Guest of Honour

It is a great pleasure for me to have been invited to attend the inauguration ceremony for the office bearers of the Hong Kong Junior Chamber of Commerce for 1987.

The Jaycees have had dedicated and imaginative office bearers now for many years. As a result they do much valued work for the community. I am confident that those who are being inaugurated for 1987 will continue this good work.

I would like to thank the outgoing officers for 1986 for all they have done and to welcome their successors.

President
Jaycees International

It is a great opportunity to greet the officers and members of the Hong Kong Jaycees on the special occasion of your 1987 inauguration Ceremony.

During the past years, I have come to meet many Jaycees from your country and I have made long lasting friendships. Your 1987 National President, Ms. Nora Cheng, is a remarkable young lady. I believe that she has the ability and skills to lead the Jaycees of Hong Kong to continued success in 1987. However, she will need the support of every Jaycee.

As we begin 1987, let us look upon the days and months to come with excitement and positive mental attitudes. Let us use each minute and each opportunity to make ourselves, our country, and our world better.

May you all achieve all that you plan and work for in 1987.

Yours in Jaycees Brotherhood,

Phil Berry

Executive Vice President
Jaycees International

It is with the greatest pleasure that I send this message of Greetings to all members of the Hong Kong Jaycees on the occasion of your Inauguration.

The Inauguration Ceremony has been, and will always be, the most significant moment for our organization. It marks the start of another new page of our individual and collective developments. At this occasion, we witness our new leaders as they make selfless commitment towards bringing our organization to new heights and new frontiers in the development of our members, our youths and our community.

On behalf of Jaycees International, I send our sincere congratulations to President Nora and her Board of Directors on this auspicious occasion, and wish you continued success in your endeavours in 1987.

Vice President
Jaycees International

On this auspicious occasion of the Inaugration Ceremony of the 1987 National President and her Board Officers of the Hong Kong Junior Chamber, I feel highly honoured and previleged to pen a few lines for this special event.

As the 1987 assigned JCI Vice President to your NOM, I am prepared not only to serve your members, but also, to share your members' valuable experiences. The Hong Kong Jaycees is one of most well organised NOMs. Your recent achievement in the Awards winning in the Nagoya World Congress has certainly become a focus for other national organisations to look on. Your annual public relations project, such as: The Ten Outstanding Young Person for Hong Kong, is vastly publicised that most parts of South East Asia have learnt about the event. Your achievement and contribution to this organisation has reach a high plain when you established the Macau Chapter; and ultimately, it will become another new national organisational member for JCI.

The Jaycees is an excellent forum for young people to pursue our ultimate goal - World Peace. Our commitment to leadership training, fortified by our firm adherence to the tenets of our Creed, is a solid and unshakable testimonial to our capability to travel towards the direction of our goal. The success of an election will create a new line-up of responsible young men; and those who failed need not give up; as it's not how many times you fall down, but, it's how many times you stand up that count!

May I congratulate the Hong Kong Junior Chamber and wish you all the very best in your future undertakings.

Hon. Life President
Hong Kong Jaycees

There is renewed vigour and dedication each year when a new administration takes over in the Hong Kong Junior Chamber of Commerce.

This is a traditional process. It enables more young men and women of proven ability to take the helm after many years of good and sustained work through the ranks of their own local organizations.

They pledge to devote themselves to a busy year of community and international service. They combine with a thousand or more young persons here and several hundreds of thousands abroad to work for universal peace and progress.

I wish the new President and the Board of Directors a year of abundant success and satisfaction and I commend the outgoing administration for their many achievements.

National President
Hong Kong Jaycees

Thoughout the past years, the Hong Kong Jaycees have made significant contribution towards the attainment of the objects of which the Hong Kong Junior Chamber of Commerce is formed. This we owe it to capable and dynamic leadership of all the past Presidents and their Board of Directors, without the dedication and sacrifices of our predessors, we would not have been able to reach this far.

1987 would mean a year of growth and harmony. However, it will by no means be an easy year for us, as we are confronted with political and financial uncertainties coupled with many other social problems surrounding our community. It is in these hard times that we need more leaders with talents and devotion to social and economic commitments.

We are proud to be the Officers who are going to lead this organisation in its 37th year. The National Board together with the cooperation of all LOMs will try out best to enlarge and consolidate our membership, establishing a healthy competition among chapters, fostering an intimate relationship between LOMs and NOMs, and most important, unison with the concerns and aspiratin of the Community at large.

In the year ahead, we will be working actively towards enlisting more new members and providing more dynamic leadership to meet the urgent needs of our Society.

We are confident that by the year end, we may look back in pride and claimed that we have achieved another successfull year in attaining and fulfilling the objectives of our organisation.

Let us join hands to take another giant step forward in this 37th year of the Hong Kong Junior Chamber of Commerce.

Hong Kong Jaycees

As a witness to the inauguration of the 1987 NOM & LOM officers, I recall the pleasure of having served as the National Pesident of the Hong Kong Jaycees last year. Together with my officers, we had achieved some of the impossibles. However, there is still a great deal to be done, e.g. many young people in our community are still deprived of opportunities to enjoy the benefits of Jaycee membership.

The new Jaycee administration will certainly bring new hopes to our organization as they add new resources to strengthen our status, inject innovative ideas to formulate new projects catering to varied community needs, and set inspiring example for their peers to follow as they take up new challenge. We have great confidence in President Nora and her Board of Directors for achieving a lot more than their predecessors.

The Hong Kong Jaycee Senate will continue to render its support to the 1987 administration to guarantee a bright future for our organization.

Hong Kong Jaycees History

The Jaycee Movement reached Hong Kong in 1949 when a Philippine Jaycee John Ng who was the Special Liasin Officer of the JCI 5th Congress and was charged with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr. John Ng's explanation of the aim an purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of the Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as Convenor of the organizing committee Mr. Austin Coates from Hong Kong Government, then as Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

Dragon Jaycees President **Kelton Wong**

The Inaugural Ball marks the beginning of the Jaycee movement for the year.

Under the capable leadership of our National President and her Board Members together with the support of the LOMs, we are sure that it will be another brilliant year for the Hong Kong Jaycees in 1987.

East Kowloon Jaycees President **K.Y. Yung**

The Inaugural Ball of the Hong Kong Junior Chamber of Commerce marks the beginning of another year of the Jaycee cycle. It is also a symbol of the outset of a group of initiative and enthusiastic young people who aim at developing themselves on one hand and serving the community on the other.

On behalf of the East Kowloon Jaycess, I wish all NOM and LOM officers a fruitful and prosperous years in 1987.

Messages

City Jaycees President **Sam Wong**

青年商會乃世界上最大的領袖才能訓練組織。爲着提供更多機會給會員，各地的分會及總會每年均更換領導階層，使到更多的會員可以在更高的層次上學習領袖才能的訓練。在就職典禮上，一班年青的領袖宣誓就職，作出他們的承諾，意義實在重大。

在今天這個重要的場合中，本人謹代表城市青年商會全體會員作出支持總會的承諾，並祝香港青年商會會務進步，在八七年有一個成功的一年。

Queensway Jaycees President **Florence Tam**

The 1987 Inaugural Ball provides a memorable occasion for acceptance of office by NOM and LOM officers. It also presents an excellent opportunity for all members to celebrate past achievements and to renew our determination to achieve the purpose and theme of the Jaycee movement.

Queensway Jaycees pledges to support the National Board and will endeavour to maintain the enthusiasm and expansion made to date.

Sincere best wishes for continued success during the coming year are extended to all fellow Jaycees from all of us at Queensway Jaycees.

Macau Jaycees President **Chui Sai Cheong**

The Inaugural Ball marks the time of the year when all the NOM and LOM officers join together to declare their committment and devotion to the Jaycees movement.

On behalf of all the Macau Jaycees, I would like to take this opportunity to send my warm regards and best wishes to the 1987 National Board and pledge our full support to them.

Messages

North District Jaycees President **Bernard Chan**

To some people, it is just another social gathering. I must confess that I myself thought that way, too; that is, before I attended last year's Inauguration.

You have to be there in person to realise that it is not a sociable occasion. People around are so serious that you wonder if you were in the wrong house.

People, seemingly, are stiff and unapproachable. And god, it looks like they will remain so throughout the night!

Until, the big moment comes: everyone makes his oath and is given his officer pin. Now, smiling faces are all around you and it is probably the only thing you see hereafter.

To sum up, inauguration is a serious and happy occasion. It signifies the beginning of a new page in Jaycee history; the start of an opportunity for many involved to train themselves and others and to serve the community in various aspects.

I was there last year to witness the beginning, and I have since seen how the 1986 Nom and Lom officers fulfilled their promises to the jaycee movement. I have no doubt that the 1987 team will do like wise.

May I, on behalf of all North District Jaycees members, Plegde our full support to national president Nora and her Board of Directors in leading Hongkong Jaycee one step forward.

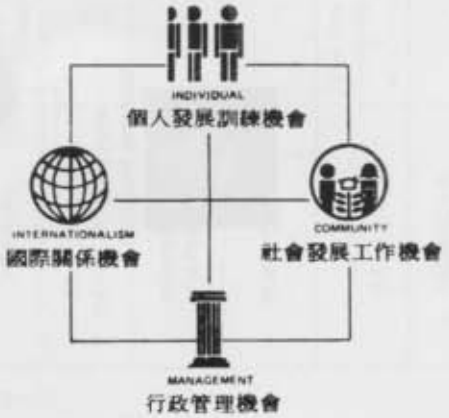

Ocean Jaycees President **San Stephen Wong**

每年這段日子，就是香港青年商會及各分會交棒的時刻，亦是我們回顧過去，展望將來之際。一年一度的就職典禮，是青年商會一個最隆重的日子，是大家一起將誠心所作的宣言和承諾投進於往後的各項青商運動和社區活動中。

深感榮幸，我們浩洋分會本年能夠參與這盛典，能夠身受宣誓就職時，嚴肅而感人的時刻。於剛起步之際，當然不可能處處都得心應手，但隨著浩洋分會各會員坦誠的互助互勉，去克服各種困難，去達成我們的理想—服務社會，訓練自己。可幸得到各青商會友的勉勵及支持，尤其來自上屆總會會長吳昆友參議員，前總會會長余振宇參議員及陳榮灝參議員和布婉珍副會長的指引監導，誠使本會會員懋出幹勁，儘力耕耘，與總會及各分會協同努力，宏揚青商精神，共推青商會務。

願一九八七年度就職典禮帶給大家期待的喜悅和收獲。

Activities

Orientation, the first encounter of JC knowledge.

HKJC training program "Master Mind".

INDIVIDUAL AREA

Of all the Four areas of Opportunities that we offer, Hong Kong Jaycees professes for the importance of individual training not only for the reason of polishing the leadership skills of our members, but also for the sake of preparing them for assuming the role of leaders on both local and international levels. For years, we have developed unique packages of training programmes covering varied topics on leadership. We have also established our very own resource library in 1983 accommodating a vast volume of training materials collected from all sources including Jaycees International and neighbouring NOMs/LOMs.

LOM Presidents' Forum Prepares the officers for their assignments.

"Skill & Process of Thinking" Seminar.

Activities

Super Stars Five-A-Side Fund-raising soccer game for H.K. Kidney Patient Trust Fund.

"Cancer Frighter" Campaign — Fund-raising walkathon.

COMMUNITY AREA

Hong Kong Jaycees builds its strength on the belief that service to community is the best work of life. Members are always encouraged to co-ordinate/initiate meaningful projects to improve on the well being of Hong Kong. In years, projects catering for the needs of various target groups and of different nature has been launched. These projects, on one hand, provide perfect training grounds on leadership development; and on the other, open up avenues through which members could discharge their social obligations as reputed citizens of Hong Kong.

Seminar on Beat Shop Theft.

"China — HK 86" — Caltural exchange camp between the youth of HK & China.

Activities

Establishment of a new LOM

Management meeting in session

MANAGEMENT AREA

Jaycees is a PEOPLE organization. When individuals from all walks of life come together under one roof, they make a dynamic force driving towards greater achievements on their personal commitments as well as services to humanity. The greater the size of our membership, the stronger our organization could be. Thus, orientations and other public relations projects/activities constitute indispensable itinerary in our calendar for improving our manpower resources. Members of the Hong Kong Jaycees learn from both mistakes and victory, yet they could not have done so devoid of the support of an efficiently run Headquarters Office.

JC Olympics — Inter-Chapters Competition

A Typical Public Relations project organized by HKJC

Activities

JCI World President visited HKJC Hon. Life President Mr. A de O. Sales.

Big delegation of Young Leaders Voyage to Japan.

INTERNATIONAL AREA

Our affiliation to the Jaycees International substantiates our status as a worldwide leadership organization comprising young men and women of all nationalities, races as well as religions. There are many occasions such as area conferences and world congresses when we could gather together for exchange of views on cultural, social or economical issues. Courtesy visits between the National Organization Members further substantiate the spirit of such internationalism to the extent that world peace could be guaranteed when the brotherhood of man transcends the soverignty of nations.

Internationalism was further enhanced by joint ventures between Jaycees from different nations.
