Editorial Message

What an exhilarating news it is that Junior Chamber International Hong Kong (JCI HK) received the " Most Outstanding National Organization 2005" Award in the 60th JCI World Congress, Vienna held from Oct 24 to 29!

In achieving this great honour, we have excelled National Organizations of more than 120 other countries and territories in the world. As remarked by World President Kevin Cullinane during the award Presentation Ceremony, he was so impressed that throughout the year, JCIHK has contributed its utmost efforts to implement whatever ideas JCI has promoted or appealed to support. Not only have we been synchronizing with the JCI 3Ms Mission (Membership, Marketing, Media), but all assigned tasks including 1 Chapter 1 member induction, Best Business Plan Competition ..... .so on and so forth, have also come into full swing. Under the brilliant leadership of National President Senator Ellen Tsang, the 18 Chapters affiliated to JCIHK have demonstrated the synergy in supporting Junior Chamber Movement.

With the intensive and fruitful Reception Program during World President's visit to Hong Kong in September, he was meeting with lots of Media people, Government Officials, Community Leaders, Entrepreneurs, Representatives from Non-Governmental Organizations, and much constructive ideas were exchanged.

Let's review all the memorable episodes in the last few months and you will see what World President recognizes and applauds, as written in the award plague - our " Vision, Inspiration and Action" !

The JCI Creed

We believe
That faith in God gives meaning
and purpose to human life;
That the brotherhood of man transcends
the sovereignty of nations;
That economic justice can best be won by
free men through free enterprise;
That government should be of laws
rather than of men;
That earth's great treasure lies
in human personality;
And that service to humanity
is the best work of life.

Our Mission

To contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility, fellowship, and entrepreneurship necessary to create positive change.

Message from National President

Dear fellow members,

This is my last piece of message I would like to share with you in the capacity of National President. First of all, I would like to thank you for casting your vote of confidence to elect me as National President of 2005. These 12-months period will certainly be a year of fond memories loaded with happiness and worries; successes and failures; thumbs-up and thumbs-down; as well as gains and losses. But this mixed experience is the exactly why Junior Chamber becomes the perfect training platform for youngsters to learn and excel from various challenges. And that is why we are called the base for young leaders, where eventually every well-prepared member will spread their wings and soar high for their dreams. Every one of us bear the responsibility to do our job well and serve the community by playing the role of an outstanding pioneer. In fulfilling this year's theme of 'Better Leaders ; Better Societies', we can achieve our final goal of contributing to the advancement of our global community.

In this fruitful year, JCIHK has been awarded the "Most Outstanding National Organization of the World". I would like to grasp this last opportunity to extend my gratitude to all those who have participated this year in any initiatives in any manner to any extent. Your every effort, big or small, have all contributed to the award. Such achievement and recognition belong to every one of us, as said on the award plaque: "In honor of and appreciation for your exemplary service in the challenge to create better leaders to create better societies, JCI recognizes and applauds your vision, inspiration and action as the Outstanding National Organization of 2005".

2004...

2005...

Apart from the award, we have accomplished encouraging results in terms of our 4 Ms: Membership, Marketing, Media and Management. A net growth of membership of over 5% is observed and the upward trend is expected to continue in the coming years. We maintain excellent relationship with our partnering NGOs, such as LIONS International, Rotary International, TOYPA, AISEC, Hong Kong Federation of Youth, etc and government officials, as reflected by their active and strong support in our events like Inaugural Ball, 55th Anniversary Celebration, National Convention and the recent Foundation Cocktail Reception. All the NOM and LOMs projects have been widely covered and publicized by media including TV, radio broadcast, newspapers, magazine, advertisement inside MTR, etc. We have also set up a decent chamber office with an efficient supporting team. In particular, our chamber office has been further improved by the installation of upgraded office equipment and the newly built Sky Lounge and the establishment of JCIHK library.

To conclude the year 2005 and welcome the year 2006, I would like to tell you a story. When the night came, a butterfly complained to a firefly and said, "Look at you, sparkling all over with heavenly radiance! I am just nobody in the dark." When the sun rose again the following day, the firefly grumbled to the butterfly and said, "Look at you, wearing a rainbow outfit and dancing elegantly among colourful flowers! I am just one of the ordinary bugs." Facing the ups and downs in our life, we should cherish every moment, be it in the limelight or in the dark. When the right time comes, grasp the opportunity and show the world our talent.

In the coming year, some of you may have changes in roles and positions like me. No matter what these changes are, we should always remember that we have the duty and ability to play our part successfully and prove to those around us that we, JCIHK members are the best.

Finally, I would like to thank National officers and advisors, Chapter Presidents and every one of you for your support and dedication that have made this year an unforgettable time in my life.

40th National Convention

"Reinvent Heritage, Entrepreneurs in Action"

The 40th National Convention hosted by Island Junior Chamber was successfully held in the last week of September.

This was a special one. The hosting chapter, Island Junior Chamber, incorporated differences and innovation to the 40th National Convention and made it a memorable event. New idea such as incorporation of JC Week Seminars with the same theme before the Convention, organized JCI LEAD program in Convention, change the trade show to Brand Invention Seminar and cooperate with Hong Kong Brand Development Council. All delegates enjoyed this "feel like ASPAC" Convention.

The first JCI Lead held in Hong Kong

JC Week seminars were held during September 20-22 with the same theme Reinvent Heritage, Entrepreneurs in Action. Three seminars on Chinese wisdom and today business were delivered by Mr. Jonathan Cheung, Mr. Chan Wai Kwong and Mr. Christopher Wong. For National Convention, the idea extended for self-advancement with Mr. Stephen Tsai and Ms Carrie Shiu on the fifth generation time management and mind mapping respectively. During the period, the first ever JCI LEAD training in Hong Kong was organized with Senator Almas from Bangladesh.

Besides, a full day Brand Invention Seminar co-hosted with Hong Kong Brand Development Council was held to replace

trade show and CEO from famous brands in Hong Kong, government officials and academic talked about the Brand Invention and maintenance in Hong Kong as well as experience sharing for the HK Top Branding. All participants enjoyed very much the hospitality from the hosting chapter.

JC Week officiated by the past Secretary of Justice, the Honourable Ms Elsie Leung, GBS, JP

Innovation never stop from the training, the hosting chapter also worked to improve the tight program with fluorescent dragon dance in Opening Ceremony, Happy Hour during the Convention, buffet breakfast in Open Forum, SMC Luncheon, Tea break in General Assembly, complimentary red wine in Convention Ball, A3 size full color Convention News and 5 course western dinner.

The visiting of JCI President Kevin Cullinane

"Our dream is to make JCI the biggest and the best organization in this planet today"

World President Kevin visited our JC Office

During September 25-28, 2005 we have had our JCI President Kevin visited us. He motivated our members continue to lead, to learn and to grow in this ever changing decades in his speech to the general assembly in our 40th JCIHK National Convention and he said: "Our dream is to make JCI the biggest and the best organization in this planet today". We have to keep thinking globally yet act locally by being the next generation of business leaders and entrepreneurs in our society. He also spoke to the young people in ways to face challenges and attitudes before becoming success in a seminar called "Meet the World Leaders" jointly hosted with the Hong Kong Polytechnic University with 5 other World TOYP Honorees locally made in Hong Kong.

In response to Kevin's call for each local organization in the world to have at least one new member inducted in September this year, Kevin as JCI President then witnessed and inducted 23 young people to become new JCI members in the official reception by JCIHK with 133 members participated.

As compliments Kevin had also represented the Irish culture to share with us the best of Ireland which included all Irish crystals, desserts, baileys, music, dances, food and the Irish language like an ambassador. He hopes that JCI members can realize the "multi-culturism" of JCI.

Prospective Member Orientation 5

In the JCIHK Prospective Members Orientation 5 held on Oct 6, 2005 , JC Coach Senator Shelina Chung and 1993 National President Senator George Lung , MH, Member of National Committee of the Chinese People's Political Consultative Conference were invited as speakers. Here are some highlights:

Enriching one's life.....

Senator Shelina gained a lot of of media exposure as a Chapter President in 1992. She was interviewed first by Ming Poa Daily News on the " Foreigners Speaking Mandarin Competition" project which was broadcast live by Star TV in Hong Kong , China and Taiwan Channels.; and then by Mr. Hung Chiu Fung, the compere of the TVB. "Good Morning Hong Kong" program to share her personal stories of achievement.

A prospective member was invited to express his view about JC.

A " MBA Through Practice".....

The practical training in Junior Chamber helps polish one's leadership in terms of the planning, the abilty to be well-organized, communication skill, interpersonal relations and self-confidence. It was one of the factors that have enabled Senator Shelina to get promoted 4 times in her career in the past 9 years. JC experience is a " MBA through Practice" so to speak.

Amazing Cultural Exchange...

A member of a Japan Sister Chapter's gave Senator Shelina a warm reception dinner with his beloved antique dining tools worth more than $100,000 Hong Kong Dollars! Just imagine how much he treasured the friendship!

Potential is unlimited, Never condition yourself...

Senator George took 2 great leaps forward in his life, one after having been enlightened by a caring and devoted teacher when he was a F.4 student and the other by joining Junior Chamber which is very important in turning him to what he is today!

One of our speakers Mr. George Lung recieved a token of appreciation.

Tips on Team Building...

<To lead a small team with passion, a medium size team with chairmanship, a big team with vision, knowledge and public speaking skill; and a World Leader needs "showmanship" >. by Senator George.

Very costly effective practice opportunities...

<Junior Chamber is a treasure mountain, don't come out empty- handedly.> by Senator George.

International Training Sharing

It is our great honor to invite two experienced International Trainers to join us to share their Training experience.

Senator Peter Sim, JCI Malaysia –
One day Train-the Trainer program- Present It Neatly

He is the 3th International Training Fellow (ITF) of JCI, one of the founder of design Prime Training course. During the training, it was full of FUN and provided opportunities to enrich our training skills.

Senator Lewis Chen, JCI Taiwan –
Trainer Circle Gathering in National Convention

With his sharing, we understood more about the tips and technique of localization of Training program and material. That built a great foundation for our Training Institute.

Without the team work of our dedicated TDC committee members, we would not have had an enjoyable year. Thanks for all your support. This appreciation also extends all National Board, LOM Presidents and my supervisor, NVP, NEVP and also our lovely National President Senator Ellen. Last but no the least, I would like to thank my mother chapter Ocean Junior Chamber to support me as TDC Chairman in this year.

Leadership Development

World Leaders Seminar

The World Leader's Seminar organized by the JCIHK Leadership Development area was held on 26th September, 2005. This was the first seminar held with so many famous and super World Leaders altogether as speakers, namely, JCI

World President Kevin Cullinane, and 5 Honorees of World Ten Oustanding Young Persons - Ms. Doreen Leung (梁玳寧), Mr. Shi Kai Biu (佘繼標), Dr. Lam Shun Chiu (林順潮醫生), Mr. Cheung Wai Leung (張偉良) and Mr. Wong Ying Ho (黃英豪). They shared with us their secrets to success, which to summarize is "never give up and to contribute to the society". This coincides perfectly with our JC Creed: Service to humanity is the best work of life. The event was publicized by Ming Pao Daily News.

We would like to express our sincere thanks to the support of Organizing Committee team and helpers involved.

Prime 2005

It is a great honour to have the opportunity to organize JCI Prime 2005 with JCI Macau, China on 8th -10th October 2005. Every year, we train up many baby prime graduates in order that they can continue JCIHK's role as an international leadership organization. This year, we have 26 participants altogether. We would like to say thank you to the coaches' panel consisting of Senator Paul Chan, Senator Joseph Ho, Senator Shelina Chung, Senator Lydia Chiu from JCIHK and Roberto Antonio Noronha and Doreen Pun from JCI Macau. Also, we would like to thank TDC chairman Senator Francesca Ng and Chairman Longson, too. It is really a successful event and we can see the changing attitude of the participants and they becoming more active after the training.

JCI Lead

This is the first time that JCI Lead is held in Hong Kong. We have a total of 33 participants attending this training. We would like to thank Chairman Senator Felix Cheng, Head coach Senator Syed Almas Kabir who came all the way from Bangladesh, assistant coach Senator Francesca Ng and program managers Heman Lam and Danny Li from EKJC for their give full support and guidance to the training.

This is really a golden opportunity for our members to know more about their path in JC and how to plan their JC life onwards. Also, it is a very special experience that the participants can receive their certificates from our special and much honoured guest — JCI World President Kevin Cullinane, who has made sparkling glamour to our participants.

CCG Forum on 4 November 2005
Youth's Comment on the Policy Address

What an interesting and happy evening! Guest speakers Legco Councillors Dr. Hon. Fernando Cheung Chiu-hung(張超雄博士) and the Hon. Kwong Chi Kin (鄺志堅大律師) are both knowledgeable and humorous. The most memorable thing is the "insider news" about the Legislative Council shared by Mr. Kwong. The forum inspired us to have a deeper insight into the political and social issues.

Over 35 members participated the event. The sharing and discussion atmosphere was very good. The following views were shared by guest speakers and participants:

1. Governance
The proposal is reasonable, yet further development of the appointment of district councillors is not supported.

2. Society
Safeguarding value such as freedom, equality, rule of law, anti-corruption and discrimination has been good, yet there was not much address on the social welfare issues.

3. Economy
It is good to uphold "Market Leads, Government Facilitates" principles, building on strength as an international finance centre and HK's role in Pan-Pearl River Delta region. Yet, there is not any concrete plan to solve the unemployment (especially youth's unemployment) problem.

As said, CCG will consolidate the views and prepare a report in November. Upon approval,the report will be sent to the government and JCIHK members for reference.

16th Grandparents' Day

"The Elderly — We Care; the Earth - We Cherish"

Grandparents' Day, one of the flagship projects of Victoria Junior Chamber, aims at enhancing relationship between Grandparents & their families. Grandparents' Day is the second Sunday of October every year. It is the 16th Grandparents' Day this year and we are honored to have Legislative Councilor Mr. Frederick Fung, JP as our honorary project advisor.

The theme of this year is "The Elderly — We Care; the Earth - We Cherish", we organized a series of event this year including "Eco-bag Drawing Competition" on September 11, 2005, and an Award Presentation Carnival held in Hillwood Road, Tsim Sha Tsui on Oct. 9, 2005. 貴州愛心之旅

凌晨四點，爽快地起了床，匆匆帶上行裝便出門了。才早上七時，一行十四人已在深圳集合，帶著期待、興奮的心情踏上貴州愛心之旅。

晚上十時，好不容易到達目的地 — 貴州省印江縣。想不到迎接我們的除了教育局的官員外，還有旅店大堂的告示：「鍋爐壞了，沒有熱水」。儘管條件欠佳，又已夜深，各人仍在為明天的探訪做準備，整理物資。接著是充實的三天，奠基儀式、家訪、發放物資及助學金等…

籌建學校，助學山區兒童等目標達成了。過去十個月各同仝的努力辛勞都已變為欣喜及滿足。我們帶給學童的不僅是金錢及物資，重要的是還展示了無償付出、互相守望這人性中的美善，在他們心中播下了善良與愛的種子。

感激曾經參與，充滿愛心、無私奉獻的會友。能與他們合作，是我的光榮與驕傲！不敢自滿，惟願2006年做得更好！有愛，幸福還會遠嗎？

Hong Kong Jayceettes Junior Chamber
Jayceettes 36th Anniversary Celebration – Fascinating Memories

The 36th Anniversary Celebration for Hong Kong Jayceettes Junior Chamber was successfully held on 15th Oct 2005. We had over 140 guests and members participating in the event. Our Honorary Life President Senator Jennifer Yu, National President Senator Ellen Tsang, Past Presidents, guests from sister chapter and friendship chapters, members, and National and other Chapters' friends were cheering throughout the event.

The event was kicked off with the Chinese dance performance by 3 to 5-year old ballet dancers. Their lovely faces led us to start the celebration ceremony with a cheerful mood.

Anniversary cake cutting and toasting by our president and eighteen Past Presidents recapped those fascinating memories and glories of Jayceettes in the past 36 years. They are our good models for future exploration and excellence.

The highlight of the function was the lucky draw. There were 31 sponsors donating more than three hundred thousand dollars worth of presents including an 18KW Gold Moissanite Pendant (Jewel weight 1.09cts) with chain as the first prize! A total of 726 pieces of prizes and gifts were given out in this joyful evening.

「皇者之皇」青商保齡爭霸戰

城市青年商會獲全場總冠軍

總會「皇者之皇」的最後一戰—青商保齡爭霸戰2005已於11月20日圓滿結束。今年有新起之秀奪得殊榮，再不由城市青商的會友獨領風騷。

各分會經過多年參加青商保齡爭霸戰的經驗，對賽例及其他分會對手已經非常熟識，一早已在自己分會中招攬高手，並且秘密練兵。在比賽前為參賽者熱身的兩場練習賽中，不少分會會員已大顯身手。

在比賽當日，有超過20隊參加，場面非常熱鬧，各隊參賽者均施展渾身解數，使出他們的絕技球術，為求每次都"STRIKE"（即全中），每當有參加者打到全中之時，都聽到歡呼喝采！部份比賽亦打得難分難解，特別是會長盃及個人超霸盃，今年更出現雙亞軍。

城市青年商會一如以往，包辦了全場分會總冠軍及分會啦啦隊大獎，盡顯他們的實力及齊心，不過他們也面對不少強勁對手，在那些個人項目上，其他分會亦有會員超越他們而奪標。

獅子山再獲隊際賽冠軍

今次比賽的籌辦單位—獅子山青年商會，同樣有佳績，在個人超霸盃及青商分會盃均奪取冠軍，絕對是可喜可賀。

大會今年更加插一個獎項—最有潛質飛躍大獎，送出五張免費的練習卷，給予在分會盃、會長盃及董事盃落敗的參賽者，鼓勵他們多作練習，明年再戰奪標！

第二屆「成人節」— 青"从"齊建無障香江

由太平山青年商會主辦，扶康會、香港傷殘青年協會及香港復康力量協辦的第二屆「成人節—青从齊建無障香江」於月前圓滿結束。活動的目的為建設一個無障礙的香港，以吸引傷殘人仕來港旅遊；同時亦使公眾關注青年人踏進成年階段，進一步了解及關心個人及傷殘人士對社會的權利和責任。「無障香江大使」委任儀式已於於8月7日舉行，活動的高潮是由人氣歌手 — 成人節大使陳文媛率領百位年青人進行成人禮及義工登記，鼓勵年青人積極參與義務工作。之後由基督教巴拿巴愛心服務團組成的跳舞組合及香港跳繩學院施展了他們的技能，表現無盡的活力及朝氣，演譯真我個性，並表現傷健一家的精神。

而於8至9月期間舉行的一連串的義務工作，包括無障礙遊覽路線設計比賽及無障礙遊覽路線問卷調查，鼓勵年青人共建無障香江，貢獻社會。活動反應理想，亦成功引起社會討論。

閉幕典禮於9月11日舉行，在主禮嘉賓張有興太平紳士及一眾社會知名人士見証下，公佈無障礙遊覽路線設計比賽結果及無障礙遊覽路線問卷調查，亦同時進行頒獎。協辦機構之一的扶康會所安排的一組傷健朋友表演舞蹈，以體現傷健同行，風雨無障之精神。因此是次活動之意義不單為社會創造和諧景氣，更為香港帶來實際經濟效益。

Halloween Wild Night Party Cum October Monthly Fellowship Gathering

Treat-or-trick!

On 28 Oct, our first ever Halloween wild night party cum October Monthly Fellowship Gathering was held with 49 members and friends.

Participants were divided into 4 groups: Beauty, Flame, Horny and Freaky, fighting for the "BEST DRAMA" Award . As most of us expected, Horny group won the title and drove everyone laughing into tears. In addition to the group award, participants also made their greatest effort and creativity to compete for the "BEST MAKE UP" individual Award. Once again, our charming guy who's from Horny group took the champion title with his "super sized" body feature.

In the middle of the program, our honorable Past President "Sammy the incredible" shared tips on his successful slimming program. The information was well fitted into the event after a tasteful buffet meal.

The party was filled with "pretty" faces and horrific screaming, everyone was so excited in the wild atmosphere, what a night!

Love of The Earth 2005 gains award in the world

It was at 2:00am in early morning on 29 Oct. I just arrived home after a fever night of Halloween Wild Night Party. Checking my mobile phone, I read a SMS from Vienna. "Love of the Earth 2005 won the award of the BEST ENVIRONMENTAL DEVELOPMENT PROGRAM in World Congress 2005, Vienna." I screamed and called up my members to report the good news.

This world-class award not only recognizes again the success of our theme project and is rewarding the Organization Committee and members who showed their support as well. Love of the Earth becomes the Flagship project of Sha Tin Junior Chamber. Please show your continuous support and keep this meaningful project blossoming in the future.

Planting of Tree in Jiangmen represents the continuity of this meaningful "Best Environment Development Program"- Love of the Earth.

「親親孩子 — 明日龍的傳人」國民教育講座

有鑑於香港回歸祖國雖接近十年，本地學童仍有很大的空間及需要深入地認識祖國的歷史和文化，並加強對國民身份的認同。有見及此，晉峰青年商會主辦首屆「中華兒女活動之"相"想我的家鄉活動系列」。期望透過在一般正規的教學課程以外的活動形式，協助推廣國民教育。藉以建立「中華民族大家庭」的團結精神和國民身份認同，並宣揚從家庭崗位出發推展國情教育。在本年十月九日舉辦系列二之「親親孩子—明日龍的傳人國民教育講座」，當日聽眾超過200餘人，主講嘉賓包括：港區全國政協委員及粵港青年交流促進會主席龍子明先生、立法會主席范徐麗泰女士、香港教育學院前高級講師徐葉慧蓮女士、法住文化書院副院長陳可勇博士、名攝影水禾田先生。另本年十一月二十七日在旺角社區會堂舉辦的"相"想我的家鄉活動系列閉幕禮，除了得獎作品分享，更有表演項目。
