MESSAGE FROM

NATIONAL PRESIDENT
JUNIOR CHAMBER INTERNATIONAL HONG KONG

SENATOR WINNIE YEUNG

If you would like to see where we are going, you need to understand where we came from. Our future is along the voyage we have embarked on long ago.. Consider flying, for thousands of years, we have been exploring the skies: first with kites, hot air balloons and now planes.

Each day it brings us closer together. Each time when a plane take off, it brings hundreds of people to new places and chances to meet new people. Members from all over the world have come together, sharing this unique adventure that we call the JC Experience. In all of its beauty, let us not forget whenever a plane takes off, many stakeholders need to pay the price, including the environment. Each time we start the engine, switching on lights, our beloved earth is being leveraged too. For all the exploitation we have made, we have to change it, and we must change it.

The changes we make does not mean we have to sacrifice being disconnected, isolated, unhappier. In JC, we solve problems not by making things worse, but by making them better. We stopped hunting not because we are no longer hungry but because we have mastered how to sow and reap. We will not stop traveling and seeing each other. We will always find better alternatives.

"Empowered Leaders Empower Leaders" is the theme of JCI Hong Kong this year. Not only do we believe that we can do it, it is very important to help people around us to believe that they can do it. This is what empowerment is all about—believing in others more than they believe in themselves.

Since I was a kid, I learnt that things in life would not always run smoothly. Very often we would be rising towards the heights—then all would seem to reverse itself and start deteriorating. The great thing to remember is that the trend of mankind development itself is forever spinning in an upward direction, that a line is always drawn from the silver lining and it is always a more promising year ahead. All we need is faith, to believe that we can overcome and everything will be alright.

Just when the caterpillar thought the world was ending, it turned into a butterfly. As JC members, we are globally minded young people who carry rights, responsibilities and shared goals and we are empowered to embrace changes. We find targeted solutions to local issues to benefit our communities, our world and our future. By welcoming new ideas, collaboration and diversity, we address the most critical challenges of our time with passion and courage.

I am grateful that I am supported by a strong team of National Officers, our Past National Presidents, 21 Local Chapters and all the like-minded partners in 2021. Thank you for turning Empowered Leaders Empower Leaders into reality!

Yours sincerely,

Winnie Yeung

SENATOR TERESA POON

I would like to send my warmest greetings to each of you at 56th JCI Hong Kong National Convention.

Empowering is defined as: to give power or authority, to authorize, to enable or permit. Leaving the past 18 months behind is not going to be as simple as you might imagine. Lockdowns have dented people's ambitions and made them unsure how to move ahead. Therefore, the empowerment with action-oriented courses such as RISE Empowerment Summit, the empowerment with brings people together such as Hello World, the empowerment with inspiration such as Pitch and Fund have made JCI Hong Kong members to be on board with the world again.

With 71 years of history and strong foundation, JCI Hong Kong has always been leading her members to achieve outstanding projects, productive meetings, and most importantly a harmonized organization. Under the great leadership of 2021 National President Winnie Yeung, I witnessed a good participation number to international events, a calm and courageous strategy dealing with unexpected situation and the drive that engages like-minded young people in Hong Kong to help shape it a better place for our next generation.

MESSAGE FROM

ALUMNI CHAIRMAN
JUNIOR CHAMBER INTERNATIONAL HONG KONG
SENATOR VICTOR CHAN

Congratulations to JCI Hong Kong on its 56th National Convention!

I hope this message finds you and your families healthy and safe during these unpredictable and uncertain times as COVID-19 rages across the globe. During 2021, we have been confronted with severe dilemma due to the outburst of variant coronavirus. The pandemic is changing the world, but will not bring impact to our Jaycee spirit and friendship. As the pandemic condition eases up in Hong Kong, we start to hold physical events by complying to the stringent safety measures, and the activities were welcomed by senior members.

The JCI Hong Kong Alumni Club Executive Committee has been working hard to organize activities incessantly, with the hope to bring pleasure and belongingness to our senior members. However, the Luncheon hosted by Honorary Patron Past JCI President Senator Jennifer Yu and JCI Honorary Advisor Senator Sonny Yu for 2021 Executive Committee, Past Alumni Club Chairmen, Senior Member Club Chairmen and Coordinators had to be cancelled at the beginning of the year. Fortunately, the Chinese New Year Bonanza「辛丑年新春團拜之資深牛年相聚慶新春」Facebook Live Stream was successfully held on February 27. The SMCC Gathering,「資深青商會主席及召集人晚宴暨快速記憶法工作坊」, was successfully held on April 15. After a year's postponement, the two days-one night local trip,「熱情洋日海鮮遊」, was successfully held on June 5 and 6. The Alumni Club Gathering,「十二誕生石之傳奇 (愛 , 財 , 運) 暨午間茶聚」, was successfully held on June 27. The second SMCC Gathering,『大灣區資多「D」深入「D」』, was successfully held on July 31. Another fun-filled event, the Mahjong Competition cum Dinner ,「雀皇群英滙暨晚宴」, was successfully held on Aught 28. There are three upcoming activities organizing at full blast – the One-day Local Trip,「綠水青山樂優遊」, will be held on October 3. The third SMCC Gathering,「大閘蟹宴」, will be held on October 30. And finally, our spotlight of the year, the 24th Anniversary Dinner" 資深夢 • 樂園 ", will be held on December 5.

The JCI Hong Kong Alumni Club has a total of 738 members by the end of July 2021. At the graduation ceremony of full members during National Convention, it is inspiring that we will witness the graduates stepping into a new stage of JC life and adding strength to Senior Members Clubs and Alumni Club. By participating in JCIHK National Convention, senior members and current members may cultivate fellowship, and new leaders will have the chance to exchange knowledge, ideas and experiences in leadership.

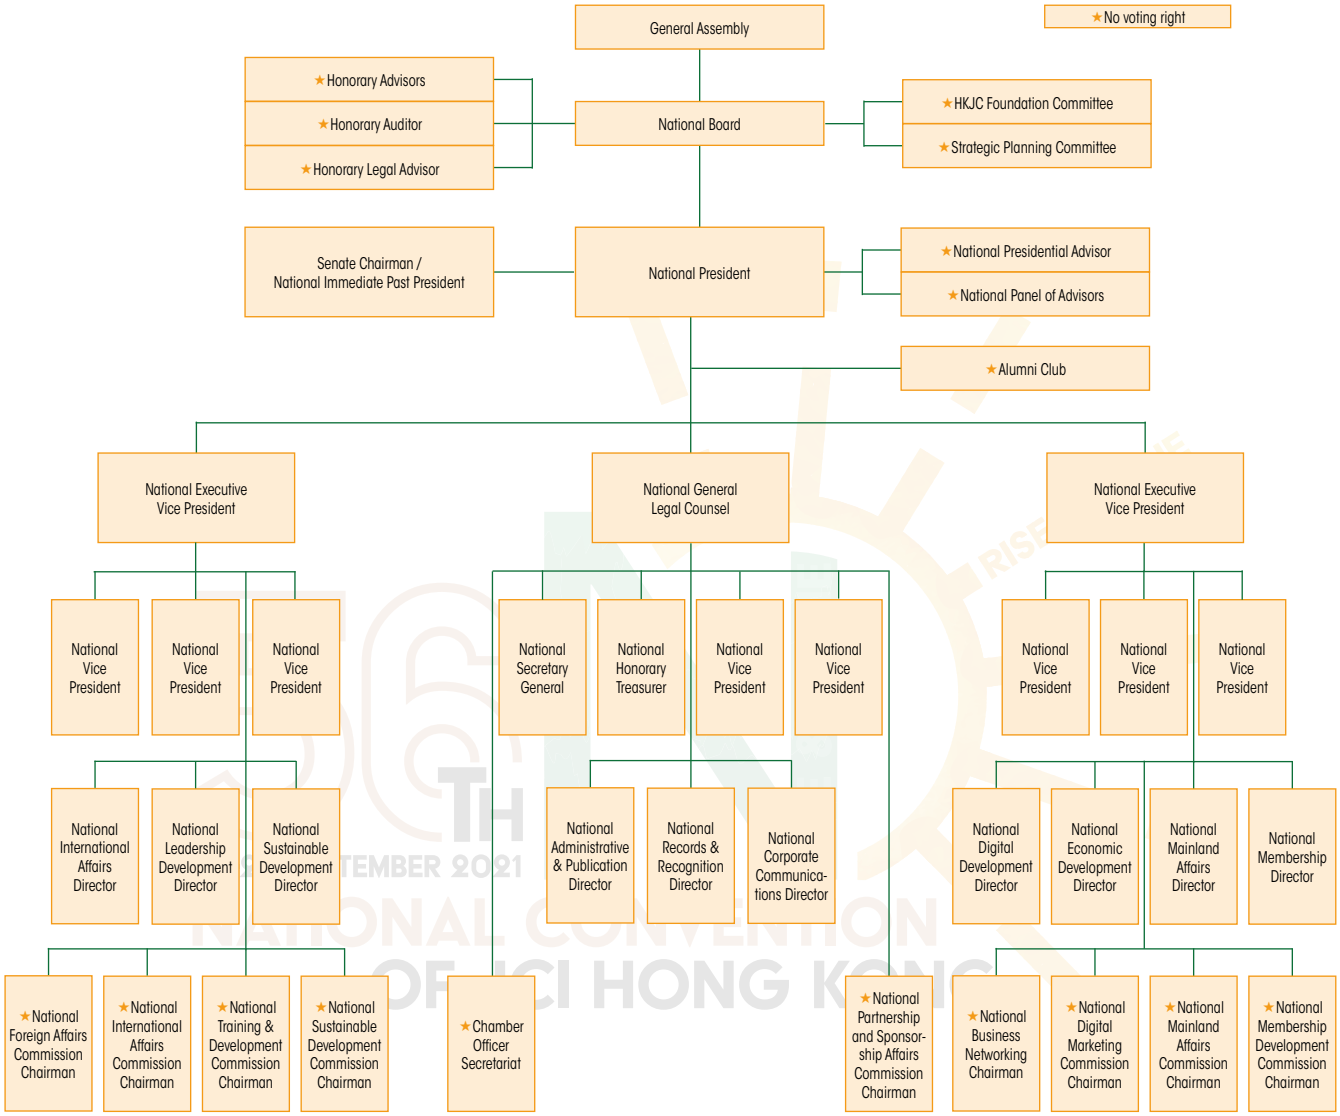

My deep appreciation goes to my mother Chapter Peninsula and JCIHK Alumni Club for their support, and I offer my heartfelt thanks to National Convention Director Senator Daryl Lin and his COC for their devoted organizing work and I wish National Convention with all success!

JCI CREED, MISSION AND VISION

JCI CREED

We believe that "faith in God gives meaning and purpose to human life;
that the brotherhood of man transcends the sovereignty of nations;
that economic justice can best be won by free men through free enterprise;
that government should be of laws rather than of men,
that earth's great treasure lies in human personality;
and that service to humanity is the best work of Life".

JCI MISSION

To provide development opportunities that empower young people to create positive change.

JCI VISION

To be the leading global network of young active citizens.

2021 PRESIDENT
Ryubun Kojima from JCI Japan

HISTORY

Our global organization of 200,000 young active citizens grew out of the vision of one St. Louisan more than 100 years ago from a constructive approach to civic problems. Founded in 1915 in St. Louis., Missouri, USA by Henry Giessenbier Jr., the movement was spread out, and Junior Chamber International was founded with eight other countries in Mexico City on December 11, 1944.

HEADQUARTERS

The JCI Headquarters was established in 1951 and was located in Coral Gables, Florida, U.S.A. since 1969. In 2002, the JCI Headquarters was relocated to Chesterfield, St. Louis, Missouri, U.S.A., where the first local organization was founded in 1918. A professional staff of 20 full-time employees currently provide services to JCI members. The Secretary General is Kevin Hin.

INTERNATIONAL EVENTS

The 2021 JCI World Congress will be held in Johannesburg, South Africa from 16th-20th November 2021. The winners of the Ten Outstanding Young Persons of the World (TOYP) Program are announced each year at the JCI World Congress. The program honors up to ten young individuals who best exemplify the finest attributes of the world's young people. JCI also hosts 4 regional conferences each year to conduct its business and trainings as well as address items of concern and global issues. This year, these conferences will be held in Arraijan, Panama (Conference of the Americas); Rostock, Germany (European Conference); Taichung, Taiwan (Asia & the Pacific Conference); and Amman, Jordan (Africa & Middle East Conference).

JCI CORPORATE SLOGAN

2020 was a challenging year for everyone, but JCI is using this opportunity to rethink the way to connect with its members, partners and the world. JCI had its first fully online Area Conference and the first hybrid World Congress. Also, the JCI Rise initiative was launched to sustain and rebuild economies, empower the workforce and preserve mental health in the wake of the COVID-19 global pandemic.

The slogan for 2021 is " ", meaning that if we all learn from our experience in 2020, it is that we are all having similar direction, and we all have the power to shape our future for the better.

JCI OPPORTUNITIES

JCI can be called an organization of opportunities. The opportunities available within JCI are so numerous that it could take a lifetime to grasp them all. Most members select those which cater to their particular needs and make the most of them. Basically, there are four opportunities within the organization: Individual, Community, International and Business. Projects are conducted in each area. As the members work on these projects, they encounter opportunities for total development.

INTERNATIONAL CO-OPERATION

JCI is a Non-Governmental Organization (NGO) with active participation in the United Nations (UN) system in the context, JCI has relations with the Office of the UN Secretary General (Secretariat) and a Consultative Status with the Economic and Social Council (ECOSCO). Furthermore, JCI has cooperation agreements with the UN Global Compact; the United Nations Educational, Scientific and Cultural Organization (UNESCO); the United Nations Conference on Trade and Development (UNCTAD); the Pan American Health Organization; the Conference of Non-Governmental Organizations (CONGO); the NGO Committee on UNICEF; the International Chamber of Commerce (ICC); World Chambers Federation; the Council of Europe; AIESEC International; and Goal4Africa.

JUNIOR CHAMBER INTERNATIONAL HONG KONG

LOCAL CHAPTERs

JCI Victoria is the most senior chapter in Hong Kong. We have been encouraging young people to be active citizens and to create positive change in areas like individual, international, Community & business for the past 70 years.

"V Sustain. In Action" is our slogan for 2021. We hope to build a closer bonding among our members and bring sustainability into ACTION and into JCI Victoria. With sustainable development, we create long-term value and growth.

Over the years, JCI Victoria has gathered all 3 flagship projects. "innoBrand - Evolution Reborn", "SDG Enterprise Award 2021", "32th Grandparents' Day" & all Monthly Fellowship Gatherings to be interlinked and be benefiting each other. All projects & areas have been closely tied to SDG. Ongoing collaboration with our Sister Chapters, APICC Chapters, our connection with them has been extended.

In 2021, we continue to motivate our members to uphold the JCI Mission & Vision, and nurture young active citizens to become future leaders through Jaycee Movements, which aligns with the 2021 theme of JCI Hong Kong, "Empowered Leaders, Empower Leaders"

JCI Kowloon was the second most senior chapter among the 21 chapters of JCI Hong Kong established in 1965. The theme of our Chapter this year is "Care Connect Create". We have put special efforts in leadership training, community programmes and international networks with our projects "Leaders of Leaders", "Shelter Dreams" and "30th anniversary sisterhood celebration with Pan Mac JC", to engage our members, nurture leaders and create positive change in society.

Under the leadership of National President Senator Winnie Yeung and her National Board of Directors, JCI Hong Kong achieved significant accomplishments in 2021. I would like to express my gratitude for their tremendous support to our chapter. The slogan of this year's convention is "Rise & Shine", which reflects that JCI provides a solid ground for members to enrich their knowledge and broaden their horizon. The convention serves as an excellent opportunity to review this year's achievements and elect new leaders for the coming year.

May I wish JCI Hong Kong a successful convention and all the best in years to come.

JCI Island has always been one of the active chapters of JCI Hong Kong. Over the years, JCI Island has pioneered many large-scale projects towards the betterment of Hong Kong community. Moreover, JCI Island has focused its effort on providing young men aged between 18 and 40 with opportunities in polishing leadership skills, building social responsibility, motivating entrepreneurship and encouraging fellowship.

In 2021, JCI Island has leveraged on the power of digital technology to launch our initiative challenges projects. Due to pandemic, new Sports Day activities 'JC Sports Begin @ Home Challenge 2021' is one of the initiatives designed for building up new healthy habits, encouraging JC members to keep doing exercises for keep fit, team building and enhancing family harmony. Under this online Sports Challenge competition, the contestants are required to choose their difficulty level that they would like to challenge their limits within 31 days.

'O! Love Sen Phone 2021' is another initiative designed for providing opportunities to the volunteers to make phone calls to the senior citizens, to deliver love and care in social services centers or their preferred places. A pre-service training session has been hosted for sharing the best practices to communicate with the senior citizens who may feel lonely and helpless due to insufficient social interaction.

'JCI Island Scholarship for the Disabled' is still keep organizing this year. It comes to the 39th year. 20 awards and scholarship are presented to the outstanding disabled students. So that we can encourage students with disabilities and special education needs to unleash their potentials, to recognize their outstanding achievements, to promote the social awareness on the targeted students as well as to build an integrated community together.

Established in 1969, JCI Peninsula is a local chapter (LOM) of the Junior Chamber International Hong Kong (JCIHK). It aims to contribute to the society, to develop potentials in individuals, to enhance business partnerships and to widen international development networks.

JCI Peninsula follows the spirit of "Self-Train through Serving the Community" and develops projects based on the needs of the community while offer training opportunities to the youth through contribution to the society. Its flagship projects include "We Love Schooling" Guizhou education support programme, which is entering its 22nd year, supporting the education of about 1000 children in Guizhou rural area annually. "Lead the City – Future Leaders, Speaking Power" provide training opportunities to post-graduate and young entrepreneur with communication workshops to face their career challenge. "Care for Carers" spread the love to carer by conducting survey on carer's mental and social awareness, and organize pressure relief workshops for carer's, supporting them in the daily demanding carer role.

Through decades of hard work, it has received recognitions from various aspects in the society, and has been accredited for its excellence with awards including the Outstanding Chapter of the World, of Asia and of Hong Kong.

With the four areas of opportunities (Individual, Community, International and Business developments) in mind, JCI Peninsula hopes to unleash potentials in young persons with experiences gained from coordinating and participating in events, hence to empower more young empowered leaders, to further empower other young leaders.

JCI HONG KONG JAYCEETTES

JCI Hong Kong Jayceettes was established in October 1969 as the first lady Chapter in Asia and the second in the world. The theme for 2021 is "Be Bold. Be Empowered. Be You". It not only exemplifies the spirit of women empowerment, but also the mindset that Jayceettes have been upholding in our 52-years of history. We never stop taking up challenges despite the headwinds, and have continuously strived to provide development opportunities for young women and create impactful projects for society over the years.

This year, we have organized two flagship projects that tackle social issues and opportunities brought on by the pandemic. "Care & Dare 2021: Stand by Moms, Always" focuses on working mothers, it aims to relief working mothers' stress under COVID-19 and motivates corporates to incorporate family-friendly policies and cultures.

Our long-standing business project – "Business on Stilettos 2021: APAC Female Entrepreneur Award" connects working women with international partners through technology and establishes a broad Asia-Pacific Female Entrepreneurial Network, thus fostering business opportunity under the pandemic.

"Be Bold. Be Empowered. Be You" is not just a theme, it's a mentality and a way of life that we would like to encourage every woman to embody. Let us join hands to be the best version of ourselves!

The chapter's flagship project "HKSAR Outstanding Students Selection", which has been held for 33 years, always receives high recognition from the public. The objective of the project is to encourage students to have a balanced development of personality, civic knowledge, academic achievements, as well as social awareness and community services

JCI TAI PING SHAN

Founded in 1978, JCI Tai Ping Shan is a non-profit organisation affiliated with JCI Hong Kong.

Ever since its establishment, the Chapter has positioned itself as a platform for initiating events and projects, aiming to create positive changes for its members and Hong Kong society.

The Chapter has successfully organised projects with significant impact in the community, including "Watchman - Qualitative Research of McRefugee". The research results of the project have over 120 media coverages, including overseas media like TIME, CNN, Fox News and Daily Mail.

In 2021 our primary focus is "Being Green"; from the Chapter's perspective, we abandoned business cards, single-use banners, backdrops, and unnecessary paper use and selected a more environment-friendly method, which is using e-versions. In Business Affair, we have "The Peak - Considearth", which recognise local Green products' designers while connecting them with a platform that could help them thrive. Finally, Merry Earth, our "Green" flagship project, raises awareness of the excessive uses of plastic by encouraging the participants to collect and review their plastic usage while providing insights into reducing its use.

2021 is a difficult one under the COVID-19 Pandemic, but with the Chapter's DNA of Pioneering, Togetherness and Energy to serve, we will continue to nurture future leaders to empower leaders.

JCI BAUHINIA

JCI Bauhinia is a female chapter founded in 1979 with Chinese as its official language. Our members are a group of energetic young executives and professional aged between 18 and 40. During the past 41 years, JCI Bauhinia persistently has strived to serve the community and provide opportunities for members' personal growth in order to create positive change. In 1999, we received the Award of Outstanding Local Organization Member of the World.

The global pandemic has changed the world a lot. To recover from the impact that Covid has brought us, in 2021, JCI Bauhinia has been focusing on JCI Rise initiative and launched three flagship projects in response to this.

We continue our "Circle Care (同心圓)" project with the theme being "Women Empower Women (疫轉人生)", inviting celebrities, female entrepreneurs from NGOs and business sectors to be our guests and sharing positive messages through videos launched on our online platform.

Covid also changes our consumption pattern and stimulates online clothing spending. We launch a new flagship project, "Sustainable Clothing (可持續時裝 – 識買。惜著)", to advocate the importance of recycling and upcycling unused clothing to protect our environmental and globe.

No doubt that our travel has been restricted by the pandemic. JCI Bauhinia has deeply reflected the importance of barrier-free travel to our disabled friends. We therefore launch "The Flywheel (非凡夢飛航青年交流計劃)", lining up abled and disabled from 11 countries to share their view on barrier-free travel and what their local government could do better to achieve disabilities inclusive society.

With our aspiration "匯賢創未來 攜手夢飛航 (Together we create our future and dream)" this year, we will continue to unleash member's potential and serve our community to advance JCI value, mission and vision.

JCI Queensway QUEENSWAY

JCI Queensway is one of the 21 local chapters of JCHK. It was formed, for the first time in the history of JCHK, by a group of prospective members with the assistance of a few senior members in 1984. JCI Queensway is a mixed chapter using English as the official language. Originally it is formed with the individuals from a variety of professions. It seeks to harness this diversity to create positive change. Over the years JCI Queensway has been actively involved in various projects with the aim of serving the community as well as providing training to its members. Now our aim targets at caring about the community, serving and rewarding the community.

In 2021, JCI Queensway launched a brand new flagship project "Extraordinary Branding Awards", aiming at enhancing the public awareness on some extraordinary enterprises, empowering youngsters to develop their own business, and learn from other successful business model and the mentality and instant response to the economics when those outstanding enterprises facing difficulties. Through this project, we have connected with multiple external partners for long term collaborations and also expanded our networks with the business sector for further engagement, and at the same time it provided a valuable platform for our members to gain more exposure. We will continue the project next year and bring more positive impact to both society and our members.

"From Ordinary to Extraordinary". JCI Queensway will continue to pursue excellence with creativity and persistence, empowering extraordinary leaders for the society

JCI NORTH DISTRICT

JCI North District was established in 1985, as the North District Government Office contacted JCI Hong Kong, hopes to bring in the youth spirit in North District, we have a strong connection with local district, and we are the 15th local chapter affiliated to JCI Hong Kong.

In 2021, our main theme is "Build dreams • Fly up high"「築夢。飛翔」，we hope that all members can bravely pursue their dreams and fly up high.

This year flagship project "The 30th Hong Kong Silver Tongue Contest"「第三十屆香港金口獎比賽」, the competition theme also revolved "My Dream", the primary school students can also build up their own dreams. Also, it is an all-rounded biliterate and trilingual contest that focuses on writing and speaking. Through participating in this contest, we hope the epidemic is over soon and spread positive energy to the society.

Moreover, another project "Dream Building"「揀露行」 aims to promote a design concept competition about "Car Camping"「車中泊」, as because during the epidemic time, many people can't go out to travel, we hope to provide a way for them to get away from the pressure, and can enjoy their private time during the car travel. Also it is a good way to improve the Parent-child relationship.

JCI North District members are our family and friends, we provide development opportunities that empower young people to create positive change. We are from different job categories too.

JCI OCEAN

Founded in 1987, JCI Ocean is a mixed-gender chapter of male and female. We use Chinese as our chapter's official language. In April of the founding year, there are more than half a hundred young people from different classes joined together for a trip to Japan. For goodwill, it was a nice experience with a message of peace and fraternity. Therefore with the chance presented, the participants from the trip join the forces together and forming JCI Ocean.

This year is the 34th year of JCI Ocean, this year Slogan is "Take Root in Ocean and Achieve your Dreams", which symbolizes members take a step by step approach in their personal growth and fulfill their dreams with the support of the chapter.

JCI Ocean creates projects that create positive change and promoting UNSDGs goals. This year our projects following the JCI initiative, JCI Rise including Rebuilt, Invest, Sustain and Evolve.

Long March 2021 - We focus on gender equality. Joining forces with JCI Suita, we share Hong Kong's experience in empowering women and insight into rebuilding community during COVID-19, Besides we also provide digital transformation workshops to the public.

Hong Kong Sustainability Impact Series - We served as a platform to connect different stakeholders of the Green industries towards the same goal. We educate the young and work with the communities to promote carbon-neutral concepts and plastic pollution in the ocean.

By education, promotion, and action, step by step, we hope we can create positive momentum for the communities!

JCI Sha Tin
SHA TIN

JCI Sha Tin is the 17th Affiliated Chapter of JCI Hong Kong and was established in 1987, with deep root connection with Sha Tin Local Communities, we generate awareness on important social issues and to build platforms for young people to create positive impact.

"Shine on Together" is our slogan this year. From the "New Normal" to a "New Future", we empower our members through meaningful and value adding projects that address COVID-19 situation and fit society's' needs.

Consuming habits have changed from offline to online the past year. Project E-Shop Rocks & Knows organizes regular seminars that educate consumers, so that everyone can be smarter E-shoppers. We have also invited expertise to share knowledges on the available choices of E-payment platforms, to enhance business owners and consumers to gain better understanding of what they can choose from the market.

Project Come Shine not Shy provides comprehensive training program that uplift youngsters' to better equip and prepare themselves for their future career path. On top of regular trainings on interview skills, we offered Company Visits and Career Fair this year, where students can learn by doing. Over 200 students were benefitted from the program.

Sha Tin Classroom, a brand new online development platform providing training and development for members to learn, as well as to train up presentation skills. Members are also empowered to be part of the Production Crews where different skillset can be learnt, and foster interaction amongst members.

JCI Sha Tin will continue to pursue excellence, nurture more young leaders, and continue our legacy in order to advance JC Movement!

JCI Apex
APEX

JCI Apex was established in 1994 and is a non-profit leadership development organization affiliated with JCI Hong Kong. "Apex" carries the meaning of "peak" and "summit", which symbolize our goals to be achieved. Realizing the growing importance of Mandarin, we have adopted it as our official language.

In 2021, we continue to use Junior Chamber's active citizenship framework to allow members to attain personal development whilst serving the community. It is accomplished by organizing relevant projects addressing community needs as well as sharpening members' leadership and project skills.

With the Covid 19 continuing unabated, we target to help SMEs continue doing business during the pandemic through the project "Starters GO New Heights". We provide market overview and practical information in doing business for markets in Mainland China and Association of Southeast Asian Nations (ASEAN), guiding SEMs for oversea's business expansion.

In another project entitled "We CARE | Paws Peace Power", we provide all-round information to encourage social attention towards animal abandonment problem. Our vision is to make people become active positive citizens who could understand, love, take care of their own pets correctly and provide opportunities to those without any experience to learn the way of owning animals.

We believe, JC movement, an aggregate of individual efforts, will continue to provide development opportunities that empower ourselves and like-minded individuals to create positive changes.

城市女青年商會(JUNIOR CHAMBER INTERNATIONAL CITY LADY, 又名 JCI CITY LADY) 為國際青年商會香港總會屬下二十一個分會之一,是一個以中文為法定語言的全女會。成立於二零零七年,秉承青商的宗旨,圍繞青商四大發展機會,推出不同類型的工作計劃,讓會員從參與籌組工作計劃的過程中學習,向多方面發展,同時亦積極參與各分會、總會,以至社會活動,增廣個人,以至分會的接　觸層面,用行動實踐「服務社會、訓練自己」的青商精神。城市女青年商會歡迎每一位充滿熱誠與幹勁的女士參與,同心努力,發掘所長,讓城市女青年商會茁壯成長的同時,更走出社會,回饋社會。

JCI TSUEN WAN

JCI Tsuen Wan is the 20th affiliated chapter of JCI Hong Kong. Established in 2013 by a number of Past Presidents from our sponsored chapter JCI Kowloon led by 1982 National President Senator Andrew Wong and 2013 National President Senator Paul Wu. Being a JCI Chapter in Tsuen Wan, we focus more on projects of different nature for the benefit of Tsuen Wan District.

Apart from Tsuen Wan, we also value International, JCI Tsuen Wan signed sister pact with JCI Jayakarta, Indonesia and friendship pact with JCI Malacca City Entrepreneurs, Malaysia in our 5th Anniversary in 2018. We also signed an 3 alliance agreement with both JCI Jayakarta and JCI MCE in 2019 to leverage our connection, providing training, and co-host projects to benefit each other country.

Since 2013, we have been engaged in a flagship project on Outstand Family Business Selection. The project praises family businesses who did outstanding planning and innovative for their long term business development.This is encouraging people to take action for long term development of their family business.

In addition, we have been engaged in another flagship project on Children's Play Rights. Racing Article 31 of Convention on the Rights of the Child (CRC) - "The right of the child to rest and leisure, to engage in play and recreational activities appropriate to the age of the child and to participate freely in cultural life and the arts.". We hope to deliver a message that every child has the right to enjoy a play time to play freely, for at least one hour everyday and that includes outdoor activities.

Care for Ambition is the theme of JCI Tsuen Wan in 2021, we care by lifting members to achieve ambitious goals. CARE is also a word that combines with 4 letters. Community and Communication is an essential tool for members to connect our community, to know more about our community and to benefit our community and finally to benefit our members to "Expand Horizon". Ambition and Action are a motivation and force to let our members "Go Beyond". Relationship and Recognition can enhance our members bonding and belonging, then it will "Light up your passion" to create more impact and positive change to everyone around you. Empowerment is an opportunity for our members to practice their leadership from "Grit to Great", and finally they will turn to "Empowered Leaders, Empower Leaders".

JCI Lantau
LANTAU

JCI Lantau was founded in 2015 and is the latest affiliated chapter to JCI Hong Kong. Our official language is Chinese and English with members of both genders from age 18 to 40. Our members are business starters and professionals from different industries including accounting, engineering, finance, food and beverage, information technology, and legal.

In response to the recent impact of COVID-19, JCI Lantau is trying to awaken the public's attention to a healthy life through a series of events in the "Healthy & Eco-Friendly Living" series. The series includes health talks, questionnaires, hackathon competitions on products analysis, and press conferences and awards ceremonies. We target to increase participant's knowledge of healthy living! In April, we co-hosted a webinar with 1-Source Limited and World Green Organization.

We have connected with Heung Yee Kuk and Tung Chung Rural Committee. We have attended the completion ceremony of a mural at Tung Chung Recreation Centre and will continue to bond with the locals.
