Throughout the world in more than 84 countries, the National Organizations and Local Organizations of the Junior Chamber International are to hold Inauguration Dinners and Officers Installation Ceremonies this year to mark the commencement of the Jaycee activities for the year under the leadership of their new presidents.

The members of the Hong Kong Junior Chamber are doing the same, as what their fellow Jaycees are doing in the other parts of the world. I have seen Jaycees and Jayceettes of all local chapters working enthusiastically at their spare time to make this function a great success. I must commend the leadership of the Chairman of the Organizing Committee, Mr. Albert S. B. Li — the National Vice President for Operations.

I wish to thank our guest of honour, the Hon. D. C. C. Luddington. J.P., who has kindly accepted our invitation to speak at this Inauguration Dinner. I am also most grateful to the Hon. A. de O. Sales, our Past World President of Junior Chamber International, for his encouragement and valuable guidance. His contribution to the world-wide Jaycee movement, and especially to Hong Kong Jaycees are very well known to our members.

Junior Chamber is the largest young people organization in the world. Its chief aim is leadership training and self-development of individual member through participation in community development projects. Undeniably, I personally have gained tremendous all-round experience in working on various projects during the past many years as a Jaycee member. I will see to it that the National Board of Directors of 1972 will extend in our Extension Program the same opportunity to the young people between the age from 21 to 40 years in Hong Kong, who desire leadership training and self-development.

A BRIEF HISTORY OF THE HONG KONG JUNIOR CHAMBER

Initialy inspired by the Philippine Junior Chamber of Commerce, and assisted and encouraged in its birth by the Rev. E. Bourke, S.J., Sir Arthur Morse, K.B.E., and the Hong Kong Government, the Hong Kong Junior Chamber was officially inaugurated on the 6th of May, 1950.

Since its inception the Chamber has made steady progress and in 1952 it was incorporated under the Hong Kong Companies' Ordinance. Internationally, its prestige and influence has been wholly out of proportion to its size. In 1953 a Hong Kong Junior Chamber Past President, J. S. Lee, served as J.C.I. Vice President for Asia. In 1954 a Jaycee Asian Conference was held at the Peninsula Hotel in Hong Kong attracting more than 270 overseas delegates.

H.E. Sir Alexander Grantham opened the Conference with those words: "I know from my own experience of the Jaycees and of what they are doing in Hong Kong ..... that Jaycees are practical idealist who do really useful work". In 1955 distinguished Hong Kong Jaycee A. do O. Sales was elected J.C.I. Vice President for Asia and the following year Hong Kong had a distinct honour in the election of A. de O. Sales to the top position in the world-wide Junior Chamber movement, President of J.C.I. In 1957 another outstanding Hong Kong Jaycee, Francis J. Chen, was elected as a J.C.I. Vice President and, at the Asian Conference held in Taipei this year, was voted "Outstanding Jaycee of Asia". Hong Kong had the honour to host the 1962 World Congress at the City Hall. In 1966 Hong Kong again won the bid to host the J.C.I. Multination Conference with Hilton Hotel as the conference site.

Hong Kong again, will have the honour to host the J.C.I. Conference between April 6th and 10th, this year.

Hong Kong has to-date 6 Local Chapters Viz.

(1) The Victoria Junior Chamber

(2) The Kowloon Junior Chamber

(3) The Island Junior Chamber

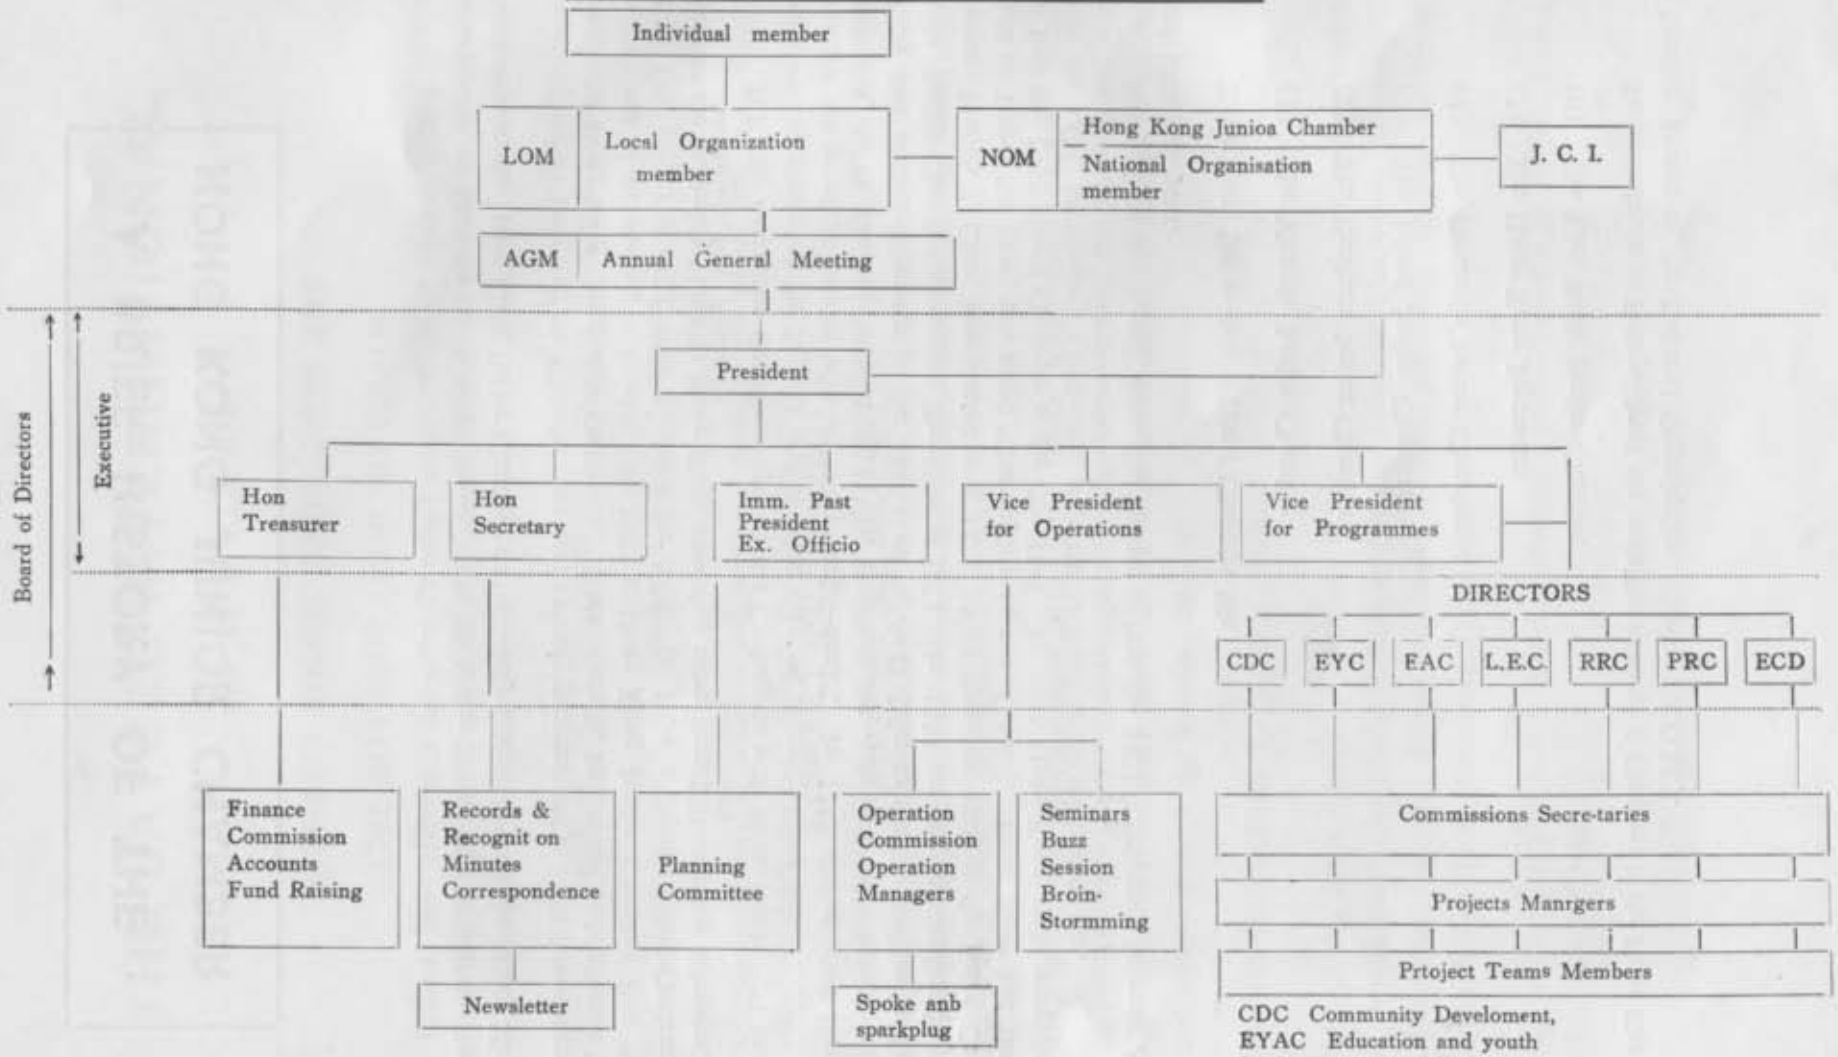

(4) The Peninsula Junior Chamber

(5) The Hong Kong Jayceettes

(6) The Lion Rock Junior Chamber

To co-ordinate at Policy—level the activities of these 6 Chapters is the Hong Kong Junior Chamber, known as the National Organization Member (N.O.M.).

致意

The Jaycee Creed

We believe:

That faith in God gives meaning
and purpose to human life;
That the brotherhood of man
transcends the sovereignty of nations;
That economic justice can best be won
by free men through free enterprise;
That government should be
of laws rather than of men;
That earth's great treasure
lies in human personality;
And that service to humanity
is the best work of life.
