# Message from Guest of Honor

Junior Chambers everywhere change guard every year. It is good practice to put to the test the leadership training of ever more young persons by election to key positions of responsibility at the local, national and international levels of the Jaycee Movement.

The Hong Kong Junior Chamber has always been well served by its members for nearly half a century of existence. So it was in 1997 too and so will it be in 1998 for sure.

There is thus our confidence that the new teams, both national and local, will advance the record of success and progress through hard work and competent leadership. Let them prove us right and even exceed our expectations.

**Sen. A. de O. Sales, J.P.**

# Message from National President Hong Kong Junior Chamber

I am pleased to address you as the National President of Hong Kong Junior Chamber.

Installation is a happy and memorable occasion. It is a time for us to pledge our commitment to serve our organization. It is also a time to demonstrate our determination to strive for the betterment of our community.

The 1998 National team has adopted the election slogan : Think Global, Act Local. It is our wish to further capitalise on our strength in internationalism. Last year, through the project of International Business Summit, we have successfully tested our strength to have gained the support from over 150 national organizations. Internationalism is our unique strength amongst other youth organizations in Hong Kong. In 1998, we shall further strengthen our international networking and maintain our competitive advantage.

Secondly, in 1998 we shall see the formation of the Associate Members Club. It is important that the valuable experience of our seniors could be passed on to our members and future leaders. The Club will be the means to preserve our seniors so that they can further contribute to the growth of our organization.

Members are our most valuable assets. They will be the pool of our future leaders. This year, we shall focus our resources in the area of membership development, both in terms of quantity and quality. We shall seek to expand our recruitment network, minimize the drop-out ratio and provide quality training to improve the leadership skills of our members.

To strengthen our corporate image and to expand our network of external contacts, we shall launch the Jaycee Week in April. NOM and LOMs will organize a series of projects during this week to increase the impact. In addition, we shall launch the JCI endorsed program, Right Decisions Program, as our theme project. This will reinforce our image in the community.

1998 will be a dynamic year. Together we have made a perfect plan. Let us start now to work together to make this plan into reality. May I once again solicit your full support to make 1998 a rewarding year for Hong Kong Junior Chamber and all Chapters.

**Sen. Spencer Suen**

# Message from World President Junior Chamber International

It gives me great pleasure to send greetings to all my friends in attendance at the 1998 Inaugural Ball of Hong Kong Junior Chamber.

As my term is about to begin, it is only fitting to introduce my 1998 Presidential Theme : "Bringing Worlds Together". During my mandate, one of my key endeavors will be to promote a better global understanding throughout our membership. By learning about each other's way of thinking, beliefs, history, cultural heritage and motivations, it is my hope that we can become more accepting of each other. And together, prepare ourselves for the new millennium.

There is a wonderful richness in being different, and the more we learn to appreciate this important fact, the more we can begin to understand each other. The most common reason for misunderstandings is the lack of awareness of the thinking and values we each possess.

Let us make a difference by starting with ourselves, and then gradually reaching out to fellow Junior Chamber members we come into contact with. Beginning small can do wonders-never underestimate the strength of a small group that is committed and enthusiastic, because together a lot can be achieved.

Let's make the world a better place by "Bringing Worlds Together" for a brighter tomorrow!

**Sen. Petri Niskanen**

# Message from Vice President - Area B Junior Chamber International

I wish to greet the new set of officers of the Hong Kong Junior Chamber in the occasion of their 1998 Inaugural Ball. Being a consistent multi-awarded NOM not only in Area B but all over the world, you truly bring pride to Area B and to JCI in all your projects and programs.

As you witness the handover of the mantle of leadership, let it be an opportunity to face new challenges for your NOM. With the able leadership of Senator Spencer Suen, who was my contemporary in the 9th JCI Academy, I am sure that 1998 will be another great year for the Hong Kong Junior Chamber.

Having been assigned to your NOM brings more excitement to my task as JCI Vice President. I am sure that we will be able to continue undertaking the goals and the objectives of our organization.

More power to the Hong Kong Junior Chamber!

**Sen. Marcelo N. Fernan Jr.**

# Message from Senate Chairman National Immediate Past President Hong Kong Junior Chamber

It takes me great pleasure to address you as Senate Chairman. Tonight, members who have contributed significantly will be awarded the senatorship. For the upcoming months, I shall work toward the grooming of more senators, the enhancement of links among them; and encourage their contributions to the NOM.

May I take this opportunity to congratulate all the incoming officers for vowing into challenging and yet rewarding role. I have every confidence that all of our fine officers would lead us into another successful year.

**Sen. Henry U**

# Message from Chairman Long Range Planning Committee 1996-98 Hong Kong Junior Chamber

It is my pleasure to congratulate the 1998 National Board of Directors and all the officials of the 18 Chapters on this occasion.

The inauguration marks the commitment of them to Jaycees and the organization surely needs leaders like them to tackle all challenges in the future. The coming months will be full of fun, joy, bitter and tear and in return they will get friendship, experience, training and opportunities, which are invaluable and will be treasured by them forever.

I would also like to take this opportunity to send my greetings to all the members with my best wishes and a fruitful 1998.

**Sen. Daniel Cham**

# History of Hong Kong Junior Chamber

The Jaycees Movement reached Hong Kong in November 1949 with the arrival of a Philippines Jaycee John Ng who was the Special Liaison Officer of the Junior Chamber International 5th Congress charged with the mission of converting Hong Kong to Jayceeism. Through the introduction of his cousin, Alex Ng, a Jaycee Senator still, John Ng was presented to Rev. E. Bourke, former Director of Wah Yan Collage, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, a sponsor group of Hong Kong Junior Chamber of Commerce was formed and Paul Lim was elected as Convener of the Organizing Committee. Mr. Austin Coates from Hong Kong Government, the Assistant Colonial Secretary of Hong Kong, was assigned to serve as Adviser of the Organizing Committee.

The tempo of laying the foundation of the Chamber was further accelerated when Mr. Ramon V. Del Rosario, the JCI Vice President for Asia, offered to recommend prompt recognition for the Hong Kong's Jaycee membership status. He also invited the Organizing Committee to send observers to Manila. The account of their vivid experience gave Hong Kong observers a deeper insight into Jaycee movement. A week later the Provisional Constitution which had been in the making during the previous three months was adopted. On April 6, 1950, the Inaugural General Meeting of the Hong Kong Junior Chamber of Commerce was held and the first Board of Directors was elected. On May 6, 1950, the Hong Kong Junior Chamber of Commerce was inaugurated by Mr. Roberto Vilanueva, the JCI Vice President for Asia.

1950 - 1st JCI Regional Conference for Asia was held in Hong Kong. The Governor of Hong Kong officiated the Opening Ceremony.

1952 - Senator J.S. Lee was elected as Vice President of Junior Chamber International for Asia.

1954 - 4th JCI Regional Conference for Asia was held in Hong Kong.

1956 - Senator A de O. Sales was elected as JCI World President.

1957 - Senator Francis J. Chen was elected as JCI Vice President for Commissions.

1962 - The 17th World Congress of Junior Chamber International was hosted by Hong Kong Jaycees. (The surplus of the Congress was put into investment under the management of the Board of Trustees).

1965 - Kowloon Junior Chamber of Commerce was founded and was inaugurated by JCI President John Rundle.

- There were two Junior Chamber of Commerce (Chapters) in Hong Kong.
- Hong Kong Junior Chamber of Commerce organized the "Miss Hong Kong - 1965" contest, as a major effort to raise fund for the year's projects. Miss Joy Drake was selected.

1966 - JCI Regional Conference was again held in Hong Kong.
