Greeting Message from the Secretary for Justice

I would like to extend my warmest congratulations to the Junior Chamber International Hong Kong (JCIHK), on the occasion of their 39th National Convention.

The National Convention has become one of the most prestigious annual event of JCIHK. Over 300 delegates will come together at the Convention to review the accomplishments of the Jaycee in the past year, plan for their future directions, and discuss issues of important concern. This year, the CIHK has chosen "Live IT. IT Live" as the Convention's theme. This is most timely as one of the key ingredients to Hong Kong's continued success is the introduction and application of new and advanced technologies to enhance our long-term competitiveness. Strategic application of information technology can generate many business opportunities and promote the transition to a knowledge-based economy. As young executives and leaders of the community, each and every Jaycee member could take advantage of the various seminars and discussions during the Convention to help chart the future direction of his or her career and personal development.

May I take this opportunity to wish all participants a fruitful Convention and every success in the years to come.

National President of Junior Chamber International Hong Kong

Passions and endeavors are our motors. The Junior Chamber International Hong Kong this year adopts the theme "Entrepreneurs in Action", with implying values of entrepreneurial spirit and mindset – that make our Jaycee an entity more than just a charitable and voluntary organization.

2004 is a year for entrepreneurs in action.

While we overcame the most difficult 2003 year with our predecessor's effort under the theme of "Entrepreneurship for Positive Change", we decided to have a face-lift of the organization, with the aim "Expand horizon, Strive for Excellence".

Internally, we achieved in initiating the change from the root of Junior Chamber – adopting the new corporate identity and renaming our beloved organization from "Hong Kong Junior Chamber" to "Junior Chamber International Hong Kong"; acquiring a new Chamber office to satisfy our need; improving our communication channel and management transparency, and providing all-rounded training to train up members' ability.

Externally, we succeeded in diversifying our focus on marketing and servicing – promoting long term cooperation with other organizations and business chambers; establishing close and mutual understanding with government bureaus; organizing community projects all year round through 18 affiliated chapters, and representing the group of young leaders and entrepreneurs to voice out our opinion on major community issues.

It is a good time for us in the National Convention to review our work and plan for the year ahead, and it is the time for us to remind ourselves for continuously striving for improvement and move forward to build a better society.

I would like to thank The Hon. Elsie Leung, Secretary for Justice to officiate our Opening Ceremony and Dr. the Hon. Patrick Ho, Secretary for Home Affairs to encourage us in our Convention Banquet. My thanks also go to all supporting organizations and sponsors for the IT Symposium successfully held. Shall I also take this opportunity to express my special thanks towards Victoria Junior Chamber for hosting one of the memorable and successful National Conventions.

My heartfelt appreciation must go to my hardworking Board of Directors for their contributions to the success and to every member for their unfailing support to participate in building up the rainbow.

A journey of a thousand miles begins with one step. I have confidence that the management of next year will add more color to the rainbow we built, and success with their courage and determination.

Let's always go for excellence and continue to demonstrate our joint efforts to work for prosperity of JCI movement.

President of Junior Chamber International

It is a pleasure for me to send my best wishes to each of you as you convene for the 39th National Convention of JCI Hong Kong from September 24-26, 2004 at Cyberport, Hong Kong. This convention exemplifies the creativity, inspiration and tireless efforts of many JCI Hong Kong members and I appreciate the hard work of our host, Victoria Junior Chamber members and everyone else who helped to organize this very important event.

I encourage you during this convention to face each day with Passion!

As members of JCI, we are the young men and women who are creating the future today, young people who are leaders and entrepreneurs in action, world citizens who meet together, learn and grow in order to proactively bring about positive changes in our communities. And when we accept this role we cannot allow ourselves the luxury of living without passion, of learning without passion, of acting without passion, of educating without passion, of managing without passion, of leading without passion.

By living with passion, by putting all our emotion and enthusiasm into each and every task we undertake, we can embrace the challenges and opportunities that present themselves at this convention, in our JCI careers and in our lives with courage and excitement. We can begin a journey full of excellence and make 2004 a year of successes and satisfactions for our members, our associates and ourselves.

As EVP Area B I would like to congratulate all of you for your hard work and passion. You are the pillars of our organization and we are very proud of each one of you.

We must strengthen our organization returning to basics. We must re-analyze our priorities, examine our direction, assess our objectives, and then pursue them vigorously. In doing so, we will become the best global organization to enable young generation to get ahead in any field or endeavor. This is my vision but I cannot make it happen without you. Honorary Life President

A National Convention is the annual milestone in the proceedings of a Junior Chamber here and elsewhere .

I trust that Hong Kong's own National Convention will inspire an enthusiastic discussion to further the aims of its 18 member Chambers. Their representatives will surely not miss the occasion to put up views likely to excite such discussions.

I offer my best wishes for the continued success of the affiliated Chambers and also for the progress of the National Chamber over the years to come.

Senate Chairman

Let me congratulate Victoria Junior Chamber for her commitment to take up the challenge of organizing the 39th National Convention.

The National Convention is the most important meeting of Junior Chamber International Hong Kong each year. It provides the opportunity for National Officers and Chapter Presidents to report on their work and celebrate the success of the past nine months. Most important for me as Senate Chairman this year is to recognize new Senators.

JCI Senatorship confers "Life Membership" in Junior Chamber International. It provides a unique means for recognizing the outstanding achievements of members and former members. Please join me in congratulating our members who are conferred this honor during the Convention.

Taking this opportunity, I would like to encourage fellow Senators to further your contribution through leading by example.

Message from

Chairman of Board of Trustees

On behalf of the Board of Trustees, I send our best wishes to each and every delegate to this National Convention, which the Victoria Junior Chamber have so diligently and brilliantly organised for us.

The National Convention is the single most important event for the JCs each year. At the Convention we review our performance, set our directions as well as elect our leaders for the year following. I am sure that delegates coming to this Convention will all benefit from the processes in addition to enjoying the fellowship this big family of Junior Chamber International Hong Kong has to offer.

Against the background of a difficult and eventful year of 2003 for the world, the region and Hong Kong, we see improvements all around us in 2004. It is gratifying to see the Hong Kong JCs flourishing further again under the capable leadership of National President Frank and his Board.... and the Chapter Boards.

The Board of Trustees, working hand in hand with the National Board, we now have the brand new Chamber Office which we all love going to. That has been a big 2004 accomplishment.

On 2 February 2004 the Hong Kong Junior Chamber Foundation Limited was incorporated. This has been the wish for many years of the Past National Presidents in order to provide the necessary entity for better stewardship, management and protection of the assets entrusted to the Board of Trustees by HKJCs at large.

For 2004, the Board of Trustees continues to support worthwhile projects of both the NOM and the LOMs. Total subsidies approved amounts to $490,000. In its new entity, the Foundation will continue to do so in the years to come.

Finally, to the current administration, I send our warmest congratulations for an excellent 2004. To our elected leaders for 2005, I send our forward best wishes!

Message from

Chairman of Long Range Planning Committee

It gives me great pleasure to greet National President Frank Pak, the officers of the NOM and the eighteen LOMs, and all delegates on the occasion of the 39th National Convention of Junior Chamber International Hong Kong.

As in the past, the National Convention provides a forum for reviewing the effectiveness of our collective efforts in 2004, discussing strategic issues imperative to the organization, and electing new leadership. In particular, I like to encourage all delegates to actively participate in tackling the challenges induced by the lowering of membership age to 18 during the Business Session.

Another highlight of the Convention is its theme and the associated seminars. This year's theme "Live IT · IT Life" underlines the relationship between information technology and daily life. It is important to employ information technology to enhance our productivity, quality of work and quality of life.

I trust that all delegates will enjoy every bit of this Convention and take as much as possible from this valuable occasion.

Last but not least, I would like to salute to the members who have dedicated their efforts to create positive changes to themselves, the organization and the community.

President of Hosting Chapter

On behalf of Victoria Junior Chamber, I would like to welcome all of you to the 39th National Convention of Junior Chamber International Hong Kong.

Our chapter is very honored to be given the opportunity again since 1994 to host this annual grand event of which is also an important one for all JC members to review what have been done throughout the year, to share our experience and plan for the future. Besides, new leaders will be elected while outstanding achievements will be recognized.

The Convention theme of this year is "Live IT · IT Life". By incorporating this theme, we hope to introduce to JC members the importance and wide usage of I.T. in our daily lives.

As the President of the hosting chapter, Victoria Junior Chamber, I would like to thank you for the kind support from the National Board and all local Chapters. My sincere thanks go to the Convention Organization Committee, Past Presidents, Advisors and all Victorians for their hard work and dedication in the past months. A special thank you also goes to the Convention Director, Benny Lam, for his leadership and commitment to make this convention a successful one.

Taking this opportunity, I wish all of you an enjoyable time in this convention and every success in your life.

Message from

Convention Director

It is my great pleasure to welcome all the guests and delegates of the 39th National Convention. This year, we feel privileged to have many honourable and distinguished guests in attending, as well as many local business leaders as honorary speakers.

As the hosting Chapter, Victoria Junior Chamber is committed to make this Convention a different yet remarkable event. To begin with, our convention theme is "Live IT · IT Life". As one of the major driving forces of economic growth in Hong Kong, innovation and technology have in fact become part of our life in every aspect. Through the theme seminars, we aim at updating and enhancing awareness among Jaycees to IT development in our daily living. We hope the seminars will help our young executives and future leaders to chart towards right direction in their future endeavors and increase their competitive edge. To echo the theme, we have selected an "unconventional" yet the most "theme-related" venue for this Convention – Cyberport Hong Kong, the "Silicon Valley" of our beloved territory.

Another breakthrough this year is that we have escalated the National Convention from an internal JCIHK project to a public event. Associated with the National Convention, a series of workshops and seminars will be held during September 24-25 under the project "IT Symposium", whereas public and IT professional will share their experience on IT development in Hong Kong. It is our wish that further public awareness of JCIHK and stronger business connection with local and international companies can be established.

With the ambition to bring forth such an innovative and substantial event, it is only possible with the contribution and support of many parties and individuals. I would like to extend my gratitude to the various co-organizers and supporters for the seminars, our "IT Symposium" sponsors, media sponsors, printing sponsor and souvenir sponsors. My gratefulness also extends to the National Board and fellow Chapters, in particular, National President Senator Frank Pak and Chapter Presidents for their unfailing support.

Last but not least, my heartful thanks go to the organizing committee members and the enthusiastic involvement of many Past Presidents of my mother Chapter, and advising senior members of both the National and other Chapters in our Jaycee family. Without their remarkable effort and continuous contribution, the 39th National Convention will not have come to existence against all odds.

Benny Lam
Convention Director
39th National Convention, JCIHK

Convention Mascot

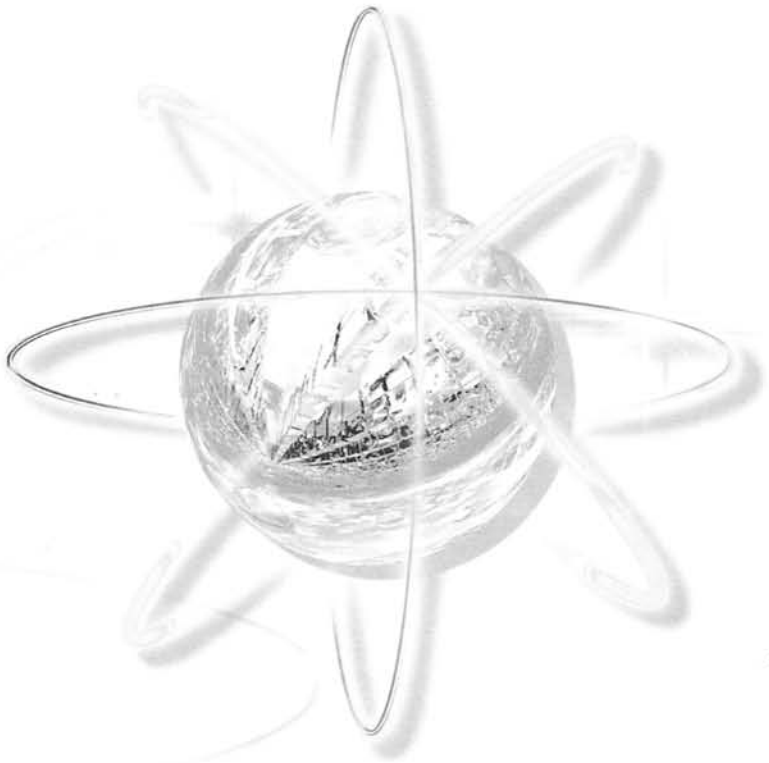

Our mascot for the 39th National Convention is "Superduck" – a duck dressed in a robe imagining wittingly to that of Superman's.

Ducks are peaceful breed of waterfowls that move in teams and live in communities. We choose duck as the mascot for the 39th National Convention as its characters has resemblance to our values in teamwork and co-operation. In fact, without the team effort and dedication of members of our Organizing Committee, and the support of our fellow Jaycees, we will not be able to undertake this difficult yet important project.

Moreover, the English word 'duck' has similar pronunciation to the Chinese words "得" and "德" in Cantonese, which get the respective meanings of"success" and "merit". The name of our mascot "Superduck" therefore refers to our team members' and our fellow Jaycees' high capability - we are all "super capable" !

Our theme "Live IT, IT Life" signifies forward and proactive move in this competitive world. "IT Duck Duck" – "IT 得得", "IT 德德" !

Convention Theme & Logo

The **theme** of the 39th National Convention of JCIHK , "Live IT · IT Life"【活在科技生活 · 掌握資訊商機】 covers a major and trendy development of our world.

Information technology, or more well-known as IT, increasingly affects our daily lives, that in turn opens up new arena for business challenges. Business today, if to prosper, can no longer afford to miss the edge gained from information technology to excel others. Jaycees, being young, promising and forward looking, should always be at the front and receptive towards IT development.

The theme is featured in an IT Symposium, during which discussions focus on IT applications in the following three fronts: communications, daily life, and commercial success; respectively under the sub-themes of: "Any Time, Any Where, No Barrier", "IT: Already Part of Your Life", and "Wise Use of IT".

The one-and-half day Symposium, with opening officiated by Mr. Alan Wong, J.P., Government Chief Information Officer, is a breakthrough programme that differs from the traditional one-afternoon theme seminar of previous Conventions and is not limited to participation of Jaycee delegates.

The **logo** of the 39th National Convention of the Junior Chamber International Hong Kong echoes with the theme of the Convention, "Live IT · IT Life", depicting vigor, glamour, chanting movements and network.

The feature of the logo is a golden globe surrounded by golden electronic waves, implying electronic particles and electronic waves which form the basis of the computer technology. Moreover, it symbolizes the world we are living in, which is encircled by a network of IT systems.

The gold colour touching up the logo delivers a message of glamour and brightful future. We would like to bring forth the message that if we recognize influences of IT in our lives, and make the best use of it, IT will facilitate us to have glamorous life — "Live IT · IT Life" – Let's live with IT and let IT take into our life, for daily living or business.

Basically, there are four Areas of Opportunities within the organization: Individual, Community, International and Business. Projects are conducted in each Area. As the members work on these projects, they encounter opportunities for total development.

JCI Corporate Slogan: Entrepreneurs in Action

The word "Entrepreneur" has a vast range of positive meanings. Primarily denoting "a person who organizes a business undertaking," it can also describe someone who takes bold actions for the community–a social entrepreneur. Innovative, cutting edge, creative, and energetic, an entrepreneur has fresh, original ideas and is ready to risk implementing them. The words "In Action" were selected to indicate that our members are active and proactive, always working toward change. Regardless of the area of enterprise development, training, environment, children, peace, internationalism, our members help improve their communities, their countries and their world.

The slogan "Entrepreneurs in Action" depicts our members' determination and courage to create and use opportunities to generate change, to break barriers and to explore new fields. Pioneers in business and in life, they are trailblazers; they radically redefine limits, and how they can be reached and surpassed. Junior Chamber's ranks include leaders who are investors, venture capitalists, entrepreneurs, and professionals in diverse fields. Their entrepreneurial action empowers them to forge change to make the world a better place. They are visionaries, risk-takers and mavericks; they transform great dreams into reality. With strength and determination, they are reaching new limits, continually striving to do more and be more in their businesses, their communities, and in the lives they help change.

History of Junior Chamber International Hong Kong

Flashback 1950's - Practical Idealists pioneered the Jaycee Movement in Hong Kong

In late 1940's, Hong Kong was recovering from the Second World War. There were urgent need and great opportunity for local community leaders to al and economic development. The their role in the making of Hong

needs of the society then, these young men put ideas into action. Projects were put in hand consciousness among young people here. A novel project was the timely setting up of more braries, including portable and mobile van libraries. This was a most prominent achievement by the public.

ren's library was established in 1952 at the War Memorial Centre in Wanchai, followed by the ones in Shek Kip Mei and Yuen Long (Nixon Library). In 1955, Hong Kong Jaycees donated the first mobile Van Library to the Social Welfare Office under the Chinese Languages Department. As a result, thousands of children were given the chance to read and learn. The success of the project led to the first award for the Hong Kong Junior Chamber in the Melbourne World Congress in 1952. The children's library project was further developed into a scholarship program, helping those who wanted to learn.

5,000 Books Donated By HK Jaycees To New Children Library

The Hon. R. R. Todd, Secretary for Chinese Affairs, opening the Children's Library at the War Memorial Welfare Centre yesterday, condemned the presence in Hongkong of dangerous literature intended "to corrupt class hatred and mould the Communist ideology in the minds of [illegible] of under years."

Extracted from Standard-Sing Tao The Hon R Todd, Secretary for Chinese Affairs, opened the Children's Library together with acting Hong Kong Junior Chamber of Commerce President A de O Sales on Jun 12, 1951. Over 5,000 books were donated!

Side by side with civic projects, there was keen interest in business pursuits too. The Jaycees held its first trade exhibition in Melbourne in 1952, and repeated the project elsewhere until the territory stepped up its official presence at numerous trade and industrial exhibitions in the years that followed.

In a move to broaden their vision and widen their horizon, pioneer Jaycees were also active in attending various Conferences and Congresses, not only Jaycees but other such occasions as well.

The experience gained led to the success of hosting the first and the fourth JCI Regional Conferences in Hong Kong in 1951 and 1954 which won community plaudits and put the Chamber in the forefront of Jaycees in the continent.

History of Junior Chamber International Hong Kong

A dream became a reality when President Colin J Ure signed the contract for the construction of the Jaycee Peng Chau Health Clinic in the presence of representatives of Peng Chau Rural Commuttee. The designer of the clinic was Mr Peter Ng (the gentleman standing in the middle), an authorized Architect. He became our President in 1962.

The participation in, and the hosting of, international conferences, added a new dimension to the members and at the same time uplifting the regional exposure for Hong Kong. Hong Kong Jaycees quickly attained high international office. From 2 Regional Presidents for Asia to JCI President in 1956 and Vice President for Commissions in 1957.

With wholehearted participation and genuine contribution by the Jaycee members, Hong Kong Jaycees earned wide international recognition in a few years. Jaycee activities were seldom out of the press and were extensively reported. And so, Hong Kong Junior Chamber had an accepted place in the community here.

At the same time, with the rapid development of Hong Kong in the 50s, it became apparent that facilities for the training of future executives were almost non-existent. Hong Kong Junior Chamber shown foresight and initiative in promoting institutional development. It particular, it took pride in its contribution to the formation of the Hong Kong Management Association.

Jaycees was therefore called 'catalysts' and 'pacesetters' locally. They were described by the then Governor Sir Alexander Grantham as 'Practical Idealists' - young men with high ideals put into practice by concrete projects for community betterment.

Undoubtedly, Jaycees in the 1950s laid down a solid foundation for the Hong Kong Junior Chamber to go forward with more growth and development while it won wide prestige in the community and high recognition in the Jaycee world.

The members still had the cherished ambition of bidding for a World Congress, a daunting task then without proper facilities and adequate funding. Plans were laid carefully soon afterwards as the new City Hall was being built. The bid won in a contest and so Jaycees had the unusual challenge of holding here the first worldwide meeting. The successful response was sound organization with total membership involvement.

Flashback 1960's - Growth and Development

In the continuation of the relay, Hong Kong Junior Chamber stepped into its further developing stage.

Applying the experiences gained and together with the endeavor of the Jaycee members, the 17th World Congress of Junior Chamber International was, for the first time, held in Hong Kong in 1962. It was a grand and memorable event, widely covered by the media. The use of the whole new City Hall became the talk of the town. The success of which not only reaffirmed the social status of Jaycees in the community, but also was a confidence booster for each Jaycee member.

Two survey teams were set up to inspect the 23 children's libraries donated by the Jaycees in the past years to various organizations and schools. Eight of them had been selected for replacing some worn books and adding to their shelves some new editions.

The handsome surplus from the Congress also led to the formation of the Trust Fund. It gave the Chamber a sound foundation which enabled the Jaycees to carry out many projects for community development with the confidence and helped it eventually to buy an office.

With the continual injection of new blood, Hong Kong Junior Chamber was restructured into a core National Organization Member (NOM) and 2 affiliated chapters of Victoria and Kowloon Jaycees in 1965.

"A Better World Tomorrow Through Jaycee Training Today"-Theme of 1966 JCI Conference in Hong Kong.

JCI Regional Conference was hosted in Hong Kong again in 1966.

To spread the Jaycee spirit, Jaycee Week program was also launched in the 60's to promote Jaycees to the public. The first Chinese speaking chapter (Peninsula Jaycees) and the first all lady chapter (Hong Kong Jayceettes) were then formed in 1969.

The coming together of members from various backgrounds provided the impetus for a diversification of community projects.

The Annual Dragon Seed Races shared our concern for the boat people in the Kowloon typhoon shelters.

The Miss International Goodwill Contest, and the later Miss Hong Kong Contest in the 60's were first initiated by the Jaycees and became an international friendship program which promoted the international goodwill and enhanced cultural exchange of Hong Kong.

The TOYP was first introduced by Hong Kong Junior Chamber of Commerce in 1970. His Excellency The Governor was the Patron.

The addition of more members and more projects, called for better communication, co-operation and administration. The introduction of management course and projects such as Anniversary Ball played an important role in answering to the needs.

Through such projects in 1960s, Hong Kong Junior Chamber became more concerned with membership development and began to strive for more opportunities in leadership training and to step up work for betterment of the community.

Flashback 1970's - Many First and Meaningful Projects

Stepping into the decade of the 70's and after the celebration of the Silver Jubilee Anniversary, it marked the beginning of an expansion in chapters and rapid increase in international awareness of their high standard of administration activities.

History of Junior Chamber International Hong Kong

It was a memorable period which had many encouraging rewards and meaningful projects carried out. F more chapters were formed. JCI Asia Pacific Conferences were again hosted in Hong Kong in 1972 & 1979.

In 1974, during the World Congress held in Auckland, Hong Kong Junior Chamber won the first Local Organizati Member (LOM) Award and the JCI Presidential Award and the JCI Presidential Award of Excellence in NOM management.

Three years later, Hong Kong Junior Chamber was awarded the JCI Presidential Award of Excellence for Outstanding Achievement in Chapter Extension with an increase of 25%, and the JCI Presidential Award of Excellence for Outstanding Achievement in Growth with an increase of over 50% in membership in the year of 1979.

The Jaycee owned Chamber Office was opened in the year 1977 with the help of the Trust Fund, which further enhanced the sense of belonging of members in the Jaycee family.

His Excellency the Governor Sir Murray Maclehose sent his message to welcome the delegates of JCI Regional Conference.

For the first time in Hong Kong, two toys libraries for children were set up by Jaycees in Tze Wan Shan and Tuen Mun.

Many well-known projects were initiated and received wide publicity. To name a few:

- The first 'Outstanding Young Men Award' was launched (forerunner of the 'Ten Outstanding Young Persons Selection' (TOYP) program which received increasing support and commendation from the public until now).
- The 'Exchange program' in 1971 was the first Youth Voyage which deepened the cultural exchange and understanding between Hong Kong and Japan.
- The first 'Solar Heating System' installed in Wu Kai Sha Youth Camp received the first LOM award in JCI World Congress.
- The much acclaimed 'Earth Population Awareness Program' which propagandized the slogan: 'One is cute; Two is ideal; Three is too much for the bill, Four breaks the family quilt' was adopted by The Family Planning Association as a slogan for family planning education program.
- The "Pop Folk" Concert in those days was the only outdoor concert attracted the youths in Hong Kong.
- The 'Eye Care Campaign' and 'Kidney Donation Campaign' etc. projected the importance of health.

The 1981 JC Youth Voyage (青年之船) arrived Hong Kong late at1:30 a.m. due to typhoon.

1983 Theme Project, "A Diversified Economy, Future Stability & Prosperity", won The Best NOM Theme Project Award during the 19th World Congress held in Taipei in Nov 1983.

To echo the 1986 theme of Hong Kong Junior Chamber of Commerce "Training the Youth, Heading for Peace", 100 pigeons were released into the sky of Statue Square in Central.

Flashback 1980's - Challenging Decade

The Jaycee movement in the 80's was confronted with many challenges but at the same time opened up many new and exciting opportunities.

More LOMs were added to the Jaycee family in the 80's, increasing the total membership to over 1,300 and 19 chapters, in which two chapters - Macau Jaycees and Hou Kong Jaycees in Macau - formed the Macau Jaycees and affiliated with JCI as an independent National Organization Member at the end of 1988.

With more energetic young persons joining the Jaycees, many meaningful and innovative projects were held, such as 'Young Scientists Awards', 'The International Children Drawing Competition & Exhibition', 'Chunk-Click and Go', 'Spread the Lights', 'Good Children Awards', 'Courtesy Campaign', 'N. T. Regional Outstanding Student Selection' and 'Road Safety Campaign' etc.

There were also honorable and glamorous moments for Hong Kong Junior Chamber in the 80's. Senator Jennifer Yu was elected as the first Lady World President for 1988. Four TOYP awardees of Hong Kong were separately honored as recipients of the Outstanding Young Person of the World Award during the JCI World Congresses in the years 1983, 1984, 1985 and 1988. Furthermore, three lady National Presidents were elected, and led the Hong Kong Junior Chamber of Commerce in 1983, 1987 and 1989 respectively.

Approaching the end of 1980's, Hong Kong Junior Chamber was faced with many public issues as did the community at large. Even so, the Hong Kong Junior Chamber still pressed on with the mission of community involvement and played an important role as training organization for young people.

Hong Kong Junior Chamber had the honor to be invited to participate in the first 'Youth Rally' of the 'Youth Festival' in December 1989. Relationship with outside youth organizations and Government was further strengthened and the image of Jaycees in the eyes of the public was also kept up.

The Chief Secretary Sir David Ford joined hands with the Jaycees in the grand opening of the JCI Hong Kong Congress

Flashback 1990's - Scaling New Heights

Entering the nineties - a decade of change and transition - the Hong Kong Junior Chamber continued to uphold its mission of advocating social responsibility among young people. In the first-ever direct election in Hong Kong in 1991, the "One Plus One - Support Direct Election" campaign was organized by all 17 local chapters, once again marking the Jaycees' active participation in civic affairs.

In 1993, the Hong Kong Junior Chamber hosted the JCI World Congress, an event that attracted more than 6,000 delegates from over 100 countries around the world. 30 years had elapsed since the Hong Kong Jaycees last hosted the World Congress in 1962 with wide acclaim.

The decade of the nineties also witnessed a series of improvement programs within the organization. With funding support from the Hong Kong Junior Chamber Trust Fund a new office in Sheung Wan was acquired in 1990 to provide a more spacious training and meeting facility for the Junior Chamber's 1,500 strong membership. The "National Business Network" (NBN) and the "Training and Development Committee" (TDC) were subsequently established to offer a wider scope of networking and development opportunities for the members.

Since 1996, the Hong Kong Junior Chamber has been actively involved in the "Right Decisions Program". The project, originated by JCI and executed on a worldwide level, promulgates the importance of youngsters in making the right choice for their actions. The "Right Decisions Program" has been implemented in primary and secondary schools since 1998.

NP Daniel Cham joined the HK delegation to take part in the "International Model United Nation" organized by the UN and JCI. JC delegates and NGO representatives from all over the world took part in the 5-day event in the UN Headquarters.

Besides serious training schedule, members also had moment for rejoice in Vanguard Leaders, a prominent training originated by JCI.

Flashback 2000's - Now and the Future

While celebrating the 50th Anniversary in year 2000, we renewed our pledge of traditional commitment to work for community betterment and for the happiness and prosperity of the territory. We continue to provide high quality training programs and learning opportunities to members, and cultivate their sense of belonging to civic matters such as 'Right Decisions Program', 'Basic and Advanced Leadership Management Training', 'You and I bring Hong Kong Back', etc.

Hong Kong Junior Chamber participated in "上環繽紛夜市慶千禧". Professor Right Decisions was well recognized by the public.

In 2001, it was the first time in the history of Ten Outstanding Young Persons Selection that a Community Service Day was included. The purpose of this was to bring the message that the awardees of TOYP Selection will take the lead to serve the community especially the less concerned group. On October 28, the awardees of 2001 TOYP Selection together with hundreds of members of HKJC, disabled persons, students and volunteers participated in creating a giant paper flower sculpture made up by over 73,000 pieces of paper flowers. All the paper flowers were hand-made by disabled persons, students, and volunteers. Through the challenge of setting world record, public concern on the employment opportunities of disabled people in Hong Kong was aroused. Besides, fund for the first self-financed floral workshop of Hong Kong Federation of Handicapped Youth was raised through the event.

In line with the adoption of JCI Corporate Identity Program in 2003 Copenhagen World Congress, Hong Kong Junior Chamber changed its name to Junior Chamber International Hong Kong in 2004 and acquired a new office in Sheung Wan to accommodate our future expansion.

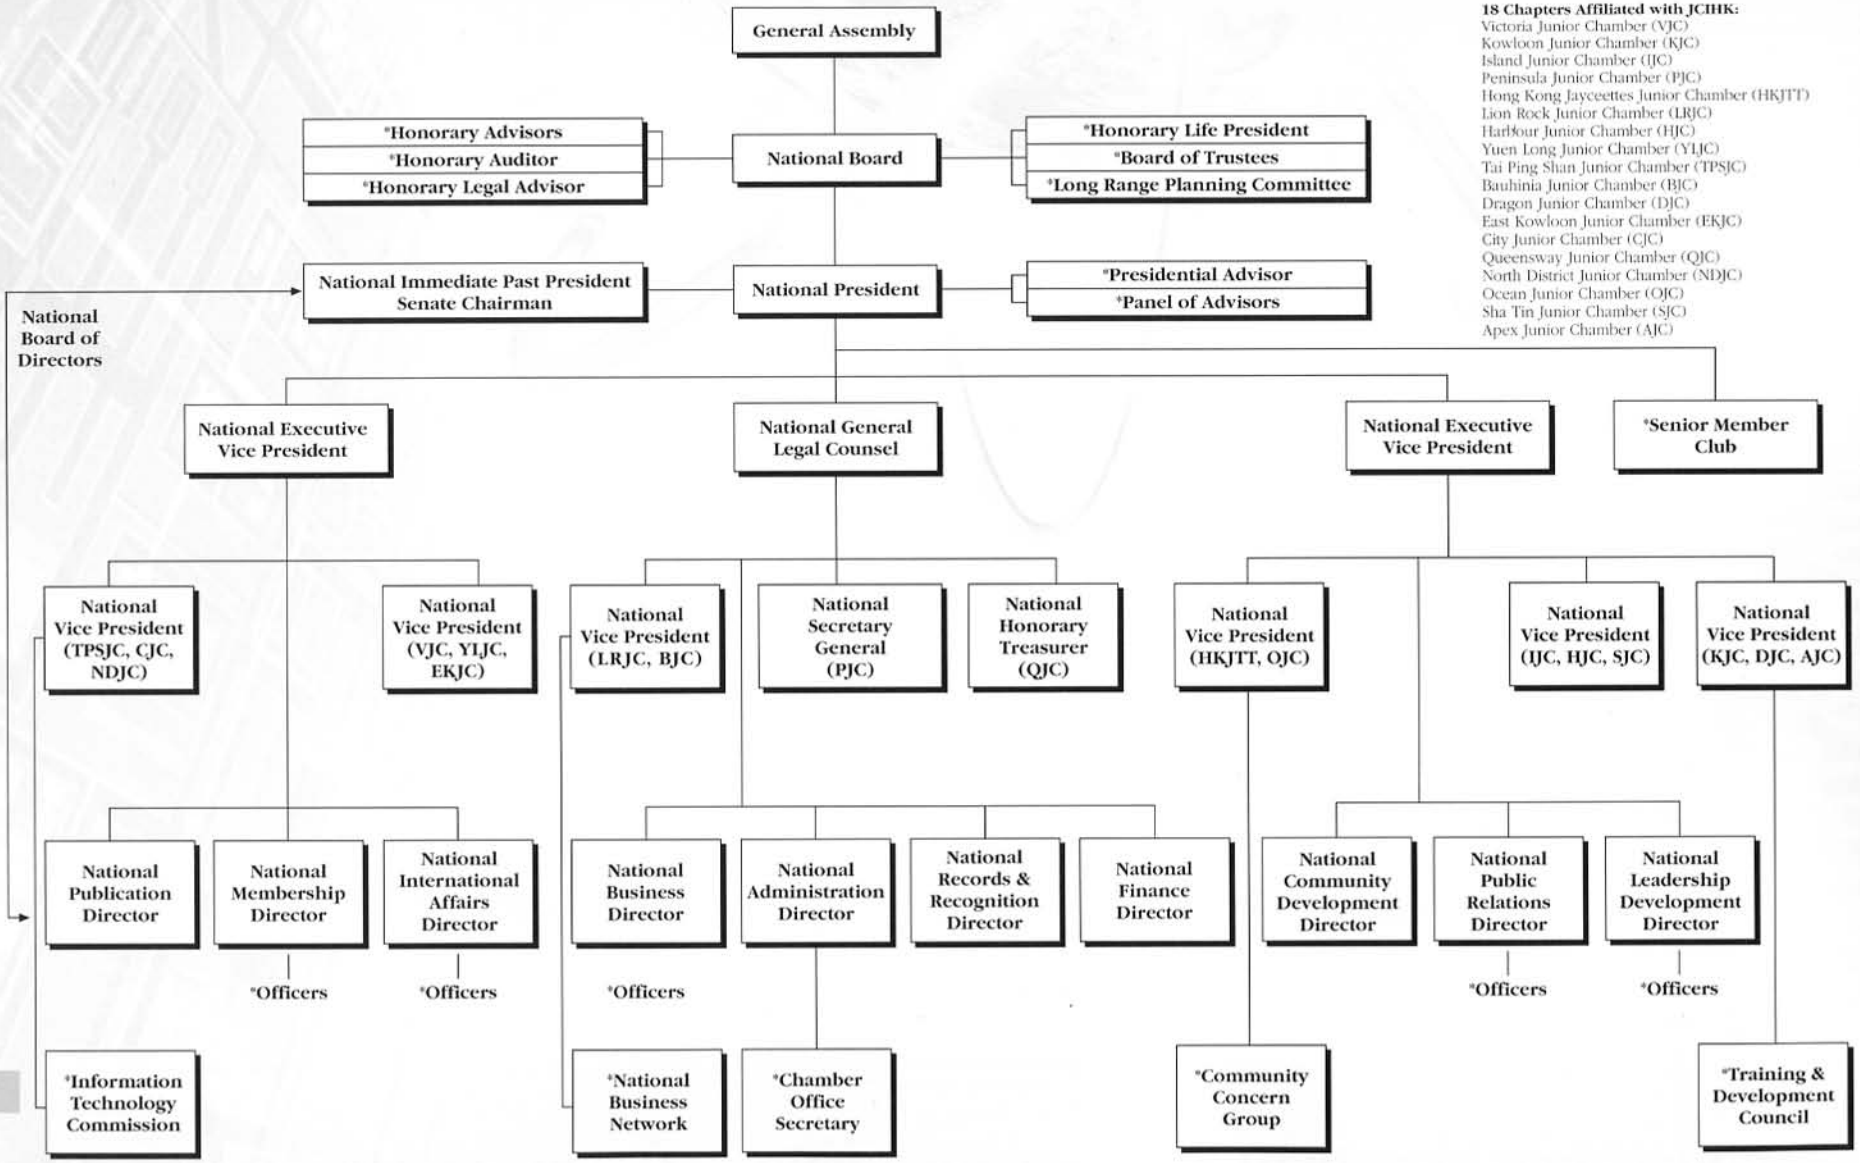

First time online interview with JCI President Karyn Bisdee was broadcasted to the world during her visit to Hong Kong.

無需磨皮及冷凍暗瘡之K面膜

未試過K面膜 請不要絕望

今日青年男女最感困擾的皮膚問題莫過於暗瘡了。暗瘡能影響人的儀容，其中嚴重者可使人滿面瘡痍，即使痊癒日後也會留下不雅的疤痕。

暗瘡所以常見於青年男女，原因是青春發育期性荷爾蒙特別活躍，刺激皮下脂肪腺分泌過多；如果平日皮膚缺少面膜的護理，日間毛孔受到汗漬塵垢的阻塞，未能及時把脂肪腺內過多的油脂排去，毛囊孔道就會壅塞起來，脹大成暗瘡了。導致暗瘡的原因很多，除上述原因外，天氣暑熱、緊張的情緒，工作的壓力，以致嗜吃煎炸油膩及辛辣食物，都會引發暗瘡。這些生活、飲食及情緒因素，會在人體內形成血液的熱毒，很易使窩藏於表皮的細菌活躍起來，在脹大的毛囊內繁生，並且會造成紅腫及含膿的暗瘡。

很多人由於無法抑制儀容不美的不快心理，以為把暗瘡擠破就可以解決問題；這種做法反會令暗瘡蔓延，因其內所含的細菌及黃脂將會感染附近健康毛孔，並會引致發炎。其實，紓解暗瘡的最佳辦法，就是選用一種有清毒殺菌，及抑制油脂分泌過多的面膜實行自我護理。

有鑑於暗瘡是常見的皮膚頑疾，擅長以天然植物精華配製護膚美容品的著名皮膚學家基雅拿醫生(DR.KIRARA)多年前設法研製出一種可紓解暗瘡的本草配方。經過多年的研究，他及其研究員針對暗瘡的成因，特別研製出一種能徹底清除暗瘡的K面膜。此面膜以數十種清毒本草提煉出來的本草精華，配以具殺菌功效的天然礦物質，和營養蛋白質複合物精製而成。對於頑劣暗瘡、面部鬆弛無光澤，皮膚缺氧、毛孔粗大及敏感等問題皮膚有令人喜出望外的效果。

由基雅拿學院研製的K面膜以積極進取的方法，提供細緻的治療和呵護，由內至外改造皮膚，從深層清潔、消炎、化結、去印、補充氧份，然後改造皮膚，以達換膚效果，使肌膚更幼嫩柔滑，更光澤潔白，更富彈性，如同重生，散發完美光采！

深切治療暗瘡過程

用法：潔面後，將本草粉倒放於器皿內加以精華素混和，均勻塗於面上，直至完全乾透後，以溫水洗淨，再以洗面奶過面，然後拍收縮水及塗面霜。(乾性及敏感性皮膚使用前，需先用水份面霜打底)
