SENATOR ZENITH LIN

Have you ever imagined how the world would be like in 100 years later? Will it be better or will it be worse? Global warming, war, poverty and hunger, will these still be significant issues to tackle? Every year, over 200 thousand active citizens from JCI impact our world in positive ways, with a vision to unite all sectors of society to create positive impact. I firmly believe that the future is yet to be defined by us.

100 years ago, a visioner and our founder Henry Giessenbier envisaged an organization that will provide development opportunities that empower young people to create positive change. This single vision inspired over millions of young individuals to dedicate themselves to create impact in their society. JCI Hong Kong believes young people are the critical factor to carry on this noble idea and keep changing the world to what we wish to be.

JCI, as the cradle of leaders, nurture leaders to become stakeholders in every sector. In 2019, JCI Hong Kong will be the platform to provide necessary help to local chapters and members to accelerate the growth and enlarge their impact to the society.

Nowadays, the world is rapidly changing. JCI leaders, we are not just embracing change, we will be the one who make the change. Creating a better world and a better future is a journey without an end. Changing the world is not just a slogan but a belief that JCI members are willing to take actions in their life as active citizens. We keep reshaping the world by nurturing leaders, believers, and stakeholders all around the world.

Let's be the everyday change-makers and keep changing the world together!

It is a farsighted tradition in the JC Movement that there is a change of guard each year. It is the same here in Hong Kong.

In effect, this enables more young people to put into practice the responsibility of leadership at every level that it happens. More young people are given the opportunity to put in action their extensive training along the way to the National Board or the local Executive Committee as the case may be.

My best wishes are offered to the 2019 President and all his officers and Directors for another year of progress and achievement coupled with my congratulations on their election by the membership at large. I commend too the outgoing President and all his Officers and Directors for their success by dint of hard work spurred on by their dedication to the service of the community while gaining wide experience in the process.

Warm greetings!

I am honored to address you for the 2019 JCI Hong Kong Inauguration Ceremony. This ceremony allows us the time to celebrate the legacy and achievements made by you and the members who preceded you. I also want to encourage each of you to take action and maximize our impact within communities throughout Hong Kong this year.

Guided by the Active Citizen Framework TM, JCI members are always at the forefront of developing and implementing innovative and sustainable solutions. By taking action and creating positive change, JCI members lead by example. We must challenge ourselves to inspire others with our impactful actions, helping advance the Global Goals for Sustainable Development. I am proud that JCI members are exemplary active citizens who have the power to inspire youth, inspire leaders and inspire change.

One of the most powerful ways we can inspire change is through the Peace is Possible campaign, which encourages big and small actions to be taken in communities around the world. The goal of this campaign is to encourage young people to make a commitment to peace for the future of our planet. While advancing the Global Goals, the Peace is Possible campaign mobilizes young people worldwide to create awareness, advocate and take action by building a community committed to everlasting world peace.

In the past, I have been impressed with the great lead I've seen JCI Hong Kong take to create positive change in their community. I am confident that with leaders and stakeholders from all sectors of society, the members of JCI Hong Kong will accelerate transformation in 2019, expanding JCI's impact.

Message from President JCI ISLAND

To create positive change has always been the slogan among JCI members. With change comes opportunity, no wonder why JCI has trained many different young people who have eventually held key positions in the society.

Being the third oldest local chapter in Hong Kong, JCI Island has over 50 years of history since it was founded. "Create a Better Future" is the slogan of JCI Island in 2019, which means we will grow and learn together so that we will be equipped to create change in the future.

With JCI Hong Kong's theme "Keep Changing the World" in 2019, we, JCI Island, will collaborate closely with JCI Hong Kong to deepen its vision and mission. I truly believe that under the leadership of National President Senator Zenith Lin, it will be another fruitful and gratifying year across the JCI community in Hong Kong.

Message from President

會長

「今日青商，明日領袖」國際青年商會一直也致力培育社會青年領袖為己任。

喜見 2019 新一屆各分會的領導班子即將上任，為社會創造更多有影響力的工作計劃，同時也讓年青人透過籌辦不同的工作計劃，學習與人相處，讓生命帶來積極正面的改變。尤其在電子化的世代，大家也埋首電子屏幕，人與人之間的接觸越來越少，國際青年商會這個組織更顯得珍貴。

獅子山青年商會作為國際青年商會二十一個分會的其中一個分會，一直秉承訓練年青人成為領袖的宗旨。社會發展範疇一直致力推廣具影響力的社會發展項目，旗艦活動「義不容遲」將會把「救救地球」的環保元素透過教育及培訓帶到學校及社區，甚至海外，期待全新的項目能夠更進一步成功引起公眾關注。青年事務範疇一直致力推動年青人關愛行動，互聯網世代能將訊息迅速廣播，若果能夠把正面的訊息傳播開去，必定帶來一個更和諧的社會。相信大家在營商路上都曾經遇上大大小小的決擇，如果能夠得到過來人的經驗分享，定必順利衝破障礙，「營銷新勢力」將會推出全新項目，務求協助營商者得到啟發，「絕地求生」。「領袖導師計劃」已經踏入第八個年頭，明年將加入新的元素，配合導師帶領，期待學員能夠獲得更大的成長。我們一直致力凝聚會友，舉辦不同活動，更一同參與探訪海外姊妹會、亞太大會以及世界大會，期待明年帶領團隊一同參與濟州亞太大會及愛沙尼亞世界大會。

每個人在人生不同階段都有自己的夢想，敢夢敢想，要努力將夢想創造出來，敢創敢造，期待帶領獅子山青年商會揭開新的一頁，將夢想創造出來，成就一個更豐盛嘅人生。

最後，本人謹代表獅子山青年商會，熱烈祝賀國際青年商會 (香港總會) 及各分會，在總會會長連冠豪參議員的帶領下，盡展光芒，推動更多年青人服務社會，創造更美麗香港。

Message from President JCI HARBOUR

2019 年，海港青年商會的會務主題為「敢夢想 • 敢成長」，跟本年度的總會就職典禮有著異曲同的概念。「敢」- 敢於追求，I can - 我可以，我們一起在這個平台把握機會，去追求目標夢想，去學習成長。相信透過我們這班積極公民的熱誠，我們可以做到 Keep Changing the World。

2019 年，我們董事局成員會不斷灌輸及聚焦 G I V E，我們相信在青商生涯中，大家在 give(付出) 的同時，亦可收獲更多的 G I V E：Growth，Impress，Value，Experience。

G - Growth (成長)
會員是我們最重要的資產，我們會著重了解會友的想法，切實令會友可以在海港大家庭成長。

I - Impress (感動)
籌備具影響力的工作計劃，感動社會及有需要的人，亦讓自己無悔。

V - Value (價值)
第一，舉辦有價值既工作計劃；第二，為自己創造價值；第三，搵倒青商既價值。

E - Experience (共同經歷)
我們期待可以與每位會友，創造更加多共同既難忘體驗，令我們可以成為一輩子的朋友。

每一年，每位會長，都有一個核心目標，而本年是 # 浩洋人 _ 拍住上。

當中 '#' 字，代表四大發展機會，每個機會縱橫交錯。

本年最重要的目標是加強每位會員對浩洋的快樂回憶、對工作計劃成果的驕傲及對浩洋大家庭的感覺。

透過本年浩洋社會經濟關注組的問卷調查；與旅遊業共同減少塑膠使用；每月一次的浩洋飯局及環保演唱會，本年浩洋定必為更多會員帶來積極正面的改變。

最後，恭喜國際青年商會香港總會就職禮完滿成功。

Message from President JCI LANTAU

Year 2019 marks the 3rd year of JCI Lantau's journey since its affiliation in 2016. JCI is a well-known international organization for training young people. This year, the Board of Directors and I will fulfil the JCI mission of serving the community as young active citizens whilst growing together by learning and experiencing the culture of JCI.

"Live your dreams, leave your legacy" is the theme of JCI Lantau in 2019. The Board of Directors and all members are ready to live their dreams and leave an everlasting legacy in the community, the Chapter and to the future generations. At the same time, we are grateful for the experiences and teachings passed to us by our predecessors.

As the name of our Chapter suggests, our roots began in Lantau and our upcoming initiatives and events will reflect that. Indeed, we feel that Lantau is particularly important to Hong Kong, given the strategic geographic location and transport infrastructures of the Airport and the Hong Kong-Zhuhai- Macao Bridge. In 2019, we will continue working towards building a better Lantau and bridging with the future!

Vote of Thanks from

Inaugural Ceremony Chairman

SENATOR NAOMI CHAN

It is my honor to be the Chairman of JCI Hong Kong Inaugural Ceremony for 2019, working hand in hand with 30 passionate and enterprising leaders.

To echo with JCIHK's 2019 slogan of "Keep Changing the World", an "**I Can**" Spirit is embedded in this inaugural ceremony, as it is not only the first event that unites all 21 chapters for installation and appointment, but also a precious occasion when everyone of us believe that we can be the **Catalysts of Change** to tackle the daunting challenges of our time, regardless of age, gender, professions and background. As "We Believe", the first two words of JCI Creed suggest, we are part of what the world can be.

It's worthwhile then to consider the meaning of "**IC**" which we interpret as "**I Can**" in 2019. Indeed, the world does not hinge upon what we see but what we believe in and care for. Nowadays, young people can be on the headlines and we represent the drive of innovation and new solutions for hunger, health, education or even climate change. With our unique active citizen framework, we find JCI consistently home to change-makers from one generation to another. With concerted effort, the world can be getting better and better if we can keep doing a little more.

With this vision in mind, our amazing team have brought an array of changes to the ceremony, such as a ceremony-centric and interactive program, promotion and registration of Sustainable Development Goals ("**SDGs**"), a creative ceremony video and active partnerships with sponsors. Thirty "#I Can" commitments shown on the design of the cover pages of this souvenir program represent what our amazing organizing committee ("**IC 30**") conceive that they can change the world, and your response to SDGs may serve as a reference of how changes can be made. Everyone and every element are key to this ceremony to make it a one-of-a-kind and an unforgettable one.

Taking this opportunity, I would like to express my wholehearted thanks and appreciation to a visionary team, which are also known as "**IC 30**". Without their "**I Can**" spirit, innovation, perseverance and care for all participants, the event would not have been a phenomenal one. In addition, I would like to thank 1987 National President Senator Nora Cheng, National General Legal Counsel Senator Winnie Yeung and Supervising Officer National Honorary Treasurer Winita Yeung for their valuable advice and guidance. I would like to extend my sincere gratitude to National President Senator Zenith Lin for his unfailing support.

I would like to thank everyone of you who accepted our invitation to celebrate with us this afternoon. Without your trust and your faith, this inaugural ceremony could not be possibly a "World-changing One".

With much gratitude and sincere wish, I wish JCI Hong Kong another fruitful and successful year and all the best for "Keep Changing the World"!

Each JCI Member shares the belief that in order to create lasting positive changes, we must improve ourselves and the world around us. We seek targeted solutions to the unique problems in our communities to build a better world, creating global impact.

CREED

We believe that "faith in God gives meaning and purpose to human life; that the brotherhood of man transcends the sovereignty of nations; that economic justice can best be won by free men through free enterprise; that government should be of laws rather than of men, that earth's great treasure lies in human personality; and that service to humanity is the best work of Life"

MISSION

To provide development opportunities that empower young people to create positive change.

VISION

To be the leading global network of young active citizens.

HISTORY

Our global organization of 200,000 young active citizens grew out of the vision of one St. Louisan more than 90 years ago as a constructive approach to civic problems. Founded in 1915 in St. Louis. Missouri, USA by Henry Giessenbier, the movement spread, and Junior Chamber International was founded with eight other countries in Mexico City on December 11, 1944.

2019 PRESIDENT

They not only believe that improvement is possible, they but also see it as their responsibility to initiate positive change both in themselves and in their local community. They seek solutions to the problems they see around them to create better nations, better environments and better societies. They also know that true lasting change starts from within. They learn through their experiences, becoming better citizens and better leaders with better skills to create a better future.

JCI OPPORTUNITIES
