4 AREA PROGRESS AND ACHIEVEMENT

4.1 Membership

As of Sept 4 2010 Joint Board Meeting, the total membership number in NOM record is 1,640. This includes 956 Ordinary Members (FMs), 226 Prospective Member (PMs) and 458 Senior Member (SMs).

Such figures represent a strong growth of the overall membership when comparing with figures recorded on Jan 16, 2010. There is a 13% growth for Ordinary Members (from 845 to 956), 38.65% growth in Prospective Members (from 163 to 226) and 8.79% growth in (from 421 to 458). We hope that we are able to reach the target of 1,000 Ordinary members by the end of the year.

In this year, membership team has done a lot to enhance members' understanding and loyalty to the organization. The target is to strengthen the identity of young active citizenship in members' mind.

4.1.1 Equipping LOM Directors

Membership training workshop "Star Coach" program was organized for LOM MA Team during the training on 19 December 2009. Senator Joseph Ho was invited to share the tips of how to recruit and retain members and there are total 40 members from 12 chapters joining the training. The second Star Coach Workshop had invited representatives from PJC and LRJC, local chapters which were doing excellent in membership recruitment in 2009 to share their experience. The peer-to-peer setting provides a very interactive exchange opportunity for new local chapter membership teams to learn from success.

4.1.2 National President Table (NP Table)

Initiated by MA Team this year, all (and only) newly inducted members in this year are invited to have a lunch/dinner with National President Senator Gene TANG. This monthly event has received very good feedback from members. In the event, members would receive a Robert's Rule of Order and an individual photo with NP. The Roberts' Rule of Order was presented with compliment of PNP Senator Ellen TSANG, PNP Senator Clement WOO, PNP James TSUI, National President Senator Gene TANG and National Executive Vice President Senator Stanley NG.

4.1.3 Welcoming Prospective Member in NOM PMO

Total of 4 PMOs had already been conducted. In addition to welcoming, inspiring, educating new members, the program also acts as a supplement event for local chapters that do not organize their own PMO often, which limits their flexibility in inducting members due to compliance reason. In this year, the policy of focus in welcoming official joined PM has been tighten, though with flexibility. It is noticed that the impact to members is stronger as they have already learnt the basic from their local chapters. Thanks to TPSJC PP Senator Wendy PANG, PNP Senator James TSUI from CJC, OJC PP Senator Joseph HO and PNP Senator Alexander TZANG from my mother chapter, IJC, being the speakers of the orientation. Their sharing makes newly joined PM have stronger sense of belonging to the organizations.

4.1.4 Membership Directory

Taking the opportunity of 60th Anniversary, NOM MA had made many breakthrough actions in this year. To enhance communication among members, NOM MA Team launched the 60th anniversary Membership Directory.

In addition to members' contacts and profession, brief analysis on membership profile has also been released. Without recruiting additional manpower, the success in launching the directory is definitely an example of "doing more with less".

In this year, we successfully collected 600 membership data. After the first book is published, we believe that we can collect more information in the coming year.

4.1.5 PM Handbook
Though the launching time has been rescheduled after prioritizing of various tasks, a very comprehensive PM Handbook had been put on-line in the JCIHK website for new members' easy access to basic knowledge.

4.1.6 Membership Data and Declaration System
After years of effort, NOM MA Team successfully launched the on-line membership declaration system for LOMs in May this year, which allows local chapters to easily access, update and review the membership record. The success of the system launching with smooth implementation was contributed by detailed planning and communication (Please refer to NVP Senator Jojo's report for details). Workshops and trainings are offered for all LOM membership team with high attending rate. In addition to MA Team, I need to present special credit to Bauhinia JC 2008 President for her patience and effort to make things happen.

4.1.7 Recruiting New Members – [Change Maker] Forum
We appreciate the joint effort of SJC and DJC to organize the [Change Maker] Forum. Over 450 youths gathered in the Jockey Club Auditorium at the Hong Kong Polytechnic University on May 15 2010 to see how they can be a Change Maker. Dr. Frederick MA, Mr. CHEUNG Ka Ho, one of the Ten Outstanding Young Persons 2009 awardees and Ms. TANG Siu Lam, a courageous girl fighting against cancer, were invited to be the speakers of the event. Through the sharing and motivation by prominent speakers, JCIHK Partner representatives, sharing-members, participants are motivated to have positive living attitude and to join JC movement.

The event was rated highest score in NOM event and Local Chapters have earned solid result in recruitment through the event. Thanks for SJC and DJC's devotion to the project. Chairman Past President Novel HO from Shatin Junior Chamber demonstrated excellent leadership in the project. Moreover, having Immediate Past President from the two hosting chapters is another key success factor of the event. We believe that the format of the event would be a new benchmark for future recruiting event.

4.1.8 Promoting JC in HKTDC Entrepreneur Day
http://www.hktdc.com/fair/eday-en/s/2279-General_Information/HKTDC-EntrepreneurDay/supporting-organisations.html
Similar to what we have done in the past years, JCIHK was invited as supporting organization of HKTDC Entrepreneur Day during June 18-19, 2010 in HKCEC. An exhibiting booth has been set up for LOMs to promote their Chapters to young entrepreneurs.

REPORT TO THE GENERAL ASSEMBLY OF THE 45th NATIONAL CONVENTION FROM NATIONAL VICE PRESIDENT SENATOR JOJO KONG

1 FOREWORD

It is my greatest honor to serve Junior Chamber International Hong Kong in the capacity of National Vice President in 2010. President Jackson is a capable leader, with the wholeheartedly support by his members, Kowloon has made excellent accomplishment in year 2010. The board members show very positive team spirit and the overall Chapter management and project went smooth and done remarkably well. Financially wise, Kowloon was Pearl sponsor to NOM.

Projects
Kowloon completed 4 themes this year.

In Business Area, Kowloon showed the support to NOM by hosting CEO Forum project with Tai Ping Shan Junior Chamber. They invited renowned guest speakers from public and private sectors to extend our knowledge on global horizon. In addition, the event was held at most premier conference place - Hong Kong Convention and Exhibition Centre which uplifted the standard of the project and enhanced JCI and JCIHK's branding in the business community. The project also received many compliments from members and the public.

In Community Development, Kowloon organized two projects. Through Children's Chinese Calligraphy Competition project, Kowloon successfully promoted traditional Chinese culture among youths. With the theme of "thanksgiving", they fostered concept of appreciation (especially parents) and the project was jointly organized with Kowloon City District Office. In Money Management Award, they encouraged young people to start financial planning early in view of the rising medical costs and the ageing population. Kowloon put great effort in exploring opportunities to meet various government officials and they had successfully invited senior officials from Hospital Authority serving as one of the judges.

In international level, they signed a friendship pact with Daegu Suseong Korea JC during their 45th anniversary banquet. An experience sharing and reception dinner was held in HK for their sister chapters, Taipei Jayceettes, and friendly chapter, Daegu Suseong Korea JC in July. Membership
Kowloon achieved the membership to 55 by National Convention. Well Done!
Kowloon is a passionate and devoted chapter. They tailored their monthly fellowship gathering as the format of PMO. The overall atmosphere was great; every month with Induction and recruitment, high participation and passionate member, the recruitment rate at monthly fellowship gathering was relatively high. They organized three PMOs & internal PR gathering regularly to recruit members and to maintain good relationship among members. With the sustainable membership growth and improvement of member' s quality, I am sure that Kowloon Junior Chamber will achieve another milestone and continue to growth.

Dragon Junior Chamber

President and Chapter Admin
It is my greatest privilege to be the National Assigned Executive Officer of Dragon Junior Chamber for two consecutive years. With the Presidential theme of "In DJC, We create Leaders", President Clarkson and his team of dedicated board members launched a number of projects with good balance and great achievements. Attendance of board members was relatively high at eight Board Meetings which held regularly. Financially wise, Dragon was Pearl sponsor to NOM.

Time machine, Dragon Business School was a good show on the 30th Anniversary celebration. We witnessed many prominent leaders graduated from Dragon and the successful path provided by Dragon. The played the LIVE music and sang the OLD songs together.I strongly felt the support from Past Presidents, senior members and senators are always invaluable chapters.

Projects
Dragon Apprentice project - it is 2nd year flagship project in Dragon. Like last year, Dragon organized the project with Hong Kong Children and Youth Services (HKCYS). The opening ceremony held ed on 1 Aug 2010 with a day training camp which gave the youth participants to learn team building skill. The second part of this project included seminar workshops in which the participants can learn creativity, presentation and marketing skills. For the final part, group of participants presented their business plan to the judges. The award presentation was held on 5 Sept 2010.

International affairs area was another great achievement in Dragon this year. They signed a sister pact with Nishinomiya Japan JC at Singapore ASPAC in Jun. Over 12 delegates supported and witnessed the significant moment of Dragon.

Dragon also jointly hosted the NOM Recruitment seminar with Sha Tin Junior Chamber during JC week in May. It was launched successfully with great publicity, also it was one of the biggest recruitment seminars (with 500+ audiences) in JCIHK. WELL DONE!

Membership of Dragon is steady with 35 Full Members. The Membership Fellowship Gathering, Monthly Yam Cha Gathering, Dragon Challenge (sport activities enhancing inter-chapter fellowship) and PMO built the strong brotherhood of Dragon. I am glad to work with Dragon for such a successful and brilliant year.

North District Junior Chamber

President and Chapter Admin
"25 Years of Legend, This is our NDJC" is not only the theme of North District Junior Chamber in 2010 – the 25th Anniversary year, but also what they have achieved. President Sunny is a reliable and experience JC. Under his leadership, the chapter management is very solid. Great team spirit can easily be seen in their commitment to achieve the common goals. Relationship of the chapter to district and various external parties were further strengthened. North District also focused on building up a corporate image through professional designed letter heads, email layouts, banners and power point layouts at Meeting. Financially wise, North District was Pearl sponsor to NOM.

Projects
North District is doing excellent on this organizational arrangement in both chapter and project levels. 4 large-scaled project and over 15 other projects were organized.

The prominent Community Development project - Hong Kong Children Silver Tongue Contest is in 19th year. The event is continually having great support from schools, parents, government and sponsors. The addition of new element - essay writing (English) and video taking of speech (Cantonese) on given topics which further promoted the importance of "All-Rounded Language and Communication Ability".

Internationally, North District co-organized a joint-trip with Peninsula Junior Chamber for visit to Zhuhai and Macao. Zhuhai Youth Federation is the friendly association of North District and Hou Kong Junior Chamber is the sister chapter of Peninsular Junior Chamber. They encouraged both members to closely study the Pearl River Delta cities, Zhuhai and Macao, and to understand more on the social, economical and cultural development of the 2 places. REPORT TO THE GENERAL ASSEMBLY OF THE 45th NATIONAL CONVENTION FROM NATIONAL VICE PRESIDENT FRANCO MA

1 FOREWORD

2010 is a remarkable year in my JC life. Under the leadership of National President Senator Gene Tang, I am delighted to be part of his team to serve as a National Vice President of JCIHK in 2010 overseeing International Affairs and as a National Assigned Executive Officer assigned to Yuen Long Junior Chamber, Queensway Junior Chamber and Ocean Junior Chamber. Being a NAEO gave me a good opportunity to polish not only my public speaking skills and motivation skills but also an opportunity to learn the culture and management of different chapters.

2 ASSIGNED LOMS

Yuen Long Junior Chamber

With the strong commitment and dedication of President Ben Leung, no doubt that Yuen Long Junior Chamber has showed great team spirit within the chamber. No matter the fact that most members of Yuen Long Junior Chamber live and work in Yuen Long or nearby. But they have showed great support to NOM and other LOMs events. The efficiency index is always higher than 90 marks all over the year.

At the vey beginning, JCI Hong Kong suggest each chamber to have more communication with district office and cooperate with them for different projects. Yuen Long Junior Chamber show model for it! It has very strong area network and background in Yuen Long. With its advantage and their effort, they get a lot of support from different Yuen Long local organizations and citizens. It is a model for other LOMs in Hong Kong.

“和諧團結，分享喜悅“ is a theme of Yuen Long Junior Chamber this year. Under the leadership of President Ben Leung, strong fellowship is found inside BOD and among members. They will always have different gathering to strengthen the fellowship among members. A lot of PPM are being attracted by this kind of gathering.

More than 20 years of experience, 2010 HKSAR Outstanding Student Selection is the flagship project of Yuen Long Junior Chamber. It echoes a lot of noise in the public. The event is continually having great support from schools, parents, government and sponsors. It provides students know that besides study, life has a lot of dimensions and they can develop themselves in balanced way and equip themselves for the coming challenges. Those elected outstanding students not only have good achievement in academic areas, but also show strong leadership and social responsibility. They have also cooperated together to have performance at award ceremony. Making a breakthrough in a flagship project is not easy, but project OC has made it!

This year, YLJC has also put great effort in exploring opportunities to meet with various government officials and prominent individuals in the society, to be guest of honor or guest speakers to their events, e.g. inviting Deputy Director General Youth Department of Liaison office of the central People’s Government in The HKSAR Li Ji Yi (李薊貽副部長), Manager Director of AEON, Masanori Kosaka to be guest of HKSAR Outstanding Students Election 2010.

International affair is also a great achievement of Yuen Long Junior Chamber this year. Their sister chamber in Taiwan is 基隆青年商會 , which is the first chamber in Taiwan JC. President Ben Leung has lead 7 members to join their 50th anniversary banquet at July 2010.

With gratitude to Yuen Long Junior Chamber showed their support to NOM with PP Senator Ken Wong as National Immediate Past President. Besides, YLJC has hosted Executive Training for NOM. Congratulations again to Senator PP Shirley Lai; she has won the most outstanding member award in Asia Pacific Conference 2010 at Singapore. I trust Yuen Long Junior Chamber will continue to grow and flourish. Live up to the theme “和諧團結，分享喜悅

Queensway Junior Chamber

“Inspire to lead, learn and achieve” is the presidential theme of President Jeffrey. With his passion to lead, learn and achieve, President Jeffrey not only motivated his members to actively participate in JC events, but also organise their own dream projects.

Queensway Junior Chamber possessed a diverse group of new members coming with energetic minds and willingness to learn. With the aim to strengthen the communication and training to members and dedication to the JC movement, a balanced program of activities were planned and organised in the year of 2010.

Queensway Junior Chamber and City Junior Chamber hold one of the flagship projects of JCI --- “JCI Public Speaking Competition”. Thanks a lot to chairman Suki Cheung, OC Suki Pat, Angus Au Yeung, Ah Man Fok, Leo Ng. With the whole-hearted support of Queensway Junior Chamber, “JCI Public Speaking Competition” is one of the most successful projects in JCI Hong Kong this year. And “learning through doing”, most Queensway Junior Chamber’s member benefit from it.

International affair is also a great achievement of Queensway JC this year. Although Queensway JC only have one sister chapter Okinawa JC, Japan, President Jeffrey and IPP Parlett have put every effort to connect to the sister chapter and have finally met up with them during ASPAC. With international exposure, external network with other organisations and government offices and internal mingling with other JC chapters, Queensway JC has established an excellent platform for their membership growth and development in the years coming ahead.

July MFG is a unforgettable MFG of Queensway Junior Chamber. Senator PP Jean Francois Arnold went back to France this year and QJC hold a farewell MFG for him. Laugh and tear never stop during the whole MFG. Past Presidents, senators, members and his classmates share a lot of stories and memory with him. The fellowship within QJC is strengthen and nobody will forget our beloved Senator PP Jean Francois Arnold and his famous LD training topic “how to keep 2 wives in the same time?”.

Senior member is one of the most valuable resources in each chamber. Queensway Junior Chamber found their senior member club this year. Senator PP Iris Chan and a group of Past Presidents and Senior members has worked very hard on it. It surely can enhance the bonding of senior members to chamber. Experience and wisdom can be transfer to current members and benefit chamber finally.

With gratitude to Queensway Junior Chamber showed their support to NOM with IPP Parlett Chang as National Leadership Development Director. Besides, QJC has hosted The JCI world public speaking for NOM. I trust Queensway Junior Chamber will continue to grow and flourish. It is my honor to walk with Queensway Junior Chamber this year, especially to witness the growth of a group of young professional leaders.

Ocean Junior Chamber
Leading by President Cynthia Lim, members were motivated by her passion and were actively participated the planned projects on the right track. Energetic, positive and enthusiastic young leaders strive for a balanced growth in the four areas of opportunities as well as their personal growth and leadership ability.

Although the board members of OJC was in full gear in supporting different flagship project, this dedicated and enthusiastic group of board members has been very strong in their membership development and organized a number of fruitful and meaningful project echoing the JCI mission.

Membership growth is also another impressing effort that the team has put on. Not only OJC has a structured way to perform first and second screening of their PMs but also involving board members to interview each of the PMs before inducting as members. They have maintained around 10 PMs almost every month starting from the beginning of the year and PMs were inducted to be members gradually.

Regular monthly fellowship gathering, PMO and leisure activities were held with various interesting topics to recruit and retain good relationships among members. Both Ocean 23rd anniversary banquet and the mid-year awards presentation were a joyful and unforgettable nights of all the members and guests. Many members dressed up like cow-boy and cow-girls at the anniversary, and world-cup atmosphere and topic happen all around mid-year awards presentation.

With gratitude to Ocean Junior Chamber showed their support to NOM with PP Senator Joseph Ho as Committee Member of Long Range Planning, PP Senator Timmy Lee as National Executive Vice President, PP Senator Kristine Chung as chairman of 60th Anniversary Banquet. Besides, OJC has hosted E-bidbook Seminar I and 5-star training camp I.

I had the pleasure of working with all members of Ocean Junior Chamber; I can feel the high-spirit dedication and happiness amongst members without difficulties. 3. ASSIGNED LOMS

3.1 Island Junior Chamber

"Work Smart Play Smart" is the theme of Island Junior Chamber in 2010. This year, under the leadership of President Chapmun and his devoted Board of Directors, Island Junior Chamber organized various meaningful projects for young leaders for further development in four areas of opportunities.

The flagship program – 29th Shell/Island Jaycees scholarship for Disabled will be launched which aims to recognize those teenages in disable who have the outstanding performance and to appreciate their positive thinking and action to face the challenge. Echo to the United Nations Millennium Development Goals (UNMDG), Family Learning Fun Project was carried out which allowed Children with Learning Disability to have a fun day by getting out of classroom, this also broaden their horizon to know the world. In addition, Joint project with Hong Kong Jiangmen Youth Exchange Promotion Association, the Business Trip to Jiangmen took place in 17-18th July. It provided more opportunity for members to understand the economic development of Jiangmen in China. For individual development, President Chapmun initiated Island Junior Chamber and Harbour Junior Chamber to co-host the 5-star Training Programme III in coming October. It provides training opportunity for members to develop their leadership skill. Besides, Islanders always shows their hospitality when sister chapter visited to Hong Kong. Having a dinner and seeing the World Cup together, it was memorable moment with Islanders and the delegates from its sister chapter.

Apart form all the above, there is tremendous support from Island Junior Chamber by hosting COC Sport Day, it provides a platform to all JC members not only a relaxing JC day, but also an opportunity to develop a strong sense of belongings and team spirit. It was definitely a athletic day full of laughs and fun.

Island Junior Chamber has also shown his continuous support to JCI HK by making generous donations as well as by nominating Past Presidents and members of the chapter serving at various positions not only JCI Hong Kong but also in JCI level such as Past President Senator Fook Man Chan as 2009/2010 JCI Asia Pacific Development Councilor, Past President Senator Paul Yin, SBS, JP as NOM Advisor, Past President Duncan Tai as NOM TDC Advisor, Past President Senator Felix Cheng as NOM NCCG Advisor, Past President Senator Stanley Ng as National Executive Vice President, Immediate Past President Michael Tang as National Vice President, George Ngan as National Community Development Director. With the unfailing support from Past Presidents, Senior Members and Members, I can really feel the brotherhood in Island Junior Chamber. I believe that with the continuous contribution of the high caliber incoming board members, Island Junior Chamber will step into new milestone in the coming 45th Anniversary.

3.2 Apex Junior Chamber

“創意無限・從心出發” is the theme of Apex Junior Chamber in 2010. This year, under the leadership of President Johnny with his creative team, various projects in the four areas of opportunity were carried out successfully. Those projects have made a remarkable contribution to the community, to the betterment of Hong Kong and Greater China.

The flagship programme,「第六屆中華兒女」which focuses on promotion of National Education of Hong Kong, attracted more than 15 media reporting the survey, “感動祖國・網絡新聞” and “the use of internet in the primary student sector”. Therefore, the reputation of Apex Junior Chamber is enhanced through project coverage on greater publicity and broader acknowledgement from the public.

Aligned with the digital age, “尋找企業家的故事” was captured the hit topic, “internet marketing” in the seminar. With the prominent market successor, they shared their experience and market wisdom in order to penetrate the market by using social network service and other latest technology.

For the individual development, a new developed project “溝通360” was launched in March, May and August respectively for young leaders to improve the communication and presentation skills. It was widely supported by other organizations and attracted more than 100 outsiders to recognize the movement of JCI in Hong Kong.

As the only chapter with official language of Putonghua in JCI Hong Kong, in order to boost up Putonghua Learning atmosphere, Apex Junior Chamber always creates a Happy Learning environment to lift up their Putonghua competency. Apart from conducting the meetings in Putonghua, members and their friends also enjoy to sing a song in Putonghua Karaoke Contest in August.

Immense gratitude goes to Apex Junior Chamber who demonstrated their continuous support to NOM with involvement from his members such as Past President Derek Suen as Choirmaster of JCIHK Choir, Janice Lai as National Administration Director, Tom Hung as National Information Technology Commission Chairman as well as many members and senior members to participate into National Projects and activities. There is a 60th Anniversary Series in the Harbour Lights and we have interviewed PNP in different decades.

On the top of reporting NOM and LOM news, we will have feature story in every issue. We hope that our members can learn more from our society leaders.

Each issue of Harbour Lights will be sent to 18 public libraries in HK, local university / tertiary institution libraries, legislative councilors and >200 mailing list of JCIHK. We hope that we can promote JCIHK image to local trade / professional association through our NOM publication.

Thanks for the coordination by Senator Scarlett Wong and Senator Felix Chan. Our e-newsletter has been issued regularly.

2 CONCLUSIONS & ACKNOWLEDGEMENT

I feel proud to work in an outstanding NOM team under the leadership of NP Senator Gene Tang. My teammates are so helpful and smart in contributing articles in their area. May I also express my sincere gratitude to the excellent coordination work from CE Phyllis Chan and Chamber Staff Michelle and Roni. They all offered excellent help for the publication.

Of course, our Harbour Lights cannot be published without the coordination by our production house and Ms Dicky Pang. It is very important in our 60th Anniversary Series.

Last but not least, sincere thanks the nomination by North District Junior Chamber and the support by President Sunny Tang and his board members. I would like to thank the dedication and support by my wife, Senator Yvonne Wong. She is really helpful and gives me lots of valuable advice. 7. CONCLUSION AND ACKNOWLEDGEMENT

It has been my greatest honour to have had the opportunity to serve Kowloon Junior Chamber as the 2010 President. Following the legacy built by our past presidents, I have been fortunate enough to gain the full support of my fellow Board members and other members of KJC right from the start.

At the beginning of the year, we set ambitious goals in different areas including membership growth, community projects, public relations and fellowship gatherings as well as training for officers and members, and at this point in time, I am proud to point out that many of these goals have been achieved. During the period, we encountered difficulties and challenges in our projects and activities, and yet, with the concerted efforts of our members and the valuable assistance from our senior members, we were able to tide over the unfavourable situations and continued to head towards a successful conclusion of the activity.

On behalf of Kowloon Junior Chamber, I would like to thank National President Senator Gene Tang, National Assigned Executive Office NVP Senator Jojo Kong and all National Officers for the support throughout the year. Thanks should also be due to fellow 2010 LOM Presidents for their kind support and encouragement.

I would like to take the opportunity to express my heartfelt gratitude to Presidential Advisors Senator Andrew Wong, Senator Yury Lam, Senator Kitty Chan and Senator Paul Wu for their unfailing assistance and advice at all times. They were always ready to guide us and give us the necessary assistance whenever we requested. Special thanks should also be given to our legal Advisor Ms Amy Kong and Hon. Auditor Michael Tsoi and Co. for their continuous guidance and assistance.

I am also indebted to my Board members for their dedication to the job and efforts to accomplish the goal in respective areas. They have helped KJC in putting up a remarkable and memorable performance this year. Lastly, I wish to express my great appreciation to all members of KJC for their support and understanding, which have become the motivation for me and the Board to produce a new and successful chapter again in the history of Kowloon Junior Chamber.

CONCLUSION AND ACKNOWLEDGEMENT

It has been my greatest honor to be elected to serve the Island Junior Chamber this year as President. Despite my limited experience in the Chamber, I am fortunate to have full support from my outstanding members throughout the year. At the preparation meeting, most Board Members agree that with the experience of the current Board Members, it will be a tough task to compare with what others is doing. I agree that although our Board of Directors is inexperience, it will not be a difficult task to replicate what other have done previously as long as they set their heart and mind to it. Though along the way, we hit obstacles and make mistakes. I reassure my team that JC is a place to learn and through learning, mistakes will be made and that is fine as long as they feel they are doing it to the best of their ability. I would have to say there is room for improvement for everyone including myself, but if I have not taken up the task of leading the chapter this year, I would not have learn so much.

Taking this opportunity, I would like to express my appreciation to Presidential Advisors PP Senator S.C. MOK, area advisors consist of PP Senator Duncan TAI, PP Senator Jacky LAM, PP Senator Billy HO, PP Senator Stanley CHEN, PP Keith PON, PP Senator Fook Man CHAN and PP Don LEE for their support, understanding and advice. They were always there to give us the necessary assistance whenever we requested.

My heartfelt thanks also go to Trust Fund Chairman Past President Brian CHEUNG and Senior Member Club Chairman Senator Clarence CHEUNG.

Of course I could not do everything by myself hence, I am deeply thankful to my Board of Directors, IPP Michael TANG, SG Enzo KWAI, Treasurer Tim CHENG, VP Sam CHENG, Director Jason HO, Stephen HO, Eddie LAU, Jeff WAN and Howard WONG for their dedication and efforts to the Chapter this year. Their generous efforts definitely helped Island JC and it is proud to see that Island JC will be in good hands.

On behalf of Island Junior Chamber, I would like to thank National President Senator Gene TANG, National Assigned Executive Office NHT Cynthia WONG and all National Officers for the support throughout the year. I would also like to thank fellow 2010 LOM Presidents for their kind support and encouragement.

Special thanks should also be given to our Honorary Legal Advisor Mr Robert C.K. TSUI and Honorary Auditor C & T Associates CPA Limited for their continuous guidance and assistance.

The Last but not the least, I wish to express my great appreciations and thanks to all Islanders and Senior Members. Without your support and understanding, I cannot have the passion and motion to serve my mother chapter Island Junior Chamber.

7 CONCLUSIONS & ACKNOWLEDGEMENT

Being a President is never an easy task, being a President of the first lady chapter in Asia with 40 years of outstanding achievement is even more challenging. Year 2010 is challenging but rewarding. Through my past six years in Hong Kong Jayceettes Junior Chamber, this year really led me to the height of my JC path. I am proud to be a Jayceette. Fellowship brings us together and makes every project successful.

Taking this opportunity, I would like to express my heartiest thanks to my "elder brother" National President Senator Gene Tang for his continuous support and encouragement since I was the National Community Development Director last year. Special thanks are extended to National Assigned Executive Officer National Vice President Michael Tang and all National officers for their support and assistance throughout the year. Thanks should also go to all Chapter Presidents for their support and encouragement.

I would like to convey my appreciation to Hon Patron Ms. Elsie Oi-sie Leung, GBM, JP for her unfailing support to our chapter. My gratitude should also go to our Chapter Patron Vision 2008 Ltd, all sponsors and donors who had given financial support. With their generous donation, the chapter' s financial burden had been lessened.

Thank you Presidential Advisors Past President Senator Connia Chu Lo and Past President Mariana Ng, Immediate Past President Jennifer Lam and Past President Jeritza Wong. I cannot find any single word to express my deepest appreciation to them. They always stand by me whenever I need them. They are all marvelous! My thanks also go to the panel of experienced area advisors and project advisors.

My utmost thanks also goes to my dedicated Board of Directors and Officers, all project chairmen and organizing committee members for their commitment, in which they do not just get their jobs done, yet to strive for excellence. Please join me in giving a round of applause to them.

Last but not the least, I would like to express my deepest appreciation to all Jayceettes of my beloved Chapter for their full support in 2010.

I wish the incoming President and her Board of Directors a fruitful and fabulous year of 2011.

Kathy Woo

15 總結及鳴謝

感謝各位會友的支持，能夠肩負獅子山青年商會 2010 年會長一職，領導著一班有著共同目標的會員，籌辦多個大型工作計劃，適逢今年本會擔任為總會第 45 屆周年大會主辦分會，身為會長的我更引以為榮，工作量雖然非常繁重，但看見董事局成員一浪接一浪推出本會各個範疇的旗艦活動及工作計劃，而且得做出美滿的成績，得到各方認同及讚賞，這實在是本人的榮幸。
本人自 2006 年 5 月加入獅子山大家庭後，入會以來從未間斷擔任過董事局不同的崗位，於 2007 至 2008 年更擔任總會商務協進部幹事， 2008 年更有幸成為總會公開演說比賽籌委會主席。去年當副會長，督導商業事務推出本會全新旗艦活動「員工關懷日」得到各方好評。去年 5 月在不少前會長的鼓勵下，最終決定競選 2010 會長一職，在籌組內閣時發覺，發現原來有很多會友對本人是十分支持的，直到今天仍然不離不棄。在此，本人十分感謝每一位董事局成員在過去八個月的努力及支持，與我並肩作戰，排除萬難，做出一個又一個獲得正面評價的工作計劃。本人能看見會友與自己一同成長、一同學習、一同服務本會，這正是我擔任會長最快樂的泉源。
本人藉此機會感謝一班一直對我指導及支持的良師益友，包括會務顧問陳大澤參議員及曾鳳珠參議員、會長顧問 2000 年會長陳焯基參議員及 2006 年會長謝淑文、曾永森參議員、長遠發展委員會主席梁鈞達參議員、參議員委員會主席曹國俊參議員、基金管理委員會主席何錦華參議員、資深青商會主席曾德偉、培訓及發展委員會主席招齊潔參議員、2003 年會長黎小玲、2004 年會長梁美儀、2007 年會長李耀輝、2008 年會長廖佩儀、鄺潔環參議員、林裕添參議員、各資深會員及各會友，多謝你們陪我一同走過這條精彩難忘的會長路。
在此，本人亦十分感謝總會會長鄧長政參議員與及總會指派執行委員鄧偉昌，對本人的鼓勵及對本會各個大小工作計劃的支持，他們的愛戴，令我更有信心去做好今年本會會務。
最後，本人非常非常感謝我的開心果丈夫 Laurent (樂康) 對我過去一年以來的鼓勵、包容及愛錫，為我分擔部份的工作，使我能專心辦好會務。

8. 總結及鳴謝

今年海港青年商會會員充滿活力、幹勁、創意和敢言。董事局成員亦能夠發揮遠見、感染、啟發和承擔能力。

我們實幹的主題，以“會員為本”及推出「青年領袖系列」，不同的形式向各界推廣「服務社會、訓練自己」的青商精神。為配合主題，今年口號為「積極 · 參與 · 享受」，籍此鼓勵及激發會友及新會友的參與率，打造一個更深更闊的海港。

我們致力推動會員積極參與會務，以「海港 2.0」為藍本配合「捨」與「得」態度，會員一點一滴的參與便是會務的成果，會長及董事局成員只是這平台的管理者。

首先本年度會員委任數目超過二十人，連同董事局成員，直接參與會務管理的會員多達四十人。其次，由去年底開始啟動會員擴展計劃；年初，舉辦了青年領袖訓練班，以培訓形式招收會員及四次主題包裝的青商知識講座，再配合五次聯誼及招攬會員活動，會員積極帶同朋友出席，至今已招收四十位準會員，令繁重的會務注入新力量。再者，旗艦工作計劃—國際兒童繪畫比賽及青年領袖選舉，由會友擔任主席，以準會員為主的籌委會，共三十多人次，由此可見，每位會員均以不同形式參與會務，實現了積極參與的思想。

直至現在，我們已完成八成半的工作計劃，餘下四個月，讓我們好好計劃及享受周年餐舞會及接待姊姊會的工作。享受不是必然，但本年度的工作計劃確實令我享受不已，兒童繪畫比賽參賽人數超過八千，涉及人數多達超過三萬人，籌委會上下成員盡顯籌備大型活動的領導能力、決心及「服務社會、訓練自己」的青商精神。別具意意義的青年領袖選舉，籌委會團結一致、氣氛融洽，會員無一不被感染，達到享受青商運動的層次。責任消費工作計劃，超過十個媒體報導，其中新報更以頭版要聞刊登，大大提昇了青年商會的形象，而中文大學社會工作系更申請調查結果成為教材，可見這首個責任消費調查帶動了社會的正面影響、加速了社會的和諧。

至八月底，已出訪姊妹會共四次，還計劃年底日本金澤姊妹會，能夠與所有現有的姊妹會緊密交往實在是難能可貴，每次的訪會，他們均以悉心的接待，體現了青商國際關係的文化。以上種種積極參與所帶出來的享受成果，瀝瀝在目、記憶猶新。

此外，感謝總會會長鄧長政參議員的信任、領導及支持，總會指派總會指派執行委員關俊華的支持與指導及總會董事局成員的協助。最後，非常感謝會長顧問孫玉桐參議員、鄧慧思參議員、袁銘恩參議員的鼓勵、指導及支持，感謝顧問團成員、委員會主席及委員、專員、幹事及董事局成員，他們堅守崗位，努力不懈地完成所有會務。

多謝大家給予我的鼓勵、支持、指導和包容！

(七) 總結及感想

能夠成為 2010 年太平山青年商會會長，實在是很難得和榮幸。在今年的日子裡，能夠與前會長，董事局成員，會友合作與交流。好開心的覺得他們都是活力充沛、能幹、有責任心；而且他們亦散發出太平山青年商會文化中的友善、和諧及太平，每一個青年商會的會友都擁有對青商的熱情及動力，希望透過自己積極及正面的改進，吸引更多青年人了解青年商會的目的及運作。本會今年的口號 [活力、動力] 凝聚著每顆太平山青年商會會友的熱誠，爆發出一股澎湃的動力，為本會及青商運動帶來新的創意與思維，延續本會三十三年來在社會所貢獻的成果。

今年的成績，實在全賴全體董事局成員、工作計劃籌委主席和各籌委成員及所有會友的支持、鼓勵及熱心參與，在此藉著總會周年大會的機會，特別要感謝幾位亦師亦友的會友。第一要感謝的是總會指派執行委員羅家遠參議員，在他的提點和指導下，令本會今年的活動更加完善。第二要感謝的就是會務顧問林國華參議員，他的默默支持令我們的動力沒有減退。還有感謝會務顧問蕭翠兒參議員，她今年不單在會務提供意思，還是我的一班會友的大媽媽。大力感謝的還有會長顧問王浩然參議員，他是我們太平山青年商會的領導員，是我們一個好好的樣板，我們溝通最多，在他悉心的指導下，我獲益良多，他帶給我們好多正面思想和正面改變。不可不提的還有上屆會長楊健茹，她對青商的熱誠和經驗帶領我們所行的都是正路，方向一致。還有會長顧問梁珮澄參議員，她的一言一語都令我什麼是正確、什麼是工作態度，她是我們好好學習的對象。前會長陳浩暉參議員是太平山青年商會的青商字典，感謝他對今年代表本會為總會出力。最後要感謝的就是太平山青年商會歷屆會長，與本年董事局成員。當然還有所有的會友，你們都是我們太平山青年商會的資本和將來的棟樑。所有人給我最大的動力，就是快樂。因為有了這種快樂，才可以保持衝勁繼續前進，接受每日帶來的挑戰。2010 年是我人生中寶貴的一年，因為我很快樂！
最後希望今年大家的『活力、動力』得以延續，明年能締造更光輝的成績。

1 引言

三十一是下半個甲子的開始，既承接以往三十年的知識、經驗和智慧，亦意味着要承先啟後，為往後會務發展繼建根基，讓紫荊之花綻放光輝和姿彩。

「凝聚紫荊力量 · 開拓智慧里程」為今年會務方向。匯聚各位紫荊會友的才能、知識與智慧，一同開啟智慧之門。全賴前會長們的指導、董事局成員的努力和堅持及一眾會友的積極參與，群策群力，共同製作多個優質的工作計劃、講座、商務交流團及活動，凝聚會員力量，回饋社會。

延續去年「愛知識 · 齊分享」系列旗艦工作計劃，今年加入英語、演說、表演藝術等元素，令閱讀分享變得更具創意和有趣，同時響應「聯合國千禧發展目標」，今屆加入「捐書行動」，藉此讓更多有需要人士享受到閱讀樂趣。

此外，積極增進與總會及其他分會之協作，協辦總會重點培訓班之一「2010 年會長學堂」工作計劃，及與其他分會合辦聯合月會；亦鼓勵會員參與國際青年商會、香港總會及各分會主辦之活動，透過交流學習拓展視野，不斷發展成長，締造廣闊遠大的未來。

7. 總結及鳴謝

「每個人都可以為自己、為他人帶來正面改變」，這是我作為北區青年商會會長的理念。

青年商會是提供年青人創造正面改變的地方，加入青商，我們必須檢視自己有甚麼可以改變的地方，更進一步，有甚麼可以影響別人改變的地方；只要我們提供機會予會員互相影響從而創造正面改變，才可以發揮我們最強大的力量。

本人在此感謝總會指派執行委員總會副會長江玉珊參議員、兩位會長顧問 1990 年會長黃漢森及 2003 年會長譚綺華參議員，三位給予本人極大的支持及寶貴的意見；亦感謝各董事局成員、前會長及總會各職員對本會的支持。

第四十五屆總會周年大會
浩洋青年商會
會長報告

1. 引言

本人十分榮幸能成為浩洋青年商會二零一零年度的會長，帶領一群有理想、有活力、有抱負的年青人，追求夢想，訓練自己，回饋社會。本會今年以「拉闊生活，提升潛能」為口號，希望每一位會友或參加我地活動的朋友都能夠拉闊佢地的視野，作出新嘗試。

本會今年的三大目標：增加會員人數、提升會員質素及強化浩洋對外的知名度。希望透過舉辦不同的工作計劃，如以健康低碳食譜設計為主題的健康共和國 2010，加強溝通能力的領導才能的 Easy Com Easy Goal 2010，充滿理財概念的小企業大長征 2010，及訓練創意的扭轉思維系列，藉此令到所有會友得到全方位的訓練及發展，同時達到今年的目標。

我們不可改變天氣，但可改變心情；
我們不可改變生命的長度，但可改變生命的闊度。

讓我們在浩洋、在青商一齊「拉闊生活，提升潛能」。

  剛成為籌委的準會員 - 簡介籌委工作以及本份，讓準會員了解工作計劃的內容，作好心理準備
- Easy Com Easy Goal 座談會
  當晚有超過 200 位會友及新朋友出席，邀請了香江第一才子陶傑先生傳授實用的溝通大法，為我們親身示範了名人 (如李嘉誠先生) 的說話風格，原來溝通最重要的秘訣在於適當的停頓。 另外，抓住群眾有興趣的話題亦非常重要，如最近人氣急升的矛山師父，陶先生輕描淡寫地在大家的笑穴上點了一下，讓我們體現何謂真正的幽默感！
  另外，他還教曉我們如何令人又愛又恨的說話技巧，他整晚的話題都離不開政治時事，但最奇妙的是能深入淺出、把枯燥的話題說得生動，令本來不愛聽但偏要聽，實在一 ！
- Easy Com Easy Goal 工作坊
  當晚有 100 位會友及新朋友出席，邀請了警隊談判專家林景昇為主講嘉賓，示範如何在百 x 匯內爭取最大利益外，還教我們利用攝影的構圖技巧，捕捉對方注意，反客為主！

- 終極篇分享篇: 叱吒浩洋頒 禮
  成功邀請 7 位優秀的新準工作計劃主席分享，共有 40 人參加總會培訓及比賽:
- 一年一度的青商公開演說比賽，本會共有 3 位會友參加: 林梓鴻、楊嘉麗及李健
- 在總會的培訓方面，本會會友楊嘉麗畢業於 5 月 30 日的 JCI Presenter，是開拓另一青商事業的基本步
- 7 月 31 日至 8 月 1 日的會長學堂有副會長陳敏明及前會長李騰駿參議員為學員，並成功畢業，相信這對他們未來一年的領導也建立了一些信心。
- 最後，本會極力推薦準會員參加總會所舉辦的 5-Star 訓練營，有會友楊嘉麗、李寶意、周美清及鄭華榮的參與，使他們對青商的歸屬感和認識也有莫大的增長

5.9. 社會發展

2003 年「非典型肺炎」嚴重危害及威脅香港市民健康與生命，而第一屆「健康共和國」亦應而誕生。此工作計劃主要概括了四大環節：心靈、精神、身體及環境，目的是希望青少年擁有良好體魄及心智發展，啟發正面思想，並推廣其家人對這四大環節的重要性。為推廣「聯合國千禧發展目標」並引起社會大眾關注「UNMDG」這個首創的工作計劃，健康共和國 2010 之有營低碳新世代」亦再度舉行。

香港被喻為美食天堂，加上隨社會及經濟發達，人們可隨意選擇自己喜愛的美食。根據衛生署 2009 年 1 月公佈的行為風險因素調查，香港整體肥胖人口增至 22.2%，顯示香港人普遍多肉少菜，並以雜糧代替五穀類食物作為主要熱量的來源。長遠而言，這種不均衡的飲食習慣不但會導致身體肥胖，更會對健康構成風險。

衛生署亦於 2007 年訪問過 2000 名 12 歲以上的港人，了解他們攝取營養素的情況。結果顯示 17.9% 受訪者每周有 4 天或以上進食高糖食品，若以年齡組別分析，12 至 17 歲更多達 34.5%。於 2006-2007 學年，教育局、家庭與學校合作事宜委員會及小學校長會等多個組織已於全港小學推行「健康飲食在校園」認證運動，以改善學童的飲食習慣，讓他們得以健康成長。唯這計劃忽略了中學生這高危的一群。

有鑑於此，本會希望透過此工作計劃，推動全港中學生實行健康飲食和減少碳排放政策，培育及強化學生的良好飲食習慣，倡導學界共同正視及回應健康飲食和保護環境的責任。期望這健康環保飲食訊息能推至學生身邊的家人及朋友，令社會更健康。

整個工作計劃由三月開始，活動包括：

健康環保煮食食譜設計比賽報名及遞交作品 (三月二十八日至五月七日) 及健康環保煮食食譜設計比賽遴選面試 (五月十五日)	邀請到中華電力有限公司地區關係經理陳偉業先生、註　營養師何蔚宜小姐、浩洋青年商會會長林慧鈿小姐及工作計劃主席鄭嘉文小姐為評審 遴選面試中，各中學隊伍都施展渾身解數介紹其作品！有精彩的布公仔表演、戲劇、拍短片及演講等，經過評審團的嚴謹評核及相議，最後選出了十強進入比賽總決賽	共收到近四十份作品提交，籌委會需於芸芸作品之中選出二十一隊進行遴選面試

7. 總結及鳴謝

今年浩洋可算是五彩十色、創意無限，每一位會友都活出 " 浩洋精神 "。 作為一個會長，最重要的就是能夠激發各會友的潛能，做到今年的口號「拉闊生活，提升潛能」。

望著今年所定下的工作計劃表，真的難以致信，浩洋在第一季已經推出了十四個大大小小的工作計劃，當中包括了：浩洋首映禮、Easy Com Easy Goal、浩洋牛仔 laughing 派對及健康共和國 2010 之有營低碳新世代開幕禮…等等，而第二季及第三季所推出的工作計劃一點都沒有減少，包括了：小企業大長征 2010 一系列的活動、籌款活動、叱吒浩洋頒獎禮、及健康共和國 2010 之有營低碳新世代新聞發佈及食譜設計比賽決賽…等等。 每一個工作計劃都能超標完成，實在有賴各會友的支持。令會友以浩洋為榮，增加歸屬感，繼續為浩洋貢獻，發光發熱。

能夠有以上的成績，並非一個人的功勞，真的好感激一直陪著我走的一班戰友，包括：會長顧問、執行董事局成員、董事、幹事、前會長及會友，你們所付出的一點一滴，都成為我的美好回憶。多謝你們對我的無限包容及體諒，對浩洋無條件的付出，令到浩洋成為一個美好的家！希望大家能夠繼續以浩洋為榮，繼續為會友提供更多拉闊生活，提升潛能的機會，令到各會友成為一個卓越的領袖。

此外，本人非常感謝總會會長鄧長政參議員、總會指派執行委員馬家強、各總會職員、分會會長、日本吹田市青年會議所的會長及會友、中山市青年聯合會主席勞國南及會友、榮譽會長天行集團主席杜玉鳳小姐、各贊助商、各支持機構、創會會長黃漢清參議員、各前會長、各範疇顧問、資深青商會主席高達斌、基金會及長遠發展委員會，因為他們不單給我寶貴的意見，他們也身體力行支持浩洋所有的活動，還與我一起分憂解難，務求令我成為一個好領袖。

本人會長任期雖即將屆滿，但會繼續支持本會及總會之活動，因為青商路是富挑戰性、充滿很多學習機會及擁有真摯友誼的地方，展望與來屆董事局成員繼續開心團結參與，為浩洋更放異彩，祝願總會、各分會及浩洋會務昌隆。

5.2. Community Development

i. Love of the Earth 2010 – Build Your Dream
The objective of the project is:
Theme: Better City Better Life
Objectives: Aligning the theme of World Expo Shanghai 2010, we target to increase the awareness of young students and the general public on the importance of green living and urban planning.

The Opening Ceremony kick-started the project and at the same time celebrated the 10th anniversary of Love of the Earth environmental series on April 3, 2010. Nine journalists from seven media outlets attended the Ceremony. Post-event media interviews also took place, spreading environmental messages beyond the confines of the event date.

The Hong Kong Education Camp commenced right after the Opening Ceremony and was successfully completed on April 4, 2010. Forty students learnt about how science and technology could create a sustainable environment through a session conducted by three architects from the Hong Kong Institute of Architects. They also learnt how to live a low carbon life through an interaction with Mr Jan Lai, Vice-Chairman of Green Sense. At the end of the Camp, the students took an oath to become Environmental Ambassadors by spreading the message to friends and families.

Ten students have been selected to visit World Expo with us in Shanghai from August 4 to 8, 2010.

The pavilions we visited were related to the theme of Shanghai World Expo: Better City, Better Life. The students learnt about the challenges our environment was facing, the latest technologies to preserve our environment, environmental features of selected cities and blueprints for ideal cities in the future.

During our two-day Expo visit, we participated in the National Youths World Expo Experience Tour「全國青少年世博體驗團 - 啓智未來在世博」, hosted by Hong Kong-Shanghai Youth Exchange Promotion Association (滬港青年交流促進會), organized by Shanghai United Youth Association, Hong Kong Youth Exchange Promotion United Association and Hong Kong United Youth Association (上海市青年聯合會、香港青年交流促進聯會、香港青年聯會) and co-organised by Sha Tin Junior Chamber, seven provincial United Youth Associations and ten Youth Exchange Promotion Associations.

The 20 students then entered into a one-day exchange. They shared with each other what they have learnt in Expo and built models of their ideal cities in groups. They also learnt about the UNMDG. At the end of the exchange, the students made a commitment on what they would do to preserve the environment.

ii. Services in Shatin District
Our members participated in several secondary school mock interviews to help F.5 and F.7 school leavers through Ma On Shan Sheng Kung Hui.

（六） 總結及鳴謝

回想在二零零五年，由朋友介紹之下第一次參加晉峰活動，當時覺得在人生的不同階段中， 無論是家庭、工作、學業、人際關係，以至貢獻社會，都有自己要突破及進步的空間。

本年度有幸成為晉峰青年商會會長實在讓本人也嘗試突破自己的局限，有限的精力和時間中同時要平衡家庭、事業等各式各樣的事情以及照顧身邊每一個人的感受，對於本人來說，實在是一個非常大的挑戰。直至今天，本人仍在摸索和不停地努力嘗試中。但就正是這個挑戰使我更專心每方面工作，所得成功感與樂趣確是筆墨難以形容。

多謝期間每一位前會長、董事局成員、組別主委、小組主席及各委員、資深會友及各會友對本會會務支持。沒有你們積極參與，我們絕不可能得到今天成績。

還有，本人感謝總會會長鄧長政參議員的領導，總會指派執行委員黃瑋和黃穎文協助，各總會職員及各分會會長給予本會的支持。此外，衷心感激兩位會長顧問前會長譚美芳參議員和前會長孫有光參議員、領導才能顧問前會長謝偉民、會員事務顧問前會長蔡影梅、社會發展顧問上屆會長陳家健、出版事務顧問前會長譚美芳參議員、商務發展顧問會員陳可明、財政顧問會員李瓊英、行政事務顧問會員劉少薇的寶貴意見和對本會的貢獻。

2.2.3.1 CCTV & Broadband
We add a fixed IP for online CCTV. Although we are using PCCW dynamic IP 4M Broadband service, we added a Fix-IP 100M Broadband service from HKBN as we found we can saved much money by using this vendor. What's more important is, we can have big improvement on upload and download speed.
A special port is set for CCTV's use.

2.2.3.2 Network Reconstruction
The current network is being fine-tune. The wireless access point are upgraded from 802.11g to 802.11n. The JCIHKAP01-03 are using HKBN while JCIHKAP04 is using PCCW served as a backup.

2.2.3.3 Other
NITC will be stand by at JC Office on Sept 5 2009, the NC Award Judging Day to ensure over 50 members are able to access the internet service in the same time

3 CONCLUSIONS & ACKNOWLEDGEMENT

I'd like to take this opportunity to express my heartfelt thank to NGLC Benny Lam for his unfailing support and encouragement to NITC.

Independent auditor's report
To the members of Junior Chamber International Hong Kong Limited
(Incorporated in Hong Kong and limited by guarantee)

We have audited the financial statements of Junior Chamber International Hong Kong Limited set out on pages 5 to 16, which comprise the statement of financial position as at December 31, 2009, the income and expenditure account and statement of cash flows for the year ended December 31, 2009, and a summary of significant accounting policies and other explanatory notes.

Directors' responsibility for the financial statements

The directors are responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent auditors' report
To the members of Junior Chamber International Hong Kong Limited
(incorporated in Hong Kong with limited liability)

Basis for qualified opinion

Included in the carrying value of the leasehold land and building, the cost of the leasehold land is accounted for as half of the total cost of the leasehold land and building held by the Chamber. This accounting treatment is not in compliance with Hong Kong Accounting Standard 17 'Lease' which requires the amount to be allocated between the land and the building elements in proportion to the relative fair values of the leasehold interests in the land element and buildings element of the lease at the inception of the lease.

Qualified opinion arising from disagreement about accounting treatment

In our opinion, expect for the matter described in the basis for qualified opinion paragraph, the financial statement give a true and fair view of the state of the Chamber's affairs as at December 31, 2009 and of its surplus and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

ACCOUNTING POLICIES AND EXPLANATORY NOTES
TO THE FINANCIAL STATEMENTS

Reporting entity

Junior Chamber International Hong Kong is a company incorporated in Hong Kong and limited by guarantee. The company's registered office is located at 21/F., Seaview Commerical Building, 21-24 Connaught Road West, Hong Kong. The principal activities of the Chamber are the organization of activities for young people to develop leadership skills and the promotion of social responsibility and community spirit.

1. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The financial statements have been prepared in accordance with generally accepted accounting principles in Hong Kong and with accounting standards issued by the Hong Kong Institute of Certified Public Accountants.

The measurement base adopted is the historical cost convention.

The following are the specific accounting policies that are necessary for a proper understanding of the financial statements:

(a) Income

Income is recognised when it is probable that the economic benefits will flow to the company and when the income can be measured reliably, on the following bases:

i) membership fee income is recognized on time proportion basis. 25 % of initiation fees from prospective membership received during the year are recognized as income on the date of receipt, the remaining 75% are transferred directly to the Chamber Office Equipment and Renovation Reserve Fund; and
ii) Donations and subsidies received are recognized on the date of receipt.

(b) Accounts receivable

Account receivables are stated at estimated realizable value after each debt has been considered individually. Where the payment of a debt becomes doubtful a provision is made and charged to the income and expenditure account.

(c) Accounts payable

Account payable are initially measured at fair value and, after initial recognition, at amortised cost, except for short-term payables with no stated interest rate and the effect of discounting being immaterial, that are measured at their original invoice amount.

(d) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and any impairment losses. The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after items of plant and equipment have been put into operation, such as repairs and maintenance, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of an item of property, plant and equipment, and where the cost of the item can be measured reliably, the expenditure is capitalised as an additional cost of that asset or as a replacement.

Depreciation is calculated on the straight-line basis to write off the cost of each item of plant and equipment to its residual value over its estimated useful life. The principal annual rates used for this purpose are as follows:

Land	over the lease term
Building	2%
Furniture, fixtures, equipment & leasehold improvements	refer to note 4 (a)

Where parts of an item of plant and equipment have different useful lives, the cost of that item is allocated on a reasonable basis among the parts and each part is depreciated separately.

Residual values, useful lives and the depreciation method are reviewed, and adjusted if appropriate, at each year ended date.

An item of plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on disposal or retirement recognised in the income and expenditure account in the year the asset is derecognised is the difference between the net sales proceeds and the carrying amount of the relevant asset.

(e) Impairment of assets

An assessment is made at each year ended date to determine whether there is any indication of impairment or reversal of previous impairment, including items of plant and equipment. In the event that an asset's carrying amount exceeds its recoverable amount, the carrying amount is reduced to recoverable amount and an impairment loss is recognised in the income and expenditure account. A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the recoverable amount, however not to an amount higher than the carrying amount that would have been determined (net of amortisation or depreciation), had no impairment losses been recognised for the asset in prior years.

(f) Cash and cash equivalents

For the purpose of the statement of cash flows, cash and cash equivalents comprise cash on hand and demand deposits, and short-term highly liquid investments that are readily convertible into known amounts of cash, are subject to an insignificant risk of changes in value, and have a short maturity of generally within three months when acquired, less bank overdrafts which are repayable on demand and form an integral part of the company's cash management.

For the purpose of the statement of financial position, cash and bank balances comprise cash on hand and at banks, including term deposits, which are not restricted as to use.

(g) JC supplies on hand

JC supplies on hand are valued at the lower of cost and net realizable value. Cost being cost of purchases on a first-in first-out basis. Net realizable value is determined by reference to the sales proceeds of items sold in the ordinary course in business after the year ended date, and in other cases, to management estimates based on the prevailing market condition and net replacement cost.

(h) Operating lease

An operating lease is a contract between a lessor and the Chamber for the hire of a specific asset of which substantially all of the risks and rewards of ownership remain with the lessor. The lessor retains legal title to the asset but conveys the right to the use of the asset to the Chamber for an agreed period of time in return for the payments of specified rentals.

2. TAXATION

No provision for Hong Kong profits tax has been made in these financial statements as the Executive Committees are of the opinion that the Chamber is eligible for exemption from profits tax under Section 88 of the Hong Kong Inland Revenue Ordinance.

3. STATUS OF ASSOCIATION

The Chamber is a non-profit making incorporated Association which is limited by guarantee and not having a share capital. In the event of this Chamber being wound up, any person being a member or within one year after she ceases to be a member, should be required to contribute to the deficit of the Chamber for a sum not exceeding ten dollars.
