REPORT TO THE GENERAL ASSEMBLY OF THE 46th NATIONAL CONVENTION FROM NATIONAL PRESIDENT SENATOR TIMMY LEE

1 FORWARD

It is my pleasure being elected as National President 2011 to serve in Junior Chamber International Hong Kong for all members in the organization. I treasure your trust and your support in everything.

I believe a dream is the most important key to a man's life, driving a man to keep running. There is no formal standard to define what is a BIG dream or a SMALL dream; the dream is the dream itself, it will be the BIG dream once you are willing to run for it and make it come true.

"LEAD the NEXT" is the presidential theme of Junior Chamber International Hong Kong in 2011. In Chinese, 60 years is a cycle. At the start of the 61st year of JCI Hong Kong, I have a dream, to gather the talent and power from members in our beloved organization, Junior Chamber International Hong Kong, to give a beautiful start to another fruitful and brilliant era.

In the first 60 years, JCI Hong Kong built up a positive image to our partners and provided a wide range of professional training to train up the leaders. Today, most of our former leaders still take a leading role in various areas. "LEAD the NEXT": we are leaders; we also give positive impact to the community, leading to a better world.

Entering the new era, I would like to give a new explanation for MBA, which is also the tagline to this year's presidential theme. M stands for Membership. We welcome all young adults to join us in serving the community. B stands for Branding. We explore more ways to create a platform for the community and young adults, knowing we are making positive changes to society and the world. A stands for Achievement. We set our target and we do our best to achieve and to learn from it. When you are in a prominent position or you have great ability, you will remember you are JC. "LEAD THE NEXT" is the mission of JCI Hong Kong in 2011. We LEAD by giving four areas of opportunities to our members. We LEAD by recruiting more quality members and promoting our brand together. We LEAD by encouraging our members to organize JCI ASPAC 2012, which will be hosted by JCI Hong Kong.

Our 2011 is full of challenge, our 61st year as JCI Hong Kong. Our senior members have set a good example to our young members; our experience has won us much achievement. Breakthrough makes motivation; how can we jump from the comfort zone of our history and experience to reach a new height?

Eleanor Roosevelt said, "A woman is like a teabag; you never know how strong she is until she's in hot water." I believe not only female members, but all members in JCI Hong Kong are well prepared to take up the challenge, and we do all the best and develop more of our talent to make our dreams come true, to organize successful projects and complete the tasks without regret.

I am pleased to present my report to the General Assembly of the 46th National Convention of Junior Chamber International Hong Kong in the capacity of your National President.

We trained ourselves, our next leaders, and serve others for the betterment of our homes, our nation and the world.

4 AREA REPORT

With the great support of the National Board of Directors, Presidents from Local Chapters, and JCI Hong Kong members, we worked together to achieve our "MBA" goal: Membership, Branding, and Achievement. The major achievements/areas to be improved/ways forward are highlighted below. Please refer to the reports by respective officers for details.

4.1 Administration and Secretariat

4.1.1 Chamber Office Renovation

The removal of the Chamber Office is due to high consumption. Since last year, we tried to call for quotations for renovation. With 50% expense support from HKJC Foundation, which is subject to a ceiling of $450,000. After reviewing the renovation schedule, and considering the cash flow of JCI Hong Kong and HKJC Foundation in the coming months, especially for hosting the 2012 JCI Hong Kong Asia Pacific Conference, the renovation work will be conducted in two phases. Past President John Yip from City Junior Chamber was adopted as Project Co-ordinator at the August National Board Meeting.

4.1.2 JCI Corporate Identity Alignment

To align the corporate identity with Junior Chamber International, the change of name procedure is in progress by local chapters at the Annual General Meeting and Extraordinary General Meeting.

4.1.3 Green Chamber Office Improvement

Being active citizens, we actively strive for positive impact for the community. With support from Past President Senator SC Mok (JCI Island) and sponsor Jackwell Limited, a majority of the lighting in Chamber Office has been changed to energy-saving LEDs, which is expected to reduce 60 – 70% lighting consumption, or about 30% of total consumption during summer time. JCI Hong Kong will submit the enrolment to "Power Smarter Electrify Saving Competition" if a satisfactory result is achieved.

NGLC Senator Stanley Ng and NSG Michelle Liu co-operate with Chamber Executive Senator Phyllis Chan, and chamber staff Ann and Michelle are responsible for the secretariat in maintaining the good order on daily operation to provide quality service to members. Please refer to the report from the aforesaid national officers for details, and I would like to commend their devotion and contribution in this area.

4.2 Business

4.2.1 CEO Forum 2011

CEO Forum is the annual key event in Business area. To encourage more young adults and non-JC members to join this event, for the first time we have held the event on Saturday instead of weekdays. A full house participation was recorded, with a wide range of media coverage, including monthly magazine CEO, and Capital Weekly. Mr Raymond Wong, Executive Director of 天馬電影出品有限公司, Ms Susanna Chiu, Vice President of Li & Fung Group, Mr Kent Wong, 周大福珠寶金行有限公司總經理, Ms Janae Chan, Executive Director of Beauty Tech Institute Ltd, and Mr Steve Huen, Chief Executive Officer of EGL, were invited to share with the participants.

Thanks are due to Ocean Junior Chamber and City Lady Junior Chamber for co-hosting the project with great success.

4.2.2 National Business Network Gathering

There were two National Business Network gatherings held in 2011, with the following co-hosted organizations: 2econd Generation Entrepreneur Association, 新界東北區工商業聯合會, and 香港菁英會（工商研究會）in the first gathering; and The Law Society of Hong Kong and Hong Kong Institute of Certified Public Accountants in the second gathering.

The success of Business Networking Happy Hour is not only that there are more than 160 members and friends joining it, but also that more than 50% participants are non-JCI Hong Kong members. This creates a good platform for our member on business and networking.

Please refer to report from National Executive Vice President Franco Ma, National Vice President Frances Cheung, and National Business Director Winston Lin for details, and I would like to record my appreciation for their devotion and contribution in this area.

4.3 Community Development

Since 2008, JCI Hong Kong has been organizing WE UNITE for a BETTER WORLD, to deepen understanding and arouse public interest in UNMDG (聯合國千年發展目標). The “WE UNITE for a BETTER WORLD” photo exhibition was launched in March at Jordan MTR Station. Thanks to Chairman Karen Yeung from North District Junior Chamber and the organizing committee members for devoting the effort on the photo exhibition.

We aim at promoting a better world, via eight development goals. We know that many companies, organizations and schools are doing a lot to achieve a peaceful world. To show our appreciation and benchmark their achievements, all companies who meet at least one UNMDG are entitled to the right to use the logos "Better World Company" and "Better World School", by submitting their application form. Thank you, Victor Lam from Ocean Junior Chamber and the organizing committee members for devoting the effort for the award presentation.

Thank you, National Community Development Team Senator Raymond Li, National Vice President Cynthia Wong and National Community Development Director Amos Cheung for their efforts and LOM Presidents for their support to the project.

Please refer to the report from National Executive Vice President Senator Raymond Li, National Vice President Cynthia Wong, National Community Development Director Amos Cheung, and National Community Concern Group Chairman Pokit Lok for details, and I appreciate their devotion and contribution in this area.

To promote the brand of JCI Hong Kong, National Corporation Communication Team launched the JCI Hong Kong Partners Reception, to introduce JCI Hong Kong flagship projects TOYP and UNMDG to our guest, and gave a chance to the guest to understand more about JCI Hong Kong and the chapters. Major partners including government officials, TOYP Chief Judge, Legislative Council Chairman, District Governors of Rotary and Lions Club, major media partners, and many other major partners joined the event.

4.4.2 Co-operate with Agency for Volunteer Service

An announcement on the commitment between JCI Hong Kong and Agency for Volunteer Service was made on the JCI Hong Kong Partners Reception, to encourage our 1,000+ members to volunteer for eight hours and enrol in the campaign, "Give a Day, Get a Disney Day". Members will be eligible to receive a complimentary admission ticket to Hong Kong Disneyland, which we will donate to children of Evangel's Children Home. Our goal is 150 tickets. By the end of July 2011, we redeemed 49 tickets. Please encourage more members to work on this meaningful program closely to help achieve the goal. Children in Evangel Children’s Home are longing for our support.

4.4.3 Change Maker Forum

Change Maker Forum has been developed since 2010 from previous recruitment seminars. The format in conveying JC values was modified in response to the feedback on the previous setting, and so the Change Maker Forum was “re-invented”. The event was held in Youth Square Theatre with a capacity of 450.

Thank you, Kowloon Junior Chamber for your devotion to the project. Chairman Justin Wong and fellow committee members demonstrated good teamwork. The project should continue in the future, with the recommendation of adding a post-event reunion or workshop to maintain the passion of participants from the forum

The issue of a large lump sum of over HKD1,000,000 of outstanding accounts receivable accumulated from the previous year is a critical situation. An ad hoc Committee, led by 2005 National President Senator Ellen Tsang, will call a meeting on this issue in the fourth quarter.

4.5.5 Fund-Raising for Nothing But Net and JCI Operation Hope

We are in a Jaycee Family. 6 CONCLUSIONS and ACKNOWLEDGEMENTS

The founder of The Johns Hopkins Hospital in the United States, the first Dean and Chief Executive Officer of Johns Hopkins Medicine, El Miller, defined his motto about success, “Living Today”. Press a button to wash out the past and press a button again to isolate from the future. The only way to success is to live today and do your best today.

Every individual body is a component of the whole. I am proud to be one of them in this strongest team, with National Board of Directors, Officers, Commission Chairmen, Project Chairmen, and project organizing committee members, in serving our organization and the community. Everyone in the team does their best today to make our dreams come true.

Thanks to Chamber Executive Senator Phyllis Chan, chamber staff members Ann and Michelle. This is a challenging year, due to the resignation of the National Honorary Treasurer. You do your best to maintain the smooth and normal operation in providing quality service to our members.

I should like to take this opportunity to extend my heartfelt thank to members in Senior Excom, National Immediate Past President Senator Gene Tang, National General Legal Counsel Senator Stanley Ng, National Executive Vice President Senator Raymond Li and Franco Ma for your leadership and supervision to assigned areas and committees in order to maintain the smooth operation. Your unlimited and unfailing support made me brave enough to run for the dream. Your valuable experience, your excellent leadership and your great commitment helped JCI Hong Kong have a good start to the next 60 years.

My appreciation goes to Senator Frederick Lam as our Honorary Legal Advisor, and Raymond Chin & Co., CPA as our Honorary Auditor.

Appreciation goes to National Presidential Advisor 2006 National President Senator James Tsui for his guidance and patience. None except you have had the experience of being National President. Thank you for your sustained support and encouragement to me to overcome the challenges one by one.

I am so fortunate to have invited 2000 National President Senator Spencer Li as Long-Range Planning Committee Chairman to lead the team, with 1997 National President Henry U, 2001 National President Senator Michelle Tang, 2002 National President Senator Tony Chan, 2003 National President Senator Alice Liu, Senator Joseph Ho from Ocean Junior Chamber, and Past NSMC Chairman Senator Kenneth Ho in Long-Range Planning Committee to give me deeper insight and more valuable ideas on the development of JCI Hong Kong to cope with the needs of the organization and for future development.

It is my pleasure again to have invited 1996 National President Senator Justin Lui as Hong Kong Junior Chamber Foundation to lead the team, with 1997 National President Senator Henry U, 1998 National President Senator Spencer Suen, and 1999 National President Senator Louise Chan for the allocation of subsidies to meaningful projects organized by national and nineteen affiliated chapters.

Further, I would like to extend my gratitude to JCI Honorary Advisor and 1979 National President Senator Sonny for everything, especially in JC development and personal life.

My gratitude also goes to the Panel of Advisors, 1976 National President Senator Paul Yin, SBS, JP, 1980 National President Senator Major Tang, 1982 National President Senator Andrew Wong, BBS, 1991 National President Senator Daniel Cham, MH, JP, 1993 National President Senator George Lung, MH, JP, 2001 National President Senator Michelle Tang, and 2004 National President Senator Frank Pak, JP. Your words have inspired me and it is my pleasure to have you in the panel, and thank you to your never failing support for our beloved organization.

The support from LOM Presidents is much appreciated. Your support created the great success of the projects. Members are the most valuable assets to JCI Hong Kong. With your acceptance and support, I was elected as National President 2011 to serve in our beloved organization. Your support, your encouragement, and your care, all made me believe that I am in the right place to keep on with my dream of serving youth and young adults in Hong Kong and all over the world.

My thanks go to my mother chapter, Ocean Junior Chamber, for having offered me a great leadership training platform since 1999, encouraging me to go up step by step, especially Charter President Sen. Wong and Past President Senator Joseph Ho for the fully support. Every time when I heard, “How do you feel?” I heard a strong voice replying, “Ocean Spirit, we can make it!” instantly. Wherever I go, whatever I do, your support never fails.

I am much honoured be elected as 2011 National President of JCI Hong Kong. It is an important milestone in my life. I truly treasure the experience gained in my presidential year: to the development of JCI Hong Kong, attracting more quality members to serve and significant growth in membership; to project more and more positive impact to our community and our world; to achieve the target as planned.

A year of presidential experience is the treasure of my life. Even though I shall be a Senior Member in the coming year, I shall keep contributing to JCI Hong Kong, as well as the community. I will keep on spreading the goodness of JC and encourage more young adults to become JC Members and active citizens.

INDEPENDENT HONORARY AUDITORS' REPORT
TO THE MEMBERS OF
HONG KONG JUNIOR CHAMBER FOUNDATION LIMITED
(Incorporated in Hong Kong with liability limited by guarantee)

DRAFT

We have audited the financial statements of Hong Kong Junior Chamber Foundation Limited (the Foundation) set out on pages 5 to 16, which comprise the statement of financial position as at 31st December, 2010, and the statement of comprehensive income, statement of changes in funds and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Directors' Responsibility for the Financial Statements

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit and to report our opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance and for no other purposes. We do not assume responsibility towards or accept liability to any other person for the contents of this report. We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Qualified Opinion

Included in the carrying value of the leasehold land and building, the cost of the leasehold land is accounted for as half of the total cost of the leasehold land and buildings held by the Foundation. This accounting treatment is not in compliance with Hong Kong Accounting Standard 17 'Leases' which requires the amount to be allocated between the land and the building elements in proportion to the relative fair values of the leasehold interests in the land element and buildings element of the lease at the inception of the lease.

Qualified Opinion

Except for the departure of the accounting standard as mentioned above, in our opinion the financial statements give a true and fair view of the state of the Foundation's affairs as at 31st December, 2010 and of its surplus and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS
(Expressed in Hong Kong Dollars)

1. GENERAL

The Hong Kong Junior Chamber Trust Fund ("The Trust Fund") was an unincorporated body within the framework of the Hong Kong Junior Chamber of Commerce Limited (now known as Junior Chamber International Hong Kong Limited)("JCIHK") vested with the responsibility of managing certain funds and applying the investment proceeds in support of activities of JCIHK and its affiliated Local Organization Members ("LOMs") in Hong Kong.

An incorporated body, Hong Kong Junior Chamber Foundation Limited ("The Foundation") was incorporated as a non-profit making organization in Hong Kong on 2nd February, 2004. The Foundation was set up to assume all the assets for the time being kept by the Trust Fund and assume the same role of the Trust Fund in managing the assets. By a Three-Party Deed signed on 23rd July, 2004 between JCIHK, The Trust Fund and The Foundation, net assets of the Trust Fund were taken up by the Foundation on the cut-off date of 16th November, 2004, the date on which the Foundation was confirmed to be recognized as a charitable institution or trust of a public character and to be exempt from taxes under Section 88 of the Inland Revenue Ordinance.

The registered office of the Foundation is located at 21st Floor, Seaview Commercial Building, 21-24 Connaught Road West, Hong Kong.

The Foundation manages a portfolio of assets for investment income. Out of the annual income, the Foundation would grant subsidies to worthwhile projects or undertakings organized by JCIHK and its LOMs.

2. PRINCIPAL ACCOUNTING POLICIES

(a) Statement of compliance

These financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards ("HKFRSs") which includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations issued by the Hong Kong Institute of Certified Public Accountants, accounting principles generally accepted in Hong Kong and the requirements of the Hong Kong Companies Ordinance with the exception for the accounting policy for leasehold land and building.

Included in the carrying value of the leasehold land and building, the cost of the leasehold land is accounted for as half of the total cost of the leasehold land and buildings held by the Foundation. This accounting treatment is not in compliance with Hong Kong Accounting Standard 17 'Leases' which requires the amount to be allocated between the land and the building elements in proportion to the relative fair values of the leasehold interests in the land element and buildings element of the lease at the inception of the lease.

DRAFT

(b) Basis of preparation of the financial statements

The measurement basis used in the preparation of the financial statements is historical cost, except for investments in available-for-sale securities, which are stated at fair value. The accounting policy on investments is summarized in note 2(e).

(c) Revenue recognition

License fee income is recognized on a time proportion basis over the period of the license agreement.

Dividend on investments is recognized when the shareholders' right to receive payment has been established and dividend is received.

(d) Depreciation

Depreciation is calculated to write off the cost of property, plant and equipment over their anticipated useful lives on a straight line basis as follows:-

Leasehold land held under long term lease	over the unexpired lease term
Buildings	2% per annum
Leasehold improvement	20% per annum

The residual value and the useful life of an asset are reviewed at least at each financial year-end. The Foundation assesses at each year end date whether there is any indication that any items of property, plant and equipment may be impaired and that an impairment loss recognized in prior periods for an item may have decreased. If any such indication exists, the Foundation estimates the recoverable amount of the item. An impairment loss, being the amount by which the carrying amount of an asset or a cash-generating unit exceeds its recoverable amount or a reversal of impairment loss is recognized immediately in surplus or deficit.

Gain or loss arising from the derecognition of an item of property, plant and equipment is included in surplus or deficit when the item is derecognized and is determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item.

(e) Available-for-sale securities

Investments in securities are classified as available-for-sale financial assets and are stated in the statement of financial position at fair value. Gain or loss on the fair value changes of available-for-sale financial assets is recognized directly in equity in the fair value reserves, except for impairment losses.

When the available-for-sale financial assets are derecognized, the cumulative gain or loss previously recognized directly in equity is recognized in surplus or deficit.

The issue of large lump sum with over HKD1,000,000 of outstanding account receivable accumulated from previous year is in critical situation. There is a need to follow up the outstanding receivable soonest. Ad Hoc Committee led by PNP Senator Ellen Tsang will call meeting on this issue in fourth quarter.

The topic reflects the vision that future young active citizens should carry. Moreover, the re-design in layout is targeted to project a professional image of JC members.

The publications cover both National and Local Chapters' news. It provides non-JC members a clear understanding that all JC activities and movements are in common goals. Change Maker Forum was developed since last year from the previous recruitment seminars. After considering the feedback in relation to the old format, format in conveying JC values was modified and therefore Change Maker Forum was "re-invented".

We appreciate the efforts given by Kowloon JC to organize the Changer Maker Forum. Over 450 youths gathered in the Y-Square, Wan Chai on 16 April 2011 to see how they can be the change maker and make the community better. That night, Guest

REPORT TO THE GENERAL ASSEMBLY OF THE 46th NATIONAL CONVENTION FROM NATIONAL VICE PRESIDENT LEO LAM

1 FORWARD

This is best time and worst time. After the challenging board of director election of 2011 JCI Hong Kong, we did not have so much time to prepare for “Lead the Next”. However, problem never stops JC spirit. Under the leadership of National President Senator Timmy Lee, I become the National Vice President of JCI Hong Kong in 2011 overseeing Mainland Affairs and as a National Assigned Executive Officer assigned to Lion Rock Junior Chamber, Yuen Long Junior Chamber and North District Junior Chamber. As a NAEO, it is my honour to be the bridge from my assigned local chapters and JCI Hong Kong to keep communication between them in order to enhance the bonding between local chapters and national office.

2 ASSIGNED LOMS

Lion Rock Junior Chamber

As a mature local chapter in Hong Kong, Lion Rock JC has established a solid f oundation for 40 years. 傑出義職人士選舉 co-hosted by Tung Wah Group Hs. for 13 years. The solid relationship with T.W.G. Hs made this project greater and greater. With the leadership of Chairman Alan, LRJC members have enjoyed to work in the OC team. We found our co-organizer Tung Wah Group Hs. was very satisfied with the result.

Staff Caring Day is another Flagship Project of LRJC. People in Hong Kong started to care about the staff caring since millennium. LRJC launched this project few years ago with good timing. From the good media coverage in the past few years, we can see this project has been successfully finished. Under the Chairman Wayne’s leadership, once again it showed the power of LRJC to the Hong Kong Society.

With the leadership of President May, Lion Rock JC has built a group of young leader in the 2011 board of director. We look forward to see the greater moment in LRJC 40th Anniversary at the end of 2011.

Yuen Long Junior Chamber

As a grown up in Yuen Long, I found Yuen Long JC is a warm family. With the strong commitment and dedication of President Kit Tang, no doubt that Yuen Long Junior Chamber has showed great team spirit within the chamber. No matter the fact that most members of Yuen Long Junior Chamber live and work in Yuen Long or nearby. But they have showed great support to NOM and other LOMs events. JCI Hong Kong always reminds Local Chapter to communicate with Local District Officer. Yuen Long is the model to show to other LOMs. In the inauguration and the flagship project HKSAR Outstanding Student Selection, Mr. Yeung Tak Keung, JP, Yuen Long District Officer attends their events.

Under the leadership of President Kit, Presidential Advisor Senator Wong Wai Suen and, and Chairman Harry Wong, 2011 HKSAR Outstanding Student Selection made a big pace in the Yuen Long JC history. The project has sponsored by NEWAY CEO. It is a great support not only in 2011. The future financial support will be steady. In JC World, financial support is not enough. There is more than 2/3 Yuen Long JC members supported this flagship project in the award ceremony. As a NAEO, It is very impressive and proud of Yuen Long JC.

International affair is also a great achievement of Yuen Long Junior Chamber this year. Their sister chamber in Taiwan is 基隆青年商會 , which is the first chamber in Taiwan JC. President Kit has lead 10 members and the awardees of Outstanding Student Selection to visit and exchange. Not only Taiwan, YLJC has visited the 60th Anniversary of their sister chapter KYOTO Junior Chamber in Japan. 9 YLJC Members has served as VIP in Japan.

Mainland Affairs Area is a must project to YLJC. In 2011, Guangzhou Exchange trip made a big difference. In August, more than 10 members met with 人大常委會 , Youth Federation, Youth Entrepreneur in Guangzhou. All YLJC members in the trip enjoy the exchange forum, luncheon, and touring in Guangzhou with the guidance of Guangzhou 人大常委會 .

YLJC has jointly hosted JCI World Public Speaking Championship - Hong Kong Selection 2011 with Dragon JC. Yuen Long has shown their brothers and sisters bonding in this project. No doubt the project has successfully finished. Thank you YLJC to support one of the greatest projects in 2011 JCI Hong Kong.

As a JC member in Yuen Long, you may find the family feeling as you host the event in Yuen Long or even walk along the street in Yuen Long. Even I have grown in Yuen Long for more than 20 years; I still found big difference after becoming the NAEO of YLJC. It is treasonable experience in my life. Thank you JCI Hong Kong and YLJC giving me this opportunity to experience.

North District Junior Chamber

North District JC is one of the JC Protocol Models in JCI Hong Kong.

The smooth and standard meeting procedure has shown in their project meeting and board meeting.

As we know, the Hong Kong Children Silver Tongue Contest has been developed for 20 years. From the great support from schools, parents, and sponsors, Silver tongue contest successfully finished at City University under the leadership of P Ricky and Chairman Kenny.

North District and Peninsula Junior Chamber co-organization the mainland project again in 2011. 環保企業交流團 is a creative project in JC. Under the guide line of Past President Senator William Pang, JC members visited the Zhu Hai youth federation, Zhu Hai Military Department. In the business area, JC members visited one of the largest printer ink-cartridge factory – PRINTRITE. And also invited their General Manager to attend the Environmental Protection Exchange Forum at Zhu Hai.

In the seminar, guest speakers come from Environmental Car Manufacturer, Renewable Energy, and Material Recycling. Not only the members from NDJC and PJC, JC members from other local chapters, we all enjoyed and learnt a lot the most updated environmental knowledge in business affairs area.

In 2011, President Ricky enforced the relationship with North District. At the beginning of 2011, P Ricky led the board members to visit the North District Council Chairman Mr SO Sai-chi, BBS, MH and Mr. Donald CHEN, JP, North District Officer. After that, NDJC also visited a North District youth organization "Teenet". Using the local network of Teenet, great project management skill of NDJC, North District Council, and North District Junior Association , a new project "悦"讀生活在北區 was born. The purpose of this project is exchanging the second hand books in Avon Park Shopping Mall, Fanling, North District. Also, many guest speakers come to share the reading experience such as 何故, Secretary of Hong Kong Novelist Association , movie director 高志森 and many guests who shared great experience of reading in North District.

Also, flagship project 環保友道, President Ricky and chairlady Laura led their great team once again finished the awards ceremony in Hong Kong Computer Festival at HKCEC. Not only the awards ceremony, NDJC has well prepared for this project since the beginning of 2011. The dynamic and lively members of HJC make it the best place to develop friendship and build each other's character in positive ways.

The International Children Drawing Competition (ICDC) has 32 years of history. President Stella and her team has used the history of ICDC well and brought it to a new height by adding a service and survey component to achieve better integration into our communities, which echo the ICDC theme of integration of minorities（童畫關愛展共融）. The project is also a significant component of the District Festival of the Yau Tsim Mong district. Before real work commenced, DJC also selected and equipped the interns with communication and marketing workshops. DJC also organized a war game for team work training for the interns as well. These are all excellent initiatives to gradually train interns to get a taste of the real life. This year, the famous artist William Chan from the Emperor Group was the ambassador of the project and showed face on the closing of the project on Sept 3, this was a real encouragement to the teenage interns.

For the International Affairs area, DJC has signed on a new sister chapter JCI San Juan in the Philippines. JCI San Juan has over 100 members with 47 years of history and should be a good partner for DJC to develop an international aspect to their projects.

Another big thanks should go to DJC for their help in co-hosting the Annual Public Speaking Competition for JCIHK. This is a good training opportunity for individual members where they can stretch beyond themselves.

3 OTHER ASSIGNMENT

I am glad to act as National Assigned Executive Officer to City Junior Chamber.
President and Chapter Admin

Under the leadership of President Anthony, the result of CJC is very satisfactory. As of August 2011, they have achieved more than 80% of the Efficiency Index in both chapter administration and NOM project administration. RSS was introduced and

members who downloaded this software can get updated CJC news at all times.

This year marked the 30th anniversary of CJC. On 26 June 2011, 30th anniversary banquet was held at BP International House where more than 400 guests attended the event. By using send as 'the pen", the sand drawing performer told us the story of CJC for the last 30 years.

Membership

Under the leadership of President Anthony Leung, CJC achieved a stable growth of membership. Membership orientation program was held every month to attract new members. There are a lot of new faces joining CJC this year. A mentor-mentee program was organized whereby each new member was assigned one senior member as mentor to guide them in their JC life.

CJC also co-operated with 香港中文大學專業進修學院 to select 10 students as their associate member and assisted in their projects so that young and potential students can learn more about JC.

Projects

" 水 源 救 兵 " echoed UNMDG theme and taught young students the importance of reservation of water resources. The students visited 河源 in August 2011 to learn more about water resources.

Building on the foundation of the prominent youth development project, " 兒童飛龍大使計劃 " echoed the theme to foster young leaders. 獨立、關愛、自主 is the theme of this year. 6 ambassadors were selected to represent Hong Kong Kong to join with over 100 children in Fuluoka Japan for the Asia-Pacific Children Conference.

Another prominent project was "Innovative Entrepreneur Series". This year, famous creative actor 詹瑞文 was invited as the ambassador of the project to promote to the general public of this project. This project not only selected a group of innovative and young entrepreneurs but also promoted JC movement to all aspects of the society.

International Affairs

CJC signed a sisterhood pact with JCI Petaling Jaya on 20 August 2011 in Hong Kong in front of more than 100 audience. The sisterhood pact ceremony was a wonderful event and members are excited with this new sister chapter.

4 CONCLUSIONS & ACKNOWLEDGEMENT

2011 is a memorable and wonderful year for me. Being the first time to serve as NAEO and a national board member, I feel that the way of handling issues and matters are quite different when compared with LOM. It is more from a macro point of view. It is a good learning experience to me.

My heartfelt thanks should go to Chamber Executive Phyllis Chan and Chamber staff Ann for assisting me during the performance of my duties. They have been offering great help to me always. Also, I have to thank National General Legal Counsel Senator Stanley Ng for his tolerance and guidance, especially during my super busy times. Thanks to National President Senator Timmy Lee for inviting me to join his board and "keep walking" with him in 2011. Also thanks to City Junior Chamber President Anthony. It is a wonderful experience to be NAEO of CJC and I feel much honored to be with these gentlemen.

Moreover, I would like to thank my mother chapter Lion Rock Junior Chamber and President May for their continuous support.

Last but not least, a million thanks to my life time soul mate and my beloved husband Alfred Fung for his never ending support and love. He always stands by me and comforts me. It is time for me to take up another role in our family.

I would like to extend my best wishes to the incoming National Board for a successful year of 2012.

2.2 Best Business Plan

Aligned to the new JCI Mission, Vision and the 2011 Plan of Action, JCI has been working out a new cooperation with the International Chamber of Commerce (ICC) regarding Best Business Plan. In this sense, JCI is currently working with ICC about the details on how BBP will be implemented at local level between JCI Local Organizations and Local Chambers of Commerce. In fact, JCIHK have not launched this program in this year as we focused more resources in other business related projects.

2.3 Creative Young Entrepreneur Award

The JCI Creative Young Entrepreneur Award (JCI CYEA) which was launched in 2005 was designed specifically to recognize outstanding young entrepreneurs. This award is administered by JCI in partnership with Flanders District of Creativity (FDC). JCI (Junior Chamber International) is the world's largest network of young leaders and entrepreneurs. As young leaders and entrepreneurs, we endeavor to find ways to recognize and support outstanding examples in these areas. We are looking for creative young entrepreneurs that have started a new business using creativity in product development, service development, and in their approach to the market. Or, they have taken an existing business and incorporated creativity to solve a problem, or change a process, to create positive change in their business operations. Your communities are full of young entrepreneurs who have used their imagination in solving problems and approaching the market. Your efforts in promoting this contest will assist in learning about, and honoring these young entrepreneurs in your community. Men and women between the ages of 18 and 40 may participate in this program. Participants must be under 40 years of age on the date the recognition ceremony is held. A nominee must be an owner/manager who is primarily responsible for the recent, or start-up performance of a privately held business. This year we have nominated two past awardees from different LOM's business awards competition (one from CJC and one from AJC) under creative entrepreneur or Innovative Entrepreneur to join the JCI Creative Young Entrepreneur Award (JCI CYEA).

3 CONCLUSIONS & ACKNOWLEDGEMENT

I would like to express my heartfelt thanks to National President Senator Timmy Lee for giving me an opportunity to take up the challenges of this position. My heartfelt gratitude must also go to my teammates National Executive Vice President Senator Franco Ma and National Vice President Frances Cheung. Both of them have always provided me with valuable advices and tremendous assistance. Without them, I could not have overcome all the difficulties and challenges. Taking this opportunity, I would like to express my most sincere thanks to our hosting Chapter CJC. Without the helps from the project chairman and organization committees, the CEO Forum project could not be so successful. 2011 is a challenging year to me. Apart from my responsibilities as National Business Director, I have encountered changes in different aspects of life. Taking this opportunity, I would like to thank my beloved teammates, the 2011 National board of Director, for giving me great assistance and support. It is a great experience for me to get involved and to realize my strengths and weaknesses that helped with my personal growth.

Finally, I would like to extend my best wishes to the incoming National Board for a successful year of 2012.

It has been my greatest honour to have had the opportunity to serve Kowloon Junior Chamber as the 2011 President. Following the legacy built by our past presidents, I have been fortunate enough to gain the full support of my fellow Board members and other members of KJC right from the start.

At the beginning of the year, we set ambitious goals in different areas including membership growth, community projects, public relations and fellowship gatherings as well as training for officers and members, and at this point in time, I am proud to point out that many of these goals have been achieved. During the period, we encountered difficulties and challenges in our projects and activities, and yet, with the concerted efforts of our members and the valuable assistance from our senior members, we were able to tide over the unfavourable situations and continued to head towards a successful conclusion of the activity.

On behalf of Kowloon Junior Chamber, I would like to thank National President Senator Timmy Lee, National Assigned Executive Office NVP Licca Chan and all National Officers for the support throughout the year. Thanks should also be due to fellow 2011 LOM Presidents for their kind support and encouragement.

I would like to take the opportunity to express my heartfelt gratitude to Presidential Advisors Senator Andrew Wong, Senator Edmond Pang, Senator Yury Lam and Senator Paul Wu for their unfailing assistance and advice at all times. They were always ready to guide us and give us the necessary assistance whenever we requested. Special thanks should also be given to our legal Advisor Ms Amy Kong and Hon. It is my honor to serve my beloved Chapter, Island Junior Chamber, as the President in 2011. Being the President this year is not an easy task as it is the 45th Anniversary of IJC and we have so many outstanding Presidents in the past. However, I am very lucky to have the full support from all Islanders throughout the year. I personally believe that “Brotherhood” is the key element of the success of IJC. Without the support from the brothers, I am sure that we will not have so much fun this year.

On behalf of Island Junior Chamber, I would like to thank National President Senator Timmy LEE, National Assigned Executive Officer NVP Janice YAO and all National Officers for the support throughout the year. I would also like to thank the 2011 LOM Presidents for their kind support and encouragement.

MOK, Keith PON and Senator Clarence CHEUNG, Area Advisors Senator Michael TANG and Senator Fookman CHAN, Senior Members Club Chairman, Senator Titian CHUNG and Trust Fund Committee Chairman, Don Lee for their support and advice. Special thanks should also be given to our Honorable Legal Advisor, Mr. Derry CHAN, Honorable Auditor, Miss Ellen Tsang and Honorable Accountant, Mr. Paul Wong.

20　總結及鳴謝

「凝聚青商領袖，促進和諧共融」是本年度的口號，本年度推行的各個工作計劃，均圍繞這口號的理念，在長，中，青會員同心協助，一同創造青年領袖之平台而努力，在和而不同之態度下一同締造和諧共融之大家庭。在一年會長生涯中， 本人以座右銘「待人誠懇， 律己嚴正」待人處事， 與會員以真誠接觸， 會友們與我分享過的故事我仍然記在心間， 啟發了工作及生活， 時常令我會心微笑。

［人生如戲，戲如人生］，可以總括本年去籌劃工作計劃， 搜集資料， 個案分析， 以致實行過程中的感覺， 當中甜酸苦辣實在非旁觀者所能體會到一個有著 42 年歷史的培訓青領袖的組織 ，每一個大大小小的工作計劃有如一齣齣令人回味的好戲一樣， 無論劇本撰寫， 角色安排以至取景都是經過精心策劃下進行。 << 半島 2011 年 >> 這部戲是否能夠得到大家的認同及支持確有賴半島上下一心！

自去年周年大會當選會長一職後，一直獲得會員的支持和鼓勵， 各位前會長及參議員之循循善誘下一步步向著選舉時定下之承諾邁進。 此外各董事局成員均各司其職，使會務得以順利進行。本人藉此機會多謝會長顧問黃志榮參議員、俞美華參議員、歐陽美雲參議員，會務顧問古麗芳參議員、楊少琼參議員、許秋成參議員，資深青商會主席莊銘錦、發展基金委員會主席唐慶華參議員及長遠計劃委員會主席鄭展榮參議員及前任會長陳玉桂，時常在我身邊作出指導， 使我在個人處事及會務上的技巧及態度上有著正面的進步。 當中的兩句「機會永遠是留給有準備的人」及「做完一件事容易， 但做好一件事是困難」， 最令我體會到做半島會長的確是任重道遠的一個崗位。

本年度各組別的工作計劃得以順利推行，實有賴各組別顧問著意提點，他們分別為領袖才能組顧問阮淑勤參議員、財務處顧問袁滿忠參議員、社會發展組顧問俞美華參議員、青年事務組顧問陳展霞參議員及楊少琼參議員、公關推廣顧問唐慶華參議員、商業及經濟事務組顧問古麗芳參議員、國際事務組顧問鄭展榮參議員、出版事務組顧問許秋成參議員、聯誼組顧問施德利、秘書處顧問趙少雄參議員、會員擴展組顧問陳玉桂、紀錄及獎勵組顧問陳國偉、祖國事務組顧問張智恆，本人在此深表謝意。總會方面，感謝總會會長李騰駿參議員及總會指派執行委員黃穎文的積極參與及悉心指導，更讓我可以從你們的行為及領導才華方面學習。

本年度的工作計劃得以成功及會務可以順利推行，各董事局成員和籌委會成員的努力及付出是非常重要的，本人謹向各位致衷心的謝意。在此，本人再次多謝會長助理張智恆及趙卓敏為本人辛勤工作及各組別主委一年來的努力，還有曾擔任過小組主席及各籌委會成員的會員。

7 CONCLUSIONS & ACKNOWLEDGEMENT

President is the leader of the Chapter, but relying on the President's ability alone is not enough to get the Chapter to a success. Members' dedicated contributions, unfailing support and happiness are the keys to the Chapter's success and its ultimate long term growth. My Board of Directors and I share the same view and indeed I am very lucky to have such a great team walking beside me working very hard towards our common goals. I am very proud to say that all our projects have been successful and enjoyable, and have been well received by the public. I am very proud to be a Jayceette, and very proud to announce that all Jayceettes members together have taken the Chapter to a new height.

Taking this opportunity, I would like to express my gratitude to National President Senator Timmy Lee for his generous support to the Chapter. Special thanks are extended to National Assigned Executive Officer National Vice President Jackson Leung and all National officers for their support and assistance throughout the year. Thanks to all Chapter Presidents for their support, encouragement and friendship.

I would like to convey my appreciation to Hon Patron Ms. Elsie Oi-sie Leung, GBM, JP, Honorary Legal Advisor Mr. Moses Cheng, GBS, OBE, JP and Honorary Auditor Fan, Chan & Co. for their unfailing guidance and support. My gratitude also goes to our Chapter Patron Vision 2008 Ltd, all sponsors and donors who have provided financial support. With their generous donation, the Chapter's financial burden has been lessened.

I would also like to express my heartiest thanks to Honorary Life President Senator Jennifer Yu; Presidential Advisors Past President Senator Alice Liu and Past President Anny Kwan; Immediate Past President Kathy Woo, all Past Presidents, Area and Project Advisors of HKJTT. They have given me great support and encouragement throughout my presidential year. Without their valuable advice, it would not be as smooth as it has been.

My utmost thanks also goes to my dedicated Board of Directors and Officers, all project chairmen and organizing committee members for their commitment, creativity and their hearts to strive for excellence in bringing the Chapter to new heights. We have all been working as ONE Team and your contributions have definitely moved the Chapter to new heights.

Last but not the least; I would like to express my deepest appreciation to all Jayceettes for their wonderful support, not just in 2011 but throughout the past years. The close bonds between members have built a very strong foundation in which the Chapter and the future Board of Directors can grow further upon.

My sincere wishes go to the incoming National President, National Officers, Chapter Presidents and their Board of Directors. All the best and let's work together for a fruitful and fabulous year in 2012.

15 總結及鳴謝

本人自1999年正式宣誓加入獅子山青年商會，於本會擔任過各個不同的崗位，包括幹事、董事、執行董事職位，多年來一直積極參與各項青商活動，透過不斷參與各項工作計劃和擔任得到一個又一個訓練自己， 服務社會的機會。 最難能可貴是於青年商會認識了一班有共同目標的好朋友。

在過去的青商生涯中，沒有想過要當會長，因為知道要成為一位會長，必須要付出時間，付出努力，亦要對會作出一個承擔，但因為自己的工作實在非常忙碌，時間上未必能夠配合，所以在去年五月中，前任會長張靜美邀請我競選會長時，我的內心不斷爭扎。最後在多位前會長的鼓勵下，最終決定競選 2011 會長一職。

當上會長後，發現工作非常繁重，有時亦有想放棄的時候，但有幸身邊每一位的董事局成員付出的努力，在過去九個月與我並肩作戰，使本會各個範疇的旗艦活動及工作計劃，得似順利舉行，實在非常感謝大家。而最令我感到欣慰的是看着每一位的董事局成員、會員、準會員透過參與不同的工作計劃，得到成長及進步，就算再辛苦，也是值得的。

另外，本人想藉此機會感謝一班前會長、參議員及顧問一直對我的指導，包括會務顧問 1976 年會長陳大澤參議員及 1998 年會長曾鳳珠參議員、會長顧問 2000 年會長陳焯基參議員、2006 年會長謝淑文、2009 年會長葉景强參議員、長遠發展委員會主席陳潔萍參議員、參議員委員會主席曹國俊參議員、基金管理委員會主席何錦華參議員、資深青商會主席祈志榮、培訓及發展委員會林明星、國際及祖國事務委員會主席呂星文參議員、行政事務顧問 1997 年會長孫美英參議員、領導才能發展顧問招齊潔參議員、社會發展顧問鄺潔環參議員、邱華強、會員事務顧問陳珮楨、公共關係顧問林裕添參議員、國際事務顧問 2007 年會長李耀輝、2004 年會長梁美儀、2008 年會長廖佩儀，多謝你們陪我走過這條精彩難忘的會長路。

本人亦十分感謝總會會長李驥駿參議員及總會指派執行委員林志剛對本人的鼓勵、包容及對本會各個大小工作計劃的支持。

最後，祝願在明年會長的帶領下，獅子山青年商會將會踏入新的里程，昂然邁向 41 周年。

7 總結及鳴謝
今年海港青年商會會員充滿活力、幹勁和創意 ； 董事局成員亦能發揮領導才能、感染力和承擔能力。

我們致力推動會員積極參與，本年度會員委任數目超過 20 人，連同董事局成員，直接參與會務管理的會員多達 40 人。其次，由去年底開始啟動會員擴展計劃；年初，舉辦職員訓練班，加強會員溝通，再配合多次聯誼及招攬會員活動，會員積極帶同朋友出席，年初至今已招收超過 25 位準會員，當中有 12 位已成功成為普通會員，令繁重的會務注入新力量。

再者，本會的旗艦工作計劃—國際兒童繪畫比賽以及青年領袖選舉，由會友擔任主席，以準會員為主的籌委會，籌委會團結一致、氣氛融洽，會員無一不被感染。另外，創新的商業事務工作計劃「社會責任投資問卷調查發佈會及研討會」讓普羅大眾認識被受關注的非一般投資理念。由年初直至八月中，我們多達 5 次到海外探訪姊妹會，合共多達 42 人次。能夠與所有現有的姊妹會緊密交往實在是難能可貴，每次的訪會，他們均以悉心的接待，體現了青商國際關係的文化。再加上有 10 位的會員一同出席菲律賓亞太大會，踴躍參予的盛況可見一斑。回顧過去的八個多月，無論在個人發展，社會發展，商業發展和國際發展的工作計劃以及海外探訪活動已逐一完成。這些工作計劃不但讓籌委成員學習到工作計劃管理技巧，溝通技巧，時間管理等等，而且讓他們盡顯領導能力，從實踐中學習「服務社會、訓練自己」的青商精神。

時間飛快，我們已接近完成九成的工作計劃，餘下的四個月，讓我們期待 11 月 26 日本會的 35 周年餐舞會，期待大家的來臨與我們共渡一個開心難忘的盛會。

最後，特別感謝總會會長李騰駿參議員的領導及支持，總會指派執行委員姚敏樂的溫情鼓勵、支持與指導以及總會董事局成員的協助。另外，非常感謝會長顧問鄧慧思參議、楊婉儀參議員、陳思競的對本人的信任，支持、鼓勵和指導。感謝顧問團成員、委員會主席及委員、專員、董事局成員及幹事，他們團結一致，上下一心，堅守崗位，努力不懈地完成所有會務。

多謝大家給予我的鼓勵、支持、指導和包容！

7.2 年初與民政事務處專員於喜尚喜酒家，舉行午餐會議，席間大家交流了很多地區事務及給予本會意見。

7.3 各成員努力下得到全場總季軍。 五月一日為青商運動會，在副會長郭勇華組織下，本會共有十四位會友出席是次活動。成積不俗，但在各會友努力下仍有不錯的成積，感謝一眾會友所付出。恭祝我們元朗青年商會在 5 月 1 日運動會獲得佳績， 是次活動出席參與者有，本人鄧欣杰， 副會長郭勇华， 董事鄭宗昇， 準會員梁詩亭， 準會員 Calvin， 準會員 Alex, 準會員羅君杰，準會員 Allan。各成員也得佳績。 啦啦隊成員有上屆會長梁志豪，義務秘書黃文康， 義務司庫馮志榮， 董事鐘南順， 董事余聖娜，董事譚憲禹， 董事李誌偉。一行 15 人代表元朗青年商會場面浩浩蕩蕩。

7.6 經副會長黃佩琳青商努力下，已向地政署申請了掛街橫幅，包括元朗及中區，對本會及會員招募有很大幫助。

8 社會發展及資訊

8.1 申請新網址 www.yljc.org.hk 取代原有網址， 新網址以元朗青年商會擁有， 非私人擁有， 且為各董事局成員開設電郵方便聯繫， facebook 也有定時更新。

8.2 本會旗艦活動“香港特別行政區傑出學生選舉”在籌委會努力下，已成功選出十大傑出學生，是次活動首次由 NEWAY 冠名贊助。收到近兩百份申請表，經評判嚴格選出，並在七月九日之頒獎典禮公佈。

8.3 邀請 HOT CHA 為宣傳大使。主要贊助商 NEWAY，為傑生選舉提供主要贊助 HKD 150,000。 並在四月二十六日發出報名表於全港中學。

8.4 香港特別行政區傑出學生選舉 (2011) 由黃文康主席帶領下活動完成， 由最初的設計活動主題至到剛完成的典禮， 本人相信籌委會主席確實感觸良多， 及有賴一眾籌委會成員的努力下， 能接上本年度口号， 團結一心， 將本會之最長久之工作計劃之典禮順利完成。典禮當日流程， 物資，司儀， 註冊等等... 各部門都安排有素， 整日之典禮如此順暢確實難得。感謝前會長黃偉旋參議員及前會長童三德參議員之大力指導。

8.5 傑出學主交流日期名為七月十六日至十七日為期四日三夜，於台灣基隆，而當地市長，議長也有接見及會見討論環保方面等議題。

8.6 傳訊方面已完成會員手，亦已安排印刷。亦可將手 給予準會員，本手 使準會員更了解本會運作 ，建議董事預留一本在手使方便明白工作計劃的議事程序發。在 6 月 25 日本人安排義務秘書黃文康青商及董事盧潔瑩青商予元朗各地派發朗聲， 目的其派發朗聲只是抱著嘗試的心， 既無任何成本， 反正朗聲尚有一堆。 其試一下的心態， 在派發朗聲期間如 情況可許多說兩句， 觀察反應。决不要， 要求立即入會， 否則只會留下壞印象。 只是讓回家後有空才閱讀朗聲， 如他有興趣的話， 他們就主動聯絡。派發活動期間既能顯示著社區上尚有一伙元朗的青年團體， 主動向社區青年人接觸， 相信對本會有一定性的幫助。

9 總結及鳴謝

本人榮幸擔任元朗青年商會會長一職，責任重大，不久後即將與下任會長安排來年會務，會長的光榮時刻比想像中過得快。

元朗青商是一家， 上下一心， 只要有需要幫忙時刻， 總有會員出席協助實另本人感動。 除董事局成員外， 還有很多的青商前會長， 資深會員及前輩指導及給予意見， 對本年度會務得以順利。在此，特別多謝總會指派執行委員總會副會長林志剛， 及特別鳴謝會長顧問黃偉旋參議員給予大量寶貴知識， 可謂出心出力， 在處理和實踐於會務時事半功倍。並由上屆會長梁志豪青商協助下本年度會務得以承接著往年，另本會會務順利推行發揮青商精神。會長一職對本人來説是人生一項巨大的挑戰，一同分享喜悅，衷心感謝並讚揚董事局成員的出色的表現。

5　總結及鳴謝

本人從二零零四年入會的一刻，其實沒有想到自己會有一天成為會長，在這裡其實要多謝好多在這幾年青商生活中無私的、無間斷的及無怨言的前會長在當中的支持及教導。二零一一年對太平山及本人來說是一個豐收年份，有人曾經說過可以見到一些天文現象是十分難得，因為要配合天時，地利及人和。本人在今年百分百體會到個中原因，不但要管理好會務更要配合總會周年大會。所以一個好的團隊及一個好的總會周年大會總監是十分之重要。

十分榮幸的今年總會周年大會總監亦是本人之會長顧問梁珮澄參議員，在私在青商中從她身上我學了很多。在此相信大家一定在享受一個很好及回味的總會周年大會。

另一個榮幸的是我有一班很好的董事局成員，從工作計劃的推行及總會活動參與度以至行政方面都表 現出一種高度承擔及高度團結的精神。從會員人數的增長及總會新人皇獎項已經可以見到今年本會在會員人數方面的決心，從總會的效能指數反映了本會不論行政方面及總會活動參與度都一直在百分之九十以上。

最後我想在此多謝所有太平山兄弟姐妹 ，您們
讓我擁有自豪的人生
建設一個領袖成長的平台
突破固有，給予我無盡的新視野

實現無限可能 ，我係太平山人 ！

第四十六屆周年大會
紫荊青年商會
會長報告

（一） 引言

今年是紫荊青年商會創會第三十二周年，承傳三十一位歷屆會長所奠下的穩健基礎，為本會培育了不少具抱負和熱忱的會員和領袖。過往憑著會員們群策群力，對本會盡心貢獻，才發展成今天規模完備的組織。

「同心同行　燃亮他人」為今年會務方向。凝聚本會會友，紫荊姊妹齊心合力，共同為今年的目標努力，鼓勵會員秉承青商精神，服務社會。

延續去年「愛知識　齊分享」旗艦工作計劃，今年加入演講分享組，讓學生發揮潛能，將好書分享變得更具創意及趣味，同時響應「聯合國千禧發展目標」，推動普及教育，透過『「給內地農村學童的一封信」徵文比賽』，鼓勵內地農村學童尋找閱讀的樂趣。本計劃亦為「夢飛翔文化關懷慈善基金」籌募善款，把幸福分享至國內貧窮的山區學童，幫助內地農村學校建立圖書室，讓學童有機會閱讀更多書籍。

為使「知識分享」更全面推廣至社區，本會與 HK SHARING 聯合主辦《讀 ・ 多一點》計劃。舉行「漂書行動」，透過不同途徑鼓勵市民閱讀，令書本廣泛流傳，為環保出一分力，達致資源共享，與他人交流閱讀心得。

此外，本會今年更舉辦大三八婦女節關愛社區活動「心繫社區婦女日」及業事務工作計劃「香港企業社會責任論壇 2011」，鼓勵會員透過不同工作計劃以正面的能量感染別人，實踐燃亮他人的精神，服務社會。

From 19 July, the selected young people will be working in sponsoring companies that offered apprenticeship, for a maximum of 4 weeks. REPORT TO THE GENERAL ASSEMBLY OF THE 46th NATIONAL CONVENTION FROM THE PRESIDENT OF EAST KOWLOON JUNIOR CHAMBER

1. FOREWORD

The slogan of East Kowloon Junior Chamber (EKJC) for this year is “We Bond Because of You”. A chapter is made up of members. The bonding and relationship among members are the focus. We aim at uniting members and excelling their potentials. With a belief that EKJC members are like diamond, EKJC serves as an agent to polish our members to shine by providing the opportunities for them to develop their strengths.

Manpower of the Board is a great challenge in this year. Engaging members fully involved in and being enthusiastic about JC movement is a problem as always. To address this, I would like to share the words from the Vice President of the People’s Republic of China, Xi Jinping, “There are always more solutions than problems, as long as we keep up the spirit”. Note

It is my great pleasure to present the following report to the General Assembly as being the President of East Kowloon Junior Chamber.

7. CONCLUSION & ACKNOWLEDGEMENT

It is my honor to serve my beloved chapter as the President of this year. I have never thought for a second for being the President since I joined EKJC six years ago, until the moment has come. I am grateful for having the opportunity to take this most important position before reaching the JC age limit. Being in the hot seat, I thought I have prepared myself for the challenges ahead. However, the presidential life and the situation are tougher than imagination. Please accept my imperfection and limitation. I do believe together we can achieve anything. I will contribute my utmost effort in leading the Board and motivating the members to write an episode in the remaining time of the year.

I would like to deliver my heartfelt thanks to: my Presidential Advisor Past President Senator Lau Wing Hong for his advice and support; Long Range Planning Committee Chairman Past President Danny Li for his guidance and recommendation on chapter affairs; Honorary Life Member Senator O.K. Yung for her continuing passion to JC, National Assigned Executive Officer Licca Chan for her sharing and cheering; National President Senator Timmy Lee for his encouragement; Immediate Past President Amos Cheung for his standing by my side and last but not least, the Board members.

Finally, may I extend my best wishes to the 2012 Board of Directors.

Karlene Chan
President
East Kowloon Junior Chamber

7 總結及鳴謝

「每個人都可以為自己、為他人帶來正面改變」，這是今年執行董事局的共同理念。

青年商會是提供年青人創造正面改變的地方，加入青商，我們必須檢視自己有甚麼可以改變的地方，更進一步，有甚麼可以影響別人改變的地方；只要我們提供機會予會員互相影響從而創造正面改變，才可以發揮我們最強大的力量。

本人在此感謝總會指派執行委員總會副會長林志剛、兩位會長顧問 2006 年會長何國禮參議員及 2008 年會長關德仁參議員，三位給予本人極大的支持及寶貴的意見；亦感謝各董事局成員、前會長及總會各職員對本會的支持。

浩洋青年商會
會長報告

（一） 引言

今年浩洋青年商會以「敢想，就有浩洋力量　Believe in Ocean Synergy」為口號，期望會友們能敢於想像，勇於嘗試，為浩洋及自己多作新嘗試，發揮浩洋力量 – 以創造力，凝聚力及執行力，達至服務社會，訓練自己的青商宗旨。

除期望會友發揮浩洋力量外，本年亦以 B.M.W 為浩洋的執行方針：

B = Business Network – 由於浩洋有越來越多做生意或想做生意的會友，本年提供一些商務網絡聯繫的機會予各會友，讓會友們可互相交流商務的資訊及擴闊網絡

M = Members Coherence – 由於浩洋的會員人數持續上升，計劃來年的不同活動或工作計劃中，無論在籌備或參與的時間，多邀請不同年資的會友參與其中，令各會友可互相加深認識，溶合一齊。

W = Wider Exposure – 來年浩洋的各項工作計劃都會多與外界團體合作，以善用外界資源，加大成效，以及給予浩洋增加知名度及各會友擴闊網絡的機會。

期望各會友享受在這浩洋 B.M.W 上一同享受自由駕駛的樂趣。

7 總結及鳴謝
九年前的今日，本人仍是準會員的時候，參與浩洋的第一個工作計劃就是當年的周年大會的一位籌委。當年只抱著參與一下無妨及擴大人際網絡，加入了浩洋青年商會。
在這九年間，於自己、工作及浩洋內有搏盡的時間，有無悔的時刻，但亦有失意時，往往就有一股無形的浩洋力量，推動自己向前，面對及解決面前的挑戰，使自己不斷進步。這種浩洋力量，往往令人敢於想像，勇於嘗試，搏盡及無悔地把自己面對的挑戰或工作計劃完成
今年有幸成為浩洋青年商會第二十四任的會長，選擇以「敢想，就有浩洋力量！」為口號，希望每一位浩洋的會友都能感受及發揮這種敢於想像，勇於嘗試的浩洋力量，並把此力量發揮於自己的生活、家庭、工作、浩洋及社會中，使自己及社會都不斷進步。事實上，每一位投入浩洋的會友都在不同的範疇中發揮出浩洋力量！

好多前人都說過做會長是非常艱辛及忙得不可開交的一年，但今的的浩洋會長生活是非常充實，非常享受的一年，但仍兼顧到自己的工作，應驗了會長顧問前會長何紹忠參議員於一月份月會時送給本人的一句話”Life is easy”。會長顧問前會長陳蒨儀參議員於年中董事局時致詞時說本人今年做會長十分幸福，我真的十分同意，我的幸福在於各前會長，各董事局隊友及會友的支持，協助推動浩洋全力向前，敢想敢做，發揮自己所長，回饋社會及自己的家庭。另一位會長顧問前總會會長胡健民亦啟發我要善用時間，積極回饋社會。當然非常感謝經常提醒本人做事要即知即行的創會會長黃漢清參議員及對浩洋及本人十分厚愛，熱心公益的榮譽會長天行集團主席杜玉鳳小姐。

在此，本人非常感謝總會會長李騰駿參議員、總會指派執行委員陳曼華、各總會職員、分會會長、日本吹田市青年會議所的會長堀田誇理事長及會友、中山市青年聯合會主席丁凱先生及會友、各贊助商、各支持機構、各前會長、各範疇顧問、資深青商會主席高達斌、基金會及長遠發展委員會，因為他們不單給我寶貴的意見，也身體力行支持浩洋所有的活動，一起分享浩洋的「敢想」時刻。

本人會長任期雖即將屆滿，祝願以候任會長趙曉彤先生帶領下，每一位的會友繼續享受及積極參與在青商在浩洋的生活，並為進入第２５年的浩洋而驕傲地對外宣告：「我繫浩洋」！

REPORT TO THE GENERAL ASSEMBLY OF THE 46th NATIONAL CONVENTION FROM THE PRESIDENT OF SHA TIN JUNIOR CHAMBER

1 FOREWORD
“Love Sha Tin, Feel Sha Tin” encapsulates the essence of our Chapter’s spirit at two l evels: Sha Tin Junior Chamber, as in Love Sha Tin – spreading our love and care amongst members and welcoming outsiders with open arms; Sha Tin District, as in Feel Sha Tin – connecting with the District by interacting with prominent figures and serving the community.

Our flagship environmental project, Love of the Earth 2011: Sha Tin Ten Green Scenic Spots Election, has raised the public’s awareness of environmental issues by flagging environmental elements in scenic spots around us which may not be apparent to all. The project allowed us to outreach to local community groups and stirred residents to care more for their immediate environment. The Love and Feel aspect of SJC has been fully demonstrated by this project.

i. Love of the Earth 2011 – Sha Tin Ten Green Scenic Spots Election

The objective of the project is to deepen understanding of environmental elements in scenic spots in Sha Tin and arouse public's interest in formulating ways to improve and preserve these scenic spots.

Election	> Results Announcement	> Exchange Forum	> Post-event
25/4-31/5	26/6	9/7	13/8

We then invited applicants with the best recommendations to attend an exchange forum together with environmentalists, government officials, district councillors, leaders of NGOs, corporates and representatives of Sha Tin residents to come up with practical recommendations on how to improve the selected green scenic spots. Post-event activity was a visit to the scenic spot with the highest vote: Green Home (綠庭園) with students nominated by the Sha Tin Junior Police Call (沙田區少年警訊) and Boys' and Girls' Clubs Association (小童群益會).

7 CONCLUSIONS & ACKNOWLEDGEMENT

JC is a platform for all of us to learn. Through working on projects, sitting at board meetings, co-ordinating with fellow members and communicating generally, I transformed from a follower to a leader. This change did not happen by itself. The interaction with fellow members through cooperating and disagreeing hastened my learning experience. And I am not alone. I witnessed the changes happening in my fellow teammates. Serving as President of Sha Tin Junior Chamber was like a stirring rod agitating the maturing of the constituents in which we were all each other's catalyst for change. It had been a rewarding experience for us all as we strived to Be Better™.

Love Sha Tin, Feel Sha Tin is an all-encompassing slogan. We not only loved our fellow members but our love extended to the community and the disadvantaged by feeling their needs and taking action.

President Advisor Past President Senator Jojo has taken many of the Chapter's affairs

to heart by giving timely and effective advice to board members and me. Immediate Past President Lena's experience contributed to the shaping of a new-born leader.

Past Presidents' support and guidance were welcome and valued by members. I would like to thank all Past Presidents and area advisors: Honorary Life President Senator Peter Lo, Past President Herman Lee, Past President Senator KY Leung, Past President Senator Iris Ip, Past President Ocean Wong, Past President Senator Betty Lau, Past President Senator Norm Lau, Past President Grace Kwok, Past President Senator Sammy Leung, Past President Senator Migi To, Past President Jessie Chan, Past President Novel Ho, Past President Perry Chow, Past President Alec Yeung and Senior Member Alex Lam for their invaluable advice.

（六）總結及鳴謝
有一位前輩智者， 在我要接棒成為晉峰青年商會會長之職時， 送給我一棵水晶樹， 樹上掛了 5 顆金水晶， 上面都有一句的金句；
第一顆：你有能力完成許多很棒的事，只要你願意讓你自己接受教導與期待，並且願意讓更多人從你所擁有的才能獲得幫助。

第二顆：歲月會在你的身上留下尖銳的考驗，困難會磨鍊你的韌度，這是老天讓你成為強者的必經路程。
第三顆：你一定會犯錯！但上帝會給你改過與修正錯誤的機會。
第四顆：你生命中所擁有最重要的部份，是在你的心裡面而不是外面。
第五顆：凡走過必然留下痕跡，不論你的處境如何，總要盡力留下你美好的刻痕，處處幫助別人的足跡。
造物主創造我們來到世上，都有一個獨特而美好的目的。每天記住這些要點，你的生命就能成為照亮別人的動力。

在此多謝在 2011 年期間每一位前會長、董事局成員、組別主委、小組主席及各委員、資深會友及各會友對本會會務支持。更加衷心感謝總會會長李騰駿參議員的領導，總會指派執行委員張靜美協助，各總會職員及各分會會長，你們積極參與、鼓勵、支持，讓晉峰青年商會有今天的成績； 每一句的讚美、每一次的掌聲， 都成為照亮我們的動力。

會長報告

（一） 引言

「新・思・維」為城市女青年商會 2011 年的口號，作為一個踏入第四年會齡的分會，我們一眾會員希望踏出一大步，由從前的一個大型工作計劃增加至四個分別發展商務、社會服務、領導才能、及與外界建立公共關係的大型活動：第一屆全港時尚專業女性選舉、小手愛地球－地球高峰會、活出融和－吃皮工作坊、健力士游泳慈善日。
「新」，城市女青今年要將創意融入活動、會刊＜幗萃＞、官方網站及所有會務元素當中。

REPORT TO THE GENERAL ASSEMBLY OF THE 46th NATIONAL CONVENTION FROM 2011-2013 LONG RANGE PLANNING COMMITTEE CHAIRMAN SENATOR SPENCER LI

1 Foreword

On behalf of the 2011-2013 Long Range Planning Committee ("LRPC"), I am pleased to present the following report to the General Assembly of the 46th National Convention of the Junior Chamber International Hong Kong (JCIHK).

2 Appointment and Reports

The 2011-2013 LRPC consists of the following members: -
Chairman: Senator Spencer Li - 2000 National President (NP)
Members:
Senator Henry U - 1997 National President
Senator Michelle Tang - 2001 National President
Senator Tony Chan– 2002 National President
Senator Alice Liu – 2003 National President
Senator Joseph Ho - 1995 President of Ocean Junior Chamber
Senator Kenneth Ho - 2009 NOM SMC Chairman
Ex-officio: Senator Timmy Lee - 2011 National President (Ex-officio in 2011)

Three committee meetings were held in 2011, during which the LRPC reviewed the current situation of our organization and discussed the vision of NOM and in which directions NOM affairs are recommended to be managed. Our Ex-officio member, NP Timmy updated the committee about the latest development of LOMs, NOM and 2012 ASPAC.

This report summarizes the views and recommendations of the LRPC in relation to the development of JCIHK for the consideration of the General Assembly.

Recommendations in 2011

Public Image of JCIHK

As recommended by LRPC in 2010, considerable efforts have to be put in enhancing the external image of JCIHK. In year 2011, NOM projects like Change Maker, CEO Forum, and so on have successfully improved the public image of JCIHK. A large number of PMs were recruited through these channels. It is recommended that NOM and Hong Kong Junior Chamber Foundation should sponsor LOMs to organize large-scale public relations (PR) projects.

It is recommended NOM should allocate some budget to organize large scale and consistent marketing campaign to promote the image of JCIHK. JCIHK should build a long-term relationship with partners like MTR, printed media and RTHK, etc.

Training and Development

Strategically, JCIHK training mission should align with that of Junior Chamber International (JCI). JCI Training provides the tools for our members to advance the JCI Mission. Training helps people become instruments of positive change and impact their communities through projects. Therefore the primary objective of JC training should serve the purpose of JC movement.

JCI Trainers must reconnect with the true purpose of JCI: to provide development opportunities that empower young people to create positive change. All activities of JCI, including training, must support this Mission. Thus, the success of a JCI trainer is not measured by the level of satisfaction of attendees, but by the impact and concrete positive change created by those members when they apply the new skills acquired from the training. Therefore JCI trainer path should NOT be differentiated from the member's path. NOM should set an entrance requirement for JCI certified program in term of JC experience especially program like JCI Presenter and JCI Trainer. JCI Official Courses exist for the development of JC, rather than only for personal development. The ideal JCI Trainer uses their skills to give back to other members through teaching them how to fulfill the JCI Mission more effectively, thereby expanding JCI's global impact. Therefore JCI Trainer is not recommended to involve only in training but not other JC activities. On the other hand LOM presidents should treat trainer development as important as member development, because trainers will become an essential catalyst for membership.

To up-grade the training skills for the JCI training, it is advised that NOM should co-operate with other NOMs in trainer exchange program. Professional training skill is also needed to enhance the competence of JCIHK Trainers. Although external training hour is not counted, more training opportunity is valuable for our trainer. Besides it could serve to build the brand for JCIHK.

Internationalism

Year 2012 is the great year for JCIHK since 2012 ASPAC will be held in Hong Kong. It is the golden opportunity for NOM to promote our organization via different ways like media and e-Marketing, etc. JCIHK can promote JC Spirit to the public and also act as a bridge between HKSAR, China and Mainland China by inviting Chinese government officials and NGOs as guests to join the 2012 ASPAC.

One of highlights of internationalism is the long history of LOM sisterhood pact relationship. JCIHK should advocate LOMs to invite more sister chapters to come to Hong Kong. All delegates will be happy to explore Hong Kong's city culture, ways of living and hospitality. Study tours may be arranged for delegates to visit Shenzhen for a better understand of China.

LOMs are encouraged to organize more sister chapter projects to foster internationalism.

Relationship with Local Districts

Despite LOMs are reminded to spend efforts in building relationship with local districts, the result is not so significant. NOM and LOMs should put more emphasis on local community affairs to build relationship at district level.

There would be many elections in Hong Kong in 2011 and 2012. LOMs are advised to organize more public events in the local districts to arouse public's attention on community issues. By means of organizing meaningful projects, LOMs can continue to build a better relationship with local districts.

District Offices always welcome NGOs to participate and organize meaningful projects at local districts and funding should be available upon application. LOMs should play a strategic role to collaborate with local districts in some key events and projects.

Sustainability of Junior Chamber International Hong Kong

Everything evolves with time and changing circumstances. For a mature leadership organization like JCIHK, we need to review from time to time whether the mode of operation is to meet the needs of our members.

We have to balance the need to conserve our culture, to make the best use of various resources in terms of network and branding established over the years, to ensure cost effectiveness and to provide attractive and value added programs to all sectors of membership.

This requires the continuous input from all stakeholders and LRPC would engage them to give ideas and take action together to make JCIHK an evergreen entity.

Strategic Alliance

JCIHK can maximize its impact by forming long-term strategic alliance with other entities on four areas of opportunities. This year, alliance for training opportunity is formed with Tung Wah College. In long-run, RTHK can be one of our strategic partners because some JC members participated in 窮富翁大作戰 program.

United Nations Millennium Development Goals Flagship Project

Since year 2012 is an international year for JCIHK, it is highly recommended that JCIHK should organize United Nations Millennium Development Goals (UNMDG) flagship project. It is a very useful platform for LOMs to customize their projects to align with UNMDG and enhance the publicity impact.

NOM is recommended to continue organizing UNMDG project and also focus on co-operating with United Nations Development Programme. In the near future, PR team should prepare a good project proposal to attract more collaborating partners,

sponsorship and government funds to echo with HKSAR theme "Asia's World City".

Senior Members

Since the membership of NOM Senior Members Club (SMC) is growing in a substantial magnitude, NOM SMC is encouraged to assist LOMs to establish their own SMCs. NOM and LOMs' SMCs social gathering is highly recommended.

3 Conclusion and Acknowledgement

Taking this opportunity, I would like to express my sincerest thanks to all LRPC members for their valuable time and efforts. The above recommendations are drafted in the long-term interest of our beloved organization. We look forward to the early implementation of these recommendations in the hope that they would benefit our members and our organization in the long run.

Independent auditor's report
To the members of Junior Chamber International Hong Kong Limited
(Incorporated in Hong Kong and limited by guarantee)

We have audited the financial statements of Junior Chamber International Hong Kong Limited set out on pages 5 to 16, which comprise the statement of financial position as at December 31, 2010, the income and expenditure account and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Directors' responsibility for the financial statements

The directors are responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent auditors' report
To the members of Junior Chamber International Hong Kong Limited
(incorporated in Hong Kong with limited liability)

Basis for qualified opinion

Included in the carrying value of the leasehold land and building, the cost of the leasehold land is accounted for as half of the total cost of the leasehold land and building held by the Chamber. This accounting treatment is not in compliance with Hong Kong Accounting Standard 17 'Lease' which requires the amount to be allocated between the land and the building elements in proportion to the relative fair values of the leasehold interests in the land element and buildings element of the lease at the inception of the lease.

Qualified opinion arising from disagreement about accounting treatment

In our opinion, expect for the matter described in the basis for qualified opinion paragraph, the financial statement give a true and fair view of the state of the Chamber's affairs as at December 31, 2010 and of its surplus and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

ACCOUNTING POLICIES AND EXPLANATORY NOTES
TO THE FINANCIAL STATEMENTS

Reporting entity

Junior Chamber International Hong Kong is a company incorporated in Hong Kong and limited by guarantee. The company's registered office is located at 21/F., Seaview Commercial Building, 21-24 Connaught Road West, Hong Kong. The principal activities of the Chamber are the organization of activities for young people to develop leadership skills and the promotion of social responsibility and community spirit.

1. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The financial statements have been prepared in accordance with generally accepted accounting principles in Hong Kong and with accounting standards issued by the Hong Kong Institute of Certified Public Accountants.

The measurement base adopted is the historical cost convention.

The following are the specific accounting policies that are necessary for a proper understanding of the financial statements:

(a) Income

Income is recognised when it is probable that the economic benefits will flow to the company and when the income can be measured reliably, on the following bases:

i) membership fee income is recognized on time proportion basis. 25 % of initiation fees from prospective membership received during the year are recognized as income on the date of receipt, the remaining 75% are transferred directly to the Chamber Office Equipment and Renovation Reserve Fund; and
ii) Donations and subsidies received are recognized on the date of receipt.

(b) Accounts receivable

Account receivables are stated at estimated realizable value after each debt has been considered individually. Where the payment of a debt becomes doubtful a provision is made and charged to the income and expenditure account.

(c) Accounts payable

Account payable are initially measured at fair value and, after initial recognition, at amortised cost, except for short-term payables with no stated interest rate and the effect of discounting being immaterial, that are measured at their original invoice amount.

(d) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and any impairment losses. The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after items of plant and equipment have been put into operation, such as repairs and maintenance, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of an item of property, plant and equipment, and where the cost of the item can be measured reliably, the expenditure is capitalised as an additional cost of that asset or as a replacement.

Depreciation is calculated on the straight-line basis to write off the cost of each item of plant and equipment to its residual value over its estimated useful life. The principal annual rates used for this purpose are as follows:

Land	over the lease term
Building	2%
Furniture, fixtures, equipment & leasehold improvements	refer to note 4 (a)

Where parts of an item of plant and equipment have different useful lives, the cost of that item is allocated on a reasonable basis among the parts and each part is depreciated separately.

Residual values, useful lives and the depreciation method are reviewed, and adjusted if appropriate, at each year ended date.

An item of plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on disposal or retirement recognised in the income and expenditure account in the year the asset is derecognised is the difference between the net sales proceeds and the carrying amount of the relevant asset.

(e) Impairment of assets

An assessment is made at each year ended date to determine whether there is any indication of impairment or reversal of previous impairment, including items of plant and equipment. In the event that an asset's carrying amount exceeds its recoverable amount, the carrying amount is reduced to recoverable amount and an impairment loss is recognised in the income and expenditure account. A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the recoverable amount, however not to an amount higher than the carrying amount that would have been determined (net of amortisation or depreciation), had no impairment losses been recognised for the asset in prior years.

(f) Cash and cash equivalents

For the purpose of the statement of cash flows, cash and cash equivalents comprise cash on hand and demand deposits, and short-term highly liquid investments that are readily convertible into known amounts of cash, are subject to an insignificant risk of changes in value, and have a short maturity of generally within three months when acquired, less bank overdrafts which are repayable on demand and form an integral part of the company's cash management.

For the purpose of the statement of financial position, cash and bank balances comprise cash on hand and at banks, including term deposits, which are not restricted as to use.

(g) JC supplies on hand

JC supplies on hand are valued at the lower of cost and net realizable value. Cost being cost of purchases on a first-in first-out basis. Net realizable value is determined by reference to the sales proceeds of items sold in the ordinary course in business after the year ended date, and in other cases, to management estimates based on the prevailing market condition and net replacement cost.

(h) Operating lease

An operating lease is a contract between a lessor and the Chamber for the hire of a specific asset of which substantially all of the risks and rewards of ownership remain with the lessor. The lessor retains legal title to the asset but conveys the right to the use of the asset to the Chamber for an agreed period of time in return for the payments of specified rentals.

2. TAXATION

No provision for Hong Kong profits tax has been made in these financial statements as the Executive Committees are of the opinion that the Chamber is eligible for exemption from profits tax under Section 88 of the Hong Kong Inland Revenue Ordinance.

3. STATUS OF ASSOCIATION

The Chamber is a non-profit making incorporated Association which is limited by guarantee and not having a share capital. In the event of this Chamber being wound up, any person being a member or within one year after she ceases to be a member, should be required to contribute to the deficit of the Chamber for a sum not exceeding ten dollars.

The property was acquired by Hong Kong Junior Chamber Limited (now known as Junior Chamber International Hong Kong Limited ("JCIHK") and the Hong Kong Junior Chamber Foundation Limited ("HKJCF") as tenants in common in equal shares.
