A Corporate Visual Uniformity

Following the Junior Chamber International (JCI) Corporate Identity Program guidelines, Hong Kong Junior Chamber and its 18 local chapters have changed their corporate logos with effect from Jannary 1, 1996.

The purpose of changing the corporate logo into the one that JCI has long been using is to create uniformity in the visual image of this large and diverse organisation with members all over the world to the local community.

Careful consideration has also been given to distinctively designed symbol for JCI to ensure that it is unique, that it is memorable, and that it communicates the spirit of Junior Chamber International.

The Jaycee Creed

We believe:
That faith in God gives meaning
and purpose to human life;
That the brotherhood of man
transcends the sovereignty of nations;
That economic justice can best be won by
free man through free enterprise;
That government should be of laws
rather than of men;
That earth's great treasure
lies in human personality; and
That service to humanity
is the best work of life.

Message from Guest of Honour

On the occassion of the Hong Kong Junior Chamber of Commerce's 1996 Inaugural Ball, I wish to extend my warmest congratulations to all the prominent young people who take office in the National Board and Local Chapters this year.

As the Secretary for Education and Manpower, the training of young leaders is a subject very close to my heart. For the past 45 years, the Hong Kong Junior Chamber has played an important role in this respect through its leadership training programmes, community service projects and exchange programmes.

I look forward to another year of excellent work from the Hong Kong Junior Chamber of Commerce.

Joseph W P Wong, JP
Secretary for Education and Manpower

Message from National President Hong Kong Junior Chamber of Commerce

I am pleased to address you as the 1996 National President of Hong Kong Junior Chamber of Commerce. Tonight's installation signifies our promise to serve the organization and our determination to create positive changes.

"Focused Resources for Focused Impact" is not only our election slogan but will also be the guiding principle of the administration. This is the third consecutive year for NOM to use the Major Emphasis Theme(MET)" Care for Youth, Develop our Future Leaders". We should continue to arouse public awareness in caring for youth through various activities launched by LOMs under the MET umbrella.

Besides, there are two areas which we will focus our efforts.

Members are the most valuable assets of the organization. Thus the first and the most important thing to achieve is membership development. On one hand, we seek to increase the number of new recruits. We will also preserve our seniors so that they can further contribute to the growth of the organization. On the other hand, we will reinforce the learning by doing opportunities provided to members and ensure that they get full benefits from them.

External relationship is another important aspect. Besides strengthening existing contacts with government officials, media and voluntary organizations with similar purpose, we seek to establish strong linkages with district offices and provinces or city members of All China Youth Federation.

We, as committed officers, know that we could only produce results by completing the "to dream - to plan - to act" process. We now have dreams and plans, and we need members' involvement in the crucial action step. I hereby pledge the full support from all of you on making 1996 a year of growth and achievements.

May I wish you a rewarding new year!

Justin Lui

Message from World President Junior Chamber International

As the 51st President of Junior Chamber International, an exciting and challenging organization, it is my great pleasure and honor to extend my warmest message of greetings to the members of Hong Kong Junior Chamber of Commerce on the occasion of their 1996 Inaugural Ball.

We can Build Rainbow Bridges Together by continuing to grow both in strength and number. We must Build Rainbow Bridges together by fulfilling the JCI Mission of contributing to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility, enterpreneurship and fellowship necessary to create positive change.

We can Build Rainbow Bridges Together by taking advantage of all five areas of opportunity that our beloved organization provides — individual, management, community, international, and business.

As the world is changing very quickly, Junior Chamber must make every effort to remain the leader through new ideas and projects. We must inspire motivation and creativity in our members. I am confident that your energy and enthusiasm will become a part of this fast-changing world.

Education and training of our members is a most important goal. Explore and utilize of all the courses available through the JCI Training Institute. By taking an active interest in ourselves and our fellow members we will continue to Build Rainbow Bridges Together!

Please continue the fine work of Hong Kong Junior Chamber of Commerce in 1996!

"Building Rainbow Bridges Together"

Thomas J. Clear, III

Message from Executive Vice-President Junior Chamber International

First of all I would like to appreciate Hong Kong JC for being the leader group in Area B and JCI. It is my honor and privilege to address you as 1996 Area B EVP.

I would like to acknowledge the outstanding leadership of Immediate Past President Raymond Yu for the excellent work did in 1995. This year I would expect even more from President Justin Lui and members of Hong Kong Junior Chamber by "building rainbow bridges together."

"Building rainbow bridges together" requires a combination of strength and harmony. I believe Hong Kong JC with its outstanding members will shine as the brightest color in the rainbow. Hong Kong JC, as it has been in the past with new ideas and meaningful projects will continue to be the backbone of Area B in the years coming.

Finally on behalf of all the members in Area B, I hope for the further growth of Hong Kong JC and well-being of every member in Hong Kong.

Yong-Suk Choi

Message from Hon. Life President Hong Kong Junior Chamber of Commerce Past World President

It is the tradition in the Jaycee Movement for a change of guard each year, so it is with the Hong Kong Junior Chamber of Commerce, to give more members the top opportunity for leadership training.

Congratulations are offered to all those who were elected at the National Convention to take office in 1996 and every good wish is extended to the President and the Board of Directors for a full measure of success in all their endeavours.

Appreciation is also due to the outgoing President and his group for their exertions for the good of the Chamber and the well-being of its members while in charge.

A. de O. Sales

Message from Senate Chairman National Immediate Past President Hong Kong Junior Chamber of Commerce

To sustain the growth of our organization, we need to seek for continuous improvement. While keeping the good tradition, we also challenge ourselves to make new breakthrough. I am glad to see all the chapters and NOM to adopt a standard emblem for our organization. Certainly there will be more to come in this year to further enhance our JC image in the community.

However, it has already started to demonstrate the teamwork, co-operation and alignment of all our members to strive for the success of 1996.

For the senate group, I would bridge all the senate and associate members together through closer communication and fellowship and make sure them to have ample opportunities in continuing their contribution for our organization.

To the 1996 leaders of our organization, I wish them all to have a wonderful and fruitful experience in the next 12 months. Also, I am looking forward to seeing their unbeatable performance to lead our organization.

Raymond Yu

Island Jaycees

The 1996 HKJCC Inaugural Ball is an important date for our in-coming Board of Island Jaycees. When we stood for election about 2 months ago, we chose the theme " COMMIT OURSELVES WITH 30 YEARS EXPERIENCE." During the Inaugural Ball, we shall take our oath of office together with the National Board and the other 17 chapters.

1996 is a special year for Island Jaycees because it will then turn 30. It is a firm belief in Chinese culture that man begin to establish himself as he reaches 30 years of age. So in this year, we shall re-examine our unique character, experience, and strength, and to determine how we can contribute our unique way of service to humanity.

By COMMITTING ourselves, we are voluntarily taking up positions of responsibility. That means we shall use all our might and creativity in playing our role. With 30 years of experience, it is time for us to mature from childhood to manhood and make significant contributions.

With joy and best wishes, I congratulate all 1996 officers who make the same wise choice as ourselves towards a fulfilling year of higher responsibility.

Junior Chamber International

CURRENT FACTS

NAME: Junior Chamber International (JCI) the name was changed from the previous Jaycees International to the above name in the Sydney Congress in 1988 is a worldwide association of young people between the ages of 21 and 40, which welcome all nationalities, races and religions.

MEMBERSHIP: Over 400,000 in nearly 13,000 communities throughout more than 80 member nations.

PURPOSE: The purposes of the Jaycees, as outlined in the JCI Constitution, are "to contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility, enterpreneurship and fellowship necessary to create positive change".

HISTORY: The organization founded in St. Louis, Missouri, U.S.A. by Henry Giessenbier on October 13,1915. His idea spread and on December 11, 1944 representatives from eight nations met in Mexico City and world organization Jaycees International (JCI) was founded.

HEADQUARTER: The Junior Chamber International (JCI) Secretariat is located in Coral Gables, Florida, U.S.A. Staff of 35 provides bilingual membership and development services to its Local and National Organization Members. Its chief administrative officer is Secretary General Benny Ellerbe.

THEME: Each year Junior Chamber International adopts a major emphasis theme program which is implemented on a worldwide basis. The theme that is selected relates to a major problem or problems with universal significance. In this theme program, members can select from a number of specific projects that are most relevant to the needs of their respective communities.

The theme adopted for 1992-1996 is "The Age of Global Citizenship" with the subthemes of Economic Development, the Future of Children, and the Environment. Without a favourable economic environment, individuals, companies and governments cannot guarantee education and health for our children. With economic growth means more pollution, the very future of our children becomes bleak. Children are both the reason for, and the key to, the protection of earth's environment. A new, better world depends on global thinking today, action throughout all levels of society today. We are to secure the fate of our environment.

AREA OF OPPORTUNITY: This concept promotes the adoption, by national and local organizations, of a balanced program of activities which will offer the membership individual, management, community and international opportunities. In 1994 at the JCI Kobe World Congress, the fifth opportunity, Business, was being adopted.

RIGHTS OF THE CHILD: JCI recognizes and supports the United Nation Declaration of "the Rights of the Child". In 1979 Jaycees throughout the world conducted programs which directly affected the lives of more than eleven million children. In 1982 and subsequent years, national and local organizations have and will conduct permanent and continuing programs to asist with providing for the basic needs for children as set out in the Declaration.

ANNUAL MEETING: The 51st World Congress will be held in Pusan, Korea
