HIS EXCELLENCY, THE GOVERNOR
SIR DAVID WILSON KCMG

MESSAGE FROM HIS EXCELLENCY, THE GOVERNOR

Since the establishment of the Junior Chamber of Commerce in Hong Kong in 1950, the Jaycees have devoted a great deal of time and effort to youth leadership training, community development and the promotion of international goodwill.

On the Junior Chamber's 40th Anniversary, I congratulate all Jaycees on their fine work for the people of Hong Kong and wish all members every success for the future.

GOVERNOR

MR A. K. CHUI JP
Secretary for Recreation and Culture

MESSAGE FROM GUEST OF HONOUR

Over the past forty years, Jaycees have been progressing in parallel with the development of Hong Kong. Its members have successfully taken on leadership roles, serving Hong Kong with impressive merit and great distinction in many walks of life. To work for a better Hong Kong requires the enhancement and consolidation of leadership training, and further vigorous promotion of the Jaycee mission. From its proud record, the Jaycee movement will undoubtedly continue to go from strength to strength. I wish all its members every success in the future.

A.K. CHUI

MESSAGE FROM PATRON

It is a great honour to be invited by the Hong Kong Junior Chamber of Commerce as the patron of their 40th Anniversary Ball. It gives me an opportunity in meeting so many talented and energetic young men who have devoted so much of their precious time towards the building of a better Hong Kong.

The Hong Kong Junior Chamber of Commerce is a member of the Junior Chamber International which is a long established world-wide leadership development organisation. In the past 40 years the Hong Kong Junior Chamber of Commerce had provided an excellent training ground for leadership in the field of commerce and industry as well as in our community development. Their contributions have been responsible for the growth of Hong Kong as one of the most important commercial and financial centres of the world.

As we all know, Hong Kong is now facing a serious problem of brain drain. We need more young leaders who will not only play an important role in the commercial, industrial and financial fields, but will also be totally committed to the political and social development of Hong Kong. The future leaders of our community must be both socially as well as politically active. I am sure the Hong Kong Junior Chamber of Commerce will continue to play an even more active and important part in leadership training as manifested by their theme of the year — "Jaycees: Work For A Better Hong Kong". Finally I wish to take this opportunity in congratrulating them for their achievements in the past 40 years and also wishing them greater success in their future endeavours.

LIU LIT FOR *MBE, JP*

MESSAGE FROM NATIONAL PRESIDENT

It is my privilege and honour to be the National President of such a fine organization at its fortieth anniversary.

Forty years is a long time. Forty years of hardwork by our predecessors have laid a very firm foundation for our organization. With the goodwill we are enjoying, the support and advices of many experienced members, and the commitment of over 1,200 dynamic and enthusiastic members we are ready to take up more challenges and offer more contributions to our community.

The time for celebrations is also a time for review and planning. While doing so we get reinforcements from our past achievements, understand our strengths and weaknesses, realise the needs of our members and the society and be able to consolidate our resources to work towards better achievement in the future.

I wish the big reunion will bring back many good memories to our senior members and motivate the current ones to contribute more towards the purposes of Jaycees.

Have a most enjoyable evening for you all !

LARRY K. Y. LAU

MESSAGE FROM HON. LIFE PRESIDENT JCI WORLD PRESIDENT 1956

An anniversary is an occasion to look back by tradition. But it is also an opportunity to look at the future with assurance of success.

It serves a purpose to reminisce on past achievements but only if the experience is used to chart an even more ambitious course for the Chamber to take in the years ahead.

Let us, then, project the Chamber's role in the community in the coming century. But, in the years that remain in this century, it must take an incisive part in preparing Hong Kong for the change-over. It must be done with pragmatism so that the interests of the people here are protected, first and foremost. Then, the Chamber has certainly a positive role to play in the new society after 1997 by living up to the Jaycee Creed and putting its beliefs into practice realistically for the betterment of the community.

Congratulations and best wishes,

A. DE O. SALES

MESSAGE FROM JCI WORLD PRESIDENT

Fellow Junior Chamber members, it gives me great pleasure to greet and congratulate you on the occasion of your 40th Anniversary.

The achievement of a 40th Anniversary is a significant milestone in the life of any Junior Chamber. It reflects on the commitment that was made by hundreds of individuals in the past, and by the current members, towards the fulfillment of the dream of Jaycee Founder Henry Giessenbier, that people, working together, can develop their leadership abilities and serve the needs of their communities.

I would like to take this opportunity to encourage each of you to strive for a greater organization, and stronger individuals. Your NOM is proof that the Junior Chamber organization is a positive force among people with ambition and a will for personal improvement.

I send all the members of the Junior Chamber family in Hong Kong my best wishes for another successful 40 years of service.

E. JORGE SUNCAR M.

MESSAGE FROM JCI EXECUTIVE VICE PRESIDENT

I am delighted to extend warm greetings and congratulations to Hong Kong Junior Chamber of Commerce on the occassion of its 40th Anniversary Ball.

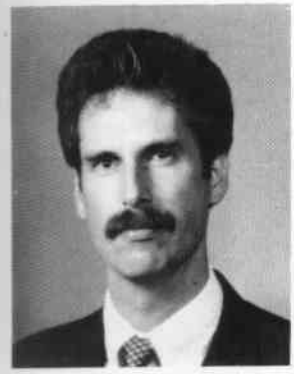

The future of the world lies in the vision and dreams of today's young leaders. Jaycees are the young leaders. It is through their devotion to continuing traditional Jaycees values — hard work, faith, acceptance of responsibility and love of this organization that the Jaycees will enter the 21st century stronger than ever.

To all Hong Kong Jaycees, today marks another milestone in your colorful and distinguished history. Your theme "Jaycees: Work For A Better Hong Kong" is so timely and significant considering the many dimension of Hongkong.

40 years of important and continuous involvement and the effective role Hong Kong Jaycees has played as catalyst between communities and influences in government policy indeed is something you must be proud of. Carry on the fine tradition, the honor and prestige of being a Hong Kong Jaycee.

Long live Hong Kong Jaycees !

HARRY C. ANGPING

JIM McMAHON

MESSAGE FROM JCI WORLD PRESIDENT 1957

I am delighted to have this opportunity to send a message along to you and your membership on the occasion of the 40th Anniversary Ball.

I am quite familiar with the activities of the Hong Kong Junior Chamber of Commerce going back to when the Honorable A. de O. Sales was president. Many of your early past presidents are life long friends whose activities in the Hong Kong Junior Chamber of Commerce brought credit to the Jaycees and the Community of Hong Kong.

If you were to visit my office you would see photos of some of your past presidents going back to J S Lee, Francis Chen, Alex Wu and others.

Over the years I have admired the activities of the Hong Kong Jaycees and noted with a great deal of satisfaction the expansion of the movement in Hong Kong.

As Jaycees you cannot rest on your laurels, these times demand an ever increasing effort on the part of your membership made up of young enthusiastic men and women. You must constantly strive to reach beyond on your fingertips keeping in mind that there is no project too big for you to undertake if the desire to achieve is in the hearts of the leadership and participants.

May I wish you well on this 40th Anniversary and encourage you to take on additional projects of a civic nature because projects provide the vehicle with which you develop leaders.

Warmest regards to your Honorary Life President Sonny Sales and your entire membership.

IRA D KAYE

MESSAGE FROM JCI WORLD PRESIDENT 1988

After having been an active member of the Hong Kong Junior Chamber for 19 years, I am delighted to share this joyful occasion of our 40th Anniversary.

In the span of these last four decades, the world has prospered under a growing awareness of mutual cooperation and co-existence of male and female, of nation and nation, of people and people, of human and nature, of Planet Earth and the Universe. Human beings have realised that to be master of all living things and nature also carries unshirkable responsibilities and demands uncomprising standards and discipline.

Junior Chamber International brings young people from over 100 countries to take on our daily challenges and issues with positive action and optimism for a better future. Our 40th Anniversary in Hong Kong is a befitting tribute to Jaycees' unequivocal faith in the building of human qualities as the greatest treasure on Earth.

JENNIFER YU

MESSAGE FORM SENATE CHAIRMAN NATIONAL IMMEDIATE PAST PRESIDENT

Over the past 40 years, Hong Kong Jaycees have achieved a lot, both in terms of community service and in personal development. I believe our 40th Anniversary marks a significant milestone for the continued success and progress of the Hong Kong Jaycees.

While we look back on those 40 years of achievements as an inspiration for the next 40 years, we should work even harder and think positively to build a stronger Jaycee organization, as well as to train more dynamic leaders to contribute to the urgent needs of our society.

I urge our current board of directors to take the opportunity of our 40th Anniversary to fully extend our membership, so that more young people can benefit from the most valuable training opportunities provided by our organization.

Please be assured that Senators in Hong Kong would show their support to the current Jaycees who are committed to better serve the community. So let's join hands to take another giant step forward on this 40th Anniversary of Hong Kong Junior Chamber!

On behalf of all JCI Senators in Hong Kong, I wish you all even greater success during the challenging decade of the nineties.

JUNIA HO

MESSAGE FROM TRUSTEE CHAIRMAN NATIONAL PRESIDENT 1976

Hong Kong Junior Chamber of Commerce is the richest organization in terms of community development and leadership training.

Hong Kong people are facing new criteria in the 90's. There are numerous areas which are of concern: Environment, trade barriers, human rights, basic laws, education, independent judiciary ... etc.

The 40th Anniversary of our organization reminds us that sincere effort, continuous effort & tireless effort pursuing clear goals is the only way to pass on love and compassion to our future generation; thus work for a better Hong Kong and all Jaycee members are encouraged to take the challenge.

I am confident you will contribute positively to ensure the future stability and prosperity of Hong Kong.

My very wishes to you all, and enjoy your 40th Anniversary celebrations.

SIR R. H. LOBO

MESSAGE FROM NATIONAL PRESIDENT 1955 JCI VICE PRESIDENT 1957

Leadership training through community service has been Hong Kong Junior Chamber's aim and purpose since its inception in 1950. Since then the implementation of this aim and purpose has in our own small way contributed towards shaping Hongkong's social and economic progress, thereby helping foster Hongkong's stability and prosperity. As we now enter 1990 which marks the transition decade into the 21st Century, the next ten years is a momentous period. May we double our resolve and effort to assist maintaining Hongkong's social and economic progress, with a view to widening the path of stability and prosperity along which we have trodden the last forty years.

With these words, I join my fellow Jaycees to celebrate the 40th Anniversary of the Jaycee Movement in Hongkong.

It is with pleasure and honour that I extend my warmest greeting to the Hong Kong Junior Chamber of Commerce on its 40th anniversary.

As civic-minded young people of Hong Kong, we should now set-aside a time for dedication to freedom and human rights. We should mark this day as a remembrance by a peaceful movement striving for rights and meaningful living to be respected.

MOHAN GIDUMAL

MESSAGE FROM NATIONAL PRESIDENT 1970

The Jaycee Creed is the finest model for young persons in the pursuit of leadership training, community service and international understanding for a better world.

The Fortieth year is a milestone of any organization. The past you unearthed in service and accomplishments is a meaningful and impressive one. It can inspire Jaycees and incoming administrations to greater growth and achievements in the 1990's.

My best wishes and congratulations to all Jaycees on the occasion of your 40th Anniversary.

ARTHUR W H CHOA

MESSAGE FROM NATIONAL PRESIDENT 1971

It is my great pleasure to offer my sincere congratulations on such grand occasion of the 40th Anniversary of the Hong Kong Junior Chamber of Commerce.

During these forty years the Jaycees have dedicated themselves to serve the community and at the same time provided opportunity for many young people to train themselves to become useful citizens. I am very pleased to witness many of them having excelled themselves and become leaders of the community.

The Jaycees have organized numerous meaningful community projects all of which have borne excellent results and have been deeply appreciated by our community. I am sure that the 1990 NOM will keep up with the traditional stamina and good spirits and bring the Jaycees to a higher level of achievement.

May I take this opportunity to wish you all a very happy and prosperous 1990.

CHARLES S. C. YEUNG, JP

MESSAGE FROM NATIONAL PRESIDENT 1972

It is a great pleasure for me to greet Jaycees and Jayceettes on the occasion of the 40th Anniversary of the Hong Kong Junior Chamber.

We all understand our Jaycee Creed, we all know the aims and objects of the Junior Chamber, and we all realize that only through personal participation in projects and motivation in group spirit to serve our community, will we be able to achieve our goals in all-round leadership development.

Hong Kong Junior Chamber has been growing steadily, thanks to the efforts and hardwork of its members, both past and present. It is most encouraging to note that not a few of the projects implemented throughout the years, such as management courses, road safety campaign, libraries, university loan funds, etc had been developed into some well-established organizations.

Only through personal participation in projects including all the stages of planning, organizing, implementing, and final evaluation, can individual Jaycee enjoy the Jaycee work and benefit from it.

With all my heart, may I wish the Hong Kong Junior Chamber and its members a great success in the years to come.

CHILIP KWAN

I now wish those who are still active members to take advantage of every single opportunity of training from their Jaycee meetings and projects; to learn hard today and lead well tomorrow in their own community.

ALBERT S. B. LI

MESSAGE FROM NATIONAL PRESIDENT 1974 JCI EXECUTIVE VICE PRESIDENT 1981

In my inaugural speech as National President of Hong Kong Jaycees, I praised the people of Hong Kong for creating prosperity and fortune from bare rock and sea water. It was 1974. Sixteen years later, I still feel very much the same and more strongly so.

As Hong Kong transitionalizes into another era of her history. People in Hong Kong must face new challenges. This is the time the true value of Hong Kong's young people will be tested. This is the time the ability of young people and the leadership of the Jaycees can best be demonstrated.

I ask all the Jaycees to play a positive role in helping this wonderful city and its people to recreate what seemed to be being lost. I always have faith in the people of Hong Kong. I always have faith in Jaycees.

As we celebrate 40 years of Hong Kong Jaycees commitment and track record in the development of our community and individuals. Let us vow to do our part in keeping Hong Kong great!

Make it happen!

Y. K. CHAN

MESSAGE FROM NATIONAL PRESIDENT 1978 JCI VICE PRESIDENT 1980

The 1990's will be a decade of turmoil for Hong Kong bearing in mind the problems of 1997, outflow of expertise, economy slow down, Vietnam refugees etc. etc.. We Jaycees, claiming to be the ultimate leadership training organization for young people, will be facing challenges we have never face before.

On the occasion of our 40th Anniversary, I wish my mother NOM the best of luck and would in future, be proud to be a member of this team of achievers.

JOHN LO

MESSAGE FROM NATIONAL PRESIDENT 1979

Forty years of Hong Kong Junior Chamber movement has flourished in an environment of unprecedent achievements in Hong Kong's own history.

At this celebration, it is only befitting for each Past President to be reminiscent of the highlights of his or her year. My 1979 administration took pride in having set high goals to bring Hong Kong into the focus of Junior Chamber International as a NOM that has achieved over 50% membership growth and the hosting of the JCI Asia Pacific Area Conference. At a time when Hong Kong was establishing it marks as Asia's Little Dragon.

I am confident that our Jaycee goals of community development and leadership training will continue to withstand the test on Hong Kong's future. Let our 40th Anniversary Celebration become the foundation and a testimony for all young people to continue to work a better Hong Kong.

SONNY YU

MESSAGE FROM NATIONAL PRESIDENT 1980

On the ocassion of the 40th Anniversary of Hong Kong Jaycees, I am honoured to express my best wishes to all of you.

Hong Kong is in an era of changes, the change of administration and it is hoped that it will be a change for the better. Although it is the desire of everyone, yet it cannot be possible without the involvement of all. We need good leaders to lead the change and Jaycees is a good training ground for such.

MAJOR TANG

MESSAGE FROM NATIONAL PRESIDENT 1981

I am pleased to have the opportunity to congratulate the Hong Kong Jaycees on its 40th Anniversary and send National President Larry my very best wishes.

This is a time for recollections and also one to chart our course for the coming five, ten years. We have done well to provide leadership training to the young people of Hong Kong. The National body's role to lead and ensure concerted efforts of the local Chapters in this direction has been significant. This role will certainly be even more important in the decade to come.

Best wishes again!

EDMOND PANG

MESSAGE FROM NATIONAL PRESIDENT 1982

The 40th anniversary of Hong Kong Jaycees is certainly an occasion for celebration and reflection. For 40 years, we have worked in service to the community and our dedication to the Jaycee ideals has brought many young people together in pursuit of the same noble cause.

We must not, however, stop here and fall into the trap of self-complacency. Jaycees always look forward to greater challenges in building a better community of tomorrow. Such spirit is needed particularly when our community is experiencing a stirring time.

Let us pledge again, at this historical moment of the organisation, our commitment in working for a better Hong Kong and enhancing the prestige of Jaycees.

ANDREW C. W. WONG

MESSAGE FROM NATIONAL PRESIDENT 1983

Stepping into the 90's, the HK Jaycees will be facing more challenges than ever in taking a vital role of training more young people in Hong Kong. As young people are the driving force of any society, Jaycees' unique method of leadership training through on-the-job project execution will undoubtedly help tremendously.

Whilst we celebrate our 40th year of existence, may I appeal to Jaycees and friends to call on more young men and women to join in the big family so that jointly we will work towards a better tomorrow for Hong Kong.

KITTY LEUNG

MESSAGE FROM NATIONAL PRESIDENT 1984

Anniversary is always an important occasion for every organization and this is specially true and meantingful to Hong Kong Jaycees when she celebrates her 40th Anniversary in 1990. It represents 40 years of successful achievements and success by a group of young men and women who devotes themselves for the betterment of mankind and to serve our community.

I have personally witnessed the growth and development of the Jaycee movement in Hong Kong during my last nineteen years of active Jaycee involvement. There were only three chapters of just over 200 members when I joined the Jaycee and now there are seventeen chapters of over 1,000 members. This means that more young people have joined the Jaycee family which is the world's largest leadership development organization. To the community, thousands of projects have been implemented and millions of people have either participated in these projects or been benefitted from these projects organized by the Jaycees.

I would like to urge the young Jaycees to continue the good work laid by the predecessors and join hands in striving hard for a even better future.

JOHN W. H. CHAN

MESSAGE FROM NATIONAL PRESIDENT 1985

It is encouraging to be able to witness the cerebration of the 40th Anniversary of Hong Kong Jaycees.

Jaycees have taken an active part in leadership development for the members as well as the contribution to the betterment of the society. The recognition of such works from both the government and the general public is significiant. Allow me to take this opportunity to wish you every success in your celebration and I pledge that all of you should take a more active role in maintaining the stablity and prosperity of Hong Kong.

PAUL CHEUNG

MESSAGE FROM NATIONAL PRESIDENT 1986

Over the last 40 years, Hong Kong Jaycees have grown from one chapter to today's Local Organisation Members. For outsiders, this may seems an enormous expansion which also means a very good development. However, we should not treat this a final stage of accomplishment but rather as the first stage of our involvment in the Jaycee movement. We have to ask ourselves whether we have performed, grown and developed to such an extend that we can sit and enjoy the accomplishment? The answer is No.

Naturally, there bond to be rooms for improvement and new areas of interest when our community has developed so much. The only solution is by working hard and strieve for better results.

Best wish to a successful 40th Anniversary.

NG LEUNG YAU

MESSAGE FROM NATIONAL PRESIDENT 1987

It is gratifying to see that over the past forty years the Jaycees had made significant contribution towards the attainment of the objectives of the Hong Kong Junior Chamber of Commerce.

We have also witnessed how our members had achieved their training and grown to become mature leaders in their profession as well as in the community.

The 40th year is by no means an easy year for the Hong Kong Jaycees, as we are confronted with political uncertainties coupled with many other social problems surrounding our community. It is in these difficult times that we need more leaders with talents and devotion to serve the community and to work towards a better Hong Kong.

Whilst rejoicing over the 40th Anniversary, I would like to urge all members to spend more effort in enlarging and consolidating our membership and to work actively towards providing a more dynamic leadership in order to meet the urgent needs of our Society.

Congratulations and best wishes for a most successful and memorable 40th Anniversary!

NORA CHENG

HISTORY OF HONG KONG JUNIOR CHAMBER OF COMMERCE

The Jaycee movement reached Hong Kong in 1949, when a Philippine Jaycee John Ng who was the Special Liasion Officer of the JCI 5th Congress and was charged with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr Alex Ng, a Jayee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of the Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as Convenor of the organizing committee. Mr. Austin Coates from Hong Kong Government, then as Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

The tempo of laying the foundation of the Chamber was further stepped up when Mr. Ramon V. Del Rosario, the JCI Vice-President for Asia, offered to recommend prompt recognition of the Hong Kong Jaycee membership status. He also invited the Organizing Committee to send observers to Manila to attend the JCI 5th Congress. On 21st March, 1950 a sponsor meeting was called to receive the report of the returned observers from Manila. 4 Areas of Opportunities

1950s

"Here came the Jaycees Movement . . ."

In late 1940s, Hong Kong was recovering from the Second World War. There were urgent needs and great opportunities for local community leaders to contribute to her economic and social developments.

Casting their eyes abroad, a group of dynamic youngmen, of various nationalities and background, aspired by leadership training, grasped hold of the opportunity and grouped together to form the Hong Kong Junior Chamber (Jaycees).

Pouring in their enthusiasm and efforts, poineer Jaycees worked hard in different community projects and training programmes, and participated in a series of international meetings.

Sensing the needs of the society, these youngmen put ideas into actions. Projects were initiated with cross fertilization of ideas. Among them, the setting up of more than 30 children libraries, including portable and mobile van libraries, was the most prominent achievement.

Caring for the body but also the soul and mind, a children library was open in Shek Kip Mei in the presence of JCI World President 1957 Senator Ira D. Kaye

The first children library was established in 1952 at the War Memorial Centre in Wanchai, followed by the ones in Shek Kip Mei and Yuen Long (Nixon Library). In 1955, Hong Kong Jaycees donated the first mobile Van Library to the Social Welfare Office under the Chinese hanguages Department. As a result, thousands of children were given the chance to read and learn. The success of the project led to the first award for the Hong Kong Junior Chamber in the Melbourne World Congress. The children library project was further developed into a scholarship project, helping those who wanted to learn.

The opening of Nixon Library turned a new page for the residents of Yuen Long.

Adorable children from this ophanage was obviously attracted to the toys brought along by our Jaycee members.

In a move to broaden their vision and widen their horizon, poineer Jaycees were also active in attending various Conferences and Congresses.

The experiences gained led to the success of hosting the first and the fourth JCI Regional Conference in Hong Kong in 1950s.

Delegates in the 1st JCI Regional Conference for Asia attentively listened to the deliberations by other members.

National President 1954 Senator A. de O. Sales and JCI International officials were ready at the headtable for the proceeding of the 4th JCI Regional Conference.

The participation in, and the hosting of, international conferences, added a new dimension to the members and at the same time uplifted the regional exposure for Hong Kong.

With wholehearted participation and contribution by the Jaycee members, Hong Kong Junior Chamber had an accepted place in society and Hong Kong got a big international name in a few years.

At the same time, with the rapid industrial development of Hong Kong in the 50s, it became apparent that facilities for the training of future executives were almost non-existent. Hong Kong Junior Chamber shown foresight and initiative in promoting institutional development. It particularily took pride in its contribution to the formation of the Hong Kong Management Association.

National President Sir Roger H. Lobo together with his fellow Jaycees cherished the 5th anniversary by singing the JC song.

Those were the days. Hon. Life President A. de O. Sales in his younger days was delivering speech in the 5th Anniversary.

Jaycees was therefore nicknamed for being 'catalyst', 'pacemakers'. They were described by His Excellency, The Governor Alexander Gramtham as 'Practical Idealists' — youngmen with great ideas and put ideas into practice by concrete projects.

Undoubtedly, 1950s had laid down a solid foundation for the Hong Kong Junior Chamber of Commerce heading forwards future growth and development.

Memories, light the corners of my mind,
misty water color memories, of the way we were . . .

1960s

"Growth and Development"

In the continuation of the relay, Hong Kong Junior Chamber stepped into its further developing stage.

Applying the experiences gained and together with the endeavour of the Jaycee members, the 17th World Congress of Junior Chamber International was, for the first time, held in Hong Kong in 1962.

It was a grand and memorable event, widely covered by the media. The use of the whole new City Hall became the talk of the town. The success of which not only reaffirmed the social status of Jaycees in the community, but also was a confidence booster for each Jaycee member.

The surplus from the Congress also led to the formation of the Trust Fund which solidified the financial ground of the Jaycees and hence enabled further exploration in community development.

With the continual injection of new bloods, Hong Kong Junior Chamber was restructured into a core National Organization Member and 2 affiliated chapters of Victoria and Kowloon Jaycees in 1965.

Members of Victoria and Kowloon Jaycees were seen attending the 4th National Convention

They were subsequently given the leadership training opportunity in hosting the JCI Regional Conference again in 1966.

"A Better World Tomorrow Through Jaycee Training Today" — Theme of 1966 JCI Conference in Hong Kong.

The 1966 Regional Conference was attended by 382 delegates from all over the world.

To spread the Jaycee spirit, Jaycee Week program was also launched in the 60s to promote Jaycees to the public. The first Chinese speaking chapter (Peninsula Jaycees) and the first all lady chapter (HK Jayceettes) were then formed in 1969.

The coming together of members from various backgrounds provided the impetus for a diversification of community projects.

The Jaycee Weeks in the 60s were ever trying to promote Jaycees to the general public.

Where are they now? Charterd members of the first all lady chapter — The HK Jayceettes was formed in 1969.

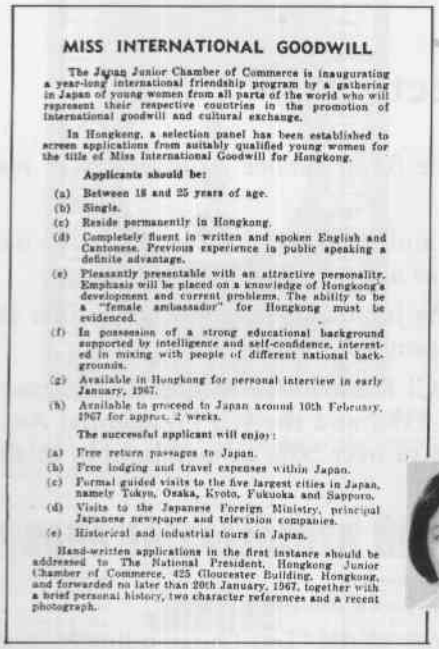

The bed was seen so comfortable that Jaycee member wanted to take a nap after blood donation.

Are you my dad? Jaycee members visiting Kwong Wah Hospital Nursury Section burst into laughter from the question raised by this innocent baby.

The Annual Dragon Seed races shared our concern for the boat people from Kowloon typhoon shelters.

The Miss International Goodwill Contest, and the later Miss Hong Kong Contest in the 60s were first initiated by the Jaycees and became an international friendship program which promoted the international goodwill and enhanced cultural exchange of Hong Kong.

The Japan and HK Junior Chambers inaugurated the 'Miss International Goodwill' in 1967. The lucky lady was this beautiful and intellegent Elaine Chung

HE TOOK HOME THE BACON

AT the end of the annual Yaumati Dragon Seed races yesterday, the happiest boy around was 16-year-old Law Fai.

He didn't win a single boat race – but he walked a greasy pole and carried home a whole roast pig.

The greasy pole competition was the feature event to end an exciting day of sampan racing.

The Dragon Seed races are held each year by Project Concern, the Victoria Junior Chamber and the Fraternal Association of the Floating Population of Hongkong.

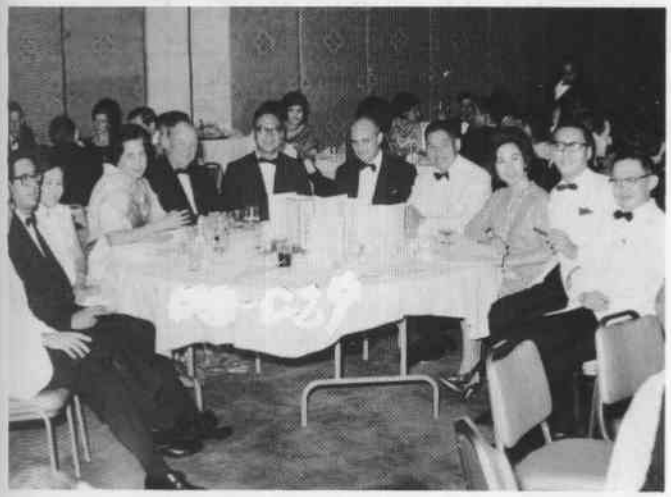

Hundreds of children from Kowloon typhoon shelters took part in the races... and were treated to lunch by the Hotel Hilton.

● TRIUMPHANT Law Fai...he walked the greasy pole and won a whole roast pig.

The triumphant was rewarded in the Third Annual Dragon Seed Race in 1966 bringing happiness to hundreds of boat people

The addition of more members and more projects, called for better communication, co-operation and administration. The introduction of management courses and projects such as Golden Anniversary Ball played an important role in answering to the needs.

Through the upbringing in 1960s, Hong Kong Junior Chamber came to its mature stage and began to strive for more opportunities in leadership training and betterment of the community.

1970s

"Many the First and Meangingful Projects in . . . ."

Stepping into the decade of the 70s and after the celebration of the Silver Jubilee Anniversary, it marked the beginning of a Golden Page in Jaycee history.

It was a memorable period which had many encouraging rewards and meaningful projects carried out. Three more chapters were officiated. A JCI Asia Pacific Conferece was again hosted in Hong Kong.

In 1974, during the World Congress held in Auckland, Hong Kong Junior Chamber won the first LOM Award and the JCI Presidential Award of Excellence in NOM management.

Three years later, Hong Kong Junior Chamber was awarded the JCI Presidential Award of Exellence for Outstanding Achievement in Chapter Extension with an increase of 25%, and the JCI Presidential Award of Excellence for Outstanding Achievement in Growth with an increase of over 50% in membership in the year of 1979.

The Jaycee owned Chamber Office was opened in the year 1977 which further enhanced the sense of belonging of members in the Jaycee family.

Many well-known projects were initiated and received wide publicity. To name a few:

- The first 'Outstanding Young Men Award' was launched (forerunner of the 'Ten Outstanding Young Persons Selection' (TOYP) program which received increasing support and commendation from the public until now)
- The 'Exchange program' in 1971 was the first Youth Voyage which deepened the cultural exchange and understanding between Hong Kong and Japan.
- The first 'Solar Heating System' installed in WuKaiSha Youth Camp received the first LOM award in JCI World Congress.
- The much acclaimed 'Earth Population Awareness Program' which propagandized the slogan: 'One is cute; Two is ideal; Three is too much for the bill; Four breaks the family quilt' was adopted by The Family Planning Association as a slogan for family planning education program.
- The "Pop Folk" Concert in those days was the only outdoor concert attracted the youths in Hong Kong.
- The 'Eye Care Campaign' and 'Kidney Donation Campaign' etc. projected the importance of health.

Mild-mannered as the humble telephone may appear to be, it certainly does possess extraordinary powers.

And nowhere are they more extraordinary than right here in Hong Kong. Our free Time and Temperature Service handles millions of calls a month. While free calls to Directory Enquiries exceeded 55 million last year.

In fact, the cost of telephone service has fallen by nearly 50% in comparison to the rate of inflation over the last 10 years. And when you consider that all local calls are free, it's true to say that the cost of telephone service is cheaper here than in any other country in the region.

Over the past five years, we've re-invested 90% of our profits in the system. All of which is proof that we will do anything, even leap over buildings in a single bound, to continue playing our leading role in the ongoing growth and success of Hong Kong.
