to roll. "Creating Impact for a New Era" is the slogan for the 97' team. We shall pledge more firmly our commitment to the community and embrace the new era with strong enthusiasm.

Henry U

Message from World President Junior Chamber International

It is with great pleasure that I extend my congratulations to the members of Hong Kong Junior Chamber of Commerce on the occasion of their 1997 Inaugural Ball.

As we rapidly approach the 21st Century, it is a concern to members worldwide that we need to develop excellent foundations for growth. Let us slow down and rebuild our foundations. Even the strongest foundations have slight cracks. This is the perfect opportunity to take a moment to repair and reinforce a base on which to build a stronger future. What are the basics — training, growth, development, and living the JCI Creed.

We must place emphasis on the training of our members. Teach them to grow and succeed individually, professionally, and within our beloved organization. Educated and motivated members will ensure the growth of the Junior Chamber Movement.

Please consider the development of our membership. We have so many opportunities in which to expand. It is important to grow in number, but taking the Junior Chamber Movement into new countries would be a wonderful accomplishment towards the new millennium. Let us also strive for growth in our established countries by reaching within our communities and reflecting the JCI Creed with our actions and deeds to those closest to us.

My goal for 1997 is to have our membership *Anchored by the JCI Creed.* Let us read the creed often, reminding ourselves that service to humanity is indeed the best work of life!

Best wishes for a wonderful and joyous ceremony.

Crispin C. Dy, Jr.

Message from Executive Vice President Junior Chamber International

It gives me great pleasure to impart my message in your souvenir program. First and foremost, allow me to congratulate a very Outstanding Leader of your NOM in 1996, Justin Lui. He has shown many quality leadership skills and this was proven not only through the many awards won by LOMs and NOM but rather by the many members who have been aspired by him. Justin has not only led Hong Kong Junior Chamberof Commerce to another step ahead, he has also reached out to members by listening, caring, learning and sharing. I observed this when I was part of the coaching panel for PRIME in Hong Kong, Justin sat through most of the modules and this has really triggered many young Jaycees who saw their Leader with them all the time!

At this point in time, I take this opportunity to thank each of you for your support during the recent election and I deeply appreciate your friendship.

I was sitting as an observer during the Pusan JCI World Congress, and it amazed me how much Junior Chamber has developed in each individually. Members have taken full charge of the Areas of Opportunities and have utilized them for the benefits of society. I was just imagining if Henry Giessenbier is still alive and able to witness the fruits of his vision. I am positive that he did have a foresight of JC growing to two and then three times and so on. I have also emphasized that our Organization is made of 'flesh and blood' and being this creation, we need love and care. As we promote the Opportunities of our Organization, the essence that need to be added is love and care. Only then, I truly believe that we can achieve our goals and have reached out! It is well said then by our Founder — "From within the walls of the Organization where the foundation of character and good citizenship are laid, I hope a message will come some time tomorrow that will stir the people towards the establishment of a permanent and everlasting world peace." This is especially true for Hong Kong Junior Chamber of Commerce.

I salute you in your many achievements that many LOMs and NOMs can learn and benefit. I wish Henry U and his team all the best. I am sure you will lead you NOM to an exciting, challenging and happy year.

God Bless.

Teresa M Alberto

Message from Vice President - Area B Junior Chamber International

I am honored to be able to welcome you to the Inaugural Ball. It is exciting to recognize your achievements as members of a world-wide organization dedicated to accomplishing positive changes in the community as members enhance their personal skills, experience, and abilities.

It is my great pleasure to have been elected to serve you as a Junior Chamber International Vice President. I look forward to working with you as we strive to make 1997 the best year ever for the Junior Chamber.

Kelly J. Wills

Message from Hon. Life President Hong Kong Junior Chamber of Commerce Past World President

Each year it is the tradition of Junior Chambers everywhere to transfer responsiblility to a new group of officers and directors. This is done by the outgoing officials fully conscious of their own efforts to strengthen the Junior Chamber during their time in office. This is the satisfaction that all get from hard work and unfailing commitment to the ideals and the objects of the Jaycee Movement.

I congratulate the incoming Board and offer my best wishes for every success and satisfaction in all that they will do to advance the cause of the Jaycee Movement here.

A. de O. Sales

Message from Senate Chairman National Immediate Past President Hong Kong Junior Chamber of Commerce

It is my pleasure to send this congratulatory message to the NOM officers who will be installed tonight. I must salute to them for their determination to serve the organization and their commitment to Jaycee movement.

As the Senate Chairman, I shall link up the Senators for the furtherance of their contribution to the development of our organization. As the National Immediate Past President, I shall deliver my utmost to ensure essential transfer of experience to my colleagues in the National Board and to duly complete the assignments under my responsibilities — supervising the TOYP project, liaising with the AIESEC(HK) and forming the Associate Member Club.

1997 marks a special year in the history of Hong Kong with its sovereignty returned to our motherland. Can we also make 1997 a special year of our organization and for ourselves? I am sure we can. Together, we can make it!

Justin Lui

Message from Chairman Board of Trustee 1996-98 Hong Kong Junior Chamber of Commerce

On behalf of the Board of Trustees of the Hong Kong Junior Chamber of Commerce, I am delighted to send my greetings to this occasion of the 1997 Inauguration Ceremony of the Hong Kong Jaycees.

1996 has been a successful year under the capable leadership of President Justin and his hardworking Board of Directors, and I am sure that you and your Board are glad that you have been given this wonderful experience to serve for the past year.

To the incoming Board of Directors, the year 1997 will surely be a year of challenge and excitement, especially during the year where we will witness a change of sovereignty.

To the newly elected President Henry, this year will definitely be a year of hardwork and we need true leaders with great devotion to social and economic commitments to lead the Jaycee movements to another height, by working and exploring more worthwhile projects to develop more potential leaders to meet the growing needs of our society.

I wish you all a very prosperous and successful year.

Nora Cheng

Message from Chairman Long Range Planning Committee 1996-98 Hong Kong Junior Chamber of Commerce

It is my great pleasure to congratulate National President Henry U, his board members, all the LOM Presidents and Board members on this important occasion. This occasion is not only important to all the office bearers who will pledge their dedication and commitments to this organisation, it is important to all the members at large because this team of leaders will lead us to an important era in the final count down of the change of sovereignty of Hong Kong.

We deeply believe that this is a team of elites, to whom we can rely on to create positive changes in our organization and our community in this important moment, and bring us glory and fame.

May I wish them all the success and best wishes.

能夠被選為九七年度之會長，實在是青商生涯中一個莫大的榮譽，因為一九九七年實為本會繁忙而精彩的一年。

九七年將為本會二十周年的大日子，亦為本會重點工作「新界區傑出學生選舉」第十屆；又正值九七回歸及總會舉辦的國際青商活動在港舉行，整年的工作計劃亦被這些大型活動充實著，對於本人及執行董事局而言，九七年將是我們竭力履行對會友選舉時承諾的時候。

「挑戰自己　發揮潛能　時機共造　跨越九七」

是我內閣參選的口號，亦是我們明年工作的座右銘，越是艱難的工作，越大的挑戰，相信更會激發本會的士氣，把工作幹得更好！

在本會過去的十九年中，很多寶貴經驗成為本會的寶藏，前會長的指導更成為了我們後背的明燈指引；本人祈望能站在各會友的支持上，把會務發展得更好！

太平山青年商會於一九九七年正好踏入二十週年。為了配合二十週年盛事，相應定出一九九七年主題為「健康身心，豐盛人生」，關注社會上各階層人士的身心健康，從而達至豐盛人生！

History of
The Hong Kong Junior Chamber of Commerce

The Jaycees Movement reached Hong Kong in 1949, when a Philippine Jaycee John Ng who was the Special Liaison Officer of the JCI 5th Congress and was charged with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former Director of Wah Yan College, Hong Kong, a meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, a sponsor group of Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as convener of the Organizing Committee, Mr. Austin Coates from Hong Kong Government, then as Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor of the Organizing Committee.

The Ten Outstanding Young Persons (TOYP) Selection An Annual Project

The Ten Outstanding Young Persons (TOYP) Selection has become an annual project of Hong Kong Junior Chamber of Commerce (HKJCC) with the objectives of:

- giving formal recognition to the young people who excel in professional endeavors and commitment to the community.
- promoting prominent roles played by the aspiring young people in shaping a better future for society, and
- providing an incentive to all the promising young people who seek further advancement in personal achievement as well as public services.

The TOYP Selection is the most prestigious among the many meaningful projects and activities launched by the HKJCC. Organized since 1970, it has grown with prominence and recognition by the general public.

1992 was the 20th Anniversary of TOYP Selection

TOYP Selection would not be so successful without the hardwork of the Panel of Judges

1992 Selection graced by Guest of Honor, the Right Hon. the Baroness Dunn, DBC, LLD, JP.
