The JCI Creed

We believe

That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the best work of life.

History of the Creed

The year was 1946; the place, Milwaukee, Wisconsin, U.S.A.; the event, the United States Junior Chamber National Convention. Visitors came from Canada, Mexico, South America, Europe and the Philippine Islands. It was here that the idea of a JCI Creed was born.

Past President of the Ohio Junior Chamber and National Vice President of the United States Junior Chamber C. William Brownfield realized at this convention that the organization did not have a Creed. He was inspired by the devotion of Junior Chamber members "to the purpose of serving mankind in a thousand different ways, right down at the grass roots where freedom lives or dies."

Brownfield saw Junior Chamber as "the potential for a new force in the world, one capable of changing the balance between victory or defeat for our chosen way of life in a time of crisis."

The actual writing of the Creed took place in July 1946 during a drive from Brownfield's hometown of Columbus, Ohio, to his coal mine in New Lexington, a journey of about 75 minutes. He started that journey with a firm conviction in his mind to work on the Creed. It was during that trip that the following words came to mind and were put on paper:

The brotherhood of man transcends the sovereignty of nations.
Economic justice can best be won by free men through free enterprise.
Government should be of laws rather than of men.
Earth's great treasure lies in human personality.
Service to humanity is the best work of life.

In 1950 the first line, "We believe that faith in God gives meaning and purpose to human life." was added.

Since it was written, Junior Chamber members all over the world recite the Creed at local, national and international meetings and functions. During that time there has been much discussion of the interpretation of the Creed. The author himself said, "Every Member is free to interpret the Creed in the light of his own conscience."

Junior Chamber International Hong Kong (JCIHK) has attracted many bright and socially conscious young men and women who have demonstrated outstanding leadership and entrepreneurial skills through taking on an endless series of challenging community projects locally and internationally. JCIHK and its members are renowned for their commitment and contribution to Hong Kong's development.

On the occasion of the Inauguration Ball of 2011 of JCIHK, I would like to express my warmest congratulations, and I also wish JCIHK and its members every success in the future.

Mr Bunny Chan Chung-bun, SBS, JP

I am glad that the 2011 Board of Directors team of Junior Chamber International Hong Kong has been successfully formed. I would also like to extend my most sincere congratulations on the occasion of the Chamber's 2011 Inaugural Ball. Over these years, your Chamber has kept up efforts and contributions in bettering the community of Hong Kong and in serving as examples and role models for our youths. You have excelled in skills of leadership, responsibilities to society, entrepreneurship and good fellowship. It is entirely appropriate that the 2011 Board of Directors team has adopted the slogan of "Lead the Next". I would like to thank your Chamber for the excellent work and I am confident that you will continue to do so in the years to come and bring many more benefits to our community.

Message from Honorary Advisor

Mr Moses Cheng Mo-chi, GBS, OBE, JP

It is indeed my honour to be invited by JCI Hong Kong to be an Honorary Advisor again for 2011.

I am glad to learn that JCI Hong Kong has been active in promoting the United Nations Millennium Development Goals. In particular, the goals to eradicate extreme poverty and hunger, to achieve universal primary education and to ensure environmental sustainability, in the last few years. JCI Hong Kong members fully embrace active citizenship through launching meaningful projects each year.

"Extreme Poverty is the best breeding ground on earth for disease, political instability, and terrorism." -Jeffrey Sachs.

May I take this opportunity to congratulate JCI Hong Kong on the occasion of the 2011 inaugural ceremony of the new officers; especially on their efforts towards poverty alleviation.

Message from Honorary Advisor

Mr Bernard Chan, GBS, JP

My sincere congratulations to all members of Junior Chamber International Hong Kong on the occasion of the installation of the incoming national and chapter-level boards of directors.

JCI has a proud tradition of providing opportunities for young business people and entrepreneurs to develop themselves as individuals and leaders, to help to enhance their shared capacities, and perhaps most of all to serve the community of which they are a part.

JCIHK's success can be seen from its own growth as an organization, such as the foundation of new chapters over the years catering to particular groups, including women and Putonghua speakers. At the heart of your JCIHK activities is your service to the less advantaged members of society. I look forward to JCIHK continuing to go from strength to strength, and I wish you all an enjoyable inaugural ball and a highly successful 2011.

Message from National President

Junior Chamber International Hong Kong

It is indeed my greatest honour to be the National President of Junior Chamber International Hong Kong in 2011. In this special occasion, Inaugural Ball 2011, I would like to express my heartfelt appreciation to the tremendous and wholehearted support from our devoted JC members to the chapter's affairs and organizing projects. Your enthusiasm and passion geared me up to face the challenge and to give impetus to JC movement.

I remembered there is a chapter from Tao Teh Ching 道德經 about "Ways to Govern the State" that I would like to share with you …

When the Government is liberal and broad-minded, the people will be simple and honest.

When the Government is too attentive and strict, and its officers are full of selfish desires, the people will be cunning and have too much worry.

When one considers disaster may often give rise to felicity.

When one considers felicity may often end with disaster.

Who would be able to know its final result and the cycle of reversion?

Nowadays most people are abnormal.
What is normal and correct truth is regarded as strange and worthless.

What is good teaching is regarded as sinister.

It is a pity that mankind has been under delusion and gone astray for long.
Therefore the Sage maintains his principle of teaching without the intention of harming others.

The Sage has integrity and does not hurt others. He is straightforward and keeps away from extremity. He is bright but not dazzling.

"LEAD THE NEXT" is not only a slogan, but also our mission this year. I truly believe that all JC leaders are ready to take up the challenge leading your members to start a new JC year. Moreover, learning from Sage gives you wisdom and open-minded approach to perfect your leadership skills and benefit your members.

It is a challenge to all of us to commit ourselves serving JCI Hong Kong with a brilliant history of sixty years. It is a challenge to all our members to devote them serving their chapter with creativity and innovation. It is a challenge to me leading members of JCI Hong Kong to excel with a sound foundation established by our predecessors and seniors. I am deeply moved by the founders and Past National Presidents of JCI Hong Kong who led their team with mission and vision to build up our brand and significant projects year by year. Likewise, the active participation and passionate involvement at local and international levels from members of JCI Hong Kong are very important to our success.

Last but not least, I would like to take this opportunity to extend my sincere gratitude to our Guest of Honor Mr. Wang Zhi Min, Deputy Director of Liaison Office of the Central People's Government in the Hong Kong SAR to officiate the Inauguration Ceremony for JCI Hong Kong.

All in all, year 2011 marks JCI Hong Kong to further her contribution and devotion to both our community, Mainland China and worldwide. We will continue to do our best for the betterment of JC movement and better future of our next generation. Let us work together with one heart to create a bright page in the history of JCI Hong Kong.

Message from President
Junior Chamber International

I wish to extend to you my most sincere congratulations on your 2011 Inaugural Ball. On such an occasion, I join you in looking forward to the coming year and the opportunities it presents to create positive change in Hong Kong and worldwide.

As JCI Hong Kong has always been a strong JCI National Organization with programs that are in line with the JCI Mission, I encourage you all to look to the 2011 JCI Plan of Action for guidance as we take our organization to the next level. We will build a truly global organization with shared values and common goals, build global partnerships for development and foster active citizenship through the Citizens' Initiative. It is vital for us to take this action in order to address the United Nations Millennium Development Goals (UNMDGs). Our commitment to the MDGs will help us achieve our mission of "providing development opportunities that empower young people to create positive change."

Our success in 2011 will be a result of each individual member's efforts and the examples set by their respective JCI National Organizations. With the strength of JCI Hong Kong and with the new JCI Hong Kong Board of Directors in place, I look forward to your help in order for us to achieve our exciting goals for this year and beyond.

Thanks again for your dedication to the JCI Mission and best wishes for 2011.

Go impact the World!

Message from Executive Vice President

Junior Chamber International

It gives me great pleasure and honor to greet JCI Hong Kong on its 2011 Inaugural Ball. May this ceremony usher in a new era of renewed service and commitment to be better active citizens and contribute in society towards positive change. I am confident that under your able leadership of National President Timmy Lee, JCI Hong Kong will continue to soar to greater heights and conquer more horizons never been explored!

When we recite the Creed and Mission before the start of every JCI event, we commit ourselves in ensuring a bright future not only for ourselves but for those of the next generations to come as well. May we spread the passion and dedication in ensuring that we get to invite all the young citizens to be part of JCI and prepare them to be future stakeholders in business, politics and other fields of endeavors.

As we share our own simple humble contributions in making society and the world a better place to live in, may we continuously be inspired to persevere and think out of the box in doing things and making a difference. So much is expected from our ranks. We are being pointed as the future that will take the cudgels of leadership and service come a certain time. Let us not fail the founders of this organization who selflessly dedicated their time, energy and passion to bring about an international network of young active citizens that we enjoy now as JCI.

Please make good plans to come and visit Manila, Philippines in May for our Asia Pacific Conference (ASPAC). As Chairperson of the ASPAC, I am confident that we will have a memorable gathering and worthwhile undertaking with JCI Hong Kong's unwavering support.

Together, we will make a difference, we will contribute towards positive change and we will impact the world! More power to JCI Hong Kong!

Message from Honorary Life President

Junior Chamber International Hong Kong

It is with optimism that I offer every good wish to the incoming Officers and Directors for success in all they do in the year 2011.

Membership in the Junior Chamber is a learning process for young persons committed to civic projects and engaged in activities for the betterment of common humanity in Hong Kong. It is commendable ambition put to good practice.

I applaud the outgoing President and his Administration for their success in the year 2010. It was not a promising year for Hong Kong at the start but conditions have since changed for the better here and persons of goodwill expect the turn around to be kept up for the benefit of one and all.

The Hon. A. de O. Sales, GBM, JP

Message from Senate Chairman

Junior Chamber International Hong Kong

On behalf of the Junior Chamber International senators in Hong Kong, I would like to extend my warm congratulations to the inauguration of the 2011 National Board of Directors and the 19 affiliated chapters of the Junior Chamber International Hong Kong (JCIHK).

Throughout the 60 years of JCIHK's establishment, senators of different decades dedicate their time and effort in the growth of this outstanding organization. Upon granting the senatorship, it reminds us of how important it is for us to continue our contributions to the growth of the organization and the community. We believe every small act of good cause collectively could gradually make a difference, and build a better world.

During my presidency in 2010, the theme "Be Proud. Be a JC Leader." reinforced the vision of JCIHK in developing leaders for this society. As a training ground for outstanding young leaders, a wide range of projects including "We Unite for a Better World" for the United Nations Millennium Development Goals to end poverty, sustain environment and fight malaria had been launched.

On this special night to pledge the duty of serving JCIHK in 2011, I wish a fruitful year for National President Timmy Lee, his committed national officers, outstanding chapter presidents, and all members of the JCIHK family.

Gene Tang

Message from Chairman

Hong Kong Junior Chamber Foundation

I have great pleasure in congratulating the JCI Hong Kong on its Inauguration Ceremony.

The Ceremony marks the official assumption of responsibilities of the new leadership teams at the National and the Local Chapter levels. I believe our leaders are fully committed to act along the oath taken, practicing leadership to advance the purposes of the JC organization in making positive changes to the Hong Kong community whilst promoting individual development.

It is also an occasion for engaging with stakeholders who have been rendering their unfailing support to the development of Jayceeism in Hong Kong. We are grateful to them for their valuable advice, close collaboration or generous sponsorship over the years.

The Hong Kong Junior Chamber Foundation takes cares of the pool of funds originated from the surpluses of JCI's international conferences held in Hong Kong. We shall continue to manage and grow the assets prudently, and subsidise meaningful projects of the National and Local Chapter levels with our incomes.

On behalf of HKJC Foundation, I wish everyione an enjoyable evening. I look forward to another successful and fruitful year for the JC organization in 2011.

Message from Long Range Planning Committee Chairman

Junior Chamber International Hong Kong

Inauguration marks the solemn moment and the "committed beginning" of serving our beloved organization throughout this year.

In 2011, the organization embarks on an exciting journey to position JCI as a global organization with the ability to impact the world. JCI will "take the lead" to empower the leading global network of young active citizens to accomplish its vision "A World of Citizens: JCI and Human Security" .

As a forward-thinking organization, JCI shall embrace the future in 2011 and urge members to be the true active citizens by taking initiative to lead the world to a better place. Now what is the next for JCI Hong Kong? That is why JCI Hong Kong chooses the slogan of "Lead The Next" in year 2011 to lead us be a leading global organization.

"Lead" means we should be proactive just like JCI "Citizen Initiative". United Nation will be our good partner for us to work together for meaning projects like UNMDG. "Next" also means the new era, and JCI Hong Kong should be innovative enough like Steve Jobs of Founder of Apple inventing "Next" computer before "Apple" is launched.

I have great confidence that National President Senator Timmy Lee and all Chapter Presidents will lead our beloved organization to a "Next" horizon.

Taking this opportunity, I would like to thank our new LRPC members for their continued support!

Last but not the least, it is my great honour to send my heartiest congratulations to all 2011 National Board of Directors of JCI Hong Kong and its 19 affiliated Chapters.

Once again, my best wishes to you all for a fruitful 2011 and to enjoy wonderful banquet tonight.

元朗青年商會

會長
鄧欣傑

過去六十多年來，國際青年商會香港總會不斷更新求變，緊貼社會需要，推出的大型工作計劃，樹立了榜樣和典範，積累了寶貴的經驗，弘揚青商精神、促進社會發展等，團結一致，推廣「積極公民」的青商使命。

國際青年商會香港總會能夠給予四大發展機會，一班團結的伙伴，有理想朋友，方向正確的年青人，一同向著目標共同進發，最後得到成功的感覺，對我們來說能「服務社會、訓練自己」為目的確實寶貴。類似這一類社團組織在香港，實在難得。

創做美好的環境是要靠大家共同努力，本人相信一切皆可能，並與國際青年商會香港總會攜手共同為大家庭注入動力，再鑄新輝煌。

本人謹代表元朗青年商會祝願香港總會及各分會，在總會會長李騰駿參議員的領導下，再創高峰。

Established in 1980, Dragon Junior Chamber is the 11th local chapter of the Junior Chamber International Hong Kong, and we are a group of passionate and energetic young professionals and entrepreneurs. We have taken a lot from the society, and we want to give back to the ones in need. In the process we train up ourselves to be leaders, and we meet great friends and business partners, both locally and internationally. I believe that is what we are here for, and we will be working very closely with Junior Chamber International Hong Kong to achieve these goals.

This is my honor to be elected as the 2011 President of Dragon Junior Chamber. I am sure our members will have another fruitful year with a lot of achievements!

EAST KOWLOON JUNIOR CHAMBER

President
Karlene Chan

Inaugural Ball is an important occasion to mark the beginning of "Lead the Next" leaders' term of office for the JCIHK National Board and all 19 Local Chapters. It is not just a formal ceremony but also symbolizing a commitment to lead and to serve the organizations. JCI is on a vision to be the leading global network of young active citizens. With increasing globalization, the destiny of the world is being defined by citizens rather than nations. Young active citizens will have to take initiatives to transforming communities and changing lives.

Sharing the same vision, East Kowloon Junior Chamber is continuing to develop members' potentials on leadership and management skills by organizing a variety of projects to enrich their exposure and experience. In 2011, East Kowloon Junior Chamber will focus on Community Development. While caring and serving the community, on the other hand, members can enhance their values and sense of belonging to the society, and then become active citizens.

Congratulations to the success of Inaugural Ball 2011! I sincerely wish JCIHK will continue her mission in the years to come.

青商踏入六十一載，跨越數個年代，見證香港變遷，培育新一代人才。今年總會口號「Lead The Next」揭示了為八十後青年開闢領袖道路的視野，任重道遠。世界上最幸福的莫過於善用自己能力，被社會負托，為民生、為生態、為環境略獻綿力，這就是青商們的共同理念。本人謹代表城市女青年商會祝願總會會長李騰駿參議員，與一眾總會董事局成員及各青商會友，為香港成就更多明日領袖。

Vote of thanks from Inaugural Ball Chairman

Greetings to you all! Year 2011 starts off with today's Inaugural Ball – an important moment marking the start of a new year. For only 10 weeks, the Organising Committee team has put together a motion-packed event after various late nights and weekends, a challenge to complete the task within the shortest time possible. Our hard work and dedication stem from one purpose: not for our own credit or recognition, but for constructing a sturdy platform for JCI Hong Kong and local Chapters to blastoff towards a successful year. A good start is half the success. After tonight, JCI Hong Kong and local Chapters will each experience success with their own respective flavour. In addition, they will have the mission of furthering the JC spirit, contributing to the community and also to the world at large.

It is with great honour and privilege to have Mrs. Pamela Tan, Director of Home Affairs and Mr. Wang Zhi Min, Deputy Director of the Liaison Office of the Central People's Government in the HKSAR with us tonight as our Guests of Honour whom, together with distinguished guests and members, will witness the installation of JCI Hong Kong and board members of local chapters.

A project with borders and confinements can still attain breakthroughs. Our efforts had been paid off by receiving a full house (exceeding the quota actually) reservation at the early bird stage. This result was very encouraging, given that it was my first time to be the chairlady for a JCI Hong Kong project, which gave me strength to make tonight as perfect as possible. The video which we have compiled bolters the MBA objective set out by JCI Hong Kong this year: Membership, Branding and Achievements. We hope our efforts entail JCI Hong Kong and local Chapters to put their year plan into perspective, focusing attention and resources on a particular point to maximise their achievements. Every breakthrough is a reward for my team and me which we will cherish for years to come.

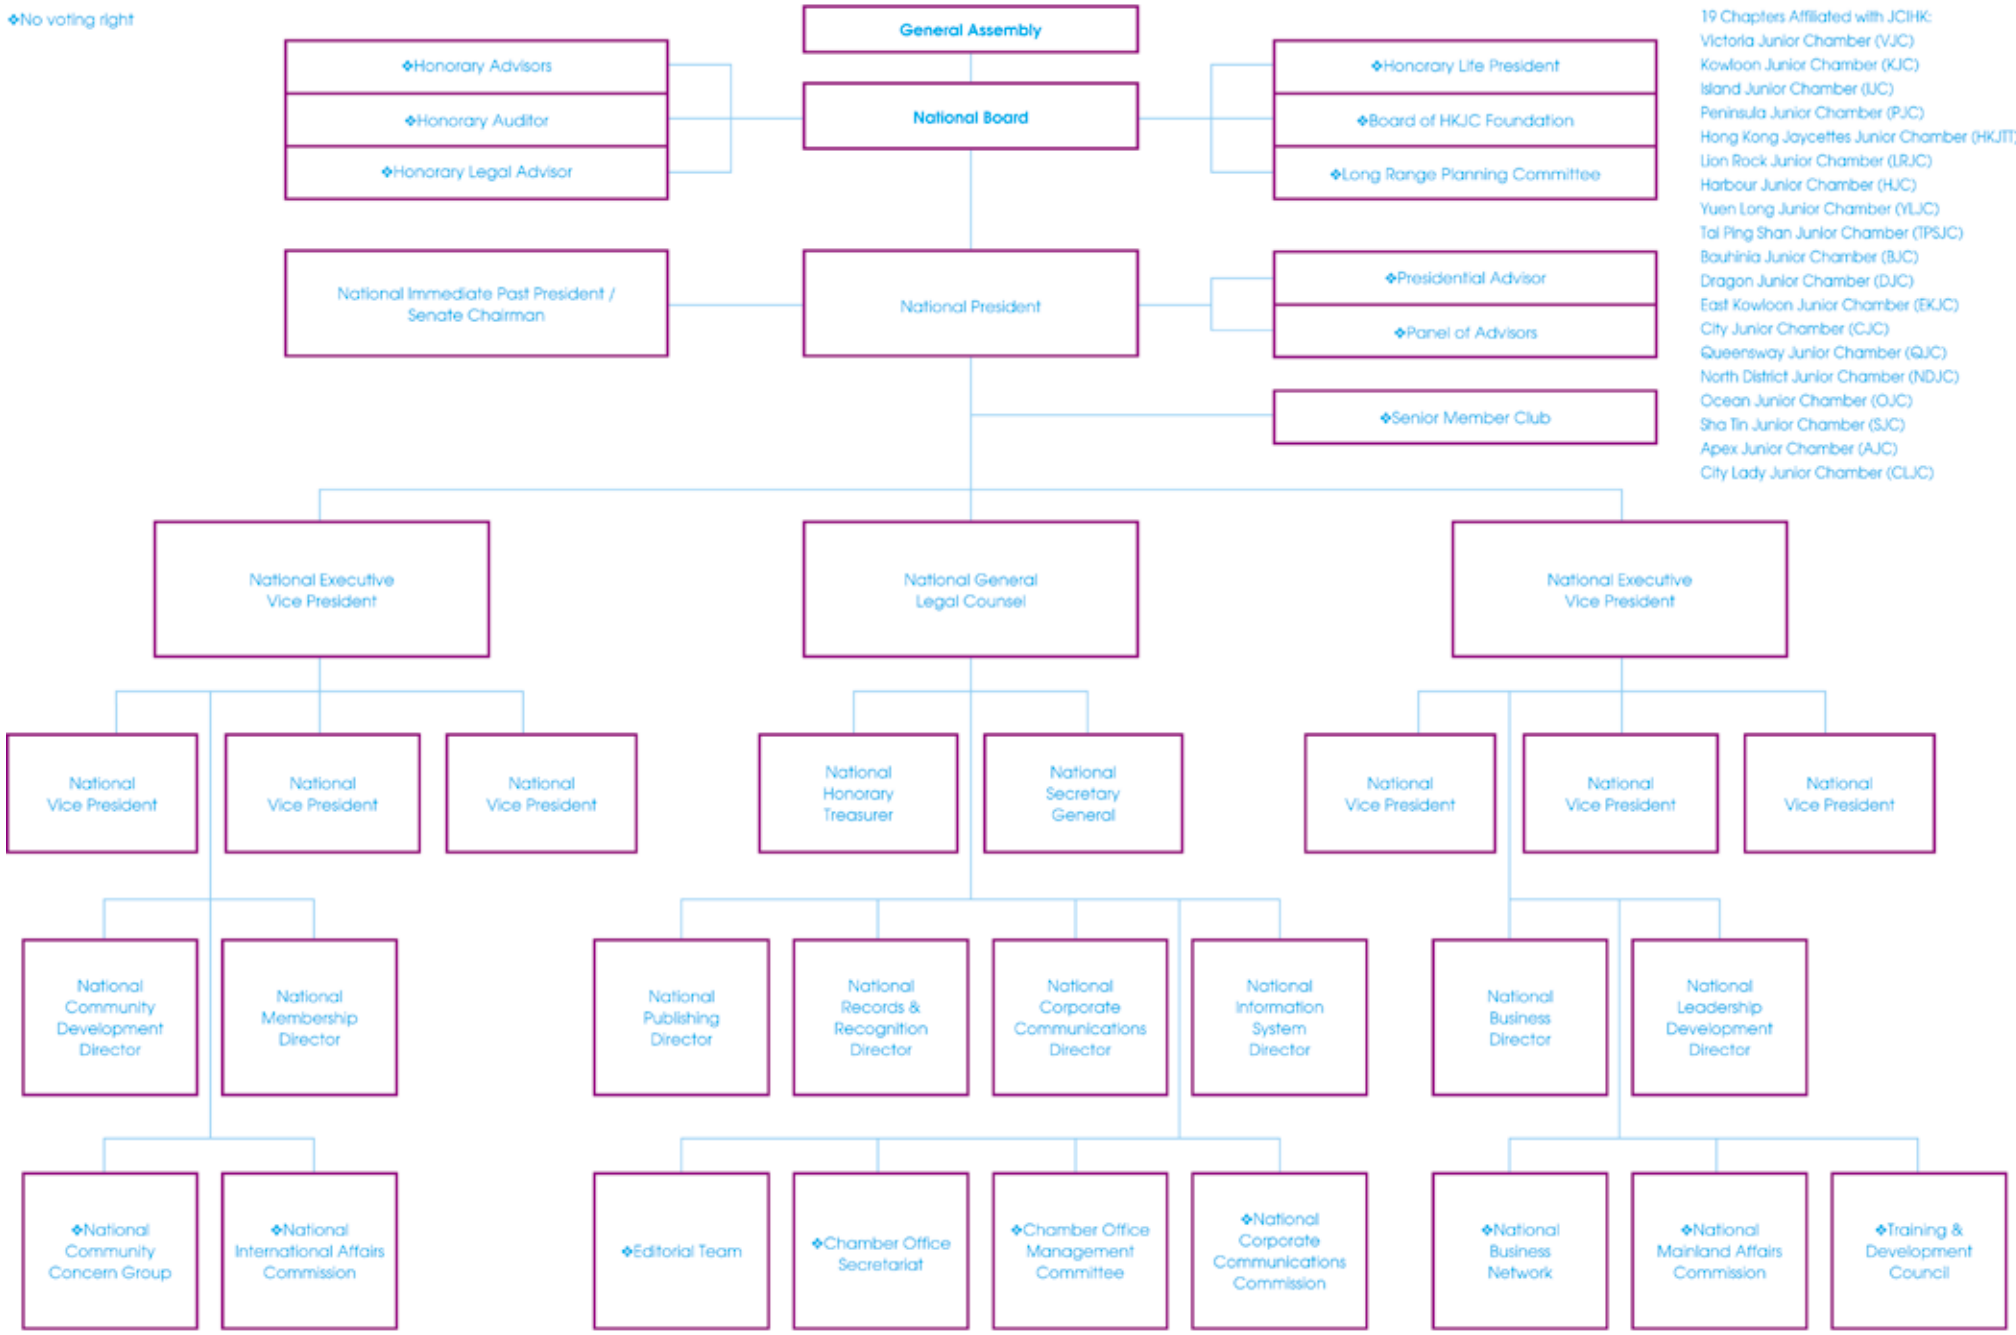

My heartfelt thanks goes to Project Advisor PNP Senator Alice Liu, NP Senator Timmy Lee, Supervising Officer NGLC Senator Stanley Ng and NHT Cammie Chan for your tremendous advice and guidance. Thank you for the outstanding work of Organising Committee members, support and contribution by NOM officers and Chapters, and generous donation from kind-hearted individuals and corporations which together make tonight's event a successful one. Inaugural Ball 2011 would not be successful without each and every one for your help, support and guidance. It was my honour to serve as Chairman for Inaugural Ball 2011. I have learnt very much in the process and the knowledge and experience which I have acquired are an icing on the cake made throughout my service to JCI Hong Kong.

Thank you for your participation tonight which I hope will be memorable and enjoyable. On behalf of the Organising Committee, we wish you a prosperous and fruitful year – may all your dreams come true!

Jojo Kong

We seek targeted solutions to the unique problems in our communities to build a better world, creating global impact.

VALUE

We believe that "faith in God gives meaning and purpose to human life; the brotherhood of man transcends the sovereignty of nations; economic justice can best be won by free men through free enterprise; Government should be of laws rather than of men; earth's great treasure lies in human personality; and service to humanity is the best work of life"

VISION

MISSION

To provide development opportunities that empower young people to create positive change.

HISTORY

Our global organization of 200,000 young active citizens grew out of the vision of one St. Louisan more than 90 years ago as a constructive approach to civic problems. Founded in 1915 in St. Louis, Missouri, USA by Henry Giessenbier, the movement spread, and Junior Chamber International was founded with eight other countries in Mexico City on December 11, 1944.

JCI CORPORATE SLOGAN

Be Better embodies the spirit that all JCI members share and the purpose stated in our Mission: to create positive change. JCI members constantly seek ways to live this concept. They not only believe that improvement is possible, they see it as their responsibility to initiate positive change both in themselves and in their local community. They seek solutions to the problems they see around them to create better nations, better environments and better societies. They also know that true lasting change starts from within. They learn through their experiences, becoming better citizens and better leaders with better skills to create a better future.

JCI OPPORTUNITIES

JCI can be called an organization of opportunities. The opportunities available within JCI are so numerous that it could take a lifetime to grasp them all. Most members select those which cater to their particular needs and make the most of them. Basically, there are four Areas of Opportunities within the organization: Individual, Community, International and Business. Projects are conducted in each Area. As the members work on these projects, they encounter opportunities for total development.

INTERNATIONAL CO-OPERATION

JCI is an international Non-Governmental Organization (NGO) with active participation in the United Nations (UN) system. History of Junior Chamber International Hong Kong

Flashback 1950's - Practical Idealists pioneered the Jaycee Movement in Hong Kong

In late 1940's, Hong Kong was recovering from the Second World War. There were urgent needs and great opportunity for local community leaders to contribute to its social and economic development. The Jaycees thus found their role in the making of Hong Kong.

A group of dynamic young men of various nationalities and backgrounds, were inspired by Junior Chamber International to form the Hong Kong Junior Chamber (Jaycees).

With unbounded enthusiasm and tireless efforts, those pioneer Jaycees worked hard in different community projects and training program, and participated in a series of international meetings. It also opened its first office in the then Hong Kong Bank building.

Assessing the needs of the society then, these young men put ideas into action. Projects were put in hand which aroused civic consciousness among young people here. A novel project was the timely setting up of more than 30 children's libraries, including portable and mobile van libraries. This was one of the most prominent achievement much appreciated by the public.

5,000 Books Donated By HK Jaycees To New Children Library

The Hon. R. R. Todd, Secretary for Chinese Affairs, opening the Children's Library at the War Memorial Welfare Centre yesterday, condemned the presence in Hongkong of dangerous literature intended "to arouse class hatred ... install the Communist ideology in the minds of ... of tender years."

5

Extracted from Standard-Sing Tao The Hon R Todd, Secretary for Chinese Affairs, opened the Children's Library together with acting Hong Kong Junior Chamber of Commerce President A de O Sales on Jun 12, 1951. Over 5,000 books were donated!

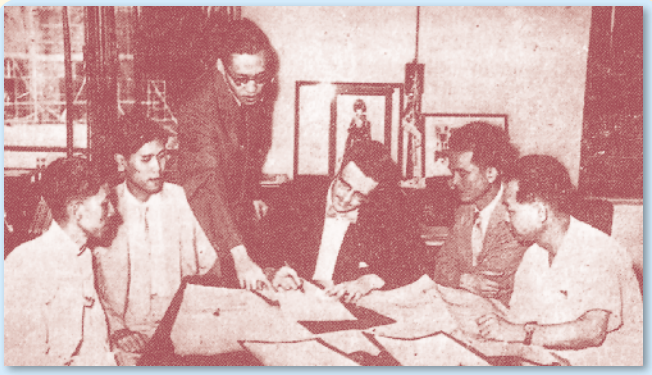

The first children's library was established in 1952 at the War Memorial Centre in Wanchai, followed by the ones in Shek Kip Mei and Yuen Long (Nixon Library). In 1955, Hong Kong Jaycees donated the first mobile Van Library to the Social Welfare Office under the Chinese Languages Department. As a result, thousands of children were given the chance to read and learn. The success of the project led to the first award for the Hong Kong Junior Chamber in the Melbourne World Congress in 1952. The children's library project was further developed into a scholarship program, helping those who wanted to learn.

Side by side with civic projects, there was keen interest in business pursuits too. The Jaycees held its first trade exhibition in Melbourne in 1952, and repeated the project elsewhere until the territory stepped up its official presence at numerous trade and industrial exhibitions in the years that followed.

In a move to broaden their vision and widen their horizon, pioneer Jaycees were also active in attending various Conferences and Congresses, not only Jaycees but other such occasions as well.

The experience gained led to the success of hosting the first and the fourth JCI Regional Conferences in Hong Kong in 1951 and 1954 which won community plaudits and put the Chamber in the forefront of Jaycees in the continent.

History of Junior Chamber International Hong Kong

A dream became a reality when President Colin J Ure signed the contract for the construction of the Jaycee Peng Chau Health Clinic in the presence of representatives of Peng Chau Rural committee. The designer of the clinic was Mr Peter Ng (the gentleman standing in the middle), an authorized Architect. He became our President in 1962.

The participation in, and the hosting of, international conferences, added a new dimension to the members and at the same time uplifting the regional exposure for Hong Kong. Hong Kong Jaycees quickly attained high international office from 2 Regional Presidents for Asia to JCI President in 1956 and Vice President for Commissions in 1957.

With wholehearted participation and genuine contribution by the Jaycee members, Hong Kong Jaycees earned wide international recognition in a few years. Jaycee activities were seldom out of the press and were extensively reported. Hong Kong Junior Chamber had a reputation in the community here.

At the same time, with the rapid development of Hong Kong in the 50s, it became apparent that facilities for the training of future executives were almost non-existent. Hong Kong Junior Chamber shown foresight and initiative in promoting institutional development. In particular, it took pride in its contribution to the formation of the Hong Kong Management Association.

Jaycees was therefore called 'catalysts' and 'pacesetters' locally. They were described by the then Governor Sir Alexander Grantham as 'Practical Idealists' - young men with high ideals put into practice by concrete projects for community betterment.

Undoubtedly, Jaycees in the 1950s laid down a solid foundation for the Hong Kong Junior Chamber to go forward with more growth and development while it won wide prestige in the community and high recognition in the Jaycee world.

The members still had the cherished ambition of bidding for a World Congress, a daunting task then without proper facilities and adequate funding. Plans were laid carefully soon afterwards as the new City Hall was being built. The bid won in a contest and so Jaycees had the unusual challenge of holding here the first worldwide meeting. The successful response was a sound organization with total membership involvement.

Flashback 1960's - Growth and Development

In the continuation of the relay, Hong Kong Junior Chamber stepped into its further developing stage.

Applying the experiences gained and together with the endeavor of the Jaycee members, the 17th World Congress of Junior Chamber International was, for the first time, held in Hong Kong in 1962. It was a grand and memorable event, widely covered by the media. The use of the whole new City Hall became the talk of the town. The success of which not only reaffirmed the social status of Jaycees in the community, but also was a confidence booster for each Jaycee member.

Two survey teams were set up to inspect the 23 children's libraries donated by the Jaycees in the past years to various organizations and schools. Eight of them had been selected for replacing some worn books and adding to their shelves some new editions.

History of Junior Chamber International Hong Kong

The handsome surplus from the Congress also led to the formation of the Trust Fund. It gave the Chamber a sound foundation which enabled the Jaycees to carry out many projects for community development with the confidence and helped it eventually to buy an office.

With the continual injection of new blood, Hong Kong Junior Chamber was restructured into a core National Organization Member (NOM) and 2 affiliated chapters of Victoria and Kowloon Jaycees in 1965.

JCI Regional Conference was hosted in Hong Kong again in 1966.

"A Better World Tomorrow Through Jaycee Training Today"- Theme of 1966 JCI Conference in Hong Kong.

To spread the Jaycee spirit, Jaycee Week program was also launched in the 60's to promote Jaycees to the public. The first Chinese speaking chapter (Peninsula Jaycees) and the first all lady chapter (Hong Kong Jayceettes) were then formed in 1969.

The coming together of members from various backgrounds provided the impetus for a diversification of community projects.

The Annual Dragon Seed Races shared our concern for the boat people in the Kowloon typhoon shelters.

The Miss International Goodwill Contest, and the later Miss Hong Kong Contest in the 60's were first initiated by the Jaycees and became an international friendship program which promoted the international goodwill and enhanced cultural exchange of Hong Kong.

The TOYP was first introduced by Hong Kong Junior Chamber of Commerce in 1970. His Excellency The Governor was the Patron.

The addition of more members and more projects, called for better communication, co-operation and administration. The introduction of management course and projects such as Anniversary Ball played an important role in answering to the needs.

Through such projects in 1960s, Hong Kong Junior Chamber became more concerned with membership development and began to strive for more opportunities in leadership training and to step up work for betterment of the community.

Flashback 1970's - Many First and Meaningful Projects

Stepping into the decade of the 70's and after the celebration of the Silver Jubilee Anniversary, it marked the beginning of an expansion in chapters and rapid increase in international awareness of their high standard of administration activities.

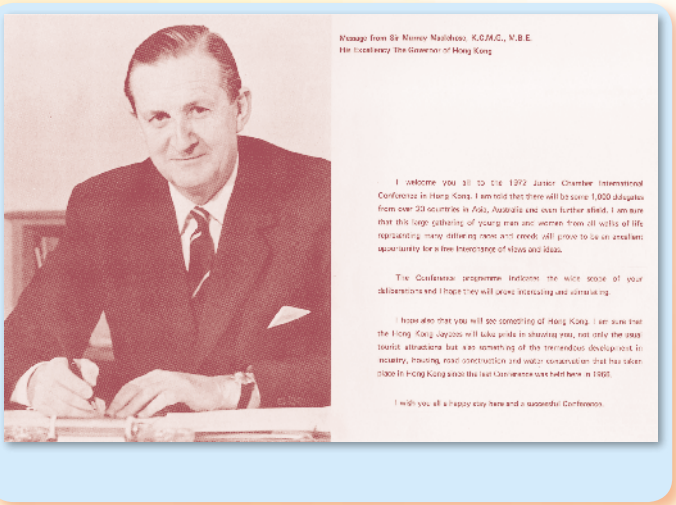

History of Junior Chamber International Hong Kong

It was a memorable period which had many encouraging rewards and meaningful projects carried out. Five more chapters were formed. JCI Asia Pacific Conferences were again hosted in Hong Kong in 1972 & 1979.

In 1974, during the World Congress held in Auckland, Hong Kong Junior Chamber won the first Local Organization Member (LOM) Award and the JCI Presidential Award and the JCI Presidential Award of Excellence in NOM management.

Three years later, Hong Kong Junior Chamber was awarded the JCI Presidential Award of Excellence for Outstanding Achievement in Chapter Extension with an increase of 25%, and the JCI Presidential Award of Excellence for Outstanding Achievement in Growth with an increase of over 50% in membership in the year of 1979.

The Jaycee owned Chamber Office was opened in the year 1977 with the help of the Trust Fund, which further enhanced the sense of belonging of members in the Jaycee family.

Message from Sir Murray MacLehose, K.C.M.G., M.B.E.
His Excellency The Governor of Hong Kong

I welcome you all to the 1972 Junior Chamber International Conference in Hong Kong. I am told that there will be some 1,000 delegates from over 20 countries in Asia, Australia and even further afield. I am sure that this large gathering of young men and women from all walks of life representing many differing races and creeds will prove to be an excellent opportunity for a free interchange of views and ideas.

The Conference programme indicates the wide scope of your deliberations and I hope they will prove interesting and stimulating.

I hope also that you will see something of Hong Kong. I am sure that the Hong Kong Jaycees will take pride in showing you, not only the usual tourist attractions but also something of the tremendous development in industry, housing, road construction and water conservation that has taken place in Hong Kong since the last Conference was held here in 1968.

I wish you all a happy stay here and a successful Conference.

His Excellency the Governor Sir Murray Maclehose sent his message to welcome the delegates of JCI Regional Conference.

March in of Chief Delegates at Seoul Conference, 1976.

For the first time in Hong Kong, two toys libraries for children were set up by Jaycees in Tze Wan Shan and Tuen Mun.

Many well-known projects were initiated and received wide publicity. To name a few:

- The first 'Outstanding Young Men Award' was launched (forerunner of the 'Ten Outstanding Young Persons Selection' (TOYP) program which received increasing support and commendation from the public until now).
- The 'Exchange program' in 1971 was the first Youth Voyage which deepened the cultural exchange and understanding between Hong Kong and Japan.
- The first 'Solar Heating System' installed in Wu Kai Sha Youth Camp received the first LOM award in JCI World Congress.
- The much acclaimed 'Earth Population Awareness Program' which propagandized the slogan: 'One is cute; Two is ideal; Three is too much for the bill, Four breaks the family quilt' was adopted by The Family Planning Association as a slogan for family planning education program.
- The "Pop Folk" Concert in those days was the only outdoor concert which attracted the youths in Hong Kong.
- The 'Eye Care Campaign' and 'Kidney Donation Campaign' etc. promoted the importance of health.

History of Junior Chamber International Hong Kong

Flashback 1980's - Challenging Decade

The Jaycee movement in the 80's was confronted with many challenges but at the same time opened up many new and exciting opportunities.

More LOMs were added to the Jaycee family in the 80's, increasing the total membership to over 1,300 and 19 chapters, in which two chapters - Macau Jaycees and Hou Kong Jaycees in Macau - formed the Macau Jaycees and affiliated with JCI as an independent National Organization Member at the end of 1988.

The 1981 JC Youth Voyage (青年之船) arrived Hong Kong late at 1:30 a.m. due to typhoon.

With more energetic young persons joining the Jaycees, many meaningful and innovative projects were held, such as 'Young Scientists Awards', 'The International Children Drawing Competition & Exhibition', 'Chunk-Click and Go', 'Spread the Lights', 'Good Children Awards', 'Courtesy Campaign', 'N. T. Regional Outstanding Student Selection' and 'Road Safety Campaign' etc.

There were also honourable and glamourous moments for Hong Kong Junior Chamber in the 80's. Senator Jennifer Yu was elected as the first Lady World President for 1988. Four TOYP awardees of Hong Kong were separately honored as recipients of the Outstanding Young Person of the World Award during the JCI World Congresses in the years of 1983, 1984, 1985 and 1988. Furthermore, three lady National Presidents were elected, and led the Hong Kong Junior Chamber of Commerce in 1983, 1987 and 1989 respectively.

1983 Theme Project, "A Diversified Economy, Future Stability & Prosperity", won The Best NOM Theme Project Award during the 19th World Congress held in Taipei in Nov 1983.

To echo the 1986 theme of Hong Kong Junior Chamber of Commerce "Training the Youth, Heading for Peace", 100 pigeons were released into the sky of Statue Square in Central.

The first-ever JC delegation to visit Beijing, received by All Youth Federation.

Approaching the end of 1980's, Hong Kong Junior Chamber encountered many public issues as did the community at large. Even so, Hong Kong Junior Chamber still pressed on with the mission of community involvement and played an important role as training organization for young people.

History of Junior Chamber International Hong Kong

The Opening Ceremony of the New Chambaer Office on Sept 13, 1990.

Hong Kong Junior Chamber had the honor to be invited to participate in the first 'Youth Rally' of the 'Youth Festival' in December 1989. Relationship with outside youth organizations and the Government was further strengthened and the image of Jaycees in the eyes of the public was also kept up.

The Chief Secretary Sir David Ford joined hands with the Jaycees in the grand opening of the JCI Hong Kong Congress

NP Daniel Cham joined the HK delegation to take part in the "International Model United Nation" organized by the UN and JCI. JC delegates and NGO representatives from all over the world took part in the 5-day event in the UN Headquarters.

Flashback 1990's - Scaling New Heights

Entering the 90's - a decade of change and transition - Hong Kong Junior Chamber continued to uphold its mission of advocating social responsibility among young people. In the first-ever direct election in Hong Kong in 1991, the "One Plus One - Support Direct Election" campaign was organized by all 17 local chapters, once again marking the Jaycees' active participation in civic affairs.

In 1993, Hong Kong Junior Chamber hosted the JCI World Congress, an event that attracted more than 6,000 delegates from over 100 countries around the world. 30 years had elapsed since the Hong Kong Jaycees last hosted the World Congress in 1962 with wide acclaim.

The decade of the 90's also witnessed a series of improvement programs within the organization. With funding support from the Hong Kong Junior Chamber Trust Fund, a new office in Sheung Wan was acquired in 1990 to provide more spacious training and meeting facilities for the Junior Chamber's 1,500 strong membership. The "National Business Network" (NBN) and the "Training and Development Committee" (TDC) were subsequently established to offer a wider scope of networking and development opportunities for the members.

Since 1996, Hong Kong Junior Chamber has been actively involved in the "Right Decisions Program". The project, originated by JCI and executed on a worldwide level, promulgates the importance of youngsters in making the right choice for their actions. The "Right Decisions Program" has been implemented in primary and secondary schools since 1998.

History of Junior Chamber International Hong Kong

Flashback 2000's - Now and the Future

"Right Decisions Program" targets for secondary students in enhancing their judgment

While celebrating the 50th Anniversary in year 2000, we renewed our pledge of traditional commitment to work for community betterment and for the happiness and prosperity of the territory. We continue to provide high quality training programs and learning opportunities to members, and cultivate their sense of belonging to civic matters such as 'Right Decisions Program', 'Basic and Advanced Leadership Management Training', 'You and I bring Hong Kong Back', etc.

Hong Kong Junior Chamber participated in "上環繽紛夜市慶千禧". Professor Right Decisions was well recognized by the public.

In 2001, it was the first time in the history of Ten Outstanding Young Persons Selection that a Community Service Day was included. The purpose of this was to bring the message that the awardees of TOYP Selection will take the lead to serve the community especially the less concerned group. On October 28, the awardees of 2001 TOYP Selection together with hundreds of members of HKJC, disabled persons, students and volunteers participated in creating a giant paper flower sculpture made up by over 73,000 pieces of paper flowers. All the paper flowers were hand-made by disabled persons, students, and volunteers. Through the challenge of setting world record, public concern on the employment opportunities of disabled people in Hong Kong was aroused. Besides, fund for the first self-financed floral workshop of Hong Kong Federation of Handicapped Youth was raised through the event.

In line with the adoption of JCI Corporate Identity Program in 2003 Copenhagen World Congress, Hong Kong Junior Chamber changed its name to Junior Chamber International Hong Kong in 2004 and acquired a new office in Sheung Wan to accommodate our future expansion.

In 2005, JCIHK celebrated her 55th Anniversary and was awarded as "The Most Outstanding National Organization". In 2007, JCIHK was also awarded as the President's Award of Excellence to National Organization in Turkey Congress and the third all-lady chapter-City Lady Junior Chamber was affiliated.

In 2008, JCI Hong Kong was to strengthen the understanding of the Mainland Affair, a fund raising campaign was organized to aid the Sichuan Earthquake victims, and an appeal was made to JCI Headquarter to set up the "JCI Operation Hope - China Earthquake Relief Funds" through which some JCI National Organizations expressed their care and sympathy to the victims.

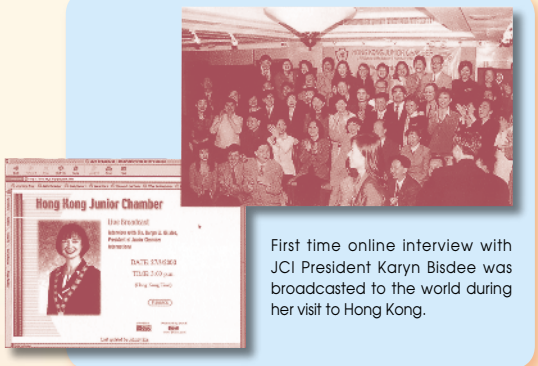

To Strengthen the bonding between members, JC Choir had been established in 2008. It provides a high standard of entertainment to the members of JCI Hong Kong. JCIHK recieved the Best Individual Development Program Award in Busan Conference.

In 2009, JCIHK launched the Millennium Dream Project to promote the United Nations Millennium Development Goals (UNMDG) to the public in Hong Kong . To celebrate the 60th anniversary of the founding of the People's Republic of China, JCIHK organized a series of culture exchange and civic education programs and won the Best Public Relations Program in Hammamet Congress. Senator James Tsui from City Junior Chamber also received the award of the Most Outstanding Vice President (Asia Pacific).

Celebrating our 60th anniversary in 2010, JCIHK had significant membership growth and extended our commitment to the United Nations Millennium Development Goals through the joint efforts of the 19 affiliated chapters on "We Unite for a Better World" Project.

With the biggest delegation of 233 JCIHK members attending the Singapore ASPAC, we had successfully bid the hosting right of 2012 JCI Asia Pacific Conference in Hong Kong.

First time online interview with JCI President Karyn Bisdee was broadcasted to the world during her visit to Hong Kong.

我們愛讀書

授人玫瑰，手有餘香。

在過去十一年，我們共建了八間小學及三間中學，為貴州印江的山區學童擴建學校以及提供助學金、書簿費等。在本港透過不同的籌款活動，推廣訊息，讓各界人士關注國內山區學童教育問題，以及響應聯合國千禧發展目標。

商贏之道

商業及經濟事務組今年以「商贏之道」為主題，主辦了一系列的工作計劃，包括：商務手冊「商贏天書」、港珠澳「商贏」考察團、商務聯誼聚會以及專題講座。

目的是協助會友作商業發展，提供前瞻性的商業資訊和多元化的交流平臺，以拓寬視野及促進會友商務交流，達致雙贏！

領袖力元素

今年將籌備一系列的領袖力訓練班及一個訓練營，為青年商會及香港訓練更多出色的青年領袖。領袖力元素當中包括：工作計劃管理、設計贊助書、團隊管理、會議程序法等。讓參加者可以從中實踐理論、拓展潛能、培訓領袖、成為領袖！
