48TH NATIONAL PRESIDENT

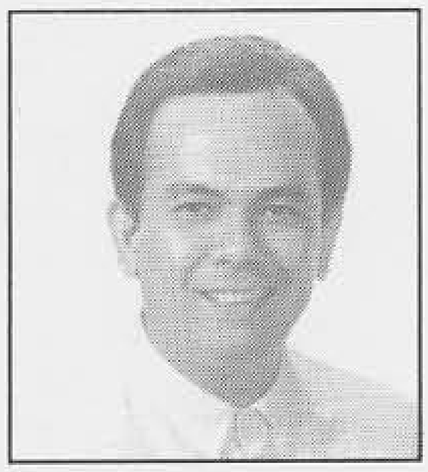

The 51st JCI World Congress

"Globalization through young leaders"

1996 NOM THEME:

***Jaycee*NETT (Networking for Excellence thru Training and Teamwork)**

ROBERTO A. ALVAREZ, JR.
1996 National President

Junior Chamber of the Philippines

JC ROBERTO "BOBBY" ALVAREZ, JR. was elected as National President of the Philippine Jaycees, Inc. during the 15th Area Conference which was held simultaneously in Olongapo City, Antipolo, Daet, Camarines Norte, Tacloban City and Iligan City on September 11, 1995.

NP Bobby was born in Manila on June 14, 1960. He is a graduate of De La Salle University in Manila where he finished a Bachelor's degree with majors in Economics, History and Political Science. He is involved in the real state business and presently chairman of MMS Land and Property Corporation and holds key positions in other real State Companies. He resides in Paranaque, Metro Manila with wife Claire and son, Justin.

NP Bobby joined the Paranaque "MIA" Jaycees in 1984, where he held various positions until he became LOM President in 1988. He was National Chairman for the 1989 and 1990 TOYM Search which was awarded in Malacañan Palace in July 1991 and was founding president of the TOYM Foundation, Inc. in 1991 and 1992. He was appointed Director for International Affairs in 1991. Bobby authored the TOYM (The Outstanding Young Men) Search Policy Manual in 1992, the COYA (Community Outstanding Young Achievers) award in 1993, and the National Treasurer's Policy Manual in 1994. He is a graduate of the 8th JCI Academy which was held in July 1995.

In the NOM, Bobby was elected to five national positions for five consecutive years, namely: NVP for Metro South in 1992; NEVP-Metro Area in 1993; National Treasurer in 1994; NSEVP in 1995 and finally, National President for 1996.

At the 1996 JCI-ASPAC Conference in Kanazawa, Japan, he led a Philippine Jaycees delegation of 59 members which bagged 7 awards for the NOM and the LOMs plus the win in the International Speaking Competition.. He also chaired the Effective Public Speaking Seminar of JCI in Kanazawa.

A well-attended and participated in by JCI Pres. Tom Clear Special National Constitutional Convention was held last July 13, 1996 where all the proposed amendments to the JCP Convention were approved.

Last October 9-13, 1996 NP Bobby chaired the 48th Philippine Jaycees National Convention, considered the biggest, the most colorful and the best in the history of the National Organization for the last 10 years with several keynote speakers and guests of honor led by House of Representatives Speaker Jose de Venecia, 3 Senators who are JCP project partners and over 10 Congressmen of the Republic of the Philippines in attendance. NP Bobby heads some 150 Philippine Jaycees' Delegates to the 51st JCI Pusan World Congress to lead the campaign for the election of JCI World Presidential Executive Assistant Crispin Dy, Jr. as the 52nd JCI World President.

JCI World President

From : **JCI Sen. Roberto A. Alvarez, Jr.**
48th National President

Date : November 10, 1996

Subject : National President's Report

Greetings Fellow Jaycees:

The year 1996 has been a banner year for the **JUNIOR CHAMBER OF THE PHILIPPINES** on all front ranging from a robust membership growth of 7% or 200 regular members and 279 paid associate members for the period ending October 31, 1996 alone, to a vastly improved financial position, great boosting of its national and international image, high amelioration of services and communication between and among NOMs and LOMs and more importantly, the strengthening of training programs for officers and members.

Our focus on membership growth has paid off handsomely with heartwarming success in revivals and extension of LOMs as well as a highly enhanced information drive for recruitment and a more agressive Jaycee marketing approach. We have also given due recognition to LOMs strongly supporting NOM Programs by extending incentives, cash and other awards and recognition. Similarly, we tremendously boosted the NOM image through precedent-setting public relations drive by conducting numerous joint national projects with other NGOs, private corporations and with prominent leaders of the country. Just recently, the Philippine Jaycees received a firm offer from the Government of Spain to jointly undertake a community-oriented program in the Philippines. The 1996 Mission of the Philippine Jaycees was concretized and attained through its NOM Theme of **JayceeNETT (Networking for Excellence thru Training and Teamwork)** and for which I would like to the privilege and distinct pleasure to share with you through this report the outcome of our concerted efforts and labors of love.

On behalf of the Junior Chamber of the Philippines and the members of the National Board, I would like to wish you a succesful, enjoyable and memorable JCI Pusan World Congress.

Very truly yours,

ROBERTO A. ALVAREZ, JR.
National President

PHILIPPINE JAYCEES, INC.

THE RECENT PAST IN RETROSPECT

KEY AREA I

GROWTH AND DEVELOPMENT

A. Membership Recruitment ..... The robust health of the JCP Membership is clearly manifested by its declaration of 200 new members to JCI during this JCI World Congress or a 3% growth during this period alone although JCP experienced an increase of 622 members to date. JCP will declare more to JCI later this year. The campaign for growth was greatly boosted by the 1996 Efficiency Award of the Philippine Jaycees.

B. Extensions and Revivals of LOMs .... To date, the Philippine Jaycees has registered 11 LOMs extensions and 28 LOM revivals.

C. Associate Membership .... With a new program started only this year, JCP now has 279 paid Associate Members with more expected towards the end of this year.

D. Philippine Jaycee Senate .... It not only continued to increase its membership but recently concluded a well attended 28th PJS National Convention in Tagbilaran City, Philippines.

E. Philippine Junior Jaycees.... A rapidly growing national organization the PJJS is a strong adjunct of its senior counterpart and a rich source of future regular Jaycee members which had just its own national convention recently.

F. Special Growth Awards and Early Birds Incentives .... A Hammer and Gavel Award, sponsored by the Hon. Joseph Estrada, Vice-President, Republic of the Philippines, was presented to each LOM, Region and Area of the JCP for membership increase of no less than 10 members and for extensions and revivals of LOMs.

G. Recruitment Audio-Visual ..... This JCI produced VTR on recruitment is now rapidly gaining popularity among JCP LOMs which boosted the National Organization's campaign for more members.

KEY AREA 2

TRAINING

A. Academy of Certified Trainors (ACT) .... A deep pool of certified trainors has been organized to enhance professionalized training and provided sufficient funding part of which was from the JCI Training Subsidy.

B. ACT Trainors Directory ..... The conduct of trainings and seminars has been greatly improved this year with the publication of a directory for JCP Certified and Accredited Trainors situated thoughout the country.

C. Seminars and Training Conducted .... To date, the Philippine Jaycees has already held, two PRIME Seminars; 130 LOM level seminars; 6 seminars during each of the 5 simultaneous JCP Area Conference in the different parts of the Philippines and 6 during the 48th JCP National Convention in Davao City excluding the NOM Officers Training Course also in Davao City.

D. Philippine Jaycees National Clubhouse Training Center .... The conversion of the Clubhouse into a National Training and Secretariat Center has begun with target completion in mid-December 1996.

E. Certificates ..... Standard certificates of oath of office, attendance, participation in seminars or other activities have been made available to general membership.

KEY AREA 3

FINANCE AND ADMINISTRATION

A. Stronger Financial Backing, A Healthier NOM ..... The 1996 JCP National Administration literally ended the traditional reliance of the Philippine Jaycees on annual membership dues by establishing strong linkages and securing sponsorships of leading financial institutions and business entities in the country which are:

i. Banco Filipino Savings Bank ... . sponsored all JCP IDs and instead of it being an expense account it is more an income generating account.

ii. Diners Card ..... JCP successfully entered into a partnership with it in which membership dues is waived the first year and 50% in the succeeeding years with the Philippine Jaycees getting 100 pesos ($ 3.84) per member per year.

iii. Discount Card Network ..... Now in circulation country-wide is the JCMAX/Privilege Card which entitles Jaycee ID Card holders in discount establishments all over the country.

Membership of this card can also be sold to retired Jaycees or non-Jaycees with the retired Jaycees availing of free subscription to the Leader Magazine and Newsletter. Proceeds from fees will be shared by the soliciting LOM.

B. Side A Band fund Raising Project... A national roadshow concert in selected cities by one of the Asia's best and the no. 1 band to raise funds and at the same time campaign for membership (audio-visual presentation on the Jaycees is shown before each concert). It generated about $37,000.00 for the Philippine Jaycees.

C. Self Liquidating/Income Generating Projects .... Consistent with the 1996 National Administration's goal of "more money to spend and more money to leave behind", the Philippine Jaycees this year, made sure that all its national projects are both self-liquidating and income earning.

D. JCP NATIONAL CLUBHOUSE/SECRETARIAT ..... In line with the thrust of JCP for a finnacially stable and highly visible Philippine Jaycees, the JCP National Clubhouse is presently undergoing a radical facelift and upgrading to convert it into a secretariat business center where interested LOMs and seminar/ training groups can use it for their meetings for a minimum fee.

Thus, the biggest overhead expense to income-generating entity will now be the Secretariat earning money for the Philippine Jaycees.

E. Jaycee Carplates .... Cars nationwide are starting to sprout with JCP Carplates, an income-generating JCP Project after it was granted to produce and sell them to commemorate 50th JCP Anniversarry and to promote the 1998 JCI World Congress in Manila.

G. JCP Land Title and Tax Arrears ..... A highly robust and healthy Philippine Jaycees in 1996 is visible through the successful reconstitution of the JCP Land and Title (in encumbrance for a long while and deemed missing for many years) and the payment of all its back taxes and all JCP past accountabilities finally settled.

KEY AREA 4

MARKETING

The aggressive marketing drive of the present Administration handsomely paid off with the ready availability of major sponsors for national projects not to mention the offers for a joint undertakings from NGOs and other entities, government and private which came from time to time, some of which are mentioned elsewhere in this report.

Worthy of mention here are :

A. Jaycees Today/Show ..... Originally scheduled for airing in September 1996 but deferred due to heavy and hectic JCP schedule this program featuring current Jaycee activities with some 15 minutes devoted to successful Jaycees in government, business and civic fields will be telecast live on cable TV nationwide with replays with no financial outlay for JCP and with 50% of sponsorship income going to JCP.

B. "Water For Life" ..... A national project which already provided 48 schools in deppressed and hinterland schools throughout the country with clean, potable water with more schools awaiting approval this year, has become and effective and popular vehicle of public relations for the Jaycees. More school beneficiaries will be approve this year.

C. Citizens Outstanding Young Achievers Award (COYA) .... A localized and community-based version of the The Outstanding Young Men (TOYM) in the community.

D. Save the Filipino Youth (STFY) .... The image of the Philippine Jaycees has been in the national limelight as an organization involved nationwide in the anti-drug abuse and prevention campaign.

So successful was this project that in the ensuing search among JCP LOMs all over the country, culminating during the 48th National Convention in Davao City last October 9-13, 1996 10 LOMs, 3 Regions, 1 Area of JCP were proclaimed winners with cash award of $500.00 each.

E. Youth Leadership Excellence Award (YLEA) ..... Another effective means availed of by the Philippine Jaycees to make its presence felt in the community was the giving nationwide by all LOMs of recognition to deserving elementary and school students to inspire them towards greater achievements.

F. Print Media ..... JCP was able to forge strong links with key people in the leading national dailies coming out full spread on January 20, 1996 for its National Induction; and April 23, 1996 August 2, 1996; and on

12 and 13, 1996 for its national "Save the Filipino Youth" Project and the Water-for-Life Program. The 48th JCP National Convention was out 2 times on October 13 and 13, 1996 in two different dailies. On September 15, 1996 the Philippine Jaycees and the National President Roberto A. Alvarez, Jr. was headline entities in all major national dailies in connection with the record-breaking "Alay-Lakad" (Walk for A Couse) Project. This did not count the hype in these publications and other media days before its actual implementation.

G. TV and Broadcast Media ..... The Philippine Jaycees also featured prominently in 5 TV and 2 Radio Stations five times daily during the period leading to the holding of Alay-Lakad.

KEY AREA 5

MEETINGS

A. 48th JCP National Convention ..... This convention in Davao City on Oct. 9-13, 1996 was record -setting being the biggest, the most colorful and the best ever in the history of JCP the last 10 years.

B. 1996 Special National Constitutional Convention ..... A well attended Special Natcon graced by JCI World President Tom Clear, who stayed for 5 days as Guest of Honor and Speaker was held at the House of Representatives Complex to amend the JCP Constitution.

C. 5 Area Conferences ..... Five Area Conferences or one more JCI's, were simultaneously held by the Philippine Jaycees in key Philippine cities and town foremost of its objectives, aside from providing venues for seminars, trainings and camaraderie, was to elect the 1997 National Board of JCP.

D. National Board Meetings/Planning Sessions .... The National Board had 4 regular, 1 Special and 1 Joint Incoming-Outgoing NB Meetings excluding the 2 Planning Sessions, 1 for the 1995 Board and another 1 for the 1997 October 9, 1996 in Davao City.

E. 1996 JCI Kanazawa ASPAC Conference ..... A 59-strong and award-winning Philippine Jaycees Delegation represented the country in Kanazawa, Japan.

F. OSAKA MODEL UNITED NATIONS (OMUN) .... No less than NP Bobby Alvarez, Jr., represented JCP in this international conference last August 29-31, 1996.

Notable at the OMUN was the concrete offer of "Paz Y Cooperacion" a Madrid (Spain) -Based international NGO to hold a joint community oriented program in the Philippines.

G. 1st JCI Pusan World Congress ..... Easily the 1996 JCI World Congress in Pusan, Korea would be a venue where JCP will send its biggest-ever delegation outside of the Philippines to any Jaycee World Congress with 150 delegates.

KEY AREA 6

COMMUNICATIONS

A. JCP National Secretariat ..... A highly professionalized and recently upgraded National Secretariat, which would be a business center by December 1996, run by a new Secretary General has been in full operation with 3 new telephone lines, new fax machine and a modern computer (in addition to the 2 in operation) now hooked up with Internet. Its E-mail address in http://www.philj@-manila.com.ph.

B. Leader Newsletter .... 3 issues were printed and distributed nationwide including reprint of JCI Training Materials.

C. Leader Magazine .... A quarterly magazine generating funds for JCP through ads, it comes out with its 4th issue in time for the Pusan World Congress.

D. SG Circulars ..... A total of 25 circulars from the office of the Secretary General alone by the JCP National Secretariat on top of volumes of outgoing local and international communications mailed, faxed or hand carried to recepients intended.

KEY AREA 7

PROGRAMS

While the 1996 National Administration endeavored to strengthened and perpetuate existing JCP Programs, it also successfully started new and precedent setting ones which enable the Philippine Jaycees to establish a stronger presence and a more respected image.

A. Alay-Lakad '96 (Walk for a Cause) ..... with over 2,000,000 Filipinos in attendance last September 15, 1996 generating an income of over $212,000 with the Philippine Jaycees as LKead Organization, was the biggest on record in terms of incomne and participation. Pleased by its outcome Pres. Fidel V. Ramos donated outright, $107,700 to ALAY-LAKAD.

R AN OFFICIAL 5-

WITH JCI BIGWIGS BENNY ELLERBE, CRIS DY, DAVE CHUA-UNSU, TOM CLEAR AND ROBERT GO DURING THE FORMAL LAUNCHING OF THE 1997 JCP NATIONAL CONVENTION.

This does not include the community-based version of Alay-Lakad held in different parts of the country which has different schedules.

B. Foundation for the Preservation of Crime ..... A multi-sectoral nationwide program with the Philippine Jaycees and National President Roberto A. Alvarez, Jr. as Lead Organization and President with the participation of the following top NGOs and financial institutions: Metro Bank and Philippine Commercial and Industrial Bank (first and second biggest Philippine banks), Philippine Chamber of Commerce and Industry among others. It recently launched PROJECT "SUMPA", a country-wide search for Outstanding Law Enforcers and which provides scholarships and housing for the law enforcers and their families.

C. Peoples Law Enforcement Board (PLEB) ..... The Philippine Jaycees and the National President serve as Adviser to this Constitutionally mandated national organization which sets to curb rampant police abuses and the metting of punishments to erring law enforcers.

D. Drug-Free Philippines ..... A joint undertaking with the Duty-Free Philippines and Citizens' Drug Watch ..... aimed at the control and eradication of drug menace in the entire country.

E. Young APEC ..... The Philippine Jaycees is a major cooperator of the junior version of the Association of Pacific Economic Conference participated in by youth representatives of APEC member countries which recently met in Manila to thresh up ways of contributing to the APEC November 1996 meeting in Manila and Subic jointly sponsored by the Department of Foreign Affairs, National Youth Council and other entities.

F. Jaycee Week ..... This year's week-long observance was launched by the Philippine Jaycees in Baguio City last April 1996 with simultaneous celebrations nationwide thru the holding of various Jaycee projects and activities with stress on the five areas of opportunities.

G. WFL ..... The "Water For Life" Program takes on a new phase with the Japan JAycees sponsorship coming to an end this year and the entry of the Office of Sen. Marcelino Fernan through his Country-wide Development Fund of P2,000,000 or $78,000 with the Department of Interior and Local Government as conduit agency.

The 1997 Japan Jaycees and JCP era of cooperation however will be highlighted through books, musical instruments and other donations for elementary and high schools students in the country.

H. TOYF 1995-96 ..... Formerly the TOYM, the award now known as The Outstanding Young Filipinos or TOYF just had its deadline of entry submission last October 31, 1996. The process of selection until the final announcement of winners, sponsored this year by one of the biggest banks in the Philippines, Far East Bank & Trust Company, has already begun.

I. Mottainai Project ..... Numerous LOMs of JCP actively participated in this International Children' Picture-Diary Contest with entries now at JCI.

J. TOPP Foundation and 1994-95 Search ..... The establishment of the TOPP Foundation has entered in the final phase with search for The Outstanding Policemen of the Philippines soon to be launched specifically after the JCI World Congress.

K. JCI International Speaking Contest ..... The Philippine Jaycees will represent Area B in the International Speaking Competition by virtue of its win at the 1996 JCI Kanazawa ASPAC Conference. The 48th National Convention in Davao City also saw the holding of the local version of the Speaking Competition won by the Cavite City Jaycees.

L. "Paz Y Cooperacion" ..... The year 1997, if the firm offer is consumenated, will see the Philippine Jaycees jointly conducting/a community-oriented project in the country with the international NGO "Paz Y Cooperacion" which is based in Madrid, Spain.

M. Twinning Program ..... Aside from the visits of some foreign sister LOMs to their local counterparts and the strong encouragement of JCP for Local LOMs to-reaffirm ties with their foreign counterparts during the World Congress, several sisterhood pacts are also expected to be inked in Pusan Korea.

N. Major Emphasis THeme (MET) ..... The 100% Efficiency Awards Program of the Philippine Jaycees has played a major role in the conduct throughout the country of JCI-JCP major emphasis theme-related projects by LOMs.

KEY AREA 8

COOPERATION WITH EXTERNAL ORGANIZATIONS

The high profile and visibility of the Philippine Jaycees and the success of its major national undertakings attracted and encouraged leading government agencies, NGOc and other major institutions to invest their time and resources in the National Organization. Among these are:

A. Phil-Seven Corporation ..... a local franchisee of U.S. Convenient Store Giant, 7-11, sponsored the localized and community-based version of the TOYM, the Citizens Outstanding Young Achievers or COYA Award, adopted and implemented by LOMs country-wide.

B. "Save the Filipino Youth Movement (SFYM) ..... HEaded by Sen. Vicente C. Sotto III, SFYM sponsored the resoundingly successful "Save The Filipino Youth", anti-drug abuse and prevention campaign of the Philippine Jaycees which culminated during the 48th Davao National Convention with the giving of recognition and cash awards ($500) to the 10 LOMs, 3 Regions and 1 Area of JCP which conducted the Most Outstanding and the Most Imaginative STFY Projects.

C. Office of Hon. Marcelo Fernan, Senator Republic of the Philippines ..... In cooperation with the Department of Interior and Local Government (DILG), Sen. Fernan extended the life of the "Water For Life" (WFL) Project Program of JCP.

D. Department of Justice (DOJ) ..... NP Bobby Alvarez has been appointed one of the Judges of a DOJ-sponsored projects related to the Women's Correctional Institute and a member of the Board of Trustees of the agency which handles the competition.

E. Department of Education, Culture & Sports ..... In cooperation with the Loyola Educational Systems, Inc., the Philippine Jaycees had launched the Youth Leadership Excellence Award (1996 YLEA) for outstanding elementary and high school students.

F. Security Diners International Corp. ..... JCP signed last September 24, 1996 an Affinity Card Program Agreement with it for Diners Club Credit Card with waived annual dues for the first year and 50% discount on annual dues thereafter and JCP getting P100 ($.26) per member per year.

G. Banco Filipino ..... One of the country's largest thrift and savings banks, Banco Filipino sponsored the 1996 JC ID Cards with additional sponsorship on JCP projects of its choice.

H. Metro Bank/PCI Bank ..... The Philippines' first and second largest banks together with the Philippine Chamber of Commerce & Industry and some other national NGOs have decided to make the Philippine Jaycees the lead organization and NP Bobby Alvarez as President of the Foundation for the Prevention of Crime which launches this year its national "SUMPA" Project.

I. The Lions, Rotary and Kiwanis Clubs ..... The 1996 "Alay-Lakad" (Walk for a Cause) annual project which drew the biggest number of participants headed by no less than the President of the Republic, His Excellency Fidel V. Ramos and raised the biggest fund for the out-of-school youth with over $20,000 was spearheaded by the Philippine Jaycees with the Lions, the Rotary and the Kiwanis Clubs and other government institutions and other organizations as cooperators.

KEY AREA 9

PLANNING

The choice of the Philippine Jaycees 1996 NOM Theme of "JayceeNETT" (Networking For Excellence thru Training and Teamwork) proved to be an apt and excellent choice in view of the success we have attained thus far especially if seen from the view point of our having built bridges of friendship, cooperation and partnership with other organizations and institutions.

At this part of the year when all eyes are already focused on the 51st JCI Pusan World Congress, plans have been finalized on the holding of a Special Jaycee Week in December 1996 wherein we expect to end the year with a bang through the resounding culmination of our remaining projects and activities topped by the JCP National Clubhouse Inauguration and the reunion of all the living 1947 founders of the Philippine Jaycees lead by 2nd JCI World President and Former Amb. Ramon V. del Rosario.

Looking beyond 1996, the 1997 National Board and other appointive National Officers are already in place waiting for their formal induction in January 1997.

The 1997 National Board with its already approved NOM Theme of "JayceeSMILES: Serving Mankind Involves Leadership Efficiency and Solidarity" are:
