MESSAGE FROM NATIONAL PRESIDENT

It just seems like yesterday. Before we know, more than 9 months in 1994 have passed and once again, it's time for the National Convention. While I can still remember very clearly how my cabinet prepared for our election in 1993, I am already in the seat of advising the 1995 cabinet members.

Many people have said, in life, most of the time we will win some and lose some. As I always tell my wife, I believe the Jaycee circle is a miniature of our society. I think it's also true to say we win some, and we lose some, at least in 1994. There are definitely many areas which require improvements. Yet I believe nothing ventured, nothing gained. It is more important to try, to try our very best than to give up the opportunities.

This year, for our Convention we have a very good theme "Hong Kong - China 21" and we have the honour of inviting the most appropriate person, Mr. Zhou Nan, Director of Xinhua News Agency in Hong Kong to officiate in the Opening Ceremony as our Guest of Honour.

Similarly, we are grateful to all the distingushed speakers who will share their experience with us in the Theme seminar about the "Challenges, Opportunities and Shared Visions".

Taking this opportunity, I would like to thank the above-mentioned guests, President Rosalinda Hong, Convention Director and all the members of the hosting chapter Victoria Jaycees who have made this event a reality and a success.

Please enjoy the program!

Ronald Ho

MESSAGE FROM PRESIDENT
JUNIOR CHAMBER INTERNATIONAL

As President of Junior Chamber International, an organization with a worldwide membership of nearly 400,000 young men and women in more than 100 countries and territories, it is my great pleasure to send my warmest message of greetings to President Ronald Ho and the members of Hong Kong Junior Chamber of Commerce on the occasion of your National Convention. 1994 is a very special year for Junior Chamber International as we celebrate our 50th Golden Anniversary. My presidential emphasis is "Go for Gold," and our primary focus will be to strive for excellence in all areas of our organization.

The celebration "Go for Gold" - the primary theme of our plan of action and the focus of your 1994 JCI Board of Directors - will culminate at the Kobe JCI World Congress in Japan, November 12-19, 1994. Strive for excellence in all your Junior Chamber activities this year - training, strategic planning, communications and marketing, growth and development, and community projects and action. Share with your family, friends, business associates, and all you encounter our pride in Junior Chamber. Let your Junior Chamber success stories shine in this Golden Anniversary year. Urge every member you encounter to be a golden example of how Junior Chamber is making a difference and how we are all combining our individual efforts into a worldwide power striving for excellence.

This year the 1994 Strategic Planning Committee is meeting to set our course of action for years to come, to face the challenges of this decade, and prosper in the next one and the new millennium. Its key objectives will be to seek more reasons for young people to join us, make our programs more professional and attractive, bring our members in our global village closer with modern communication techniques, and allow our organization to prosper as a global force of young professionals in the year 2000 and beyond.

In 1994 we must also promote our major emphasis theme, "The Age of Global Citizenship." In the face of changing interrelationships among nations, we are met with many challenges. No longer can we depend solely on our nation-states to decide our future. Nor can we ignore the messages being sent by our global home, the Earth. It is up to us in 1994 to make a difference in the areas of the environment, economic development, and the future of children. We will do this through the JCI-endorsed program Global Mottainal from Japan Junior Chamber, the Bali JCI Business Conference, and our assistance in saving children's lives through UNICEF's ORT and Water Wells initiative.

I wish each of you a very successful National Convention. I urge every member of Hong Kong Junior Chamber of Commerce to join me in celebrating our 50th Golden Anniversary this year.

Arnaud Godere
49th JCI President

MESSAGE FROM VICE PRESIDENT JUNIOR CHAMBER INTERNATIONAL

CONGRATULATIONS! As in the past 44 years, Hong Kong Junior Chamber, has again proven itself as a dynamic reservoir of young leaders dedicated and competent to help promote friendship and understanding among people of any belief, any color, any race in Hong Kong and in the world.

As you hold your 29th National Convention, I am pleased to convey my felicitations to all the officers and members of your NOM for taking time to gather together in the spirit of brotherhood, the spirit of Jayceeism.

I admire the strong leadership qualities that has bound together the members of the Hong Kong Junior Chamber and your excellent Jaycee trainings for members in leadership organization.

The JCI business networks and the ever booming Hong Kong market, for sure would usher in more members, more Jaycees. I am looking forward to another membership growth in the coming Jaycee year 1995. You have a track record to boost and Junior Chamber has credible programs which certainly would encourage them to join us and so you will again grow from 18 LOMs to 19 and so on ...

This year is also Junior Chamber International's 50th anniversary and the golden team has envisioned a stronger, bigger and more active Jaycees organization. Let us start from the bottom and the rest will just follow. In coming Bali Business Conference, the National Business Network (IBN) will be launched. Mottainai is also trying to gain more momentum as the Kobe Congress is fast approaching. In this Age of Global Citizenship and as you turn 45 years old in service to humanity, remember always that in any endeavour always strive for excellence.

I am privileged to extend my felicitations to Hong Kong Junior Chamber. This will be another success story. I know you have more to add... Good luck and Go for Gold!

Robert L. Go
JCI Vice President

MESSAGE FROM HON. LIFE PRESIDENT

In the years that remain of the century, it is even more important to prepare young people for leadership in the community. This seems to be the concern of all citizens who have the interests of our society at heart.

With the change of political circumstances and the creation of new opportunities, both social and economic, the demand for young leaders will be crucial.

Let the Jaycees rise to the occasion.

A.de O. Sales
Hon. Life President

MESSAGE FROM NATIONAL IMMEDIATE PAST PRESIDENT & SENATE CHAIRMAN

To the Hong Kong Junior Chamber of Commerce, National Convention is the most significant annual event. It is an important and valuable occasion for us to conclude our performance in the past year, elect our national leaders for the coming year and formulate policies and strategies for the future of our organization.

It is publicly recognized that Jaycees has long been contributing to the well-being of the Hong Kong community, for example, through its various community service projects by both NOM & LOMs, etc.. Besides, Jaycees members ourselves can enhance our personal growth and civil-mindedness through participating in our trainings, activities and practices, etc.. To take a good example, Jaycees can be regarded as a good venus to practise democracy since all of our members are encouraged to exercise our right to have a say on our organization, policy formulation, etc.. And this year we witness a further significant step forward in the development of democracy here in Hong Kong. It is very encouraging to see the ever greatest number of Hong Kong citizens who exercise their civil rights and duties in the '9.18 District Board Election'.But our Jaycees have long been enjoying the kind of democracy.

Hong Kong is taking a more and more important role in the international area and all our fellow Jaycees are encouraged to equip ourselves well in preparing for the future challenges. And Jaycees is definitely the Big Family where we can completely rely on to train ourselves in becoming the 'Global Citizens'.

Lastly, I would like to take this opportunity to congratulate NP Ronald and his devoted Board of Directors for the successful year. As the Senate Chairman, I am also pleased to see the ever increasing support and enthusiasm contributed by all Senators. Moreover, salute should also be given to the hosting chapter, Victoria Jaycees. To all the convention participants, I sincerely wish you all a most fruitful and enjoyable convention!

George Lung
National Immediate Past President
and Senate Chairman

MESSAGE FROM CHAIRMAN, BOARD OF TRUSTEES

I am pleased to have the opportunity of sending my greetings to all the delegates on the occasion of the 1994 National Convention.

The National Convention serves many useful purposes. Not only does it bring together members who are concerned with the significant work of the Junior Chamber, but also it is the unique occasion in the year when policies and programs are reviewed before more forward-looking plans are formulated for the progress of the organisation and the advancement of the members. It is also the time to select a new group of officers who will lead the organization towards greater heights of achievement.

Have a great Convention.

Andrew Wong
Chairman, Board of Trustees

MESSAGE FROM CHAIRMAN, LONG RANGE PLANNING COMMITTEE

National Convention is always a wonderful opportunity to celebrate the accomplishments and to meet with friends from different chapters. It is also a time to review the past and to plan for the future.

I would like to encourage and remind all members to work and strive continually for a better tomorrow for ourselves and our community. To the newly elected officers, I am sure you share my belief that we must seek new ways to provide better opportunities to our members.

May I wish the 29th National Convention a fruitful and rewarding event.

Junia Ho
Chairman, Long Range
Planning Committee 1993/95

MESSAGE FROM PRESIDENT OF HOSTING CHAPTER - VICTORIA JAYCEES

On behalf of Victoria Jaycees, I extend my warmest greetings to the delegates of the 29th National Convention.

After months of hard work and restless anticipation, it is always exciting to finally raise the curtains and share the culmination of our endeavours. Looking back just a year ago, when we made the decision to bid for the hosting right of the Convention, our collective mind was set on two objectives -- to strengthen our relationship with NOM and with other Chapters through hosting this important event, and to give our members the training opportunities and exposure that hopefully would arise from accepting this challenge. Though demanding as it has been, the experience of hosting a National Convention has been worthwhile and gratifying after all.

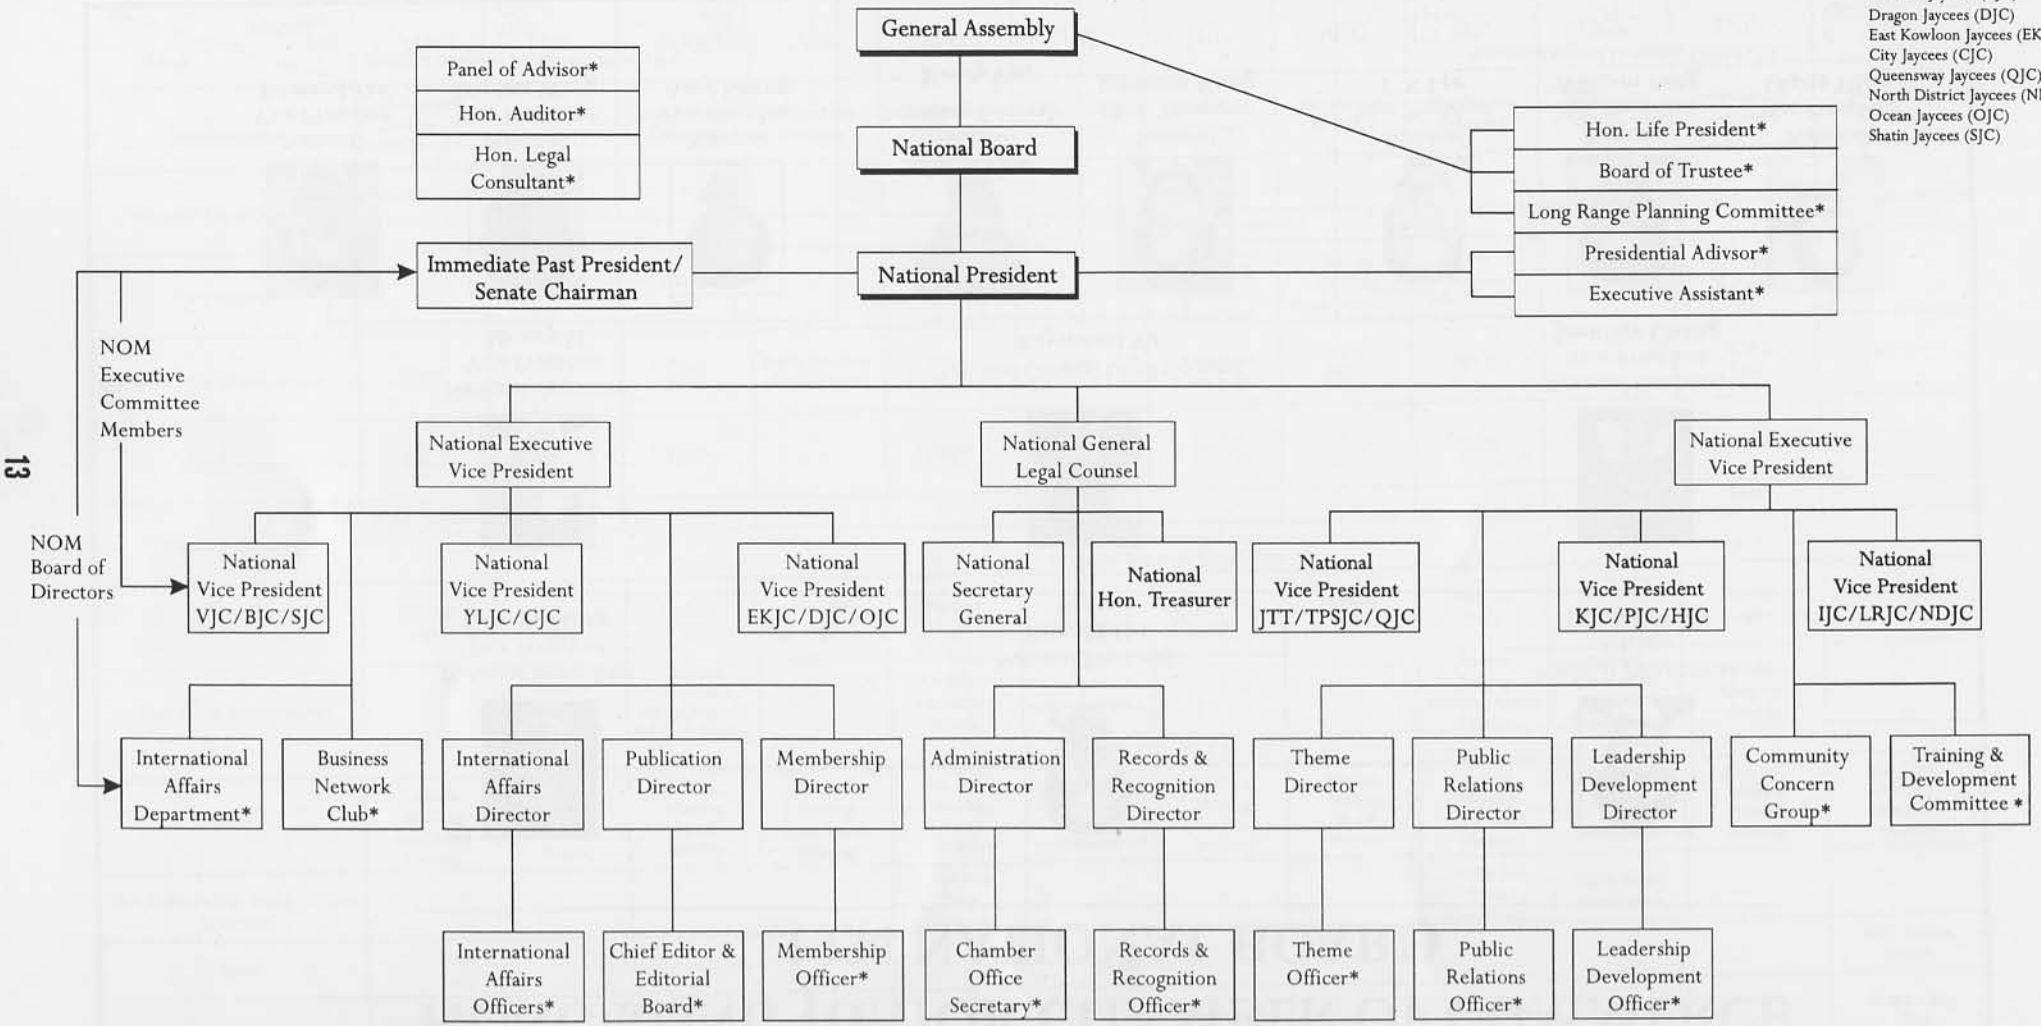

I take this opportunity to salute members of the very hardworking Organizing Committee for their dedication and contributions over the past months. I also owe my gratitude to National President Senator Ronald Ho, National Immediate Past President Senator George Lung, the National Board and all the Chapter Presidents for their constant support and encouragement throughout the year.

And thank you also for joining us at this Convention. I hope you will enjoy the program as much as we have enjoyed working on it.

Rosalinda Hong
President, Victoria Jaycees

HISTORY OF THE HONG KONG JUNIOR CHAMBER OF COMMERCE

The Jaycees Movement reached Hong Kong in 1949, when a Philippine Jaycee John Ng who was the Special Liaison Officer of the JCI 5th Congress and was charge with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former Director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as convener of the Organising Committee, Mr. Austin Coates from Hong Kong Government, then as Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

The tempo of laying the foundation of the Chamber was further stepped up when Mr. Ramon V. Del Rosario, the JCI VicePresident for Asia, offered to recommend prompt recognition of the Hong Kong's Jaycee membership status. He also invited the Organizing Committee to send observers to Manila to attend the JCI 5th Congress. On March 21, 1950, a sponsor meeting was called to receive the report of the return observers from Manila. The account of their vivid experience gave Hong Kong a deeper insight into Jaycee movement.
