Message from Guest of Honor

Since its establishment in 1950, the Hong Kong Junior Chamber has dedicated itself to bringing out the best in our youths. The numerous community and leadership projects the Chamber has organized have offered invaluable opportunities for our young people, enabling them to flourish and be leaders in diverse industries and professions.

I congratulate the incoming Board of Directors and National President Louise Chan on their inauguration. I am confident that the Chamber will continue to help our young people refine their skills and work together for a better tomorrow.

David H.T. LAN, JP
Secretary for Home Affairs

Message from National President Hong Kong Junior Chamber

It is my privilege to serve the Hong Kong Junior Chamber as the 1999 National President.

The Inaugural Ceremony holds special meaning for every officer here this evening. It is a solemn occasion to demonstrate our commitment and determination to serve this organization and our community in the year ahead. As I relish the promises of a new year, I would like to share with you the plans for Hong Kong Junior Chamber for 1999.

As we approach the new millennium, we will continue to focus our efforts on making Hong Kong Junior Chamber a prominent organization in youth leadership development. Our emphasis is on skills building through quality and professional training programs, as well as hands-on management experience through active participation in projects. Jaycees is an organization with opportunities abound. For our members, the greatest reward comes from taking initiatives and getting involved.

People are our most valuable resources and we must take every step to retain our existing members while recruiting new ones. We will be implementing a "One Plus One" membership drive throughout the year to achieve membership growth. An array of membership benefits will also be announced shortly to enable our members to enjoy special privileges in selected outlets in Hong Kong. We are confident that these efforts will bring added incentives to our members.

In the business area, we will continue to build upon the foundation created by the National Business Network. The NBN will serve as a core platform for our members to explore and develop business opportunities, develop connection, exchange insights, and acquire new knowlege on current business and economic issues.

The Greater China region is no doubt emerging as a significant regional economy. One of the highlights this year will be the hosting of the "Greater China Economic Forum" in which members from Mainland China, Taiwan, Hong Kong and Macau will convene to discuss trends and issues impacting the development of this potential economic power base. Our role as Jaycees will be to foster exchanges among members in the region and stimulate discussions that would shape the future development of the Greater China economy.

On the community side, the collective efforts of all 18 chapters will no doubt make us a visible force in creating positive impact in the local community. In addition to projects carried out by each chapter, NOM will be taking the lead in implementing the Right Decision Program, a project which we initiated last year to advocate responsible behaviors for youths in Hong Kong.

"Hand in Hand, Go for Gold!" The year 2000 will mark the golden anniversary of Hong Kong Junior Chamber. As your National President, I am determined to work hand in hand with every chapter in furthering the Jaycee mission and objectives. I would like to take this opportunity to thank every one of you for being a member of the Jaycee global community. 1999 Hong Kong Junior Chamber will be an organization, proud of our history, and more importantly, proud of you.

Louise Chan
National President
Hong Kong Junior Chamber

Message from President Junior Chamber International

It is a pleasure to send this message to all my Jaycee friends participating in 1999 Inaugural Ball of Hong Kong Junior Chamber. I would like to take this opportunity to wish each and every one of you an exciting and memorable event and to thank you for all your support.

We have gone through this exciting year under the excellent leadership of our 53rd JCI President, Petri Niskanen, and have seen many accomplishments in different areas.

In 1999, I would like for Junior Chamber International to build on its past achievements. This will be the year in which we will all stand together and work even harder to further revitalize our organization. We are at a critical turning point where we must decide what we must do in order to revive our glorious history, and to continue for another century as strong as we can be. We must renew our organization through the active involvement of each NOM and LOM, through enhanced membership recruitment, by building stronger relationships with the business community, and through deeper involvement wiith young people–our future depends on it.

I want you to be strong leaders in your respective organizations during our year. Because I believe in the Junior Chamber movement, and because you do as well, we can *create our future.*

Let us *Create the Future*–with your commitment and leadership, we can make our world a better place.

Please accept my best personal regards for a most successful event.

Yong Suk Choi

Message from Hon. Life President Hong Kong Junior Chamber

It is a farsighted tradition in the Jaycee Movement that there is a change of guard each year. It is the same here in Hong Kong.

In effect, this enables more young people to put into practice the responsibility of leadership at every level that it happens. More young people are given the opportunity to put in action their extensive training along the way to the National Board or the local Executive Committee as the case may be.

My best wishes are offered to the 1999 President and all her Officers and Directors for another year of progress and achievement coupled with my congratulations on their election by the membership at large. I commend too the outgoing President and all his Officers and Directors for their success by dint of hard work spurred on by their dedication to the service of the community while gaining wide experience in the process.

Hon. Life President

Message from Senate Chairman Hong Kong Junior Chamber

It is my great pleasure to congratulate all the NOM officers who will be installed tonight. We are proud to witness the determination of a group of young leaders pledging their commitment to serve our organization in the next twelve months. In 1999, under the leadership of National President Louise, Hong Kong Junior Chamber is set to achieve another successful year.

The main task of the Hong Kong Jaycee Senate is to link up fellow senators for the furtherance of our contribution to the development of our organization. In 1999, the Senate group will continue to cultivate a stronger relationship amongst senators so as to motivate them to actively participate in NOM and LOM affairs. We believe that during the process of experience sharing, we shall be able to maintain continuity of our good tradition and to gather momentum for new breakthroughs.

To all National Officers, Chapter Presidents and their members, I wish them all a very rewarding year.

On behalf of the Long Range Planning Committee of HKJC, I have great pleasure to send my heartiest congratulations to the 1999 NOM board of directors and all 1999 LOM boards. 1999 is definitely a challenging year for all of you. Not only will the macro environment create a lot of difficulties for you to cope with, but also all of you need to persistently to take charge of tons of sudden problems putting in front of you. Message from Associate Members Club Chairman Hong Kong Junior Chamber

It is always a motivating and sensational event to witness the inauguration of a new group of leaders in the Junior Chamber. It marks the beginning of new endeavours in pursuance of the JCI Creed.

Outstanding performance in the Jaycees does not come as a matter of course. It comes only as a result of the right leaders working on the right programmes. I have no doubt that under the leadership of National President Louise in 1999, our organization should have little difficulty in meeting the challenge.

On behalf of the Associate Members Club, I send my best wishes to the Hong Kong Junior Chamber for yet another successful year in 1999 and congratulate the outgoing administration for the accomplishments they have made in 1998.
