MESSAGE FROM GUEST OF HONOUR

I congratulate the Hong Kong Junior Chamber of Commerce on the occasion of its 1994 Inaugural Ball.

For the past 4 decades the Chamber has dedicated itself to the admirable objectives of developing and fostering fellowship in our young men and women. It has provided invaluable growth opportunities to many young people in Hong Kong and has played an invaluable role in developing a real sense of community awareness among them.

I wish the Jaycees a very successful year ahead.

The Hon **J F Mathews, CMG, JP**
Attorney General

MESSAGE FROM PRESIDENT JUNIOR CHAMBER INTERNATIONAL

As President of Junior Chamber International with a worldwide membership of nearly 400,000 young men and women in over 100 countries and territories, it is my great pleasure to address President Ho, newly elected officers, and members of Hong Kong Junior Chamber of Commerce on the occasion of the 1994 Inaugural Ball.

This is a very special year for Junior Chamber International as we celebrate our 50th Golden Anniversary in 1993. This is why my Presidential emphasis is "Go for Gold," and our primary focus will be to strive for excellence in all areas of our organization.

"Go for Gold," will be the primary motif for our Plan of Action, the focus of your 1994 JCI Board of Directors, with the grand culmination at the Kobe JCI World Congress in Japan, November 12-19, 1994. Strive for excellence in all your Junior Chamber activities this year; excellence in training, excellence in strategic planning, excellence in communications and marketing, excellence in growth and development, and excellence in community projects and action.

Share with your family, friends, business associates and all your encounters, our pride in Junior Chamber. Let your Junior Chamber success stories shine in this Golden Anniversary Year. Urge--- Junior Chamber,--- Jaycees and indeed every member you encounter to be a golden example of how Junior Chamber is making a difference and how we are all combining our individual efforts into a worldwide power striving for excellence.

This year the new 1994 Strategic Planning Committee is meeting to set our course of actions for years to come, how to face the challenges of this decade and prosper in the next one and the new millennium. Its key objectives will be to seek more reasons for young people to join us, make our programs more professional and attractive, bring our members in our global village closer with modern communication techniques, and allow our organization to prosper as a global force of young professional adults in the year 2000 and beyond.

I would also like to congratulate Hong Kong Junior Chamber and all of its members on the success of the recent JCI World Congress. I wish each of you a very successful year, and I urge every member of Hong Kong Junior Chamber to join me in celebrating our 50th Golden Anniversary this year.

Please remember: Strive for excellence, and "Go for Gold!"

Arnaud Godère
49th JCI President

MESSAGE FROM EXECUTIVE VICE PRESIDENT JUNIOR CHAMBER INTERNATIONAL

It is a pleasure to address and congratulate President Ho, newly elected officers, and members of Hong Kong Junior Chamber of Commerce on the occasion of the 1994 Inaugural Ball.

As this is the year we celebrate our 50th Golden Anniversary and the year we must strive to "Go for Gold," it is especially important for the members of Hong Kong Junior Chamber of Commerce to respond to the numerous challenges we are constantly faced with by building upon past accomplishments. By preserving this fine organization's history, you will give future leaders of Junior Chamber International the opportunity to study your successes and create bold new projects and innovative programs aimed at servicing local communities.

As Executive Vice President assigned to Area B , I have witnessed Junior Chambers throughout Asia conduct numerous projects and activities focusing international attention on issues that impact daily life. Over the years, you have demonstrated your commitment to the guiding principles of democracy and free enterprise.

I commend all of the members of Hong Kong Junior Chamber of Commerce on their ambitious undertaking and offer my best wishes for your continued success.

Best wishes for a successful event!

MESSAGE FROM VICE PRESIDENT JUNIOR CHAMBER INTERNATIONAL

I would like to congratulate Hong Kong Junior Chamber on your 1994 Inaugural Ball and indeed 1994 will be a very challenging year for all of us members of JCI as we will be celebrating our 50th Anniversary.

We can really be proud that our organization has proved its worth for the last 50 years of providing Leadership Training and Civic involvement to various communities where a LOM exists.

Hong Kong Junior Chamber has a rich and colorful history deeply imbedded in JCI history with its excellent Training programs and as a consistent Award winning NOM. It has shown an example of a very active NOM of Jaycees International and Hong Kong as a major business hub and center of commerce it is providing marketing mileage for JCI not only to prospective young men but to all sectors of society.

Your Inaugural Ball for the 1994 Officers and Board of Directors will be the starting point for another year of service to the community and Leadership training and this year is a very special one as we are celebrating our Golden Anniversary.

This is also the commencement for another 50 years of Jayceeism and Hong Kong Junior Chamber, as one of the active NOM in Area B and of Junior Chamber International could take the initiative of the "Golden" opportunities ahead and I challenge you to take the lead.

With President Ronald and the rest of his officers, I am confident that your NOM can achieve your 1994 objectives and I would like to assure you that as your JCI Vice President, I will do my best to help and assist Hong Kong Junior Chamber in whatever way I could thru representation with JCI.

Once again, on behalf of JCI and the rest the countries under my supervision, our warmest Congratulations and More Power!

Robert L. Go

MESSAGE FROM VICE PRESIDENT / JCI SENATE CHAIRMAN / HKJCC NATIONAL IMMEDIATE PAST PRESIDENT / HKJCC

I take great pleasure in extending my warmest greetings to all members of the Hong Kong Junior Chamber of Commerce on the occasion of the inauguration of the 1994 NOM and LOM officers. It is gratifying to note that these young leaders have volunteered to assume greater responsibilities in their new positions, and I am sure together they will break new records in our history.

As the National Immediate Past President and the Senate Chairman, I have a vision to preserve the 'Brotherhood' among all our members as it provides the momentum contributing to the continued growth of our beloved organization. To this end, I will encourage all active members to step up liaison with each other in 1994 so that we will enjoy each other's company on each and every family occasion. I will also initiate plans to bridge any possible communication gaps between the active ones and those who have graduated from membership but still have a heart for the JC movement. I do believe that those who take office today will share my vision and lend me a helping hand to materialize the vision.

I have also great confidence in President Ronald that under his leadership, Hong Kong Junior Chamber of Commerce will be a shinning star at the national and international arena.

George Lung

MESSAGE FROM HON. LIFE PRESIDENT HONG KONG JUNIOR CHAMBER OF COMMERCE

Hong Kong looks forward to sound progress in the remaining period of transition. All Jaycees have a strong role to play as they represent the younger generation of business and professional men and women who are active in the community in various ways. Their dedication to the well-being of the community will inspire confidence in the people here.

With best wishes for the success of the new President and the National Board in all they do to advance the cause of Hong Kong while benefitting from the leadership training opportunities that the Junior Chamber gives to all its members.

A. de O. Sales

MESSAGE FROM NATIONAL PRESIDENT HONG KONG JUNIOR CHAMBER OF COMMERCE

I am pleased to address you as the 1994 National President of the Hong Kong Junior Chamber of Commerce. Since August 1993 when we started our election campaign, I have been very lucky and have the opportunity to work with some of the most outstanding Jaycees in Hong Kong. Together we will strive for another productive year in the history of Hong Kong Jaycees.

The 1994 Major Emphasis Theme is **"Care for Youth, Develop our Future Leaders"** which is a continuation from 1993 and echos the Youth Charter initiated by the Hong Kong Government. A series of activities will be organised to explore issues faced nowadays by young people and which require them to solve for themselves.

Besides, there are four areas which we will focus our efforts this year. Members are the most important assets of this organisation and thus the first thing we definitely want to achieve is the growth of a quality membership.

The Jaycees have always been proud of our traditional expertise in leadership development and Hong Kong has been one of the fore-runners in terms of training for trainers. We will endeavour to extend our services to external organisations.

Over the years we have built up very good relationship with government officials, members of the media and other organisations with similar purposes. We will consolidate the existing contacts and attempt to establish new ones.

We are fortunate in the sense that we possess our own chamber office but with the rapid growth in the number of Jaycees activities, there is already a feeling of pressure on space. It is necessary to ensure the administration and operation is as effective as possible.

I cannot conclude this message without commending on the efforts made by the Organising Committee members who have made the Inaugural Ball possible in just two months' time. A big thank you to Advisor Past President Senator Eddy Wong, Hon. Treasurer Johnson Kong and the whole team.

Let's create the synergistic impact in 1994.

Senator **Ronald Ho**

MESSAGE FROM TRUSTEE CHAIRMAN HONG KONG JUNIOR CHAMBER OF COMMERCE

It is always an encouraging event to witness the inauguration of a new group of leaders in the Hong Kong Junior Chamber of Commerce. They pledge to strive for better achievements in pursuance of the Jaycee Creed as they take their oath of office.

There is nothing automatic about outstanding performance in the Jaycees. It comes only when we have the right leaders, the right policies and the right programmes for the organisation to flourish. And I am confident that under the leadership of National President Ronald in 1994, our organisation should have little difficulty in meeting those criteria.

On behalf of the Board of Trustees, I send my best wishes to the Hong Kong Junior Chamber of Commerce for yet another successful year in 1994 and congratulate the outgoing administration for all the accomplishments they have made in 1993.

Andrew Wong

MESSAGE FROM

HISTORY OF THE HONG KONG JUNIOR CHAMBER OF COMMERCE

The Jaycees Movement reached Hong Kong in 1949, when a Philippine Jaycee John Ng who was the Special Liaison Officer of the JCI 5th Congress and was charge with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former Director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as convener of the Organising Committee, Mr. Austin Coates from Hong Kong Government, then as Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

The tempo of laying the foundation of the Chamber was further stepped up when Mr. Ramon V. Del Rosario, the JCI VicePresident for Asia, offered to recommend prompt recognition of the Hong Kong's Jaycee membership status. He also invited the Organizing Committee to send observers to Manila to attend the JCI 5th Congress. On March 21, 1950, a sponsor meeting was called to receive the report of the return observers from Manila. The account of their vivid experience gave Hong Kong a deeper insight into Jaycee movement. A week later the Provisional Constitution which had been in the making during the previous three months was adopted. Finally, on April 6, 1950, the Inaugural General Meeting of the Hong Kong Junior Chamber of Commerce was held and the first Board of Directors was elected. One month then, on May 6, 1950, the Chamber was inaugurated by Mr. Roberto Vilanueva, the JCI VicePresident for Asia. Thus, the Hong Kong Junior Chamber of Commerce was born.

1950 - 1st JCI Regional Conference for Asia was held in Hong Kong. The Governor of Hong Kong officiated the Opening Ceremony.

1952 - Senator J.S. Lee was elected as VicePresident of Junior Chamber International for Asia.

1954 - 4th JCI Regional Conference for Asia was held in Hong Kong.

1956 - Senator A de O. Sales was elected as JCI World President.

1957 - Senator Francis J. Chen was elected as JCI Vice President for Commissions.

1962 - The 17th World Congress of Junior Chamber International was hosted by Hong Kong Jaycees. (The surplus of the Congress was put into investment under the management of the Board of Trustees)

1965 - Kowloon Jaycees was formed and then existing members of Hong Kong Junior Chamber of Commerce later called themselves Victoria Jaycees. The Hong Kong Junior Chamber of Commerce then became the National Organization of two LOMs as mentioned above.

1966 - JCI Regional Conference was again held in Hong Kong.
- Island Jaycees, the third local Chapter, was established and affiliated to the Hong Kong Junior Chamber of Commerce.
- Senator Bahar Ramchandani was elected as JCI Vice President for Operations.

1967 - "HARBOUR LIGHTS", the official magazine of the Hong Kong Junior Chamber of Commerce, was given the "Best NOM Publication" Award at the JCI World Congress in Toronto, Canada.

1969 - Peninsula Jaycees, the first Chinese Speaking Chapter, was formed and affiliated to the Hong Kong Junior Chamber of Commerce.
- Towards the end of the year, Hong Kong Jayceettes, the first all lady Chapter, was formed and affiliated to the Hong Kong Junior Chamber of Commerce.

1970 - The Hong Kong Junior Chamber of Commerce celebrated its 20th year with His Excellency The Governor Sir David Trench as Guest of Honour.
- The 1st Outstanding Young Men Award was launched (forerunner of the Ten Outstanding Young Persons Award) with H.E. The Governor Sir David Trench as the Patron with a special message. Dr. The Hon Sir Albert Rodrigues CBE, ED, JP as Guest of Honour to officiate the ceremony.

1971 - Lion Rock Jaycees, another Chinese Speaking Chapter was formed and affiliated.

HISTORY:	The organization founded in St.Louis,Missouri,U.S.A.by Henry Giessenbier on October 13,1915.His idea spread and on December 11,1944 representatives from eight nations met in Mexico City and world organization Jaycees International (JCI) was founded.

The theme adopted for 1992-1996 is"The Age of Global Citizenship" with the subthemes of Economic Development,the Future of Children, and the Environment.Without a favourable economic environment, individuals,companies and governments cannot guarantee education and health for our children. With economic growth means more pollution,the very future of our children becomes bleak.Children are both the reason for,and the key to,the protection of earth's environments.A new,better world depends on global thinking today, action throughout all levels of society today. We are to secure the fate of our environment.
AREA OF OPPORTUNITY:	This concept promotes the adoption,by national and local organizations,of a balanced program of activities which will offer the membership individual,management,community and international opportunities.
RIGHTS OF THE CHILD:	JCI recognizes and supports the United Nation Declaration of"the Rights of the Child."In 1979,Jaycees throughout the world conducted programs which directly affected the lives of more than eleven million children.In 1982 and subsequent years,national and local organizations have and will conduct permanent and continuing programs to assist with providing for the basic needs for children as set out in the Declaration.

THE BEST PARTNERSHIPS LAST A LIFETIME.

Without faith in each other, a partnership will never succeed. You need someone you can rely on - through thick and thin.

It may surprise you to learn that a bank feels the same way. For us, partnership means sharing the same goals. And your success, like ours, is being built in an increasingly prosperous Hong Kong.

In turn, as Hong Kong's connections have spread throughout Asia, we have always been there to support them. With offices stretching from China to India and from Korea to Indonesia, we have faith that your business, and ours, will do well in this region.

For we know that the only way we shall succeed is by helping you to do the same.

It's a simple view of banking, but one that works. After all, your future is our future.

Your Future Is Our Future

Do you often throw away advertising materials without even a quick look?

Because you think they are not of interest to you.
But you probably do not want the same thing happens to **YOUR** advertising literature.
In today's crowded market place, we are constantly bombarded by advertising messages. Unless your advertising material has something that stand out, that really draw your recipient's attention, your brochure may well be on the way to the waste basket the minute it reaches your potential customer.
So what difference can The Corporate Press make? We pride ourselves as **a thinking printer**. That means we do not just mechanically carry out the printing process. We put a lot of thought into giving you an outstanding product at the best price. We want to offer a life-saver to your advertising material. Things like:

•

creative concepts.
well-conceived design that conveys your message clearly and cleverly.
fully-computerized artwork production and film output
high quality printing that projects a good image.
one-stop service for the whole production process from design to delivery.

•

If you think for a very competitive price, these are advantages worth having, give us a call.

Revolutionary.
A mobile phone that works when you're mobile.

Businessmen who take the MTR to work keep some odd things in their briefcases.

And we're not referring to egg sandwiches, infamous magazines or furry pencil cases.

The odd thing is they keep their mobile phones in there, too.

When you consider that one of the main reasons for having one is that you can make calls when you're travelling, it seems a little ironic.

Our new GSM digital mobile phone network, 1010, could put an end to all those wasted journeys. Not only does it work above ground (and in the tunnels), it works in the MTR, too.

So you can talk on the escalators, on the platforms, even on the train.

At the moment you can get a line anywhere between Prince Edward and Central, and from Sheung Wan to Causeway Bay. But our engineers will be working in the tunnels every night until they have the whole MTR map covered. They won't sleep until the most sophisticated digital mobile phone network in the world is complete.

But the revolution is well underway. Imagine the scene this morning.

MTR carriages enlivened with conversation, when once the only words ever uttered were "mind the doors please" and "the next station is Admiralty".

The looks of eager anticipation as people awaited their first "Wei, dima" of the day.

Combination locks being hurriedly fiddled with, lids of briefcases being opened to the sounds of ringing.

There's nothing else for it.

You're going to have to get yourself a new pencil case.

To find out how to get a 1010 phone, call our 1010 hotline on **888 1010**.
